Chapter 92: Engulfing spar

"Big brother, and the girl."

The short man whispered.

"Oh yes, leave your wife to stay with us for a while." The tall man has two different colors in his eyes.

When I heard the word of my wife, Guan Lan's little face was also red. I could hear the latter half of the sentence. She was rushing to kill the machine, and the spiritual power began to surge, and there was always the possibility of shooting.

"Oh, or the beginning of the eighth martial arts, it will not be a child of a family or a sect." The tall man was surprised and smiled: "But this strength will not have any effect in front of us." ""

Both of them, all of them are the martial arts eighth mid-term warriors, will you be afraid of Guan Lan?

"Two, then look at me?" Ye Xuan smiled and laughed, no longer converge.

boom!

When his voice fell, the two men felt an invisible pressure.

"It's so strong, this is definitely the ninth heavy martial art. I didn't expect this kid to be the ninth heavy martial artist." The tall man was shocked.

"Big brother, he must have been cultivated by a certain family. There must be something good in his body." The short man's figure is also a tremor, but he still shows the color of greed.

The children of the big family will definitely have a lot of good things, maybe they can get some copies of martial arts.

They are all living on the blood of the knife, and here is the wilderness, naturally it is not afraid of the forces behind Ye Xuan.

"Yes, it seems that this is a worthwhile trip." The tall man nodded. In his opinion, Ye Xuan was just empty.

After seeing the expressions of the two people, Ye Xuan was helpless: "It seems that the two are already ready to die, so that is the case..."

He hasn't finished, the tall man yelled: "A big tone, let me..."

Similarly, if his words were not finished, they were interrupted.

"Hey!"

Suddenly remembered an inexplicable crisp sound, the short man swept over and found that Ye Xuan had come to them.

I saw that Ye Xuan had a fist in the throat of a tall man, while a tall man was vomiting blood and his eyes were prominent. It seemed to be falling out.

The short man's heart floated with an unpredictable hunch, and then he saw his big brother fall backwards.

"噗通!"

The tall man fell to the ground, his eyes wide open, and he was already dead.

"not good!"

The short man also refused to be sad, and hurriedly turned, but the next moment, his body was trembled.

Ye Xuan, already one step ahead, came to him.

"Hey!"

Another crisp sound spread, the short man fell to the ground and died instantly.

For the enemy, Ye Xuan will not be merciful. Since he dares to pay attention to them, it is not enough to die.

"Let me see what good things are on you."

Ye Xuan searched on the bodies of the two men. Both of them were the eighth-armed martial arts martial arts. Presumably there would be some good things.

Sure enough, Ye Xuan expected, he actually found a small cloth bag on the tall man, lying inside, is the spar.

This is the first time Ye Xuan has seen a spar with a total of three round spars.

"Yan Lan, what are the three spar?" Ye Xuan suddenly turned and asked, he was the first time to see the spar.

"The defective spar is round, the lower spar is a diamond, and the middle spar is a triangle." Guan Yulan explained.

It turns out that the three spar are the second-class spar, adding up to three million and two silver.

"Let me see if these spar can be swallowed directly." Ye Xuan thought, the three spar in his hand disappeared instantly.

Spar, can be swallowed directly!

"Ha ha, that's okay, then you don't have to go shopping in the future."

Ye Xuan's heart was happy because he had tried to devour silver and gold before, but there was no effect at all.

Killing and winning the treasure, this is just an episode, but it is also let Ye Xuan realize that this little wolf is a hot girl.

"Ylang, then I have to go deeper. Would you rather break back Yunzong first?" Ye Xuan suddenly turned and asked.

Lianyun 18 mountains, the last few mountains have nine-order monsters, and even ten-order monsters. Guan Yulan is only the beginning of the eighth martial arts. Ye Xuan can't let her take risks.

"Then I am waiting for you outside." Guan Lan also understands that his strength is not enough. If he follows Ye Xuan, this will only drag Ye Xuan, so there is no demand.

"Well, good." Ye Xuan nodded, but still Shaoguan language replaced the clothing of the cracked Yunzong.

Later, he was escorting the mountain to the safe mountain, and then he began to go deep.

At the beginning of the fifteenth mountain range, there will be a nine-order monster, and Ye Xuan's goal is the flame, which is in a corner of the sixteenth mountain range.

After leaving Guanlan, Ye Xuan's footsteps were fast, and for a long time, he came to the hot spot of the sixteenth mountain range.

"The high temperature here is said to be a lot of flames, or be careful."

Ye Xuan stepped on the hot land and felt hot in his boots. Fortunately, his skin was thicker and had little effect.

The beasts in the hot land, Ye Xuan have not seen, such as flames, flame pigs and so on. Their blood is also useful for Ye Xuan.

Ye Xuan looked for a long time in the hot place, and finally found a red big python. Although this big python does not have a fire, it can burn the ground.

This is the 9th-order monster, the flames are smashing.

"Hot me, fast and quick!"

In the heart of Ye Xuan's heart, he instantly turned into a residual image and swept toward the flame.

"Nine products martial arts, green palms!"

A powerful and powerful hand was shot on the flaming scales of the flames, and the body of the flames was instantly repulsed.

The flames were suddenly attacked. Immediately, Zhang Da had a big mouth and bite toward Ye Xuan.

"roll!"

Unexpectedly, Ye Xuan wrote an uppercut and flew its head.

"Play a snake and hit seven inches!"

Ye Xuan calculated it silently in his heart, and then violently bombed the place where the flame was seven inches.

The seven inches of the snake is the heart of the snake. Ye Xuan uses a flexible palm, so the hard snake scale does not have much protection. Within five seconds, this flame is a tragic death.

However, this hard snake skin also made Ye Xuan spend a lot of effort. After more than ten minutes, Ye Xuan finally took out the flame-stricken snake gall, this red snake gall, full of fists, Like the jelly, Ye Xuan dragged it in his hand.

"It's weird, the snakes are hot."

Ye Xuan spoke a sentence, that is, the snake was given to the swallowing space, and then the body of the flame was swallowed.
