Chapter 1251: Youth knows no fear!

Upon hearing this voice...

Everyone in the hall turned to look out the door.

Four young people walked in.

They were Yang Luo, Xu Ying, Bujie, and Prajna.

“Brother Yang!”

“Brother Yang!”

“Haha, Brother Yang, long time no see!”

Tian Zhen, Feng Lengyue, Lan Xiaomeng, Zhuge Changfeng, and Jiang Bo hurriedly stood up to welcome him.

As usual, Lan Xiaomeng hung on Yang Luo like a koala.

“Long time no see!”

Seeing that Tian Zhen and the others were present, Yang Luo was also very happy. He smiled and greeted them.

Then, he patted Lan Xiaomeng’s head and said dotingly, “Little Meng, have you been obedient in the Hidden Dragon Pavilion recently?”

Lan Xiaomeng grinned and said, "I'm very obedient. I've been leading a team to complete quite a number of missions recently."

"Is that so?"

Yang Luo gave her a thumbs up, "Little Meng is awesome!"

Hearing Yang Luo's praise, Lan Xiaomeng's big eyes turned into crescent moons.

Xu Ying, Bujie, and Prajna also greeted Tian Zhen and the others with a smile.

At this moment.

Other than Lin Aocang and Li Daochen, who had seen Yang Luo many times, everyone else present sized him up.

After all, they had only heard of Yang Luo's name and had never seen him in person.

Yang Luo strode forward and greeted Lin Aocang, "Dragon General!"

Lin Aocang smiled and nodded, "Kid, let me introduce you.

The person beside me is the Celestial Master of Mount Longhu, Zhang Zhilin."

Yang Luo looked up at Zhang Zhilin and sensed for a moment. He was shocked.

Although Zhang Zhilin looked like a kind old man, the faint aura he exuded made Yang Luo's heart palpitate and feel familiar.

Could it be that the old Celestial Master was really a cultivator like him?

Moreover, he was a powerful immortal cultivator?

Even though he could not sense the Celestial Master's cultivation, Yang Luo was certain that the Celestial Master was definitely not an ordinary person.

Just as Yang Luo sized up Zhang Zhilin...

Zhang Zhilin was also sized up Yang Luo.

When he sensed the aura emitted by Yang Luo,

A hint of surprise appeared in Zhang Zhilin's eyes.

However, the surprise in Zhang Zhilin's eyes quickly dissipated and he returned to normal.

Yang Luo cupped his hands at Zhang Zhilin and said respectfully, "Junior Yang Luo greets the Celestial Master!"

Zhang Zhilin stroked his beard and smiled. "Little friend Yang, Elder Lin has always praised you in front of me, saying that you are the number one person among the younger generation in the world!

Now that I've seen you today, your reputation is indeed well-deserved!"

Yang Luo shook his head and said, "I wouldn't dare to be the number one. Dragon General is overpraising me."

Zhang Zhilin laughed and said, "Little Friend Yang has such deep attainments in martial arts and medicine at such a young age, but you can still maintain your heart and not be arrogant or rash!

Just this temperament alone can be considered the number one person among the younger generation!"

Yang Luo said, "I still have a lot to learn. I don't dare to call myself the number one."

Zhang Zhilin nodded and looked at Yang Luo with admiration.

Lin Aocang said, "Kid, everyone here is the sect master of the various famous mountains of the Daoist Sects..."

As he spoke, Lin Aocang introduced Xu Xiuyuan and the others to Yang Luo.

Yang Luo nodded and cupped his hands, "Greetings, seniors!"

Xu Xiuyuan looked at Yang Luo with a smile and said, "Mr. Yang, everyone here knows what you've done in Country Hua.

Moreover, everyone knows that you are proficient in martial arts and medicine. You can be said to be the number one person in the younger generation.

However, Elder Lin said that you're also very proficient in Feng Shui mystic techniques. I wonder if it's true."

Yang Luo said, "Fengshui mystic techniques are vast and profound. They have a long history. I can't say that I'm very proficient in this. I can only say that I've just started."

Sun Tongshou took over the conversation and said, "Mr. Yang, Elder Lin and the Celestial Master invited us here to discuss a big matter. This big matter is also related to Feng Shui Mystic Techniques.

Elder Lin wants you to participate in this matter, but we feel that if Mr. Yang doesn't have deep attainments in Feng Shui Mystic techniques, I'm afraid it will be difficult for you to discuss major matters with us."

“Oh?”

Yang Luo narrowed his eyes, “Then what do you think should be done?”

Xu Xiuyuan chuckled. “Mr. Yang, everyone wants to see how deep your attainments in Feng Shui are. I hope Mr. Yang won’t be stingy with your teachings.”

Yang Luo said indifferently, “I cannot say that I can teach anyone here, but since everyone is so interested, we can compete.”

“Alright!”

Xu Xiuyuan nodded and said, “Then let’s compete!”

Sun Tongshou chuckled and said, “Mr. Yang really knows no fear!

You have to know that everyone present was the top Feng Shui Mystic Master in Country Hua!

But Mr. Yang, you actually dare to compete with everyone in Fengshui Mystic Techniques. Just your boldness alone is not something ordinary young people can compare to!”

Sage Kong chuckled and said, “I hope Mr. Yang can broaden everyone’s horizons!”

The other sect masters also smiled. It was obvious that they were planning to watch the show.

They didn’t think that Yang Luo could compare to them in terms of Feng Shui and Mystic techniques.

Zhang Zhilin stood up and said, “Everyone, please move to the square outside!”

“Alright!”

Everyone stood up.

Then, everyone walked out of the hall and arrived at the square in front of the Celestial Master Hall.

In the distance, many disciples of Mount Longhu were curious when they saw the old Celestial Master and the others come out. They didn’t know what these big shots wanted to do.

When they reached the center of the square, everyone stopped.

Lan Xiaomeng waved her small fists and shouted, “Brother Yang, these guys look down on you. They think that you’re inferior to them in terms of Feng Shui and mystic arts. You have to teach them a lesson!”

“Little Meng, don’t talk nonsense!”

Lin Aocang glared at Lan Xiaomeng.

Lan Xiaomeng pouted, “I only said the truth. I didn’t say anything wrong.”

Lin Aocang had a headache.

Although that was indeed the case, it was not good to say it so bluntly.

Yang Luo found it a little funny. So that was what happened.

No wonder these guys said that they wanted to compete with him in Feng Shui Mystic Arts.

Yang Luo stood proudly in the square and said in a clear voice, “Which one of you wants to go first?”

There was a pause.

Yang Luo continued, "Why don't you all attack together?"

No matter what you want to compete with, I'll accept it!"

As soon as these words were spoken...

Xu Xiuyuan and the others were displeased.

This kid actually wanted to compete in Feng Shui mystic techniques with them at the same time.

This was simply looking down on them.

Xu Xiuyuan said, "Mr. Yang, no matter what, we're your seniors when it comes to Feng Shui and mystic techniques.

Your words are a little disrespectful."

Yang Luo said, "Respect is mutual. You guys looked down on me first.

Since you look down on me, why should I look up to you?"

"Hmph!"

Xu Xiuyuan snorted and flung his sleeves, "Mr. Yang, I'm Xu Xiuyuan from Mount Mao. I'm good at talismans. Please enlighten me!"

“Please!”

Yang Luo raised his hand.

Right after he finished his sentence...

Xu Xiuyuan took out a bright yellow talisman from his pocket and held it between his right middle finger and index finger as he chanted an incantation!

A few minutes later...

“Five Lightning Curse!”

Xu Xiuyuan shouted and threw the talisman in his hand into the sky!

At that very moment...

Rumble!

A black bolt of lightning exploded in the sky, resounding through the world and spreading in all directions!

“Oh my god, it’s the Five Thunder Mantra of Mao Mountain!”

“As expected of the sect master of Mao Mountain. He can summon lightning in just three minutes, and it’s a level-five black lightning!”

“Could it be that Sect Master Xu wants to compete with Mr. Yang in mystical techniques?!”

“Let’s see how Mr. Yang deals with this!”

The disciples of Mount Longhu cried out in surprise.

In Feng Shui Mystic Techniques, lightning techniques were divided into nine levels.

From low to high, they were white, orange, red, yellow, green, black, blue, purple, and gold.

For Xu Xiuyuan to be able to summon black lightning was already quite impressive.

Chapter 1252: Not on the Same Level!

Due to the commotion here, the other disciples of Mount Longhu also ran over from afar, ready to watch the show.

Sun Tongshou exclaimed, "Brother Xu's Five Thunder Mantra is already superb. I'm impressed!"

Kong Shenxian shook his head and said, "In terms of talismans, I'm afraid I'm inferior to Brother Xu!"

The other sect masters also spoke up and flattered him.

Xu Xiuyuan stood proudly with his hands behind his back. He raised his hand and said, "Mr. Yang, please!"

Lan Xiaomeng shouted, "Brother Yang, hurry up and show this guy!"

Bujie curled his lips and said, "Brother Yang, what are you waiting for? Let this old fellow witness your profound techniques!"

Yang Luo nodded and looked up at Xu Xiuyuan, "Sect Master Xu, I know the Five Thunder Mantra too."

“Is that so?”

Xu Xiuyuan had a look of disbelief on his face, “Mr. Yang, the Five Thunder Mantra is already considered a high-level mystical technique. Do you really know it?”

Don’t say that I am underestimating you. As long as you can summon lightning, even low-level white lightning is already not bad.”

Yang Luo did not say much. Instead, he raised his right hand, put his index and middle fingers together, and drew a golden talisman in the air!

“Drawing talismans in the air?! He’s actually drawing talismans in the air?!”

“This kid actually knows such a brilliant technique?!”

“I think only the Celestial Master knows how to do this!”

Sun Tongshou, Kong Shenxian, and the others exclaimed in shock.

Zhang Zhilin’s eyes widened in shock.

Xu Xiuyuan, in particular, could not help but tremble and clench his fists.

Just as everyone was in a daze!

“Lightning, come!”

Yang Luo let out a loud shout!

In an instant!

Rumble!

A huge golden lightning bolt streaked across the sky like a lightning dragon, instantly shattering a layer of clouds!

“My god, it’s actually the highest level, level nine golden lightning?!”

“The key is that this kid doesn’t seem to have chanted an incantation. He only shouted and summoned lightning!”

“Moreover, the power of this lightning is too terrifying. It shattered a layer of clouds in an instant!”

Sun Tongshou and the others exclaimed again. They looked at Yang Luo with less contempt.

At the very least, Yang Luo had already crushed Xu Xiuyuan in the Five Thunder Mantra.

This was especially the disciples of Mount Longhu who were watching the show. They were all dumbfounded.

Xu Xiuyuan took a deep breath and said, “Kid, you really have some skills!

Come, let’s continue competing!”

As he spoke, Xu Xiuyuan took out a second bright yellow talisman and began to recite an incantation!

A few minutes later...

He threw the talisman in his hand into the air and shouted, “Fire Cloud Mantra!”

In an instant!

A ball of scarlet flames burned in the sky, like a firework that bloomed for a long time!

At this moment.

Yang Luo drew another talisman in the air and immediately shouted!

“Fire!”

At that very moment...

A golden wave of fire swept into the sky and swallowed a flame that Xu Xiuyuan had shot out!

Waves of fire surged, dazzling and eye-catching. The scorching high temperature caused the space to distort and fluctuate!

Xu Xiuyuan was not to be outdone. He took out the third talisman and continued to chant.

Then, he threw the talisman into the sky!

“Water Manipulation Mantra!”

Whoosh! Whoosh!

A wave of water surged up and washed towards the fire wave that Yang Luo had struck out!

Dong!

The waves of water and fire collided in the sky with a dull bang!

Although water could counter fire, Yang Luo's flames were too blazing. Xu Xiuyuan's waves could not extinguish them at all!

A large amount of water evaporated and white gas rose!

Just as the fire wave and the water wave collided!

"Water!"

Yang Luo drew another talisman in the air again and shouted.

A huge wave surged up and dispersed Xu Xiuyuan's wave with a bang!

When the fire waves and fire waves in the sky completely dissipated.

The square immediately fell silent.

After a moment of silence.

"This kid's talisman techniques are actually so powerful!"

Furthermore, this kid's techniques have completely restrained Brother Xu!"

"It's a complete defeat. Brother Xu is completely defeated!"

Sun Tongshou and the others sighed and looked at Yang Luo with a hint of respect.

“I didn’t expect that not only is Mr. Yang proficient in martial arts and medicine, but his mystical arts are also so powerful!”

“That’s amazing. Mr. Yang is simply omnipotent!”

The disciples of Longhu Mountain admired Yang Luo even more.

Xu Ying, Bujie, and Prajna smiled.

This old fellow was actually competing in mystic techniques with Yang Luo. Wasn’t he asking for a beating?

Tian Zhen said in admiration, “As expected of Brother Yang, you’re indeed powerful!”

Feng Lengyue, Lan Xiaomeng, Zhuge Changfeng, and Jiang Bo all nodded.

They knew very well how powerful Yang Luo’s mystic techniques were.

Xu Xiuyuan looked at Yang Luo in a daze and asked in confusion, “Why do you know all the spells I know?”

“Is that hard?”

Yang Luo spread his hands and said, “What thunder, fire, and water? In the end, isn’t it summon whichever element you wish to conjure?”

“...”

Hearing Yang Luo’s words, Xu Xiuyuan was speechless.

Shouting whatever you wanted to summon?

If the art of talismans was really that simple, would he still need to study it for so many years?

Shan Chengyun took a step forward, "Boy, I am Shan Chengyun of Mount Sanqing. I am good at summoning techniques. Please enlighten me!"

"Please!"

Yang Luo raised his hand.

Shan Chengyun took out three incense sticks from his sleeve and spat out a flame!

In the blink of an eye!

Three incense sticks burned!

Green smoke rose into the sky!

Shan Chengyun held the incense with both hands and began to chant an incantation!

"He rode a horse and roamed the world. His hair was disheveled and he looking shocking.

Flags and banners fluttered in the sun. Millions of mighty soldiers listened to orders.

..."

In less than a few minutes!

Hu! Hu! Hu! Hu!

A strong wind suddenly blew in the square, and the dust on the ground swept into the air!

A golden light flashed on Shan Chengyun's body, and a blurry golden phantom enveloped him!

The golden phantom held a spear and wore armor. It was like a legendary Heavenly Soldier and was extraordinary!

"The Art of Summoning Gods?"

Yang Luo smiled faintly and said, "Sorry, I know how to do it too."

Shan Chengyun narrowed his eyes and said, "Then please show us, Mr. Yang!"

Yang Luo didn't say much. Instead, his entire body trembled. After chanting a few incantations silently, he put his hands together and let out an explosive roar!

"I humbly invite True Monarch Erlang to descend!"

In an instant!

A dazzling golden light appeared on Yang Luo's body, and his eyes were like two golden lamps that were breathtaking!

Under everyone's watchful eyes...

A huge golden phantom enveloped Yang Luo!

This golden phantom was wearing golden armor. It was tall, mighty, wise, and mighty. It was wearing golden boots, coiling dragon socks, and a jade belt with eight treasures on it. It carried a slingshot at its waist and held a three-pointed, double-edged spear!

It was the Immortal Erlang!

“What the f*ck! Immortal Erlang?!”

“Brother Yang actually invited Immortal Erlang?!”

Bujie could not help but exclaim.

“Immortal Erlang, it’s really Immortal Erlang!”

Lan Xiaomeng was also flabbergasted as she shouted in shock.

The others present were also dumbfounded and their bodies were trembling!

Shan Chengyun had only invited a Heavenly Soldier, but Yang Luo had actually invited an Immortal!

The two were not on the same level at all!

Chapter 1253: One Against Seven!

Sun Tongshou gulped and said in shock, “Oh my god, isn’t this kid’s divine summoning technique too powerful?!”

Pu Junhao wiped the sweat off his forehead, “Isn’t that so? Brother Shan only managed to invite a Heavenly Soldier, but this kid actually managed to invite Immortal Erlang!”

“This is a complete suppression!”

Kong Shenxian looked at Yang Luo in a daze, his legs trembling.

Xu Xiuyuan was also dumbfounded.

He originally wanted Shan Chengyun to stand up for him.

Unexpectedly, even his skills at Divine Summoning was no joke.

The others present also looked at the phantom shrouding Yang Luo in a daze, their eyes filled with reverence and admiration.

Zhang Zhilin, who had always been calm and composed, could no longer remain calm.

He stared intently at Yang Luo and said excitedly, “I’m afraid Little Friend Yang’s mystic techniques are not inferior to mine!”

“What?!”

Lin Aocang looked at Zhang Zhilin in shock, “Celestial Master, is what you said true?!”

He knew very well how powerful Zhang Zhilin’s Feng Shui Mystic Technique was.

Many of the Feng Shui arrangements set up by the Onmyojis in Country Hua were broken by Zhang Zhilin’s team.

Back then, Zhang Zhilin was the one who broke the feng shui layout set up by Country Sakura in Ning City.

To be precise, it was Zhang Zhilin who broke it. The other Feng Shui masters only helped.

Therefore, Zhang Zhilin was like a god in his heart. He was proficient in all aspects of Feng Shui and Mystic techniques.

But now, Zhang Zhilin actually said that Yang Luo's Feng Shui Mystic technique was not inferior to his.

To be able to make Zhang Zhilin say such words, it was obvious how deep Yang Luo's attainments in Feng Shui Mystic techniques were.

"Of course!"

Zhang Zhilin nodded repeatedly, "At least in the field of talismans and summoning techniques, this kid is not inferior to me!"

Lin Aocang took a deep breath and said, "It seems that inviting this kid to participate in this plan was the right decision."

"That's right."

Zhang Zhilin nodded in agreement with Lin Aocang.

After being stunned for a long time.

Shan Chengyun chanted an incantation and dispersed the Heavenly Soldier phantom on his body.

Yang Luo also chanted a few incantations and dispersed the projection of Immortal Erlang on his body.

Shan Chengyun cupped his hands at Yang Luo and let out a long sigh, "Mr. Yang, you have far surpassed me in the field of the Divine Summoning Technique. I admit defeat wholeheartedly!"

After witnessing Yang Luo's Divine Summoning Technique, he was already full of admiration for Yang Luo.

Therefore, even though Yang Luo was a few rounds younger than him, he still used honorifics.

"Thank you for letting me win!"

Yang Luo also cupped his hands.

Then, he turned to look at the remaining people and said, "Seniors, why don't you all come at me together? It's too troublesome to compete one by one."

Previously, when Yang Luo said such things, they were very unhappy and angry. They felt that Yang Luo looked down on them.

But now, after witnessing Yang Luo's talisman and Divine Summoning Techniques, they no longer looked down on him.

They even felt that Yang Luo's attainments in Feng Shui Mystic techniques might really be comparable to the Celestial Master.

Yang Luo really didn't look down on them by asking them to attack together.

"Mr. Yang, I'm Sun Tongshou from Qingcheng Mountain. I'm good at the five elements!"

"I'm Kong Shenxian of Zhongnan Mountain. I'm good at the Four Symbols Dao Technique!"

"I'm Pu Junhao from Mount Luofu. I'm good at the Qimen Dunjia!"

“I’m Lu Zhicheng from Kongtong Mountain. I’m good at all kinds of Feng Shui formations!”

“I am Wuhou Qimen’s Zhuge Jingming. I am good at Wuhou Qimen’s arts!”

“I’m Fuukou Qimen’s successor, Feng Taihong. I’m good at Fuukou Qimen!”

For a moment, Sun Tongshou and the others stood up and prepared to spar with Yang Luo.

“Haha, Mr. Yang, since everyone is so interested, I’ll embarrass myself too!

“I’m Li Daochen from Wudang Mountain. I’m good at Taiji and Yin-Yang techniques!”

Li Daochen also walked out with a smile.

Other than Xu Xiuyuan and Shan Chengyun, who had already competed, the other seven people stood up.

Of course, the Celestial Master Zhang Zhilin was still standing at the side, planning to continue watching the show.

“F*ck! F*ck! Brother Yang is challenging seven people alone. He’s awesome!”

Bujie was so excited that he wished he could go up and compete himself.

“Brother Yang, you can do it! Defeat these guys!”

Lan Xiaomeng waved her little fists excitedly.

Tian Zhen gulped and said, “Sect Master Li and the others are all top-notch Feng Shui Mystic Techniques masters!

Now that the seven of them are challenging Brother Yang alone, can Brother Yang win?"

Zhuge Changfeng sighed and said, "Even if Brother Yang can't win, today's matter is enough to shake the entire Feng Shui Mystic Technique world!"

Jiang Bo also nodded and said, "It's already very unbelievable that Sect Master Li and the other three are willing to lower themselves and challenge Brother Yang at the same time!

In all these years, only the Celestial Master had challenged nine masters of Feng Shui Mystic Techniques!

Perhaps in the hearts of Sect Master Li and the others, Brother Yang is an existence on the same level as the old Celestial Master!"

Feng Lengyue's beautiful eyes lit up, and she said with certainty, "Since big brother Yang dares to challenge Sect Leader Li and the others at the same time, it means that big brother Yang has absolute confidence in his attainments in Feng Shui!

Therefore, I believe that Brother Yang will definitely be able to defeat Sect Master Li and the others!"

"Lengyue, are you that certain?"

Zhuge Changfeng asked.

Tian Zhen and Jiang Bo also looked at Feng Lengyue.

They also felt that Feng Lengyue's words were too absolute.

Even if they believed in Yang Luo's Feng Shui Mystic Techniques, Yang Luo was facing seven top Feng Shui Mystic Techniques masters!

Lan Xiaomeng nodded repeatedly and said, "That's right, that's right. Brother Yang will definitely win!"

Feng Lengyue said, "You guys have followed big brother Yang on so many missions. Don't you understand big brother Yang?"

Brother Yang has never fought a battle without confidence. As long as Brother Yang says it can be done, Brother Yang can really do it in the end."

Tian Zhen nodded. "That makes sense."

Zhuge Changfeng said, "No matter what, let's wait and see."

At this moment.

In the center of the square.

Yang Luo and Li Daochen stood facing each other without any fear.

More and more of the Mount Longhu disciples came to spectate. There were already more than ten thousand people.

Yang Luo raised his hand and said, "Everyone, please!"

"Please!"

Li Daochen and the others shouted.

Then, the seven of them mobilized the True Qi in their bodies at the same time and began to use their best Feng Shui Mystic techniques!

“Taiji Two Elements Formation!”

Li Daochen took a step forward and shouted!

In the blink of an eye!

A huge array appeared beneath his feet. In the middle was a black and white Yin-Yang fish that flickered with a dazzling black and white light and was slowly spinning!

“Five Elements Technique!”

“Four Symbols Technique!”

Sun Tongshou and Kong Shengxian took a step forward at the same time and shouted.

In an instant!

Five rays of five-colored light that contained the power of the five elements appeared above Sun Tongshou and soared into the sky. It was like a rainbow connecting the sky and the ground!

And above Kong Shenxian, the illusions of the four great divine beasts, Azure Dragon, White Tiger, Vermillion Bird, and Black Tortoise, condensed, shocking all the surrounding disciples of Mount Longhu!

“Qimen Dunjia!”

“Fengshui Formation!”

Pu Junhao and Lu Zhicheng silently chanted an incantation and set up layers of Feng Shui arrays!

Through these Feng Shui arrays, one could clearly see the phenomena of Yi Qi, Yin and Yang, Three Talents, Four Symbols, Five Elements, Six Paths, Seven Stars, Eight Trigrams, Nine Palaces, and so on. It was mysterious and indescribably wonderful!

“Wuhou Qimen’s art!”

“Fuukou Qimen’s art!”

Zhuge Jingming and Feng Taihong formed a seal with their hands and chanted an incantation, displaying their best Feng Shui Mystic Technique!

The Wuhou Qimen Formation and the Fuukou Qimen Formation were instantly set up. All kinds of ancient runes flickered around them!

Chapter 1254: One in Ten Thousand Genius!

“Eh... This Wuhou Qimen looks very similar to the Fuukou Qimen. Is there anything different?”

Prajna asked curiously.

Feng Lengyue explained, “Wuhou Qimen was derived from the foundation of our Fuukou Qimen.

Wuhou Qimen borrows and utilizes the laws of nature, while Fuukou Qimen aims on changing the laws of nature.

“Simply put, Wuhou Qimen can avoid misfortune and Fuukou Qimen can turn misfortune into fortune.”

“I see.”

Prajna nodded in realization.

Bujie smacked his lips and said, "Doesn't that mean that Fuukou Qimen is stronger than Wuhou Qimen?"

"Of course."

Feng Lengyue slightly raised her exquisite chin.

Zhuge Changfeng laughed dryly and said, "Lengyue, you can't be so absolute, alright?"

I think our Wuhou Qimen and Fenghou Qimen each have their own pros and cons. We don't say who is definitely stronger."

Feng Lengyue snorted and said, "Just console yourself like this."

"You..."

Zhuge Changfeng was rendered speechless.

Prajna waved her fist and said, "No matter how strong your Wuhou Qimen and Fuukou Qimen are, in my heart, Brother Yang is the strongest!"

"Brother Yang is the strongest!"

Lan Xiaomeng chimed in.

Bujie shook his head and said, "Brother Yang has nurtured quite a number of diehard fans!"

"Damn bald donkey, what did you say? Be careful or I'll beat you up!"

Lan Xiaomeng waved her fist at Bujie.

Prajna also glared at Bujie.

Bujie shrunk his neck and quickly shut his mouth.

At this moment...

Various phenomena appeared in the center of the square, flickering with various lights, causing everyone present to be dumbfounded and shocked.

“It’s our honor to be able to see so many top-notch Fengshui Mystic Techniques masters take action at the same time!”

“I wonder how Mr. Yang will deal with it!”

“It’s already very rare for someone to dare to challenge seven people alone!”

“That’s right. No matter who wins or loses, Mr. Yang is worthy of our respect!”

The disciples of Mount Longhu began to discuss among themselves.

Meanwhile, a look of admiration appeared in Yang Luo’s eyes.

Even though Sun Tongshou and the others were arrogant, as if they didn’t care about anyone...

However, he had to admit that their attainments in Feng Shui Mystic Techniques were indeed very deep. They could be called top-notch masters of Feng Shui Mystic Techniques.

At this moment.

Yang Luo stood there motionlessly.

Lan Xiaomeng was a little anxious, "Brother Yang, why aren't you moving? Hurry up and attack!"

Bujie was also an impatient person, shouting loudly, "Brother Yang, quickly make your move, don't lose!"

For a moment...

Everyone present looked at Yang Luo, not knowing how he would respond.

Lin Aocang smiled and said, "Celestial Master, do you think this kid can defeat Sect Master Li and the others?"

Zhang Zhilin chuckled and said, "That's hard to say. Of course, even if this kid loses, he can still be called a top-notch Feng Shui Mystic Technique master!"

Lin Aocang nodded, "Then let's wait and see!"

Under everyone's anticipation, Yang Luo finally moved.

His entire body trembled as he continuously mobilized the True Qi in his body. A golden beam of light soared into the sky and pierced through the clouds!

Rumble!

The sea of clouds in the sky was instantly destroyed!

Then, he took a step forward and shouted!

“Yin-Yang Taiji, Four Symbols, Five Elements, Six Paths Eight Trigrams, Qimen Dunjia, Wuhou Qimen, Fuukou Qimen!”

Accompanied by loud shouts!

At that moment...

Taiji Yin-Yang Fish, Four Symbols Divine Beasts, Power of Five Elements, Six Illusions, Connate Realm Eight Trigrams, and various other phenomena appeared around Yang Luo!

Seeing this scene in front of them!

Everyone present was dumbfounded and shocked!

“Oh my god, Mr. Yang actually used all the Feng Shui mystic techniques that Cultivator Li and the others are good at!”

“Could it be that Mr. Yang is proficient in all Feng Shui mystic techniques?!”

“He’s too strong. Mr. Yang is so strong that it doesn’t make sense!”

All kinds of exclamations and exclamations sounded around the square.

In everyone’s hearts, Yang Luo was like a god.

Especially Li Daochen, Sun Tongshou, and the others who were competing with Yang Luo, they were even more shocked.

All of them were trembling and sweating profusely. Their faces were pale.

They vaguely felt that the person who was competing with them was the old Celestial Master.

“Haha, good, good job, Brother Yang!”

Lan Xiaomeng jumped up excitedly.

Prajna and the others were also very excited.

“Good, good, good!”

Zhang Zhilin was also so excited that he said “good” three times in a row, “Genius, this kid is simply a one in a million genius!

I want to take him in as my disciple. I want to impart everything I have learned in my life. I want him to take over the position of the next Celestial Master of Mount Longhu!”

“What?!”

Lin Aocang looked at Zhang Zhilin in shock, “Celestial Master, you’re not joking, right? You want to hand this kid the position of Celestial Master?!”

“Elder Lin, do you think I’m joking?”

Zhang Zhilin replied, then sighed, “Now that the talents of Longhu Mountain are withering, there are no disciples who can inherit the position of Celestial Master.

This kid is talented and has excellent comprehension. He can definitely inherit my mantle and succeed the position of Celestial Master.”

Lin Aocang said, "But this kid's surname isn't Zhang. He's not an orthodox disciple of Longhu Mountain at all. How could he succeed the position of Heavenly Master?"

"Is a family name that important?"

Zhang Zhilin asked instead.

Lin Aocang said helplessly, "Old Celestial Master, even if you're willing to take this kid as your disciple and teach him the position of Celestial Master, I'm afraid this kid won't agree."

"Why?"

Zhang Zhilin looked puzzled.

Lin Aocang said, "This kid is used to freedom and is unwilling to join any sect or institution.

Back then, we had spent a lot of effort to get him to join the Hidden Dragon Pavilion as the Deputy Pavilion Master and the leader of the Heavenly Doctor Team.

Furthermore, even if this kid joined the Hidden Dragon Pavilion, he had never been controlled by anyone and had absolute freedom.

But fortunately, this kid is willing to serve the country, so if we look for him for something that we can't handle, he will agree to help."

"I see."

Zhang Zhilin nodded and said, "No matter what, we have to give it a try."

"Alright."

Lin Aocang nodded, "It depends on whether this kid is fated with Longhu Mountain."

While Lin Aocang and Zhang Zhilin were chatting,

Yang Luo waved his right hand and shouted!

"Break!"

At that very moment...

Dong!

The Taiji Yin-Yang Fish that appeared under his feet crushed forward and destroyed the Taiji Yin-Yang Fish that Li Daochen had condensed!

The powerful energy fluctuation forced Li Daochen to retreat repeatedly!

"Again, break!"

Yang Luo waved his hand again.

The Azure Dragon, White Tiger, Vermillion Bird, and Black Tortoise crashed into the Four Symbols Divine Beasts that had condensed above Kong Sage!

Rumble!

Accompanied by a series of shocking explosions!

The Four Symbols Divine Beasts that Kong Sage had condensed collapsed and exploded. He was also forced back!

“Continue, break!”

Yang Luo continued to wave his hand.

Rumble!

A rainbow that contained the power of the five elements of metal, wood, water, fire, and earth that flickered with five-colored light shot out explosively and destroyed the power of the five elements condensed by Sun Tongshou!

“Uhhh...”

Sun Tongshou let out a muffled groan and was also knocked back.

In the following period of time...

Yang Luo stood proudly in the square like a Commander-in-Chief commanding thousands of troops. He controlled the surrounding phenomena and destroyed the Feng Shui mystic techniques used by the other sect masters!

Boom! Boom! Boom!

An earth-shattering explosion that shook the surrounding forests resounded continuously!

All the surrounding disciples of Mount Longhu felt as if their ears were about to go deaf!

Moreover, the energy that surged out was too violent, as if it wanted to drown everyone...

Chapter 1255: Yang Luo VS Celestial Master!

At this moment, Zhang Zhilin waved his hand!

A ring-shaped golden barrier instantly condensed in the square, separating the area where Yang Luo and the others were from the disciples of Longhu Mountain!

Rumble!

The energy crazily washed over the golden barrier like a tsunami, but it was all blocked by the golden barrier!

Prajna turned to look at Zhang Zhilin and said in surprise, "Celestial Master is so powerful. He can actually block the energy of Brother Yang and the others!"

Tian Zhen said with admiration, "Sister Prajna, the Celestial Master's strength is unfathomable. He can be said to be the number one person in the Daoist Sects now!"

"Brother Tian is right!"

Feng Lengyue also nodded and said, "Until now, no one knows the Celestial Master's true strength!"

However, in the entire ancient martial arts world, and even all the Daoist sects in the world, no one dares to disrespect the old Celestial Master!"

At this moment.

Rumble!

The sound of the explosion continued to resound, causing everyone's eardrums to buzz!

All kinds of energy and light surged and wreaked havoc in the square, making people tremble in fear!

However, fortunately, Celestial Master took action and prevented others from being accidentally injured!

In less than ten minutes.

The mystic techniques used by Li Daochen, Sun Tongshou, Kong Sheng, Lu Zhicheng, Pu Junhao, Feng Taihong, and Zhuge Jingming were all broken by Yang Luo!

"Mr. Yang is really amazing. Sect Master Li and the others are good at various Feng Shui and mystic techniques, but Mr. Yang actually knows all of them!"

"Not only that, but Mr. Yang also broke all the Feng Shui mystic techniques that Sect Master Li and the others used!"

"Mr. Yang's Feng Shui mystic techniques are completely superior. He completely crushed Sect Master Li and the other seven!"

The disciples of Longhu Mountain were all amazed. They admired and worshipped Yang Luo even more.

In the past, only the old Celestial Master had challenged nine Feng Shui masters and defeated them all.

And now, Yang Luo had first defeated Xu Xiuyuan and Shan Chengyun, then defeated Sect Leader Li and the other seven people by himself.

This meant that his feng shui mystic technique was already comparable to the Celestial Master.

"Hahaha, I knew Brother Yang was the best!"

Lan Xiaomeng waved her fists, her face flushed with excitement.

“Brother Yang is the best!”

Prajna also waved her fist excitedly.

Xu Ying, Bujie, Tian Zhen and the rest were also amazed.

This was Yang Luo. He was always so powerful.

However, at this moment...

After Yang Luo broke Li Daochen and the others’ mystic techniques, he waved his hand!

Yang Luo’s Yin-Yang Taiji, Four Symbols, Five Elements, Six Paths Eight Trigrams, Qimen Dunjia, Wuhou Qimen, Fuukou Qimen, and other phenomena all changed directions and attacked Zhang Zhilin!

Yang Luo said loudly, “Celestial Master, stop watching the show. Please enlighten me!”

Seeing as all kinds of phenomena descended towards him!

Lin Aocang was shocked!

The others present were also stunned!

“Oh my god, Mr. Yang actually wants to compete with the Celestial Master?!”

“Mr. Yang versus the Celestial Master. This is going to be exciting!”

“I wonder who’s better, Mr. Yang or Celestial Master!”

The disciples of Mount Longhu were extremely excited and started discussing.

Tian Zhen, Feng Lengyue, Lan Xiaomeng, Zhuge Changfeng, and Jiang Bo were also shocked.

They never thought that Yang Luo would dare to challenge Celestial Master.

Li Daochen, Sun Tongshou, and the others were also dumbfounded.

This was the Celestial Master. How did this kid have to guts to do such a thing?

Bujie laughed happily and said, “As expected of my Brother Yang. You actually dare to challenge Celestial Master. You sure have guts!”

Zhang Zhilin laughed loudly and said, “Little friend Yang, I don’t dare to teach you, but we can exchange pointers!”

As he spoke, Zhang Zhilin took a step forward and waved his sleeve!

In the blink of an eye!

Yin-Yang Taiji, Four Symbols Five Elements, Six Paths Eight Trigrams, Qimen Dunjia, Wuhou Qimen, Fuukou Qimen, and other phenomena instantly condensed into form and attacked the phenomenon that Yang Luo had created!

Li Daochen sighed in admiration. “Celestial Master is indeed unfathomable. He instantly used the Feng Shui mystic techniques that all of us are good at!”

Sun Tongshou sighed, “However, Mr. Yang dared to challenge the old Celestial Master. Just this courage alone is not something ordinary young people can have!”

Kong Shenxian and the others nodded in agreement.

After competing with Yang Luo, they were already completely convinced by Yang Luo.

And right at this moment...

Boom! Boom!

Rumble!

Layers of phenomena collided and exploded in the sky. The commotion shook the nine heavens and shook the surroundings!

Boundless and vast energy and bedazzling light interweaved and washed in all directions!

The golden barrier condensed around the square blocked all the energy that spread out, preventing others from being injured!

Under everyone’s watchful eyes...

Yang Luo and Zhang Zhilin’s various phenomena dissipated in the sky!

Everyone could tell that Yang Luo and Zhang Zhilin were equally matched in this round of competition!

This also shocked everyone present!

After all, most of the people present thought that Yang Luo would be defeated in the first round!

However, they did not expect that Yang Luo could actually fight equally with the Celestial Master!

However, others might not be able to tell, but Yang Luo could!

Celestial Master was indeed an Immortal Cultivator like him, and a very powerful one at that!

“Haha, Little Friend Yang, not bad, not bad. Let’s continue!”

Zhang Zhilin laughed heartily and looked at Yang Luo with even more admiration and satisfaction.

Without any hesitation, Yang Luo raised his right hand and drew a talisman in the air!

Golden talismans condensed and shone brightly!

Then, Yang Luo waved his hand!

Metal, wood, water, fire, earth, and lightning elemental energies erupted, transforming into six energy rainbows that rushed towards Zhang Zhilin!

However, just as the six energy beams were about to reach him!

“Heaven and Earth Mystic Sect, Ten Thousand Qi Origin!

Cultivating a hundred million tribulations to prove my divine power!

...”

A powerful voice sounded from Zhang Zhilin’s mouth!

Then, Zhang Zhilin's body trembled and he shouted!

"Golden Light Mantra!"

In an instant!

Zhang Zhilin's body emitted a blazing golden light, like an immortal who had descended to the mortal world. It was soul-stirring!

Boom! Boom! Boom!

Six beams of energy crashed into the golden barrier that Zhang Zhilin had condensed, emitting a thunderous sound!

However, no matter how powerful the six energy rainbows were, they were completely blocked. They had completely improved Zhang Zhilin's body!

After blocking this wave of attacks!

Zhang Zhilin smiled and said, "Little Friend Yang, I'm going to execute the Five Thunder Technique of our Longhu Mountain. You have to watch carefully!"

As he spoke, Zhang Zhilin waved his right hand!

"Five Thunder Technique!"

Rumble!

Thunder rumbled and resounded through the sky!

Green, black, blue, purple, and golden lightning streaked across the sky and struck Yang Luo!

The five lightning bolts were extremely huge and contained extremely terrifying power, as if they wanted to destroy everything in the world!

Yang Luo was shocked. Without any hesitation, his body trembled and he shouted!

“Golden Light Mantra!”

In just an instant!

A dazzling golden light also appeared on Yang Luo’s body, condensing into a solid golden barrier!

“Golden Light Mantra... Mr. Yang knows the Golden Light Mantra too?!”

“The key is that Mr. Yang is very good at it. He used it instantly!”

“I wonder if Mr. Yang can use the Golden Light Mantra to block Celestial Master’s Five Thunder Technique!”

Everyone discussed spiritedly. Seeing Yang Luo and Celestial Master fight, everyone’s blood boiled and they were unwilling to blink.

Boom! Boom! Boom!

Five bolts of lightning struck the True Qi barrier that Yang Luo had condensed, and thunder rumbled!

Lightning wreaked havoc and energy surged, washing in all directions!

Although Yang Luo had blocked the five lightning bolts, his body was forced back repeatedly...

Chapter 1256: Who Won?

“He blocked it. Mr. Yang actually blocked Celestial Master’s Five Thunder Technique!”

Li Daochen could not help but exclaim.

Xu Xiuyuan sighed, “Mr. Yang’s Feng Shui mystic techniques are comparable to Celestial Master’s. I admit defeat!”

The others present also admired Yang Luo even more.

One had to know that the Celestial Master was the number one person in Daoism today. He was proficient in all kinds of Daoist techniques and Feng Shui Mystic techniques. He was like an old immortal.

As for Yang Luo, he was only so young now, but he could contend with Celestial Master in terms of Dao techniques, Feng Shui, and mystic techniques. It was really unbelievable.

After retreating more than ten meters,

Yang Luo suddenly stomped on the ground and let out a deafening roar!

“Break!”

Waves of majestic True Qi erupted from his body and surged in all directions!

Rumble!

The five bolts of lightning were all destroyed. They exploded in the sky and dissipated!

After destroying five bolts of lightning!

Yang Luo instantly set up 18 layers of Feng Shui Mystic Technique Array, trapping Zhang Zhilin inside!

“Oh?”

Zhang Zhilin smiled faintly and said, “Little friend Yang, are you competing with me in setting up and breaking formations?”

Then let’s compete!”

As he spoke, Zhang Zhilin waved his hand and set up 18 layers of Feng Shui Mystic Technique Array to trap Yang Luo as well!

For a moment, Yang Luo and Zhang Zhilin were trapped by the other party’s array formation, making everyone’s hearts skip a beat!

Shan Chengyun said with a shocked expression, “Oh my god, these two people used 18 layers of array formations the moment they attacked. How can they break it?”

Li Daochen said, “Perhaps it’s very difficult for us to break through, but it shouldn’t be difficult for Mr. Yang and the Celestial Master.”

Feng Taihong sighed and said, “Mr. Yang is really an amazing person. Not only is he proficient in martial arts and medicine, but he’s also proficient in mystic techniques as well!”

Feng Lengyue proudly said, “Dad, I told you before that big brother Yang’s Feng Shui techniques are extremely profound, but you didn’t believe me.”

Feng Taihong shook his head and said, “I was wrong.”

Just as they were chatting!

“Formation, activate!”

Yang Luo and Zhang Zhilin shouted at the same time!

The 18 formations set up by the two of them were activated at the same time!

As the array was activated, all kinds of lights flashed, all kinds of energy surged, and all kinds of phenomena appeared. They attacked Yang Luo and Zhang Zhilin fiercely!

Without any hesitation, Yang Luo and Zhang Zhilin began to break the array!

Thud thud...

Explosions sounded continuously!

The layers of array formations were broken by the two of them, and energy balls exploded one after another!

In less than a few minutes....

The 18 formations set up by the two of them were about to be broken one after another!

Without any hesitation, Yang Luo and Zhang Zhilin continued to reinforce their own array formations!

Soon, the number of formations set up by the two of them reached 36!

And right on the heels of that...

49th level!

81st level!

In the end, the number of array formations set up by the two of them reached 108!

“108 layers. Mr. Yang and the old Celestial Master actually set up 108 layers of array formations!”

“These two people are really too strong. They’re simply heaven-defying!”

Exclamations resounded non-stop. Everyone present was dumbfounded.

After setting up the 108 arrays, the two of them activated all the arrays at the same time!

The attacks from all the array formations were extremely terrifying as they attacked Yang Luo and Zhang Zhilin fiercely!

However, the two of them looked calm and fearless as they continued to break the array!

Boom! Boom! Boom!

The earth-shattering explosions continued!

The energy produced by the explosion of the layers of array formations was also incomparably ferocious, as if it wanted to destroy everything on Sky Gate Mountain!

Even Zhang Zhilin’s golden barrier could not withstand it!

Without any hesitation, Zhang Zhilin activated the Heaven Gate Mountain-guarding Formation to prevent the buildings on the mountain from being destroyed!

At this moment.

While breaking the array, the two of them continued to use other Feng Shui mystic techniques to attack each other!

“Celestial Master Talisman!”

Zhang Zhilin put his right index and middle fingers together and drew nine golden talismans in the air!

“Nine Heavens Dragon Talisman!”

Yang Luo did not back down either. He drew nine golden dragon talismans in the air and shot them out at the same time!

Dong, dong, dong!

The 18 golden talismans shone with a blazing golden light and collided intensely in the sky, letting out loud bangs!

But they impacted for less than a few seconds!

Boom! Boom! Boom!

Golden talismans exploded one after another, exploding into huge golden balls of light in the sky!

Li Daochen said in shock, “Celestial Master actually used the ultimate technique, the Celestial Master Talisman!”

Could it be that Mr. Yang’s Feng Shui mystic techniques made the Celestial Master feel pressured and have no choice but to get serious?!”

Xu Xiuyuan nodded and said, “That should be the case. After all, Celestial Master won’t easily use the Celestial Master’s Talisman Book!”

Shan Chengyun said in shock, “However, Mr. Yang’s talisman technique is also quite powerful. It can actually compete with Celestial Master’s Celestial Master’s Talisman Book!”

Seeing that Yang Luo had withstood the ultimate skill, the Celestial Master Talisman!

Zhang Zhilin’s eyes flickered with golden light, as if his fighting spirit had been ignited!

His entire body trembled, and the True Qi in his body was constantly mobilized. His robe fluttered, and his beard and hair fluttered. He was really like a god who had descended to the mortal world!

“Summoning the Wind and Rain!”

“Release the lightning!”

“Turn beans into soldiers!”

“Shifting Stars!”

“Moving Mountains and Seas!”

...

Zhang Zhilin used many Dao techniques, Feng Shui Mystic Techniques, and other ultimate techniques to attack Yang Luo!

Seeing Zhang Zhilin's various methods, Yang Luo was extremely shocked!

He was certain!

That not only was Celestial Master a cultivator, but his cultivation and strength were probably far above his own!

This was no longer just a Dao technique or a Feng Shui Mystic Technique. It was completely an immortal technique!

In other words, the old Celestial Master might have already stepped into the Earth Immortal Realm and was a true Earth Immortal!

However, Yang Luo did not admit defeat just like that. Instead, he used the same Dao techniques and mystic techniques to resist!

At that moment...

Rumble!

A series of shocking explosions exploded in the sky above the square!

His voice spread throughout the entire territory of Mount Longhu and even to the periphery of Mount Longhu!

Beams of energy shot into the sky like rainbows, scattering a large sea of clouds in the sky!

At this moment.

At the tourist attraction on the outskirts of Mount Longhu.

The tourists also heard the commotion and turned to look into the distance.

When they saw the scene in the distance, all the tourists were stunned.

“Oh my god, what’s that? Is it a rainbow?!”

“This doesn’t look like a natural phenomenon. Is it man-made?!”

“There are rumors of immortals on Mount Longhu. Could it be true?!”

“What are you waiting for? Hurry up and film it!”

The tourists exclaimed and even took out their phones to take photos and videos.

The staff of the tourist attraction rushed over and explained to everyone that this was a natural phenomenon and not man-made.

However, the tourists did not believe it at all.

The staff was also very helpless.

At this moment.

On the Heaven’s Gate Mountain square.

The explosion of energy and light finally dissipated.

Everything finally returned to normal.

Everyone present looked at Yang Luo and Zhang Zhilin in a daze, unable to speak for a long time.

The battle between Yang Luo and Zhang Zhilin was simply brilliant, making it difficult for everyone to calm down for a long time.

There was a long silence in the entire area.

Someone asked in a daze, "Did Mr. Yang win this battle, or did Celestial Master win?"

"I can't tell. I wonder who won..."

"Don't tell me it's a draw?!"

"A draw?! How is that possible?!"

Everyone began to discuss who had won.

The disciples of Mount Longhu were not the only ones who could not tell who had won. Li Daochen, Xu Xiuyuan, and the others could not tell either.

Chapter 1257: Apprenticeship!

At this moment.

Yang Luo and Zhang Zhilin stood in the middle of the square and looked at each other with admiration and respect in their eyes.

Even though there was a huge age difference between the two of them, they felt a sense of appreciation for each other.

“Phew...”

Yang Luo let out a long breath and cupped his hands, “Celestial Master is indeed the number one person in the Dao Sect. I admit defeat!”

As soon as these words were spoken...

Everyone exclaimed in surprise!

“Mr. Yang admits defeat!”

“It’s normal for Mr. Yang to lose to Celestial Master. After all, Celestial Master is the number one person in Daoism. Moreover, there’s such a huge age difference between the two of them!”

“Regardless of winning or losing, at least Mr. Yang dared to challenge Celestial Master. His courage and boldness are not something we can compare to!”

The disciples of Longhu Mountain discussed non-stop. They admired Yang Luo to the extreme, and their eyes were filled with fanatical admiration.

Xu Xiuyuan and the others also looked at Yang Luo with admiration. They no longer looked down on Yang Luo. They only respected him.

“Brother Yang actually lost...”

Lan Xiaomeng pouted unhappily.

Feng Lengyue patted Lan Xiaomeng's head and said, "Little Meng, don't be unhappy. Brother Yang is still so young. He will definitely surpass Celestial Master in the future!"

"Yes!"

Lan Xiaomeng nodded vigorously.

Zhang Zhilin smiled and waved his hand, "Little friend Yang, although you lost to me, your talent and comprehension are much higher than mine.

At least I wasn't as good as you when I was your age.

"Perhaps in a few years, you will be able to catch up to me."

Yang Luo's eyes were firm as he said, "Celestial Master, Junior here will work harder to improve myself!"

"Alright!"

Zhang Zhilin nodded and walked over, "Little Friend Yang, I want to take you in as my disciple and teach you everything I've learned in my life. I also want you to take over the position of the next Celestial Master. How about that?"

He had only just finished speaking.

The crowd went silent.

"Celestial Master actually wants to take Mr. Yang as his disciple and even wants to pass on the position of Celestial Master to Mr. Yang?!"

"Oh my god, it's a great honor to be able to be appreciated by the old Celestial Master and take him in as a disciple to personally teach him the mystic techniques of the Sect!"

“Isn’t that so? Countless Daoist prodigies wanted to take Celestial Master as their master, but Celestial Master didn’t agree. Now, the old Celestial Master is actually willing to take Mr. Yang as his disciple!”

“The key is that the old Celestial Master still wants Mr. Yang to take over the position of the next Celestial Master!”

The disciples of Mount Longhu started discussing in shock.

Li Daochen, Xu Xiuyuan, and the others were also shocked.

Bujie said in surprise, “Celestial Master actually wants to take Brother Yang as his disciple and pass on the position of Celestial Master?!”

Tian Zhen said in shock, “This is too unbelievable!”

Yang Luo was stunned for a moment. Then, he cupped his hands and said, “Thank you for thinking highly of me, Celestial Master. I’m deeply honored!

However, I’ve never thought of joining any sect. I’m afraid I’ll have to disappoint your good intentions!”

Seeing Yang Luo’s refusal, everyone present was shocked again.

If it was an ordinary person, they would not even consider it and would directly agree.

Unexpectedly, Yang Luo actually rejected him.

Celestial Master would be personally imparting the Mystic techniques!

He would take over the position of Celestial Master in the future!

He could even reject such a request?

Seriously!

Lin Aocang walked over and said in amusement, "Celestial Master, I told you that this kid is not an ordinary person. His thoughts are completely different from ordinary people."

Zhang Zhilin was still a little unwilling. He said, "Little friend Yang, I really want to take you in as my disciple and teach you everything you've learned in your life!

If you are willing to be my disciple, no one in the world can bully you!

Furthermore, if you take over the position of Celestial Master, you will be able to control all the Daoist sects in the world and command thousands at the beck of your hand!

Why don't you reconsider?"

Yang Luo pondered for a moment and said, "Celestial Master, I can call you master, but forget about taking over the position of Celestial Master.

That's not my ambition. I hope you can understand."

As he spoke, Yang Luo bowed deeply to Zhang Zhilin.

He knew very well that if he really succeeded the position of Celestial Master, not only would he have to be responsible for Longhu Mountain, but he would also have to be responsible for all the Daoist sects in the world.

At that time, there would definitely be a lot of things waiting for him to deal with. It would be very troublesome.

Moreover, he already had a lot of things to do.

He was now the Deputy Pavilion Master of the Hidden Dragon Pavilion, the Divine Emperor of the Holy Imperial Court, and the Sect Master of the Luo Heaven Sect. Occasionally, he had to help Big Brother Xiang manage the Martial Alliance.

There were too many things to do, and he was really too busy.

“Sigh...”

Zhang Zhilin let out a long sigh and said, “It seems that you and our Longhu Mountain are not fated. What a pity, what a pity!”

Lin Aocang comforted him. “Celestial Master, there’s nothing to pity about. Although this kid is unwilling to succeed the position of Celestial Master, at least he’s willing to call you Master.

It’s not bad that you can take such a monster as your disciple.”

Zhang Zhilin laughed and said, “You’re right.”

As he spoke, Zhang Zhilin took out an ancient book and a palm-sized purple-gold seal from his sleeve and handed them to Yang Luo.

Little Luo, since you’re willing to acknowledge me as your master, I should give you a greeting gift.

This purple-gold seal is a magic tool I refined. It’s called the Five Thunder Seal. I’ll give it to you now.”

This ancient book is called the Celestial Master’s Treasure Record. It records all the Mystic Dao techniques passed down from my Mount Longhu, as well as some of my insights.

You have to study it well in the future. It will definitely be of great help to you.”

Seeing Zhang Zhilin give the Five Thunder Seal and the Celestial Master’s Treasure Record to Yang Luo, everyone present was shocked.

The Five Thunder Seal is one of the strongest magical artifacts refined by the Celestial Master!

As soon as the Five Thunder Seal is seen, the Five Thunders will appear. It was earth-shattering and extremely powerful. Now, Celestial Master actually gave it to Mr. Yang!”

“Moreover, Celestial Master even gave the Celestial Master’s Treasure Record to Mr. Yang. This means that he really wants to take Mr. Yang as his disciple!”

The disciples of Mount Longhu discussed incessantly, their eyes filled with envy.

Envy appeared in the eyes of Li Daochen, Xu Xiuyuan, and the others.

Whether it was the Five Thunder Seal or the Celestial Master’s Treasure Record, they were both real treasures.

Yang Luo was also stunned.

He did not know much about the Celestial Master’s Treasure Record.

However, he only needed one look to know that the Five Thunder Seal was a true immortal cultivator’s magic tool.

Compared to the Sacred Artifacts that he had snatched from the Guardian Angels, it was many times stronger.

Yang Luo took a deep breath and said, "Celestial Master, these two treasures are too precious. I don't dare to accept them!"

Zhang Zhilin smiled and said, "Little Luo, this is just a greeting gift from master and disciple. Accept it.

If you don't accept it, it means you're not acknowledging me as your master."

"Kid, don't refuse. Hurry up and accept it!"

Lin Aocang echoed.

Yang Luo took the Five Thunder Seal and the Celestial Master's Treasure Record. He bowed to Zhang Zhilin again and said, "Junior Yang Luo greets Master!"

"Alright!"

Zhang Zhilin smiled happily and raised his hand to help Yang Luo up, "In the future, if you have anything you don't understand when you're studying the Celestial Master's Treasure Record, you can look for me directly or contact me. I'll guide you well!

Also, if anyone bullies you, you can tell me. I'll definitely stand up for you!"

"Thank you, Master!"

Yang Luo thanked him.

Ever since the old fart left, he had never acknowledged anyone as his master.

Today, he had taken Celestial Master as his master because he felt that he was fated with him.

Celestial Master was highly respected and far surpassed him in all aspects. He was naturally willing to acknowledge him as his master.

“Congratulations, Mr. Yang!”

“Mr. Yang, I didn’t expect that not only are you proficient in martial arts and medicine, but you’re also proficient in spells. We’re convinced!”

“Mr. Yang, please forgive me for offending you just now!”

Xu Xiuyuan and the others walked over and apologized to Yang Luo while congratulating him.

Yang Luo waved his hand and said, “Seniors, let’s not talk about the past anymore. We’re all friends from now on.”

Chapter 1258: Searching for a Divine Artifact!

Xu Xiuyuan chuckled, “It’s our honor to be friends with Mr. Yang!”

Shan Chengyun also smiled and said, “Mr. Yang, if you have anything to say in the future, just say it. We will definitely help!”

Lin Aocang said, “Since everyone has acknowledged this kid now, can we talk about serious matters now?”

“Of course all of you can.”

“Mr. Yang is fully qualified to discuss important matters with us!”

Xu Xiuyuan and the others spoke up one after another.

Then, Yang Luo and the others left the square and walked into the Celestial Master Hall.

After entering the hall, everyone took their seats.

The disciples of Mount Longhu also poured tea.

Yang Luo took a sip of tea and asked, "Dragon General, why did you call me here?"

Lin Aocang said, "Kid, I invited you and the Sect Masters here to discuss the restoration of the dragon vein."

"Repair the dragon vein?!"

Yang Luo was shocked.

He never expected Lin Aocang to want to talk about this.

"That's right."

Lin Aocang nodded and said, "Kid, you should know that most of our country's dragon veins are broken.

This also caused our country to be dogged by bad luck for so many years. The spiritual qi and dragon qi in the world could not completely gather.

That's why our country's development is so difficult and we have never been able to truly take off."

Zhang Zhilin also said, "Repairing the dragon vein is a huge matter that benefits the country and the people. If it can really be repaired, it will benefit our descendants for generations to come."

Li Daochen said, "To put it simply, if we can really repair the dragon vein, it will be very helpful to us cultivators.

After the spiritual energy recovers, it will be easier for everyone to cultivate."

Yang Luo frowned and said, "Everyone, repairing the dragon vein is naturally a great thing.

However, it's too difficult to repair the dragon vein. You have to satisfy several conditions to do so."

"Oh?"

Zhang Zhilin's eyes lit up and he asked, "Little Luo, do you know the way to repair the dragon vein?"

Lin Aocang and the others also looked at Yang Luo.

Yang Luo nodded and said, "Yes, but the conditions are too harsh. I'm afraid it's very difficult to achieve."

Zhang Zhilin said, "Little Luo, the conditions can be resolved one by one. Tell me your solution first."

Yang Luo said, "If you want to repair the dragon vein, you first need true immortals to participate and set up the ancient array, the Heaven and Earth Origin-Returning Array.

Moreover, just a few immortals was not enough. The more immortals there are, the higher the success rate will be.

In addition to immortals, a large number of top Feng Shui masters had to participate.

Secondly, we will need a divine artifact that gathers dragon qi and spiritual qi.

Thirdly, we need to find the source of the dragon vein.”

Hearing Yang Luo’s words...

Zhang Zhilin’s eyes lit up as he said in surprise, “Little Luo, I didn’t expect you to really know how to repair the dragon vein!”

“Celestial Master, could it be that Mr. Yang’s idea is the same as yours?”

Li Daochen hurriedly asked.

“That’s right!”

Zhang Zhilin nodded repeatedly, “That’s also the solution I’m talking about!”

Xu Xiuyuan sighed and said, “The conditions of this method are indeed very harsh. Just finding immortals participate in the formation is already hard to achieve.

There are no immortals in this world.”

Li Daochen narrowed his eyes and said, “Although there might not be many immortals in the secular world, there are many true immortals in the Kunlun Ruins and the Penglai Immortal Island.

If they are willing to help, this condition can be resolved.”

“Kunlun Ruins? Penglai Immortal Island?”

Sun Tongshou shook his head and said, “The cultivators from the Kunlun Ruins and the Penglai Immortal Island have never had much contact with us.

We're already thankful that they didn't come to our secular world to cause trouble. To count on their help? We're thinking too much."

The other sect masters also started discussing, feeling that it was unrealistic.

Hearing the discussions of the sect masters, Yang Luo was shocked.

It turned out that these sect masters knew about the existence of the Kunlun Ruins and the Penglai Immortal Island.

However, it made sense. Everyone present was the sect master of each famous mountain. They were top Feng Shui masters, so they naturally knew the secrets that ordinary people knew.

Lin Aocang pondered and said, "Everyone, I'll think of a way to ask the immortals for help.

Let's first see if the other conditions can be fulfilled."

Zhang Zhilin said, "The dragon vein in the world started from Kunlun. Kunlun Mountain is the ancestor of the dragon vein and the source of the dragon vein.

The third condition can be fulfilled without any difficulty."

Everyone nodded.

Zhang Zhilin continued, "As for the second condition, the supplementary condition of using a divine artifact can also be fulfilled.

Over the years, many divine artifacts have been passed down in Country Hua.

Among them, the most famous are naturally the Imperial Jade Seal and the Great Yu Nine Cauldrons.

If we can find the Imperial Jade Seal and the Great Yu Nine Cauldrons, the second condition will be resolved.”

Yang Luo said, “If we can really gather the Imperial Jade Seal and the Great Yu Nine Cauldrons, the matter of the divine artifact will naturally be resolved.

But wasn’t the Imperial Jade Seal and the Great Yu Nine Cauldrons lost?”

Yang Luo also knew about the legend of the Imperial Jade Seal and the Great Yu Nine Cauldrons.

After all, the Imperial Jade Seal and the Great Yu Nine Cauldrons were the supreme divine artifacts of Country Hua.

Legend had it that the ancient Almighty Yu divided the world into the Nine Provinces. The Nine Provinces contributed bronze and forged the nine cauldrons, symbolizing the Nine Provinces. They carved the famous mountains and rivers of the Nine Provinces in the country into the nine cauldrons. They were true divine artifacts that protected the country.

These nine cauldrons were the Jizhou Cauldron, Yanzhou Cauldron, Qingzhou Cauldron, Xuzhou Cauldron, Yangzhou Cauldron, Jingzhou Cauldron, Yuzhou Cauldron, Liangzhou Cauldron, and Yongzhou Cauldron.

Meanwhile, the Imperial Jade seal was a piece of jade that Qin Shi Huang had ordered Prime Minister Li Si to forge.

It had a circumference of four inches, and five dragons were engraved on the front. There were eight words: “Ordered by Heaven, Longevity Eternal.”

The Imperial Jade Seal had experienced thousands of years of vicissitudes and gathered the dragon qi of the world. It was also one of Country Hua’s national divine artifacts.

Lin Aocang said, “Kid, after so many years of searching, we have already found the real Qingzhou Cauldron, Xuzhou Cauldron, Yangzhou Cauldron, Jingzhou Cauldron, Yuzhou Cauldron, and Liangzhou Cauldron.

Only the Jizhou Cauldron, Yanzhou Cauldron, and Yongzhou Cauldron are still missing.

However, after so many years of searching, we have also found the whereabouts of these three cauldrons and the Imperial Jade Seal.”

“Really?!”

Yang Luo was overjoyed, “Where are these three cauldrons and the Imperial Jade Seal?”

Lin Aocang said, “The Jizhou Cauldron and the Imperial Jade Seal are in the royal treasury of Oxford. Yanzhou Cauldron is in Country Sakura, and Yongzhou Cauldron is in Country Stars & Stripes.”

Yang Luo said, “Since we know the whereabouts of these three cauldrons and the heirloom seal, what are we waiting for? Hurry up and take them back!”

Lin Aocang looked at Yang Luo, Tian Zhen, and the others and said seriously, “Kid, I’ll give you a mission now.

I hope you can go to Country Oxford and take back the Jizhou Cauldron and the seal.

As for the Yanzhou Cauldron and the Yongzhou Cauldron, I will arrange for others to take them back.

“If you need anything, feel free to ask. We’ll cooperate with you.”

Yang Luo thought for a moment and said, “Dragon General, Brother Tian, I, and the others are enough for this trip to Country Oxford.

If too many people went, it would be difficult to leave.

Moreover, I have many friends in the Euro Domain. When the time comes, I can ask them for help.”

“Alright!”

Lin Aocang nodded and said, “Kid, I’ll have to trouble you again!”

Yang Luo said helplessly, “Dragon General, there’s no need to say these things. Haven’t you troubled me enough?”

Lin Aocang laughed and said, “The greater the ability, the greater the responsibility. The capable work more!”

“Cheh!”

Yang Luo rolled his eyes.

He knew that this old man had called him over for no good reason.

In the following period of time.

Yang Luo and the others continued to discuss the restoration of the dragon vein.

In the evening, Yang Luo and the others had dinner at Mount Longhu.

After that, Yang Luo prepared to leave with Xu Ying and the others...

Chapter 1259: Mission!

At around eight o'clock in the evening...

At the foot of Mount Longhu.

Yang Luo and the others were bidding farewell to Zhang Zhilin, Lin Aocang, and the others.

Lin Aocang looked at Yang Luo and said, "Kid, why don't you rest for a few days before setting off?"

"That won't be necessary."

Yang Luo shook his head and said, "It's better to set off earlier and take back the Jizhou Cauldron and the Imperial Jade Seal."

"Alright, you can arrange everything. I'll send the relevant information to your email later."

Lin Aocang nodded and said, "You've already led a team to do a few missions. I'm not worried about you."

Zhang Zhilin also said, "Little Luo, I don't know what dangers we will encounter on this trip to Country Oxford. You have to be careful."

Yang Luo smiled and said, "Master, don't worry. I'm still very experienced in missions."

"That's good."

Zhang Zhilin nodded with a smile and said, "If you encounter something that you can't resolve, remember to tell me. I will definitely help."

"Thank you, Master!"

Yang Luo thanked them and said, "Everyone, then we'll part ways here!"

"Kid, I'll wait for your triumphant return!"

"Mr. Yang, take care!"

"Mr. Yang, see you next time!"

Lin Aocang and the others spoke one after another.

Yang Luo didn't say anything else and left with Xu Ying and the others.

After leaving the territory of Mount Longhu, Yang Luo and the others took a car to the airport.

On the way to the airport....

Lan Xiaomeng said excitedly, "Brother Yang, I can do missions with you again. That's great!"

Yang Luo was caught between laughter and tears, "Little Meng, we're going on a mission, not a vacation.

Moreover, we're going to snatch the Jizhou Cauldron and the Imperial Jade Seal this time. It's very likely that we'll encounter danger."

Lan Xiaomeng shook her head and said, "As long as you're here, Brother Yang, no matter what danger we encounter, we can avert it!"

Zhuge Changfeng laughed and said, "Little Meng is right. It's too reassuring to carry out a mission with you, Brother Yang!"

Yang Luo said, "No matter what, we must be careful in this operation!"

"Alright!"

Xu Ying and the rest nodded.

After arriving at the airport...

Yang Luo and the others waited for a while before boarding the plane to Lun City in Country Oxford.

After a while...

The plane took off and soared into the sky.

Yang Luo turned to look at the night sky outside the window and thought about his next plan.

Alinda was in Lun City in Country Oxford.

He planned to meet Alinda first.

After all, he had not seen Alinda for a long time and missed her.

He did not know what dangers he would encounter when he went to Country Oxford to snatch the cauldron and the seal.

Oxford had a history of more than 3,000 years.

There were probably powerful experts guarding that country.

He just hoped that the operation would go well.

“Brother Yang, how strong is Celestial Master?”

At this moment, Bujie saw that Yang Luo was in a daze and asked curiously.

Xu Ying and the others also turned to look at Yang Luo.

They were also very curious about Celestial Master’s strength.

Yang Luo retracted his thoughts and replied, “I’m not sure how strong Master is.

However, I’m certain that Master must be a cultivator, and it’s very likely that he’s a real Earth Immortal.”

“What?! Celestial Master is a cultivator?! And even an Earth Immortal?!”

“F*ck, Celestial Master is actually an immortal. He hid it well!”

“There have always been rumors that Celestial Master is an immortal. I didn’t expect it to be true!”

“No wonder the old Celestial Master was conferred the title of number one in Daoism. All the major sects respect the old Celestial Master!”

Xu Ying, Bujie and the rest were shocked.

Yang Luo sighed and said, “Our Country Hua is indeed filled with crouching tigers and hidden dragons. There are really many hidden experts!”

Moreover, he was certain that Celestial Master and Master Xuanku were experts of the same level. However, he was not sure who was stronger.

Everyone nodded and completely agreed with Yang Luo.

Along the way, everyone chatted for a while before taking out their phones to look at the information sent to them by the Dragon General.

This information would help them to better complete this mission.

The plane flew for more than ten hours before finally arriving at Lun City Airport.

Due to the time difference, it was past six in the evening in Country Oxford.

Due to the cold weather, the passengers at the airport wore thicker clothes.

After walking out of the exit,

Yang Luo and the others left the airport in a car and headed to the city center.

As a world-class city, Lun City was synonymous with prosperity and development.

There was a lot of traffic on the road, and people were coming and going. All kinds of European-style buildings stood in the city.

Half an hour later.

The car stopped at the entrance of Westin Hotel, a five-star hotel in the city center.

Yang Luo and the others got out of the car like tourists. They booked a room and checked in.

After that, Yang Luo gathered everyone in a luxurious suite.

Everyone knew that Yang Luo was going to talk about serious matters, so their expressions were very serious.

Yang Luo said in amusement, "Brothers, don't be so serious. Relax.

We've been to Country Sakura and Country Stars & Stripes to carry out missions before. In the end, we successfully completed the missions.

Therefore, I believe that as long as everyone works together this time, we will definitely be able to complete the mission successfully."

Hearing Yang Luo's words, everyone relaxed a little.

Yang Luo said, "Everyone has seen the information sent by the Dragon General.

Now we know for sure that the cauldron and the seal are in the Royal Treasury at Buckingham Palace.

There were many royal knights guarding it, and there might be experts guarding it.

However, if we want the operation to go smoothly, we still have to investigate and figure out the situation there."

Jiang Bo said, "Brother Yang, leave the investigation to me."

Tian Zhen said, "Brother Jiang, I'll go with you to gather information."

Jiang Bo shook his head and said, "Brother Tian, there's no need to go through so much trouble. Do you still doubt my ability to gather information?"

Tian Zhen smiled and said, "I'm not doubting your ability to gather information. I'm just worried that you don't have enough manpower alone.

If we go together, we can take care of each other."

"Brother Jiang, I'll go with you!"

Lan Xiaomeng raised her hand.

"Count me in!"

Bujie added.

For a moment, Xu Ying, Prajna, Feng Lengyue, and Zhuge Changfeng also spoke out, wanting to accompany Jiang Bo to gather information.

Jiang Bo seemed to have seen through everyone's worries.

He sighed softly and said, "Brothers, the reason why I was discovered in Country Stars & Stripes was entirely because of Prophet Witch.

If it weren't for that woman, Douglas wouldn't have discovered me at all.

Everyone, don't worry. I'll be even more careful this time."

Yang Luo thought for a moment and said, "Brother Jiang, I naturally trust your ability.

However, to be safe, let Brother Tian accompany you this time.”

“Then... alright.”

Jiang Bo nodded.

Bujie was instantly displeased, “Brother Yang, what do you mean? Are you looking down on us? Why aren’t you letting us go?”

“That’s right!”

Lan Xiaomeng also pouted, looking unconvinced.

Yang Luo rolled his eyes at the two of them and said, “Anyone present can go to gather information, but you can’t.”

“Why?!”

Bujie and Lan Xiaomeng asked at the same time.

Yang Luo said, “Information gathering is a delicate job.

But between the two of you, one is impulsive and belligerent, and the other is stupid.

“I was really worried that you would directly fight with those royal knights.”

“Brother Yang, tell me clearly, who’s impulsive and belligerent?!”

“Brother Yang, why am I so silly?!”

Bujie and Lan Xiaomeng were even more unconvinced.

Tian Zhen said in admiration, "As expected of Brother Yang. You've already figured out their personalities. This evaluation is really spot-on."

Chapter 1260: Long Time No See!

"Brother Tian, are you looking for a beating?"

"Brother Tian, I'll bite you!"

Bujie and Prajna were instantly infuriated.

Tian Zhen laughed out loud.

"Brother Yang, why don't you let us go?"

Feng Lengyue looked at Yang Luo and pursed her lips, "Don't tell me you think we're like the two of them and aren't suitable to inquire about information?"

"It's not that it's inappropriate. It's just that it's easy to alert the enemy if too many people go."

Yang Luo shook his head and clapped his hands, "Alright, it's decided.

"Brother Jiang and Brother Tian will be in charge of gathering information this time."

"Then what are we doing?"

Prajna asked.

Yang Luo shrugged his shoulders and said, "Just like ordinary tourists, we should eat, drink, and play."

"What about you?"

Everyone looked at Yang Luo at the same time.

After all, Yang Luo had arranged for all of them, but he did not say what he was doing.

Yang Luo smiled and said, "I have a friend in Lun City. I'm going to visit her."

Bujie immediately reacted and smiled evilly, "Oh, Brother Yang, are you going on a date with Sister-in-law Alinda?"

"Alinda?"

Feng Lengyue was stunned for a moment, "Is it the president of the Euro Domain's Western Medical Association?"

"Right!"

Bujie nodded.

Feng Lengyue gossiped, "Brother Yang, is Miss Alinda your girlfriend?"

"That's right."

Yang Luo admitted it directly.

Since he had a substantial relationship with Alinda, Alinda was naturally his woman.

Feng Lengyue smiled and said, "Miss Alinda is pretty and talented. She's quite compatible with you, Brother Yang."

Lan Xiaomeng pretended to be sad. She rubbed her eyes and said, "Brother Yang would rather find a foreigner to be his girlfriend than let me be his girlfriend. I'm so sad!"

Seeing Lan Xiaomeng's appearance, everyone burst into laughter.

"Alright, Little Meng, be good."

Yang Luo patted the girl's head, then stood up and said, "Brothers, let's move around freely. I'll leave first. If there's anything, call me anytime."

"Yes!"

They all nodded in unison.

Then, Yang Luo left the hotel, took a taxi, and went straight to The Christie Medical Research Institute.

That was the headquarters of the Euro Domain's Western Medical Association. The most famous doctors from all over the Euro Domain were gathered there.

Every year, many famous medical papers in the world and cutting-edge medical research and development came from there.

When Alinda said goodbye to him, she said that if he came to Country Oxford, he could look for her there.

Twenty minutes later.

The car arrived at the entrance of The Christie Medical Research Institute building.

Although it was already past seven in the evening, several floors of the research institute building were still lit.

After getting out of the car, Yang Luo walked straight into the building.

A fair and beautiful Caucasian woman in business attire walked over with a smile, "Sir, what can I do for you?"

Yang Luo said, "Hello, is President Alinda here?"

"Hmm?"

The Caucasian woman looked at Yang Luo with a puzzled expression, "Who are you? Why are you looking for our president? Do you have an appointment?"

Yang Luo was stunned, "Do I need to make an appointment to see your president?"

"Of course. Our president is very busy every day. There are many people who want to see her, so we naturally need to make an appointment."

The Caucasian woman replied and continued, "Sir, if you're only pursuing our president, please leave."

Yang Luo smiled happily and asked, "Are there many people pursuing your president?"

The Caucasian woman said proudly, "There are naturally many people pursuing our president. They can even circle around Lun City."

What's more, those who pursue us are all socialites from various countries in the Euro Domain..."

Just as the Caucasian woman was talking non-stop about who was pursuing Alinda...

A voice sounded.

"Lisa, who are you talking to?"

The Caucasian woman named Lisa turned to look.

He saw an old Caucasian man in a light gray suit walking over with a briefcase.

Lisa said respectfully, "Vice president, this young man said he wants to see our president."

This Caucasian old man was naturally the vice president of the Western Medical Association in the Euro Domain, Smith.

"Looking for the president?"

Smith walked over.

However, the moment he saw Yang Luo, Smith's eyes widened and excitement appeared on his face.

Lisa thought that Smith was angry and hurriedly said, "Vice President, I think this guy is one of our president's pursuers. I'll ask him to leave now!"

"Mr. Yang!"

Smith bypassed Lisa and gave Yang Luo a big hug.

“Vice president, what are you...”

Lisa was dumbfounded.

What was the situation now?

Why did the vice president treat this man from Country Hua so intimately, as if they were old friends meeting?

Smith ignored Lisa and said excitedly, “Mr. Yang, I didn’t expect you to come to Country Oxford. Why didn’t you contact me so that I could pick you up?”

Yang Luo smiled and said, “Mr. Smith, I know you’re all very busy, so I don’t want to trouble you.”

“What trouble? It’s our greatest honor that you came to visit us!”

Smith waved his hand repeatedly and said, “If the president knew that you were here, she would definitely be very happy.

Mr. Yang, I’ll take you to see the president now.”

Yang Luo shook his head and said, “Mr. Smith, just do what you need to do. Tell me where Alinda is, and I’ll go find her myself.”

“Alright.”

Smith nodded and said, “The president is in the research room on the 13th floor. You can go there directly.”

“Alright.”

Yang Luo nodded and left in a hurry.

After Yang Luo got into the elevator...

Lisa asked curiously, “Vice President, who exactly is that gentleman?”

Smith looked in the direction where Yang Luo left and said in admiration, “Mr. Yang is a real big shot and a famous Divine Doctor in the world!

No matter what needs Mr. Yang has later, you must satisfy them!”

With that, Smith left.

Lisa, on the other hand, stood rooted to the ground.

That young man was actually the world-renowned Divine Doctor?

Wasn’t he being too low-key?

However, since the vice president treated him so respectfully, it must be true!

After Yang Luo left the lobby, he took the elevator to the 13th floor.

After searching for a while, he found the research lab.

He went to the door and knocked.

“Please come in.”

A voice came from inside.

Yang Luo pushed open the door and walked in.

He saw that the lights in the research room were on, and there were all kinds of medical instruments and bottles on the table.

A young Caucasian woman in a white coat was focused on her research.

Even though the woman was wearing a loose white coat, it could not hide her graceful figure.

The slightly lowered face shone softly under the light.

Her slightly curly golden hair was tied up behind her head, making her look capable and intellectual.

This woman was the president of the Western Medicine Association in the Euro Domain, Alinda. She was called “Venus of Western Medicine” and “Scalpel Queen” by the medical world.

Perhaps because she was too serious, even though Yang Luo came in, Alinda still did not realize it was him.

Yang Luo locked the door and quietly walked behind the woman. He opened his arms and hugged her from behind.

“Who is it?!”

Alinda was shocked and turned to look behind her.

When she saw Yang Luo's face...

Alinda's body trembled, and the glass tube in her hand fell to the ground and broke into pieces.

"Greetings, President Alinda. Long time no see."

The corners of Yang Luo's lips curled up slightly as he winked at the woman.

"Yang Luo!"

Alinda shouted in surprise and hugged the man tightly.
