### Chapter 79: Split Tianzong

Huo Yuan, who was next to Ye Xuan, noticed this and hurriedly touched Ye Xuan. He said: "Your boy is very powerful. Only after half a month, I will hook up with Guan Shimei. How much do you hurt? Human heart."

"What hook?" Ye Xuan whispered.

"Guan Shimei has been watching you five times since you came over. You said that you didn't hook up?" Huo Yuan said.

In this sentence, he also smashed Ye Xuan. I am rubbing it, you have a good eye.

But then again, five times, this is too exaggerated. Is it true that this girl really likes him?

"The idea of this girl is too conservative. I won't kiss it three times, and I won't be pregnant."

Ye Xuan thought of this, he just thought that Guan Lan's abnormality was in the face of previous accidents.

At this moment, there was a burst of cheers at the foot of the mountain. Ye Xuan looked at the sound and saw that a team was stepping on the mountain gate.

Cracked Tianzong, come!

"Ye Shidi, this time Zhongyang brother did not come back, we broke the Yunzong on your back. I heard that in the previous sessions, my split Yunzong was crushed by the cracked Tianzong, and no disciple beat the other."

Huo Yuan suddenly whispered next to Ye Xuan.

"I haven't won one game?" Ye Xuan was shocked after listening to it. It's too fake.

The five-game losing streak is no problem. If you haven't won a game, it's too much to say.

"These two comparisons, how is it compared?" Ye Xuan asked again.

"I don't know, every time is not the same. It was decided by two masters and elders on the spot." Huo Yuan shook his head.

The speed of the split Tianzong team was very fast, and soon it came to the front of the cracked Yunzong.

Ye Xuan carefully looked at it. The splitting of Tianzong was a total of five elders, plus more than a dozen disciples. The team was said to be the deputy lord of the cracked Tianzong.

"Hey, Zhang Xiang is also here. It seems that I am looking for revenge." Ye Xuan found a familiar figure in the ranks of the cracked Tianzong. He was the Shaocheng master of Wanjincheng, Zhang Xiang.

This Xiang also noticed Ye Xuan, who was showing a fierce light.

"Cut, before I can get your fart and urinary flow, this time I am still awkward." Ye Xuan's heart was cold, and then he focused on the other disciples of the celestial celestial being.

Because the distance is too far, he does not feel the strength of these people.

But there is one person who doesn't feel very good about him. This is a young man with a smile on his face.

"Is this the card of the cracked Tianzong? I am afraid that it has reached the ninth heavy martial arts."

Ye Xuan's heart guessed that although he did not feel the other's spiritual fluctuations, his feelings were quite accurate.

At this time, the smiling young man turned his head and looked at Ye Xuan.

"It's so cold, I look at him and my back is cold. At first glance, it's a smile in the knife."

Ye Xuanyuan hit a beggar and no longer looked at the young man. He felt that this young man was a bit weird, a kind of demon that could not be said.

The two parties first took a look at the guest. Then, Zhou Cang told some inner disciples to entertain each other and take the other party to turn around.

Ye Xuan was ignored by him.

Ye Xuan is the card of the cracked Yunzong, but it can't be exposed, and Ye Xuan has a set of spiritual control. As long as he does not expose it, even the martial arts tenth heavy weapon may not find his real realm. More to see is the eighth heavyweight of the martial arts.

The people of the cracked Tianzong were invited to have a feast, and Ye Xuan returned to the bamboo forest alone.

In the afternoon, two people will tell Ye Xuan before the start.

However, what makes Ye Xuan strange is that this person who calls him is not someone else, but his neighbor, Guan Lan.

When Ye Xuan opened the gate of the yard, he was shocked. He asked strangely: "How is it?"

Guan Lanlan stood outside the door and seemed to be somewhat uncomfortable. She glanced at Ye Xuan and said: "The two will be compared. You must be careful about the Fan Yue. This person is very hot-hearted. The last time will be better than A brother is playing with the pulse."

"Hey?" Ye Xuan.

Fan Yue?

He was the first to hear the name.

However, he combined his name with the smiling young man who smiled in his mind.

This Fan should be the card of the cracked Tianzong, and he is the card of the cracked Yunzong, so the two sides will definitely be on.

"Oh, thank you for reminding me." Ye Xuan holds a fist.

However, the next moment, Guan Lan's words made him almost flash his tongue.

"Call my name." Guan Lan said with a red face, and said: "The two will start sooner than soon, let's go."

This time, Ye Xuan can be sure that this language is interesting to him.

He also had a month to go to the cracked Yunzong, but I haven't heard of anyone who dared to call her name directly.

Before returning to the Li Yunzong, Guan Yulan broke through to the eighth place of the martial arts, and then defeated the third place in the inner door.

Now, there are not many dare to call her sisters, and she is afraid that only her deputy master Zhou Cang will be the older generation.

"Wow, if you are handsome, you have welfare. If you go there, everyone likes it." Ye Xuan hearted the flowers.

Xue Qingqing is too young to be suitable for him.

However, this language has been seventeen this year, and eighteen years later. Girls of this age are still very good.

In a illusion, Ye Xuan and Guan Yulan came to the martial arts field of Li Yunzong. When they entered, they became the focus of attention.

Guan Lan's face was red, and Ye Xuan walked in.

If it wasn't for Zhou Cang's instructions, Guan Lan would probably not call Ye Xuan, but this time it would be big. After today, I am afraid that the whole cracked Yunzong will be talking about it. Ye Xuan is not near the water, and has gone away. Lan.

Ye Xuan came to the stands of the training martial arts, then went to Zhou Cang's side and whispered: "Master."

Zhou Cang is still sitting next to an old man, and he is the deputy lord of Li Tianzong, Li Haodang.

"Li Zongzhu, I will introduce you to you, this is my new apprentice, Ye Xuan." Zhou Cang introduced to Li Haodang next to him.

"Oh?"

Li Haoduan turned to look at Ye Xuan with a strange look. With a disdainful tone: "So young, it seems that the qualifications are also superior, I don't know how to compare with Fan Yue..."

"Ye Xuan this year, fifteenth, is the eighth peak of the martial arts." Zhou Cang added a sentence.

This time, Li Haodang's face is also changed. "Zhou Zongzhu is really good luck. This qualification is probably going to catch up with Fan."

"Don't dare, your Fan Fan, I am afraid that it is already the ninth heavy martial arts?" Zhou Cang said with a smile.

"Yes, Fan Yue has already broken through to the ninth heavy martial arts six months ago." Li Haodeng nodded.

"Sure enough?" Zhou Cang's face is also a sinking, the heart secretly said, the news he got, is already outdated, so the heart is also unable to pinch a cold sweat for Ye Xuan.
