

Super D. S 74

Chapter 74: gentleman

"Oh la la!"

Ye Xuan quickly rushed out of the Blackwater Lake, and then rushed toward the forest without heading back. And in the third second of his departure from the water, there was a giant beak out of the water.

One-horned dragon!

"coming!"

Ye Xuan listened to the sound of water like a waterfall behind him. The nerves were already stretched to the limit. He broke the speed to the maximum and quickly rushed into the forest.

Fortunately, this one-horned dragon has some IQ and is not chasing after it. After seeing Ye Xuan immersed in the forest, he is planted in the water.

At this point, in a corner of the forest, Ye Xuan hid behind a tree and sneaked a glance.

Nima, this is bigger than the injured one-horned dragon, and one can definitely swallow a tank.

"Hey."

Ye Xuan couldn't help but swallow his mouth, and he also had a lingering fear. If this dragon continues to chase, he may not escape.

"Scared me, what the bad news got, there are two dragons, and I almost confessed here."

Ye Xuan stared at the lake for a while, then he was relieved. It seems that this one-horned dragon went to the injured dragon, and the road was not smooth. It is estimated to be dead. After all, this dragon is Coming in from another cave.

Fortunately, this time it is only a surprise, he has four blood vessels in his body, otherwise it is really possible to explain here.

Ningchuan died, and the road was not flat and was swallowed by the dragon. Now only Ye Xuan and Guan Yulan are left.

When they left Zongmen, there must have been many people who witnessed it. If the road is not equal, then the Yunyun will doubt him.

But if there is a witness, this is not too bad.

"Hey, Guan Lan, are you okay?"

Ye Xuan took a sigh of relief and then asked him a question, but in the next moment, his expression was abruptly stopped.

I saw that the language of Lan is red and hot, which is obviously what 'obscenity can't move'.

"I am going, it must have been when I was on the road with the road. I have a lot of blood, so this thing is useless to me..."

Ye Xuan hurry to find in the phagocytic system to see if there is anything that can solve this 'obscenity can't move'.

But at this time, the seriously injured Guan Lan, suddenly issued a 呻吟, and then the whole person is past the leaves of Ye Xuan, the two lips of moist lips, directly printed on the mouth of Ye Xuan .

what?

Ye Xuan is still thinking about it. Suddenly, she was attacked by such a sneak attack.

"Hey, hey, he's still groping." Ye Xuan felt that something was wrong with her armpit, and her heart was immediately trembled.

At this time, he was hesitant in his heart, and there were two ways before him.

First, the boat was pushed forward, and this language was given to the end. After ending the virgin career for so many years, I can use the reason that I can also use 'obscenity and can't move'.

Second, stick to it and cure it with Guan Lan.

"Mom, it's really getting angry."

Ye Xuan thought quickly about it, and then he made a decision. He is also a man of 'righteousness'.

"The blood of the flowers makes me unaffected, so my blood may also have an effect."

Thinking of this, Ye Xuan is to cut his wrist and then push the open language that has been out of control.

But he just pushed it away, and the language Lan has come up again.

"Nima!"

Ye Xuan screamed in his heart, pointing his wrist directly at his mouth, sucking.

Sure enough, Guan Lanlan rushed up.

This time, Ye Xuan directly passed his mouth and passed his blood to the mouth of Guan Lan, and then swallowed by Guan Lan.

Ye Xuan has a hundred flowers in his body, which can make him poisonous, and his blood is swallowed by Guan Lan, and immediately it is effective.

Ye Xuan clearly felt that the body temperature of Guan Lan was declining and began to recover.

"Screw you."

Upon seeing it, Ye Xuan also pushed the language off, and the latter slammed into the tree behind him and began to slowly recover consciousness.

However, what Ye Xuan did not think was that the first thing after the elimination of the drug power in Lan's body was to reach out and face the leaves of Ye Xuan's head.

"Sexual thief, go to hell!"

"The trough is really the most poisonous woman. I will save you a few. You will kill me when you wake up."

Ye Xuan reached out and locked the hand of Guan Yulan. He replied: "A woman who is a snake-hearted woman, is this a savior for you?"

"Go to death!"

Guan Lan's face was ruddy, and she lifted her foot and smashed it in the past, but she was seriously injured at this time, even if she was at the peak, so close to her, she couldn't help Ye Xuan.

Therefore, she was easily slammed by Ye Xuan.

"Sexual thief, let me go!" Guan Lan Lan shouted.

"You didn't make a mistake, or did you have a little consciousness after you were 'obscenity can't move'?" Ye Xuan asked.

"Sexual thief, you let me go!" Guan Lan was pressed under the body by Ye Xuan, and her breath was not smooth. She was seriously injured, and now she is injured.

Ye Xuan frowned: "It seems that you don't remember at all. You have been attacked by the road. I helped you block the deadly blow and then took you out, but you have already gotten the road." 'The obscenity can't move' poison, I kindly help you solve it. If I really want to be like you, I have already pushed you through the boat, not to help you detoxify!"

When I heard Ye Xuan say this, Guan Lan is also a glimpse. In fact, she still has some consciousness, at least before the water surface, but the latter things are a bit fuzzy. When she is awake, she finds herself and Ye Xuan is in close contact.

"You let me go first!"

Guan Lan said another sentence, but the tone was obviously not as strong as before.

"Well, if you dare to do it to me again, I will throw you back into the Blackwater Lake and let the dragons swallow you!" Ye Xuan said coldly, then slowly got up.

At such a close distance, he has a hundred ways to get this language down, so he said that this language has no threat to him.

Seeing Ye Xuan retreat a few steps, Guan Lan also quickly climbed from the ground, and then sorted out his wet clothes.

At this time, although she was fine, she was only able to press her under her body. The clothes of the two men were wet and let her feel the masculine masculinity of a man at a close distance. Therefore, her face is still the same. It is a blush.

"Why are you not poisoned?" Guan Lan asked somewhat strangely.

Ye Xuan used the spirit to shake the clothes, and then lifted his left wrist and said: "I have eaten a kind of heavenly treasure, so the poison is not invaded, you just drink my blood to detoxify."

blood?

Guan Lanlan stunned again, and she suddenly found that her mouth did have some astringency and
*** smell.
