

Super IDG 1151

Chapter 1151: Akin to Demon or God!

When he saw Yang Luo, he recalled the scene of him almost being killed by Yang Luo not long ago!

Most importantly, his Sacred Artifact had been snatched away by this brat!

This was an eternal humiliation in his heart!

Yang Luo said coldly, “Old fellow, I think you guys are the ones who are haunting me!

Why are there dogs like you wherever there are disputes?”

He also recognized Raquelle and the Hundred-Armed Demon King.

Previously, he had fought with these two fellows. Both of them had been defeated by him.

However, he did not know the other guys.

“Mr. Yang, why are you here?!”

Death Witch asked in surprise.

Goddess of Fate also looked at Yang Luo in confusion.

After all, they did not know that Yang Luo had gone to the Holy Imperial Court’s headquarters to challenge the King of Creation and the Sacred Prison King.

Yang Luo said, “It’s a long story. I’ll tell you in detail after the matter is resolved.”

Hearing this, Goddess of Fate and Death Witch nodded.

Xiang Kunlun said apologetically, “Natasha, Julie, I’m sorry we’re late.”

Goddess of Fate shook her head and said, “Second Brother, it’s alright. It’s good that you can come.”

“Mr. Alves, how are you?”

Xiang Kunlun then asked Alves.

“Mr. Xiang, don’t worry. I won’t die so easily!”

Alves replied, “Thank you for coming to help!”

Sacred Prison King chimed in, “Mr. Alves, there’s no need to say such words of gratitude!

“The Holy Imperial Court and the Kingdom of Magic have always been allies. We should help each other!”

“Of course!”

Alves nodded heavily.

Rogosav said angrily, “I didn’t expect those guys from the Holy Imperial Court to arrive so quickly!”

Uriel said disdainfully, “The Holy Imperial Court has only sent three Divine Kings, but we have so many people on our side. Why should we be afraid of them?”

Sky Overlord looked at Xiang Kunlun and the others and said coldly, “We haven’t attacked your Holy Imperial Court yet. I didn’t expect you to come knocking on our door!

In that case, let's deal with you first!"

Right after he finished his sentence...

Sky Overlord's figure flashed and charged towards Yang Luo and the others!

Uriel, Raquelle, Thunder Lord, Bloodthirsty Demon King, and Hundred-Armed Demon King also charged over!

"Prepare for battle!"

Yang Luo roared and charged forward with the Dragon Emperor Sword in hand!

Without any hesitation, Xiang Kunlun and the others took a step forward and welcomed the battle!

Rogosav said in a trembling voice, "Elder Curtis, Elder Birmingham, Elder Cerdo, please follow me and kill Alves!

Elder Klauchi, Elder Eustace, Elder Gilbert, and Elder Griffith, help the six lords deal with those guys from the Holy Imperial Court!"

“Alright!”

The seven Guardian Elders responded in unison.

Thereafter, Rogosav led Curtis and the other two elders and charged toward Alves!

Klauchi and the other four elders charged towards Yang Luo and the others!

The other mages also continued to fight!

Another chaotic battle broke out in the square!

“Young brat, you were the one who injured Raquelle, Sariel, and Remuel, right?”

“I’ll definitely take your life tonight!”

Killing intent flickered in Uriel’s eyes as he waved the spear in his hand and attacked Yang Luo!

“Starry Spear!”

The spear swept over, and purple-gold beams of light shot out!

Uriel was the third-ranked guardian angel of the Holy Light Church. He was extremely powerful!

If Yang Luo’s cultivation had not broken through, it would probably be very difficult for him to contend against it!

But now, Yang Luo was not afraid at all!

“Get lost!”

Yang Luo roared and charged forward with his sword!

With a swing of his sword, a dazzling sword light and sword qi soared into the sky!

Clang! Clang!

Accompanied by the sound of crisp collisions!

Uriel was sent flying!

After flying for dozens of meters, Uriel barely managed to stabilize his body.

Moreover, the luxurious robe on his body had been cut open, and his body also had a huge gash, with blood flowing out.

“How is this possible?!”

Uriel looked at Yang Luo in shock and disbelief.

He was the third-ranked guardian angel of the Holy Light Church. He was stronger than Raquelle and the others.

However, he did not expect this kid in front of him to injure him with a single strike.

“What’s going on with this kid? Why has his strength increased again?!”

“How long has it been? How can this kid become stronger again?!”

Raquelle's eyes were filled with shock.

Back when he was in the Blood Race, he had fought Yang Luo.

He knew Yang Luo's strength very well.

In his opinion, Yang Luo was no match for Uriel.

But now, this kid had sent Uriel flying with a single strike and even injured him.

Uriel quickly calmed himself down and said fiercely, "Raquelle, this kid is not simple. Let's join forces to kill him!"

"Alright!"

Raquelle nodded.

Then, wings of light condensed on their backs and they soared into the sky, charging towards Yang Luo!

The two of them were extremely fast!

In the blink of an eye, they approached Yang Luo!

Without any hesitation, the two of them waved the spears and swords in their hands and attacked Yang Luo together!

“Just the two of you want to kill me?”

It’s simply wishful thinking!”

Yang Luo suddenly stomped down, and a golden beam of light surged from his body as he swung his sword again!

Clang!

Flames flickered and energy fluctuated, sweeping in all directions!

This sword was extremely powerful, and it sent Uriel and Raquelle flying at the same time!

Just as the two of them were sent flying!

Yang Luo took a step forward and chased after them!

In an instant!

He caught up to the two of them, stomped on the ground, and soared into the sky, slashing out with his sword!

“Holy Light Protection!”

Uriel and Raquelle were shocked and quickly formed energy shields to block!

Rumble!

The energy shield that the two of them had condensed was instantly broken by a sword!

“Ugh!”

“Ahh!!”

The two of them let out a tragic cry and fell from the sky, landing heavily on the ground!

The thick stone slab on the ground was smashed into two huge pits!

Two gashes that were dozens of centimeters long were slashed open on their chests. Their flesh protruded and blood flowed!

After knocking down two people!

Yang Luo twisted his waist and abdomen and swung his sword again, slashing downwards!

“Quickly dodge!”

Uriel shouted and flapped the wings of light on his back, retreating in a flash!

Raquelle also reacted and flapped its wings of light, dodging into the distance!

The moment the two of them retreated!

Boom...

Yang Luo's sword slashed down heavily, creating a 200-meter-long ravine in the ground!

A bloody severed arm fell from the ravine!

"Ah...!"

Raquelle, who had flown into the sky, let out a heart-wrenching scream.

His entire left arm was cut off, and blood gushed out.

At this moment, everyone that was in the square...

As well as the spectators outside the plaza were dumbfounded.

"Oh my god, how did Mr. Yang become so strong?!"

“Not only did he suppress Uriel and Raquelle, but he also cut off Raquelle’s arm?!”

Death Witch couldn’t help but scream as her entire body trembled.

Of course, other than shock, there was more admiration in her eyes.

Goddess of Fate also looked at the god-like man in a daze, and her delicate body couldn’t help but tremble...

Chapter 1152: Heaven Trampling Nine Steps!

Goddess of Fate felt her heart beat even faster.

A strange feeling welled up in her heart.

During this period of time, she would always think of Yang Luo’s face from time to time.

Every time she thought of it, her heart would beat faster, her breathing would become chaotic, and her face would burn.

She felt that there was something wrong with her mind, so she specially went to consult a psychiatrist.

However, the psychiatrist told her that it was because she had someone she liked.

When she heard this reply, she was instantly stunned.

How could she possibly have someone he liked?

难道说自己喜欢上了这个男子?

This was a fool's errand!

At this moment...

广场上的魔法师,以及广场之外观战的魔法师们都轰动了.

“偶买噶,这个小子到底是什么人啊,怎么会这么强?!”

“乌列和拉贵尔可是圣光教廷排行第三和第五的护教天使啊,实力强大无比,可竟然不是这小子的对手?!”

“That’s right. Raquelle’s arm was cut off. This was a complete suppression!”

Exclamations sounded incessantly.

Alves, who was in the midst of a fierce battle, was also shocked.

He was very puzzled. Who was this kid?

Why was he so powerful?

Why was he with the Divine Kings of the Holy Imperial Court?

At this moment.

In the distant sky.

Raquelle endured the pain and mobilized his energy to stop the bleeding.

Uriel said in a deep voice, "Raquelle, quickly get your arm back. We'll help you reattach it when we get back!"

"Alright!"

Raquelle gritted his teeth and nodded.

However, just as he finished speaking!

Peng!

Yang Luo raised his leg and stomped Raquelle's broken arm into a pile of minced meat!

He looked up at the two of them and said coldly, "You still want to reattach your arms?"

And now?

Can you still reattach it?"

Everyone present was shocked silly!

They never expected Yang Luo to crush Raquelle's broken arm in front of them!

Death Witch waved her fists and said excitedly, "How domineering! How domineering!"

Goddess of Fate just looked at Yang Luo in a daze and did not say a word. No one knew what she was thinking.

Raquelle was stunned for a long time before he finally came back to his senses.

His face twisted as he roared crazily, "Little bastard, I'm going to kill you, I'm going to kill you!!!"

Accompanied by a roar!

He suddenly flapped his wings of light, and his aura and combat strength soared at the same time as he charged towards Yang Luo!

With a dark expression, Uriel released his powerful aura and combat strength and charged towards Yang Luo!

"Lord Uriel, Lord Raquelle, let us help you!"

The two elders who had rebelled with Rogosav, Gilbert and Griffith, also charged at Yang Luo!

And the moment they got close...

Uriel and the other three attacked at the same time!

“Light of the Stars!”

Uriel waved the spear in his hand!

Dense purple-gold beams of light once again shot towards Yang Luo!

“Punishment Light Sword!”

Raquelle waved the long sword in his hand!

Thousands of red-gold light swords shot towards Yang Luo!

“Burning Fireball!”

Gilbert waved the scepter in his hand!

A huge dark red fireball condensed and crashed towards Yang Luo!

“Cross Poison Blade!”

Griffith brandished the pitch-black saber in his hand!

A pitch-black blade of light containing poison whistled out and shot towards Yang Luo!

Even when facing the fierce attacks of the four people!

Yang Luo was fearless. He stood proudly on the square and suddenly swung his sword!

Countless golden flying swords condensed and shot in all directions!

Rumble!

The attacks of Uriel and the other three were all destroyed!

Under this terrifying explosion!

Uriel and the other three screamed as they were sent flying at the same time!

Their bodies were cut open by the golden flying sword, and blood splattered in the air!

After sending four people flying at the same time!

Yang Luo moved and chased after the four of them!

“Don’t hold back. Use your strongest strength and kill this little bastard!”

Uriel roared and waved the spear in his hand again!

“Stars Divine Pillar!”

Huge purple-gold pillars of light condensed in the sky and smashed down at Yang Luo!

“Glorious Sacred Sword!”

Raquelle waved the long sword in his hand!

A huge scarlet-gold sword condensed in the sky, broke through the darkness, and stabbed at Yang Luo below!

Gilbert and Griffith mobilized six layers of magic attribute energy at the same time and attacked Yang Luo!

Metal, wood, water, fire, earth, and various other magical attribute energies transformed into energy beams that shot towards Yang Luo!

But Yang Luo was still fearless and slashed out with his sword!

When the sword slashed out!

The power of the lightning, fire, water, and earth attributes in his body erupted at the same time and washed in all directions!

Rumble!

The attacks of Uriel and the other three were destroyed again, and the four of them were sent flying again!

Yang Luo did not stop and continued to chase after Uriel and the other three!

“Six-star magic array!”

Gilbert and Griffith set up two six-star magic arrays at the same time to trap Yang Luo!

The two six-star magic arrays erupted with layers of attacks at the same time and attacked Yang Luo!

“You want to trap me with such a trashy array formation?”

What a joke!”

Yang Luo sneered and took one step forward!

Clang...

“Heaven Trampling Nine Steps!”

“ROAR!”

When he took the first step, a huge phantom of a golden dragon roared and crashed into the double six-star magic array!

Boom! Boom!

The dual array formations shook violently and cracks appeared!

The magic attacks that were soaring him were also destroyed!

The Heaven Trampling Nine Steps was also a powerful immortal technique that he had mastered a long time ago.

However, because his cultivation level was not high enough previously, there was no point in using it.

According to the undying old man, as long as his cultivation level was higher, the power of this immortal technique would be stronger. In the end, he could really shatter the sky with a single step.

Clang...

Yang Luo took a second step!

“ROAR!”

A second huge golden dragon phantom roared and collided with the dual array formation!

Crack! Crack!

More cracks appeared on the double array formation, as if it would collapse at any moment!

“Continue mobilizing energy to reinforce the array and trap this kid!”

Gilbert shouted in surprise and continuously mobilized the energy in his body into the array!

Griffith also constantly mobilized the energy in his body and transferred it into the array!

However, just as the two of them were reinforcing the array!

Clang...

Yang Luo took the third step!

“ROAR!”

The third huge golden dragon phantom also roared and crashed into the array!

At that moment...

Rumble!

The double array completely collapsed and exploded, turning into energy light that filled the sky and splashed in all directions!

However, Yang Luo did not stop there!

Clang...

He took the fourth step!

“ROAR!”

The fourth huge phantom of a golden dragon roared and crashed into Gilbert and Griffith!

The two of them counterattacked crazily, but they could not withstand the impact of the golden dragon at all. They spat out blood and were sent flying!

However, when the two of them were sent flying!

Yang Luo had already caught up and slashed horizontally!

Puff! Puff!

Two pillars of blood and two heads rushed into the sky before falling heavily to the ground and rolling to the side!

Gilbert and Griffith's headless bodies lay in a pool of blood!

Chapter 1153: Killing a Demon King with One Strike!

Everyone present went into another uproar!

“This can’t be true, right? This kid actually killed two Country Protecting Elders with a single strike?!”

“Too terrifying, too powerful. This kid is simply like a god!”

“He destroyed two six-star magic arrays in three steps and killed two elders with one strike. How heaven-defying!”

Everyone exclaimed and looked at Yang Luo enviously.

“Uriel and the other three couldn’t do anything to Mr. Yang even when they joined forces!

Moreover, he actually killed the two Country Protecting Elders so easily!”

Death Witch’s beautiful eyes widened and she could not help but exclaim.

Goddess of Fate was also stunned. She couldn't help but say in a daze, "So powerful..."

One had to know that these elders were the most outstanding and powerful mages in the Kingdom of Magic.

Unexpectedly, the two powerful protector elders were killed just like that.

"Hahaha, Brother Yang, well done!"

Xiang Kunlun, who was fighting in the distance, laughed out loud.

"Brother Yang, only in a real battle can we clearly know how strong you are!"

Sacred Prison King also sighed.

"No wonder that kid could injure the Light Overlord and the others. He's indeed not simple!"

"I'll go and meet this kid!"

Lightning Overlord directly left the battlefield where Xiang Kunlun and the others were and charged towards Yang Luo!

“Count me in. I’ve long wanted to tear this kid apart!”

Hundred-Armed Demon King roared and charged at Yang Luo with his mace!

In an instant!

Lightning Overlord and Hundred-Armed Demon King approached Yang Luo and waved the giant hammer and mace in their hands at the same time!

A hammer smashed down, and blue lightning arced towards Yang Luo!

The mace tore through the sky and smashed towards Yang Luo with a crushing force!

Yang Luo did not dodge or retreat. He brandished the sword in his hand and welcomed the attack!

Rumble!

The sword, hammer, and mace collided heavily, emitting a thunderous sound!

Flames shot out in all directions, lightning flashed, and energy spread!

Crack! Crack!

The ground under Yang Luo's feet kept tearing apart, but he was completely unharmed!

At this moment.

Uriel and Raquelle flapped their wings of light and flew over quickly. They waved the spears and swords in their hands and slashed at Yang Luo!

Clang!

The spear and longsword also collided heavily with the sword in Yang Luo's hand!

The ground under Yang Luo's feet continued to crack and collapse!

However, even if the four of them joined forces, they still could not shake Yang Luo!

After blocking the four people's fierce attacks!

Yang Luo's right arm shook in retaliation!

Clang! Clang!

Uriel, Raquelle, Lightning Overlord, and Hundred-Armed Demon King were sent flying at the same time!

Then, Yang Luo's figure flashed and turned into a golden figure as he shot out!

In an instant!

Yang Luo had already caught up to Hundred-Armed Demon King!

Because Hundred-Armed Demon King's body was too huge, his speed was relatively slow, so he naturally retreated slower!

"Young brat, you injured me back then. This time, I'll definitely smash you into mincemeat!"

He roared angrily and gripped the mace that was seven to eight meters long tightly with both hands, smashing it fiercely at Yang Luo!

“You’re lucky that I didn’t kill you back then!

Since we’ve bumped into each other again today, leave your life behind!”

Yang Luo did not dodge or retreat. He instead swung his sword with all his might!

He did not want to care so much anymore!

These fellows had been jumping around in front of him time and time again, wanting to kill him. This had completely angered him!

In any case, he was already at odds with the Holy Light Church, the Heavenly Shrine, and the Hell Fiend Palace!

In that case, when the real battle arrived, he would kill a few of their main forces first!

Rumble!

After this huge collision!

The huge and strong Hundred-Armed Demon King was forced to retreat repeatedly. His strong chest was also continuously cut open by the sword qi!

However, before Hundred-Armed Demon King could stabilize itself, Yang Luo took a step forward and chased after him again!

As he approached!

Yang Luo swung his sword the second time!

Swoosh!

The sword was too fast. Sparks seemed to blossom from the friction of the metal against the air, emitting ear-piercing sonic booms!

Hundred-Armed Demon King had no time to react and could only raise the spiked mace in its hand to block!

Rumble!

Under this violent collision!

The mace in the Hundred-Armed Demon King's hand was shaken away!

And after shaking off the mace in his hand!

Yang Luo's sword slashed fiercely at Hundred-Armed Demon King's chest!

Hundred-Armed Demon King was shocked and quickly condensed an energy shield to block!

However, it could not withstand it at all and was broken easily!

Swish!

His strong chest was directly split open with a long wound. His flesh was exposed, and even his bones could be seen!

"Ahhh!"

Hundred-Armed Demon King was completely enraged at this point. He swung the mace in his hand crazily and smashed it at Yang Luo!

Boom! Boom! Boom!

Hundred-Armed Demon King was known for its strength. Every strike was as heavy as a mountain, causing the ground to continuously crack and collapse!

After smashing the mace hundreds of times in a row!

He looked up and saw that the ground in front of him had already been smashed into a mess!

However, what shocked him was that Yang Luo's figure was inside that mess!

"Hey, big guy, what are you smashing?"

A teasing voice came down from the sky.

He looked up and saw that Yang Luo had already appeared above him!

“The last strike!

Behead!”

Yang Luo said coldly. With a twist of his waist and abdomen, his body swooped down!

On the way down!

He gripped the Dragon Emperor Sword tightly with both hands and slashed down angrily at Hundred-Armed Demon King!

“Ten Thousand Swords Become One!”

After countless golden flying swords condensed into form, they instantly gathered in the Dragon Emperor Sword in his hand, turning into a hundred-meter-long golden sword that slashed down heavily!

“Young brat, you want to kill me with one strike? Dream on!”

Hundred-Armed Demon King roared as he gripped his mace tightly with both hands and charged forward!

Hundreds of arms and spiked maces condensed behind him as he swung his weapon up!

In the blink of an eye!

Rumble...

Yang Luo's sword collided fiercely with the hundreds of spiked clubs that the Hundred-Armed Demon King swung!

The sound that erupted made everyone's eardrums buzz!

But the impact lasted less than a few seconds!

Peng peng peng...

Hundred-Armed Demon King's hundreds of arms and spiked clubs exploded one after another!

"Hurry up and help!"

In the distance, Uriel, who had already recovered, shouted in shock and charged towards Yang Luo!

Raquelle and the Lightning Overlord also charged towards Yang Luo!

However, just as Uriel and the other two approached and were about to launch a fierce attack!

Crack crack crack!

The mace in the Hundred-Armed Demon King's hand was completely shattered!

And right on the heels of that...

The sword in Yang Luo's hand slashed down from the top of his head and struck the ground heavily!

A long chasm appeared on the ground!

Countless cracks spread in all directions!

Clang...

When Yang Luo landed steadily.

Hundred-Armed Demon King's eyes widened, and his face was filled with unwillingness, anger, and despair...

After a while...

Boom boom...

His four-meter-tall majestic body was directly split into two and he fell heavily to the ground...

Blood flowed wantonly, dyeing the ground red...

In an instant...

The entire square was silent.

There was a long silence in the entire area.

Then the crowd went wild!

“Hundred-Armed Demon King, who shocked the Dark World and ranked fifth among the Ten Great Demon Kings, was actually cut in half by this kid?!”

“He can even kill a Demon King. This kid is simply heaven-defying!”

“Oh my god, is this kid crazy? He actually dares to kill the Demon King of Hell Fiend Palace?!”

“Given the Hell Fiend Emperor’s brutal personality, even if he were to chase him to the ends of the earth, he would definitely tear this lad into pieces!”

Whether it was the mages who did not rebel or the mages who had rebelled, they all shouted in shock, their eyes filled with extreme fear...

Chapter 1154: Reverse the Situation!

Hundred-Armed Demon King was not an ordinary person!

He was the Demon King of the Hell Demon Palace!

He was a renowned and domineering giant!

Who dared to kill him?

Who could kill him?

But now, Hundred-Armed Demon King was actually killed in front of them!

He was even cut in half by the sword!

He died so easily and so tragically!

Death Witch got so frightened that her entire body was trembling. She said with a trembling voice, "Mr. Yang actually killed... the Hundred-Armed Demon King..."

Goddess of Fate sucked in a breath of cold air and said in a trembling voice, "I didn't expect that after not seeing him for a while... this kid is actually so powerful to such an unbelievable extent..."

Xiang Kunlun and the others who were fighting in the distance were also shocked.

King of Destruction exclaimed, "This kid actually dared to kill the Hundred-Armed Demon King, and he looked very relaxed in doing so!"

Sacred Prison King sighed and said, "This way, Hell Fiend Palace will never at rest with us..."

King of Destruction said coldly, "We have long been at odds with Hell Fiend Palace!

Even if we tolerate them again and again, they will still attack us!

"So be it. At most, we'll fight to the death!"

"When you can't take it anymore, there's no need to endure!"

Xiang Kunlun chimed in.

“Brother Yang, well done!”

Bujie was not afraid of trouble at all and shouted excitedly.

At this moment...

In the square in the distance.

Yang Luo raised the sword in his hand and looked at Raquelle and the others. He said coldly, “Why aren’t you running today?”

Uriel glared at Yang Luo and said, “Little b*stard, you’re really audacious. You even dare to kill the Demon King of Hell Demon Palace?!”

Do you know the consequences of doing this?!”

Killing intent boiled in Yang Luo’s eyes as he shouted, “Come, tell me what the consequences will be!”

Raquelle said in a deep voice, “You killed Hundred-Armed Demon King. The Fiend Emperor will not let you off!

Even if you have a hundred lives, it will not be enough for the Hell Fiend Emperor to kill!”

“Hahaha...”

Yang Luo looked up at the sky and laughed wildly. He said fiercely, “So what if I kill him?

If the Hell Fiend Emperor wants to kill me, I’ll fight him to the end!”

“Crazy, this kid is really crazy. He doesn’t even know how terrifying the Fiend Emperor is!”

Lightning Overlord looked at Yang Luo as if he was looking at a fool.

Yang Luo stared coldly at Uriel and the other two and said, “Hundred-Armed Demon King is only the first. I’ll send you down to accompany him!”

Right after he finished his sentence...

In a flash, Yang Luo charged towards Uriel and the other two!

Uriel roared angrily, “Use all means to kill this kid!”

“Alright!”

Raquelle and the Lightning Overlord replied solemnly.

Then, the three of them moved at the same time and charged towards Yang Luo!

And just as they approached Yang Luo!

Uriel waved the spear in his hand!

“Galaxy fills the sky!”

In a breath’s time!

Countless purple-gold stars seemed to have condensed in the sky!

These stars quickly gathered together and transformed into a galaxy that poured down from the sky!

Raquelle raised the sword in his hand and roared!

“Holy Spirit Army!”

Thousands of reddish-gold human-shaped illusions and beast-shaped illusions condensed into form, forming an army that charged at Yang Luo!

Lightning Overlord raised the giant hammer in his hand and roared!

“Divine Lightning of Extinction!”

Rumble rumble rumble!

Thousands of blue lightning bolts tore and surged in the sky, crazily striking down at Yang Luo!

Without any hesitation, Yang Luo flipped his right hand and slashed at the sky!

His left hand quickly formed a seal!

A total of seven seals — Mountain Seal, Heaven Overturning Seal, Earth Covering Seal, Overturning Sea Seal, True Dragon Seal, Heaven Burning Seal, and Divine Thunder Seal — condensed into form at the same time and smashed into the sky!

One sword!

Seven Seals!

The destructive power, strength, and killing intent that erupted were extremely powerful!

Rumble!

The surging river of stars, the charging army of Holy Spirits, and the furious lightning were all destroyed!

Seeing how easily Yang Luo defeated their attacks!

Uriel, Raquelle, and the Lightning Overlord were shocked to see that!

“This kid’s speed and close combat strength are too strong. We have to trap him and then kill him!”

Uriel said in a deep voice.

“Alright, let’s trap him first!”

Raquelle and the Lightning Overlord nodded.

Then, Uriel and the other two mobilized the energy in their bodies and waved the spears, swords, and hammers in their hands!

“Star Prison!”

“Prison of Revenge!”

“Lightning Prison!”

And just as Yang Luo was about to approach them!

The three prisons instantly condensed into form!

The first one shone with a purple-gold light!

The second one shone with a reddish-gold light!

The third one flashed with blue lightning!

Moreover, after condensing the three layers of prison...

The three of them did not stop there!

“Sacred Light Star Formation!”

“Sacred Light Vengeance Array!”

“Divine Dao Lightning Formation!”

After the three prisons condensed!

Three more array formations condensed and surrounded Yang Luo!

Yang Luo stood quietly in the three prisons and three arrays. He looked up at Uriel and the other two and sneered, “Do you really think you can trap me with this method?”

Uriel said fiercely, “Kid, if you have the ability, come out and try!”

“You won’t be able to escape from three prisons and three arrays!”

Raquelle also had an expression of disbelief.

Lightning Overlord said in a clear voice, “Don’t waste your breath on this kid. Just kill him!”

“Of course!”

Uriel and Raquelle nodded.

Then, Uriel and the other two activated the three arrays at the same time!

Countless beams of light shot towards Yang Luo from all directions!

Countless lightning bolts struck Yang Luo from all directions!

But Yang Luo once again used the Heaven Trampling Nine Steps!

The first step was taken!

Tang!

“ROAR!”

Accompanied by a loud dragon roar!

The first huge golden dragon phantom roared and crashed into the prison and the array!

Boom! Boom!

The three prisons and the three array formations trembled violently!

It was only the first collision!

But cracks had already appeared in the prison and the array!

Right on the heels of that...

Yang Luo took the second, third, and fourth steps!

“Roar, roar, roar!”

Three huge golden dragon phantoms roared at the same time and collided in all directions!

Rumble!

The three prisons exploded one after another, turning into energy light that filled the sky and shot in all directions!

“Is this kid really human?!”

Why can’t this even trap him?!”

Lightning Overlord’s eyes were filled with shock.

After all, he had never fought with Yang Luo before. Today was only his first time.

Uriel gritted his teeth and said, “Don’t stop. Continue attacking. We can’t let him escape!”

“Alright!”

Raquelle and the Lightning Overlord replied solemnly.

Then, the three of them continued to mobilize the energy in their bodies and transferred it into the array formation. They tried to continue condensing the prison, wanting to trap and kill Yang Luo!

At this moment.

Hundreds of mages that had rebelled rushed over and set up layers of magical arrays, wanting to trap and kill Yang Luo!

They could also tell that Yang Luo was too strong!

This kid's arrival would probably reverse the situation!

If their operation failed this time, they would definitely die!

Therefore, they had to give it their all!

At this moment...

The array that surrounded Yang Luo had already reached more than a hundred layers!

The light that bloomed and the surging energy illuminated the entire square, as if it was daytime!

Chapter 1155: Killing the Lightning Overlord!

Yang Luo stood proudly in the middle of more than 100 major array formations and roared!

“Explode for me, all of you!”

Under this wild roar!

He took the fifth, sixth, seventh, eighth, and ninth steps!

Every step he took seemed to contain ten thousand catties of force, and his strength increased exponentially!

“Roar, roar, roar!”

...

Five huge golden dragon phantoms roared out and collided in all directions!

The surging True Qi also blasted out!

In an instant!

Rumble!

More than a hundred arrays collapsed and exploded at the same time!

The surging energy and blazing light intertwined and washed in all directions!

Peng, peng, peng!

The 100 plus mages surrounding Yang Luo exploded into pools of blood and mud!

Uriel, Raquelle, and the Lightning Overlord were also sent flying!

The three of them flew a hundred meters away before they could stabilize themselves!

They were already covered in blood from the explosion and spat out blood from their mouths. It was a tragic sight!

Just as the three of them were left dumbfounded at the wreckage...

Yang Luo, who was covered in golden light, walked out of the energy ball!

Although Yang Luo had some injuries on his body, they were only superficial wounds and did not affect his combat strength at all!

Seeing this scene...

Uriel, Raquelle, and the Lightning Overlord trembled in fear.

They thought that they could kill Yang Luo if they joined forces!

However, they finally realized that it was a futile task!

More than a hundred mages had helped them set up more than a hundred arrays, but they could not trap and kill this kid!

On the other hand, he killed more than a hundred mages in an instant!

Goddess of Fate and Death Witch, who were watching the battle from afar, were long dumbfounded!

The shock that Yang Luo gave them was akin simply wave after wave, making them unable to calm down for a long time!

Death Witch took a deep breath and said, "Could it be that none of these Guardian Angels, Chief Gods, and Demon Kings are a match for Mr. Yang?"

"I think so..."

Goddess of Fate nodded.

Death Witch sighed in admiration, "As expected of the old Divine Emperor's disciple. His potential is too great.

I really don't know how far he can grow in the future..."

At this moment.

In the square in the distance.

Yang Luo looked up at the three of them and said indifferently, "Didn't you think that you could trap me with the prison and array?"

What about now? Try trapping me again!"

"Little bastard, don't be arrogant. We'll kill you even if we have to give it our all!"

Uriel let out a furious roar and flapped his wings of light, charging at Yang Luo furiously!

Raquelle also flapped its wings of light and charged forward!

Lightning Overlord turned into a bolt of lightning and charged forward!

Yang Luo did not hesitate at all. His figure moved and he charged forward to meet them!

Just as Yang Luo and the trio were engaged in an intense battle!

Xiang Kunlun, Sacred Prison King, King of Destruction, Xu Ying, Bujie, and Prajna were also fighting fiercely with the Sky Overlord, Bloodthirsty Demon King, Elder Klauchi, and Elder Eustace!

From time to time, other rebelling mages would attack the six of them from Xiang Kunlun!

However, without exception, these Magi were all killed by Xiang Kunlun's group of six!

Rumble!

Only continuous explosions was heard!

The company from Sky Overlord were sent flying!

They were already covered in wounds and blood splattered everywhere!

Just as the they were sent flying yet again!

"Time Freeze!"

Sacred Prison King waved his hand and shouted!

In the blink of an eye!

The four of them stopped in midair!

Then, Sacred Prison King waved his hand again and erupted with Spatial power!

“Spatial Blade!”

Countless invisible blades shot towards the four of them!

“Atmospheric Crushing!”

King of Destruction mobilized the atmosphere around the four Sky Overlords and frantically compressed it towards the four of them!

“Retreat!”

Sky Overlord roared and broke free from the shackles of time, space, and atmosphere and managed to retreat!

Bloodthirsty Demon King also broke free and retreated!

However, Klauchi and Eustace could not escape at all!

They could only mobilize the magical energy in their bodies to resist the attacks of Sacred Prison King and King of Destruction!

Without any hesitation, Xiang Kunlun charged forward and threw a punch!

“Great Desolate Heaven Burning Fist!”

A huge fist of black and golden flames smashed forward!

A black-golden-flamed Kun Peng also charged forward!

Xu Ying, Bujie, and Prajna also unleashed their killing moves at the same time, attacking Klauchi and Eustace!

“Uhhh...”

“Ah...!”

Accompanied by two miserable screams!

Klauchi and Eustace were thrown dozens of meters away!

Their bodies were already badly mangled, and blood gushed out of their mouths. Soon, they stopped breathing!

After killing Klauchi and Eustace!

The six people from Xiang Kunlun continued to charge towards Sky Overlord and Bloodthirsty Demon King!

The moment the duo saw Xiang Kunlun and the others charging over!

They also charged towards Xiang Kunlun’s group of six!

“Heavenly Halberd!”

Sky Overlord suddenly swung the platinum halberd in its hand!

Swoosh!

A platinum halberd tore through the sky and slashed towards the six people from Xiang Kunlun!

“Bloodthirsty Demon Saber Slash!”

Bloodthirsty Demon King also waved the blood-colored saber in his hand and slashed out!

Meanwhile, Xiang Kunlun punched out!

“Chaotic Time!”

Sacred Prison King waved his hand!

Countless clock illusions condensed in the sky and shot out dense beams of light!

“Atmospheric Spear!”

King of Destruction waved his hand!

The atmosphere gathered crazily, condensing into invisible spears that whistled out!

“Arhat Subduing Tiger!”

Bujie swung the Dragon-Mark Buddhist Staff in his hand!

An illusion of an Arhat appeared, stepping on a golden tiger and charging forward!

“Ten Thousand Feet Crossing the Sky!”

Xu Ying waved the saber in his hand!

Thousands of long sabers shot out!

“Full Moon Upon a Chilly Forest!”

“Scorching Sun in the Sky!”

Prajna waved the Sun and Moon Divine Staff in her hand!

A silver moon and a blazing sun condensed in the sky!

A torrent of ice and flames surged out from the silver moon and the scorching sun!

Although Sky Overlord and Bloodthirsty Demon King’s attacks were ferocious, they could not withstand it the vast quantity of attacks and were sent flying!

Xiang Kunlun’s group of six continued their pursuit!

“Divine Light of the Sky!”

Sky Overlord swung his halberd once more!

Huge platinum beams of light shot towards Xiang Kunlun’s group of six!

“Blood Sea fills the sky!”

Bloodthirsty Demon King waved the blood-colored saber in his hand with all his might!

Whoosh! Whoosh!

The blood-colored energy seemed to have turned into a sea of blood that surged up with a strong corrosive force!

“Nine Stage Hell Suppression Palm!”

Meanwhile, Xiang Kunlun turned his fist into a palm and slapped into the sky!

Boom! Boom!

The beam of light that shot down was shattered by a single palm strike!

“Violent Quake-Rending Wave!”

King of Destruction only stepped down!

Rumble rumble rumble!

The entire plaza’s sky and ground trembled as they continuously cracked and collapsed!

Shockwaves spread out and directly dispersed the surging sea of blood!

Sky Overlord and Bloodthirsty Demon King became more and more anxious as they fought. They kept trying to attack the six people from Xiang Kunlun’s group!

However, no matter how ferocious their attacks were, they were still neutralized by Xiang Kunlun and the others!

And right at this moment...

“Dragon Rebel Sword Formation!”

A roar was heard!

Many people turned their heads to look!

Yang Luo had already set up a sword formation and trapped the Lightning Overlord inside!

“Formation, activate!”

Yang Luo waved the sword in his hand first!

The sword formation was activated instantly!

Countless flying swords shot towards the Lightning Overlord!

Huge golden dragon phantoms collided fiercely!

Thunder, fire, water, and earth attribute energy also continuously washed up!

“Lightning Winged Dragon!”

“Myriad Lightning Splits the Heavens!”

Lightning Overlord swung the giant hammer in his hand crazily in response!

The winged Lightning Winged Dragons crashed into the sword formation!

Fierce bolts of lightning struck the sword formation!

However, no matter how violent his attacks were, he could not break the sword formation at all!

On the contrary, the sword formation's attacks injured him again and again!

"Help me! Come and help me!"

Lightning Overlord shouted in horror.

Uriel and Raquelle quickly flapped their wings and flew towards the sword formation, wanting to save him!

"Saving him?"

Stop dreaming!"

Yang Luo shouted coldly and slashed with his sword!

Uriel and Raquelle were shocked. They could only raise their spears and swords to block, but they were sent flying as a result!

Just as the two of them were sent flying!

Rumble!

The entire sword formation exploded!

Brilliant light shone and energy surged!

In the end, what was left was a huge crater in the ground!

Lightning Overlord had fallen into the huge pit and blood flowed like a river. He was completely dead...

Chapter 1156: The Angel of Crusade Arrives!

When everyone present saw that the Lightning Overlord was also dead...

The crowd burst into an uproar!

“He’s dead. The fourth-ranked Chief God of the Heavenly Shrine is dead!”

“Heavens, this kid killed Hundred-Armed Demon King first and then Lightning Overlord. His strength is probably comparable to an expert on the God Ranking!”

“If the Heavenly God Emperor finds out that the Lightning Overlord has been killed, he will definitely be completely enraged. When the Heavenly God Emperor is enraged, blood will flow for thousands of miles. This kid is really done for!”

“This kid offended two top organizations at once. Is there any place for him in this world in the future?”

...

Everyone exclaimed and trembled. They looked at Yang Luo with extreme fear.

After all, be it the Hundred-Armed Demon King or the Lightning Overlord, they were both overlords of the underworld!

But now, these two overlords had actually died in the hands of this young fellow one after another!

If they had not seen it with their own eyes, they would not have believed that it was real!

Death Witch was so excited that her face turned red, "Too strong, this man is really too strong!

The Hundred-Armed Demon King and the Lightning Overlord were actually killed by him!"

The eyes of Goddess of Fate were also filled with disbelief.

Somehow she felt her heart beat faster.

At this moment...

After killing the Lightning Overlord,

Yang Luo held the Dragon Emperor Sword and continued to chase after Uriel and Raquelle!

"F*ck! Brother Yang has already gone crazy from killing!

He no longer cares if the Hell Fiend Emperor and the Heavenly God Emperor will take revenge on him. He's going to kill them first!

As expected of my Brother Yang, you're indeed domineering!"

Bujie could not help but exclaim.

Xu Ying said, "For Brother Yang, this is a release after being oppressed for too long!

After all, regardless of whether they killed him or not, the Holy Light Pope, the Heavenly God Emperor and the Hell Fiend Emperor will not let Brother Yang off!

Since that's the case, let's directly kill their subordinates. As for what will happen next, we'll take it one step at a time!"

"Of course!"

Xiang Kunlun, Bujie, Prajna, and the others nodded heavily.

No matter what dangers came later, they would support Yang Luo to the end.

Seeing the Lightning Overlord die!

Sky Overlord was enraged, "This brat deserves to die! He deserves to die!

We don't have to care about the others. We have to kill this kid tonight!"

Bloodthirsty Demon King also said ruthlessly, "This kid killed the Hundred-Armed Demon King and the Lightning Overlord. He's clearly slapping the faces of our Hell Fiend Palace and the Heavenly Shrine!

If we don't kill him, where will the prestige of our two organizations go!?"

As they spoke, Sky Overlord and Bloodthirsty Demon King could not be bothered to deal with Xiang Kunlun and the others. Instead, their bodies flashed and they charged towards Yang Luo together!

"Kill this little bastard!"

Uriel and Raquelle also roared and charged at Yang Luo!

"Hurry up and help!"

Xiang Kunlun's expression changed and he quickly rushed over!

Sacred Prison King, the King of Destruction, Xu Ying, Bujie, and Prajna also rushed over!

The moment Uriel and the other three charged over!

Yang Luo's entire body trembled, and his blood boiled like a tidal wave that soared into the sky!

"Nine Heavens, Dragon's Fury!"

"Roar, roar, roar!"

Nine huge golden dragon phantoms let out heaven-shaking dragon roars and collided with the four of them!

Then, Yang Luo waved his sword with his right hand and formed a seal with his left!

"Sword Against the Nine Heavens!"

"Battle Sage Seal!"

Nine huge swords shot out!

The seven-sided seal struck out!

It was an earth-shattering commotion to use all three killer moves at the same time!

Meanwhile, Uriel, Raquelle, Sky Overlord, and Bloodthirsty Demon King attacked at the same time!

“Spear of Holy Light!”

“Sword of Holy Light!”

Uriel and Raquelle raised their spears and swords high. Their beards and hair fluttered, and their robes billowed outwards!

A huge platinum angel illusion and a red-gold angel illusion instantly condensed on their bodies. They were both dozens of meters tall!

One of the two angel illusions held a huge spear and the other held a huge sword. They were also raised high!

“Divine Punishment!!”

The two of them roared in unison and swung their spears and swords at the same time!

The two angel illusions that enveloped them also waved the huge spears and huge swords in their hands and slashed at Yang Luo!

“Great God of Olympus, lend me your godly power!”

Sky Overlord held a giant halberd in his hand. His long hair danced in the wind, and his aura soared!

His body was enveloped by a platinum giant. He held a huge halberd in his hand, as if he was possessed by a god!

“Heavenly deity’s halberd, suppressing mountains and rivers, opening up heaven and earth!”

Accompanied by a roar!

Sky Overlord then waved the halberd in his hand and slashed at Yang Luo!

The platinum illusion that enveloped him also waved the huge halberd in its hand and slashed out!

“Demon King True Body!”

Bloodthirsty Demon King also let out a roar, and a blood-colored beam of light shot into the sky!

An illusion of a blood-colored demon with a huge horn on its head and a huge saber in its hand enveloped him!

“Bloodthirsty Demon Saber Slash!”

“Cut!!”

He and the demon illusion that enveloped him also swung the saber in their hands at the same time and slashed out!

In an instant!

Boom! Boom!

Rumble!

Yang Luo’s three killer moves collided fiercely with the heavy attacks of Uriel and the other three!

The sound of collision and explosions were incomparably terrifying, directly shattering the eardrums of many people!

Vast and majestic energy and light gushed out like a tsunami and swept in all directions!

Even if there were more than ten steel battleships placed side by side to form a barricade, they would still be instantly torn to pieces!

Under this crazy collision!

The bodies of Uriel and the other three continued to be torn apart as blood splattered everywhere!

Although Yang Luo's body was also torn open, his injuries were still much lighter than Uriel and the other three!

A minute later.

"Ahhhh..."

Uriel and the other three could not take it anymore and were sent flying!

When they flew into the air, the four of them spat out a large mouthful of blood!

And taking the chance whilst the four of them were sent flying!

Yang Luo held the Dragon Emperor Sword and continued to chase after them, preparing to give the final fatal blow to Uriel and the other three!

However, just as he slashed out!

Dong!

A huge seven-colored light beam struck down from the sky!

Clang!

Yang Luo's sword heavily struck the seven-colored light beam, emitting the sound of metal colliding with stone!

This sword actually failed to break through this beam of light. Instead, it even forced Yang Luo back!

"What's that?!"

Someone exclaimed.

When the light beam dissipated.

An old man in a white robe with gray hair and seven-colored wings of light on his back floated in the air.

In his hand was a weapon that looked like a ruler. It was also emitting a seven-colored light.

When they saw the old man arrive!

Uriel, Raquelle, Sky Overlord, and Bloodthirsty Demon King bowed to the old man at the same time!

In an instant...

The entire place went silent.

Everyone looked at the old man.

Even though this old man was just quietly floating in the sky, everyone could still sense his powerful pressure and aura.

“I didn’t expect even the Angel of Crusade to come!”

Sacred Prison King narrowed his eyes and said.

“What rank is the Angel of Crusade in the Holy Light Church?”

Bujie asked curiously.

Xiang Kunlun explained with a solemn expression, “The Angel of Crusade is ranked first among the seven Guardian Angels of the Holy Light Church. His name is Michael!

Michael is also the strongest of the seven angels!

Even Big Brother can only fight him to a draw at most!”

“Number one?!”

The corner of Bujie’s mouth twitched. “What the f*ck! This old fellow is so powerful?!”

Xiang Kunlun frowned and said, “It’s said that this old fellow has been cultivating beside the Holy Light Pope. I’m afraid his current strength is stronger than we imagined!”

Chapter 1157: Domineering!

Hearing Xiang Kunlun’s words...

Yang Luo also narrowed his eyes slightly.

Unexpectedly, even the number one Angel of Crusade in the Holy Light Church came over.

He could also sense that this old fellow's aura was indeed not inferior to the King of Creation's.

"Michael, you're finally here!"

Uriel let out a long breath, "If you hadn't come, we would all be dead!"

...

Michael swept his gaze across the plaza before asking in confusion, "Where is the Hundred-Armed Demon King and the Lightning Overlord?"

Raquelle glared at Yang Luo and gritted his teeth, "Hundred-Armed Demon King and Lightning Overlord were both killed by this kid!"

"What?!"

Michael was shocked, "The Hundred-Armed Demon King and the Lightning Overlord were both killed by this brat?!"

"Back then, he was also the one who injured me, Remuel, and Sariel, and killed several of our Cardinals and white bishops!

My left arm was cut off by this kid just now!"

Raquelle added furiously.

Uriel also spoke ruthlessly, "Not only that, but this kid can also fight all of us alone!"

This kid is definitely an anomaly. If we don't get rid of him, he will definitely become a huge problem for us!"

After hearing what Uriel and Raquelle said,

Michael's expression turned extremely grim.

He stared at Yang Luo coldly and said in a deep voice, "Kid, you've been going against us time and time again. Do you really think none of us can kill you?"

Yang Luo said in a loud voice, "Alright, cut the crap. If you want to fight, let's fight!"

I don't care if you're an Angel of Crusade or an Archangel. If you want to kill me, I'll kill you!"

"Seeking death!"

Michael flew into a rage, and the seven-colored wings of light on his back flapped violently before transforming into a streak of lightning that shot toward Yang Luo!

"You're the one who has a death wish!"

Yang Luo was not afraid at all. With a shout, he transformed into a golden figure and charged forward!

In an instant!

The two of them closed the distance!

Michael swung his Holy Light Ruler toward Yang Luo!

Swoosh!

The Holy Light Ruler slashed out, and seven-colored light rippled in all directions!

Like seven-colored glass, the seven-colored light erupted with terrifying lethality, destructive power, and crushing strength!

Yang Luo did not show any weakness either and charged forward with his sword!

Tang!

The sword and the ruler collided, and the sound spread throughout the entire Isle of Magic!

Light and energy spread out, sweeping through everything!

After this collision!

Michael was sent flying more than ten meters!

But Yang Luo was sent flying more than 20 meters!

However, even so...

Everyone present was still quite shocked!

“Oh my god, this kid actually sent Michael flying?!”

“Even though he’s at a disadvantage, he’s still able to contend against Michael. He’s definitely not simple!”

Exclamations and shouts rose and fell.

Uriel, Raquelle, Sky Overlord, and Bloodthirsty Demon King were especially shocked.

Uriel couldn't believe his eyes, "How can this kid be so strong? He's actually able to fight Michael?!"

Raquelle's brows twitched as he said fearfully, "This kid definitely didn't have such powerful strength back then. His strength must have grown during this period of time!"

At this moment...

Michael hovered in midair.

Yang Luo stood on the ground.

The two of them looked at each other in surprise.

Michael also didn't expect Yang Luo to be able to contend against him.

However, Yang Luo's heart skipped a beat.

After exchanging blows, he was certain.

This old fellow's strength was definitely on par with the King of Creation.

It was quiet for less than a minute.

Then, Yang Luo and Michael both turned into two streaks of light and charged toward each other once again!

In the blink of an eye!

Tang!

Yang Luo and Michael closed the distance between them once more, and they brandished their swords and rulers before colliding with each other!

After a collision!

The two of them continued to swing the swords and rulers in their hands and slashed at each other!

Dang, dang, dang!

Shocking collisions exploded in the square one after another!

Every collision was like a thunderclap!

Violent Qi and energy continuously rippled out, sweeping through the world in all directions!

The ground in the square kept tearing and collapsing, making everyone present shudder in fear!

After dozens of exchanges!

Dong!

Yang Luo and Michael were sent flying again!

When the two of them stabilizeded their bodies...

Everyone present gasped!

They all saw that Yang Luo's body was cut open with deep wounds!

Michael's body however had also been sliced open!

"How is this possible?!"

Sky Overlord's pupils contracted, "This brat actually managed to injure Michael?!"

"Unbelievable, unbelievable!"

Bloodthirsty Demon King shook his head repeatedly and looked at Yang Luo with a hint of fear.

Too powerful!

Death Witch's heart was beating wildly and her eyes were filled with infatuation, "What has this man experienced to have such powerful strength..."

Goddess of Fate also felt her heart beating faster and faster, and an inexplicable feeling actually arose in her heart.

They were all experts in the Dark World.

Therefore, they worshipped the strong even more.

Especially an indomitable, domineering, forthright, and righteous expert like Yang Luo!

It was even more worthy of their admiration!

The eyes of the sorcerers who did not rebel were also filled with fanatical worship!

At this moment...

Michael stared blankly at the wounds on his body, "Kid, it looks like it won't be easy to kill you without getting serious!

However, it's your honor to be able to force me to kill you!"

Right after he finished his sentence...

Dong!

Michael's hair and beard fluttered in the wind as a seven-colored beam of light shot into the sky from his body!

His aura and pressure increased by an unknown amount of times!

"ROAR!"

Yang Luo also raised his head and let out a dragon roar!

A golden dragon coiled around his body and a golden beam of light shot up!

The pressure and aura emanating from his body also increased by several times, and he was able to contend against Michael's aura!

Michael waved his Holy Light Ruler without any hesitation!

“Holy Light Annihilation!”

A seven-colored beam of light descended from the sky, containing endless destructive power as it shot towards Yang Luo!

Yang Luo was fearless. Without dodging or retreating, he slashed at the sky!

“Sword Breaks the Heavens!”

Boom...

The huge golden sword and the seven-colored light beam collided fiercely, producing a loud bang!

This seven-colored beam of light ended up being forcefully slashed apart by Yang Luo’s sword!

However, the surging seven-colored energy also caused bloody wounds to appear on Yang Luo’s body!

Michael waved the Holy Light Ruler in his hand again!

“Holy Light Cross!”

“Imprison the Demon!”

A seven-colored cross that was as large as a building instantly condensed into form!

The dazzling light was like a rainbow, illuminating the night sky!

Seven-colored chains as thick as bowls whistled out and swept towards Yang Luo, wanting to bind and imprison him!

Countless seven-colored beams of light shot out from the cross!

“Imprison the demon? Hahaha...

Then I’ll transform into a demon today and fight you hypocrites to the end!”

Yang Luo looked up at the sky and laughed wildly. He was peerlessly domineering and did not dodge or retreat. The sword in his hand slashed forward crazily!

“Destroy them all!”

Thud thud...

Be it the chains that swept over or the beams of light that shot over, they were all destroyed by the chaotic swords!

As Yang Luo counterattacked, he charged towards the cross as well!

And the moment they got close...

With a stomp of his foot, he shattered the earth and soared into the sky like a divine dragon from the Nine Heavens. He angrily slashed at the cross!

“Explode for me!”

Swoosh!

An incomparably huge golden sword slashed heavily at the cross!

Accompanied by a loud bang!

The entire cross cracked and exploded!

Chapter 1158: I'll Take Your Life Next Time!

Seven-colored light and energy splashed in all directions!

It was as if a dazzling rain of light had fallen!

Although Yang Luo's injuries increased again...

However, he was not affected. Instead, it further ignited the fighting spirit in his heart!

Everyone's blood was boiling, and they wished to go up and fight Michael as well!

But they knew that they were not as powerful as Yang Luo!

...

Even though Yang Luo seemed to be exchanging blows with Michael, they would definitely have a death wish if they went up!

Boom...

Yang Luo knocked aside the ball of energy in front of him and continued charging toward Michael!

Michael was even more astonished!

This kid in front of him was so young, but he already had such powerful strength!

If he was given more time to grow, he might really be able to catch up to the Pope!

The more this was the case, the more he could not let this kid off!

He gathered his thoughts and waved the Holy Light Ruler in his hand!

“Holy Light Wheel!”

In the blink of an eye!

A huge seven-colored wheel condensed in the sky!

As the wheel spun, densely packed seven-colored beams of light shot down!

Ancient runes continuously condensed into form and covered the sky as they smashed down!

Seeing this, Yang Luo flipped his right hand and slashed at the sky!

Countless golden flying swords condensed and shot into the sky!

Boom! Boom! Boom!

A series of earth-shattering explosions resounded continuously!

A large number of flying swords, beams of light, and runes exploded in the sky!

Michael suddenly swung his Holy Light Ruler!

“Suppress!”

Rumble rumble rumble!

The seven-colored wheel was like a mountain as it pressed down heavily on Yang Luo!

Furthermore, as the seven-colored wheel pressed down, a restraining force erupted, preventing Yang Luo from retreating. He could only endure it head-on!

Yang Luo held the sword in his right hand and kept slashing at the sky!

Clang clang clang...

Sword shadows filled the sky and constantly struck the seven-colored wheel, emitting muffled thunder!

However, no matter how sharp his sword was, it could not break through the seven-colored wheel!

Then, Yang Luo raised his left hand and quickly formed a seal!

The huge seals condensed into form and crashed into the seven-colored wheel that was suppressing down!

Boom! Boom!

Rumble!

The sound of collisions and explosions rang out incessantly, exploding a large amount of light and energy!

“Give Michael a hand and quickly kill this brat!”

Uriel roared and attacked Yang Luo!

Raquelle, Sky Overlord, and Bloodthirsty Demon King attacked at the same time!

The attacks of the four of them intertwined and seemed to transform into an energy rainbow that shot towards Yang Luo!

The energy beam surged up, and wherever it passed, the ground was crushed!

The houses around the square also shook violently!

“How dare you besiege my Brother Yang, you have a death wish!”

Xiang Kunlun roared and continuously mobilized the True Qi in his body to counterattack!

Sacred Prison King, King of Destruction, Xu Ying, Bujie, and Prajna also mobilized the True Qi and energy in their bodies and launched a counterattack!

“Let me help Mr. Yang too!”

Alves also rushed over and mobilized the magical energy in his body to launch an attack!

By the side, Death Witch also shouted, “Natasha, let’s go and help too!”

“Alright!”

Goddess of Fate nodded and rushed up with Death Witch, launching a fierce attack!

They had rested for so long and had recovered some of their energy. Naturally, they could help a little!

The five elders who followed Alves and the other mages rushed over and counterattacked together!

At this moment...

The combined attacks of Xiang Kunlun and the others also intertwined, turning into an even larger energy rainbow that surged up!

In an instant!

DONG!

Two beams of energy collided heavily in the center of the square!

The entire square shook violently!

Even the entire Isle of Magic shook in response!

The energy contained in these two energy rainbows kept colliding in the sky!

Boom, boom, boom...

A series of explosions resounded continuously!

A few minutes later...

The energy beam that Uriel and the others shot out began to weaken continuously!

Clearly, Uriel and the others could not withstand the combined counterattack of Xiang Kunlun and the others!

Michael's eyes were ice-cold as he continued to mobilize the power within his body and swung the Holy Light Ruler in his hand!

"Idol of the Heavenly Lord!"

In an instant!

A 100-meter-tall seven-colored giant condensed into form. It was as if the Lord of Heaven had descended and slapped forward!

A seven-colored palm pressed down like a seven-colored five-fingered mountain, causing the world to tremble violently and be terrifying!

Yang Luo stood proudly in front of everyone and let out a furious roar!

"Nine Heavens, Dragon's Fury!"

"Dragons Howl For Ten Thousand Miles!"

"Roar, roar, roar!"

Nine huge golden dragon phantoms roared out as well!

Then, the nine golden dragon phantoms instantly merged into one, turning into a hundred-meter-long golden dragon phantom that ruthlessly collided with the seven-colored giant!

In that moment!

The dragon and the giant collided fiercely!

The entire square, and even the entire Isle of Magic, fell silent!

A few seconds later...

Rumble...

Explosions that shook the world exploded one after another!

Dragon vs giant, the two energy phantoms clashed with each other!

Endless light and energy surged out from the explosion and washed in all directions!

The houses around the square could no longer withstand the impact and collapsed!

Under this huge explosion!

Michael and the others were blasted into the air!

Yang Luo and the others were also blasted back repeatedly!

“Let’s go!”

Blood gushed out of Michael's mouth as he let loose a roar.

He instantly set up a seven-colored teleportation array that enveloped him, Uriel, and the others!

He also realized that if they continued fighting, they would probably die here!

After all, they were not only dealing with Yang Luo!

There were also quite a few Divine Kings from the Holy Imperial Court!

There was also the Kingdom of Magic's "Magic Monarch" Alves!

Therefore, they could only retreat first!

"Trying to run again? Stop right there!"

Yang Luo roared and charged toward Michael and the others!

However, the array had already been activated. A seven-colored beam of light shot up and emitted a dazzling light!

Michael said coldly, "Kid, I'll remember you. I'll definitely take your life next time!"

Raquelle said fiercely, "Kid, just you wait. I will definitely avenge my severed arm!"

"Kid, you killed the Chief Gods of my Heavenly Shrine. You won't be able to live for long!"

"You killed the Demon King of our Hell Fiend Palace. The Fiend Emperor won't let you off. You won't be arrogant for long!"

Sky Overlord and Bloodthirsty Demon King also roared angrily.

Seeing that he could not catch up, Yang Luo directly threw the Dragon Emperor Sword in his hand!

Swoosh!

The Dragon Emperor's sword momentum was like a thunderclap, as fast as a raging fire. It tore through the void and shot out!

The moment Michael and the others were about to disappear!

Psh!

The Dragon Emperor Sword pierced through Michael's shoulder, drawing a large amount of blood!

"Little b*stard, just you wait!"

Michael's eyes were about to pop out of their sockets as he let out a final roar of rage.

Then, they disappeared from the square.

It was not until the seven-colored light beam and the array dissipated that everything finally returned to calm.

The Dragon Emperor Sword was pinned to the ground where Michael and the others had disappeared...

There was a pool of dark red blood around it. It was a shocking sight...

Chapter 1159: Eternal Allies!

At this moment...

Inside and outside the square.

There was silence.

The square had already been destroyed beyond recognition.

More than a dozen surrounding houses had been reduced to ruins.

No one recovered from the shock just now.

...

What kind of terrifying battle had they witnessed?

There was a long silence in the entire area.

All the mages and citizens present cheered.

“We won! We actually won! We actually defeated the Holy Light Church’s Guardian Angel, the Chief Gods of the Heavenly Shrine, and the Demon King of the Hell Fiend Palace!”

“It’s all thanks to Mr. Yang and the Holy Imperial Court’s help in this battle. If not for their help, our Kingdom of Magic would have really fallen!”

“Mr. Yang is too powerful. Not only did he kill Hundred-Armed Demon King and Lightning Overlord, but he also severely injured the other Guardian Angels, Chief Gods, and Demon Kings. He’s too powerful!”

Everyone cheered in joy.

On the other hand, the mages that had rebelled were all ashen-faced.

Their plan had failed!

Finished!

Everything was over!

“Your Majesty, Rogosav is escaping!”

At this moment, an exclamation sounded.

Rogosav, who was severely injured and pale, was about to escape.

The five elders who followed Alves immediately rushed forward and blocked Rogosav’s path.

On the other hand, Alves walked over step by step with an extremely cold expression.

“Rogosav, I’ve treated you well, but you colluded with outsiders to rebel and almost destroyed our Kingdom of Magic!

Do you really think the people from the Holy Light Church, the Heavenly Shrine, and Hell Fiend Palace take you seriously?

If they really care about you, why didn’t they bring you along to escape?”

As he saw Alves walking over...

Thump!

Rogosav knelt down and begged for mercy, "Your Majesty, I was wrong. I really know my mistake!

I shouldn't have colluded with outsiders to rebel. Please let me off!

As long as you let me go, I'll leave the Kingdom of Magic immediately!

Also, I promise that I will never step into the Kingdom of Magic again!"

Alves said coldly, "Let you go, and then wait for you to join the three major organizations before you come back to wreak havoc in the Kingdom of Magic, right?"

Hearing Alves' words...

Rogosav trembled in fear and broke out in cold sweat.

Although he thought so in his heart, he definitely could not admit it.

He hurriedly shook his head and said, "Your Majesty, after I leave the Kingdom of Magic, I'll hide my identity. I definitely won't join those three organizations!"

Alves said in a low voice, "Do you think I will believe what you say?"

Rogosav gritted his teeth and said fiercely, "Are you really not going to let me go?"

Alves asked fiercely as well, "How do you want me to let you go?"

“Alves, I’ll fight you to the death!”

Rogosav suddenly charged towards Alves!

Alves mobilized the magical energy in his body and waved the golden scepter in his hand!

A nine-colored beam of light shot out and pierced through Rogosav’s chest!

“You...”

Rogosav raised his hand and pointed at Alves. Fresh blood gushed out of his mouth and blood flowed down his chest uncontrollably!

A few seconds later...

Plop...

He fell heavily to the ground and quickly stopped breathing.

Seeing Rogosav die...

The remaining thousands of rebelling mages were so frightened that they knelt on the ground.

“Your Majesty, please forgive us!”

“We know we were wrong. We won’t dare to do this again!”

These mages cried bitterly and began to beg for mercy.

Alves stared at the thousands of mages and hissed, "Too many people have died in this battle. I can spare your lives!

However, while you may avoid death, you cannot escape punishment!

For the next ten years, all of you can spend it in prison reflecting!"

"Thank you for not killing me, Your Majesty!"

Thousands of mages quickly thanked him as if they had been pardoned.

After all, it was already a huge blessing that Alves did not kill them.

"Put them all in jail!"

Alves waved his hand and gave the order.

Soon, many of the guards stepped forward and took away the thousands of rebellious mages.

After the matter was resolved.

Led by Alves, First Elder Rudney, Third Elder Parand, Fifth Elder Fernandi, Seventh Elder Agarius, and Ninth Elder Icklem walked towards Yang Luo and the others.

"Thank you for coming to help us. If not for your help, the hundreds of thousands of citizens of the Kingdom of Magic would have become the slaves of the three major organizations!"

Alves and the five elders bowed and thanked him sincerely.

"Thank you for your help!"

The citizens of the Kingdom of Magic also bowed.

Xiang Kunlun waved his hand and said, "Mr. Alves, you don't have to thank us. Our Holy Imperial Court and the Kingdom of Magic have always been allies. Naturally, we have to help each other!"

Death Witch also smiled and said, "Father, we're all on the same side. You don't have to be so polite."

Alves nodded and said, "Mr. Xiang is right. The Kingdom of Magic and the Holy Imperial Court are eternal allies!"

In the future, no matter what happens to the Holy Imperial Court, the Kingdom of Magic will definitely help!"

Sacred Prison King chuckled and said, "Mr. Alves, just your words are enough!"

Then, Alves looked at Yang Luo and asked, "Everyone, may I ask what is your relationship with Mr. Yang?"

Xiang Kunlun smiled and replied, "Mr. Alves, Brother Yang is our brother. His name is Yang Luo."

"That's right!"

Sacred Prison King continued, "Brother Yang is not only our brother, but he also has a very close relationship with our Holy Imperial Court!"

Since they planned to announce Yang Luo's identity at the Dark Convention, they would naturally keep this secret before that.

Alves lamented, "Mr. Yang has such strength at such a young age. He severely injured Michael and the others by himself and even killed the Hundred-Armed Demon King and the Lightning Overlord!"

Such strength is simply an eye-opener for us!”

Yang Luo waved his hand and said, “Mr. Alves, your strength is also very impressive!

If it weren’t for you holding on for so long, we would probably be too late even if we arrived!”

Death Witch blinked her beautiful eyes and said, “Father, Mr. Yang is the expert who has shocked the Dark World time and time again and advanced from the lowest rank to SS in the quickest time!”

“Really?!”

Alves was even more surprised, “So the rising star of the Dark World is you, Mr. Yang?!”

Yang Luo scratched his head and said, “It’s just an empty title.”

“This isn’t an empty title!”

Alves shook his head, “With Mr. Yang’s potential, you will definitely enter the Divine Ranking in the future!”

There was a pause.

Then Alves continued, “Mr. Yang, from today onwards, you are the Kingdom of Magic’s eternal ally!

In the future, if you need any help, you can contact us. We will definitely help!”

“Then I’ll thank you in advance!”

Yang Luo cupped his hands and said, “Mr. Alves, elders, your injuries are not light. How about I find a place to help you treat your injuries?”

“Hmm?”

Alves was stunned, “You even know medicine?”

Death Witch said, “Father, not only is Mr. Yang powerful, but his medical skills are also very powerful!

As long as Mr. Yang makes a move, everyone’s injuries will definitely recover quickly!”/

“Good, good, good!”

Alves nodded repeatedly, “Then I’ll trouble you, Mr. Yang!”

Then, Yang Luo and the others left the area.

Chapter 1160: You’re Taking Advantage Of Me!

After leaving the square.

Yang Luo and the others came to a palace not far away.

When they arrived at the palace, Yang Luo took out the Fuxi Divine Needle and treated Alves and the five elders’ injuries.

Half an hour later.

The treatment was over.

Yang Luo put away the Fuxi Divine Needle and said, "Move your bodies a little and see if you're better."

...

Alves and the five elders stretched their bodies and were pleasantly surprised.

"Alright, my injuries are almost healed!"

"I didn't expect Mr. Yang to be not only powerful, but also a Divine Doctor as well!"

The elders were extremely excited and looked at Yang Luo with even more admiration.

Alves took out a golden token and handed it to Yang Luo, "Mr. Yang, this is the 'Mage Token'. As long as you take this token, you can enter and exit the Kingdom of Magic freely in the future!

"Moreover, with the Mage Token in your hand, you can mobilize the mages of the Kingdom of Magic to work for you at any time!

I don't know how to thank you, so I can only use this method. I hope you won't refuse!"

"Alright, I'll accept it."

Yang Luo thought for a moment and accepted the token.

Before the war arrived, he had to rope in the various large organizations and accumulate strength.

It would naturally be best if it could strengthen the alliance between the Holy Imperial Court and the Kingdom of Magic.

Alves said, "It's getting late. Julie, bring Mr. Yang and the rest to rest."

I'll invite everyone to a banquet tomorrow."

"Yes, Father."

Death Witch nodded and left the palace with Yang Luo and the others.

After leaving the palace...

Yang Luo and the others arrived at a manor not far from the palace.

After arriving at the manor...

Yang Luo said, "Everyone, I'll help you treat your injuries first. After that, we'll have a good chat."

"Alright!"

Xiang Kunlun and the others nodded.

Then, Yang Luo helped Xiang Kunlun, Sacred Prison King, King of Destruction, Xu Ying, Bujie, and Prajna treat their injuries.

The injuries of Xiang Kunlun and the others were relatively light, so they were healed very quickly.

After curing the six of them...

Yang Luo said to Goddess of Fate and Death Witch, "Come to my room. I'll treat your injuries there."

“Why do we have to go to the room for treatment?”

Goddess of Fate looked puzzled.

Yang Luo said, “The two of you are seriously injured. There are wounds all over your bodies.

It’s a little inconvenient to treat you here.”

“Oh...”

Death Witch narrowed her eyes and smiled, “Then what are we waiting for? Let’s go.”

With that said, Death Witch swayed her graceful figure and walked into the room.

Goddess of Fate hesitated for a moment before following him into the room as well.

After closing the door.

Yang Luo said directly, “Take off your clothes!”

“Ah?!”

Take off our clothes?!”

Death Witch looked at Yang Luo in shock, “Mr. Yang, although I admire you, like you, and want to be your woman, isn’t this a little too fast?”

Goddess of Fate said angrily, “Kid, what are you thinking about?

Now that Second Brother and the others are outside, you still want to take advantage of us?

Even if I'm not your match, if you dare to do this, I'll fight you to the death!"

"What are you two thinking?"

Yang Luo was caught between laughter and tears, "I just saw that your injuries were too serious. It's more convenient to treat you after you take off your clothes.

Moreover, you have so many wounds on your bodies. If you don't treat them in time, there will definitely be scars in the future."

"So that's why!

You should have told me earlier. You really gave me a fright!"

Death Witch patted her chest and took off her long dress, leaving only her undergarments.

The moment she took off her long dress!

Yang Luo was instantly dumbfounded!

He had to admit that the Death Witch's figure was curvaceous and very hot!

Even Yang Luo got a little distracted.

"Do I look good?"

Death Witch asked seductively.

“Beautiful.”

Yang Luo nodded directly.

“If I want to become your woman, will you agree?”

Death Witch asked again.

Yang Luo suddenly came back to his senses and said, “Alright, stop talking nonsense. Hurry up and sit down. Let’s start the treatment.”

“Tsk, boring!”

Death Witch rolled her eyes but sat obediently in front of Yang Luo.

As soon as he got close, Yang Luo immediately felt the strong strong impact on his vision. The flames in his heart burned.

He quickly chanted the “Heart Cleansing Mantra” to suppress the anger in his heart.

Seeing Yang Luo’s embarrassed look...

Death Witch was so amused that she giggled, “Mr. Yang, don’t you have a few women? You even know how to be shy?”

Yang Luo glared at this woman and said, “Who’s shy? This is the normal reaction of a normal man, okay?”

“Yes, yes, yes. You can be stubborn.”

Death Witch seemed to be very happy, "It seems that I still have some charm in your heart.

Why don't I be your woman then?

Or should we try it tonight..."

"Stop, stop, stop!"

Yang Luo stopped him in time.

This woman was simply outspoken.

If he really let her to continue, she would soon start talking about giving birth.

Then, Yang Luo turned to look at Goddess of Fate and said, "What about you? Aren't you going to take it off?"

Goddess of Fate bit her lower lip and said, "I don't need the treatment. After my energy recovers, I can heal myself."

After all, she had already mastered healing magic.

As she spoke, Goddess of Fate prepared to turn around and leave.

Yang Luo curled his lips and said, "I don't know how long it will take for you to recover from your injuries.

You have so many wounds on your body, including your face. If you don't treat them quickly, you will definitely leave many scars.

At that time, you would go from a goddess in everyone's hearts to a completely ugly woman.

If you ask me to treat you again in the future, I can't guarantee that I can help you remove these scars..."

Of course, he was just trying to scare Goddess of Fate.

This woman was too arrogant and cold. She seemed to have a huge problem with him.

He had to change this woman's arrogant and cold personality.

He was already the Divine Emperor of the Holy Imperial Court. If this woman did not listen to him, it would be too embarrassing.

Hearing Yang Luo's words...

Goddess of Fate stopped.

She turned around and frowned, "The help Julie with her treatment first."

"Alright."

Yang Luo nodded and took out the Fuxi Divine Needle to treat Death Witch's external and internal injuries.

After curing her external and internal injuries...

Yang Luo took out a few more medicinal herbs from his storage ring, rubbed them with both hands, and applied them to the wounds on the Death Witch's body.

After waiting for about twenty minutes...

Yang Luo removed all the medicinal dregs from Death Witch's body and clapped his hands, "Done!"

Death Witch looked down at her body and immediately exclaimed, "I'm recovered. Totally fine. There's not a single scar left!

You're a god, you're really too godly!"

Because she was too excited,

Death Witch kissed Yang Luo on the cheek.

"You..."

Yang Luo was instantly stunned.

Death Witch smiled and said, "Take it as a reward."

Yang Luo pretended to be angry and said, "What reward? You're clearly taking advantage of me!"

"Many men don't even have the chance to let me take advantage. Keep dreaming."

Death Witch winked at Yang Luo before putting on her clothes and walking out of the room.

As she walked, she said, "You guys should cultivate your relationship well. I won't disturb you anymore."
