### Chapter 76: Road elder

This trip to Blackwater Mountain is a shocking and rewarding experience.

The first is Guan Lan, who was blessed in disguise and broke through to the eighth place of the martial arts.

The most natural harvest is Ye Xuan. He swallowed a ware of the next product and directly broke through the eighth peak of the martial art. He even scored more than 400 points.

At this time his engulfing points, there are still five hundred.

"Oh, it's a black heart. The cheapest one in the middle blood is also a thousand points. It costs 500 million yuan, five million yuan and two gold."

In the house, Ye Xuan's heart is bleeding, the cheapest intermediate blood, in fact, is the second blood of the chasing leopard, worth a thousand points to swallow points.

It seems that he could not be redeemed in a short time.

But in general, he is still quite satisfied, because he can still break through again now, after all, what was swallowed before is a sword.

"I don't know if the master is back, don't give him a surprise. If you are happy, give me 100 million." Ye Xuan snickered in his heart.

Zhong Yang, the chief disciple of Li Yunzong, broke through to the eighth middle of the martial arts in the middle of the 18th, and Ye Xuan was already the eighth peak of the martial arts at the age of fifteen. After a while, I am afraid that it is the ninth heavy martial art.

If this is spread out, it will definitely give a long face to the cracked cloud sect!

Ye Xuan left his room, and then walked toward Zhou Cang's yard, and he had not yet reached the door, and there was an old voice coming from inside.

"come in."

Ye Xuan was shocked, and sure enough, it is now the strongest of the cracked Yunzong, so that he can hear it. He walked in and saw Zhou Cang sitting in the yard drinking tea.

"Ye Xuan, I heard that you have gone out and do the training tasks this time, how about?"

Zhou Cang looked at Ye Xuan and said slowly.

"Successfully completed, and at the same time, I also got an unknown drug, and now I have broken through to the eighth peak of Wudao!"

Ye Xuan respectfully clenched his fists.

what?

His voice has not completely fallen, Zhou Cang is instantly getting up, exclaimed: "The eighth peak of the martial arts?"

"Yes, the disciples have already broken through." Ye Xuan nodded, and then spread the deliberately suppressed spiritual power.

Zhou Cang feels a bit, and sure enough, it is the eighth peak of the martial arts, and it is still very rich, I am afraid that it is not far from the ninth weight of the martial arts.

"Genius, it is a genius. In just a few days, you have been the eighth peak from the martial arts. Your qualifications are far more than that of Zhongyang. It is really helping me!" Zhou Cang's emotions are very exciting.

"Tian Tian help me too? This word is a bit inappropriate." Ye Xuan was a little surprised, but after thinking of himself as an apprentice of Zhou Cang, he did not think much.

"Haha, now you are the chief disciple of my split Yunzong. After half a month, it is the ratio of my split Yunzong and the split Tianzong. At that time, you will definitely give me a bad breath, as long as you have a bad breath, as long as You can make the split cloud win, the master gives you 30,000 points."

Zhou Cang saw that he almost said that he had missed his mouth and hurriedly transferred Ye Xuan's attention. Only then did he help me in the mouth, but it did not mean this.

30,000 points!

Ye Xuan's eyes lit up, this is not small. At this time, he suddenly remembered a question. He asked: "Master, the first Zhongyang brother of the inner door has not returned yet. I have not challenged his disciple."

"Yes, I don't know when this Zhongyang came back." Zhou Cang hurriedly nodded, but he added in his heart: "Zhong Yang has not come back!"

For the first position of the inner door, Ye Xuan does not care. He only needs to let everyone know that he is the strongest of the Yun Yunzong disciples.

"Yes, Master, what is the comparison between the two?" Ye Xuan asked curiously, because he suddenly remembered that the Wanjin City Shaocheng advocated that Xiang had said that he would avenge the two cases.

Zhou Cang explained: "The two will be compared, that is, I split the Yunzong and the cracked Tianzong to select some disciples to test, every two years. At the same time, we will have some bets, as long as we win, we can get another sect. The bet, however, I have lost five times in a row."

"Bet?" Hearing this, Ye Xuan's eyes are bright again, and now he is the most lacking money.

"The cracked Tianzong is much stronger than my cracked Yunzong. There are also many geniuses on their side. It is said that there is an eighth peak of the martial art at the age of eighteen. I don't know that the ninth heavy martial art has not been broken recently." Zhou Cang Said slowly.

"The eighth peak of the martial arts, cut, in my eyes, can be defeated in three rounds." Ye Xuan is very disdainful, and now he is strong, and he believes that there will be no opponents in the same class.

"Ye Xuan, this time two comparisons, you don't want me to lose face." Zhou Cang looked at Ye Xuan with satisfaction, his eyes flashing a strange light.

"It's a master!" Ye Xuan Zheng focused on the head. Then he said again: "Master, now the child is almost breaking through the level, are you..."

"Haha, you mean I understand, but you just broke through, or to consolidate the realm, but the speed is not up, can not affect the future cultivation because of the two comparisons." Zhou Cang caressed the beard, haha laughed.

"I rub, it seems that it is impossible." Ye Xuan was very puzzled, he was hesitant to tell Zhou Cang secrets, in this case, Zhou Cang will definitely help, and then crush the Tianzong once.

However, Ye Xuan thought about it in his heart, or forget it. He and this week have only seen two faces, although the latter is his master.

"Master, the disciples first retire." Ye Xuan clenched his fist, and then went out.

However, after he left, Zhou Cang looked at the gate of the yard and murmured: "I didn't expect this kid's talent to be higher than Zhong Yang. Hey, Zhong Yang, don't blame me for being so hot, I want to blame Ye Xuan. It is his appearance that makes you worthless."

When he finished, he suddenly began to laugh.

.....

It should be said that Zhou Cang is the master of Ye Xuan. If Ye Xuan tells him the secret, there should be no big deal.

However, Ye Xuan still thinks it. Whenever he stands in front of this week, he always has a feeling of heart, perhaps because Zhou Cang is too strong.

After leaving Zhou Cang's house, Ye Xuan is ready to leave the bamboo forest and turn around.

However, at this time, suddenly there was a figure moving towards him slowly.

"Hey, is an elder?" Ye Xuan was a little surprised and greeted him.

He just wanted to speak, the elder said: "You are Ye Xuan?"

"The kid is really, dare to ask the elders what is the matter?" Ye Xuan respectfully clenched his fist.

"Old man Lu Chi, I heard that the road is not flat with you to do the training tasks in the past few days, but why are you and Guan Lanlan returning today?" Lu Chi asked in a strange way, he also knows about Ye Xuan. After all, he heard that Ye Xuan was not smooth.
