

## Super IDG 1261

Chapter 1261: You're My Man!

Alinda was overjoyed, "Yang Luo, why are you here? Why didn't you call me in advance?"

Yang Luo hugged the woman's soft body and said with a smile, "I just wanted to give you a surprise."

Alinda suddenly thought of something and said, "Aiya, I'm so sloppy now. I haven't even cleaned up. It's too embarrassing!"

Yang Luo smiled gently and said, "Alinda, no matter what you wear, you're the prettiest in my heart."

Hearing Yang Luo's words...

Alinda smiled, her heart as sweet as honey.

She looked up at Yang Luo and pouted, "I haven't seen you for a while. How did you become so good with words? Tell me, how many women have you flirted with recently?"

Yang Luo said helplessly, "What do you mean by becoming so eloquent? I'm just speaking from the bottom of my heart, okay?"

Besides, I've been very busy recently. How would I have the time to flirt with women... Ugh!!!"

Before Yang Luo could finish speaking, Alinda kissed Yang Luo's lips.

Yang Luo was shocked at first, but he quickly began to respond to the woman's kiss.

Perhaps because she missed him too much, the woman integrated all her emotions into this kiss.

Gradually, the two of them fell into each other's gentleness.

Alinda flipped over and pressed Yang Luo onto the table, her eyes burning.

Yang Luo said in surprise, "Alinda, you're quite strong now!"

Alinda smiled and said, "Of course. I've been cultivating the cultivation technique you taught me during this period of time, okay?"

"Oh..."

Yang Luo nodded and said, "However, you are now..."

Alinda winked, "It's been so long since we last met. Can't I be intimate with you?"

"Over here?"

Yang Luo gulped and said, "This isn't too good, right?"

Alinda smiled charmingly and said, "Don't worry, this is my exclusive laboratory. Usually, no one will disturb me when I'm doing research.

Besides, most of the people have already gotten off work. Other than us, there's no one else on this floor."

"But..."

Yang Luo was still a little worried.

Alinda snorted and said, "But what? I'm already so proactive. Can't you be more proactive?"

To think that you're such a capable man. Are you so timid?"

“F\*ck, who’s the coward? Come at me!”

Yang Luo straightened his neck and said. Then, he flipped over and pressed the woman against the table. He kissed the woman’s plump red lips again...

More than an hour later.

Yang Luo sat on the chair, while Alinda snuggled in Yang Luo’s arms, her face red.

A few pieces of clothing were scattered on the ground.

Yang Luo sighed in his heart. Alinda was indeed a Western woman. She was bold and unrestrained.

After a while.

Alinda got up and put on her clothes. She hung her white coat on the shelf and said, “Let’s go. I’m hungry. You have to treat me to a meal.”

“Huh?”

Yang Luo was stunned, “Why didn’t you tell me earlier that you were hungry!”

Alinda smiled gently and said, “I was too happy to see you just now, so I forgot.”

Seeing the woman’s gentle smile, Yang Luo’s heart burned again. He wanted to teach the woman a lesson again.

However, thinking that the woman was probably so busy that she had not even eaten dinner, he suppressed this thought.

In any case, it would take Tian Zhen and Jiang Bo a few days to gather information.

He could spend a few days with a woman. He had plenty of time.

After dressing up,

Alinda held Yang Luo’s arm and the two of them left the laboratory.

When the two of them arrived at the hall on the first floor,

When Lisa saw Yang Luo and Alinda holding hands, she was stunned.

“Lisa, you’re still at work?”

Alinda asked with a smile.

“Good evening, President!”

Lisa quickly stood up straight and said respectfully, “I’ll get off work later!”

Alinda nodded and said, “Go home and rest early. Bye!”

With that, Alinda left the building with Yang Luo.

Lisa was stunned for a long moment before she recovered.

She couldn’t help but exclaim, “Oh my god, so the president already has a boyfriend, and he’s from Country Hua!”

At this, she shook her head, "If the president's suitors find out, their hearts will probably break."

After Yang Luo and Alinda walked out of the building, they came to the parking lot.

Alinda threw a car key to Yang Luo, "You drive."

The woman was driving a champagne-colored Lamborghini Urus.

This was a Lamborghini SUV model. It was low-key and luxurious, which suited a woman's identity and status.

After getting into the car.

Yang Luo asked, "Where are we going to eat?"

Alinda thought for a moment and said, "Let's go to Heston's restaurant. It's a Michelin restaurant. The dishes are quite delicious."

"Alright, let's go there!"

Yang Luo nodded, then started the car and left the research institute.

Just as Yang Luo and Alinda left.

In a Rolls-Royce not far away.

A Caucasian young man in a black tailored suit with curly brown hair sat in the back seat, staring intently in the direction where Yang Luo and Alinda had left. His face was extremely gloomy.

“Young Master, are we going home now?”

The chauffeur asked the Caucasian man respectfully.

The Caucasian man said in a deep voice, “Follow them and take a look.”

“Yes, Young Master!”

The chauffeur nodded and started the car.

After Yang Luo and Alinda left the research institute, they arrived at the Heston restaurant after driving for nearly 20 minutes.

This was a high-end western restaurant. The people who came here to eat were either rich or noble.

After parking the car, Yang Luo and Alinda walked into the restaurant.

Under the guidance of a service staff, the two of them sat down in the window seat.

“What would you like to eat?”

The service staff smiled and asked.

Yang Luo said to Alinda, “Alinda, this is my first time here. I don’t know what dishes are delicious. You can order.”

“Alright!”

Alinda nodded and took the menu to order some food. She also ordered a bottle of Romanee-Conti red wine.

After the service staff left.

Yang Luo frowned and said, "Alinda, are you often so busy that you don't eat on time?"

Alinda said, "Only occasionally."

Yang Luo reprimanded, "Although you're also a cultivator now, because you've only cultivated for a short time and your body hasn't transcended the mortal world, you still have to eat and rest on time."

"Got it."

Alinda nodded, her face full of smiles.

Yang Luo pretended to be serious and said, "What are you laughing at? I'm serious."

"I know."

Alinda nodded and said with a smile, "I'm very happy because you care about me."

Yang Luo said, "Next time, if I find out that you didn't eat and rest on time, I'll teach you a lesson."

“Alright, alright, I’ll listen to you.”

Alinda waved her hand and asked, “By the way, why did you suddenly come to Country Oxford? Are you here to see me?”

Yang Luo laughed dryly and said, “I came to Country Oxford to do something. Of course, I also came to visit you as well.”

“I knew you weren’t here to see me.”

Alinda pouted and asked, “By the way, what are you doing in Country Oxford?”

Yang Luo said, “It’s better if you don’t know. The less you know, the less trouble you will have.”

He had no intention of telling the woman why he had come to Country Oxford.

He didn’t want the woman to get involved in trouble.

Alinda stared into Yang Luo’s eyes, “I know you’re not an ordinary person. What you’re going to do must be something big.

I don't have to ask you what you want to do, but I hope that no matter what you do, you have to be careful.

You're my man. If anything happens to you, I'll go crazy from worry."

Yang Luo smiled gently and said, "Don't worry, it'll be fine."

Chapter 1262: Instigated From Behind!

In the following period of time...

The two of them chatted happily.

After a while...

The few dishes and bottle of red wine that Alinda ordered arrived.

Although this was a Michelin restaurant, Yang Luo felt that the dishes here were very exquisite, but the taste was average.

An hour later, they finished their dinner.

Alinda said, "Yang Luo, don't stay in a hotel for the next few days. Come to my house."

"To your house?"

Yang Luo smiled awkwardly, "Isn't that a little inappropriate?"

Alinda smiled and said, "Don't worry, I'm the only one at home."

"Where are your parents?"

Yang Luo asked curiously.

Alinda's eyes darkened, "My parents passed away when I was very young."

Yang Luo said in shock, "They all passed away? How did they pass away?"

"They died of illness."

Alinda sighed and said, "It was precisely because of this that I made up my mind to become the best doctor in the world.

I want to cure all the people in the world who have been tormented by disease so that my tragedy will not be repeated.

But obviously, I'm not the best doctor in the world. There's nothing I can do about many diseases."

Yang Luo held the woman's hand and said gently, "Alinda, you're already the best doctor in the world.

There were all kinds of diseases in the world. Even any doctor could not guarantee that they could cure every disease.

All we can do is do our best to save lives.

In the future, I'll accompany you. I'll be both your lover and your family."

"That's right."

Alinda nodded gently, her eyes red and filled with tears.

Yang Luo sighed in his heart and also made up his mind to love this woman well and give her all the care and concern.

“Let’s go home!”

After saying that, Yang Luo called the service staff over and prepared to pay the bill.

Soon, the service staff walked over with a professional smile, “Sir, it’s a total of 300,000 USD.”

Yang Luo looked puzzled.

Was the food tonight so expensive that it cost 300,000 USD?

Before Yang Luo could speak...

Alinda looked at the service staff and frowned, “Are you mistaken? Why is the bill 300,000 USD?

I looked at the menu just now. This bottle of wine was the most expensive, but it only cost 50,000 USD.

Plus a few dishes, it's at most 60,000 USD. Why is it 300,000 USD?"

The service staff continued to smile and said, "Miss, you must have made a mistake. It does cost 300,000 USD."

Yang Luo said, "Alinda, forget it. 300,000 it is."

As long as you're happy, this bit of money is nothing."

As he spoke, he took out a bank card and prepared to swipe it.

He did not want to waste time on such a small matter.

It wasn't easy for him to come to Country Oxford, so he naturally wanted to spend more time with Alinda.

"Yang Luo, this isn't about money. This restaurant is clearly treating us as fools!"

Alinda stopped Yang Luo and said to the service staff, "Call your Manager over!"

“Alright, please wait a moment.”

The service staff nodded and left.

After a while.

A middle-aged Caucasian man in a black tuxedo walked over.

The Caucasian middle-aged man smiled and said, “Hello, Miss. I’m the Manager of this restaurant, Amos.”

Alinda said in a deep voice, “We clearly only spent 60,000 USD, but your service staff wants to charge us 300,000 USD. May I ask what’s going on?”

Amos turned to the service staff and scolded, “How could you charge these two customers 60,000 dollars?”

The service staff hurriedly said, “Manager, I must have made a mistake. Let me calculate again...”

Amos said, “You did make a mistake. You should have charged 600,000 dollars!”

As soon as these words were spoken...

Alinda was dumbfounded.

Yang Luo also frowned slightly.

“What’s going on? That lady just said that she only spent 60,000 USD, but the service staff wants 300,000 USD.

And now, the manager of the restaurant actually said that he wanted to charge 600,000 USD. Why is he charging more and more?”

“I don’t know. This restaurant seems to be a proper establishment. They never overcharge anything.”

“Could it be that the young couple offended this restaurant?”

The guests began to discuss. They felt that something was wrong.

Alinda said in a deep voice, “Mr. Amos, are you joking?

We only spent 60,000 dollars, but you want to charge us 600,000 dollars?”

Amos slapped his forehead, “Oh, I’m sorry, miss. I seem to have miscalculated again.

You and this gentleman spent a total of one million USD.”

“What?! One million USD?!”

Alinda stood up immediately, trembling with anger, “Are you guys scammers? I’m going to file a complaint against you!”

Amos shrugged, “If you want to file a complaint, miss, go ahead.

However, you still have to pay. May I know how you’re going to pay?”

Alinda was about to speak.

However, Yang Luo stood up and looked at Amos calmly, “Tell me, who instructed you to do this?”

Alinda asked in confusion, “Yang Luo, are you saying that someone instructed him to do this?”

Yang Luo nodded and said, "This guy is just a restaurant manager. If no one instructed him, would he dare to do this?"

"Good point."

Alinda also turned to Amos and said coldly, "Who ordered you to do this?"

Amos smiled and said proudly, "No one instructed me.

I advise you to pay quickly and not embarrass yourselves."

Yang Luo's gaze turned cold, "I'll give you a chance. Tell the person who instructed you to get over here quickly."

Amos said disdainfully, "Yellow monkey, are you unable to pay?

Since you have no money, then you shouldn't come to such a high-end restaurant to eat!

Let me tell you, everyone who comes here to eat is from the upper class. A loser like you..."

Pa!

Before Amos could finish speaking, Yang Luo slapped him in the face!

“Ah...!”

He let out a blood-curdling scream as he flew through the air, knocking over several tables and chairs.

Everyone present was shocked.

Obviously, no one expected Yang Luo to attack directly.

Alinda was also shocked, “Yang Luo, this...”

Yang Luo raised his hand and said, “Leave this matter to me.”

With that, he looked up at Amos and said coldly, “I’ll say it again. Tell the person behind you to get over here!”

Amos stood up with the help of a few service staff.

He covered his swollen face and roared, "Kid, do you know who I work for? How dare you hit me?"

Yang Luo's expression turned even colder, "If you say another word, I'll kill you."

Although Yang Luo's voice was not loud, it reached everyone's ears.

Everyone's eyes widened.

This kid was too arrogant. He even dared to say something like killing someone?

Pa, pa, pa...

At this moment, a round of applause rang out.

"Kid, you're quite arrogant. You actually dare to attack my people and say that you want to kill them?"

A teasing voice was heard.

Everyone present turned around.

A group of people walked over from afar.

At the front was a handsome young Caucasian man in a black tailored suit. He was tall and had curly brown hair.

Behind him was a group of burly and tall bodyguards in black.

When he saw this young Caucasian man...

Everyone present was shocked once again.

“Mr. Anthony, you’re finally here!”

Amos quickly ran over and said with a sobbing tone, “This kid actually dared to hit me and say that he wanted to kill me. You have to stand up for me!”

Chapter 1263: I Want Your Life!

Everyone present looked at Anthony in a daze, their eyes filled with awe.

“Oh my god, isn’t this Young Master Anthony from the Rothschild family?”

“It’s our honor to meet Young Master Anthony!”

Everyone was pleasantly surprised and hurriedly went forward to greet him.

“It’s actually this guy!”

Alinda frowned, her face full of displeasure.

“You know this guy?”

Yang Luo asked.

“Yes, I do.”

Alinda nodded and said, “This guy is the second son of the current head of the Rothschild family, Anthony.

During this period of time, this guy kept harassing me and saying that he wanted me to be his woman.”

“So that’s why.”

Yang Luo nodded in realization and said, “I don’t know much about this Rothschild family. Is this family very powerful?”

“It’s more than powerful. It’s simply terrifying.”

Alinda replied, “The Rothschild family is the number one family in Country Oxford. They control the economy of the entire country.

It even has a huge influence in the entire Euro Domain and the entire world.

All the big companies in the world had the shadow of this family behind them.

Although this family had retreated behind the scenes, it still affected the economy of this world.

It’s said that the entire family’s assets have exceeded 50 billion USD. Money is just a string of numbers to this family.”

“50 billion USD?”

Yang Luo clicked his tongue, “He’s really rich.”

As he spoke, Yang Luo teased, “Alinda, why didn’t you agree to the young master of such a family pursuing you?”

Alinda rolled her eyes at Yang Luo, “You’re still in the mood to joke at a time like this.

This guy is clearly here for you. I’ll think of a way to resolve this matter.”

Yang Luo raised his hand and said, “No need. I’ll settle it.”

No matter how powerful these dogsh\*t families were, could they be as powerful as the top organizations in the Dark World?

He knew very well that the ones who truly controlled this world were not these families, but those top organizations.

At this moment.

Anthony walked over and looked up at Yang Luo. He looked at Yang Luo with disdain and said, "Kid, I don't care who you are or who you are!"

"I'll give you a chance to live. Hurry up and kneel down and kowtow to my people to apologize. Then, get my people to break your legs. This matter will be over."

There was a pause.

He continued, "Also, don't let me see you appear beside Alinda in the future.

If you appear again, I will make you regret living in this world."

After hearing Anthony's words, Yang Luo immediately smiled.

Anthony frowned and said, "Kid, why are you smiling?"

Yang Luo looked up at Anthony and said indifferently, "I'll return these words to you word for word.

Kneel down and kowtow to me to apologize. Don't appear in front of Alinda again.

However, I'm in a good mood today. I don't want your legs."

"Pfft..."

By the side, Amos suddenly laughed, "Kid, do you know who you're talking to?

The person in front of you is the second young master of the Rothschild family, the number one family in Country Oxford and even the entire Euro Domain!

Who do you think you are? How dare you make Young Master Anthony kneel down and apologize to you?

Do you believe that Young Master Anthony's words will make you unable to see the sun tomorrow?

A brat from Country Hua dares to be arrogant in Country Oxford? He's simply courting death..."

Bang!

Before Amos could finish speaking, Yang Luo kicked him in the stomach!

“Arghhhh!”

Amos screamed as his body flew backward like a cannonball and slammed into the wall.

The wall immediately cracked.

Amos slid down and spat out a mouthful of acid mixed with blood.

This was still because Yang Luo had tried his best to hold back. Otherwise, this kick would have killed this guy.

Yang Luo looked at Amos coldly and said, “The master hasn’t even said anything. Why are you, the lapdog, barking?”

Everyone present was stunned!

They never expected that Yang Luo would actually dare to make a move!

This was the Young Master Anthony of the Rothschild family!

This brat actually dared to hit someone in front of Young Master Anthony. Wasn't he courting death?

As expected...

Anthony was instantly furious, so angry that his entire body was trembling!

He glared at Yang Luo and said fiercely, "Kid, I've changed my mind!

Not only do I want your legs, but I also want your life!"

Right after he finished his sentence...

Pa!

Yang Luo directly slapped his face!

"Ah...!"

Anthony cried out in pain and flew out, knocking over a few tables and chairs, spilling soup all over him.

Alinda was frightened. She grabbed Yang Luo's hand and said, "Yang Luo, is it really okay to do this?"

"It'll be fine."

Yang Luo gently patted the woman's hand and gave her a reassuring look.

Alinda did not know what to do either. She could only choose to believe Yang Luo.

However, the others present were in an uproar.

"This kid has a death wish. How dare he hit Young Master Anthony!"

"This matter has already blown up. This kid will definitely die tonight!"

Everyone present looked at Yang Luo with pity.

Everyone thought that Yang Luo was a fool. He even dared to hit Young Master Anthony of the Rothschild family.

“Young Master Anthony!”

A few bodyguards reacted and quickly ran over to help Anthony up.

Anthony stood up and roared angrily, “What are you waiting for? Kill this kid! Kill him!”

“Yes!”

The bodyguards responded and rushed towards Yang Luo.

Before the bodyguards could approach...

Yang Luo only took a step forward.

A terrifying aura spread out, sending all the bodyguards flying, knocking over rows of tables and chairs before falling heavily to the ground.

Everyone present was so frightened that they quickly retreated and looked at Yang Luo with fear in their eyes.

Only then did they understand that Yang Luo was not an ordinary person!

Anthony was also frightened and took a few steps back.

He stared at Yang Luo with a dark expression and said fiercely, "Kid, your skills are not bad. No wonder you're so arrogant!"

However, no matter how good you are, you have to die tonight!"

"So you're calling for help?"

Yang Luo chuckled and said, "You bullsh\*t young masters are all the same. If you can't win, you'll call for help.

"Since you want to call for help, hurry up."

"Just you wait!"

Anthony said ruthlessly and took out his phone to make a call.

After making the calls,

Anthony grinned hideously, “Kid, you’re dead!”

Yang Luo ignored Anthony and said to Alinda, “Alinda, don’t stand. Sit and wait.”

With that, Yang Luo pulled Alinda to sit down.

Alinda said nervously, “Yang Luo, it’s said that Rothschild knows many people from the Dark World.

Those people are not ordinary people. He must have called those people over to help. What should we do?”

Yang Luo smiled easily and said, “Alinda, don’t worry. It’ll be fine.

Tonight, I’ll let you know that your man will be able to protect you at all times and in front of anyone.”

Seeing Yang Luo’s confident gaze, Alinda’s nervous mood gradually calmed down.

Alinda took a deep breath and said, "Alright, I believe you."

"That's more like it."

Yang Luo scratched the woman's nose and revealed a doting smile.

Seeing how intimate Yang Luo and Alinda were, Anthony was about to explode from anger.

Chapter 1264: Seeing You Is Like Seeing the Patriarch!

He wished he could skin Yang Luo alive.

However, when he thought of Yang Luo's strength, he could only swallow his anger.

When his people arrived, he would torture this kid to death.

They waited for less than ten minutes before Tang Dexin's phone rang.

"Mr. Anthony, we're here!"

A hoarse voice sounded.

Everyone looked up.

A group of men in black walked in.

At the front was a thin and tall middle-aged man in a black coat with curly chestnut hair.

Yang Luo realized that these people's faces were abnormally pale.

Moreover, he felt that the aura of this group of people was somewhat familiar.

Could it be them?

"Mr. Messedro, you're finally here!"

Anthony hurriedly went forward and looked at the middle-aged Caucasian man respectfully.

Messedro nodded and asked, "Mr. Anthony, who hit you?"

“It’s this kid!”

Anthony pointed at Yang Luo, “Not only did this kid hit me, but he also hit my people!

Please kill this kid for me. I’ll take responsibility if anything happens!”

Messedro frowned, “Do we need to kill?”

“That’s right!”

Anthony nodded and said fiercely, “This kid must die!”

“Alright.”

Messedro sighed and nodded. Then, he turned to look at Yang Luo, “Kid, this is Country Oxford. It’s not a place for you to be arrogant!

Since Mr. Anthony wants your life, I can only apologize!”

Before his voice could fade...

Messedro's figure flashed and turned into a blood-red shadow that rushed towards Yang Luo!

And just as he approached Yang Luo!

He held his right claw with a blood-colored glow and slashed a few blood-colored claw marks in the air as he grabbed at Yang Luo's neck!

Yang Luo was not afraid at all. He raised his right hand, and his palm was suffused with a golden light as he faced the attack with a palm!

Dong!

The palm and claw collided, resulting in a loud explosion!

Waves of energy spread out from the point of collision and washed in all directions!

Rumble!

The surrounding tables, chairs, and glass doors were instantly shattered, and cracks appeared on several walls!

Everyone present was frightened and retreated far away, their faces filled with fear.

They also realized that Yang Luo and Messedro were not to be trifled with!

In the next second...

“Argh!”

Messedro let out a muffled groan and was sent flying, crashing heavily into a wall!

However, Yang Luo stood rooted to the ground and did not move at all.

“Mr. Messedro!”

Anthony shouted in shock.

He knew that Messedro was not an ordinary person. He was extremely powerful!

However, he did not expect that Messedro would be sent flying by a slap from this Country Hua brat!

The expressions of the ten men in black who had come with Messedro turned cold. They moved at the same time and transformed into blood-colored streams of light that rushed towards Yang Luo!

In the blink of an eye!

The ten men in black approached Yang Luo. At the same time, they waved their claws and grabbed at Yang Luo!

Yang Luo raised his right arm, turned his palm into a fist, and attacked!

Boom! Boom!

The fist and claws collided, emitting rumbling thunder!

“Ah! Ah! Ah...”

The ten men in black cried out in pain and were sent flying at the same time!

Anthony was stunned when he saw this!

Even when the ten of them joined forces, they were still no match for this kid?

Who was this kid? How could he be so strong?

“Kid, your strength is not bad. Come, let’s continue!”

Messedro shouted and charged at Yang Luo again!

However, just as Messedro approached!

Yang Luo raised his hand and said, “Wait!”

Messedro stopped and frowned, “What do you want, boy?”

Yang Luo narrowed his eyes and asked, “Are you from the Blood Race?”

After exchanging blows, he was certain that these guys were from the Blood Race.

He had interacted with the Blood Race before, so he naturally knew them very well.

Hearing this...

Messedro and the other ten black-robed men were instantly shocked.

“Kid, how do you know about our Blood Race?”

Messedro asked in a low voice.

Yang Luo took out a black and red token and threw it to Messedro, “Do you recognize this token?”

Messedro took the token, and his expression immediately changed, “It’s actually the ‘Blood Emperor Token’?! ”

As he spoke, he hurriedly knelt on one knee with a pious and respectful expression.

The 10 men in black also knelt down, their expressions incomparably respectful.

Seeing the Blood Emperor Token was like seeing the Blood Clan's Patriarch.

Although they didn't know who Yang Luo was, since Yang Luo had the Blood Emperor Token, he was definitely a very important person in the Blood Race.

In an instant...

Everyone in the restaurant was dumbfounded.

"What's going on now? Why did these people suddenly kneel down halfway?!"

"It's obvious that these people aren't ordinary people, but they knelt down to this Country Hua kid. I'm afraid this Country Hua kid has an even bigger background!"

"Looks like Young Master Anthony has kicked an iron plate this time!"

Everyone started discussing in shock. They no longer looked at Yang Luo with contempt.

Anthony, in particular, was dumbfounded and could not help but tremble.

Although he was able to ask Messedro for help, he and Messedro did not have a superior-subordinate relationship, only a cooperative relationship.

No matter how rich and influential the Rothschild family was, they had to treat the ancient Blood Race with respect.

But now, Messedro was actually kneeling down to this Country Hua brat!

Who exactly was this kid?

Yang Luo was also a little stunned. He did not expect the token given to him by the Blood Clan's Patriarch, Augustus, to be so powerful.

Messedro respectfully returned the Blood Emperor Token to Yang Luo, "Sir, may I know your name?"

"Yang Luo."

Yang Luo simply replied.

"What?!"

Messedro's pupils constricted as he exclaimed, "You're the Mr. Yang who saved our Blood Race and repelled the Holy Light Church?!"

Yang Luo nodded and said, "Back then, when I went to your Blood Race as a guest, I did help your Blood Race a little."

Messedro's eyes were red as he said excitedly, "Mr. Yang, you're the benefactor who saved our Blood Race!"

The Patriarch told me everything that happened back then. Your kindness to our Blood Race is greater than the mountains and deeper than the sea!

The Patriarch had also said that all the members of the Blood Race should view him as if they were seeing the Patriarch himself!

No matter what you want us to do, we have to follow your orders!"

Yang Luo smiled and helped Messedro up, "Since we're friends, there's no need to be so polite. Get up!"

Messedro stood up and hurriedly apologized, "Mr. Yang, I've offended you just now. I hope you can forgive me!"

“Mr. Messero, who the hell is this kid?”

At this moment, Anthony walked over and looked at Yang Luo with fear in his eyes.

Messedro said in a deep voice, “Mr. Yang is our Blood Race’s benefactor and also our Patriarch’s friend!

How dare you ask me to kill Mr. Yang? Are you courting death?”

“No, no, no, Mr. Messedro, this is all a misunderstanding, a misunderstanding!”

Anthony was so frightened that he shook his head repeatedly. His face turned pale and cold sweat broke out.

Chapter 1265: What Terrifying Existence?

Anthony really did not expect Yang Luo to be the benefactor of the Blood Race and a friend of the Blood Race Patriarch.

After all, even his father, as the current head of the Rothschild family, was not qualified to be the friend of the Blood Clan’s patriarch.

Messedro asked Yang Luo respectfully, “Mr. Yang, may I ask what happened just now?”

Yang Luo did not hide anything and told Messedro what had happened.

After hearing Yang Luo's words, Messedro's expression instantly turned cold.

He turned around and shouted at Anthony, "Anthony, are you crazy? How dare you cause trouble for Mr. Yang?

If you don't want to implicate your entire family, kneel down quickly!"

Thump!

Anthony was so frightened that he knelt down. His entire body was trembling, and cold sweat flowed down his face!

Messedro continued, "Kowtow and apologize to Mr. Yang!

If Mr. Yang doesn't forgive you, our Blood Race will have nothing to do with your Rothschild Family in the future!

And your life is now in Mr. Yang's hands!"

Anthony hurriedly kowtowed and apologized to Yang Luo, “Mr. Yang, I’m sorry. I was wrong. I won’t dare to do it again!

It’s also because I saw you and Alinda being so intimate that I was blinded by jealousy. Please forgive me this time!”

The hotel manager, Amos, also knelt down and kowtowed to Yang Luo to apologize.

At this moment...

Everyone present was dumbfounded, and their hearts were in turmoil.

“Oh my god, Young Master Anthony of the Rothschild Family actually kowtowed to this Country Hua kid to apologize and beg for forgiveness?”

“This kid is definitely not as simple as he looks on the surface. His background is definitely not small!”

Everyone started discussing in shock. They looked at Yang Luo with reverence.

Alinda, who was standing beside Yang Luo, also widened her beautiful eyes in shock.

She looked at Yang Luo in a daze and felt that she didn't know this man anymore.

This man's current power was too terrifying.

The person Anthony called over was respectful to Yang Luo.

And in the end, Anthony could only kneel down and kowtow to beg Yang Luo for forgiveness.

Seeing that Yang Luo was silent,

Anthony continued to kowtow. His forehead was bleeding.

Messedro bowed slightly and said, "Mr. Yang, if you're unwilling to forgive this kid, I'll help you kill him!

"Even if we kill this guy, the Rothschild Family won't dare to fart!"

"Ah...!"

Anthony screamed in fear, tears and snot flowing down his face, “Mr. Messedro, don’t kill me, don’t kill me. I really know my mistake!”

Yang Luo looked at Anthony coldly and said, “Anthony, for Mr. Messedro’s sake, I can forgive you this time.”

He could also tell that the Blood Race and the Rothschild Family were working together.

If he really killed Anthony, it would not be good.

In any case, this guy did not cause any substantial harm to him and Alinda.

Moreover, he was here for a mission. There was no need to cause trouble.

Messedro said coldly, “Hurry up and thank Mr. Yang!”

“Thank you, Mr. Yang. Thank you, Mr. Yang!”

Anthony quickly thanked him. His back was drenched in sweat.

Yang Luo's eyes were cold as he said, "Alinda is my woman. If you dare to harass her again, I will definitely take your life!"

Anthony was shocked and quickly expressed his stance, "Mr. Yang, don't worry. I won't harass Miss Alinda anymore!"

Yang Luo turned to look at Amos and said indifferently, "This guy is very arrogant because he has you backing him up. I don't like it."

When Anthony heard this, he immediately shouted at his bodyguards, "Men!"

A few bodyguards immediately walked over.

Anthony said coldly, "Take this guy away!"

"Yes!"

The bodyguards responded and picked Amos up.

Amos was scared out of his wits. He cried and begged for mercy, "Young Master Anthony, no, no!"

As he spoke, he begged Yang Luo for mercy, “Mr. Yang, I was wrong. Please let me off!”

However, Yang Luo didn’t look at Amos again.

Soon, a few bodyguards dragged Amos away.

Everyone knew that Amos would never see the sun tomorrow.

Yang Luo looked at Messedro and said, “Mr. Messedro, I’ll leave this to you.”

“Alright, Mr. Yang!”

Messedro nodded and told Yang Luo his phone number, “Mr. Yang, if you need anything in Country Oxford, feel free to contact me!”

“Sure.”

Yang Luo nodded and left the restaurant while holding Alinda’s hand.

Only when they confirmed that Yang Luo and Alinda had left....

Did Anthony then dare to stand up shakily.

Messedro said in a deep voice, "Anthony, let me give you a piece of advice. Don't become enemies with Mr. Yang.

If you dare to be enemies with Mr. Yang, even your entire family and your family's connections won't be able to protect you."

There was a pause.

He continued, "Do you know about the Holy Light Church?"

Anthony said, "Of course I know. That's one of the top organizations in the Dark World, a true behemoth.

Our family can only curry favor with this organization and not dare to offend them."

Messedro said, "Even if it's a behemoth like the Holy Light Church, Mr. Yang is not afraid.

Back then, Mr. Yang had even killed many Cardinals and white-robed bishops of the Holy Light Church by himself. He had even killed three Church Protector Angels.

“Mr. Yang is a true top expert in this world. He’s not someone you and I can provoke.”

“ ... ”

Anthony opened his mouth, but no words came out.

That young man was actually so terrifying that he even dared to kill people from the Holy Light Church?

Most importantly, this young man was still alive and well after killing the people from the Holy Light Church!

What kind of terrifying existence had he provoked tonight?

He had already decided that he would find a way to ease his relationship with Yang Luo in the future. Even if they couldn’t become friends, they definitely couldn’t become enemies.

On the other side...

Yang Luo drove Alinda slowly on the road.

Along the way, Alinda just tilted her head and looked at Yang Luo's side profile without saying anything for a long time.

After ten minutes of silence.

Yang Luo coughed lightly and said, "Alinda, why are you staring at me without saying anything?"

Alinda said, "Yang Luo, I feel like I don't know you anymore."

"Huh?"

Yang Luo looked puzzled, "What do you mean?"

Alinda sighed and said, "I feel that the gap between us is getting bigger and bigger.

I originally thought that as the president of the Euro Domain's Western Medical Association, my status and position were already high enough.

But now I realize that my status and identity are nothing compared to yours.

Even in the face of an ancient world-class family like Rothschild, you can contend with them and resolve a crisis with a laugh.

I feel that I'm not worthy of you anymore..."

It was really because she loved Yang Luo deeply that she felt so worried.

Yang Luo was caught between laughter and tears, "Silly girl, what are you letting one's imagination run wild for?

'What do you mean, more and more unworthy of me?'

The reason why I made myself stronger and the authority behind me stronger was only to protect the people I cherished.

And you are one of the people I cherish most.

No matter who you are, what identity and status you have, you will always be my lover.

It's someone I want to protect with everything I have."

Alinda's eyes were red, and tears flowed uncontrollably, "Darling, it's so good to have you!"

"Silly girl, don't cry."

Yang Luo reached out and touched Alinda's head, "It's already ten at night. Are we going home or going somewhere?"

Alinda thought for a moment and said, "Let's go to the Wheel of the Millennium!"

Chapter 1266: Begin Operation!

"The Wheel of the Millennium?"

Yang Luo was stunned for a moment, "What is that place?"

Alinda said, "That's the world's first and once the world's largest Ferris wheel. It's also called the London Eye and was built at the end of 1999.

In the past, I told myself that if I had a lover in the future, I would definitely bring him to the Wheel of the Millennium.

It's said that when the Wheel of the Millennium rises to the highest point, all the wishes made can be fulfilled."

At this moment, Alinda was no longer the world-famous president of the Euro Domain Western Medical Association. She was just a little girl who was in love and looking forward to the future.

Yang Luo smiled gently and said, "Alright, then let's go to the Wheel of the Millennium!"

Since it was a woman's wish, he naturally had to satisfy it.

As he spoke, Yang Luo turned on the GPS and headed straight for the Wheel of the Millennium.

After driving for more than twenty minutes, they arrived at the place.

Although it was night time, the Wheel of the Millennium was still open.

There were also many couples playing here.

After Yang Luo bought the tickets, he waited for a while before holding Alinda's hand and sitting on the Wheel of the Millennium.

The Wheel slowly rotated and gradually rose to the highest point.

As the Wheel of the Millennium reached a total height of 135 meters, when it reached the highest point, one could almost see the entire Lun City.

In the distance the Thames flowed slowly, shimmering in the light of the lamps.

One could also see Big Ben in the distance. The hands inside were slowly turning.

Alinda put her hands together, closed her eyes, and began to make a wish.

A few minutes later, she opened her eyes.

Yang Luo hugged Alinda from behind and asked curiously, "Alinda, what did you wish for?"

Alinda shook her head and said, "You can't say it. It won't work if you say it."

"Alright."

Yang Luo nodded and did not ask further.

However, he knew that a woman's wish must be very beautiful.

Alinda turned around and wrapped her arms around Yang Luo's neck. She said tenderly, "Darling, I love you!"

"I love you too."

Yang Luo replied gently.

Alinda asked, "Will we be together forever?"

Yang Luo said affirmatively, "Of course."

Alinda nodded vigorously, "We have to be together forever and never be separated!"

"Argh!"

Yang Luo also nodded in agreement.

In the next second...

Alinda tiptoed and kissed Yang Luo's lips.

Yang Luo also responded to the woman's kiss.

Endless tenderness and love merged into their hearts. Forever, forever...

...

In the blink of an eye, five days had passed.

In these five days, Yang Luo accompanied Alinda to several famous tourist attractions in the big cities of Country Oxford.

The sound of their laughter could be heard everywhere.

At ten o'clock in the evening on the fifth day.

Hampton Villa Complex.

As one of the most high-end villa districts in Lun City, each villa here was worth more than 30 million pounds.

At this moment.

Villa No. 16.

In a bedroom on the second floor.

After making out, Alinda hugged Yang Luo and fell asleep.

However, Yang Luo did not fall asleep. Instead, he opened his eyes and looked at the ceiling.

This afternoon, Tian Zhen called him and said that he had already investigated all the information.

Yang Luo informed Tian Zhen and told everyone to prepare for tonight's operation.

After waiting for another half an hour or so...

Yang Luo gently removed the woman's hand, got off the bed, and put on his clothes.

Then, Yang Luo bent down and kissed the woman's forehead.

Moreover, he left a note on the bedside table and told the woman that he had something to do and not to worry.

"Silly girl, I'm leaving. Take good care of yourself."

Yang Luo said gently and left the villa.

After walking out of the villa area, Yang Luo hailed a taxi and went straight to Westin Hotel.

On the way to the hotel, Yang Luo took out his phone and called Tian Zhen, asking everyone to gather in the room.

Half an hour later.

Yang Luo arrived at the hotel and took the elevator upstairs.

When Yang Luo walked into the room, Xu Ying and the others turned to look at him.

Lan Xiaomeng looked at Yang Luo resentfully.

Initially, she thought that she could have fun with Yang Luo in Lun City for a few days.

Unexpectedly, Yang Luo ran away the moment he arrived in Lun City.

How annoying.

Bujie teased, "Oh my god, the missing person have returned!

"Brother Yang, I thought you were so immersed in Sister-in-law's gentleness that you forgot about the mission!"

Pa!

Yang Luo slapped Bujie's bald head, "Alright, stop talking nonsense. Tell me, how's the investigation going?"

Jiang Bo said, "After Brother Tian and I've investigated for the past few days, we've basically investigated the situation in Buckingham Palace.

This is a document that Brother Tian and I have compiled.

It contains the number of royal knights and experts guarding Buckingham Palace.

It also maps out the route to and from Buckingham Palace and the exact location of the Royal Treasury."

Yang Luo said, "Brother Tian, Brother Jiang, thank you for your hard work."

Tian Zhen shook his head and said, "As long as we can complete the mission successfully, this matter is nothing."

Yang Luo nodded and took the documents to read.

Everyone waited quietly.

Ten minutes later.

After reading the information, Yang Luo directly mobilized the flames in his body and burned the information in his hand to ashes.

He glanced at everyone present and said in a low voice, “Brothers, there are more than 3,000 royal knights guarding Buckingham Palace. Among them, there are more than 100 experts.

Moreover, once we break into Buckingham Palace, it will definitely alarm the upper echelons of Country Oxford.

When the time came, they would definitely send reinforcements.

Therefore, there might be a fierce battle to fight tonight.

Is everyone ready?”

“Ready!”

Xu Ying and the rest replied in unison.

Bujie said excitedly, "After waiting for five days, we can finally have a big battle!"

Lan Xiaomeng also waved her fists excitedly, "If they dare to stop us, I'll beat them up!"

"Don't be so impulsive and belligerent, you two."

Yang Luo rolled his eyes at the two of them and said, "Our main goal this time is to take back the Jizhou Cauldron and the Imperial Jade Seal. It's not purely to kill.

As long as you obtain the Cauldron and the Seal, don't continue fighting and quickly retreat."

"Yes!"

Bujie and Lan Xiaomeng nodded in agreement.

Yang Luo glanced at the clock on the wall.

The time was precisely midnight.

He stood up and waved his hand, "Brothers, let's go!"

“Let’s go!”

Xu Ying and the rest responded in loudly.

Everyone’s eyes were exceptionally firm, and their hearts were filled with fighting spirit.

This time, they had to take back the Jizhou Cauldron and the Imperial Seal and complete the mission.

Soon, Yang Luo and the others left the hotel. They got into a few commercial cars and went straight to Buckingham Palace.

The car drove for more than half an hour before they finally arrived at Buckingham Palace.

Buckingham Palace used to be the residence of the royal family of Country Oxford. It had a very long history.

Ancient castles and buildings sat there, revealing the traces of time.

In front of the building was a huge square and lawn. Statues stood in the square.

There is also a large monument standing in the centre of the square.

Above the monument was a majestic statue of the Goddess of Victory, Victoria, wearing a crown and holding a scepter.

Yang Luo and the others parked the car in the distance. Under the cover of the night, they quietly approached Buckingham Palace.

When they approached Buckingham Palace, they saw many tall and mighty knights in knight uniforms patrolling the surroundings with swords in their hands.

Feng Lengyue frowned, "There are actually so many royal knights patrolling. Big brother Yang, how are we going to enter?"

Chapter 1267: Fierce Battle Under the Night!

Bujie gripped the Dragon-Mark Buddhist Staff tightly and said excitedly, "How else can we enter? Of course, we have to kill our way in!"

"That's right, that's right!"

Lan Xiaomeng was also excited, "These royal knights look mighty, but they're actually only slightly stronger than ordinary people. They're no threat to us at all!"

Yang Luo asked Jiang Bo, "Brother Jiang, how many people are guarding the back door?"

Jiang Bo replied, "The back door is the same as the main door. There are more than a thousand royal knights guarding it.

There are still more than a thousand people guarding the Royal Treasury."

"If that's the case..."

Yang Luo narrowed his eyes and said with a cold glint, "Then there's no need to hide. Just kill your way in through the main door!"

"Alright!"

Everyone immediately chorused out.

Then, Yang Luo took out his phone and sent a few messages.

"Brother Yang, who are you texting?"

Tian Zhen asked.

The others also looked at Yang Luo for explanation.

Yang Luo said, "I sent a message to a few friends in the Euro Domain and asked them to meet us at sea later."

Tian Zhen said, "Brother Yang, it seems like you've already thought of how to retreat."

Zhuge Changfeng laughed and said, "I told you that it's very easy to follow Brother Yang on missions."

Lan Xiaomeng chimed in with a smile, "Brother Yang is the best!"

"Brother Yang, who's the person who's picking us up?"

Feng Lengyue asked curiously.

Yang Luo smiled and said, "I'll introduce you guys when we meet later."

“Alright!”

Feng Lengyue and the others nodded.

Yang Luo looked up at the square not far away. With a thought, he shouted!

“Sword, come!”

Whoosh!

Accompanied by a crisp sound of metal!

The Dragon Emperor Sword flew out of his storage ring and shot towards a group of royal knights patrolling the square!

In an instant!

Puff! Puff! Puff!

There were a total of ten royal knights in this group, and their chests were instantly pierced through!

Blood splattered in the air, and ten royal knights fell heavily to the ground!

For a moment...

The other royal knights in the square were alarmed!

“Who is it?!”

“The Eighth Squad has been killed!”

“Enemy attack! Enemy attack!”

The Royal Knights who were patrolling shouted loudly.

After killing the ten royal knights, the Dragon Emperor Sword returned.

Yang Luo raised his right hand and held it tightly.

“Holy shit!”

Bujie’s expression was shocked, “It’s starting just like that?!”

“Brothers, attack!”

Yang Luo waved the Dragon Emperor Sword in his hand and transformed into a golden stream of light that rushed out first!

“Brothers, let’s go!”

Bujie shouted excitedly and rushed forward with the Dragon-Mark Buddhist Staff in hand!

“Wayaya, charge!”

Lan Xiaomeng also shouted and rushed out!

The moment she rushed out!

Lan Xiaomeng immediately activated her berserk mode. Her small body instantly grew taller and stronger, bursting her princess dress!

Her body grew to nearly five meters tall, and her strong muscles pushed up her black tights. The King Kong Barbie form appeared in front of everyone again!

Xu Ying, Prajna, Tian Zhen, Feng Lengyue, Zhuge Changfeng, and Jiang Bo also rushed out!

Seeing Yang Luo and the others suddenly rushing out!

The royal knights in the square were stunned. They could not figure out what was going on!

“Who are you?!”

“This is the royal family’s forbidden area. You are not allowed to trespass!”

The royal knights shouted one after another.

Yang Luo didn’t say anything and directly slashed out with his sword!

Swoosh!

He slashed out with his sword. The sword light shone brightly, and the sword qi soared into the sky. The brilliant sword power was unstoppable!

Before the dozens of royal knights in front of him could react, they were killed by a sword!

Bang!

The huge golden sword struck the square heavily, creating a 300-meter-long ravine in the firm square!

“F\*ck! How dare you barge into the royal family’s forbidden area? You have a death wish!”

“Leave no one alive. Kill without mercy!”

These royal knights roared angrily and charged towards Yang Luo and the others!

“Those who stand in my way, die!”

Lan Xiaomeng let out a delicate cry and rushed out like a heavy truck!

Bang! Bang! Bang!

Before the royal knights could get close, they were sent flying!

Puff! Puff! Puff!

The royal knights spat out blood and died the moment they landed on the ground!

Meanwhile, more than ten royal knights launched a sneak attack from behind. They brandished their swords and slashed at Lan Xiaomeng!

Swoosh! Swoosh! Swoosh!

More than ten swords shone with a sharp cold light under the light. They were incomparably sharp!

However, Lan Xiaomeng was not afraid at all. She used her body to withstand it!

Clang! Clang! Clang!

More than ten swords landed heavily on Lan Xiaomeng's body, making a crisp sound of collision, as if they had struck steel!

"Ah...!"

"Who is this girl? Is she a monster?!"

The dozen or so royal knights were stunned.

"Die!"

Lan Xiaomeng roared and turned around abruptly. She raised her fan-sized palm and slapped again!

Bang! Bang! Bang!

The dozen or so royal knights were instantly sent flying. Many of their bones were broken, and their internal organs were shattered. They spat out blood and died!

After killing the dozen or so royal knights!

Lan Xiaomeng turned around again. She reached out with both hands and grabbed the necks of the two royal knights who had launched a sneak attack. Then, she rammed them into the middle!

Peng!

The heads of the two royal knights exploded like watermelons!

After killing these two Royal Knights!

Lan Xiaomeng threw their corpses out like sandbags!

More than ten royal knights who were rushing over were sent flying!

“Holy sh\*t, Little Meng is getting more and more ferocious now. She’s simply a walking weapon!”

Bujie cried out in alarm as he sent a few people flying with his staff.

Yang Luo, Xu Ying, and Prajna were also shocked!

All of them hadn't seen Lan Xiaomeng for a while!

Now that they saw her again, they realized that Lan Xiaomeng's combat ability had increased quite a bit. She was getting more and more terrifying!

"Fight!"

Lan Xiaomeng let out a roar and stomped on the ground!

The ground cracked and collapsed!

Meanwhile, Lan Xiaomeng's huge body leaped out and charged towards the royal knights!

"Acalanātha Fist!"

"Tiger Roaring Mountain Splitting Fist!"

Tian Zhen and Jiang Bo also charged forward. They clenched their fists and punched out one punch after another!

As the leaders of the two groups of Hidden Dragon Pavilion, the two of them were reticent and were known for their calmness!

The two of them cultivated martial arts that were known for their strength and ferocity. Their fist techniques were wide and powerful, and every punch was like a heavy cannon!

Bang! Bang! Bang!

Each of their punches was as heavy as a thousand catties, sending the royal knights charging over flying!

All the royal knights who were hit by the fist either died directly or lost their combat strength and could not get up again!

“Fuukou Qimen Array!”

“Wuhou Qimen Formation!”

Although Feng Lengyue and Zhuge Changfeng’s close combat abilities were average, their long-range attacks were extremely tyrannical!

Before the royal knights could approach, they were trapped in the two arrays!

“Formation, activate!”

After trapping these royal knights, the two of them shouted at the same time!

The dual arrays were activated. Light flashed and energy surged. All kinds of phenomena appeared and attacked these royal knights!

“Ahhhh...”

These royal knights let out miserable cries as they were killed one after another and fell in the array.

Chapter 1268: Knight Commander!

“Quickly charge out!”

The remaining dozen or so royal knights roared and brandished their swords in an attempt to charge out of the array!

However, as the array was activated, the attacks became more and more ferocious as they bombarded the dozen or so royal knights in the array!

In less than a few minutes....

The remaining dozen or so royal knights in the array were all killed!

“Kill these two guys!”

More than a hundred royal knights rushed towards Feng Lengyue and Zhuge Changfeng from all directions!

These royal knights were wearing armor of different colors and materials, and the knight swords in their hands were also different!

From this, one could see that the royal knights of Oxford were divided according to their strength. From high to low, they were platinum knights, golden knights, silver knights, bronze knights, and black iron knights!

As for Yang Luo and the others, they were all fighting Silver Knights, Bronze Knights, and Black Iron Knights. They did not see the appearance of Platinum Knights and Golden Knights yet!

At this moment.

Hundreds of silver knights, bronze knights and black iron knights were charging towards them!

Feng Lengyue and Zhuge Changfeng didn't panic. They raised their hands and activated the Fuukou Qimen Formation and Wuhou Qimen Formation!

"Qian, Kun, Zhen, Xun, Gen, Dui, Kan, Li!"

Feng Lengyue coldly shouted.

Eight runes shone with various colors as they struck out!

"Heaven, Earth, Thunder, Wind, Mountain, Swamp, Water, Fire!"

Zhuge Changfeng also shouted.

In an instant!

Mountains, rivers, lakes, water, fire, wind, and thunder all attacked in all directions!

Rumble!

Accompanied by a series of explosions, the surrounding royal knights were killed one after another!

At the same time that Feng Lengyue and Zhuge Changfeng attacked at the same time!

In the square in the distance.

Xu Ying, Bujie, and Prajna also displayed their abilities and attacked the royal knights!

“Floating Light and Shadow!”

“Blade Aura Ten Thousand Feet!”

“Chasing Light and Lightning!”

Xu Ying slashed out again and again!

Swoosh! Swoosh! Swoosh!

Saber shadows filled the sky as saber qi wreaked havoc and swept in all directions!

“Thousand Mass Suppression!”

“Subduing Dragons and Tigers!”

“Devil Slaying Bandits!”

Bujie gripped the Dragon-Mark Buddhist Staff tightly with both hands and swung it continuously!

The Buddhist light shone brightly and the shadows of the staff stacked on top of each other. It was incomparably ferocious!

“Ice River Torrential!”

“Divine Fire Prairie Fire!”

“Song of Ice and Fire!”

Prajna also constantly waved the Sun and Moon Divine Staff in her hand and launched a fierce attack!

Ice and flames surged in the sky and washed in all directions!

Those royal knights could not even get close to the three of them before they were all killed!

With the Dragon Emperor Sword in hand, Yang Luo charged at the front and started a massacre, clearing the way for everyone!

At this moment, Yang Luo was pushing his way forward. He swung the sword in his hand crazily like a god of death, killing all the royal knights who rushed over!

He knew very well that the longer this dragged on, the more dangerous their situation would be!

Therefore, he had to quickly resolve the troubles here and head to the Royal Treasury to retrieve the Jizhou Cauldron and the Imperial Jade Seal!

However, as time passed!

Even more royal knights guarding Buckingham Palace rushed over from all directions!

Additionally, not only silver knights, bronze knights and black iron knights, but also many platinum knights and gold knights!

“Who are you?!”

“Why are you trespassing into the royal family’s forbidden area? What do you want?!”

“You’ve already committed a heinous crime by trespassing into the royal family’s forbidden area and starting a massacre!”

“Hurry up and surrender. Don’t resist fearlessly!”

The ten leading platinum knights roared in anger.

These 10 platinum knights were the commanders of these 3,000 people. They were many times stronger than the other royal knights.

Yang Luo looked at these platinum knights coldly and said in a loud voice, “It’s time to return the treasures you snatched from our Country Hua back then!”

“So it’s someone from Country Hua. I was wondering who it was!”

A platinum knight with golden curly hair immediately sneered, “Kid, if you want to blame someone, blame your country for being too weak back then and not being able to protect those treasures!”

Now that those treasures are with us, they are the treasures of Country Oxford and have nothing to do with you!”

Bujie was instantly enraged as he scolded, “Damn you, you are a bunch of despicable and shameless bandits!

Back then, you stole our country’s treasures. Not only did you not return them, you even shamelessly said that they were your treasures. Pfft!”

Lan Xiaomeng also shouted, “Hurry up and return our treasures to us!”

A platinum knight with curly brown hair sneered and said, “You want us to take the initiative to return the treasure? No way!

If you have the ability, snatch those treasures back. If you don’t, shut up!”

A platinum knight with curly chestnut hair also mocked, “All these years, you’ve sent many people to snatch the treasure, but in the end, those guys didn’t leave alive!

It’s the same for all of you tonight. Don’t even think about leaving this place alive!”

Yang Luo's expression was extremely cold as he roared, "Kill!"

"Kill these despicable bastards!"

Bujie roared and charged forward!

Xu Ying and the rest moved at the same time and charged over!

Five of the leading Platinum Knights led a large group of Royal Knights and charged towards Bujie and Xu Ying!

The remaining five leading platinum knights led a portion of the royal knights to attack Yang Luo!

They could also tell that Yang Luo was the leader of this group!

Therefore, their main target was Yang Luo!

Seeing the royal knights charging over!

Yang Luo swung the sword in his hand with all his might!

Whoosh! Whoosh! Whoosh! Whoosh!

Countless golden flying swords condensed and shot out, as if it was raining golden swords!

“Everyone, be careful!”

A leading platinum knight shouted and waved the sword in his hand to block the attack of the flying sword!

The other royal knights also brandished their swords and slashed at the golden flying swords!

Even though they reacted in time, many royal knights were still riddled with holes!

After swinging his sword!

Yang Luo stomped on the ground and let out an explosive roar!

“Sea of Purgatory Fire!”

Fierce and violent golden flames spewed out of his body, turning into a golden sea of fire that surged up!

“Ahhhh...”

Many royal knights were drowned by the sea of fire and let out miserable cries as they were burned to ashes!

Five leading platinum knights led 20 platinum knights and 50 golden knights to avoid the burning sea of fire!

Their figures flashed and transformed into platinum and golden shadows that charged towards Yang Luo from both sides and behind!

Yang Luo just stood there quietly without any fear on his face.

In an instant!

These Platinum Knights and Golden Knights approached Yang Luo!

They leaped up one after another and brandished the knight swords in their hands, slashing at Yang Luo!

Swoosh! Swoosh! Swoosh!

Dozens of swords slashed down at the same time, emitting a dazzling platinum and golden light. Terrifying energy erupted, wanting to completely kill Yang Luo!

However, Yang Luo only trembled once again!

A huge, solid, and thick golden True Qi barrier condensed and enveloped Yang Luo!

Clang! Clang! Clang!

Dozens of light swords struck the golden True Qi barrier heavily, emitting crisp sounds of collision!

Flames shot out in all directions. Light flickered and energy surged. It was incomparably terrifying!

However, no matter how fierce the attacks of these platinum knights and golden knights were, they still could not break through Yang Luo's defense!

“Get the fuck out of my way!”

Yang Luo stomped on the ground and let out a furious roar!

Golden True Qi surged out of his body like a landslide and tsunami, washing in all directions!

“Ahhhh...”

All the platinum knights and golden knights who attacked him cried out in pain as they were all sent flying...

Chapter 1269: I Will Send You to See God!

The moment they were sent flying...

Many Golden Knights spat out blood and fell to the ground in the distance, dying immediately!

The platinum knights and golden knights who were still alive were also covered in wounds and blood!

After stabilizing their bodies, they stared intently at Yang Luo, their faces filled with horror!

“Who is this kid? Why is he so strong?!”

“This kid is not simple. Everyone, don’t hold back. Use your strongest strength and kill him!”

“I don’t believe that we can’t kill this brat with so many of us!”

The remaining Platinum Knights and Golden Knights roared and brandished their swords at the same time!

“Rain of Light Swords!”

At that very moment...

Thousands of platinum and golden light swords condensed and shot towards Yang Luo from all directions!

Dong, dong, dong!

These thousands of light swords ruthlessly collided with Yang Luo’s True Qi barrier, emitting terrifying collision sounds!

Dazzling light and violent energy surged in all directions from the point of collision!

The statues were instantly destroyed, turning into a large number of rocks that swept into the sky!

“How can this kid’s defense be so strong?!”

“Don’t hold back. Continue attacking!”

These Platinum Knights and Golden Knights roared angrily and continued to attack Yang Luo fiercely!

“Light of Judgment!”

Densely packed platinum and golden beams of light shot towards Yang Luo!

Boom! Boom! Boom!

The dense beams of light exploded on the True Qi barrier, exploding into balls of energy!

However, what shocked these platinum and golden knights was that they were still unable to break through Yang Luo’s defense!

“Damn it! Is it really impossible to kill this kid?!”

A leading platinum knight roared.

Another platinum knight said in a deep voice, “Set up the ‘Glorious Knights Formation’ and kill this kid!”

“Alright!”

The other platinum knights and golden knights responded in shock.

Then, these platinum knights and golden knights shook and mobilized the energy in their bodies continuously!

Beams of light shot into the sky from their bodies, dazzling!

“Glorious Knights Formation!”

These platinum knights and golden knights roared in unison and set up a huge light array, trapping Yang Luo inside!

After the formation was formed, it was activated!

Dazzling beams of light shot out from all directions!

Thousands of illusions of knights in armor, holding knight swords, and riding warhorses condensed and charged forward!

There were even illusions of gods from Western myths that stood up and attacked Yang Luo!

Layers of attacks were coming at him!

Yang Luo's entire body shook in response and the six elements of metal, wood, water, fire, earth, and lightning in his body erupted!

Six-layered attribute energy surged in all directions like a surging river!

When the attribute energy in his body erupted!

Yang Luo quickly formed a seal with his left hand!

The seven huge seals quickly condensed into form and crashed into the surroundings!

Rumble!

The beams of light, the illusions of the knights, and the illusions of the gods were all destroyed and exploded in the array!

Rumble!

The array also trembled and cracked continuously, on the verge of collapse!

“Everyone else, come over quickly and set up the array formation together!”

A leading platinum knight shouted at the other royal knights.

Many royal knights rushed over and mobilized the energy in their bodies into the array!

The array began to be repaired, and its power began to increase!

“Nine Heavens, Dragon’s Fury!”

Yang Luo opened his arms and let out an explosive roar!

“Roar, roar, roar!”

Nine huge golden dragon phantoms roared and collided with the array!

In an instant!

Rumble!

The attacks released by the array were all destroyed, and the entire array completely collapsed and exploded!

The energy produced by the explosion was extremely terrifying. It surged in all directions like a tidal wave!

All the royal knights were sent flying!

Many royal knights exploded into pools of blood on the spot. They could be more dead!

The statues in the square collapsed, and ancient buildings full of historical value collapsed!

Fortunately, it was nighttime and Buckingham Palace was quite far from the city, so the commotion did not alarm anyone else!

At this moment.

Yang Luo walked out of the energy tsunami step by step and said coldly, "Looks like your strength is only so-so!"

I won't play with you anymore. I'll send you to meet your God now!"

As soon as he finished speaking!

Yang Luo's figure flashed and turned into a golden shadow that charged towards the royal knights!

His speed was extremely fast, like a golden storm that swept across the square!

Puff! Puff! Puff!

Blood pillars soared into the sky along with heads!

Headless corpses fell to the ground one after another!

In less than a minute!

The royal knights who had participated in setting up the formation to kill Yang Luo were almost all killed!

A few more minutes passed!

Hundreds of royal knights had died, leaving only five leading platinum knights!

As they saw Yang Luo charging over!

The five Platinum Knights were scared out of their wits!

“This kid is too strong. We’re not his match. Run!”

The five platinum knights cried out in horror and turned around to run!

They were absolutely loyal to the royal family of Country Oxford and were ordered to protect Buckingham Palace to the death!

But now, they were really afraid of being killed by Yang Luo. They threw all their loyalty and beliefs to the back of their minds and only wanted to survive!

“Run? Can you escape?”

Yang Luo’s cold voice was like a demon’s murmur. His figure flashed and turned into a golden lightning bolt, charging towards the five leading platinum knights!

In the blink of an eye!

Yang Luo caught up to the five leading Platinum Knights!

“Instant Kill!”

With a roar!

Yang Luo took a step forward and instantly swung his sword!

Swoosh!

With a swing of his sword, the sword ray shone brightly and the sword qi was like a rainbow. The sword might was vast and unstoppable!

“Let’s fight it out with him!”

The five leading platinum knights roared and also swung their strongest sword techniques at Yang Luo!

Swoosh! Swoosh! Swoosh!

The five cavalry swords tore through the night sky, erupting with dazzling platinum light. Energy surged wildly as they met the attack!

Clang!

Yang Luo’s sword clashed heavily with the swords of the five leading platinum knights, producing a loud ringing sound of metal clashing!

The next second!

Crack crack crack!

The swords in the hands of the five leading platinum knights all broke!

“What?!”

“How can this be?!”

“Retreat!”

Fear appeared on their faces as they shouted.

But before they could retreat!

The sword in Yang Luo’s hand had already reached their necks!

Puff! Puff! Puff!

Five heads soared into the sky with five pillars of blood!

Boom! Boom! Boom!

The five leading Platinum Knights were killed at the same time and fell into a pool of blood!

At the same time Yang Luo killed the five leading Platinum Knights!

Xu Ying, Bujie and the rest had also finish killing the hundreds of royal knights!

Only two of the five leading Platinum Knights were left!

Without any hesitation, Yang Luo took a step forward and killed the two leading platinum knights with a single strike!

After killing all ten Platinum Knight Commanders!

Yang Luo waved his hand, "Brothers, let's go to the Royal Treasury!"

“Yes!”

Xu Ying and the rest replied loudly.

Then, Yang Luo led Xu Ying and the others out of the square and ran towards the Royal Treasury!

After all, Tian Zhen and Jiang Bo had already found out the exact location of the Royal Treasury, so they naturally knew where it was!

Along the way, they were stopped by many royal knights, but the knights were all killed!

Yang Luo and the others pushed forward. Along the way, corpses fell one after another. Blood dyed the ground red, as well as buildings...

Chapter 1270: Shame of the Year!

Yang Luo and the others ran all the way and killed all the way!

Half an hour later!

They had finally arrived at the Royal Treasury!

The Royal Treasury was an ancient ten-story building, grand and majestic!

However, when Yang Luo and the others arrived at the Royal Treasury Building!

The royal knights guarding the royal treasury building charged crazily at Yang Luo and the others!

There were still more than a thousand people remaining!

The leaders were four Platinum Knight Commanders!

Yang Luo waved his sword and shouted, "Brothers, charge in!"

"Kill!"

Xu Ying and the others shouted in unison.

Yang Luo and the others charged forward and started a massacre!

After killing hundreds of royal knights in a row!

In order to be in a hurry, Yang Luo directly used his killer move!

He raised his left hand and roared!

“Sky Burning Explosion!”

A golden fireball instantly condensed in his left palm!

Then, he waved his left hand!

The golden fireball flew out and expanded in the wind. It was like a scorching sun covering the sky, shocking the hearts of all the royal knights!

Especially the flames and energy contained in this golden fireball, it made their hearts palpitate!

“Retreat! Retreat quickly!”

A leading platinum knight cried out in alarm.

“Explode!”

Yang Luo let out a shout!

Rumble!

The huge golden fireball instantly exploded!

The royal knights who were closer to the golden fireball was killed on the spot!

Terrifying flames swept in all directions from the explosion, instantly engulfing many royal knights!

Amidst a series of miserable screams, those royal knights were all burned to ashes!

The surrounding buildings could not withstand the huge explosion and collapsed one after another, turning into ruins!

After killing hundreds of royal knights!

Yang Luo waved his hand again!

“Flaming Sun Flame Pillar!”

Nine incomparably huge golden pillars of fire broke through the night and smashed towards the four leading platinum knights who were covered in injuries!

“Defend!”

The four leading Platinum Knights mobilized the energy in their bodies at the same time and condensed four energy shields to block!

Boom! Boom! Boom!

The nine massive golden pillars of fire pressed down heavily, smashing into the four layered energy shield, emitting a thunderous sound!

In less than a few seconds!

Crack! Crack!

The four-layered energy shield could not withstand the suppression of the nine golden pillars of fire at all. Like an eggshell, it began to break continuously!

“How is this possible?!”

“Continue to mobilize the energy. You must block it!”

The four leading Platinum Knights roared and continued to mobilize the energy in their bodies to strengthen their defense!

However, even though they had strengthened their defenses, they still could not withstand the suppression of the nine pillars of fire!

Only half a minute had passed!

Rumble!

The four energy shields could no longer withstand it and all of them collapsed and exploded!

Peng! Peng! Peng! Peng!

The four leading Platinum Knights were directly crushed and exploded into pools of blood!

Just as Yang Luo killed the four leading Platinum Knights!

Xu Ying and the others had also killed all the other royal knights!

The entire entrance of the Royal Treasury building was filled with corpses, and blood flowed like a river!

Yang Luo didn't stop. He brought Xu Ying and the others to the entrance of the building.

He saw that the two seven to eight-meter-tall doors were tightly shut with layers of password locks.

"I'll unlock it!"

Lan Xiaomeng volunteered and prepared to unlock the door.

"There's no need to go through so much trouble!"

Yang Luo raised his hand to stop Lan Xiaomeng.

He naturally knew that Lan Xiaomeng's ability to decrypt locks was very strong. He had seen it before in Country Stars & Stripes.

However, they could not waste any time now. They had to quickly obtain the Jizhou Cauldron and the Imperial Jade Seal and leave this place.

Then, he waved the Dragon Emperor Sword in his hand and slashed at the door heavily!

Rumble!

Accompanied by a loud bang!

The two heavy doors were directly split open by the sword and collapsed!

Bujie clicked his tongue and said, "As expected of Brother Yang, you are indeed simple and violent!"

"Go in!"

Yang Luo waved his hand and rushed in with Xu Ying and the others.

After entering, Yang Luo turned on the lights in the building.

The moment the lights were turned on!

“Hiss...”

Yang Luo and the others couldn't help but gasp.

The ten floors of this building were interconnected, and huge wooden shelves were placed on each floor.

The wooden rack was filled with all kinds of antiques, jade artifacts, clothes, paintings, and other treasures.

There was a dazzling array of treasures that shone in all directions.

Bujie gulped and said in shock, “Oh my god, how many treasures did Country Oxford snatch from us back then?!”

They already have quite a few in their museums, but I didn't expect there to be even more here!"

Tian Zhen said in a hoarse voice, "Back then, the treasures that Country Oxford snatched from us were incalculable. Just the rare antiques alone numbered in the tens of thousands.

"Now, some of them are auctioned off to other countries, while the rest are kept in museums and here."

Feng Lengyue's eyes reddened as she sadly said, "Seeing these treasures reminds me of the humiliation we suffered back then..."

Lan Xiaomeng's eyes were also red.

Tian Zhen and the others sighed.

If they were not present, they would not be able to feel the visual impact.

Yang Luo said in a deep voice, "The humiliation from back then will never be repeated!

We, the descendants of Yan Huang, will stand at the top of the world again!"

“Yes!”

Xu Ying and the rest nodded.

Bujie grit his teeth and said, “Brother Yang, there are so many treasures here, why don’t we bring them all back?”

Yang Luo sighed and said, “I want to take them all back too, but the space in my storage ring is limited. It’s only a few hundred square meters. Obviously, it can’t hold so many treasures.”

Now that he had yet to become an immortal, he could not refine weapons and expand the space in his storage ring.

Prajna said, “Brother Yang, my spatial necklace also has more than a hundred square meters of space. It can hold many things!”

“That’s right, I actually forgot about this!”

Yang Luo’s eyes lit up as he said, “My storage ring and your spatial necklace should be able to hold many treasures!

“However, there are too many treasures here. We can only choose the valuable ones and bring them back first!”

“What about the rest?”

Bujie asked.

Yang Luo said, “We’ll leave it here and let Country Oxford return the rest in the future!”

Bujie shook his head and said, “This is too idealistic. How could they return something that they snatched away?”

Yang Luo said with a look of conviction, “When our Country Hua returns to the top of the world, they will have to return it even if they don’t want to!

I believe that this day will not be too far away from us!”

“Let’s hope so.”

Bujie heaved a long sigh.

Yang Luo waved his hand and said, “Alright, let’s not waste any more time. Hurry up and start choosing treasures!

“I’ll take everything that I think is valuable!”

“Yes!”

Everyone responded.

After that, Yang Luo brought Xu Ying and the others to each floor and started selecting. They took everything they could with them...

...

At the same time...

Number 10 Downing Street.

A luxurious European-style building stood there.

This was where the commander of Country Oxford lived.

It was already around two in the morning.

In one of the luxurious bedrooms in the building.

An old Caucasian man with grayish-brown curly hair was sleeping soundly with two hot Caucasian beauties in his arms.

This Caucasian old man was the current commander of Country Oxford, Ferrand.

Ring, ring, ring.

At that moment, the landline on the bedside table rang.

Ferland woke up with a start and cursed, "F\*ck! Who called at this time of night?"

With that, he switched on the bedside lamp and answered the call.

As soon as the call went through...

An anxious voice sounded.

“Mr. Ferrand, I’m the Royal Knight, Commander Grave of the Eighth Regiment. I have something urgent to report to you!”

Ferrand said angrily, “Grave, why aren’t you sleeping at night? What’s the matter?”

Grave hurriedly said, “Mr. Ferrand, something has happened, something big has happened!”
