Chapter 1371: Long-term Plan!

At the same time Mount Longhu.

In the room of the Daoist temple at the back of the mountain.

Yang Luo had already finished the call, but his face was already blurry with tears.

The words of his brothers touched him deeply.

Yes, his brothers were still waiting for him.

How could he fall?

One failure was nothing!

He would stand up from where he fell!

He had to pull himself together!

This battle was a wake-up call for him!

The strength he had now was nothing!

Therefore, he had to work harder to cultivate and become stronger!

“Brother Yang, why are you crying?” Prajna asked in a daze.

"I'm not crying.

I'm just touched." Yang Luo smiled gently and asked Zhang Zhilin, "Master, how are everyone's injuries?

Are they better?" Zhang Zhilin smiled faintly and said, "Little Luo, don't worry.

During this period of time, everyone has been recuperating in the various sects.

After half a month of healing and cultivation, everyone has almost recovered.

However, everyone is very worried about you.

Almost every day, someone will call me to ask about your situation." Yang Luo sighed in his heart and said, "Master, please tell everyone that I've woken up and tell them not to worry." "Alright!" Zhang Zhilin nodded.

"By the way, Master, what did you mean when you said that I'm in danger and can lose my life at any moment?" Yang Luo hurriedly asked.

Xu Ying, Bujie, Prajna, and Lin Wenxuan looked at each other with solemn expressions.

A few days ago, Zhang Zhilin and Master Xuanku had already told them about Yang Luo's situation.

They naturally knew the problem with Yang Luo.

Unfortunately, there was nothing they could do.

Zhang Zhilin did not hide anything and said truthfully, "Little Luo, your injuries are almost healed actually.

After all, you possess a rare Connate Realm Pure Yang Body that was extremely helpful in healing your injuries.

However, because of the battle half a month ago, your dantian was damaged.

It also caused the Pure Yang Qi in your body to be on the verge of collapse.

Master Xuanku and I can only barely suppress the Pure Yang Qi in your body.

If you can't reconcile the Pure Yang Qi in your body within a month, At best, you would be crippled and would never be able to cultivate again.

In the worst case, your body will explode and you will die." "This!" Yang Luo's expression changed drastically and he could not help but clench his fists.

Didn't that old fart say that the Pure Yang Qi in his body could be suppressed for at least three years?

How did he reach the brink of collapse so quickly?

However, thinking about it, it made sense.

In the battle that night, he had already risked everything to crazily mobilize the Pure Yang Qi to recover from his injuries to support his battle.

It was only a matter of time before he collapsed.

His Connate Realm Pure Yang Body was a double-edged sword.

If it was used well, it would be very helpful to his cultivation.

However, if he could not control it, he would also lose his life.

Seeing Yang Luo remain silent, Prajna choked and said, "Brother Yang, don't worry.

We'll help you think of a way." Bujie also held back his tears and gritted his teeth, "Brother Yang, isn't there still a month?

In this month, we will definitely think of a way to save you!" "Yes!" Xu Ying and Lin Wenxuan nodded heavily.

Zhang Zhilin pondered for a moment and said, "Little Luo, there's a way to save you now." "What way?" Yang Luo hurriedly asked.

Zhang Zhilin said, "If you want to reconcile the Pure Yang Qi in your body, you need Pure Yin Qi.

In other words, if you can find a woman with a Connate Realm Pure Yin Body and let her dual cultivate with you, The Pure Yang Qi in your body can naturally be adjusted.

Moreover, it can make your cultivation path smoother in the future and your cultivation speed will also increase.

Even if your dantian is damaged, it might be able to be repaired." Master Xuanku sighed and said, "Unfortunately, it's too difficult to find a woman with a Connate Realm Pure Yin Body.

After all, this physique is the same as the Connate Realm Pure Yang Body you have.

It's too rare." Hearing Zhang Zhilin and Master Xuanku's words, Yang Luo fell silent again.

He smiled bitterly in his heart.

This was the only way left now for him.

He naturally knew that this method could save him.

Moreover, the woman with the Connate Realm Pure Yin Body was beside him.

That was Su Qingmei.

However, he did not want to force Su Qingmei to dual cultivate with him.

He hoped that the woman would accept him because she really loved him.

Seeing Yang Luo fall silent, Zhang Zhilin thought that Yang Luo was sad and upset.

He hurriedly comforted him, "Little Luo, don't be sad.

I'll definitely think of a way to save you!

Even if this method doesn't work, there must be another way!" Master Xuanku also nodded and said, "Little Friend Yang, I will also think of a way for you!" "So will we!" Xu Ying and the other three spoke one after another.

Yang Luo let out a long breath and said, "Everyone, don't worry about me.

I'll think of a way to save myself!

Now that the blood feud hasn't been avenged and Eldest Senior Sister hasn't been saved, I won't fall just like that!" Zhang Zhilin said, "Little Luo, we naturally have to take revenge for this blood feud.

We also have to save Miss Dongfang!

However, the most important thing now is to protect your life!

Of course, after saving your life, you have to increase your cultivation and strength as soon as possible!

When the time is ripe, I will accompany you to the Penglai Immortal Island, kill your enemies, and save Miss Dongfang!" There was a pause.

Zhang Zhilin continued, "Little Luo, since Miss Dongfang has awakened the taboo physique of the Purple Cloud Sect, the Purple Cloud Sacred Body As far as I know, this physique is very important to the Purple Cloud Sect.

Presumably, the Purple Cloud Sect would not hurt Miss Dongfang.

You don't have to worry too much." "That's right." Yang Luo nodded in response.

He saw it that night too.

Even if that old man, Cang Yunting, had to escape, he had to take Eldest Senior Sister with him.

It seemed that the Purple Cloud Sacred Body that Eldest Senior Sister had awakened was really important to their Purple Cloud Sect.

Since the Purple Cloud Sect valued the Purple Cloud Sacred Body so much, this physique must be extraordinary.

If Eldest Senior Sister could completely awaken this physique, wouldn't her cultivation level increase greatly?

"By the way, Little Luo, Blue Luan asked me to give this to you." Zhang Zhilin took out a golden storage bag from his sleeve and handed it to Yang Luo.

“Isn’t this a storage bag?” Yang Luo was stunned for a moment, “Why did Blue Luan give me a storage bag?” Zhang Zhilin explained, “That night, I originally wanted to chase after those three old men.

However, because your life was in danger, I did not chase after them.

Instead, I told her about this and asked her to stop the three old men.

Blue Luan caught up with the three old men and killed an old man called Li Xiaotian.

This storage bag belonged to Li Xiaotian.

Originally, Blue Luan had already chased them to Penglai Island and was almost able to kill the other two old men, Leng Yuchuan and Cang Yunting.

Unfortunately, at the critical moment, an old monster from the Penglai Immortal Island attacked and injured Blue Luan.

“That’s why Blue Luan couldn’t kill Leng Yuchuan and Cangyun Ting, nor could she save Miss Dongfang.” Yang Luo was shocked!

He did not expect Blue Luan to actually attack after he fainted!

What shocked him even more was that Blue Luan had actually killed an Earth Immortal and was even injured by an even stronger immortal from the Penglai Immortal Island!

To be able to injure Blue Luan who had killed an Earth Immortal, how terrifying was the other party?

It seemed that the Penglai Immortal Island was indeed not as simple as he had imagined!

If he wanted to kill his way to the Penglai Immortal Island, he could not be rash.

He had to think about it at length!

Even if he really wanted to kill his way over, he had to at least step into the Earth Immortal Realm!

Ability!

Only with strength could he kill his enemies and save his eldest senior sister!

Without strength, everything was just empty talk!

Yang Luo frowned and asked in confusion, "Master, I don't have any relationship with Blue Luan.

Why is she helping me?" "Well" Zhang Zhilin thought for a moment and said, "After all, Blue Luan is the guardian of Country Hua.

That night, someone from the Penglai Immortal Island barged into the secular world to cause trouble.

She naturally won't sit back and do nothing!" "Oh" Yang Luo nodded in realization and felt that this reason was reasonable.

However, why did he feel that his master was hiding something from him?

Could it be that he was thinking too much?

Yang Luo continued, "Li Xiaotian's storage bag is also considered a spoil of war.

Why didn't Blue Luan keep it for herself and give it to me?" Zhang Zhilin coughed lightly and said, "Perhaps the Blue Luan feels that you contributed in the battle against the people of the Penglai Immortal Island this time, so she decided to give you something."

Chapter 1372: One Day!

At this point Zhang Zhilin sent a voice transmission to Master Xuanku, “Old monk, why aren’t you speaking up for me?” Master Xuanku said, “Amitabha, monks don’t lie” “” Zhang Zhilin was speechless.

Yang Luo stared at the storage bag in his hand, still unable to understand.

Zhang Zhilin said, “Little Luo, since Blue Luan gave you this storage bag, accept it.” “Then alright.” Yang Luo nodded and asked, “Master, how are Blue Luan’s injuries now?” No matter what, Blue Luan had helped him kill Li Xiaotian and even gave him a gift.

Although she usually wore a mask and acted all mysterious, he respected Qing Luan very much.

Zhang Zhilin said, “Little Luo, Blue Luan can heal herself.

Don’t worry.

“Moreover, Blue Luan also said that when she recovers from her injuries, she will find time to meet you later.” “Ah?” Yang Luo was stunned, “Blue Luan wants to see me?!” Xu Ying and the other three were also stunned.

“Holy shit!” Bujie said excitedly, “In other words, we’ll be able to see the legendary Guardian God of Country Hua, Lord Blue Luan, soon?” Prajna was also very excited, “A woman can have such powerful cultivation and strength.

Moreover, she can even kill an Earth Immortal.

I admire her too much!

It would be a great honor to be able to meet her!” “Master, why does Blue Luan want to see me?” Yang Luo asked Zhang Zhilin.

“Well” Zhang Zhilin really couldn’t continue lying.

He said, “I’m not sure either.

You’ll naturally understand when Blue Luan meets you.” “Alright.” Yang Luo nodded, feeling even more puzzled.

Although he had long wanted to meet this legendary expert However, he still did not understand why Blue Luan would take the initiative to see him.

“Little Luo, your injuries haven’t fully recovered yet.

Rest well for a few more days.

I won’t disturb you anymore.” Zhang Zhilin reminded him, “Also, before the Yang Qi in your body is harmonized, you must not use your True Qi and all other energy.

Once used, it will accelerate the collapse of the Pure Yang Qi in your body.” “That’s right!” Master Xuanku also took over, “Little Friend Yang, remember, remember!” Yang Luo cupped his hands and said, “Master, Master Xuanku, thank you for your reminder.

I’ll be careful!” Zhang Zhilin and Master Xuanku nodded and left.

After Zhang Zhilin and Master Xuanku left, Bujie hurriedly said, “Brother Yang, quickly take a look at what’s in this storage bag?” Yang Luo nodded and took out the things in his storage bag.

The bronze mirror was the magical equipment that Li Xiaotian had used to deal with him, the Five Elements Mirror.

In addition to the Five Elements Mirror, there were also a few bottles of medicinal pills, a lot of spirit stones, and a purple jade talisman engraved with the ancient words "Purple Cloud Sect." These few bottles of medicinal pills were used to heal and replenish Qi.

Their grades were higher than the ones he refined.

After all, those who could refine these pills should be Earth Immortals or true immortals.

Of course, if he could step into the Earth Immortal Realm, he could also refine better healing pills than these.

The spiritual energy in these spirit stones was indeed much more abundant than those he found in the secular world.

As for this purple jade talisman, it should be the symbol of the Purple Cloud Sect.

Bujie curled his lips and said, "Sigh, I thought there was something good.

It's just so-so." Yang Luo originally wanted to give these things to Bujie and the others.

However, on second thought, this was given to him by the Blue Luan after all.

If he gave it to someone else, the Blue Luan would definitely be unhappy.

Therefore, he put the items away in his storage ring.

After putting away the items, Yang Luo said solemnly, "Xu Ying, Bujie, Prajna, Brother Lin, what we have to do now is to quickly recover from our injuries!

After that, we will bring people to the capital and destroy the Cao family, the Nie family, and all the other families that are our enemies!

This battle was started by the Cao Family and the Nie Family!

If not for this battle, everyone would not have been severely injured, and Senior Sister would not have been captured!

Therefore, these families must be destroyed.

If we don't destroy them, they will continue to find trouble with us in the future!" Bujie's eyes turned cold as he said, "Brother Yang, these families naturally have to be destroyed!

However, there is a huge problem with your body now.

You can't even use your True Qi and energy!

Why don't you leave this matter to us!" Xu Ying added, "As long as no one from the immortal sects is involved, we can still deal with the other Martial Warriors!" Killing intent flickered in Yang Luo's eyes as he said in a deep voice, "I want to destroy the Cao and Nie families personally!

Don't worry, I'll solve my body's problem as soon as possible!" "Alright." Xu Ying and the rest nodded and did not say anything else.

Anyway, with them around, they could protect Yang Luo.

Yang Luo continued, "After destroying the Cao and Nie families, we have to continue searching for cultivation treasures to increase our cultivation speed!" "Yes!" Xu Ying and the other three replied in shock.

In the blink of an eye, another three days passed.

At dusk on the third day.

At the border of Mount Longhu.

The sun gradually set and the sunset filled the sky.

It was beautiful.

Yang Luo and Zhang Zhilin were taking a walk in the mountains.

Xu Ying, Bujie, Prajna, and Lin Wenxuan followed behind.

After three days of recuperation, Yang Luo and the other three had already recovered from their injuries.

The gauze on their bodies had also been removed.

Zhang Zhilin asked, "Little Luo, are you leaving tomorrow?"

"Aren't you staying for a few more days?" Yang Luo said, "Master, thank you for your meticulous care over the past half a month.

However, I still have something to do, so it's not convenient for me to stay here any longer." "Alright, then I won't keep you." Zhang Zhilin nodded.

After a while Everyone ascended a tall mountain.

Yang Luo and Zhang Zhilin stood by the cliff and looked at the setting sun and sunset in the distance in silence.

Xu Ying and the other three stood not far away and did not approach.

There was a moment of silence.

Zhang Zhilin slowly said, "Little Luo, as the saying goes, misfortune depends on fortune.

This setback is not entirely a bad thing for you.

Whether it is the path of life or the path of cultivation, it will always be filled with thorns and obstacles.

Only those who are strong and unyielding can overcome the obstacles and sweep away the obstacles, step onto the peak of life and cultivation.

Therefore, don't be frightened by the setbacks and challenges in front of you.

You need to have the courage and determination to fight to the death and advance higher and stronger." "Master, Little Luo will remember your words!" Yang Luo nodded and said, "I won't be beaten by these setbacks and difficulties!

What can't kill me will only make me stronger!" Zhang Zhilin nodded and said, "Little Luo, I naturally know that you won't be defeated easily!

From the battle that night, I could tell that you have supreme determination, perseverance, courage, and faith!

These qualities will constantly make you stronger!" There was a pause.

Zhang Zhilin continued, "However, this world is not as simple as we think!

There's always someone better.

The strength you have now is nothing to those top experts!

For example, there are countless experts in the two immortal worlds, the Penglai Immortal Island and the Kunlun Ruins!

Your horizons can't be limited to the secular world.

You have to look higher!

If you want to protect yourself and the people around you Then you have to make yourself stronger
Strength is the only answer!" "Yes!" Yang Luo nodded heavily.

Strength was the most important thing!

Become stronger!

He had to become stronger!

Yang Luo looked at the setting sun in the distance, his eyes flickering!

He swore in his heart!

One day!

He wanted to trample the Penglai Immortal Island under his feet!

Let those high up in the air on the Penglai Immortal Island never dare to cause trouble in the secular world again!

Chapter 1373: I'm Back!

The next morning.

Mount Longhu.

In a Daoist temple.

Yang Luo, Xu Ying, Bujie, Prajna, and Lin Wenxuan were having breakfast with Zhang Zhilin.

Master Xuanku had long returned to Shaolin and said that he wanted to help Yang Luo think of a solution.

Zhang Zhilin said, "Little Luo, after breakfast, I'll send you back to Jiang City." Yang Luo waved his hand and said, "Master, there's no need to go through so much trouble.

We can go back ourselves." "Little Luo, your injuries have just healed, and you can't use your True Qi and energy.

I'm worried that your enemies will take the opportunity to find trouble with you.

Therefore, let me send you back." Zhang Zhilin raised his hand and said, "It's settled then.

Don't refuse." "Fine" Yang Luo nodded and did not reject Zhang Zhilin's good intentions.

After breakfast Zhang Zhilin sent Yang Luo and the others away from Longhu Mountain and boarded a plane to Jiang City On the other side Jiang City.

Imperial River Court Villa No.

8.

In the dining room.

Su Qingmei, Qin Yimo, Su Wanqiu, Xiao Ziyun, Lin Qianyi, Song Zhixin, and Alinda were having breakfast.

However, everyone's expressions were gloomy and they were not in a good mood.

These few days, everyone stayed here and waited for Yang Luo to return.

Qin Yimo said worriedly, "It's been more than half a month.

Why isn't Brother Yang back yet?" Su Wanqiu looked at Su Qingmei and asked, "Qingmei, did you contact the Dragon General yesterday?

What did he say?" The other women also looked at Su Qingmei.

Su Qingmei said, "I contacted the Dragon General yesterday.

The Dragon General said that Yang Luo's injuries are almost healed and told us not to worry." "Really?!" Su Wanqiu's beautiful eyes were filled with surprise, "Has Yang Luo's injuries really recovered?!" Su Qingmei said, "That's what the Dragon General said." Lin Qianyi also said, "I've also contacted Grandpa.

Grandpa did say that." "That's great!" Xiao Ziyun was very excited, "Little Luo's injuries are finally healed!" Song Zhixin frowned and said, "Since Little Luo's injuries have already healed, why isn't he back yet?" Alinda said worriedly, "Did something happen to Yang Luo?" Hearing this Worry appeared on the other women's faces.

That's right.

Since Yang Luo's injuries had already recovered, why wasn't he back yet?

Su Qingmei said, "Sisters, don't worry too much.

Since the Dragon General said that Yang Luo has recovered, there must be no problem.

Everyone still has things to do, so it would be better to go and do your own things.

When Yang Luo comes back, I'll get him to call you." "No, I have to wait for Yang Luo to return.

I'll only be at ease when I see him with my own eyes!" "That's right.

Every day I don't see Little Luo, I can't let go!" "Qingmei, we can deal with the matters at hand later.

The most important thing now is still Little Luo!" The girls spoke one after another, unwilling to leave.

Su Qingmei looked helpless.

She also knew that women had deep feelings for Yang Luo.

Before seeing Yang Luo with their own eyes, it was impossible for them to leave.

Moreover, she was the same.

She could not work normally these few days, so she simply handed the company's matters to Shen Yun, Li Sihai, and Cai Donglai.

Su Qingmei sighed and said, "Alright, let's wait for Yang Luo to return together." After breakfast The girls helped Su Qingmei wash the cutlery and chatted in the living room.

When it was almost noon.

The sound of someone unlocking the door suddenly came from outside.

All the girls turned to look at the door.

The moment the door was opened!

All the women were stunned!

Everyone stared at the familiar figure at the door and could not say anything!

It was precisely Yang Luo who opened the door.

Zhang Zhilin, Xu Ying, Prajna, Bujie, and Lin Wenxuan stood at the back.

As he looked at the beautiful and familiar faces in front of him.

Yang Luo took a deep breath and said, "I'm back!" The next second!

"Wuwuwu" "Little bastard, you're finally back!" "Big baddie, you've really worried us to death!"
"Annoying guy, it's been more than half a month."

"Why are you only back now!" The women all cried out, got up, and ran over.

"Brother Yang, where are you injured?"

"Have you recovered?" "Little Luo, have you really recovered?"

"Are you alright?" "Let's check it!" The women surrounded Yang Luo and looked around him.

They even started to touch him.

Zhang Zhilin, who was standing at the door, twitched his mouth and asked, "These are all Little Luo's women?" Xu Ying, Bujie, Prajna, and Lin Wenxuan nodded in unison.

Zhang Zhilin was caught between laughter and tears, "Although Little Luo has a Connate Realm Pure Yang Body and not an ordinary person.

"But this uh he still has to take it easy." Bujie teased, "Old Celestial Master, you seem to know quite a bit!" Zhang Zhilin blushed and glared at Bujie.

Bujie was so frightened that he quickly shut his mouth.

Although this old Daoist priest looked kind and amiable, However, it was still quite terrifying when he went berserk.

That night, the old Celestial Master showed his might and fought three Earth Immortals alone.

He still remembered the scene of the three Earth Immortals throwing away their armor and escaping in a sorry state.

At this moment.

Zhang Zhilin's gaze landed on Su Qingmei, and a hint of surprise appeared in his eyes.

He then looked away and fell into deep thought.

Had he sensed wrongly?

Wasn't what this woman possessed considered a Connate Realm Pure Yin Body?

Yang Luo hurriedly said, "Everyone, quiet down.

I'll introduce a senior to you!" Su Qingmei and the other women finally quietened down.

Yang Luo introduced Zhang Zhilin and said, "This is the current Celestial Master of Mount Longhu and my master.

In the past half a month, if not for Master's meticulous care, I would have died long ago." "Thank you, Old Celestial Master!" Su Qingmei and the other women bowed respectfully to Zhang Zhilin.

Zhang Zhilin smiled gently and raised his hand, "Everyone, there's no need to be so polite.

Little Luo is my disciple.

I'll naturally try my best to save him." After that, Yang Luo and the others invited Zhang Zhilin into the house and sat in the living room.

Su Qingmei quickly poured a cup of tea for Zhang Zhilin.

"Thank you." Zhang Zhilin took the teacup and sized up Su Qingmei, confirming his thoughts.

Connate Realm Pure Yin Body!

This woman's physique was indeed a Connate Realm Pure Yin Body!

After everyone chatted for a while.

Zhang Zhilin said to Su Qingmei and the other women, "Everyone, I've already sent him here.

I'll leave first." Su Qingmei said, "Old Celestial Master, it's already noon.

Why don't you have lunch before leaving?" Yang Luo also said, "That's right, Master.

Why don't we eat before leaving?" Zhang Zhilin declined politely, "I won't be eating.

I still have something to deal with at Mount Longhu." "Alright." Su Qingmei nodded and said, "Old Celestial Master, I'll send you off." "Alright!" Zhang Zhilin nodded.

Then, Zhang Zhilin and Su Qingmei walked out of the villa together.

After walking out of the villa, Zhang Zhilin hesitated for a moment and said, "Miss Su, although Little Luo's injuries have recovered, the problem with his body has yet to be resolved.

If this problem is not resolved within a month, Little Luo's life will be in danger." "What?!" Su Qingmei was shocked and said nervously, "Old Celestial Master, what's wrong with Yang Luo?

His life is actually in danger?!" Zhang Zhilin didn't hide anything and told Su Qingmei about Yang Luo's problem.

"How could this be?" Su Qingmei's pretty face turned pale and she immediately panicked.

Tears flowed down her face, "Old Heavenly Master, you're an expert.

Please think of a way to save Yang Luo!" Zhang Zhilin stared into Su Qingmei's eyes and said, "Miss Su, only you can save him now." "Ah?" Su Qingmei was stunned, "Only I can save Yang Luo now?!

"How how can I save him?!"

Chapter 1374: Determination!

"That's right." Zhang Zhilin nodded and said, "Only you can save him now." Su Qingmei was even more puzzled, "Old Celestial Master, I'm not an immortal and don't know medicine.

How can I save Yang Luo?" Zhang Zhilin said, "Miss Su, didn't I just say that Little Luo has a rare Connate Realm Pure Yang Body?

To save him, we have to find a woman with a Connate Realm Pure Yin Body.

The physique you have is the Connate Realm Pure Yin Body." "Me?!" Su Qingmei was shocked, "You mean that I have a Connate Realm Pure Yin Body?!" "That's right." Zhang Zhilin nodded and asked curiously, "Miss Su, don't you know?" "I don't know." Su Qingmei shook her head, "Yang Luo never told me." Zhang Zhilin sighed softly and said, "Little Luo definitely knows that your physique is the Connate Realm Pure Yin Body.

He also knows that only you can save him.

But the reason why he didn't tell you was because he didn't want you to feel pressured or force you." Su Qingmei hurriedly said, "Old Celestial Master, please tell me how to save Yang Luo!

As long as I can save him, I'll do anything!" Zhang Zhilin sighed, "Looks like you really love Little Luo." Tears flowed down Su Qingmei's face as she choked, "If not for Yang Luo, I wouldn't be who I am now.

He has been silently protecting me, guarding me, and helping me.

He has done too much for me.

But I've never done anything for him.

As long as I can save him, I'm even willing to die." Zhang Zhilin chuckled and said, "Miss Su, it's not that serious.

You only need to dual cultivate with him to reconcile the excess Yang Qi in his body and save his life.”
“Dual Dual cultivation?!” Su Qingmei’s pretty face instantly turned red.

Now that she was also a cultivator, she had learned a lot about cultivation and naturally knew what dual cultivation meant.

“That’s right, dual cultivation.” Zhang Zhilin nodded and replied, “Miss Su, dual cultivation is an extremely common thing for cultivators.

You don’t have to be too embarrassed.

If you dual cultivate with Little Luo, not only can you save Little Luo’s life, but you can also make Little Luo’s future cultivation path smoother and faster.

Moreover, the Pure Yin Qi in your body can also be harmonized.

In the future, your cultivation path will be smoother and your cultivation speed will also increase.

This is an extremely good thing for the two of you.” Su Qingmei pursed her lips and said, “Old Celestial Master, I understand.

Don’t worry, I’ll definitely save him.” “That’s good.” Zhang Zhilin smiled happily and said, “After resolving this matter, I feel much more relaxed!

Alright, Miss Su, I’ll take my leave first!” With that, Zhang Zhilin tapped the ground and turned into a golden stream of light that soared into the sky.

In the blink of an eye, he disappeared into the sky.

Only when Zhang Zhilin disappeared from sight.

Did Su Qingmei then retract her gaze.

Only then did she understand.

It turned out that there had always been a problem with Yang Luo and he had always been facing the threat of death.

However, in order not to give her pressure, Yang Luo had never mentioned this to her, nor had he forced her.

It turned out that he had been silently enduring it all along.

It turned out that she still did not know him well enough.

At the thought of this, the tears in Su Qingmei's eyes could not help but flow down.

Her heart ached.

"Idiot, I could have saved you.

Why didn't you tell me?!" Su Qingmei muttered, wiped her tears, and made up her mind.

Then, she turned around and walked into the villa.

Her expression was normal, as if nothing had happened.

"Has the old Celestial Master left?" By the side, Su Wanqiu asked.

"He's left." Su Qingmei nodded.

Su Wanqiu smiled and said, "Little Luo is finally back.

Let's have a good gathering.

"I'll go and cook now!" "Aunt, I'll help you!" "I'll go help!" "I'll go too!" The women all went into the kitchen.

During dinner.

Yang Luo asked Su Qingmei, "Qingmei, how's the situation with Hua Mei Biomedical now?" Su Qingmei said, "Hua Mei Biomedical has already started operating normally.

We've taken over a portion of the businesses of the Cao and Nie families.

The families and businesses that were on good terms with us took over the remaining businesses of those families.

However, when you weren't around a few days ago, the Cao and Nie families planned to counterattack again.

They were only halfway through their counterattack when Mr.

Yi, the Dragon General, Mr.

Hua, and Mr.

Chu stepped forward to stop them." "Oh" Yang Luo nodded in realization.

It turned out that when he wasn't around, the Cao and the Nie Families actually wanted to counterattack.

These families were time bombs that had to be destroyed as soon as possible.

However, he was very surprised that Chu Yunshan would help.

After all, he and Chu Yunshan had been at odds previously.

Now that Chu Yunshan was willing to help, it was better to ease his relationship with him.

Xiao Ziyun hurriedly said, "Little Luo, what exactly happened that night more than half a month ago?

Hurry up and tell us.

We only know a rough idea." Lin Qianyi also echoed, "That's right.

Quickly tell us why there were so many casualties in that battle!" "Alright, then I'll tell you." Yang Luo did not hide anything and told the women about the battle that night.

After hearing Yang Luo's story All the women present could not recover from their shock.

Su Qingmei sighed and said, "I didn't expect that battle to be so tragic" Qin Yimo said with a fearful expression, "I didn't expect there to really be immortals in this world, and their strength to be so terrifying!" Lin Qianyi shook his head and said bitterly, "We're still too weak.

In the eyes of these immortals, we're really just ants!" Qin Yimo gritted her teeth and said, "That's why we have to cultivate harder.

We have to become stronger!

Only when we become stronger can we fight those immortals with Brother Yang in the future!” “Yes!” Su Qingmei and the other women nodded heavily.

Everyone had also made up their minds to cultivate harder and become stronger!

By the way, Little Luo, Eldest Sister has been brought back to the Penglai Immortal Island.

Will she really be fine?” Song Zhixin looked at Yang Luo worriedly.

The other women also looked at Yang Luo.

Yang Luo frowned and said, “Eldest Senior Sister has awakened the taboo physique of the Purple Cloud Sect, the Purple Cloud Sacred Body.

The Purple Cloud Sect seemed to value this physique very much.

Senior Sister should be fine.

Of course, when my cultivation and strength increase, I will definitely kill my way to the Penglai Immortal Island and kill those old fellows to save Eldest Senior Sister.” Song Zhixin said, “We’ll go together then!” The other women nodded.

Yang Luo said in a deep voice, “If your cultivation and strength can increase at that time and you have the strength to fight those immortals, I’ll naturally bring you there!

However, if you’re not strong enough, don’t go.

It’s better to stay in the secular world!

After all, it's not a joke to fight an immortal!" Song Zhixin snorted, "Why?

Are you looking down on us?

Don't worry, we'll all become stronger!" "That's right, we'll all become stronger!" The other women's eyes were also filled with determination and fighting spirit.

"Little Luo, are your injuries really all healed?

Are you really fine?" Su Wanqiu was still a little worried and asked.

Yang Luo smiled and said, "Of course.

My injuries have completely recovered!" Only then did Su Wanqiu and the other women relax.

Only Su Qingmei only looked at Yang Luo deeply and did not say anything.

After lunch.

The women originally wanted to stay and accompany Yang Luo.

However, under Yang Luo's repeated persuasion, everyone left to do their own things.

After the women left.

Yang Luo said to Su Qingmei, "Qingmei, I'm going to Peng City to visit Yunfeng and the others.

Now that Eldest Senior Sister is no longer around, the foundation that Eldest Senior Sister built still has to be maintained." Bujie said, "Brother Yang, we'll accompany you!" Yang Luo waved his hand and said, "No need.

I'll go alone.

I can relax too." With that, Yang Luo left the villa.

After leaving the villa, Yang Luo took a car to the airport and boarded a plane to Peng City

Chapter 1375: A Cripple!

It was past two in the afternoon.

Yang Luo arrived at Peng City Airport.

After leaving the airport, he took a car to Silken Manor.

Because the battle that night had caused serious damage to Silken Manor The whole area was currently under construction and repair.

Coming here again.

The scenes from that night surged into his mind like a tide.

His brothers roared in grief and indignation, shouted in despair, and looked at him unwillingly The high up in the air appearance of the three old dogs, Leng Yuchuan, Li Xiaotian, and Cang Yunting, their disdainful gazes and mocking smiles Thinking of this, Yang Luo could not help but clench his fists!

Endless anger surged in his heart!

It was enough to experience such despair once!

There must not be a second time!

“Is it Mr.

Yang?!” At this moment, a surprised voice sounded.

Yang Luo turned around and saw a burly man with gauze wrapped around his hand and head running over.

“Mr.

Yang, it’s really you.

Have your injuries healed?

Are you alright?” The man was pleasantly surprised to see Yang Luo.

“And you are?” Yang Luo asked in confusion.

The man hurriedly introduced himself, “Mr.

Yang, my name is Sun Yuetong.

I’m the president of the Cloud Roc Chamber of Commerce in Peng City.

“More than half a month ago, I also participated in the battle.

Unfortunately, I was too weak and couldn’t help the South Suppressing King much.” Yang Luo said, “President Sun, you don’t have to blame yourself.

It's already very rare for you to be able to protect my eldest senior sister." "Mr.

Yang, don't call me President Sun.

Just call me Little Sun." Sun Yuetong waved his hands repeatedly and said, "If Battle King Yun and the others know that your injuries have recovered, they would definitely be very happy!" "By the way, where are Miss Yun and the others now?" Yang Luo asked.

Sun Yuedong said, "Battle King Yun and the others are all recuperating in the hospital.

Why don't I bring you to see Battle King Yun and the others?" "Alright, sorry to trouble you." Yang Luo nodded in agreement.

"Not at all, not at all." Sun Yuetong grinned and left Silken Manor with Yang Luo.

Then, Yang Luo and Sun Yuetong got into a car and arrived at Pengcheng Central Hospital.

After arriving at the hospital, Under Sun Yuetong's lead, Yang Luo arrived at a VIP ward.

A hospital bed was placed in the ward, and Yun Feng was lying on it.

As soon as they entered the ward, Sun Yuetong shouted, "Battle King Yun, look who's here!" Yun Feng turned around.

"Mr.

Yang?!" Yun Feng was pleasantly surprised.

Yang Luo quickly walked over.

“Mr.

Yang, it’s great to see that you’re fine!” Yun Feng choked and her eyes turned red.

Yang Luo said, “I’m fine now, so you have to quickly recover from your injuries.

Now that Eldest Senior Sister is no longer around, the matters of the various Chambers of Commerce in the north and south will have to be handed over to you to manage.” Yun Feng said, “Mr.

Yang, the South Suppressing King said before that if anything happens to her, the next South Suppressing King will be you.

Now that the north and south are almost unified, you are the true king.” “Your King will always be my eldest senior sister.

When she’s not around, you can look for me if there’s anything you can’t resolve.

As for the other matters, you can handle them yourselves.” As he spoke, Yang Luo took out the Fuxi Divine Needle and said, “Miss Yun, let me perform acupuncture on you.

This way, your injuries will heal faster.” Although he could not use his True Qi now, it did not mean that his medical skills were gone.

It was just that he could not use the Providence Needle now.

The healing effect was a little weak.

Yun Feng quickly thanked him, “Thank you, Mr.

Yang!” Yang Luo did not say anything else and quickly performed acupuncture on Yun Feng.

After that, he went to the other wards to treat Ling Zhan, Yan Tao, Chu Wanshan, Li Longfei, Shang Wei, and the other Battle Kings.

After the treatment ended He chatted with everyone in the hospital for a while more before leaving the hospital to have dinner with Sun Yuetong.

After dinner, Sun Yuetong sent Yang Luo to Peng City Airport and took a plane to Jiang City.

At around eight o’clock in the evening Yang Luo arrived at Jiang City Airport and took a car to Imperial River Court.

However, when he was only 500 meters away from Villa No.

8, he frowned and sensed the auras of a few Martial Warriors a thousand meters away.

At this moment.

In the forest 800 meters away.

Five middle-aged men were lurking here, staring at villa number eight.

They had come in the evening and had been hiding here.

“Wait, isn’t that Yang Luo?!” A thin-faced man exclaimed.

The other four also looked over.

“It’s really Yang Luo!” “Yang Luo isn’t dead?!” “How is that possible?”

Didn't Elder Cao and Elder Nie say that this kid was already dead?" "That's right.

It's said that this kid was beaten up by an immortal back then.

How can he not be dead?" They retracted their gazes and started discussing.

A man with a crew cut said in a deep voice, "We have to quickly inform Elder Cao and Elder Nie!" "Yes!" The other four nodded.

However, just as the man with the crew cut was about to make a call, A cold voice suddenly sounded in their ears.

"Oh, so you were sent by Cao Huben and Nie Baoshan." Hearing this voice The five of them felt their hair stand on end as they turned around at the same time.

Unknowingly, Yang Luo had already appeared in front of him.

The five of them were shocked and quickly took a few steps back.

They knew Yang Luo's strength.

Furthermore, they had also heard that Yang Luo had killed four elders and six Protectors of the Heaven Expanse Sect and Purple Cloud Sect.

Yang Luo looked at the five of them coldly and said, "Are you here to check on me?" Are you disappointed to see that I'm not dead?" The thin-faced man said in a deep voice, "Mr.

Yang, we're also working for someone.

We're sorry to disturb you.

We'll leave now!" As he spoke, the thin-faced man and the others prepared to leave.

"Did I let you go?" A cold glint and killing intent flashed in Yang Luo's eyes at the same time.

He hated the Cao family and the Nie family to the extreme.

Whoever dared to help these two families would be his enemy.

The square-faced man gritted his teeth and said, "Mr.

Yang, we don't want to make things difficult for you, but please don't make things difficult for us!" Yang Luo said coldly, "You should leave such words to the King of Hell!" A round-faced man suddenly spoke up, "Everyone, I felt that something was wrong just now.

There's no True Qi fluctuation on this kid!" "Eh, there's indeed no True Qi fluctuation on this kid's body!" "I understand.

Although this kid's injuries have healed, he has already been crippled.

He's no different from an ordinary person now!" "Hahaha, so this kid is already a cripple.

I was really shocked just now!" "Kid, you've already been crippled.

Why are you still pretending?" The other four also realized that there were no longer any True Qi fluctuations on Yang Luo's body.

All of them laughed mockingly.

Yang Luo said indifferently, "That's right.

I can't use my True Qi now, but that doesn't mean I can't kill you Martial Highness Realm experts."
"F*ck, why are you still pretending here?

Attack together and kill him!" "As long as we can kill him, we'll have made a great contribution!" "When the time comes, Elder Cao and Elder Nie will definitely reward us heavily!" The five of them were extremely excited.

They mobilized their True Qi and charged towards Yang Luo.

Two of them waved the sabers and swords in their hands, while the other three waved their palms, fists, and claws at Yang Luo!

Light flickered and True Qi flew.

It was incomparably dazzling!

However, Yang Luo did not dodge or retreat.

He brazenly threw a punch!

This punch did not mobilize any True Qi or energy at all.

It only used the strength of his body!

Therefore, although this punch looked ordinary, it erupted with the power of a landslide and a tsunami!

While Yang Luo could not use his True Qi and energy now, his physical strength had long reached a terrifying level because he cultivated the Eight-Nine Mysteries!

Dealing with ordinary martial artists was simply not a big deal!

Rumble!

A thunderous collision resounded!

“Ahhhh” The five of them screamed in pain and were sent flying at the same time!

The sabers and swords in the hands of two of them were shattered, turning into fragments that filled the sky and flying out!

Chapter 1376: I Really Love You Very Much!

“How is this possible?

Isn't this kid crippled?

How is he still so strong?!” “No, he didn't use his True Qi.

He only used his physical strength!” “Just his physical strength is already so terrifying?

Is he still human?!” The five of them cried out in fear as they were sent flying.

However, Yang Luo took a step forward and charged forward, leaving an afterimage!

In an instant!

He caught up to two of them!

He reached out with both hands, grabbed their arms, and slammed them into the middle!

Peng!

Their heads exploded like watermelons!

Seeing that Yang Luo instantly killed two Martial Highness Realm martial artists!

The other three Martial Highness Realm martial artists were stunned!

“This kid is too scary.

Run, run quickly!” Without another word, the three of them turned around and ran.

However, Yang Luo did not give them a chance to escape at all.

Instead, he moved and chased after them!

In an instant!

He caught up to the three of them!

Then, he stretched out his hands again and grabbed the backs of their necks.

He slammed them into the ground!

Rumble!

Two holes appeared in the ground!

Their heads exploded instantly as well.

Their bones were broken and their internal organs were shattered.

They died on the spot!

After killing the two of them!

Yang Luo twisted his waist and abdomen and suddenly kicked out!

“Don’t even think about it!” In the end, that person roared in shock and condensed a True Qi barrier to block!

Dong!

The True Qi barrier that this person had condensed exploded with a single kick!

After Yang Luo’s kick shattered his True Qi barrier, it ruthlessly landed on his chest!

“Pfft” The man spat out a mouthful of blood and was sent flying dozens of meters away!

When he landed on the ground, his chest had already collapsed and blood kept gushing out of his mouth.

His body twitched a few times before he stopped breathing!

“Phew” Yang Luo exhaled softly, clapped his hands, and frowned.

His physical strength was indeed very strong, dealing with ordinary Martial Warriors was a piece of cake.

However, without the support of True Qi, it was still too difficult to deal with stronger enemies.

Therefore, he had to quickly resolve his ailments.

Now, only Qingmei could save him.

But the crux of the matter was, what should he tell Qingmei?

Would Qingmei be angry and think that he was with her because of her physique?

In the beginning, he might have chosen to be with her because of this thought.

But later on, he had fallen deeply in love with this woman.

Yang Luo shook his head helplessly.

“Anyway, there’s still a month.

I can think about how to tell this to her.” Then, he took out his phone and called the leader of the Hidden Dragon Pavilion’s branch in Jiang City, asking him to bring people over to collect the corpses.

After making the calls, He walked towards Villa No.

8.

However, when he reached the entrance of the villa, He was instantly stunned!

He saw that the villa was brightly lit and the lights were still on.

The door was covered in red roses.

The roses extended from the lawn to the entrance, as if they had been laid on a red carpet.

“That’s strange.

Could it be that Qingmei set it up?

Is today a special day?” With a belly full of doubts, Yang Luo walked to the door and opened it.

The moment the door was opened Yang Luo was instantly dumbfounded!

Other than the entrance of the villa, The living room was also covered with roses and a big heart.

The roses extended from the living room to the stairs and then to the door of Su Qingmei’s room.

Just as Yang Luo was in a daze The door to the room on the second floor opened.

Su Qingmei walked out of the room.

The woman must have taken a shower.

She was wearing a black silk nightdress that outlined her tall and graceful figure.

The dress could only cover half of her thigh, adding to the woman’s charm.

Under the light, her exposed skin emitted a lustrous and fair glow, like warm jade.

The woman had long, black, and smooth hair.

Her eyes were clear like the stars, and she had curved willow eyebrows and thin red lips.

Although he had been with her for more than half a year, for some reason, Yang Luo felt that the woman tonight was especially charming.

Yang Luo gulped and asked, "Qingmei, did you decorate these?"

Is today an important day?" Su Qingmei didn't say anything and walked downstairs.

As she walked, she said gently, "Yang Luo, I know everything" "What do you know?" Yang Luo was even more puzzled.

Su Qingmei said, "You have the Connate Realm Pure Yang Body, and I have the Connate Pure Yin Body" "This!" Yang Luo's expression changed as he looked at the woman in a daze, "How did you know?" Su Qingmei stared into Yang Luo's eyes, "The old Celestial Master told me" Yang Luo smiled bitterly in his heart.

It turned out that his master had already seen through Su Qingmei's Connate Realm Pure Yin Body.

However, it made sense.

His master was an Earth Immortal.

How could he not tell?

However, Master, weren't you too anxious?

Yang Luo took a deep breath and said, "Qingmei, I'll be honest with you!

Yes, when I first got together with you and chose to get engaged to you, I did take a fancy to your physique and indeed thought of using your physique to save my life!

But after spending so much time with you and experiencing so many things together, I realized that I had really fallen in love with you!

I like your smile, your temper, and the way you work hard!

I've always felt that the heavens have treated me well, allowing me to be lucky enough to meet such an outstanding person like you!

Therefore, I hid it from you because I didn't want to pressure you or force you!

I think that some things should be done naturally.

That way, it will be better" Hearing Yang Luo's words, Su Qingmei felt a lump in her throat.

Her eyes were red and tears were welling up.

She walked to the heart paved with roses in the middle of the living room and choked, "You big fool, I can clearly save you.

Why didn't you tell me?

Why did you have to bear it alone?

Big baddie, I treated you like that back then, but you never left me!

You can tolerate all my bad habits and princess temper.

You can always silently protect me, love me, guard me, and help me!

Why can't I do the same for you, love you, protect you, and help you, even if it's just a small thing?

Idiot, we've been through so much together.

There were conflicts, laughter, tears, and emotions Do you think I don't love you?

I love you.

I really love you very much.

I know that I won't be able to find a man who loves me so much and makes me love him so much in this life!

As long as I can save you, I'm willing to die for you!" At this point, the woman burst into tears.

Her tears fell from the corners of her eyes like pearls.

Yang Luo's eyes were also moist, and hot tears could not help but flow down.

He closed the door and rushed over, hugging the woman tightly.

"Su Qingmei!

I love you too.

I love you very, very much!" Yang Luo sobbed and hugged the woman especially hard, as if he wanted to integrate the woman into his heart.

Su Qingmei raised her head slightly, tears blurring her face as she whispered, "Darling, let me help you, save you, and be your woman, okay?" "Yes!" Yang Luo nodded vigorously and directly captured the woman's red lips.

Their emotions were like a volcano erupting.

Hence, this kiss was exceptionally intense.

Her tears were salty, but her heart was sweet.

There was no longer any barrier between the two of them.

The kiss lasted a full ten minutes.

It was only when Su Qingmei felt that she was about to lack oxygen that she immediately felt her body lighten.

It turned out that Yang Luo had already carried her up and walked upstairs along the carpet made of roses.

Su Qingmei blushed and buried herself in the man's arms

Chapter 1377: Double Breakthrough!

The next morning.

Imperial River Court Villa No.

8.

Sunlight shone through the window into a room on the second floor.

Yang Luo and Su Qingmei had hugged each other and fell asleep.

The corners of their lips curled up into a blissful smile.

At this moment.

Su Qingmei suddenly opened her beautiful eyes.

She quickly sat up and started to push Yang Luo, “Yang Luo!

Wake up!

Wake up quickly!” Yang Luo also opened his eyes and yawned.

“Qingmei, what’s wrong in the morning?

Did something happen?

After a long night, why didn’t you sleep more?” Su Qingmei blushed again and said coquettishly, “Aiya, get up quickly.

Hurry up and see if you’re better!” Hearing Su Qingmei’s words Yang Luo also suddenly woke up!

Firstly, he and the woman had broken through to the last step because their relationship had reached this point.

Secondly, it was to save his life!

He hurriedly sat up and sat cross-legged.

He closed his eyes and began to circulate the Nine Heavens Dragon Taming Technique he cultivated.

Previously, because of the damage to his dantian and the fact that the Pure Yang Qi had reached the verge of collapse, Therefore, as long as he used his True Qi slightly, he would feel a tearing pain in his dantian and entire body, as if his body would explode at any moment.

But now, when he circulated his cultivation technique again and mobilized his True Qi, he felt that there was no longer any pain in his dantian.

Yang Luo was delighted!

Could it be that his dantian had been repaired?!

Yang Luo suppressed the excitement in his heart and continued to circulate his cultivation technique!

He felt that the Yin Yang Qi in his body had already stabilized!

The true qi in his dantian had also reached a saturated state!

However, the Yin-Yang Qi and True Qi in his body were still suppressed by the two True Qi that his master and Master Xuanku had injected into his body!

Once he broke through these two True Qi, he might be able to step into the perfected Dao Convergence realm in one go!

As long as he could step into the perfected Dao Convergence realm, he would be able to fight early-stage Earth Immortal experts with his powerful cultivation techniques and rich combat experience in the future!

He had to take this opportunity to step into the perfected Dao Convergence realm!

Thinking of this, Yang Luo frantically mobilized the True Qi and all the other energy in his body to break through!

In the past, he would still have reservations, afraid that the Pure Yang Qi in his body would collapse!

However, now that the Pure Yang Qi in his body had been perfectly harmonized, he no longer had this worry!

For a moment Waves of True Qi and energy barged through his body like a tsunami, attacking his internal organs, eight extraordinary meridians, and limbs!

This process was a little long.

Meanwhile, Su Qingmei sat at the side and stared at Yang Luo, feeling uneasy.

Yang Luo should be fine, right?

The old Celestial Master had said that this method could save Yang Luo!

Seconds ticked by.

Yang Luo's brows were tightly furrowed, and sweat had already appeared on his forehead!

His skin gradually turned red!

Su Qingmei became even more nervous, but she did not dare to disturb Yang Luo and remained silent!

A full half an hour passed.

Suddenly!

Plop A low rumble sounded from Yang Luo's body!

The two streams of True Qi that Zhang Zhilin and Master Xuanku had injected into his body were instantly broken!

A few seconds later Plop A second low rumble sounded in his body!

Along with this booming sound!

The True Qi in his body was like a surging river, vast and boundless, constantly washing through his internal organs, eight extraordinary meridians, and limbs!

At this moment, his cultivation level had officially stepped into the perfected Dao Convergence realm!

Furthermore, he felt that every meridian, every bone, every inch of muscle, and every organ in his body had become stronger!

A few minutes later "Arghhhh!" Yang Luo suddenly opened his eyes and raised his head to let out a roar!

This roar shocked Su Qingmei!

Until Yang Luo's condition stabilized.

Su Qingmei quickly asked, "Yang Luo, how is it?"

"Have you recovered?" "Alright, my body has completely recovered!" Yang Luo laughed heartily and hugged Su Qingmei.

He said gently, "Qingmei, thank you."

"Thank you so much!" When she found out that his body had completely recovered Su Qingmei's eyes turned red as tears fell from the corners of her eyes.

Just now, she was really worried that she could not save Yang Luo.

Now that Yang Luo's body had finally recovered, she was very excited and happy.

She had finally managed to help him.

She sniffed and choked, "Big fool, why are you thanking me?" Yang Luo let go of the woman and reached out to wipe the tears from the corners of the woman's eyes, "Silly girl, why are you crying?"

"We should be happy." "I'm not crying."

"I'm just happy." Su Qingmei pouted and asked, "Is your body really fine?" "It's really fine now!" Yang Luo nodded and said, "Moreover, not only is the Yin-Yang Qi in my body already balanced, but my dantian has also been repaired."

"My body has also become much tougher!"

"Even my cultivation level has stepped into the perfected Dao Convergence realm in one go."

I just need to work harder and have a chance of stepping into the Earth Immortal realm!" "Really?!" Su Qingmei's beautiful eyes lit up with joy.

"Of course!" Yang Luo nodded vigorously and said, "Qingmei, all of this is because of your help!

Otherwise, I'm afraid I would have really died in a month!" As he spoke, Yang Luo hugged the woman's face and kissed her!

"Aiya, what are you doing!" Su Qingmei's face immediately turned red.

Yang Luo raised his eyebrows and said with a smile, "We're already an old couple.

What's wrong with a kiss?" Su Qingmei rolled her eyes cutely and snorted, "Who's an old married couple with you?

Shameless!" "Hahaha" Yang Luo was overjoyed and smiled even more happily.

"You're still laughing?

I'm hitting you!" Su Qingmei reached out and hit Yang Luo a few times.

Anyway, this guy's body had already recovered and he had become resistant to beatings again.

Yang Luo suddenly thought of her and said, "By the way, how's your body?

Since it's dual cultivation, it should be beneficial to all of us!

Perhaps you can also use this opportunity to achieve a breakthrough!" "Can I, too?" Su Qingmei asked nervously with anticipation.

Yang Luo said, “Definitely.

Hurry up and give it a try!

With me protecting you, you don’t have to worry!” “Alright.” Su Qingmei agreed and sat cross-legged, beginning to circulate the Nine Revolutions Phoenix Controlling Technique.

Yang Luo stayed by the woman’s side and carefully observed her condition.

As the cultivation technique circulated, A dazzling golden-red light appeared on Su Qingmei’s body.

Moreover, he could see the phantom of a golden-red phoenix circling the woman’s body.

It was extremely mysterious.

Time continued to flow.

After a while “Mmm” Su Qingmei let out a low moan and frowned.

Beads of sweat appeared on her fair forehead.

Yang Luo could also sense that the woman was about to break through, so he did not disturb her.

After a while Plop A low rumble sounded from Su Qingmei’s body!

In the next second Yang Luo sensed that the woman’s cultivation had stepped into the perfected Foundation Establishment realm from the late-stage Foundation Establishment realm!

However, this was far from over!

The True Qi in the woman's body surged again and attacked!

What the f*ck Yang Luo suddenly came to a realization!

Could it be that she could still break through?

At this moment.

Plop A second low rumble sounded!

He had broken through!

The woman's cultivation directly crossed the threshold of Foundation Establishment and broke through to the early-stage Shedding Mortality realm!

However, it was not over yet!

A few minutes later Plop A third low rumble sounded!

The woman's cultivation level had advanced from the early-stage Shedding Mortality Realm to the mid-stage Shedding Mortality Realm!

Yang Luo's eyes widened and he was dumbfounded!

The woman had actually broken through three small realms in a row!

Wasn't this too terrifying?

But just as Yang Luo was in a daze!

Plop A fourth low rumble sounded!

The woman's cultivation had directly stepped into the late-stage of Shedding Mortality!

Oh my god!

This woman actually broke through four realms in a row!

From the late-stage Foundation Establishment realm to the late-stage Shedding Mortality realm!

Amazing!

It was simply amazing!

Just as Yang Luo was looking forward to her continued breakthrough, However, her breathing had already stabilized.

It seemed that this was already the limit.

Su Qingmei could no longer break through.

However, even so, Yang Luo was still deeply shocked.

Of course, thinking about it carefully, it was understandable.

After all, it was relatively easy to break through in the early stages of cultivation.

In addition, she also had a powerful and special physique.

Now that the Yin Yang Qi in her body had been harmonized by her, it was natural that her cultivation level had continuously improved.

Chapter 1378: Going Against the Heavens!

However, at the later stages of cultivation, breakthroughs in cultivation would become more and more difficult.

In particular, the process of breaking through from the Dao Convergence realm to the Earth Immortal realm was extremely difficult.

Many cultivators could only be stuck at the Dao Convergence realm their entire lives and could not step into the Earth Immortal realm at all.

This was also the reason why he had only broken through one realm while the woman had broken through four realms.

A few more minutes passed.

“Phew” Su Qingmei let out a long breath and slowly opened her eyes.

Yang Luo grinned and said, “Qingmei, congratulations!

“I didn’t expect you to break through four realms in a row from the late-stage Foundation Establishment realm to the late-stage Shedding Mortality realm.

Impressive, impressive!” Su Qingmei could not hide the joy in her eyes as well, “Just now, I only felt that the True Qi in my dantian was very abundant, and the circulation of True Qi was very smooth!

However, I didn't expect to break through four realms at once.

It was really too magical!

Since dual cultivation is so easy to break through, why are those cultivators still cultivating so hard?

Just dual cultivate!" "Silly girl!" Yang Luo tapped the woman's forehead with his hand and was caught between laughter and tears as he said, "Do you think every dual cultivation session is like this?"

The reason why we can dual cultivate so successfully is because I have the Connate Realm Pure Yang Body and you have the Connate Pure Yin Body.

Our physiques coincidentally match.

There were so many cultivators in the world, and very few could have a special physique.

Even if some cultivators had special physiques, it was really difficult to find cultivators compatible with them.

Moreover, cultivators of different physiques cannot perform dual cultivation.

Once they dual cultivate, at best, they will damage their cultivation foundation and become a cripple.

At worst, both of them will lose their lives." Su Qingmei said in horror, "So scary!" "That's how scary it is." Yang Luo spread his hands and said, "That's why dual cultivation is only a support.

If you want to pursue a higher Great Dao and step into the realms of the strongest, you have to rely on yourself." "Oh" Su Qingmei was enlightened and continued, "Then why can I break through four realms while you only broke through one realm?" Yang Luo explained, "That's because you're in the early stages of cultivation now.

It'll be easier for you to break through.

Coupled with us dual cultivating, it'll be easier for you to break through.

I've already stepped into the Dao Convergence realm and am advancing towards the Earth Immortal realm.

It's very difficult for me to break through every realm.

If not for our dual cultivation this time, it would probably take me some time to reach the perfected Dao Convergence realm as well." "So that's what happened." Su Qingmei pouted, "I thought you could step into the Earth Immortal realm this time and become an immortal.

What a pity." "There's nothing to feel pity about." Yang Luo shook his head, "This time, I could repair my dantian and harmonize the Yin-Yang Qi in my body.

It's already very good to remove the threat to my life.

As for my cultivation level breaking through to the perfected Dao Convergence realm, that was a pleasant surprise.

Furthermore" "There's more?" Su Qingmei asked quickly.

Yang Luo sighed and said, "Furthermore, it's not so easy to break through to the Earth Immortal realm.

You have to transcend the Earth Immortal Tribulation.

If I break through to the Earth Immortal Realm now, I will definitely attract the lightning tribulation.

At that time, I won't even have a place to run.

Once the lightning tribulation comes, not to mention our villa, even the entire villa area of the Imperial River Court and all the surrounding buildings will be destroyed.” “Is it that terrifying?!” Su Qingmei was shocked.

She originally thought that breaking through to the Earth Immortal Realm would be the same as before.

However, she did not expect that one would have to transcend the tribulation.

“That’s how terrifying it is.” Yang Luo nodded and said, “Moreover, it might be even more terrifying than I imagined.

After all, cultivation is something that went against the heavens.

Once a cultivator wishes to become an immortal, lightning tribulation would descend from the heavens.

Moreover, the terror of the lightning tribulation varies from person to person.” “It varies?” Su Qingmei looked puzzled, “What do you mean?” Yang Luo said, “It means that the stronger a cultivator is, the more terrifying the lightning tribulation will be.

On the other hand, the lightning tribulation that ordinary cultivators undergo is very ordinary and not that terrifying.” “This!” Su Qingmei’s beautiful eyes widened as she exclaimed, “Yang Luo, you’re so powerful.

Could the lightning tribulation you’re going to transcend be very terrifying?!” Hearing Su Qingmei’s words Yang Luo’s heart skipped a beat as well when he saw her actions.

He took a deep breath and said, “Perhaps, but I’m already prepared to transcend the tribulation!

No matter how terrifying the lightning tribulation was, I have to survive it and step into the Earth Immortal Realm.

Only then can I advance to a higher and stronger realm!

To me, the Earth Immortal Realm is just the beginning.

I have to constantly become stronger!

Only by becoming stronger can I kill my way to the Penglai Immortal Island and take revenge for the blood feud and save Eldest Senior Sister!" In the past, he had only seen the secular world.

Now, after knowing that there were stronger immortals on the Penglai Immortal Island and the Kunlun Ruins His horizons had also expanded again, so he set a longer-term goal for himself.

Not only did he want to become an Earth Immortal, but he also wanted to become a true immortal.

Of course, there were some things he did not tell the woman.

It was that if he failed to transcend the tribulation, he would be reduced to ashes.

It was also because of this that some cultivators would slow down their cultivation speed after stepping into the Dao Convergence realm and try their best to delay the arrival of the lightning tribulation.

After all, not every cultivator had the guts to undergo the lightning tribulation.

It was naturally good if they could cross it.

If they could not, they would be completely dead.

Yang Luo did not want to tell this to the woman, lest she worry about him.

Su Qingmei nodded and said, "Yang Luo, I'll work harder too!

At that time, I want to accompany you to take revenge and save Sister Dongfang!" Yang Luo smiled gently and said, "Then let's continue working hard Hey, hey, hey, what are you doing?!" Before he could finish speaking, Su Qingmei pressed him down.

The corners of Su Qingmei's lips curled up as she said, "Didn't I say that I have to work harder to cultivate?"

I'm just about to work hard now!

Let's try again and see if we can continue to break through?" Yang Luo said in amusement, "You were up all night last night.

Do you still want to try?" Su Qingmei blushed, "Aiya, it's fine to try!" Yang Luo gritted his teeth and made up his mind.

He nodded and said, "Alright, let's try!" An hour later.

The storm stopped.

Yang Luo and Su Qingmei lay on the bed, panting heavily.

After an hour of trying.

The two of them realized that other than the increase in the True Qi in their bodies, their cultivation levels did not continue to break through.

Su Qingmei frowned, "Why doesn't it work?"

Why can't I continue to break through?" Yang Luo exhaled and said, "Qingmei, even if it's dual cultivation, it's impossible to break through every time.

Now that the two of us have reached a limit, we naturally cannot continue to break through.

Therefore, it's better to take it slow.

You can't finish a burger in one bite." "Fine" Su Qingmei nodded helplessly.

Then, she quickly picked up her phone from the bedside table and took a look, "Aiya, it's almost nine o'clock!

I have to get up quickly to make breakfast.

After breakfast, I have to go to work!" Yang Luo said, "In any case, we've already rested for so many days.

It's fine to rest for another day!" "I can't." Su Qingmei shook her head and said, "Now, our Hua Mei Biomedical is preparing to officially enter the northern market.

During this period of time, I handed everything to Sister Shen, Brother Li, and Brother Cai to do.

They kept complaining as a result.

So, I have to go back to work." Yang Luo thought for a moment and said, "Qingmei, I think you can slowly start nurturing your own successor.

Now that you have officially embarked on the path of cultivation, your future will definitely be different from ordinary people.

You can't stay in the company forever, right?

That way, you won't have time to cultivate." Su Qingmei said, "I'm also considering this matter.

However, I still plan to hand the company over to my successor to manage after I lead Hua Mei Biomedical into the world." "Alright, do as you see fit." Yang Luo nodded and said, "In any case, you have me as your backing.

Don't worry and go ahead boldly." Su Qingmei smiled sweetly and kissed Yang Luo on the cheek, "Darling, it's so good to have you!" Seeing the woman's charming appearance, Yang Luo's heart warmed.

He originally wanted to pull the woman to continue dual cultivation.

However, after some thought, he gave up.

They had already done it for so long since last night.

Even if Qingmei was a cultivator, she probably could not withstand it.

After that, the two of them entered the bathroom to wash up.

After dressing up, they went downstairs.

As soon as they arrived downstairs.

The doorbell rang.

Yang Luo walked over and opened the door.

The first thing he saw was Xu Ying, Bujie, Prajna, and Lin Wenxuan standing at the door.

“Good morning, Brother Yang!” “Good morning, Sister Su!” “Good morning, sister-in-law!” The four of them smiled and greeted each other.

Chapter 1379: Go North and Destroy the Cao and Nie Families!

“Morning, everyone.” Su Qingmei smiled and said, “Sit for a while.

I’ll make breakfast.” “Sister Su, I’ll help you!” Prajna followed Su Qingmei into the kitchen.

After the two women entered the kitchen, Yang Luo, Xu Ying, Bujie, and Lin Wenxuan sat down on the sofa in the living room.

Bujie raised his eyebrows at Yang Luo and chuckled, “Brother Yang, you look radiant and full of energy.

You should have recovered, right?” Xu Ying and Lin Wenxuan also looked at Yang Luo.

Yang Luo was stunned, “You all know?” Xu Ying said, “Brother Yang, Sister-in-law told us about it after you left the villa.” Bujie grinned and said, “Sister-in-law has put in a lot of effort to save you.

Sister-in-law specially asked us to buy roses, and Sister-in-law personally decorated them.

It’s to leave you with an unforgettable memory.” Yang Luo sighed in his heart.

It turned out that the woman was already prepared.

On the other hand, he was still hesitating and uneasy.

“Brother Yang, have you recovered?” Lin Wenxuan hurriedly asked.

Yang Luo nodded and said, “I’ve completely recovered.

My dantian has been repaired and the Yin-Yang Qi has been harmonized.

My cultivation has also broken through to the perfected Dao Convergence realm.

I'm only a step away from becoming an Earth Immortal." "F*ck me!" Bujie's eyes widened, "Brother Yang, not only has your body recovered, but your cultivation has also broken through?

This is too awesome!" "Brother Yang, you're finally fine.

That's great!" "Congratulations, Brother Yang!" Xu Ying and Lin Wenxuan were very excited.

Yang Luo narrowed his eyes and said coldly, "Now, it's time to go north and destroy the Cao and Nie families!

Letting them jump around for so long is letting them off easy!" "Are we going to start now?" Bujie said excitedly, "Good, good!

Cao Huben, Nie Baoshan, and the others should have died long ago!" Xu Ying's eyes turned cold, "If it weren't for the Cao and Nie families, that tragic battle wouldn't have happened!

It's indeed time for those families to be destroyed!" Lin Wenxuan frowned and said, "Brother Yang, I naturally agree to destroy those fellows from the Cao family and the Nie family!

However, the Cao Family and the Nie Family are royal families after all.

Even if their businesses have collapsed, their connections were still there!

Once we touch them, I'm afraid we'll be heavily obstructed!" Killing intent flickered in Yang Luo's eyes as he said ruthlessly, "No matter what, the Cao and Nie families must be destroyed!

I'll kill anyone who dares to stop me!" "What's there to be afraid of?

Just sweep them away and collect some interest first!" Bujie also echoed.

Xu Ying said coldly, "As long as there are no immortal sects involved, the Cao and Nie families are nothing!" Lin Wenxuan asked, "Brother Yang, are we going alone?" "Of course not!" Yang Luo shook his head, "Our brothers are all holding their breaths now.

Since we want to destroy the Cao and Nie families, let's call our brothers over!" "Alright!" Xu Ying and the rest nodded.

Then, Yang Luo took out his phone and called Xiang Kunlun, Tian Zhen, Feng Lengyue, Lan Xiaomeng, Zhuge Changfeng, Jiang Bo, Qi Yutang, Li Wushuang, Wang Mufeng, and the others.

He also called the sect masters of the eight major sects and the other sect masters who were on good terms with him to tell everyone to prepare to go north.

Upon learning that they were going to annihilate the Cao Clan and the Nie Clan, everyone was extremely excited.

They had been waiting for this moment!

They had been waiting for Yang Luo's order!

Just as Yang Luo made one call after another, In the kitchen.

Su Qingmei and Prajna were making breakfast.

Prajna smiled and asked, "Sister Su, it's done?" "That's right." Su Qingmei blushed and nodded.

"Then Brother Yang's body has already recovered?" Prajna asked again.

“Done.” Su Qingmei nodded again.

“That’s great!” Prajna was so excited that she wanted to jump up.

She hurriedly said, “Sister Su, quickly tell me, what changes have happened after you dual cultivated?” Su Qingmei did not hide anything and told Prajna about the increase in her and Yang Luo’s cultivation levels after dual cultivation.

After hearing Su Qingmei’s words Prajna was immediately stunned.

“Heavens, not only has Brother Yang’s body recovered, but he has also broken through to the perfected Dao Convergence realm.

He’s only a step away from the Earth Immortal realm?

Also, Sister Su, you actually broke through four realms in a row.

Isn’t that too powerful?” Su Qingmei sighed, “I didn’t expect my cultivation to break through four realms in a row after dual cultivation.

However, my current cultivation level is not enough.

I have to work harder to cultivate and become stronger.” Prajna said enviously, “If only I had a special physique and could dual cultivate with Brother Yang!” Su Qingmei smiled and shook her head, “Yang Luo said that dual cultivation should only be used as support..

If one wishes to become stronger, they have to rely on themselves.

Therefore, we have to work harder.” “Yes, yes.

I'll definitely work hard.

I must become stronger!" Prajna nodded vigorously.

Half an hour later.

Breakfast was ready.

Yang Luo and the others had breakfast together.

After breakfast Yang Luo sent Su Qingmei to the entrance of the company.

Seeing that Yang Luo was about to leave again, Su Qingmei asked, "Yang Luo, where are you going?" "Go north, destroy the Cao and Nies!" Yang Luo spat out five words coldly.

"This!" Su Qingmei's expression changed as she exclaimed, "This Nothing will happen, right?!" Yang Luo said, "Don't worry, it'll be fine.

Moreover, we're not the only ones heading north this time.

There are also other brothers." Su Qingmei took a deep breath and said, "The Cao family and the Nie family indeed deserve to be destroyed!

However, you must protect yourself well and not let anything happen again!" "Nothing will happen." Yang Luo gave the woman a reassuring look.

Then, Yang Luo waved his hand, "Xu Ying, Bujie, Prajna, Brother Lin, let's go!" "Let's go!" Xu Ying and the other three also replied in unison.

Yang Luo and the others quickly got into the car and left the company.

Su Qingmei looked in the direction where Yang Luo and the others' car left in a daze and muttered, "I'm afraid the north is about to change Yang Luo, nothing must happen to you" After Yang Luo and the others arrived at Jiang City Airport, they waited for a while before boarding a plane to the capital Just as Yang Luo and the others set off!

Xiang Kunlun, Qi Yutang, and the people from the various sects had also set off from various places!

On this day!

At the airports in various cities in the country, a large group of people with extraordinary temperaments and cold expressions appeared!

Some of them were even wearing retro clothes, looking like characters from martial arts novels!

These people were either on domestic flights or on private planes, flying quickly to the capital!

Although no one knew what was going on, they could vaguely sense that something big was about to happen!

At around 12 noon.

Cao Family Manor.

Cao Huben was sitting in an ancient pavilion in the back garden, drinking tea and playing chess with himself.

Although all the major industries under the Cao family had collapsed and suffered countless losses However, Cao Huben remained calm.

As long as their Cao family was not completely destroyed, their connections would still be there.

Moreover, their Cao family still had the backing of the Immortal Sect, the Heaven Amplification Sect, so there was even less to worry about.

Now all he had to do was bide his time.

When the time came, he could snatch back all the businesses under the Cao Family and annex all of Yang Luo's businesses to restore the former glory of the Cao Family!

At this moment.

But an urgent voice sounded.

"Patriarch, something bad has happened.

Something bad has happened!" The old butler of the Cao family ran over in a panic.

Cao Huben frowned, "Old Wu, you've been with me for decades.

Why are you still so rash?

Tell me, what happened?" The old butler swallowed his saliva and said, "Master, according to the news, Yang Luo is not dead!" As soon as these words were spoken!

"What?!" Cao Huben's expression changed drastically, and he trembled in fear.

Thud!

The chess piece in his hand landed on the table!

Crack!

The teacup in his hand fell to the ground and broke into pieces

Chapter 1380: Catastrophe!

“How can this little bastard not be dead?!” Cao Huben suddenly stood up, his entire body trembling.

It couldn’t be helped.

The fear Yang Luo brought him was too great.

Their Cao Family had joined forces with the Nie Family and so many other families, but they could not annex the businesses under Yang Luo.

Instead, their businesses were annexed.

Moreover, in the end, he and Nie Baoshan had to invite the people from the two immortal sects, the Heaven Amplification Sect and the Purple Cloud Sect, to barely defeat Yang Luo.

But now, his butler actually said that Yang Luo was not dead!

He shook his head vigorously and said, “Impossible, this is absolutely impossible!

It’s impossible for that little b*stard Yang Luo not to be dead!” The old butler said with a sobbing tone, “Master, it’s true!

The people we sent to Jiang City all saw Yang Luo with their own eyes!” “How is this possible How can this little bastard not be dead?!” Cao Huben was about to go crazy.

He said with a ferocious expression, "Even an immortal has attacked.

How did we not kill this little bastard!" At this moment.

Another voice sounded.

"Elder Cao, something has happened.

Something big has happened!" "Yang Luo, that little b*stard, isn't dead.

He's not dead!" "It's over, we're finished!" Cao Huben turned around.

He watched as a large group of people ran over in a panic, their faces filled with fear.

The people who came were the Patriarchs Nie Baoshan, Huangfu Zhenxiong, Qiao Bailin, Xu Yanfeng, and the other twenty families.

The direct descendants of the various large families had also arrived.

"Elder Nie, is that little bastard Yang Luo really not dead?!" Cao Huben hurriedly asked.

"He's not dead, he's really not dead!" Nie Baoshan nodded repeatedly, "The people sent by our Nie family all saw that little bastard Yang Luo with their own eyes!

Moreover, even the five Martial Warriors we arranged to stay near Villa No.

8 of the Imperial River Court had disappeared!

Without a doubt, those five Martial Warriors must have been killed by that little bastard Yang Luo!" "D*mn it!" Cao Huben gritted his teeth, "Why is this little bastard so difficult to kill?!" Nie Baoshan

gulped and continued, "Moreover, this little bastard has already gone north and called for countless people to take revenge on us and destroy our families!" "I heard that the eight major sects of the ancient martial arts world have all been mobilized.

Many sects that are on good terms with that little bastard have also been mobilized!" "Even the Martial Alliance's Chief, Xiang Kunlun, and the people from the Hidden Dragon Pavilion have been mobilized!" "Everyone who participated in the battle that night has basically been mobilized!" The other Patriarchs spoke out one after another, revealing the information their families had obtained.

"What?!" Cao Huben was dumbfounded, This little bastard actually dares to bring so many people north and want to destroy our families?!

Is he crazy?

Is he crazy?!" He went completely berserk and sent the chessboard, chess pieces, and tea set on the table flying to the ground!

Huangfu Zhenxiong ruthlessly spoke, "That little bastard Yang Luo is a lawless person.

He can do anything!" Qiao Bolin also said in fear, "That's right.

Back then, this little bastard destroyed many families.

He even destroyed the once top sect in the ancient martial arts world, the Myriad Swords Gate!

He will destroy anyone who dares to go against him with Thunder!" "Elder Cao, Elder Nie, please think of a way quickly.

What should we do now?!" "If this little bastard really brings so many people north, I'm afraid we won't be able to withstand it at all!" "He's going to wash our various families with blood and completely destroy us!" "If we had known earlier, we wouldn't have offended this little bastard to death.

Now, we're in trouble!" The other family heads panicked.

All of them were at a loss, not knowing what to do.

There were even family heads who regretted participating in this plan to deal with Yang Luo.

"Why are you panicking?

The sky hasn't collapsed yet!" Cao Huben roared.

He glanced coldly at everyone present and said, "At this point, it's useless even if you regret it!

"We're in the same boat now.

We're bound together for good or ill!" Seeing Cao Huben flare up, the other family heads fell silent.

But it was just as Cao Huben had said.

It was useless for them to regret now.

Yang Luo was determined to destroy them.

Other than relying on the Cao family and the Nie family, they had no other choice.

Nie Baoshan said in a deep voice, "Elder Cao, the most important thing now is to think of a way to resolve this crisis!

Are we really going to let this little bastard destroy all our families?!" "If this little bastard wants to destroy us, he has to weigh his own strength!" Cao Huben's expression was cold as he waved his hand, "Everyone, let's go.

We have a meeting in the hall!” Then, Cao Huben and the others left the back garden and came to the hall.

After everyone sat down.

The servants of the Cao family poured tea for everyone.

Cao Huben sat at the head of the table, his hands on his walking stick.

After pondering for a moment, he said loudly, “Everyone, this is a huge crisis for our families!

“What we have to do now is to use all the connections we can use to mobilize the people from the various war zones in the north to help!

Also, we have to quickly contact the various ancient martial arts sects that we’re on good terms with and get them to send over to help!” As he spoke, Cao Huben turned to Nie Baoshan, “Elder Nie, I’m afraid we won’t be able to last long with just the troops and the people from the various ancient martial arts sects!

Therefore, we have to quickly send someone to take the jade talisman and go to Penglai Island to contact the immortals of the Heaven Amplification Sect and the Purple Cloud Sect to help!

As long as the two immortal sects can send people to help, this crisis is nothing!” Nie Baoshan frowned and said, “Elder Cao, we just promised Yi Jiuzhou and the others that we wouldn’t invite people from the immortal sects to the secular world!

If we invite them again now, Yi Jiuzhou and the others will probably really fight with us!” Cao Huben said coldly, “Elder Nie, now that it’s the moment of life and death for our families, I can’t care less!

Only people from the Immortal sects can suppress that little bastard Yang Luo!” “Alright!” Nie Baoshan nodded and said, “Then let’s resolve the current crisis first.

As for what happens next, we'll take it one step at a time!" Cao Huben nodded and said in a firm voice, "Everyone, hurry up and move!" "Yes!" Everyone responded in unison.

Then, they took out their phones and started making calls.

Cao Huben and Nie Baoshan also took out their phones and made calls.

Moreover, the two of them hurriedly sent people to Penglai Island with the jade talismans of the Heaven Expanse Sect and the Purple Cloud Sect.

Because of the barrier, if they wanted to contact the immortals of the Heaven Amplification Sect and the Purple Cloud Sect, they had to be able to pierce through the barrier of Penglai Island.

At the same time In the Yi family's manor.

In the study on the second floor.

Yi Jiuzhou, who was wearing casual clothes, was sitting at the desk reading some documents.

On mundane days where he did not have anything important, Yi Jiuzhou would choose to hold office in his house.

At this moment.

Knock, knock, knock.

There came a series of urgent knocks on the door.

"Please come in." Yi Jiuzhou replied without lifting his head.

The door was pushed open.

His secretary walked over quickly.

“Mr.

Yi.” The secretary respectfully bowed.

Yi Jiuzhou did not look up as he spoke, “Speak.

What’s happened?” The secretary replied, “Mr.

Yi, something big has happened this time!” “Something big?” Yi Jiuzhou raised his head to look at the secretary as he suspiciously replied, “What sort of big matter?” The secretary hurriedly explained, “Not too long ago, we received news that Mr.

Yang has brought people to head North!

Furthermore, he even called up the Martial Alliance Chief, the Hidden Dragon Pavilion’s team leaders as well as the various ancient martial arts sects!

“Hmm?” Yi Jiuzhou paused for a bit before he replied, “It seems like Little Luo has been cured from his ailments.

However, what is he trying to achieve by bringing so many people up North?” The secretary stated, “To destroy the Cao, Nie as well as the families who had gone against him!” “Ah?” Yi Jiuzhou’s expression paled, “Is this true?” The secretary helplessly nodded, “Based on the many sources of intelligence we have gathered, it seems to be the case!” “Hiss” Yi Jiuzhou could not help but suck in a cold breath of air.

His expression grew grave.

“Mr Yi, should be interfere in this matter?” The secretary asked.

Yi Jiuzhou fell into deep thought and did not speak for a long period of time.
