

## Super IDG 1441

Chapter 1441: Punishment!

Yang Luo looked around and asked in confusion, "Brother Xiang, Xu Ying and Bujie, where did they go?" He did not see Xiang Kunlun and Bujie just now.

If he didn't quit here, he would have made a fuss long ago.

Zhang Zhilin said, "Late last night, I was told the Chief and the others that I had something urgent to do.

He asked me to tell you to take a look at the cell phone message." Yang Luo nodded and took out his phone from his storage ring to look at the message.

When he saw the message from the headquarters of the Holy Imperial Court, he was shocked!

Something had happened to Purgatory Death God in Country Sakura!

Previously, when Purgatory Death God said that he wanted to go to Country Sakura to assassinate Masahiro Ono, he was a little worried!

After all, Country Sakura was not like other countries.

Their country had many martial arts experts!

There was even an expert on the Divine Ranking!

However, when he thought about how the Purgatory Death God had done countless assassination missions, the success rate was almost 100%!

Purgatory Death God would definitely be very careful, so he did not stop him from assassinating Masahiro Ono!

However, he did not expect something to happen in the end!

To be able to make Purgatory Death God's assassination fail, the person protecting Masahiro Ono was definitely not an ordinary person!

Yang Luo quickly put away his cell phone and said, "Everyone, I'm a little worried about Brother Xiang and the others.

I'll go take a look at them!" As he spoke, Yang Luo instructed Qi Yutang, "Old Qi, bring Big White back to the Heavenly Luo Sect and settle him down!

I'll return to the Heavenly Luo Sect after I'm done!" "Alright!" Qi Yutang nodded.

Then, Yang Luo tapped the ground and turned into a golden light that soared into the sky, flying in the direction of Country Sakura.

Everyone only retracted their gazes when Yang Luo's figure disappeared into the sky.

Chu Longyuan asked in confusion, "What is Brother Yang going to do as well?

Why is he leaving in such a hurry?" Everyone shook their heads, indicating that they did not know.

At this moment.

Lin Aocang received a call.

After the call He looked at Yi Jiuzhou and said helplessly, "Mr.

Yi, the commotion caused by Yang Luo's tribulation is too big.

Now, the Internet was discussing if someone was transcending the tribulation at Kunlun Mountain and if there were really immortals in this world.

In short, this matter has caused an uproar and its still trending on the forums.

Many people even planned to come here to see what was going on.

Do we need to do anything?" Yi Jiuzhou smiled and said, "Don't do anything.

The more we come out to explain, the more the people will think that we're hiding something.

It's better to do nothing.

It won't be long before the heat of the topic subsides." "Alright." Lin Aocang nodded and said, "In any case, other than us, no one else has seen this kid transcend the tribulation." Then, everyone left one after another.

On a sea of clouds far away from Kunlun Mountain.

A green-robed figure wearing half a mask stood above.

It was Blue Luan.

In fact, Blue Luan had been paying attention to Yang Luo's tribulation for the past few days, worried that he would be in danger.

Especially during the last three bolts of lightning, she planned to appear and save Yang Luo at all costs.

Fortunately, Yang Luo successfully transcended the tribulation, which made her feel relieved.

Qing Luan looked in the direction where Yang Luo had left and a hint of gratification appeared in her eyes.

She muttered, "Little Luo, you've finally stepped into the Earth Immortal realm" As she spoke, she thought for a moment and turned into a cyan light to chase after him At the same time In a sea area near Country Sakura.

There was a small island here called Heavenly God Island.

The island was filled with spiritual energy and the scenery was like a painting.

It was like a paradise on earth.

This was the residence and cultivation place of the number one expert of Country Sakura, the "Sword Saint" Kagura Kenshin, who was on the World Divine Ranking.

At this moment.

On the sea not far from the island.

More than a dozen battleships were parked on the sea.

Several other battleships had been destroyed.

There were more than ten thousand people standing on the battleship.

However, everyone was injured.

Blood dyed the deck and this sea area red.

Xiang Kunlun, King of Destruction, Sea Burial King, Heavenly Sirius, Goddess of Fate, Dark Baron, King of Titans, King of Savage Beasts, Lava Tyrant, Xu Ying, Bujie, Prajna, and Lin Wenxuan were among them.

They were also seriously injured.

Their faces were pale and their bodies were covered in blood.

Not far from them stood a figure in the sky.

This person was wearing a white kimono and was tall and straight.

He held a Kusanagi sword that was glowing with white light and had a cold expression.

On the shore of the small island behind.

Masahiro Ono stood there.

Beside his feet was a figure.

It was Purgatory Death God!

At this moment, Purgatory Death God was severely injured.

His body was covered in blood and was tied up by ropes.

A few days ago, Purgatory Death God secretly came to Country Sakura and found out the whereabouts of Masahiro Ono.

When he found out that Masahiro Ono was hiding on this island, he rushed over and prepared to kill him.

Unexpectedly, there was a top expert on this island.

He was no match for him at all, so he was severely injured and captured.

Before he was captured, he had sent out a signal to ask for help from the Holy Imperial Court.

Therefore, Xiang Kumlun and the others had rushed over not long ago to save the Purgatory Death God, but who knew that Kagura Kenshin was standing guard here?

They naturally knew of Kagura Kenshin's name.

However, what they did not expect was that Kagura Kenshin actually lived here.

Even if all of them joined forces, they were no match for Kagura Kenshin at all.

Masahiro Ono looked at the Purgatory Death God proudly and said, "You're really bold to dare to barge into the Heavenly God Island to kill me.

With the Sword Saint around, can you kill me?" Purgatory Death God only stared coldly at Masahiro Ono, killing intent flickering in his eyes.

Seeing the gaze from Purgatory Death God, Masahiro Ono felt a chill run down his spine.

However, when he thought of Kagura Kenshin, he regained his confidence.

He raised his head and said, "Dog, don't look at me like that!

I know you want to kill me, but can you do it?" As he spoke, Masahiro Ono said respectfully to Kagura Kenshin, "Sword Saint, these guys dare to offend you and disturb your cultivation.

You should quickly kill them!" Kagura Kenshin frowned and said, "Masahiro Ono, do I need you to tell me what to do?" "Ono wouldn't dare!" Masahiro Ono trembled in fear and hurriedly lowered his head.

Kagura Kenshin looked up at Xiang Kunlun and the others and said loudly, "On account of your old Divine Emperor, I can forgive you for barging into Heavenly God Island!

Hurry up and leave!" Xiang Kunlun said in a deep voice, "We can leave, but hand over my brother!" Kagura Kenshin shook his head and said, "I'm already being the most benevolent to you by letting you guys leave!

If not for the old Divine Emperor, do you think you would still be alive?

As for the Purgatory Death God, he trespassed on the Heavenly God Island and even wanted to kill someone under my nose.

He deserves to be punished!" Heavenly Sirius roared, "Cut the crap and hand him over!" Bujie also started scolding, "Little Baka, stop putting on an act here!

Do you think you're the number one expert in the world?

Our Country Hua also has a few experts.

Any one of them can crush you!" Kagura Kenshin said indifferently, "I'll say it again.

I won't hand him over!

If you don't want to die, get lost quickly!" Purgatory Death God also gritted his teeth and shouted, "Brothers, this person is too strong.

You're not his match!

Don't lose your life for nothing.

Hurry up and leave!" The Heavenly Sirius gritted its teeth and said, "Miller, cut the crap.

We're brothers.

How can we leave you behind!" "That's right!" King of Destruction continued, "If we want to leave, let's leave together!" Kagura Kenshin's eyes turned cold at their words, "Are you really not leaving?" Xiang Kunlun said in a trembling voice, "If you don't hand him over, we won't leave!" Kagura Kenshin said coldly, "Since you insist on accompanying this fellow to his tempting fate, I'll fulfill your wish!" Before his voice could fade Dong!

A white beam of light shot up from Kagura Kenshin's body and broke through the clouds in the sky!

A dazzling white light appeared on his body as well.

His hair fluttered and his clothes fluttered!

Waves of terrifying pressure and aura erupted, enveloping the sky and the sea for countless miles!

"Fight!!" Xiang Kunlun and the others roared in unison and mobilized all the True Qi and energy in their bodies to launch a fierce attack

Chapter 1442: The Might of Sword Saint!

Xiang Kunlun attacked first!

He clenched his right fist and turned his left hand into a palm, punching out angrily!

“Great Desolate Heaven Burning Fist!” “Nine Stage Hell Suppression Palm!” In an instant!

A huge fist burning with black and golden flames and a huge palm crushed towards Kagura Kenshin!

“ROAR!” An illusion of a Kun Peng that was burning with black and golden flames let out a roar and collided with Kagura Kenshin!

“Atmospheric Spear!” “Heaven and Earth Shattering!” The King of Destruction activated the Atmospheric Superpower and Violent Tremor Superpower in his body at the same time and waved his hand!

Whoosh!

Whoosh!

Whoosh!

Whoosh!

Thousands of invisible atmospheric spears tore through the sky and shot out!

Strong shockwaves spread out and crushed over!

“Overflowing Waves!” Sea Burial King held the Sea God’s Blade and suddenly waved it!

A huge dark blue saber tore through the sky and slashed out angrily!

Thousands of waves soared into the sky and transformed into thousands of huge sabers that shot out!

Because he was at sea, his strength could be unleashed to the greatest extent, and the power was terrifying!

Goddess of Fate waved her hand and shouted softly!

“Divine Light Spear!” “Shackles of Light!” Whoosh!

Whoosh!

Whoosh!

Whoosh!

Crink crink crink!

Thousands of spears that were glowing with white light shot out!

Densely packed white chains whistled up!

“Wolf Attacks Stretch for Miles!” “Netherworld Blood Curse!” “Doomsday Torrent!” “Ten Thousand Beast Impact!” “Lava Sea of Fire!” Heavenly Sirius, Dark Baron, King of Titans, King of Savage Beasts, and Lava Tyrant all attacked!

Thousands of illusions of demon wolves and wild beasts charged forward!

The blood-red runes that filled the sky condensed and attacked!

The black energy and the dark red lava transformed into two seas that surged towards Kagura Kenshin!

“Tens Thousand Feet Crossing the Sky!” “Subduing Dragons and Tigers!” “Ice and Fire Soaring Heavens!” “Qilin Disordered Sky!” Xu Ying, Bujie, Prajna, and Lin Wenxuan attacked at the same time!

Countless platinum sabers shot out!

A huge golden staff with a monstrous Buddhist light smashed upwards!

A wave of fire and an ice wave surged up!

A huge spear swept across the sky, and countless black qilins roared!

But Xiang Kunlun and the others’ killer moves were about to strike!

Kagura Kenshin did not dodge or retreat.

He said indifferently, “Although your strength is not bad, you’re still not my match.” As he spoke, Kagura Kenshin raised his right hand and casually slashed out!

Swoosh!

A huge white sword tore through the sky like an immortal.

It crushed the void and slashed forward!

With a single strike, the sky and sea trembled violently.

A terrifying sword intent erupted and swept in all directions!

In an instant!

Rumble!

The attacks launched by Xiang Kunlun and the others were all destroyed by this sword, causing a huge explosion!

Huge waves soared into the sky, as if they wanted to connect the sky with the sea!

“Quickly dodge!” Xiang Kunlun exclaimed and dodged to the side.

King of Destruction and the others also dodged.

Rumble The huge sword pressed down heavily, and a battleship was directly cut in half!

A thousand-meter-long ravine was formed in the sea, like an abyss!

The seawater flowed back and the ravine could not heal for a long time!

Xiang Kunlun and the others landed on the sea and used their True Qi and energy to stabilize themselves on the sea!

Although they dodged the sword, the sword intent that burst out was sharp enough to cut their bodies!

Blood flowed down and dripped into the sea, causing blood to splatter!

Powerful!

Too powerful!

In the past, they had only heard of Kagura Kenshin's name and had never interacted with him!

However, after exchanging blows today, they realized how powerful Kagura Kenshin was!

Furthermore, they were certain that Kagura Kenshin was definitely an Earth Immortal!

Furthermore, he was even stronger than Shen Yuanhui and Lu Qingcang whom they had dealt with not long ago!

An Earth Immortal was ultimately out of reach for them!

At this point, they started to wonder if Yang Luo had successfully transcended the tribulation!

If Yang Luo successfully transcended the tribulation and became an Earth Immortal, he might be able to resist this guy!

Kagura Kenshin said indifferently, "Aren't you guys going to leave?"

"Do you really want to lose your lives?" Xiang Kunlun said in a trembling voice, "I said that as long as you hand over my brother, we'll leave immediately!" Kagura Kenshin sighed softly and said, "Since you guys are so ignorant, don't blame me!" As he spoke, Kagura Kenshin raised his right hand and slashed at Xiang Kunlun and the others again!

Swoosh!

This strike was still simple and direct, but the sword intent and sword power that erupted were incomparably powerful!

A huge white sword pressed down on Xiang Kunlun and the others!

The surrounding sea surged and huge waves surged into the sky.

It was incomparably spectacular!

Masahiro Ono shouted excitedly, "Good job, Sword Saint.

Kill them, kill them!" He hated the people of the Holy Imperial Court to the core!

Not long ago, the commanders of the other eleven countries joined forces to kill Yang Luo!

Unexpectedly, at the critical moment, the Holy Imperial Court actually rushed over!

This resulted in them not being able to kill Yang Luo and causing them to suffer heavy losses!

Of course, it would be even better if Yang Luo came.

He could destroy them all!

Purgatory Death God looked at the distant sea with a solemn expression.

He could not help but grit his teeth and clenched his fists tightly.

He wanted to fight alongside his brothers, but he was too injured and tied up by ropes.

He could not move at all.

Everyone from the Holy Imperial Court present were also extremely anxious.

They could not help at all in a battle of this level.

“Counterattack!” Xiang Kunlun roared and mobilized the True Qi in his body to the limit, launching a counterattack!

King of Destruction and the others also continuously mobilized the energy in their bodies and launched a counterattack!

At that very moment Rumble!

Kagura Kenshin’s sword collided heavily with the attacks of Xiang Kunlun and the others, erupting with the sound of rolling thunder!

In less than a few seconds Rumble!

The attacks launched by Xiang Kunlun and the others were all destroyed again!

“Ahhhh” Xiang Kunlun and the others cried out in pain as they were sent flying one after another and fell into the distant sea!

The waves splashed out in one huge wave from the sea!

Not only did Kagura Kenshin’s sword send Xiang Kunlun and the others flying, but it also left bloody wounds on their bodies!

Everyone’s skin and flesh were torn everywhere.

It was very tragic!

Just as Xiang Kunlun and the others were sent flying!

Kagura Kenshin waved the sword in his hand again!

In the blink of an eye!

Countless white swords condensed and shot towards Xiang Kunlun and the others from all directions!

Whoosh!

Whoosh!

Whoosh!

Whoosh!

A sharp sound of air being torn apart resounded!

Each sword seemed to be material and contained a powerful sword intent, as if it wanted to destroy everything!

“Quickly defend!” Xiang Kunlun shouted and condensed a huge black-gold True Qi barrier that enveloped everyone!

“Atmospheric Barrier!” King of Destruction waved his hand!

The surrounding atmosphere began to compress and gather, turning into an invisible barrier that enveloped everyone!

“Divine Light Protection!” Goddess of Fate waved her right hand!

A lustrous white light barrier condensed and enveloped everyone!

Heavenly Sirius, Xu Ying, and the others also condensed energy shields and True Qi shields to resist the attacks of the flying swords!

A total of 13 layers of True Qi and energy barrier enveloped Kunlun and the other 13 people!

Dong, dong, dong!

The flying swords that filled the sky crazily bombarded the 13 layers of barrier, their momentum shaking the heavens!

In less than a few seconds!

Dong!

The first layer of the barrier shattered and exploded, turning into light fragments that shot out!

A few more seconds passed!

Dong!

The second layer of the barrier also shattered and exploded!

In less than half a minute!

Crack crack crack Another four layers of barriers were shattered!

Kagura Kenshin was too powerful!

Even if the thirteen of them condensed their defenses, they could not stop his attack at all!

The experts on the Divine Ranking were indeed not easy to deal with!

Chapter 1443: Golden Figure!

Xiang Kunlun said angrily, "Since we can't block it, let's fight it out with this guy!" "Alright!" Everyone responded in unison.

"Kun Peng Treasured Seal!" Xiang Kunlun raised his hands and True Qi gathered continuously, turning into a black and golden flame seal that pushed forward!

Rumble rumble rumble!

The huge seal of black and golden flames flew out, causing the void to tremble!

The huge seal expanded in the wind and turned into the size of a mountain as it smashed towards Kagura Kenshin!

"Atmospheric Punch!" King of Destruction twisted his fist, mobilized the Atmospheric Superpower and Violent Tremor Superpower in his body, and blasted them out!

An invisible huge fist smashed out, and shockwaves spread out, causing a series of sonic booms to erupt in space!

"Demon Wolf Devours the Heavens!" Heavenly Sirius shuddered before letting out an explosive roar!

A black-red beam of light soared into the sky and transformed into a huge black-red demon wolf that charged forward!

“Radiant True Body!” Goddess of Fate also mobilized the magical energy in her body and waved her fair hand!

A huge Radiant phantom of a witch condensed in the sky and stood on a Pegasus that was emitting a white light and holding a spear of light.

It had wings of light and was extremely holy!

The Radiant Witch rode her Pegasus and charged forward!

“Sea God’s True Body!” Sea Burial King’s body trembled!

A dark blue giant holding a huge saber appeared above him and charged forward!

“Sacred Light of Blood!” Dark Baron mobilized all the energy in his body and waved his hand!

Clink clink clink!

Densely packed blood-colored beams of light shot out and headed straight for Kagura Kenshin!

“God of Titans!” King of Titans also let out a roar!

A black giant holding a huge axe stood up from his body!

“Titan Tomahawk!” King of Titans roared.

He gripped the black ax in his hand tightly and slashed out heavily!

The black giant that enveloped him also slashed out with its axe!

It was also when they attacked Xiang Kunlun and the others!

Xu Ying and the others also launched a fierce attack!

Layers and layers of attacks stacked together.

It was extremely spectacular!

Many flying swords that shot over were destroyed in large numbers!

Ono Masahiro, who was standing on the shore of the island in the distance, wiped his cold sweat.

These guys were really terrifying.

Fortunately, he had the Sword Saint.

Otherwise, he would have been finished long ago.

However, facing the attacks of the King of Destruction and the other 13 people Kagura Kenshin's expression was calm.

With a shake of his body, a condensed and huge white True Qi barrier condensed and enveloped him.

Dong, dong, dong!

Boom!

Boom!

Boom!

Layers of attacks struck the True Qi barrier, producing shocking bangs!

A large amount of True Qi and energy erupted and rippled in all directions!

However, no matter how ferocious the attacks of Xiang Kunlun and the others were, they could not break through the defense of Kagura Kenshin!

Then, Kagura Kenshin stepped on the air!

The True Qi barrier that enveloped his body exploded with a bang and surged out like a mountain flood!

Furthermore, as the True Qi surged out, Kagura Kenshin also swung his sword!

Rumble!

The attacks launched by Xiang Kunlun and the others were all destroyed!

“Ahhhh” Everyone screamed and was sent flying again.

Everyone’s injuries became even more serious!

“Your Excellencies!” The people from the Holy Imperial Court shouted in shock.

Many people rushed over, wanting to help.

However, before they could approach, they were sent flying by the waves of air that erupted from Kagura Kenshin's body.

"Second Brother, Fourth Brother, Fifth Brother Don't worry about me.

Hurry up and leave!" Purgatory Death God gritted his teeth and shouted loudly.

He also knew that Xiang Kunlun and the others were no match for Kagura Kenshin.

If they continued fighting, Xiang Kunlun and the others would probably die here.

"Hahaha" Masahiro Ono smiled even more smugly, "Alright, the Sword Saint is mighty!

Just like that, kill them in one go!" Kagura Kenshin still had an indifferent expression as he waved his left hand!

At that very moment Flames surged out of his body and seemed to have turned into a sea of flames that surged towards Xiang Kunlun and the others!

Moreover, the flames were black and extremely hot, like hellfire that wanted to burn everything to ashes!

A large amount of seawater evaporated, turning into water vapor that rushed into the sky!

Everything floating on the sea was burned.

Even the iron pieces were melted!

"Retreat!" Xiang Kunlun roared and led everyone to retreat!

However, no matter how fast everyone retreated, they were still burned by this strange flame!

Everyone could only retreat and counterattack at the same time!

“Kun Peng Divine Fire!” “Lava Sea of Fire!” Xiang Kunlun and the Lava Tyrant erupted with the black-gold flames and dark red lava in their bodies at the same time!

The flames and lava seemed to have turned into two seas that surged up!

Rumble!

However, the black flames that erupted from Kagura Kenshin were too powerful.

They directly swallowed the surging flames and lava!

“Chaotic Tsunami!” Sea Burial King suddenly stomped down!

A huge tsunami was triggered on the sea.

A large amount of seawater surged up and turned into a thick sea wall, wanting to block the black sea of fire that surged over!

However, the sea wall only resisted for a few minutes before it was destroyed by the black sea of fire and evaporated all the seawater!

Prajna then waved the Sun and Moon Divine Staff and condensed a thick wall of ice to block!

However, it was still destroyed in less than a few minutes!

The ice was also completely burned, and the water turned into ice was completely evaporated!

Sea Burial King exclaimed, "This flame is too strange.

Even water and ice can't extinguish it!" "This should be the origin fire in his body.

Ordinary water and ice can't restrain it at all!

Of course, most importantly, his cultivation is high enough.

He's a true Earth Immortal!" Xiang Kunlun replied, "Don't hold back.

Continue to counterattack!" No one dared to hesitate and continued to counterattack!

Rumble!

However, no matter how ferocious everyone's attacks were, they were still burned by the black flames and exploded!

"I won't play with you anymore.

This is my last move.

I'll take your lives!" Kagura Kenshin's eyes turned cold as killing intent flickered.

If the old Divine Emperor of the Holy Imperial Court was still around, he would not dare to kill anyone from the Holy Imperial Court.

But now, the old Divine Emperor had long disappeared.

He was not afraid of the Holy Imperial Court at all.

He was the dignified Sword Saint of Country Sakura and an expert on the World Divine Ranking!

The people from the Holy Imperial Court had already come to his door.

If he did not kill them, any Tom, Dick, or Harry would dare to provoke him in the future!

Where was his reputation as a Sword Saint?

With a cold shout!

Kagura Kenshin swung his sword!

Waves of sword intent that were like landslides and tsunamis instantly erupted, turning into 13 huge white swords that shot towards Xiang Kunlun and the others!

Whoosh!

Whoosh!

Whoosh!

Whoosh!

Every huge sword was extremely condensed, like a real sword.

It was unstoppable and wanted to destroy everything!

Xiang Kunlun and the others continued to counterattack, but they could not defend against the 13 huge swords at all and were all destroyed!

“Your Excellencies!” “Second Brother, Fourth Brother, Fifth Brother!” The people from the Holy Imperial Court and Purgatory Death God shouted out anxiously.

Masahiro Ono was so excited that his face turned red!

These dogs were about to die!

However, just as the thirteen swords shot towards everyone!

Suddenly!

Whoosh!

Whoosh!

Whoosh!

Whoosh!

Nine huge golden swords tore through the sky and shot over from afar!

Nine golden dragon phantoms that were getting larger and more corporeal roared!

In a flash!

Rumble!

A series of shocking explosions immediately sounded!

The thirteen white swords and the surging black sea of fire were all destroyed!

A huge abyss vortex was blasted out in that sea area.

It was incomparably terrifying!

“Who’s there?!” Kagura Kenshin’s expression darkened as he turned to look into the distance.

Everyone present turned to look into the distance.

A golden figure flew over from afar and instantly arrived above the sea!

Chapter 1444: Challenging the Sword Saint!

The person was dressed in simple casual clothes.

He was thin and tall, had a delicate face, and his body shone with golden light.

He held a golden sword!

Everyone looked at this figure in a daze, feeling as if a god had descended!

This person was Yang Luo!

After a moment of silence.

“Brother Yang!” “Brother Yang!” Xiang Kunlun and the others were pleasantly surprised.

“F\*ck me!” Bujie’s eyes widened, “Brother Yang, could it be that you’ve already successfully transcended the tribulation and stepped into the Earth Immortal realm?!” Lin Wenxuan said, “Isn’t that obvious?”

If Brother Yang hadn’t stepped into the Earth Immortal realm, why would he be flying in the air!”  
“Awesome!

He’s really awesome!” Bujie was overjoyed.

“Brother Yang is too awesome!” Prajna shouted excitedly.

“Brother Yang, congratulations!” Xiang Kunlun cupped his hands at Yang Luo.

Everyone was also very happy.

After all, when they rushed here, Yang Luo was still transcending the tribulation and was in danger.

Unexpectedly, after a night, Yang Luo actually succeeded in transcending the tribulation and even stepped into the Earth Immortal realm.

Goddess of Fate stared intently at Yang Luo, her beautiful eyes shining.

The man she liked was getting stronger and stronger.

Purgatory Death God and the people from the Holy Imperial Court were also extremely excited.

The stronger Yang Luo was, the more hope the Holy Imperial Court had of returning to the peak of the Dark World.

“Yang Luo, so it’s you, you dog!!!” Masahiro Ono roared.

The anger in his heart instantly erupted, making him tremble with anger.

He had long hated Yang Luo to the extreme!

Yang Luo ignored Masahiro Ono.

He rushed towards Kunlun and the others and asked, “Everyone, are you alright?” “Don’t worry, we won’t die!” Xiang Kunlun waved his hand.

Yang Luo nodded and looked up at Purgatory Death God, “Brother, I’ll bring you out of here!” “Yes!” Purgatory Death God nodded heavily.

“You’re Yang Luo?” Kagura Kenshin looked up at Yang Luo and sized him up.

“I’m Yang Luo!” Yang Luo replied and said in a low voice, “You’re the number one expert of Country Sakura, one of the experts on the World Divine Ranking, the titled ‘Sword Saint’, Kagura Kenshin, right?” “That’s right!” Kagura Kenshin replied indifferently.

Yang Luo said loudly, “Kagura Kenshin, I don’t care if you’re the number one expert in Country Sakura or an expert on the Divine Ranking!

“Now, immediately, right away, let my brother go!” Kagura Kenshin’s eyes were cold as he said, “This Purgatory Death God is extremely daring.

He actually dared to come to my Heavenly God Island to kill someone!

“If I don’t kill this guy, where will my dignity go?” Yang Luo said domineeringly, “I don’t care about this.

I just want you to let him go!” He also sensed that although Kagura Kenshin was an Earth Immortal, he was only slightly stronger than Shen Yuanhui and Lu Qingcang.

In other words, Kagura Kenshin’s cultivation should be at the mid-stage Earth Immortal Realm.

When he was at the perfected Dao Convergence realm, he was able to fight an early-stage Earth Immortal.

Now that he had already stepped into the early-stage Earth Immortal Realm, he naturally did not fear the middle-stage Earth Immortal Realm.

Furthermore, he had long wanted to meet this legendary Sword Saint.

“What if I don’t?” Kagura Kenshin narrowed his eyes and asked.

Yang Luo said in a loud voice, “If you don’t let go, I’ll fight you!” “Hehe” Kagura Kenshin chuckled and said, “Kid, I have to admit that you’re indeed a one in a million genius.

You actually stepped into the Earth Immortal realm in such a short period of time.

However, your cultivation level is still inferior to mine.

Moreover, you’ve just stepped into the Earth Immortal Realm.

Can you defeat me?” “Then let’s give it a try!” Yang Luo raised the sword in his hand and pointed it at Kagura Kenshin.

Coincidentally, he had just stepped into the Earth Immortal Realm and wanted to test how far his strength had increased.

“Sword Saint, don’t waste your breath on him.

Kill him, quickly kill him!” Masahiro Ono roared from behind.

Kagura Kenshin ignored Masahiro Ono and looked at Yang Luo coldly.

“Kid, since you have a death wish, I’ll fulfill your wish!” Before his voice could fade Dong!

A white beam of light soared into the sky from his body and pierced through the clouds!

His hair fluttered, his clothes fluttered, and his eyes flickered with white light!

Above him, an overwhelming white light covered the sky, dazzling!

After all, Yang Luo was a true Earth Immortal.

He naturally did not dare to be too arrogant and went all out!

Yang Luo rushed forward as he shouted at Xiang Kunlun and the others, “Brothers, retreat!” Xiang Kunlun and the others did not stay on the spot and hurriedly retreated!

After Xiang Kunlun and the others left!

Yang Luo’s body shook!

Dong!

A bedazzling golden beam soared into the sky and pierced through a large sea of clouds!

A huge vortex appeared in the chaotic aura in the firmaments!

His body and eyes also flickered with a dazzling golden light!

The sky above him was covered in a large patch of golden light that hurt ones eyes!

At this moment The sky within a radius of 100,000 meters seemed to have been divided into two.

One was gold, and the other was white.

It was terrifying.

Before the two of them attacked, the pressure and aura that erupted had already started an intense collision!

Boom!

Boom!

Boom!

The sky and sea within a radius of 100,000 meters trembled violently!

The sea surged crazily, and huge waves soared into the sky!

It was as if the sky and the sea were upside down!

Bujie's lips twitched, "Oh my god, Brother Yang, who has stepped into the Earth Immortal Realm, has become even more abnormal!" "Is this still the Brother Yang we know" Prajna muttered, completely shocked.

Xiang Kunlun and the others were also shocked.

However, everyone's gazes became even more determined.

They had to become stronger!

They could not be left too far behind by Yang Luo!

At this moment.

Kagura Kenshin stood in the air and was also shocked!

What was this situation?

This kid's cultivation was clearly lower than his, so how could he withstand his pressure and aura?

This was especially so for Masahiro Ono, who was dumbfounded.

He could also feel that Yang Luo seemed to have become stronger!

How long had it been since they surrounded this little bastard last time?

Why had his strength increased so much?

"D\*mn it!" How hateful!

Kagura Kenshin said in a deep voice, "Kid, no wonder you dared to challenge me.

Looks like you're indeed not simple!

However, I'll let you know that the difference in cultivation can't be made up for!" As he spoke, Kagura Kenshin raised the Kusanagi Sword in his hand and slashed at Yang Luo!

"Tenshou Sword Technique!" Swoosh!

A huge white sword tore through the void, chaotic the world, and slashed at Yang Luo!

A powerful and vast sword intent erupted and wreaked havoc in all directions!

As Kagura Kenshin's sword slashed over!

Yang Luo did not dodge or retreat.

With a flip of his wrist, he waved the Dragon Emperor Sword and slashed diagonally!

"Emperor Dragon Sword Technique!" Swoosh!

A huge golden sword shook the world, shaking the void as it faced the attack!

Waves of sword qi that were infinitely close to sword intent erupted, stirring the wind and clouds in all directions!

At that moment Clang!

The two swords collided fiercely.

The sound shook the sky and shook the world!

At the place of the collision, there seemed to be electric currents and flames flashing, making one's heart palpitate!

Finally, accompanied by a rumbling explosion!

Yang Luo and Kagura Kenshin were sent flying at the same time!

Kagura Kenshin was sent flying more than 80 meters away before stabilizing his body!

Yang Luo was sent flying more than 90 meters away and stabilized his body!

But the protective True Qi on their bodies blocked the other party's sword intent and sword qi!

In an instant The raucous crowd turned silent!

"Oh my god, God Mr.

Yang actually withstood this guy's sword?!" A member of the Holy Imperial Court exclaimed.

He originally wanted to call Yang Luo the Divine Emperor, but when he thought that this matter had to be kept a secret, he hurriedly changed his words.

"Isn't that so?

You have to know that even when the Divine Kings joined forces just now, they couldn't do anything to this guy!" "Although Mr.

Yang is slightly at a disadvantage, it's already very unbelievable!" "Mr.

Yang is stronger than before.

Good, that's great!" All the members of the Holy Imperial Court cheered excitedly.

Chapter 1445: Pure Yang True Fire VS Amaterasu Divine Fire!

Xiang Kunlun, King of Destruction, and the others also punched out heavily in excitement!

One had to know that Kagura Kenshin was a true Earth Immortal and was extremely powerful!

Just now, even if they joined forces, they could only be crushed!

However, they did not expect Yang Luo to be able to resist Kagura Kenshin after stepping into the Earth Immortal realm!

In other words, Yang Luo was already comparable to an expert on the Divine Ranking!

At this moment.

Kagura Kenshin frowned, his face filled with disbelief, "How is this possible?"

How can you withstand my attacks?"

My cultivation level is clearly higher than yours!" Yang Luo said loudly, "Kagura Kenshin, cultivation is not the only standard to measure a cultivator's strength!" "Nonsense!" Kagura Kenshin didn't believe it at all, "The difference in cultivation level represents the difference in strength.

How can it be made up for!" This was also the reason why he had never been able to defeat Blue Luan.

This was because his cultivation was lower than the Blue Luan.

Yang Luo shook his head and said, "I originally thought that as the Sword Saint of Country Sakura and an expert on the World Divine Ranking, your horizons should be very high!

But looking at it now, your horizons are only so-so!

It's fine if your land area is small, but I didn't expect your horizons to be so small!" "Insolent!" Kagura Kenshin was so angry that his brows twitched.

He took a step in the air and turned into a white stream of light that charged towards Yang Luo!

Bujie clicked his tongue and said, "Brother Yang's ability to insult others is getting stronger and stronger.

Look at how angry this Little Baka is." Xiang Kunlun shrugged and said, "However, Brother Yang is right.

Kagura Kenshin's horizons are indeed very low.

Perhaps this is also the reason why this guy has been inferior to the other experts on the Divine Ranking for so many years." Seeing as Kagura Kenshin charged over!

"You're angry just because I said a few words to you?

To think that you're an Earth Immortal.

Don't you have this bit of magnanimity?" Yang Luo said indifferently.

Then, his figure flashed and transformed into a golden bolt of lightning that charged forward!

In an instant!

Yang Luo closed the distance between him and Kagura Kenshin and swung his sword again!

Clang!

The two huge swords tore through the void and collided fiercely!

The sword intent and sword qi also engaged in an intense battle.

Like a wave, the waves spread out!

The collision of the two swords created a hole in the void!

Dense pitch-black cracks spread in all directions like a spider web!

After this collision!

Yang Luo and Kagura Kenshin were sent flying again!

Moreover, this time, Yang Luo was only slightly at a disadvantage!

Kagura Kenshin got even more furious!

He shook his head vigorously and said angrily, "Impossible!

This is absolutely impossible!" He had been blocked by Yang Luo twice in a row.

This made him feel very embarrassed!

He was the dignified Sword Saint of Country Sakura and an expert on the World Divine Ranking.

Could it be that he could not even defeat a brat now?

Before his voice could fade Kagura Kenshin's entire body trembled, and his aura erupted as he unleashed his full combat strength!

Waves of overwhelming pressure and aura instantly swept in all directions!

"Young brat, I must defeat you and kill you today!" As he spoke, he suddenly waved the sword in his hand!

"Sword Master of Heaven and Earth!" The sword swung out in one wide arc!

Whoosh!

Whoosh!

Whoosh!

Whoosh!

Countless white flying swords condensed and shot towards Yang Luo!

Every single sword seemed to be corporeal, incomparably sharp, invincible, and indestructible!

Sword light flickered, sword intent surged, and the power of heaven and earth gathered, surging through the sky!

The moment the countless flying swords shot over!

Yang Luo's body trembled as well.

He unleashed his aura and combat strength!

His body and eyes flickered with an even more dazzling golden light!

An even larger golden dragon phantom coiled around his body!

Then, he suddenly swung his sword!

“Ten Thousand Swords Break Through the Sky!” Whoosh!

Whoosh!

Whoosh!

Whoosh!

Countless golden flying swords instantly condensed and shot out!

Every flying sword contained sword qi and a trace of the power of heaven and earth!

Therefore, the power of this move was even stronger than before!

In the blink of an eye!

Boom!

Boom!

Boom!

The golden flying sword and the white flying sword collided in the air with an overwhelming force, emitting sounds akin to muffled thunder!

A large number of flying swords exploded in the sky, turning into a rain of light that filled the sky and scattered!

The sea of clouds in the sky surged, and huge waves surged into the sky below!

Although Kagura Kenshin's move was extremely terrifying, it was still blocked by Yang Luo!

"He blocked it again.

Brother Yang actually blocked it again!" Bujie was instantly overjoyed, "Hahaha, this Little Baka can't do anything to Brother Yang at all.

Impressive!" Xu Ying also sighed in admiration, "Kagura Kenshin's cultivation level is clearly higher than Brother Yang's, but he can't suppress Brother Yang!

Looks like Brother Yang's strength has really increased greatly after stepping into the Earth Immortal Realm!" Xiang K unlun and the others were also in awe.

Especially the people from the Holy Imperial Court, they admired Yang Luo even more.

However, Masahiro Ono was extremely shocked.

Kagura Kenshin was the number one expert in Country Sakura.

But why couldn't he kill this little beast?

Why was this little bastard so difficult to kill?

At this moment.

Kagura Kenshin could no longer remain calm, and his expression completely darkened.

He had executed three consecutive moves, but every move was blocked by the kid in front of him.

Moreover, he could clearly feel that the gap between him and this kid in front of him was shrinking continuously.

This was simply unacceptable to him.

Yang Luo looked up at Kagura Kenshin and said loudly, "Kagura Kenshin, come, let's continue!" Kagura Kenshin said coldly, "Young brat, don't be smug.

My strength is not limited to this!" "Is that so?" Yang Luo smiled faintly and said, "Then use all your methods!

I want to see how strong you are!" "As you wish!" Kagura Kenshin replied before taking a step down from the sky and letting out a deafening roar!

"Amaterasu Divine Fire!" At that very moment Terrifying black flames surged out of his body, turning into a black sea of fire that surged towards Yang Luo!

A sea of flames surged and burned the sky and sea as it headed straight for Yang Luo!

Just as the black sea of fire surged over!

Yang Luo also took a step in the air!

“Sea of Purgatory Fire!” Fierce and violent golden flames erupted from his body, transforming into a golden sea of fire that surged forward!

The burning power of the golden flames was terrifying to the extreme.

The clouds in the sky were burned, and everything in the sea below was burned.

It was extremely strong and tyrannical!

The Amaterasu Divine Fire that erupted from Kagura Kenshin was the fire of extreme yin, while the Pure Yang True Fire that erupted from Yang Luo was the fire of extreme yang!

In the blink of an eye!

Hong The golden sea of fire and the black sea of fire collided in the sky, and a muffled collision resounded through the world and shook the surroundings!

With just one collision, a hole was blasted in the void.

It was incomparably terrifying!

The Extreme Yang Fire and Extreme Yin Fire clashed in the sky, entangling each other and spreading out like a wave!

The two flames wanted to devour and destroy each other, but they could not!

In less than a few minutes.

Rumble!

The two flames shattered and exploded in the collision, turning into flames that filled the sky!

“How could this be?” Kagura Kenshin’s expression changed drastically as he stared fixedly at Yang Luo, “The Amaterasu Divine Fire is my source fire.

It can restrain and devour all the flames in this world!

But why can’t it restrain and devour the flames you erupt with?!” Yang Luo said indifferently, “This Pure Yang True Fire is also my source fire.

It’s specially used to deal with the evil and dark things in this world!

Although your Origin Fire is powerful, don’t even think about restraining my Pure Yang True Fire!

Unless, you have the cultivation and strength to completely crush me!

However, it’s obvious that you do not possess this strength yet!

Perhaps it’s not easy for me to kill you now, but it’s also very difficult for you to kill me!” “What nonsense!” Kagura Kenshin roared, “My cultivation level is higher than yours.

It’s not difficult for me to kill you at all!” With this loud roar!

Kagura Kenshin’s figure flashed and transformed into a white bolt of lightning that charged towards Yang Luo!

Yang Luo’s figure flashed as well, turning into a golden stream of light that charged forward!

In an instant!

The two of them closed the distance and fought!

In the following period of time The two of them moved at high speed in the sky and engaged in a close combat!

The two of them appeared in the sea of clouds, the sea, and the sky above the island!

It was so fast that no one present could see the two of them clearly!

Even Xiang Kunlun and the others could barely see their afterimages!

Chapter 1446: Shocking Battle!

Clang!

Clang!

Clang!

Boom!

Boom!

Boom!

Intense collisions and explosions sounded non-stop!

True Qi, sword qi, sword intent, and the power of heaven and earth also collided continuously!

In the sky, seas of clouds were destroyed!

Void holes were blasted in midair!

Huge waves surged on the sea!

The scene in front of them was simply destructive and incomparably terrifying!

It was unknown how many rounds they both fought!

Rumble!

Accompanied by a shocking explosion!

The void was split open once more!

Yang Luo and Kagura Kenshin were sent flying at the same time!

In the battle just now, their bodies were cut open and blood flowed non-stop!

However, the two of them were true Earth Immortals.

Their self-healing abilities had already surpassed ordinary people and their recovery abilities were extremely strong!

After stabilizing their bodies Kagura Kenshin looked at the bloody wounds on his body and his expression darkened to the extreme!

If this was caused by Blue Luan, it would be fine!

After all, his cultivation and strength were inferior to her!

However, he did not expect to be injured by this kid in front of him!

This was simply unbelievable!

King of Destruction said excitedly, "Brother Yang was only able to fight against Kagura Kenshin just now!

But I didn't expect Brother Yang to actually manage to injure Kagura Kenshin!" Sea Burial King also sighed in admiration, "That's right.

Although Brother Yang is also injured, this is already very unbelievable!

After all, Kagura Kenshin has long been considered a famous expert on the Divine Ranking!

It's already very rare for Brother Yang to be able to fight him to this extent!" Xiang Kunlun sighed and said, "Brother Yang is now advancing towards the strongest.

We have to work harder and improve ourselves!" "Yes!" Everyone nodded heavily, their eyes filled with determination.

At this moment.

In the distant sky.

Kagura Kenshin said angrily, "Young brat, you've completely angered me!

“I’ll get serious and kill you!” Yang Luo met Kagura Kenshin’s gaze and replied in a loud voice, “If you want to kill me, it depends on whether you have the ability!” Without any hesitation, Kagura Kenshin stomped down from the sky and roared!

“Divine Beast of Amaterasu, Summon!” “Shuukaku, Nekomata, Isonade, Sokou, Houkou, Raijyuu, Kaku, Hachimata, Nine-Tailed Fox!” At that very moment Nine arrays of light that flickered with various colors condensed in the sky!

Nine beams of light soared into the sky from the light array.

Nine huge illusions condensed and stood in the sky, exuding an oppressive aura!

“Damn, what the hell is this?” Bujie was instantly stunned.

Xiang Kunlun stared at the sky and said, “These nine behemoths are the nine ancient divine beasts of Country Sakura.

Many ancient books have records of them and they have various abilities!

Many people in Country Sakura also used them as a prototype to create some literary works and comics!” “I see.” Bujie nodded in realization and curled his lips, “The ancient divine beasts of Country Sakura all look strange.

I think I prefer the ancient divine beasts of our Country Hua.” Just as the two of them were talking!

Kagura Kenshin waved the sword in his hand and pointed forward!

“Kill!” The nine divine beasts rushed out and pounced at Yang Luo!

On the way to kill Yang Luo!

These nine divine beasts erupted with the power of the nine elements of metal, wood, water, fire, earth, wind, lightning, poison, and darkness!

Nine energy beams shot out from the nine divine beasts' mouths and shot towards Yang Luo!

"The divine beasts of Country Sakura, right?" Yang Luo looked disdainful, "Can it compare to the true dragon of Country Hua?" As he spoke, Yang Luo's body shook and he roared!

"Nine Heavens, Dragon's Fury!" "Roar, roar, roar!" Accompanied by a series of vast dragon roars!

Nine incomparably huge golden dragon phantoms roared and collided with the nine divine beasts!

Moreover, these nine golden dragon phantoms spat out nine energy beams on the way out!

These nine energy beams also contained the power of the metal, wood, water, fire, earth, wind, lightning, ice, and dark nine attributes!

At that very moment Dong, dong, dong!

The 18 energy beams collided in the sky, exploding into dazzling and huge energy balls that bloomed like fireworks!

Boom!

Boom!

Boom!

The nine golden dragon phantoms collided fiercely with the nine divine beasts and exploded in the sky!

The world shook violently, and the sea churned.

It was shocking!

Seeing as Yang Luo had blocked his move again and was not at a disadvantage!

Kagura Kenshin became even more anxious and uneasy!

He gritted his teeth and roared, "Young brat, I don't believe you can continue blocking!" As he spoke, he stepped down from the sky again and roared!

"Ancient Heavenly God" Summon!" "God of Amaterasu, Izanami, Izanagi, God of the Mountains!"  
Four more light arrays condensed in the sky!

Following the four beams of light that shot into the sky!

Four 100-meter-tall giant illusions stood up, emitting traces of the aura of gods!

Bujie clicked his tongue and said, "This fellow is quite powerful.

First, he summoned a divine beast, and now he's starting to summon a god?" Xu Ying said coldly, "No matter what killer move he uses, I believe Brother Yang will definitely be able to block it!" "That's right!"  
Lin Wenxuan nodded, "This fellow's cultivation is indeed higher than Brother Yang's, but it's not to the extent of crushing Brother Yang!

Brother Yang's physique is special.

Moreover, along the way, Brother Yang has experienced hundreds of battles and experienced countless life and death tempering.

He can completely make up for some of the difference!" Xiang Kunlun and the others nodded.

They were also very confident in Yang Luo.

“Kill him!” Kagura Kenshin waved the sword in his hand again and pointed it forward!

The four Heavenly Gods charged at Yang Luo!

The destructive power and strength released by the four Heavenly Gods were even stronger than the nine divine beasts just now!

Seeing the four Heavenly Gods charging over!

Yang Luo did not hesitate at all.

His entire body shook again as he roared!

“Primal Heavenly Art!” “Gonggong, Zhurong, Qiangliang, Houtu, Goumang, Rushou!” In an instant!

Six ancient totems condensed into form and transformed into the illusions of six ancient ancestral Magi, which were the illusions of gods and devils!

Each of them was close to a hundred meters tall and towered into the clouds.

It was shocking!

“Crush them!” Yang Luo waved the sword in his hand and pointed forward!

The six ancient Magi moved at the same time and charged forward!

In a flash!

Rumble!

Rumble!

Accompanied by earth-shattering collisions and explosions!

The four ancient heavenly gods collapsed and exploded!

Five of the six ancient Magi exploded, and the remaining one continued to attack the Kagura Kenshin!

“What?!” Kagura Kenshin was shocked.

Previously, Yang Luo had only been passively blocking his killer move.

Unexpectedly, he was starting to suppress him.

What sort of joke was this?

Just as Kagura Kenshin was in a daze!

Yang Luo also charged over from afar!

Kagura Kenshin did not dare to be careless.

His body immediately trembled as he activated his Dharma Idol!

A giant in a white kimono and holding a huge white sword stood above him!

“Cut!!” Kagura Kenshin let out a roar and waved the sword in his hand!

The Dharma Idol that stood above him also swung its sword!

The two huge swords slashed out at the same time, tearing through the world and directly killing the last ancient Ancestral Magi!

And right at this moment Yang Luo also let out a roar!

“Cosmic Form!” Under everyone’s watchful eyes A hundred-meter-tall giant holding a huge golden sword stood above him like an ancient sword immortal descending.

It was majestic and peerless!

“Oh my god, Brother Yang actually has a Dharma Idol too?!” “Perhaps only by stepping into the Earth Immortal Realm can one have their own Dharma Idol!” “This is too surprising, too shocking!” Everyone cried out in surprise, their eyes filled with shock.

After activating the Dharma Idol!

Yang Luo and his Dharma Idol also slashed out at the same time!

In an instant!

Clang!

The swords of the two Dharma Idols collided in the sky!

Yang Luo and Kagura Kenshin’s swords collided in midair!

The commotion was huge, shaking the heavens and the earth!

At this moment Yang Luo and Kagura Kenshin maintained their sword-wielding postures and launched an intense confrontation.

Neither of them took half a step back!

Then, Kagura Kenshin roared!

“Hachimaki, Magatama!” A bronze mirror and six precious jades flew out of his sleeve and continued to expand in the sky!

Chapter 1447: If You Kill Him, I'll Kill You!

The Kusanagi Sword in Kagura Kenshin's hand, as well as the Hachimaki and Magatama were the three great divine artifacts of Country Sakura!

Bujie exclaimed in shock, “Holy sh\*t, so the three great divine artifacts of Sakura Country are actually in the hands of this Little Baka!” Prajna said with a solemn expression, “All these years, there have been rumors that the three divine artifacts are in Kagura Kenshin's hands.

I didn't expect it to be true!

The power of the Hachimaki and the Yasaka no Magatama are very terrifying.

I wonder if Brother Yang can withstand them!” At this moment.

In the distant sky.

After the Hachimaki was enlarged, it shot out a dazzling beam of light, as if it wanted to illuminate the past, present, and future!

The Magatama shot out a beam of light at the same time, as if they wanted to destroy everything in the world!

Each beam of light contained a powerful and vast attribute power, as well as the power of heaven and earth, with endless destructive power!

However, the moment the beams of light shot over!

Yang Luo also let out a roar!

“Ten Thousand Dragon Cauldron!” Rumble!

Rumble!

Accompanied by a trembling sound!

A golden cauldron flew out of Yang Luo’s storage ring and soared into the sky!

Initially, the golden cauldron was only the size of a palm.

However, after flying out of the storage ring, it expanded by a thousand feet and covered the sky!

Golden light illuminated the world.

The ancient Barbarian reliefs drawn on it were primordial and majestic, shocking everyone!

The body of the cauldron was engraved with ancient Azure Dragon patterns and runes, mysterious and unfathomable!

Boom!

Boom!

Boom!

The beams of light that shot over were all blocked by the Ten Thousand Dragon Cauldron!

Moreover, the Ten Thousand Dragon Cauldron was unscathed and only trembled slightly!

“F\*ck me!” Bujie was stunned, “What kind of Dharma artifact is this golden cauldron?”

It’s actually so powerful.

It can even completely block the attacks of two divine artifacts?!” “Strange, when did Brother Yang obtain this golden cauldron?” “Yeah, I don’t think I’ve seen it before!” “This golden cauldron is extraordinary.

Just the aura it emitted is enough to make one’s heart palpitate!” Xu Ying, Prajna, and Lin Wenxuan exclaimed in shock.

Xiang Kunlun and the others were also shocked.

They originally thought that the two Dharma artifacts summoned by Kagura Kenshin would have suppress Yang Luo.

However, they did not expect the golden cauldron that Yang Luo summoned to be even stronger.

Kagura Kenshin was also dumbfounded.

He couldn't even wrap his head around it!

What kind of Dharma artifact was this?

Why was it so powerful?

Just as Kagura Kenshin was in a daze!

Yang Luo chanted the incantation in his heart and activated the Ten Thousand Dragon Cauldron!

The next second!

The Ten Thousand Dragon Cauldron directly flew out and ruthlessly collided with the Hachimaki and Yasaka no Magatama!

At the moment of impact!

"Roar, roar, roar!" The dragon's roar was vast and mighty, and dragon qi erupted!

Thousands of ancient golden dragon illusions flew out of the Ten Thousand Dragon Cauldron and collided!

Rumble!

Rumble!

Accompanied by the sound of collision and explosion that shook the nine heavens, The two artifacts were no match for it at all and were directly sent flying!

The two divine artifacts flew towards the island and shattered the protective array set up on the island!

Rumble!

Mountains were also shattered and collapsed from the collision.

Rocks flew everywhere, and dust billowed!

“Ah!” Masahiro Ono let out a tragic cry and was sent flying by the wave of air.

He fell more than ten meters away and spat out a mouthful of blood!

Although he was not dead, he had suffered serious injuries!

Yang Luo shot out a beam of light in time and enveloped Purgatory Death God, preventing him from being sent flying!

The Ten Thousand Dragon Cauldron seemed to be very excited because it had not appeared in the world for a long time and continued to crush into Kagura Kenshin!

“Don’t even think about it!” Kagura Kenshin roared and slashed at the Ten Thousand Dragon Cauldron with his Dharma Idol!

Clang!

Clang!

The sound of a huge bell resounded through the world!

“Urghh” Kagura Kenshin let out a painful cry as he was sent flying together with his Dharma Idol, crashing into the mountains behind!

The Ten Thousand Dragon Cauldron was also sent flying hundreds of meters away, but quickly stabilized in the sky!

Seeing this scene Yang Luo was stunned!

Heavens, was this Ten Thousand Dragon Cauldron so powerful?!

Not only did it send the two divine artifacts flying, but he also sent Kagura Kenshin and his Dharma Characteristic flying?!

He did not expect that with his current cultivation, he could unleash such a powerful strength from the Myriad Dragon Cauldron!

When his cultivation and strength got stronger in the future, wouldn't he be able to unleash even stronger power from the Ten Thousand Dragon Cauldron?

As for Xiang Kunlun and Xu Ying, they were also dumbfounded!

What was a divine artifact!

This was a true divine artifact!

At this moment!

Kagura Kenshin stabilized his body, and a trace of blood seeped out of the corner of his mouth!

From this clash, not only did he suffer external injuries, but he also suffered internal injuries!

He had actually suffered internal injuries from this kid in front of him!

It would be fine if this kid's cultivation level was higher than his!

But the key was that this kid's cultivation was lower than his!

How hateful!

How hateful!

He stared at Yang Luo with a ferocious expression, his eyes filled with jealousy, anger, and madness!

He was jealous of Yang Luo's talent and that Yang Luo had such a powerful divine artifact!

He also hated Yang Luo for injuring him and embarrassing him in front of so many people!

He roared, "Young brat, I'll kill you even if I have to risk everything!" As he spoke, he bit his finger and tapped the blood between his eyebrows.

Then, he let out an angry roar!

"Forbidden power, Unseal!" At that moment Waves of even more ferocious and violent pressure and aura spread out from his body!

Kagura Kenshin was completely enraged.

He began to burn his essence blood to forcefully increase his strength!

His neatly combed long hair became messy, and his blood-stained white kimono fluttered wantonly!

The pressure and aura that spread out made the hearts of Xiang Kunlun and the others palpitate, making everyone unable to breathe!

Even Yang Luo's gaze became solemn!

He did not expect this guy to have a backup plan!

However, just as Kagura Kenshin's pressure and aura continued to increase!

Suddenly!

A voice sounded in his mind!

"Kagura Kenshin, if you kill him, I'll definitely kill you!" Hearing this familiar voice It was the voice of the Blue Luan that had sounded in his mind.

Kagura Kenshin's expression changed as he looked around, as if he was looking for Blue Luan.

"You don't have to look for me.

I'm nearby!" Blue Luan's voice sounded again.

Kagura Kenshin gritted his teeth and sent a voice transmission in his mind.

"Blue Luan, this is a grudge between me and this kid.

Don't interfere!" "If you kill him, I'll definitely kill you!" Blue Luan's voice sounded once more in his mind again.

It was still the same words, domineering and overbearing.

"You" Kagura Kenshin was so angry that his chest heaved and his face contorted.

"I don't want to say it a third time.

Let him go quickly!" Blue Luan's voice sounded again.

Although Kagura Kenshin still wanted to continue fighting and kill Yang Luo, he endured it in the end!

If the Blue Luan truly wanted to kill him, he would not be able to stop it at all!

"Phew" Kagura Kenshin let out a long breath and instantly dispersed the pressure and aura on his body, as well as his Dharma Idol.

He stared at Yang Luo viciously and said in a low voice, "Kid, that's all for today.

Bring your men and leave this place!" "What do you mean?" Yang Luo frowned in confusion.

This fellow clearly had the strength to fight, so why did he suddenly stop?

Xiang Kunlun and the others were also puzzled.

Kagura Kenshin's eyebrows twitched, "Don't you understand human language?"

I told you to bring your people and get lost!" Masahiro Ono struggled to get up from the ground and asked in confusion, "Sword Saint, why did you stop?"

Why didn't you kill this kid?" Kagura Kenshin said coldly, "Do I need your opinion on what I should do?" Masahiro Ono nodded and bowed, "No no I'm just very puzzled" "Shut up!" Kagura Kenshin shouted angrily.

"Hai!" Masahiro Ono trembled in fear and hurriedly lowered his head.

Yang Luo stared intently at Kagura Kenshin before saying to Xiang Kunlun and the others, "Brothers, quickly bring Purgatory Death God and leave this place.

Hurry!" He did not know what Kagura Kenshin wanted to do either.

However, it was best to let his brothers leave first.

"Alright!" Xiang Kunlun nodded in agreement and rushed to the island.

He carried Purgatory Death God and brought everyone on a battleship to leave this place.

Yang Luo only heaved a sigh of relief when Xiang Kunlun and the others left Heavenly God Island.

Chapter 1448: Let's Wait and See!

However, Yang Luo still did not let down his guard.

Instead, he stared intently at Kagura Kenshin.

After all, he did not know what Kagura Kenshin was planning.

Not only did he suddenly stop fighting, but he was also suddenly willing to let them go.

Kagura Kenshin also stared intently at Yang Luo and said coldly, "Kid, you injured me today and caused trouble in my Heavenly God Island.

I'll remember this!

One day, I will kill you and wash away today's humiliation!" Actually, he did not have absolute confidence in killing Yang Luo.

Even if he could kill Yang Luo now, he would probably be severely injured and would take a long time to recover.

Furthermore, it was even possible that his Dao Foundation would be destroyed and his cultivation and strength would decrease.

Therefore, he planned to continue cultivating and increase his cultivation and strength.

It would be much easier to kill Yang Luo then.

"Is that so?" Yang Luo's eyes were cold as he said in a trembling voice, "Kagura Kenshin, I'll remember this debt too!

At that time, even if you don't come to me, I'll still come to you!" He was also aware that with his current cultivation and strength, although he could resist Kagura Kenshin and even injure him, it would not be easy to kill him.

After all, Kagura Kenshin still had a backup plan.

Therefore, the best outcome would just be a mutually assured destruction.

Before he had absolute confidence, he did not want to continue fighting.

Kagura Kenshin stared fixedly at Yang Luo, the veins on his forehead bulging.

In this world, not many people dared to speak to him like this.

He wished he could kill Yang Luo now.

However, when he thought of how terrifying Blue Luan was, he forcefully endured it and suppressed the anger in his heart.

Yang Luo turned to look at Masahiro Ono and said coldly, "Masahiro Ono, just hide here.

I want to see how long this guy can protect you!" Masahiro Ono said ruthlessly, "Little b\*stard, you won't be arrogant for long!

When the Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor come out of seclusion, your death will be here!" "Oh?" Yang Luo narrowed his eyes and said coldly, "I'll naturally settle my scores with the Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor in the future!

Watch carefully and see how I kill those three fellows!" "Hehe" Masahiro Ono laughed mockingly and said, "Kid, you really don't know how powerful those three Lords are!

You actually dare to say that you killed those three lords.

You're really arrogant and ignorant!

However, I will personally witness how you die in the hands of those three lords!" "Then let's wait and see!" Yang Luo replied coldly before dispersing his Dharma Idol.

He retracted the Dragon Emperor Sword and the Ten Thousand Dragon Cauldron and chased in the direction where Xiang Kunlun and the others had left.

Until Yang Luo left.

A trace of blood flowed out of the corner of Kagura Kenshin's mouth again, and his body landed on the ground.

"Sword Saint, how are you?!" Masahiro Ono looked panicked.

From the looks of it, the Sword Saint seemed to be seriously injured.

"I'm fine." Kagura Kenshin raised his hand.

Masahiro Ono gritted his teeth and said, "Sword Saint, is this little bastard so strong now?

He can actually injure you?" Kagura Kenshin looked in the direction Yang Luo had left and said in a deep voice, "Although this kid's cultivation is a realm lower than mine However, the various cultivation techniques he cultivated are very domineering.

They are not cultivation techniques that should be in this world at all.

Moreover, his talent and comprehension could be said to be top-notch.

He can even grow in battle.

Of course, the most important thing was that his golden cauldron is indeed extraordinary.

It was actually able to withstand the Hachimaki and Yasaka no Magatama.

This is definitely not a Dharma artifact refined by ordinary people.

If I really want to kill him, I'll have to pay a considerable price." "This, this, this" Masahiro Ono was stunned.

Looking at the Sword Saint's expression and hearing his words, it seemed that the Sword Saint was a little afraid of Yang Luo.

In this world, there were not many people who could make the Sword Saint afraid.

He gulped and asked, "Sword Saint, is this why you didn't kill that kid?" Kagura Kenshin took a deep breath and said, "There's another reason." "What reason?" Masahiro Ono asked.

Kagura Kenshin raised his hand and said, "Don't ask too much about this." "Hai!" Masahiro Ono nodded in agreement.

"By the way, do the Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor have a grudge against Yang Luo?" Kagura Kenshin asked in confusion.

"There's a grudge, and it's a grudge that won't end until one of them dies!" Masahiro Ono replied and told Kagura Kenshin about the enmity between Yang Luo, the Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor.

After hearing Masahiro Ono's words, Kagura Kenshin sneered and said, "This kid is really bold.

He even dares to provoke the Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor.

If the Holy Light Pope and the others attack this kid, this kid will definitely die." Masahiro Ono smiled sinisterly and said, "That's why I said that this kid will die no matter what.

Let's wait and see!" "That's right." Kagura Kenshin nodded.

He looked at the sky in the distance and narrowed his eyes.

Blue Luan, although I don't know what relationship this kid has with you, why are you protecting him like this?

However, if the Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor attacked, will you still be able to protect him?

After leaving Heavenly God Island, Yang Luo flew forward for a distance and saw the battleship that Xiang Kunlun and the others were on.

"Brother Yang is back!" Seeing Yang Luo flying over from afar, Bujie shouted in surprise.

Yang Luo landed steadily on the deck.

"Brother Yang!" "Brother Yang!" Xiang Kunlun and the others came forward.

"Brother Yang, Kagura Kenshin didn't make things difficult for you, right?" Xiang Kunlun asked.

"Nope." Yang Luo shook his head and said, "This guy clearly still has the strength to fight, but he suddenly stopped fighting."

"I wonder what's going on." Bujie stroked his chin and said, "It's indeed very strange."

That Little Baka's aura and pressure had increased so much just now.

"He obviously could still continue fighting." Heavenly Sirius smiled and said, "Could Kagura Kenshin have been frightened by Brother Yang?" "That's possible!" Xiang Kunlun nodded and said, "Kagura Kenshin should be able to tell that if this continues, both sides will definitely suffer losses." "No matter what his intentions are, as long as everyone can leave safely, it's fine." Yang Luo replied, "I'll treat everyone first."

We'll talk after the treatment." "Alright!" Everyone nodded.

Then, Yang Luo took out the Fuxi Divine Needle and treated Purgatory Death God first.

Although Purgatory Death God's injuries were very serious, fortunately, Yang Luo had stepped into the Earth Immortal realm now.

The True Qi in his body had become even more majestic, and his medical skills had improved again.

Therefore, it did not take long for Purgatory Death God's injuries to recover.

"Thank you, Brother Yang!" Purgatory Death God hurriedly thanked him.

Yang Luo smiled gently and said, "We're brothers.

There's no need to thank me.

Besides, you were injured because you wanted to help me kill Masahiro Ono." Purgatory Death God clenched his fists and said unwillingly, "Unfortunately, I couldn't complete this mission and almost lost my life!" Yang Luo patted Purgatory Death God's shoulder and said, "Brother, it's never too late for a gentleman to take revenge!

What we have to do is continue to increase our strength!

As long as we become stronger, why should we be afraid that we won't be able to take revenge?" "Yes!" Purgatory Death God nodded heavily.

After that, Yang Luo treated Xiang Kunlun and the rest.

In less than an hour.

The injuries on Xiang Kunlun and the others were almost healed.

Chapter 1449: A Godlike Existence!

After treating his injuries, Everyone chatted on the deck.

King of Destruction said fiercely, "Brother Yang, this Kagura Kenshin is really going too far!

If you hadn't arrived in time, not only would Miller have been killed by him, but we probably wouldn't have survived!

If we don't take revenge for this, our Holy Imperial Court won't have the face to continue living in the underworld!" Heavenly Sirius also said angrily, "That's right, we have to take revenge!" A cold glint flickered in Yang Luo's eyes as he said, "Everyone, don't worry.

I'll definitely take revenge!

Next time, I will fight to the death with Kagura Kenshin!" Bujie curled his lips and said, "Brother Yang, with your current cultivation and strength, you can already contend with that Little Baka!

The next time we fight, you will definitely be able to kill him!" "Of course!" Heavenly Sirius chuckled, "After some time, Kagura Kenshin will definitely not be Brother Yang's match anymore!" Xiang Kunlun suddenly thought of something and said, "By the way, Brother Yang, what Dharma artifact is that golden cauldron you took out just now?

Why is it so powerful?" Bujie also hurriedly echoed, "That's right, that golden cauldron is too awesome!

Not only did it send the two divine artifacts, the Hachimaki and Yasaka no Magatama flying, but it also injured that Little Baka!" "Brother Yang, since you have such a powerful Dharma artifact, why haven't I seen you use it before?" Xu Ying asked curiously.

The others also looked at Yang Luo for explanation.

They had witnessed the power of the golden cauldron just now.

It was simply terrifying.

Yang Luo thought for a moment and said, "That treasure cauldron is called the Ten Thousand Dragons Cauldron.

A senior gave it to me in the past.

It's just that my previous cultivation and strength were not enough to control the Ten Thousand Dragons Cauldron, so I haven't used it." He did not tell Xiang Kunlun and the others about the secrets in his divine sense space.

Moreover, he had yet to completely understand the secret of the Divine Sense Space.

When he completely understood it in the future and everyone's horizons were broadened, it would not be too late to tell everyone.

Bujie smacked his lips and said, "So that's what happened.

No wonder I've never seen you use it before." Xiang Kunlun sighed and said, "Brother Yang, that senior must not be an ordinary person to be able to give you such a powerful Dharma artifact." Yang Luo nodded and said, "That senior is definitely not an ordinary person.

His strength must be very terrifying." Although he did not know Long Xinghe's strength, However, from what Long Xinghe had told him, Long Xinghe was definitely a peerless expert.

Just the Dragon Emperor Sword and the Ten Thousand Dragon Cauldron that he had given him were already extraordinary.

“By the way, Brother Yang, how many lightning bolts did the Earth Immortal Lightning Tribulation you underwent last time?” Lin Wenxuan asked curiously.

Everyone was also very curious.

After all, they had rushed over in advance to save the Purgatory Death God and did not know what had happened after that.

Yang Luo did not hide anything and said truthfully, “I underwent the Three-Nine Lightning Tribulation.

In the end, 27 lightning bolts descended.” “What the f\*ck!

Three-Nine Lightning Tribulation?!

Brother Yang, you’re simply a god!” Bujie’s lips twitched.

Xiang Kunlun and the others also looked at Yang Luo in shock, as if they were looking at a god.

The old Celestial Master and Master Xuanku had told them earlier.

The Three-Nine Lightning Tribulation was the limit of the Earth Immortal Lightning Tribulation.

Only geniuses with extremely high talent, comprehension, and potential could survive the Three-Nine Heavenly Tribulation.

Yang Luo shook his head and said, “This Three-Nine Lightning Tribulation was too terrifying.

I almost couldn’t survive it.” Xiang Kunlun said, “Brother Yang, you’ve already transcended the Earth Immortal Tribulation.

It will only become smoother in the future." Yang Luo looked at everyone and said, "Brothers, we have to continue working hard!

In the future, the enemies we will face will only become stronger and stronger!

Only by becoming stronger can we be invincible!" "Yes!" Everyone nodded heavily.

The King of Destruction asked, "Brother Yang, are you going back to Country Hua, or are you going to the Holy Imperial Court with us?" Yang Luo said, "Something so big has just happened to the Heavenly Luo Sect.

It's better for me to go back and take a look.

I won't go to the Holy Imperial Court for now." "Alright." The King of Destruction nodded and said, "Then we'll return to the Holy Imperial Court first.

We'll gather later." "Brother Xiang, are you going back to Country Hua with me or to the Holy Imperial Court?" Yang Luo rushed to Kunlun and asked.

Xiang Kunlun said, "There are many things to deal with at the Holy Imperial Court.

I'll go help Big Brother and the others." Yang Luo nodded and said, "If anything happens in the future, keep in touch." "Alright!" Everyone nodded in agreement.

At this moment.

Above a sea of clouds in the distance.

A green-robed figure stood on it and looked at Yang Luo from afar.

This person was Blue Luan.

A hint of gentleness appeared in Qing Luan's beautiful eyes as she muttered, "Little Luo, I didn't expect your strength to increase so much after stepping into the Earth Immortal realm.

You even injured Kagura Kenshin.

Little Luo, continue to grow.

When I completely recover from my injuries, I'll go and see you" With that, the Blue Luan turned into a cyan light and flew into the distance.

At this moment.

Yang Luo, who was standing on the deck, seemed to have sensed something.

He felt that someone was staring at him.

He turned to look at a sea of clouds in the distance, but found nothing.

"Brother Yang, what are you looking at?" Bujie asked curiously.

"Nothing." Yang Luo shook his head and retracted his gaze.

He turned to look into the distance and fell into deep thought.

Although he had already stepped into the Earth Immortal Realm, it was far from enough.

Even though he really wanted to go to the Penglai Immortal Island now to take revenge on the Heaven Amplification Sect and the Purple Cloud Sect to save his Eldest Senior Sister However, he knew that with his current cultivation and strength, he could not take revenge at all, nor could he save Senior Sister.

He had to continue becoming stronger!

He had to become stronger!

He clenched his fists and his eyes were filled with determination.

He muttered in his heart, "Senior Sister, wait for me!" On a particular evening.

Yang Luo and the others arrived at a sea area in the east of Country Hua.

The warriors of the Azure Dragon Pavilion had sent a few battleships to pick up Yang Luo, Xu Ying, Bujie, Prajna, and Lin Wenxuan.

Yang Luo looked at the King of Destruction and the others and said, "Brothers, let's part ways here.

If there's anything else, call me anytime!" "Brother Yang, see you next time!" "Brother Yang, if there's nothing else, you must come to the Holy Imperial Court to gather with your brothers!" King of Destruction and the others spoke one after another.

Goddess of Fate looked at Yang Luo gently and said, "Yang Luo, I know that you're no longer an ordinary person.

You're extremely powerful.

However, I still hope that you can protect yourself well.

If you encounter any danger, you must contact us.

Although our strength can't compare to yours, we can still share a lot of pressure for you." Heavenly Sirius patted its chest.

"Us brothers will always support you!" "Yes!" Yang Luo's heart warmed as he nodded heavily.

After chatting for a while, Xiang Kunlun, King of Destruction, and the others left on the battleship.

Yang Luo, Xu Ying, Bujie, Prajna, and Lin Wenxuan rode the Azure Dragon Pavilion's battleship to the nearest Ning City.

After arriving at Ning City, Yang Luo and the others took a car to the airport and boarded a plane to Tai City. By the time Yang Luo and the others arrived at the Heavenly Luo Sect, it was already past nine in the evening.

"Sect Master!" "Sect Master, you're back!" The disciples guarding the foot of the mountain were pleasantly surprised to see Yang Luo return.

A few days ago, the scene of Yang Luo fighting two Earth Immortals alone was still vivid in their minds.

Furthermore, they all knew that Yang Luo had successfully transcended the tribulation and stepped into the Earth Immortal realm.

Now, in their hearts, Yang Luo was a god-like existence!

Chapter 1450: Resolving the Grudge!

Yang Luo smiled and nodded.

He asked, "Has everyone left?" A disciple replied, "Not yet."

Everyone is recuperating in the Heavenly Luo Palace.” “Alright, I’ll go take a look.” Yang Luo nodded and rushed to the Heavenly Luo Palace with Xu Ying and the others.

At this moment.

Heavenly Luo Palace.

The hall was filled with people.

Zhang Zhilin and Master Xuanku were treating everyone.

The people from the Medicine God Valley, Bodhisattva Sect, and the Medical King Sect, Hua Changsheng, Huang Tai’an, and the others were also helping.

After all, the battle a few days ago could be said to be tragic.

Thousands of people were injured, and many of them were seriously injured.

Although a portion of them had already returned to their respective sects, a portion of them stayed behind.

At this moment, everyone was healing and chatting enthusiastically.

“Everyone, you don’t know this, but Mr.

Yang is simply a god who has descended to the mortal world.

He has transcended 27 lightning bolts in a row!” “Isn’t that so?

You didn’t see it.

Mr.

Yang was in a miserable state.

We all thought that Mr.

Yang wouldn't be able to survive the last three lightning bolts!

However, I didn't expect Mr.

Yang's body to actually absorb the three lightning bolts and forcefully pass the Three-Nine Lightning Tribulation!" "Now that Mr.

Yang is already an immortal, it's a great honor for us to be able to get to know Mr.

Yang!" Many people who had witnessed Yang Luo's tribulation with their own eyes were all beaming with joy as they recounted the situation of Yang Luo's tribulation.

Those who did not go to the event location to observe were filled with shock and reverence.

There were also many people who regretted not going with them to take a look.

Lin Qianyi said unhappily, "I wonder where Little Luo has gone.

Why isn't he back yet!" Qin Yimo smiled and said, "Sister Qianyi, Brother Yang must be busy.

When he's done, he'll naturally come back." Just as everyone was chatting excitedly, Yang Luo and the others had already ascended Heaven Gazing Peak.

When they arrived at the square, Big White was sitting on the steps like a small mountain, staring at the sky in a daze.

“Big White!” Yang Luo waved at Big White.

Hearing the voice, Big White turned around and his eyes lit up.

“Roar!” It let out an excited howl and hurriedly got up.

It swung its thick legs and ran towards Yang Luo.

Dang, dang, dang!

Every step it took caused the entire square and the surrounding hall to tremble.

The corners of Bujie’s mouth twitched as he shouted, “Big silly, be gentler.

Are you trying to crush the square?” Big White bared its teeth at Bujie and even raised its hand to beat its chest.

“I was wrong.

Don’t be angry!” Bujie was so frightened that he shrunk his neck and hurriedly hid behind Yang Luo.

He knew how powerful Big White’s combat strength was!

Of the two Dao Convergence Realm experts of the Immortal Sword Sect, one had his head blown off and the other had been stomped into mincemeat.

How terrifying!

Xu Ying looked at Bujie mockingly and said to Lin Wenxuan, "Brother Lin, if this fellow dares to talk nonsense again in the future, we'll let Big White beat him up.

How about that?" "I agree!" Lin Wenxuan nodded.

Bujie pulled a long face and said, "F\*ck You guys are really not human" Xu Ying and Lin Wenxuan laughed out loud.

Prajna chuckled at the side.

Due to the huge commotion in the square, Everyone ran out of the hall.

When they saw Yang Luo return, everyone's faces were filled with joy.

"Yang Luo!" "Little Luo!" "Mr.

Yang is back!" Everyone quickly ran over.

Seeing the injuries on everyone's bodies, Yang Luo sighed and cupped his hands, "Everyone, it's all thanks to everyone's help that our Heavenly Luo Sect is in trouble this time.

Yang Luo is endlessly grateful!" "Mr.

Yang, there's no need to thank us.

We're all friends.

Friends naturally help each other!" "That's right, Mr.

Yang.

If there's anything in the future, feel free to tell us!" Everyone laughed in response.

Yang Luo said, "Let's go into the hall.

I'll treat you." On the way to the hall, Yang Luo asked Su Qingmei, "Qingmei, where are Mr.

Yi and the Dragon General?" Su Qingmei said, "Mr.

Yi and the Dragon General left first because they had something to do.

The two of you asked me to tell you that if you need anything in the future, you can contact them at any time." "Alright." Yang Luo nodded in response.

After entering the hall, Yang Luo took out all kinds of medical methods to treat everyone's injuries.

Now, with the support of his boundless True Qi, Yang Luo could transport more needles at the same time.

Therefore, only a few hours had passed, But most of everyone's injuries had already been healed.

"Thank you, Mr.

Yang, for treating our injuries!" "Mr.

Yang is indeed the number one Divine Doctor in Country Hua.

His medical skills are simply heaven-defying!" "How can you say that Mr.

Yang is the number one Divine Doctor in Country Hua?

He's clearly the number one Divine Doctor in the world!" Everyone quickly thanked him.

After that, everyone chatted in the hall for a while before leaving one after another.

Yang Luo wanted to let everyone rest here, but no one wanted to disturb them, so Yang Luo did not force them to stay.

Everyone left one after another.

Zhang Zhilin smiled at Yang Luo and said, "Little Luo, I'll leave first.

Now that you have stepped into the Earth Immortal Realm, you can handle many things yourself.

However, if you encounter any trouble that you can't resolve, you must contact me.

Don't take it head-on alone, understand?" "Understood." Yang Luo nodded in response.

Master Xuanku also smiled faintly and said, "Little Friend Yang, if there's anything, you can contact me.

I can still help with some matters." "Thank you, Master Xuanku." Yang Luo cupped his hands in thanks.

After exchanging greetings, Zhang Zhilin and Master Xuanku left.

Only Chu Yunshan had yet to leave.

"Old Master Chu, is there anything else?" Yang Luo asked.

Chu Yunshan looked at Yang Luo and hesitated.

Yang Luo smiled and said, "Old Master Chu, just say what you want to say." Chu Yunshan took a deep breath and bowed to Yang Luo.

"Little Luo, I'm sorry!" "Old Master Chu, what are you doing?"

"What have you done to let me down?" Yang Luo hurriedly helped Chu Yunshan up.

Chu Yunshan said, "Little Luo, I was in the wrong back then.

I shouldn't have looked down on you and mocked you.

I really know my mistake.

"I've really let you down." Yang Luo smiled faintly and raised his hand.

"Old Master Chu, let bygones be bygones.

Don't mention it again.

"I've long forgotten about this matter." Now, as his horizons broadened, his temperament changed.

Yang Luo would not be so calculative about some things.

Chu Yunshan's eyes turned red, "Little Luo, are you forgiving me?" Yang Luo waved his hand and said, "I can't say that I forgive you.

After all, you didn't know me well back then.

It's normal for you to treat me like that.

But not long ago, when the Cao family and the Nie family made things difficult for me, didn't you step forward and help me?

Furthermore, you also came here to support our Heavenly Luo Sect when it opens.

You've already put down your pride.

If I still refuse to let go, won't I be very petty?" Hearing Yang Luo's words Tears immediately welled up in Chu Yunshan's eyes.

He choked and said, "I've lived for most of my life, but I'm not as open-minded as a young man like you.

I'm really getting worse the more I live." Yang Luo said in amusement, "Old Master Chu, you're the head of the royal family after all.

How can you cry like a child?" When Chu Yunshan heard this, he immediately laughed loudly.

Su Qingmei, Xu Ying, and the others, who were standing not far away, were also very happy to see Yang Luo and Chu Yunshan resolve their grudges.

They also knew about the grudge between Yang Luo and Chu Yunshan.

It was a good thing that the two of them could turn hostility into friendship.

Yang Luo said, "By the way, Old Master Chu, how has Yanran been recently?"

I don't think I've seen her for a long time." Chu Yunshan sighed and said, "Ever since I objected to the two of you being together, this girl has been angry with me.

Later on, she joined the Dragon Soul Team and often carried out missions outside.

Not to mention you, even I haven't seen her for a long time." "What is the Dragon Soul Battle Team?" Yang Luo asked curiously.

"I see." "I see." Yang Luo nodded in realization.
