Chapter 84: Spike!

The two cases have been carried out more than a dozen times, but there has never been a case of admitting defeat. This time, Zhou Cang shouted out and admitted that he also shocked many people.

It should be known that Zhou Cang's disciples were beaten by Fan Yue, and Zhou Cang did not admit defeat.

"Hey, since you admit defeat, then this is all right." Li Haodang is also a cold cry, no longer pursued.

He also knows the special identity of Guan Yulan. Only when he was really afraid that the elders of the mountain could not respond, and Zhang Xiang succeeded, then this matter can be a big problem. After all, the cracked Yunzong also has a true spiritual realm.

After Zhou Cang's voice fell, the audience was relieved with relief. However, their attention was instantly attracted to the past by another thing.

"The speed is fast, is this Ye Xuan's speed even faster than this one?"

"It turned out that his strength is so strong."

"There is a rescue, there is a rescue, Ye Xuan can definitely defeat this ugly."

"Isn't he going to take drugs? Why is it so strong?"

Someone sent a question.

At this time, a nearby elder explained: "The use of medicinal herbs forcibly enhances the realm, which is not good for the poor quality of the people, but the true genius can have the refining capacity beyond the ordinary people, Dan Their effects are very small."

This elder is just the elders who sent Huo Yuan to the treatment.

Listening to him saying this, these disciples are also suddenly realized. So, they always think that it is a waste material, Ye Xuan, is actually a genius?

But this does not blame them, after all, even the elders of the mountain also looked away, because this genius, nothing in the middle.

On the stage.

Due to the forcible insertion of Ye Xuan, Guan Yulan was rescued. Zhang Xiang's anger was also soaring. He was almost ready to succeed. As long as he had a sword, he could shatter all the clothes of Guan Lan, but unfortunately... ..

Although he said that he had accumulated a lot of grievances, Zhang Xiang did not say much. After all, Li Haodang did not pursue it.

"You are lucky." Zhang Xiang said, just back.

After the scene of the party, he did not dare to swear Ye Xuan. It turned out that this time of the month, Ye Xuan's strength has also been improved, and the speed of Ye Xuan's speed has really scared him.

However, this time he came to report the revenge of the day, can you back down?

"Let's go first, let me clean up." Ye Xuan loosened his hand in the waist and waist, and said slowly.

"Well, you are careful." Guan Lan's face was red, and after a whisper, he ran to the ring.

For Ye Xuan's strength, she is also very confident.

After the last Blackwater Mountain mission, she broke through a realm, but Ye Xuan broke through twice, and when she gave the points, Ye Xuan was already at the eighth peak of Wudao. One step is to break through to the ninth weight of the martial arts.

This kind of strength is enough to hit Zhang Xiang, the eighth-heavy martial arts player, to find his teeth.

"Oh, finally arrived at you, today I will report the revenge of the day, abolish your meridians, then clean up the Xue family, and your Ye family. You can rest assured that your woman will take care of one by one." Past."

Zhang Xiang looked at Ye Xuan and revealed a sly face.

"Don't worry, I will fight you and you can't even confess to the loss." Ye Xuan said coldly.

The last time he was in Wanjincheng, he only taught Zhang Xiang, but this time, he was murderous.

This informative is too mad, and the means is extremely hot, Ye Xuan must let him know that some people, not he can move.

"A big tone, I will come to teach you today, the strength of the deputy lord of the Yunyun."

In other words, Zhang Xiang turned out to be the sword that rushed toward Ye Xuan.

The elders of the mountain did not start shouting, he shot, but the former did not stop, just silently retreat. He saw that Ye Xuan was ready, and that murderous, he felt it.

"call out!"

"call out!"

At the moment when Zhang Xiang was moving, Ye Xuan was already moving. The two figures were relatively fast, and the speed was extremely fast. Not many people present could see their movements and only saw a series of afterimages. .

"Up, on, did this Xiang."

"Ye Shixiong, turn him over and let him know who the site is."

"Discard his meridians!"

Throughout the training field, suddenly there was a burst of noise, and everyone was supporting Ye Xuan.

The practice before this Xiang was too crude, which caused public outrage.

Although Zhang Xiang broke through twice in a month, Ye Xuan was not a realm a month ago. At this time, he was the eighth peak of Wudao, which was a higher level than Zhang Xiang.

Moreover, coupled with the blood of the beasts and the blood of the leopard, he can catch up with Zhang Xiang, who uses the nine martial arts martial arts, as long as he exerts the seven-character martial arts step.

If he uses the nine-character martial arts martial arts, he can instantly kill Zhang Xiang.

However, this Xiang is so mad, hurting Huo Yuan three people, but almost shattered the clothes of Guan Lan, how can Ye Xuan make Zhang Xiang lose so easily?

"boom!"

The two figures were in immediate contact, and there was a violent muffled sound.

I saw that the two figures on the platform suddenly stopped. Ye Xuan's fist was already on the belly of Zhang Xiang.

The audience calmed down at once.

Spike?

No, not yet, Zhang Xiang can still move.

"dead!"

Zhang Xiang was hit by the punch and rolled in his stomach, but he still stabbed a sword, but such a close distance could not hurt Ye Xuan.

"I said, I will beat you and can't even confess!"

Ye Xuan's cold voice suddenly fell in Zhang Xiang's ear, and then the latter felt a pain in his throat, and the whole head seemed to be given a stone.

"Hey!"

In a crisp sound, Zhang Xiang's body flew out, and there was a pool of blood in the air.

His throat was hit by Ye Xuan and he couldn't speak.

This is still Ye Xuan's mercy, otherwise this punch is enough to break his throat.

"call out!"

Not waiting for Zhang Xiang to react, Ye Xuan is rushing out again. This time he used not a fist, but a fingering.

"Eight martial arts, heavenly fingers!"

At that time, Ye Xuan's hands were like a machine gun, and it flashed quickly. Every time he fell on Zhang Xiang, he could make him cry sobbing.

This day is a martial art in the Li Yunzong. Although the power is not strong, this martial art is very special, and there are some other things recorded in it.

This martial art was created by Zhou Cang, the deputy sect of the Li Yunzong, and is a martial art designed to torture opponents. This martial art is dedicated to attacking those areas where pain is intense, while attacking the enemy's body and spirit.
