Chapter 1111: Six Overlords!

Yang Luo looked up at the King of Berserkers and said, “King of Berserkers, do you still want to continue fighting?”

The King of Berserkers let out a long breath and shook his head, “Kid, there’s no need to continue. I’ve already lost to you!”

“Thank you for letting me win!”

Yang Luo cupped his hands.

Seeing that the King of Berserkers had admitted defeat, Xu Ying and the other two heaved a sigh of relief.

Although this battle ended quickly, they had to admit that the King of Berserkers was indeed an expert.

It was only because Yang Luo was stronger that he lost.

If it were them, even if they joined forces, they would probably not be a match for the King of Berserkers.

This also strengthened their belief that they had to become stronger.

Soon, Yang Luo and the King of Berserkers returned to the island.

The King of Berserkers looked at Yang Luo and said with a smile, “Kid, this shouldn’t be your true strength, right?”

Yang Luo nodded in reply.

The King of Berserkers was shocked and said in admiration, "I didn't expect there to be a young top expert like you in this world!

Kid, you're very to my liking. I'm willing to be friends with you!"

He was completely convinced by Yang Luo, so he didn't call himself 'This King' anymore.

Yang Luo smiled and said, "It's my honor to be friends with you!"

"You're really straightforward!"

The King of Berserkers laughed loudly. He suddenly thought of something and said, "I've been hearing the story of how a kid has turned the Dark World upside down during this period of time!

He had destroyed many organizations and defeated many experts!

I think that kid's name is also Yang Luo. Could it be you?"

"It should be me."

Yang Luo nodded in reply.

"F*ck, it's really you?!"

The King of Berserkers was instantly stunned, "The reason why I was conferred the title of 'King of Berserkers' was because I was born to fight and like to challenge the strong!

Therefore, after hearing about you, I've long wanted to meet you. I just didn't expect to meet you here!"

Yang Luo smiled and said, "Perhaps this is fate!"

As he spoke, Yang Luo asked, "By the way, Brother, since you know about the Dark World, are you also in the Dark World?"

The King of Berserkers replied, "I'm from the Hidden Alliance. I'm ranked among the Ten Kings."

"What?! You're from the Hidden Alliance?!"

Yang Luo was stunned.

Xu Ying, Bujie, and Prajna were also dumbfounded.

"Yeah, why?"

The King of Berserkers looked puzzled.

Yang Luo asked, "The last 'Pharaoh' of Country Golden Tower, Bagutra, is also one of your people?"

"You mean that guy? He's indeed another of the Ten Kings of our hidden alliance."

The King of Berserkers nodded and continued, "However, that guy is a lunatic. He always goes around carrying a coffin."

Hearing this...

Yang Luo, Xu Ying, Bujie, and Prajna immediately laughed.

Indeed, when they saw Bagutra not long ago, that fellow had run out of the coffin.

The King of Berserkers asked curiously, "Have you seen Bagutra?"

"We have."

Yang Luo nodded and told the King of Berserkers about seeing Bagutra in Country Golden Tower not long ago.

The King of Berserkers curled his lips and said, "So this guy went to sleep in a pile of dead people again."

"Pile of dead people?"

Yang Luo looked puzzled.

The King of Berserkers shrugged and said, "The pyramid is filled with mummies, dried corpses. Aren't they considered a pile of dead people?"

Yang Luo and the others were caught between laughter and tears.

However, it made sense. The pyramid was indeed filled with mummies. Other than Bagutra, there was no one else alive.

The King of Berserkers looked at Yang Luo with even more admiration, "Kid, you were able to defeat that lunatic before your cultivation broke through.

Looks like your true strength is far beyond what you displayed just now."

Yang Luo said truthfully, "Actually, I only used 60% of my strength just now."

“What?! 60% strength?!”

The King of Berserkers was stunned.

Xu Ying, Bujie, and Prajna were also stunned.

After all, they did not know how strong Yang Luo was now.

Yang Luo smiled and said, “Brother, if you don’t believe me, we can continue fighting.”

“I think I’ll pass.”

The King of Berserkers shook his head repeatedly, “Although I like to fight, I’m not suicidal.”

Yang Luo and the others instantly laughed.

The big guy looked serious, but he turned out to be such a joker.

Yang Luo said, “Brother, now that the Dark World is about to fall into chaos, your Hidden Alliance should know about this, right?”

“Of course I do.”

The King of Berserkers spread his hands and said, “The Dark World will be in chaos from time to time. We’re already used to it, so we didn’t pay attention to it.”

Yang Luo said solemnly, “This chaos was caused by the Holy Light Church, the Heavenly Shrine, and the Hell Fiend Palace. It will no longer be a small-scale dispute this time.

Once chaos breaks out, it will affect the entire Dark World. I'm afraid your Hidden Alliance won't be able to stay out of it."

The King of Berserkers frowned and said, "Brother, you mean that these three organizations will attack our Hidden Alliance?"

Yang Luo said, "Not only will these three organizations attack your Hidden Alliance, but they will also attack the Holy Imperial Court and all the organizations.

Their goal is to make all organizations submit to them before dividing the resources of the entire Dark World.

Of course, I'm not sure if they have any other motives."

"It's that serious?"

The King of Berserkers' frown deepened.

"I'm afraid it's going to be worse than I said."

Yang Luo sighed and continued, "If possible, our Holy Imperial Court would like to form an alliance with your Hidden Alliance to fight against these three major organizations."

"Your Holy Imperial Court?"

The King of Berserkers was a little confused.

Yang Luo said, "Soon, I will take control of the Holy Imperial Court and succeed the position of the next Divine Emperor!

Our Holy Imperial Court needs a powerful ally like your Hidden Alliance!"

“Holy shit!”

The King of Berserkers was shocked, “Brother, you will become the next Divine King of the Holy Imperial Court?!”

Yang Luo nodded and said, “After I obtain the recognition of all the Divine Kings, I can succeed the position of Divine Emperor!”

The King of Berserkers exclaimed, “Oh my god, I didn’t expect you to be the successor of the next Divine Emperor. This is big news!”

“I’m not the Emperor yet, but I believe that I will be able to take control of the Holy Imperial Court very soon!”

Yang Luo replied and continued, “Previously, I also mentioned the the option of alliance with the Pharaoh. However, the Pharaoh can’t make the decision. It depends on the decision of the master of the Hidden Alliance!”

The King of Berserkers pondered and said, “Brother, although I really want to form an alliance with you, this matter is too big. Our Emperor has to make the decision!

Don’t worry, I’ll tell our Emperor what you’re thinking!

However, if you want to see my Emperor and talk to him as an equal, you have to succeed the position of Divine Emperor as soon as possible!”

Yang Luo’s gaze was firm as he said, “I will take control of the Holy Imperial Court as soon as possible and succeed the position of Divine Emperor!”

The King of Berserkers laughed loudly and said, “After you become the Divine Emperor of the Holy Imperial Court, I’ll have a lot of bragging rights!

My brother is the Divine Emperor of the Holy Imperial Court. Who would dare to disobey me?

Brother, let's go and drink in my palace!"

"Alright!"

Yang Luo agreed immediately.

Then, the King of Berserkers raised his right hand and prepared to use his ability to separate the sea.

But right at this moment...

A teasing voice came from the distant sea.

"Kid, we've been looking for you for more than a week. I didn't expect you to be hiding here!"

Upon hearing this voice...

Yang Luo and the others turned to look.

A golden ancient ship sailed over from afar.

There were six figures standing on the boat.

Yang Luo, Xu Ying, Bujie, and Prajna recognized three of them at a glance.

They were the Flame Overlord, the Earth Overlord, and the Deep Sea Lord!

But they did not know the other three.

One of them looked tall and strong. He wore golden armor and carried a golden bow on his back. A golden sword hung from his waist.

The second was thin and wore a black robe. His face was pale and he held a black scepter in his hand.

The third had a graceful figure and a beautiful face. She wore a long red dress and held a red scepter in her hand.

“So it’s these annoying fellows!”

The King of Berserkers looked up at the six of them and his expression darkened.

“Brother, do you know them?”

Yang Luo asked.

“Of course I do.”

The King of Berserkers nodded and said, “These six fellows are all Chief Gods of the Heavenly Shrine!

The one wearing the golden armor is the Light Overlord!

The one in the black robe is the Darkness Overlord!

The one in the red dress is Lady Wisdom!

“The other three are the Flame Overlord, the Earth Overlord, and the Deep Sea Lord!”

Chapter 1112: Fierce Battle on the Island!

Yang Luo said in a deep voice, "I know the Flame Overlord, the Earth Overlord, and the Deep Sea Lord. I've dealt with them before and injured them!"

Looks like these guys are definitely here to cause trouble for me!"

"I see."

King of Berserkers nodded in realization and said disdainfully, "These guys keep saying that they're descendants of the gods and call themselves gods. They're simply shameless!"

"Brother is right!"

Bujie continued, "They are a bunch of shameless fellows!"

Soon, the golden ancient ship arrived at the shore.

Light Overlord and the others jumped onto the shore.

Then, Light Overlord waved his right hand.

The golden ancient ship instantly became the size of a palm and was put away by him.

King of Berserkers said in a loud voice, "The six of you barged into my territory without permission. Are you courting death?"

Light Overlord said coldly, "King of Berserkers, we're only here to kill this kid!"

If you don't want to be implicated, leave quickly!"

"Yang Luo is my brother. Did you ask me if you wanted to kill him?"

King of Berserkers took a step forward and stood in front of Yang Luo.

Seeing King of Berserkers' actions, the corners of Yang Luo's mouth curled up slightly.

Although this guy was a little strange, he had a straightforward personality and was quite loyal.

Light Overlord's expression darkened, "King of Berserkers, our Heavenly Shrine has no intention of becoming enemies with your Hidden Alliance!

However, if you insist on getting involved in this matter, don't blame us for being impolite!"

"Polite your mother!"

King of Berserkers was not afraid at all. He said domineeringly, "You're not being polite to me at all. Come, you can try!"

The six Overlords frowned at his answer.

They did not expect Yang Luo to be on such good terms with the King of Berserkers.

However, they had never thought of touching the Hidden Alliance.

After all, the Hidden Alliance was the same as their Heavenly Shrine. They were both top organizations in the Dark World.

Especially the master of the Hidden Alliance. It was said that he was very powerful and was not inferior to their emperor.

Unless it was absolutely necessary, they did not want to become enemies with the Hidden Alliance so quickly.

King of Berserkers sneered and said, "Didn't you guys want to be impolite to me? Come on, why aren't you saying anything?"

If you don't dare, then scram!"

Light Overlord shouted, "King of Berserkers, I'll give you one more chance. Leave quickly!"

"What if I don't leave?"

King of Berserkers asked in a deep voice.

Darkness Overlord said coldly, "If you don't leave, we'll kill you too!"

"Is that so?"

King of Berserkers immediately smiled, "If you want to kill me, it depends on whether you have the strength!"

Before his voice could fade...

King of Berserkers shook!

Dong!

A bronze beam of light instantly shot into the sky from his body!

The ground shook as a large number of rocks were sent flying into the sky!

Yang Luo took out the Dragon-Mark Buddhist Staff and the Dragon Sparrow Saber from his storage ring. He threw them to Bujie and Xu Ying and shouted, "Prepare for battle!"

"Yes!"

Xu Ying, Bujie, and Prajna replied in unison.

In an instant!

Boom boom boom boom!

Four beams of light shot up from Yang Luo and the others, breaking through the clouds in the sky!

Light Overlord said angrily, "King of Berserkers, since you don't know what's good for you, then die with these guys!"

In any case, their Heavenly Shrine had already formed an alliance with the Holy Light Church and Hell Fiend Palace. They were not afraid of offending the Hidden Alliance!

In an instant!

Light Overlord and the others also released their own powerful pressure and auras!

Six beams of light shot into the sky from their bodies!

Rumble rumble rumble!

The entire island and even the sea within a radius of tens of thousands of meters shook violently!

Thousands of huge waves surged around the island, as if they were trying to envelope their entire island!

Fortunately, there was no one within a hundred miles. Otherwise, they would definitely be shocked by the scene in front of them!

“Fight!”

King of Berserkers let out an explosive roar. He swung his thick, pillar-like legs and rushed towards Light Overlord and the others!

Yang Luo and the other three also moved and charged forward!

“Kill them!”

Light Overlord pulled out the golden sword at his waist and turned into a golden stream of light as he charged forward!

Darkness Overlord, Lady Wisdom, Flame Overlord, Earth Overlord, and Deep Sea Lord also moved at the same time, turning into streams of light and charging forward!

At that moment...

The two sides approached each other and launched fierce attacks!

Light Overlord waved the golden sword in his hand and slashed forward!

“Divine Light Slash!”

Swoosh!

A huge golden sword tore through the sky and slashed at Yang Luo, the King of Berserkers, and the others!

“Ray of Darkness!”

Darkness Overlord waved the black scepter in his hand!

Pew!

A dark and evil beam of light shot out!

“Undead Summoning!”

Lady Wisdom waved the red scepter in her hand!

Countless blood-red undead condensed into form and let out wild shrieks and howls as they pounced forward!

“Flame God Slash!”

“Earth Hammer!”

“Waves overflowing!”

Flame Overlord brandished the scarlet longsword in his hand!

Earth Overlord swung the giant hammer in his hand!

Deep Sea Lord waved the trident in his hand!

A scarlet flaming greatsword that carried a monstrous flame slashed out furiously!

A huge gray hammer smashed out with huge rocks that filled the sky!

A blue-gold trident swept up huge waves as it slashed out!

“Berserker’s Punch!”

King of Berserkers roared and twisted his fist. He mobilized 300 times the gravity and blasted out!

“Dragon Emperor Fist!”

Yang Luo also punched out!

A huge golden fist coiled around the phantom of a golden dragon and collided!

“Floating Light and Shadow!”

“Devil Slaying Bandits!”

“Ice and Fire Rolling Heavens!”

Xu Ying, Bujie, and Prajna also launched a series of attacks!

The platinum saber slashed out with majestic Saber Qi!

The golden staff erupted with a blinding Buddhist light and swept up!

The Sun and Moon Divine Staff erupted with ice and flames as it swept out!

In an instant!

Boom! Boom!

Rumble!

Layers of attacks collided and exploded in the sky!

All kinds of light and energy spread out from the collision, destroying everything in the surroundings!

The ground kept tearing and collapsing!

Turbulent waves rose in the sea!

In less than half a minute!

Accompanied by a rumbling explosion!

Flame Overlord and the other three were sent flying at the same time!

Xu Ying, Bujie, and Prajna were also forced back!

King of Berserkers was also forced to take a few steps back!

Only Yang Luo did not move at all and stood proudly in front!

King of Berserkers clicked his tongue and said, "Brother, I finally believe you now!

Your strength is probably far above ours!"

After Light Overlord and the others flew dozens of meters away, they stabilized their bodies!

"What's going on? Why has this kid's strength increased again?!"

Flame Overlord could not help but exclaim.

Earth Overlord frowned and said, "How did this kid's strength increase so quickly? How long has it been?"

Deep Sea Lord said in a deep voice, "This kid is indeed very strange. He seems to be constantly growing!"

"So what!"

The Light Overlord said proudly, "If the six of us join forces, I don't believe we can't kill this kid!"

"That's right. No matter how strong this kid is, he'll only die today!"

Darkness Overlord echoed.

Flame Overlord reminded, "Light, Darkness, this kid is not simple. You guys have to be careful!"

"This kid should be the one to be careful!"

Light Overlord sneered and charged forward!

Without any hesitation, Darkness Overlord and Lady Wisdom charged forward as well!

Seeing this, Flame Overlord, Earth Overlord, and Deep Sea Lord also charged forward!

Chapter 1113: Desolate Dragon Breath!

The six Overlords charged forward again!

At this moment, Yang Luo said loudly, "Brother, deal with the Earth Overlord!

Xu Ying, Bujie, Prajna, deal with the Deep Sea Lord!

"Leave the Light Overlord, Darkness Overlord, Flame Overlord, and Lady Wisdom to me!"

Through the exchange just now....

He realized that the Light Overlord, Darkness Overlord, Flame Overlord, and Lady Wisdom were the strongest.

The Earth Overlord was second. He could leave the guy to the King of Berserkers to deal with.

Deep Sea Lord was the weakest. By doing so, he could let Xu Ying and the other two train their martial arts.

"Brother, can you handle four people alone?"

King of Berserkers asked.

Yang Luo said loudly, "Brother, don't worry. These four guys are not my match!"

"Alright, let's do that!"

The King of Berserkers nodded in agreement and charged towards Earth Overlord!

Xu Ying, Bujie, and Prajna charged towards Deep Sea Lord!

Meanwhile, Yang Luo charged towards Light Overlord, Darkness Overlord, Flame Overlord, and Lady Wisdom!

As they caught sight of Yang Luo charging over!

The four Overlords attacked at the same time!

"Light Judgment!"

Light Overlord waved the golden sword in his hand and slashed out heavily!

A huge golden sword erupted with a dazzling golden light and slashed at Yang Luo!

"Dark Behemoth!"

Darkness Overlord raised the scepter in his hand and swung it!

Black beasts condensed into form and pounced at Yang Luo!

“Crimson Flame!”

Flame Overlord swung the scarlet flaming longsword in his hand with all his might!

With a slash of his sword, flames burned and surged towards Yang Luo!

“Wisdom Wheel!”

Lady Wisdom waved the scepter in her hand!

A four-colored light wheel condensed into form. Red, white, yellow, and green lights smashed towards Yang Luo from the sky!

Even when facing the fierce attacks of the four people!

Yang Luo was fearless. He raised his right hand and condensed a golden palm print, slapping out again!

“True Dragon Palm!”

“ROAR!”

As a huge golden palm slapped out!

A golden dragon phantom also let out a dragon roar and charged out!

Rumble!

Layers of attacks collided, causing a series of shocking explosions!

Light soared into the sky, and energy surged. The brilliance contained endless destructive power!

However, the golden palm print that Yang Luo slapped out was too terrifying. It directly destroyed the attacks of the four of them and slapped heavily on their bodies!

Light Overlord, Darkness Overlord, Flame Overlord, and Lady Wisdom's protective light barriers were shattered and sent flying at the same time!

Yang Luo did not stop at all. With a move, he continued to pursue!

Seeing Yang Luo charging over!

Light Overlord hung the golden sword on his waist and took off the golden bow on his back!

He drew the bow with both hands and condensed energy into a golden arrow that shot out!

Swoosh!

A golden arrow tore through the air. It was extremely fast and sharp, as if it wanted to pierce through everything!

Yang Luo sneered and raised his palm. With a bang, he shattered the arrow that shot over!

"This...!"

Light Overlord's expression darkened as he continued to draw his bow!

Whoosh! Whoosh! Whoosh! Whoosh!

Countless golden arrows condensed and shot over!

“Hand of Darkness!”

Darkness Overlord waved the scepter in his hand and hollered!

A huge black hand condensed in the sky and pressed down on Yang Luo like a black five-fingered mountain!

“Flame Tornado!”

Flame Overlord raised the sword in his hand and slashed out!

With a slash of his sword, flaming tornadoes swept through the world, burning everything as they crushed towards Yang Luo!

“Heavenly God Sacrifice!”

Lady Wisdom raised the scepter in her hand and pointed it at the sky!

A four-colored sacrificial altar condensed in the sky. Mysterious runes floated as it attacked Yang Luo!

The four of them attacked once more!

Yang Luo’s eyes suddenly widened, and golden flames danced in his pupils as he let out an explosive roar!

“Desolate Dragon Breath!”

In the blink of an eye!

A huge golden dragon phantom condensed in the sky above him. Then, it opened its mouth and let out a dragon roar!

“ROAR!”

A golden flame spewed out of the golden dragon phantom’s mouth. Wherever it passed, everything was burned to ashes!

After stepping into the Dao Convergence Realm, Yang Luo could unleash even more moves!

And the “Desolate Dragon Breath” was just one of the moves!

As soon as the dragon breath appeared, it burned the sky and destroyed the earth. It turned the world into a desolate scene!

Rumble!

The golden arrows, the black hand, the flaming tornadoes, and the sacrificial altar were all burned and destroyed!

Light Overlord and the other three were sent flying and retreated repeatedly. Their bodies were also burned on a large scale, and they screamed in pain!

After this golden dragon phantom spat out a mouthful of dragon breath, it surged out and ruthlessly collided with Light Overlord and the other three!

“Quickly defend!”

Light Overlord shouted in shock. With a wave of his hand, he condensed a huge golden shield and blocked in front!

Darkness Overlord, Flame Overlord, and Lady Wisdom also condensed three huge shields and blocked in front!

In an instant!

Rumble!

This huge golden dragon phantom directly shattered the huge shields condensed by the four of them and collided with their bodies!

“Ahhhh...”

Light Overlord and the other three let out tragic cries as they were sent flying from the island to the sea!

However, Yang Luo’s attacks did not stop there!

He waved his hand again and let out a deafening roar!

“Sword, come!”

Whoosh!

The Dragon Emperor Sword flew out of his storage ring and shot towards Light Overlord and the other three on the sea!

“D*mn it!”

Light Overlord roared angrily and put away his golden bow. He pulled out his golden sword again and slashed out!

“Light Punishment!”

Swoosh!

A huge golden sword tore through the sky, splitting the sea as it slashed towards the Dragon Emperor Sword!

“Dark Divine Seal!”

Darkness Overlord waved the black scepter in his hand!

A black seal engraved with mysterious runes condensed into form and struck out!

“Solar Flare!”

Flame Overlord slashed out fiercely!

Scarlet flames gathered crazily and transformed into an enormous fireball that struck out like the sun!

Wherever the fireball passed, large amounts of seawater evaporated and steam rose!

“Undead Storm!”

Lady Wisdom waved the scepter in her hand!

A red storm rose from the sea and crushed upwards!

Boom! Boom!

The Dragon Emperor Sword collided heavily with the attacks of the Light Overlord and the other three, causing a series of explosions!

A few seconds later.

Rumble!

The four attacks were destroyed by this sword!

The Dragon Emperor Sword was also sent flying!

With just one step, Yang Luo crossed hundreds of meters and arrived at the sea. He raised his hand and caught the Dragon Emperor Sword!

He looked up at Light Overlord and the other three before saying in a shocked voice, “With your current strength, you dare to come and try to kill me? You’re really bold!”

Light Overlord and the other three stared intently at Yang Luo, their expressions turning solemn.

Especially Light Overlord, Darkness Overlord, and Lady Wisdom, their eyes were filled with shock.

After all, they had not fought with Yang Luo before and did not know how strong he was.

But now, they understood.

This kid was too terrifying. He actually suppressed the four of them by himself...

Chapter 1114: All-heaven Divine Formation!

Light Overlord gritted his teeth and said, "Everyone, don't hold back. Use your strongest strength to kill this kid!"

"Alright!"

Darkness Overlord, Flame Overlord, and Lady Wisdom replied in shock.

Before their voices could fade...

Waves of earth-shattering pressure and aura erupted from their bodies!

Rumble rumble rumble!

The sea within a radius of tens of thousands of meters began to tremble violently and surge wantonly, as if it had triggered a huge tsunami!

Huge waves surged into the sky and covered the sky!

"Kill!"

Light Overlord let out a roar and charged at Yang Luo first!

Darkness Overlord, Flame Overlord, and Lady Wisdom also charged towards Yang Luo furiously!

Seeing the four of them charging over!

Yang Luo took a step forward and welcomed the battle!

“God of Light Slash!”

“Flaming Sun God Slash!”

Light Overlord and the Flame Overlord rushed to the front and swung their swords crazily!

The huge golden and flaming swords that filled the sky slashed towards Yang Luo in an overwhelming manner!

Brilliant light and flames surged into the sky, chaotic the sky and the sea!

“The Sea of Darkness!”

Darkness Overlord suddenly waved the scepter in his hand!

Whoosh! Whoosh!

Waves of black energy seemed to have turned into a black sea and surged towards Yang Luo!

“Departed Spirit Gate!”

Lady Wisdom raised the scepter in her hand and pointed it at the sky!

A huge blood-red door condensed into form!

The huge door opened!

Countless blood-colored undead rushed out like a Greater Undead Army and pounced at Yang Luo!

Yang Luo was not afraid at all. He gripped the Dragon Emperor Sword tightly with both hands and slashed forward!

“Emperor Dragon Sword Technique!”

“Dragon Suppresses Mountains and Rivers!”

Swoosh!

A huge golden sword slashed down from the sky!

A huge golden dragon phantom roared out!

Rumble!

The attacks of the Light Overlord and the other three were all destroyed by this sword!

“Quickly dodge!”

Light Overlord shouted and hurriedly dodged!

Darkness Overlord, Flame Overlord, and Lady Wisdom also dodged to the side!

Bang!

After destroying the attacks of the four of them, this sword ruthlessly struck the sea!

A gully of more than 200 meters was formed in the vast sea!

However, before the four of them could react!

Yang Luo swung his sword again!

“Ten Thousand Swords Break Through the Sky!”

Whoosh! Whoosh! Whoosh! Whoosh!

Countless golden flying swords condensed and shot towards the Light Overlord and the other three!

Light Overlord and the other three hurriedly condensed energy shields to block!

Dong, dong, dong!

Countless flying swords collided heavily with the huge shield, producing a series of loud bangs!

However, the four huge shields that they had condensed were destroyed in less than a few minutes!

After destroying the four shields!

Countless flying swords continued to shoot towards them!

“Counterattack!”

Light Overlord roared and waved the sword in his hand, launching a counterattack!

Darkness Overlord, Flame Overlord, and Lady Wisdom also launched a counterattack!

Beams of light and energy burst out and destroyed the flying swords that filled the sky!

After destroying the flying swords that filled the sky, the attacks from the four of them continued to shoot towards Yang Luo!

Rumble!

A shocking explosion occurred in the area where Yang Luo was. It was as if dozens of missiles had exploded at the same time!

However, just as the light and energy dissipated...

However, the Light Overlord and the other three discovered that Yang Luo's figure had disappeared from the area of the explosion!

"Where is he?!"

Light Overlord's expression changed.

"Could it be that the kid already died?!"

Darkness Overlord asked.

“That’s impossible!”

Flame Overlord’s expression was solemn, “This kid won’t be killed so easily!”

Before their voices could fade...

Suddenly!

A thunderous roar came from the sky!

“Sword Splits the World!”

Light Overlord and the other three suddenly looked up into the sky!

They saw that Yang Luo had already appeared above them and slashed at them!

Swoosh!

A huge golden sword broke through the clouds, tore through the sky, and slashed fiercely at the four of them!

It was as if a god had slashed down!

Light Overlord's expression changed drastically. He gripped the golden sword tightly with both hands and slashed towards the sky!

Flame Overlord gripped his flaming sword tightly with both hands and slashed at the sky as well!

Darkness Overlord waved the scepter in his hand and condensed tens of thousands of black beams that shot into the sky!

Lady Wisdom waved the scepter in her hand and condensed tens of thousands of icicles that tore through the air!

Rumble!

The huge golden sword that Yang Luo slashed out collided with the attacks of the four of them again, erupting with an earth-shattering sound!

Although Light Overlord and the other three had barely withstood Yang Luo's sword, the sword qi that erupted had cut open their bodies!

“Continue attacking!”

Light Overlord let out a roar and continued to attack!

Darkness Overlord, Flame Overlord, and Lady Wisdom also launched a fierce attack!

Four attacks soared into the sky, as if they wanted to kill Yang Luo who was in the sky!

However, when Yang Luo swooped down, he slashed out again!

“Sword Against the Nine Heavens!”

Swoosh! Swoosh! Swoosh!

With a slash of the sword, nine huge swords slashed down!

The nine swords slashed down at the same time, terrifying to the heavens!

The attacks of the Light Overlord and the other three were all destroyed!

After destroying the attacks of the four of them!

The nine huge swords continued to slash down crazily!

“Retreat!”

Light Overlord screamed and quickly retreated.

Darkness Overlord, Flame Overlord, and Lady Wisdom were also frightened and quickly retreated.

Puff! Puff! Puff!

Even though the four of them had reacted and retreated, their chests were cut open so deep that their bones could be seen!

Blood splattered everywhere. It was a tragic sight!

Rumble rumble rumble!

The nine huge swords struck the sea at the same time, creating nine 200-meter-long ravines!

Yang Luo floated in the air for a few minutes before landing steadily on the surface of the sea!

He looked up at the four people in the distance and said indifferently, "Even if you guys became serious, what difference did it make?"

Light Overlord and the other three were so angry that their chests heaved up and down, and their faces were filled with anger.

They found it unbelievable. How could this kid be so strong?

No matter how ferocious their attacks were, they could not hurt this kid at all!

Instead, they were injured by this kid again and again!

This was a crushing defeat, a complete abuse!

Just as the four of them were in a daze!

Yang Luo moved and charged at the four of them again!

Seeing Yang Luo speed over...

The Light Overlord said ruthlessly, "Set up the All-heaven Divine Formation and kill this kid!"

"Alright!"

Darkness Overlord, Flame Overlord, and Lady Wisdom replied in unison

Then, the four of them waved the swords and scepters in their hands with all their might and roared at the same time!

"All-heaven Divine Formation!"

At that moment...

Beams of dazzling light shot up into the sky around Yang Luo!

One by one, halos condensed in the sky!

Dense beams of light interweaved together, and countless runes floated in the sky!

A blood-colored array condensed and trapped Yang Luo inside!

As the formation condensed into form...

Light Overlord and the other three shouted again!

“Activate the array!!!”

The array was activated instantly!

Countless golden lightsabers, flaming swords, and colorful beams of light shot out!

Tens of thousands of undead condensed and pounced forward!

Black tombstones condensed into form one after another and charged forward!

There were even statues that took form and charged forward!

The attacks that erupted from the array attacked Yang Luo in the array!

“Is this array even worthy of being called a divine array?

What a joke!”

Yang Luo sneered, his eyes full of disdain.

After all, the strongest among these Chief Gods was only at the late-stage Martial Emperor Realm.

For the current him, dealing with a Martial Emperor Realm expert was simply a piece of cake.

Even if the formation they set up was very powerful and mysterious, it could not threaten him.

Chapter 1115: Settling the Score Next Time!

Before their voices could fade...

Yang Luo's body shook!

Golden lightning and golden flames surged out of his body and washed in all directions!

Rumble!

All the attacks that erupted from the array were destroyed at the same time!

The entire array formation began to shatter as well. It could no longer hold on!

Light Overlord shouted, "Hurry up and reinforce the array!"

As he spoke, Light Overlord continuously transferred the energy in his body into the array!

Darkness Overlord, Flame Overlord, and Lady Wisdom also transferred their powers into the array!

The originally broken array began to repair itself!

Waves of even more ferocious attacks erupted from the array and bombarded Yang Luo!

“Even if you reinforce the array, so what?”

Yang Luo sneered. He gripped the Dragon Emperor Sword tightly with both hands and slashed at the array with all his might!

In an instant!

Rumble!

The array could no longer withstand it and directly collapsed and exploded!

Before Light Overlord and the other three could retreat, they were blasted away!

They flew out a hundred meters away in one go!

Only then did the four of them stabilize their bodies!

They were drenched in blood from the explosion and blood gushed out of their mouths. It was a tragic sight!

“This... can’t even kill him?”

Light Overlord’s eyes were filled with fear.

Fear appeared in the eyes of the Darkness Overlord and Lady Wisdom as well.

As for Flame Overlord, his expression was even more uncertain.

He thought that he would definitely be able to kill Yang Luo this time.

However, who knew that this kid’s strength had somehow increased yet again?

Could they really kill this kid?

At this moment!

Dong!

Dong!

Two more explosions sounded!

King of Berserkers sent the Earth Overlord flying!

Xu Ying, Bujie, and Prajna sent the Deep Sea Lord flying!

Soon, the Earth Overlord, Deep Sea Lord, and the group with Light Overlord met up!

King of Berserkers and Xu Ying came to Yang Luo's side.

"Brother, you're really something. I didn't expect you to suppress these four guys alone. You're really amazing!"

The King of Berserkers said with admiration.

Yang Luo smiled and said, "Brother, you're not weak either. You even sent Earth Overlord flying."

King of Berserkers shook his head and said, "I'm still far inferior to you!"

Bujie pursed his lips and said, "Brother, this guy is a monster. Don't compare yourself to him!"

Seeing that Yang Luo and the others were actually chatting...

The Light Overlord and the other three instantly felt insulted.

As descendants of the god race and Chief Gods of the Heavenly Shrines, they had never been humiliated like this before.

These fellows clearly did not take them seriously!

"Let's fight it out with these guys!"

Light Overlord roared and his aura surged again!

The auras of the Darkness Overlord and the other three also rose explosively!

The pressure and aura that spread out was like a surging sea, terrifying to the extreme.

After their aura and combat strength soared to the brim!

Light Overlord's body trembled and he let out an explosive roar!

"God of Light!"

In the blink of an eye!

A nearly 100-meter-tall golden giant stood tall. It wore golden armor and held a huge golden sword!

"God of Darkness!"

"God of Fire!"

"God of Wisdom!"

"God of Earth!"

"God of the Ocean!"

Darkness Overlord, Flame Overlord, Lady Wisdom, Earth Overlord, and Deep Sea Lord all roared!

Five giants that were dozens of meters tall stood above them!

At this moment...

Six giants stood tall in the sky, as if the legendary Olympian gods had descended!

Then, the Light Overlord and the others waved their hands and let out a roar!

“Kill!!!”

The six giants stepped forward at the same time and charged at Yang Luo and the others!

The moment the six giants charged over!

Yang Luo's body shook!

“Nine Heavens, Dragon’s Fury!”

“Roar, roar, roar!”

Accompanied by dragon roars!

Nine huge golden dragon phantoms roared out of his body and collided with the six giants!

“God of Berserkers!”

The King of Berserkers trembled and roared!

A bronze giant that was dozens of meters tall stood above him. It was as if a god from Mayan mythology had descended and charged forward!

Xu Ying, Bujie, and Prajna also brandished their weapons and launched a fierce attack!

At that very moment...

Boom! Boom!

A series of earth-shattering collision sounds resounded!

Within a few seconds of impact...

Rumble!

A huge explosion exploded on the sea!

Blinding light and violent energy erupted from the explosion!

Tens of thousands of huge waves soared into the sky, connecting the sky and the sea!

This scene was as if the end of the world had arrived!

A few minutes passed in this state before everything settled back to its original silence.

Only then did the light and energy completely dissipate.

The huge wave that surged up also fell back into the sea.

What greeted them was the sight of an abyssal pit with a diameter of a thousand meters having been blasted out of the sea.

However, Light Overlord and the others had already disappeared.

Only pools of blood were left on the sea.

“Hmm?”

The King of Berserkers was stunned for a moment. He frowned and said, “Where are these six guys? Are they already dead?”

Yang Luo shook his head and said, “They didn’t die. Instead, they escaped.”

“What?! Escaped?!”

The corners of the King of Berserkers’ mouth twitched, “Damn, these guys are too cunning. They ran away when they couldn’t win?”

Bujie pursed his lips and said, "Brother, calm down. These guys have already run away more than once."

Yang Luo, Xu Ying, and Prajna nodded.

By now, they were already used to it.

"What do you mean?"

The King of Berserkers asked in confusion.

Yang Luo told the King of Berserkers about his previous dealings with these guys.

After hearing Yang Luo's story...

"So that's why."

King of Berserkers nodded in realization.

Then, he gave Yang Luo a thumbs up. “Brother, I didn’t expect the Holy Light Church’s Guardian Angel, the Chief Gods of the Heavenly Shrine, and the Demon King of the Hell Demon Palace to be beaten by you so badly that they could only flee for their lives. Impressive!”

Yang Luo said helplessly, “It’s a pity that we can only injure them every time and can’t kill them.”

King of Berserkers said, “It’s indeed a pity, but it’s fine.

When the real battle comes later, we’ll settle the score with them.”

“Yep!”

Yang Luo nodded heavily.

In any case, those guys would jump out eventually.

They could run for a while, but could they run for a lifetime?

This time, he would just treat it as a practice!

Next time, he would settle the score with them!

King of Berserkers put his arm around Yang Luo's shoulder and said, "Brother, let's go. Let's not be disturbed by these dogs. Let's go drink!"

"Yes, let's go drink!"

Bujie agreed with a smile.

Yang Luo said, "Brother, wait. I'll make a call."

He planned to call the King of Destruction first and ask him to contact the remaining God Kings.

He asked the King of Destruction to inform the remaining Divine Kings that he was going to challenge them.

"Sure."

The King of Berserkers nodded.

Then, Yang Luo took out his cell phone from his storage ring and turned it on.

However, just as the cell phone turned on...

He was instantly stunned!

There were hundreds of missed calls and hundreds of messages on his phone!

Moreover, there were many people who called and sent messages!

Yang Luo's heart tightened!

Did something big happen?!

Just as Yang Luo was about to call Su Qingmei to ask about the situation,

However, Su Qingmei's call came through right at this time.

He quickly answered the call.

Chapter 1116: Why Explain?

As soon as the call went through...

Su Qingmei's voice sounded.

"Yang Luo, you finally picked up the phone!"

"Qingmei, what exactly happened? Why are there so many people calling me?"

Yang Luo hurriedly asked.

Su Qingmei said, "Yang Luo, something happened! Something big happened!"

"What exactly happened?"

Yang Luo's heart skipped a beat when he heard that.

Su Qingmei took a deep breath and said, "In the few days that you disappeared, the martial arts world of Country Sakura issued a challenge to you!"

Moreover, they even issued a challenge to let you go to Country Sakura to accept the challenge!

Now, this letter of challenge had already exploded in all the major media and online platforms. The topic is even still trending on the searches!

“Everyone thought that you would accept the challenge, but because you haven’t appeared, the people are very angry at you!”

“So that’s why.”

Yang Luo sneered and said, “The martial arts world of Country Sakura really doesn’t give up. They actually challenged me again!

Since they insist on having a death wish, I’ll fulfill their wish!”

Su Qingmei hurriedly said, “Yang Luo, you must not be rash!

This is clearly their scheme!

If you really go, you’ll fall for their trap!

Moreover, we have already sent experts to Country Sakura to help you accept the challenge!

The people of Country Sakura can't wait to turn you into ashes. Don't go!"

"Who did we send to Country Sakura?"

Yang Luo asked.

Su Qingmei replied, "I'm not too sure either. I think they're from the various large sects."

"Oh..."

Yang Luo nodded and said, "In that case, I have to accept the challenge!

The person they want to challenge is me. What's the point of asking others to accept the challenge in my place?"

Su Qingmei was very anxious, "Yang Luo, if their people come to Country Sakura, I will naturally agree to you accepting the challenge!

But if you go to them, it will be too dangerous!”

Yang Luo sighed and said, “Qingmei, I know you’re worried about me.

But, you know me too. I’ve never been one to be afraid of trouble.

Therefore, I have to go.”

“Yang Luo...”

“Qingmei, don’t worry. I will definitely protect myself and return safely.”

Yang Luo said gently and continued, “Tell everyone not to worry.”

With that, Yang Luo hung up.

“Brother Yang, what happened?”

Bujie asked curiously.

Yang Luo said, "In the past few days, the people from Country Sakura's martial arts world have challenged me and even issued a challenge.

Now, this letter of challenge has already exploded on the Internet."

"What?!"

Bujie was stunned for a moment and said angrily, "Are these guys courting death?!"

Anger appeared on Xu Ying and Prajna's faces.

King of Berserkers asked, "Brother, when did you offend the martial arts world of Country Sakura?"

Yang Luo replied, "I had a conflict with them a long time ago.

Previously, they sent three experts to challenge me in Country Hua, but I killed them.

Unexpectedly, these guys challenged me again.

I'd like to see what's written in their letter of challenge."

As he spoke, he clicked on a news article.

Soon, he finished browsing through the contents of the challenge letter.

However, when he saw the messages and comments below, he frowned slightly.

At this moment, Xu Ying, Bujie, and Prajna had also finished reading the challenge letter and read the messages as well.

The moment they saw the overwhelming curses,

Bujie immediately exploded in anger, "Damn it, what is this? When did my Brother Yang become a coward and a turtle?"

Prajna's eyes turned red as she said angrily, "Brother Yang, what right do they have to scold you like this?

Have they forgotten all the things you've done for Country Hua?"

Xu Ying clenched his fists tightly. He was so angry that his entire body was trembling.

Curious, King of Berserkers also came over and looked at the comments.

“Holy shit!”

He also got furious, “Who do these guys think they are? They have the right to scold my Brother Yang!”

Prajna looked up at Yang Luo and hurriedly comforted him, “Brother Yang, don’t let them affect you!”

Bujie also said, “That’s right, Brother Yang, just treat them as farts!”

Yang Luo shook his head and said, “It’s fine. I won’t be affected by them. If they want to scold me, let them.”

Prajna said, “Brother Yang, do you want to explain your situation on the Internet then?”

“Explain?”

Yang Luo chuckled, "I, Yang Luo, have been doing things with a clear conscience my entire life. Why would I need to explain to others?"

"Well said!"

Bujie nodded heavily, "Explain my ass. There's no need to explain to those keyboard warriors!"

The best explanation is to defeat them with absolute strength!

Make those who have scolded Brother Yang shut up!"

The King of Berserkers said in admiration, "Brother, you have a clear mind. You won't be disturbed by the words of the secular world. Your future is limitless!"

As he spoke, the King of Berserkers asked, "Brother, do you need help?"

"There's no need."

Yang Luo raised his hand and said, "However, Brother, I have to rush to Country Sakura now. I'm afraid I won't be able to drink this wine."

“It’s fine!”

The King of Berserkers waved his hand, “Let’s drink the next time!”

“Alright!”

Yang Luo nodded and cupped his hands, “Brother, see you next time!”

The King of Berserkers nodded and said, “Brother, I look forward to the day you succeed the Divine Emperor position of the Holy Imperial Court!”

“Don’t worry, this day won’t be too far away.”

Yang Luo smiled and left the island with Xu Ying, Bujie, and Prajna.

After leaving the island, Yang Luo and the others arrived at the airport and boarded a plane to Country Sakura.

...

At the same time...

Country Sakura.

East Capital.

It was sunset.

Eighty kilometers southwest of the East Capital.

A huge mountain stood there.

The mountain was more than 3,000 meters tall and pierced through the clouds. The snow on the top of the mountain did not melt all year round. It was majestic and incomparably magnificent.

This mountain was the number one mountain in Country Sakura. It was also the sacred mountain of Country Sakura—Mount Fuji.

Around Mount Fuji, there were eight tall mountains: Mount Tsurugi, Mount Hakusandake, Mount Kusu-shidake, Mount Dainichi, Mount Izudake, Mount Seishidake, Mount Koma-ga-take, and Mount Mishima.

At this moment...

The setting sun was like blood.

The afterglow of the setting sun shone down on the mountains.

One could clearly see eight old men in various kimonos and holding various weapons standing at the peak of Mount Fuji.

The three old men standing at the front had white hair and beards. One of them held a sword, one held double maces, and the other held double whips.

These three old men were three of the six Martial God Realm experts in Country Sakura's martial arts world.

Imperial Mountain Martial God, Kushi Michikawa!

Great Sun Martial God, Oku Yoshi!

"Heavenly Dragon Martial God" Matsuno Ryugen!

The three of them had indifferent expressions and closed their eyes. Their bodies flickered with a faint halo that was extraordinary.

A breeze blew past, blowing their clothes and hair. They really looked like immortals who had descended to the mortal world.

The five old men standing behind them were the remaining five of the eight Martial Emperor Realm experts!

Supporting Heaven Martial Emperor Akita Daito!

Dark Thunder Martial Emperor Kitamei Saburo!

Skyfire Martial Emperor Tanaka Enbi!

Mystic Ice Martial Emperor, Morimori Nakamura!

And the God Slaying Martial Emperor, Motoyasu Kashima!

These five old men stood proudly behind them. Their auras were domineering and extraordinary.

Just by standing there, these eight old men were already so terrifying that no one could look at them directly.

Chapter 1117: Victory And Death!

The surrounding eight mountains were also filled with people.

They were all experts from the various martial arts sects in Country Sakura. There were more than 3,000 of them.

Other than the 3,000 people on the mountaintop...

The foot of the mountain was already packed with more than 100,000 people.

It looked like a huge patch of darkness, and it was a spectacular sight.

Among these 100,000 people, there were disciples from various sects, ordinary people, reporters, and media.

At this moment...

The foot of the mountain was very noisy.

“Why aren’t the people from Country Hua’s martial arts world here yet? Didn’t they already accept the challenge?”

“I think they must be afraid and don’t dare to come!”

“It’s normal for them to be afraid. We’ve mobilized three Martial God Realm experts, five Martial Emperor Realm experts, and 3,000 experts. How would these guys dare to come?”

“If they don’t come, won’t we have come for nothing?”

“They must come. I can’t wait to see our experts show their might and kill all of them!”

Everyone was discussing, making the area extremely noisy.

At the top of the mountain.

Matsuno Ryugen was getting impatient.

He said angrily, "Why aren't those guys here yet? How long do you want me to wait?"

Oku Yoshi also frowned and said, "Could it be that those guys only accepted the challenge verbally but didn't come at all?"

"Baka! Are those guys scaredy cats?"

"Damn it, since they have the guts to accept the challenge, do they not have the guts to turn up?"

"If they really don't come, we'll kill our way to them and sweep through their martial arts world!"

"That's right. When the time comes, we'll kill all their martial artists!"

"Especially that Yang Luo. We must tear him into pieces!"

The five Martial Emperor Realm experts standing at the back roared.

They had been waiting here for hours.

However, until now, they had not seen anyone. This had completely angered them.

Kushi Michikawa said indifferently, "Let's wait a little longer. Those guys will definitely come."

"Brother Kushi, why are you so sure that they will come?"

Matsuno Ryugen asked.

The others also looked at Kushi Michikawa.

After all, among the eight of them, Kushi Michikawa was the strongest existence. His cultivation had already stepped into the late-stage Martial God Realm.

Kushi Michikawa narrowed his eyes and said, "Those Martial Warriors in Country Hua have always said that martial arts originated from them and call themselves the orthodox martial arts.

All of them are arrogant and conceited.

This time, we challenged them and provoked the anger of their people.

Under the pressure of their people, they will definitely come."

“Hmph!”

Matsuno Ryugen snorted, “As long as they dare to come, I’ll let them know that Country Sakura is the orthodoxy in martial arts!”

“That’s right, our Country Sakura is the orthodoxy!”

The others on the mountaintop also roared.

“Do you think you’re worthy of the orthodox martial arts title?”

A loud voice suddenly sounded from afar.

Hearing this voice...

The people at the top and bottom of the mountain looked over.

A group of people walked over from afar.

The leaders were Xiang Kunlun and Mo Qingkuang.

Behind him were the five leaders of the Hidden Dragon Pavilion, the sect masters and elders of the eight major sects.

Seeing Xiang Kunlun and the others arrive,

All the Sakura people present got excited.

“They’re here, they’re here!”

“These guys are really bold. They actually dare to come!”

“The point is, they only sent so few people. Who are they looking down on?”

“The outcome is already decided. These guys are dead meat!”

The people at the foot of the mountain began to chatter.

Everyone's eyes were filled with mockery.

At this moment.

At the top of the mountain.

Kushi Michikawa and the others also stared intently at Xiang Kunlun and the others.

Matsuno Ryugen sneered, "Brother Kushi, you're right!

These guys are really arrogant and conceited. Only a few dozen of them turned up!"

Oku Yoshi shook his head and said, "To think that we still have so many people here. We really think too highly of them!"

Kushi Michikawa said loudly, "Since you're here, please come up the mountain!"

Everyone at the foot of the mountain made way.

Xiang Kunlun, Mo Qingkuang, and the others were not afraid at all. Their figures flashed and turned into streams of light that headed straight for the peak of Mount Fuji.

Only a few moments passed,

Xiang Kunlun, Mo Qingkuang, and the others all climbed to the top of Mount Fuji.

For a moment...

Everyone at the foot of the mountain looked up at the top of the mountain.

The reporters and media also aimed their cameras at the top of the mountain.

There were even many drones taking aerial photos in the sky.

A reporter said, "Dear friends, the people from Country Hua's martial arts world are already here!

A life-and-death battle in the martial arts world of the two countries is about to begin. Please wait and see!"

This battle would be broadcast live in Country Hua and Country Sakura.

Therefore, the people from the two countries who were paying attention to this battle had long been waiting in front of the screen.

“Is the battle finally starting? We must defeat these Country Hua Martial Warriors!”

“Our Country Sakura’s martial artists are the strongest. No one can defeat us!”

“We must show the might of Country Sakura’s martial arts world!”

The citizens of Country Sakura were cheering for their country’s martial artists.

“The martial artists from Country Hua are finally here!”

“They went to Country Sakura and accepted the challenge. They are all our heroes!”

“Heroes, please work hard and don’t lose!”

“I wonder what that kid called Yang Luo will think when he sees this scene?”

“The people from Country Sakura’s martial arts world challenged him, but in the end, he asked someone else to accept the challenge for him!”

“Can you not mention that useless wuss at a time like this? What a spoilsport!”

The citizens of Country Hua also started discussing excitedly.

There were also people who mentioned Yang Luo, but without exception, everyone treated Yang Luo as trash and a softie.

Of course, other than the people.

The upper echelons of both countries were also paying attention to this battle.

Even the higher-ups of Country Kimchi were paying attention to this battle.

At this moment...

At the peak of Mount Fuji.

Kushi Michikawa looked up at Xiang Kunlun and the others and said loudly, "Since you're here, you should know that this battle will determine victory and defeat as well as life and death!"

"Of course we do!"

Xiang Kunlun's gaze was sharp, "All these years, you've been provoking the martial arts world of Country Hua!

Today, it's time to end this!"

"Alright! Let's end this!"

Kushi Michikawa smiled coldly and said, "Is that kid called Yang Luo really not coming?"

That kid turned our Country Sakura upside down back then. Then, he killed our three Martial Emperor Realm experts!

However, I didn't expect him to not even dare to accept our challenge!"

Xiang Kunlun said in a loud voice, "My Brother Yang is busy with something now, so he doesn't know about this!

If he knew that you had challenged him, he would definitely accept the challenge!

Of course, even without Brother Yang, we can still defeat you this time!"

"What high-sounding sentiments! Let me, the Supporting Heaven Martial Emperor Realm, experience your brilliant moves first!"

"Heaven Supporting Martial Emperor" Akita Daito shouted as he leaped out and slapped towards Xiang Kunlun!

Seeing that Akita Daito was about to attack!

Everyone at the foot of the mountain was extremely excited!

It had begun!

The battle had begun!

“A mere Martial Emperor Realm expert dares to attack me?”

Xiang Kunlun shouted coldly and raised his palm to meet the attack!

In an instant!

Bang!

The two palms collided heavily, and a muffled thunder exploded!

Boundless True Qi burst forth and surged in all directions!

Chapter 1118: Battle Begins!

Just as boundless True Qi surged out!

Mount Fuji and the surrounding eight tall mountains shone at the same time!

The surging true energy caused the nine mountains to rumble!

However, the nine mountains did not show any signs of damage!

This was because a long time ago, the expert on the Divine Ranking of Country Sakura had set up a protective array here to protect their Holy Mountain!

It was impossible for ordinary people to destroy these nine mountains!

“Get lost!”

Xiang Kunlun shouted and his right arm shook!

“Ahhhh!”

Akita Daito grunted and was sent flying!

He flew dozens of meters away in one go.

Only then did Akita Daito finally stabilize himself.

Although he had stabilized his body, he felt the blood in his body boil and almost spat out a mouthful of blood!

In an instant...

There was an uproar at the foot of the mountain!

“How is this possible? The Heaven Supporting Martial Emperor Realm expert was actually sent flying by a palm?!”

“The battle has just begun and we’re already being suppressed. This isn’t a good sign!”

“What’s the hurry? It was just a test just now. The other Martial Emperor Realm experts and Martial God Realm experts haven’t made a move yet!”

The people watching the battle at the event location started discussing in shock. They were very displeased.

At the top of the mountain.

Akita Daito looked at Xiang Kunlun in shock and exclaimed, “You’re at the Martial God Realm?!”

“That’s right!”

Xiang Kunlun replied in a loud voice.

Therefore, during this period of time, he had been dealing with matters overseas while cultivating and comprehending. His cultivation had already stepped into the middle stage of the Martial God Realm.

Akita Daito was stunned for a moment before he sneered, “Are you the only ones with a Martial God Realm expert?”

“We have three Martial God Realm experts and five Martial Emperor Realm experts guarding this place!”

As soon as these words were spoken...

The expressions of Li Daochen, Master Kongji, and the others changed!

They did not expect Country Sakura to actually send three Martial God Realm experts and five Martial Emperor Realm experts!

On their side, although eight Martial Emperor Realm experts had come, the Martial God Realm only had Xiang Kunlun and Mo Qingkuang, who could contend with the Martial God Realm!

The main reason was that the Martial God Realm experts on their side were all in seclusion and could not come to fight!

Xiang Kunlun also saw everyone's worry.

He said loudly, "Everyone, don't worry. Since we're here, we'll take things as they come!

It would naturally be best if we won this battle!

If we lost, then we will all be wiped out!

We can also face the martial arts world and the people of Country Hua with pride!

What we can do is to fight to the last moment and strengthen the martial arts world of Country Hua!"

"Chief Xiang, you've said it well. Fight to the last moment and strengthen the martial arts world of Country Hua!"

“Long live our martial arts world of Country Hua!”

Li Daochen and the others cheered.

“Do you think you can strengthen Country Hua’s martial arts world?”

No matter how much you say, you might as well use your strength to speak!”

Kushi Michikawa sneered and waved the sword in his hand!

“Leave no one alive. Kill without mercy!”

With this order!

The two Martial God Realm experts, Oku Yoshi and Matsuno Ryugen, were the first to charge out!

The five Martial Emperor Realm experts, Akita Daito, Kitamei Saburo, Takeda Enhi, Nakamura Mori, and Motoyasu Kashima also followed closely behind and charged forward!

The more than 3,000 experts on the other eight mountains also moved and charged over!

Xiang Kunlun shouted, "All Martial Emperor Realm elders, stay behind. The rest of you, deal with those 3,000-odd people!"

"Alright!"

Everyone responded in unison.

Then, Xiang Kunlun and Mo Qingkuang took the lead and charged towards Oku Yoshi and the others!

Wudang Sect's Elder "Daoist Master Levitation" Lu Huayu, Shaolin Temple's Elder "Golden-faced Buddha" Master Yuanci, and Emei Sect's Elder "Eight-Faced Bodhisattva" Mistress Mortal Dust also charged forward!

The three of them were all at the perfected Martial Emperor Realm and were one step away from the Martial God Realm!

The other five Martial Emperor Realm elders also followed closely and charged forward!

These five Martial Emperor Realm elders were!

Kunlun Sect's elder, the Ten Directions Sword Emperor, He Shangwu, and the Huashan Sect's Nine Yang Saber Emperor, Ren Botao!

The Kongtong Sect's "Iron-Faced Judge" Situ Kong, the Sky Mountain Sect's "Heaven Shocking Spear" Xiao Chengfeng, and the Witch God's "Emotionless Witch God" Wu Chengdao!

He Shangwu and Ren Botao were at the late-stage Martial Emperor Realm!

Situ Kong, Xiao Chengfeng, and Wu Chengdao were at the mid-stage Martial Emperor Realm!

A shocking battle immediately broke out on the nine mountains!

"Great Sun God Mace!"

Oku Yoshi roared and flew up. He swung the golden-red maces in his hands and smashed them at Xiang Kunlun!

The two maces slashed across the sky, emitting bursts of explosions in the air, and even space fluctuated!

Golden-red flames burned the world and surged towards Xiang Kunlun!

His cultivation was at the middle stage of the Martial God Realm. His martial arts were divine and unparalleled!

As Oku Yoshi's maces came crashing down!

Xiang Kunlun was not afraid at all and charged forward with a palm strike!

"Nine Stage Hell Suppression Palm!"

A black-golden palm chaotic the void and met the attack!

In the blink of an eye!

Rumble!

The huge fist and the two maces collided fiercely, and the rumbling sound of thunder immediately exploded on the mountaintop!

True Qi soared into the sky, and flames swept out. The light dazzled everyone present!

After this terrifying collision!

Xiang Kunlun and Oku Yoshi were forced back at the same time!

Oku Yoshi retreated more than 30 meters before he could stabilize his body!

But Xiang Kunlun only retreated more than 20 meters before stabilizing his body!

Clearly, Xiang Kunlun had the upper hand in this exchange!

Oku Yoshi said in disbelief, “Your cultivation level is clearly the same as mine, so how can your combat strength be stronger than mine?!”

“Do you want to know?”

Then let’s go to hell and ask the King of Hell!”

Xiang Kunlun’s eyes were cold as he turned into a black-gold stream of light and charged towards Oku Yoshi!

“You think you can kill me?”

It’s simply wishful thinking!”

Oku Yoshi shouted and took a step forward, charging towards Xiang Kunlun!

And the moment they got close...

Xiang Kunlun turned his palm into a fist and punched out wildly!

With a punch, a huge fist of black and golden flames blasted forward!

A huge black-and-gold-flamed Kun Peng also slammed into Oku Yoshi!

Oku Yoshi suddenly swung his maces!

Blazing golden-red flames spewed out, as if turning into a river of flames that surged up!

There was even a huge golden-red Fire Qilin that crashed into the Blazing Kun Peng!

In a flash!

Boom! Boom!

Rumble!

Earth-shattering collisions and explosions sounded endlessly!

The flaming Kun Peng and the flames exploded in the sky at the same time!

True Qi, flames, and light intertwined and shot out in all directions!

The Martial Warriors of Country Sakura who were fighting fiercely on the surrounding mountains were sent flying as collateral damage!

The energy erupted from a battle between Martial God Realm experts. Other than Martial Emperor Realm experts who could barely resist it, no other Martial Warrior could!

Xiang Kunlun's punch was too domineering. It was as if he wanted to sweep through the sea and blow up mountains!

“Ugh!”

Oku Yoshi let out a painful cry and was sent flying, landing on another mountain!

After taking a few steps back, Xiang Kunlun quickly stabilized his body!

Then, he leaped hundreds of meters and arrived above the mountain where Oku Yoshi was!

After jumping into the sky!

Xiang Kunlun clenched his fist and punched down at Dajiu Yizhong!

“Great Desolate Heaven Burning Fist!”

A huge fist of black and golden flames condensed and smashed down like a huge fire meteor!

With a punch, the flaming Kun Peng condensed again and smashed down!

“Even if your combat strength can suppress this old man, can you kill this old man?”

Oku Yoshi sneered. He brandished his maces and attacked!

At that moment...

Boom! Boom!

Another shocking collision erupted!

The nine mountains shook at the same time!

If not for the protection of the mountain-protecting array, these nine mountains would have been razed to the ground in an instant!

Chapter 1119: Everyone Shows Their Divine Abilities!

The energy that erupted from the collision between Xiang Kunlun and Dajiu Yizhong was terrifying and swept through everything!

“Ahhhh...”

Many Martial Warriors from Country Sakura who were fighting fiercely on this mountain screamed and were sent flying!

Some weaker martial artists directly vomited blood from the shock!

The sect masters and elders of the eight big sects were also forced to retreat!

No one dared to stay on this mountain and retreated from it as fast as they could!

Meanwhile, seeing that Oku Yoshi blocked the punch...

Without any hesitation, Xiang Kunlun clenched his fists and punched downwards continuously!

Giant fists of black and golden flames smashed towards Oku Yoshi like a meteor shower!

On the other hand, Oku Yoshi kept swinging his maces in the air to meet the attack!

The golden-red flames continued to engulf the sky!

Dang, dang, dang!

The giant fist and the two maces collided violently, producing a series of loud bangs!

Flames shot in all directions as True Qi surged and spread in all directions like a wave!

After throwing out thousands of punches!

Xiang Kunlun twisted his fist again and smashed it down!

When this fist struck down!

It was as if countless fist shadows overlapped and turned into a huge fist that was as huge as a mountain that smashed down!

Oku Yoshi's eyes were cold as the True Qi in his body erupted. He brandished his maces and smashed them with all his might!

At that moment...

Rumble!

The flaming fist and the flaming maces collided heavily with a torrential momentum that shook the surroundings!

After resisting for a few minutes!

Oku Yoshi felt that he could not withstand it and immediately retreated!

Boom! Boom!

Xiang Kunlun's punch landed heavily on the top of the mountain and exploded with a sound akin to thunder!

The mountain shook violently, and the protective formation rippled!

However, this mountain-protecting array was indeed powerful. It actually withstood Xiang Kunlun's explosive punch!

After Xiang Kunlun landed steadily on the ground, he charged towards Oku Yoshi again!

During the battle between Xiang Kunlun and Oku Yoshi!

An intense battle was also unfolding on a distant mountain!

Mo Qingkuang was fighting “Heavenly Dragon Martial God” Matsuno Ryugen!

Although Mo Qingkuang had only stepped into the half-step Dao Convergence Stage and had not succeeded in reaching the Dao Convergence Stage...

However, Matsuno Ryugen was only at the early-stage Martial God Realm!

Therefore, he could also contend with Matsuno Ryugen!

“Heavenly Dragon Sun-Breaking Whip!”

Matsuno Ryugen waved the two greenish-black copper whips in his hands and swept towards Mo Qingkuang!

Roar! Roar!

As the two copper whips swung out, two greenish-black flood dragons roared and collided with Mo Qingkuang!

Mo Qingkuang was not afraid either. He raised his right hand and struck out again!

“Divine Movement Eight Desolates Palm!”

A huge purple palm smashed forward like a purple mountain!

At that very moment...

Boom! Boom!

Rumble!

The earth-shattering sound of collisions and explosions resounded incessantly!

All kinds of light and energy surged out from the point of collision!

Mo Qingkuang and Matsuno Ryugen were both knocked back more than 30 meters before stabilizing their bodies!

Matsuno Ryugen frowned and said, “Kid, what’s your background? Why can’t I see through your cultivation?!”

Also, why is your aura a little different from mine?”

Mo Qingkuang did not respond to Matsuno Ryugen’s words. Instead, he waved his hand!

“Five Elements Immortal Technique!”

In the blink of an eye!

The power of metal, wood, water, fire, and earth erupted, turning into five energy beams that shot towards Matsuno Ryugen!

The five energy beams shot over!

Matsuno Ryugen quickly brandished the two whips in his hands and charged forward!

Rumble!

The five energy beams were directly shattered by the two whips he swung!

He was also forced to retreat!

After retreating more than ten meters, he finally stabilized his body!

He looked at Mo Qingkuang in shock and asked, “Are you an immortal cultivator?!”

Mo Qingkuang still did not answer. Instead, he formed a seal with both hands!

“Four Beasts Immortal Seal!”

In an instant!

The four-sided seal that was engraved with the Azure Dragon, White Tiger, Vermillion Bird, and Black Tortoise condensed into form and smashed towards Matsuno Ryugen!

Matsuno Ryugen exclaimed, “So what if you’re a cultivator!”

In the end, you're not a true immortal. I can still kill you!"

As he spoke, Matsuno Ryugen brandished his whips again!

"Eight Legion of Dragons!"

"Roar, roar, roar!"

Accompanied by dragon roars!

Eight greenish-black flood dragon phantoms roared and crashed into the four-sided seal!

Boom! Boom!

The eight flood dragons collided fiercely with the four-sided seal, emitting an earth-shattering sound!

The eight flood dragons collided fiercely with the four-sided seal, emitting an earth-shattering sound!

Rumble!

The eight flood dragons and the four-sided seal exploded one after another, turning into a rain of energy that filled the sky and splattered in the sky!

Seeing that Matsuno Ryugen had managed to block the four-sided seal!

Mo Qingkuang turned into a purple stream of light and charged towards Matsuno Ryugen!

The moment he approached Matsuno Ryugen!

Mo Qingkuang raised his right arm, turned his palm into a finger, and smashed out!

“Supreme Immortal Finger!”

A huge purple finger crushed out. It was really like an immortal pressing out a finger, wanting to destroy everything!

Matsuno Ryugen was not afraid at all. He brandished his whips and charged forward!

Boom! Boom!

The two whips and the huge purple finger collided fiercely like heavenly pillars colliding. It shook the eight directions and the nine heavens!

After this collision!

Mo Qingkuang and Matsuno Ryugen were sent flying at the same time. Both of them landed on a mountain each!

But soon, the two of them stabilized themselves and continued to attack each other!

At this moment...

On a mountain not far away.

Lu Huayu and the other eight elders were engaged in an intense battle with Akita Daito and the others!

“Heaven Supporting Divine Palm!”

“Dark Thunder God Fist!”

Akita Daito and Kitamei Saburo struck out with their palms and fists at the same time!

A huge gray palm swept up gusts of wind and slapped out again!

A huge black lightning fist wrapped in dazzling lightning struck out!

The wind and lightning surged, as if they wanted to destroy everything!

“Connate Taiji Fist!”

A Taiji Painting appeared behind Lu Huayu as he punched out!

With a punch, the power that erupted was both hard and soft, causing the space to rumble!

“Thousand Hand Buddha Palm!”

Master Yuanci’s body was enveloped by a golden Buddha. At the same time, he struck out thousands of golden Buddha palms!

Thousands of Buddha palms struck out at the same time, as if a real Buddha had descended to the world, wanting to destroy all evil in the world!

“Floating Snow Cloud-Piercing Sword!”

Mistress Mortal Dust swung her sword!

Countless white flying swords condensed and shot out at the same time!

Rumble!

Accompanied by a soul-stirring explosion!

Akita Daito and Kitamei Saburo were sent flying at the same time!

At this moment!

Takeda Enhi, Nakamura Mori and Motoyasu Kashima also launched their strongest attacks!

“Heavenly Fire God Sword Technique!”

“Mysterious Ice Slash!”

“God-Slaying Chaotic Sky Axe!”

Swoosh! Swoosh! Swoosh!

A dark red flaming sword, a dark blue ice saber, and a grayish-black ax slashed out angrily at the same time!

“Ten Directions Sword Technique!”

“Nine Yang Saber Art!”

“Heaven Shocking War Spear!”

He Shangwu, Ren Botao, and Xiao Chengfeng brandished their long swords, sabers, and spears at the same time!

Clang!

The sabers, spears, axes, and swords collided fiercely. Flames shot in all directions, and True Qi surged with turbulence!

Although Takeda Enhi and the other two attacked ferociously!

However, He Shangwu and the other two counterattacked together and directly withstood their attacks!

“Seven Slaughtering Divine Palm!”

“Great Witch God Divine Fist!”

Situ Kong and Wu Chengdao charged at Takeda Enhi and the other two.

Takeda Enhi and the other two were having a hard time fending off He Shangwu’s attacks.

But now, Situ Kong and Wu Chengdao’s punches and palms made them unable to withstand it any longer. They were sent flying like kites with a broken string!

Lu Huayu and the others did not stop and continued to attack Akita Daito and the other three!

The battle became more and more intense!

However, from the situation at the event location, Country Hua's martial arts world had the upper hand!

Chapter 1120: Retreat!

As the battle progressed,

The sun had completely set, and night had fallen.

A crescent moon hung high in the sky.

Everyone at the foot of the mountain was dumbfounded.

"Oh my god, these Country Hua Martial Warriors are actually fighting our 3,000-odd Martial Warriors to a standstill and even have the upper hand?!"

“The key is that they only have a few dozen people. Dozens against three thousand? What kind of joke is this?!”

“Could it be that our martial artists are really inferior to Country Hua’s Martial Warriors?!”

“That’s not right. Until now, Lord Imperial Mountain Martial God has yet to make a move!

As long as Lord Imperial Mountain Martial God makes a move, he will definitely be able to turn the tide!”

The people of Country Sakura exclaimed repeatedly, feeling very angry.

The Sakura people who were watching this battle on the Internet were also gritting their teeth in hatred.

However, after learning that “Imperial Mountain Martial God” Kushi Michikawa had yet to make a move, they felt more confident.

“Good, good job. Let’s defeat them in one go!”

“Looks like the people from Country Sakura’s martial arts world are only so-so. They’re not our match at all!”

“There should be no suspense in this battle. We will definitely obtain the final victory!”

“Everyone, you can’t be too optimistic. After all, our people are in Country Sakura now. Country Sakura will send experts to support them at any time!”

The citizens of Country Hua also expressed their opinions on the Internet.

When they saw that Xiang Kunlun and the others had the upper hand, they were very excited.

However, when they thought about how the martial arts world of Country Sakura could send reinforcements at any time, everyone was very worried.

At this moment...

At the peak of Mount Fuji.

Kushi Michikawa stood there quietly.

Seeing that the people on his side were gradually losing ground...

His originally closed eyes suddenly opened. He took a step forward and crossed hundreds of meters. Then, he slashed at Xiang Kunlun!

Swoosh!

A huge grayish-white sword streaked across the sky, and the sword qi that erupted was ferocious and terrifying!

Xiang Kunlun, who was fighting Oku Yoshi, felt a sense of danger!

He suddenly turned around and threw a punch!

Clang! Clang!

The sword and fist collided, producing a crisp sound of collision!

Flames splattered as True Qi surged and sword qi soared!

Although Xiang Kunlun blocked the sword, he was forced back repeatedly!

After retreating more than ten meters, Xiang Kunlun finally stabilized his body!

“Haha, Brother Kushi, you’ve finally made your move!”

Oku Yoshi looked at Kushi Michikawa and laughed.

Kushi Michikawa said indifferently, “I originally thought that there was no need to attack, but I didn’t expect these guys to have some strength.

Looks like I have no choice but to make a move.”

Oku Yoshi said, “This guy is indeed quite powerful. It will be difficult for me to kill him!”

Kushi Michikawa said, “Brother Dajiu, help Brother Matsuno and the others. Leave this guy to me!”

“Hai!”

Oku Yoshi responded. Then, in a flash, he charged towards Mo Qingkuang!

Xiang Kunlun stared at Kushi Michikawa.

He could sense that this old fellow's strength was the strongest existence among everyone present. His cultivation was probably above the middle-stage Martial God Realm.

Kushi Michikawa looked up at Xiang Kunlun and said, "You should be the Chief of Country Hua's Martial Alliance, Xiang Kunlun, right?"

If I can kill you, I will definitely dampen the morale of Country Hua's martial arts world!

Therefore, no matter what, you must die today!"

Xiang Kunlun shouted, "Old fellow, it's not that easy for you to kill me!"

"Is that so?"

Kushi Michikawa sneered, "I want to see if your strength is as tough as your mouth!"

Before his voice could fade...

Dong!

A grayish-white beam of light shot into the sky from his body, breaking through the night sky and scattering the clouds in the sky!

“If you want to kill me, Xiang Kunlun, you can try!”

Xiang Kunlun said domineeringly as his entire body trembled.

Dong!

A black-gold beam of light shot into the sky like a rainbow piercing the moon. It was incomparably ferocious!

After his aura and combat strength erupted to the extreme at the same time!

Xiang Kunlun charged forward like an ancient ferocious beast!

As they watched Xiang Kunlun charging over!

Kushi Michikawa's eyes turned cold. He raised his right arm and slashed out!

"Firmament Godslayer!"

Swoosh!

A huge grayish-white sword seemed to have broken through the void and released a terrifying sword qi that slashed towards Xiang Kunlun!

Xiang Kunlun did not dodge or retreat. He punched forward!

"Great Desolate Heaven Burning Fist!"

A huge fist of black and golden flames smashed forward!

A black-and-golden-flamed Kun Peng charged forward!

Rumble!

The sword and fist collided again, producing a muffled thunderclap!

Sword qi rampaged, flames wreaked havoc, and True Qi surged!

Finally, accompanied by a rumbling explosion!

The flaming Kun Peng was directly destroyed by a single slash!

Swoosh!

A long wound appeared on Xiang Kunlun's arm and blood dripped down!

Kushi Michikawa said indifferently, "Xiang Kunlun, although you are very strong, your cultivation has only just stepped into the middle-stage Martial God Realm.

"As for me, I stepped into the late-stage Martial God Realm last year. My cultivation has long been consolidated. I'm only one step away from continuing to advance.

"What are you going to use to fight me?"

Xiang Kunlun remained unrestrained and instead shouted, "Old fellow, even if I really die in your hands today, I will still severely injure you!"

“You think you can seriously injure me?”

Kushi Michikawa sneered, “I think you really know how to fantasize!”

As he spoke, Kushi Michikawa’s figure moved. He seemed to have transformed into a grayish-white shadow as he charged forward!

On the way forward!

Kushi Michikawa slashed out brazenly!

Swoosh!

This sword was as fast as lightning, as fast as the wind, and as fierce as fire!

However, Xiang Kunlun did not dodge or retreat. He charged forward and punched out like a heavy cannon!

Boom! Boom!

Another shocking collision exploded, shaking the nine mountains and shaking the ground for ten thousand meters!

“Ugh!”

Xiang Kunlun grunted and was sent flying again!

He only managed to stabilize himself after being sent flying 50 meters away!

There was a long wound on his chest. His flesh was exposed and blood flowed, dyeing his clothes red!

If it was an ordinary mid-stage Martial God Realm expert, even if they didn’t die from this strike, they would still be severely injured!

However, Xiang Kunlun relied on his powerful combat strength and physique to withstand it!

Although he had suffered serious external injuries, it did not affect his combat strength!

Kushi Michikawa narrowed his eyes as he looked at Xiang Kunlun, “As expected of Country Hua’s Martial Alliance’s Chief. Your strength is really not bad!

After taking two consecutive strikes from me, you actually didn't die!

But I'm very curious. How many swords can you withstand?"

"Old man, shut up!"

Xiang Kunlun was infuriated. He let out an explosive roar and continued charging forward!

"Xiang Kunlun, you're just putting up a fearless struggle!"

Kushi Michikawa smiled coldly and charged forward with his sword!

An even more intense battle erupted!

It was also during the battle between Xiang Kunlun and Kushi Michikawa!

Mo Qingkuang and Oku Yoshi also started a huge battle!

As for Matsuno Ryugen, he charged towards Lu Huayu and the others!

With Matsuno Ryugen's help!

The two Martial Emperor Realm cultivators, Nakamura Mori and Motoyasu Kashima, were now free to attack the leaders of the five major groups of the Hidden Dragon Pavilion, as well as the sect masters and other elders of the eight major sects!

It was also because Kushi Michikawa had joined the battle that the situation had reversed!

Country Hua's martial arts world was now losing ground!
