Chapter 9: Lose face

"Your maid wants to light the Liuer. Today, I will take you to the streets and throw them on the street!"

Ye Xuan's voice just fell, he grabbed Chen Song's leg with one hand, and then, under Ye Kai's eyelids, dragged Chen Song to the window.

"Ye Xuan, don't you mess around, do you want us to fight Ye Jia and Chen Jia?" Ye Kai also hurriedly exclaimed.

If Ye Xuan really throws the naked Chen Song on the street, then Ye Jia and Chen Jia, I am afraid to cause a dispute, after all, this is related to fame.

If such a thing really happened, how could Chen Song still stand in Lianyun City in the future?

Ye Xuan once again raised Chen Song, who was soft on the ground. The latter was only a few times by Ye Xuan, and he was stupid and had no resistance. At this time, he could only verbally threaten: "You don't Stupid, if you dare to throw me down, my father will kill you, I will!"

Chen Song also has an identity in Chen's family. His father is the younger brother of the Chen family. His strength is the sixth heavy weapon. He is also a strongman in Lianyuncheng.

However, Ye Xuan is still not afraid!

At this point, he has already put Chen Song's upper body on the window. As long as the hand is loose, Chen Song will fall. The latter's body shape is also constantly shaking, and he does not care about being shy, and grabs Ye Xuan's arm with one hand.

On the street, people came and went, and some people discovered the movement of the second floor of the drunken fairy house, which was immediately gathered together.

"Look and see, someone is being asked naked."

"Two young people, hey, how do I seem to have seen the naked youth?"

"That's not Chen Song of Chen's family. He often comes to Dunk Xianju to eat."

"What, Chen Song? Who is so bold, dare to take him off and hang out the window?"

The street is already boiling, and there are at least a hundred people who stop to wait and see. Now, Chen Song is famous if he doesn't fall or not.

"You don't let go, don't let go, now I am still coming back." Chen Song also took a look at the bottom, he is not afraid to fall, after all, it is also the fourth weapon of the martial arts, from the four or five meters to the top hurt.

What he fears is shame.

"Oh, it's too late!" Ye Xuan suddenly revealed a smile, and immediately received a left hand, pulled Chen Song back.

Chen Song was overjoyed, but the next moment, his eyes were the boss, because Ye Xuan's big foot was already on his chest.

what?

Chen Song Zhang had a big mouth. He thought that Ye Xuan was pulling him back, but he did not expect to take him out.

"Ye Xuan, you are dead!" Chen Song was kicked out and flew out in the air, not forgetting to shout.

"噗通!"

The fall time was not long. Chen Song's slick body slammed on the floor. The huge impact force also made him spurt a spurt of blood.

However, what is the physical injury and the mental injury?

At this time, Chen Song happened to be in front of the crowd.

After the fall, he was confused, and the body was traumatized. Therefore, he was incapable of hiding his key points and was clearly seen by the people around him.

"what....."

There were some girls on the crowd. When they saw Chen Song's white body as a woman's body, they also made a sharp scream.

This time, Chen Song's name is to be spread throughout the city of Yuncheng, but it should still be no louder than Ye Xuan, after all, when he fell, he shouted the name of Ye Xuan.

"When it's over, Ye Jia and Chen Jia really want to go to war. Ye Xuan has thrown Chen Songguang, and the two will definitely fight this time."

"What the **** is going on here, isn't it that Ye Xuan has done something that people and God are angry with, causing Dantian to break for no reason, and then become a waste?"

"That is obviously a fake. How can the waste man lift Chen Song down the stairs?"

"Not right, this Chen Song I heard was the fourth medium-term martial arts, and the Ye Xuan peak period was only the fourth heavy beginning of the martial arts. Is Chen Song a paper tiger piled up with medicinal herbs?"

"Impossible, this Chen Song is also one of the four Chen family. How could it be the paper tiger that the medicinal herbs piled up?"

The onlookers whispered, but at this time, the air was given a voice of participation, and then another person descended from the sky.

However, this time is a person with a complete shirt.

"噗通!"

This person is now beside Chen Song, who is confused.

"Hey, isn't this Ye Kai of Ye Family?"

"Good guy, what is the situation of Ye Xuan, not only hit Chen Chen of Chen's family, but also beat Ye Kai of his family."

"I wonder, Ye Jia and Chen Jia are not doing water in the well water. How is this Ye Kai mixed with Chen Song?"

The people around can't understand it, they can only surround them.

However, things are not finished. After Chen Song and Ye Kai fell, there was another figure on the second floor of Drunken Immortal, but this person did not land on the ground, but landed with his feet.

This person is Ye Xuan who will drop Chen Song and Ye Kai downstairs.

"Hey, many lines of injustice will be self-sufficient!" Ye Xuan snorted, then turned around and left.

Someone around him recognized him and exclaimed: "It really is Ye Xuan!"

.....

After leaving the drunken immortal home, Ye Xuan also went straight home. He knew that this time I was afraid to make a big fuss. He also knew what it would be, but he never regretted it.

Liu Er is not only his maid, but also his sister. His sister is being bullied. Can he swallow it?

However, this time he came a little bit too, this Chen Song is the object of Chen's key training. He has a lot of good things on his body. After Chen Song and Ye Kai were taken downstairs, Ye Xuan was gone. Chen Song and Ye Kai's things, two swords, three bottles of immortality.

At the moment, Ye Xuan directly found a small alley, and then carefully looked at the two swords.

"Not bad, these two swords seem to be the best of the best, I don't know how much spiritual power can increase me after swallowing."

Ye Xuan thought, that is, the first sword of Ye Kai was swallowed together with the scabbard.

This sword is also a good thing, at least worth 100,000 yuan, adding a lot of spiritual power to Ye Xuan.

"I didn't expect that I could try to swallow a sword once in my life. It wouldn't be too bad to change the trick."

Ye Xuan shook his head helplessly. He suddenly had an idea. In the future, he might be able to swallow the other's weapons while fighting other people.

"Don't mess with me, or swallow your sword!"

This is a domineering line that Ye Xuan thinks for himself!

After swallowing the sword, Ye Xuan put the attention on the three bottles of medicinal herbs. These three bottles of medicinal herbs are also worth a lot of money. It is estimated that there are 200,000 ounces of silver.
