Chapter 1001: The Mastermind!

Qiao Bolin stomped his feet anxiously, “Who did we offend?”

Why are there so many families targeting us all of a sudden?”

“We don’t seem to have provoked these families!”

Xu Yanfeng also added with a melancholic expression.

The others present also had solemn expressions, not knowing what was going on.

Qiao Bailin said to Huangfu Zhenxiong, “Brother Huangfu, make a decision. What should we do now?”

“That’s right, that’s right. We can’t continue like this!

“Otherwise, even if our three families aren’t finished, our vitality will be greatly damaged!”

Xu Yanfeng also echoed.

Huangfu Zhenxiong gripped his walking stick tightly and said fiercely, "Hurry up and call the heads of these families!

Ask them what they mean and why they want to make things difficult for our three families!"

"Yes!"

Everyone present responded and made calls.

Not long after.

Huangfu Yufeng said anxiously, "Father, I just contacted Old Master He!

However, Old Master He didn't say anything. He only told us to take care of ourselves before hanging up!"

Huangfu Hanwen also hurriedly said, "Father, I just contacted Old Master Han!

But Old Master Han said that we offended someone we shouldn't have. He told us to take care of ourselves!"

"Old Master, when the Chen and Jin families in Ning City found out that it was us, they hung up the phone. When we called again, we found out that we had been blacklisted!"

"Master, the Xia family in Yang City, the Zhu family, the Zheng family, and the Feng family in Shan City said that they are following orders!"

They also said that as long as that person relents, they will stop sanctioning and suppressing us!"

"Patriarch, the people around the South Suppressing King said that the South Suppressing King has clearly said that we have offended the person she cherishes the most!"

Therefore, she will do whatever it takes to destroy our three families!"

"..."

The others expressed their opinions one after another.

"D*mn it!" "D*mn it!"

Huangfu Zhenxiong was so angry that he slammed the table and said angrily, "Whose orders are they following?"

This South Suppressing King's tone is also really arrogant. She actually dared to threaten to destroy our three families!

Does she really think our three families will be destroyed so easily?"

"Brother Huangfu is right!"

Qiao Bolin continued, "We're one of the three top families in the capital. I don't believe these families can really defeat us!"

Xu Yanfeng also roared, "Tonight, I'll let these families see the power of our three families!"

Huangfu Zhenxiong took a deep breath and said in a trembling voice, "Everyone, we can't just sit here and wait for death. We have to use all our connections to go against these clans!"

"Yes!"

Everyone nodded heavily and made phone calls one after another. They began to use their connections to fight against these families.

Huangfu Zhenxiong, Qiao Bailin, and Xu Yanfeng also made calls.

But at this moment...

Huangfu Yufeng finished a call and said, "Father, other than these families, it seems that the royal Lin family and the Hua family are also involved!"

"Bullshit!"

Huangfu Zhenxiong cursed angrily and said, "We've always minded our own businesses with the Lin and Hua families. How can they attack us!"

Moreover, we are all families in the capital. We will never easily become enemies!"

Huangfu Yufeng said, "Father, why don't we call Old Master Lin and Old Master Hua to ask?"

Huangfu Zhenxiong's expression darkened. After some thought, he took out his phone and made two calls.

However, he could not get through at all.

He sighed and said, "Looks like the Lin family and the Hua family are really involved this time!

Otherwise, it's impossible for Elder Lin and Elder Hua not to answer my calls!"

Hearing this, everyone's hearts turned cold.

Qiao Bolin gulped and said, "If even the Lin and Hua families are involved, how can we win?"

"Are we really going to be finished..."

Xu Yanfeng's entire body trembled, and his face was filled with grief.

At this moment.

Huangfu Hanwen received a call, and his expression became even uglier.

Huangfu Zhenxiong glanced at him and said in a deep voice, "Tell me, what happened again?"

Huangfu Hanwen took a deep breath and said, "I've asked my connections overseas to investigate clearly.

The ones who attacked us overseas were the Dibai royal family, the royal family of Country Windmill, and the Laurel Corporation.

There are also some other families and corporations that have yet to be fully investigated..."

Huangfu Zhenxiong felt dizzy and could not even sit still. He fell to the ground with a bang.

"Father!"

"Grandpa!"

"Brother Huangfu!"

Everyone was shocked and rushed forward to help Huangfu Zhenxiong up.

Someone brought some medicine and fed it to Huangfu Zhenxiong.

Huangfu Zhenxiong took a few deep breaths before he recovered slightly.

His face was pale as he said in a hoarse voice, “When did we offend the Dibai royal family, the royal family of Country Windmill, and the Laurel Corporation?”

“Grandpa, I finally know who’s messing with us...”

At this moment, Huangfu Haotian walked out.

“Who?”

Huangfu Zhenxiong turned around and stared at Huangfu Haotian.

Huangfu Haotian gritted his teeth and said, “Hua Mei Biomedical, Yang Luo!”

“Are you kidding me?!”

Huangfu Zhenxiong did not believe it at all, “How can this Hua Mei Biomedical be so powerful?”

Wasn't this kid called Yang Luo a Martial Warrior and a doctor?

How can he let so many families, corporations, and the royal family work for him?"

Huangfu Haotian said with a long face, "Grandpa, I don't want to believe it either, but this is the truth!

These families, corporations, and royal families seemed to be related to Hua Mei Biomedical!

As for whether the mastermind is Yang Luo, I cannot confirm now!"

Suddenly.

A call was made to Huangfu Yufeng's phone.

Huangfu Yufeng picked up the call.

After the call...

He walked over and said, "Father, it's already confirmed that it's really Hua Mei Biomedical who's messing with us!

And the mastermind is that kid called Yang Luo!"

"This...!"

Huangfu Zhenxiong was very puzzled, "Since this Hua Mei Biomedical is so powerful, why did they allow us to punish and suppress them a few days ago?"

Huangfu Yufeng said, "I heard that Yang Luo wasn't at Hua Mei Biomedical a few days ago and only came back today."

Huangfu Zhenxiong's face turned even paler, "Does Yang Luo really have such terrifying authority?

So many families, corporations, tycoons, and royal families in the country and abroad are willing to work for him?"

The others present were also in disbelief.

Huangfu Yufeng said with a trembling voice, "Father... This time, we really provoked... Someone we shouldn't have provoked!"

“Yeah... This kid is far from as simple as we thought!”

Huangfu Hanwen also added.

Qiao Bolin said, “Brother Huangfu, since all of this was caused by Yang Luo...

“Then let’s call that kid and tell him that we’re willing to turn hostility into friendship with Hua Mei Biomedical.”

Xu Yanfeng also said, “That’s right. We can’t continue fighting. This is too great a loss for our three families!”

“Alright, let’s do that.”

Huangfu Zhenxiong nodded. Although he was unwilling, there was no better way now.

Therefore, he turned to Huangfu Haotian and said, “Haotian, give that kid a call.”

“Yes, Grandpa!”

Huangfu Haotian nodded and called Yang Luo...

Chapter 1002: Just Need to Collect the Net!

At around two in the morning.

Jiang City.

Imperial River Court.

Villa No.8.

Yang Luo was sitting in the living room drinking tea.

At this moment, his phone rang.

He picked up his phone and saw that it was an unknown number.

“Who’s calling?”

He was very puzzled, but he still picked up the call.

As soon as the call went through...

A hoarse voice was heard.

“Kid, your methods are not bad. You left us in a tizzy in just one night.”

“Who are you?”

Yang Luo narrowed his eyes and asked.

“I’m the head of the Huangfu family, Huangfu Zhenxiong.”

Huangfu Zhenxiong’s voice sounded.

“Oh...”

Yang Luo nodded in realization and said, “Huangfu Zhenxiong, why are you calling me?”

Huangfu Zhenxiong said, “Kid, then I’ll be straightforward!

As long as you stop sanctioning and suppressing our three families...

We will also stop sanctioning and suppressing Hua Mei Biomedical!

Moreover, I can promise you that we will never touch Hua Mei Biomedical again. How about that?”

Yang Luo said indifferently, “Huangfu Zhenxiong, a few days ago, your three families never thought of letting our Hua Mei Biomedical go. Do you think it’s possible to stop just like that?”

Huangfu Zhenxiong took a deep breath and said in a low voice, “Kid, if we continue fighting like this, it won’t be good for anyone.

“Our Huangfu family, the Qiao family, and the Xu family are first-rate families in the capital after all. It’s impossible for us to be destroyed by you so easily.

Therefore, as long as you agree not to fight anymore, our three families are willing to bear the losses that we have caused to your Hua Mei Biomedical these few days.

Kid, stop while you're ahead. Don't go overboard."

"As expected of a top-notch family in the capital. Even when begging for mercy, your nose is still so high up in the air."

Yang Luo sneered and said coldly, "Huangfu Zhenxiong, listen carefully. I only have one goal, and that is to completely destroy your three families!

There is no need to say anything about stopping the fight and shaking hands!

You should pay the price for what you've done!"

With that, Yang Luo hung up.

After hanging up the phone...

Yang Luo then sent a message to the various families.

The content of the short breath was very simple: There was no need to hold back anymore. Use all kinds of methods to destroy the three families!

At this moment...

The capital.

In the Huangfu family's manor.

Huangfu Zhenxiong held the phone that had been hung up and his expression was extremely gloomy.

As Huangfu Zhenxiong had put the phone on speaker just now, everyone present heard Yang Luo's words.

"Damn bastard! We've already put down our pride to plead with him, but this kid still refuses to let us off!"

"Since this kid insists on fighting us, let's fight him to the end!"

"That's right. Let's fight this kid to the death. At most, we'll fight to the death!"

Everyone roared.

Huangfu Zhenxiong turned to look at Qiao Bailin and Xu Yanfeng and asked, "Brother Qiao, Brother Xu, what do you think?"

Qiao Bolin said in a low voice, "We've already humbled ourselves and begged for mercy. Since this kid still wants to force us, we'll fight him to the death!"

Xu Yanfeng said fiercely, "We're a first-rate family in the capital. The families in the Imperial City has never lowered their heads to anyone!

We definitely can't lower our heads this time!"

"Alright!"

Huangfu Zhenxiong nodded heavily and said in a trembling voice, "Then use all the connections and resources we can use to fight this kid to the end!"

"Yes!"

Everyone responded in unison.

In the following period of time...

Huangfu Zhenxiong, Qiao Bailin, Xu Yanfeng, and the others all made calls and used all their manpower, material resources, and financial resources to fight Yang Luo!

This night was destined to not be peaceful!

Country Hua's business world underwent a huge earthquake!

Time continued to flow.

This lasted until about seven in the morning.

In the Huangfu family's manor.

Everyone present looked exhausted.

They mobilized all their manpower, material resources, and financial resources to resist Yang Luo, but they could not win at all.

In the past few hours, they had received countless grievous news.

Every piece of bad news dealt them a heavy blow.

At this moment.

Huangfu Yufeng finished another call.

He said in a trembling voice, "Father... In just one night... the shares of our Taikang Medical Company and other companies fell crazily, and our market value evaporated by nearly seven billion!

"Moreover, our stocks are still plummeting. The losses in all aspects have already exceeded 10 billion!"

"Our Qiao family's losses have already exceeded 9 billion!"

"Our Xu family has also lost more than 8 billion yuan!"

Qiao Bolin and Xu Yanfeng both spoke tiredly, their faces filled with bitterness.

"In just one night... this kid caused our three families to lose nearly 30 billion?"

Was this kid's authority... really so terrifying?

One night... It's just one night..."

Huangfu Zhenxiong's entire body was trembling. He closed his eyes and sighed, "We lost this battle..."

Qiao Bolin hissed, "Brother Huangfu, we can't win. If we continue fighting, we're really finished!"

"Brother Huangfu, what should we do now?"

Xu Yanfeng was already at a loss.

Huangfu Zhenxiong clenched his fists tightly and stood up, "Hurry up and contact all the powerful people who are on good terms with us. Then, we'll make a trip to Jiang City to negotiate with Yang Luo!

As long as this kid is willing to let us go, we can agree to all his conditions!"

"Fine..."

"That's the only way..."

Qiao Bailin, Xu Yanfeng, and the others nodded.

...

It was past eight in the morning.

Jiang City.

Imperial River Court Villa No. 8.

Yang Luo had already made breakfast and was bringing plates to the dining room.

"Brother Yang, I can smell the fragrance through the door. It smells so good!"

Prajna, who was wearing cartoon pajamas, rubbed her eyes and walked out of the room.

"Did you make breakfast so early today?"

Su Qingmei, who was wearing a silk nightdress, walked out with a yawn.

"Good morning, Prajna and Qingmei!"

Yang Luo greeted her with a smile and asked Su Qingmei, "Qingmei, did you sleep well last night?"

Su Qingmei said helplessly, "I slept quite well last night, but I started to worry again when I woke up. I wonder how Hua Mei Biomedical is doing."

Yang Luo placed the plate on the dining table and said, "Don't worry. The matter is almost resolved. All that's left is to reel in the net."

"Ah?"

Su Qingmei was stunned, "It's really resolved?"

"Of course."

Yang Luo smiled and said, "Quickly wash up and come down for breakfast."

Su Qingmei and Prajna nodded and went to wash up.

"Brother Yang, I'm here to freeload again!"

Bujie ran in happily.

Xu Ying followed behind.

Yang Luo pointed at the kitchen, "The two of you, hurry up and carry the plates out!"

"Roger that!"

Bujie nodded and rushed to the kitchen.

Xu Ying also ran into the kitchen.

During breakfast...

Su Qingmei still couldn't believe it and asked again, "Yang Luo, has the matter really been resolved?"

"Really."

Yang Luo nodded in amusement, "Qingmei, just relax."

Su Qingmei shook her head and said, "The Huangfu family, the Qiao family, and the Xu family are top families in the capital. How can they be so easy to deal with?"

Bujie smiled and said, "Sister-in-law, since Brother Yang said so, it must be true."

At this moment.

A loud laugh could be heard.

"Qingmei, good news, good news!"

Yang Luo, Su Qingmei, and the others turned around and saw Shen Yun, Li Sihai, and Cai Donglai walking in energetically.

Chapter 1003: You Brought This Upon Yourself!

Compared to last night, Shen Yun and the other two no longer looked tired. Their faces were flushed.

“Sister Shen, Brother Li, Brother Cai, why are you here?”

Also, what’s the good news you’re talking about?”

Su Qingmei hurriedly asked.

“President Shen, President Li, President Cai, please take a seat.”

Yang Luo invited the three of them to sit down.

Li Sihai chuckled and said, “Qingmei, it was at around seven this morning when I received the news!

Our partners have all called to say that the Huangfu family, the Qiao family, and the Xu family have stopped sanctioning and suppressing them!”

“Our shops can open for business again now. The online mall has also returned to normal!”

“The channel providers who provided us with herbs have also sent the herbs that they had prepared long ago to our various factories. Now, the various factories have already begun to operate normally!”

Shen Yun and Cai Donglai also spoke up.

“Really?! The three families have really stopped sanctioning and suppressing us?!”

Su Qingmei also got excited when she heard his words.

“Of course!”

Cai Donglai nodded and said, "We're fine now, but the three families are in big trouble!"

"Ah?"

Su Qingmei was even more puzzled, "The three families are now in trouble?!"

"That's right!"

Shen Yun continued, "I've asked around!

It was said that since last night, many families, corporations, tycoons, and even the royal family had begun to sanction and suppress these three families!

"The losses of these three families have already reached nearly 30 billion, and they're still increasing. It's estimated that they've already exceeded 30 billion!"

"Great, this is really satisfying!

The three great families should have been taught a lesson a long time ago!"

Li Sihai slammed the table excitedly.

Su Qingmei turned to look at Yang Luo in a daze, "Did you do all this?"

Yang Luo shrugged and said, "Didn't I tell you to get the news? Just leave everything to me. But you just didn't believe me."

Li Sihai gave Yang Luo a thumbs up, "Mr. Yang, you're too awesome!"

In just one night, you actually resolved the crisis of our Hua Mei Biomedical and severely injured the three families!"

Cai Donglai sighed with emotion, "Mr. Yang, I, Cai, have never admired someone so much. You really make me prostrate myself in admiration!"

"Isn't that so? Forget about the three first-rate families in the capital!

Even one first-rate family is not something ordinary people can deal with!

However, Mr. Yang, you only used one night to make these three first-rate families suffer a huge loss. I'm impressed!"

Shen Yun also sighed endlessly, looking at Yang Luo with even more reverence.

Su Qingmei looked at Yang Luo in a daze and said, "That's not right. Didn't you stay at home last night? How did you make the three families end up like this?"

Shen Yun smiled and said, "Qingmei, you've been with Mr. Yang for so long, but you still don't know his true strength.

Mr. Yang method is the real strategy of deciding victory from a thousand miles away."

"By the way, Mr. Yang, do you plan to just teach these three families a lesson or do you have other plans?"

Li Sihai asked curiously.

Yang Luo narrowed his eyes and said, "It's not enough to just teach them a lesson. What I want is to completely destroy these three families."

“Completely destroy the three families?!”

Oh my god, isn't this too scary?!”

The corners of Li Sihai's mouth twitched.

After all, he had never thought of destroying the three families.

Cai Donglai said angrily, “The three big families deserve it. We didn't provoke them, but they insisted on messing with us!

The sins of the heavens could still be forgiven!

But they brought this upon themselves. Don't blame us!”

Shen Yun also nodded and said, “They should pay a heavy price for their actions!”

Su Qingmei still hadn't recovered from her shock.

In just one night, the crisis of Hua Mei Biomedical was resolved, and everything changed drastically.

And the person who did all this was the man who had lived under the same roof as her for half a year.

It seemed that she did not know this man well enough.

This man was too powerful!

It was as if nothing mattered to him.

Her eyes were slightly red as she looked at Yang Luo affectionately and said, "Yang Luo, thank you."

Yang Luo raised his eyebrows and said, "We're already an old married couple. Why are you thanking me? Do you have to be so polite?"

"Hahaha..."

Shen Yun and the others laughed.

Su Qingmei rolled her eyes at Yang Luo.

But at this moment...

A call was made to Yang Luo's phone.

Yang Luo picked up his phone and saw that it was Luo Zhongyue, the person in charge of Jiangnan province.

He didn't think too much about it and answered the call.

"Good morning, Brother Yang!"

Luo Zhongyue's hearty laughter could be heard.

"Good morning, Brother Luo."

Yang Luo responded and asked, "Mr. Luo, why are you calling me?"

Luo Zhongyue hesitated for a moment and said, "Brother Yang, it's like this.

The heads of the Huangfu family, the Qiao family, and the Xu family in the capital brought people to Jiang City to negotiate with you.”

Yang Luo sneered and said, “These guys still haven’t given up. They even came to Jiang City.”

Luo Zhongyue said, “Brother Yang, I’m just telling you as a middleman.

If you want to go, then go.

If you don’t want to go, then forget it.

Although I have some friendships with the people in the capital, it’s not that deep.

No matter what, we’re on the same side.”

Yang Luo smiled and said, “Brother Luo, since you’ve already called, I naturally have to go. I still have to give you face.”

Luo Zhongyue laughed and said, “Brother Yang, you’re someone who really knows how to do things.

But, as I said, I won’t speak up for them.

What to do is up to you.

They’re at Jinjiang Hotel now.”

“Alright, I understand.”

Yang Luo responded.

After chatting for a while, Yang Luo hung up.

“Was that Mr. Luo?”

Su Qingmei asked.

“That’s right.”

Yang Luo nodded and said, “The Huangfu family, the Qiao family, and the Xu family still refuse to give up. They actually came to Jiang City and said that they wanted to negotiate with me.”

Li Sihai sneered and said, “These three families actually took the initiative to come to Jiang City to negotiate with us. Looks like they really can’t withstand the pressure.”

Cai Donglai asked, “Mr. Yang, are we going to negotiate with them?”

“Yes, of course we have to go.”

Yang Luo nodded and continued, “As for negotiations, forget it.

I just want them to give up completely.”

Shen Yun said, “Then let’s move now?”

Yang Luo nodded in reply.

Then, Yang Luo and the others got into a few cars and left Imperial River Court, heading straight for Jinjiang Hotel...

...

At the same time...

Jinjiang Hotel.

A luxurious private room was filled with people.

They were from the Huangfu family, the Qiao family, and the Xu family.

However, after a night of torture...

The expressions of the people from the three great clans were ugly and exhausted. They no longer looked as glamorous as before.

“Father, do you think that kid will come?”

Huangfu Yufeng asked Huangfu Zhenxiong.

Huangfu Zhenxiong shook his head and said, “I’m not too sure either. This kid is the most difficult character I’ve faced in my life.

However, even if this kid doesn’t give us face, he should at least give Luo Zhongyue face.

I think he will come.”

Chapter 1004: Negotiation!

Qiao Bolin sighed and said, "This kid is so young, but he already has such ruthless methods.

If we had known that things would turn out like this, we wouldn't have touched Hua Mei Biomedical."

Xu Yanfeng waved his hand and said, "It's too late to say this now. It's better to imagine how to negotiate later."

"Father, why aren't Vice Alliance Master Lu and Mr. Huo here yet?"

Huangfu Yufeng asked Huangfu Zhenxiong.

Huangfu Zhenxiong said, "Vice Alliance Master Lu and the others are already on their way here. They'll probably arrive soon."

"That's good."

Huangfu Yufeng nodded and said fiercely, "We invited so many big shots to pressure this kid this time. I don't believe that this kid won't let us off!"

Huangfu Zhenxiong said in a deep voice, "We really can't continue fighting with this kid.

It would naturally be best if we can negotiate properly.

If we really can't come to a conclusion, it won't be too late to pressure this kid."

Huangfu Haotian said unwillingly, "Grandpa, are we really going to give in to that kid?

We're a first-rate family in the capital. When have we ever suffered such humiliation?"

Huangfu Zhenxiong said angrily, "What else can we do?

Do you want to fight that kid? Can you beat this kid?"

"..."

Huangfu Haotian opened his mouth but was rendered speechless.

After waiting for about 20 minutes...

Knock, knock, knock.

At this moment, there was a knock on the door.

"Old Master Huangfu, Mr. Yang is here."

The attendant's voice sounded.

"Invite Mr. Yang in!"

Huangfu Zhenxiong responded.

Soon, the door was pushed open.

Yang Luo and the others walked in.

For a moment...

All the gazes of the three families landed on Yang Luo.

It was this kid in front of them who had caused chaos in their three families.

Other than Huangfu Haotian...

This was the first time everyone present saw Yang Luo.

After seeing Yang Luo with their own eyes, they felt that Yang Luo was even younger than in the information provided to them.

However, such a young man had such terrifying power both domestically and overseas.

“Mr. Yang is indeed a talented person. Zhenxiong has long wanted to see Mr. Yang!”

Huangfu Zhenxiong greeted him with a smile.

Qiao Bailin and Xu Yanfeng also greeted him with smiles.

No matter how much they hated Yang Luo at this moment, they could not show it.

After all, this concerned the success of today’s negotiations.

Yang Luo asked indifferently, “Are you the head of the Huangfu family, Huangfu Zhenxiong?”

“That’s right.”

Huangfu Zhenxiong nodded and introduced, “This is the head of the Qiao family, Qiao Bailin, and the head of the Xu family, Xu Yanfeng.”

Yang Luo however cut to the point, "You came all the way to Jiang City. What exactly do you want to talk to me about?"

Huangfu Zhenxiong smiled and said, "Mr. Yang, take a seat first. Let's sit down and talk slowly."

Yang Luo and the others didn't say anything else and found seats to sit down.

"Yufeng, pour tea for everyone."

Huangfu Zhenxiong instructed.

Huangfu Yufeng nodded and poured a cup of tea for Yang Luo and the others.

Yang Luo picked up his teacup and took a sip, "Can you tell me now?"

Huangfu Zhenxiong chuckled and said, "Mr. Yang, the grudge between us is all a misunderstanding.

I hope Mr. Yang will be magnanimous and let our three families off."

"Misunderstanding?"

Yang Luo sneered and said, "Your three families joined forces to deal with Hua Mei Biomedical and caused chaos for them, creating losses of two to three billion yuan, and now you're telling me that it's just a misunderstanding?"

Huangfu Zhenxiong still had a smile on his face as he said, "Mr. Yang, as long as you're willing to stop sanctioning and suppressing our three families,

Our three families are willing to bear all the losses that we brought to Hua Mei Biomedical previously!

Moreover, our three families are willing to fork out 10 billion as compensation!”

Qiao Bolin smiled and said, “Mr. Yang, there’s no need for us to really fight to the death.”

“That’s right. We can totally bury the hatchet and shake hands. It’ll be good for both of us.”

Xu Yanfeng also said.

Yang Luo shook his head and said, “I’m sorry, we don’t need your compensation.

Besides, I’ve never thought of shaking hands with you.”

Seeing that Yang Luo had rejected him so bluntly...

Huangfu Zhenxiong and the others looked at each other, not knowing how to continue the conversation.

They originally thought that since Yang Luo was here, he probably was still open to negotiations with them.

However, who knew that Yang Luo would be so domineering?

Huangfu Zhenxiong laughed dryly and said, “Mr. Yang, how about this? You raise the conditions.

As long as the conditions you raise are within our tolerance, we are willing to accept them.”

Qiao Bolin nodded and said, “That’s right, Mr. Yang. No matter what conditions you have, you can name them.”

Yang Luo glanced at Huangfu Zhenxiong and the others and sneered, “I do have a question for you.”

Huangfu Zhenxiong said, “Mr. Yang, please ask.”

Yang Luo said, “If I hadn’t used my own authority and resources to force you to this point, would you have given up on sanctioning and suppressing Hua Mei Biomedical?”

I’m afraid you’ve already eaten Hua Mei Biomedical until there’s nothing left, right?”

Hearing Yang Luo’s words...

Huangfu Zhenxiong, Qiao Bailin, Xu Yanfeng, and the others fell silent.

Indeed, if Yang Luo had not displayed such terrifying authority,

They had long divided up the Hua Mei Biomedical.

After all, they had used this method many times.

Yang Luo continued, “In that case, why should I turn hostility into friendship with you? Why should I shake hands and make peace with you?

Let’s end the negotiation here. I’ve already said that everyone has to pay the price for their actions!”

Right after he finished his sentence...

A powerful voice came from outside!

“Mr. Yang, as the saying goes, let people off when possible!

Since Old Master Huangfu and the others have already lowered their attitudes, please don't pursue the matter!"

Yang Luo and the others turned around.

At the same time, the door was pushed open.

A group of people strode in from outside.

Four middle-aged men walked in.

All of them were burly, with bulging temples and calluses on their hands. It was obvious that they were Martial Warriors.

A group of Martial Warriors followed behind.

"Mr. Huo, Mr. Tian, Mr. Wan, Mr. Zhang, you're finally here!"

Huangfu Zhenxiong and the others greeted him with a smile.

Then, Huangfu Zhenxiong introduced, "Mr. Yang, these four are the heads of martial arts families!

The head of the number one martial arts family in Jin City, Huo Zhongliang!

The head of Bin City's number one martial arts family, Tian Shangde!

Peng City's number one martial arts family's patriarch, Wan Haichuan!

Gold Hill's number one martial arts family, Zhang Guanxian!"

“So?”

Yang Luo sneered, “Did you invite these four guys here to threaten me?”

“Of course not.”

Huangfu Zhenxiong waved his hand and said, “We invited Mr. Huo and the others here to mediate the conflict between us.”

Meanwhile, Huo Zhongliang cupped his hands at Yang Luo and said, “Mr. Yang, not long ago, you killed three experts from Country Sakura alone. We’re still very impressed!

This Huo is here in hopes that Mr. Yang can be magnanimous today and let Mr. Huangfu and the others off!”

Chapter 1005: Let’s See How Arrogant You Can Be!

Tian Shangde cupped his hands and said, “Mr. Yang, since you were willing to stand up when our martial arts world was in danger back then, you must be a righteous person.

Mr. Yang, you should be broad-minded. How can you be calculative over a small matter?”

Wan Haichuan chuckled and said, “Mr. Yang, please give me some face and spare Mr. Huangfu and the others this time!”

Zhang Guanxian also smiled and said, “Mr. Yang, we’ll treat everyone to a drink later and forget about this matter!”

“Are you done speaking?”

Yang Luo asked calmly.

Huo Zhongliang nodded and said, "Mr. Yang, that's all we want to say. I hope you can consider it."

Yang Luo's eyes turned cold. He looked up at Huo Zhongliang and the other three and said in a stern voice, "Who do you think you are? Are you worthy of asking me for face?"

What does my magnanimity have to do with you?

Now you say that this matter is over and that we should forget it. What right do you have to say such things?

Just because you're the Patriarch of a martial arts family?

Is a martial arts family very powerful?"

"You..."

Huo Zhongliang and the others' faces instantly turned red, and they were so angry that their chests heaved.

They did not expect Yang Luo to not give them any face at all.

Bujie laughed happily and muttered, "These guys actually still want to morally kidnap Brother Yang. They've really miscalculated."

"Mr. Yang, everyone says that your martial arts are powerful. I want to learn from you today!"

"I also want to seek Mr. Yang's guidance!"

“I also want to seek guidance from Mr. Yang!”

“Me too!”

Huo Zhongliang, Tian Shangde, Wan Haichuan, and Zhang Guanxian shouted!

Then, the four of them trembled and released the True Qi in their bodies, charging towards Yang Luo!

“Do you think trash like you all are worthy of fighting me?”

Yang Luo smiled disdainfully and slapped four times in a row!

Pa, pa, pa, pa!

Four crisp cracks sounded loudly!

“Ahhhh...”

Huo Zhongliang and the other three let out a tragic cry and flew out at the same time, crashing heavily into the wall!

The entire hall shook from the impact!

The four of them fell to the ground. Half of their faces were swollen and blood flowed from the corners of their mouths!

Seeing this scene...

The Huangfu family, the Qiao family, and the Xu family were all stunned.

The heads of the four martial arts families were actually sent flying before they could even get close to Yang Luo?

How terrifying was this kid's strength?

Yang Luo looked at Huo Zhongliang and the others coldly and said, "If you dare to step forward again and speak up for the three families, I don't mind killing you."

Hearing Yang Luo's words and seeing his murderous gaze...

Huo Zhongliang and the other three gulped and broke out in cold sweat. They did not dare to even fart anymore.

Yang Luo turned to look at Huangfu Zhenxiong and narrowed his eyes, "Who else did you call? Tell them to come over quickly!"

Huangfu Haotian snapped out, "Kid, don't be smug. We have a close relationship with Vice Alliance Master Lu of the Martial Alliance and the five immortals of the northeast!

Vice Alliance Master Lu and the others will be here soon. Let's see how long you can be arrogant for!"

At this moment.

A voice came from outside.

"Mr. Huangfu, I'm sorry, we're late!"

"Mr. Huangfu, who do you want us to help you mediate the conflict with?"

“Yeah, for you to even call us all the way here!”

Accompanied by voices...

Everyone watched as a new group of people walked in.

At the front were six old men.

They were: The Vice Alliance Master of the Martial Alliance, Lu Xingzhou...

As well as the patriarchs of the five immortal families, Liu Qingyun, Hu Dongyuan, Huang Songkui, Chang Fengchun, and Bai Yutong.

Seeing these six old men,

Xu Ying, Bujie, and Prajna looked at each other and almost laughed out loud.

However, Shen Yun, Li Sihai, and Cai Donglai were all shocked.

Shen Yun’s face turned slightly pale as she said, “Oh my god, these three families actually invited Vice Alliance Master Lu of the Martial Alliance and the five immortals of the northeast!”

Li Sihai said in a low voice, “This is Vice Alliance Master Lu, second only to the Martial Alliance’s Chief!

As for these five immortals, it’s said that they really know immortal techniques. They’re real immortals!”

Cai Donglai wiped his sweat and said, “Mr. Yang, what should we do now?”

Are we going to agree to reconciliation between the three families?”

Bujie curled his lips and said, “Don’t worry, nothing will happen.”

Shen Yun, Li Sihai, and Cai Donglai were stunned upon hearing his words.

Nothing was going to happen?

These three big families had even invited these big shots. How could nothing happen?

“Vice Alliance Master Lu, Old Master Liu, Old Master Hu, Old Master Huang, Old Master Chang, Granny Bai, Zhenxiong has been waiting for you for a long time!”

Huangfu Zhenxiong greeted them with a smile.

Huo Zhongliang and the others also went forward with a smile.

Huangfu Zhenxiong said, “Now that Mr. Yang is unwilling to let our three families off, please help us!”

“Mr. Yang, which Mr. Yang are you referring to?”

Lu Xingzhou asked in doubt.

“That’s the young man.”

Huangfu Zhenxiong pointed at Yang Luo.

Lu Xingzhou, Liu Qingyun, and the others looked over.

The moment they saw Yang Luo drinking tea...

Lu Xingzhou and the other five trembled in fear!

The six of them hurriedly walked towards Yang Luo.

Huangfu Zhenxiong, Qiao Bailin, Xu Yanfeng, Huo Zhongliang, and the others smiled when they saw their actions, misreading the entire vibe.

Now that even Vice Alliance Master Lu and the Old Masters of the five immortal families were here, they wanted to see if this kid would still dare to stick his head out.

But in the next second!

What happened next shocked Huangfu Zhenxiong and the others!

After Lu Xingzhou, Liu Qingyun, and the others approached, they bowed to Yang Luo at the same time!

“Hello, Mr. Yang!”

The six of them were extremely respectful, their eyes filled with admiration.

“This, this, this... What’s going on?!”

Huangfu Zhenxiong was dumbfounded.

“Why are Vice Alliance Master Lu and Old Master Liu so respectful to this kid?!”

Huo Zhongliang was stunned.

The others present were also dumbfounded.

Shen Yun, Li Sihai, and Cai Donglai also widened their eyes and were speechless.

Yang Luo put down his teacup and looked up at Lu Xingzhou and the others, “Are you also here to help these guys threaten me?”

“I wouldn’t dare, I wouldn’t dare. How would I dare to threaten you!”

Lu Xingzhou shook his head repeatedly.

“Mr. Yang, we can’t even respect you enough. How would we dare to threaten you?!”

“Mr. Yang, Huangfu Zhenxiong didn’t say who it was over the phone. Otherwise, we wouldn’t have dared to come here!”

“Mr. Yang, we really don’t know what the situation is!”

Liu Qingyun, Hu Dongyuan, Huang Songkui, Chang Fengchun, and Bai Yutong were so frightened that their legs went weak and they broke out in cold sweat.

Yang Luo nodded and said, “Since you don’t know, I’ll tell you what’s going on.”

In the following period of time, Yang Luo told the six of them about his grudge with the three families.

After hearing Yang Luo’s words...

The six of them were instantly furious.

Lu Xingzhou suddenly turned his head and looked at Huangfu Zhenxiong. He said angrily, "Huangfu Zhenxiong, do you know who Mr. Yang is?"

Mr. Yang is the great hero who saved our martial arts world, and he's also the brother of our Chief!

You actually dare to provoke Mr. Yang. Are you tired of living?"

Liu Qingyun even directly cursed, "Huangfu Zhenxiong, are you f*cking crazy?"

Even if you have a death wish, don't bring our Willow Family along!"

Chapter 1006: You Dare to Arrest Me?

Hu Dongyuan was so angry that his veins were bulging. He roared, "Huangfu Zhenxiong, you bastard, you really tricked me!"

Huang Songkui flew into a rage as well, "Huangfu Zhenxiong, Qiao Bailin, Xu Yanfeng, from now on, our Weasel Family has nothing to do with you!"

Chang Fengchun and Bai Yutong glared at Huangfu Zhenxiong and the others, so angry that they couldn't say a word.

It was not easy for them to build a good relationship with Yang Luo.

But now, Huangfu Zhenxiong, Qiao Bailin, and Xu Yanfeng actually asked them to deal with Yang Luo?

This really infuriated them.

Su Qingmei knew that Yang Luo had a close relationship with the Martial Alliance.

But when did Yang Luo get to know the five immortals?

Shen Yun, Li Sihai, and Cai Donglai were also stunned. They did not understand what was going on at all.

Huangfu Zhenxiong, Qiao Bailin, Xu Yanfeng, and the others were all frightened, and their faces turned pale.

What did Lu Xingzhou say just now?

The Martial Alliance's Chief was Yang Luo's brother?

What sort of joke was this?

Moreover, their three families actually had a good relationship with the five immortals.

However, they did not expect that the patriarchs of the five immortal families would directly fall out with them for Yang Luo.

Just how powerful was this kid's power, identity, and background?

Liu Qingyun said coldly, "Huangfu Zhenxiong, Qiao Bailin, Xu Yanfeng, you've offended Mr. Yang. You'd better pray for yourself!"

With that, Liu Qingyun stood respectfully beside Yang Luo.

Lu Xingzhou, Hu Dongyuan, Huang Songkui, Chang Fengchun, and Bai Yutong also stood respectfully beside Yang Luo, not even daring to sit.

Just as Huangfu Zhenxiong and the others were at a loss...

A loud voice sounded.

“Old Master Huangfu, Old Master Qiao, Old Master Xu, I’m sorry, we’re a step too late!”

Everyone turned around at the sound.

Three middle-aged men strode in.

These three middle-aged men all had outstanding auras. One look and one could tell that they were not ordinary people.

“Mr. Wen, Mr. Kong, Mr. Li, you’re finally here!”

As if he had seen his savior, Huangfu Zhenxiong hurriedly went forward to welcome him.

Qiao Bailin, Xu Yanfeng, and the others also went forward.

When he saw these three people,

Lu Xingzhou’s expression changed slightly, “Mr. Yang, these three people have quite a background.

They were all from the top families in the capital, the Wen family, the Kong family, and the Li family.

The bespectacled person is Wen Zhaoen, the person in charge of the industry and commerce.

The person with slicked-back hair is Kong Jiangang, the person in charge of business.

The one with the short hair is the Commander-in-Chief of the Capital’s war zone, Li Rongping.”

Soon, Wen Zhaoen, Kong Jiangang, Li Rongping, and the others walked over.

Wen Zhaoen smiled elegantly and said, “Mr. Yang, you killed three experts from Country Sakura alone!

You even defeated the eight medical experts of the Medical Saint Sect and the Oriental Medicine Sect alone in the Medical Dao Competition and won the first place for the medical Dao world!

Now that you’re our great hero, you should pay attention to every word and action. You can’t continue causing trouble like this!”

“That’s right.”

Kong Jiangang took over and said with a smile, “Mr. Yang, don’t fight with Old Master Huangfu and the others anymore.

If you continue fighting like this, the business world will definitely be in chaos and it will affect the market economy. This will make it very difficult for us.”

Li Rongping also smiled and said, “Mr. Yang, please give us face and shake hands with Old Master Huangfu and the others!”

After listening to the three of them...

Yang Luo’s expression turned completely cold.

He stood up and glanced at Wen Zhaoen and the others. He said in a trembling voice, “I’m dealing with the Huangfu family, the Qiao family, and the Xu family. All of you came to persuade me and pressure me!

Then, when the three big families were suppressing Hua Mei Biomedical previously, where were you? Why didn’t you come and help Hua Mei Biomedical?

“I’ve already said that if I want to destroy the three families, I will do it. It’s useless no matter who comes!”

As soon as these words were spoken...

Wen Zhaoen, Kong Jiangang, and Li Rongping’s expressions darkened.

Li Rongping’s attitude became tough, “In that case, I can only ask Mr. Yang to cool off elsewhere.”

As he spoke, he shouted outside!

“Come in!”

Accompanied by footsteps...

A group of cold-faced warriors ran in from outside.

“What do you want?!”

“Don’t you dare touch Mr. Yang!”

Lu Xingzhou, Liu Qingyun, and the others stood up.

“Hehe...”

Yang Luo immediately smiled, “Are you sure you want to arrest me?”

Li Rongping said, “Mr. Yang, I don’t want to arrest you. I just want you to calm down!”

“I want to see what right you have to arrest me!

What right do you have to capture me!

Do you dare to arrest me?!”

Yang Luo roared in anger. He took out a document and threw it to Li Rongping.

Li Rongping took the document and opened it in confusion.

When he saw the words “Dragon Sovereign Protector” and the steel seal below,

He shuddered and cold sweat broke out on his forehead.

Perhaps others didn’t know what this “Dragon Sovereign” meant, but as the Commander-in-Chief of a war zone, how could he not know what it meant?

The Dragon General had told them before that the Dragon Sovereign Protector was a newly established position.

When he was not around, the Dragon Sovereign Protector could exercise all his rights and mobilize all the teams for him.

Previously, he had been wondering who the Dragon Sovereign Protector was. This person’s status was second only to the Dragon General.

However, he did not expect it to be this young man in front of him.

Wen Zhaoen and Kong Jiangang also came over.

However, the two of them were puzzled.

What kind of position was the Dragon Sovereign Protector? Why had they never heard of him?

“Why? Isn’t it enough?”

As he spoke, Yang Luo threw another golden badge to Li Rongping.

Li Rongping took the badge and looked at it carefully.

When he saw the golden dragon and the words “State Warrior” on the badge,

He was so frightened that his entire body trembled. His legs went weak, and he started to sweat profusely.

This time, not only Li Rongping, but even Wen Zhaoen and Kong Jiangang’s pupils constricted as they trembled in fear.

The State Warrior Medal!

This represented supreme honor and status!

One had to know that over the years, there were only a handful of people who had held the State Warrior badge!

Those who could obtain the State Warrior badge had to make many major contributions to the country!

However, he did not expect this young man to have a State Warrior badge!

Even Mr. Yi and the Dragon General had to give face to those who had the State Warrior badge, let alone them!

“Mr. Yang, I’m sorry. I was rude. I have no right to arrest you!”

Li Rongping bowed deeply to Yang Luo and returned the document and badge to him with both hands.

Yang Luo took the document and badge and casually put them in his pocket.

“Mr. Yang, we won’t interfere in your grudges with the Huangfu family, the Qiao family, and the Xu family!”

Wen Zhaoen and Kong Jiangang also bowed deeply to Yang Luo.

In an instant...

Everyone present was dumbfounded!

What was this situation?

Wen Zhaoen, Kong Jiangang, and Li Rongping were clearly so domineering just now. Why were they suddenly so respectful to Yang Luo?

What exactly were the documents and badges that Yang Luo took out just now? They were actually so intimidating?

“Mr. Yang, if you need any help in the future, feel free to contact me!”

Li Rongping handed Yang Luo a business card. Then, he saluted Yang Luo and quickly left with the soldiers.

“Mr. Yang, please forgive me if I offended you today!”

“Mr. Yang, if you need help in the future, you can contact us!”

Wen Zhaoen and Kong Jiangang both also took out their business cards and handed them to Yang Luo respectfully before leaving in a hurry.

Chapter 1007: It's Over!

Even after Wen Zhaoen, Kong Jiangang, and Li Rongping left...

Everyone was still in shock for a long time.

Only Xu Ying, Bujie, and Prajna knew what was going on.

After all, when Mr. Yi and the Dragon General gave Yang Luo the Dragon Sovereign Protector document and the State Warrior badge, they were at the scene.

At that time, Chu Longyuan and Lin Qianyi had told them how important the document and State Warrior badge were.

However, Yang Luo had never used them, so they did not know how much weight these two things held.

But now, they believed him.

Even Wen Zhaoen, Kong Jiangang, and Li Rongping's attitude towards Yang Luo changed drastically after seeing these two items. They actually turned around and left.

One could imagine how powerful the deterrence of these two things was.

However, the others present did not understand what was going on. They were very shocked, puzzled, and suspicious.

“Old Master Huangfu, we still have something on, so we’ll leave first.”

“We won’t interfere in the grudge between your three families and Mr. Yang.”

“Mr. Yang, please forgive me for offending you this time!”

Huo Zhongliang, Tian Shangde, Wan Haichuan, and Zhang Guanxian then said their goodbyes and left with their men.

What sort of joke was this?

The Vice Alliance Master of the Martial Alliance, Lu Xingzhou, and the patriarchs of the five immortal families were so respectful to Yang Luo!

Even Wen Zhaoen, Kong Jiangang, and Li Rongping did not dare to provoke Yang Luo. What was the use of them staying?

Could it be that they wanted to stay and become enemies with Yang Luo?

They did not dare to offend him.

Seeing that the helpers he had invited had either switched sides with Yang Luo or left in fear,

Huangfu Zhenxiong, Qiao Bailin, Xu Yanfeng, and the others all had ashen expressions.

Yang Luo turned to look at Huangfu Zhenxiong and said indifferently, "Is there anyone else?"

If there's no one, I'll leave."

Huangfu Zhenxiong and the others did not say a word.

They had already invited everyone they could. How could there be anyone else?

Even if they knew some people, they were far inferior to the people they had invited today.

"Let's go."

Yang Luo didn't want to bother with these guys anymore. Instead, he waved his hand and prepared to leave with Su Qingmei and the others.

But at this moment...

Thump!

Huangfu Zhenxiong knelt on the ground and begged, "Mr. Yang, I was wrong. We shouldn't have touched Hua Mei Biomedical and gone against you!

I hope you can be magnanimous and let us off!"

Thump, thump, thump...

Qiao Bolin and Xu Yanfeng also knelt down and begged Yang Luo.

"Mr. Yang, we really know our mistake. Please forgive us this time, please!"

“Mr. Yang, as long as you can spare us this once, we can offer half of our assets!”

The others present also knelt down and begged Yang Luo for mercy.

They really regretted it now. They regretted it to the extreme.

If they had known that Yang Luo had such terrifying authority, they would not have dared to offend him even if they were given a hundred guts.

Huangfu Haotian even slapped himself hard and cried bitterly, “Mr. Yang, I know you hate me the most!

As long as you can let our family off, I’m willing to apologize to you and receive any punishment!

I’m even willing to work for you!”

Yang Luo looked at Huangfu Haotian indifferently, “Do you really think you’re a big shot?

Let me tell you, from the beginning to the end, I have never treated you as my enemy.

Because you don’t have the right. You’re not worthy.”

After saying that, Yang Luo didn’t even bother to look at Huangfu Haotian.

As his horizons increased, people like Huangfu Haotian were just dust in the world.

The three families, who were usually high and mighty, were left kneeling on the ground and begging Yang Luo for mercy.

Su Qingmei, Shen Yun, Li Sihai, and Cai Donglai sighed.

However, they did not have any sympathy for the people from the three families.

They knew very well that if not for Yang Luo, Hua Mei Biomedical would have been finished long ago.

Yang Luo ignored these guys and continued to lead everyone out.

However, when they reached the door...

Yang Luo paused for a moment and said coldly, "Good and evil will be repaid in the end. You deserve to suffer the sins you've committed."

With that, Yang Luo left with Su Qingmei and the others.

Just as Yang Luo and the others left...

Huangfu Zhenxiong, Qiao Bailin, and Xu Yanfeng sat on the ground with pale faces. They muttered to themselves, "It's over, it's all over..."

As Yang Luo's group walked to the entrance of the hotel...

Li Sihai waved his fist and said excitedly, "Great, this is too f*cking great!

During the last few days, we've almost been driven crazy by the three great clans. Today, we've finally vented our anger!"

Cai Donglai also said excitedly, "Isn't that so? It's all thanks to Mr. Yang!

If not for Mr. Yang, how could the three families lower their heads and admit defeat to us?"

Liu Qingyun also said, "How dare they fight with Mr. Yang? They're really courting death!"

Shen Yun sighed and said, "In the end, the three families only thought of using forceful methods to negotiate.

Now that they have fallen to such a state, they deserve it."

"Yang Luo, what are the two things you took out just now? Why are they so intimidating?

Even Wen Zhaoen, Kong Jiangang, and Li Rongping, these three big shots, have to lower their heads!"

Su Qingmei asked Yang Luo curiously.

Shen Yun and the others also looked at Yang Luo.

They were also very curious.

As an answer, Yang Luo took out the Dragon Sovereign Protector document and the State Warrior badge and handed them to Su Qingmei.

Su Qingmei took the document and badge and looked at them carefully.

Shen Yun and the others also came over.

"Dragon Sovereign? State Warrior?"

"What kind of document is this? What kind of badge is this?"

Su Qingmei and the others could not understand.

Lu Xingzhou looked at Yang Luo in admiration and said, "Although I don't know what this Dragon Sovereign document is,

However, I still know about this State Warrior badge.

Those who held the State Warrior badge were all people who had made many major contributions to the country.

They were definitely one of the most outstanding people in the country.

If Mr. Yang can obtain the State Warrior badge, it means that he has obtained the high recognition of the country."

Everyone nodded in realization.

The looks they gave Yang Luo now contained even more reverence and admiration.

Shen Yun asked, "Mr. Yang, do you really plan to completely destroy the three families?"

"Of course it's true. It's the price they deserve."

Yang Luo said indifferently and continued, "Qingmei, President Shen, President Li, President Cai, prepare well these few days.

Prepare to accept a portion of the industries and resources of the three families."

"Ah?"

Su Qingmei was stunned, "Accept the assets and resources of the three families?!"

Shen Yun, Li Sihai, and Cai Donglai were also stunned.

"That's right."

Yang Luo nodded and said, "Of course. We'll only take over a portion. Let the He and Han families take over the rest.

They've paid a lot to help us suppress the three families this time. We still have to make up for their losses."

"Understood!"

Su Qingmei and the others nodded.

As he spoke, Yang Luo said to Lu Xingzhou, Liu Qingyun, and the others, "Elder Lu, Elder Liu, since you're in Jiang City, I'll treat everyone to a drink. How about that?"

"Hahaha, since Mr. Yang is treating, we naturally have to go!"

"It's our honor to drink with Mr. Yang!"

Lu Xingzhou and Liu Qingyun agreed.

Chapter 1008: A Visit from the Dark Baron!

In an instant.

A week passed.

During this week...

The entire business world was thrown into turmoil.

It could be said that before one wave subsided, another would rise.

All the companies under the Huangfu family, led by Taikang Medical, declared bankruptcy.

All the companies under the Qiao family, led by Longxing Construction, declared bankruptcy.

All the companies under the Xu family, led by Dongsheng International, had also declared bankruptcy.

The three families were in charge of the people in charge of each company. They were either arrested or investigated.

As the major companies under the three families declared bankruptcy...

The He, Han, Jin, Chen, and Xia families in Yang Luo's camp took over most of the assets and resources of the three families.

The entire business world underwent another huge reshuffle.

The He family, the Han family, and the other large families became stronger again.

Hua Mei Biomedical also took over a portion of the industries and resources and achieved a small leap.

For a moment, everyone in the business world was panicking and discussing this matter.

“Have you heard? The Huangfu family, the Qiao family, and the Xu family in the capital collapsed just like that!”

“Of course I know. This is a major event that has caused a stir in the business world recently. I just don’t know the exact reason!”

“It’s said that these three great families seem to have offended a certain extraordinary figure!

Therefore, that big shot mobilized the various families, corporations, and corporations to destroy these three families!

It seems like even the families, corporations and even the royal families overseas were involved!”

“However, I seem to have heard that these three families were destroyed because they offended Hua Mei Biomedical!”

“Although Hua Mei Biomedical is considered a big company, it has just developed not long ago. How can it be so powerful?”

“I’m not sure about that. Anyway, we should try our best not to become enemies with Hua Mei Biomedical in the future!”

Although many people in the business world had found out that the destruction of the three big families was related to Hua Mei Biomedical,

However, no one knew who the real mastermind was.

The major families seemed to have the intention to cover up this matter, so even some big bosses in the business world did not investigate clearly.

...

A week later, in the morning.

Jiang City.

Imperial River Court, villa No.8.

Yang Luo, Su Qingmei, Xu Ying, Bujie, and Prajna were having breakfast.

Su Qingmei took a sip of millet porridge and said, "Yang Luo, the Huangfu family, the Qiao family, and the Xu family have been completely destroyed.

Now, they could no longer be considered a first-rate family in the capital. They were even inferior to third-rate families.

All the companies under them have declared bankruptcy. We have also taken over a portion of the industries and resources that correspond to our Hua Mei Biomedical.

Before the end of this year, Hua Mei Biomedical's branches, brick and mortar shops and factories would be able to open all over the south.

The entire Southern Market will be under our control."

"Not bad, not bad!"

Yang Luo grinned and raised his eyebrows, "Our Qingmei is becoming more and more like a business queen!"

Bujie also smiled happily and said, "Sister-in-law, you have to protect me in the future!"

“Aiya, stop making fun of me.”

Su Qingmei glared at Yang Luo and Bujie before saying worriedly, “As Hua Mei Biomedical grows stronger, I don’t know if my ability can keep up or if I can control such a large company...”

Yang Luo said very seriously, “Qingmei, I’m very confident in you, so you have to believe in yourself too!

I believe that not only can you become the queen of the business world in Country Hua in the future, but you can also become the queen of the world!”

Su Qingmei took a deep breath and said, “Then I’ll try my best.”

“You can’t fall behind in cultivation either.”

Yang Luo reminded.

“Don’t worry, I definitely won’t fall behind.”

Su Qingmei replied before pouting, “Yang Luo, you should have nothing on now, right?”

“There shouldn’t be anything else.”

Yang Luo shook his head.

“Then you can stay in Jiang City for a few more days, right?”

Su Qingmei asked again.

“It should be possible.”

Yang Luo nodded and said, "Coincidentally, we can find time to visit Sister Wanqiu in a few days. Sister Wanqiu misses us a lot."

"Alright!"

Su Qingmei nodded happily. "I miss Auntie too!"

"Okay, okay. Let's go together then!"

Prajna also raised her hand happily.

But at this moment...

"Is Mr. Yang here?"

A mellow voice came from outside.

Yang Luo and the others turned around and saw a young Caucasian man walking in.

The Caucasian man was tall and thin. He wore a black tailored suit and had golden curly hair. He was handsome, but his face was a little unnaturally pale.

"Dark Baron?!"

Yang Luo was stunned when he saw this Caucasian man.

The person in front of him was one of the Divine Kings of the Holy Imperial Court, "Dark Baron" Fred.

Why was this guy here?

“Good morning, Mr. Yang!”

The Dark Baron walked over with a smile.

“Good morning!”

Yang Luo also greeted the Dark Baron with a smile and hugged him.

“Hello, Mr. Dark Baron!”

Su Qingmei and the others also greeted him.

“Hello!”

The Dark Baron responded with a smile.

Yang Luo asked the Dark Baron to sit down and asked, “Dark Baron, why are you suddenly looking for me?”

The Dark Baron said, “Mr. Yang, I need your help.”

Help with what?”

Yang Luo asked in confusion.

The Dark Baron frowned and said, “Mr. Yang, not long ago, my father Augustus fought with someone and suffered serious internal injuries.

Due to the seriousness of his injuries, my father could not heal himself, and the other members of the Blood Race were also helpless.

Now my father was on the verge of death. He can't live long.

I know that Mr. Yang's medical skills are extraordinary, so I thought of asking you for help."

With that, the Dark Baron stood up and bowed to Yang Luo, "Mr. Yang, please save my father!

As long as you can save my father, you will be the benefactor of the entire Blood Race!"

Yang Luo helped the Dark Baron up and said, "Dark Baron, I haven't seen your father in person yet, so I can't guarantee that I can cure him.

However, don't worry. I'll try my best to save your father."

After all, after he took control of the Holy Imperial Court, the Dark Baron would be his right-hand man.

Therefore, if the Dark Baron asked for his help, he naturally had to help.

"Thank you, Mr. Yang!"

The Dark Baron thanked him gratefully.

"Where's your father now?"

Yang Luo asked.

The Dark Baron said, "Mr. Yang, my father is too injured to come in person.

Therefore, Mr. Yang, please follow me to the Island of Ice, which is our Blood Clan's territory."

"Uh... Going overseas again?"

Yang Luo turned to look at Su Qingmei awkwardly.

Su Qingmei said helplessly, "Why are you looking at me? I'm not an unreasonable person.

Since Mr. Dark Baron is asking for your help, you must go."

Yang Luo chuckled and said, "My wife is still the most understanding!"

Hearing how Yang Luo addressed her so naturally,

Su Qingmei's face turned red.

This guy was getting bolder and bolder. He even dared to tease her in front of outsiders.

The Dark Baron said enviously, "Mr. Yang, you're so close to Miss Su.

I don't know when I'll be able to find the person I like."

Chapter 1009: Ancient Blood Race!

Yang Luo curled his lips and said, "You're a prince of the Blood Race and the Divine King of the Holy Imperial Court. You have strength, status, and status. Why would you be afraid of not being able to find a girlfriend?"

I think it's not that you can't find one, but your standards are too high, right?"

The Dark Baron laughed and said, "Mr. Yang, it's not that I have high expectations, but it's just that fate hasn't brought us together yet.

If I really meet someone I like, even if she has nothing, I will accept her.

If it isn't someone I like, even if she's a princess of the royal family or a daughter of a tycoon, I wouldn't have taken another look."

"Looks like you're still much better than that flower prince Harmandy."

Yang Luo smiled and asked, "Then when do we set off?"

The Dark Baron said, "Mr. Yang, if there's nothing else, shall we set off now?"

"No problem."

Yang Luo agreed immediately.

Bujie said, "Brother Yang, I want to go too. I'm quite curious about what this Blood Race is like!"

"We'll go too!"

Xu Ying and Prajna echoed.

Yang Luo said in amusement, "Alright, let's go together."

Su Qingmei said, "Then I'll send you to the airport now."

Then, Yang Luo and the others took a car to Jiang City Airport.

On the way...

Su Qingmei asked, "Yang Luo, do you want to take our private plane, or do you need me to book tickets for you?"

The Dark Baron smiled and said, "Miss Su, don't bother. Mr. Yang and the others can take my private plane to the Island of Ice later."

Yang Luo asked casually, "How rich is the Blood Race?"

"I'm not too sure about the details."

The Dark Baron shook his head and said, "However, the Blood Race has existed for thousands of years. We have businesses all over the world and have accumulated a lot of wealth.

It's just that we've always been hiding behind the scenes. Those businesses are specially managed by humans, so the world doesn't know."

Yang Luo said in realization, "Looks like your Blood Race has quite the history!"

The Dark Baron nodded, "The Blood Race is indeed quite ancient. It has been passed down for fifty-seven generations. My father is the fifty-seventh patriarch."

Prajna asked curiously, "By the way, Mr. Dark Baron, I heard from the people of the Dark World that the Blood Race can live for a long time. Is that true?"

“They were not kidding.”

The Dark Baron smiled and said, “The most ordinary members of the Blood Race can live for at least a hundred years.

If their bloodline can be awakened, they will be able to live even longer. It won’t be difficult for one to live for hundreds of years.”

The corners of Bujie’s mouth twitched, “Then aren’t the people of the Blood Race a bunch of living fossils?”

Hearing this, Dark Baron laughed, “You can put it that way.”

Yang Luo sighed in his heart.

The more he understood this world, the more he felt that it was not simple.

All kinds of races and aptitude users existed in this world.

However, because these people were all hiding in the dark behind the scenes, ordinary people did not know of their existence.

They chatted more along the way.

Soon, Yang Luo and the others arrived at the airport.

In the departure hall.

Su Qingmei helped Yang Luo adjust his collar and said gently, "Hurry home after you're done. Let's go to Xiangjiang to visit Auntie together."

"Alright."

Yang Luo nodded and smiled gently, "Qingmei, if you encounter any trouble, don't force yourself.

I will always be your strongest support."

"Hmm."

Su Qingmei nodded, her heart feeling warm.

It was precisely because there was always a man by her side encouraging her, helping her, and protecting her.

That she could she do what she wanted to do and realize her dream.

She was endlessly grateful to Yang Luo.

They chatted for a while more on other matters before they parted.

Yang Luo, the Dark Baron, Xu Ying, Bujie, and Prajna walked into the VIP passage and boarded the Dark Baron's private plane.

As soon as they entered the plane, Yang Luo and the others felt that though the decorations inside looked very low-key, it spoke highly of luxury.

Bujie clicked his tongue and said, "Dark Baron, you guys are really inhumane. Even the seats are gilded!"

The Dark Baron shrugged and said, "This private plane is already the cheapest one in the Blood Race.

After all, my father often warned me to keep a low profile outside."

"The cheapest?"

Bujie was stunned for a moment and asked, "Then how much is this plane?"

The Dark Baron replied, "About a few billion or so."

"Only a few billion? And it's the cheapest?"

Bujie gave the Dark Baron a thumbs up, "In terms of acting cool, the Blood Race is still better!"

The Dark Baron smiled and said, "Alright, let's sit down and talk."

After taking their seats.

The Dark Baron asked the pretty stewardess to bring him a few bottles of rare wine and various exquisite delicacies.

Yang Luo and the others drank and chatted.

Not long after, the plane took off.

"By the way, who injured your father?"

Yang Luo asked curiously.

The Dark Baron's eyes turned cold, "One of the Guardian Angels from the Holy Light Church injured my father."

"Holy Light Church?!"

Yang Luo was shocked.

"Hmm?"

The Dark Baron asked curiously, "You know about the Holy Light Church?"

Yang Luo said, "Of course I know. Not long ago, I had dealings with a Cardinal of the Holy Light Church in Country Stars & Stripes.

At that time, other than me, the King of Destruction, the Heavenly Sirius, the Purgatory Death God, and the Goddess of Fate were also present."

"Is that so?"

The Dark Baron was surprised, "Tell me what happened. Why were my brothers there?"

Yang Luo didn't hide anything and told the Dark Baron what had happened in Country Stars & Stripes and what had happened to the Sea Burial King.

Bujie added from time to time.

After hearing Yang Luo's words...

The Dark Baron was stunned, "I didn't expect you to go through such a big thing together!

It's a pity that I was working within the Blood Race at that time. Otherwise, I could have participated in that battle!"

Then, the Dark Baron asked, "Mr. Yang, how strong have you become?"

Even the Demon King of the Hell Demon Palace can't do anything to you, and you can even kill the Cardinal of the Holy Light Church?"

Bujie rushed to say, "My Brother Yang's strength has long advanced by leaps and bounds. He's countless times stronger than before.

If those bullsh*t Demon Kings are fighting alone, they're not my Brother Yang's match at all."

The Dark Baron sighed, "Mr. Yang, I knew you had great potential back then, but I didn't expect for you to still be able to grow beyond my imagination.

Now that even Fourth Brother and Fifth Brother have been won over by you, you're not far from controlling the Holy Imperial Court."

Yang Luo said, "It's said that the number one Divine King in the Holy Imperial Court is very powerful. The King of Destruction said that with my current strength, I'm not a match for that Divine King.

Therefore, it's still a little difficult for me to control the Holy Imperial Court now."

The Dark Baron said, "Our Eldest Brother is indeed very strong. It's precisely because of him that those organizations don't dare to provoke us easily.

However, I believe that you will become even stronger, Mr. Yang. One day, you will be able to defeat Eldest Brother and officially control the Holy Imperial Court."

"I hope that day will come as soon as possible."

Yang Luo asked, "Speaking of which, why did the Blood Race fight with the Holy Light Church?"

Chapter 1010: The Thirteen Sacred Artifacts!

The Dark Baron said in a low voice, "Actually, the hatred between the Blood Race and the Holy Light Church has been established a thousand years ago.

The Holy Light Church has always preached that their organization is bright and righteous.

On the other hand, they claim to have been ordered by God to eliminate all darkness and evil in the world.

And because in the eyes of the world, the Blood Race had always been dark and evil....

Therefore, the Holy Light Church has targeted us and has always wanted to destroy us.

However, a few years ago, our Blood Race joined the Holy Imperial Court and had the protection of the old Divine Emperor.

The Holy Light Church was afraid of the Holy Imperial Court and the old Divine Emperor, so they did not dare to attack the Blood Race.

But now, because the old Divine Emperor has disappeared and no one is suppressing the Holy Light Church anymore, the Holy Light Church has targeted us again."

Bujie immediately retorted, "This Holy Light Church also has the cheek to say that they are bright and righteous. If they were really so righteous, why would they join forces with Hell Fiend Palace?

These guys want to protect their image while plundering the resources of the Dark World. They're a bunch of hypocrites."

The Dark Baron nodded and said, “Brother Bujie, you’re right. The Holy Light Church is just using the pretense of light and justice to plunder resources and make everyone their followers.

The main reason why they targeted our Blood Race is to snatch our thirteen Sacred Artifacts.”

“Thirteen Sacred Artifacts of the Blood Race?”

Yang Luo was stunned for a moment before asking, “What are these thirteen Sacred Artifacts?”

The Dark Baron replied, “These thirteen Sacred Artifacts are the Key of Hell, Cain’s Left Hand, the Demonic Bracelet of Decay, the Blood Spirit Golem, the White Bone Demon Zither, the Holy Grail of Blood, the Soul Scepter, the Demon Soul Ring, the Demonic Spirit Cleaver, Axe of Slaughter, the Demon Phantom Mirror, Ghost Lamp of Punishment, and the Divine Tears Poison Bottle.

“The Soul Scepter will be handed over to every Patriarch, and the other 12 Sacred Artifacts will always be kept by the 12 Elders.”

“I see.”

Yang Luo nodded in realization and said, “Since the thirteen Sacred Artifacts of the Blood Race will attract the Holy Light Church to fight over them, it seems that these thirteen Sacred Artifacts are very extraordinary.”

“These thirteen Sacred Artifacts are indeed extraordinary.”

The Dark Baron replied, “Every Sacred Artifact contains endless mysteries and powerful energy. It’s passed down from generation to generation in the Blood Race.

If the Blood Race could unravel the mysteries of these divine artifacts and control this powerful energy...

If the Blood Race could step into the ranks of the top organizations in the Dark World and we would no longer be afraid of the Holy Light Church.

It's a pity that up until now, no one has ever solved all the mysteries of these Sacred Artifacts and controlled all their energy."

Yang Luo said in a low voice, "Now that the Dark World is about to fall into chaos, what we can be sure of is that the Holy Light Church, Hell Fiend Palace, and the Heavenly Shrine have already colluded!

In the future, our Holy Imperial Court will definitely fight against the three top organizations!

This battle will affect the future structure of the Dark World!

At that time, if I control the Holy Imperial Court!

I will complete what my master did not complete!

"I will lead the Holy Imperial Court and all other organizations that hope for peace and stability to completely destroy these three organizations!"

Hearing Yang Luo's words...

The Dark Baron said excitedly, "Mr. Yang, when that time comes, the Blood Race will listen to your orders and conquer the world with you!"

"Alright, that's good to know!"

Yang Luo nodded heavily.

The journey was long.

The plane flew for more than ten hours.

Yang Luo and the others finally arrived at the airport of Reykja City on the Island of Ice.

Due to the time difference, it was currently past nine in the morning on the Island of Ice.

When they walked out of the VIP passageway...

He saw a group of tall and burly Caucasian men in suits waiting in the hall.

Seeing Yang Luo and the others come out, the Caucasian men greeted them and bowed to the Dark Baron.

“Greetings, Young Master!”

The Dark Baron nodded and walked out of the airport with Yang Luo and the others.

After getting into the car, Yang Luo and the others left the airport.

Along the way...

The Dark Baron introduced the human scenery of the Island of Ice to Yang Luo and the others.

Yang Luo and the other three also had a clearer understanding of the Island of Ice.

After driving for a few hours, they arrived at a small town called Copal.

Many unique houses were located in the town. In the distance, there were snow mountains that were majestic.

Moreover, Yang Luo also realized that the people in this town were as pale as the Dark Baron.

He asked curiously, "Dark Baron, are all the people in this town from the Blood Race?"

"That's right."

The Dark Baron nodded and said, "There are more than 50,000 people in this town. All of them are from the Blood Race.

Usually, our people will live in the town like ordinary people.

Everyone will only show their abilities when the Blood Race is in danger."

While the Dark Baron was talking...

A few children were chasing and fooling around in the distance.

One of the children seemed to have been angered. He opened his mouth and bared his sharp fangs. Even the color of his pupils glowed with a blood-red light.

"Gnam! Don't do this!"

A woman in the distance shouted.

The child scratched his head and returned to his harmless appearance.

Bujie gulped and said, "What the f*ck! So the people living in this town are all vampires!"

The Dark Baron frowned, seemingly displeased by Bujie's words.

"Bujie, what are you saying!"

Yang Luo glared at Bujie.

Bujie smiled and said, "Brother Dark Baron, don't mind me. I was just spouting nonsense."

The Dark Baron sighed and said, "The reason why the people of the Blood Race think that we are all vampires is because the Holy Light Church is deliberately slandering us.

Actually, we're just a group of ordinary people with special bloodlines and some special abilities."

Yang Luo nodded and did not say anything else.

After driving for nearly half an hour, they arrived at an ancient black castle at the end of the town.

The entire castle occupied a huge area. It was ten stories tall and was incomparably magnificent.

In front of the castle was a huge square. On both sides were Blood Race guards wearing black armor and holding black spears.

When the convoy Yang Luo and the others were in drove into the square...

The guards took off their helmets and bowed in unison.

There were already two people waiting at the entrance of the castle.

It was an old man and a young woman.

The old man was wearing a tailored tuxedo. His long grayish-white hair was neatly combed, and he looked very elegant.

The young woman was wearing a long black dress. Her figure was tall and graceful, her facial features were well-defined, and her face was beautiful.

Especially her eyes, which were actually suffused with a faint purple light. It was very magical.

After the car stopped, Yang Luo and the others got out.

“Young Master!”

“Big Brother!”

The old man and woman quickly came forward.

“Brother, are they the Divine Doctors you invited from Country Hua?”

The young woman blinked her big eyes and asked.
