Chapter 1401: Comprehension of Intent!

“Little bastard, don’t even think about it!” Oda Saburo mobilized the True Qi in his body to the limit and waved his spear to meet the attack!

Clang!

The sword and spear collided violently, and the commotion shook the heavens!

But after this violent collision, the spear in Oda Saburo’s hand was cut off!

“Nani?!” Oda Saburo screamed, his eyes filled with extreme fear.

The next second!

The sword in Yang Luo’s hand slashed across his neck!

Psh!

A pillar of blood accompanied by a head shot into the sky!

Hong Oda Saburo’s head and body fell into the sea at the same time!

The dignified Heaven Breaking Spear Saint had died just like that!

As they watched Oda Saburo being killed!

All the ability users present were scared silly!

They were all aware of Oda Saburo's name!

Oda Saburo was a Martial Saint Realm expert, but he was actually killed so easily?

Tokugawa Tosho was also stunned!

What was this situation?

What was going on?

Why had this kid become so strong after not seeing him for a few months?

He could even kill a Martial Saint now?

What had this kid experienced to increase his strength so quickly?

Moreover, what made his heart palpitate was that Yang Luo seemed to have killed Oda Saburo very easily!

He was certain that he was no longer this kid's match!

If he rushed forward now, he would definitely die!

His expression was sinister as he shouted, "What the f*ck are you all waiting for?"

Attack together!

Do we really have to wait for this kid to kill all of you one by one?" "Don't give this kid any time to catch his breath.

Attack together and kill him!" "Kill!" Hearing this, the ability users suppressed the fear in their hearts and continued to attack Yang Luo!

They also knew that if they did not work together and unite, they would probably be killed by Yang Luo!

Tokugawa Tosho also attacked Yang Luo!

"Aren't you afraid of death?" Yang Luo's gaze turned even colder, "Since you're not afraid of death, I'll kill until you're afraid, until you're terrified, until you're scared!" Before his voice could fade Yang Luo's body trembled and he roared again!

"Primal Heavenly Art!" "Gonggong, Zhurong, Qiangliang, Houtu, Goumang, Rushou!" In the blink of an eye!

Six ancient totems condensed in the sky above him and transformed into six giants!

These six giants were incomparably huge.

Each of them was a hundred meters tall.

They were like gods and demons with peerless might!

As Yang Luo's cultivation level increased, the power of the Primal Heavenly Art would also increase continuously!

"Crush them!" Yang Luo waved the sword in his hand and gave the order!

With this order!

The six giants moved at the same time and collided!

Rumble!

The attacks launched by the aptitude users were all destroyed, turning into an energy wave that spread in all directions!

“Oh my god, what is this?!” “Is this a god or a demon?!” “Retreat!

Retreat quickly!” The ability users were scared out of their wits and quickly retreated.

However, the six giants did not stop.

Instead, they continued to charge!

“Ahhhh” Those ability users were all sent flying.

They spat out blood and died on the spot!

Many of them even exploded into pools of blood mist!

There were even some that were directly trampled to death!

This scene was too terrifying!

The ability users present, as well as the soldiers on the warship behind them, were so frightened that their bodies trembled and their faces turned pale!

After killing thousands of people again!

Yang Luo charged straight at Tokugawa Tosho, who was hiding behind!

“Old dog, hand over your life!” The moment he saw Yang Luo charging over rapidly!

Tokugawa Tosho panicked.

He could not escape even if he wanted to!

“Little bastard, I’ll fight you to the death!” He circulated the True Qi in his body to the limit and let out a furious roar!

“Demon Martial Saint Art: Demon Illusion Body!” In an instant!

A ferocious-looking black giant with bared fangs and a huge black saber stood up from his body!

“Heavenly Demon God Destroying Slash!” He gripped the demon knife with both hands and slashed at Yang Luo angrily!

The black giant that stood on him also waved its huge black saber and slashed at Yang Luo!

However, Yang Luo did not dodge or retreat.

He jumped into the sky!

He gripped the Dragon Emperor Sword tightly with both hands and slashed at Tokugawa Tosho angrily!

Swoosh!

A huge golden sword tore through the sky and disturbed the sea.

It erupted with a shocking sword aura and slashed at Tokugawa Tosho!

This sword strike was unstoppable and indomitable.

The sword might was vast and contained the determination and will to kill the enemy!

At this moment!

Yang Luo managed to comprehend a portion of the Sword Dao!

This kind of comprehension was a mysterious comprehension of “intent”!

It seemed as though he had touched the threshold of sword intent!

However, this feeling disappeared in a flash and Yang Luo could not catch it!

If he could raise his sword qi to sword intent!

Then his Sword Dao would be improved again, and his sword technique would be even more terrifying!

However, what was his sword intent?

Just as Yang Luo swung his sword!

“Roar, roar, roar!” Nine huge golden dragon phantoms roared and collided with Tokugawa Tosho!

In a flash!

Boom!

Boom!

Rumble!

An earth-shattering collision and explosion sounded at the same time, shaking the world!

The black giant illusion that stood on Tokugawa Tosho's body was slashed apart by the sword and shattered by the nine golden dragon phantoms!

After defeating the giant illusion on Tokugawa Tosho's body!

Yang Luo's sword continued to slash at Tokugawa Tosho!

The nine golden dragon phantoms also collided fiercely!

"No No!!!" Tokugawa Tosho shouted in fear.

He wanted to dodge, defend, and counterattack, but it was too late!

In the next second "Ah!" Accompanied by a miserable scream!

Tokugawa Tosho's body was cut in half!

The two halves of his body were smashed into mincemeat by the nine golden dragon phantoms!

At this point!

The Martial Saint Realm Martial Saint of Country Sakura, Heaven Beheading Saber Saint Tokugawa Tosho, had died!

“Master Tokugawa is dead Master Tokugawa was actually killed?!” “How is this possible Lord Tokugawa is a middle-stage Martial Saint Realm expert How can he be killed?!” “Is this kid really a god?!” The ability users and the soldiers on the battleship were all stunned.

“Come on!

Continue!” However, Yang Luo did not stop at all.

He led the six Ancestral Magus illusions and continued to kill those ability users At the same time Country Stars & Stripes.

In the main building.

In the conference room.

Lawrence, Ferrand, Masahiro Ono, Park Son-won, and the other commanders of the twelve countries were staring intently at the projection on the wall.

The scene displayed a certain sea area in the Pacific Ocean, the battlefield where Yang Luo was.

They had been paying attention to this battle since the beginning of the battle.

However, as they watched, their expressions darkened and were filled with anger.

“Baka!

Baka!” Masahiro Ono flew into a rage.

His face turned red as he gritted his teeth and said, “Lord Tokugawa and Lord Oda were actually killed by Yang Luo!

Our Country Sakura’s martial arts world has lost two more experts, and they are even Martial Saint Realm experts!

“Damn it!

Damn it!!!” Park Son-won was also heartbroken, “F*ck!

Many experts from Country Kimchi have died!” “Many Buddhist experts and experts from other sects in Country Asan have also died!” “More than half of the experts in Country Elephant have died!” “This little b*stard deserves to die!

He deserves to die!” The commanders of the other countries were also in grief and roared.

“How is this happening?!” Ferrand was also furious, “Why can’t so many people kill this kid?!

Why?!” He turned to Lawrence and asked in a panic, “Mr.

Lawrence, what should we do now?” Lawrence’s expression was uncertain.

He gritted his teeth so hard that they were about to shatter!

He had long known that Yang Luo was not an ordinary person and was very strong!

That was why he gathered the other 11 commanders to join forces to deal with Yang Luo!

This time, they had sent more than 100,000 people and so many firearms!

However, who knew that not only did they not kill Yang Luo, but so many of their people had been killed by this kid, and the casualties were still increasing

Chapter 1402: Will Never Evacuate!

Lawrence was furious and irritable.

The current situation had completely exceeded his expectations.

In his expectations, it should not be difficult for the twelve countries to join forces to destroy Yang Luo.

Even if there were casualties, the casualties could not be so great.

Ferrand said anxiously, "Mr.

Lawrence, what should we do now?

Say something!" "Yes, Mr.

Lawrence, please come up with an idea!" Masahiro Ono's face was filled with fear and unease.

Park Son-won and the other commanders also looked at him.

After all, Lawrence was their backbone.

Lawrence took a deep breath and said, "I'll contact the Archangel of the Holy Light Church, the Eternal Overlord of the Heavenly Shrine, and the Darkness Demon King of the Hell Fiend Palace now!

If we can ask them for help, we will definitely be able to kill this kid!" Ferrand frowned and said, "Mr.

Lawrence, I'm afraid it's very difficult to get these three organizations to take action!

Back then, I also contacted Mr.

Michael for help, but when Mr.

Michael found out that he was going to deal with Yang Luo, he directly rejected it!

Furthermore, Mr.

Michael also said that before the Holy Light Pope comes out of seclusion, they won't easily touch Yang Luo!" Masahiro Ono said in a daze, "Even Mr.

Michael is so afraid of this kid?

This is too unbelievable!" The other commanders present were also shocked!

Michael was an Archangel under the Holy Light Pope.

He had been famous for a long time and had shaken the Dark World!

However, he did not expect that even such a big shot would be afraid of Yang Luo!

Lawrence said in a deep voice, "No matter what, we have to give it a try!

This time, our twelve-nation alliance sent more than 100,000 people!

Perhaps Mr.

Michael and the others will be willing to help after finding out about this!" Ferrand nodded and said, "That makes sense." Without any hesitation, he picked up his cell phone and called Michael.

The phone rang for a while before it was picked up.

"Lawrence, why are you calling me?" Michael's voice sounded.

Lawrence said respectfully, "Mr.

Michael, I want to ask you for a favor!" Michael asked, "What do you want me to help with?" "Mr.

Michael, it's like this" He didn't hide anything and told Michael about how he had gathered the commanders of the other 11 countries to deal with Yang Luo.

After hearing Lawrence's words Michael directly burst out angrily, "F*ck!

Lawrence, is there something wrong with your f*cking brain?

Why did you provoke this lunatic for no reason?" Lawrence said in a deep voice, "This kid has ruined our Country Stars & Stripes' matters time and time again.

He destroyed several of our bases and even killed tens of thousands of us!

Moreover, this kid had also offended the other eleven countries!

It's not just me.

The other commanders also want to tear this kid into pieces!" Michael said coldly, "I don't care how you deal with this kid!

However, it's impossible for me to help!" "Why?" Confusion appeared on Lawrence's face, "Mr.

Michael, our 12 nations have sent more than 100,000 people, tens of thousands of experts, and many firearms!

As long as you're willing to help, we have a chance of eliminating this kid!

Don't you also have a blood feud with this kid?" Michael heaved a long sigh, "I do want to kill this kid!

However, with my current strength, I can't kill him at all!

Lawrence, I'll tell you the truth!

Towards top experts, it's useless no matter how many people there were!

Normal firearms are useless!

And Yang Luo can already be considered as one of the top experts in this world!

Therefore, before the Pope comes out of seclusion, I won't touch this kid again!

Lawrence, I advise you to stop quickly, lest you cause more casualties!" "This!" Michael hung up before he could finish his sentence.

When the call was hung up.

Ferrand hurriedly asked, "Mr.

Lawrence, what did Mr.

Michael say?

Is he willing to help?" The other commanders also looked at Lawrence.

Lawrence shook his head, "Mr.

Michael isn't willing to help." Ferrand said in astonishment, "My god, even with the combined efforts of the twelve nations, Mr.

Michael is still unwilling to help?!" "Oh my god, is Mr.

Michael really that afraid of Yang Luo?!" "This kid isn't a real god.

Is he that terrifying?!" The other commanders also found it unbelievable.

Lawrence took a deep breath and said, "It's fine.

I'll contact Mr.

Eternal Overlord and Mr.

Darkness Demon King again!

I don't believe that they won't be willing to help!" With that, he called the Eternal Overlord and the Darkness Demon King.

But when the calls ended.

Lawrence was instantly furious!

He slammed the table and roared angrily, "Is Yang Luo that terrifying?

These guys are actually unwilling to help?

To think that they are the experts of the top organizations in the Dark World.

I did not expect them to be as timid as rats!

It's not just their people who are taking action.

There's also the help of the twelve countries.

Why don't they dare to do so?" Hearing Lawrence's words, Ferrand and the others were also stunned.

They didn't expect Michael, the Eternal Overlord, and the Darkness Demon King to be unwilling to help!

How much fear did Yang Luo cause them to be afraid?

Ferrand asked, "Mr.

Lawrence, now that Mr.

Michael and the others are unwilling to help, what should we do?" Lawrence glanced at everyone present and asked in a trembling voice, "Everyone, I only have one question for you.

Do you want to retreat?" "This battle has already reached this point.

We can't retreat!" "That's right.

If we retreat now, won't our people have died for nothing?" "We can't retreat.

At most, we'll fight this kid to the death.

I don't believe that this kid can really withstand so many people's attacks!" "Once we retreat, it means that we have to lower our heads and compromise with this kid, so we can't retreat!" The other commanders roared one after another, unwilling to retreat.

This represented the face of the twelve countries!

It was impossible for them to lower their heads and compromise with a brat!

Lawrence said with a ruthless gaze, "Everyone, I'm not willing to retreat either!

Country Stars & Stripes is the largest country in the world.

We will never bow down to this kid!

Since no one is willing to retreat, we would fight this kid to the death!

We have to kill this kid at all costs!" "Mr.

Lawrence, please give the order.

What should we do?" Ferrand asked.

Lawrence said in a trembling voice, "Everyone, please continue to send people to provide support!

I'll send backup too!

Also, I'll contact the various bases in the Pacific Ocean!

Ask them to get ready.

Launch missiles and kill this kid!" "Yes!" All the commanders replied in unison.

Then, everyone took out their phones and made calls.

Lawrence also picked up his phone and made calls.

At the same time In a certain sea area in the Pacific Ocean.

The battle was still ongoing.

There was fire everywhere, and smoke everywhere.

More than a hundred steel battleships were parked on the sea, like steel walls.

Many battleships had been destroyed, and some had sunk into the sea.

The deck and the sea were also covered in blood and strength.

It was a tragic sight.

Dong, dong, dong!

Boom!

Boom!

Boom!

The sound of collisions and explosions resounded non-stop!

At this moment, Yang Luo, Xu Ying, Bujie, Prajna, and Lin Wenxuan had already charged onto the battleships!

More than 30,000 people had been killed by Yang Luo and the others!

The warriors and ability users of the 12 countries were scared out of their wits and almost lost the courage to fight!

Just five people had killed more than 30,000 of them!

Just how terrifying were these five fellows?

“Everyone, don’t worry.

The commander just called.

Our reinforcements will be here soon!” “That’s right.

The commander said that we have to kill Yang Luo at all costs today!" "Everyone, no matter how strong these five guys are, it's impossible for them to withstand the siege of so many of us!" At this moment, the commanders in the distance roared, trying to increase the confidence of everyone present.

As expected After hearing that there were reinforcements, everyone was no longer so afraid and continued to attack Yang Luo and the others!

Chapter 1403: Don't Be Nosy!

"Seeking death!" Yang Luo let out an explosive roar and brazenly slashed at the three Commander-in-Chiefs!

Swoosh!

As he slashed out!

The sword light shone brightly, the sword qi soared into the sky, and the sword power was vast!

"Help!

Someone help!!" The three Commander-in-Chiefs shouted in fear and retreated repeatedly.

Many warriors and aptitude users rushed over, trying to block Yang Luo's sword!

However, they could not stop it at all!

Puff!

Puff!

Puff!

Anyone who charged over was killed by this sword!

The next second!

The three Commander-in-Chiefs' heads were cut off by a sword and they fell into a pool of blood!

After killing these three Commander-in-Chiefs!

Yang Luo's expression was solemn!

He was not afraid of these guys!

No matter how many of these people there were, he could still kill them!

There was no one among these ability users who could threaten him!

But now, he had to rush to save the Sea Burial King and could not waste time here!

After all, he could not guarantee that no one else would save the Sea Burial King!

He had to open an opening and rush out!

Thinking of this Yang Luo suddenly stomped down!

The deck crumbled and collapsed!

The entire battleship sank dozens of centimeters!

His body soared into the sky and jumped into the sky!

What was this kid trying to do?

“I don’t know.

Why did he suddenly stop attacking?!” Everyone on the battleship exclaimed, not understanding what Yang Luo wanted to do.

After jumping into the sky!

Yang Luo continuously mobilized the True Qi in his body and slashed forward!

Swoosh!

A huge golden sword crushed the void and slashed at the battleships in front!

“Retreat!

Retreat quickly!” The people on those battleships were scared silly and quickly retreated.

However, only a portion of them managed to escape, and there were still some who could not!

Dong!

This sword directly cut the four battleships in front into two!

Those who could not evacuate were all killed!

After swinging his sword!

Yang Luo raised his left hand, condensed a golden fireball, and threw it out!

The golden fireball expanded in the wind and exploded!

Rumble!

This time, the explosion instantly destroyed three more battleships!

"I understand now.

This kid wants to break out of the siege!" "Looks like this kid can't take it anymore, so he wants to escape!" "Don't let him break out.

Stop him!" Everyone present charged at Yang Luo.

"Battle Sage Seal!" "Kill!" Yang Luo let out an explosive roar and quickly formed seals with his left hand!

The seven huge seals"Mountain Embracing Seal, Heaven Overturning Seal, Earth Covering Seal, Sea Overturning Seal, True Dragon Seal, Thunderclap Seal, and Heaven Burning Seal"condensed into form and suppressed the people who were charging over!

Boom!

Boom!

Boom!

Those who charged over were all killed before they could approach!

After unleashing the seven-sided seal!

Yang Luo's body shook!

"Roar, roar, roar!" Nine huge golden dragon phantoms roared out and destroyed the four battleships in front of them!

The path ahead became incomparably smooth, as if a path on the sea had been paved!

Then, Yang Luo charged out of the encirclement and jumped onto the yacht.

He shouted into the distance, "Xu Ying, Prajna, Bujie, Brother Lin, quickly come over and kill your way out!" Xu Ying and the other three got out of the encirclement and returned to the yacht!

"Brother Yang, I haven't had my fill of killing yet.

Why are we retreating now?" Bujie asked.

Yang Luo said, "Although it's very easy to kill these guys, we still have to rush to save the Sea Burial King, so we can't stay here any longer!" "Holy shit!" Bujie scratched his head, "I was so focused on killing people just now that I almost forgot about the important matter!

Then what are you waiting for?

Hurry up and kill your way out!" "I'll get the boat!" Prajna said before quickly entering the cabin and starting the yacht.

After the yacht started, it drove towards the hole that Yang Luo had made.

“Stop them, they’ve escaped!” “You still want to run?”

No way!” Many ability users charged towards the yacht.

Moreover, the other warships were also activated, preparing to block the entrance.

Bujie sent a group of people flying with a swing of his staff and said angrily, “Damn it, if they block the road, how are we going to leave?”

If only we could fly!” Xu Ying said to Bujie, “Cut the crap.

With Brother Yang around, we will definitely be able to rush out!” “Of course!” Bujie responded and continued to attack!

However, at this moment Whoosh!

Whoosh!

Whoosh!

Whoosh!

Countless spears of light whistled over from afar, emitting bursts of air-breaking sounds!

Apart from the spears of light that filled the sky, there were also layers of attacks!

Boom!

Boom!

Boom!

The warriors and ability users who surrounded Yang Luo and the others were all killed in an instant!

“Who is it?!” “Get out here!” The soldiers and ability users present roared.

“Brother Yang, we’re here!” “Brother Yang, what’s going on?”

“Why are you surrounded?” “Yang Luo, how are you?”

“Are you alright?” Voices came from afar.

Yang Luo and the other five people, as well as the others present, also turned to look.

Thirty battleships cut through the waves and drove over from afar!

On the warship were flags embroidered with golden swords and surrounded by nine golden dragons!

There were more than 30,000 people standing on the deck!

Standing on the leading deck were the King of Destruction, the Heavenly Sirius, the Goddess of Fate, the King of Titans, the King of Savage Beasts, and the Lava Tyrant!

“King of Destruction, why are you here?!” Yang Luo asked in confusion.

After all, he did not ask for help from the headquarters of the Holy Imperial Court.

“F*ck, brothers, why are you here?!” Bujie immediately became excited.

Xu Ying, Prajna, and Lin Wenxuan were also pleasantly surprised.

The King of Destruction said, “Not long ago, we received a distress signal from the headquarters for Sea Burial Island!

Coincidentally, we were doing something nearby and are preparing to rush over to help!

However, we realized that there was a huge battle here, so we rushed over to take a look.

Who knew that it was Brother Yang and the others!” “Yang Luo, what’s going on?

Why are you all surrounded by these guys?” The Goddess of Fate asked.

Yang Luo said, “Bujie and I have been cultivating nearby for the past few days.

Today, our cultivation is over and we’re preparing to return to Country Hua.

However, just as we were about to return, we received a distress signal from the headquarters, so we planned to help.

But when we drove here, the 12 countries led by Country Stars & Stripes surrounded us.” “So that’s why.” King of Destruction and the others nodded in realization.

Heavenly Sirius teased, “Brother Yang, have you angered everyone?

You can actually make the twelve nations send so many people to kill you?

I'm afraid you're the only one in human history who can enjoy such treatment, right?" Yang Luo rolled his eyes, "Nothing good comes out of a wolf's mouth.

Shut up!" "Hahaha" Heavenly Sirius roared with laughter.

King of Destruction and the others also laughed.

Even if the current situation was very dangerous, they did not care.

After all, they had been in the Dark World for so many years and had seen all kinds of battles.

At this moment.

When the warriors and ability users of the 12 countries saw the people from the Holy Imperial Court coming to help, their expressions all changed drastically.

A Commander-in-Chief stared at King of Destruction and the others and roared fiercely, "This is a grudge between our 12 countries and Yang Luo.

It has nothing to do with your Holy Imperial Court!

I advise you to leave quickly and not ask for trouble!" "We don't want to be enemies with the Holy Imperial Court, so don't meddle in other people's business!" Another Commander-in-Chief shouted coldly.

They also knew that the Holy Imperial Court had a good relationship with Yang Luo.

However, they did not think that the Holy Imperial Court would take the risk of offending the twelve countries to help Yang Luo.

After all, the matter of Yang Luo succeeding the Divine Emperor position had always been a secret and very few people knew about it.

“You still dare to threaten us?”

You have a death wish!” King of Destruction shouted and raised his right hand, pressing down in the air!

His Atmospheric Superpower instantly erupted and pressed down on the two Commander-in-Chiefs!

In the blink of an eye!

Bang!

Bang!

The two Commander-in-Chiefs exploded into two pools of blood!

This scene frightened the people of the twelve countries so much that they trembled!

King of Destruction swept his cold gaze over, “Brother Yang is our brother.

If you become enemies with him, you will be enemies with our Holy Imperial Court!

“Brothers, these dogs wanted to kill Brother Yang.

What do you think we should do?” “Kill, kill, kill!!!” Everyone from the Holy Imperial Court raised their arms and shouted.

Chapter 1404: So Hateful?

“Brothers, kill these guys!” King of Destruction waved his hand and gave the order.

With this order!

More than 30,000 to 50,000 people from the Holy Imperial Court moved at the same time and attacked the warriors and aptitude users of the 12 countries!

King of Destruction, Heavenly Sirius, Goddess of Fate, King of Titans, King of Savage Beasts, and Lava Tyrant also charged forward!

“A bunch of d*mn b*stards.

Since you have a death wish, all of you can die!” “Kill anyone who dares to help Yang Luo!” The Commander-in-Chiefs gave the order.

“Kill!” The remaining 70,000 soldiers and aptitude users from the 12 countries also charged towards the King of Destruction and the others!

“Atmospheric Crushing!” “Heaven and Earth Shattering!” King of Destruction charged forward and unleashed the Atmospheric Superpower and Violent Tremor Superpower in his body at the same time!

Peng, peng, peng!

Under the pressure of the atmosphere, those who rushed over exploded into pools of blood and mud like watermelons!

There were also many people whose bones and tendons were broken by the shockwaves and their internal organs were shattered, dying completely!

The steel battleships could not withstand the pressure of the atmosphere and violent tremors and shattered into pieces!

“Bloodthirsty Wolf Claw!” Heavenly Sirius charged forward like a bulldozer.

Two huge black and red claws condensed in his hands and he swung them continuously!

Chi!

Chi!

Chi!

Those who approached were either sent flying or torn apart!

At the same time as he swung his claws!

Heavenly Sirius unleashed another killing move!

“Wolf Attacks Stretch for Miles!” Thousands of black and red demon wolf illusions condensed in the sky and pounced at the people who were charging over!

Those who rushed over were all killed!

Meanwhile, a pair of white wings of light condensed behind the Goddess of Fate!

She flew into the sky and also utilized many killing moves!

“Spear of Dawn!” “Judgement of Light!” Countless light spears shot out at the same time!

Dense beams of light shot out like laser beams!

Puff!

Puff!

Puff!

Those who surrounded and attacked the Goddess of Fate were all riddled with holes and could not approach at all!

“Titan Tomahawk!” At the same time, King of Titans held a black ax and kept slashing out!

Boom!

Boom!

Boom!

Those who rushed over were all killed!

The steel battleships were also split open and turned into piles of scrap metal that sank into the sea!

His left hand swung a huge iron ball that weighed a few tons and smashed out, sending everyone who rushed over flying!

“The power of ten thousand beasts!” King of Savage Beasts held a huge bone club in his hand and kept swinging it, killing everyone who surrounded him!

There were even illusions of wild beasts that condensed and pounced forward!

“Smelt Heaven and Earth!” Lava Tyrant also rushed forward and unleashed the lava superpower in its body!

Dark red lava spewed out, melting the people who charged forward into pools of blood!

“Haha, I can fight alongside my brothers again.

How satisfying!

“Brothers, let’s not just stand there.

Let’s fight!” Bujie howled excitedly.

With the Dragon-Mark Buddhist Staff in hand, he continued to kill the warriors and ability users of the twelve countries!

Xu Ying, Prajna, and Lin Wenxuan were also fired up as they charged forward!

Yang Luo was still a little worried.

He said to King of Destruction, “King of Destruction, Burial Island is under attack now.

The Sea Burial King needs help.

We can’t waste time here!” However, King of Destruction replied, “Brother Yang, don’t worry.

There are already brothers rushing to help!” Hearing this, Yang Luo’s worried heart finally relaxed.

“In that case, let’s destroy these guys!” Yang Luo shouted loudly.

Then, he waved the sword in his hand and used his own killing moves!

Countless golden flying swords shot out!

Nine huge golden dragon phantoms roared and charged forward!

Golden flames spewed out of his body, turning into a sea of fire that surged up!

Golden pillars of fire even descended from the sky and killed the people who were charging at him!

Rumble!

Explosions that shook the world sounded incessantly!

Under the effect of several killing moves!

In an instant, thousands of people were killed!

Just now, he had been thinking of rescuing the Sea Burial King, so he had some concerns and could not go all out!

But now, after knowing that a brother had gone to save the Sea Burial King, he no longer had any worries and began to kill!

With the arrival of the King of Destruction and the others, the battle progressed rapidly!

The people sent by the twelve countries had already been defeated!

More than 100,000 people had been killed, but only 50,000 were left.

Half of them had been killed!

At this moment.

The sound of air being torn apart and propellers being rotated could be heard from afar!

Dozens of fighter jets and hundreds of helicopters flew over from afar!

After these fighter jets and helicopters arrived at the battlefield, they directly attacked Yang Luo and the others!

There were even many ability users who jumped down from the helicopter and charged at Yang Luo and the others!

“Alright!

Our rescue has arrived!” “Continue attacking and kill these guys!” When the soldiers and ability users present saw this, they were overjoyed and continued to attack Yang Luo and the others!

“Rescue, right?

I’ll let you be rescued!” Yang Luo’s body trembled as he crazily mobilized the dark attribute power in his body!

Dong!

A black energy beam soared into the sky and destroyed more than ten fighter jets and helicopters above his head!

This black energy beam continuously rushed into the sky, as if it had transformed into a black sea that surged in all directions!

In an instant, dozens of fighter jets and helicopters were swallowed by the darkness and exploded in the sky!

Seeing this scene in front of them!

The King of Destruction and the others were stunned!

“Oh my god, when did Brother Yang control the power of the darkness attribute?!” “Impressive.

Looks like Brother Yang is getting stronger and stronger now!” Exclamations rose and fell.

Seeing this, Yang Luo was also very surprised.

This was the first time he had used the power of the darkness attribute.

Unexpectedly, it was quite powerful.

Unfortunately, this darkness attribute power was not pure enough.

Otherwise, its power would probably be even greater.

After erupting with the power of the darkness attribute!

Without any hesitation, Yang Luo continued to mobilize the other eight attributes!

At this moment Boom!

Boom!

Boom!

Beams of energy with various colors soared into the sky, turning into an energy sea that swallowed the fighter jets and helicopters that rushed over to save them!

Those fighter jets and helicopters kept exploding in the sky and fell into the sea!

King of Destruction and the others also launched a fierce attack in unison, shooting down the remaining fighter jets and helicopters!

Not long after.

The fighter jets and helicopters sent by the twelve countries were all destroyed.

The soldiers and ability users of the twelve countries present were in despair.

Now that the rescue was gone, they were the only ones left.

What should they do?

But at this moment!

Whoosh!

Whoosh!

Whoosh!

Whoosh!

Another series of ear-piercing air-piercing sounds came from afar!

One missile after another streaked across the sky with a flaming tail and shot towards Yang Luo!

This was a precise airstrike aimed at Yang Luo!

“What the f*ck!

They even used missiles?!” Bujie was truly shocked.

Heavenly Sirius clicked its tongue and said, “The twelve countries have really invested a lot to kill Brother Yang!

Is Brother Yang really that hated?” “Yang Luo, be careful!” Goddess of Fate exclaimed and waved her hand!

“Guardian of Light!” At that moment A huge white light barrier spread open and enveloped Yang Luo!

Boom!

Boom!

Boom!

The missiles bombarded the light barrier and exploded one after another!

Flames and thick smoke soared into the sky, causing the world to tremble!

The power of the explosion also affected others, and many soldiers from the twelve countries were directly killed!

The defensive light shield cast by the Goddess of Fate was indeed powerful, blocking all twelve missiles!

“Thank you, Natasha!” Yang Luo thanked her and continued, “Don’t worry, these conventional missiles can’t hurt me!” But right after he finished his sentence Whoosh!

Whoosh!

Whoosh!

Whoosh!

Twelve more missiles shot over from all directions, and their target was still Yang Luo!

Yang Luo’s eyes turned cold.

He directly activated a True Qi barrier and waved the sword in his hand!

Chapter 1405: Heavy Losses!

Countless golden flying swords rose into the sky and gathered into twelve huge swords in the sky, shooting at the twelve missiles!

Boom!

Boom!

Boom!

Twelve huge golden swords and twelve missiles exploded in the sky at the same time!

The flames and light intertwined, as if huge fireworks had exploded!

Only a few moments passed, Whoosh!

Whoosh!

Whoosh!

Whoosh!

The third wave of missiles shot over, and there were still 12 of them!

“Atmospheric Confinement!” King of Destruction raised his right hand and unleashed his Atmospheric Superpower.

Before the second wave of missiles could approach, they were imprisoned in the sky.

A few seconds later.

Boom!

Boom!

Boom!

The twelve missiles exploded in the sky one after another, but they still failed to injure Yang Luo!

In the following period of time The fourth wave, the fifth wave, and the sixth wave of missiles shot over!

There were 12 in each wave!

Not only did Yang Luo and the King of Destruction activate their defenses, but they also erupted with their strongest attacks, blocking the waves of missiles in the distant sky!

This lasted until the tenth wave of missiles was blocked!

After that, no more missiles were fired!

“Is it over?!” “Oh my god, these guys are too terrifying.

Even missiles can’t kill them!” “There’s no way we can kill them!” The remaining 30,000 soldiers and less than 10,000 ability users from the 12 countries present completely collapsed in despair.

Out of the 100,000 of them, only 40,000 were left!

All the fighter jets and helicopters they had sent were destroyed!

The fighter jets and helicopters that rushed over to save them were useless!

Even the missiles failed to kill Yang Luo and the others!

How were they supposed to fight?

“Run, run!” “We’re not their match at all.

If we don’t escape, we can only wait for death!” The remaining 40,000 people seemed to have gone crazy and wanted to escape.

However, they were on the sea now.

They could not escape even if they wanted to.

he King of Destruction’s expression was cold as he waved his hand, “Kill them all!” More than 30,000 people from the Holy Imperial Court moved out and chased after him!

Yang Luo, the King of Destruction, and the others also charged forward!

Half an hour later.

The remaining 40,000 people were all killed!

Yang Luo and the King of Destruction returned to a battleship.

Everyone glanced at the event location.

This sea area was already in a mess.

There were corpses everywhere and blood everywhere.

Broken battleships were everywhere.

“Phew” Yang Luo let out a long breath and immediately instructed, “Brothers, take care of the injured brothers!

“Also, take inventory and see which warships are not damaged.

Drive them all away!” “Yes!” The people from the Holy Imperial Court responded in unison and began to move.

The corners of Bujie’s mouth twitched as he said, “Brother Yang, you’re simply inhumane.

You killed their people and still want to snatch their battleships?” Yang Luo shrugged and said, “If we leave these battleships here, they will definitely send people to drive them away.

Instead of letting them keep it to deal with us in the future, why don’t we take it?” “Yes, that makes sense!” Bujie nodded and smacked his lips, “Then this time, the twelve countries can be considered to suffer a double loss!” “They deserve it!” Prajna waved her fist and said, “Who asked them to deal with Brother Yang!” After a while The injured brothers of the Holy Imperial Court had already been treated.

Furthermore, after their counting, there were still 75 warships that were not damaged belonging to the 12 countries!

After dealing with it.

Yang Luo waved his hand, “Brothers, let’s go to Burial Island!” “Yes!” Everyone responded in unison.

Soon, 105 battleships began to move, heading straight for Burial Island At this moment.

Country Stars & Stripes.

In the main building.

In the conference room.

The atmosphere in the conference room was very oppressive.

Lawrence and the other commanders of the twelve countries stared intently at the projection, their expressions incomparably gloomy.

After a moment of silence The entire meeting room exploded.

“F*ck!

The 13,000 people sent by Country Oxford were all wiped out.

This kid is not human at all.

He’s a demon!” “Baka!

The 11,000 people sent by our Country Sakura were all destroyed!

Hateful!

Hateful!” “Damn it!

The 7,000 people sent by Country Kimchi were also destroyed!

Damn it!

Damn it!” “Over 100,000 people were actually all wiped out.

How could this be?

How could this be!" "Not only that, this kid even snatched 75 of our battleships.

He's a bandit!" "Can anyone tell me why the people from the Holy Imperial Court suddenly appeared?!"
All the commanders present roared angrily.

Their faces were ferocious, like ghosts.

Lawrence's face was cold and grim, but he said nothing.

His hands were clenched into fists, his nails digging into his flesh.

More than 100,000 people had been destroyed!

Hundreds of fighter jets and helicopters were all destroyed!

55 battleships were destroyed!

75 battleships had been snatched away!

It was a heavy loss!

This loss was too heavy!

He did not expect this outcome!

"Mr.

Lawrence, why didn't you continue to launch missiles?

Why did you suddenly stop?" Ferrand asked in confusion.

Masahiro Ono slammed the table and roared, "We should continue firing missiles and blast these guys into minced meat!" Lawrence said hoarsely, "Didn't you see?

These conventional missiles can't kill Yang Luo and those guys from the Holy Imperial Court at all!

If we continue to launch missiles, other than increasing our losses, it's meaningless!" Ferrand said fiercely, "Mr.

Lawrence, our losses this time are too heavy.

We can't let Yang Luo off.

We can't let him off!" Park Son-won also said angrily, "We can't let those fellows from the Holy Imperial Court off either!

They all have to die, they all have to die!" "This bunch of detestable bastards from the Holy Imperial Court.

In order to protect that brat Yang Luo, they actually fought with our 12 countries.

How hateful!" "We have to find a way to destroy them no matter what!" The others present also started to argue.

It couldn't be helped.

Their losses in this battle were too great, and no one could maintain their emotions.

“Shut the fuck up!” Lawrence slammed the table and let out a furious roar.

In an instant The meeting room fell silent.

Lawrence glanced at all the commanders present and hissed, “Do you think I don’t want to kill Yang Luo?

I want to kill him more than you do.

I can’t wait to tear him into pieces now!

However, as you’ve seen today, even if we send more than 100,000 people and so many firearms, we still can’t kill him!

I finally understand why Michael and the others aren’t willing to help!

“This kid isn’t human at all.

He’s a demon, a true demon!” A sinister look appeared in Masahiro Ono’s eyes, “Mr.

Lawrence, I have a suggestion.

We can definitely kill this kid!” Feeling irritated, Lawrence frowned and said, “Tell me about it.” Masahiro Ono said, “We can use the nuclear” “Shut up!” Before Masahiro Ono could finish speaking, Lawrence roared.

Masahiro Ono was so frightened that he trembled.

He wiped his cold sweat and said, “Mr.

Lawrence, I'm afraid only such a weapon can kill this kid!" Their Country Sakura had been blown up by such a weapon twice.

Therefore, he knew very well how terrifying the power of this weapon was.

No one in this world could withstand the bombardment of such a weapon.

No matter how strong you were, you would definitely die.

Lawrence said in a deep voice, "This kind of weapon must not be used unless it's absolutely necessary!

Once it's used, it will definitely cause chaos in the world!" Ferrand also said coldly, "Mr.

Ono, this kind of weapon can't be used casually!

Moreover, it's really not a wise choice to use such a weapon to kill such a brat!" Masahiro Ono gritted his teeth and said, "Since we can't use this weapon, how can we kill that bastard Yang Luo?" All the commanders present fell silent.

They were completely helpless against Yang Luo now.

Lawrence was silent for a long time before he let out a long breath and said, "Everyone, since we can't destroy this kid, we can only endure this for the time being.

There's nothing we can do now except wait for the opportunity"

Chapter 1406: A Complete Lunatic!

“Waiting for the right moment?” Ferrand frowned and asked, “Then how long do we have to wait?” Lawrence said, “When the Dark World is in complete chaos, when the Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor come out of seclusion!

At that time, we can join forces with the Holy Light Church, the Heavenly Shrine, and the Hell Fiend Palace to destroy the Holy Imperial Court and kill Yang Luo!

Furthermore, as long as the three top organizations take action, not only can we kill this kid, but we can also completely destroy the Holy Imperial Court!” “How long do we have to wait?” Masahiro Ono clenched his fists indignantly.

The other commanders were also furious and unwilling.

Lawrence sighed and said, “Everyone, I know you’re unwilling, but we really don’t have a better way now.

We can only wait!” As he spoke, Lawrence continued, “Let me remind everyone that since we didn’t manage to kill Yang Luo this time, we have to be prepared for his revenge!

Therefore, everyone should be careful during this period of time and strengthen their security forces!

If you can hide, hide.

Don’t show your face easily!” Ferrand frowned and said, “What do you mean?

Does this kid still dare to kill us?” Masahiro Ono said angrily, “We’re the commanders of the various countries.

If this kid dares to attack, isn’t he afraid of inciting a war?” Park Son-won also sneered and said, “Unless this kid is crazy, why would he be stupid enough to attack us?

“Once he dares to attack us, Country Hua will definitely become the target of public criticism!

The other commanders nodded as well.

They did not believe that Yang Luo would dare to attack them.

Lawrence frowned and asked in a low voice, "Until now, do you still think that this kid is a normal person?"

If this kid was a normal person, why would he provoke our 12 countries?

In my opinion, this kid is a lunatic, a complete lunatic!

From what he had seen in the past, this kid has always taken revenge!

This time, we sent so many people to surround him.

How can he let it go?" Hearing Lawrence's words Everyone was so frightened that their bodies began to tremble.

Their faces turned pale and they broke out in cold sweat.

That's right.

If they had managed kill Yang Luo this time, it would naturally be fine.

However, the key was that he did not succeed in killing him and even completely offended this kid.

Normal people might not dare to touch them.

But was this kid a normal person?

That was not the case at all!

Perhaps from today onwards, their lives would really be in danger.

At the thought of this, endless fear surged in their hearts.

Lawrence sighed and said, "Everyone, listen to my advice.

You should be careful during this period of time.

This lunatic is capable of anything.

Even if he doesn't do it personally, there would definitely be someone that can help him.

For example, the Holy Imperial Court has a top-notch assassin organization under them, the Death God Palace.

This organization had killed many important figures in the world, and the success rate of assassination is shockingly high.

We have to ensure our own safety.

After we survive this crisis, we'll find an opportunity to kill this kid." "Yes yes" Everyone nodded blankly.

They did not dare to joke with their lives.

Therefore, they unanimously decided to strengthen their security forces when they returned.

Of course, just strengthening the security force was not enough.

They planned to find a safe place to hide as well.

Lawrence glanced at everyone present and said, "Alright, everyone, disperse!" Ferrand and the others nodded in a daze and left the meeting room one after another.

After everyone left, Lawrence was the only one left in the conference room.

He placed his hands on the conference table and looked out of the window.

Thick killing intent and resentment appeared in his eyes.

"Yang Luo, Yang Luo, just you wait.

I'll definitely kill you.

I'll definitely" On the other side Somewhere in the Pacific Ocean.

105 battleships were sailing rapidly on the sea.

Yang Luo treated his brothers' injuries and returned to the deck.

"Brother Yang, you said that you've been cultivating nearby for the past few days.

Could it be that there's a good cultivation place nearby?" King of Destruction asked curiously.

“There is one.” Yang Luo replied and told the King of Destruction and the others the coordinates of the Nine Mystic Island.

King of Destruction checked and said in confusion, “Brother Yang, the coordinates you sent me seem to be where Ghost Island is.” Goddess of Fate said, “I’ve heard of Ghost Island.

It’s said that this island is very mysterious.

It appears and disappears at times, like a ghost.” Heavenly Sirius held its chin and said, “I’ve also heard of Ghost Island, but I’ve never been there.

Could it be that that place is very suitable for cultivation?” King of Titans and the others had also heard about Ghost Island, but they did not know that it was a cultivation place.

“Brothers, this Ghost Island is also called the Nine Mystic Island.

It’s indeed an excellent cultivation place” Yang Luo did not hide anything and told everyone about the Nine Mystic Island.

He also told them about his cultivation with Bujie and the others on the island these few days.

After hearing Yang Luo’s story “Holy sh*t, this Nine Mystic Island is actually so magical.

It has the power of nine attributes?” “Brother Bujie and the others have only cultivated for a few days and their cultivation levels have already broken through?!” “Looks like this Nine Mystic Island is indeed not simple.

I have to take a look when I have time!” King of Destruction and the others exclaimed.

Yang Luo said, “Brothers, this Nine Mystic Island is indeed an excellent cultivation place.

It's very helpful in improving your strength and cultivation!

However, the Nine Mystic Island only surfaces once every five years, and it would sink after a few months!

Therefore, you have to hurry up and cultivate there.

Improve as much as you can!" "Yes!" King of Destruction and the others nodded in agreement.

Yang Luo then asked King of Destruction, "King of Destruction, does our Holy Imperial Court have detailed information on the commanders of the twelve countries?" King of Destruction nodded and said, "Of course!" "Very good!" Yang Luo nodded.

His eyes turned cold as he said coldly, "Arrange for assassins to kill the commanders of the twelve countries in the next few days!

The commanders of the twelve countries have created such a huge commotion this time and sent so many people to kill me.

I naturally have to return the favor!" "These twelve dogs indeed deserve to be killed!" Bujie added angrily.

Yang Luo continued, "However, these guys will definitely be wary of us, so we have to get our brothers to be careful!

If you can kill them, then kill them.

If you really can't, leave them to me!" "No problem, I'll arrange it now!" King of Destruction nodded and took out his phone to make a few calls.

After the call King of Destruction spoke out, "Brother Yang, I've already made arrangements.

Our people will take action in the next few days!” “That’s right.” Yang Luo nodded in response.

King of Titans suddenly thought of something and said, “By the way, Brother Yang, can you tell us about the battle in Peng City a month ago?

We only have a rough understanding of it and don’t know the details.” King of Destruction also nodded and said, “I also want to know what kind of battle would injure you for so many days.” Heavenly Sirius narrowed its eyes and said, “We all know your strength.

To be able to injure you to this extent, that battle must have been extraordinary, right?” “Alright, then I’ll tell you” Yang Luo then told King of Destruction and the others about the battle that night.

Xu Ying, Bujie, Prajna, and Lin Wenxuan added from time to time.

After they finished hearing Yang Luo’s story King of Destruction and the others fell silent, their faces filled with shock and seriousness.

There was a moment of silence.

Then King of Destruction sighed and said, “I really didn’t expect the battle that night to be so terrifying.

Just three old fellows actually defeated so many of you, Brother Yang” King of Titans shook his head and exclaimed as well, “It seems that this world is far from as simple as we think!

Perhaps we’re considered top experts in the secular world, but in the eyes of those old fellows at the Earth Immortal Realm, we’re nothing!” Goddess of Fate’s eyes were red as she looked at Yang Luo with heartache, “I really didn’t expect you to be so seriously injured” “Natasha, don’t be sad.

I’m fine now, right?” Yang Luo comforted them before looking at everyone and saying, “That’s why we have to continue cultivating hard, brothers.

We have to become stronger!

Only by becoming stronger can we not be afraid of all challenges!” “Yes!” Everyone nodded heavily, and their gazes became firm.

Become stronger!

They had to continue to become stronger!

King of Destruction then asked, “Brother Yang, when do you plan to kill your way to the Penglai Immortal Island?”

Chapter 1407: Queen of the Sea!

Yang Luo thought for a moment and said, “At the very least, I have to wait for my cultivation to step into the Earth Immortal realm.

Of course, the stronger I am, the better!

After all, once we step into the Penglai Immortal Island, it is akin to entering the territory of those immortal sects.

Any kind of danger could happen!

Therefore, we have to be fully prepared!” “Alright!” King of Destruction nodded and said, “Brother Yang, inform us when the time comes.

We’ll accompany you!” “That’s right, let’s go together!” “We couldn’t help you in the battle a month ago.

Everyone blamed themselves.

You have to call us when the time comes!" "We're brothers.

Only when brothers work together can we overcome all difficulties!" Heavenly Sirius and the others also spoke up.

"Alright, let's go together then!" Yang Luo agreed and asked, "By the way, can we contact the Sea Burial King now?" King of Destruction shook his head and said, "I've already contacted him just now.

I can't contact him at all." Yang Luo asked again, "Then how far are we from Burial Island now?" King of Destruction replied, "Two hundred nautical miles left!" Yang Luo frowned and immediately said, "Speed up.

We must rush to Burial Island as soon as possible.

We can't let anything happen to our brothers!" "Alright!" King of Destruction took out his walkie-talkie and gave the order.

Soon, the 105 warships continued to accelerate towards Burial Island At this moment.

Two hundred nautical miles away from Yang Luo and the others, There was a small island sitting on a sea.

This place resemble a tropical island.

The scenery on the island was picturesque and beautiful.

This island was called Burial Island, and it was the headquarters of the Giant Whale Pirates.

Usually, the island was very quiet.

But today, eight pirate organizations had attacked.

A huge battle erupted on the sea thousands of meters away from Burial Island.

More than 50 steel battleships were anchored at sea.

More than 50,000 people were fighting fiercely on the deck.

Boom!

Boom!

Rumble!

The sound of collision and explosions resounded non-stop!

Shouts, roars, and roars were endless!

At this moment.

On one of the battleships.

Dark Baron and the Purgatory Death God were currently fighting fiercely with the leaders of the seven pirate organizations!

The codenames of the leaders of these seven organizations were Sea Demon, Sea Monster, Ghost Head Shark, Big Beard, Whaler, Giant Spear Squid, and Specter Captain!

Not long ago.

Dark Baron and the Purgatory Death God, who were closest to Burial Island, had led more than ten thousand people to help.

Only then did the situation stabilize!

Although it was two against seven, the Dark Baron and the Purgatory Death God were still not at a disadvantage!

Rumble!

Accompanied by a series of explosions!

Dark Baron and the Purgatory Death God were knocked back more than ten meters before they stabilized themselves!

However, Sea Demon and the others were sent flying more than 20 meters away before they could stabilize themselves!

After the intense battle just now, Sea Demon and the others had already suffered serious injuries.

Although the Dark Baron and the Purgatory Death God were also injured, it did not affect their battle.

Purgatory Death God looked at the seven of them and said in a deep voice, "Sea Demon, our Holy Imperial Court has never had any grudges with your Hidden Alliance.

Why did you bring people to attack Burial Island?" Sea Demon said in a loud voice, "We don't want to be enemies with your Holy Imperial Court either!

However, we are the subordinates of the Queen of the Sea.

Since the Queen has given the order, we can only follow her orders!

Therefore, I'm sorry!" "Aren't you afraid of starting a war between our Holy Imperial Court and your Hidden Alliance?" Dark Baron frowned and asked.

Sea Demon shook his head and said, "This is not something we should consider!" Dark Baron said coldly, "Since you insist on fighting, we can only apologize!" As he spoke, Dark Baron shook!

Dong!

A blood-colored beam of light soared into the sky from his body, dyeing the sky above blood-red!

Purgatory Death God also shook his body!

Dong!

A black beam of light shot into the sky from his body, dyeing the sky above black!

Sea Demon shouted at the other six, "Brothers, don't hold back.

Let's get serious!

We are an overlord of the sea after all.

We can't let these two Divine Kings look down on us!" "Yes!" The sea monster and the other six replied in unison.

Before their voices could fade Boom!

Boom!

Boom!

Beams of light also shot out from the bodies of Sea Demon and the others!

As the leaders of the seven pirate organizations, they could be considered overlords.

They were all powerful ability users!

“Fight!” The seven of them shouted at the same time and rushed towards Dark Baron and Purgatory Death God!

Dark Baron and Purgatory Death God also moved and turned into two streams of light to fight!

In an instant!

The distance between the two sides shortened!

Sea Demon and Sea Monster waved the scimitars in their hands at the same time and slashed out!

Ghost Head Shark and Big Beard swung their long axes and slashed down heavily!

Whaler waved a trident and stabbed at Dark Baron and Purgatory Death God!

As for Giant Spear Squid and Specter Captain, they waved their huge swords and slashed out!

Blade light and sword shadows flashed as the long axe tore through the air.

Energy surged and shone with a dazzling light!

Facing the seven people's fierce attacks, Dark Baron and Purgatory Death God did not dodge or retreat.

They counterattacked at the same time!

"Netherworld Blood Claw!" Dark Baron condensed a blood-red claw and swung it!

Five streaks of blood streaked across the air, and the air was torn apart like cloth, emitting crackling sounds!

"Death God's Blade!" Purgatory Death God held the Death God Scythe and slashed out!

Swoosh!

Black fog surged and black light flickered.

It was breathtaking!

Clang!

A clear collision sound resounded, and flames shot out in all directions.

Energy surged, and it was dazzling!

After this intense collision!

Rumble!

The battleship that Dark Baron and the others were on was torn into pieces!

The seven of them were sent flying at the same time!

Dark Baron and Purgatory Death God landed steadily on the sea!

Before Sea Demon and the others could stabilize their bodies!

Dark Baron waved his right hand!

“Crimson Shackles!” Crink crink crink!

Blood-colored chains swept out and swept up huge waves!

Sea Demon and the others were shocked.

They waved their weapons at the same time and faced the attack!

Clang!

Clang!

One chain after another was shaken off, and dazzling blood-colored lights rippled!

“Death God’s Purgatory!” The Purgatory Death God also suddenly waved the Death God Scythe in its hand!

In the blink of an eye!

The world was enveloped in black fog.

Thousands of Death God Scythes shot out from the black fog and headed straight for the seven of them!

“Be careful!” Sea Demon shouted in shock and waved the weapon in his hand crazily to meet the attack!

Sea Monster and the other six also brandished their weapons to block!

However, even if they reacted quickly enough, they were still unable to block all the Death God’s Blades!

Chi!

Chi!

Chi!

One after another, the Death God’s Blades cut through the energy barrier they had condensed and also cut open their skin.

Blood splattered in the air!

Just as Sea Demon and the others blocked the Death God’s Blade!

Dark Baron and Purgatory Death God turned into two streaks of lightning and charged into the black fog, engaging in a fierce battle with the seven sea overlords!

As Dark Baron and Purgatory Death God went all out!

The seven of them were almost unable to withstand it.

Their injuries increased and they began to retreat step by step!

Just while Dark Baron and Purgatory Death God were locked in combat with the seven sea overlords!

Rumble!

A loud explosion came from the distant sea!

Huge waves soared into the sky, looking extremely spectacular!

“Aiya!” Accompanied by a cry of pain, A tall and burly man with dark skin was sent flying by the explosion and fell into the sea with a bang!

This huge man was the Sea Burial King!

A few seconds later.

With a loud bang!

The Sea Burial King rushed out of the sea and stood steadily on the surface of the sea with a dark blue saber in his hand!

His body had already been cut open and blood flowed non-stop!

However, these superficial wounds were nothing to him!

He looked up at a figure in front of him and said helplessly, “Eudora, can’t you talk things out?”

Why do you have to resort to war?

You're indeed very strong, but you're still not my match.

If you continue fighting, I won't give in to you!" Standing opposite him was a tall and hot woman with wheat-colored skin.

Her long brown curly hair was tied behind her head, and her facial features were well-defined.

She held a purple spear and looked valiant.

Although this woman did not look beautiful at first glance, she was someone whom you would not tire of looking at.

This woman was one of the ten kings of the Hidden Alliance, the leader of the Flamingo Pirates, "Queen of the Sea" Eudora!

Chapter 1408: My Goal!

In the sea domain of the dark world, there were a total of four overlords!

They were: The Sea Burial King from the Holy Imperial Court!

Hell Fiend Palace's Sea Spectre!

The Deep Sea Lord of the Heavenly Shrine!

The Queen of the Sea from the Hidden Alliance!

Today, the Queen of the Sea had led the seven pirate organizations to Burial Island!

The Queen of the Sea raised the spear in her hand and pointed it at the Sea Burial King.

She said loudly, "Rokelev, cut the crap.

If you want to fight, fight!

Moreover, who wants you to give in to me?

Hurry up and use your true strength!

I want to defeat you fair and square and make you admit defeat wholeheartedly!" "This!" The Sea Burial King sighed and said, "Eudora, you should know that I've always liked you.

Why would I really kill you?" Eudora frowned and said, "Don't be shameless.

I don't like you!" The Sea Burial King shrugged and said, "If you don't like me, why did you show mercy just now?" "Iâ€" Eudora panicked and explained, "I just think that you're not bad and can help me unify the entire sea in the future, so I don't want to kill you!

Of course, the prerequisite is that you have to lead your Giant Whale Pirates to join my Flamingo Pirates!

If you don't agree, I can only kill you!" Sea Burial King said in confusion, "Eudora, hasn't your Hidden Alliance never interfered in the conflicts of the Dark World?

Why did you learn from the other organizations this time and start fighting for territory?" The Queen of the Sea raised her head and said proudly, "I can't control what the others in the Hidden Alliance do!

However, many years ago, I swore an oath!

One day, I will lead the Flamingo Pirates to unify this sea and become the largest pirate organization in the Underworld!" Sea Burial King grinned and said, "Eudora, it just so happens that my goal is also this!

Why don't you lead the Flamingo to join my Giant Whales?

When the time comes, we'll join forces to destroy the Sea Spectre and the Deep Sea Lord and unify this sea.

How about that?" "Bullshit!" The Queen of the Seas immediately exploded in anger, "You still want my Flamingo to join your Giant Whale?

Dream on!

There can only be one king in this sea, and that is me, Eudora!" The Sea Burial King raised his hand and pointed into the distance, "Eudora, can't you see?

Your seven subordinates are no match for my two brothers!

If you continue to fight, your subordinates will definitely die at the hands of my brother!

As long as you quickly leave with your men, I can let bygones be bygones!" "Hmph!" The Queen of the Sea snorted and said, "My seven brothers are not so easy to defeat.

You should care about yourself first!" The Sea Burial King sighed and said, "So, you must fight me to the end?" "Of course!" The Queen of the Sea nodded and said, "There are only two outcomes today.

Either you lead your Giant Whales to surrender, or they will be destroyed by me!" Sea Burial King replied firmly, "In that case, let's fight!" "Fight!" The Queen of the Sea let out a delicate shout.

With the Sea God's Spear in her hand, she transformed into a purple stream of light and rushed towards the Sea Burial King!

And the moment they got close The Queen of the Sea suddenly waved the Sea God's Spear in her hand!

“Raging Tsunami!” Whoosh!

Whoosh!

The sea within a radius of thousands of meters surged as if it had triggered a huge tsunami, crushing towards the Sea Burial King from all directions!

However, the Sea Burial King was fearless and stood rooted to the ground!

He suddenly opened his eyes!

Within them, his pupils flickered with a dazzling dark blue light!

Dong!

A dark blue beam of light soared into the sky from his body and pierced through the clouds!

Then, he stomped with his right foot!

The sea shook and the seawater swept up, as if turning into city walls of the sea that blocked his surroundings!

Boom, boom, boom!

The surging waves attacked the sea wall crazily, erupting with loud bangs and exploding with a large amount of water!

Seeing that this move was useless!

The Queen of the Sea raised the Sea God's Spear in her hand and stabbed out!

"Graceful Appearance!" Swoosh!

A huge spear suffused with a dazzling purple light tore through the waves and stabbed at the Sea Burial King!

However, Sea Burial King's reaction was very fast.

He directly raised the long saber in his hand, the Sea God's Blade, to block!

Dong!

Accompanied by a bang!

Sea Burial King was forced back a few steps, but he completely blocked the Sea Queen's attack!

"Is this your true strength?" Not only was the Queen of the Sea not afraid, but it also ignited her fighting spirit, "Rokelev, you should have gotten serious long ago.

It's more satisfying to fight like this!" As she spoke, the Queen of the Sea did not stop at all and suddenly waved the spear in her hand!

The huge waves that surged up transformed into huge spears that shot towards the Sea Burial King from all directions!

Seeing this, Sea Burial King only suddenly waved the Sea God's Blade in his hand!

The waves that surged up around him turned into huge sabers that shot out!

At that very moment Boom!

Boom!

Boom!

Countless spears and sabers collided violently, emitting rumbling explosions!

The transformed spear and saber turned into seawater again and fell into the sea as if it was raining heavily!

However, the moment the Sea Burial King blocked this attack!

The Queen of the Sea waved the spear in her hand again!

“Sea Vortex!” The sea under the Sea Burial King’s feet turned into a huge vortex that sucked him in!

Soon, the vortex closed and the Sea Burial King instantly disappeared!

However, in less than a few breaths!

Dong!

A wave exploded on the sea!

Sea Burial King rushed out of the sea and landed on the sea!

However, just as he stabilized his body, he did not discover the figure of the Queen of the Sea!

In the next second He suddenly felt a sense of danger coming from above!

He saw that the Queen of the Sea had already jumped into the sky and was stabbing down straight at him!

“Evil Waves!” Swoosh!

A huge purple spear stabbed down, and huge waves swept through the sky again, turning into spears that shot towards the Sea Burial King below!

Sea Burial King countered by flipping his right hand and slashing into the sky!

“Sea Blade Breaks the Sky!” Swoosh!

A huge dark blue saber tore through the sky and faced it!

The densely packed water spears that shot down were destroyed by a single slash!

Clang!

The huge saber and spear collided heavily, producing a sound that shook the sky and sea!

After blocking this spear!

The Sea Burial King’s right arm suddenly shook!

A violent force surged out!

The Queen of the Sea was sent flying!

This time, she flew more than 20 meters away!

The Queen of the Sea flipped a few times in the air before landing steadily on the sea!

The Sea Burial King looked up at the Sea Queen and said in a loud voice, "Eudora, I already said that you're not my match.

If you continue fighting, you'll definitely lose!

So, forget it.

Stop fighting.

We shouldn't become enemies!

Our real enemies are the Sea Spectre and the Deep Sea Lord!" The Queen of the Sea was very unconvinced and said angrily, "I'll naturally destroy those two fellows!

However, I have to defeat you first!" As she spoke, the Queen of the Sea trembled and a purple beam of light rushed out of her body!

Her eyes also emitted a purple light that was as dazzling as the stars!

Then, her figure flashed and turned into a purple stream of light, continuing to charge at the Sea Burial King!

"Eudora, since you're so stubborn, I can only let you suffer!" The Sea Burial King said in a low voice.

Then, he took a step forward and transformed into a dark blue stream of light that fought!

At that moment The two of them closed the distance and waved the long saber and spear in their hands at the same time!

Tang!

The saber and spear collided with a shocking commotion!

Waves surged around the two of them!

The sea within a radius of 10,000 meters shook even more violently!

The battleships in the distance shook violently!

“Fifth Brother has finally got serious.” Dark Baron, who was in the middle of a fierce battle, said with a pout.

Purgatory Death God frowned and said, “Fifth Brother likes Eudora.

With Fifth Brother’s personality, he definitely won’t kill her.

Therefore, we still have to subdue Eudora.” “Sigh These two love-hate frenemies!” Dark Baron shook his head.

Then, the two of them continued to attack Sea Demon and the others!

Chapter 1409: You Have to Beat Me First!

On the distant sea.

In this confrontation!

Sea Burial King was forced back ten meters!

However, Queen of the Sea was pushed back more than 20 meters!

The two of them quickly stabilized their bodies.

In a flash, they seemed to have turned into two bolts of lightning and fought fiercely again!

At the same time when the Sea Burial King and the Sea Queen were fighting!

In the distant sea.

A huge blue whale and a huge dolphin were fighting.

The blue whale was the companion of the Sea Burial King, called Fatty Blue.

The dolphin was the companion of the Sea Queen, called Lully.

Fatty Blue and Lully were friends, so they didn't really fight.

Instead, they settled with chasing each other.

At this moment.

The Sea Burial King and the Queen of the Sea moved at high speed on the sea, constantly colliding and fighting!

Huge waves surged into the sky!

Holes and vortexes also exploded on the sea!

After fighting for dozens of rounds!

Rumble!

A deafening explosion sounded!

“Ah!” The Queen of the Sea let out a painful cry and was sent flying!

Blood exploded from her body and she spat out a mouthful of blood!

“Eudora, are you alright?!” The Sea Burial King immediately jumped and hurriedly ran over!

However, just as he approached!

The Sea Queen waved the spear in her hand and stabbed at the Sea Burial King’s chest!

The Sea Burial King did not dodge or block at all.

He closed his eyes and said, “Since you want to kill me so much, then so be it!” However, at this moment!

Swoosh!

A golden sword streaked across the sky and shot over from afar!

With a clang, it heavily struck the spear in the Sea Queen's hand!

The power of this sword was majestic, directly sending the Queen of the Sea flying!

After sending the Queen of the Sea flying!

The golden sword changed direction and flew into the distance!

This scene stunned everyone present!

No one knew where this sword came from!

However, in the next second!

Voices could be heard.

"Brothers, we're here!" "Fifth Brother, what's wrong with you?"

"Why are you in such a sorry state?" "Something's not right."

"This doesn't seem to be your true strength, right?" Upon hearing this voice Everyone present turned around.

However, when they saw the scene in the distance, Everyone present was shocked.

Everyone watched on as 105 battleships drove over from afar.

Each battleship was filled with more than 30,000 people.

Standing on the leading battleship were Yang Luo, the King of Destruction, and the others.

When Flamingo and the other members of the pirate organizations saw this, they were all shocked.

They did not expect the Holy Imperial Court to send help.

Moreover, several Divine Kings had actually come at once.

The Queen of the Sea could not help but frown.

“Fourth Brother, you’re here!” “Eh, Brother Yang, why are you here too?” Dark Baron and Purgatory Death God shouted in surprise.

“Brother Yang, long time no see!” Sea Burial King laughed and hurriedly ran over.

Soon, all the battleships approached.

Yang Luo, King of Destruction, and the others jumped off the warship and walked towards Dark Baron and Purgatory Death God.

“Brother Yang, what’s going on?

Aren’t you in Country Hua?

Why did you come with Fourth Brother and the others?” Dark Baron asked curiously.

Purgatory Death God glanced at the battleships and said strangely, “Aren’t these the battleships of countries like Country Stars & Stripes, Country Oxford, and Country Sakura?

Where did you get them?" "It's like this" Yang Luo told the three of them about how he and the others were cultivating on the Nine Mystic Island and how they had been surrounded by the twelve countries not long ago.

After hearing Yang Luo's words The three of them were dumbfounded!

Sea Burial King said in surprise, "Oh my god, before you came, you even fought more than 100,000 people from the twelve countries and wiped out all those guys?!" Yang Luo and the others nodded.

"Impressive!" Sea Burial King gave Yang Luo and the others a thumbs up.

Dark Baron said in a deep voice, "These 12 countries are really bold to send so many people to surround you!

Do they really think that our Holy Imperial Court doesn't exist?" Killing intent flashed in the Purgatory Death God's eyes as he said coldly, "We have to teach those guys a deep lesson!" "We'll talk about this later." Yang Luo raised his hand and said, "What's the situation now?" "Yeah, who's that hot little girl?" Bujie pointed at the Queen of the Sea in the distance and asked curiously.

Sea Burial King told Yang Luo and the others about what had happened here.

"I see." Only then did Yang Luo and the others understand what was going on.

King of Destruction said helplessly, "Eudora, I was wondering who came up to his doorstep with guns blazing.

So it's you!

Aren't we friends?

Isn't it a little too much for you to bring people over?" Heavenly Sirius grinned and said, "Eudora, it's been a while since we last met.

Your figure has improved!" "Do you all know this woman?" Yang Luo asked curiously.

"Of course we do." Heavenly Sirius nodded and said, "This woman is a female Tyrannosaurus.

She's very combative.

She has fought with us before. Speaking of which, she can be considered friends with us.

However, I wonder what's wrong with this woman today.

She actually came to attack Fifth Brother." "Oh" Yang Luo nodded in realization.

Then, he looked up at Eudora and asked, "Are you one of the ten kings of the Hidden Alliance?" "That's right!" The Queen of the Sea nodded and asked, "Who are you?" Yang Luo replied, "My name is Yang Luo.

I'm the brother of the Sea Burial King and the others." The Queen of the Sea's expression changed slightly, "You're the one who's been in the limelight in the Dark World recently.

You destroyed several organizations and killed the Hundred-Armed Demon King and the Lightning Overlord!

You're that Yang Luo, who is known as the new star of the Dark World and has a chance of being as famous as the Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor?" "That's me." Yang Luo nodded in response.

"That's interesting." The Queen of the Sea narrowed her eyes and raised the spear in her hand to point at Yang Luo, "Kid, I've long wanted to meet you!

Come, fight me.

I want to see how strong you are!" As soon as these words were spoken Sea Burial King was immediately shocked and hurriedly said, "Eudora, don't do anything rash!

Not to mention you, even I am not Brother Yang's match!" "Shut up!" Queen of the Sea glared at the Sea Burial King and said to Yang Luo, "Kid, do you dare to accept my challenge?" Yang Luo smiled faintly and said, "Eudora, just as the Sea Burial King said, you're not my match.

Moreover, I don't want to fight you." "Why?" The Queen of the Sea frowned, "Are you afraid?" "I'm not afraid." Yang Luo shook his head and said, "You're friends with King of Destruction and the others.

Since you're friends, there's no need to become enemies.

I've seen the Pharaoh of your Hidden Alliance, the King of Berserkers, the Heavenly Fire Battle God, and the Ice Soul Queen before.

I've fought them all, but they're not my match." "You've actually seen the Pharaoh and the other three?

They are still not your match?" The Queen of the Sea looked surprised.

"That's right." Yang Luo nodded and continued, "Moreover, I've also mentioned to them about having a collaboration between the Holy Imperial Court and the Hidden Alliance.

However, they said that they could not make the decision regarding this collaboration .

They had to get the approval of your Hidden Alliance's leader.

It's just that I've never had the chance to meet the leader of your Hidden Alliance.

Therefore, I don't want to fight you.

Hurry up and leave with your men.” The Queen of the Sea said, “Kid, if you want me to leave, sure!

However, you have to defeat me first!” Yang Luo met the Queen of the Sea’s gaze and said, “So, do you really want to fight me?” “Right!” The Queen of the Sea nodded.

Yang Luo shrugged, “Alright, let’s fight then.” Sea Burial King hurriedly said, “Brother Yang, show mercy!” “Don’t worry.” Yang Luo patted the Sea Burial King’s shoulder.

Then, King of Destruction and the others retreated.

“Kid, I advise you to be serious.

I won’t show mercy!” Queen of the Sea said loudly.

Then, her figure flashed and turned into a purple stream of light that rushed towards Yang Luo!

Chapter 1410: Completely Crushed!

In the process of charging towards Yang Luo!

Queen of the Sea instantly mobilized the energy in her body to the limit!

She had some understanding of Yang Luo and knew that he was very strong!

Therefore, she did not dare to be careless!

As the Queen of the Sea rushed over!

Yang Luo just stood quietly in the distance, his expression calm and composed.

The moment they got close!

“Watch my spear!” Queen of the Sea let out a delicate cry and waved the spear in her hand, stabbing at Yang Luo!

Swoosh!

She stabbed out with her spear.

The spear aura was like a rainbow and energy surged, as if it wanted to break through everything!

As the Queen of the Sea stabbed at him!

Yang Luo only casually raised the sword in his hand to block!

Accompanied by a “Ding” sound!

Yang Luo easily blocked the Sea Queen’s spear.

His body did not move at all, nor did he take half a step back!

The next second!

Boom!

Boom!

Boom!

The sea under their feet shook violently!

Huge waves surged into the sky around him!

Yang Luo smiled faintly and said, "Your strength is not bad, your speed is quite fast, and your accuracy is alright.

However, I'm afraid it's not enough for you to defeat me with this little strength." As he spoke, Yang Luo's right arm suddenly shook!

Clang!

Clang!

Queen of the Sea immediately felt an earth-shattering force sweep over, and her body was sent flying dozens of meters away!

After being sent flying dozens of meters away!

Her feet slid a few meters on the sea before she could stabilize herself!

However, the Queen of the Sea quickly stabilized her body.

She stomped her feet and seemed to have transformed into an arrow that shot towards Yang Luo!

On the way to Yang Luo once again!

Her aura soared again, and a purple beam of light surged from her body!

She suddenly waved the spear in her hand!

Whoosh!

Whoosh!

The sea surged as thousands of huge waves soared into the sky and crushed towards Yang Luo like a landslide and tsunami!

However, the tens of thousands of waves had not had the chance to approach!

Yang Luo's body shook!

Waves of violent golden True Qi surged out of his body and washed towards the huge waves that were crushing over!

Boom!

Boom!

Boom!

The huge waves that crushed over were instantly crushed, turning into water droplets that filled the sky and splashed away!

However, just as the huge waves were destroyed!

Queen of the Sea had already approached and swept her spear at Yang Luo's chest!

This shot was fast and fierce.

Ordinary people would not be able to react at all!

However, Yang Luo quickly reacted and condensed a huge golden True Qi barrier!

Clang!

The spear struck the True Qi barrier heavily, emitting a loud bang!

The golden True Qi and purple energy intertwined and spread in all directions like a flood!

Queen of the Sea's strike was already quite terrifying, but it was still easily blocked by Yang Luo!

"This!" The expression of Queen of the Sea changed drastically, her eyes filled with disbelief.

Yang Luo didn't say anything else and just tapped with his foot.

Dong!

The condensed True Qi barrier erupted with a bang, washing towards the Queen of the Sea like a surging river!

Seeing this, Queen of the Sea was shocked.

She hurriedly raised her spear and condensed an energy shield to block!

With a muffled bang, the Queen of the Sea was sent flying again like a sandbag!

Everyone present was shocked when they saw this!

“Oh my god, all the Queen’s attacks actually have no effect on this kid.

Instead, she was sent flying by this kid time and time again?!” “Isn’t that so?

From the beginning of the battle until now, the Queen has been the one attacking.

This kid has been standing in place and hasn’t moved at all!” “As expected of a supernova who can advance from the lowest C-rank to the SS-rank at the fastest speed.

This strength is simply terrifying!” “The difference in strength between our Queen and this kid is too great.

This kid has completely crushed our Queen!” The people brought by the Queen of the Sea exclaimed and looked at Yang Luo with reverence.

Therefore, even though Yang Luo had not made a move, everyone could already sense his powerful strength.

Sea Burial King sighed in admiration.

“It’s been a while since we last met.

Brother Yang seems to have become stronger!” King of Destruction said, “Brother Yang’s current strength is simply terrifyingly powerful.

“You might not know, but not long ago, even if we didn’t help, Brother Yang could still destroy more than 100,000 people sent by the 12 countries.” Heavenly Sirius pursed his lips and said, “Although this kid is an inhumane person that only favors the opposite sex, I have to say that he’s indeed strong enough.

I'm afraid it won't be long before this kid can compare to experts on the Divine Ranking like the Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor." Goddess of Fate did not speak.

She only stared at Yang Luo intently, her eyes filled with tenderness.

Yang Luo was the man she liked.

How could the man she liked be bad?

Sea Burial King shouted at the Sea Queen, "Eudora, you saw it too.

You're not Brother Yang's match at all!

"Stop fighting.

Let's sit down and have a good gathering.

Isn't it good to have a drink?" "Rokelev, shut up!" Queen of the Sea shouted coldly, "The battle hasn't ended yet.

I won't admit defeat so easily!" Sea Burial King sighed and shook his head.

He knew this woman's temper very well.

If there was no victor, it was impossible for her to stop fighting.

But right after he finished his sentence Queen of the Sea's figure flashed and transformed into a stream of light again, charging towards Yang Luo!

In the next ten minutes!

Queen of the Sea continued to attack, her attacks becoming more and more ferocious!

However, Yang Luo only stood on the spot without moving, but he blocked all the attacks of the Queen of the Sea!

After attacking for more than a hundred times!

Sea Queen was sent flying dozens of meters away once again!

She stabilized herself, feeling very embarrassed!

She said angrily, "Kid, what's the point of defending all the time?

Don't you know how to make a move?

If you don't make a move, how can we determine the winner?" "Alright." Yang Luo stretched his muscles and said, "Then I'll make my move.

Queen of the Sea, you have to be careful" Before their voices could fade Yang Luo took a step forward and instantly disappeared on the spot!

It was extremely fast!

Most of the people present could not see Yang Luo's moving figure.

They could only see a golden light streak across the sky!

Queen of the Sea was also shocked.

Even she could only see an afterimage!

Just as she was in a daze!

Swoosh!

A golden sword shook the void and stabbed over with a vast sword qi!

The expression of Queen of the Sea changed drastically.

She subconsciously waved the spear in her hand and faced the attack!

Clang!

The collision of the sword and spear was like a thunderclap!

“Argh!” Queen of the Sea let out a muffled groan and was sent flying again!

Moreover, it was only one strike!

But the skin on her hands and arms had already been shattered and blood was flowing!

Even though she had condensed an energy shield to block it, she still could not withstand the terrifying sword qi.

Her shield was directly broken, and her body was cut open!

Just as the Queen of the Sea was sent flying!

Yang Luo's figure flashed again, turning into a golden bolt of lightning as he chased after her!

"Brother Yang, please show mercy!" Sea Burial King reminded in shock.

Before Queen of the Sea could stabilize herself, Yang Luo had already caught up!

Yang Luo raised the Dragon Emperor Sword high and slashed at Queen of the Sea!

Queen of the Sea was terrified and hurriedly raised her spear to block!

Tang!

This sword ruthlessly struck the spear, emitting a metallic sound!

Queen of the Sea originally thought that she could block this sword!

However, this strike was too heavy.

It was as if a mountain was pressing down on her, making her unable to resist!

Then, everyone only heard a loud bang!

Queen of the Sea's body smashed into the sea, causing a huge splash!

Yang Luo retracted his sword and said, "Queen of the sea, admit defeat.

You" Before he could finish speaking "Sea God's Dance!" A loud and clear shout came from the sea!

The next second!

Whoosh!

Whoosh!

The sea began to surge violently, as if it wanted to turn the sky and sea upside down!

Yang Luo was slightly shocked and stomped his feet!

Like a wild dragon, he soared into the sky and jumped dozens of meters into the sky!

However, just as he jumped into the sky!

A huge spiral wave that was as huge as a building soared into the sky!

Queen of the Sea was in the huge wave and also rushed into the sky!

This scene was very spectacular and shocked everyone present!
