Chapter 1031: Get Your Sorcerer Emperor Out!

After the door was closed...

Kanusadi waved his right hand and shouted!

“Soul Refining Formation!”

“Activate!”

In the blink of an eye!

The array on the altar was activated and flickered with a dazzling five-colored light.

The array patterns spun, and countless five-colored runes floated in the sky.

Then, Kanusadi waved his right hand again.

The lids of three of the clay pots were opened.

Thirty-six souls flew out.

After these souls flew out of the pot, they wanted to escape, but they were restrained by the array on the altar and could not move.

Kanusadi smiled sinisterly and said, “Don’t even think about escaping. It’s your honor to be nutrients for my body!”

With that, he closed his eyes and began to cultivate.

His body also emitted a dazzling five-colored light.

As the Soul Refining Grand Formation activated, the souls on the altar began to be refined, transforming into streams of energy that surged into his body...

At this moment...

On the seventh floor of the palace.

The two black-robed Sorcerers threw Alinda into a room and locked the door.

The six women curled up on the bed in the room were all shocked when they saw Alinda enter.

Alinda asked, "Were you captured too?"

The six women nodded.

Alinda asked again, "How long have you been captured?"

One of the brown-haired women replied, "We've been captured for half a month."

"Half a month?"

Alinda was shocked, "Didn't anyone come to save you?"

The brown-haired woman said with red eyes, "This tribe is too secretive. Very few people can find this place."

Previously, someone found this place and wanted to investigate, but those people were either chased away or killed by the Sorcerers here.”

A yellow-skinned woman said sadly, “This is hell. That old man is a beast and a devil. We are played and tortured by him every day.”

A golden-haired Caucasian woman choked and said, “It’s said that any woman that that old fellow is tired of playing with will be killed and refined into a corpse puppet.”

Hearing these women’s words,

Alinda’s beautiful eyes widened in shock.

A black woman sighed and said, “Miss, you were captured by them and brought here. You can’t escape at all. You can only wait to be played and killed...”

Alinda tried her best to suppress the fear in her heart and said, “Don’t worry, my boyfriend will definitely come and save us!”

The brown-haired woman shook her head and said, “Miss, if your boyfriend comes here, the best outcome is to be chased away.

If he insists on barging in, what awaits him is death.”

Alinda said with a firm gaze, "You don't have to worry about that. My boyfriend is not an ordinary person!"

As long as he can find this place, he will definitely be able to save us!"

Hearing Alinda's words, the six women only shook their heads and sighed, not believing that they could still be saved.

When they were first captured, they all felt that they could be saved.

But gradually, they completely gave up.

No one could save them.

Alinda turned to look out of the window and muttered in her heart, "Yang Luo, I believe you will definitely come..."

...

Soon, it was the evening of the next day.

Outside the Zuluma tribe.

On a huge mountain.

Four figures were standing on the mountaintop. They were Yang Luo, Xu Ying, Bujie, and Prajna.

Bujie smacked his lips and said, "Damn it, we've finally found this dogsh\*t tribe after searching for half a day!"

Yang Luo took out the Dragon Sparrow Saber and the Dragon-Mark Buddhist Staff and threw them to Xu Ying and Bujie. He shouted, "Prepare for battle!"

"Alright!"

Bujie gripped the Dragon-Mark Buddhist Staff tightly and said excitedly, "This time, we must completely destroy the Sorcerer Alliance and kill that bullsh\*t Sorcerer Emperor!"

Xu Ying raised the Dragon Sparrow Saber and Prajna took out the Sun and Moon Divine Staff. The two of them were already prepared for battle!

Yang Luo also took out the Dragon Emperor Sword and waved his hand, "Let's go!"

Then, Yang Luo and the other three ran down the mountain and rushed towards the Zuluma tribe!

The four of them were extremely fast.

Ten minutes later, they arrived at the entrance of the Zuluma Tribe.

"Who's there? Stop!"

"This is the territory of the Sorcerer Alliance. No one is allowed to trespass!"

The dozen or so black-robed Sorcerers guarding the entrance rushed over and roared.

"Sorcerer Alliance territory, right?"

"I'm destroying your Sorcerer Alliance today!"

Yang Luo roared and brandished his sword!

Swoosh!

A resplendent golden sword light flashed!

The next second!

Puff! Puff! Puff!

Blood pillars soared into the sky along with heads!

Thud thud...

Before the dozen or so Sorcerers could react, their heads were cut off and they fell heavily to the ground!

“Let’s go!”

Yang Luo shouted and rushed into the Zuluma tribe with Xu Ying, Bujie, and Prajna!

“Someone broke in!”

“Quick, inform everyone!”

The sorcerers who were patrolling inside saw Yang Luo and the other three barge into the tribe and shouted.

Many Sorcerers used sorcery to send signals into the air.

Yang Luo said coldly, “Kill all the sorcerers of the Sorcerer Alliance!”

“Yes!”

Xu Ying, Bujie, and Prajna responded in shock and charged at the Sorcerers!

A chaotic battle immediately broke out in the Zuluma Tribe!

Many blue-robed, purple-robed, and black-robed Sorcerers rushed over from all directions!

There were more than a thousand Sorcerers in total!

These Sorcerers attacked fiercely one after another, using layers of sorcery to attack Yang Luo and the other three!

“Poisonous fog fills the sky!”

“Heavenly Prairie Fire!”

“Arrow of Frost!”

“Soul Storm!”

“Thousand Spirits Bind!”

The black poisonous fog that filled the sky swept over!

Flames surged and burned the world!

Ice arrows pierced through the sky one after another!

One storm after another crushed over!

Countless ghosts pounced over from all directions!

“Buddhist Lion’s Roar!”

“Six Syllable Sanskrit Mantra!”

Bujie condensed a True Qi barrier and then roared!

Golden sound waves spread out!

Om, Ma, Ya, Ba, Mi, Hum; Six golden words condensed into form and smashed out!

“Shadowless Violent Blade!”

Xu Ying slashed furiously again and again!

Saber rays flickered and saber qi soared into the sky, ferocious and berserk!

Countless platinum sabers slashed out in an incomparably domineering manner!

“Ice River Waves!”

“Tenshou Divine Fire!”

Prajna kept waving the Sun and Moon Divine Staff in her hand!

Ice rivers and fire rivers surged up, terrifying!

Boom! Boom!

Rumble!

A series of earth-shattering collisions and explosions resounded throughout the entire Zuluma Tribe!

“Ahhhh...”

Many Sorcerers let out miserable cries and spat out blood from their mouths as they were sent flying!

Some died on the spot, and those who didn't die were seriously injured. They couldn't even get up!

"Ah...!"

"Run! Run!"

The ordinary people of the Zuluma Tribe screamed in fear and fled in panic.

Yang Luo ignored the ordinary people. Instead, he soared into the sky and slashed angrily at the Sorcerers charging at him!

Puff, puff, puff...

The hundreds of Sorcerers blocking in front of him were instantly killed by a sword and fell into a pool of blood!

Yang Luo landed steadily and stood in the pile of corpses. He said in a loud voice, "Where's your Sorcerer Emperor? Get him out!"

Chapter 1032: Six Sorcerer Kings!

Yang Luo had killed more than a hundred Sorcerers with a single strike.

The other Sorcerers were all terrified when they saw this.

“Kid, who are you? Why did you barge into our Sorcerer Alliance’s territory?”

“Kid, I advise you to get out of here quickly. Once our Sorcerer King comes, you will definitely die!”

The leading blue-robed Sorcerers roared.

Yang Luo said coldly, “Your Sorcerer Alliance has provoked me time and time again, and you still dare to capture my friends!

I’m naturally here to kill your Sorcerer Emperor and destroy your Sorcerer Alliance!

“As for the bullsh\*t Sorcerer King you’re talking about, I’ve killed him too!”

“Kid, how dare you say that you want to kill our Sorcerer Emperor and destroy our Sorcerer Alliance!”

“Kid, you’re simply spouting nonsense by saying you’ve killed our Sorcerer King!”

“Everyone, there are only four of them. I don’t believe that we can’t kill them with so many people!”

“Attack together and kill him. Kill!”

All the Sorcerers roared and continued to attack Yang Luo and the other three.

Moreover, more Sorcerers rushed over from afar and joined the battle.

There were already thousands of people involved.

“This Buddha here will redeem you today!”

Bujie became even more excited. With the Dragon-Mark Buddhist Staff in hand, he was the first to rush forward!

“Thousand Mass Suppression!”

“Arhat Subduing Tiger!”

“Devil Slaying Bandits!”

Bujie condensed a True Qi barrier and held the Dragon-Mark Buddhist Staff tightly with both hands as he charged forward!

Every strike of his staff was as heavy as Mount Tai, unreasonable and domineering!

Boom! Boom! Boom!

Bang! Bang! Bang!

Numerous attacks were destroyed by him, turning into energy motes that filled the sky and surged away!

All the sorcerers that approached were sent flying!

Some of their chests collapsed, and some of their heads exploded. They died tragically!

However, Bujie's expression was cold. He had no pity for these Sorcerers!

These Sorcerers had done many evil deeds. They were sinister and vicious, wantonly taking the lives of ordinary people. They deserved to die!

"Floating Light and Shadow!"

"Chasing Light and Lightning!"

"Blade Aura Ten Thousand Feet!"

Xu Ying charged forward with the Dragon Sparrow Saber in hand and swung it continuously!

The attacks that were shooting towards him were all destroyed!

The sorcerers who charged at him were all killed!

Prajna's expression was also extremely cold!

As she waved the Sun and Moon Divine Staff in her hand, she also summoned the Six Paths Shuriken and started a massacre!

Meanwhile, Yang Luo led the way in front, swinging the sword in his hand continuously!

Swoosh! Swoosh! Swoosh!

Golden blades tore through the sky and slashed in all directions!

Many Sorcerers were killed before they could even get close!

The surrounding houses were all destroyed as well!

The ground was even split open!

This battle only lasted for less than half an hour!

The number of Sorcerers killed had already exceeded a thousand!

However, Yang Luo did not stop the massacre. Instead, he continued to advance!

Today, his goal was to kill all the Sorcerers, kill the Sorcerer Emperor, and completely destroy the Sorcerer Alliance!

After killing another hundred Sorcerers!

Yang Luo gripped the Dragon Emperor Sword tightly with both hands and slashed forward with all his might!

“Dragon Suppresses Mountains and Rivers!”

“ROAR...”

With a slash of his sword, a huge golden dragon phantom roared out!

The might of the sword disturbed the world, and the dragon might suppressed the mountains and rivers!

“Ahhhh...”

Accompanied by miserable screams, the hundreds of Sorcerers blocking in front were instantly killed!

Bang!

A 200-meter-long ravine was directly split open in the ground!

Multiple houses were also split into two!

“Is this kid even human? How can he be so strong?!”

“Apart from this kid, the other three are also unbelievably strong!”

“When did our Sorcerer Alliance offend these terrifying guys?!”

“Quick, quickly inform Lord Sorcerer King and Lord Sorcerer Emperor!”

The remaining wizards were scared out of their wits. They turned around and ran.

“You want to run? Dream on!”

Yang Luo's gaze turned ruthless as he raised the Dragon Emperor Sword in his hand and swung it out!

"Ten Thousand Swords Break Through the Sky!"

Whoosh! Whoosh! Whoosh! Whoosh!

Countless golden flying swords condensed and shot towards the fleeing Sorcerers!

Puff! Puff! Puff!

Before those Sorcerers could escape far, their bodies were shot to resemble a hornet's nest and they fell to the ground one by one!

Some of the sorcerers who were lucky enough to dodge the flying swords were so frightened that their souls trembled as they continued to escape towards the center of the tribe!

"Chase!"

Yang Luo shouted and chased after them with Xu Ying, Bujie, and Prajna!

Along the way...

Many Sorcerers wanted to launch a sneak attack on Yang Luo and the others, but they were all killed by them!

After advancing for a few kilometers!

Suddenly!

Pew pew pew!

Six beams of light streaked across the sky and shot towards Yang Luo and the other three!

“Be careful!”

Yang Luo reminded loudly and slashed out with his sword!

Xu Ying, Bujie, and Prajna also launched a counterattack!

Rumble!

Xu Ying, Bujie, and Prajna also launched a counterattack!

“Who are you people? Why did you barge into the territory of the Sorcerer Alliance?!”

“You guys have a death wish for killing so many people from our Sorcerer Alliance!”

“Since you’re here, leave your life behind!”

A series of angry roars sounded.

Yang Luo looked up and saw six middle-aged black men in gray robes standing on the roofs of the six houses.

“Greetings, Lord Sorcerer Kings!”

The other Sorcerers of the Sorcerer Alliance also ran over and bowed respectfully to the six black middle-aged men.

That’s right, these six gray-robed Sorcerers were the six Sorcerer Kings of the Sorcerer Alliance, Legaz, Dreich, Tweath, Henry, Luscher, and Gouff.

“The four Sorcerer Kings from Dibai and Country Stars & Stripes were also from your side, right?”

Yang Luo sneered and asked.

Hearing this...

Legaz and the others were stunned at first. Then, they sized up Yang Luo and their expressions changed.

“It’s actually you, kid!”

Legaz looked at Yang Luo with hatred, “You’re the one who killed Gudanu and the others, right?”

“So what if I am?”

Yang Luo asked calmly.

Dreich said angrily, “Damned Young brat, we haven’t even gone to look for you, but you actually took the initiative to come looking for us!

Very good, since you're here, we'll definitely kill you and avenge the people of the Sorcerer Alliance!"

"Do you think trash like you can kill me?"

Yang Luo sneered and said, "You better call out your Sorcerer Emperor!

I want to see how strong your Sorcerer Emperor is and how he still dares to call himself an Emperor!"

Legaz said proudly, "Kid, there's no need for the Sorcerer Emperor to do anything. We can kill you alone!"

"Is that so?"

Yang Luo smiled coldly and said, "Then let's give it a try and see if you can kill me!"

He had interacted with those Sorcerer Kings before.

Although those Sorcerer Kings had some strength, they were far inferior to those Demon Kings, Chief Gods, and Cardinals.

Therefore, he did not take these Sorcerer Kings seriously at all.

The only person he really was cautious for was the Sorcerer Emperor who had yet to appear.

Legaz waved his hand and roared, “Kill this kid and those three guys. Don’t let any of them go!”

Chapter 1033: The Hunt Begins!

“Fire Sorcery!”

“Burning Fire Devours the Heavens!”

Dreich waved the bone spear in his hand and roared!

Whoosh! Whoosh!

A long river of black and red flames surged towards Yang Luo and the others, illuminating the dark sky!

“Ice Sorcery!”

“Frost Battle Spear!”

Twealth suddenly waved the bone spear in his hand!

Whoosh! Whoosh! Whoosh! Whoosh!

Countless black-blue ice spears pierced through the sky and shot towards Yang Luo and the other three!

“Wind Sorcery!”

“Storm Blades!”

Henry waved the bone saber in his hand angrily!

Swoosh! Swoosh! Swoosh!

Countless black-green wind blades slashed over with ear-piercing sounds!

“Earth Sorcery!”

“Earth and Rock Collapse!”

Luscher waved the bone ax in his hand!

Accompanied by a loud rumble!

Black-gray rocks condensed in the sky and smashed out!

“Blood Sorcery!”

“Scarlet Undead!”

Gouff waved the bone hammer in his hand!

Thousands of blood-colored Yin spirits condensed into form and pounced at Yang Luo and the other three!

Just as Dreich and the others attacked!

Legaz waved the bone scepter in his hand without any hesitation!

“Lightning Sorcery!”

“Lightning Snake Flurry!”

Accompanied by the sound of muffled thunder!

Countless black-purple lightning snakes condensed into form and bit at Yang Luo and the other three!

Seeing the attacks of Legaz and the others coming...

Yang Luo was slightly surprised.

It seemed that the Sorcerer Alliance still had some foundation. They had actually developed sorcery of various attributes. It was quite interesting.

However, this method did not make Yang Luo feel any threat at all.

He waved the Dragon Emperor Sword in his hand!

In the blink of an eye!

A large number of golden flying swords condensed into six sword shields that blocked the surroundings!

Rumble!

Rumble!

The six attacks launched by Legaz and the others heavily bombarded the six sword shields, causing thunderous explosions!

However, no matter how ferocious the attacks of Legaz and the others were, they could not break Yang Luo's defense at all!

Legaz frowned and said, "This kid is indeed capable. He can actually block the attacks of the six of us at the same time!

Don't hold back. Continue attacking!"

“Yes!”

Dreich, Twealth, Henry, Luscher, and Gouff replied in unison.

However, before the six of them could continue attacking!

Yang Luo waved the sword in his hand first!

Whoosh! Whoosh! Whoosh! Whoosh!

The six sword shields instantly dispersed and turned into a large number of golden flying swords that shot towards Legaz and the others!

“Everyone, be careful!”

Legaz exclaimed and quickly waved his white bone scepter, condensing a huge shield made of lightning to block!

Dreich and the others also waved the white bone weapons in their hands and condensed defensive fire shields, ice shields, wind shields, earth shields, and blood shields to block!

Rumble!

But the shields condensed by the six of them could not even withstand a few seconds before they were defeated!

“Ahhhh...”

The six of them let out miserable cries and were sent flying. Their bodies were even cut by the flying swords, and blood spurted out!

“How is this possible?! Are the six Sorcerer Kings not this kid’s match even if they join forces?!”

“Who is this kid? How can he be so powerful?!”

“Could it be that only the Sorcerer Emperor can kill this kid?!”

“Everyone, attack together. We must kill these four fellows!”

The other Sorcerers roared and rushed towards Yang Luo and the other three from all directions!

Yang Luo said in a trembling voice, “Xu Ying, Bujie, Prajna, I’ll deal with those six guys. I’ll leave the rest to you!”

“Alright!”

Xu Ying and the other two responded and charged towards the Sorcerers!

Yang Luo soared into the sky and flew over the heads of these Sorcerers. He jumped on the roofs and chased after Legaz and the others!

Legaz and the others quickly stabilized themselves and stood on the roofs, continuing to attack Yang Luo!

“Meteor Shower!”

“Ice Waterfall Heaven!”

“Soul-Sucking Storm!”

Dreich, Twealth, and Henry were the first to launch three attacks!

Fireballs that filled the sky condensed in the sky and smashed out like fire meteors!

An icy waterfall condensed and surged up!

A storm wreaked havoc in the sky and swept over!

“Petty tricks!”

Yang Luo was not afraid at all and slashed out!

Rumble!

The ball of fire that smashed over, the ice that surged over, and the storm that swept over were destroyed by a single sword!

The houses in front of him were cut into two by the sword and collapsed!

After defeating the three people’s attacks!

“The hunt begins...”

Yang Luo said calmly. Then, he leaped out and swung his sword again, slashing at Henry, who was closest to him!

“Quickly dodge!”

Legaz, who was charging over from afar, shouted in surprise.

“Don’t even think about killing me!!!”

Henry roared angrily and mobilized all the energy in his body. He waved the bone saber in his hand, stirring up a storm as he faced the attack!

Tang!

The sabers and swords collided heavily, and the commotion shook the heavens!

The storms that swept over were instantly destroyed!

Crack crack crack!

The bone saber in his hand was also broken by a single strike!

After severing the bone saber!

Yang Luo's sword continued to slash down unimpeded!

"No... No!!!"

Henry let out an extremely terrified shout.

The next second!

Bang!

The house Henry was standing in was split into two!

His entire body was also split into two and buried by the rubble and dust!

“One!”

Yang Luo shouted coldly.

When the rest of the Sorcerer Kings saw Henry being killed!

Legaz, Dreich, Twealth, Luscher, and Gouff were furious. They rushed over at the same time and waved the bone weapons in their hands, attacking Yang Luo!

However, Yang Luo had already expected this. He instantly mobilized the True Qi in his body and condensed a golden True Qi barrier to block!

Clang! Clang!

The five bone weapons struck the True Qi barrier heavily, emitting a deafening sound!

Yang Luo’s entire body trembled as he let out an explosive roar!

“Piss off!”

True Qi erupted and seemed to transform into a wave of True Qi that surged towards the five of them!

The five of them could not withstand it at all and were sent flying!

Yang Luo's figure flashed and turned into a bolt of lightning as he chased after him!

In an instant!

Yang Luo caught up to Gouff and swung his sword again!

"Die!"

Swoosh!

This sword was wrapped in an ancient aura and did not have any fancy movements. However, it was simply unreasonable and terrifying!

The air was cut open, emitting an ear-piercing sonic boom. Even space fluctuated slightly!

Watching as Yang Luo's sword slashed over...

Gouff suddenly waved the bone hammer in his hand and smashed forward!

“Bloodsoul Beast!”

A huge blood-colored beast soul condensed and opened its bloody mouth to pounce!

At that very moment...

Boom! Boom!

Rumble!

The blood-colored beast soul was destroyed by one slash, and the white bone hammer was shattered by one slash!

“Arghhhh!”

Gouff let out a miserable scream. His chest was split open by the sword and he fell to the ground, completely dead!

“Two.”

Yang Luo spat out coldly. With another flash, he chased after the remaining four people!

Chapter 1034: Extermination of the Sorcerer Kings!

Upon witnessing how Yang Luo had killed Henry and Gouff so quickly!

Legaz, Dreich, Twealth, and Luscher were dumbfounded!

This was especially the rest of the sorcerers who were fighting in the distance, they were so frightened that their bodies were trembling!

Such a powerful Sorcerer King was actually killed so easily by this kid?!

“Don’t hold back. Let’s fight this kid!”

Legaz roared in fear and mobilized the energy in his body to the limit. He waved the white bone scepter in the sky!

“Violent Lightning Descends from the Heavens!”

Rumble!

Thousands of black lightning bolts descended from the sky and struck Yang Luo!

“Doomsday Calamity Fire!”

“Ice Shackles!”

“Earth’s Fury!”

Dreich, Twealth, and Luscher also mobilized the energy in their bodies to the limit and launched a fierce attack!

Facing the four people’s fierce attacks!

Yang Luo was still unafraid and his entire body trembled!

“Roar, roar, roar!”

Nine huge golden dragon phantoms roared and collided in all directions!

Boom! Boom!

Rumble!

Terrifying collisions and explosions resounded through the world, shaking the surroundings!

The heavy attacks launched by Legaz and the others were all destroyed!

“Pu pu pu pu...”

The four of them spat out a mouthful of blood and were sent flying!

Yang Luo’s figure moved and chased after Luscher this time, instantly catching up to him!

Luscher’s expression changed drastically. He gripped the bone ax with both hands and slashed at Yang Luo!

“Giant Rock Soul Soldier!”

With a swing of the axe, space shook!

A rock giant that was twenty to thirty meters tall condensed into form. It also waved the rock ax in its hand and slashed at Yang Luo!

But Yang Luo only flipped his wrist and slashed horizontally!

Swoosh!

A dazzling golden sword arc tore through the sky and slashed at the stone giant and Luscher!

Luscher and the rock giant’s huge axes stopped above Yang Luo and did not land!

A few seconds later.

Rumble!

The rock giant was cut in half at the waist, turning into rocks and quicksand that splattered everywhere!

Luscher's head was cut off by a sword and he was completely dead!

"Three!"

Yang Luo was like a death god that had walked out of hell. He spat out the word coldly and continued to chase after Legaz, Dreich, and Twealth!

As they watched Yang Luo charge over like a bolt of lightning,

Legaz and the other two were scared out of their wits!

Twealth screamed in horror, "What should we do now? We're not this kid's match at all. Should we invite the Sorcerer Emperor?!"

Dreich frowned and said, "Lord Sorcerer Emperor is cultivating in seclusion. No one is allowed to disturb him!"

Legaz gritted his teeth and said, "We can't care less now!"

If we don't invite the Sorcerer Emperor, we'll all die!"

As he spoke, Legaz shouted into the distance, "Lord Sorcerer Emperor, save me!"

"Lord Sorcerer Emperor, the Sorcerer Alliance is in trouble. Please come out of seclusion and help!"

"Lord Sorcerer Emperor, save us, save us!"

Dreich and Twealth also shouted into the distance.

However, there was no response.

Yang Luo sneered and said, "Looks like your Sorcerer Emperor really doesn't care about your lives!"

"Since he doesn't appear, I'll kill you first before looking for that guy!"

As he spoke, Yang Luo slashed at Legaz and the other two again!

Swoosh!

With a slash of the sword, the world shook!

Sword Qi shot into the nine heavens, and the sword's might shook the surroundings!

A huge golden sword slashed at Legaz and the other two!

"Let's fight it out with this kid!"

Legaz roared and waved the bone scepter in his hand again!

"Lightning Behemoth!"

A lightning beast that was more than 30 meters tall condensed into form and pounced at Yang Luo!

Countless bolts of lightning condensed and struck Yang Luo!

"Fire Behemoth!"

“Ice Behemoth!”

Dreich and Twealth also waved the bone spears in their hands!

A black-red flame beast and a black-blue ice beast condensed into form at the same time and pounced at Yang Luo!

Rumble!

Yang Luo’s sword collided heavily with the bone weapons of the three of them, and it also ruthlessly struck the three huge beasts!

Boom! Boom! The sound of an explosion rang out!

The three bone weapons and the three bone beasts exploded at the same time!

Legaz, Dreich, and Twealth were sent flying again!

However, Yang Luo did not stop at all. He quickly formed seals with his left hand!

“Battle Sage Seal!”

“Mountain Embracing Seal, Heaven Overturning Seal, Earth Covering Seal, True Dragon Seal!”

The four-sided seal condensed into form and smashed towards the three of them!

Furthermore, as the four-sided seal crushed down!

“Roar, roar, roar!”

A series of dragon roars that resounded through the sky sounded!

Nine golden dragon phantoms roared and merged into one, turning into an even larger golden dragon phantom that collided with the three of them!

Legaz and the other two fought with everything they had and launched a fierce attack. They wanted to resist, but they could not!

Rumble!

Explosions sounded incessantly!

But in the end, Legaz and the other two exploded into three pools of blood mist in midair and died completely!

“Four, five, six!”

Yang Luo said coldly, his eyes filled with cold killing intent.

“The Lord Sorcerer Kings are dead, they’re all dead!”

“This kid is a devil!”

“Run, run!”

The remaining wizards were scared out of their wits and ran for their lives in the distance.

Yang Luo continued to chase after them with Xu Ying, Bujie, and Prajna.

At this moment...

In the palace in the center of the Zuluma Tribe.

On the seventh floor.

In a room.

“Did you guys hear that? There seems to be movement outside!”

Alinda stood up and shouted at the other six women who were already dressed.

Then, Alinda and the six women ran to the window and looked out.

At this moment, they realized that it was already chaotic outside. There were shouts, screams, and explosions everywhere.

“What’s going on?! What happened?!”

“Did someone break in?!”

“Heavens, this is the first time such a huge commotion has happened in the Zuluma tribe!”

“Could someone have come to save us?!”

“Can we finally leave this hell?!”

The women’s eyes were filled with fear and surprise.

Alinda was also very puzzled. Who had barged in?

Could it be Yang Luo?

At this moment.

Yang Luo, Xu Ying, Bujie, and Prajna chased thousands of Sorcerers all the way to the center of the Zuluma Tribe.

The four of them finally saw a majestic golden palace not far away.

Bujie said in surprise, “Damn, there’s actually such a luxurious palace in such a poor place?”

Yang Luo said, “Since these Sorcerers are all running here, this must be the Sorcerer Emperor. He must be nearby!”

“Yang Luo!”

At this moment, a pleasant voice came from above the palace.

Yang Luo suddenly looked up and saw a Caucasian woman waving at him from the window on the seventh floor.

“Alinda!”

Yang Luo saw Alinda at a glance.

“It’s Sister Alinda!”

Prajna also shouted in surprise.

Bujie said, "Brother Yang, go upstairs and save Miss Alinda. The three of us will hold back these Sorcerers!"

"Alright!"

Yang Luo nodded and rushed towards the palace.

"Get lost! Get the f\*ck away from me!"

As Yang Luo rushed forward, he waved his sword and killed all the Sorcerers in front of him.

Xu Ying, Bujie, and Prajna also charged at the Sorcerers to clear the way for Yang Luo.

Chapter 1035: Is This Man a God?

Soon, Yang Luo slaughtered a bloody path and rushed into the palace.

When the Sorcerers guarding the palace saw Yang Luo enter, they rushed over.

However, without exception, they were all killed by Yang Luo's sword.

Thus, Yang Luo ran up to the seventh floor without much hassle.

On the way to the seventh floor, they were also stopped by many Sorcerers, but they were all killed by Yang Luo.

In less than a minute!

Yang Luo rushed to the seventh floor. After killing all the Sorcerers in the corridor, he suddenly kicked open a door.

The moment the door was kicked open,

“Yang Luo, you’re finally here!”

Alinda cried tears of joy and threw herself into Yang Luo’s arms.

Yang Luo sighed in his heart and said gently, “I’m sorry, I’m late.”

Alinda wiped her tears and said, “I was really scared to death. I thought I would never see you again.”

“Alinda, are you alright? Did they hurt you?”

Yang Luo hurriedly asked.

“I’m fine.”

Alinda shook her head and looked at the other six dumbfounded women, “I told you that my boyfriend would definitely come and save us. Do you believe me now?”

“H-hello.”

The six women nodded blankly and greeted Yang Luo.

Just now, when they saw Yang Luo drenched in blood and rushing in with a sword, they were really frightened.

However, after knowing that Yang Luo was here to save them, they heaved a sigh of relief.

Yang Luo asked curiously, “Alinda, when did I become your boyfriend?”

Alinda snorted, “You took such a huge risk to save me. Isn’t this what a boyfriend would do?

I don’t care. I’m determined to cling to you for the rest of my life. Don’t even think about shaking me off!”

As she spoke, Alinda hugged Yang Luo’s left arm and refused to let go.

After being captured by those Sorcerers and hearing what happened to the six women, she was really frightened and in despair.

Therefore, she had already made up her mind.

As long as she could see Yang Luo alive again, she would definitely be with him and not leave any regrets for herself.

Yang Luo was caught between laughter and tears. This girl even started to act shamelessly.

The six women looked at Alinda enviously.

From yesterday until now, Alinda had been telling them that her boyfriend would definitely save them. They did not believe her at all.

But now, they completely believed it.

This man had really barged into the Zuluma tribe and killed his way here.

“Who are they?”

Yang Luo asked.

Alinda replied, “They’re all pitiful women captured by the Sorcerer Alliance.

It’s just that they’re not as lucky as me. They’ve already been captured for half a month and tortured by that beast, the Sorcerer Emperor.”

Yang Luo tightened his grip on the Dragon Emperor Sword in his hand and said, “Don’t be afraid. I’ll save you.

Don’t stay here. Come with me.”

As he spoke, Yang Luo brought Alinda and the six women out of the room.

On the way downstairs...

Yang Luo asked, "Are there any other women captured in this palace?"

The brown-haired woman replied, "Sir, other than us, there are no other living women.

The other women, after the Sorcerer Emperor was tired of playing them, were killed and made into corpse puppets."

"Beast..."

Yang Luo cursed angrily. The killing intent and roar in his heart grew stronger and stronger, "Don't worry, I'll kill that fellow, the Sorcerer Emperor, to avenge them!"

Along the way, Alinda and the six women saw corpses all over the ground. It was a shocking sight.

Especially the six women, they also knew that this young man in front of them was definitely not an ordinary person.

After a while...

Yang Luo brought Alinda and the six women to the hall on the first floor.

However, when they arrived at the hall on the first floor...

Yang Luo's heart skipped a beat and he narrowed his eyes slightly.

No wonder he could not find the Sorcerer Emperor.

It turned out that he was hiding there.

After walking out of the palace hall, he saw an intense battle in an empty space in front of him.

"Sister Alinda!"

"Miss Alinda!"

Prajna, Xu Ying, and Bujie greeted them.

Alinda's eyes turned red as she said gratefully, "Thank you for saving me. Thank you!"

The other six women were stunned.

Could it be that only four people had barged in and killed so many Sorcerers?

Who were these four people? How could they be so powerful?

"Alinda, step back!"

Yang Luo suddenly said to Alinda and the others.

Alinda and the six women retreated.

Then, Yang Luo stomped on the ground and soared into the sky like an Azure Dragon!

"Sorcerer Emperor, get out here!"

Yang Luo let out an explosive roar. He gripped the Dragon Emperor Sword tightly with both hands and slashed at the palace!

Swoosh!

A huge golden sword instantly tore through the night sky and slashed at the palace with a destructive force!

Rumble!

The seven-story magnificent palace was forcefully split open by Yang Luo's sword!

The palace collapsed completely, turning into countless rocks and dust that swept into the sky!

Even the ground was split open by a sword!

This left behind a scene where everyone stood with their mouths agape!

"This kid is too terrifying. He actually split open a seven-story palace with a single strike!"

"This kid has a death wish for disturbing the Sorcerer Emperor's cultivation!"

“The Sorcerer Emperor will definitely tear him into pieces!”

The remaining wizards all trembled and looked at Yang Luo with fear and anger.

“Oh my god, is this man a god?!”

The six women covered their mouths in fear and looked at Yang Luo as if they were looking at a god.

The moment the ground was split open,

A huge basement appeared.

A huge altar sat within.

And there were hundreds of clay pots on the altar.

Some parts had already been opened, while others had yet to be opened.

In the center of the altar sat a figure. It was Sorcerer Emperor Kanusadi.

However, after a day and night of cultivation...

Kanusadi had already absorbed the energy of 581 souls.

His skinny figure had become much stronger, and the wrinkles on his face had decreased.

A lot of black hair even grew out of his long grayish-white hair.

There were signs of rejuvenation.

However, what made him angry was that at this critical moment, someone actually barged in.

Moreover, his subordinates actually couldn't stop him.

"Lord Sorcerer Emperor, please kill these four fellows!"

"They killed nearly 8,000 of us!"

“This kid with the sword even killed six Sorcerer Kings. He’s also the kid who killed Lord Gudanu previously!”

All the Sorcerers roared.

Yang Luo looked up at Kanusadi and sneered, “You’re the Sorcerer Emperor? You’re only so-so!”

Kanusadi stared at Yang Luo and said fiercely, “Kid, you’re really hateful. You actually dare to kill your way here and disturb my cultivation!

I originally wanted to look for you after my cultivation ended and kill you to avenge Gudanu and the others!

However, since you’ve found your way here, let’s settle the old and new grudges together!”

Alinda said angrily, “Yang Luo, you must kill this old and dark ugly monster!”

“Alright!”

Yang Luo nodded in agreement.

Kanusadi narrowed his eyes at Alinda, "So this kid is your boyfriend?

Very good, I'll let you see how big the gap between this kid and me is!

I will torture this kid to death in front of you!"

Right after he finished his sentence...

With a loud bang!

Kanusadi directly soared into the sky from the altar. Dazzling five-colored light appeared on his body as he charged at Yang Luo!

In the blink of an eye!

He leaped more than a hundred meters and waved the white bone scepter in his hand, smashing it heavily at Yang Luo...

Chapter 1036: Are You Qualified? Are You Worthy?

He struck down with his staff!

A five-colored light that contained extreme yin and evil surged into the sky, dazzling!

Who do you think you are? How dare you say that you want to torture me to death?"

Yang Luo shouted and raised the Dragon Emperor Sword in his hand, slashing forward!

In an instant!

Rumble!

The sword and staff collided, emitting a dull collision sound!

A dazzling light, vast True Qi, and energy intertwined and spread crazily in all directions!

A large number of rocks were instantly shattered!

"Hurry up and retreat!"

Xu Ying, Bujie, and Prajna hurriedly activated their True Qi barriers and enveloped Alinda and the six women. They quickly retreated!

The remaining 2,000 Sorcerers also hurriedly retreated!

Crack! Crack!

The ground under Yang Luo's feet kept cracking!

However, Yang Luo was completely unharmed!

"Get lost!"

Yang Luo's right arm suddenly shook!

A powerful and vast power surged out, directly sending Kanusadi flying!

Kanusadi flew 20 to 30 meters away before stabilizing his body!

Yang Luo sneered and said, “Old thing, didn’t you say that you wanted to torture me to death? What about now?”

All the Sorcerers present looked at the scene in front of them in a daze, their eyes filled with shock!

They originally thought that the Sorcerer Emperor could easily kill Yang Luo!

However, no one expected that not only did Yang Luo withstand the Sorcerer Emperor’s attack, he even sent the Sorcerer Emperor flying!

But how was this possible?

One had to know that the Sorcerer Emperor was an existence comparable to a god in their hearts!

At this moment.

Kanusadi also looked at Yang Luo gloomily. Although his expression did not change, his heart was in turmoil.

This kid was very strong. He could be considered the strongest enemy he had encountered in all these years.

It seemed that it would be very difficult to kill this kid without getting serious.

With this thought in mind...

Kanusadi said coldly, "Kid, I was just testing you just now. Do you really think this is all I have?"

As he spoke, Kanusadi's body trembled!

Ooommmm!

A five-colored beam of light shot into the sky from his body!

The pressure and aura on his body continued to increase, and his combat strength also increased!

Yang Luo said calmly, "Old thing, do you think this is all I have?"

"What do you mean?"

Kanusadi frowned and realized that something was wrong.

Yang Luo did not answer. Instead, his entire body shook in response!

Ooommmm!

A dazzling golden beam of light shot into the sky from his body!

A golden dragon phantom also coiled around his body!

His pressure, aura, and combat strength had also increased exponentially!

“Could it be that this kid didn’t get serious when he killed the six Sorcerer Kings?!”

A Sorcerer could not help but exclaim.

The other Sorcerers were also stunned, and their bodies began to tremble.

Only then did they realize how terrifying this young man in front of them was.

Kanusadi's brows were also twitching, and he was quite shocked.

After activating his strongest combat strength...

Yang Luo moved and charged toward Kanusadi!

Kanusadi roared angrily, "Young brat, I will definitely kill you!"

As he spoke, he waved the white bone scepter in his hand!

"Thunder Flood Dragon!"

"Flame Tornado!"

"Ice Wave Sky Overflow!"

In an instant!

One Thunder Dragon after another roared and shot forward!

Flame tornadoes crushed over!

Waves of ice surged over!

However, Yang Luo did not dodge or retreat. He charged forward and suddenly waved the Dragon Emperor Sword in his hand, slashing out angrily!

Boom! Boom! Boom!

The roaring Thunder Flood Dragon, the fire tornado that crushed over, and the huge ice wave that swept over were all destroyed!

True Qi, sword Qi, lightning, flames, and ice shot out in all directions!

However, no matter how ferocious Kanusadi's attacks were, he could not stop Yang Luo!

Yang Luo continued to charge over!

Kanusadi had no choice but to wave the scepter in his hand again!

“Great Rock Shield!”

Rumble rumble rumble!

A large number of rocks gathered and condensed into a huge rock shield that was like a city wall, blocking in front!

“Cut!!”

Yang Luo only roared and slashed with all his might!

There was a loud bang!

The entire rock shield was directly split into two and collapsed!

After this sword cut through the huge rock shield, it continued to slash at Kanusadi!

Kanusadi was shocked and quickly dodged!

Bang!

Another ravine was split open in the ground. It was terrifying!

After dodging Yang Luo's sword...

Kanusadi waved the bone scepter in his hand in retaliation!

"Thunder Shackles!"

"Wrath of the Undead!"

One chain after another, wreathed in lightning, whistled over!

Countless undead bared their fangs and brandished their claws as they pounced over!

Yang Luo waved his sword continuously and cut off the lightning chains that whistled over, killing the undead that pounced over!

Meanwhile, Kanusadi chanted an incantation and waved the bone scepter in his hand!

“Blood Shaman Curse: Imprisonment!”

A dazzling blood-colored light shot out and instantly enveloped Yang Luo!

Yang Luo immediately felt as if his body had fallen into a swamp and he could not move!

“Oh no, Yang Luo can’t move!”

Alinda screamed in fear.

The six women were also trembling in fear.

Whether they could escape from this hell today depended on this man.

If something happened to this man, they would be finished.

Bujie waved his hand and said, “Miss Alinda, don’t worry. Brother Yang can’t be controlled by such a small trick.”

After restraining Yang Luo...

Kanusadi simultaneously used the four major sorcery methods of lightning, fire, ice, and earth. The combined sorcery attacked Yang Luo all at once!

The four attacks seemed to have transformed into four beams of light that shot towards Yang Luo!

However, the moment the four beams of light shot over!

Yang Luo raised his left hand and placed his index and middle fingers together. He chanted the “Spell Break Incantation” and shouted!

“Release!”

In an instant!

Kanusadi’s curse was broken!

Yang Luo raised the sword in his hand again and slashed forward with all his might!

Rumble!

The four beams of light that shot over were all destroyed!

Kanusadi was dumbfounded upon seeing this!

He did not expect Yang Luo to break his curse technique so quickly!

Before he could react, Yang Luo's sword had already slashed over!

He was shocked and hurriedly raised the bone scepter in his hand to block!

Tang!

Yang Luo's sword struck his white bone scepter heavily, emitting a crisp sound of impact!

All kinds of energy and light also shot out from the point of collision!

In less than a few seconds!

Crack crack crack!

The scepter in Kanusadi's hand was directly broken!

"What?!"

He was shocked and quickly dodged to the side.

However, he was still a step too late!

Psh!

This sword forcefully severed his right arm, causing blood to spray out!

"Arghhhh!"

Kanusadi screamed and quickly retreated to a safe area.

He frowned in pain and looked at Yang Luo with a ferocious expression.

The sorcerers watching the battle from afar were also dumbfounded.

This kid actually severed one of the Sorcerer Emperor's arms with a single strike?!

Wasn't this too insanely strong?!

"Well done!"

Bujie waved his fist excitedly.

Xu Ying, Prajna, and Alinda were also excited.

Yang Luo looked up at Kanusadi and said mockingly, "A person like you dares to be an emperor?"

Do you think you can be on equal footing with the Holy Light Pope, the Hell Fiend Emperor, and the Heavenly God Emperor?

Are you qualified? Are you worthy?"

## Chapter 1037: Blood Shaman Forbidden Technique!

Before seeing Kanusadi, Yang Luo was still guessing that since this guy dared to call himself an emperor, he had to be very strong.

Therefore, he was really worried that this guy's strength was comparable to the Holy Light Pope and the others, so he had always been vigilant.

However, after the battle just now, he realized that his worries were unnecessary.

This guy's strength was far inferior to the Holy Light Pope and the others.

But that was true.

If this guy was really so powerful, the Sorcerer Alliance would have long become a top organization in the Dark World.

Kanusadi was so furious that he roared angrily, "Young brat, I'll fight you to the death!"

With this roar!

The five-colored light flickering on his body became even more dazzling and his aura continued to increase!

Then, he chanted an incantation and roared!

“Corpse Control!”

“Corpse puppet army, come out!”

As the incantation sounded!

Rumble rumble rumble!

The ground began to tremble violently!

The ground behind the palace kept cracking!

Corpse puppets broke out of the ground and rushed out!

The number of Corpse Puppets exceeded ten thousand!

Among these corpse puppets, there were women of all colors, ordinary people from Zuluma, and most of them were warriors sent by the Afro Domain countries to surround and kill the Sorcerer Alliance!

These tens of thousands of corpse puppets were like zombies as they charged towards Yang Luo and the others!

“F\*ck me!”

Bujie could not help but exclaim as the corners of his mouth twitched, “This old fellow actually refined more than ten thousand corpse puppets?!”

He’s even worse than a beast!”

Looking on as more than 10,000 Corpse Puppets charged over,

Yang Luo’s expression darkened as he shouted, “Xu Ying, Bujie, prepare to fight!

Prajna, protect Alinda and the others!”

“Yes!”

Xu Ying, Bujie, and Prajna replied in unison.

Then, Xu Ying and Bujie charged towards those corpse puppets!

Meanwhile, Yang Luo charged straight at Kanusadi!

“Attack together and kill them!”

“Help the Sorcerer Emperor kill these guys!”

The remaining 2,000-odd Sorcerers also moved and attacked Yang Luo and the others!

Yang Luo held the sword in his right hand and kept swinging it. At the same time, he clenched his left hand into a fist and kept punching!

He killed the Sorcerers who were rushing over and blew up the corpse puppets that were charging over!

On the way to Kanusadi!

Yang Luo also kept chanting incantations to try to remove the Corpse Controlling Technique!

However, Kanusadi was also chanting incantations continuously to resist Yang Luo!

If it was just Kanusadi alone, he naturally could not compare to Yang Luo in terms of spells!

However, those Sorcerers also chanted incantations with Kanusadi and also used their own incantations of the Corpse Controlling Technique to resist Yang Luo!

No matter how powerful Yang Luo's spell was, it was still a little difficult to fight so many Sorcerers at the same time!

However, Yang Luo suddenly thought of the Sacred Artifact he had snatched from the three Guardian Angels not long ago. Perhaps it could counter this evil sorcery!

At the thought of this, Yang Luo suddenly waved his hand and shouted!

"Holy Light Shackles!"

"Holy Light Fire Wheel!"

“Underworld Sacred Tablet!”

A reddish-gold chain, a wheel of light burning with gray-gold flames, and a platinum tombstone flew out of his storage ring at the same time!

The Underworld Sacred Tablet floated above the Corpse Puppets and emitted a dazzling platinum light!

Many Corpse Puppets immediately stopped!

The holy light shackles continued to extend, firmly locking the corpse puppets one after another, preventing them from moving!

The Holy Light Fire Wheel burned with raging flames and attacked the Sorcerers!

“What’s that tombstone? It can actually counter our Corpse Controlling Technique?!”

“And what is that chain and that fire wheel? How can they be so powerful?!”

The Magi were scared silly and fled frantically to avoid the flames.

Upon seeing this, Bujie, who was fighting against the Corpse Puppet, laughed happily and said, "I didn't expect the Sacred Artifacts from those Guardian Angels to be useful here!"

Kanusadi was also furious. He said fiercely, "Young brat, you actually have so many treasures in your hands!

Very good, after I kill you, all the treasures in your hands will be mine!

I'm going to kill you, for sure!"

As he spoke, he continued to chant an incantation and let out a roar!

"Blood Shaman Forbidden Technique, Bloodthirst!"

As the incantation sounded!

Peng, peng, peng!

Many people from the Zuluma Tribe who were hiding in the distance to watch the battle immediately exploded into pools of blood mist!

“Ah...!”

“What’s going on?!”

“Run! Run!”

“We’re the citizens of the Sorcerer Emperor. Why does he want to kill us?!”

The people of the Zuluma tribe cried out in fear and fled into the distance!

However, no matter where they fled to, their bodies exploded uncontrollably and turned into pools of blood mist that soared into the sky!

The blood mist gathered from all directions and continuously surged into Kanusadi’s body!

Kanusadi’s eyes turned scarlet!

His body began to expand, and his grayish-white hair kept turning black. His face also began to become younger!

This was a forbidden technique he had master. It could devour people's blood essence for him to temporarily increase his strength!

However, this forbidden technique had a huge side effect. Once the power dissipated, the person who used this forbidden technique would become even weaker and older!

Those who could not withstand the side effects would directly die!

However, in order to kill Yang Luo, Kanusadi could not care less. He planned to go all out!

At this moment, Kanusadi's body had already grown to more than five meters, and the muscles on his body bulged like a small mountain!

"Holy sh\*t, this old fellow has actually become a Devil Muscle Man?"

Bujie's eyes widened as he muttered, "I wonder if Little Meng can contend with this guy!"

But right at this moment...

Bang! Bang! Bang! Bang!

Boom! Boom! Boom!

Dense bullets and cannonballs shot over from afar, shooting at Kanusadi!

Rumble!

These bullets and shells bombarded Kanusadi's body, but they failed to injure him!

Kanusadi stopped sucking blood essence and turned to look into the distance angrily!

Yang Luo and the others also turned to look!

What greeted them was the sight of rover after rover driving over from afar!

Tens of thousands of black soldiers ran over with guns!

Soon, the rover, off-road vehicles, and warriors stopped not far away!

“Who are you?”

Yang Luo asked in confusion.

At this moment, four burly black men who were more than 1.9 meters tall walked over.

One of the black men said respectfully, “Mr. Yang, we were sent by Mr. Albas and Mr. Palga to help you!

I’m the chief captain of Country Golden Tower’s Cheetah Team, Kazakh!”

“I’m Maldo, the chief captain of Country Rainbow’s Black Rhino Team!”

“I’m the chief captain of the Vulture Team of Country Highlands, Salah!”

“I’m the chief captain of the Country Desert’s Lion Team, Muntas!”

The other three black burly men also spoke respectfully.

After the four of them finished speaking, they even saluted Yang Luo.

Just now, after they entered the Zuluma tribe, they were already prepared to fight a fierce battle.

However, they did not expect the corpses of thousands of Sorcerers to be everywhere along the way.

When they arrived, they realized that only Yang Luo, Xu Ying, Bujie, and Prajna were fighting the entire Sorcerer Alliance.

The revelation left them all shocked.

Four people dared to barge in here and kill so many Sorcerers. It was simply terrifying.

Especially when they saw Yang Luo severely injure Kanusadi and cut off his arm, they were all speechless.

All that was left was had endless reverence and admiration for Yang Luo.

Chapter 1038: The Destruction of the Sorcerer Alliance!

“How much do Albas and Palga not trust me?”

Yang Luo shook his head and said, "It's unrealistic to kill Kanusadi with ordinary firearms.

You guys deal with the others. Leave this guy to me."

"Yes!"

Kazakh, Maldo, Salah, and Muntas responded.

Then, the four of them led more than 10,000 warriors to attack the Sorcerers and Corpse Puppets.

Kanusadi said ruthlessly, "Do you think you can kill me? Dream on!"

As he spoke, he continued to use the Bloodthirst Technique, wanting to absorb more blood essence for his own use!

However, Yang Luo did not give him another chance. Instead, he moved and charged at Kanusadi!

He saw Yang Luo charging over!

Kanusadi could only stop absorbing blood essence. He swung his thick legs, stepped on the ground, and ran towards Yang Luo!

In an instant!

The two of them closed the distance!

Yang Luo suddenly slashed at Kanusadi!

Kanusadi, on the other hand, clenched his millstone-sized left fist and punched out wildly!

The moment he threw a punch!

Lightning Shaman Energy, Fire Shaman Energy, Ice Shaman Energy, Earth Shaman Energy, and Blood Shaman Energy were mobilized by him at the same time!

Rumble!

The sword and fist collided with an earth-shattering sound!

The entire world shook!

Sword Qi and various energies erupted and washed in all directions!

The Sorcerers and Corpse Puppets not far away were all sent flying!

Many Sorcerers and Corpse Puppets exploded into bloody foam on the spot!

After this violent collision!

Kanusadi and Yang Luo were knocked back at the same time!

Yang Luo was sent flying more than ten meters before stabilizing his body!

But Kanusadi was forced back more than 20 meters before he could stabilize his body!

Furthermore, Kanusadi's left arm had a deep wound!

"How is this possible?!"

Kanusadi looked at Yang Luo in shock, "I've already absorbed the blood essence of hundreds of people. My body is already invulnerable. How can I still be injured by you?!"

"Invulnerable?"

Yang Luo sneered, "Do you think your body is invulnerable?"

"Ahhh! I don't believe I can't kill you!"

Kanusadi roared angrily and charged at Yang Luo again!

Crack! Crack!

The ground cracked and collapsed under the impact from his feet!

Yang Luo did not stop at all. He charged forward with his sword!

In the next few minutes!

Yang Luo and Kanusadi engaged in an intense battle!

The two of them began the most primitive type of battle!

Yang Luo kept waving his sword, and Kanusadi kept emphasizing his fist techniques!

Neither of them used any fancy moves. They were just venting their strength!

Dang, dang, dang!

Boom! Boom! Boom!

Earth-shattering collisions and explosions resounded continuously!

Energy surged out like a tsunami, illuminating the night sky!

They fought for about ten minutes!

Finally, accompanied by a rumbling explosion!

The two of them were sent flying again!

There were deep wounds all over Kanusadi's body, and blood flowed out of his mouth!

Although Yang Luo had also suffered many punches, they were mostly superficial wounds and was not seriously injured at all!

"Why?! Why?!"

Why can't I kill you?!"

Kanusadi was furious. He felt an unprecedented sense of defeat and humiliation.

"Want to know why?"

Yang Luo looked at Kanusadi coldly and said domineeringly, "There's only one reason!

That is, I'm stronger than you!"

Kanusadi also knew that it would be very difficult to kill Yang Luo with his current strength,

Therefore, he had to continue absorbing blood essence!

Therefore, he began to prepare to suck blood essence again!

“You still want to suck blood?”

“Seeking death!”

Yang Luo roared and charged at Kanusadi again!

Kanusadi was extremely furious. He could only stop sucking blood essence again and instantly mobilize all the energy in his body!

Then, his body trembled and he let out furious roars!

“Thunder Sorcerer Emperor!”

“Fire Sorcerer Emperor!”

“Ice Sorcerer Emperor!”

“Earth Sorcerer Emperor!”

“Blood Sorcerer Emperor!”

At that very moment...

A lightning giant, a fire giant, an ice giant, a stone giant, and a blood giant appeared magically in front of everyone. Each of them was more than 30 meters tall!

“Kill!”

Kanusadi waved his left hand and let out a roar!

The five giants charged at Yang Luo at the same time!

“Old thing, I’ll let you see what the real Sorcerer Emperor and Ancestor Sorcerer are!”

Yang Luo shouted loudly and his entire body trembled!

“Primal Heavenly Art!”

“Gonggong moves the river!”

“Zhurong Fire Shower!”

“Qiangliang Breaking the Heavens!”

In an instant!

The three ancient totems condensed and turned into three even larger giants that crashed into the five giants that Kanusadi had condensed!

“My God, is this a battle between gods?!”

“Who exactly is Mr. Yang? He’s actually so powerful?!”

Kazakh, Maldo, and the others exclaimed.

They saw Gonggong, Zhurong, and Qiangliang appearing out of the blue....

Kanusadi was dumbfounded!

Some Sorcerers in the distance were also stunned!

They could feel the power of the “sorcerer” spreading from Gonggong, Zhurong, and Qiangliang!

However, this power was purer, older, and stronger than the power of the “wizard” in their bodies!

In an instant!

Boom! Boom!

Gonggong, Zhurong, and Qiang Liang collided heavily with the five giants. It was like a thunderclap that shook the world and the surroundings!

It was as if the entire Zuluma Tribe was trembling!

In less than a few seconds...

Rumble!

The five giants that Kanusadi had condensed collapsed and exploded, turning into energy that surged out in all directions!

After Gonggong, Zhurong, and Qiang Liang destroyed the five giants, they continued to crash into Kanusadi!

Kanusadi wanted to escape, but it was too late!

“Pfft...”

He spat out a mouthful of blood and was sent flying!

His body returned to its original appearance and he was even thinner and older than before!

Yang Luo, on the other hand, sprinted forward!

The moment he approached Kanusadi!

He stomped on the ground and flew into the sky!

“Die!!!”

He let out a furious roar and gripped the Dragon Emperor Sword tightly with both hands, slashing down ruthlessly at Kanusadi who was in midair!

“No... No... No!!!”

Kanusadi let out a shrill scream.

The next second!

A huge golden sword arc slashed down from head to toe!

Bang!

The entire ground shook, and a gully more than 200 meters long was split open!

When Yang Luo retracted his sword and landed on the ground!

Boom boom boom...

Kanusadi's body was split into two, and both halves fell heavily to the ground!

At this point!

Kanusadi, the Sorcerer Emperor who had done all kinds of bad things in the Afro Domain, had fallen just like that!

"The Sorcerer Emperor is dead... The Sorcerer Emperor is dead!"

"This kid is a god... How can a mortal defeat a god!"

"Run... Run!"

The remaining thousand plus Sorcerers shouted in horror and turned around to run!

“Fire!”

Kazakh waved his hand and was about to give the order to fire.

However, before those soldiers could open fire!

However, Yang Luo swung his sword again!

Whoosh! Whoosh! Whoosh! Whoosh!

Countless golden flying swords shot out, instantly turning the fleeing Sorcerers into sieves and causing them to fall heavily to the ground!

At this moment...

Even the Sorcerer Emperor Kanusadi and more than ten thousand other Sorcerers were all killed!

The entire Sorcerer Alliance was completely destroyed!

## Chapter 1039: Souls, Return!

In an instant...

The entire event location fell into dead silence.

Everyone looked at Yang Luo in a daze, as if they were looking at a god.

There was a long silence in the entire area.

Finally, the crowd went wild!

“Kanusadi is finally destroyed. The Sorcerer Alliance is finally destroyed. That’s great!”

“The biggest tumor in our Afro Domain has finally been removed!”

“It’s all thanks to Mr. Yang. If not for him, we wouldn’t have been able to kill Kanusadi at all, let alone destroy the Sorcerer Alliance!”

All the warriors present were extremely excited. They looked at Yang Luo with fanatical admiration.

“We can finally leave this hell, we can finally leave!”

“It’s this gentleman who saved us!”

“Wuwuwu...”

The six women hugged each other and began to cry.

Kazakh, Maldo, Salah, and Muntas all walked over and bowed deeply to Yang Luo.

“Thank you, Mr. Yang, for helping us eliminate the Sorcerer Alliance and removing this cancer for our Afro Domain!”

“Thank you, Mr. Yang. Thank you!”

All the soldiers and the six women present also bowed deeply to Yang Luo.

Alinda looked at Yang Luo affectionately, her heart beating wildly.

She knew that she had fallen deeply in love with this man.

Xu Ying, Bujie, and Prajna also smiled.

Yang Luo raised his hand and said, "Everyone, there's no need to thank me.

The Sorcerer Alliance has a grudge against me to begin with. Even if it wasn't for you, I would have destroyed them."

With that said, Yang Luo walked towards the ruins where the palace was and jumped onto the altar.

Then, he waved his right hand!

The lids of hundreds of clay pots were all opened!

He chanted an incantation and used the Soul Return Technique!

In an instant!

All the souls imprisoned in the clay pot floated out and flew in all directions!

“What is Mr. Yang doing?”

Kazakh asked curiously.

Bujie said, “During this period of time, didn’t many people in your countries suddenly fall into a coma?”

The reason why those people fainted was because their souls had been stripped away by the people of the Sorcerer Alliance, so that Kanusadi could cultivate evil techniques.

Brother Yang is currently using the Soul Return Technique to allow these souls to return to those people’s bodies.

As long as their souls return, those people will wake up.”

“I see.”

Kazakh said in admiration, “Mr. Yang is really amazing. He actually knows such a magical method.”

Maldo, Salah, and Muntas were also filled with admiration.

Time continued to flow.

More than half an hour passed.

When all the souls flew away, Yang Luo jumped out of the altar.

Kazakh quickly asked, "Mr. Yang, have all these souls returned to the bodies of those patients?"

Yang Luo said, "Most of them have returned, but a small portion of their souls have already been refined by Kanusadi and can't return."

Kazakh sighed and said, "Mr. Yang, you've done enough for us. We can't thank you enough!"

Yang Luo nodded and said, "I'll leave the six women to you to settle down. I'll also leave the funeral matters here to you.

We'll take our leave first."

“Alright, Mr. Yang!”

Kazakh nodded and said, “Mr. Yang, I’ll get someone to send you out!”

“Sure.”

Yang Luo nodded in agreement.

Then, Yang Luo and the others got into a seven-seater SUV.

The driver asked respectfully, “Mr. Yang, where are you going?”

Yang Luo said, “To the airport.”

“Alright.”

The warrior nodded and drove away from the Zuluma tribe with Yang Luo, Xu Ying, Bujie, Prajna, and Alinda.

When the car left the Zuluma tribe,

A call was made to Yang Luo's phone.

Yang Luo took out his phone and looked at it. Seeing that it was Albas, he picked up the call.

As soon as the call went through...

Albas's voice sounded.

"Mr. Yang, the various hospitals called just now to say that those unconscious people have woken up!

Moreover, Kazakh also told me just now that you killed 'Sorcerer Emperor' Kanusadi and destroyed the Sorcerer Alliance!

I really didn't expect that not only are your medical skills extraordinary, but your strength is also so powerful!"

As he spoke, Albas continued, "By the way, Mr. Yang, a hospital asked me why some people haven't woken up yet?"

Yang Luo said, "A portion of the souls have already been refined by Kanusadi."

"I see."

Albas let out a long sigh and said angrily, "This Sorcerer Alliance is too hateful. I don't know how many people they have harmed over the years."

Fortunately, you've destroyed the Sorcerer Alliance for us now. All the people in the Afro Domain will be grateful for your kindness."

You are the hero of our entire Afro Domain."

Yang Luo shook his head and said, "What hero? The reason why I destroyed the Sorcerer Alliance was because this organization provoked me and even captured Alinda."

"No matter what, you're the benefactor of our entire non-region."

Albas sighed again before asking, "When are you returning to Thousand Towers City?"

Yang Luo said, "I'm on my way to the airport now. I should be able to reach Thousand Tower City's airport tomorrow afternoon."

Albas said, "Alright, we'll pick you up then!"

After chatting for a while, Yang Luo hung up.

After hanging up the phone...

Yang Luo glanced at Alinda, who was hugging his arm, and curled his lips, "Alinda, can't you let go?"

"Hmph, I won't let go. I want to hug you!"

Alinda snorted softly. Not only did she not let go, but she hugged him even tighter.

Bujie shook his head and said, "It's over. Goddess Alinda has also fallen."

"I'm happy to!"

Alinda smiled and the corners of her mouth curled up.

The car drove for a few hours in that happy mood.

It was not until four in the morning that Yang Luo and the others arrived at the airport and boarded a plane to Country Golden Tower...

...

The next day, at around five in the afternoon.

Thousand Towers City Airport.

In the departure hall.

A group of people were waiting in the hall.

Apart from Albas, Flora, Palga, and Smith...

There were also four black middle-aged men with outstanding temperaments standing there.

Meanwhile, a group of burly and tall bodyguards in black stood far away from Albas and the others.

The passengers in the airport lobby pointed at Albas and the others when they saw them.

“Eh, aren’t those the Spiritual Doctor Sect’s Sect Master, Mr. Albas, and Vice Sect Master, Miss Flora?”

“Those two seem to be the sect master of the Black Medicine Sect, Palga, and the vice president of the Euro Domain’s Western Medical Association, Mr. Smith!”

“Aren’t the four people in charge of Country Golden Tower, Country Rainbow, Country Highland, and Country Desert?!”

“Oh my god, so many big shots are actually here at the same time. Who are they picking up?!”

“I’m afraid the person is definitely a powerful figure!”

The passengers started discussing in shock.

After waiting for about 20 minutes...

When everyone saw Yang Luo and the others walk out of the exit,

“Mr. Yang is back!”

Albas shouted excitedly and hurriedly went forward.

Flora and the others also hurriedly went forward.

Chapter 1040: A Rich Family!

For a moment...

The passengers at the airport all looked at Yang Luo and the others.

“Could it be that the person Mr. Albas wanted to pick up were these five young people?”

“That beautiful Caucasian woman seems to be the president of the Western Medical Association in the Euro Domain, Alinda. As for the other four young people, I don’t know them.”

“Those four young people must have a powerful background. Otherwise, why would so many big shots come to pick them up at the same time?”

Everyone discussed spiritedly. Some people felt that Yang Luo looked a little familiar.

“Thank you, Mr. Yang, for destroying the Sorcerer Alliance for us. We are endlessly grateful!”

Albas and the others bowed to Yang Luo.

This scene stunned everyone at the airport again.

“There’s no need to be so polite, everyone.”

Yang Luo raised his hand and looked at the four middle-aged black men, “May I ask who these four are?”

Albas introduced, “These four are the highest-ranking people in charge of Country Golden Tower, Country Rainbow, Country Highland, and Country Desert, Mr. Potak, Mr. Trundi, Mr. Yelloise, and Mr. Geddes.

The four of you would like to thank you for your kindness.”

“Hello, Mr. Yang!”

Potak, Trundi, Yelloise, and Geddes all shook hands with Yang Luo.

Albas said, "Mr. Yang, we've already booked a restaurant. Let's go over now."

"Sure."

Yang Luo nodded in reply.

Then, Yang Luo and the others left the airport and arrived at the most high-end cafeteria in Qianta City.

In a private room.

Yang Luo and the others drank and chatted. The atmosphere was very happy.

Halfway through the meal...

Potak smiled and said, "Mr. Yang, we don't know how to thank you, so we prepared a gift for you. I hope you won't reject it."

"A gift?"

Yang Luo looked puzzled, “What gift?”

Potak, Trundi, Yelloise, and Geddes only smiled mysteriously before shouting outside, “Come in!”

Soon, the door of the private room was pushed open.

A few bodyguards in black walked in with password boxes.

Then, the four bodyguards in black placed the four password boxes on the table and opened them.

And the moment the password box was opened!

Xu Ying, Bujie, Prajna, and Alinda were stunned!

Even Yang Luo was dumbfounded!

He saw that three of the password boxes were filled with diamonds. There were hundreds of them, and each of them was no less than a carat!

The fourth box contained more than ten exquisite diamond jewelry. Every piece of jewelry was filled with diamonds!

“Oh my god, so many diamonds?!”

“Aren’t these diamond jewelry too beautiful?!”

Prajna and Alinda could not help but exclaim.

It was said that all women liked diamonds, and they were naturally no exception.

Although he had long known that the Afro Domain had the most diamond mines in the world...

Yang Luo he did not expect Potak and the others to give him a few boxes of diamonds.

Yang Luo said, “The four of you, this gift of yours is too heavy. I can’t accept it.”

Potak shook his head repeatedly and said, “No, no, no, Mr. Yang. This is just part of the gift.”

“There’s still more?”

Yang Luo asked in confusion.

Then, four more bodyguards brought over another four password boxes and opened them.

Yang Luo originally thought that it was diamonds again, but what was in these four password boxes were not diamonds, but four contracts.

“Gentlemen, what is this?”

Yang Luo asked.

Potak took out the contract and said, “Mr. Yang, these are the transfer contracts for the two diamond mines and two gold mines that the four of us have prepared for you.

As long as you sign it, these two diamond mines and gold mines will be yours.”

“F\*ck me!”

Bujie's brows twitched and the corners of his mouth twitched, "Are you all so generous? Not only did you give him diamonds, but you also gave him diamond and gold mines?!"

Potak said helplessly, "We don't know what to give Mr. Yang either.

But it just so happens that we have the most diamond and gold mines in the Afro Domain, so we can only think of giving these."

Yang Luo shook his head and said, "Mr. Potak, your gift is too expensive. I can't accept it."

Potak hurriedly said, "Mr. Yang, you helped our Afro Domain get rid of the cancerous Sorcerer Alliance and saved thousands of lives.

We should give you these gifts. I hope you won't refuse."

Trundi also said, "That's right, Mr. Yang. Your medical skills are extraordinary and you're powerful. We all want to be friends with you."

Seeing that Yang Luo was still hesitating...

Albas helped say, "Mr. Yang, please accept it. This is a token of appreciation from Mr. Potak and the others.

Moreover, if our Afro Domain encounters any trouble in the future, we will have to trouble Mr. Yang to help.”

Potak, Trundi, Yelloise, and Geddes nodded repeatedly.

Yang Luo’s extraordinary medical skills and powerful strength completely convinced them.

To be able to become friends with Yang Luo, they felt that it was not too much to give him such a heavy gift.

Yang Luo thought for a moment and said, “I can accept these boxes of diamonds, but it’s useless even if I accept these two diamond mines and two gold mines.

After all, I won’t be here often.”

Potak chuckled and said, “Mr. Yang, don’t worry about that. We’ll send someone to take care of these two diamond mines and gold mines for you.

We will transfer all the money we earn to your account, except for the cost of manpower.

Of course, if you want to do the diamond and gold business, these two diamond mines and gold mines will be your best channels.”

“Alright, I’ll accept it.”

Yang Luo did not refuse anymore. He picked up the pen and signed the four contracts.

Seeing Yang Luo sign the contract without any more fuss,

Potak, Trundi, Yelloise, and Geddes all smiled.

This meant that Yang Luo was willing to be friends with them.

After signing....

Yang Luo said to Alinda and Prajna, “Alinda, Prajna, if you like these diamond jewelry, feel free to choose.

Also, you can choose any of these diamonds.”

Alinda said, "Forget about diamonds. As for jewelry, I can choose one."

Prajna also said, "Then I'll choose a diamond jewelry too."

Then, the two women each chose a diamond necklace.

Bujie teased, "Brother Yang, you really can be considered rich now."

You have a jade mine in Country Noodle, and now you have a diamond mine and a gold mine here.

"If you tell others about your assets, you'll definitely be on the Forbes list."

"Hahaha..."

Everyone laughed.

After dinner...

Potak and the other three greeted Yang Luo and the others before leaving the restaurant.

Albas and the others sent Yang Luo and the others to the Hilton Hotel.

After they got out of the car.

Albas said, "Mr. Yang, if you're not in a hurry to leave,

In the next few days, Flora, Palga, and I will bring you to Country Golden Tower to have fun for a few days. How about that?"

"Okay, okay!"

Alinda nodded repeatedly, "Although I've been to Country Golden Tower before, I've never seen the pyramid. I want to see it tomorrow!"

"I want to see the pyramids too!"

Prajna also raised her hand.

Seeing that the two women were so interested, Yang Luo nodded and said, "Alright, Mr. Albas. I'll have to trouble you then."

“It’s no trouble at all!”

Albas chuckled and waved his hand.

They chatted for a while more on other matters before they parted.

Albas, Flora, and Palga left in a car.

Smith went to his room in the hotel.

Yang Luo came to the front desk and said to the lady at the front desk, “Please get us four luxury suites.”

Alinda said to the front desk lady, “There’s no need. Just open three rooms!”

“Why only three rooms?”

Yang Luo revealed a weird expression.

Alinda raised her eyebrows and smiled, "Because I've already booked a room here. You'll sleep in the same room as me for the next few days."

"Ah?"

Yang Luo was stunned.

What did this girl mean?

Alinda smiled and said, "It's decided then!"

After that, Yang Luo really could not dissuade Alinda, so he only booked three rooms in the end.
