Chapter 78: Evened out!

However, in general, the resources required for the upgrade of Ye Xuan have finally fallen. As long as he breaks through the ninth weight of the martial arts, the strength can be improved.

You must know that the ninth heavy martial arts can already be the mentor of the cracked Yunzong. Even the Wanjincheng city owner is only the ninth heavy martial art.

"We are even!" said Guan Lan.

"There was a flattening." At this time, Ye Xuan was very excited. When he got it, he forgot to suppress the spiritual power.

After feeling the strong spiritual fluctuations, Guan Lan was scared to retreat three steps. She looked at Ye Xuan with a strange look, as if she had seen the ghost.

"How, you can break through, I can't break through? I am two grades at a time, is it very envious?" Ye Xuan suddenly showed a wretched breath.

Jumping two levels at a time, Guan Lan has never heard of it. But she also knows that heaven is impermanent and everything is possible.

"I am different from you." Guan Lan said coldly, and did not care.

Different?

Ye Xuan suddenly reacted. In the eyes of outsiders, he was promoted by eating medicinal herbs, and Guan Lan, he himself broke through all the way. Otherwise, the realm of Guan Lanlan may have arrived at the eighth martial arts. In the medium term, it is the eighth peak of the martial arts, and even the ninth heavy martial art.

In this way, let Ye Xuan guess in his heart, how much is this in the language of Lan, will it let him directly break through the tenth weight of the martial arts?

However, these things are all related to Lan, and they have nothing to do with him.

Suddenly, Ye Xuan had a plan in mind, was he looking for a time to sneak out the things of Guan Lan, and wait for his strength to skyrocket, and then go back after earning money, at most, add some interest.

"Oh..." Ye Xuan couldn't help but laugh.

"What are you laughing at?" Guan Lan is very puzzled. Why did Ye Xuan laugh after hearing her words for no reason?

"Nothing, Guanjie, goodbye!"

Ye Xuan's face was a stiff one. After saying a word, he turned and left.

Now that he has got these points, he has to change to a treasure.

However, after Ye Xuan left, Guan Lan was looking at his back and once again fell into meditation. Even Ye Xuan had disappeared into the bamboo forest, and she was still staring.

.....

"Oh, the score of 10,000 points of Yunzong can be exchanged for 50 million bloodstones worth two million, so that I can break through to the ninth heavy martial arts, the fifteen-year-old mentor-level genius, Can definitely scare the cracked Tianzong."

Ye Xuan thought in his heart, he went directly to the refining pharmacy, but who knows, the millennium blood ginseng in the pharmacy hall was gone, but in desperation, he had to choose other things.

This thing worth about 100 million yuan, Ye Xuan did not directly choose to swallow, but to put it in the swallow space.

In the devour of the space, he can swallow in an instant with just one thought, so that he can directly break through to the ninth heavy martial arts.

I don't know why, he feels it is necessary to hide his strength, and always expose his strength, which is very bad.

Next, it is the two cases of the split Tianzong and the cracked Yunzong. He feels that the boundary of the eighth peak of his own martial arts plus the blood of the beasts and the blood of the leopard are already enough to sweep the sky.

This half-month has passed quickly. In the past two months, Ye Xuan has also planned a path for growth.

One force to drop ten meetings!

Strength and speed are the path he pursues.

He went directly to the cracked Yunzong, took a copy of the nine martial arts and took it out, and then included it in the phagocytic system. If necessary, he would spend the devour of points to learn.

Today, it is the day of the split Yunzong and the cracked Tianzong. Later, the team of the cracked Tianzong will come to the cracked Yunzong, because the split Yunzong has been defeated five times, and the two venues are comparable. In the last failed sect.

"Ye Shidi, Ye Shidi, come out soon, the team of the cracked Tianzong is here, we need to meet."

Ye Xuan further studied martial arts in his own yard, and there was a voice outside the hospital. It was the second inner door of Huo Yuan.

"Hey!"

Ye Xuan opened the gate of the courtyard and said: "Huo Shi brother, only the team of the cracked Tianzong came, and it is not the emperor. It is a big deal."

"No, every time the Tianzong is coming, all the inner disciples will come together. This is the rule. You and the younger brother will follow me." Huo Yuan directly dragged Ye Xuan out of the bamboo forest, and then came all the way to the cracked Yunzong. In front of the mountain gate.

At this time, in front of the mountain gate of the Rift Yunzong, there have been countless disciples, deacons, mentors, and elders, and even the deputy lord Zhou Cang has arrived.

"It's coming, Ye Xuan is here. I heard that this time, the two cases will be compared to him."

"Cut, this kid is just a remedy for medicine. What is the qualification to sit in the town? I don't know why Zhongyang's brother did not come back. Is it something that has been delayed?"

"That is, if Zhong Yang's brother is back, it must be the eighth peak of the martial arts. Maybe it will lead us to win the victory."

Ye Xuan's name is widely circulated in the Yunyun Zong, and the inner door is better, but those outside disciples are not aware of the lift. They all think that Ye Xuan's story is too exaggerated.

How can a defeat of the three people of Huoyuan?

Obviously rumor!

After Ye Xuan arrived, he walked to Zhou Cang's side and asked a respectful one.

At this time, beside the Zhou Cang, there are already a few elders who have gathered the Yun Yunzong, as well as the disciples of these elders, and Guan Lan.

After returning to the Rift Yunzong last time, Ye Xuan was a house in his own yard, so this time, he and Guan Lanlan met for the first time in the past two weeks.

Ye Xuan stood in front of Zhou Cang, and then deliberately glanced around, but found that the elders of the road, the grandfather Lu Chi Road, were not there.

"This road pool went out to find the road is not smooth, and has not come back yet, maybe it will be unexpected..."

Ye Xuan thought in her heart.

Under the black water lake, there are two spirit beasts, and the road pool is only a martial art tenth heavy weapon. If he dares to go down, he will certainly be swallowed by the two one-horned dragons.

In this case, Ye Xuan is also relieved.

Ye Xuan's gaze is another glimpse, and it falls on the body of Guan Lan. However, it is coincidental that Guan Lan is also watching him, and their eyes are on the same line.

They were all a glimpse, and then Guan Lan quickly recovered his gaze, but a small flush appeared soon on his face.

"I rub, swear, blush?"

Ye Xuan did not understand, but it was a glance at it. Guan Lan actually turned red. It's hard to be done. After Guan Lan, after the last incident, he liked him?

This unscientific!
