Chapter 1161: Conquering the Goddess!

“Julie, what nonsense are you talking about!”

Goddess of Fate’s beautiful face immediately turned red.

Death Witch blinked at Goddess of Fate as she said, “Natasha, we’ve been friends for so many years. Do you think I don’t know what you’re thinking?”

“You... I...”

Goddess of Fate was shocked and speechless.

Death Witch only gave her a meaningful look before leaving the room.

...

After Death Witch left...

Only Yang Luo and the Goddess of Fate were left in the room.

The two of them looked at each other in silence for a long time.

After a moment of silence.

Yang Luo said, "Goddess of Fate, you don't have to be too restrained.

I'm a doctor. In my eyes, there's no gender difference."

Of course, such words were meant to fool ghosts.

He said this because he just wanted Goddess of Fate to relax a little.

Goddess of Fate hesitated for a moment and said coldly, "I can let you heal me, but you're not allowed to look around!

If you dare to look around, I'll poke your eyes out!"

Yang Luo instantly got displeased, "What do you mean I can treat you?

You make it sound like I'm dying to treat you!

If you want to be treated, then I'll do so. If you don't, then forget it!"

As he spoke, Yang Luo stood up and prepared to leave the room.

"Wait!"

Goddess of Fate panicked and hurriedly called out to Yang Luo.

Any woman would love being beautiful.

Even though she was a goddess, she was no exception.

Yang Luo turned around and said, "Have you thought about it? Do you want me to treat you or not?"

"Yes, I'll do it!"

Goddess of Fate nodded repeatedly.

Yang Luo frowned and said, "But I can't see your sincerity."

Only then did Goddess of Fate give in, "Please treat me. Natasha will be very grateful!"

Yang Luo secretly grinned to himself.

Little girl, can't this brother control you after all?

He nodded calmly and said, "You should have listened to me earlier."

"You..."

Goddess of Fate was about to flare up.

"Why? You're still talking to me so coldly?"

Yang Luo frowned, "Looks like you're still not sincere enough. Let's forget about the treatment."

As he spoke, Yang Luo turned around and prepared to leave.

“Mr. Yang, please treat me!”

Goddess of Fate was so anxious that her eyes turned red.

When Yang Luo saw this, his heart tightened. He knew that he couldn't make too much of a fuss, so he nodded and said, “Alright, I'll treat you.

Then quickly take off your clothes.”

Goddess of Fate took a deep breath and took off her bloodstained white dress.

The moment the Goddess of Fate took off her dress...

Yang Luo's breathing became heavy, and the flames in his heart rose again.

Although Goddess of Fate's figure was not as hot as the Death Witch's, it was perfect.

Where her figure should have meat, it was nice and plump. Where her figure should be thin, it was slim and slender. She was graceful and charming.

God seemed to be especially biased towards this woman.

When he gave this woman a peerless appearance, he also gave her a perfect figure.

Goddess of Fate tried her best to suppress the anger in her heart and said coldly, "Can we start the treatment now?"

"You may begin."

Yang Luo gathered his thoughts, pointed to the side, and sat down.

The Goddess of Fate nodded and sat beside Yang Luo, trying to keep a distance.

Yang Luo shook his head in amusement.

How much did this woman dislike men?

Then, Yang Luo picked up the Fuxi Divine Needle and started to treat Goddess of Fate's external and internal injuries.

After curing the injuries on the Goddess of Fate...

Yang Luo took out a few more medicinal herbs, rubbed them into a pulp, and applied them to the wound on Goddess of Fate's body.

However, when Yang Luo's hand touched Goddess of Fate's skin, the woman's body was clearly trembling, and two blushes appeared on her face.

At this moment.

Goddess of Fate felt her mind go blank. Her heart was pounding, and her breathing turned a little rapid.

She had never let anyone of the opposite sex touch her body.

She had thought that she would abhor this guy very much.

However, to her surprise, she was not as repulsed as she had imagined.

Could it be as the psychiatrist had said, that she had fallen in love with this man?

Just as Goddess of Fate was letting her imagination run wild...

Yang Luo asked, "Don't tell me you haven't been in a relationship until now?"

Goddess of Fate said unhappily, "Does this have anything to do with you?"

Yang Luo said, "I'm just curious."

Goddess of Fate said coldly, "Men are not good people. They only have those things in their minds."

Yang Luo said speechlessly, "You can't just over-generalize all women right?"

Just take me, I'm also a good man, okay?"

"You're a good man?"

Goddess of Fate widened her beautiful eyes, "Do you believe that yourself?"

What good man has so many women like you?"

“Uhhh...”

Yang Luo suddenly did not know how to respond.

“Hmph!”

Goddess of Fate snorted softly, feeling a little pleased.

Just now, she had been manipulated by this guy, which made her very unhappy.

It was quite interesting to make this guy suffer now.

Just as Goddess of Fate was feeling smug...

Yang Luo reached out and pulled the woman over.

Looking at the man who was so close to her, Goddess of Fate immediately panicked, “What... what do you want?!”

Without another word, Yang Luo flipped her over and slapped the woman's rump.

"You..."

Goddess of Fate's face instantly turned red, "What are you doing?!"

Pa!

Yang Luo slapped her again, "Can't you treat me better?"

Why do you always speak coldly to me every time you see me? Do you hate me so much?"

"Let go of me!"

Goddess of Fate struggled desperately and screamed, "I'm going to kill you!"

Pa!

Yang Luo slapped her once more, "You still dare to threaten me? Can you kill me?"

Do you really think that everyone in the world will spoil you just because you're beautiful and have a good figure?"

As he spoke, Yang Luo slapped her a few more times.

"Wuwuwu..."

Goddess of Fate burst into tears.

She was embarrassed, angry, and aggrieved.

She had never been bullied like this in her life.

No matter where she went, she would always be the center of attention.

Everyone was extremely respectful to her.

Those men even regarded her as a goddess and princess.

But now, this man actually bullied her and even hit her there.

“Ugehhh...”

The more the Goddess of Fate thought about it, the more aggrieved she felt. She cried even louder.

Yang Luo also got a shock from her crying.

He realized that Xiang Kunlun and the others were still outside.

If they heard this, who knew how they would misunderstand him.

He quickly picked up the woman and said, “Don’t cry. I apologize.”

But Goddess of Fate did not care at all and continued to cry.

“Stop crying!”

Yang Luo quickly reached out and covered her mouth.

Goddess of Fate instead bit his hand hard.

“Hiss...”

Yang Luo quickly let go and gasped, “Why are you still biting people now? Are you a dog?”

Goddess of Fate only pouted and looked at Yang Luo aggrievedly. There were still tears glistening at the corners of her eyes.

At this moment, the woman was no longer as arrogant as before. She looked a little cute and pitiful.

Yang Luo reached out to wipe the tears from the corners of the woman’s eyes and sighed, “Alright, it’s my fault. I shouldn’t have hit you.

But can you treat me better in the future?”

“Hmph!”

Goddess of Fate only snorted softly and looked arrogant again, but her attitude was not as cold as before.

Moreover, her face turned even redder.

This guy had actually helped her wipe her tears just now, but she had not rejected him.

Crazy!

She was really going crazy!

Chapter 1162: Preparing for the Battle!

Yang Luo scratched his head and said, "See if there are any wounds left on your body."

Goddess of Fate wiped off the medicinal dregs on her body and was instantly stunned.

She realized that there were no wounds on her body at all.

Her skin had also returned to its previous smooth and tender state.

Although this guy was annoying, she had to admit that his medical skills were really amazing!

Yang Luo stood up and said, "Hurry up and put on your clothes. Go out."

...

Goddess of Fate glared at Yang Luo again before putting on her clothes.

Then, they opened the door and walked out of the room.

When they walked out of the room.

Xiang Kunlun and the others, who were sitting on the sofa in the hall, looked over in unison.

Especially when they saw the Goddess of Fate following behind Yang Luo with a red face like an aggrieved little wife, everyone's imagination ran wild.

"Holy shit!"

The corner of Bujie's mouth twitched as he said, "Brother Yang, you can't be so inhumane, right? Even if you want to do something, you should consider the occasion, right?"

King of Destruction touched his chin and said, "Brother Yang, when did you and Natasha get together?"

Sacred Prison King said with a smile, "As expected of Brother Yang. You've even taken down Natasha. You're a role model for us men!"

"Get lost!"

Yang Luo glared at these unscrupulous fellows, "It's not what you think. Anyway, I can't explain it to you!"

Bujie waved his hand and said, "Alright, stop explaining. An explanation is a cover-up, and a cover-up is the truth... Ah!"

Before he could finish speaking, Yang Luo slapped his head.

After Yang Luo and Goddess of Fate sat down,

Xiang Kunlun said, "Natasha, Julie, I now officially announce a piece of news to you."

"What news?"

Death Witch looked puzzled.

Goddess of Fate also looked at Xiang Kunlun.

Xiang Kunlun said solemnly, "Brother Yang has already succeeded the position of Divine Emperor!"

"What?! He has already succeeded the position of Divine Emperor?!"

Death Witch looked at Yang Luo with her mouth agape.

Goddess of Fate also looked at Yang Luo blankly.

"That's right."

Xiang Kunlun nodded and said, "Before we came here, Brother Yang went to our Holy Imperial Court's headquarters and challenged Third Brother and Eldest Brother."

"What's the outcome?"

Death Witch hurriedly asked.

Sacred Prison King spread his hands and said helplessly, "Natasha, do you think I can defeat Brother Yang with his current strength?"

“Could it be that Big Brother was also defeated by Mr. Yang?!”

Death Witch asked again.

“Nope.”

Yang Luo shook his head, “With my current strength, I can’t defeat the King of Creation.”

Goddess of Fate snorted coldly, “You haven’t even defeated Big Brother, so how are you qualified to succeed the position of Divine Emperor...”

“Hmm?”

Yang Luo narrowed his eyes and turned to look at Goddess of Fate.

Goddess of Fate quickly shut her mouth, not daring to say another word.

Seeing the reaction from Goddess of Fate...

Xiang Kunlun, Sacred Prison King, King of Destruction, and Death Witch were dumbfounded.

What was this situation?

Why did Goddess of Fate seem to be afraid of Yang Luo?

Did the sun rise from the west?

Xiang Kunlun said, "Although Brother Yang didn't defeat Big Brother, he fought him for more than a hundred rounds and injured him.

It's precisely because of this that Big Brother acknowledges Brother Yang."

"Oh my god!"

Death Witch was shocked, "Mr. Yang, I didn't expect you to even injure Big Brother. You're really amazing!"

Goddess of Fate also looked at Yang Luo in a daze, her eyes filled with disbelief.

After all, as Divine Kings of the Holy Imperial Court, they knew the strength of the King of Creation very well.

As the number one Divine King in the Holy Imperial Court, if one were to exclude those experts on the Divine Ranking....

The only one who could contend with him in the Dark World was the Archangel under the Holy Light Pope, the number one Chief God of the Heavenly Shrine, and the number one Demon King of the Hell Fiend Palace.

There were also experts who were hidden all over the world and were close to the Divine Ranking.

Xiang Kunlun said, "Therefore, Brother Yang is now qualified to succeed the position of Divine Emperor.

Although Brother Yang's current strength cannot compare to Divine Ranking experts like the Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor...

I believe that with Brother Yang's potential, it wouldn't be long before he caught up to the Holy Light Pope and the others.

Therefore, we plan to publicize Brother Yang's identity at the Dark Conference."

Death Witch nodded and said, "For Mr. Yang to succeed the position of Divine Emperor, it should indeed be announced at the formal occasion."

Goddess of Fate wanted to say something, but when she met Yang Luo's gaze, she did not dare to speak.

Sacred Prison King said worriedly, "However, now that Brother Yang has killed the Lightning Overlord and the Hundred-Armed Demon King, and even cut off Raquelle's arm, you have completely fallen out with the Heavenly Shrine, Hell Fiend Palace, and the Holy Light Church.

I'm worried that these three organizations would directly declare war on us and cause the chaos in the dark world to arrive early.

Once the Holy Light Pope and the others attack Brother Yang, I'm afraid Brother Yang will be in danger."

"What's there to be afraid of!"

King of Destruction said angrily, "At most, we'll fight to the death with them!"

"That's right, that's right! We don't care about life and death. If you're not convinced, let's fight!"

Bujie also shouted.

Death Witch said, "Third Brother, before you guys came, I heard from Raquelle and the others that the Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor are in seclusion.

"That's why the Dark World didn't fall into chaos."

Xiang Kunlun said in realization, "In that case, it means that we still have time to prepare and increase our strength."

Only then did Yang Luo understand what was going on.

No wonder the Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor had not appeared. They were in seclusion.

This was also good. He could also use this period of time to increase his cultivation and strength.

It all depended on who could improve faster!

It seemed that he had to prepare to start refining the Immortal Transformation Pill, Tribulation Transcendence Pill, and Overlord Body Pill.

Although he was still a distance away from the Earth Immortal Realm, he had to start preparing in advance.

After all, the ingredients needed to refine these three medicinal pills were even harder to find and refine.

After leaving the Kingdom of Magic, he planned to go to the Holy Imperial Court to cultivate for a period of time. Then, he would go to the Medicine God Valley to visit the Valley Lord, Ling Hanshan, to see if he could gather all the medicinal herbs.

After all, Ling Hanshan had said before that the Medicine God Valley had all kinds of precious herbs.

Sacred Prison King said, "However, before the Dark Convention begins, the Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor will definitely come out of seclusion!

Therefore, we don't have much time left!"

Yang Luo said loudly, "Brothers, since the battle between us and the three major organizations is unavoidable, we have to make sufficient preparations before the battle begins!

“During this period of time, we have to rope in some organizations that we can rope in, as well as some experts hidden in the world to accumulate our strength!

Also, we can't fall behind in our own cultivation. We have to improve ourselves as soon as possible!”

“Yes!”

Xiang Kunlun and the others replied in unison.

Yang Luo looked at the time and said, “It's getting late. Everyone, rest early.”

After that, Yang Luo and the others returned to their rooms to rest.

At noon the next day.

Alves invited Yang Luo and the others to a grand banquet and everyone had a joyous lunch together.

After lunch.

Alves said to the Death Witch, “Julie, since Mr. Yang, Mr. Xu, Master Bujie, and Miss Prajna are here for the first time in the Kingdom of Magic...

You can show Mr. Yang and the others around the Kingdom of Magic later.”

Chapter 1163: Missing!

“Yes, Father.”

Death Witch nodded in agreement.

After lunch, under the lead of the Death Witch, Yang Luo and the others toured the Isle of Magic.

They went to the lively streets to shop and experience the culture of the Kingdom of Magic.

The citizens of the Kingdom of Magic were very enthusiastic when they saw Yang Luo and the others.

After all, they were very grateful that Yang Luo and the others had saved the Kingdom of Magic last night.

...

After strolling on the streets for a few hours...

Yang Luo suggested, "Can you take us to see your magic academy?"

"Of course!"

Death Witch nodded in agreement.

Then, Yang Luo and the others took a magic car and arrived at the entrance of a magnificent academy.

Death Witch said, "This is the only magic academy in the Kingdom of Magic. It's called the Galahertz Magic Academy.

Most mages in the world had once learned magic here.

Come, let's go in and take a look."

Under Death Witch's lead, everyone entered the academy.

Ancient teaching buildings stood in the academy. One could feel the thick and long history of this academy.

At this moment, the students in the academy were in class.

There were students in the classroom learning magic theory.

The students outside were practicing magecraft.

In short, this sight left Yang Luo and the others amazed.

After that, Yang Luo and the others arrived at the students' Hall of Fame.

Death Witch introduced, "The photos on the wall are all outstanding magic talents nurtured by this magic academy every year.

Many famous mages in the world can find photos of their student days here."

Yang Luo nodded and saw one of the photos at a glance.

It was a photo of three girls.

The three girls were wearing mage robes. They were young, beautiful, and full of vitality.

It was Goddess of Fate, Death Witch, and Prophet Witch who had fought him previously.

“Hmm?”

Yang Luo was stunned for a moment before asking, “Prophet Witch of Hell Fiend Palace also studied magic here?”

“That’s right.”

Death Witch nodded and sighed, “Medea used to be my best friend with Natasha. We were very close.

However, Medea took a different path from us and cut off all ties with Natasha and me.

After she joined Hell Fiend Palace, we basically didn’t contact each other much.”

Goddess of Fate stared at the photo in a daze, her eyes filled with grief and pain.

Yang Luo glanced at Goddess of Fate and said, “Hey, there’s nothing to see here. Let’s go take a look elsewhere.”

“Alright.”

Death Witch nodded.

After leaving the student Hall of Fame.

Everyone walked on the field.

Yang Luo deliberately slowed down and walked side by side with the Goddess of Fate.

“Oh my, goddess, why are you crying?”

Yang Luo teased, "You cried once last night, and you're crying again today. Don't you like to cry too much?"

I thought a goddess like you didn't have emotions."

"I didn't!"

Goddess of Fate glared at Yang Luo and wiped the tears from the corners of her eyes.

Yang Luo looked up at the distant sky and said slowly, "Perhaps Medea used to be good friends with you, but you've cut ties with her now.

Not only that, but you have also become enemies. In the future, you might meet on the battlefield and fight to the death.

"I know you feel terrible, but everyone has their own choices. We can't decide other people's lives.

All we can do is be ourselves and not forget our original intentions.

Obtaining power is to protect, not to bully the weak..."

Goddess of Fate sobbed softly, "If possible... I really don't want to meet her on the battlefield...

After all, we were once very, very good friends..."

Yang Luo sighed and said, "But you've become enemies in the end. You'll definitely meet in the future war."

Goddess of Fate looked at Yang Luo and bit her lower lip. "If possible... I mean if... if we really have to fight to the death... can you spare Medea's life?"

Now, Yang Luo had already succeeded the position of Divine Emperor and was the absolute leader of the Holy Imperial Court.

Once the battle started, she would not be able to stop Yang Luo if he decided to completely destroy Hell Fiend Palace.

She did not dare to disobey the Divine Emperor's orders.

Hearing the Goddess of Fate's words...

Yang Luo fell silent.

Goddess of Fate then sniffed and said, "I'm sorry, my request is a little too much.

You are the Divine Emperor of the Holy Imperial Court. It is up to you to decide how to deal with the Demon Kings of the Hell Demon Palace."

"I can do that."

After a moment of silence, Yang Luo spat out two words.

"Really?!"

Light appeared in the Goddess of Fate's eyes.

"Of course."

Yang Luo nodded and continued, "If Hell Fiend Palace is destroyed, it's not impossible to keep the Prophet Witch.

At that point, she would be no threat to us.

Of course, the premise is that we can defeat Hell Fiend Palace."

"Thank you."

The corners of the Goddess of Fate's mouth curled up into a soul-stirring smile.

This smile came from the bottom of her heart, and her gratitude to Yang Luo came from the bottom of her heart.

Yang Luo grinned and said, "I told you that you look very good when you smile. Smile more in the future and don't always have a straight face."

With that, Yang Luo walked forward.

As she gazed at Yang Luo's back...

Goddess of Fate blushed and murmured with a gentle gaze, "I finally understand why so many women like you. I'm no exception..."

Only now did she understand her feelings.

She had really fallen for Yang Luo.

However, how should she express her feelings?

She could only take it one step at a time...

In the evening.

Yang Luo and the others left the magic academy. They had dinner on the street and prepared to return to the manor to rest.

But at this moment...

A call was made to Xiang Kunlun's phone.

Xiang Kunlun took out his phone and answered the call.

After the call...

Xiang Kunlun's expression darkened, "Brothers, Rokelev just called and said that Fred and Miller are missing!"

Hearing this...

Yang Luo and the others were shocked!

Dark Baron and the Purgatory Death God were missing?!

Yang Luo hurriedly said, "Brother Xiang, what exactly is going on?"

Why did the Dark Baron and the Purgatory Death God disappear?

"Didn't they go together to save those assassin organizations attached to the Death God Palace?"

Sacred Prison King and the others also looked at Xiang Kunlun in confusion.

Xiang Kunlun frowned and said, "I'm not too sure either. Rokelev and Degult are currently at the headquarters of the Death God Palace. They want us to hurry over and talk in person!"

Yang Luo immediately said, "Then what are we waiting for? Let's go quickly!"

"Alright!"

Xiang Kunlun and the others nodded.

After Yang Luo and the rest greeted Alves, they boarded a luxury yacht at the port of Magic Island.

Alves asked, "Everyone, what happened? Why are you in such a hurry to leave?"

Xiang Kunlun said, "Something happened to two of our brothers. We have to rush over to take a look."

"I see."

Alves nodded and asked, "Do you need our help?"

Xiang Kunlun said, "Mr. Alves, we can settle this matter, so we won't trouble you."

Alves said, "Alright, if there's anything else, you can contact us anytime!"

"Alright!"

Xiang Kunlun nodded.

After that, Yang Luo and the others boarded the yacht and left the Kingdom of Magic.

After leaving the Kingdom of Magic, Yang Luo and the others arrived at Lun City Airport in Oxford. They took the Holy Imperial Court's private plane to the Death God Palace headquarters...

Chapter 1164: Mystic Technique Method!

At the same time...

In a certain part of the South Atlantic.

There was a small island here called Death Island.

It was the headquarters of one of the four top assassin organizations in the Dark World, the Death God Palace.

Due to the time difference, it was nighttime here.

At this moment...

...

In the hall of a seven-story ancient castle in the center of the island.

Sea Burial King and the Heavenly Sirius were smoking with extremely gloomy expressions.

The ashtray on the table was already full of cigarette butts.

Since last night, they had been trying to contact the Purgatory Death God and the Dark Baron, but they had never been able to contact them.

Furthermore, they had mobilized the Holy Imperial Court's "Holy Heavenly Eye System" to search for the two of them, but they still did not find anything.

It was precisely because of this that they had no choice but to contact Xiang Kunlun.

Heavenly Sirius slammed his fist on the table and said angrily, "Damn it, where did Fred and Miller go? How did they disappear?"

Could something have happened to them?"

Sea Burial King said angrily, "Degult, can you f*cking stop jinxing it!"

"You think I want to? I haven't been able to reach them since last night. It's really worrying, okay?"

Heavenly Sirius replied unhappily. Then, he stood up and said, "I think instead of waiting here like a fool, we might as well hurry up and look for them!"

"Sit the fuck down!"

Sea Burial King roared angrily and said, "I've already contacted Second Brother and the others. They're on their way!"

We'll make plans when Second Brother and the others come!"

"Then how long do we have to wait?"

Heavenly Sirius was a little impatient, "If we continue to wait, what if something really happens to Fred and Miller?"

Sea Burial King snapped, "Where do you want to find them? Do you know where Fred and Miller are?"

If you run out and search blindly, what if you disappear too?"

"Damn!"

Heavenly Sirius raised his middle finger in retaliation, "Can't you just hope for something good from me?"

Sea Burial King said angrily, "Quickly sit down and wait for Second Brother and the others to come!"

"Sigh..."

Heavenly Sirius sighed heavily and sat down.

Seconds ticked by.

Unknowingly, six to seven hours had passed.

Sea Burial King and the Heavenly Sirius had waited from morning to afternoon.

"I can't wait any longer!"

Heavenly Sirius stood up again, "Fred and Miller are my brothers. I can't ignore them!"

Sea Burial King could not wait any longer as well. He stood up and said, "Alright, let's go out and search together!"

I'll call Second Brother now and explain it to him!"

Just as the two of them were about to leave the castle...

A voice came from outside the door.

"Sorry, we're late!"

The two of them looked up and saw a group of people walking in.

They were Yang Luo, Xiang Kunlun, Xu Ying, Bujie, Prajna, Sacred Prison King, King of Destruction, Goddess of Fate, and Death Witch.

Seeing them, Sea Burial King let out a long breath and said, "Brother Yang, Second Brother, you're finally here!"

Heavenly Sirius said, "We're going crazy!"

Yang Luo raised his hand and said, "Sit down first and tell us what happened."

After everyone sat down.

Sea Burial King said in a deep voice, "Last night, after Degult and I saved the pirate organizations attached to our whales, we wanted to call Miller and ask about their situation.

However, the strange thing was that I could not get through at all.

Not long after, news came from the Death God Palace that when Miller and Fred went to chase after those organizations, they suddenly lost contact."

“Where did Miller and Fred lose contact?”

Xiang Kunlun asked.

Sea Burial King said, “I think it’s in the East Atlantic.”

Sacred Prison King asked, “The Holy Heavenly Eye System can’t find their whereabouts either?”

“I can’t find them at all.”

Sea Burial King shook his head.

Hearing this, King of Destruction frowned and said, “That’s strange. Our Holy Heavenly Eye System can cover the entire world. It’s very easy to find people or places.

Why can’t we find Fred and Miller?”

Death Witch asked, “Was there no news of Fred and Miller during their disappearance?”

“Nope.”

Sea Burial King and Heavenly Sirius shook their heads at the same time.

“That’s strange.”

Death Witch frowned, “Why would Fred and Miller disappear for no reason?”

Goddess of Fate looked at Yang Luo and asked, “Yang Luo, what do you think we should do now?”

Goddess of Fate actually asked Yang Luo, and her gaze looked extremely gentle.

This sight truly dumbfounded Sea Burial King and Heavenly Sirius.

In the past, the Goddess of Fate had ignored Yang Luo and was cold to him.

Heavenly Sirius grinned, "Natasha, what's wrong with you? Why are you so nice to Brother Yang?

Don't tell me the two of you are really together?"

Sea Burial King said with a smile, "What exactly happened to you in the Kingdom of Magic?"

Goddess of Fate turned to look at the Sea Burial King and the Heavenly Sirius. Her pretty face instantly turned cold, "Do you want to die?"

Sea Burial King and Heavenly Sirius shuddered and wiped the grins off their faces.

Only then did they realize that the Goddess of Fate was only gentle to Yang Luo.

"Alright, stop talking nonsense."

Yang Luo waved his hand and said, "The most important thing now is to quickly find the Dark Baron and the Purgatory Death God."

Heavenly Sirius said helplessly, "But the point is, we can't find him no matter how hard we try!"

Yang Luo pondered and said, "Since we can't find it with technological means, let's use mystic techniques to find it."

"Mystical techniques?!"

Sea Burial King and the others were immediately dumbfounded.

Xiang Kunlun was enlightened, "Brother Yang is a spell master. Perhaps he can really find Fred and Miller through mystic techniques."

Yang Luo didn't say much and immediately said, "Help me find a personal item of the Purgatory Death God or Dark Baron.

I can try to track their whereabouts through their auras."

"Brother Yang, wait a moment."

Sea Burial King stood up and hurriedly left the hall.

After a while...

The Sea Burial King returned with a palm-sized Death God Scythe.

He handed it to Yang Luo, "Brother Yang, Miller used this Reaper's Scythe before. It can be considered his personal item."

Yang Luo took the Reaper's Scythe and held it in his left hand. He then raised his right index and middle fingers together.

Then, he closed his eyes and began to chant an incantation.

Xiang Kunlun, Sacred Prison King, and the others looked at Yang Luo curiously, wanting to know if Yang Luo could find them this way.

However, Xu Ying, Bujie, and Prajna were not surprised.

After all, Yang Luo had used this method to look for Alinda not long ago.

A few minutes later...

Yang Luo let out a loud shout!

“Thousand Mile Soul Searching Tactic!”

“Search!”

In an instant!

His divine sense began to continuously spread out, capturing the aura of the Purgatory Death God!

No one made a sound. They sat at the side and waited quietly.

After waiting for another ten minutes.

Yang Luo suddenly opened his eyes, and a golden light flashed in them.

“Brother Yang, how is it? Have you found them?”

Xiang Kunlun hurriedly asked.

“Nope.”

Yang Luo shook his head.

Hearing Yang Luo's answer, everyone sighed.

Was it still not possible?

That was true. Even Yang Luo was not omnipotent!

Yang Luo continued, "However, I've already confirmed that the Purgatory Death God has indeed been to the Death God Palace before.

Moreover, his aura only disappeared when he was more than 500 miles east.

Therefore, we can go to the place where his aura disappeared first.

When the time comes, I'll use the Thousand Mile Soul Searching Technique again. Perhaps I can pinpoint their location better there."

Chapter 1165: Five Experts!

Hearing Yang Luo's words...

Sea Burial King and Heavenly Sirius were stunned!

"Holy shit!"

Heavenly Sirius looked at Yang Luo as if he was looking at a god, "Brother Yang, aren't you too awesome?

The last location we used the Holy Heavenly Eye System to determine was also 538 miles east!

That was where Fred and Miller were last seen!

...

But who would have thought that just by sitting here and chanting a few incantations, you would be able to determine their final location?

Are you a humanoid radar?"

The others' eyes were also filled with shock.

Yang Luo was caught between laughter and tears.

If his cultivation level was higher, his divine sense could spread further.

Legend had it that immortals could kill people with flying swords from thousands of miles away.

It was precisely because those immortals' divine senses were strong enough that they could accurately capture the aura of the enemy far away and kill them.

Moreover, even stronger immortals could easily spread their divine consciousness for thousands of kilometers.

Of course, Yang Luo did not explain too much.

After all, even if they explained, it would probably be very difficult for them to understand.

He stood up and said, "Let's go. We'll proceed to the place where Fred and Miller last disappeared.

When we get there, I'll look around again."

“Alright!”

Everyone immediately chorused out.

After that, Yang Luo and the others left the Death God Palace. They boarded a battleship and headed east.

After driving for more than 500 miles to the east, the warship stopped.

Corpses and weapons were still floating on the surface of the sea. The blood had not completely dissipated.

Clearly, a battle must have happened here not long ago.

Sea Burial King then said, “Brother Yang, this is the last place Fred and Miller appeared.”

Yang Luo nodded and closed his eyes again. He used the Thousand Mile Soul Searching Technique to search for the Dark Baron and the Purgatory Death God.

He tried his best to spread his divine sense out to capture the remnant aura of the Purgatory Death God.

100 miles, 200 miles, 300 miles, 400 miles...

This time, Yang Luo spread his divine sense to a full 700 miles before stopping.

This was also the limit of his divine sense.

A few minutes later...

Yang Luo suddenly opened his eyes, "Found them!"

"What?! You found them?!"

"Where are they?!"

Xiang Kunlun and the others asked.

Yang Luo pointed to the southeast and said, "700 kilometers in this direction, I can sense the weak aura of the Purgatory Death God!"

"Furthermore, apart from the aura of the Purgatory Death God, I can also sense the aura of the Dark Baron!"

"So they're together now?"

Sea Burial King asked in surprise.

"I think so."

Yang Luo nodded in response.

"Then what are we waiting for? Let's go!"

Heavenly Sirius was overjoyed. It hurriedly got the assassins from the Death God Palace to start the battleship and drive towards the southeast.

However, after driving for a few hundred miles...

Xiang Kunlun frowned and said, "If we continue driving forward, we will reach the Bermuda Triangle!"

Sacred Prison King held a special radar and looked at the display on it. "Indeed, we are only a few hundred miles away from the Bermuda Delta!"

"Could it be that Fred and Miller are trapped in the Bermuda Delta?!"

King of Destruction asked in surprise.

"It's highly possible."

Sea Burial King nodded and said, "The sea area where the Bermuda Delta is is known as the Devil's Triangle and the Sea of Death.

The magnetic field there is chaotic and the environment is harsh. There are often tornadoes, vortexes, and fog on the sea. It is an extremely dangerous place.

If Fred and Miller were really there, it would explain why we couldn't find them even with the Holy Heavenly Eye System.

After all, no signal can detect that place."

As the overlord of the sea, Sea Burial King naturally knew the situation on the sea very well.

Yang Luo said in a deep voice, "If Fred and Miller are really there, then no matter how dangerous it is, we have to save them!"

"Of course!"

Xiang Kunlun and the others nodded heavily.

Yang Luo said, "Speed up and rush there!"

Soon, the warship sped up and rushed towards the Bermuda Triangle.

...

At the same time...

Bermuda Delta.

Dark clouds rolled in the sky, and thunder flashed.

The sea was filled with black fog. Tornadoes swept through the sky and the sea, and whirlpools surged on the sea.

At this moment...

A huge battle was taking place on the sea in the fog.

Shouts, roars, and screams rose and fell.

Thirty-eight battleships were currently anchored at sea.

Corpses fell one after another on the deck, and corpses floated on the sea.

Blood stained the deck and the sea.

One of them were the assassins from the Death God Palace.

On the other side were members of the seven major organizations.

These seven organizations included assassin organizations, mercenary organizations, and bounty hunter organizations.

There were more than 60,000 people on both sides.

However, there were already more than 20,000 casualties.

At this moment.

On the deck of a warship in the distance.

Dark Baron and the Purgatory Death God were fighting five others.

After a long battle, the two of them were already seriously injured. Their bodies were covered in wounds, and their mouths were filled with blood.

Rumble!

Accompanied by another terrifying explosion!

The two of them were sent flying again!

After flying for more than 20 meters, the two of them finally stabilized their bodies!

Dark Baron looked up at the five figures in front of him. He took a deep breath and said coldly, "King of Titans, what do you mean by this?"

We have no enmity with you and have always minded our own businesses. Why are you attacking us now?”

“Do you want to go against the Holy Imperial Court?”

Purgatory Death God also looked at the five of them coldly.

The first was more than four meters tall. He wore a black waistcoat and was wrapped in a black chain that was thicker than an adult’s thigh. A huge iron ball hung from one end of the chain, and he held a black ax.

The second one was more than three meters tall and had dark skin. He wore animal skin and held a huge bone stick in his hand.

The third was more than five meters tall. He was tall and burly. He was shirtless and held a huge rock sword in his hand.

The fourth was wearing a gray robe. He was tall and thin, and his face was pale. He held a white bone scepter in his hand.

The fifth was wearing a red windbreaker. She was tall and beautiful, with fiery red lips and long red hair. She held a blood-colored saber in her hand.

These five people were not the leaders of the seven major organizations, but hidden experts in this world.

Those seven organizations only listened to their orders.

Although they were not as strong as the experts on the Divine Ranking, they were still comparable to the Divine Kings, Guardian Angels, Chief Gods, and Demon Kings.

However, because they did not join any top organizations, they were not as famous as the Dark Baron and the Purgatory Death God.

Even though they were not famous, it did not mean that their strength was weak.

They were known as the King of Titans, King of Savage Beasts, Boulder God General, Skeleton Mage, and Scarlet Queen.

King of Titans replied in a rough voice, "Dark Baron, Purgatory Death God, chaos is coming to the Dark World!

We naturally have to strengthen ourselves now. Only in this way can we protect ourselves when the chaos arrives!

Now that your old Divine Emperor is no longer around and there's no one to lead the Holy Imperial Court, it's better to leave it to us to handle the place!"

King of Savage Beasts also said in a deep voice, "We only want to protect ourselves and don't want to kill you. After all, you are also famous experts in the Dark World. We respect you too!

Therefore, as long as you let us control the Holy Imperial Court, we will lead the Holy Imperial Court to conquer the world together in the future. How about that?"

Chapter 1166: Who Dares To Touch My Brother!

Dark Baron said in a deep voice, "If you are willing to join the Holy Imperial Court, we welcome you!

However, it's impossible for you to control our Holy Imperial Court!"

Purgatory Death God also added, "The Holy Imperial Court was created by the old Divine Emperor. How can we let others control it?

I advise you to give up!”

King of Titans sighed and said, “In that case, we can only keep you here!”

“Why? Do you still want to kill us?”

...

Dark Baron sneered, “King of Titans, you should know that even if the old Divine Emperor is gone, the Holy Imperial Court still has the Divine Kings!

If you dare to kill us, do you think the other Kings will let you off? Do you think the Holy Imperial Court will let you off?”

The King of Titans narrowed his eyes and said, “This is the Bermuda Triangle. No signal from the outside world can detect this place.

If we kill you here, do you think anyone will know?”

Hearing this...

Dark Baron and Purgatory Death God’s hearts sank.

Not long ago, they had led people to chase after the people from the seven organizations and chased them all the way to the vicinity of the Bermuda Triangle.

When they reached the vicinity, the seven organizations drove straight into the Bermuda Triangle.

At that time, they realized that something was wrong and wanted to retreat quickly.

Unexpectedly, they were brought here by a strange array formation.

Moreover, what they did not expect was that the group of five, led by the King of Titans, were actually lying in ambush here.

This also made it impossible for them to leave this place or contact the outside world.

Scarlet Queen said, "Dark Baron, Purgatory Death God, the five of us have been cultivating in seclusion for the past few years. We're even stronger than before.

Letting us take control of the Holy Imperial Court is not considered embarrassing the Holy Imperial Court."

Skeleton Mage also persuaded, "Now that the old Divine Emperor has left, your Holy Imperial Court is getting weaker and weaker.

Letting the five of us control the Holy Imperial Court will also strengthen the power of the Holy Imperial Court.

Even if we go against the Holy Light Church, the Heavenly Shrine, and the Hell Fiend Palace later, we can still fight, right?"

"Alright, I'll say it again. It's impossible for you to control the Holy Imperial Court!"

"Didn't you want to kill us? Then come and try!"

Dark Baron and Purgatory Death God roared at the same time.

"Since you're so stubborn, don't blame us!"

King of Titans' eyes turned ruthless as he waved the black ax in his hand, "Kill them!"

With this order!

King of Savage Beasts, Boulder God General, Skeleton Mage, and Scarlet Queen charged at the Dark Baron and Purgatory Death God at the same time!

King of Titans also moved his thick legs and charged forward!

“Fight!!”

The Dark Baron and the Purgatory Death God roared at the same time and charged forward!

“Void Evil Claw!”

A pair of black and red wings appeared on the Dark Baron’s back. It leaped into the air and formed a huge black and red claw that grabbed at the five!

“Death God’s Blade!”

Purgatory Death God gripped the nearly two-meter-long Death God Scythe with both hands and slashed out heavily!

The black-red claw and the Reaper’s Scythe tore through the sky, emitting ear-piercing sonic booms!

“Perhaps the top few Divine Kings will be able to fight me when they come!

However, it’s impossible for you to defeat me alone!”

King of Titans said in a loud voice. Then, with a flip of his right hand, he waved his black ax and slashed out heavily!

“Titan Battleax!”

The axe was as heavy as 10,000 catties. It could even split mountains!

“White Bone Killing Spikes!”

King of Savage Beasts waved the bone club in his hand and smashed it at the two of them with a sound that tore through the air!

“Boulder Divine Sword!”

The Boulder God General brandished the huge rock sword in his hand and cleaved down heavily, as though he wanted to split the world apart!

“Undead Will-o’-Wisp!”

Skeleton Mage chanted an incantation and waved the bone scepter in his hand.

Green-black flames whizzed out and burned everything on the deck. Even the steel was burned red!

“Scarlet Edge!”

Scarlet Queen rushed out and leaped high into the air. She gripped her blood-colored saber tightly with both hands and slashed out with all her might!

Boom! Boom!

Rumble!

Terrifying collisions and explosions resounded in the air!

Energy and light intertwined and washed in all directions!

Even the dark clouds in the sky were dispersed!

However, the combat power released by the five of them were too strong. Dark Baron and Purgatory Death God could not resist it!

“Uhhh...”

“Ah...!”

The two of them could not resist at all and were sent flying like two cannonballs, crashing heavily into the cabin of the battleship!

If they were to fight two to three people only at the same time, they might be able to do it!

However, it was still too difficult for them to fight five people!

Without any hesitation, the five of them charged at the Dark Baron and the Purgatory Death God again!

The two of them quickly got up and fought again!

This battle continued for an unknown period of time!

Finally, accompanied by a rumbling explosion!

The two of them flew out again and landed heavily on the deck dozens of meters away!

The five led by the King of Titans walked towards the two of them step by step.

The five of them spoke as they walked.

“Dark Baron, Purgatory Death God, are you still unwilling to admit defeat?”

“The two of you won’t be able to defeat us. Hurry up and admit defeat!”

“As long as we control the Holy Imperial Court, we will still be brothers in the future!”

“If you continue to fight, you will definitely die!”

“Give up. You can’t beat us!”

However, what shocked the King of Titans and the others was that...

Dark Baron and Purgatory Death God dragged their heavily injured bodies and stood up again.

The five of them only looked at the two of them in a daze for a moment. Their expressions were complicated, and admiration arose in their hearts.

They were all powerhouses of the Dark World, so they naturally appreciated each other.

However, in order to protect themselves during the chaos, they could only take the risk.

Dark Baron exclaimed, “The people of the Holy Imperial Court will never submit to anyone!”

“Even if we die in battle, we will not submit to others!”

Purgatory Death God also shouted.

“In that case, I can only send you on your way!”

Killing intent flickered in the King of Titans’ eyes. He waved the huge axe in his hand. “Kill them!”

However, just as the King of Titans and the others were about to attack!

A powerful voice sounded.

“Who dares to touch my brother!”

Hearing this powerful voice,

King of Titans and the others turned around.

Dong!

Accompanied by a loud bang!

A huge golden sword directly split the black fog and the tornadoes that surrounded the area!

A long chasm had been split open in the sea!

In fact, even the black sea of clouds in the sky was split into two!

And right on the heels of that...

A battleship drove in from not far away!

A group of people stood on the battleship!

Standing at the front was Yang Luo!

Xiang Kunlun, Xu Ying, Bujie, Prajna, the Sacred Prison King, the King of Destruction, the Sea Burial King, the Heavenly Sirius, the Goddess of Fate, and the Death Witch stood behind him!

Although there were only 11 people on the entire battleship, the pressure and aura that erupted shocked everyone present!

“Brother Yang!”

“Second brother!”

“Why are you here?!”

Dark Baron and the Purgatory Death God exclaimed in surprise.

The five people from the King of Titans’ side frowned.

They had never expected that the other Divine Kings of the Holy Imperial Court would be able to find their way here.

The current situation was very disadvantageous to them now...

Chapter 1167: Submit to Me!

Not only did the five of them not expect Xiang Kunlun and the others to find this place,

What was even more unexpected was that seven more Divine Kings had come at once.

Other than the seven God Kings, the other four young people looked extraordinary as well.

Especially the kid with the sword standing at the front, it made them feel even more pressure.

Soon, the warship approached.

Yang Luo and the others jumped onto the battleship where the Dark Baron and the others were.

...

“How did you find this place?”

The Dark Baron quickly asked.

The Purgatory Death God was also puzzled.

Sea Burial King spoke out, “We’ve been looking for you for a long time. We even used the Holy Heavenly Eye System, but we couldn’t find your whereabouts.

Fortunately, Brother Yang used some kind of mystic technique to find you.”

Heavenly Sirius snapped, “Why did the two of you come to this godforsaken place? We’ve been looking for you for a long time!”

Dark Baron then told Yang Luo and the others what had happened.

Only then did Yang Luo and the others understand what was going on.

Xiang Kunlun turned to look at the five of them and frowned, "King of Titans, I haven't heard from you in a long time. I didn't expect you to cause such a huge commotion the moment you appeared.

Do you think you have the right to control the Holy Imperial Court?"

Sacred Prison King said loudly, "If you are willing to join our Holy Imperial Court and fight against the Holy Light Church, the Heavenly Shrine, and the Hell Fiend Palace together in the future, we welcome you very much!

However, if you want to control the Holy Imperial Court, don't even think about it!"

King of Destruction was a little impatient and said angrily, "Alright, stop talking nonsense with them. Just kill them quickly!

If we hadn't arrived in time, Fred and Miller would have been killed by these five guys!"

King of Titans said in a loud voice, "If you want to kill us, come and try!

The five of us will definitely fight to the end!"

King of Savage Beasts, Boulder God General, Skeleton Mage, and Scarlet Queen also took a step forward, preparing for battle!

"Oh, you think you can contend with us? You're quite bold!"

Heavenly Sirius sneered and took a step forward, "I'd like to see how much your strength has improved after cultivating in seclusion for so long!"

Xiang Kunlun, the Sacred Prison King, and the others also took a step forward and prepared to fight!

For a moment...

Both sides were at daggers drawn, and the atmosphere became especially solemn.

The people from the various large organizations present looked at the King of Titans and the others in fear.

This was the first time they had seen so many King-level experts fighting.

However, at this moment!

“Wait!”

Yang Luo suddenly called for a stop.

Xu Yan also looked at Yang Luo, not knowing what he was trying to do.

Yang Luo looked at the King of Titans’ group and asked indifferently, “You want to control the Holy Imperial Court?”

“So what if I am!”

King of Titans replied in a booming voice.

Yang Luo nodded and said in a clear voice, “Alright, if you can defeat me, I’ll let you control the Holy Imperial Court!”

The people from the various large organizations present went into an uproar.

“Who is this kid? How dare he say such a thing?”

“Isn’t that so? As long as we defeat him, we’ll let the King of Titans and the others control the Holy Imperial Court. Does this kid think he’s the Divine Emperor of the Holy Imperial Court?”

“Eh... This kid looks a little familiar. Could he be the guy who has been in the limelight in the Dark World recently and advanced from the lowest danger level to SS-rank?!”

“It really seems to be this kid. Strange, how did this kid get involved with the Holy Imperial Court?!”

The people from the various large organizations started discussing.

Many people also recognized Yang Luo.

However, they still felt that Yang Luo’s words were a little arrogant.

At this moment.

When King of Titans and the others heard Yang Luo’s words, they were instantly stunned.

They were stunned and thought they had heard wrongly.

“Kid, are you joking?”

“As long as we defeat you, we will be able to control the Holy Imperial Court?”

King of Titans smiled mockingly and said, “Do you think you can represent the Holy Imperial Court just because you have some influence in the Dark World recently?”

Do you think you’re the Divine Emperor?

Can you make the decision?"

King of Savage Beasts and the others also looked at Yang Luo with mocking smiles.

Xiang Kunlun said, "If Brother Yang can't make decisions for the Holy Imperial Court, then we can't make decisions either!"

"Half Step Martial God, what do you mean?"

King of Titans narrowed his eyes and asked.

Xiang Kunlun spread his hands and said, "My meaning is very clear. Brother Yang can make the decision for our Holy Imperial Court!

As long as you can defeat him, we'll let you control the Holy Imperial Court!"

"Are you serious?"

A hint of joy appeared in the King of Titans' eyes.

"It's true!"

Xiang Kunlun nodded.

"Second brother!"

"Second Brother, don't be rash!"

The Dark Baron and the Purgatory Death God spoke up.

Although they knew that Yang Luo was very strong...

However, for Yang Luo to defeat the five by himself, it would not be simple.

One had to know that the five from the King of Titans' side were also king-level experts.

It was normal for them to be worried.

After all, they hadn't participated in the Kingdom of Magic's war and hadn't seen Yang Luo's true strength.

Although the Sea Burial King and the Heavenly Sirius did not go to the Isle of Magic to participate in the battle, Xiang Kunlun had already told them about the battle in the Kingdom of Magic on the way here.

It was also said that Yang Luo's current strength was extremely powerful. He didn't have any pressure fighting against the few Guardian Angels, Chief Gods, and Demon Kings alone. He even killed those fellows until they could only flee for their lives in panic.

Sacred Prison King smiled and said, "Fred, Miller, don't worry.

"It's impossible for these five fellows to defeat Brother Yang."

King of Destruction and the others nodded calmly.

"This...!"

Dark Baron and the Purgatory Death God were dumbfounded.

What was going on?

Why wasn't Second Brother and the others worried at all?

"Hahaha..."

The King of Titans threw his head back and laughed, "You're all the kings of the Holy Imperial Court and famous experts of the Dark World. You can't go back on your word!"

Xiang Kunlun said, "We naturally keep our word."

"Very good!"

King of Titans became even happier. He looked at Yang Luo and said, "Kid, since they trust you so much, let's compete!"

I originally thought that there would be a fierce battle today. I didn't expect to be able to control the Holy Imperial Court so easily. Good, this is really too good!"

King of Savage Beasts, Boulder God General, Skeleton Mage, and Scarlet Queen also laughed, as if they felt that victory was already in their grasp.

Yang Luo's expression was calm as he continued, "Of course, I have a condition."

"What is it?"

King of Titans asked with a smile.

Yang Luo said, "If you lose to me, you will have to submit to me and join the Holy Imperial Court. In the future, you will serve the Holy Imperial Court and be loyal!"

After knowing that the five were all king-level experts of the hidden world, he wanted to recruit them.

After all, he had no deep hatred for them. Recruiting them was more valuable than killing them.

“Pfft... Hahaha...”

“What nonsense is this kid talking about? He actually thinks he can defeat the five of us and make us submit to him?”

“Looks like this kid has made a name for himself in the Dark World recently and has become arrogant. He doesn’t care about anyone anymore!”

“Little brother, when we were famous in the Dark World, you didn’t even know where you were playing with mud!”

King of Savage Beasts, Boulder God General, Skeleton Mage, and Scarlet Queen burst into laughter.

“It seems that we’ve indeed been in seclusion for too long. Now, even a brat dares to offend our dignity!”

King of Titans sighed and shook his head.

Then, he looked down at Yang Luo and shouted, “Kid, let me see your strength!”

Let’s see if your strength is as strong as your tone!”

As he spoke, the King of Titans prepared to attack.

“Wait!”

Yang Luo stopped him again.

“Kid, what else do you want to say?”

The King of Titans was immediately furious.

Chapter 1168: Exploding With One Punch!

“Little brother, are you afraid and want to change your mind?”

Scarlet Queen licked her plump red lips and asked with a smile.

“No.”

Yang Luo shook his head and said, “What I mean is, the five of you attack together.

Only then will you be willing to submit to me if you lose to me.”

As soon as these words were spoken!

...

The five of them were instantly enraged!

A terrifying pressure and aura immediately gushed out, enveloping the sky and the sea!

The dark clouds in the sky surged even more violently!

“Oh my god, this kid is really arrogant. He actually dared to say that he would challenge the five people from the King of Titans at the same time?”

“I’ve seen many arrogant fellows, but this is the first time I’ve seen someone so arrogant!”

“This kid has completely angered the King of Titans and the others. Even if the King of Titans and the others don’t kill him, they will severely injure him!”

The people from the various large organizations shook their heads and felt that Yang Luo was simply too arrogant.

“Young brat, there’s no need for the five of us to attack together. I alone am enough!”

King of Titans roared, and a black beam of light rushed out of its body, piercing through the clouds!

Then, King of Titans stomped on the steel deck and rushed towards Yang Luo!

Dang, dang, dang!

Every step he took caused the steel deck to collapse and crack!

It was really like the descent of the legendary Titan God. It was extremely terrifying!

“Back!”

Xiang Kunlun shouted and led the others to quickly retreat from this battleship. They jumped onto a battleship in the distance.

King of Savage Beasts, Boulder God General, Skeleton Mage, and Scarlet Queen also retreated from the battleship.

Just as everyone was retreating!

King of Titans had already approached Yang Luo. Then, he suddenly waved the huge axe in his hand and slashed down with immense strength!

Swoosh!

With a swing of the axe, the air was torn apart, and space fluctuated and distorted!

But the moment King of Titans slashed down with his axe!

Yang Luo flipped his right hand and casually raised the sword in his hand to block!

At that very moment...

Rumble!

The sword and axe collided with a shocking momentum, as if it wanted to shatter one's eardrums!

Rumble!

The steel battleship under their feet instantly shattered into pieces!

Countless steel fragments flew in all directions!

The two of them landed heavily on the sea surface, causing waves to soar into the sky!

“Heavens, this kid actually withstood a blow from the King of Titans. Moreover, he seems to be very relaxed!”

An exclamation sounded from the crowd.

Seeing that Yang Luo had easily withstood his ax!

A hint of surprise appeared in the King of Titans’ eyes!

“Kid, no wonder you dare to be so arrogant. You have some ability!

However, I want to see how many axes you can withstand!”

As he spoke, King of Titans gripped the huge axe with both hands and slashed at Yang Luo crazily!

Facing the King of Titans’ storm-like attacks!

Yang Luo only raised the sword in his hand and easily blocked each and every one of his attacks!

Clang! Clang! Clang!

The thunderous sound of the collision resounded continuously, shaking the sky and the sea!

Flames shot out in all directions, and energy fluctuations surged in all directions!

After slashing dozens of axes in a row!

King of Titans gripped the huge axe with both hands and crazily mobilized the energy in his body. It gathered in his arms and the huge axe and slashed down again!

“Titan Battleaxe!”

Swish!

An ear-piercing sonic boom sounded!

The axe streaked across the sky as if it was bringing out flames and lightning, wanting to split everything in half!

However, in the face of the King of Titans’ ax, Yang Luo did not panic. He raised the sword in his hand again to block!

Clang!

An earth-shattering collision sound exploded in the sky!

The energy that burst out directly swept the surrounding battleships away!

The huge waves on the sea soared into the sky, wanting to connect the sky and the sea!

But when the waves fell back into the sea,

Everyone present was dumbfounded.

Yang Luo still easily blocked the King of Titans’ heavy axe.

Not only did he block it, but he was also completely unharmed.

“How is this possible?!”

King of Savage Beasts’ expression changed drastically, “How did this kid block it again?!”

Could it be that his strength could contend with King of Titans?!

“He’s so skinny. How did he block it?!”

Boulder God General frowned and said, “Not only can this kid block the King of Titans’ fierce attacks, but he’s also always been very relaxed!”

Scarlet Queen narrowed her eyes, “This little brother is quite interesting. I really want to spar with him!”

However, Xiang Kunlun and the others had very calm expressions, as if they had expected this.

Even the Dark Baron and the Purgatory Death God looked calm.

In their opinion, as long as the five did not join forces, it would not be difficult for Yang Luo to defeat them.

At this moment...

On the distant sea.

The surprise in the King of Titans’ eyes intensified.

Yang Luo said indifferently, “I’ve let you attack for so long. It’s my turn now, right?”

Right after he finished his sentence...

Dong!

A golden beam of light shot up from his body and pierced a hole in the thick black sea of clouds in the sky!

Waves of vast and majestic pressure and aura spread out from his body, completely enveloping this sea area!

Everyone watching the battle from afar felt as if their throats were being strangled. It was even difficult for them to breathe!

The moment the aura and pressure erupted!

Yang Luo's right arm suddenly shook!

King of Titans' huge body was sent flying!

One had to know that Yang Luo was only 1.8 meters tall!

However, King of Titans was more than four meters tall!

The 1.8-meter-tall Yang Luo sent the four-meter-tall King of Titans flying like a child sending an adult flying!

This visual impact was too terrifying!

After sending the King of Titans flying!

Yang Luo took a step forward and transformed into a golden bolt of lightning that rushed towards the King of Titans!

King of Titans did not have time to stabilize his body. His left hand grabbed one end of the chain wrapped around his body and suddenly threw the other end out!

Puff!

A huge solid iron ball that was larger than half of Yang Luo's body shot out a black light with the momentum of breaking through the air and smashed towards Yang Luo!

Even if a train was hit, it would be instantly smashed into pieces!

However, Yang Luo did not dodge or retreat. He clenched his left fist and met the attack head-on!

A huge golden fist smashed fiercely at the iron ball!

DONG!

The huge golden fist and the black iron ball collided instantly with a shocking bang!

The next second!

Dong!

With a loud sound!

This solid iron ball that weighed nearly a ton was shattered by Yang Luo's punch just like that!

A large number of steel fragments flew in all directions, smashing holes in the surrounding steel battleships!

“F*ck! Is this kid still human? He blew up a one-ton solid iron ball with a single punch?!”

“Monster... He’s a freaking monster!”

Everyone who was watching the battle cried out in shock, and they were so frightened that their bodies were trembling.

It wasn’t just those people in the organization.

Even King of Savage Beasts, Boulder God General, Skeleton Mage, and Scarlet Queen were shocked.

Especially King of Titans, who was the closest to Yang Luo, his pupils constricted in shock.

How violent was the power of this punch to shatter the one-ton solid iron ball that he had specially asked someone to make?

However, Yang Luo continued to charge at the King of Titans as if he had done something unimportant!

In an instant!

He approached the King of Titans and soared into the sky. He brazenly slashed down heavily!

King of Titans suddenly came back to his senses and threw away the chain in his hand angrily. He said in a loud voice, “Kid, if you can block my attack, I can also block your attack!”

As he spoke, he quickly raised the huge axe in his hand to block!

He did not believe that this kid in front of him could really suppress him!

Rumble!

However, this sword was like a mountain pressing down on him as it struck the huge axe in the King of Titans' hand!

Plop...

The sea under the feet of the King of Titans directly exploded into a huge abyss pit!

He fell directly into the deep abyss with a bang...

Chapter 1169: One Against Five!

"How... how is this possible?!"

King of Savage Beasts shouted in shock, "This kid created a huge abyssal pit in the sea with a single strike?!"

Boulder God General said in a daze, "The key is that Titan couldn't withstand the sword at all and was struck down!"

Skeleton Mage and Scarlet Queen's brows were also twitching, and their bodies could not help but tremble.

As for the people from the various large organizations, they were already scared silly and speechless.

After Yang Luo struck down King of Titans with his sword, he took a step in the air and landed steadily on the sea beside the huge pit in the abyss.

...

At this moment.

Dong!

King of Titans jumped out of the huge abyss pit and landed steadily on the sea beside him.

Everyone looked up and couldn't help but gasp.

At this moment, King of Titans' arms were trembling, and the skin and muscles on his arms had been torn open!

Fresh blood dripped down uncontrollably and splattered on the sea!

Obviously, not only did Yang Luo's sword strike down King of Titans, but it also injured his arms!

Yang Luo's expression was still extremely calm, not at all shocked as he said indifferently, "King of Titans, didn't you say that you could withstand my attack?"

How about now? Can you still withstand it?"

"Kid, don't be so smug. The battle isn't over yet!"

King of Titans roared, and an even more terrifying pressure and aura spewed out of his body!

He stomped his feet and his majestic body soared into the sky, leaping over the 200-meter-wide abyss!

“Furious Axe Sows Death!”

He let out an explosive roar and gripped his huge axe tightly with both hands as he slashed at Yang Luo crazily!

Countless axe shadows overlapped and pressed down on Yang Luo!

However, Yang Luo only raised his right hand as a reply. With a sword cry, he slashed out again!

Dong!

With just one strike, King of Titans’ axe shadows that filled the sky were all broken!

After breaking through the axe shadows!

Yang Luo’s sword struck the King of Titans’ chest again!

“ARGH!”

King of Titans cried out in pain and was sent flying!

There was only a loud “clang”!

His body slammed heavily into the hull of a battleship a hundred meters away!

The entire battleship shook violently from the impact!

The steel hull was also constantly cracking from the impact!

There was also a wound that was dozens of centimeters long on his chest. His flesh was exposed and blood flowed out!

“Titan alone is no match for this kid!

I’ll go and help King of Titans!”

King of Savage Beasts said in a loud voice. Then, his body moved and he charged towards Yang Luo!

His figure moved like a cheetah as he charged forward, setting off monstrous waves!

Just as King of Savage Beasts charged towards Yang Luo!

King of Titans also stabilized his body. Enduring the pain, he also rushed towards Yang Luo!

In an instant!

King of Titans and King of Savage Beasts approached Yang Luo. At the same time, they brandished the huge axe and bone club in their hands and attacked Yang Luo fiercely!

The huge axe split open the sky, and the huge staff tore through the air. It was incomparably ferocious!

However, even in the face of the two people’s fierce attacks, Yang Luo did not dodge or retreat. He slashed out with his sword!

Rumble!

The sword, axe, and staff collided with each other, producing a deafening sound!

King of Titans and King of Savage Beasts could not withstand Yang Luo's sword at all and were sent flying at the same time!

Furthermore, the sword qi that burst out also cut open their strong physiques!

After sending the two of them flying!

Yang Luo's figure moved and turned into a golden figure as he chased after them!

His speed was extremely fast. Like a beam of light, he shot out!

In the blink of an eye!

Yang Luo caught up to them. Then, he leaped into the air and slashed at the two of them once again!

King of Titans and King of Savage Beasts were shocked to see that. They hurriedly raised the black axe and bone club in their hands to block!

Clang! Clang!

Accompanied by a series of intense collision sounds!

The impacted smashed out a huge abyssal pit again under their feet, causing them to fall in!

After knocking down two people!

Yang Luo also jumped into the huge pit in the abyss and started an intense battle with the two of them!

Clang! Clang! Clang!

Boom! Boom! Boom!

A series of intense collisions and explosions sounded non-stop.

The entire abyssal pit trembled continuously, growing deeper and deeper!

In less than a few minutes!

“Uhhh...”

“Ah...!”

King of Titans and King of Savage Beasts flew out of the huge pit in the abyss and fell into the distant sea!

But the two of them were already covered in wounds and blood flowed non-stop!

Yang Luo also jumped out of the huge pit in the abyss and landed steadily on the sea!

However, Yang Luo was not injured at all!

Boulder God General said in shock, “Even when Titan and Barbarian joined forces, they are still not a match for this kid?!”

Skeleton Mage said in a deep voice, “This kid is really strong. If we want to defeat him, we have to attack together!”

“Alright, let’s go together then!”

Scarlet Queen responded.

Following that, Boulder God General, Skeleton Mage, and Scarlet Queen jumped off the battleship and charged towards Yang Luo!

“Oh my god, the five king-level experts are planning to join forces!”

“Looks like this kid is really strong. He actually forced the five King rank experts to join forces!”

The people from the various large organizations could not help but exclaim.

Dark Baron said worriedly, “I’m afraid Brother Yang will be in danger if King of Titans and the others join forces!”

“That’s right. The strength of these five guys is about the same as ours. When the five of them join forces, their combat strength will definitely be even more terrifying!”

Purgatory Death God also added.

However, Xiang Kunlun raised his hand and said, “Don’t worry, Brother Yang will be fine.”

Sacred Prison King smiled and added, “Fred, Miller, you haven’t participated in the Kingdom of Magic’s war, so it’s normal that you don’t know Brother Yang’s strength.

Just watch and see how Brother Yang defeats these five fellows.”

Dark Baron and Purgatory Death God opened their mouths but didn’t say anything else. They wanted to see what was going on first.

In any case, they were all present. Even if Yang Luo was no match for them, they could help in time.

At this moment.

On the distant sea.

Yang Luo looked at the five of them and narrowed his eyes, "You're finally willing to join forces. You should have done this long ago. This way, there was no need to waste time."

Boulder God General shouted, "Kid, don't be arrogant. You're no match for the five of us!"

"Is that so?"

Yang Luo smiled and said, "Then show me the true strength of the five of you!"

"Fight!!"

The five of them roared in unison and rushed towards Yang Luo!

On the way to Yang Luo!

The five of them erupted with a majestic pressure and aura as their bodies flickered with a dazzling light!

Yang Luo's figure moved and turned into a stream of light as he welcome the battle!

At that moment...

Yang Luo closed the distance between him and the five of them!

The five of them did not hold back at all and launched a fierce attack at the same time!

“Battleaxe Splits the Heavens!”

“White Bone Crusher!”

“Boulder Divine Sword!”

“Scarlet Edge!”

King of Titans, King of Savage Beasts, Boulder God General, and Scarlet Queen waved their weapons and attacked Yang Luo!

The black ax, the white bone staff, the huge rock sword, and the blood-colored saber crushed down. Light exploded and the aura soared, as if it wanted to split the world apart!

“Undead Skeleton!”

Skeleton Mage waved the bone scepter in his hand!

Thousands of skulls burning with greenish-black ghost flames rushed towards Yang Luo!

As the King ranked experts of the Dark World, their attacks were extremely powerful when they joined forces!

Even Xiang Kunlun and Sacred Prison King might not be able to withstand the fierce attacks of the five of them!

Chapter 1170: Consecutive Losses!

Facing the five people's fierce attacks...

Yang Luo was not afraid at all and slashed out with his sword!

"Emperor Dragon Sword Technique!"

"Dragon Suppresses Mountains and Rivers!"

"ROAR!"

The dragon's roar shook the nine heavens!

...

A huge golden sword tore through the sky and slashed out!

An incomparably huge golden dragon phantom soared out!

Rumble!

It was just one strike!

But the attacks of the five King of Titans were all destroyed!

The violent energy that erupted from this sword sent five people flying as well!

Without any hesitation, Yang Luo took a step forward and chased after them!

Seeing Yang Luo rush over!

King of Titans shook and let out an explosive roar!

“Titan’s Wrath!”

Violent and unrestrained black energy surged out of his body and seemed to turn into a black sea that surged towards Yang Luo!

The sea also trembled violently. The huge waves in the sea surged and surged into the black energy, washing out together!

Even the dark clouds and lightning in the sky were affected and surged towards Yang Luo!

Sacred Prison King narrowed his eyes and said, “It’s rumored that the King of Titans is a descendant of the Titan race. His body contains the bloodline of the Titan God, but it hasn’t awakened.

Although I don’t know if this is true, the King of Titans is indeed very strong.”

“If I fight him one-on-one, I should only be able to fight him to a draw.”

King of Destruction muttered.

“Ten Thousand Beast Impact!”

King of Savage Beasts did not dare to be careless. He suddenly waved the huge bone club in his hand!

At that very moment...

Thousands of wild beasts condensed into form in the sky, baring their fangs and brandishing their claws as they charged towards Yang Luo!

King of Savage Beasts was the king of the prairie. He was born with divine strength and had fought with lions and tigers since he was young. His combat strength was very powerful.

The moves he developed were also related to various ferocious beasts.

“Stone statue puppet!”

Boulder God General suddenly brandished the huge rock sword in his hand!

A rock giant that was dozens of meters tall stood up and charged towards Yang Luo with a huge rock sword in hand!

“Skeleton army!”

The Skeleton Mage waved the bone scepter in his hand!

Thousands of skeleton soldiers condensed into form. Their bodies burned with blazing ghost flames as they charged towards Yang Luo!

“Scarlet Storm!”

Scarlet Queen swung the blood-colored saber in her hand!

Hu! Hu! Hu! Hu!

Blood-colored tornadoes swept through the world, containing blood-colored light blades that crushed towards Yang Luo!

“Sword in hand, I question the Dao!”

Yang Luo was like an ancient sword immortal seeking immortality. He stretched his body, raised his right arm, and slashed out!

Swoosh!

The sword looked ordinary, but it contained supreme sword might and erupted with a soaring sword qi that was extremely powerful!

The black sea that surged over, the black sea of clouds that surged down, the lightning that struck down angrily, and the rock giant that collided...

The blood-colored storm swept over the 10,000 beast army and the skeleton army...

They were all destroyed by this sword!

Before the five of them could land, they were sent flying again!

Seeing this scene in front of them!

Everyone watching the battle from afar was deeply shocked!

“Oh my god, so Brother Yang is already so strong now?!”

Dark Baron was stunned.

He could clearly sense that Yang Luo’s current strength was many times stronger than when he was in the Blood Race with him.

He even felt that Yang Luo’s strength seemed to have increased a little compared to the battle with his big brother a few days ago.

Brother Yang was really improving at all times!

Purgatory Death God also said in awe, “Looks like our worries are really unnecessary...”

At this moment.

Seeing as Yang Luo continued to catch up to them,

Scarlet Queen twisted her waist in the air and let out a delicate cry!

“Scarlet Dance!”

In an instant!

Scarlet Queen seemed to have transformed into a blood-red tornado that tore through the sky and wreaked havoc towards Yang Luo!

Yang Luo’s body only shook as he activated a golden True Qi barrier to block it!

Again and again!

Scarlet Queen moved around Yang Luo at high speed. The blood-colored saber in her hand kept slashing at the True Qi barrier that Yang Luo had created, producing an ear-piercing sound!

Flames, blood, and energy kept surging out, spreading in all directions!

Scarlet Queen’s speed was too fast. It was like a blood-colored light flashing around Yang Luo!

Other than Xiang Kunlun and the others, no one else present could see the Scarlet Queen clearly!

Even she herself did not know how many times she had moved!

Suddenly, Scarlet Queen soared into the sky and slashed at Yang Luo with her blood-colored saber!

This slash was as fast as lightning and as swift as the wind!

However, in Yang Luo's eyes, it was like a slow-motion replay. He could see it clearly!

"Sister, it's not enough to defeat me with this little strength!"

The corners of Yang Luo's lips curled up slightly. Then, he raised his left hand and quickly formed a seal!

"Mountain-Embracing Seal!"

In the blink of an eye!

A huge golden seal condensed on his left hand, as though it was holding up a huge golden mountain, and smashed towards the Scarlet Queen in the sky!

Rumble!

The saber seals collided intensely, and the commotion shook the heavens and the earth!

A few seconds later!

"Ah...!"

Scarlet Queen let out a painful cry and was sent flying. With a bang, she landed on the battleship where Xiang Kunlun and the others were!

“Pfft...”

When she fell to the deck, Scarlet Queen spat out a mouthful of blood.

She desperately tried to prop herself up, but she could not stand up at all.

Yang Luo’s attack had severely injured her and made her lose her ability to fight.

Scarlet Queen, defeated!

It was also when Scarlet Queen was defeated!

Skeleton Mage let out a deafening roar!

“Skeleton Phantom!”

In an instant!

Skeleton Mage’s body condensed an illusion of a huge skeleton giant, and its body burned with green-black ghost flames!

Then, the Skeleton Mage and the Skeleton Giant illusion that enveloped him waved the scepter in their hands at the same time. Carrying endless flames, they smashed towards Yang Luo!

“Heaven Overturning Seal!”

Yang Luo shouted and formed another seal with his left hand!

A huge golden seal condensed in his palm again!

This time, he was no longer holding up a huge mountain, but a sky!

“Crush!”

Yang Luo let out an explosive roar and slammed his left hand into the Skeleton Mage in front of him!

Rumble!

Another heaven-shaking explosion sounded!

Skeleton Giant Phantom on the Skeleton Mage’s body instantly collapsed!

He flew out with his staff and landed on the battleship where Xiang Kunlun and the others were!

When he landed, he opened his mouth and spat out a mouthful of blood!

Skeleton Mage had lost as well!

After defeating two experts in a row!

Yang Luo moved horizontally and attacked the Boulder God General!

“Boulder Enhancement!”

The Boulder God General’s robust body shook violently as a thick layer of rock instantly covered his body!

His body became even more burly and tall!

The huge rock sword in his hand also became longer, wider, and larger!

“Cut!!”

He let out a roar and gripped the huge rock sword tightly with both hands as he slashed at Yang Luo!

Yang Luo did not back down at all. He also brandished his sword and slashed out!

Rumble!

The huge golden sword and the huge rock sword collided crazily, shaking the world and sweeping through the four seas!

Boulder God General’s strike was already considered extremely powerful!

However, Yang Luo’s sword was even stronger and directly broke through the power of his sword!

Crack! Crack!

The rocks that covered Boulder God General’s body started to crack and shatter!

Psh!

After cutting open the rock on his body, the sword struck his chest heavily!

“ARGH!”

Boulder God General let out a tragic cry as his massive body was sent flying and landed beside Scarlet Queen and the Skeleton Mage!

Boulder God General had lost!

“Oh my god, he defeated three experts in a row. This kid is heaven-defying!”

Someone couldn't help but exclaim.
