

Super IDG 1351

Chapter 1351: Can't Fall!

After all, Dongfang Ruoshui and the others had already been severely injured!

Now, their injuries could be said to have worsened.

It was incomparably tragic!

“Senior Sister, Sect Leader Li, Sect Leader Xiao, Xu Ying, Bujie!” Yang Luo shouted hoarsely, his heart aching to the extreme!

In the end, his strength was not enough!

With his current strength, he could not protect Eldest Senior Sister or his brothers and friends!

However, he had already thrown caution to the wind and planned to fight to the death!

He seemed to have gone crazy as he held the Dragon Emperor Sword with his badly mangled right hand and charged at the three of them again!

“Kid, I won’t play with you anymore.

This palm will take your life!” Cang Yunting shouted and raised his right hand again, condensing a huge purple palm that pressed down on Yang Luo!

Yang Luo raised the sword in his hand and slashed into the sky!

Rumble!

The Dragon Emperor Sword and the purple palm collided heavily with a shocking bang!

However, Cang Yunting's palm proved too heavy.

It was as if thousands of mountains were pressing down at the same time!

Crack!

Crack!

Although Yang Luo barely withstood this palm, the ground under his feet began to crack and collapse!

"Ahhh!" Yang Luo roared at the sky and grabbed the Dragon Emperor Sword with both arms.

He mobilized all the energy in his body and resisted with all his might!

"Block?"

"Can you block it?" Cang Yunting laughed mockingly and pressed his right hand down!

Rumble rumble rumble!

The ground under Yang Luo's feet had already collapsed, and his legs had sunk into the ground!

Puff!

Puff!

Puff!

The skin, muscles, and meridians on his body could not withstand the huge pressure and cracked one after another, blood splashing out uncontrollably!

Crack!

Crack!

The bones in his body cracked and blood began to flow from his eyes, ears, mouth, and nose!

At this moment, Yang Luo's body was already dyed red with blood, as if he had been fished out of blood!

Seeing this tragic scene in front of him!

Dongfang Ruoshui and the others felt as if their hearts were being cut by a knife.

They were extremely sorrowful!

"Little Luo Little Luo" Dongfang Ruoshui lay on the ground and muttered.

Her tears flowed uncontrollably.

"Ahhh!

Why am I so weak?

Why can't I help Brother Yang?

Why!!!” Bujie pounded the ground crazily, his fists already filled with blood.

However, the pain in his body was far inferior to the pain in his heart.

“Brother Yang!” Prajna cried bitterly, tears covering her face.

“Brother Yang!” “Brother Yang!” Xu Ying and Lin Wenxuan struggled to get up, but they could not.

Their fingers scratched the ground, and the blood on their fingertips stained the ground.

For the first time, they deeply felt their insignificance and the difference in strength!

In front of such a terrifying expert, the strength they had now was so weak!

And right now Yang Luo’s legs were bent from the pressure, and the bones in his legs were cracked and even about to break!

However, he forcefully straightened his back and did not let himself fall!

His lover and brothers were right behind him.

How could he fall?!

“Five Thunder Seal!” He let out a roar!

He activated the Five Thunder Seal and attacked Leng Yuchuan and the other two!

Rumble!

Dense five-colored lightning struck out and headed straight for Leng Yuchuan and the other two!

“Hmm, this magic artifact is not bad either.” Leng Yuchuan commented and said indifferently, “After we kill this kid, everything on him will be ours.” As he spoke, he waved his sleeve!

“Four Symbols Cauldron!” A four-colored cauldron immediately flew out of the storage bag in his sleeve and expanded continuously, crashing into the Five Thunder Seal!

Just as the Four Symbols Cauldron struck out!

Azure Dragon, White Tiger, Vermillion Bird, and Black Tortoise.

Four huge illusions of ancient divine beasts rushed out of the cauldron and collided with the five-colored lightning that slashed over angrily!

Rumble!

However, before the illusions of the four ancient divine beasts could approach, they were all shattered!

Tang!

The Five Thunder Seal also collided with the Four Symbols Cauldron with a loud bang!

The Four Symbols Cauldron could not withstand the impact of the Five Thunder Seal and was sent flying!

“Hmm?” Leng Yuchuan’s expression changed, “This seal is not simple.

It’s very likely a high-grade magical artifact!” “I’ll deal with this seal!” Li Xiaotian waved his sleeve!

“Five Elements Mirror!” A bronze mirror flew out from the storage bag in his sleeve and instantly expanded, shooting out five rainbows of metal, wood, water, fire, and earth!

Boom!

Boom!

Boom!

The power of the five elements and the power of five lightning collided, causing a series of explosions!

Leng Yuchuan also activated the Four Symbols Cauldron and attacked the Five Thunder Seal!

However, the Five Thunder Seal was incomparably powerful and forcefully withstood the violent attacks of the two magical artifacts!

“Interesting, let me try too!” Cang Yunting waved his sleeve!

“Purple Cloud Bottle!” A purple bottle flew out of the storage bag in his sleeve and expanded instantly.

A purple qi rushed out and headed for the Five Thunder Seal!

Rumble!

Under the combined attack of the three Dharma artifacts, the Five Thunder Seal finally could no longer withstand the attack and was sent flying!

Leng Yuchuan and the other two continued to activate their three magic tools and attacked the Five Thunder Seal!

The Five Thunder Seal was also completely suppressed and could no longer help Yang Luo!

Cang Yunting's condensed purple palm was still pressing down on Yang Luo.

He laughed mockingly and said, "Kid, your magical artifact has also been suppressed by us!

Looks like that's all you have!

I'll send you on your way now!" As he spoke, his entire body trembled.

He circulated his True Qi and a dazzling purple light flickered on his body!

The huge purple palm he condensed continued to expand.

The palm intent increased and pressed down crazily on Yang Luo!

"Ahhh!" Yang Luo roared in pain.

Half of his body was pressed into the ground and he could not escape!

However, at this moment!

Layers of attacks attacked from afar and blasted towards the purple palm!

At that very moment Rumble!

The huge purple palm directly collapsed and exploded!

It turned into purple light that filled the sky and splattered everywhere!

Only then did Yang Luo manage to catch his breath and crawl out of the hole!

“Brother Yang!” “Brother Yang!” “Mr.

Yang!” At this moment, a group of people ran over from afar.

Yang Luo, Dongfang Ruoshui, and the others turned to look.

Qi Yutang, Li Wushuang, Wang Mufeng, Hou Qinglie, Lei Tianhong, Di Yun, and Yu Tong rushed over.

Even Xiang Kunlun, Mo Qingkuang, Tian Zhen, Feng Lengyue, Lan Xiaomeng, Zhuge Changfeng, and Jiang Bo came.

What surprised Yang Luo even more was that even the patriarchs of the five immortal families in the northeast, Liu Qingyun, Hu Dongyuan, Huang Songkui, Chang Fengchun, and Bai Yutong, had come.

“Brother Xiang, Brother Mo, Mr.

Liu Why are you all here?” Yang Luo asked blankly.

After all, he had only contacted Qi Yutang, Li Wushuang, and the others.

He had not contacted Xiang Kunlun, Mo Qingkuang, and the others.

Xiang Kunlun said, “Brother Yang, I was a little worried when you called our Holy Imperial Court a few days ago to ask for help.

That's why after settling the matters at hand, I wanted to return to the country to see if you needed help." Mo Qingkuang said, "Brother Yang, I've been paying attention to your battle with the Cao family, the Nie family, and other families these few days.

After knowing that you came to Peng City to save Miss Dongfang tonight, I felt that something was wrong, so I brought Tian Zhen and the others over." Liu Qingyun said, "Mr.

Yang, your battle with the Cao family and the Nie family has caused an uproar these few days.

We've all heard about it.

I called you tonight to ask if you needed any help, but you didn't answer.

After that, I called Miss Su.

Miss Su told me about what happened here, so I rushed over with Old Hu and the others." Leng Yuchuan chuckled and said, "So many people have come again to die?" Li Xiaotian shook his head and said, "What's the use of having so many useless people?

They're just courting death." Cang Yunting also sneered and did not take it seriously at all.

Xiang Kunlun turned to look at Yang Luo and said with a solemn expression, "Brother Yang, since these three old fellows can beat you up like this, they must be Earth Immortals, right?" "That's right." Yang Luo nodded and sighed, "So, you really shouldn't have come.

We're not their match at all.

If you come, they won't let you off." Xiang Kunlun waved his hand and said, "Brother Yang, we're brothers.

How can we not come when you're in trouble!" Qi Yutang said loudly, "Mr.

Yang, I, Qi Yutang, am the luckiest person in my life to have met you!

If I can die in battle with you tonight, it will be worth it!” “Yes!” Li Wushuang and the others also nodded heavily.

Clearly, they planned to die with Yang Luo.

Mo Qingkuang looked coldly at the three of them and said in a trembling voice, “How dare you people from the Penglai Immortal Island come to the secular world to cause trouble?

Don’t you have any rules?” “Who are you?” Leng Yuchuan frowned and asked.

Mo Qingkuang said in a firm voice, “I’m the son of the Sect Master of the Kunlun Ruins’ Supreme Sect, Mo Qingkuang!”

Chapter 1352: Regardless of Life or Death, I Don’t Regret It!

Upon hearing Mo Qingkuang’s words, Leng Yuchuan, Li Xiaotian, and Cang Yunting’s expressions instantly changed!

They knew the Supreme Sect of the Kunlun Ruins very well!

The Supreme Sect was a major sect in the Kunlun Ruins and could fight against the two major sects alone!

He did not expect this young man in front of him to be the son of the Sect Master of the Supreme Sect!

Yang Luo also glanced at Mo Qingkuang.

Although he had long known that Mo Qingkuang was from the Kunlun Ruins, However, he did not expect Mo Qingkuang to have such an identity.

Even though he did not know about this immortal sect, from the reactions of the three old fellows, this Supreme Sect should not be simple.

Leng Yuchuan said in a booming voice, "Little kid from the Mo family, our Heaven Expanse Sect and the Purple Cloud Sect don't have any grudges with your Supreme Sect.

I advise you not to interfere!

Moreover, this is our Penglai Immortal Island's business.

What right does your Kunlun Ruins have to interfere?

Leave quickly.

We can spare your life!" Li Xiaotian also said coldly, "Little kid from the Mo family, get lost before we get angry!" "Don't think that you're very impressive just because you're from the Supreme Sect!

"If we really fight, our two immortal sects will not be afraid of your Supreme Sect!" Cang Yunting also said ruthlessly.

Supreme Sect was a major sect in the Kunlun Ruins after all.

Unless it was absolutely necessary, they did not want to become enemies with it.

Mo Qingkuang took a step forward and said loudly, "Yang Luo is my brother.

I'll definitely interfere in this matter today!" "Bastard!" Leng Yuchuan immediately flew into a rage and said ruthlessly, "Little Mo, I've already given you a chance!

Since you don't know what's good for you, then you can accompany this kid on his way!" After all, they were the elders of the two sects who were ranked ahead.

They still cared a lot about their reputation.

If the elders of the Supreme Sect came, they might have given them some face.

However, just Mo Qingkuang alone was not worthy of their attention.

Since Mo Qingkuang insisted on interfering, they could only send this guy on his way.

"Brothers, attack!" Mo Qingkuang let out an explosive roar and unleashed his full strength.

He was the first to charge out!

"Brothers, thank you for helping me!

If we can survive today, we will be brothers for the rest of our lives!

If we can't survive, we'll be brothers in our next life!" Yang Luo said loudly and charged forward with his sword!

"Hahaha, then let's have a big battle tonight.

What's there to be afraid of?" Xiang Kunlun roared with laughter and charged forward!

"We'll live and die together.

Brothers, unite!" "Regardless of life or death, I won't regret it!" Qi Yutang, Li Wushuang, Wang Mufeng, Liu Qingyun, and the others also charged forward resolutely!

Everyone mobilized the True Qi in their bodies and erupted with their strongest combat strength!

Seeing this scene in front of them!

Li Daochen, Gu Xiuyuan, and the others were deeply touched!

Mo Qingkuang and the others knew that they were no match for him and that they would die, but for Yang Luo, they were still willing to charge forward!

This friendship was worthy of everyone's gratitude and admiration!

"Good, good, great!" Leng Yuchuan's expression was extremely cold, "Then I'll kill all of you!" As he spoke, he waved the Flying Rainbow Sword in his hand!

Whoosh!

Whoosh!

Whoosh!

Whoosh!

Countless grayish-white flying swords shot out at the same time!

Every flying sword seemed to be corporeal and contained a powerful and terrifying sword intent!

Li Xiaotian also raised his right arm and punched out!

With a punch, countless scarlet-golden fists blasted out at the same time, smashing down like meteors that filled the sky!

Furthermore, every punch was corporeal and contained majestic fist intent.

It was extremely terrifying!

Meanwhile, Cang Yunting immediately struck out with his palm!

With a single palm strike, countless purple palms struck out at the same time, like a surging purple sea of clouds!

The palm intent that erupted was also peerlessly terrifying!

“Ten Thousand Swords Become One!” Yang Luo gripped the Dragon Emperor Sword tightly with both hands and slashed out with endless anger!

Countless golden flying swords instantly fused into one, turning into a huge golden sword that slashed out heavily!

Nine huge golden dragon phantoms roared out in unison!

“Great Desolate Heaven Burning Fist!” Xiang Kunlun threw a punch with all his might!

A huge fist of black and golden flames bombarded like a mountain!

A huge black-golden-flamed Kun Peng charged out!

“Divine Movement Eight Desolates Palm!” Mo Qingkuang’s right hand turned into a palm and slapped out fiercely!

A huge purple palm crushed out!

The power of the five elements erupted, turning into five long arcs that shot out!

Qi Yutang, Li Wushuang, Wang Mufeng, and company also launched their strongest attacks at the same time!

Boom!

Boom!

Rumble!

The sound of collision and explosions that shook the nine heavens resounded!

All kinds of energy and light intertwined and spread in all directions!

Although Yang Luo and the others had the advantage in numbers, their cultivation and strength were ultimately inferior to Leng Yuchuan, Li Xiaotian, and Cang Yunting!

Earth Immortal Earth Immortal What was an Earth Immortal?

It mean an Immortal that resided on the Earth.

He could fly in the sky, burrow into the ground, move mountains, and fill the sea!

Moreover, after stepping into the Earth Immortal Realm, there was hope of becoming a true immortal!

How could a mortal who had not stepped into the Earth Immortal Realm be a match for those in the realm?

“Ah!

Ah!

Ah” Screams sounded incessantly!

It was just a single exchange!

But half of the people on Yang Luo’s side could not take it anymore and were sent flying.

Blood sprayed from their mouths as they fell hundreds of meters away!

However, everyone did not give up just like that.

Instead, they followed Yang Luo and charged towards Leng Yuchuan and the other two again and again!

After more than ten consecutive attacks!

Qi Yutang, Li Wushuang, Wang Mufeng, and the others fell.

Everyone was covered in wounds and blood dyed their bodies red.

They could no longer get up!

Only Yang Luo, Mo Qingkuang, and Xiang Kunlun were still struggling to hold on!

However, the three of them were already covered in injuries and were badly mangled.

Their clothes were dyed red with blood!

Leng Yuchuan stared at Mo Qingkuang viciously and said in a low voice, "Little Mo, I'll give you one last chance!

As long as you leave now, I can spare your life!" Mo Qingkuang roared with blood in his mouth, "Old thing, I won't leave!

If you want to kill my brother, then step over my corpse!" "D*mn it!" Leng Yuchuan roared, "Since that's the case, you can die with this kid!" As he spoke, Leng Yuchuan waved the sword in his hand angrily!

Swoosh!

The huge grayish-white sword that was thousands of feet long tore through the void and slashed at the three of them!

Because of his anger, Leng Yuchuan was actually a little serious!

Therefore, this sword was incomparably ferocious, as if it wanted to split this world apart and destroy everything!

Li Xiaotian and Cang Yunting also threw out a punch and a palm!

The two of them were also getting serious!

The huge red-gold fist and the huge purple palm pushed forward, covering the entire square.

Fist intent and palm intent erupted, terrifying to the extreme!

“Fight!” Yang Luo immediately let out an explosive roar and charged forward with his heavily injured body.

He mobilized the True Qi in his body to the limit and executed several killing moves in succession!

Mo Qingkuang and Xiang Kunlun also mobilized all the True Qi in their bodies and attacked crazily!

Boom!

Boom!

Rumble!

Shocking collisions and explosions resounded in the sky!

Even if Yang Luo and the other two unleashed their strongest combat strength, it was still difficult to resist!

The killing moves of the three of them were destroyed one after another!

“Ahhh” Yang Luo and the other two let out painful screams as they were sent flying at the same time and fell to the ground hundreds of meters away!

The three of them spat out blood and their injuries became even more serious!

Leng Yuchuan looked at the three of them mockingly, “Perhaps the three of you are the strongest existences present, but you’re ultimately not our match!

Death is your final destination!” Yang Luo took out all his remaining healing and nourishing pills!

He kept a portion for himself and distributed the rest to Mo Qingkuang and Xiang Kunlun!

“Brother Mo, Brother Xiang, it’s my greatest honor to know both of you!

If Yang Luo can’t repay your kindness in this life, I’ll repay you in my next life!” As he spoke, Yang Luo stuffed all the pills into his mouth!

“Brother Yang, there’s no need to say anything.

This is our own choice.

We have no regrets!” “Whether we live or die, we will always be brothers!” Mo Qingkuang and Xiang Kunlun gritted their teeth and stuffed all the pills into their mouths!

As they had consumed too many medicinal pills, streams of air barged through their bodies, causing their expressions to turn ferocious and they were in extreme pain!

However, they endured it!

They were already planning to fight to the death!

This bit of pain was nothing!

“Fight!!” The three of them got up and roared in unison as they charged towards Leng Yuchuan and the other two without caring about their own safety!

Chapter 1353: Purple Cloud Sacred Body!

“You still dare to take the initiative to attack?

You have a death wish!” Leng Yuchuan roared angrily and continued to attack!

Li Xiaotian and Cang Yunting also launched a fierce attack!

They were really angry!

These three ants could actually last until now.

This was simply a slap to their faces!

Even if these three ants were slightly stronger than ordinary ants, they were still ants in the end!

An ant should have the awareness to be an ant!

Yang Luo and the other two also launched their strongest counterattack!

However, no matter how ferocious and violent their counterattacks were, they could not withstand the attacks of Leng Yuchuan and the other two!

Yang Luo and the other two were sent flying six times in a row, but they got up again!

The three of them were bleeding profusely.

The pain in their bodies had already numbed them!

Now, they were completely relying on their last will to fight!

“Primal Heavenly Art!” “Gonggong, Zhurong, Qiangliang, Houtu, Goumang, Rushou!” Yang Luo roared.

Six ancient Ancestral Magi illusions appeared once again in the sky!

After the six Ancestral Magus illusions stood up!

Nine huge golden dragon phantoms condensed into form!

“Kun Peng Divine Technique!” “Supreme Immortal Technique!” Xiang Kunlun and Mo Qingkuang also roared!

A huge flaming illusion of a Kun Peng condensed in the sky above Xiang Kunlun!

Above Mo Qingkuang, a huge illusion of a Lu Wu condensed!

The Lu Wu was one of the ancient divine beasts, it was a nine-tailed divine tiger with wings on its back!

“Fight!!” The three of them roared again and led the Golden Dragon, the Ancestral Magi, the Kun Peng, and Lu Wu to charge at Leng Yuchuan and the other two!

“You can still stand up, huh?” Leng Yuchuan’s expression was extremely dark, “Let’s see if you can still stand up this time!” As he spoke, his entire body shook as well!

Above him stood a grayish-white giant Dharma Idol holding a huge sword.

It was no different from his main body, but it was larger and more powerful!

Li Xiaotian and Cang Yunting also shook their bodies!

A scarlet-golden giant Dharma Idol and a purple giant Dharma Idol also stood above the two of them!

The moment Yang Luo and the other two charged over!

The three Dharma Idols standing above Leng Yuchuan and the other two attacked at the same time!

Leng Yuchuan's Dharma Idol swung its sword!

Li Xiaotian's Dharma Idol punched out!

Cang Yunting's Dharma Idol slapped out!

The sword slashed through the world!

The fist shattered the void!

Palm Shattering the Heavens!

At that moment Boom!

Boom!

Rumble!

An earth-shattering collision and explosion resounded!

Even though Jinxiu Manor was in the suburbs of Peng City, there were still people in the city who vaguely heard voices!

However, everyone thought that it was just thunder and did not think too much about it!

Facing the Dharma Idol attacks of Leng Yuchuan and the other two!

Yang Luo and the other two were still unable to resist!

The nine golden dragon phantoms, six ancient Ancestral Magi, a Kun Peng, and a Lu Wu exploded in the sky, turning into a rain of light that filled the sky and splattered!

Puff!

Puff!

Puff!

Yang Luo and the other two spat out a mouthful of blood and were sent flying hundreds of meters away again!

After falling down this time!

Yang Luo and the other two lay on the ground, unable to get up again!

Everyone present broke down in despair!

Even Yang Luo and the other two had fallen.

What else could they do?

“Is it finally over?” Leng Yuchuan sneered and looked up at Yang Luo.

He said indifferently, “Kid, I’ll send you on your way first!” Li Xiaotian nodded and said, “This kid is really terrifying.

He can actually last until now!

If we don't kill this kid, he will definitely become a huge problem in the future!" "That's right, this kid must die!" Cang Yunting also added.

They could also tell that Yang Luo was the strongest existence among everyone present!

Moreover, Yang Luo's talent, fighting spirit, and determination made them wary!

This kid was simply a monster and a lunatic.

He could not be allowed to grow up.

He had to be killed!

Without any hesitation, Leng Yuchuan waved his hand!

The Dharma Idol that stood above him immediately slashed at Yang Luo!

"No" "Brother Yang!" "Brother Yang!" Everyone cried out in grief as tears streamed down their faces.

However, at this moment!

"Little Luo!!!" Dongfang Ruoshui used the last of her strength to forcefully get up.

Dragging her bloodied body, she staggered to Yang Luo and hugged him tightly in her arms!

“Little Luo, I’ll die with you!!!” Dongfang Ruoshui choked with sobs as her tears mixed with her blood flowed down.

“Eldest Senior Sister Don’t worry about me Don’t worry about me” Yang Luo spoke weakly as blood tears flowed from the corners of his eyes.

“Sister Dongfang No!” “Miss Dongfang!” “South Suppressing King!” Xu Ying, Bujie, Prajna, Li Daochen, and the others shouted mournfully.

Leng Yuchuan’s eyes darkened as he said coldly, “Since you want to die with this kid, I’ll fulfill your wish!” Right after he finished his sentence That huge grayish-white sword had already slashed towards Yang Luo and Dongfang Ruoshui!

But at this moment!

Dong!

A majestic purple qi actually soared into the sky from Dongfang Ruoshui’s body and broke through the sky!

With a loud bang, the purple gas actually withstood the sword and forced Leng Yuchuan’s Dharma Idol back a few steps!

This scene stunned everyone present!

No one expected that at this critical moment, a purple aura would rush out of Dongfang Ruoshui’s body!

Furthermore, this purple qi had actually blocked Leng Yuchuan’s Dharma Idol’s sword!

At this moment, Dongfang Ruoshui’s body emitted a dazzling purple light, but it gradually dimmed!

“Eh” Cang Yunting stared at Dongfang Ruoshui and narrowed his eyes, “What’s wrong with this girl?”

Why does she have our Purple Cloud Sect’s taboo physique, the Purple Cloud Sacred Body?” Li Xiaotian also stared at Dongfang Ruoshui and said, “This girl’s physique is indeed the Purple Cloud Sacred Body!

Could it be that this little girl is related to our Purple Cloud Sect?” A hint of surprise appeared in Leng Yuchuan’s eyes, “Interesting.

I didn’t expect this little girl to awaken the taboo physique of your Purple Cloud Sect!” Hearing their conversation, Everyone present was puzzled.

Taboo physique?

Purple Cloud Sacred Body?

What was this?

Yang Luo was shocked!

He had discovered it a long time ago when he broke through to a substantial relationship with Dongfang Ruoshui.

The woman seemed to have a special physique.

Even he did not know what physique it was.

It turned out that this physique was called the Purple Cloud Sacred Body!

Cangfang Yunting stared at Dongfang Ruoshui and said, “No matter what, let’s bring this girl back first and see what’s going on.” As he spoke, he waved his sleeve!

A purple rope whizzed out and instantly bound Dongfang Ruoshui!

This rope was one of his artifacts, called the Immortal Binding Rope!

Once bound, no one below the Earth Immortal Realm could break free!

“What are you doing?!” Dongfang Ruoshui’s expression changed drastically as she shouted in shock.

Cang Yunting only waved his hand.

Dongfang Ruoshui flew up and landed beside Cangyun Ting.

Cang Yunting said, “Little girl, stay here.

After we kill these guys, we’ll bring you back to the Penglai Immortal Island.” Dongfang Ruoshui shook her head repeatedly, “I don’t want to go to the Penglai Immortal Island with you.

Let go of me!” “Hmph!” Cang Yunting snorted, “That’s not up to you!” “Let me go!

Let me go!!” Dongfang Ruoshui struggled desperately, but she could not break free at all.

“Let go of my senior sister!!!” Yang Luo lay on the ground and roared sternly.

“Let go of Sister Dongfang!” “Release the South Suppressing King!” The others also roared loudly.

Cang Yunting sneered, “Can you keep the person I want to take away?” “Release my senior sister Release my senior sister!!!” Yang Luo roared hoarsely.

He used his left arm that was not completely broken to support himself as he got up.

He used his left leg that was not completely broken to support himself and prevent himself from falling.

Then, he limped towards the three of them with a broken leg and the Dragon Emperor Sword in his tattered hand.

The dark red blood that was left behind along the way was shocking.

“Release my Senior Sister Release my Senior Sister” Yang Luo repeated this sentence again.

Even though his consciousness was about to blur, he still did not let himself fall.

Everyone present was shocked!

What kind of perseverance was needed to make the heavily injured Yang Luo stand up again?!

Chapter 1354: Old Celestial Master VS Three Earth Immortals!

Even Leng Yuchuan and the other two were shocked!

“Is this kid really a monster?!”

He can still stand up?!” Li Xiaotian exclaimed, his voice changing.

Leng Yuchuan’s heart trembled as well.

A hint of fear actually appeared in his heart!

“Little Luo Don’t come over Don’t come over!” Dongfang Ruoshui shook her head with all her might.

Her voice was hoarse and choked, and the tears in her eyes could not help but flow down.

“Kid, aren’t you still able to stand?

I’ll let you die standing up!” Cang Yunting also felt a hint of fear in his heart, but more than that, he was angry.

He waved his hand!

The Dharma Idol standing above him raised a huge purple palm that covered the sky and slapped at Yang Luo!

Yang Luo wanted to raise his sword to block, but he could not use his strength at all!

Plop Only a loud sound was heard.

Yang Luo’s entire body was slammed into the ground.

All the bones and meridians in his body were broken, his five organs were damaged, and even his dantian was cracked.

Blood kept gushing out of his mouth.

At this moment, Yang Luo was in an extremely tragic state.

He was simply like a bloody person.

However, he still muttered, "Let go of my eldest senior sister Let go of my eldest senior sister" "Little Luo!!!" Dongfang Ruoshui wailed miserably.

Her heart ached so much that she was about to die.

"Brother Yang!" "Brother Yang!" "Ahhhh" Everyone behind him was in extreme grief and wailed.

They were frustrated at their own weakness!

They blamed herself for being unable to help Yang Luo!

Their hearts ached for Yang Luo's misery!

This pain exceeded his body and mind.

It was indescribable!

Cang Yunting smiled cruelly and said, "Kid, you can't get up anymore, right?"

Very good, I'll send you on your way now!" As he spoke, he waved his sleeve again!

The Dharma Idol that stood above him waved its purple palm again and slapped at Yang Luo!

"No No No!!!" Dongfang Ruoshui, Xiang Kunlun, Mo Qingkuang, Xu Ying, Bujie, Prajna, Lin Wenxuan, and the others all screamed miserably.

As long as this palm landed!

Yang Luo would definitely die!

However, at this critical moment!

Rumble!

Thunder rumbled in the sky in the distance!

Nine bolts of lightning with nine-colored light tore through the void like nine long rivers and slashed down angrily!

Sizzle!

Cang Yunting's Dharma Idol palm was sent flying before it could land!

After sending this Dharma Idol flying!

Nine bolts of lightning continued to strike Leng Yuchuan, Li Xiaotian, and Cangyun Ting!

"Who is it?!" Leng Yuchuan and the other two shouted in shock and hurriedly condensed a True Qi barrier to block!

Accompanied by a loud explosion!

Although Leng Yuchuan and the other two barely withstood the bombardment of the lightning, the three of them and their Dharma Idols were sent flying at the same time!

After the three of them were sent flying a hundred meters, they stood in the sky and looked into the distance!

Everyone present was shocked, not knowing what was going on!

Who exactly attacked and sent Leng Yuchuan and the other two flying!

“Who dares to attack us?

Come out!” Leng Yuchuan roared.

At that very moment A golden stream of light whistled over from afar, like a golden star streaking across the night sky.

Soon, it appeared in the sky above the square!

Everyone present looked up into the sky!

An old man covered in golden light appeared in the sky!

The old man was dressed in a gray Daoist robe and had a thin figure.

His hair was tied into a Daoist bun and his beard was grayish-white, as if an immortal had descended to the mortal world!

This old man was the current Celestial Master of Longhu Mountain – Zhang Zhilin!

“Old Celestial Master!” “Why is the old Celestial Master here?!” “Oh my god, is the old Celestial Master so powerful that he defeated those three old fellows with one move?!” “Could it be that the old Celestial Master is also an immortal?!” Li Daochen, Gu Xiuyuan, Miao Tianhong, and the others exclaimed.

Although they all knew that the old Celestial Master’s strength was unfathomable and that he was the number one person in the Daoist Sects, However, no one expected the Celestial Master to also be an immortal.

“Master?!” Yang Luo called out weakly.

Seeing the old Celestial Master arrive, Yang Luo was surprised, happy, and shocked.

Zhang Zhilin’s eyes turned red as he said sadly, “Little Luo, why didn’t you contact me earlier?

Why did you have to take it head-on alone?

If I hadn’t sensed that the aura fluctuation here was abnormal when I was in seclusion, I really wouldn’t have known that such a huge thing had happened here.” Yang Luo’s tears fell like rain as he choked, “I don’t want to trouble Master” “Silly child I’ve said before that no matter who bullies you, I’ll stand up for you!” Zhang Zhilin sighed.

“Old Daoist, who are you?

How dare you interfere in the matters of our Immortal Sect!” Leng Yuchuan stared at Zhang Zhilin and shouted coldly.

Li Xiaotian and Cang Yunting also stared at Zhang Zhilin, as if they were facing a great enemy.

They could also tell that Zhang Zhilin was an immortal cultivator like them.

However, what puzzled them was that they could not sense Zhang Zhilin’s cultivation level.

Since they could not sense his cultivation level!

There were only two possibilities!

Either this old Daoist had used some secret technique or magical artifact to hide his cultivation!

Or this old Daoist priest's cultivation level was higher than theirs!

Of course, they believed in the former more than the latter!

It was already very unbelievable that an immortal could be born in the secular world!

As for giving birth to an immortal stronger than them, it was impossible!

Zhang Zhilin stared coldly at the three of them and said in a trembling voice, "I'm the current Celestial Master of Longhu Mountain, Zhang Zhilin!"

You injured my disciple and want to kill him.

Then pay with your lives!" "Hahaha" Leng Yuchuan threw his head back and laughed, "Old Daoist, so what if you're an immortal?"

The three of us are all immortals.

What can you use to fight us?" "Pay with your life?" Li Xiaotian sneered, "Who do you think you are?"

Do you think you can kill us?" Cang Yunting also mocked, "An immortal from the secular world dares to compete with an immortal from our Penglai Immortal Island?"

He's really overestimating himself!" Zhang Zhilin did not say anything else.

Instead, his entire body trembled!

Dong!

A dazzling golden light soared into the sky, scattering the clouds and breaking through the sky!

Golden light shone from his body, and his eyes were as dazzling as golden lamps.

His beard and hair fluttered, and his robe fluttered!

A golden giant Dharma Idol also stood above him, and the pressure and aura it emitted were even more terrifying than the three of them!

“How how is this possible?!”

“This old Daoist actually has a Dharma Idol too.

His pressure and aura actually surpassed ours?!” Li Xiaotian exclaimed in shock.

“Hmph!” Leng Yuchuan snorted coldly and said, “So what if the Dharma Idol is strong?

In the end, the battle between immortals is a competition of one’s own strength!

Don’t hold back.

Quickly kill this old Daoist!” “Alright!” Li Xiaotian and Cang Yunting replied in unison.

Immediately after, Leng Yuchuan and the other two released their auras without any hesitation!

Boom!

Boom!

Boom!

Three beams of light soared into the sky from the three of them and pierced through the sky!

Three huge vortexes were formed in the firmaments!

Those who didn't know better would think that a supernatural phenomenon had happened!

Then, they waved their hands at the same time!

"Kill this old Daoist!" Their three Dharma Idols moved at the same time and attacked Zhang Zhilin!

Zhang Zhilin also waved his hand!

His Dharma Idol also took a step forward and welcomed the battle!

In a flash!

Rumble The four Dharma Idols collided in the sky!

It was just a single collision!

But the surrounding void and the sky above cracked!

This scene deeply shocked everyone present!

Was this a battle between immortals?

It was too terrifying!

However, this made Yang Luo, Xiang Kunlun, Mo Qingkuang, and the others even more determined!

They had to become stronger!

After a collision!

The Dharma Idols of Leng Yuchuan and the other two were sent flying at the same time!

Zhang Zhilin's Dharma Idol retreated more than a hundred meters before stabilizing itself!

However, Leng Yuchuan and the other two Dharma Idols actually retreated 200 meters before stabilizing their bodies!

In the clash of Dharma Idols, Zhang Zhilin had already gained the upper hand!

The idols only paused for a breath!

Then, all four of them moved at the same time and attacked wildly again, starting an intense battle

Chapter 1355: Battle of Immortals!

"Kill this old Daoist!" Leng Yuchuan shouted.

He flipped his right hand and slashed with all his might!

"Heaven-deriving Sword Technique!" "Sword Leaves Penglai!" Swoosh!

A huge grayish-white sword tore through the sky and split the void.

Carrying a shocking sword intent, it slashed at Zhang Zhilin!

“Nine Firmaments Tyrannical Killing Fist!” “Fist Shattering Mountains and Rivers!” Li Xiaotian’s beard and hair fluttered in the wind as he threw a punch!

A huge scarlet-gold fist carried an incomparably domineering fist intent, as if it wanted to sweep through everything and blast towards Zhang Zhilin!

“Purple Cloud Falling Sky Palm!” “Heaven and Earth Obliteration Palm!” Cang Yunting flipped his right hand and struck out with a palm!

A huge purple palm covered the world and slapped towards Zhang Zhilin with a destructive palm intent!

Previously, they had only used a little force to deal with Yang Luo and the others!

But now, in order to deal with the old Celestial Master, they were completely serious!

Seeing as Leng Yuchuan and the other two attacked!

Zhang Zhilin did not dodge or retreat.

He raised his palm angrily and faced the attack!

“Great Dao Divine Palm!” “Cloud Dragon, Wind Tiger!” A huge golden palm that blotted out the sky crushed forward.

The palm intent erupted and swept through the world!

A sea of clouds surged in the sky as a golden dragon surged and collided!

Sand and rocks flew everywhere below.

A huge golden tiger roared and pounced forward!

At that moment Boom!

Boom!

The collision that shook the heavens and the earth and caused ghosts and gods to weep resounded through the heavens and the earth, and it shook the surroundings!

This collision was too terrifying and spread throughout the entire Peng City!

Although it was already two or three in the morning However, as a city that never slept, Peng City had a rich nightlife.

Many people were still playing outside.

This collision completely alarmed everyone in the city.

“What’s going on?

Why is there always thunder in the suburbs, and this time, it’s even louder?!” “Is it really thunder?

Why isn’t there any movement in our city?!” “Could it be that there’s a battle between immortals, or is someone transcending the tribulation?” “Why don’t we go to the suburbs and see what’s going on?” Many people discussed animatedly, and some began to tease.

Many people drove to the suburbs in cars to see what was going on.

However, when these people drove to the suburbs, they were stopped by the members of the Hidden Dragon Pavilion's branch in Peng City.

The members of the Hidden Dragon Pavilion informed the people that construction was underway in the suburbs and they were not allowed to approach.

This also made the people even more curious.

All kinds of guesses and comments were posted online, causing a discussion.

At this moment.

In the suburbs.

In the sky above Silken Manor.

At the point of collision, the surrounding void tore apart and spread in all directions like a spider web!

As the impact was too loud, many people's eardrums were shattered and blood flowed!

Zhang Zhilin did not dare to hesitate and immediately stepped down!

A huge protective array was instantly set up, opening up a huge golden barrier that enveloped the entire square!

He could withstand the attacks of Leng Yuchuan and the other two, but that did not mean that the people in the square could withstand them!

The moment the protective array was set up!

Rumble!

A series of terrifying explosions sounded!

The attacks of Zhang Zhilin, Leng Yuchuan, and the others collapsed and exploded at the same time!

The sword intent, fist intent, palm intent, and all kinds of illusions exploded!

All kinds of True Qi and light intertwined, and a huge ball of energy exploded in the sky!

Because of the protective array, the square was not too affected and blocked all the energy!

However, the houses outside the square had already been destroyed, turning into a large amount of rubble and dust that soared into the sky!

In this confrontation!

Zhang Zhilin retreated a hundred meters and stabilized his body!

Leng Yuchuan and the other two retreated more than a hundred meters before they could stabilize their bodies!

Seeing this scene in front of them!

Everyone in the square was extremely excited!

“They were forced back.

The old Celestial Master actually forced back these three old fellows by himself?!" "The old Celestial Master is actually so powerful that he can fight three Earth Immortals alone.

It's really unbelievable!" "Could it be that the old Celestial Master's cultivation has already surpassed these three old fellows?!" "Definitely.

Otherwise, the old Celestial Master wouldn't have been able to suppress these three old fellows!" Everyone was amazed and looked at Zhang Zhilin with admiration.

If the old Celestial Master hadn't arrived, they probably wouldn't have survived tonight.

But now, they saw hope of living.

At this moment.

In the sky above the square.

Zhang Zhilin, Leng Yuchuan, and the other two stood opposite each other, their eyes extremely cold.

Leng Yuchuan frowned and said, "This old Daoist is indeed not simple.

Don't hold back and continue attacking!

I don't believe that this old Daoist can really withstand the combined attacks of the three of us!" "Alright!" Li Xiaotian and Cang Yunting replied loudly.

Then, the three of them moved and turned into three streams of light that streaked across the night sky and attacked Zhang Zhilin!

Without any hesitation, Zhang Zhilin turned into a golden stream of light and charged forward as well!

“Immortal Light Like an Abyss!” “Sword Sweeps the Milky Way!” “Flying Sword Star Picking!” Leng Yuchuan slashed at Zhang Zhilin again and again!

Swoosh!

Swoosh!

Swoosh!

The sharp sound of air being torn apart resounded continuously!

The sword he swung out was more ferocious and violent than before!

Sword intent surged like the surging sea and surged in all directions!

“Punch Suppressing the Eight Desolates!” “Heavenly Destruction and Earthly Absolute!” “Nine Heavens Shocking Spirit!” Li Xiaotian clenched his fists and mobilized his surging fist intent, punching out heavily!

Giant golden fists filled the sky and smashed towards Zhang Zhilin like meteorites!

“Shocking for a hundred miles!” “Earth and Star Shift!” “Purple Qi Returns!” Cang Yunting’s hands turned into palms, and his powerful palm intent was mobilized as he struck out palm after palm!

The purple palm flickered with a dazzling light and crushed towards Zhang Zhilin with a soaring purple aura!

Leng Yuchuan and the other two!

One used the Sword Dao to become an immortal!

One used his fist to become an immortal!

One used his palm to reach immortality!

They were all top experts in their respective domains!

At this moment, the three of them joined forces and released an extremely terrifying attack!

Densely packed cracks appeared in the void, blasting out huge void holes that were like black holes!

Everyone present was terrified!

Facing the fierce attacks of the three of them!

Zhang Zhilin still did not dodge or retreat.

His hands turned into palms and he attacked continuously!

“When the clouds open, the sun will appear!” “Chaotic Heaven and Earth!” “Unlimited Great Dao!”
Golden palms with violent palm intent collided with the swords and fists of Leng Yuchuan and the other two!

Dang, dang, dang!

Bang!

Bang!

Bang!

Sword shadows filled the sky as fists and palms flew.

Light flickered as True Qi surged and turbulent currents surged!

The world seemed to be unable to withstand the attacks of the three of them and was about to collapse completely!

However, no matter how ferocious the attacks of Leng Yuchuan and the other two were!

Zhang Zhilin was still calm and composed.

He parried every move and kept counterattacking!

The three figures moved at high speed in the sky and kept colliding, dazzling the spectators below!

Moreover, most people could no longer see the three of them clearly!

They fought for dozens of rounds!

Rumble!

Accompanied by a series of shocking explosions!

Zhang Zhilin, Leng Yuchuan, and the others were sent flying again!

However, Zhang Zhilin and the other three quickly stabilized themselves and stared at the other party!

After the battle just now, Leng Yuchuan and the other two's breathing became a little chaotic.

Moreover, the three of them had wounds on their bodies and blood was flowing.

Li Xiaotian frowned and said, "Where did this old Daoist come from?"

How can he be so strong?" "Could it be that his cultivation level is really above ours?!" Cang Yunting asked in surprise.

"Impossible, this is absolutely impossible!" Leng Yuchuan shook his head repeatedly, "The spiritual energy in the secular world is so thin.

It's already heaven-defying for an immortal to be born!

As for giving birth to an immortal whose cultivation level is higher than ours, that's definitely impossible!

This old Daoist must have relied on a powerful immortal technique to temporarily suppress us!"

Chapter 1356: The Intention to Retreat!

"Good point." They both nodded.

After all, they could not believe that an immortal stronger than them could be born in the secular world.

This was simply unrealistic!

Leng Yuchuan took a deep breath and said in a trembling voice, "Don't hold back anymore.

Use your strongest strength to kill this old Daoist!" "Alright!" The two of them replied loudly.

Then, the three of them trembled and an even more dazzling light appeared on their bodies!

The three of them unleashed their auras and combat strength.

Their long hair stood on end and their clothes fluttered!

Waves of majestic pressure and aura spread out, enveloping the world for countless miles!

Even with the protection array blocking it, the people in the square still felt a pressure that made their hearts palpitate!

If not for the defense of the protective array!

The pressure and aura emitted by these three old fellows were probably enough to cause many people to explode and die!

Zhang Zhilin looked at the three of them coldly and said in a low voice, "Why?

Are you planning to fight me with all your might?

Very good, I'll accompany you to the end!" Right after he finished his sentence Dong!

A loud bang erupted in the space where Zhang Zhilin was!

The void cracked and collapsed in all directions, blasting open a huge void hole!

An even more dazzling golden light appeared on his body, illuminating the world!

“Give me your life!” Leng Yuchuan let out a wild roar and swung the sword in his hand!

“Welcoming the sword back to the sect!” Countless grayish-white flying swords surged towards Zhang Zhilin like an ocean of swords!

Of course, at the same time as he swung his sword!

“Power of Heaven and Earth, listen to my command!” Leng Yuchuan shouted loudly as he mobilized the energy of the seven attributes of metal, wood, water, fire, earth, wind, and ice in the world to attack!

These seven attribute energies transformed into seven seas that surged up!

Golden light appeared, green trees danced, huge waves soared into the sky, flames surged, soil and rocks collapsed, violent winds blew, and ice turbulence!

Li Xiaotian and Cang Yunting gathered their fist intent and palm intent in their right hands and punched and slapped at the same time!

The scarlet-golden fist and the purple palm were like a lofty mountain and a sky as they crushed out at the same time!

Of course, when the fist and palm struck out!

The two of them also used other killing moves!

Li Xiaotian waved his sleeve!

“Nine Heavens Immortal Sacrifice!” Huge reddish-gold array platforms condensed in the sky like miniature islands as they attacked Zhang Zhilin!

Every array platform was engraved with an ancient divine beast pattern!

When the array platform smashed out!

These patterns flickered with a dazzling light, as if they were all alive!

Azure Dragon, White Tiger, Black Tortoise, Vermillion Bird, Flying Snake, Gouchen, and other illusions of ancient divine beasts flew out and pounced at Zhang Zhilin!

Cang Yunting also waved his sleeve!

“Purple Qi from the East!” The sky above him was covered by boundless purple clouds, like the sunset.

The gorgeousness contained endless destructive power!

In the next second The purple qi that filled the sky was like the Milky Way in the Nine Heavens.

It poured down and washed towards Zhang Zhilin!

The scene in front of him was too terrifying and spectacular!

Only then did the people in the square finally understand the difference between mortals and immortals!

These immortals could actually control the power of heaven and earth.

With a flip of their hands, they could summon clouds and rain.

This had completely exceeded their imagination!

However, just as the three of them attacked!

Zhang Zhilin was not afraid at all and counterattacked!

He waved his sleeve and shouted!

“Great Dao Divine Lightning!” In an instant!

Rumble rumble rumble!

Dark clouds surged in the sky, and nine-colored lightning surged, shaking the world!

The nine-colored lightning in the dark clouds transformed into a sea of lightning that rushed down and attacked the attacks of Leng Yuchuan and the other two!

Boom!

Boom!

The nine-colored sea of lightning and the attacks of Leng Yuchuan and the other two collided crazily, emitting the sound of the collision!

Boom!

Boom!

Boom!

Under the collision, explosions sounded continuously!

The countless flying swords that shot over were shattered in a large area!

The seven-elemental energy sea that surged over was also destroyed on a large scale!

The ancient divine beast illusions that roared over from the suppressing array platform were also destroyed one after another!

However, the nine-colored divine lightning that Zhang Zhilin mobilized was also consumed on a large scale!

As they watched Zhang Zhilin withstand the ferocious attacks of the three of them in one move!

Everyone below was already shocked to the extreme!

The difference in strength was actually very clear!

The old Celestial Master was definitely stronger than Leng Yuchuan and the other two!

This move only withstood the attacks of the three of them!

Without any hesitation, Zhang Zhilin's body trembled!

Golden True Qi and energy spread out from his body!

"Celestial Master Talisman!" In the blink of an eye!

Countless golden talismans condensed in the sky and the power of heaven and earth gathered, surging into each talisman!

Every talisman contained the will of the Great Dao of Heaven and Earth at this moment.

The brilliant might of the Dao was shocking!

After these talismans condensed into form!

Zhang Zhilin waved his sleeve!

“Go!” The countless golden talismans transformed into a golden sea that surged forward!

Rumble!

Under this destructive collision!

The attacks launched by Leng Yuchuan and the other two were all destroyed!

“Oh my god, so the Celestial Master Talisman that the old Celestial Master controls is an immortal technique?!”

I thought it was just a method in Fengshui Mystic Technique!” “The old Celestial Master is too low-key.

If I hadn’t seen this battle with my own eyes, who would have thought that the old Celestial Master would be so powerful?” “No wonder the elders at the front of our various sects respect the old Celestial Master so much!” Everyone sighed in admiration and became even more respectful and worshipful of the old Celestial Master.

At this moment.

After the golden talisman transformed into an ocean that broke through the attacks of Leng Yuchuan and the other two!

Although half of the talismans had been destroyed, the remaining talismans continued to charge at the three of them!

“Quickly defend!” Leng Yuchuan’s expression changed drastically.

He hurriedly condensed a True Qi barrier to block!

Li Xiaotian and Cang Yunting also condensed a True Qi barrier to block!

Rumble!

The remaining talismans directly destroyed the True Qi barrier condensed by the three of them and ruthlessly struck their chests!

Puff!

Puff!

Puff!

The three of them spat out blood and were sent flying.

Although Zhang Zhilin’s body was also bleeding, fortunately, it was only a superficial wound and was not a big deal!

“Damn it!

Damn it!!!” Leng Yuchuan flew into a rage and waved his hand!

His artifact, the Four Symbols Cauldron, flew over and collided!

Li Xiaotian and Cang Yunting also waved their hands!

Their artifacts, the Five Elements Mirror and the Purple Cloud Bottle, also flew over and attacked!

The three artifacts attacked together!

The illusions of the four ancient divine beasts rushed out.

The power of the five elements swept out and purple qi burst out!

After destroying the remaining talismans, the three artifacts continued to attack Zhang Zhilin!

At this point, Leng Yuchuan and the other two were furious!

They were immortals from the Penglai Immortal Island, but they did not expect to be defeated by an old Daoist priest in the secular world and suffer serious injuries!

However, apart from anger, there was more shock!

They could already confirm that Zhang Zhilin's cultivation and strength were definitely higher than theirs!

No matter how unwilling they were to believe this fact, they had no choice but to believe it!

Leng Yuchuan's expression was indeterminate as he sent a voice transmission in his heart, "Brother Li, Brother Cang, we're not this old fellow's match!

If we continue fighting, we will definitely lose and might even lose our lives!

Therefore, when the time comes, we have to quickly escape from here!" "Alright!" Li Xiaotian and Cang Yunting also replied via voice transmission.

It was not easy for them to step into the Earth Immortal Realm and have a chance to become true immortals!

They cherished their lives more than anyone!

Therefore, they could not die here!

Just as the three artifacts were about to attack!

Zhang Zhilin still did not dodge or retreat.

He waved his sleeve!

"Spiritual Treasure Gourd!" A glass gourd with nine-colored light flew out of the storage bag in his sleeve and collided with the three Dharma artifacts!

The Spiritual Treasure Gourd expanded in the wind, and the mouth of the bottle spat out nine-colored lightning and nine-colored light beams!

Chapter 1357: Try Your Best!

Rumble!

The attacks from Leng Yuchuan and the other two's artifacts were all destroyed!

The explosion was deafening, and a large amount of energy rain splashed in all directions!

The next second!

Boom!

Boom!

The four artifacts collided heavily in the sky!

All kinds of light and energy soared into the sky and rippled in all directions!

After this collision!

The magical equipment of Leng Yuchuan and the other two were sent flying at the same time!

Zhang Zhilin's artifact was also sent flying!

But soon, the four people's artifacts flew over once again, colliding again and again!

Upon seeing that even his Dharma artifact could not suppress Zhang Zhilin!

Leng Yuchuan and the other two instantly mobilized the True Qi in their bodies to the limit and waved their sleeves!

Three huge beams of light tore through the void like three rivers and shot towards Zhang Zhilin with endless destructive power!

Zhang Zhilin also circulated the True Qi in his body to the limit and waved his sleeve!

A huge golden beam of light broke through the dam like a mountain flood and charged up!

Not only did the beams of light that the three of them shot out contain powerful true qi, but they also contained the power of the Great Dao of Heaven and Earth.

Their power was endless!

In an instant!

Boom!

Boom!

The four beams of light collided fiercely like four mountain torrents colliding with each other.

The commotion was shocking!

Rumble rumble rumble!

The sky and ground shook violently!

Many people who could still stand in the square fell to the ground from the shock!

A few seconds later!

Rumble!

Four beams of light exploded at the same time.

The sound of the explosion reached the Nine Heavens and descended into the Nine Abyss!

Endless light and surging energy spread in all directions from the explosion!

The protective array below directly exploded!

“Ah!

Ah!

Ah” Leng Yuchuan, Li Xiaotian, and Cang Yunting let out miserable cries of pain as they were sent flying again!

As they were sent flying, blood sprayed out of their mouths and their skin and flesh were torn everywhere.

It was very tragic!

Zhang Zhilin was also sent flying by the explosion!

There were also many bloody wounds on his body, and blood splattered in the air!

But at this moment!

“Let’s go!” Leng Yuchuan roared and retracted his magical artifacts.

Li Xiaotian and Cangyun Ting also put away their magic artifacts.

Moreover, Li Xiaotian waved his hand and grabbed Dongfang Ruoshui’s arm.

In the next second The three-layered teleportation array was instantly activated!

“Don’t even think about escaping!” Zhang Zhilin’s expression changed drastically.

He turned into a golden shadow and slapped out angrily!

A huge golden palm pressed down, stirring the void and shattering space!

However, by the time Zhang Zhilin approached, Leng Yuchuan and the other two had already disappeared!

A large amount of blood was left floating in the sky!

“Old thing, come to the Penglai Immortal Island to look for us if you have the ability!

If you don’t come, we will personally come to the secular world one day and tear you into pieces!” The three of them had already disappeared, but Leng Yuchuan’s voice echoed in the sky.

Zhang Zhilin stood in the sky and looked into the distance.

His face was cold and he was furious.

He clenched his fists tightly.

He really wanted to chase after them and kill Leng Yuchuan and the other two.

But now, Yang Luo was about to die.

If he chased after him, he would really not be able to save Yang Luo.

At this moment, everyone in the square was also stunned.

They never expected Leng Yuchuan and the other two to run away halfway through the battle.

They were truly sinister, shameless, and cunning!

However, it was already very rare for the old Celestial Master to severely injure these three high and mighty old fellows!

After all, there were so many of them present, but they couldn't even defeat one!

If the three old fellows had not escaped, they would have really been killed by the old Celestial Master!

Zhang Zhilin's expression was cold.

The more he thought about it, the angrier he became.

He hurriedly sent a voice transmission in his heart.

"Blue Luan!" Before his voice could fade A crisp female voice sounded in Zhang Zhilin's mind.

"Old Celestial Master, why are you looking for me?" The one who spoke was Blue Luan.

"Where are you now?" Zhang Zhilin hurriedly asked.

"I've been comprehending the Dao overseas during this period of time.

I'm on my way back to Country Hua.

Why?

Old Celestial Master, do you want to exchange a few moves with me?

I'm still very happy to accompany you!" Blue Luan chuckled and said.

Zhang Zhilin said in a low voice, "The people from the Penglai Immortal Island appeared.

They caused a ruckus in the secular world and severely injured Yang Luo, Xiang Kunlun, Mo Qingkuang, and the others!

I fought them and injured them!

However, they escaped when I was not paying attention.

They probably want to escape back to the Penglai Immortal Island!

I'm in a hurry to save people, so I don't have time to chase after them!

If possible, I hope you can stall them!" After saying that, Blue Luan did not respond.

"Blue Luan, are you listening to me?

Blue Luan!" Zhang Zhilin asked repeatedly.

However, Blue Luan did not respond any more.

Zhang Zhilin frowned.

This woman's personality was too strange.

Even he could not figure her out.

However, she should have heard what he said.

"Brother Yang!" "Brother Yang!" "Old Celestial Master, bad news.

Mr.

Yang is dying!" At this moment, exclamations came from the square.

Zhang Zhilin's figure flashed and he quickly arrived at the square.

Yang Luo had completely fainted.

Zhang Zhilin hurriedly checked Yang Luo's pulse.

After taking his pulse, Zhang Zhilin's expression became especially solemn.

"Old Celestial Master, is my Brother Yang alright?" "Old Celestial Master, you have to save Brother Yang!" "Please, Old Celestial Master!" Everyone pleaded with tears streaming down their faces.

Zhang Zhilin sighed and said, "All the bones in Little Luo's body are broken, his meridians are shattered, his five organs are damaged, and even his dantian has cracked.

Now, his breathing and heartbeat is extremely weak.

I can only try my best to save him” As he spoke, he mobilized his boundless True Qi and reached out to tap the nine acupuncture points on Yang Luo’s body, temporarily maintaining Yang Luo’s life force.

Hearing Zhang Zhilin’s words, Everyone’s hearts sank to the bottom.

Even the old Celestial Master said that he could only try his best.

In other words, the old Celestial Master might not be able to save Yang Luo “Don’t even think about escaping!” At this moment, angry roars sounded from the crowd.

The remaining dozens of disciples of the Heaven Amplification Sect and the Purple Cloud Sect, as well as the thousands of people who followed Nie Changkong, were preparing to escape.

However, Zhang Zhilin suddenly stood up.

Killing intent exploded in his eyes and his entire body trembled!

A majestic pressure and aura spread out and crushed towards those people!

In an instant!

Peng, peng, peng!

The remaining thousands of people exploded into pools of blood mist!

Then, Zhang Zhilin let out a long breath and shouted, “Everyone, leave this place quickly!” “Yes!” Everyone responded in unison.

At the same time In the sky a thousand miles away.

A three-layered array suddenly appeared in the sky.

Moreover, three rays of light shot up.

When the array and light dissipated.

Leng Yuchuan, Li Xiaotian, and Cangyun Ting appeared in the sky.

Dongfang Ruoshui, who was tightly held by Cang Yunting, also appeared in the sky.

“Phew” Cangyun Ting let out a long breath and wiped the cold sweat off his forehead, “That old fellow didn’t chase after us, right?” Leng Yuchuan spread out his divine sense and shook his head, “That old man didn’t chase after us.” “That’s strange.

That old fellow is clearly stronger than us.

If he chases us, we really won’t be able to escape.

But why didn’t he chase after us?” Li Xiaotian asked in confusion.

Leng Yuchuan narrowed his eyes and said, “That kid called Yang Luo seems to be that old fellow’s disciple.

Now that his disciple is about to die, he naturally can’t care about us.” “Little Luo” Upon hearing this, Dongfang Ruoshui sobbed in grief.

Cang Yunting shouted coldly, “What are you crying for?

Don’t cry!” Dongfang Ruoshui stared at the three of them and roared, “Where are you taking me?

Let me go quickly!” Cang Yunting said, “Little girl, I want to bring you to the Penglai Immortal Island to seek an Immortal encounter.” Dongfang Ruoshui struggled desperately, “I don’t want to go to the Penglai Immortal Island.

I don’t want to seek any immortal encounter.

Let me go!” “Hmph!” Cang Yunting snorted and said, “I’ve already said that no one can keep the person I want to take away.

You’d better come with me obediently!” Leng Yuchuan waved his hand and said, “Let’s go.

Hurry back to the Penglai Immortal Island to prevent that old fellow from catching up!” “Alright!” Li Xiaotian and Cang Yunting nodded.

Then, the three of them turned into three streams of light and flew towards the north of Country Hua

Chapter 1358: Intercept!

At around two in the morning.

The night was as dark as ink.

Qilu Province.

Eastern Sea.

Deep in Mount Lao.

The mountains here were undulating, and the valley was deep.

The scenery was beautiful and incomparably majestic.

At this moment.

Leng Yuchuan and the other two had already flown here with Dongfang Ruoshui.

Li Xiaotian heaved a sigh of relief and said, "We'll be able to return to the Penglai Immortal Island after flying another 500 miles." Leng Yuchuan and Cang Yunting also nodded and heaved a sigh of relief in their hearts.

They were really frightened by Zhang Zhilin and were afraid that he would chase after them.

Now that they had escaped here, they completely let down their guard.

Dongfang Ruoshui mocked, "So you so-called immortals are also people who bully the weak and fear the strong!

If you encounter someone weaker than you, step on them to death.

If you encounter someone stronger than you, run faster than a grandson!" "You" Leng Yuchuan was instantly enraged.

He wished he could slap Dongfang Ruoshui to death.

Cang Yunting looked coldly at Dongfang Ruoshui and said gloomily, "Little girl, if not for the fact that you have awakened the taboo physique of our Purple Cloud Sect, you would have been a dead man long ago!" "Then kill me!" Dongfang Ruoshui roared.

Now, it was unknown if Yang Luo was dead or alive, and she had separated from Yang Luo.

This simply made her heart ache so much that she wished she was dead.

“Don’t worry about this girl.

Let’s go back quickly!” Li Xiaotian raised his hand and ignored Dongfang Ruoshui.

Then, the three of them continued to fly in the direction of Penglai Island.

After all, the Penglai Island was the entrance to the Penglai Immortal Island.

However, they only managed to fly less than 10,000 meters forward.

A cold voice sounded.

“You’re finally here.

I’ve been waiting for you for a long time.” “Who is it?!” Leng Yuchuan and the other two felt their hair stand on end as they looked in the direction of the voice.

They saw a person standing on a huge mountain in front of him.

Through the moonlight, one could clearly see this person’s figure.

This person was wearing a long green robe and had a tall and graceful figure.

Her soft black hair was tied behind her head and fell to her waist.

The evening breeze blew, her long hair fluttered, and her clothes fluttered.

The woman was wearing half a green mask with a blue phoenix pattern outlined on it.

She was incomparably mysterious.

Even though the woman was wearing a mask, it was difficult to hide her beautiful face.

This woman was the guardian of Country Hua, a powerhouse on the World Divine Ranking – Blue Luan!

At this moment, Blue Luan was holding a green jade wine gourd and drinking.

However, her beautiful eyes flickered with endless coldness and killing intent.

“Who are you?”

How dare you block our way!” Leng Yuchuan shouted coldly.

Blue Luan closed the lid of the gourd and put away the jade gourd.

Her cold voice sounded.

“The people of your Penglai Immortal Island are really lawless now.

You actually dare to come to the secular world to cause trouble and even dare to hurt my junior brother.

Do you want to die?” As she spoke, Blue Luan slowly turned her head and looked up at Leng Yuchuan and the other two.

However, when she saw Dongfang Ruoshui, she was stunned, “Big Sister?!” “Second Sister?!” Dongfang Ruoshui also recognized Blue Luan.

Even if Blue Luan was wearing a mask, she could recognize her.

“Why did they capture you?” Blue Luan was very puzzled.

Dongfang Ruoshui said, “I’m not sure either.

They said that I awakened a taboo physique of the Purple Cloud Sect called the Purple Cloud Sacred Body.

They even want to bring me to the Penglai Immortal Island.” “Hehe” Leng Yuchuan narrowed his eyes and smiled, “So the two of you know each other.” Blue Luan’s eyes became colder and colder as she said in a trembling voice, “Let my elder sister go, and I can leave your corpses intact!” As soon as these words were spoken Leng Yuchuan, Li Xiaotian, and Cangyun Ting could no longer contain the anger in their hearts!

Tonight, they could not save their disciples, Nie Changkong, or even kill those who were enemies with the two immortal sects!

What made them even angrier was that they were injured by an old Daoist priest from the secular world!

All the bad things that happened tonight made them completely furious!

Leng Yuchuan’s expression was extremely dark, “Are the people in the secular world so arrogant now?

It’s the same for that kid called Yang Luo and that Celestial Master from Longhu Mountain!

Now, a little girl like you actually dares to shout in front of us!

Very good, it just so happens that I have nowhere to vent my anger!

Then I'll kill you to vent my anger before I leave this place!" "Little girl, you shouldn't have blocked our path.

That way, you might have been able to survive!" "Since you don't know what's good for you, hand over your life!" Li Xiaotian and Cang Yunting also spoke ruthlessly, their eyes flickering with killing intent.

"You want to kill me?" Blue Luan laughed mockingly, "Then it depends on whether you have the ability!" Right after she finished her sentence Dong!

A dazzling green light soared into the sky from her body!

Her body and eyes glowed with a dazzling green light, as if an immortal had descended to the world!

Waves of overwhelming pressure and aura spread out from her body and swept in all directions!

Rumble rumble rumble!

With the Blue Luan as the center, hundreds of mountains around it shook at the same time, as if it had triggered a super powerful earthquake!

When they sensed the pressure and aura on Blue Luan's body!

Leng Yuchuan and the other two were shocked, and their expressions changed drastically!

"What's going on?!"

Could it be that this little girl is also an immortal?!" Li Xiaotian exclaimed.

Cang Yunting gritted his teeth, "How did so many immortals suddenly appear in the secular world?!" Leng Yuchuan's brows were also twitching as he stared fixedly at the Blue Luan.

He was shocked and furious.

In one night, they actually encountered two immortals in the secular world!

This was simply inconceivable!

Leng Yuchuan said fiercely, "Little girl, I don't believe that you're as powerful as that old Daoist!" "Attack together and kill him!" Li Xiaotian roared.

Meanwhile, Cang Yunting waved his hand.

Dongfang Ruoshui flew to a huge mountain in the distance.

"Second Sister, be careful.

These three old fellows are very strong!" Dongfang Ruoshui reminded loudly.

Qing Luan raised her hand and said, "Big Sister, don't worry.

These three old fellows are not my match!" "How dare you look down on us?

You have a death wish!" Leng Yuchuan roared angrily and immediately swung his sword at the Blue Luan!

Li Xiaotian and Cang Yunting threw a punch and a palm at the Blue Luan!

The huge grayish-white sword, the huge red-gold fist, and the huge purple palm crushed towards the Blue Luan at the same time!

Rumble!

Mountains instantly collapsed, turning into a large amount of rubble and dust that swept into the sky!

However, the moment the three of them attacked!

Blue Luan raised her right hand, her index and middle fingers closed together, turning into a sword finger that slashed out angrily!

Whoosh!

Whoosh!

The power of heaven and earth was instantly mobilized, turning into a huge green sword that slashed out!

At that moment Rumble!

A collision that shook the nine heavens resounded!

A few seconds later!

Rumble!

A series of terrifying explosions sounded!

All kinds of light and energy rushed up to the nine heavens and down to the mountains!

More than ten mountains were instantly razed to the ground, and holes were pierced through the ground!

The sea of clouds above was instantly dispersed!

After this huge collision!

Leng Yuchuan and the other two were sent flying more than a hundred meters away before they could stabilize their bodies!

Blue Luan was sent flying dozens of meters away before stabilizing her body and standing in the sky!

Moreover, in just a single exchange, a long wound appeared on Leng Yuchuan and the other two, and blood flowed uncontrollably!

“How is this possible?!”

Is this little girl stronger than us?!” Li Xiaotian’s eyes were filled with disbelief.

“It must be because we’re injured.

Otherwise, how could this little girl injure us in one move!” Cang Yunting also said ruthlessly.

He did not believe that such a young girl would be stronger than them!

Dongfang Ruoshui was also shocked!

Although she knew that Blue Luan was very powerful, she did not expect her current strength to be so powerful!

“Damn it!

Damn it!” Leng Yuchuan’s expression was ferocious as he roared, “I don’t believe that we can’t even kill a little girl if we join forces!” As he spoke, Leng Yuchuan’s entire body trembled.

He crazily mobilized the True Qi in his body, and a grayish-white beam of light soared into the sky from his body!

Li Xiaotian and Cang Yunting also continuously mobilized the True Qi in their bodies, and two dazzling beams of light surged from their bodies!

The three of them unleashed their auras and combat strength again.

They were completely serious this time!

Chapter 1359: Killing an Earth Immortal!

“Kill!” Leng Yuchuan swung his sword angrily!

“Heaven-deriving Sword Technique!” “Welcoming the sword back to the sect!” A huge grayish-white sword tore through the world and slashed at the Blue Luan!

There were even countless grayish-white flying swords that shot towards the Blue Luan!

The majestic sword intent also erupted, shaking the sky and mountains!

“Nine Firmaments Tyrannical Killing Fist!” “Nine Heavens Shocking Spirit!” Li Xiaotian threw a punch with all his might!

His fist was like a huge mountain, and his fist intent erupted, crushing the void and bombarding upwards!

The power of the five elements even gathered and transformed into five rainbows that shot towards the Blue Luan!

“Purple Cloud Divine Palm!” “Purple Qi Returns!” Cang Yunting raised his right arm and slapped out!

A huge purple palm that was like the firmament released a destructive palm intent that crushed forward!

Purple qi surged in the sky and washed towards the Blue Luan!

Although the three of them were severely injured and their combat strength was greatly affected!

However, their joint attack was still extremely violent!

“Second Sister, be careful!” Dongfang Ruoshui reminded him in shock.

However, Blue Luan did not dodge or retreat.

She waved her slender hand!

The power of everything in the world was instantly mobilized!

Rumble rumble rumble!

The sky, earth, mountains, forests, and rivers shook violently again at this moment!

Sand, stones, plants, flying leaves, water droplets, airflow everything transformed into swords that contained powerful sword intent and shot out crazily!

In an instant!

Rumble!

An earth-shattering explosion erupted in this deep mountain area!

Terrifying energy exploded in the sky and swept in all directions!

Dozens of mountains and forests instantly turned to ashes!

The landscape was directly changed!

“Ahhh” Leng Yuchuan and the other two let out miserable cries as they were sent flying.

Their injuries were even more serious as blood splattered!

However, Blue Luan only retreated a distance before stabilizing her body!

After stabilizing her body, her figure moved and transformed into a cyan stream of light that continued to attack Leng Yuchuan and the other two!

“Set up a grand array, trap her, and kill her!” Leng Yuchuan roared angrily.

“Alright!” Li Xiaotian and Cang Yunting responded in shock.

It was also when the Blue Luan charged over!

The three of them waved their sleeves and roared!

“Heaven-deriving Immortal Slaying Array!” “Nine Heavens Immortal-Killing Formation!” “Purple Firmament Immortal Slaying Array!” At that very moment The three-layered array was instantly set up, surrounding the Blue Luan in the middle!

“Formation, activate!” Leng Yuchuan and the other two roared at the same time!

The three-layered array was instantly activated!

Countless flying swords, various attribute energies, array platforms, illusions of ancient divine beasts, monstrous purple qi all attacked the Blue Luan!

Furthermore, after setting up the three array formations!

The three of them trembled and activated their Dharma Idols!

A grayish-white giant held a huge sword and slashed at the Blue Luan in the array!

A reddish-gold giant threw a punch!

A purple giant slapped down!

Facing the killing moves of Leng Yuchuan and the other two!

Blue Luan’s expression was cold.

There was no panic on her face as she shouted!

“Blue Luan Sword!” Whoosh!

Accompanied by a crisp sword cry!

A cyan sword engraved with the pattern of a blue phoenix flew out of the storage bag in her sleeve and was grabbed by her!

She usually did not use a sword because she disdained from using a sword when dealing with ordinary experts.

However, that did not mean that she did not have a sword!

Once she used a sword, it meant that she was really angry and was serious!

Then, her entire body trembled!

A giant Dharma Idol holding a huge cyan sword stood up, and a huge Azure Phoenix Divine Bird flapped its wings and flew high!

Blue-green flames burned on the body of this Azure Phoenix Divine Bird, as if it wanted to burn the world!

“Cut!!” Blue Luan gripped the Blue Luan Sword tightly with both hands and slashed forward angrily!

The green giant Dharma Idol that stood above her also slashed out!

The two huge green swords overlapped and slashed at the three-layered array!

The Azure Phoenix Divine Bird that was soaring in the sky also flapped its wings and collided!

At that moment Rumble!

A series of shocking explosions sounded!

The three-layered array was instantly destroyed, turning into various lights and energy waves that spread out!

The mountains below were all leveled!

A pit was blasted into the ground, as if a valley had been blasted out!

Puff!

Puff!

Puff!

Leng Yuchuan, Li Xiaotian, and Cang Yunting spat out blood as they were sent flying with their Dharma Idols!

Moreover, because they were too heavily injured, the Dharma Idols of the three of them were a little dim!

Dong!

Blue Luan however directly rushed through the energy wave in the air and led her Dharma Idol to charge at the three of them!

And the moment they got close She slashed out again!

The cyan giant Dharma Idol also swung its sword!

The Azure Divine Phoenix that was soaring in the sky also collided again!

“Counterattack!!!” Leng Yuchuan roared and waved his sleeve!

The grayish-white giant Dharma Idol that stood above him charged forward with its sword!

Li Xiaotian and Cang Yunting also waved their sleeves!

The red-golden giant Dharma Idol and the purple giant Dharma Idol that towered above them also charged forward!

The three giant Dharma Idols attacked at the same time, swinging their swords, fists, and palms!

Rumble!

An explosion that shook the nine heavens and disturbed the ten lands spread out for a hundred miles!

The sky and ground split open, revealing a wide chasm!

Everything on both sides of the chasm was destroyed!

The Dharma Idols of Leng Yuchuan and the other two were all destroyed and exploded in the sky!

The three of them let out painful screams again and were sent flying!

Leng Yuchuan hurriedly sent a voice transmission, “This little girl’s strength is actually comparable to that old Daoist priest!

We're not her match.

Let's go, let's go!" "Alright!" Li Xiaotian and Cang Yunting replied.

Although they were unwilling, they had no choice but to leave now!

If they didn't leave now, they might really die here!

It was also on the way out!

With a wave of his hand, Dongfang Ruoshui flew over from afar.

He grabbed her arm tightly and hurriedly set up a teleportation array!

Leng Yuchuan and Li Xiaotian did not hesitate and quickly set up the Teleportation Formation as well!

"You still want to escape?

Hand over your life!" Blue Luan roared angrily and led her Dharma Idol to slash forward angrily!

Swoosh!

When this sword slashed out!

The three-layered teleportation array was instantly activated, and three beams of light shot up!

Leng Yuchuan and Cangyun Ting's figures disappeared!

However, Li Xiaotian was one step slower!

His figure was half-illusory and half-real.

However, the huge sword had already slashed down ruthlessly!

“No No No!!!” Li Xiaotian shouted, his eyes filled with extreme fear.

It was not easy for him to transcend the tribulation and become an Earth Immortal.

He had a chance of becoming a True Immortal.

How could he die here!

He condensed all his True Qi to resist, but he could not resist at all!

Dong!

The thick True Qi barrier was slashed apart!

Psh!

The huge green sword directly slashed through his body!

“Ah!” With the last miserable scream!

Li Xiaotian’s body was directly split into two!

The Azure Phoenix Divine Bird also suddenly charged forward!

Li Xiaotian's severed body was smashed into a pile of meat paste and burned to ashes by its flames!

At this point, Earth Immortal Li Xiaotian had fallen!

Li Xiaotian's entire body was smashed into pieces, but his storage bag was intact and floated in the sky!

Blue Luan directly put away Li Xiaotian's storage bag!

Her eyes were cold as she said angrily, "Don't even think about escaping!" As she spoke, she stepped down from the sky and set up a teleportation array, disappearing on the spot!

At the same time Five hundred miles away.

Penglai Island.

Since ancient times, countless myths and legends had been left behind.

Qin Shihuang and the Han Martial Emperor Realm were here to seek immortals and seek medicine.

The Eight Immortals crossed the sea, the Dragon Palace danced, the Heavenly Soldiers fought, and so on.

Although Penglai Island was only a tourist attraction on the surface, the world did not know that this was the entrance to a huge immortal realm on the Penglai Immortal Island.

At this moment.

In a sea area near Penglai Island.

Two teleportation arrays suddenly appeared in the sky and shot out two beams of light.

When the teleportation array and light beam dissipated, Three figures appeared in the sky.

Two of them were covered in blood and their faces were pale.

They were Leng Yuchuan and Cangyun Ting.

The one bound by the Immortal Binding Rope was Dongfang Ruoshui.

Leng Yuchuan was infuriated as he roared, "This damn little b*tch actually injured us!

Hateful!

Hateful!" "Where's Brother Li?!" Cang Yunting asked in surprise.

"Oh no!" Leng Yuchuan's expression changed, "I'm afraid Brother Li is in trouble!" "Damn it!

Damn it!!!" Cang Yunting roared angrily, "This little b*tch actually dared to kill an elder of my Purple Cloud Sect!

If I don't take revenge, I swear that I won't become an immortal!" "Brother Cang, don't stay here for long.

We'll make plans when we return to the Penglai Immortal Island.

Let's go!" Leng Yuchuan roared and flew towards Penglai Island.

Cang Yunting grabbed Dongfang Ruoshui and flew towards Penglai Island at lightning speed.

However, the two of them had not flown far.

Then a cold voice came from behind.

“Still want to escape?” The two of them suddenly turned their heads, and dense fear appeared in their eyes

Chapter 1360: The Death of Blue Luan!

They saw that the Blue Luan had caught up at some point and was not far from them.

“How did this little b*tch catch up so quickly?!” Cang Yunting’s face turned pale again.

Leng Yuchuan stared fixedly at Qing Luan and asked ruthlessly, “Little b*tch, did you kill Brother Li?” “That’s right, that old fellow has already been killed by me!” Qing Luan stared coldly at Leng Yuchuan and Cang Yunting, “Next, I’ll send you to accompany that old fellow!” Hearing Blue Luan’s words, Leng Yuchuan and Cang Yunting’s expressions changed drastically, and their bodies could not help but tremble!

Dongfang Ruoshui was also shocked!

She had seen with her own eyes how powerful these three old fellows were!

If the old Celestial Master had not arrived, Little Luo and the others would have died long ago!

Unexpectedly, Second Sister could even kill an Earth Immortal!

Thinking of this, Dongfang Ruoshui felt vexed.

As the eldest senior sister, she was really a failure!

She was actually too weak.

At the critical moment, she could not do anything!

“Don’t fight this little b*tch head-on.

Let’s go!” Leng Yuchuan roared and turned around to fly towards Penglai Island.

Cang Yunting also grabbed Dongfang Ruoshui and flew towards Penglai Island.

“Don’t even think about escaping!” Blue Luan shouted coldly and quickly chased after him!

At this moment.

On the way to Penglai Island, Leng Yuchuan and Cang Yunting waved their hands!

At that very moment Rumble rumble rumble!

The mountains in the center of Penglai Island trembled violently!

The next second!

Boom!

Boom!

Boom!

Beams of light soared into the sky from the mountain and pierced through the clouds!

The barrier on the island was instantly activated!

Then, beams of light intertwined and turned into a huge teleportation array!

As it turned out, the mountains in the center of Penglai Island were arranged according to a special pattern.

It was a barrier that separated Penglai Immortal Island from the secular world!

Only Earth Immortals and true Immortals could activate the barrier and teleportation array!

In the eyes of ordinary people, this was just an ordinary scenic spot!

The moment the barrier was activated!

As Leng Yuchuan and Cang Yunting flew towards the barrier, they took out jade talismans and sent out a signal!

Seeing that the two of them were about to escape!

Blue Luan's body trembled and the True Qi in her body instantly erupted, instantly mobilizing the power of this world!

A green cyan Dharma Idol stood up again!

An Azure Phoenix Divine Bird also soared in the sky!

“Die!” Blue Luan let out a deafening roar as she gripped the Blue Luan Sword tightly with both hands and slashed towards Leng Yuchuan and Cang Yunting!

The Dharma Idol that stood above her also swung its sword!

Swoosh!

The two swords overlapped and transformed into a huge cyan colored sword that covered the sky as it slashed at the two of them!

“Shriek!” The Azure Phoenix Divine Bird also let out a cry and flapped its wings to attack!

“Damn bastard!” Seeing that he could not escape, Leng Yuchuan could only fight back with all his might!

Cang Yunting also threw Dongfang Ruoshui onto a huge mountain near the barrier and began to fight back with all his might!

The two of them mobilized all the True Qi in their bodies and also mobilized the power of heaven and earth!

A grayish-white giant Dharma Idol and a purple giant Dharma Idol also stood up!

“I’ll fight this little b*tch to the death!” Leng Yuchuan roared as he slashed out fiercely with the Flying Rainbow Sword in his hand!

The Dharma Idol that stood above him also swung its sword!

The two swords also overlapped, turning into a huge grayish-white sword that slashed out angrily!

Cang Yunting and his Dharma Idol struck out at the same time!

The two huge purple palms overlapped and crushed out!

In the blink of an eye!

Rumble!

Blue Luan's attack collided with Leng Yuchuan's attack.

The commotion was shocking, causing chaos in the sky and sea!

The sea surged and tens of thousands of huge waves surged!

Penglai Island began to tremble slightly!

However, even if Leng Yuchuan and Cang Yunting fought with everything they had, they still could not withstand Blue Luan's attack!

The sword intent, palm intent, and the power of heaven and earth that erupted from the two of them were destroyed one after another!

Their Dharma Idols also began to crack continuously and were about to collapse!

Furthermore, their skin was constantly torn apart and blood splattered everywhere.

The blood in their mouths could not stop gushing out and dyed their clothes red!

However, Blue Luan's attacks did not stop!

She stepped down from the sky!

The tens of thousands of huge waves that surged up instantly transformed into tens of thousands of huge swords that flickered with a cyan light and shot towards the two of them from all directions!

Each sword contained endless killing intent and wanted to tear the two of them into pieces!

Finally, accompanied by a rumbling explosion!

Their Dharma Idols had also completely collapsed and exploded, disappearing into the sky!

“No No No!!!” “Help help!!!” Leng Yuchuan and Cang Yunting felt the threat of death and screamed hysterically!

Once the huge swords shot over, they would definitely be shattered into pieces and die tragically!

However, at this critical moment!

An extremely old and powerful voice that was like thunder sounded from the array!

“How dare you!” In the next second Rumble rumble rumble!

A huge hole exploded in the void above the barrier!

A huge purple-gold palm struck out from the void, carrying the destructive palm intent and even stronger power of heaven and earth as it slapped towards the Blue Luan!

Rumble!

As the purple-gold palm crushed over, the huge swords that shot over from all directions shattered and exploded, turning into water droplets that fell into the sea!

The next second!

Boom!

Boom!

Blue Luan's Dharma Idol and the Azure Phoenix were shattered at the same time, turning into green light that filled the sky and scattered!

After destroying Blue Luan's Dharma Idol, this palm also hit her body heavily!

"Ah!" Blue Luan let out a painful cry as her body was sent flying!

She was sent flying hundreds of meters away before barely stabilizing her body!

When she stabilized her body, a trace of blood flowed down from the corner of Blue Luan's mouth, and her face turned slightly pale!

"Who dares to stop me!" Blue Luan gritted her teeth and looked up at the broken void above the barrier.

Leng Yuchuan and Cangyun Ting wiped their cold sweat and came back to their senses.

"Thank you for your help, Ancestor!" Cang Yunting bowed respectfully towards the exploded void.

"Thank you for saving me, Ancestor!" Leng Yuchuan also bowed towards the void.

Then, the two of them moved and continued to fly towards the barrier.

“Stop right there!” Blue Luan roared and chased after them with her sword!

“A mere Earth Immortal dares to defy the heavens?

Extremely arrogant!” Another thunderous roar sounded from the void.

Another purple-gold palm struck out, covering the entire Penglai Island and slapping towards Blue Luan!

Blue Luan did not dodge or retreat.

She charged forward and activated her Dharma Idol again, slashing out with all her might!

The cyan giant Dharma Idol also slashed out!

The Azure Phoenix Divine Bird charged forward with monstrous flames surrounding it!

Boom!

Boom!

Rumble!

Another huge collision and explosion resounded on the island, the sky, and the sea!

However, even if Blue Luan unleashed her full combat strength, she still could not withstand the suppression of this palm!

Her Dharma Idol was shattered again, turning into green light that splattered everywhere!

“Pfft” Blue Luan spat out another mouthful of blood as she was sent flying again.

Her tied-up hair scattered and was stained with blood.

“Second Sister, don’t come over.

Don’t come over.

Just go, just go!!!

Don’t worry about me.

Protect Little Luo!!!” Dongfang Ruoshui burst into tears and screamed in grief.

“Big Sister I’m fine I can still fight I want to take you away” Blue Luan staggered in the air and stabilized her body.

As if she had gone crazy, she raised her sword and continued to charge forward!

“No!!!” Dongfang Ruoshui screamed miserably and knelt down in grief.

“It’s already very rare for a girl like you to withstand two of my palms!

“The third palm will take your life!” A voice sounded from the void of space again.

And right on the heels of that The third purple-golden palm struck out at Blue Luan!

Blue Luan also used all her strength.

She activated her Dharma Idol for the third time and swung her sword!

The already dim green giant standing above her also swung its sword!

The Azure Phoenix Divine Bird, which was only left with a phantom, attacked again!

Rumble!

The third explosion exploded above Penglai Island and the sea!

In the end, she could not withstand the attack again!

The green giant Dharma Idol was shattered again!

The third palm also struck Blue Luan's body heavily!

"Arghhhh!" Blue Luan let out an extremely painful scream and was sent flying.

Blood sprayed from her mouth, and her body was badly mangled as blood splattered.

After flying nearly 500 meters away, with a muffled bang, Blue Luan fell into the sea "Second sister!

Second sister!

Second sister!" Dongfang Ruoshui's heart ached so much that she completely broke down.

She tore at her hair and her tears ran dry.

“Come back quickly!” An old voice sounded from the void.

“Yes!” Leng Yuchuan and Cang Yunting responded and looked at the distant sea with lingering fears.

Then, they flew into the barrier with Dongfang Ruoshui.

A few seconds later.

The three of them disappeared into the sky.

The teleportation array disappeared, the light beam disappeared, and Penglai Island returned to normal
