Chapter 1421: Someone from the Immortal Sword Sect!

“Oh my god, this ancient bronze ship can actually fly in the sky?!” “This ancient bronze ship is definitely an extraordinary flying magical artifact!” “Who are these five old men?”

They look very extraordinary!” Everyone present exclaimed.

Soon, the ancient bronze ship arrived above the square and stopped.

At this moment, everyone finally saw the faces of the five old men clearly.

The five elders raised their heads slightly with disdain in their eyes, looking high and mighty.

However, the aura they emitted was very extraordinary, making everyone present feel a powerful pressure.

Qi Yutang cupped his hands and said, “Everyone, are you here to participate in the opening ceremony of my Heavenly Luo Sect?” “The opening ceremony?” A gray-robed old man sneered and said, “Do you think a lowly martial arts sect like yours is qualified to let us participate in the opening ceremony?”

Do you think you’re worthy?” A green-robed old man sneered and said, “A trash martial arts sect opening is quite lively.

There are actually so many people coming to support it.

It’s really the biggest joke in the world!” “Martial arts sects are also sects.

They have to show off, right?” A black-robed old man also sneered.

Hearing this Everyone's expressions darkened.

Xiang Kunlun frowned and asked, "Who are you?"

"Why are you here?" The gray-robed old man flicked his sleeve and said proudly, "Who are we?"

"Then you have to listen carefully, lest you scare your guts out!"

"We are from the Penglai Immortal Island's Immortal Sword Sect!"

"I am the elder of the Immortal Sword Sect, Shen Yuanhui!" "I'm the elder of the Immortal Sword Sect, Lu Qingcang!" "I'm Immortal Sword Sect's elder, Sun Lingtian!" "I'm Immortal Sword Sect's elder, Zhao Wuhen!" "I'm the elder of the Immortal Sword Sect, Feng Qinghe!" The other four elders also spoke proudly, looking high up in the air.

Hearing the five elders' self-introductions, the event location immediately stirred.

"Immortal Sword Sect They're actually immortal sects from the Penglai Immortal Island?!" "Heavens, what are the people from the Immortal Sword Sect doing here?!" "What are they doing here?!" Many people present exclaimed, their faces filled with fear.

They had never expected that these five old men were actually from the immortal sects on the Penglai Immortal Island!

This was especially true for the people from the various sects who had participated in the Battle of Peng City.

They frowned as if they were facing a great enemy!

More than a month ago, they had interacted with the Penglai Immortal Island's Heaven Amplification Sect and Purple Cloud Sect during the Roc City battle!

The elders of the two immortal sects were all incomparably powerful and severely injured them!

The Sect Master of Emei Sect, Xiao Ruoshui, could not help but clench his fists.

She naturally knew about the Immortal Sword Sect.

Back in Emei, Yang Luo killed a few Protectors of the Immortal Sword Sect and severely injured the son of the Immortal Sword Sect's Sect Master, Bai Wuchen.

He even injured Elder Weng Bufan and became enemies with the Immortal Sword Sect.

The people from the Immortal Sword Sect were probably here to find trouble with Yang Luo.

As they saw the panicked expressions on everyone's faces Shen Yuanhui and the others looked smug.

This was the right reaction.

How could a Martial Warrior not be afraid of cultivators?

Shen Yuanhui said loudly, "This Heavenly Luo Sect should be a sect established by Yang Luo, right?"

Hurry up and get that kid to come out!" Qi Yutang asked coldly, "What exactly do you want?" Shen Yuanhui said coldly, "According to our investigation, the Myriad Swords Gate that we supported in the secular world was destroyed by Yang Luo!

Also, many years ago, the son of the sect master of the Immortal Sword Sect was engaged to the daughter of the sect master of Emei Sect!

However, that kid not only destroyed this engagement and severely injured our sect master's son and Elder Weng.

He even killed our Immortal Sword Sect's Protector!

We have to settle this score with this kid today!" Hearing Shen Yuanhui's words, Only then did everyone present understand what was going on.

"So these five old fellows are here to find trouble with Mr.

Yang!" "Now that Mr.

Yang is not around, what should we do?" Everyone panicked and did not know what to do.

At this moment.

Xiao Ruoshui stood up and said loudly, "I'm the Sect Master of Emei, Xiao Ruoshui!

My daughter, Xiao Ziyun, is already together with Yang Luo.

Let's forget about the marriage back then!

Your Immortal Sword Sect is huge.

Our Emei Sect can't match up to you!" "Insolent!" Shen Yuanhui shouted coldly, "Who do you think you are?"

You think you can just let it go just like that?

Our Immortal Sword Sect is marrying you guys because we think highly of you!

Even if you want to break off the engagement, it's up to our Immortal Sword Sect!" Lu Qingcang said impatiently, "Brother Shen, don't waste your breath on them!"

Since these guys were on good terms with Yang Luo, we should just kill them all!

After that, we'll kill Yang Luo and bring Xiao Ziyun back to Young Master!" "Alright, let's do that!" Shen Yuanhui nodded and raised his hand, "Everyone, let's make a move!" They were elders of the Immortal Sect.

In their eyes, the martial artists of the secular world were like ants that could be killed if they wanted to.

"How dare you!" Lin Aocang took a step forward and said angrily, "I have a good relationship with the Kunlun Ruins' Supreme Sect!"

If you dare to attack, I will definitely inform the Supreme Sect about this!" "Supreme Sect?" Shen Yuanhui narrowed his eyes and said mockingly, "Old man, I'm afraid you still don't know, right?"

Not long ago, the Supreme Sect had a huge battle with the Heaven Amplification Sect and Purple Cloud Sect, resulting in many casualties!

Now that the Supreme Sect can't even protect themselves, do you think they can still care about you?" "This!" When Lin Aocang heard this, his expression changed drastically.

Xiang Kunlun and Xu Ying's hearts sank.

The Supreme Sect really went to war with the Heaven Amplification Sect and Purple Cloud Sect!

Moreover, there were many casualties!

She wondered how Mo Qingkuang was doing now!

“If you dare to attack, the Yi family of the Kunlun Ruins will definitely not let you off!” Yi Jiuzhou took a step forward and took out a black and blue jade talisman.

He looked coldly at Shen Yuanhui and the others.

“The Yi family of the Kunlun Ruins?” Shen Yuanhui and the others were stunned at first, but when they saw the jade talisman in Yi Jiuzhou’s hand, they couldn’t help but frown.

They did not expect that there would be people from the Yi family of the Kunlun Ruins present.

The Yi family was a large family in the Kunlun Ruins.

Unless it was absolutely necessary, they did not want to offend them as well.

Shen Yuanhui stared at Yi Jiuzhou and said, “The Yi family of the Kunlun Ruins is quite famous!

However, this is a grudge between our Immortal Sword Sect and Yang Luo.

Can your Yi family interfere?

I advise you to get lost quickly and mind your own business!” Yi Jiuzhou was not afraid at all.

He said in a loud voice, “I’ll definitely interfere in today’s matter!” “You have a death wish!” Shen Yuanhui immediately flew into a rage and erupted with a terrifying pressure and aura!

Everyone present immediately felt as if Mount Tai was pressing down on them.

Many people were trembling and could not stand steadily!

Yi Jiuzhou was still covered in cold sweat.

However, he still remained neither servile nor overbearing, "If you have the guts, try killing me!" "D*mn it!" Shen Yuanhui gritted his teeth.

Although he wanted to slap Yi Jiuzhou to death, he endured it.

This time, he was only here to kill Yang Luo and did not want to cause any other trouble.

He took a deep breath and said to the other four, "Leave this fellow alive.

Kill the others!" "Yes!" The other four elders replied in unison.

"You guys" Yi Jiuzhou was furious and anxious.

Most importantly, it was too late for him to ask the Yi family for help.

Although he had the Yi family's jade talisman, he had to go to the boundary of Kunlun Mountain to contact the Yi family.

He could not contact them here at all.

At this moment, Bujie took out the Dragon-Mark Buddhist Staff and said in a loud voice, "Brothers, who cares if they're from an immortal sect!

Since they dare to cause trouble here, I'll fight them to the death!" If you dare to find trouble with Brother Yang, you have to step over our corpses first!" Lin Wenxuan took out the Qilin Divine Spear.

Xiang Kunlun's aura erupted as he said loudly, "Everyone, prepare for battle!" "Yes!" Everyone who had combat strength stood up and prepared for battle.

Shen Yuanhui sneered and said, “You actually dare to fight against an immortal.

You’re quite bold!” As he spoke, he waved his hand!

A greenish-gray beam of light shot towards the people in the square like a long rainbow!

This beam of light contained traces of the power of heaven and earth, so the power it erupted with was extremely terrifying!

After all, his cultivation was at the early-stage Earth Immortal Realm, so he was a true Earth Immortal!

Chapter 1422: Battle Begins!

Xu Ying, Bujie, Prajna, Lin Wenxuan, Qi Yutang, and the others mobilized the True Qi in their bodies and counterattacked!

The sect masters, elders, and Protectors of the various sects also attacked one after another to help Xu Ying and the others!

After all, those who could come here to support him were all on good terms with Yang Luo!

Now that the Heavenly Luo Sect was in trouble, they naturally had to help!

The attacks interweaved and turned into beams of light that attacked!

In an instant!

Boom!

Boom!

Rumble!

Layers of attacks collided in the air, and the sound of collision and explosions resounded at the same time!

All kinds of True Qi and light intertwined and surged in all directions like a flood!

The martial artists with insufficient cultivation and strength in the square were sent flying!

Xiang Kunlun and the other stronger martial artists were also forced back a few steps, but they quickly stabilized their bodies!

At this moment!

The mountain-protecting formation was instantly activated, opening up a huge golden light barrier that enveloped all the mountains!

Boom, boom, boom Energy crazily washed over the mountain-protecting array, erupting with muffled sounds of collision!

However, the defensive power of the mountain-protecting array set up by Yang Luo was very strong.

It actually withstood the waves of energy!

“Eh” Shen Yuanhui narrowed his eyes and said, “I didn’t expect such a small martial arts sect to set up such a high-grade mountain-protecting formation.

Interesting.” Lu Qingcang said disdainfully, “Although this Mountain-guarding Formation is very high-grade, it’s not set up by an immortal after all.

It can't last long!" Sun Lingtian glanced at Xiang Kunlun and the others and narrowed his eyes, "Brother Shen, these guys are quite capable.

They can actually withstand your attack!" "So what if you can block one attack?" Shen Yuanhui had a look of disdain on his face, "These ants are just putting up a meaningless resistance!

Death is their final destination!" Just as Shen Yuanhui and the others were talking!

Xiang Kunlun and the others attacked together!

"Great Desolate Heaven Burning Fist!" Xiang Kunlun clenched his right fist and punched out!

A huge fist burning with black and golden flames blasted towards the ancient bronze ship not far away!

A huge flaming Kun Peng also charged forward!

Now, Xiang Kunlun's cultivation had already stepped into the middle-stage Martial Saint Realm!

Therefore, the combat strength he erupted with was also quite powerful!

"Diamond Suppression Staff!" "Buddhist Lion's Roar!" Bujie suddenly swung the Dragon-Mark Buddhist Staff in his hand, sweeping out a large golden Buddhist light and letting out a roar!

Like a lion roaring, golden sound waves spread out and headed straight for the ancient bronze ship!

"Shadowless Tyrannical Saber Art!" "Thousand Layered Waves!" Xu Ying brandished the Dragon Sparrow Saber in his hand and slashed out furiously!

Waves of powerful saber qi seemed to have turned into huge waves that surged towards the ancient bronze ship!

“Void Battle Spear!” “Spear Shadow Chaos!” Lin Wenxuan gripped the Qilin Divine Spear tightly with both hands and swept it out!

The spear qi surged out like a flood!

Black holes appeared in the surrounding space as countless black spears shot out!

Illusions of black qilins rushed out one after another!

“Sun Moon Divine Staff!” “Ice and Fire Soaring Heavens!” Prajna held the Sun and Moon Divine Staff and swept out with all his might!

A river of ice and a river of flames rushed out at the same time!

It was also when they attacked Xiang Kunlun and the others!

Qi Yutang, Li Wushuang, Wang Mufeng, and the others, as well as the sect masters, elders, and Protectors of the various sects, also launched fierce attacks!

Because the other party was an Earthly Immortal Realm expert, everyone did not hold back and directly used their full combat strength!

“Petty tricks!” Shen Yuanhui shouted coldly and waved his sleeve!

“Green Death Sword!” Whoosh!

Accompanied by a series of crisp sword cries!

A greenish-gray sword flew out of the storage bag in his sleeve!

He then held the Green Death Sword and swung it!

Swoosh!

A huge greenish-gray sword erupted with a terrifying sword intent and terrifying sword power as it slashed down heavily!

Rumble!

The heavy attacks from Xiang Kunlun were destroyed by a single sword strike.

Vast True Qi and light erupted and spread out wantonly!

“Ahhhh” Accompanied by screams Many sect masters, elders, and Protectors could not withstand it at all and were sent flying dozens of meters away!

They spat out blood and their bodies were cut open!

Xiang Kunlun, Bujie, and the others were also sent flying and were injured!

Although they had all experienced the Battle of Peng City more than a month ago and everyone’s cultivation and strength had increased!

However, it was still difficult for them to cross the hurdle of the Earth Immortal Realm, so the battle was still very tough for them!

“You can still withstand it?” Shock appeared in Shen Yuanhui’s eyes.

Then, he chuckled and said, "I want to see how long you can last!" Just as he was about to continue swinging his sword!

"Atmospheric Crushing!" "Heaven and Earth Shattering!" A series of thunderous roars sounded!

King of Destruction raised his hands and pressed down in the air!

At that very moment The invisible atmosphere in the sky gathered crazily and crushed towards the five people on the ancient bronze ship!

Terrifying shock waves swept towards the five of them from all directions!

"Demon Wolf Devours the Heavens!" Heavenly Sirius shuddered as a black-red beam of light surged from its body!

In the blink of an eye!

An illusion of a huge black and red demon wolf condensed and crazily crashed into the ancient bronze ship!

"Judgement of Light!" Meanwhile, Goddess of Fate waved her hand!

Densely packed white rays of light shot towards Shen Yuanhui's group of five like laser beams!

"Crimson Shackles!" Dark Baron waved his hand.

Crink crink crink!

Blood-colored chains as thick as thighs whistled out, carrying waves of decaying and dark power as they charged towards Shen Yuanhui and the other three!

“Doomsday Torrent!” King of Titans stomped down!

Waves of dark energy erupted from his body, turning into a black sea that surged towards the five of them!

“Ten Thousand Beasts Rush!” King of Savage Beasts waved the bone club in his hand!

Thousands of beast illusions condensed into form and pounced forward with bared fangs and brandished claws!

“Magma Volcano!” The Lava Tyrant also took a step forward!

Boom!

Boom!

Boom!

Deep red lava waves surged up from below and washed towards Shen Yuanhui and the others!

Seeing the attacks from King of Destruction and the others!

Many people present were very shocked!

“Who are these foreigners?”

They don’t seem to be weak!” “Could these foreigners be Mr.

Yang's friends too?" Everyone exclaimed.

Meanwhile, Shen Yuanhui immediately reacted and his entire body trembled!

A huge greenish-gray True Qi barrier condensed and enveloped the entire ancient bronze ship!

Boom!

Boom!

Boom!

Layers of attacks struck the True Qi barrier, erupting with muffled booms!

The entire ancient boat trembled!

"The abilities of these guys are a little strange.

They're neither martial techniques nor immortal techniques.

What abilities are they?" Sun Lingtian asked in confusion.

"Who cares what ability it is?

Just break it!" Lu Qingcang said disdainfully and waved his sleeve!

"Wind Lightning Sword!" Whoosh!

A purple-black sword flew out and was grabbed by him!

Lu Qingcang then held the Wind Lightning Sword tightly and slashed out!

Swoosh!

With a swing of his sword, the sword intent was vast and mighty, shaking the world!

Countless purple-black flying swords carried the power of wind and lightning and shot out in all directions with him as the center!

Rumble!

The attacks of King of Destruction and the others were all destroyed.

It was difficult for them to resist!

After all, Lu Qingcang was also a real Earth Immortal and his cultivation was at the early stage of the Earth Immortal Realm!

Among the five old men Shen Yuanhui and Lu Qingcang were both Earth Immortal Realm experts!

Meanwhile, the other three old men were Dao Convergence Realm experts!

After these flying swords destroyed the attacks of the King of Destruction and the others, they seemed to have turned into a sea of swords and shot towards the King of Destruction and the others!

“Counterattack!” King of Destruction roared and unleashed the Atmospheric Superpower and Violent Tremor Superpower in his body once again, punching out!

Heavenly Sirius, Goddess of Fate, Dark Baron, King of Titans, King of Savage Beasts, and Lava Tyrant also counterattacked, unleashing a series of heavy attacks!

Boom!

Boom!

Layers of attacks collided in the air, and the commotion shook the heavens!

However, no matter how strong the attacks of King of Destruction and the others were, they could not withstand the power of Lu Qingcang and were all destroyed!

Chapter 1423: Return of the Treading Ape!

“Hurry up and help!” Xiang Kunlun shouted in shock and charged forward, launching a fierce attack!

Xu Ying, Bujie, and the rest followed closely behind and launched their strongest counterattack at the same time!

Rumble!

Explosions that shook the world sounded one after another!

A large amount of light and energy surged out like a surging river!

Although the flying swords that shot over were all destroyed!

However, the attacks launched at Xiang Kunlun and the others were also destroyed!

“Ahhhh” A series of painful screams sounded one after another!

Many people were sent flying and fell far away.

They were also severely injured!

Xiang Kunlun and the others were injured again and blood flowed from the corners of their mouths!

After a few exchanges!

Half of the people in the square had already lost their combat strength because of their heavy injuries!

However, Shen Yuanhui and the other three people standing on the ancient bronze ship were unscathed!

“How hateful!

We’re still not a match for an Earth Immortal!” “Our cultivation and strength are still not enough!”
“Could it be that the tragic scene of the Battle of Peng City is going to happen again?!” Li Daochen and the others cried out in grief.

They were furious and indignant.

Earth Immortal, Earth Immortal!

In the end, it was difficult for them to cross this hurdle!

“Strange, these guys can’t hold on anymore.

Why hasn’t Yang Luo appeared yet?” Shen Yuanhui frowned and asked.

After all, their main target for coming out of the Penglai Immortal Island this time was Yang Luo.

If he could not kill Yang Luo, what was the use of killing these guys?

Lu Qingcang said in a low voice, "Brother Shen, although these guys are very weak now, many of them are quite talented!

If they are allowed to grow, they would definitely cause trouble for our Immortal Sword Sect in the future!

Therefore, we'll kill these guys first before looking for Yang Luo!

Even if this kid escapes to the ends of the world, we can find him!

Of course, this bullsh*t Heavenly Luo Sect will also be destroyed.

I'm not happy to see it exist!" "Alright, let's do it!" Shen Yuanhui nodded.

Then, Shen Yuanhui and Lu Qingcang mobilized the True Qi in their bodies at the same time and swung their swords at everyone in the square!

Swish!

Swish!

Two thousand feet long greenish-gray and purple-black swords pressed down on the square at the same time!

Two sword intents and sword might erupted at the same time, and traces of the power of heaven and earth were mobilized!

Countless greenish-gray and purple-black flying swords condensed and shot out like a sword flood!

“Counterattack!!!” Xiang Kunlun roared angrily and released all the True Qi in his body to counterattack!

The remaining 5,000 plus people also erupted with all their True Qi and counterattacked crazily!

In an instant!

Boom!

Boom!

More than 5,000 attacks collided with the two huge swords.

The flying swords still shot out and shook the nine heavens and the ground!

However, it was the combined attack of Shen Yuanhui and Lu Qingcang!

No matter how many people Xiang Kunlun and the others had, it was difficult to defend against them!

Their attacks were continuously destroyed, and there were loud explosions!

Many people were sent flying one after another and fell to the ground in the distance!

“Damn it!

Alliance Chief Xiang, we can't hold on anymore, what now?!” A sect master gritted his teeth and asked.

“We have to endure it even if we can’t!

We can’t just watch and wait for death!” Xiang Kunlun replied fiercely.

Unfortunately, even if everyone worked together, it was still difficult to resist!

Their offensive attacks were about to be completely destroyed!

More and more people were sent flying as a result as well!

“Hahaha” Shen Yuanhui threw his head back and laughed wildly.

He said arrogantly, “You want to compete with us immortals?

You really overestimate yourself!” Lu Qincang also sneered, “Don’t resist fearlessly.

You can’t beat us!” Sun Lingtian smiled and said, “Looks like we can leave it to Brother Shen and Brother Lu.

There’s no need for us to do anything.” Zhao Wuhen shook his head and said, “I thought there would be experts in the secular world.

I’m really disappointed.” “I guess that kid called Yang Luo isn’t much either.

The five of us really think too highly of that kid this time.” Feng Qinghe also shook his head.

However, just as all the attacks launched at Xiang Kunlun and the others were destroyed!

A thunderous roar came from afar!

“Who dares to cause trouble in my Heavenly Luo Sect!” Accompanied by this furious roar!

Whoosh!

Whoosh!

Whoosh!

Whoosh!

Countless golden flying swords shot over from afar!

“Roar, roar, roar!” A vast and loud dragon roar sounded!

Nine incomparably huge golden dragon phantoms roared from afar!

There were also nine energy rainbows that contained the nine attributes of metal, wood, water, fire, earth, wind, lightning, ice, and darkness!

In an instant!

Rumble!

Countless golden flying swords, nine huge golden dragon phantoms, and nine energy rainbows collided with the attacks of Shen Yuanhui and Lu Qingcang, causing thunderous explosions!

All kinds of energy and light rushed into the sky and rippled in all directions!

“Who is it?!” “How dare you stop me from killing some ants?”

Are you courting death?!” Shen Yuanhui and Lu Qingcang were furious.

They turned to look into the distance at the same time.

The others in the square also turned to look.

The moment they looked into the distance!

Everyone present was stunned!

A white ape more than 20 meters tall and as tall as a mountain rushed towards the main peak like a huge mountain!

On the shoulder of the white ape stood a figure holding a long sword!

The white ape ran wildly through the mountains, scaring the Luo Tian Sect disciples who were rushing towards the main peak to quickly make way!

On the square of the main peak.

Everyone was dumbfounded!

Even Shen Yuanhui and the other three people on the ancient bronze ship were dumbfounded!

“Oh my god, what monster is this?”

Is it an ape?

Isn't it too big?!" "Hey, who's standing on that white ape's shoulder?

Why does it look like Mr.

Yang?!" "It's Mr.

Yang.

It really seems to be Mr.

Yang!" "Mr.

Yang is back.

It's Mr.

Yang!" Everyone in the square was shocked and suspicious as they shouted.

That's right, it was Yang Luo and Big White who rushed over from afar!

At this moment.

When Big White approached the main peak, its thick pillar-like legs suddenly stomped!

In an instant The earth quaked and the mountains shook!

Big White's huge body soared into the sky and jumped onto the mountain path more than a hundred meters tall!

After that, Big White jumped a few more times, and each time, it could jump more than a hundred meters!

After jumping the ninth time!

Rumble!

Big White carried Yang Luo and landed steadily on the square of the main peak!

The entire square shook violently, and the surrounding halls shook!

]At this moment The entire venue fell silent!

Everyone looked at the white ape in front of them and Yang Luo on their shoulders in a daze.

They were stunned, dumbfounded, and shocked!

After all, the visual impact of seeing this white ape from such a close distance would be even greater, making everyone unable to recover for a long time!

After a moment of silence “F*ck!

Brother Yang has returned on an ape.

He’s so handsome!” Bujie shouted excitedly.

“Big White, why have you grown up?!

Didn't you only need to be more than ten meters tall previously?!" Prajna asked excitedly.

"Big White, long time no see!" Xu Ying waved back and smiled.

Only then did they understand that Yang Luo had gone to pick up Big White.

"Brother Yang, is the mysterious friend you mentioned this white ape?" King of Destruction asked blankly.

"That's right!" Yang Luo nodded in response.

"That's not right.

Brother Yang, how did you come here with this silly thing?" Bujie asked curiously.

Yang Luo replied, "Of course I ran back through the mountain paths!" Bujie was instantly dumbfounded, "What the heck, the Witch God Sect is thousands of kilometers away from here, and this big silly carried you back just like that?!" "Yes, is there a problem?" Yang Luo nodded in response.

Bujie asked curiously, "No, can't you put this big silly in your storage ring and bring it back?" "It's not gonna work." Yang Luo shook his head and said, "Firstly, the space in my storage ring is limited.

Secondly, the storage ring can only hold dead things now, not living things.

Perhaps after I become a true immortal, I can use my Artifact Refining to forge a storage ring and open up a world in it.

Then I can let Big White in.

However, I can't do it with my current ability." "I see." Bujie nodded in realization.

Chapter 1424: Fighting an Earth Immortal!

"You're Yang Luo?" At this moment, Shen Yuanhui recovered from his shock and asked in a shocked voice.

Yang Luo turned to look at Shen Yuanhui and said coldly, "I'm Yang Luo.

Who are you?" Xiang Kunlun said, "Brother Yang, these five old fellows are from the Immortal Sword Sect of the Penglai Immortal Island.

Their names are Shen Yuanhui, Lu Qingcang, Sun Lingtian, Zhao Wuhen, and Feng Qinghe!

"They said that they have a grudge against you and want to kill you!" "Immortal Sword Sect" Yang Luo narrowed his eyes and said, "Are you here to stand up for that trash called Bai Wuchen?" Slowly, he recalled his memories.

Back then, when the people from the Immortal Sword Sect went to Emei to propose marriage, he ruined their plans and even killed a few Protectors, injuring Bai Wuchen and Weng Bufan.

At that time, if Xiao Ruoshui had not stopped him, he would have killed Bai Wuchen and Weng Bufan long ago.

Moreover, he also knew that the Myriad Swords Gate that he had destroyed previously was a sect supported by the Immortal Sword Sect.

He had also expected the Immortal Sword Sect to take revenge on him.

However, he did not expect these guys to choose today to take revenge.

However, since these guys had come knocking on his door, he naturally could not let them off!

Yang Luo was endlessly angry at the Penglai Immortal Island and these immortal sects!

They acted as though they were high up in the air.

They looked down on everything and treated the people of the secular world as ants!

They all deserved to die!

“Insolent!” Shen Yuanhui roared, “Kid, who do you think you are?”

How dare you scold our Third Young Master!” “That’s strange.

Didn’t Brother Weng say that this kid is only at the mid-stage Dao Convergence realm?!”

Why has this kid stepped into the perfected Dao Convergence realm?!” Lu Qincang sensed it and exclaimed.

“What?!”

Perfected Dao Convergence?!” “How is this possible?!”

It’s only been a few months, but this kid has already advanced from the middle-stage Dao Convergence realm to the perfected Dao Convergence realm?!” “Even the geniuses of our Penglai Immortal Island probably don’t have such high talent, right?!” Sun Lingtian, Zhao Wuhen, and Feng Qinghe cried out in shock and confusion.

After all, even the three of them were only at the perfected Dao Convergence realm, late-stage Dao Convergence realm, and mid-stage Dao Convergence realm.

Furthermore, it took them several years to reach the Dao Convergence Realm.

Fortunately, Shen Yuanhui and Lu Qingcang were also here this time.

Otherwise, it would really be difficult for the three of them to kill this kid alone.

Yang Luo said in a deep voice, "What do you mean by impossible?"

If you can't advance two realms in a row in a few months, it can only be said that you're all trash!

But that doesn't mean that everyone else is as useless as you!" "Bastard!" "Arrogant brat!" "How dare you call us trash?"

You're courting death!" Sun Lingtian, Zhao Wuhen, and Feng Qinghe were instantly enraged.

The three of them trembled, and three beams of light shot into the sky from their bodies, scattering a large sea of clouds in the sky!

Then, the three of them waved their sleeves at the same time!

A black-blue sword, a golden-red sword, and a green-black sword flew out of their sleeves at the same time!

They gripped the swords in their hands tightly and slashed at Yang Luo at the same time!

Swoosh!

Swoosh!

Swoosh!

The three swords shot out at the same time, turning into three huge swords that slashed at Yang Luo!

Sword qi wreaked havoc and the sword might was vast and incomparably terrifying!

Shen Yuanhui and Lu Qingcang did not attack immediately.

They wanted to see how strong Yang Luo was.

Just as the three swords slashed over!

Yang Luo's body trembled, and a golden beam of light shot into the sky from his body, piercing through the sky!

An increasingly corporeal golden dragon phantom coiled around his body!

"Annihilate!" Yang Luo let out a roar and swung his sword angrily!

Because of his anger, Yang Luo did not hold back at all.

He attacked with all his might!

Swoosh!

A huge golden sword slashed out heavily.

Sword qi that was almost about to transform into sword intent soared into the sky and surged in all directions!

The sword light illuminated the sky, and the sword power shook the world!

“Roar, roar, roar!” Nine huge golden dragon phantoms roared at the same time!

In an instant!

Clang!

Rumble!

A series of world-shaking collisions resounded and shook the surroundings!

In less than a few seconds Rumble!

The sword qi that erupted from the strike of Sun Lingtian and the other two was instantly destroyed!

All kinds of True Qi, sword qi, and light interweaved and charged in all directions!

“Ahhh” The three of them screamed at the same time and were sent flying with their swords!

Zhao Wuhen and Feng Qinghe spat out a mouthful of blood!

Blood flowed out of the corner of Sun Lingtian’s mouth!

The three of them were cut by the sword qi and blood splattered in the air!

“Oh my god, Mr.

Yang actually sent these three immortal cultivators flying with a single strike and injured them?!” “Is Mr.

Yang already so strong now?!" Everyone present was shocked.

Even Shen Yuanhui and Lu Qingcang were shocked!

It would be fine if Zhao Wuhen and Feng Qinghe were no match for Yang Luo!

However, Sun Lingtian's cultivation was similar to Yang Luo's, so why couldn't he defeat him?!

Most importantly, Sun Lingtian and the others had joined forces!

No, something was wrong!

Shen Yuanhui's face darkened, "This kid is probably about to break through to the Earth Immortal Realm!

Moreover, his combat strength has already surpassed his original cultivation!" "Hmph!" Lu Qincang snorted and said, "So what if he's about to break through to the Earth Immortal Realm?

In the end, he is not a true Earth Immortal, so he is not our match!

Watch me kill him!" As he spoke, Lu Qingcang soared into the sky from the ancient bronze ship and turned into a purple-black light that flashed towards Yang Luo!

"Big White, go deal with those three guys!" Yang Luo pointed at Sun Lingtian and the other two who were sent flying.

"Roar!" Big White responded.

"Fight!" Yang Luo shouted and stomped his feet!

Like an Azure Dragon, he leaped up from White's shoulder and turned into a golden stream of light that charged at Lu Qingcang!

He could sense that Lu Qingcang's aura was the same as Li Xiaotian and Cangyun Ting's.

They should be at the early Earth Immortal Realm!

And Shen Yuanhui was also at the early-stage Earth Immortal Realm!

Therefore, he wanted to see if he could fight an early-stage Earth Immortal expert with his current cultivation and strength!

Of course, he also had the confidence!

After all, on the way back to the Heavenly Luo Sect, his master, Zhang Zhilin, had called him and said that he would come with Master Xuanku to support him later!

Therefore, as long as he could hold on for a while and wait for his master and Master Xuanku to arrive, the crisis of the Heavenly Luo Sect would be resolved!

Just as Yang Luo and Lu Qingcang charged at each other!

"ROAR!" Big White let out a roar and swung its thick legs as it ran towards Sun Lingtian and the other two!

Dang, dang, dang!

Every step he took caused the ground to tremble violently, and the palace halls to shake.

It was incomparably terrifying!

“Don’t even think about it!” Shen Yuanhui’s expression changed, and he prepared to stop Big White!

“Everyone, attack!” Xiang Kunlun roared and attacked Shen Yuanhui!

Xu Ying, Bujie, and the others who were less injured started to attack!

“Seeking death!” Shen Yuanhui was furious.

He could only give up on stopping Big White and counterattack Xiang Kunlun and the others!

A bloody battle immediately erupted!

At this moment.

Yang Luo and Lu Qingcang had already closed the distance!

“Wind Lightning Sword Technique!” Lu Qingcang shouted and slashed at Yang Luo!

Sword intent surged, sword light shot in all directions, and sword power was vast and mighty!

Strong winds swept and lightning flashed as they attacked together!

“Emperor Dragon Sword Technique!” Yang Luo also roared and charged forward with his sword!

Swoosh!

A huge golden sword slashed upwards diagonally.

Sword qi surged and the sword might soared into the sky, shaking the void!

“Roar, roar, roar!” Another nine huge golden dragon phantoms roared out!

Clang!

Boom!

Boom!

The two swords collided in the air, and the sound of metal clashing resounded through the sky!

The nine golden dragon phantoms collided with the violent wind and lightning that swept over!

In a breath’s time!

Rumble!

A huge explosion instantly exploded in the sky above the square!

Under this huge explosion!

Yang Luo and Lu Qingcang were sent flying at the same time!

After Lu Qingcang flew more than 50 meters away, he stabilized his body and stood in the air!

Meanwhile, Yang Luo flew more than 80 meters away, flipped in the air, and landed steadily on the square!

After all, Yang Luo was not an Earth Immortal yet and could not fly!

The people who were fighting fiercely in the distance and those who were healing outside the square were shocked when they saw this scene!

“Oh my god, Mr.

Yang can actually fight an Earth Immortal now?!” “Back then, Mr.

Yang was helpless against an Earth Immortal.

Now, he actually has the strength to fight an Earth Immortal?!” “Unbelievable!

Unbelievable!” Exclamations rose and fell.

Chapter 1425: Explode with a Punch!

Everyone thought that Yang Luo would still be beaten up like in Peng City when he fought Lu Qingcang!

However, the scene before them made them extremely excited!

“Mr.

Yang is finally going to rise.

He’s finally going to rise!” “Isn’t that so?

Mr.

Yang can already fight an Earth Immortal when he's at the perfected Dao Convergence realm.

If Mr.

Yang becomes an Earth Immortal, he'll probably be even stronger!" "Mr.

Yang, don't let these so-called Earth Immortals be arrogant!" Many elders who had participated in the Battle of Peng City had tears in their eyes.

Only they knew how devastated and desperate they and Yang Luo was at that time.

Facing an Earth Immortal, they could only be crushed.

But now, Yang Luo could fight an Earth Immortal!

Yang Luo's rise gave them hope!

It also let them know that mortals could resist immortals!

"How is this possible?!" Although Lu Qingcang had the upper hand, he was not happy at all.

If an early-stage Earth Immortal Realm expert could compete with him, it would be fine.

However, the key was that this kid in front of him was not an Earth Immortal!

"How can you block my attack?!" Lu Qingcang roared again.

“Why not?” Yang Luo met Lu Qingcang’s gaze and said in a loud voice, “I’m only half a step away from becoming an Earth Immortal.

Is it very difficult for me to block your attack?” “D*mn it!” Lu Qingcang was furious and said in a crazed voice, “Aren’t you very good at blocking?

I want to see how you’re going to block this next!” With that, he waved his hand!

Strands of the power of heaven and earth, as well as the power of the seven attributes of metal, wood, water, fire, earth, wind, and lightning, were mobilized, turning into seven rainbows that shot towards Yang Luo!

“Old fellow, do you really think that you’re the only one who can control attribute power?” Yang Luo said coldly and waved his hand!

Crink crink crink!

The power of metal, wood, water, fire, earth, wind, lightning, ice, and darkness transformed into nine rainbows that shot out explosively!

In an instant!

Boom!

Boom!

Sixteen long arcs collided fiercely in the sky, and shocking sounds of collision erupted!

However, the impact lasted less than a few seconds!

Rumble!

Sixteen energy beams exploded at the same time, like hundreds of missiles exploding at the same time!

All kinds of energy and light intertwined, turning into a huge ball of energy that spread out and surged in all directions!

Under this huge explosion!

Lu Qingcang and Yang Luo were sent flying again!

Furthermore, both of them were bleeding from the explosion!

“Damn it!

Damn it!!!” Lu Qincang was even angrier.

He was actually injured by a Dao Convergence Realm brat!

This was simply a slap to his face!

“Young brat, I must kill you!” Lu Qingcang roared angrily and swung his sword!

Countless purple-black flying swords condensed and shot towards Yang Luo, as if it was raining heavily!

“Old man, it might be very difficult for me to kill you, but it won’t be so easy for you to kill me!” Yang Luo shouted and also swung his sword!

Countless golden flying swords condensed into a sea of swords and shot out!

Boom!

Boom!

Boom!

The flying swords that filled the sky collided in the sky and then exploded one after another!

Golden balls of light and purple-black balls of light exploded in the sky, dazzling everyone present!

Seeing that Yang Luo had blocked another move of his!

Lu Qincang was so angry that his chest heaved and his eyebrows twitched!

“Great Wind and Lightning Palm!” Lu Qincang roared and raised his left hand to slap!

Accompanied by a loud bang!

A huge purple-black palm crushed towards Yang Luo!

His palm contained the power of his origin attribute.

Frenzied winds and lightning erupted at the same time and attacked Yang Luo!

“Do you think you’re the only one who knows how to make hand seals?”

I can too!” Yang Luo shouted and raised his left hand to meet the attack!

“True Dragon Palm!” A huge golden palm tore through the void and crushed upwards like a golden Divine Monument!

“Roar, roar, roar!” Nine huge golden dragon phantoms roared from his palm and collided crazily!

Boom!

Boom!

Boom!

Boom!

The two huge handprints collided in the sky like two mountains colliding!

The nine golden dragon phantoms also collided with the tornadoes and lightning!

The sound of the collision shook the heavens and the earth!

His move was in the end still blocked by Yang Luo!

Furthermore, Yang Luo and Lu Qingcang were sent flying again!

The injuries on the two of them increased!

Although Yang Luo’s injuries were more serious than Lu Qingcang’s, it did not affect his combat strength!

“Ahhh!” After stabilizing his body, Lu Qincang went completely crazy!

His attacks were all blocked by this kid!

“D*mn it!” This kid was truly a blight!

Could it be that this kid could really compete with him?

But how was this possible?

Just as he was about to go crazy!

In a flash, Yang Luo turned into a golden bolt of lightning and charged at Lu Qincang!

After a few exchanges!

He also had a certain understanding of his current combat strength!

With his current cultivation and strength, he could indeed fight an early Earth Immortal Realm expert!

“Little bastard, you actually dare to take the initiative to attack?”

You have a death wish!” Lu Qincang roared and quickly formed a seal with his left hand!

“Five Elements Immortal Seal!” The Five-Elements Great Seal instantly condensed into form and smashed towards Yang Luo like five mountains!

Yang Luo continued to charge forward and quickly formed seals with his left hand!

“Battle Sage Seal!” The seven seals quickly condensed into form and flew out at the same time, crashing into the Five-Elements Great Seal!

Rumble!

The twelve seals collided heavily in the middle, and the sound of the collision made everyone’s eardrums hurt!

Rumble!

In less than a few breaths of time, the twelve seals exploded!

Yang Luo, on the other hand, knocked away the energy tide.

He borrowed the momentum, stomped on the ground and soared into the sky.

He then slashed out domineeringly!

“You overestimate yourself!” Lu Qingcang roared and swung his sword!

Clang!

The two swords collided, and the crisp sound of collision spread far away!

Under the collision of this sword!

Yang Luo and Lu Qingcang were sent flying again!

But soon, the two of them stabilized themselves and continued to attack each other!

The intense battle immediately continued!

In the square in the distance.

Xiang Kunlun and the others were also fighting Shen Yuanhui!

However, Shen Yuanhui was still an early Earth Immortal expert!

Even though Xiang Kunlun had the advantage in numbers, it was still difficult to resist!

After a few exchanges!

Many people were already sent flying and fell far away, losing their combat strength!

And right at this moment “Ah!

Ah!

Ah” Screams sounded from afar!

Under Big White’s heavy punch, the three of them from the Immortal Sword Sect were sent flying!

Rumble!

The three of them crashed into a hall and fell into the ruins!

Although Big White had suffered many injuries in the battle just now, fortunately, his skin was thick and he was very resistant to beatings!

“ROAR!” Big White clenched its fists and pounded its chest, roaring at the sky!

Then, its entire body trembled, and scarlet flames actually burned on its body!

It naturally knew that Sun Lingtian, Zhao Wuhen, and Feng Qinghe were very strong!

Therefore, it did not hold back and erupted with its strongest combat strength!

It stomped on the ground and its huge body crossed a hundred meters.

It punched with all its might at the three people in the ruins!

A huge scarlet flaming fist smashed down like a meteor towards the three of them!

This punch was too heavy, causing the void to tremble and distort!

“Quickly dodge!” Sun Lingtian was shocked.

He quickly got up and retreated into the distance!

Zhao Wuhen also got up and retreated with them!

However, Feng Qinghe was a step slower!

Just as he was about to retreat, Big White’s fist had already smashed down!

“You bastard, don’t even think about it!” Feng Qinghe roared and slashed out!

Clang!

The sword and fist collided with a shocking might!

However, in just one collision, the sword in Feng Qinghe's hand was shattered into pieces and shot outwards!

"What?!" Feng Qinghe was stunned.

Although the sword in his hand was not a divine weapon, it was not an ordinary sword.

It could even split mountains and shatter rocks.

Unexpectedly, this white ape shattered his sword with a single punch!

Big White's fist continued to smash down unabated!

Feng Qinghe crazily mobilized his True Qi and condensed a condensed and thick True Qi barrier defense!

Just as his True Qi barrier condensed, Big White's fist had already landed!

Peng!

The True Qi barrier was directly blown up by the punch, and his head was also blown up as well!

Chapter 1426: Big White Shows Its Might!

As for the flames that erupted from Big White's fist, they burned Feng Qinghe into a charred corpse!

“Brother Feng!” “You bastard, you deserve to die, you deserve to die!” In the distance, Sun Lingtian and Zhao Wuhen roared angrily.

They were furious!

“F*ck!

Big White, when did you become so powerful?!” Bujie, who was engaged in an intense battle in the distance, could not help but exclaim.

One had to know that when he first met Big White, although Big White was also very strong, it was not to this extent!

A Dao Convergence Realm expert was killed just like that!

“Good job, Big White.

You’re awesome!” Prajna shouted excitedly.

Meanwhile, Qi Yutang was heartbroken, “This white ape is indeed very strong, but its ability to cause damage is also very strong!

The palace that was painstakingly built was destroyed just like that!” Li Wushuang comforted him, “Old Qi, don’t be sad.

You can rebuild the hall if it’s destroyed!” “Oh my god, where did this white ape come from?

It’s actually so powerful?!” “Is this white ape a demon beast?

But it doesn’t look like an ordinary demon beast!” “As expected of the demon beast that Mr.

Yang subdued.

It's indeed terrifying!" The others cried out endlessly with shock as well, and they were extremely shocked.

"Kill!

Kill this beast!

Avenge Brother Feng!" Sun Lingtian roared and suddenly swung his sword!

Zhao Wuhen did not hesitate and swung his sword angrily!

Swish!

Swish!

The two huge swords tore through the sky and slashed fiercely at Great White!

On the other hand, Big White twisted its fist and faced the attack!

Rumble!

A huge red flaming fist collided with the two swords, shaking the world!

Sword Qi, True Qi, and flames intertwined and surged out like a flood!

In this confrontation!

Big White was forced back repeatedly by the impact, and wound were continuously cut open on its body!

Meanwhile, Sun Lingtian and Zhao Wuhen were sent flying!

Big White indeed had the strength to kill a mid-stage Dao Convergence expert!

However, it was still very difficult for it to kill Sun Lingtian, who was at the perfected Dao Convergence realm, and Zhao Wuhen, who was at the late Dao Convergence realm!

If not for its innate divine strength, majestic figure, and powerful physique, it would probably not be able to resist the two of them!

“ROAR!” Big White quickly stabilized its body, opened its bloody mouth, and spat out a wave of fire!

An enormous wave of fire whistled out and charged towards Sun Lingtian and Zhao Wuhen!

Sun Lingtian and Zhao Wuhen quickly stabilized their bodies and mobilized the power of the five elements in their bodies.

They attacked at the same time!

Ten rainbows shot out and collided with the fire wave!

Boom!

Boom!

Rumble!

The fire wave collided with the ten energy rainbows, and the collision and explosion exploded at the same time!

Big White was knocked back again!

“Continue attacking and kill this beast!” Sun Lingtian’s eyes were ruthless as he swung the sword in his hand!

Zhao Wuhen also swung the sword in his hand!

Whoosh!

Whoosh!

Whoosh!

Whoosh!

Countless flying swords shot towards Big White!

Seeing this, Big White clenched his fists and punched continuously!

Boom!

Boom!

Boom!

Most of the flying swords were shattered by it!

However, a small number of flying swords slashed its body!

Blood splattered in the air!

However, Big White didn't even make a sound!

"Damn it!

This beast is actually so difficult to kill!" Zhao Wuhen gritted his teeth in anger.

He had killed many demon beasts on the Penglai Immortal Island!

However, he had never seen such a difficult demon beast to kill!

He even suspected if this beast was a demon beast!

How could ordinary demon beasts be so powerful?

Sun Lingtian immediately said, "Set up a sword formation and kill it!" "Alright!" Zhao Wuhen nodded in response.

Then, the two of them continued to mobilize the True Qi in their bodies and swung their swords at the same time!

"Five Elements Sword Array!" "Seven Kills Sword Formation!" Countless flying swords shot out and quickly condensed and reformed around Big White, turning into two huge sword formations that trapped it!

After the dual sword formation condensed into form, it was directly activated!

Whoosh!

Whoosh!

Whoosh!

Whoosh!

Countless flying swords shot towards Big White from all directions!

The power of the five elements also transformed into rainbows that shot out!

There were even huge tablets formed by True Qi and sword qi that slashed forward!

“Roar!” Big White reared its head and roared, letting the flames in its body erupt to resist the attack!

Then, it directly collided violently with the sword formation!

Dang, dang, dang!

The sound of the collision resounded through the forest and shook the world!

After only a few collisions Cracks had already appeared on the double sword formation!

Sun Lingtian said ruthlessly, “This beast is too strong.

Don’t let it come out!” “Yes!” Zhao Wuhen responded.

The two of them continued to mobilize the True Qi in their bodies and injected it into the sword formation to strengthen it and increase its power!

More flying swords and the power of the five elements shot towards Big White!

More sword qi tablets crushed forward!

Under this violent attack!

More and more injuries appeared on Big White's body!

"ROAR!" It finally could not help but cry out in pain!

However, it still did not give up and continued to collide with the sword formation!

"Hurry up and help!" Bujie's expression changed as he left the battlefield and charged towards the sword formation!

Xu Ying, Prajna, Lin Wenxuan and the others left the battlefield as well and charged forward!

"Don't even think about it!" Shen Yuanhui shouted coldly and prepared to stop Bujie and the others.

But right at this moment A shout came from afar!

"Brother Shen, don't worry about those guys first.

Let's join forces to kill Yang Luo!" Shen Yuanhui's expression darkened.

With a wave of his sleeve, he turned into a stream of light and flew towards the battlefield where Lu Qincang was after sending Xiang Kunlun and the others flying!

Xiang Kunlun stabilized his body and said loudly, "Hurry up and save that white ape.

Kill those two old fellows before helping Brother Yang!" "Alright!" The others nodded in response.

They also knew that with their cultivation and strength, it was very difficult for them to resist an Earth Immortal!

Therefore, they could only choose to kill Sun Lingtian and Zhao Wuhen first!

After killing these two guys, it would be easier to deal with Shen Yuanhui and Lu Qincang!

Xiang Kunlun and the others rushed towards the battlefield where Big White was and attacked the sword formation!

With the help of Xiang Kunlun and the others, the dual sword formation was finally destroyed!

On the other hand, Big White rushed out from within and charged towards Sun Lingtian and Zhao Wuhen without any hesitation!

"Attack together!" Xiang Kunlun waved his hand and led everyone to attack Sun Lingtian and Zhao Wuhen!

Seeing so many people charging over!

Sun Lingtian, Zhao Wuhen, and the others could not help but panic!

It was already not easy for the two of them to deal with Big White together!

Now, there were so many helpers added!

Sun Lingtian said angrily, "You guys want to help this beast, right?"

Then all of you can die!" As he spoke, he continued to wave the sword in his hand and launched an ultimate attack!

Zhao Wuhen did not stop at all and launched a fierce attack as well!

Seeing that the two of them had used their strongest moves Xiang Kunlun, Xu Ying, Bujie, Prajna, Lin Wenxuan, and the others counterattacked!

Boom!

Boom!

Layers of attacks collided in the sky.

It was earth-shattering and majestic!

Xiang Kunlun and the others forcefully withstood the attacks of Sun Lingtian and Zhao Wuhen!

However, it was still a little difficult to kill them!

At this moment, Big White did not hesitate at all.

It raised its thick arms and crazily mobilized the flames in its body to gather on its palms!

A scarlet red fireball with a diameter of more than a hundred meters condensed into form, as if it was holding a huge fire meteor, causing one's heart to palpitate!

"F*ck!

Big White, is this a move you created yourself?

It's so terrifying?!" "It's actually very similar to Brother Yang's 'Sky Burning Explosion'.

Interesting!" Bujie and Xu Ying gasped out in surprise.

The others were extremely surprised as well.

Under everyone's shocked gazes!

Big White suddenly swung its arms and threw the fireball away!

Puff!

A huge fireball flew out and ruthlessly collided with the attacks of Sun Lingtian and Zhao Wuhen!

Rumble!

A world-shaking explosion resounded through the world!

"Uhhh" "Ah!" Sun Lingtian and Zhao Wuhen let out a miserable cry as they were blasted flying!

Blood spurted out of the two of them as a result of the explosion.

It was very tragic!

Chapter 1427: One Against Two!

“Big White, let’s attack together!” Bujie waved his hand and charged forward with the Dragon-Mark Buddhist Staff in hand!

“Fight!” Xiang Kunlun and the others also charged forward!

“ROAR!” Big White let out a roar and stomped its legs!

Its huge body soared into the sky and leaped over Xiang Kunlun and the others, instantly catching up to Zhao Wuhen!

“ROAR!” Big White let out an angry roar and slapped him!

“Brother Zhao, be careful!” Sun Lingtian shouted!

Before his voices could fade Dong!

Before Zhao Wuhen could react, he was slapped to the ground by Big White!

A hole was smashed into the ground!

“Arghhhh!” He lay in the hole on the ground and screamed in pain.

Blood gushed out of his mouth and he felt that all the bones in his body were shattered.

However, before he could come back to his senses!

Big White raised its leg and stomped down!

Bang!

The ground shook!

Zhao Wuhen was stomped into a pile of meat paste and instantly stopped breathing!

“Brother Zhao!” Sun Lingtian, who had already stabilized his body, shouted with grief and anger.

In such a short period of time!

This fellow had actually killed Feng Qinghe and Zhao Wuhen!

How hateful!

“Well done!” “How domineering, how satisfying!” “Big White is mighty!” Bujie and the others raised their arms and cheered.

“ROAR!” Big White seemed to be very excited as well.

It punched its strong chest with both fists and roared at the sky.

“There’s another one.

Hurry up and kill him!” Xiang Kunlun shouted and continued to attack Sun Lingtian!

Hearing this, Big White and the others also charged forward!

Just as the battle was going on!

Yang Luo, who was fighting Shen Yuanhui and Lu Qingcang in the distance, was also aware of the situation over there!

When he found out that Big White had killed Feng Qinghe alone and killed Zhao Wuhen with everyone's help, he was very happy!

It seemed that choosing to subdue Big White back then was really wise!

He believed that Big White would definitely become his powerful helper in the future!

And right at this moment Rumble!

Under the fierce attacks of Shen Yuanhui and Lu Qingcang!

Yang Luo was sent flying!

After flying for a hundred meters, he finally stabilized his body!

In the intense battle just now!

He had also suffered serious injuries!

Although he could fight an early-stage Earthly Immortal Realm expert now However, it was still too difficult to fight two at the same time!

This would remain so until he could truly step into the Earth Immortal realm!

At that time, it would be much easier to kill early-stage Earth Immortal experts!

At this moment.

Shen Yuanhui and Lu Qingcang stood in the air and looked at Yang Luo coldly!

Lu Qingcang's beard and hair fluttered in the wind.

There were wounds all over his body, and blood dyed his robe red!

He said ruthlessly, "Kid, you're indeed very strong.

I've never seen a perfected Dao Convergence expert who can fight an Earth Immortal.

You're the first!

However, no matter how strong you are, can you withstand the combined forces of two Earth Immortals?" Yang Luo said in a trembling voice, "Even if I can't kill you two old fellows, I'll make you pay a heavy price!" As he spoke, his body trembled and his aura soared again.

He unleashed his full combat strength!

"Kill him!" Shen Yuanhui roared and his body trembled.

His aura soared and a beam of light soared into the sky!

Lu Qingcang's body trembled as a beam of light shot out from his body!

"Green Death Sword Technique!" "Wind Chasing Style!" "Moon Chasing Style!" "Cloud Flipping Stance!" Shen Yuanhui slashed three times at the same time!

Swoosh!

Swoosh!

Swoosh!

Three greenish-gray swords slashed at Yang Luo at the same time!

Sword intent surged, and sword might surged, stirring the wind and clouds!

“Wind Lightning Sword Technique!” “Whirlwind!” “Thunder Appears Without Trace!” “Wind Lightning Breaking Ridge!” Lu Qingcang also swung his sword three times at the same time!

The three purple-black swords also slashed at Yang Luo!

The wind blew and lightning surged, crushing towards Yang Luo!

Facing the fierce attacks of the two!

Yang Luo let out a wild roar and slashed out with his sword!

“Sword Against the Nine Heavens!” Whoosh!

Whoosh!

Whoosh!

Whoosh!

Nine huge golden swords accompanied by nine huge golden dragon phantoms collided at the same time!

Rumble!

Although Yang Luo could barely withstand their attacks, he was forced back repeatedly and blood splattered all over his body!

“Mr.

Yang fought two Earth Immortal Realm experts alone and was not beaten down.

It’s too shocking!” “You have to know that it was difficult for Mr.

Yang to fight an Earth Immortal back then.

Now, he can actually fight two Earth Immortals!” “Unfortunately, Mr.

Yang is not an Earth Immortal after all.

Not to mention killing two Earth Immortals, even surviving is probably difficult!” The people who were recuperating in the distance exclaimed.

However, many people were very worried about Yang Luo.

After all, Yang Luo was not facing ordinary people, but two Earth Immortals!

Yi Jiuzhou and Lin Aocang’s expressions were also cold and anxious.

“Elder Lin, have you contacted Blue Luan?” Yi Jiuzhou hurriedly asked.

“I did, but I couldn’t reach her.” Lin Aocang shook his head.

“Have you contacted the old Celestial Master then?” Yi Jiuzhou asked again.

“I’ve also contacted him, but I couldn’t reach him either.” Lin Aocang shook his head again.

“Then what should we do?” Yi Jiuzhou was burning with anxiety.

If he had known that the people from the Immortal Sword Sect would come today He would not have sent the three elders of the Yi family back.

Lin Aocang gritted his teeth and said, “These immortal sects on the Penglai Immortal Island are becoming more and more impudent.

They’ve completely disregarded the rules back then!” Yi Jiuzhou sighed, “It’s very likely that these guys already know that the old immortal is gone.

Otherwise, how would they dare to be so arrogant?” Lin Aocang said, “Now, I only hope that either Blue Luan or the old Celestial Master can see the message I sent and arrive in time!” Just as the two of them were conversing!

Shen Yuanhui and Lu Qingcang attacked again!

“Cosmic Palm!” “Great Wind and Lightning Palm!” The two of them raised their left hands and condensed a greenish-gray palm and a purple-black palm that pressed down heavily on Yang Luo!

The two huge palms contained the power of heaven and earth and various attributes, as if they wanted to destroy everything!

“True Dragon Palm!” Yang Luo flipped his left hand and condensed a golden palm print to meet the attack!

One after another, huge golden dragon phantoms roared and charged forward!

Boom!

Boom!

Accompanied by a series of collision sounds!

Yang Luo’s golden palm print was directly destroyed!

The nine golden dragon phantoms that roared out were also shattered!

Waves of ferocious and violent energy surged out and sent Yang Luo flying!

Fresh blood splattered continuously from his body, and blood seeped out from the corner of his mouth!

“Don’t hold back.

Continue attacking!” Shen Yuanhui shouted.

He flipped his right hand and swung his sword once again!

Lu Qingcang also swung his sword angrily!

Countless flying swords shot towards Yang Luo!

It was as if they had formed a huge net of swords that wanted to drown Yang Luo!

Yang Luo was startled at the sight and also swung his sword with all his might!

Countless golden flying swords soared into the sky and shot towards the sword net!

Peng, peng, peng!

Explosions sounded in the sky!

Many of the flying swords exploded in the sky!

However, Shen Yuanhui and Lu Qingcang had condensed too many flying swords.

Moreover, each of them seemed to be material and contained sword intent!

Therefore, Yang Luo only blocked half of it, but he could not block the other half!

He could only condense a True Qi barrier to block!

Ding, ding, ding!

The flying swords that filled the sky shot down crazily and collided with Yang Luo's True Qi barrier, emitting crisp collision sounds!

Sword Intent, energy, and flames intertwined and surged in all directions!

But this only lasted for less than a minute!

Crack!

Crack!

The True Qi barrier condensed by Yang Luo began to shatter!

The sword intents drilled into the crack and tore Yang Luo's skin!

Chapter 1428: One Buddha and One Dao!

Yang Luo endured the pain and his body trembled.

The power of fire in his body erupted!

"Flame Emperor's World Burning Art!" "Flaming Sun Flame Pillar!" With him as the center, nine huge fire pillars soared into the sky at the same time and blasted at the flying swords that were shooting down!

Boom!

Boom!

Boom!

Under the suppression of the nine pillars of fire, all the remaining flying swords were shattered!

However, the nine pillars of fire also exploded, turning into flames that filled the sky and splattered!

After shattering the flying swords in the sky!

Yang Luo took a step forward and roared again!

“Sea of Purgatory Fire!” Whoosh!

Whoosh!

Fierce and violent flames spewed out of his body, turning into a golden sea of fire that soared into the sky and surged towards the two of them!

“This fire-elemental cultivation technique is not bad.

It’s a pity that you’re not an immortal and can’t unleash the true power of this fire-elemental cultivation technique” Shen Yuanhui said indifferently.

Then, his eyes turned ruthless as he shouted, “Destroy this sea of fire!” As he spoke, he flipped his right hand and slashed out!

Lu Qingcang also swung his sword!

The two huge swords slashed out at the same time, directly splitting the surging sea of fire!

The flames that spread out were blocked by their protective True Qi!

But at the moment the sea of fire was split open A golden fireball had already condensed in Yang Luo’s left palm!

He waved his right hand and shouted, “Sky Burning Explosion!” The golden fireball flew out and expanded in the wind, crashing into the two of them!

“Fall back!” Shen Yuanhui sensed the energy of the fireball and quickly retreated.

Then, he waved his sleeve and shot out a sharp beam of light!

Lu Qincang also retreated a distance and shot out a beam of light!

Rumble!

The two beams of light collided with the fireball and instantly exploded!

Waves of fire surged out like multiple volcanoes exploding at the same time!

Shen Yuanhui and Lu Qingcang condensed a True Qi barrier to block the impact of the fire wave!

However, just as the two of them were dealing with the fire wave!

“Annihilation Fire Lotus!” Yang Luo roared again!

A golden fire lotus with a diameter of more than 300 meters condensed and descended from the sky to kill the two of them!

“What is this?!” Lu Qingcang’s expression changed drastically.

“Quickly dodge!” Shen Yuanhui immediately reacted and retreated.

Lu Qingcang did not dare to stay here any longer and retreated with them.

However, the moment they retreated!

The golden fire lotus pressed down and exploded again!

“Ahhh” As they could not retreat in time, the two of them were injured by the explosion and their bodies were burned!

“Little bastard, you’re courting death!” Shen Yuanhui was furious.

His entire body trembled as he directly activated his Dharma Idol!

A greenish-gray giant holding a huge sword stood above him.

too Lu Qincang’s body shook as he activated his Dharma Idol!

A purple-black giant holding a huge sword also stood up!

Two giants stood in the sky like two gods.

They were majestic and domineering!

At this moment, the two of them had finally gotten serious!

This was because they realized that this kid in front of them was really too difficult to kill.

They had no choice but to get serious!

As long as they could kill this kid, even if they were to lose face, they would accept it!

The two of them had activated their Dharma Idols!

Yang Luo's body trembled as well.

Dragon Blood Boiling, his killer move!

"Primal Heavenly Art!" "Gonggong, Zhurong, Qiangliang, Houtu, Goumang, Rushou!" Six ancient totems condensed above him one by one and transformed into six giants!

They were the six ancient Magi and were also known as Fiend Celestials!

"What cultivation technique is this?"

Why does it look so familiar?" Shen Yuanhui frowned in surprise.

Lu Qingcang said coldly, "This cultivation technique is indeed not bad.

It can actually transform into the illusion of the ancient Ancestral Magi!

Unfortunately, this is only an illusion after all.

It's not the real ancient Ancestral Magi!" "Kill!" Yang Luo let out a roar and led the six Ancestral Magi to charge forward!

The six Ancestral Magi rushed at the front and collided with the two of them!

The two of them did not dodge or retreat.

They swung their swords at the same time!

Swish!

Swish!

Just as the two of them swung their swords!

The two Dharma Idols standing above them also swung their swords!

The huge sword pressed down on the sky and space cracked, revealing dense pitch-black cracks!

Boom!

Boom!

Boom!

It was just one strike!

But three of the ancient Ancestral Magi's illusions were destroyed with one slash of the sword!

The bodies of the other three ancient Ancestral Magi illusions also cracked!

"Nine Heavens, Dragon's Fury!" Yang Luo roared again!

"Roar, roar, roar!" Nine huge golden dragon phantoms let out heaven-shaking dragon roars and roared!

"Continue!" Shen Yuanhui and Lu Qingcang swung their swords again!

The two Dharma Idols also swung their swords again!

Rumble!

This time, the remaining three ancient Ancestral Magus illusions and four golden dragon phantoms were destroyed!

Then, Shen Yuanhui, Lu Qingcang, and their Dharma Idols slashed for the third time!

As the third sword strike was swung out!

The remaining five sword dragon phantoms were all destroyed!

After destroying the five golden dragon phantoms!

The four huge swords tore through the sky and headed straight for Yang Luo!

Yang Luo knew that he had to block it!

He had to hold on for a little longer!

Yang Luo roared in his heart as he gripped the Dragon Emperor Sword tightly with both hands and slashed out with all his might!

Clang!

Yang Luo's sword collided with the four huge swords with a shocking momentum!

However, the swords slashed out by Shen Yuanhui, Lu Qingcang, and their Dharma Idols were too heavy and powerful!

Yang Luo could not resist it at all!

Waves of sword intent tore through his skin, muscles, and meridians!

“Ahhh” Yang Luo let out painful roars as his body was pushed back continuously!

His feet were like tomahawks as they dug into the ground, sending the thick stone slabs on the ground flying!

He retreated dozens of meters in this confrontation.

However, Yang Luo roared!

“Five Thunder Seal!” “Five Elements Mirror!” A purple seal and a bronze mirror flew out of his storage ring at the same time and attacked Shen Yuanhui and Lu Qingcang!

Bolts of lightning that flickered with various colors rushed out of the Five Thunder Seal and struck the two of them!

Five beams of light containing the majestic power of the five elements shot out from the Five Elements Mirror and headed straight for the two of them!

“You actually have two Dharma artifacts?” Greed flashed in Shen Yuanhui’s eyes, “Very good.

After I kill you, all your treasures will be ours!” As he spoke, he waved his sleeve!

“Heavenly Treasure Wheel!” A greenish-gray wheel flew out and expanded.

Beams of light shot out and collided with the Five Thunder Seal and the Five Elements Mirror!

“Glazed Ruyi!” Lu Qingcang also waved his sleeve!

A jade scepter that emitted various colors flew out of his sleeve and instantly enlarged.

Immortal rainbows rushed out and collided!

Boom!

Boom!

Boom!

Clang!

Clang!

The attacks from the four Dharma artifacts collided heavily with the main body!

Under the collision, the four Dharma artifacts were sent flying!

But soon, the four Dharma artifacts stabilized and continued to fight!

After blocking Yang Luo's two Dharma artifacts!

Shen Yuanhui and Lu Qingcang swung their swords again!

Their Dharma Idols also swung their swords again!

"I'll go all out!" Yang Luo roared loudly.

He gripped the Dragon Emperor Sword tightly with both hands and swung it ruthlessly!

Rumble!

After this huge collision!

Yang Luo could no longer withstand it.

Like a cannonball, he was sent flying with his sword and spat out a mouthful of blood!

As he was sent flying, Yang Luo's heart ached!

It was still too difficult for him to fight against two Earth Immortals with his current cultivation and strength!

No matter how strong his cultivation technique was, no matter how rich his combat experience was, he still could not make up for the difference!

However, during the battle, he had also gained a lot of insight into sword intent!

After all, these two old men were Earth Immortals who had entered the Dao through the Sword!

Naturally, he would gain something from fighting them!

Moreover, he felt that he was getting closer and closer to breaking through to the Earth Immortal realm!

"The last strike will take your life!" Shen Yuanhui shouted and swung the sword in his hand again!

Lu Qingcang also swung his sword!

Naturally, the two Dharma Idols also swung their swords!

The four swords slashed towards Yang Luo!

“Brother Yang!” “Brother Yang!” “Mr.

Yang!” Everyone in the distance screamed in shock, their hearts about to explode.

It was already not easy for Yang Luo to fight against two Earth Immortals alone until now!

They could not ask Yang Luo for more!

They were just regretting not being able to help!

However, at this critical moment!

Rumble rumble rumble!

Two golden palms crushed over from afar at the same time, crushing the void and colliding with the four huge swords!

One of the golden palms had a swastika rune engraved on it!

On the palm of the other golden palm, there was a taiji yin yang fish rune engraved!

Rumble!

Accompanied by a series of shocking explosions!

The four huge swords that were slashing at Yang Luo were destroyed at the same time!

“Ahhh” Shen Yuanhui and Lu Qingcang screamed and were sent flying!

Their Dharma Idols were also sent flying!

The next second!

Two golden streams of light flew over from afar and landed steadily in the sky above the square!

They were the two old men, one of the Buddhist path and one of the Dao path!

Chapter 1429: Put down the butcher’s knife, become Buddha!

Yang Luo stabilized his body and looked at the two old men in the sky.

He said in surprise, “Master, Master Xuanku, you’re here!” The two elders who resolved Yang Luo’s crisis were Zhang Zhilin and Master Xuanku.

“Little Luo, are you alright?” Zhang Zhilin asked.

Master Xuanku also looked at Yang Luo.

Yang Luo shook his head and said, “I’m fine.

I just suffered some injuries.

It’s nothing serious.” “That’s good.” Zhang Zhilin and Master Xuanku nodded.

At this moment.

Everyone present also recovered from their shock.

“Greetings, Old Celestial Master!” “The old Celestial Master is finally here.

Mr.

Yang finally doesn’t have to fight alone!” “Strange, who is that old monk?

Why have I never seen him before?” “However, for this old monk to come with the old Celestial Master and send the two old fellows flying with a single palm, he’s probably not an ordinary person!” “Could this old monk be a hidden expert?” Everyone present first bowed to Zhang Zhilin before discussing.

Everyone looked at Master Xuanku in confusion.

After all, most people present did not know Master Xuanku at all.

Especially the people from Shaolin Temple, they were all dumbfounded.

“Isn’t isn’t this Master Xuanku who sweeps the Scripture Depository?!” “Oh my god, Master Xuanku is actually so powerful?!” “Master Xuanku can fly in the air and defeat an Earth Immortal with a single palm strike!

I’m afraid Master Xuanku is also an Earth Immortal, and an even stronger Earth Immortal than the enemies!” “I didn’t expect our Shaolin Temple to hide an Earth Immortal Realm expert.

Good, this is great!” The Shaolin Sect Master, Elders, Protectors, and disciples were all pleasantly surprised.

They naturally knew Master Xuanku.

After all, Master Xuanku had been sweeping the Scripture Library for so many years.

Although they maintained respect for Master Xuanku, no one took him seriously.

However, who knew that such an inconspicuous hidden monk was actually a hidden expert!

Unbelievable!

It was too unbelievable!

“Greetings, Master Xuanku!” Everyone from Shaolin Temple bowed respectfully to Master Xuanku.

“Greetings, Master Xuanku!” The others also bowed to Master Xuanku.

“Amitabha” Master Xuanku put his palms together and said in a loud voice, “Everyone, there’s no need to be so polite.” In fact, not long ago, he had been drinking tea and discussing the Dao with Zhang Zhilin at Mount Longhu.

Zhang Zhilin wanted to invite him to participate in the Heavenly Luo Sect’s opening ceremony.

When he first heard the news, he had wanted to refuse.

After all, he did not want to expose his strength.

However, Lin Aocang sent a message to Zhang Zhilin, saying that the people from the Immortal Sword Sect had killed their way to the Heavenly Luo Sect and that the situation was critical.

When Master Xuanku found out about this, he rushed over with Zhang Zhilin.

“Master, you’re finally here!” At this moment, Bujie and the others also ran over from afar.

Under their joint attack, Sun Lingtian had already been killed by them.

Now, only Shen Yuanhui and Lu Qingcang were left.

“Who are you two?!”

How dare you interfere in our Immortal Sword Sect’s matters!” Shen Yuanhui stabilized his body and stared at Zhang Zhilin and Master Xuanku.

“The two of us are elders of the Immortal Sword Sect of the Penglai Immortal Island.

How dare you attack us?

Are you courting death?” Lu Qingcang also shouted angrily.

They had almost killed Yang Luo just now.

Unexpectedly, at the critical moment, these two old fellows actually ruined their plans.

Zhang Zhilin said in a low voice, “I’m the current Heavenly Master of Longhu Mountain, Zhang Zhilin!

Many years ago, there was already a rule set down!

People from the Kunlun Ruins and the Penglai Immortal Island are not allowed to step into the mortal world without permission!

However, not only did you break the rules, but you also came to the secular world to cause trouble!

Don't tell me you really don't follow the rules at all?" "Rules?" Shen Yuanhui sneered and said, "Old Daoist, tell me, what are the rules?"

In my opinion, the strong make the rules, and the weak can only be restricted by the rules!

Our Immortal Sword Sect is also considered a large sect on the Penglai Immortal Island.

Why should we abide by this dogsh*t rule?" "Rules?"

Rules my ass!" Lu Qingcang took over the conversation, "This world is huge.

We can go wherever we want.

Who can restrict us?" Zhang Zhilin's eyes were cold as he said, "Are you really not going to listen to that old immortal back then?" Hearing this Shen Yuanhui and Lu Qingcang could not help but tremble and frown.

The old immortal that Zhang Zhilin mentioned had already traumatized them greatly.

Back then, there was no rule that people from the Kunlun Ruins and the Penglai Immortal Island could not step into the mortal world.

It was precisely because of this that many people from the two immortal worlds came to the secular world to cause trouble.

Later on, an old man appeared out of nowhere and killed his way to the Penglai Immortal Island and the Kunlun Ruins!

That old man defeated all the experts of the two immortal worlds alone and killed many experts.

He even suppressed all the other experts until they could not breathe!

Furthermore, their Immortal Sword Sect had also been defeated by that old man.

All the elders were not that old man's match and were all severely injured!

After that, the old man set the rules!

From now on, people from the Kunlun Ruins and Penglai Immortal Island were not allowed to step into the mortal world without permission!

Those who disobeyed would be killed without mercy!

Over the years, that old man had become the nightmare of everyone in the two immortal worlds!

Seeing the fear in Shen Yuanhui and Lu Qingcang's eyes Yang Luo and the others were very curious.

Everyone wondered who the "old immortal" his master was talking about was and why he could make these two old fellows so scared.

He planned to find time to ask later.

Shen Yuanhui said coldly, "Old Daoist, don't use that old man to scare us!"

There were rumors in the Immortal World that the old man is no longer around!

If that old man is still around, we won't be able to leave the Penglai Immortal Island at all!" "Old Daoist, this is a grudge between our Immortal Sword Sect and Yang Luo.

Don't f*cking interfere and get lost!" Lu Qingcang also shouted.

Zhang Zhilin said calmly, "In that case, there's nothing else to say." "Amitabha" Master Xuanku also put his palms together and sighed softly.

"Why?

Do you want to fight us?" Shen Yuanhui sneered, "Just now, we were only forced back by you guys because we were careless!

Don't tell me you really think that we're not your match?" As he spoke, Shen Yuanhui roared, "Brother Lu, attack!" "Alright!" Lu Qingcang replied loudly.

Right after he finished his sentence Shen Yuanhui and Lu Qingcang instantly mobilized the True Qi in their bodies to the limit.

They waved the swords in their hands and slashed heavily at Zhang Zhilin and Master Xuanku!

The two Dharma Idols standing above them also swung their swords twice at the same time!

Swoosh!

Swoosh!

Swoosh!

Swoosh!

The four huge swords pressed down heavily.

The heavens and the earth shook, the mountains shook, and space tore!

However, the moment the four huge swords slashed down!

Boom boom!

Zhang Zhilin and Master Xuanku shook!

Two golden beams of light soared into the sky from their bodies and pierced through the sky!

A majestic and vast pressure and aura erupted from their bodies and swept through the world!

Two condensed and heavy True Qi barriers enveloped the two of them!

Clang!

The four huge swords ruthlessly struck the True Qi barrier, erupting with a deafening sound of collision!

Flames shot in all directions, True Qi surged, and sword intent surged.

It was endlessly terrifying!

The energy that spread out was incomparably terrifying, sending many people in the square flying!

Everyone below the square retreated one after another, not daring to approach!

After all, there were four Earth Immortals fighting in the air now!

When Zhang Zhilin and Master Xuanku saw this, they set up a protective array at the same time to protect the mountains!

Seeing how Zhang Zhilin and Master Xuanku blocked their attacks!

Shen Yuanhui and Lu Qingcang were shocked!

One had to know that they did not hold back at all!

However, they did not expect the old Daoist and old monk in front of them to easily block their attacks!

Could it be that these two guys' cultivation levels were higher than theirs?

Impossible!

Absolutely impossible!

It was not easy for immortals to be born in the secular world!

It was unrealistic to give birth to an immortal stronger than them!

"Amitabha" Master Xuanku put his palms together and looked at the two of them kindly.

He said loudly, "Benefactors, put down the butcher's knife and become Buddhas"

Chapter 1430: No Effect!

In an instant The entire venue fell silent!

Everyone present was shocked!

They naturally knew Zhang Zhilin's strength!

The current Celestial Master of Mount Longhu, the number one person in Daoism, was incomparably powerful!

Back then, Zhang Zhilin fought against the three Earth Immortals of the Heaven Amplification Sect and Purple Cloud Sect alone and was not at a disadvantage.

He even forced the three Earth Immortals to flee in a sorry state!

It was naturally not strange that Zhang Zhilin could block the attacks of Shen Yuanhui and Lu Qingcang!

However, they did not expect Master Xuanku to be able to block the attacks so easily!

Could it be that Master Xuanku's cultivation and strength were equivalent to Zhang Zhilin's?

If that was the case, Master Xuanku could be considered the number one person in the Buddhist Sect today!

Yang Luo was also amazed!

Although he had long known that Master Xuanku was not an ordinary person!

However, he did not expect that Master Xuanku's strength was already comparable to the old Heavenly Master!

Bujie laughed heartily, "Haha, well done, Master.

Kill these two old fellows!” Master Xuanku looked up at Shen Yuanhui and Lu Qingcang.

His expression was calm as he said loudly, “Benefactors, the sea of bitterness is boundless.

Repent” “Old monk, shut up!” Lu Qingcang shouted angrily and slashed seven times in a row!

He unleashed all seven moves of the Wind and Thunder Sword Technique!

The Dharma Idol that stood above him also slashed out seven times!

A total of 14 purple-black swords slashed at Master Xuanku at the same time!

Tornadoes that connected heaven and earth swept through the sky and crushed upwards!

Dense lightning arcs also struck down crazily!

Shen Yuanhui did not hesitate and slashed out ten times in a row!

He used all ten moves of the Green Death Sword Technique!

The Dharma Idol that stood above him also slashed out ten times at the same time!

A total of 20 greenish-gray swords slashed fiercely at Zhang Zhilin!

The power of the seven attributes was mobilized as well, turning into seven rainbows that shot out!

The scene before them could be said to be terrifying and shocking everyone present!

Everyone present had no choice but to admit that these two old fellows were indeed very strong!

If Zhang Zhilin and Master Xuanku had not arrived in time, no one present would have been able to suppress them!

However, facing the fierce attacks of Shen Yuanhui and Lu Qingcang Zhang Zhilin and Master Xuanku remained unmoved, neither dodging nor retreating!

In an instant!

Rumble!

Boom!

Boom!

34 huge swords, tornadoes, dense lightning, and seven-elemental rainbows bombarded the True Qi barrier condensed by Zhang Zhilin and Master Xuanku!

Dazzling light, surging sword intent, and violent energy surged in all directions like an avalanche!

Boom, boom, boom All kinds of energy crazily washed over the mountain-protecting array, as well as the protective array set up by Zhang Zhilin and Master Xuanku, making a deafening bang!

However, no matter how ferocious Shen Yuanhui and Lu Qingcang's attacks were, they could not break through Zhang Zhilin and Master Xuanku's defense!

"They blocked it again!

They actually blocked it again!" "Old Celestial Master and Master Xuanku are really amazing!" Exclamations sounded from the crowd.

Seeing that Shen Yuanhui and Lu Qingcang could not do anything to Zhang Zhilin and Master Xuanku despite their continuous attacks, everyone became more and more excited and confident!

Shen Yuanhui and Lu Qingcang were stunned.

They could not believe what they were seeing!

They were elders of the Immortal Sword Sect, true Earth Immortals.

Could it be that they really couldn't even kill the two old fellows of the secular world?

They felt that they were about to lose all their face!

Master Xuanku let out a long sigh and said, "Benefactors, if you turn back as soon as possible and repent, we can spare your lives" "Master, can you stop reciting scriptures?

Hurry up and kill these two old fellows!" Bujie was instantly speechless.

Although he knew that his master was a true buddhist at heart and was benevolent to all, he still had to know when to be merciful, right?

"Shut up." Master Xuanku glared at Bujie.

Bujie trembled in fear and quickly shut his mouth.

Yang Luo was caught between laughter and tears.

This guy still dared to talk back in front of Master Xuanku.

He was really impressive.

“I’ll definitely kill you!!!” Lu Qincang went completely crazy and roared.

He crazily mobilized the True Qi in his body!

His long beard fluttered and his clothes fluttered.

His grayish-white hair stood on end and his body shone with a blazing black-purple light!

Shen Yuanhui also continuously mobilized the True Qi in his body!

Dazzling greenish-gray light appeared in his eyes and body.

Waves of overwhelming pressure and aura spread out and swept through the world!

A few seconds later!

Lu Qincang and Shen Yuanhui brandished their swords at the same time and roared!

“Seven Slaughter Sword Prison!” “Ten Directions Sword Prison!” At that very moment Countless greenish-gray and purple-black flying swords condensed around Zhang Zhilin and Master Xuanku, turning into two huge sword prisons!

The two Sword Prisons erupted with extremely terrifying attacks and attacked Zhang Zhilin and Master Xuanku!

Countless flying swords shot towards the two of them!

The power of various attributes transformed into rainbows that shot out!

There were even huge demon beasts, spirit beasts, and divine beast illusions that pounced at the two of them!

At this moment The double sword prison was filled with killing intent and danger!

If it was an ordinary person, they would have long been smashed into pieces!

However, Zhang Zhilin and Master Xuanku were unmoved and blocked all the attacks!

“They blocked it again!

They actually blocked it again!” Someone could not help but exclaim excitedly.

The others were also extremely excited.

“How could this be How could this be?!” “Impossible This is impossible!” Shen Yuanhui and Lu Qingcang were about to go crazy.

They used their killing moves one after another, but they could not break through the defense of the old Daoist and old monk in front of them!

Could it be that these two guys were really stronger than them?

Zhang Zhilin’s eyes turned cold as he said to Master Xuanku, “Xuanku, it’s hard to persuade a damned ghost with good words.

Do it!” Master Xuanku sighed deeply and did not say anything else.

Then, their bodies trembled as their auras and combat strength erupted!

Boom boom!

Two golden beams of light shot into the sky from their bodies, shattering the sea of clouds in the sky!

The two of them also activated their Dharma Idols!

The next second!

A golden giant stood above Zhang Zhilin like an ancient immortal descending to the world.

It was extraordinary and domineering!

A golden Buddha stood above Master Xuanku.

It was like a Buddha had descended to the world.

It had a benevolent expression and a dignified aura!

As the two of them activated their Dharma Idols!

Rumble!

The two Sword Prisons that trapped them collapsed and exploded, turning into a rain of light that filled the sky and splattered everywhere!

Shen Yuanhui and Lu Qingcang were both completely distraught!

Their attacks were ineffective!

They couldn't harm them at all!

After breaking through the Sword Prisons!

Zhang Zhilin raised his right hand and slapped out!

"Great Dao Divine Palm!" A huge golden palm crushed the world and shook the void as it slapped towards Shen Yuanhui!

The Dharma Idol that towered above him was also slapped out!

Two huge golden palms crushed forward.

The runes of the Taiji Yin-Yang Fish were engraved on their palms.

They were mysterious, unfathomable, and extremely terrifying!

"Thousand Hand Buddha Palm!" Without any hesitation, Master Xuanku raised his right hand and slapped out as well!

The golden Buddha towering above him produced thousands of golden arms and slapped out together!

Giant palms engraved with swastika runes pressed down, covering the sky and the sun.

Buddha's light illuminated the world, erupting with endless destructive power!

"Not good!"

Counterattack!" Shen Yuanhui's expression changed drastically.

He hurriedly swung his sword to counterattack!

Lu Qincang was also shocked and hurriedly swung his sword to counterattack!

The Dharma Idols standing above them also waved their swords at the same time to meet the attack!
