Chapter 1061: This Is Absolute Suppression!

“Oh my god, Brother Yang actually sent the Dark Mad God flying with a single strike?!”

Leng Qianqian immediately exclaimed.

Gustaf said in a daze, “It’s been a while since we last met. Brother Yang seems to have become stronger!”

“Good, good job, Mr. Yang!”

Dark Mad God was very arrogant just now. Now that Mr. Yang is here, let’s see how this guy can still be arrogant!”

“I knew Mr. Yang was not an ordinary person!”

The leaders and subordinates of Violet, the God Slaying Temple, and the other organizations were also extremely excited. They raised their arms and shouted.

“Hahaha, as expected of my brother. He’s indeed powerful!”

Evil Butcher laughed heartily.

Xiao Ziyun looked at Yang Luo in a daze, her eyes filled with admiration and gratification. She muttered in her heart, "Little Luo, it seems that you have really grown up..."

As for the people from the Dark Shrine and the other large organizations, they were dumbfounded.

"How could this be? Could it be that Lord Mad God is not this kid's match?!"

"Impossible, this is absolutely impossible. Lord Mad God must have underestimated his enemy!"

"That's right, he must have underestimated his enemy!"

The people from the Dark Shrine and other large organizations also exclaimed. They did not believe that Yang Luo was the Dark Mad God's match at all.

"Kid, you have some strength. Looks like it's a little difficult to kill you without getting serious!"

The Dark Mad God said coldly. Then, he unleashed his aura and combat strength before charging at Yang Luo again!

Clang, clang, clang!

With every step he took, cracks would appear on the steel deck. It was extremely terrifying!

Seeing the Dark Mad God charging over!

Yang Luo remained where he was, neither dodging nor retreating, his expression calm!

And the moment he approached Yang Luo...

The Dark Mad God gripped his saw-toothed saber tightly with both hands and slashed at Yang Luo crazily!

“Dark Blade!”

Swoosh! Swoosh! Swoosh!

The black blades that filled the sky slashed at Yang Luo, as if they wanted to cut Yang Luo into pieces!

Chi! Chi! Chi! Chi!

A large area of the steel deck was torn apart, causing sparks to fly!

“Too weak...”

Yang Luo only spat out three words indifferently. Then, he flipped his right hand and faced the attack with his sword again!

Rumble!

Accompanied by a series of shocking explosions!

This sword directly broke through all the black blades and shook off the saw-toothed saber in the Dark Mad God's hand!

“Ah...!”

The Dark Mad God let out a miserable cry and was sent flying again. With a bang, he fell more than 20 meters away!

A large area of the steel deck was dented and cracked!

Meanwhile, a 30 centimeters long wound appeared on the Dark Mad God's chest, and blood flowed out uncontrollably!

Everyone present was shocked again!

In their first exchange, the Dark Mad God might have underestimated his opponent!

However, in the second exchange, was he still underestimating his enemy?

"Mr. Yang is too awesome and domineering!"

"It seems that this Dark Mad God is only so-so. He's nothing in front of Mr. Yang!"

"Mr. Yang, let's kill this guy in one go!"

Violet, the God Slaying Temple, and the other large organizations were overjoyed and cheered.

Xiao Ziyun, Leng Qianqian, and the others also heaved a sigh of relief.

“Lord Mad God, quickly stand up and kill this kid!”

“Lord Mad God, show your true ability!”

“Don’t let this kid be too arrogant!”

The people from the Dark Shrine and the other large organizations still did not believe that the Dark Mad God would lose to Yang Luo and kept shouting.

Meanwhile, the Dark Mad God crawled up with difficulty as he looked at Yang Luo with fear.

He originally thought that he could kill Yang Luo if he went all out.

However, he did not expect that he could not even suppress Yang Luo, let alone kill him.

One had to know that Yang Luo had been standing at the same spot from the beginning to the end. He had not even been able to force Yang Luo back a single step!

Was this kid actually so strong?

Why weren't the Lords here yet?

The Dark Mad God became even more anxious.

"Are you done?"

Seeing that the Dark Mad God did not move, Yang Luo asked calmly.

"If it's over, it'll be my turn."

Yang Luo spoke again.

Before his voice could fade...

Yang Luo stepped out directly!

Tang!

The entire battleship shook again!

In the next second...

Yang Luo's figure disappeared from the spot!

When Yang Luo appeared again, he had already crossed 20 to 30 meters and had closed in towards the Dark Mad God!

When he approached the Dark Mad God,

Yang Luo's cold voice sounded.

"To think that I was looking forward to it. I didn't expect you to only have this much strength.

Next, I will return the damage you caused to Third Senior Sister and Brother Butcher to you tenfold or a hundredfold.

"You have to hold on. Don't die too early. Otherwise, it will be meaningless..."

“Young brat, don’t be arrogant. I’ll definitely kill you, kill you!”

The fear and anger in the Dark Mad God’s heart surged at the same time. He gripped the saw-toothed saber tightly with both hands and slashed at Yang Luo!

Everyone only heard a loud bang!

A long crack appeared on the deck!

However, Yang Luo’s figure had disappeared!

“You want to kill me with this little strength?”

A voice akin to the whispers of the devil suddenly sounded behind him!

Before the Dark Mad God could turn around!

Yang Luo slashed out!

“ARGH!”

The Dark Mad God let out a blood-curdling scream as a bone-deep wound appeared on his back!

However, this strike was just right. It was not too light or too heavy and did not pose any fatal threat!

“I’ll kill you, I’ll kill you!”

The Dark Mad God roared and suddenly turned around, slashing behind him!

Puff!

The saber missed again, and an ear-piercing tearing sound sounded in the air!

Yang Luo had already appeared on his left at some point in time and slashed out again!

Psh!

This sword directly left a deep wound on his left arm!

In the following period of time...

Yang Luo kept flashing around him, and the sword in his hand kept swinging.

Chi! Chi! Chi! Chi!

The Dark Mad God's body was slashed open, and every wound was so deep that his bones could be seen, as if he was being dismembered!

"Ahhhh..."

The Dark Mad God seemed to have gone crazy. He roared and waved the saw-toothed saber in his hand randomly, wanting to kill Yang Luo!

However, no matter how ferocious his attacks were, he could not hurt Yang Luo at all!

Everyone present could tell.

Yang Luo was clearly toying with the Dark Mad God.

“Hahaha, venting my anger is too f\*cking good!”

Evil Butcher waved his fist excitedly.

Xiao Ziyun, Leng Qianqian, Gustaf, and the others also felt as if they had vented their anger.

The people Violet, the God Slaying Temple, and the rest of the organizations were overjoyed.

Meanwhile, the members of the Dark Shrine and other organizations revealed dense anger and fear on their faces.

Such a powerful Dark Mad God was actually beaten into such a sorry state.

He could not dodge!

He could not block!

He could not counterattack!

Absolute suppression!

This was an absolute suppression!

Ten minutes later.

“Huff... huff...”

The Dark Mad God panted heavily. There were already more than a hundred bloody wounds on his body.

Blood dyed his body red. He was no longer as arrogant and domineering as before. Instead, he was in a sorry state.

Yang Luo just stood quietly not far away. His body flickered with a dazzling golden light, and the sword in his hand was not stained with a single drop of blood. He was like an immortal or a god.

Dark Mad God shouted at the leaders of the organizations behind him, “What are you still standing there for? Come and help!”

Chapter 1062: Chief Gods and Demon Kings!

“Let’s attack together and kill this kid!”

The seven leaders and four Commanders roared and charged at Yang Luo.

However, Yang Luo did not even look at it. He merely slashed horizontally.

Swoosh!

With a slash, space shook, and a golden sword arc flashed.

The next second!

Pu! Pu! Pu! Pu!

Four blood pillars soared into the sky with four heads!

Four headless corpses fell into a pool of blood one after another!

The ones who were killed by the sword were the Commanders and the leaders of the three organizations who rushed in front!

The other three Commanders and the four leaders of the organizations behind were trembling in fear. They did not dare to approach Yang Luo at all!

“Brothers, let’s not just watch. Let’s fight!”

Bujie shouted. With the Dragon-Mark Buddhist Staff in hand, he charged towards the three Commander-in-Chiefs and the four leaders of the organization!

Xu Ying, Prajna, Dark Baron, Lilith, and Hazeline also charged forward!

Xiao Ziyun shouted, “Everyone, it’s time to counterattack. Destroy them!”

As she spoke, Xiao Ziyun, Leng Qianqian, and the other leaders of the organization charged forward!

The more than 5,000 guards of the Blood Race moved one after another and attacked the people from the Dark Shrine and other organizations!

The battle began again!

“Young brat, I’ll fight you to the death!”

The Dark Mad God dragged his heavily injured body and gripped his saw-toothed saber tightly. Black light flickered on his body as he charged towards Yang Luo crazily!

And just as he approached Yang Luo!

He slashed at Yang Luo again!

Swoosh!

This slash was even more domineering and terrifying, as if it wanted to cut through everything!

However, Yang Luo still stood on the spot. He flipped his right hand and faced the attack with his sword!

Clang! Clang!

With just a casual strike, he easily blocked the slash from the Dark Mad God!

After blocking the saber!

Yang Luo reached out with his left hand and grabbed the Dark Mad God's throat. Then, he slammed him towards the deck!

Dong!

There was a dent in the steel deck!

The Dark Mad God felt as if his entire body was about to fall apart. Blood gushed out of his mouth, and he was in extreme pain!

However, Yang Luo did not stop there. Instead, he waved the sword in his hand and stabbed four times at the Dark Mad God's arms and legs!

Pu! Pu! Pu! Pu!

The Dark Mad God's arms and legs were all pierced!

Blood spurted out, making one's heart palpitate!

"Ahhhh..."

The Dark Mad God let out a miserable scream as his face contorted!

Not long ago, this was how he tortured Evil Butcher!

However, he did not expect that the pain would return to him so quickly!

Yang Luo stepped on Dark Mad God's body and said coldly, "Does it feel bad? Does it hurt?"

It's correct if you're feeling uncomfortable. It's correct to feel pain!

When you injured my Third Senior Sister and Brother Butcher, you should have thought that you would have such an encounter!"

"Hehehe... Hahaha..."

Dark Mad God laughed sinisterly, "Kid, even if you kill me, you won't survive tonight!

Someone will avenge me. Someone will kill you!"

“You really do have someone backing you up.”

Yang Luo narrowed his eyes, “Tell me, who’s supporting you?”

“Do you want to know?”

The Dark Mad God said ruthlessly, “You’ll know when the person behind me appears!

They are definitely existences that you can’t defeat!”

Right after he finished his sentence...

Whoosh! Whoosh! Whoosh! Whoosh!

Four sounds of air being torn apart could be heard!

Four beams of light streaked across the sky and shot towards Yang Luo!

Yang Luo’s heart skipped a beat. He flipped his right hand and slashed out with all his might!

Rumble!

Accompanied by a loud explosion!

These four beams of light were directly destroyed by Yang Luo's sword!

Even a stray battleship in front of him was cut in half!

Many people from the Dark Shrine on the battleship were killed with a single strike!

As they cast their gazes over.

Ten battleships drove over from afar.

These battleships were filled with more than ten thousand people.

Some of these people were wearing golden armor, silver armor, and red armor. Some were wearing black robes and demon masks.

Four figures stood on the leading battleship.

These four people had extraordinary auras and terrifying pressure.

One of them was muscular and wore scarlet armor. He had red curly hair and held a scarlet sword. His body was burning with scarlet flames.

The second was muscular and wore bronze armor. He had brown curly hair and held a huge hammer!

The third was tall and burly, with a rough face. He held a spear in his right hand and a huge shield in his left.

The fourth was more than four meters tall. He was wearing a black vest and holding a mace that was twice as long as him.

When they saw this group of people arrive...

“Oh my god, aren’t these people from the Heavenly Shrine and Hell Fiend Palace? Why are they here?!”

“Could the four people in the lead be the Chief Gods of the Heavenly Shrine and the Demon Kings of the Hell Demon Palace?!”

“Are they here to help the Dark Shrine?!”

“It must be. Otherwise, why would they attack Mr. Yang!”

Violet, the God Slaying Temple, and the other large organizations were dumbfounded.

They never expected that at the critical moment of the battle, the Heavenly Shrine and Hell Fiend Palace would actually send someone over.

Yang Luo stared intently at the four fellows. He indeed felt a powerful pressure and aura from them.

He turned to the Dark Baron and asked, “Are these four really the Chief Gods of the Heavenly Shrine and the Demon Kings of the Hell Demon Palace?”

“That’s right.”

The Dark Baron frowned and said, “The guys with the sword and hammer are the two Chief Gods of the Heavenly Shrine, the Flame Overlord and the Earth Overlord!

Then the guy with the spear and shield and the guy with the mace were the two demon kings of Hell Demon Palace, Battle Demon King and Hundred-Armed Demon King!

These four fellows are ranked at the front of the Heavenly Shrine and the Hell Demon Palace. They are very strong!”

“D\*mn it!”

A hint of fear appeared in Xiao Ziyun’s eyes. “I didn’t expect the Heavenly Shrine and Hell Fiend Palace to support the Dark Shrine!

Moreover, two Chief Gods and two Demon Kings had actually come at once!

What should we do now?”

Yang Luo said calmly, “Third Senior Sister, don’t worry. Leave these four guys to me!”

“What?! You’re dealing with the four of them?!”

Xiao Ziyun was stunned!

Leng Qianqian gulped and said, “Mr. Yang, the Dark Mad God is not on the same level as these Chief Gods and Demon Kings!

Any one of these Chief Gods or Demon Kings can make the Dark World tremble with a stomp of their feet!”

Gustaf also said, “That’s right, Mr. Yang. Even if we want to deal with them, we have to attack together!

“Mr. Yang, you and the Dark Baron are here. Together with us, we might be able to fight against these two Chief Gods and the two Demon Kings!”

Yang Luo did not say anything else. He only sized up the Flame Overlord, the Earth Overlord, the Battle Demon King, and the Hundred-Armed Demon King.

After all, they had yet to fight, so he did not know how strong these four fellows were.

Soon, the ten battleships approached.

“Lords, you’re finally here!

“Please kill these guys and avenge us!”

The Dark Mad God was extremely excited and shouted.

The Flame Overlord frowned and said unhappily, "What a useless fellow. You can't do anything well.

Letting this guy be the spokesperson of our two organizations is really a disgrace to us."

Earth Overlord shook his head and said, "This fellow is ultimately still too weak. He can't do handle anything big."

Chapter 1063: No One Can Shake It!

Battle Demon King said indifferently, "Fortunately, we rushed here. Otherwise, our small scheme might have ended in failure."

Dark Mad God gulped and hurriedly said, "Sirs, the original plan was about to succeed.

Who knew that the Dark Baron and the Blood Race would come to help?

Moreover, this kid who had been very active in the Dark World recently was also here.

This kid is very strong. I'm really not his match."

The Flame Overlord and the other three ignored the Dark Mad God and looked at the Dark Baron and Yang Luo.

“Dark Baron, long time no see. How have you been?”

The Flame Overlord greeted with a smile.

“Whether I’m good or not has nothing to do with you!”

The Dark Baron replied coldly, “I didn’t expect this Dark Mad God to be your spokesperson!

No wonder this guy is so arrogant. He dares to ignore the Dark World Peace Ordinance and challenge the Holy Imperial Court!”

“Hehe...”

The Earth Overlord chuckled and said, “Dark Baron, the Holy Imperial Court used to be the number one in the Dark World.

But now, your old Divine Emperor is no longer around, and your Holy Imperial Court is gradually weakening. Is it still worthy of being number one?

As for ignoring the Dark World Peace Ordinance, we'll ignore it. What can you do?

We want to challenge your Holy Imperial Court, so what can you do?"

The Battle Demon King pretended to be afraid and said, "Could it be that you want to destroy our Heavenly Shrine and Hell Fiend Palace?

However, do you have the strength now?"

"Hahaha..."

At this point, the four of them laughed and looked at the Dark Baron mockingly.

The Dark Baron was so angry that his entire body was trembling and his chest was heaving.

When had their Holy Imperial Court ever suffered such ridicule?

When had he ever been looked down on like this?

He was about to speak...

But Yang Luo beat them to it and said in a loud voice, "What are you laughing at? What's so funny?"

Let me tell you, the Holy Imperial Court was once the number one in the Dark World. In the future, it will still be the number one in the Underworld!

No one can shake the status of the Holy Imperial Court, not even your Heavenly Shrine and Hell Fiend Palace!"

Hearing Yang Luo's words...

Xiao Ziyun, Leng Qianqian, Gustaf, and the others were all scared out of their wits.

Leng Qianqian whispered, "Brother Yang, they're Chief Gods and Demon Kings.

If you talk to them like that, they definitely won't let you off."

Yang Luo said coldly, "So what if they're Chief Gods and Demon Kings? I'm not afraid of them at all."

“This...!”

Leng Qianqian widened her eyes and was shocked again.

Could it be that Big Brother Yang’s strength was already comparable to these Chief Gods and Demon Kings?

Xiao Ziyun, Gustaf, and the others also looked at Yang Luo in surprise.

At this moment.

The expressions of the Flame Overlord, the Earth Overlord, the Battle Demon King, and the Hundred-Armed Demon King immediately darkened.

The Battle Demon King looked up at Yang Luo and said coldly, “Kid, I know you. Back then, the Demon King of Destruction, the King of Slaughter, and the Prophet Witch failed to kill you and were even injured by you.

I believe your strength should be not bad. I’ve long wanted to meet you.”

The Flame Overlord also looked at Yang Luo and narrowed his eyes, "The Deep Sea Lord also said that you're very strong and even injured him.

My Heavenly Shrine has long placed you on the must-kill list.

Since you appeared here tonight, I can get rid of you."

He had only just finished speaking.

Xiao Ziyun, Leng Qianqian, and the others were stunned.

"Little Luo, is this true? You fought with the Demon King of Destruction and even injured them?"

Xiao Ziyun asked in shock.

"Hmm."

Yang Luo nodded in reply.

"Heavens!"

Leng Qianqian couldn't help but tremble, "Brother Yang, how strong are you now?"

Gustaf, Evil Butcher, and the leaders of the other organizations also looked at Yang Luo in shock.

Xiao Ziyun also looked at Yang Luo in a daze. She felt that she didn't know her little junior brother anymore.

Yang Luo raised the Dragon Emperor Sword in his hand and pointed at the four of them. He said loudly, "Didn't you want to kill me? Then come!"

"Young brat, let me spar with you!"

The Battle Demon King roared and stomped down!

Crack! Crack!

The steel deck instantly collapsed and cracked!

His burly body immediately soared into the sky and charged towards Yang Luo!

“Little Luo, be careful!”

“Brother Yang, be careful!”

“Mr. Yang, don’t take it head-on!”

Xiao Ziyun, Leng Qianqian, and the others exclaimed.

“Everyone, don’t worry. Hurry up and evacuate this battleship!”

Yang Luo’s expression did not change as he shouted.

“Retreat!”

The Dark Baron led everyone to another battleship.

The Flame Overlord waved his hand, and the Dark Mad God, whose limbs had been crippled, was swept to the battleship they were on.

The Dark Mad God said gratefully, “Thank you, Flame Overlord!”

The moment everyone retreated!

The Battle Demon King had already approached. He raised his right arm, raised the spear in his hand, and stabbed fiercely at Yang Luo!

Swoosh!

The spear stabbed out with a terrifying sharpness, as if it wanted to pierce through and shatter everything!

Black-purple light illuminated the night sky, and waves of majestic energy surged towards Yang Luo!

The surrounding battleships began to shake, and the seawater began to flood!

Everyone present was shocked!

“Is this the strength of the Battle Demon King? Isn’t he too terrifying?!”

“Can Mr. Yang withstand it?!”

Violet, the God Slaying Temple, and the other large organizations exclaimed.

However, in the face of the Battle Demon King’s spear!

However, Yang Luo did not dodge or retreat. He flipped his wrist and faced the attack with his sword!

Clang!

The spear and sword collided, emitting a thunderous collision!

True Qi, sword Qi, energy, and light intertwined and spread in all directions!

The people on the surrounding battleships could not withstand the impact of the energy at all and were directly sent flying!

Everyone was stunned and continued to retreat, not daring to approach at all!

“Kill him! Kill him!”

The Dark Mad God was extremely excited. He gritted his teeth and roared.

Not long ago, he was completely crushed and tortured by Yang Luo and even crippled his limbs.

He had embarrassed himself in front of so many people.

Now that he saw the Battle Demon King attack, he was overjoyed.

Even the Battle Demon King had made a move. This kid was dead meat now!

But just as everyone thought that Yang Luo could not withstand the Battle Demon King's spear!

They got an even greater shock!

Yang Luo actually took it head on!

Moreover, it looked relatively easy to him!

Crack! Crack!

Although Yang Luo had withstood the Battle Demon King's spear, the steel battleship under his feet could not withstand the might of the spear and shattered into pieces!

Spiderweb-like cracks instantly covered the entire battleship!

After blocking the Battle Demon King's spear!

Yang Luo's right arm suddenly shook and he let out an explosive roar!

"Get lost!"

A huge force that was like a landslide and a tsunami instantly surged out!

Rumble!

The battleship under his feet could no longer withstand it and completely collapsed and exploded, turning into countless steel fragments that splattered everywhere!

The Battle Demon King's strong body was sent flying!

The battleship exploded, and Yang Luo landed steadily on the surface of the sea. He looked ahead coldly!

The Battle Demon King was sent flying more than 20 meters away before landing on the sea and stabilizing his body...

Chapter 1064: Suppressing the Battle Demon King!

For a moment...

The entire venue fell silent.

Everyone looked at the scene in front of them in shock.

"He withstood it. Mr. Yang actually withstood the Battle Demon King's attack!"

"Not only did he withstand it, but Mr. Yang also sent the Battle Demon King flying with a single strike!"

“I didn’t expect Mr. Yang’s strength to be so strong that he can compare to a Demon King!”

Violet, the God Slaying Temple, and the other large organizations exclaimed repeatedly, their eyes filled with excitement.

Xiao Ziyun, Leng Qianqian, and the others looked at Yang Luo with their mouths agape.

Their eyes were filled with shock, confusion, and joy.

Only Xu Ying, Bujie, Prajna, Dark Baron, Lilith, and Hazeline had calm expressions.

They knew Yang Luo’s strength very well.

Not long ago, Yang Luo was not at a disadvantage when he fought the three Guardian Angels of the Holy Light Church alone. Instead, he almost killed the three Guardian Angels.

Therefore, it was impossible for a Demon King to defeat Yang Luo alone.

“How... how could this be?!”

“Even the Battle Demon King can’t suppress this kid?!”

The Dark Mad God cried out in fear, his eyes filled with disbelief.

The members of the Dark Shrine and the other large organizations were also shocked.

Even the Flame Overlord, the Earth Overlord, and the Hundred-Armed Demon King narrowed their eyes.

Just as everyone was stunned...

Yang Luo’s figure moved and turned into a golden stream of light, taking the initiative to charge at the Battle Demon King!

After the previous exchange...

He discovered that although the Battle Demon King was very strong, he was only about the same as those guardian angels.

Since that was the case, he had nothing to worry about.

In the blink of an eye!

Yang Luo shot out more than 20 meters away before he suddenly stomped on the ground!

Ripples spread out as his body leaped into the sky and slashed at the Battle Demon King!

The Battle Demon King's expression changed slightly as he quickly raised the huge shield in his left hand to block!

Clang! Clang!

The sword struck the huge shield heavily, emitting a muffled sound of collision!

Sword Qi flew everywhere, and flames shot out in all directions. Energy surged, and it was dazzling!

Although the Battle Demon King had blocked the sword, the sea under his feet collapsed, and his body kept sinking!

After blocking Yang Luo's sword!

The Battle Demon King waved his spear with his right hand and swept it at Yang Luo!

Yang Luo meanwhile clenched his left fist and punched down!

Boom! Boom!

The fist and spear collided, once more producing a shocking collision!

Whoosh! Whoosh!

Huge waves were sent flying into the sky. It was an incomparably spectacular sight!

“Argh!”

The Battle Demon King grunted. His strong body was completely pressed into the sea by Yang Luo’s sword and punches, disappearing from everyone’s eyes!

Yang Luo landed steadily on the surface of the sea with a cold expression, trying to sense the Battle Demon King’s aura.

“Oh my god, Mr. Yang actually suppressed the Battle Demon King!”

Someone could not help but exclaim.

“Not only did he suppress him, but he also sent the Battle Demon King into the sea!”

Someone else exclaimed.

Before his voice could fade...

Dong!

A black-purple beam of light broke through the sea and soared into the sky from behind Yang Luo!

The Battle Demon King rushed out of the sea and stabbed at Yang Luo’s back with all his might!

“Be careful!”

Xiao Ziyun, Leng Qianqian, Evil Butcher, and the others shouted in shock!

However, Yang Luo seemed to have grown eyes behind him. He instantly turned around and slashed out!

Clang!

The sword and spear collided again, and a bolt of lightning exploded on the sea!

Not only did Yang Luo block the Battle Demon King's spear, but he also sent him flying again!

After sending the Battle Demon King flying...

Yang Luo chased after him and slashed at the Battle Demon King crazily!

The Battle Demon King was furious and kept waving the spear in his hand to meet the attack!

Of course, when he counterattacked!

He also kept raising the huge shield in his hand to block Yang Luo's fierce attacks!

Clang! Clang! Clang!

Clang! Clang! Clang!

The sound of intense collisions continuously sounded on the sea, deafening even the deaf!

In the next few minutes!

Yang Luo and the Battle Demon King moved at high speed on the surface of the sea, constantly colliding and clashing!

Dang, dang, dang!

Boom! Boom! Boom!

The sounds of collision and explosions were endless!

Huge vortexes exploded on the sea, and huge waves surged!

Everyone was terrified when they saw this scene!

“Is this the strength of a top expert of the Dark World? It’s too terrifying!”

“Fortunately, Mr. Yang is here. Otherwise, we would be tempting fate if we went up!”

Violet, the God Slaying Temple, and the other large organizations sighed.

After fighting for another seven to eight minutes!

Rumble!

Finally, accompanied by a rumbling explosion!

The Battle Demon King was sent flying more than 30 meters away!

Furthermore, there were already a few more wounds on his body and blood could not stop flowing!

“He’s injured! The Battle Demon King is actually injured!”

“Impossible, this is absolutely impossible!”

“How can this kid hurt the Battle Demon King?!”

The people from the various large organizations, the Heavenly Shrine, and the Hell Fiend Palace were dumbfounded.

This was the Battle Demon King!

He was famous in the Dark World for his powerful combat strength!

But now, the Battle Demon King was actually suppressed by a brat and was even injured!

If news of this got out, it would probably shock the entire Dark World!

However, Yang Luo ignored everyone and continued to rush towards the Battle Demon King!

“Young brat, I don’t believe that I can’t kill you!”

The Battle Demon King was furious and threw the huge shield in his hand!

Swoosh!

The huge shield whistled out and instantly expanded, as if it had transformed into a small mountain. It pressed down on Yang Luo!

But Yang Luo just waved the Dragon Emperor Sword in his hand and slashed into the sky!

Rumble!

The sword and shield collided like iron and stone colliding. The momentum and sound produced was shocking!

Yang Luo forcefully withstood the crushing force of the huge shield!

However, the sea under his feet could not withstand it and actually began to collapse continuously!

After trapping Yang Luo!

Without any hesitation, the Battle Demon King waved the spear in his hand!

“Battle Demon Spear!”

In an instant!

Countless black-purple spears condensed and shot towards Yang Luo from all directions!

Just as the densely packed spears shot over!

“Explode for me, all of you!”

Yang Luo’s entire body trembled as he roared!

Waves of earth-shattering golden True Qi surged out of his body and washed in all directions!

Boom! Boom! Boom!

The spears that shot over shattered and exploded, turning into light that filled the sky and surged away!

After destroying the spear that shot over!

Yang Luo stomped his feet and shook his right arm again, sending the huge shield flying!

After sending the huge shield flying!

Yang Luo slashed at the Battle Demon King again!

Swoosh!

A huge golden sword pressed down on the Battle Demon King!

The Battle Demon King was shocked and quickly retreated, but he was still a step too late!

Swoosh!

This sword slashed open the sea and left a long wound on the Battle Demon King's chest. His flesh flipped outwards, revealing his white bones!

Just as Yang Luo was about to continue chasing after the Battle Demon King!

Rumble rumble rumble!

A loud rumbling suddenly came from the sky!

The Earth Overlord had already rushed over!

He leaped into the sky and swung the huge hammer in his hand with all his might, wanting to smash Yang Luo into minced meat!

Chapter 1065: What Can You Do to Me?

Just as the hammer smashed down!

A bronze light immediately erupted, as if Mount Tai was pressing down!

Yang Luo stopped in his tracks and charged forward with his sword!

Rumble!

The sword and hammer collided, and the sound of the collision resounded through the sky and shook the sea!

The waves soared into the sky, as if they wanted to break through the firmament itself!

However, even though the Earth Overlord's hammer was extremely powerful, it could not suppress Yang Luo!

"Get lost too!"

Yang Luo roared and his right arm suddenly shook!

There was a loud clang!

The majestic Earth Overlord was also sent flying more than 20 meters away before stabilizing his body!

At this moment...

The Battle Demon King and the Earth Overlord stood in the distance, facing Yang Luo.

Yang Luo looked up at the two of them and mocked, “Why? Do you finally know that you need to join forces?”

As he spoke, he turned to look at the Flame Overlord and the Hundred-Armed Demon King, “What about you both? Don’t you plan to attack?”

The Flame Overlord and the Hundred-Armed Demon King only looked at Yang Luo coldly.

They already knew that Yang Luo was very strong...

To the point that the the Demon King of Destruction and Deep Sea Lord would not have been injured by this kid.

However, after seeing Yang Luo’s strength with their own eyes today, they were still shocked.

This kid was much stronger than they had imagined.

However, they were the Chief Gods of the Heavenly Shrine and the Demon Kings of the Hell Demon Palace.

Sending out a Chief God and a Great Demon King to deal with this kid was already very humiliating for them.

If the four of them went to deal with this kid at the same time, wouldn't they become a joke to the other organizations in the Dark World?

The Earth Overlord said in a trembling voice, "Young brat, there's no need for the four of us to attack. The two of us will definitely be able to kill you!"

Yang Luo sneered and said, "You want to kill me with just the two of you?"

Who gave you the confidence?"

"Young brat, you have a death wish!"

The Earth Overlord roared angrily and charged at Yang Luo!

The Battle Demon King did not hesitate and charged towards Yang Luo as well!

Both of them were very tall.

Compared to them, Yang Luo was a few heads shorter and much thinner.

Just based on the difference in size, no one felt that Yang Luo could defeat the Earth Overlord and the Battle Demon King.

Only Xu Ying and the others were still full of confidence in Yang Luo.

At that moment...

The Earth Overlord and the Battle Demon King approached Yang Luo. Then, they waved the spears and huge hammers in their hands at the same time and attacked!

Yang Luo's expression was calm and he did not panic at all. With a flip of his wrist, he faced the attack with his sword!

Clang!

The long sword, spear, and giant hammer collided heavily!

The clouds in the sky were shattered from the shockwaves produced!

The sea below was also split because of their attacks!

“Even if the two of you join forces, what can you do to me?”

Yang Luo roared and his right arm that was holding the sword shook violently!

The Earth Overlord and Battle Demon King were sent flying at the same time!

Just as the two of them were sent flying!

Yang Luo did not stop at all and chased after them!

The Battle Demon King waved the spear in his hand with all his might!

“Demonic Spear’s Death!”

Countless black and purple spears condensed again and shot towards Yang Luo!

Yang Luo was not afraid at all. He took a step and soared into the sky. Then, he slashed forward heavily!

“Dragon Suppresses Mountains and Rivers!”

“ROAR...”

As the sword slashed out, a vast and mighty dragon roar was also heard!

A huge golden sword tore through the sky, disrupting space as it slashed out!

A golden dragon phantom also roared and collided with the spear that shot over!

Rumble!

The spears that shot over could not even get close to Yang Luo before they were all destroyed and exploded above the sea!

A large amount of energy rain splattered in all directions!

Just as Yang Luo crushed the Battle Demon King’s fierce attack!

The Earth Overlord waved the huge hammer in his hand!

“Earth Thrust!”

Boom! Boom! Boom!

Huge rock spikes tore through the sea and stabbed at Yang Luo in the sky!

Yang Luo twisted his waist and abdomen and slashed down fiercely!

A huge golden sword slashed down heavily!

A golden dragon phantom also roared and descended like a divine dragon entering the sea!

Rumble!

All the huge rock spikes were crushed and exploded!

Huge pits were blasted out on the sea!

Before Yang Luo could land!

The Earth Overlord and the Battle Demon King rushed over at the same time!

The Battle Demon King stabbed into the sky!

The Earth Overlord leaped into the sky and smashed down with his hammer!

At this moment.

Yang Luo was sandwiched by the two of them. The situation looked like he had fallen in imminent danger!

“Little Luo is in danger!”

Xiao Ziyun shouted and was about to go up to help.

The Dark Baron raised his hand to block Xiao Ziyun, “Leader Xiao, don’t worry.

Battle Demon King and Earth Overlord alone can’t do anything to Brother Yang.”

Xu Ying and the rest nodded, telling Xiao Ziyun not to worry.

At this moment...

An explosive roar came from the distant sea!

“Thunderous Nine Heavens!”

Yang Luo’s body shook!

Streaks of golden lightning spread out from his body, as if they had transformed into golden lightning dragons that crashed into the sky and below!

Rumble!

Not only did the bolts of lightning break through their attacks, but they also struck towards them angrily!

Their expressions changed drastically. They wanted to retreat, but it was too late!

“Ugh!”

The Battle Demon King let out a painful cry. Blood splattered from his body as he was struck into the sea!

“Ahh!!”

The Earth Overlord also let out a tragic cry as it was sent flying. His strong body was bleeding as a result!

Yang Luo ignored the Battle Demon King and took a step forward, chasing after the Earth Overlord!

Seeing Yang Luo speed over...

The Earth Overlord waved the huge hammer in his hand!

“Shield of the Great Earth!”

Rumble rumble rumble!

A thick rock shield rose from the sea, as if a huge mountain had risen from the sea, blocking in front!

“Break!”

Yang Luo roared and slashed out!

This huge rock shield that was like a mountain was instantly split open, turning into a large amount of gravel that splattered in all directions!

The Earth Overlord’s expression changed as he waved the huge hammer in his hand again!

“Giant Rock Fall!”

Countless rocks condensed in the sky and smashed towards Yang Luo who was charging over like a meteor shower!

Yang Luo’s entire body shook. He did not dodge or avoid the attack. Like a peerless dragon, he charged forward!

He condensed a golden True Qi barrier and blocked all the rocks that smashed down!

Braving through the rock fall, he took the chance to slash at the Earth Overlord!

“You...”

The Earth Overlord was shocked. He clearly did not expect that not only was Yang Luo’s combat strength so powerful, but his defense was also so powerful!

He did not dare to be careless and raised the huge hammer in his hand to block!

However, Yang Luo’s sword was too heavy. It directly shook away the huge hammer in his hand, broke through his protective energy shield, and slashed fiercely at his chest!

“ARGH!”

The Earth Overlord let out a miserable cry as its body was sent flying again. The wound on its chest that was dozens of centimeters long was shocking as blood splattered along the way!

However, just as Yang Luo was about to continue chasing after the Earth Overlord!

Huge waves surged from the sea and condensed into eight huge spears that shot towards Yang Luo from behind!

The Battle Demon King had rushed out of the sea and stabbed out angrily!

Yang Luo calmly swung his sword behind him!

Whoosh! Whoosh! Whoosh! Whoosh!

Nine huge golden swords condensed and shot out!

Boom! Boom!

Eight of the huge golden swords collided with the eight huge spears and exploded one after another!

Chapter 1066: Shocking the Heroes!

The remaining golden sword shot towards the Battle Demon King!

The Battle Demon King hurriedly raised the huge shield in his left hand to block!

DONG!

The huge golden sword collided heavily with the huge shield, emitting a loud bang!

Although the Battle Demon King blocked the sword, his body was forced back repeatedly!

But as Yang Luo was about to continue chasing after the Battle Demon King!

Hu! Hu! Hu! Hu!

A huge scarlet fire wave surged over from afar and swept towards Yang Luo!

Yang Luo raised his left hand and swung it out!

A golden fire wave surged out and collided with the scarlet fire wave!

Dong!

The two waves of fire collided crazily, transforming into a rain of fire that filled the sky and splashed in all directions!

This scarlet fire wave was released by the Flame Overlord!

Seeing that Yang Luo had easily blocked the scarlet fire wave!

The Hundred-Armed Demon King raised its thick spiked club and swung it!

Not far away, an unmanned steel battleship soared into the sky and smashed down at Yang Luo!

Seeing this scene...

Everyone present was dumbfounded.

The Hundred-Armed Demon King only waved his mace and raised a battleship that weighed countless tons!

Terrifying!

It was simply terrifying to the extreme!

Facing the steel battleship that was smashing over!

Yang Luo soared into the sky, gripped the Dragon Emperor Sword tightly with both hands, and slashed out heavily!

Rumble!

The steel battleship was directly cut in half!

It split into two and fell into the sea!

Clang...

Yang Luo landed steadily on the surface of the sea. He held his sword in his right hand and his body flickered with golden light, as if he was an immortal!

At this moment.

The Flame Overlord, the Earth Overlord, the Battle Demon King, and the Hundred-Armed Demon King were in the distant sea, staring intently at Yang Luo!

Yang Luo looked up at the Flame Overlord and the Hundred-Armed Demon King and sneered, “Didn’t the two of you put on airs for me just now and were unwilling to attack? Why are you attacking now?”

The Flame Overlord and the Hundred-Armed Demon King’s faces were ashen as they flew into a rage out of humiliation.

Everyone present looked at the Flame Overlord and the other three in a daze, shocked to the extreme.

“This kid actually forced the two Chief Gods and the two Demon Kings to attack at the same time!”

“How strong is this kid to make the four lords put down their pride and attack together?!”

“When did such a heaven-defying expert appear in the Dark World?!”

The people from the Dark Shrine and the other large organizations spoke in a daze. They looked at Yang Luo with fear.

Especially the Dark Mad God, he was so frightened that his entire body trembled and he broke out in cold sweat.

He never expected the gap between him and this kid to be so huge.

Only now did he know that when this kid fought with him, he probably did not even use half of his strength.

Xiao Ziyun, Leng Qianqian, and the others widened their eyes and felt their scalps tingle.

Leng Qianqian gulped and said, "Is Brother Yang already that strong now?!"

Xiao Ziyun, Gustaf, and the others took a deep breath and could not say a word.

The Flame Overlord said ruthlessly, "Young brat, don't be smug. You have to die tonight!

No matter what methods we use, we will kill you!"

He had truly been shocked by Yang Luo's strength and potential.

If this kid continued to grow, he would definitely become a huge problem for them.

"Kill me?"

Yang Luo's expression was as cold as ice, "Then let's give it a try and see if you have the ability!"

As he spoke, Yang Luo's entire body shook as well!

He unleashed his aura and combat strength!

A golden dragon phantom instantly coiled around his body!

"Kill this kid!"

The Flame Overlord roared and charged towards Yang Luo first!

The Earth Overlord, Battle Demon King, and Hundred-Armed Demon King also charged forward!

At that moment...

The Flame Overlord and the other three approached Yang Luo and waved the weapons in their hands at the same time, attacking Yang Luo!

Swoosh! Swoosh! Swoosh! Swoosh!

The huge sword, huge hammer, spear, and mace smashed down at the same time, as if they wanted to destroy everything!

One had to know that these four people were the Chief Gods and Demon Kings at the forefront of the Heavenly Shrine and Hell Fiend Palace!

When the four of them joined forces, the power they released was extremely terrifying!

Even if all the experts present attacked together, they would probably not be able to withstand the fierce attacks of the four of them!

However, Yang Luo was unrestrained and did not dodge or retreat. He gripped the Dragon Emperor Sword tightly with both hands and slashed forward!

Rumble!

Yang Luo's strike collided heavily with the weapons of the Flame Overlord and the other three!

It was simply earth-shattering!

All kinds of light and energy exploded from the point of collision, like heavy bombs exploding at sea!

“Get the fuck out of my way!”

Yang Luo roared and suddenly exerted strength in his arms to resist the four of them crazily!

Accompanied by a loud rumble!

The Flame Overlord and the other three were sent flying at the same time!

Yang Luo was also sent flying!

The Flame Overlord and the other three were sent flying more than 20 meters away before stabilizing themselves!

Meanwhile, Yang Luo was sent flying nearly 30 meters before he stabilized his body!

Yang Luo was only slightly at a disadvantage against the Flame Overlord and the other three!

Everyone present was extremely shocked!

Violet, the God Slaying Temple, and the other large organizations looked at Yang Luo with fanatical admiration!

The eyes of the people from the Dark Shrine and the other large organizations were filled with fear!

These were two Chief Gods and two Demon Kings. Their rankings were at the forefront of the Dark World!

However, even so, they still could not completely suppress Yang Luo!

At this moment.

The Dark Baron said in a deep voice, "Brother Yang won't lose against these four guys, but he'll definitely be injured.

Therefore, we have to help Brother Yang."

"I'll go help Little Luo!"

"Count me in!"

“And me!”

Xiao Ziyun and the others spoke up one after another, wanting to help.

The Dark Baron said, “Me, Elder Hazeline, Team Leader Xiao, Brother Xu, and Brother Bujie will help!

The others, go and destroy the people from the Heavenly Shrine and Hell Fiend Palace!”

“Alright!”

Everyone immediately chorused out.

Following that, the Dark Baron, Hazeline, Xiao Ziyun, Xu Ying, and Bujie jumped off the battleship at the same time and charged towards the battlefield where Yang Luo was!

The others charged towards the people from the Heavenly Shrine and Hell Fiend Palace!

The people who were originally watching the battle continued to fight!

A battle of nearly 200,000 people had completely erupted in this sea area!

At this moment.

On the distant sea.

Seeing the Dark Baron and the others charging at them...

The Battle Demon King frowned and said, "I'll deal with those guys. I'll leave this kid to you!"

"Alright!"

The Flame Overlord, the Earth Overlord, and the Hundred-Armed Demon King nodded.

Then, the Battle Demon King charged at the Dark Baron and the others!

Yang Luo did not stop him.

After all, the Battle Demon King was an expert.

Only by fighting with experts could everyone gain experience and achieve their own surpasses and breakthroughs.

He hoped that in the future, not only would he become stronger, but the people around him would also become stronger.

Soon, the Dark Baron and the others were engaged in a fierce battle with the Battle Demon King.

The Flame Overlord, the Earth Overlord, and the Hundred-Armed Demon King resumed their fierce attack on Yang Luo!

“Crimson Flame!”

The Flame Overlord suddenly waved the huge sword in his hand and slashed at Yang Luo!

With a slash of his sword, scarlet red flames surged out and swept up!

“Earth Hammer!”

The Earth Overlord waved his huge hammer and smashed it at Yang Luo!

Countless rocks condensed and smashed down!

“Hundred-Armed Devil Slaughter!”

The Hundred-Armed Demon King suddenly swung his mace at Yang Luo!

Hundreds of black and gray arms condensed behind him. He also swung his mace and smashed down crazily!

The three of them did not hold back anymore. The attacks they unleashed were terrifying, as if they wanted to split apart the world...

Chapter 1067: If This Child Is Not Dead, He Will Definitely Be A Catastrophe!

Facing the terrifying attacks of the Flame Overlord, the Earth Overlord, and the Hundred-Armed Demon King!

Yang Luo was fearless as he said in a trembling voice, “The four of you couldn’t suppress me even when you joined forces just now!

Now that the three of you are working together, you want to kill me?

Aren't you all too naive!?"

Right after he finished his sentence...

Yang Luo gripped the Dragon Emperor Sword tightly with both hands and slashed forward!

Swoosh!

The sword split the sky, shook the four seas, and shook the nine heavens!

In an instant!

Rumble!

Yang Luo's strike collided fiercely with the weapons of the Flame Overlord and the other two, shaking the heavens and earth!

“ROAR...”

A huge golden dragon phantom roared at the same time and smashed forward alongside the sword!

Rumble!

Explosions sounded continuously!

The scarlet flames that surged over smashed the rocks and the huge arms and mace that were swinging wildly were shattered!

The clouds in the sky were even sliced apart!

The sea below was like a piece of tofu, continuously roiling and shattering into pieces!

“Don’t stop. Continue attacking. Continue!”

The Flame Overlord roared and waved his hand!

“Flame Tornado!”

Hu! Hu! Hu! Hu!

Hot flames surged out of his body, turning into a huge fire tornado that burned towards Yang Luo!

Flames surged out, and a large amount of seawater evaporated, raising white fog!

“Rock Storm!”

The Earth Overlord also waved his hand and roared!

Countless rocks condensed into a huge rock storm that crushed towards Yang Luo!

“Heaven Burying Demonic Light!”

The Hundred-Armed Demon King raised its left hand, condensing a ball of black and gray energy in its palm and attacking Yang Luo!

A huge black-gray beam of light tore through the air, containing endless lethality, destructive power, and destructive power. It wanted to destroy everything!

Just as the three of them continued to attack!

Without any hesitation, Yang Luo's body shook!

"Burning Eight Desolates!"

"Nine Heavens Thunder!"

"Water Dragon Howls at the Heavens!"

The power of fire, lightning, and water erupted from his body!

Flames surged and burned!

Bolts of lightning struck and attacked!

Water dragons roared and charged!

Boom! Boom!

Rumble!

The sound of collision and explosion resounded at the same time, shaking the surroundings!

After this terrifying collision!

An huge pit akin to an abyss was blasted out of the sea!

Yang Luo, the Flame Overlord, the Earth Overlord, and the Hundred-Armed Demon King fell into the abyss at the same time!

The people fighting in the distance could no longer see the figures of the four of them clearly!

It was unimaginable how terrifying the combat strength of these four people was. They had actually blasted a huge pit in the sea!

Only a few moments passed,

Dang, dang, dang!

Boom! Boom! Boom!

Sounds of collisions and explosions came from the huge pit in the abyss!

Dazzling light and surging energy shot out from the huge pit!

The sea within a radius of 10,000 meters kept trembling!

The battleships were also tossed up and down!

Under the intense battle between the four of them, the huge abyss pit continued to expand and deepen!

They fought for more than a hundred rounds!

Then after, Yang Luo, the Flame Overlord, and the other two rushed out of the abyssal pit one after another!

After the intense battle just now!

The Flame Overlord, the Earth Overlord, and the Hundred-Armed Demon King were all severely injured!

Their bodies were covered in wounds and blood flowed non-stop!

There were also wounds on Yang Luo's body, and blood dyed his clothes red!

However, Yang Luo's condition was still much better than the Flame Overlord and the other two!

The gazes of the Flame Overlord and the other two became even more solemn!

"Where did this kid come from? How could he be so strong?"

The Hundred-Armed Demon King asked in a rough voice.

The Earth Overlord said ruthlessly, "Who cares what his background is!

In short, no matter what, we have to kill this kid!"

“That’s right!”

The Flame Overlord nodded and said coldly, “If this kid doesn’t die, he will definitely become a huge problem for us!”

As he spoke, the Flame Overlord raised the sword in his hand and waved it!

“Extraterrestrial Fiery Meteor!”

Pew pew pew!

Countless balls of fire condensed and seemed to transform into fire meteors that shot towards Yang Luo!

“The Earth turns to Mountains!”

The Earth Overlord raised the huge hammer in his hand and swung it!

Rock mountains condensed and smashed towards Yang Luo!

“Heaven Burying Devil Seal!”

The Hundred-Armed Demon King suddenly stomped his right foot!

A violent black-gray energy soared into the sky from his body, condensing a demonic mark that crushed towards Yang Luo!

Seeing the attacks from the trio!

Yang Luo formed a seal with one hand and roared!

“Mountain Embracing Seal, Heaven Overturning Seal, Earth Covering Seal, True Dragon Seal!”

The four-sided seal instantly condensed into form and struck out!

Boom! Boom!

The four-sided seal collided intensely with the heavy attacks of the Flame Overlord and the other two, resounding with muffled thunder!

A dazzling light shot out in all directions, raising huge waves!

“One more seal!”

Yang Luo formed seals with his left hand again and let out a roar!

“Overturning Sea Seal!”

Whoosh! Whoosh!

A large amount of seawater soared into the sky and condensed into a huge seal in the sky before colliding!

Rumble!

Accompanied by earth-shattering explosions!

The attacks of the Flame Overlord and the other two were instantly destroyed!

“Ahhh...”

The three of them could not withstand the impact of this energy and screamed as they were sent flying one after another!

Blood exploded from their bodies again, spilling a large amount of blood along the way!

However, Yang Luo did not stop attacking. Instead, he chased after the three of them like a berserk dragon!

Seeing Yang Luo chasing after them...

The Flame Overlord did not have time to stabilize his body and waved the huge sword in his hand!

“Deity Burial Flame Tribulation!”

In an instant!

Fire pillars condensed in the sky and smashed towards Yang Luo!

The Earth Overlord also waved the huge hammer in his hand!

“Earth Fortress!”

A fortress formed from rocks condensed and pressed down on Yang Luo!

“Demon Light Shackles!”

The Hundred-Armed Demon King swung the mace in his hand and roared!

Pew pew pew!

Countless black and gray chains condensed and swept towards Yang Luo!

Facing the violent attacks from the trio!

Yang Luo still did not panic. As he charged forward, he let out a roar!

“Nine Heavens, Dragon’s Fury!”

“Roar, roar, roar!”

Nine golden dragon phantoms roared from his body and crashed into the sky!

Rumble!

The pillars of fire that smashed down!

It was the rock fortress that was crashing towards them!

Those black-gray chains!

Under the impact of the nine golden dragon phantoms, they were destroyed one after another!

Although six golden dragon phantoms exploded, the remaining three continued to collide with the Flame Overlord and the other two!

The three golden dragon phantoms roared as they approached!

The Flame Overlord and the other two mobilized the energy in their bodies continuously and roared!

“Flame God General!”

“Earth Godly General!”

“Hecatoncheires!”

Under everyone’s watchful eyes...

A flaming giant, a stone giant, and a hundred-armed giant condensed at the same time and collided with the three golden dragon phantoms that were roaring!

Peng, peng, peng!

Only a series of explosions was heard!

The three golden dragon phantoms collapsed and exploded at the same time, turning into a large amount of golden rain of light that dissipated in the sky!

However, the Flame Giant, the Rock Giant, and the Hecatoncheires only sported cracks on their bodies and were not destroyed!

Therefore, the three giants stepped on the sea and charged towards Yang Luo!

Chapter 1068: Dragon Rebel Sword Formation!

When the three giants charged at Yang Luo!

The Flame Overlord, the Earth Overlord, and the Hundred-Armed Demon King continuously injected energy into the three giants from behind!

The cracks on the three giants' bodies were all repaired and their bodies continued to grow!

Facing these three giants that were dozens of meters tall, Yang Luo seemed incomparably tiny!

However, Yang Luo was not afraid at all and charged towards the three giants!

The moment Yang Luo approached!

The three giants waved the huge weapons in their hands at the same time and attacked Yang Luo!

This scene created a powerful visual impact on everyone present!

It was as if Yang Luo was fighting three giant gods!

“Destroy them all!”

Yang Luo let out a deafening roar and soared into the sky. He gripped the Dragon Emperor Sword tightly with both hands and slashed at the three giants!

Swoosh!

A gigantic golden sword tore through the sky and shook the void. It was domineering and terrifying!

In the next second...

Boom! Boom! Boom!

Before the three giants could approach Yang Luo, their huge bodies were bisected at the waist and exploded one after another!

However, just as Yang Luo killed the three giants!

The Flame Overlord, the Earth Overlord, and the Hundred-Armed Demon King had already rushed into the sky and attacked Yang Luo in midair!

“Divine Flame Slash!”

“Exploding Hammer!”

“Heaven Splitting Demonic Strike!”

A scarlet flame sword swept up a torrential fire and slashed down!

A bronze hammer gathered countless rocks and smashed down!

Hundreds of spiked clubs emitted a dazzling demonic light and struck down heavily!

Yang Luo quickly reacted and waved the Dragon Emperor Sword to meet the attack!

Clang!

When the weapons collided, flames shot out in all directions and energy surged!

Under the combined strike of the three of them!

Yang Luo fell from midair!

There was a loud bang!

Giant waves exploded on the sea, creating a huge pit!

Yang Luo landed in that huge pit!

“Don’t give this kid any room to ease up. Continue attacking, attack!!!”

The Flame Overlord roared and kept waving his sword at Yang Luo!

Swoosh! Swoosh! Swoosh!

The red flaming swords that filled the sky interweaved into a flaming sword net that covered down!

The Earth Overlord and the Hundred-Armed Demon King also waved the huge hammers and spiked clubs in their hands crazily and smashed down!

Boom! Boom! Boom!

The three of them's attacks smashed into the sea crazily, and hundreds of huge waves were blasted into the sky!

The surging energy and light also continuously surged down and blasted towards the huge pit where Yang Luo was!

Soon, the Flame Overlord, the Earth Overlord, and the Hundred-Armed Demon King landed on the sea and looked at the huge pit!

The Hundred-Armed Demon King let out a long breath and said, "This kid should have died this time, right?"

The Earth Overlord said in a low voice, "We didn't give him any time to react just now. He's definitely dead!"

The Flame Overlord did not speak. He only looked at the huge pit with a solemn expression.

For some reason, he felt that Yang Luo was not so easy to kill.

The Dark Baron and the others who were fighting the Battle Demon King in the distance were also very worried.

After all, the attacks released by the Flame Overlord, the Earth Overlord, and the Hundred-Armed Demon King were too terrifying.

No matter how strong Yang Luo was, it was probably very difficult for him to resist calmly!

Violet, the God Slaying Temple, and the other large organizations were also very worried about Yang Luo's safety!

One had to know that the strongest person on their side was Yang Luo!

If even Yang Luo was defeated, none of them would survive tonight!

The people from the Dark Shrine and the other large organizations were extremely excited!

Was this kid finally going to die?

Great, that would be great!

A few minutes later...

The light and energy completely dissipated...

However, Yang Luo was nowhere to be seen in the huge pit. Even his corpse was nowhere to be seen.

The Earth Overlord frowned, "What's going on?! Where's that kid?!"

"Don't tell me that kid isn't dead?! Or has he already been shattered?!"

The Hundred-Armed Demon King was also puzzled.

Everyone who was fighting in the distance was also puzzled.

But right at this moment...

A roar came from the sea!

“Dragon Rebel Sword Formation!”

With a roar!

Whoosh! Whoosh! Whoosh! Whoosh!

Countless golden flying swords shot out from the sea around the Flame Overlord, the Earth Overlord, and the Hundred-Armed Demon King!

“Roar, roar, roar!”

Nine golden dragon phantoms roared out of the sea!

The Flame Overlord suddenly realized that something was wrong and exclaimed, “Retreat quickly!”

However, just as the Flame Overlord and the other two were about to retreat!

The countless flying swords formed a huge sword formation that surrounded the Flame Overlord and the other two!

Most importantly, this sword formation was thick and solid, as if it had nine layers, like an impenetrable wall!

The nine golden dragon phantoms soared and danced in the sword formation, looking extremely spectacular!

The Flame Overlord and the other two were stunned silly!

Everyone who was fighting in the distance was also stunned!

“Holy shit!”

Bujie’s face was filled with surprise, “So Brother Yang also knows sword formations?!”

Xu Ying said, “Brother Yang must have mastered the sword formation long ago. He just doesn’t want to use it under normal circumstances!”

Just as everyone was in a daze!

Another roar came from the sea!

“Formation, activate!”

With a loud roar!

A figure soared into the sky from the sea and waved the sword in his hand!

This figure was Yang Luo!

Although Yang Luo was injured, it did not affect his combat strength!

The array was activated instantly!

Countless golden flying swords shot towards the Flame Overlord and the other two from all directions!

The nine golden dragon phantoms also collided crazily with the three of them!

“Counterattack! Charge out!”

The Flame Overlord was shocked. He roared and waved the huge sword in his hand continuously, slashing out heavily!

The Earth Overlord and the Hundred-Armed Demon King also attacked without holding back!

They did not expect that the fierce attack they launched just now only injured Yang Luo and did not kill him!

Moreover, because of their carelessness, they were actually trapped by the array!

Clang, clang, clang!

Boom! Boom! Boom!

A series of collisions and explosions erupted from the array!

All kinds of lights flickered inside, and all kinds of energy surged inside!

Yang Luo stood outside and raised his left hand, continuously injecting energy into the array!

He continuously strengthened the array, making the lethality, destructive power, and attacking power of the array even stronger!

Therefore, no matter how many flying swords and golden dragon phantoms the Flame Overlord and the other two destroyed, these flying swords and golden dragon phantoms would continuously condense again!

The Flame Overlord and the other two immediately felt the danger of death and broke out in cold sweat!

The three of them did not dare to be careless anymore and used their killing moves to condense three more giants to collide with the formation!

“Fire of the Sun!”

The Flame Overlord’s body trembled and the flames in his body soared into the sky!

A huge scarlet fireball condensed in the sky, really like a sun!

“Landslide and Earth Shattering!”

The Earth Overlord also erupted with the energy in its body and roared!

Mountains condensed and smashed in all directions!

“Demonic Light Destruction!”

The Hundred-Armed Demon King raised his left hand and a black-gray ball of light condensed in his palm!

The ball of light kept expanding and crashing into the array!

Boom! Boom!

Rumble!

An even more terrifying collision and explosion sounded non-stop!

Chapter 1069: Yang Luo Goes Berserk!

Under the heavy attacks of the three of them!

The flying swords and golden dragon phantoms in the array kept exploding!

The nine layers of sword walls surrounding him were also constantly cracked by the explosion!

The entire array looked about to collapse!

Yang Luo's expression darkened as he continued to mobilize the True Qi in his body and injected it into the array to resist the three of them!

Although the attacks of the Flame Overlord and the other two were extremely ferocious, it was still difficult for them to destroy the entire array in a short period of time!

The Battle Demon King, who was fighting in the distance, saw that the Flame Overlord and the other two were in danger!

He sent the Dark Baron, Hazeline, Xiao Ziyun, Xu Ying, and Bujie flying as he charged towards the array!

And the moment he got close...

The Battle Demon King suddenly threw out the spear and huge shield in his hand!

Swoosh!

Pew!

The spear and huge shield tore through the air, as if it wanted to destroy everything!

At that moment...

DONG!

Tang!

The spear and the huge shield collided with the array at the same time, producing a shocking bang!

Because the four of them had joined forces to break the array...

The array formation finally could not hold on anymore!

A minute later.

Rumble!

The entire array completely collapsed and exploded!

A huge golden ball of light intertwined with various energies and lights and spread crazily in all directions!

It was so blinding that everyone could not open their eyes!

“Ahhh...”

Although the Flame Overlord, the Earth Overlord, and the Hundred-Armed Demon King had escaped, they were still sent flying!

The approaching Battle Demon King was also sent flying!

It was only when the light and energy completely dissipated that everything finally returned to calm.

Everyone looked over in shock.

A huge pit with a diameter of 500 meters was blasted out of the sea!

Even with the seawater rapidly pouring back, the gap could not be covered for a long time. It was terrifying!

Yang Luo stood on the side of the huge pit.

The Flame Overlord, Earth Overlord, Hundred-Armed Demon King, and Battle Demon King stood on the other side.

The four of them were seriously injured. Blood flowed from their bodies and mouths.

Especially the Flame Overlord, the Earth Overlord, and the Hundred-Armed Demon King, they were in an even more tragic state.

Their clothes were tattered from the explosion, and their skin and flesh were torn everywhere. There were even many places where their white bones could not be seen.

If the Battle Demon King had not helped them out just now, they would have really died in the sword formation.

At this moment.

The Flame Overlord and the other three looked at Yang Luo with endless anger and deep fear.

They were the Chief Gods and Demon Kings of the Heavenly Shrine and the Hell Demon Palace. They were famous in the entire Dark World!

Other than the fact that they were severely injured in the first Dark World war back then!

In the past few years, they had never been injured again, let alone so seriously!

However, today, they were severely injured by a young kid and almost killed!

This made them hate Yang Luo to the extreme!

The Flame Overlord took a deep breath and roared angrily, "Tonight, we'll kill you even if we have to risk everything!"

“Young brat, you’ve completely angered us. You have to die!”

The Hundred-Armed Demon King also roared.

“Let’s fight it out with this kid. I don’t believe he can last long!”

“If the four of us join forces, we’ll definitely be able to kill this kid!”

The Earth Overlord and the Battle Demon King also roared.

“You want the four of you to besiege my Brother Yang? Dream on!”

“Even if we’re not your match, we can at least help!”

At that moment, the Dark Baron, Hazeline, Xiao Ziyun, Xu Ying, and Bujie ran over and stood beside Yang Luo.

“Attack together and kill them. Kill everyone here!”

The Flame Overlord, Thunder Continent, roared angrily and prepared to charge!

The Earth Overlord, the Hundred-Armed Demon King, and the Battle Demon King were also prepared to charge forward!

But at this moment...

A powerful and mighty voice suddenly sounded from the sea.

“Come back...”

This voice was like a huge bell that struck everyone’s hearts.

Many people present were searching for the owner of the voice, but they could not find the source.

However, the Flame Overlord, the Earth Overlord, the Hundred-Armed Demon King, the Battle Demon King, and the people from Hell Fiend Palace reacted.

“Fiend Emperor, why do you want us to stop?”

The Flame Overlord asked indignantly.

“Lord Fiend Emperor, we can win this battle!”

Earth Overlord and the others were also very indignant.

“Fiend Emperor?!”

Yang Luo narrowed his eyes. “Could it be the Hell Fiend Emperor?!”

“That’s right.”

The Dark Baron nodded.

“F\*ck, is the Hell Fiend Emperor here?”

Bujie asked in shock.

“He’s not.”

The Dark Baron shook his head and said, "If the Hell Fiend Emperor comes, the commotion he creates will be much more than that."

However, the Hell Fiend Emperor did not reply.

The next second!

In the sky behind the Flame Overlord and the other three, space fluctuated violently and tore apart. A ten-meter-long rift appeared like a black hole!

Everyone present was dumbfounded by this scene!

Yang Luo's heart skipped a beat as he exclaimed, "This Hell Fiend Emperor can actually break through space?!"

Xu Ying and the rest also found it unbelievable.

Just this move shocked everyone present.

No matter how unwilling the Flame Overlord, Earth Overlord, Hundred-Armed Demon King, and Battle Demon King were, they did not dare to go against the Hell Fiend Emperor's wishes.

“Kid, I’ll spare your life this time. You won’t be so lucky next time!”

The Flame Overlord roared at Yang Luo and rushed towards the black hole.

“Kid, just you wait!”

The Earth Overlord, the Hundred-Armed Demon King, and the Battle Demon King also roared angrily and rushed towards the black hole.

“Quick, let’s go!”

The remaining thousands of people from the Hell Fiend Palace and the Heavenly Shrine also jumped onto the sea and prepared to escape.

“I don’t care about the Hell Fiend Palace or the Heavenly Shrine!

You think you can come and go as you please? It’s not that easy!”

Yang Luo was furious. He raised his sword and charged forward!

He was really angry!

At the end of every battle, these guys only knew how to escape!

Because he was too angry...

The excess Yang qi in his body became chaotic again, and a vicious aura kept rising!

“All of you, die!”

Yang Luo’s eyes were bloodshot as he swung his sword with all his might!

Whoosh! Whoosh! Whoosh! Whoosh!

Countless golden flying swords tore through the sky and shot out!

Puff! Puff! Puff!

Before the remaining 2,000 people from the Hell Fiend Palace and the Heavenly Shrine could jump into the spatial hole, they were riddled by the flying swords that shot out!

More than 2,000 people fell and died in the sea!

However, the Flame Overlord and the other three blocked all the flying swords that shot over!

However, Yang Luo did not stop there. Instead, he leaped over the huge pit that was healing on the sea and continued to charge forward!

“Brother Yang, come back quickly!”

“Little Luo, don’t go over!”

“Kid, you’re crazy!”

The Dark Baron, Xiao Ziyun, Hazeline, Xu Ying, and Bujie turned pale with fright as they hurriedly followed!

However, their speed could not compare to Yang Luo’s speed at all!

In the blink of an eye!

Yang Luo had already approached the spatial hole!

“Die!!!”

Yang Luo let out an earth-shattering roar. He gripped the Dragon Emperor Sword tightly with both hands and slashed at the Earth Overlord and the other three!

A huge golden sword tore through the night sky, even disturbing the void. It was extremely terrifying!

Chapter 1070: Surrender, Submit!

However, just as Yang Luo slashed out!

“Seeking death!”

Accompanied by a roar,

A huge black hand suddenly stretched out from the spatial hole and slapped towards Yang Luo!

The black hand was too huge and simply covered the sky. It was like a black five-fingered mountain that pressed down on Yang Luo!

In a flash!

Yang Luo's sword collided heavily with the huge black hand!

Rumble!

The earth shook and the mountains and seas shook as the sound of collision immediately exploded!

Vast, majestic, dark, and evil energy and light spread out crazily from the collision!

The seawater was lifted a hundred meters high!

One battleship after another was overturned!

The Dark Baron, Hazeline, Xiao Ziyun, Xu Ying, and Bujie who were rushing over were sent flying!

Although Yang Luo's strike was extremely powerful, he still could not withstand the suppression of the huge black hand!

The sea under his feet kept cracking and collapsing!

The skin and muscles on his arms began to tear apart, and blood splattered!

Boom...

A huge abyssal pit exploded on the sea!

"ARGH!"

Yang Luo let out a painful cry as large amounts of blood splattered from his body and he fell!

"Brother Yang!"

"Little Luo!"

"Brother Yang!"

The Dark Baron, Xiao Ziyun, and the others shouted in fear.

After slapping Yang Luo into the sea,

Only then did the huge black hand slowly dissipate.

The Flame Overlord and the other three sneered and jumped into the spatial hole.

The Hell Fiend Emperor's sonorous voice rang out once more.

"Kid, don't be arrogant. I'll naturally take your life in due time!

And your Holy Imperial Court will eventually become mine!

Hahaha..."

Until the spatial hole healed...

The Hell Fiend Emperor's voice and wild laughter still reverberated in everyone's ears, causing them to tremble.

Was this the strength of the Hell Fiend Emperor?

Before the Hell Fiend Emperor's true body arrived, he sent Yang Luo into the sea with a single palm strike!

One had to know that they had witnessed Yang Luo's strength with their own eyes just now!

The Flame Overlord, Earth Overlord, and Hundred-Armed Demon King were not Yang Luo's match even when they joined forces. Instead, they were almost killed by Yang Luo!

Even with the addition of the Battle Demon King, it was still difficult to suppress Yang Luo!

However, such a powerful Yang Luo was still no match for the Hell Fiend Emperor!

As expected of the leader of a top organization in the Dark World. He was really powerful to the point of making one's heart palpitate!

There was a long silence in the entire area.

Only then did everyone recover from their shock.

Xiao Ziyun said anxiously, "Is Little Luo alright?!"

The Dark Baron said, "The Hell Fiend Emperor himself isn't here yet, so it's impossible for him to kill Brother Yang with that palm strike alone!"

"But that kid was slapped into the sea just now. Moreover, he seemed to have vomited blood. How can he be fine?!"

Hazeline's face was filled with anxiety.

Xu Ying, Bujie, Prajna, and the others were also very worried.

However, at this moment...

Dong!

A figure broke out of the sea and landed steadily on the sea. It was Yang Luo!

Yang Luo stood on the sea and panted softly. Blood flowed out of his mouth, and there were many wounds on his body.

Clearly, the Hell Fiend Emperor had injured him with a single palm strike earlier on.

Fortunately, his injuries were not serious.

At this moment, Yang Luo's gaze was extremely cold.

He stared fixedly at the spatial hole just now, as if dark clouds and lightning were surging in his eyes.

Anger and unwillingness surged in his heart.

"Brother Yang!"

"Little Luo!"

The Dark Baron, Xiao Ziyun, and the others shouted in surprise and ran over.

Prajna, Leng Qianqian, Gustaf, and the others also ran over.

“Little Luo, how are you? Are you alright?”

Xiao Ziyun hurriedly asked.

“Don’t worry, everyone. I’m just a little injured. It’s not a big deal.”

Yang Luo shook his head and said angrily, “Unfortunately, those four guys still escaped!”

The Dark Baron said, “Brother Yang, there’s nothing to pity. The Hell Fiend Emperor has already attacked. It’s naturally very difficult for you to kill those four guys.

Furthermore, now is indeed not the time to start a full-scale war with Hell Fiend Palace.

Once the war begins, the Dark World will be in complete chaos. The flames of war will spread throughout the entire Dark World.”

Xiao Ziyun persuaded, “Little Luo, bear with it a little longer!

I believe that one day, you will stand at the top of this world!

Even the Hell Fiend Emperor will not be your match!”

Leng Qianqian and the others also nodded.

Tonight, they had all witnessed Yang Luo’s powerful strength.

They believed that as long as Yang Luo was given more time, he would definitely become stronger.

“Ok!”

Yang Luo nodded heavily, and his gaze became especially firm.

Become stronger!

He had to become stronger!

Only by becoming stronger could he not be afraid of the Hell Fiend Emperor, the Holy Light Pope, or the Heavenly God Emperor!

“Phew...”

Yang Luo let out a long breath and said, “It’s time to wrap up here!”

As he spoke, Yang Luo arrived at the battleship where the Dark Mad God was.

At this moment, the Dark Mad God still had not recovered from the shock just now. His eyes were a little dull.

He did not expect that the Flame Overlord, the Earth Overlord, the Hundred-Armed Demon King, and the Battle Demon King could not kill Yang Luo.

Furthermore, the Flame Overlord and the other three had been killed by Yang Luo and were fleeing for their lives.

In the end, they had no choice but to ask the Hell Fiend Emperor to save the Flame Overlord and the other three.

His plan was so meticulous, but it was still ruined by this kid in the end.

Yang Luo looked down at the Dark Mad God and said in a deep voice, "Now that your backer has run away, what else do you have to say?"

The Dark Mad God came back to his senses and said with a trembling voice, "Mr. Yang... I was wrong... Please spare my life!"

"Can a single apology absolve you of your sins?"

Yang Luo's gaze was extremely cold, "It's because you started this war!

That's why so many people lost their lives. You still have the cheek to beg for mercy?"

If he hadn't arrived in time with the Dark Baron and the others, Third Sister and Brother Butcher wouldn't have survived.

Dark Mad God cried bitterly and said, "Mr. Yang, I'm also working for the Hell Fiend Palace and the Heavenly Shrine!

Please spare my life. As long as you can spare my life, I'm willing to be a servant!"

Yang Luo said coldly, "I don't need a servant like you!

As for this Hell Fiend Palace and the Heavenly Shrine, one day, I will completely destroy them!”

As he spoke, Yang Luo waved the Dragon Emperor Sword in his hand and slit the Dark Mad God’s throat!

“Uhhhhh...”

The Dark Mad God held his throat and widened his eyes. He wanted to speak, but he could not say a word.

After a while, he completely stopped breathing.

At this point.

The Dark Mad God, one of the four Kings of Assassins in the Dark World, had fallen!

Xiao Ziyun, Leng Qianqian, and the others also sighed.

The Dark Mad God had indeed left many legends in the Dark World.

This guy had single-handedly created the Dark Shrine a few years ago!

Then, he led the Dark Shrine to fight everywhere and made the Dark Shrine become a top-notch assassin organization in one go. He also made himself the King of Assassins!

His name resounded throughout the Dark World!

Unfortunately, this guy's ambition was too great!

The Dark World had just begun to fall into chaos, but he had already jumped out and wanted to annex so many organizations!

In the end, he died under his greed and ambition!

After killing the Dark Mad God...

Yang Luo raised the sword in his hand and looked at the remaining tens of thousands of people from the eight organizations led by the Dark Mad God. He said in a booming voice, "The Dark Mad God is already dead. Do you still want to continue fighting?"

"No, no, no. Mr. Yang, we're willing to surrender and submit!"

“No, we’re not fighting anymore!”

The remaining tens of thousands of people from the Dark Shrine and the other eight organizations threw away their weapons and knelt down.
