### Chapter 83: Guan Lan Lan

"Dare to ignore my words, you give me down." Ye Xuan grabbed Guan Lan and dragged it back with brute force.

"I am also a disciple of Li Yunzong."

Guan Lan looked at Ye Xuan and said slowly.

This sentence is also said to be on the point.

This is a test, but it is related to the face of the split Yunzong. Over the years, the two have not appeared to admit defeat, it is difficult, this time to break?

Ye Xuan looked at Guan Lan's face and hesitated. He was not a native of Lan, and he could not stop the decision of others.

However, he is a man after all, how can he hurt a girl?

At this time, the face of Zhang Xiang on the field was distorted, and he replied: "Cracking Yunzong, you still can't get on, don't dare to come up and give me a fate, what to drag?"

This Xiang's mood was very bad at this time, because Ye Xuan had stolen his fiancée before, and wearing a green hat for him, it also destroyed his father's plan. Therefore, Zhang Xiang had long wanted to kill Ye Xuan, but at that time, because of the identity of Ye Xuan, he did not dare to do it.

Today, after seeing the relationship between Ye Xuan and Guan Yulan, he was born with a jealous heart. He has already made a decision to torture Guan Lan in the ring.

The word "Pity Xiang Xiyu" is not suitable for him, he just wants to be shameful!

Ye Xuan looked at Zhang Xiang through Guan Lan's body and made a decision in his heart.

"Okay, you are careful." Ye Xuan reminded.

There is a master of the 10th peak of the martial arts elders in the mountain, Guan Lan is not life-threatening, and there is better healing medicine in the phagocytic system than the Baihualu, so Guanlan is safer.

Guan Lan was on the field and the audience was cheering.

Some disciples around, some praise the Guan Lan Lan courage, not afraid of danger, and some people pray for Guan Lan, only a small number of people, will think that Guan Lan can defeat Zhang Xiang.

Guan Lan is on the court, and Zhang Xiang is the opposite. "Girl, don't think that you are a female, I will be merciful. However, I will give you a chance. It is not too late for you to go now."

"please!"

Guan Lan did not say much, just a long sword, posing in a fighting position.

"Well, since you want to die, then I will fulfill you." Zhang Xiang flashed a slap in his eyes. After he saw Guan Lan, he also had an idea in his heart.

The Guarding Mountain elders also looked deeply at Guan Lan, who was the righteous woman of the ruling cloud lord. If he was injured, he could not explain to the sect, so he had to be cautious in this case to prevent accidents.

"let's start."

When the voice of the Okayama Elders sounded, Zhang Xiang was a rushing out.

The deacons, mentors, and elders of the Li Yunzong are all breathless and able to take the first round of Zhang Xiang's attack. This is the key.

However, what they expected was that Zhang Xiang's practice this time was not the same as before. He is not prepared to defeat Guan Lan, but is prepared to humiliate her.

Zhang Xiang rushed to the front of Guan Lan, and sneaked a sword in an understatement. His shot speed was very fast, and it was almost impossible to respond to Guan Lan.

"Oh!"

A crisp sound spread, but Guan Lan was not injured. She was pierced by a long sword, but her white clothes.

Guan Lan's face is cold, just one face, she has already felt the power of Zhang Xiang, not what she can now fight.

However, after thinking of the horrors of the three people of Huo Yuan, she also had a anger in her heart, and she raised her hand and attacked Zhang Xiang.

"Hey, don't be self-sufficient, even dare to counterattack." Zhang Xiang's heart was cold, and his body shape flashed to escape this piece.

"Oh!"

It was a crisp spread.

Guan Lan's clothing was punctured, revealing the white skin that can be broken. Fortunately, it is just an arm.

This time, Ye Xuan under the stage understands what Zhang Xiang is going to do.

Guan Lan was defeated by a serious injury. This is a trivial matter, but if it is shaved under the eyes of the public, then things can be big.

As a party, Guan Lan does not know Zhang Xiang's plan?

However, with her strength, there is no power to fight back.

"Oh!"

In the blink of an eye, Guan Lan's arms were exposed to the air, and the long sleeves became short sleeves.

"Grass, is this Xiang thought so embarrassing?"

"Mom, dare to do this to the teacher, it is really a beast."

"Close the sister, let me lose."

The disciples around the stands can't stand it anymore. Although they still have some small expectations in their hearts, they are still dominated by reason.

Zhang Xiang also understands that if he strips Guanglan Lan today, he will definitely cause public outrage.

But who is he?

The disciple of the cracked Tianzong!

Fan Yue, once used the disciples of Zhou Cang, the deputy sect of the Li Yun dynasty, to be beaten by the pulse, and did not live well?

"Hehehe, little girls, dare to be so close to Ye Xuan, seeing that I first stripped your upper body and gave an appetizer to you here."

In the eyes of Zhang Xiang, the light flashed, and the long sword pointed to the front of the chest.

"not good!"

Guan Lan's face is also sinking to the bottom of the valley. She knows that she can't hide this sword. If she is deceived by this sin, her face will be lost.

The Okayama Elder is already ready.

However, at this moment, he suddenly saw another figure rushing to Guan Lan.

"call out!"

Zhang Xiang's long sword stabbed, but he emptied.

Guan Lan, who had stood in front of him, suddenly turned into a shadow and was stabbed by him and then dissipated.

The deity of Guan Lan is on the other side.

"What? Impossible, how did she escape my sword?" Zhang Xiang was shocked and saw that he was going to succeed. Why did he have an accident that he could not understand?

He turned his head in vain and found that Guan Lan was already held in his arms by a man.

This person is Ye Xuan.

After realizing Zhang Xiang's intentions, Ye Xuan was already eager to move, and he finally couldn't stand it, breaking the rules and going to the stage to save the language.

"Ye Xuan, what are you doing?" Zhang Xiang said.

At this time, but in the trial, Ye Xuan suddenly came to power, which obviously destroyed the rules.

At the same time, Li Haodang in the East Stand changed his face and said: "Zhou Zongzhu, what is going on?"

"This kid is still shot." Zhou Cang's heart secretly said, then loudly said: "This game, I split Yunzong admit defeat!"

Zhou Cang's face is not very good, because Guan Lan is the righteous woman of the ruling cloud patriarch, the identity is very special, so even if Ye Xuan did not shoot, the Guardian Elders will also shoot, no matter who is the end.

Admit defeat!

When Zhou Cang's voice fell into everyone's ears, it made them tremble.
