

Super IDG 1241

Chapter 1241: Suppressing the Three Powerful Beings!

“These four organizations are already fighting. What should we do? Should we help?”

“It’s better if we don’t get involved. We can’t afford to offend any of the four major organizations!”

“Why don’t we take this opportunity to retrieve the Divine Stone of Life?”

“Then what are we waiting for? Hurry up and go. This is the best opportunity!”

Everyone started discussing, not knowing if they should help.

However, there were also some people who were hoping to get lucky and rushed towards the Eye of the Sahara, wanting to take advantage of the chaos to retrieve the Godly Stone of Life.

However, this group of people was only halfway there!

Beams of energy streaked across the sky and shot towards these people!

Puff! Puff! Puff!

Their bodies were all pierced through and they fell into a pool of blood!

Sariel said coldly, "Anyone who dares to approach the Eye of the Sahara will be killed without mercy!"

The Bloodthirsty Demon King added ruthlessly, "The Divine Stone of Life is not something you can touch. If you don't want to die, scram!"

For a moment, the other people who were planning to go to the Eye of the Sahara to snatch the Stone of Life stopped and did not dare to move again.

However, they were not willing to leave just like that.

After all, the Divine Stone of Life was right in front of them.

Hence, they planned to wait and see. Perhaps they could take advantage of the chaos to snatch a few Divine Stones of Life later.

"Bear King, Moonlight, are we going to help?"

Hell Knight asked the Bear King and Moonlight Goddess.

“Help who?”

Herculean Bear King asked in a muffled voice.

Moonlight Goddess said in a deep voice, “I hate the Holy Light Church, the Heavenly Shrine, and the Hell Fiend Palace.

It was precisely because of these three organizations that the Dark World has been thrown into chaos.

“Now, only the Holy Imperial Court can contend with these three organizations.”

Hell Knight said, “Then let’s go help the Holy Imperial Court!”

“Alright!”

The Herculean Bear King and the Moonlight Goddess nodded in agreement.

Then, the three of them charged toward Sarel, Remuel, and the others.

Seeing that the three Hell Knights had come to help,

Xiang Kunlun said, "Hell Knight, Strength Bear King, Moonlight Goddess, thank you for your help!"

The Hell Knight waved his hand and said, "There's no need to thank us. We hate these guys too!"

"We respect the people of the Holy Imperial Court. It's our honor to be able to help you!"

The Moonlight Goddess also said.

Meanwhile, King of Destruction laughed heartily and said, "Alright, then let's join forces to destroy these guys!"

With the addition of the three that were underestimated, the battle became even more intense!

"Soul Battle Saber!"

Sariel flapped the wings of light on its back and soared into the sky, waving the grayish-gold saber in its hand!

Swoosh!

With a slash of his saber, an ear-piercing sound resounded!

Thousands of people in armor and holding weapons condensed into form and charged towards Xiang Kunlun and the others!

“Spear of the Netherworld!”

Remuel thrust out the platinum spear in his hand!

Whoosh! Whoosh! Whoosh! Whoosh!

Countless platinum spears condensed and shot out!

“Heavenly Prairie Fire!”

The Flame Overlord King of Destruction and the others!

“Earth Hammer!”

The Earth Overlord swung the giant hammer in his hand and struck out heavily!

As the giant hammer was swung out, mountains stood up and pressed down!

“Blood Sea overflows!”

“Battle Demon Spear!”

The Bloodthirsty Demon King and the Battle Demon King waved the blood-colored saber and green-black spear in their hands!

The blood-colored saber swept up a torrential sea of blood and surged out!

Thousands of greenish-black rods also condensed into form and shot out together!

The Cardinals, white-robed bishops, divine generals, and devil generals of the three organizations also launched a fierce attack at the same time!

“Great Desolate Heaven Burning Fist!”

Xiang Kunlun twisted his fist and punched out wildly!

A huge fist of black and golden flames smashed out like a meteor!

A black-and-golden-flamed Kun Peng let out an earth-shattering roar and charged forward!

“Atmospheric Crushing!”

“Void Vibration!”

The King of Destruction raised his hands and unleashed his Atmospheric Superpower and Violent Tremor Superpower at the same time!

The surrounding mpress crazily, emitting bursts of explosive sounds!

Space also began to tremble violently. Waves of intense shockwaves spread out, shattering everything!

“Death God Storm!”

The Purgatory Death God waved the Death God's Blade in its hand!

Black storms surged into the sky and crushed upwards!

"Bloodthirsty Demonic Claw!"

The Dark Baron summoned a blood-red claw and swung it with all his might!

Blood-colored claw marks appeared in the void, as if they wanted to tear everything apart!

"Light Purification!"

Meanwhile, Goddess of Fate waved her hand!

A dazzling white light burst out, illuminating the night sky and dispelling the darkness!

"Floating Light and Shadow!"

“Subduing Dragons and Tigers!”

“Fire Burning Ice Lock!”

“Firmament Slashing Sword Technique!”

“Fist Suppressing Mountains and Rivers!”

...

Xu Ying, Bujie, Prajna, Qi Yutang, Li Wushuang and the others also launched a series of attacks!

Boom! Boom!

Rumble!

Layers of attacks collided in the sky, exploding into huge balls of energy!

Although Sariel, Remu the others!

Their attacks were also destroyed one after another!

“Ahhhh...”

Accompanied by screams...

Sariel, Remuel, and the others were all sent flying.

Several white-robed bishops, divine generals, and demon generals were killed on the spot.

“Continue attacking. Don’t give them any time to recover!”

Xiang Kunlun roared and continued chasing after him!

King of Destruction and the others followed closely behind and charged forward!

While the battle raged on here...

On the distant battlefield.

Yang Luo wasn't at a disadvantage against Michael, Eternal Overlord, and the Darkness Demon King, and this left everyone watching in shock.

Rumble!

Accompanied by an explosion!

Michael, the Eternal two had bloody wounds all over their bodies. Their skin and flesh were lacerated, and blood flowed non-stop!

Yang Luo's body was also bleeding, and his clothes were dyed red with blood!

However, what shocked everyone watching the battle was...

Yang Luo's injuries were actually much lighter than Michael and the other two!

"Isn't this kid a little too powerful? He's fighting Michael, the Eternal Overlord, and the Darkness Demon King all by himself, yet he's still holding the upper hand?!"

“You have to know that Michael and the other two are the strongest forces under the three Divine Ranking powerhouses, the Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor. They’re also the giants of the underworld!”

“This kid is too heaven-defying. Could it be that he can compete with the Holy Light Pope and the experts on the Divine Ranking now?!”

“That’s impossible. The Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor are all renowned experts on the Divine Ranking!

“They are also the strongest experts in this world. It’s impossible for ordinary people to be their match!”

Everyone started discussing in shock.

Although they were shocked by Yang Luo’s powerful strength, they felt that Yang Luo was still incomparable to the Holy Light Pope and the others.

Just as Michael and the others were blasted into the air!

Yang Light that chased after the three of them!

“Damn brat, I don’t believe that the three of us can’t kill you even if we join forces!”

Michael roared in rage as he swung the Holy Light Ruler in his hand again!

“Holy Light Shackles!”

Countless seven-colored light shackles condensed into form and charged at Yang Luo like long dragons of light!

However, Yang Luo did not retreat at all. He charged towards the chains of light!

The sword in his hand swung continuously, directly severing the shackles of light!

Chapter 1242: Berserk Dragon!

“Eternal Curse!”

“Slow!”

Eternal Lord brandished the longsword in his hand and cast a curse!

Yang Luo was about to get close to Michael and the other two, but his speed suddenly slowed down. Even the speed at which he swung his sword was slowed down!

“This...!”

Yang Luo was shocked. He clearly did not expect the Eternal Overlord to be able to cast a curse from afar!

Just as Yang Luo's speed slowed down!

The chains of light instantly wrapped around Yang Luo and hung him in the air!

"Holy Cross!"

Michael took this opportunity to swing his Holy Light Ruler again!

A huge seven-colored cross stood up. Yang Luo was directly tied to the cross!

After tying Yang Luo to the cross!

Michael raised the Holy Light Ruler in his hand and let loose a deafening roar!

"Divine Punishment!"

Rumble!

Purple lightning bolts descended from the sky and struck Yang Luo's body heavily!

As the lightning struck down, the cross burned with scarlet flames again and began to burn Yang Luo's body!

Moreover, icicles condensed in the surrounding sky and shot crazily towards Yang Luo!

There were even tornadoes sweeping over from all directions and crushing towards Yang Luo!

Boom! Boom! Boom!

Numerous attacks bombarded Yang Luo's body crazily, as if they wanted to completely annihilate and destroy him!

However, Yang Luo forcefully condensed a True Qi barrier to block it. Coupled with the fact that his body was strong enough, he forcefully withstood the heavy attacks!

"Strip Away!"

The Eternal Overlord cursed again!

At that very moment...

Yang Luo felt the True Qi in his body begin to dissipate. His strength was also being drawn out of his body uncontrollably!

"Darkness Blade!"

Darkness Demon King brandished the black saber in his hand!

Whoosh! Whoosh! Whoosh! Whoosh!

Countless black light blades shot towards Yang Luo!

Michael, the Eternal Overlord, and the Darkness Demon King all knew that Yang Luo was extremely powerful!

Therefore, they did not give Yang Luo any time to catch his breath and launched a fierce attack!

Under the fierce attacks of the three of them!

The True Qi barrier that Yang Luo had condensed could no longer withstand it and began to shatter and crack!

The heavy attacks also hit his body, causing blood to explode!

After this exchange!

Yang Luo also realized that Michael and the other two were probably as powerful as early-stage Martial Saint Realm cultivators!

In other words, he was currently fighting against three Martial Saint Realm powerhouses!

If his cultivation could increase by another small realm, it would not be difficult for him to fight an early-stage Martial Saint Realm expert!

He could even crush a mid-stage Martial Saint Realm expert!

But now, it was still a little difficult to fight three early-stage Martial Saint Realm experts at the same time!

Yang Luo chanted the incantation in his heart and cast a spell to break the curse!

However, Eternal Overlord seemed to have discovered it as well. He kept mobilizing the energy in his body to strengthen the curse!

He sneered, "Kid, don't even think about breaking my curse!"

“Hahaha...”

Darkness Demon King raised his head and laughed. “Kid, do you really think you can fight the three of us alone?”

I was just testing you just now. The show has just begun!”

Michael also said with a vicious expression, “I’ll definitely take your life tonight!”

“Don’t hold back. Continue attacking. Take this opportunity to kill him!”

The Eternal Overlord shouted coldly and continued to curse.

“Decay, Heart-Devouring, Spirit, Five Senses...”

As layers of curses descended!

Yang Luo felt that his body was about to fester. His heart was throbbing, his mind was in pain, and his hearing, smell, taste, and other senses were weakening!

“Oh no, Brother Yang is tied up and can’t escape for a long time!”

“Brother Yang is in danger!”

Xiang Kunlun and the others who were fighting in the distance were shocked.

Just now, Yang Luo had the upper hand, but he didn’t expect that in just a short while, Yang Luo was actually at a disadvantage.

“Yang Luo!”

Goddess of Fate exclaimed and directly left the battlefield, rushing in Yang Luo's direction!

"Brother Yang!"

"Brother Yang!"

Xu Ying, Bujie, Prajna, and the others were also prepared to leave the battlefield and rush over to help.

But right at this moment...

"Light of Judgment!"

Michael roared as he waved the Holy Light Ruler in his hand!

Swoosh!

A seven-colored energy beam seemed to condense into a beam and shot towards Yang Luo's chest!

Once he was hit, his chest would definitely be pierced through!

"Demon Devour!"

The Darkness Demon King waved his hand!

A huge demon with a black glow all over its body stood up and pounced at Yang Luo!

"This kid is indeed a battle prodigy. To think that he was able to fight Michael and the other two for so long. It's a pity that he's still no match for them!"

“It can’t be helped. Michael and the other two are the strongest members of the three major organizations. No matter how strong this kid is, it’ll be difficult for him to contend against them!”

“Looks like this kid is about to die. He rose up forcefully and fell like a meteor. It’s really a pity!”

The spectators in the distance sighed endlessly. They felt that Yang Luo would definitely not survive.

But at this moment!

“Dragon Blood Boiling!”

Yang Luo opened his arms and let out a roar!

This roar was like the roar of a dragon from the nine heavens, resounding through the world and spreading in all directions!

A golden qi and blood shot into the sky from his body, scattering a sea of clouds in the sky!

In an instant...

Yang Luo’s aura and pressure soared crazily, and his combat strength also increased exponentially!

“Explode for me!”

At this moment, Yang Luo was like a berserk dragon as he let out a furious roar!

Waves of True Qi surged out of his body like a volcanic eruption!

Rumble!

The chains of light wrapped around his body all broke, and the huge cross directly collapsed and exploded!

The seven-colored light beams that shot towards him were all destroyed. They turned into a rain of energy that filled the sky and splattered everywhere!

The curses on his body were also removed!

After breaking free and destroying all the attacks, Yang Luo landed steadily on the ground!

He was covered in wounds and blood and looked very tragic!

However, his blood qi was exuberant and his eyes were like torches. Golden light shone from his body and a golden dragon coiled around his body, his battle intent soaring!

“Heavens, this brat actually broke free and destroyed all of Michael and the other two’s attacks!”

“Could this be the kid’s true strength?!”

“I can’t imagine how strong this kid is!”

Exclamations sounded one after another. Everyone present was shocked.

Xu Ying and the others, who had originally planned to rush over to help, heaved a sigh of relief when they saw this scene. They charged towards Sarel, Remuel, and the others again!

“Damn it! This kid’s combat strength can actually increase?!”

Darkness Demon King's expression changed drastically, and his eyes were filled with disbelief.

Eternal Overlord said fiercely, "Continue attacking and kill this brat!"

"Kill him!"

Michael also let loose a furious roar.

Soon, the three of them kept mobilizing the energy in their bodies and attacked Yang Luo fiercely!

Three energy rainbows broke through the sound barrier and rushed towards Yang Luo!

Facing their attacks, Yang Luo charged forward and shouted, "You guys had a good time fighting just now. It's my turn now, right?"

Before his voice could fade...

He directly soared into the sky and slashed out angrily!

Rumble!

The three energy rainbows that were rushing over were instantly destroyed!

After annihilating three streaks of energy, this sword continued to slash toward Michael and the other two!

"Ah! Ah! Ah..."

Michael and the others let loose bloodcurdling shrieks as their bodies were struck by this sword strike. Blood splattered everywhere as they were sent flying!

As the three of them were sent flying, Yang Luo moved and used the Great Freedom Emperor Dragon Movement Technique to rush forward!

In an instant!

He had caught up to the Eternal Overlord!

“You’re good at cursing, aren’t you? Get lost!”

With a roar, he leaped up and kicked out in the air!

“Bang!” A muffled sound was heard!

Eternal Overlord let out a blood-curdling scream and was sent flying like a cannonball. With a loud bang, he slammed into a huge mountain!

The mountain collapsed, and the Eternal Overlord fell into the debris...

Chapter 1243: Beast Tide!

After sending the Eternal Overlord flying with a kick!

Yang Luo flew through the air and instantly caught up to the Darkness Demon King!

“And you, get lost too!”

Accompanied by an explosive roar!

He raised his left arm and punched at the Darkness Demon King!

Darkness Demon King was shocked to see him attack. He wanted to raise the long saber in his hand to block, but he was a step too late!

DONG!

Yang Luo's fist ruthlessly smashed into the Darkness Devil King's chest!

Crack! Crack!

Not only did this punch break through the energy shield condensed by the Darkness Devil King, but it also broke a few of his ribs!

"Ah...!"

The Darkness Devil King let out a miserable howl and was sent flying like a sandbag, crashing into a huge mountain!

After sending the Darkness Demon King flying!

Yang Luo twisted his waist, turned around, and slashed toward Michael!

"Don't even think about it!"

Michael snapped out of his daze and quickly raised his Holy Light Ruler to defend himself!

Clang!

The sword and ruler collided fiercely, emitting a crisp sound of collision!

The sword qi that burst forth directly sliced Michael's body open, and blood splattered everywhere!

Furthermore, Yang Luo's sword strike was too heavy for Michael to block!

"Uhhh..."

Michael let out a cry of pain as he was also sent flying, crashing into a mountain before crashing into the rubble!

The moment Yang Luo sent Michael and the other two flying!

Everyone watching the battle from afar was stunned!

Just a moment ago, they thought that Yang Luo was definitely no match for Michael and the other two. He was dead for sure!

Unexpectedly, Yang Luo suddenly increased his battle prowess and suppressed Michael and the other two!

At this moment.

Just as Yang Luo was about to charge toward Michael and the other two!

Rumble rumble rumble!

The Eye of Sahara suddenly began to tremble violently!

The surrounding mountains and the ground within a radius of tens of thousands of meters shook!

In fact, everyone even heard a series of roars that sounded like wild beasts!

“What’s going on? Did it trigger another earthquake?!”

“Something’s not right. What’s that thing screaming?!”

“Is there really a monster in the Eye of the Sahara?!”

Everyone present turned to look in the direction of the Eye of the Sahara and cried out in fear.

Just as everyone was rooted to the spot...

Rumble rumble rumble!

The mountains and rivers shook even more violently!

Black snakes several meters long, scorpions, spiders, and lizards larger than adults ran out of the mountain!

The black mass was like a beast tide, causing everyone present to tremble in fear!

“My God, what’s going on? Why are there so many snakes, scorpions, spiders, and lizards?!”

“The key is that these animals are so big. They’re simply monsters!”

“So there really are monsters in the Eye of the Sahara!”

Exclamations sounded one after another. Everyone present was dumbfounded.

Soon, the snakes, scorpions, spiders, and lizards approached and began to attack everyone present.

“What are you waiting for? Hurry up and kill these monsters!”

Someone screamed and attacked the snakes, scorpions, spiders, and lizards!

A war between humans and beasts broke out!

Yang Luo rushed towards Kunlun and the others and shouted, “Ignore those guys first. Let’s destroy these monsters first!”

“Alright!”

Xiang Kunlun and the others responded.

Then, under Yang Luo’s lead, everyone launched a fierce attack on the monsters that were pouncing over!

Yang Luo kept waving the sword in his hand and killed all the monsters that pounced over!

However, because there were too many monsters, Yang Luo directly mobilized his True Qi and sword aura continuously and suddenly swung his sword!

Whoosh! Whoosh! Whoosh! Whoosh!

Countless golden flying swords condensed and shot out like a golden sword rain!

Puff! Puff! Puff!

Before the monsters that pounced over could approach, they were turned into sieves!

At the same time as he swung his sword!

Yang Luo suddenly stomped down and let out an explosive roar!

“Sea of Purgatory Fire!”

Blazing golden flames erupted from his body and transformed into a golden sea of flames that surged towards those monsters!

“Eeeee...”

A large number of monsters let out miserable cries as they were burned to ashes!

But just as Yang Luo was killing those monsters!

However, Michael, the Eternal Overlord, and the Darkness Demon King all launched fierce attacks at Yang Luo!

Yang Luo dodged a wave of attacks from the three of them and said angrily, “Damn it, can the three of you be more despicable?”

It’s fine if you want to fight, but can you kill these monsters first?”

Michael’s expression was savage as he said, “Compared to these monsters, you’re a greater threat!”

“These monsters are nothing to us. Killing you is the most important thing!”

“Kid, you’ve ruined our plan. We have to get rid of you!”

The Eternal Overlord and Darkness Demon King also spoke ruthlessly.

“Alright, let’s do it!”

Yang Luo’s entire body trembled, and the energy of the six attributes of metal, wood, water, fire, earth, and lightning instantly erupted from his body!

The monsters that rushed over from all directions were all killed and exploded into pools of blood mist!

However, just as Yang Luo was about to start a war with Michael and the other two!

Rumble rumble rumble!

The trembling of the Eye of Sahara became even more intense and terrifying!

“ROAR!”

“Howl!”

“Wu...”

“Hiss!”

Four earth-shattering roars came from the direction of the Eye of the Sahara!

Everyone present trembled in fear and turned to look again!

“Could there be an even more terrifying monster?!”

Someone exclaimed.

A few seconds later!

Boom! Boom! Boom!

Mountains were directly destroyed and collapsed!

Under everyone's watchful eyes...

Four behemoths rushed out!

These four behemoths took on the shape of a python, scorpion, spider, and lizard!

The python was more than 30 meters long. Its khaki-colored scales were as sharp as blades, and its eyes flickered with a scarlet light!

The scorpion was nearly 30 meters long and five to six meters tall. It had three huge tails and the scales on its body were glowing with golden light!

The spider's face was ferocious like an evil spirit. It was pitch-black, more than 20 meters long, seven to eight meters tall, and had 16 legs!

The lizard was nearly 30 meters long and six to seven meters tall. Its body was red and there were fire patterns engraved on its back!

When they saw these four monsters, everyone present was stunned!

"Oh my god, a monster. This is a real monster!"

“Hell’s Gate... So the Eye of Sahara is really the Hell’s Gate!”

“What should we do... What should we do now?!”

Everyone was so frightened that their faces turned pale. They broke out in cold sweat and trembled.

They did not expect to encounter such a monster when they were just wanted to collect the Divine Stone of Life.

Yang Luo stared at the four monsters and recognized their species.

He said in a deep voice, “These are four demonic beasts. They are the Sandstone Python, the Golden-Armored Poisonous Scorpion, the Ghost Face Spider, and the Earthflame Giant Lizard!”

“F*ck me!”

Bujie’s lips twitched, “F*ck, there are actually demonic beasts here, and there are four of them at once?!”

Xiang Kunlun narrowed his eyes and said, “Looks like this Eye of the Sahara is indeed not simple. No wonder everyone who came here to explore before never returned!”

“Mr. Yang, these four demon beasts don’t look simple. Are we going to give up the Divine Stone of Life and leave this place?”

Qi Yutang asked Yang Luo.

Chapter 1244: Evacuation!

Yang Luo shook his head and said, “We’re already here. We can’t leave just like that!”

Li Wushuang gulped and asked, “Brother Yang, are we going to kill these four Demon Beasts?”

“Yes!”

Yang Luo replied with one word.

“Heavens, as expected of Brother Yang. He’s indeed bold!”

Li Wushuang gave Yang Luo a thumbs up.

At this moment!

“Roar, roar, roar!”

The Sandstone Giant Python, the Golden-Armored Poisonous Scorpion, the Ghastly Demon Spider, and the Earthflame Giant Lizard roared and charged at the crowd!

Bang! Bang! Bang!

With just one collision, many people were sent flying!

Before these people could land, the four demon beasts tore them apart and swallowed them!

Then, the four demon beasts continued to pounce on the others!

Everyone counterattacked crazily, but it was useless!

In less than a few minutes!

More than a hundred people had been devoured by these four demon beasts!

“Ah...!”

“We’re no match for these four demon beasts at all. If we stay, we’ll die!”

“Run! Run!”

The remaining people shouted in fear and turned around to run.

They were really scared out of their wits and did not dare to stay here anymore.

Although the Divine Stone of Life was precious, one had to be alive to take it!

“Brothers, attack!”

Yang Luo roared and ignored the others. He raised his sword and charged at the four demon beasts!

Xiang Kunlun and the others followed and attacked the four demon beasts!

“My God, is this kid crazy? He actually dares to fight these four monsters?!”

“The people of the Holy Imperial Court have all gone crazy. Are they willing to throw their lives away for the Divine Stone of Life?!”

Everyone was stunned when they saw that not only did Yang Luo, Xiang Kunlun, and the others not run, but they even took the initiative to attack the four demon beasts.

However, they did not stop. Instead, they continued to flee into the distance.

Seeing Yang Luo and the others charging over!

The Sandstone Python swung its huge tail and smashed it fiercely at Yang Luo!

Yang Luo stomped down, causing the ground to collapse. He soared into the sky and slashed with his sword!

Clang!

The sword collided with the huge tail of the Sandstone Python, producing the sound of iron and stone colliding!

The Sandstone Python was extremely strong and sent Yang Luo flying!

Just as Yang Luo was sent flying!

The Ghost-Faced Demon Spider opened its mouth and spat out white threads as thick as an arm, wanting to bind Yang Luo!

Yang Luo waved his sword in the air and cut off the white threads!

However, just as Yang Luo landed on the ground!

The Earthflame Giant Lizard spat out a mouthful of dark red flames that surged towards Yang Luo like a long river!

Yang Luo quickly mobilized the water attribute energy in his body and swung his sword!

A huge wave gushed out and rushed towards the long river of flames!

Dong!

The huge wave and the long river of flames collided in the sky, producing a dull collision sound!

The long river of flames was instantly extinguished, and white steam rose!

Just as Yang Luo blocked the scouring of the river of flames!

The Golden-Armored Scorpion swung its three sharp and huge tails and stabbed at Yang Luo!

These three huge tails were filled with black poisonous fog. Once they were pierced, they would definitely be poisoned to death in a few seconds!

Yang Luo's figure flashed as he dodged the Golden-Armored Scorpion's fierce attack!

Dong, dong, dong!

Three huge holes instantly appeared in the ground!

The black venom flowed inside with a strong corrosive effect, corroding all the sand. It was incomparably terrifying!

Xiang Kunlun and the others realized that it was a little difficult for Yang Luo to deal with four demon beasts alone!

Therefore, without any hesitation, they charged towards the Ghastly Spider and the Golden-Armored Poisonous Scorpion!

Meanwhile, the sandstone python and the Earthflame Giant Lizard charged towards Yang Luo!

A bloody battle immediately erupted!

At this moment.

In an empty space in the distance.

Michael, the Eternal Overlord, and the others all stared at the four beasts with indecisive expressions on their faces.

“What should we do now? Should we continue to stay here or evacuate?”

The Eternal Overlord asked.

Michael said in a deep voice, “These four beasts are extraordinary, and we’re all injured!

If we continue to stay here, not only will we have to deal with these four demon beasts, but we will also have to deal with Yang Luo and the people from the Holy Imperial Court. I’m afraid we will be in danger!

I suggest that we evacuate quickly!”

Eternal Overlord said angrily, “Are we going to give up on the Divine Stone of Life?”

“We didn’t get anything from this trip and were even injured by that kid. I’m really unwilling!”

The Darkness Demon King gritted his teeth and spoke.

Sariel, Remuel, and the others were also furious and indignant.

Michael's expression darkened, "We can only hold it in for the time being. Furthermore, it's still unknown if this kid will survive tonight.

Of course, even if he's lucky enough to survive, the Pope will definitely take this kid's life once he comes out of seclusion."

The Eternal Overlord added viciously, "The Lord God Emperor also said that once he comes out of seclusion, the first person he will kill is this kid!"

"This kid is also on our Fiend Emperor's must-kill list!"

The Darkness Demon King also added.

Michael chuckled coldly, "If that's the case, then this brat won't be able to hop around for much longer!

I'm looking forward to the day this kid dies!"

As he spoke, he took a deep look at Yang Luo and set up a teleportation array!

A seven-colored beam of light shot into the sky and enveloped the people from the Holy Light Church!

The Eternal Overlord and Darkness Demon King also looked at Yang Luo with resentment. Then, they each set up a teleportation array!

A purple-gold beam and a black beam soared into the sky, enveloping the people from the Heavenly Shrine and Hell Fiend Palace!

Only a few moments passed,

After the three beams of light dissipated, Michael and the others disappeared on the spot.

The others also drove away in their helicopters and vehicles.

In an instant...

Other than Yang Luo and the others, there was no one else near the Eye of the Sahara.

Yang Luo could not be bothered with the people from the Holy Light Church, the Heavenly Shrine, and the Hell Fiend Palace. Instead, he focused on fighting the sandstone python and the Earthflame Lizard!

At this moment.

The sandstone python suddenly swung its huge tail!

Hu! Hu! Hu! Hu!

Sand and stone tornadoes soared into the sky and crushed towards Yang Luo!

The Earthflame Giant Lizard opened its bloody mouth and spat a wave of fire at Yang Luo!

Facing the fierce attacks of the Sandstone Giant Python and the Earthflame Giant Lizard!

Yang Luo's body shook!

Nine Heavens Dragon's Fury was unleashed once again!

“Roar, roar, roar!”

Accompanied by dragon roars!

Nine huge golden dragon phantoms roared out, destroying the sand, stone, tornadoes, and surging waves of fire. They also sent the Sandstone Python and the Earthflame Giant Lizard flying!

After sending the Sandstone Giant Python and the Earthflame Giant Lizard flying...

Yang Luo swung his sword into the sky!

Countless golden flying swords condensed and shot towards the sandstone python and the Earthflame Giant Lizard!

Puff! Puff! Puff!

No matter how tough the scales of the Sandstone Giant Python and the Earthflame Giant Lizard were, they were still riddled with bloody holes by the incomparably sharp flying swords!

Large amounts of scales were shattered, and blood spurted out!

Roar! Roar!

The sandstone python and the Earthflame Giant Lizard roared in pain before charging towards Yang Luo crazily!

However, just as the Sandstone Giant Python and the Earthflame Giant Lizard approached!

Yang Luo raised his left hand and roared!

“Sky Burning Explosion!”

A golden fireball instantly condensed into form. Golden flames danced, dazzling!

Then, Yang Luo waved his left hand!

The golden fireball flew out and expanded in the wind, crashing into the Sandstone Python and the Earthflame Giant Lizard!

After the golden fireball expanded to a certain limit!

Yang Luo then retracted the five fingers on his left hand!

“Explode!”

Dong!

The huge golden fireball instantly exploded like a supernova!

Violent golden flames surged out and washed in all directions!

The Sandstone Giant Python and the Earthflame Giant Lizard let out a miserable scream as they were blown away...

Chapter 1245: Subdue!

Boom boom...

The Sandstone Giant Python and the Earthflame Giant Lizard were sent flying dozens of meters away and fell heavily to the ground.

Two huge pits were smashed into the ground, raising a large amount of sand and rocks.

At this moment.

The Sandstone Python and the Earthflame Giant were both badly mangled.

However, their bodies were indeed very tough. They endured the huge explosion and did not die.

Roar! Roar!

The Sandstone Python and the Earthflame Giant Lizard went completely berserk. They struggled to get up and roared as they continued to charge at Yang Luo!

“This is the last strike. I’ll send you on your way!”

Yang Luo shouted and charged forward!

And the moment they got close...

The sandstone python opened its huge mouth and revealed its sharp fangs, wanting to swallow Yang Luo in one bite!

The Earthflame Giant Lizard also opened its huge mouth and spat out a wave of fire at Yang Luo!

“Cut!!”

Yang Luo let out an explosive roar and gripped the Dragon Emperor Sword tightly with both hands. He instantly mobilized his True Qi and sword qi to the limit and slashed horizontally!

Swoosh!

This sword was like the break of dawn, instantly erupting with a dazzling golden light that illuminated the night sky and dispersed the endless darkness!

The sword qi was like a rainbow that shot into the nine heavens!

The next second!

Puff! Puff!

Two pillars of blood shot into the sky along with two heads!

The Sandstone Python and the Earthflame Giant Lizard fell to the ground, completely dead!

At the same time when Yang Luo killed the Sandstone Python and the Earthflame Giant Lizard!

Xiang Kunlun and the others had also killed the Ghost Face Demon Spider!

Only the Golden-Armored Scorpion was still alive!

After all, the body of the Golden-Armored Scorpion was very hard, especially the golden scales on its body, which were even more indestructible!

Yang Luo did not stop at all. With a move, he transformed into a golden figure and charged at the Golden-Armored Scorpion!

And the moment they got close...

He stomped on the ground and soared into the sky like a divine dragon!

After leaping into the sky!

He flipped his right hand and stabbed down with all his might!

The sword stabbed down, sharp and terrifying, domineering and peerless!

Countless golden sword shadows overlapped, turning into a huge golden sword that stabbed down explosively!

“Retreat!”

Xiang Kunlun shouted and led everyone to retreat quickly!

The moment Xiang Kunlun and the others retreated!

Psh!

This sword pierced through the scales on the back of the Golden-Armored Scorpion and its body!

Yang Luo retracted his sword and landed steadily on the back of the Golden-Armored Poisonous Scorpion.

“Good job, Brother Yang!”

“Fortunately, Brother Yang is here. Otherwise, we would have to spend a lot of effort to kill this scorpion!”

“Damn it, these four monsters have finally been killed. I’m so tired!”

Everyone let out a long breath and wiped the sweat off their foreheads.

After killing the four demon beasts...

Without any hesitation, Yang Luo cut open the bodies of the four demon beasts and took out four demon beast inner cores.

Then, Yang Luo walked towards Xiang Kunlun and the others with the four demon beast inner cores.

Yang Luo said to Xiang Kunlun and the others, “Everyone, these are four 500-year-old demon beast inner cores. They are very helpful for cultivation.

I’ll take one. You guys split the remaining three.”

Xiang Kunlun shook his head and said, “Brother Yang, you killed three of these four demon beasts.

We don’t want the demonic beast’s inner core. Just take it.”

Yang Luo said, “How can that do? You guys have also contributed a lot to killing the demon beasts.”

Xiang Kunlun thought for a moment and took out a demon beast inner core, “Brother Yang, I’ll take this demon beast inner core. You take the remaining three.”

“Brother Yang, we’re all brothers. There’s no need to be so particular about such things. Take it!”

“That’s right. Anyway, we still have the Divine Stone of Life. Let’s forget about the demonic beast’s inner core!”

Everyone spoke up one after another, unwilling to take the demonic beast's inner core.

"Alright, I'll accept it."

Yang Luo nodded and put away the three demon beast inner cores.

If he wanted to continue improving his cultivation, these Demon Beast Inner Cores would indeed be of great help.

"Brother Yang, let me introduce you to three friends."

The King of Destruction smiled and introduced them. "These three are the Kings on the Dark Rankings. They are the Hell Knight, the Giant Bear King, and the Moonlight Goddess. They are not weaker than us."

"Hello, Mr. Yang!"

The trio greeted Yang Luo respectfully.

The strength that Yang Luo had displayed just now had completely convinced them.

In the Dark World, the strong were respected!

Yang Luo deserved their respect!

"Hello everyone."

Yang Luo smiled and agreed.

He had a good impression of this three.

After all, not long ago, when the others were watching from the side, only the three of them had helped them deal with the people from the Holy Light Church, the Heavenly Shrine, and the Hell Fiend Palace.

Yang Luo looked at the three of them and said, "Hell Knight, Herculean Bear King, Moonlight Goddess, I would like to invite you to join our Holy Imperial Court.

In the future, let's join forces to fight against the Holy Light Church, the Heavenly Shrine, and the Hell Fiend Palace. How about that?"

King of Titans grinned and said, "That's right. Why don't you join the Holy Imperial Court?"

The barbarians and I have joined."

King of Savage Beasts also echoed, "Tonight, you have offended the three major organizations. They will definitely not let you off in the future.

If you can join the Holy Imperial Court, we can take care of each other in the future."

Hell Knight said, "We are naturally willing to join the Holy Imperial Court. However, can Mr. Yang make the decision for the Holy Imperial Court?"

"Of course!"

The King of Destruction laughed and said, "Brother Yang has already succeeded the position of Divine Emperor, but he hasn't announced it to the public yet!"

"What?! Mr. Yang is the Divine Emperor of the Holy Imperial Court?!"

"Oh my god, is this real?!"

“Oh my god, this news is too explosive!”

Hell Knight, Herculean Bear King, and Moonlight Goddess were all shocked.

“F*ck! Brother Yang, you’re the Divine Emperor of the Holy Imperial Court now?!”

“Little Luo, are you kidding me?!”

Evil Butcher and Xiao Ziyun were also stunned.

Yang Luo smiled and nodded, “I just succeeded the position of Divine Emperor not long ago.”

Evil Butcher got extremely excited when he heard this, “F*ck, Impressive. My brother is actually the Divine Emperor of the Holy Imperial Court!”

Xiao Ziyun also smiled and patted Yang Luo’s shoulder, “Our little junior brother has become successful!”

Hell Knight, Herculean Bear King, and Moonlight Goddess were stunned for a moment before they knelt on one knee!

“We greet the Divine Emperor!”

Yang Luo raised his hand to help the three of them up and said, “We’ll be brothers in the future. There’s no need to be so polite between brothers!”

“Alright!”

The trio nodded heavily.

They never expected that not only was Yang Luo powerful, but he was also able to take on Michael, Eternal Overlord, and Darkness Demon King on his own.

Furthermore, he was the Divine Emperor of the Holy Imperial Court.

They respected and worshipped Yang Luo even more.

Xiang Kunlun, King of Destruction, and the others also felt emotional at this scene.

They also knew that the Holy Imperial Court could easily subdue the trio was all because of Yang Luo.

Yang Luo's strength and charisma had already conquered the three.

Yang Luo glanced around and said, "Brothers, now that those annoying flies have left, let's go to the Eye of the Sahara to take a look.

What's so strange about that place?"

"Alright!"

Everyone nodded in agreement.

Then, under Yang Luo's lead, everyone walked towards the Eye of the Sahara.

Not long after, everyone climbed up a tall mountain.

Upon looking down....

In the center of the Eye of the Sahara, there was a pit with a diameter of dozens of meters.

It emitted a dazzling nine-colored light.

Thick spiritual qi and energy surged out of the pit, making one's heart palpitate.

Xiang Kunlun said, "Looks like the Divine Stone of Life should be under this pit. Shall we go down and take a look?"

Yang Luo nodded and said, "Let's go and take a look."

Chapter 1246: Prophecy!

But just as Yang Luo and the others were about to descend the mountain...

Suddenly!

Rumble rumble rumble!

The Eye of Sahara began to vibrate again!

Moreover, the tremors this time were even more intense, causing the mountains and ground within a radius of 100,000 meters to tremble!

Bujie exclaimed in shock, "What's going on? Don't tell me there are still monsters?!"

The corner of Li Wushuang's mouth twitched, "F*ck, is there no end to this?"

The others became more vigilant and prepared for battle.

However, what puzzled everyone was...

Although the Eye of Sahara shook violently, no monsters ran out.

It shook for a while.

With the hole as the center, the ground began to crack and collapse.

Ten minutes later.

A hole with a diameter of more than a hundred meters appeared in front of everyone.

Moreover, as the pit appeared, a wide rock staircase appeared.

This staircase extended directly from the edge of the pit to the bottom of the pit. It was impossible to see the bottom.

It was only when the stairs appeared that the tremors slowly stopped.

“Holy sh*t, what’s going on now? Why is there a staircase?”

Evil Butcher asked in shock.

The others were also very puzzled.

No one knew why there was a staircase in the Eye of the Sahara and what was beneath it.

Yang Luo stared at the stairs and the hole for a while before saying, "Brothers, let's go down and take a look!"

"Alright!"

Everyone nodded.

Then, Yang Luo and the others went down the mountain and walked towards the hole in the center of the Eye of the Sahara.

After arriving at the edge of the pit,

Yang Luo said, "Everyone, be vigilant. If there's any danger, retreat quickly!"

"Yes!"

Everyone immediately chorused out.

Yang Luo didn't hesitate anymore and led the way down the stairs.

Xiang Kunlun and the others followed.

Under Yang Luo's lead, everyone walked down the stairs.

The deeper he went, the more dazzling the nine-colored light became, and the stronger the spiritual qi and energy.

After that, everyone sped up and rushed down.

After going hundreds of meters underground.

Yang Luo and the others finally arrived at the bottom of the pit.

Crystals of different sizes were scattered at the bottom of the pit. There were already hundreds of them.

These crystals emitted a nine-colored light, illuminating the bottom of the pit as if it was daytime.

Xiang Kunlun pointed at the nine-colored crystals and said, "These are the Divine Stones of Life. I just didn't expect there to be so many of them."

Yang Luo sighed and said, "The spirit qi and energy contained in each Divine Stone of Life is indeed not something ordinary spirit stones can compare to. No wonder so many people want to snatch it."

Bujie said happily, "There are so many Divine Stones of Life, yet no one else is fighting with us for them. This is simply awesome!"

At this moment, Qi Yutang pointed in one direction and exclaimed, "Mr. Yang, there seems to be a passageway ahead!"

Yang Luo and the others looked up.

As expected...

There was a passageway ahead that led to an unknown place.

Yang Luo waved his hand and said, "Let's go and take a look."

Then, Yang Luo and the others walked along the passageway.

Many Divine Stones of Life were scattered along the way, illuminating the pitch-black passage.

After an unknown period of time...

When they reached the end of the passageway.

Yang Luo and the others were instantly stunned by the scene in front of them.

As far as the eye could see, there was a vast and boundless space ahead.

The ruins of various ancient buildings, damaged statues, and some strange equipment were scattered on the ground, sinking into the sand and rocks.

Many Divine Stones of Life were scattered among the sand and stones, emitting nine-colored lights.

One could also see dried riverbeds.

“What... what kind of place is this?!”

“Oh my god, we seem to have discovered something incredible!”

“Could this be an ancient ruin?”

Everyone exclaimed.

The scene in front of them was too shocking, causing everyone to be unable to recover for a long time.

“Atlantis!”

Goddess of Fate suddenly said a name.

Everyone turned to look.

Goddess of Fate was standing in front of a broken stone tablet, staring at the ancient words on the stone tablet with her beautiful eyes.

“Atlantis?”

Yang Luo walked over and asked curiously, “Natasha, do you mean that this is the ancient site of the Atlantean civilization?”

“That’s right.”

Goddess of Fate nodded and said, “This is indeed the ancient ruins of the Atlantean civilization.

However, to be precise, this was just one of the ancient ruins of the Atlantean civilization.

The words on this stone tablet have records of the Atlantean civilization.”

“You recognize these words?”

Yang Luo looked surprised.

King of Destruction smiled and said, “Brother Yang, you don’t know about this, right?

Natasha is familiar with all kinds of ancient characters.

Some of her papers on ancient characters have caused a huge sensation in ancient Chinese academia.

All the top experts and professors in the world regard Natasha as their teacher.

However, because Natasha has been publishing papers anonymously, very few people know that those papers were published by Natasha.”

Yang Luo exclaimed, “Natasha, I didn’t know you were so talented!”

Hearing Yang Luo’s praise, Goddess of Fate’s lips curled up slightly, as if she was very happy.

Yang Luo hurriedly said, “Natasha, please take a look at what else is written on this stone tablet.”

Goddess of Fate nodded and continued reading.

Everyone looked at the Goddess of Fate eagerly, curious about what was written on the stone tablet.

Half an hour later.

Goddess of Fate said, “This stone tablet records a battle of destruction on Earth back then.

The Alandish civilization had also perished after that battle. Many Atlanteans had died in that battle, and many had left Earth.

The Atlanteans called that war the “Battle of the Gods””

“Battle of the Gods?!”

Yang Luo’s expression changed immediately, “What does that mean?!”

“I’m not too sure either. The records are not detailed enough.”

Goddess of Fate shook her head and continued, "However, I've studied the Atlantean civilization before.

It was rumored that this civilization was highly developed and was known as the "Crystal Civilization" and the "Divine Civilization".

The Atlanteans were not ordinary people at all. They were true gods. They had powerful abilities. They relied on music and spells to treat illnesses..."

"Divine civilization?! Real gods?!"

"Holy sh*t, did the gods really exist on Earth in the past?!"

"There should be. Otherwise, how did so many myths and legends come about..."

"Then why did all those gods suddenly disappear? When did they disappear?"

"Didn't Natasha say that there was a Battle of Gods on Earth? Maybe the gods disappeared at that time..."

Everyone started chatting and arguing.

Yang Luo fell into deep thought.

The more he understood this world, the more he felt that it was mysterious.

Perhaps, in the distant Earth, there were really Western gods and ancient mighty figures from Country Hua.

Goddess of Fate continued, "There is also a prophecy recorded on this stone tablet..."

“A prophecy? What prophecy?”

Yang Luo hurriedly asked.

Goddess of Fate said slowly, “One day, disaster will descend on this world again. The earth will be devastated, humans will walk towards extinction, and the gods will rule this world again...”

Chapter 1247: Secret of the Divine Stone of Life!

Hearing the Goddess of Fate’s words,

Everyone immediately fell silent and looked at Goddess of Fate in shock.

A few minutes later...

King of Destruction burst into laughter, “Natasha, you’re getting more and more mysterious.

What you mean by disaster would descend on this world again?

Humanity will be destroyed?

The gods will once again dominate this world?”

Evil Butcher said in amusement, “I think there’s only one reason why mankind is heading towards extinction, and that is that mankind is courting death by starting a war on their own.

As for the gods ruling this world, that’s simply a fantasy.”

King of Titans also added, "There are many prophecies in this world. A few years ago, the Mayans prophesied that the world would be destroyed, but the world has yet to be destroyed.

Therefore, just listen to these prophecies. They can't be taken seriously."

The others did not believe it either.

However, Yang Luo frowned slightly.

He looked at Goddess of Fate and asked, "Natasha, is there anything more accurate about this prophecy?"

Evil Butcher teased, "Brother Yang, don't tell me you really believe it?"

Yang Luo shrugged and said, "There are many prophecies in the world. There's a mix of truth and lies. Regardless of whether this prophecy is true or not, it's not a bad thing to understand it."

Goddess of Fate shook her head and said, "There's only half of this prophecy. The words at the back have already been weathered, so I can't see what's written."

Yang Luo suggested, "Everyone, look around again and see if there are any written records."

"Okay!"

Everyone responded and began to search.

However, after searching for a long time, they could not find any more written records.

"Brother Yang, there's nothing here except ruins!"

“There are words on some buildings, but they’ve already been weathered and can’t be seen clearly!”

“Brother Yang, should we continue searching?”

Everyone chimed in.

“Since you can’t find it, forget it.”

Yang Luo shook his head and continued, “Everyone, quickly collect the Divine Stones of Life. We’ll split it later!”

“Alright!”

When everyone heard that they were going to split the Divine Stones of Life, they were all very excited.

Soon, everyone gathered all the Divine Stones of Life and piled them together.

There were more than 800 Divine Stones of Life in total, and each of them contained rich spiritual energy and energy.

Bujie smacked his lips and said, “Brothers, how do you think we should split this?”

Evil Butcher shrugged, “I’m fine with it. If it weren’t for Brother Yang, I’m afraid we wouldn’t have been able to get a single Godstone of Life. Michael and the others would have snatched it all away.”

“I suggest that more than half of this portion of the Divine Stone of Life go to Brother Yang, and we split the remaining half equally!”

“Even if Brother Yang takes them all, I have no objections!”

Everyone spoke one after another, but no one fought for it. They gave in to each other humbly.

Xiang Kunlun said, "Brothers, why don't we do this? Brother Yang will split half of it, and we'll split the remaining half equally. How about that?"

"I'll take half?"

Yang Luo was stunned for a moment and said, "Isn't this too much?"

Xiang Kunlun smiled and said, "Brother Yang, the Heavenly Luo Sect is about to be built.

"You can use a portion of the Divine Stones of Life as raw materials to set up a protective array.

"This Divine Stone of Life is more useful than spirit stones."

"Yes, that's right!"

Qi Yutang nodded repeatedly and said, "I don't want my share. Contribute it to our Heavenly Luo Sect!"

Hou Qinglie said, "I've just joined the Heavenly Luo Sect. It's time for me to make some contributions to our sect. I don't want my share as well!"

Xu Ying, Bujie, Prajna, Lei Tianhong, and the others all expressed that they wanted to contribute their portions of the Divine Stone of Life to the Heavenly Luo Sect.

Yang Luo waved his hand and said, "Brothers, let's do as Big Brother says.

"I'll take half, and you can split the other half equally.

Also, you don't have to contribute the Divine Stone of Life to the Heavenly Luo Sect.

As for the materials for the Heavenly Luo Sect's mountain-protecting array, I'll be in charge of them."

"Yes!"

Everyone nodded in agreement.

After distributing the Stones of Life.

Yang Luo and the others left the pit.

When everyone walked out of the pit.

The sky was already bright.

Yang Luo said, "Brothers, let's go back to Thousand Towers City and have a good rest first. We'll have a good gathering tonight!"

"Haha, good!"

"Let's get drunk tonight!"

Everyone smiled and agreed.

After that, Yang Luo and the others left the Sahara Desert in a car and returned to the Cabins Hotel in Thousand Towers City.

After returning to the hotel, everyone returned to their rooms to rest.

Yang Luo returned to his room to take a shower. Then, he used the Divine Stone of Life to set up a simple Spirit Gathering Array and began to cultivate.

When the Spirit Gathering Array was activated,

The spiritual energy between heaven and earth surged into the room continuously.

Yang Luo was shocked.

This Godly Stone of Life was indeed powerful. The power of a simple Spirit Gathering Array was comparable to a complete Spirit Gathering Array set up with Spirit Stones.

“It’s indeed a good thing!”

Yang Luo exclaimed. Then, he picked up a divine stone of life and studied it carefully.

The Divine Stone of Life did indeed look no different from a crystal, but it emitted a dazzling nine-colored light. It was crystal clear and did not contain any impurities.

He first mobilized the True Qi in his body and sent it into the stone to sense it.

What surprised him was that the spiritual qi and energy contained in the Divine Stone of Life did not repel his true qi at all. Instead, they could fuse with each other.

Then, he mobilized the metal, wood, water, fire, earth, and lightning energies in his body and transferred them into the Divine Stone of Life.

What shocked him even more was that the Divine Stone of Life didn’t reject him even though he had transfused all sorts of elemental energies into it. It could still fuse with him.

Perhaps it was precisely because the Divine Stone of Life did not reject any energy that it was helpful to cultivators of various systems in the world.

Yang Luo grabbed the Divine Stone of Life tightly again and exerted force with his right hand, trying to crush it.

However, the Divine Stone of Life was incomparably sturdy. Even with his immense strength, he was unable to crush it.

Moreover, flames could not burn it, and lightning could not shatter it.

Could it be that the Divine Stone of Life really wasn't an ore that should have existed on Earth?

Instead, it was brought to Earth by those gods from another world?

Yang Luo studied it for a long time but couldn't figure it out. He could only give up.

Perhaps he would only be able to understand the mysteries of the Divine Stone of Life after he broadened his horizons.

Of course, there was something else that bothered him.

That was the Atlantean prophecy.

Could this prophecy really come true?

If it came true, what could he do?

Fight against those gods?

With his current strength, it was unrealistic for him to fight against a true god.

Unless he could really become an immortal one day.

Forget it, I don't want to think so much now. I should cultivate well, increase my strength, and deal with the current challenge.

Yang Luo shook his head and let one's imagination run wild. He sat cross-legged on the bed and began to cultivate.

Chapter 1248: Number One of the Younger Generation!

It wasn't until past eight in the evening.

The doorbell woke Yang Luo up.

"Phew..."

Yang Luo let out a breath of turbid air. He felt energetic and full of vitality. He also felt that the true energy in his dantian was getting more and more abundant.

However, it was a pity that his cultivation level was still stuck at the mid-stage Dao Convergence realm and showed no signs of breaking through.

It seemed that he had to find a better place to cultivate in the future and strive to reach the late-stage Dao Convergence realm.

After putting on his clothes, Yang Luo opened the door.

Xiang Kunlun and the others were already waiting at the door.

Yang Luo smiled and asked, "How was everyone's rest?"

"Not bad."

Xiang Kunlun replied and asked, "Brother Yang, what about you?"

Yang Luo shook his head and said, "I didn't rest. I've been cultivating.

In any case, for the current me, I can completely use cultivation as a substitute for sleep."

Evil Butcher sighed in admiration and said, "Brother Yang, you're already so strong, yet you're still working so hard. How can we guys with average talent endure this?"

King of Destruction sighed, "We have to work harder. If we are left too far behind by Brother Yang, it will be too embarrassing."

"Alright, stop talking nonsense. Let's go and drink!"

Yang Luo waved his hand and led everyone out of the hotel. They found a high-end restaurant and booked a luxurious private room.

After everyone was filled with wine.

Yang Luo raised his wine glass and said, "It's all thanks to our brothers working together that we were able to defeat the people from the Holy Light Church, the Heavenly Shrine, and the Hell Fiend Palace and obtain the Divine Stone of Life!

Here's a toast to everyone!"

“Brother Yang, this operation is all thanks to you!”

“Isn’t that so? Even Michael, Eternal Overlord, and the Darkness Demon King suffered a loss at your hands!”

“Brother Yang, you’re the one who contributed the most this time!”

Everyone spoke up one after another.

Yang Luo waved his hand and said, “Brothers, if I were alone, it would still be very difficult for me to deal with those guys from the three major organizations at the same time.

Therefore, the credit this time does not belong to me alone, but to everyone!

Alright, let’s not talk anymore. Let’s drink!”

“Cheers!”

“Yes!”

Everyone raised their glasses and downed their wine.

After Yang Luo finished a glass of wine, he poured a second glass of wine, “This second glass of wine is to Hell Knight, Herculean Bear King, and Moonlight Goddess. We welcome the three of you to join our Holy Imperial Court!

In the future, we’ll be brothers and sisters. We’ll live and die together and never leave each other!”

Hell Knight, Herculean Bear King, and Moonlight Goddess were flattered and quickly raised their glasses.

“Brother Yang, don’t worry. In the future, we will definitely charge forward for the Holy Imperial Court and pledge our loyalty to the Holy Imperial Court!”

Hell Knight patted his chest and expressed his stance.

Herculean Bear King spoke out in a muffled voice, “I’ll beat up whoever dares to bully our Holy Imperial Court!”

Moonlight Goddess also exclaimed, “I will dedicate everything to the Holy Imperial Court!”

“Alright!”

Yang Luo nodded heavily and said, “Your words are enough. Cheers!”

“Cheers!”

Everyone raised their glasses together again and finished their second glass of wine.

In the time that followed...

Everyone drank and chatted. Everyone became more and more familiar with each other, and the atmosphere was very harmonious.

It wasn’t until after eleven o’clock at night that the drinking was finished.

After leaving the restaurant, everyone returned to the hotel.

However, as soon as Yang Luo entered the room, he received a call.

He took out his phone and saw that it was from the Dragon General.

“Hmm?”

He was stunned.

What was going on? Why was the Dragon General calling him so late at night?

Could there be another mission?

Thinking of this, Yang Luo picked up the call.

As soon as the call went through...

Dragon General's hearty laughter was heard.

“Kid, how have you been?”

“It's alright. Everything is as usual.”

Yang Luo replied and said, “Dragon General, let's not beat around the bush. Tell me, what do you want me to do this time?”

Dragon General laughed when he heard his word, “Kid, if you're not busy, come to Mount Longhu tomorrow.”

“Huh?”

Yang Luo looked puzzled, “Why are we going to Mount Longhu?”

Dragon General plainly said, "I have something to discuss with you."

"What is it regarding?"

Yang Luo pressed.

"You'll know when you get here."

"Is this important?"

"It's quite important."

"Alright, I'll come over tomorrow."

Yang Luo agreed immediately.

Although he didn't know what it was about, since even Dragon General said it was important, it was better to go.

After chatting for a while, Yang Luo hung up.

After throwing his phone on the bedside table, Yang Luo sat cross-legged on the bed and continued to cultivate.

...

At the same time...

In Country Hua.

Due to the time difference, it was nighttime here.

Jiang Province, Dao City.

Mount Longhu.

This place was one of the most famous mountains in Daoism.

Here, the mountains were scenic and the waters were like jade, the sea of clouds was beautiful, and the peaks were as green as ink. It was a paradise on earth.

At this moment.

In an ancient pavilion at the back of the mountain.

Two old men were playing Go.

One of the old men was wearing a black Chinese tunic suit. His long grayish-white hair was neatly combed behind his head. He had a determined expression and was hale and hearty.

The other old man wore a gray Daoist robe and had a thin figure. His hair was tied into a Daoist bun, and his beard and hair were gray. He had a sage-like appearance.

The old man in the Chinese tunic suit was Dragon General Lin Aocang.

The old man in the Daoist robe was the Celestial Master of Mount Longhu, Zhang Zhilin.

Zhang Zhilin placed a piece down and said with a smile, "Elder Lin, you seem to think highly of that kid called Yang Luo.

This time, you actually invited this kid to discuss such a big matter."

Lin Aocang chuckled and said, "Celestial Master, this kid is the number one person among the younger generation in Country Hua.

Naturally, he will be involved in the discussion of such an important matter."

"The number one person?"

Zhang Zhilin was stunned for a moment and asked, "What do you mean?"

Lin Aocang raised a finger and said, "There's no need to talk about martial arts. This kid can be said to be the number one among the younger generation!

Even the elders of the top sects are probably inferior to him!"

Zhang Zhilin nodded and said, "I know about that. This kid barged into Shaolin Temple and fought Wudang. He killed the three Martial Emperor Realm experts of Country Sakura with his sword. Then, he went to Country Sakura to kill the Martial Emperor Realm expert and killed the Martial God Realm expert. He's indeed impressive!"

There was a pause.

Zhang Zhilin continued, "But what we're discussing this time doesn't have much to do with martial arts."

"Celestial Master, let me finish."

Lin Aocang smiled and raised a second finger, "There's no need to talk about medicine as well. This kid can still be said to be the number one among the younger generation!"

Zhang Zhilin nodded and said, "I agree with that too. This kid shone brilliantly in the Medical Dao Competition not long ago. He swept through all the medical experts from all over the world and fought for the honor of Country Hua's medical Dao world!

In terms of medical skills, even I can't compare to this kid!"

Lin Aocang continued, "Celestial Master, you might not know this, but apart from having extremely deep attainments in martial arts and medicine, this kid also has extraordinary attainments in Feng Shui Mystic Techniques, Qimen Dunjia, and so on."

"Oh?"

Zhang Zhilin looked surprised, "Elder Lin, is what you said true?"

"Of course."

Lin Aocang nodded and said, "This kid has displayed powerful spell techniques many times.

Moreover, it was also because he led the team that they were able to successfully destroy the Eighth Hong Tower in Country Hua and Country Sakura.

Although I don't know how powerful his magical techniques are, he can definitely be considered the number one person among the younger generation!"

Chapter 1249: To Mount Longhu!

"Really?!"

A glint flashed across Zhang Zhilin's eyes, "This kid actually led a team to destroy the Eighth Hong Tower?!"

Lin Aocang continued, "This kid was indeed the one who led the team to destroy the Eighth Hong Tower.

"Moreover, the main array of the Nine Bends Shifting Fortune Array set up by Country Sakura in Jiang City was also broken by this kid."

"What?!"

Zhang Zhilin's eyes widened in surprise, "So the main array of the Nine Bends Shifting Fortune Array was broken by this kid?!"

"It was this kid who broke it."

Lin Aocang nodded and sighed, "It's also because of this that this kid can enter the Hidden Dragon Pavilion's field of vision. This was also why we could discover such a rare talent."

Zhang Zhilin sighed in admiration, "No wonder it felt so easy when I went down the mountain to break the Feng Shui array that Country Sakura set up in our various cities.

So it was because this kid had broken the main array of the Nine Bends Shifting Fortune Array and helped me a lot.

It seems that this kid's spell techniques are indeed very impressive. I have to meet him."

Lin Aocang smiled and said, "Old Celestial Master, are you also very interested in this kid?"

Zhang Zhilin picked up a cup of tea and took a sip. He said, "Elder Lin, you praised this kid so much, saying that he's a rare talent in the world and that he's the number one among the younger generation. How can I not be interested?"

Lin Aocang nodded and said, "Then when this kid comes tomorrow, you can interact with him properly.

I'm sure this kid won't let you down."

Zhang Zhilin put down his teacup, his eyes filled with anticipation, "Then let's wait until we meet tomorrow."

...

The next morning.

Country Golden Tower.

Thousand Towers City.

Cabins Hotel.

In a luxurious suite.

It was only when the sunlight shone into the room through the French windows that Yang Luo slowly opened his eyes.

As he opened his eyes, two rays of golden light flashed across the sky like sword lights.

Yang Luo exhaled lightly and got off the bed. He stretched his body and felt energetic.

It seemed that using the Divine Stones of Life to cultivate would indeed yield twice the result with half the effort.

After washing up in the bathroom, Yang Luo called Xiang Kunlun and the others to the restaurant on the first floor of the hotel for breakfast.

King of Destruction said, "Brother Yang, now that we've obtained the Divine Stones of Life, what are your plans next?"

Why don't we reconvene at the Holy Imperial Court?"

"This will work."

Dark Baron took over the conversation, "Big Brother has been complaining recently.

He said that our Holy Imperial Court already has a Divine Emperor, but he's still doing all the work. It's as if it's the same as before."

Yang Luo smiled helplessly and said, "I'm afraid I won't be able to go to the Holy Imperial Court this time. I have to return to Country Hua to do something.

Therefore, when you return, tell King of Creation to put in more effort.

If there's anything he can't handle, you can contact me at any time. I'll definitely help."

King of Destruction said, "Alright, I'll pass on your message to Big Brother."

Yang Luo nodded and said, "Don't fall behind in your cultivation during this period of time. You must work hard to increase your strength.

Only when we become stronger can we not be afraid of all challenges."

"Yes!"

Everyone nodded in agreement.

After breakfast...

Yang Luo and the others left the hotel and headed to the airport.

After exchanging greetings, King of Destruction and the others left in their private jets.

Xiang Kunlun asked, "Brother Yang, I'm going back to the Martial Alliance to settle some matters. Where are you going?"

Yang Luo said, "I'm preparing to make a trip to Mount Longhu in Jiang Province."

"Why are you going to Mount Longhu?"

Xiang Kunlun was puzzled.

Qi Yutang and the others also looked at Yang Luo in confusion.

Yang Luo said, "Dragon General called me last night. He wants me to go to Mount Longhu and said that he wants to talk to me about something, so I'm going there."

"Alright."

Xiang Kunlun nodded, "If there's anything else, we'll contact you anytime."

"Alright!"

Yang Luo responded.

After that, Xiang Kunlun, Qi Yutang, and the others also took the plane and left.

Yang Luo took Xu Ying, Bujie, and Prajna on a plane to Jiang Province Dao City.

When Yang Luo and the others arrived at Dao City, it was already past two in the afternoon.

The four of them walked out of the airport and took a car to Mount Longhu.

After arriving at Mount Longhu, Yang Luo and the others got out of the car and arrived at the main entrance.

Mount Longhu was now treated as a famous tourist attraction in Country Hua.

Many people came to visit and play every day.

After all, Mount Longhu was one of the most famous Daoist mountains in people's hearts. It was a very sacred place.

Of course, this was only the appearance of Mount Longhu. The true orthodoxy of Mount Longhu was deep in the mountains and was not known by outsiders.

Yang Luo looked up at the rolling mountains and sighed, "As expected of a famous Daoist mountain. It's indeed majestic and awe-inspiring."

Bujie smacked his lips and said, "Legend has it that the first generation Celestial Master refined the Nine Heavens Divine Pill here. When the pill was completed, a dragon and a tiger appeared. Hence, this place is called Mount Longhu.

I wonder if this legend is true."

Yang Luo said, "This legend should be true. After all, the past Heavenly Masters of Mount Longhu were all very powerful.

There are even many Celestial Masters who are true immortal cultivators amongst them. It's just that these Celestial Masters are relatively low-key, so very few people in the world know about them."

"I see."

Bujie nodded in realization.

Yang Luo said, "I just don't know if this generation's Celestial Master is a true expert."

Bujie said, "I once heard from Master that the Celestial Master of this generation is a true expert. He has done many things for Country Hua in secret and is worthy of his respect."

"Is that so?"

Yang Luo's eyes lit up, "Since Master Xuanku respects him, this Celestial Master is probably not an ordinary person. I have to take a good look.

"Let's go and visit this Celestial Master."

"Alright!"

Xu Ying and the other two nodded.

Then, Yang Luo and the others bypassed the main entrance and took a mountain path to the depths of the mountains.

After sprinting for a hundred miles, Yang Luo and the others finally arrived at the border of Mount Longhu.

As far as the eye could see, the mountains were majestic and magnificent. All kinds of ancient Dao Palaces, Daoist temples, and Dao courtyards were built on the mountains.

Many disciples in Daoist robes were training and patrolling in the mountains.

When they saw Yang Luo and the others approaching,

A group of disciples walked over.

A leading disciple bowed, "May the Immeasurable Heavenly Lord bless you. May I ask why the four benefactors are here?"

Yang Luo returned the greeting and said, "My name is Yang Luo. Dragon General invited me here."

"You are Mr. Yang?"

The leading disciple looked surprised.

The other disciples also sized up Yang Luo curiously.

Yang Luo asked curiously, "Do you know me?"

The leading disciple smiled and said, "Mr. Yang, your recent fame has resounded throughout the country. Although we have always been deep in the mountains, we have also heard of your deeds."

The other disciples also nodded and looked at Yang Luo with respect.

Bujie laughed happily and said, "Brother Yang, you're now a famous person in our Country Hua. It's normal for these stuck ups from Mount Longhu to know about you."

When the disciples of Mount Longhu heard Bujie addressing them as "stuck-ups", they frowned in displeasure.

Yang Luo glared at Bujie, "Don't talk nonsense."

Bujie chuckled, "Daoist masters, please don't mind me. I was just joking."

The leader of the disciples didn't bother with Bujie. Instead, he made a gesture of invitation, "After you, Mr. Yang!"

"Please!"

Yang Luo also raised his hand.

Then, under the lead of the disciple, Yang Luo and the other three walked towards the main peak, Heaven's Gate Mountain...

Chapter 1250: Repairing the Dragon Vein!

At this moment.

The main hall of the Heavenly Master Hall was filled with people.

The Celestial Master, Zhang Zhilin, and the Dragon General, Lin Aocang, sat in the main seats.

The seats on both sides were occupied by the sect masters from the famous Daoist mountains.

Among those present were Li Daochen from Wudang Mountain, Xu Xiuyuan from Mao Mountain, Sun Tongshou from Qingcheng Mountain, Kong Shenxian from Zhongnan Mountain, Shan Chenyun from Sanqing Mountain, Pu Junhao from Luofu Mountain, and Lu Zhicheng from Kongtong Mountain.

The leader of Fuukou Qimen, Feng Taihong, and the leader of Wuhou Qimen, Zhuge Jingming, were also present.

Apart from the sect masters of the nine Daoist sects...

The five team leaders of the Hidden Dragon Pavilion, Tian Zhen, Feng Lengyue, Lan Xiaomeng, Zhuge Changfeng, and Jiang Bo were also present.

Lin Aocang glanced at everyone present and said with a smile, "Everyone here is the sect master of the various famous Daoist mountains in Country Hua. They are proficient in Feng Shui Mystic Techniques, Yin Yang Five Elements, and Mystic Martial Arts.

"This time, the Celestial Master and I invited everyone here to discuss a big matter."

"Elder Lin, what's the matter?"

Li Daochen asked.

The others present also looked at Lin Aocang.

Lin Aocang said loudly, "Repair the dragon vein!"

"Repair the dragon vein?!"

Hearing this, everyone present turned pale with fright.

“That’s right.”

Lin Aocang nodded and said, “This time, Celestial Master and I invited everyone to discuss how to repair the broken dragon vein of Country Hua.”

Zhang Zhilin sighed and said, “Everyone should know that there are a total of three main dragon veins in Country Hua. They are the North Dragon, the Middle Dragon, and the South Dragon.

The three main dragon veins are connected by 100 dragon veins.

But now, the southern and northern dragons in the three main dragon veins have already been broken.

This also caused our country to be dogged by bad luck for so many years, unable to completely take off and return to the top of the world.”

Li Daochen said, “Celestial Master, we naturally know about the rupture of the two main dragon veins.

Over the years, the ancestors of the various famous mountains have also thought of repairing these two main dragon veins, but they haven’t been able to do so.

“Can we do it alone now?”

“That’s right. It’s easy to sever the dragon vein, but it’s difficult to repair it!”

“It’s even more difficult to repair the main dragon vein!”

“Elder Lin, Celestial Master, it’s our honor that you can trust us, but there’s nothing we can do!”

Xu Xiuyuan, Sun Tongshou, Kong Shengxian, and the others also expressed that repairing the dragon vein was too difficult.

Lin Aocang raised his hand and said, "Everyone, don't jump to conclusions so quickly. Since the Celestial Master and I invited everyone to discuss this matter, we naturally have a way to repair it."

"What?! There's a way to repair the dragon vein?!"

"What is it?!"

"If there's a way, that would be great!"

Xu Xiuyuan and the others cried out in surprise, their faces filled with joy.

Zhang Zhilin nodded and said, "Over the years, I've read all the ancient books on Feng Shui and finally found a way to repair the dragon vein.

However, whether it succeeds or not depends on luck and everyone's help."

Feng Taihong hurriedly said, "Celestial Master, quickly tell everyone what the method is."

Zhuge Jingming said excitedly, "If the dragon vein can really be repaired, that would be a good thing for the country and the people!

Once the dragon vein is repaired, our country's spiritual qi and dragon qi will completely return!

The mountains and rivers will flourish again. Our country can truly take off and step onto the top of the world again!"

The others present also nodded repeatedly. They were very excited.

Lin Aocang raised his hand and said, "Everyone, don't be anxious. We'll talk in detail after everyone is here."

"When everyone is here?"

Li Daochen looked puzzled, "Elder Lin, isn't everyone here?"

"Could it be that some Feng Shui expert is coming?"

Xu Xiuyuan asked.

Kong Shenxian looked at everyone present and said, "That's not right. Everyone here is the top Feng Shui master in our country. I don't think any Feng Shui master can compare to everyone here, right?"

"Could it be that some top Feng Shui master that we don't know about is coming?"

"Since Elder Lin and the Celestial Master invited him here, he must have a powerful background!"

The other people present also began to discuss.

Lin Aocang smiled and said, "Everyone, you should know the person we're waiting for."

"Elder Lin, who is it?"

Shan Chengyun asked.

"Yang Luo!"

Lin Aocang said a name.

Hearing the name.

The hall instantly fell silent.

After a short moment of silence...

“Brother Yang is coming too?!”

“It’s Brother Yang!”

“Brother Yang’s attainments in Feng Shui Mystic techniques are indeed very high. It’s normal for Dragon General and the Celestial Master to invite Brother Yang here!”

Tian Zhen, Feng Lengyue, Lan Xiaomeng, Zhuge Changfeng, and Jiang Bo all exclaimed in surprise.

However, Xu Xiuyuan and the others were not as surprised.

Xu Xiuyuan frowned slightly and said, “Elder Lin, Old Celestial Master, in terms of martial arts and medicine, Mr. Yang is naturally far superior to us. We’re convinced.

However, in terms of Feng Shui and mystic techniques, how high can Mr. Yang be?”

Sun Tongshou coughed lightly and said, “It’s said that Mr. Yang is only in his early twenties. He’s not very old.

On the other hand, Feng Shui Mystic Techniques require many years of research before one could truly step into this field.

Even if Mr. Yang had been studying Feng Shui since he was young, it has only been more than twenty years.

With more than twenty years of attainments in Feng Shui Mystic techniques, I'm afraid he's far inferior to any of the sect masters present."

Kong Shenxian said solemnly, "Elder Lin, Old Celestial Master, repairing the dragon vein is a big deal. We can't be careless.

I think it's fine to let Mr. Yang sit in and learn.

As for letting Mr. Yang participate in this plan, forget it."

Li Daochen chimed in at this point, "Sect Master Kong, I know Mr. Yang quite well.

Mr. Yang is an extraordinary person. Perhaps his attainments in Feng Shui Mystic techniques are not inferior to ours."

He still respected Yang Luo a lot.

After all, Yang Luo had saved him many times.

Feng Taihong said, "Sect Master Li, we know that you have a good relationship with Mr. Yang. It's normal for you to speak up for him.

However, Feng Shui Mystic Arts are not child's play.

Even if Mr. Yang has deep attainments in martial arts and medicine, it was impossible for him to have deep attainments in Feng Shui Mystic techniques.

If that's the case, wouldn't Mr. Yang be omnipotent?"

Feng Lengyue said unhappily, "Dad, Brother Yang's attainments in Feng Shui Mystic techniques are indeed very deep. He even knows the complete Fuukou Qimen technique.

Furthermore, if it weren't for Brother Yang leading the team back then, we wouldn't have been able to destroy the Eighth Hong Tower at all."

Surprise appeared in Feng Taihong's eyes, "Mr. Yang knows the complete Fuukou Qimen Technique?! He even destroyed the Eighth Hong Tower?!"

"Yes!"

Feng Lengyue nodded repeatedly.

Feng Taihong said in a low voice, "Lengyue, words have no proof. Seeing is believing.

We'll know how deep Mr. Yang's attainments in Feng Shui Mystic Techniques are after we give it a try."

"Sect Master Feng is right. We still have to test Mr. Yang!"

"If Mr. Yang's attainments in Feng Shui Mystic techniques are really not inferior to ours, then I naturally agree to Mr. Yang's participation in this plan!"

"That's right, that's right. Mr. Yang has to pass our test!"

The other sect masters also expressed their attitudes.

Zhang Zhilin turned to look at Lin Aocang and asked, "Elder Lin, what do you think?"

Lin Aocang thought for a moment and said, "Since everyone thinks that kid has to pass the test, let's do as everyone says!"

"Mr. Yang is here!"

At this moment, a voice sounded.
