Chapter 8: Waste Ye Xuan?

For Ye Xuan, bullying Liu is just bullying him. He vowed to report this hatred, and he has to double it.

At the moment, he went straight out and walked toward the drunken fairy.

He also heard that Chen Song likes to eat in the drunken fairy house. If there is no accident, it should be able to find it.

In a short while, Ye Xuan came to this restaurant called Drunken Immortal. Before I went there, I heard a hearty laugh from the second floor.

Ye Xuan once met Chen Song, so he heard his voice. This big laugh is Chen Song's.

However, the one who talked with Chen Song, the voice is very familiar to Ye Xuan, this person turned out to be the son of Ye Zhang, and Ye Xuan's cousin, Ye Kai!

This Ye Kai and Chen Song are the same age, but only the fourth stage of the martial arts.

"This Ye Kai, when did you catch up with Chen Song hook?" Ye Xuan was a little surprised, then went upstairs.

The second floor of Drunken Xianju is a private room. He followed the voice to find the past, but he did not enter the door, he heard the voice of Chen Song.

"Hahaha, I didn't expect it. After Ye Xuan's waste Dan Tian was ruined, Lin Jia immediately repented. Lin Ming, the dead old man, my father came to the door that day, he even ignored it."

"I didn't think of anyone who made Ye Xuan's unlucky ones to be repaired, but Lin Xueer was quite mysterious. It is said to be very beautiful. If she can find her, it will be very cool."

"Hey, Ye Xiong is careful to make a mistake. People have been accepted as disciples by a mysterious and powerful sectarian powerhouse. The future is boundless."

"Afraid of what, I heard that Lin Xueer has left Lianyun City, is it still afraid to spread to her ears?"

"Be careful to sail for thousands of years, let's talk about Ye Xuan's waste. Ye brother does not know, just when Ye brother is still in the future, my maid sees his maid, and then humiliates the other person once, if it wasn't the city guards who arrived, and the little girl was stunned. Really, Ye Xuan had a good luck in the waste, and there was such a watery maid, and she still didn't know how to cherish it. If I had already broken her... .."

Chen Song in the private room has not finished yet, but Ye Xuan outside the door has been unable to sit still, directly on the door.

"Dangdang!"

This door can not afford to be able to withstand the foot of the fifth heavy weapon of the martial art. He suddenly fell in and squatted directly at the dinner table.

"Bold, who is it?"

Chen Song in the private room jumped from the chair, but he only reacted. He saw someone rushing to him, then locked his throat with one hand and raised him in his life.

Who is so bold, dare to take the neck of the young Master Chen?

Ye Kai was shocked. When he walked aside and saw the side face of the comer, his mouth was able to put an egg down.

This person who rushed into the private room is not the waste Ye Xuan who discussed them?

"You, **** it!"

Ye Xuan's eyes screamed and slammed directly.

Snapped!

The slap in the face was very loud, and Chen Song's hand squinted at his face and looked like a sly look. He didn't react, and who was next to him.

"Ye Xuan, what are you doing, let go of Chen Xiong." Ye Kai hurriedly shouted.

what?

When Chen Song heard this sentence, it was completely embarrassed.

The person who grabbed his throat and lifted him up was actually Ye Xuan, who had just been called a waste, and could not stand Ye Xuan who stimulated suicide.

How can this be?

"Hey... Ye... Ye Xuan... You..." Chen Song was caught in his throat, and he said.

"Do you want to die?" Ye Xuan hand tightly, asked.

At that time, his whole body was a cold breath, and there was no trace of blood and expression on the whole face, like ice.

Somehow, Chen Song actually shook his head subconsciously.

Moreover, he is a level higher than Ye Xuan, but after he saw Ye Xuan himself, he was timid.

"I don't want to die, it can be, but you have to pay the price." Ye Xuan said coldly.

Still not waiting for his voice to fall, Ye Kai is a big drink: "Ye Xuan, stop!"

He shouted, just straight over and ready to grab Ye Xuan.

"Give me a roll!"

Ye Xuan headed a glimpse, and went straight to the side, and gave birth to the corner of the fourth martial arts.

Ye Kai is also awkward. He is now at the same level as Ye Xuan. Why is he being kicked by the other side?

At this time, Chen Song also reacted, and he was a higher grade than Ye Xuan, afraid of what he did.

Immediately, there was a vacant hand, and a punch was made against Ye Xuan's chest, but the hand that locked his throat suddenly tightened, and his strength was smashed hard.

"Well....."

Chen Song felt that he couldn't breathe, and the strength on the chest of Ye Xuan was much smaller.

"What do you want to do? Do you want to kill people in the city?" Ye Kai also shouted with pain.

Chen Song is the nephew of the Chen family. If he is in any accident, Ye Jia and Chen will definitely have a shopping.

"He still doesn't deserve it!" Ye Xuan said, the left hand that had just healed suddenly found a dagger from his arms and then stabbed.

"Oh!"

A crisp sound spread, Chen Song's clothes were cut directly, and then Ye Xuan took another kick and took Chen Song to another corner.

Then a step forward, the dagger waved a few times, and even instantly cut Chen Song clothes, revealing the upper body.

Now, Chen Song finally understands what Ye Xuan is going to do.

Just now, his maid was going to light the clothes of Liu Er, and now he also chose to light his clothes.

"you wanna die!"

After Chen Song took a breath, he immediately climbed up from the ground and shouted, punching a punch at Ye Xuan.

"Through the back boxing method, the bull is shocked!"

In the face of this boxing, Ye Xuan did not flash and did not hide, and the left hand suddenly ushered in. Now that he has recovered his strength, he has reached the fifth martial arts and can condense a lot of spiritual power in an instant, even though this Tonghua boxing method is just a second martial art.

"Hey!"

Only heard a crisp sound spread, Chen Song's arm was actually discounted.

"Ah..." Chen Song stepped back and slammed into the wall, making a scream of tears.

"Oh!"

Ye Xuan's first thorn, and Chen Song's trousers were broken, and then the whole trousers were smashed. Now, Chen Song has only one pocket left.

"You, don't you mess around, do you want to be an enemy of our Chen family?" At this time, Chen Song no longer thinks why Ye Xuan is so powerful, and immediately threatens.

"For the enemy, what about it?" Ye Xuan's eyes slammed, and he slammed out on the chest of Chen Song. This huge force made the latter almost breathless.

Then, Ye Xuan's first stroke, Chen Song's last fig leaf was also pulled down by him.
