

## Super IDG 1481

### Chapter 1481: Brother Mo Is Back!

“Oh my god, Big White, you’re so cute after you become smaller!” Prajna squatted down and patted Big White’s head dotingly.

Bujie smacked his lips and said, “He’s indeed much cuter.

He doesn’t look so ferocious anymore!” Xu Ying said in a daze, “Big White actually shrank from 20 meters tall to 60 centimeters.

Isn’t this too magical?!” Lin Wenxuan narrowed his eyes and said, “Big White is indeed not a simple demon beast!” Yang Luo looked at Big White in a daze and asked, “Big White, didn’t you say that you couldn’t become smaller in the past?

Why are you smaller now?” Big White pointed at Yang Luo and then at his head.

He let out a few whimpers.

Yang Luo said, “You mean to say that three days ago, I said that it would be great if you could become smaller.

So in the past three days, you’ve been thinking about this matter and even succeeded?” Big White nodded repeatedly.

“Awesome!” Yang Luo gave Big White a thumbs up and asked, “Then can you become bigger back again?” Big White nodded again.

Then, under the gaze of Yang Luo and the others, its body gradually enlarged until it was more than 20 meters tall before stopping.

“F\*ck me!” Bujie was stunned, “Big silly, your ability is too awesome.

You can actually expand and shrink at will!” Yang Luo smiled in relief and said, “Big White, good job.

I can bring you along wherever I go in the future.

In any case, after you become smaller, you’ll be like a pet.

You won’t scare others.” Big White nodded happily.

However, at this moment A call was made to Yang Luo’s phone.

Yang Luo took out his phone and saw that it was a call from Mo Qingkuang.

He was instantly stunned!

Since it was a call from Brother Mo, it meant that Brother Mo had already returned to the secular world!

Hence, he quickly picked up the call.

“Brother Mo, have you returned to the secular world?” “Haha, that’s right.

I’m at the Hidden Dragon Pavilion’s headquarters now.” Mo Qingkuang’s hearty laughter sounded.

Yang Luo hurriedly asked, “Brother Mo, have you recovered?” Mo Qingkuang smiled and said, “I’m completely healed.” “That’s good.” Yang Luo heaved a sigh of relief.

“By the way, Brother Yang, I came back to the secular world this time to ask you for a favor.” “Big Brother Mo, we’re brothers.

If you want me to help you with anything, you can just say it.” “Let’s talk when we meet.

Where are you now?

I’ll look for you.” “No need.

I’ll come and find you.” “Alright!” After chatting for a while, Yang Luo hung up.

“Brother Yang, has Brother Mo returned to the secular world?” Bujie hurriedly asked.

“That’s right.” Yang Luo nodded and said, “Brother Mo said that he wants to ask me for a favor.

I have to make a trip to the capital.” Bujie said, “Then what are we waiting for?

Let’s go!” “Alright, let’s set off!” Yang Luo responded.

Big White quickly shrank and jumped onto Yang Luo’s shoulder.

Then, Yang Luo and the others left the Heavenly Luo Sect with Big White and headed for Tai City Airport.

After arriving at Tai City Airport, Yang Luo and the others boarded the Heavenly Luo Sect’s private plane and flew to the capital.

Previously, Qi Yutang had bought a private plane for the Heavenly Luo Sect, saying that it was to make it easier for the disciples to go out and do things.

At around past seven in the evening Capital Airport.

When Yang Luo and the others walked out of the exit, Tian Zhen, Feng Lengyue, Lan Xiaomeng, Zhuge Changfeng, and Jiang Bo were already waiting in the hall.

“Brother Yang!” “Brother Yang!” Tian Zhen and the others hurriedly came forward.

“Eh Brother Yang, why did you bring a monkey over?”

Is this your pet?” Lan Xiaomeng stared at Big White on Yang Luo’s shoulder and asked curiously.

Feng Lengyue was puzzled, “Why do I feel that this little monkey looks familiar?” Yang Luo smiled and said, “It’s Big White.” “What?!”

This is Big White?!” “Oh my god, wasn’t Big White more than 20 meters tall?”

Why has it become so small?!” “This is too magical!” Lan Xiaomeng and the others were stunned.

After all, when they participated in the Heavenly Luo Sect’s opening ceremony, they had seen Big White and witnessed its terrifying combat strength.

Therefore, they really could not associate its current appearance with Big White’s previous appearance.

Yang Luo explained, “Big White must have mastered some kind of ability, so it can expand and shrink freely now.” “I see.” Tian Zhen and the others nodded in realization.

Lan Xiaomeng smiled and said to Big White, “Big White, come over.

Big Sister will carry you!” However, Big White ignored Lan Xiaomeng and turned his head away.

“He actually ignored me.

I'm so angry!" Lan Xiaomeng stomped her feet in anger.

Yang Luo shook his head in amusement and asked, "By the way, where's Brother Mo?" Tian Zhen said, "Pavilion Master Mo is discussing something with the Dragon General and Mr.

Yi at the Hidden Dragon Pavilion's headquarters." Yang Luo nodded and said, "Alright, let's go over now." Then, Yang Luo and the others left the airport and took a car to the Hidden Dragon Pavilion's headquarters.

The car drove for more than 20 minutes before arriving at the Dragon Might Corporation building.

After parking the car, Yang Luo and the others walked into the building and took the elevator to the conference room on the top floor.

The moment they entered the meeting room, they saw Mo Qingkuang chatting with Lin Aocang and Yi Jiuzhou.

"Brother Mo!" Yang Luo shouted happily.

Mo Qingkuang turned around and looked over.

His face lit up, "Brother Yang!" As he spoke, he hurriedly walked over and hugged Yang Luo heavily.

Ever since the Battle of Peng City, Mo Qingkuang had returned to the Kunlun Ruins.

Therefore, the two of them had not seen each other for a long time.

Mo Qingkuang looked at Yang Luo in admiration and said, "Brother Yang, the Dragon General and Mr.

Yi have already told me what happened during this period of time!

You actually killed Cao Nie, intimidated the twelve countries, killed the invaders of the Immortal Sword Sect, transcended the tribulation and became an immortal.

Then you killed the three demons of the Blood Race, and became an expert on the Divine Ranking!

Every single thing I heard made my blood boil!

Well done.

Big Brother is proud of you!" Yang Luo scratched his head and said, "Brother Mo, what I've done can't compare to you leading the Supreme Sect to attack the Heaven Amplification Sect and the Purple Cloud Sect!" "Oh?" Mo Qingkuang was stunned for a moment before asking, "How did you know that I brought people from the Very High Sect to attack the Heaven Amplification Sect and the Purple Cloud Sect?" "That's my guess." Yang Luo smiled and said, "When I brought people to destroy Cao Nie, Cao Huben and Nie Baoshan sent people to invite the Heaven Amplification Sect and the Purple Cloud Sect.

However, in the end, the Heaven Amplification Sect and Purple Cloud Sect did not send anyone to help.

Later on, Brother Xiang told me that you had returned to the Kunlun Ruins before your injuries recovered.

He even shouted that he could not take this lying down and had to take revenge.

That's why I had this guess." "I see." Mo Qingkuang nodded in realization and said, "I was indeed angry at that time.

After all, my Supreme Sect is a major sect in the Kunlun Ruins.

However, the Heaven Amplification Sect and the Purple Cloud Sect did not give our Supreme Sect any face at all.

They even severely injured me, you, and the other brothers.

I couldn't take this lying down, so I rushed back to the Kunlun Ruins and told my father and the others about this.

My father and the others were also angered, so they directly brought people to attack the Heaven Amplification Sect and the Purple Cloud Sect." "As expected of Big Brother Mo, you're indeed domineering!" Bujie gave Mo Qingkuang a thumbs up.

"How did the battle go?" Yang Luo asked.

Mo Qingkuang frowned and said, "The Heaven Amplification Sect and the Purple Cloud Sect do have a deep foundation.

Although our Supreme Sect is powerful, it's still a little difficult to fight two alone.

In this battle, we both suffered casualties.

It could be said that both sides were injured, and neither of us gained anything.

In the end, our Supreme Sect stopped fighting with the two sects and retreated to the Kunlun Ruins.

The two sects have also closed their mountains to recuperate.

They rarely come out to do anything now." Yang Luo's expression darkened as he said coldly, "One day, I will settle the score with the Heaven Amplification Sect and Purple Cloud Sect!

I must take revenge for this blood feud!

I must save Eldest Senior Sister too!”

## Chapter 1482: Set Off Now?

Mo Qingkuang said in a deep voice, “The grudge between our Supreme Sect, the Heaven Amplification Sect, and the Purple Cloud Sect will not end here!

Once the Heaven Amplification Sect and Purple Cloud Sect recover their strength, they will definitely find trouble with our Supreme Sect!

Therefore, Brother Yang, if you want to take revenge on these two sects, our Supreme Sect will definitely help you!

If we don’t completely defeat these two sects, they won’t submit to our Supreme Sect!” “Thank you, Brother Mo!” Yang Luo cupped his hands and asked, “By the way, Brother Mo, you said that you need my help with something.

What is it?” Mo Qingkuang said, “Brother Yang, it’s like this.

After the battle with the Heaven Amplification Sect and the Purple Cloud Sect My father, mother, and the elders were all seriously injured.

During this period of time, we had invited many immortal doctors to treat them.

Although my father and mother’s injuries had already been healed.

We still have a few elders whose injuries had not been treated.

Therefore, I want to invite you to go to the Supreme Sect with me and treat the elders.” Lin Aocang also said, “That’s right, Little Luo.

Your medical skills are so amazing that you can be said to be at the peak.

Why don't you go with Qingkuang and help?" Yang Luo said helplessly, "Brother Mo, it's not that I don't want to help, but I'm not sure if I can't even compare to those immortal doctors in the Kunlun Ruins."

Mo Qingkuang waved his hand and said, "Brother Yang, to be honest, in my opinion, those so-called immortal doctors in the Kunlun Ruins are probably not as good as your medical skills.

Therefore, you can give it a try.

Even if you really can't help them, I won't blame you." Yi Jiuzhou said, "Little Luo, if you can cure the elders of the Supreme Sect, they will definitely be very grateful to you.

When the time comes, you can take revenge on the Heaven Amplification Sect and the Purple Cloud Sect.

The Supreme Sect will also spare no effort to help you." "That's right!" Mo Qingkuang took over the conversation and said, "I've always been upright when I come knocking on doors.

I've always repaid kindness!" "Well" Yang Luo nodded and said, "Alright, I'll give it a try.

Coincidentally, I'm also considering going to the Kunlun Ruins to train and see if I can increase my cultivation and strength." "Alright!" Mo Qingkuang smiled and nodded, "Brother Yang, don't worry.

The Spirit Qi in the Kunlun Ruins is very abundant and there are many trial grounds!

If you go there to cultivate, your cultivation and strength will definitely increase greatly!" "That would be great!" Yang Luo was filled with anticipation.

Then, he said to Xu Ying and the others, "Xu Ying, Bujie, Prajna, Brother Lin, come with me!

You guys have to train well and strive to increase your cultivation and strength!" "Good, good, good!" Bujie was very excited, "I've long wanted to go to the Kunlun Ruins to take a look!" Xu Ying and Prajna also nodded excitedly.

Lin Wenxuan wasn't that excited, but he still nodded.

"Wuwuwu!" Big White also called out a few times.

Yang Luo smiled and said, "Don't worry, I didn't say that I wouldn't bring you along." Hearing Yang Luo say that he would bring him to the Kunlun Ruins, Big White nodded in satisfaction.

"This little monkey is Big White?!" Lin Aocang and Yi Jiuzhou looked at Big White in surprise.

Although they had noticed Big White just now, they did not think too much about it and thought that it was a pet brought by Yang Luo.

Mo Qingkuang also looked at Big White curiously, "Could this little monkey be Big White, who showed his might not long ago and killed a few elders of the Immortal Sword Sect?"

That's strange.

Didn't the Dragon General and Mr.

Yi say that White is very big?

It's as tall as a building.

Why is it so small?" Yang Luo replied, "It's Big White, but now, it has learned to automatically enlarge and shrink its body." "So that's what happened!" Lin Aocang nodded in realization.

Yi Jiuzhou looked at Big White and said, "Little Luo, this Big White is definitely not an ordinary demon beast.

Perhaps it won't be long before Big White learns to speak and can communicate with you directly." Yang Luo glanced at Big White on his shoulder and said, "Big White, think about it carefully and see if you can learn how to speak.

When the time comes, it will be much easier for us to communicate." Big White nodded and tilted its head to think.

At this moment, Yang Luo noticed that Lin Wenxuan's expression was a little off.

He asked curiously, "Brother Lin, what are you thinking about?" "Oh, nothing." Lin Wenxuan shook his head and said, "I was just thinking that the Kunlun Ruins is not like the secular world.

There are true cultivators there.

There must be many experts.

When we get there, we have to be careful." Mo Qingkuang smiled and said, "Brother Lin, you don't have to worry about this at all.

Our Supreme Sect will definitely ensure your safety.

Moreover, with Brother Yang's current cultivation and strength, ordinary cultivators can't do anything to you." Lin Wenxuan said, "Then I'm relieved." "Brother Mo, can we go?" Lan Xiaomeng looked at Mo Qingkuang eagerly.

Tian Zhen, Feng Lengyue, Zhuge Changfeng, and Jiang Bo also looked at Mo Qingkuang expectantly.

Lin Aocang glared at the five of them and said, "If you go, who will deal with the Hidden Dragon Pavilion?

Don't join in the fun!" Mo Qingkuang smiled and said, "Everyone, the Hidden Dragon Pavilion indeed needs someone to deal with it.

You will have to stay this time.

When you have time in the future and the Hidden Dragon Pavilion is no longer busy, it won't be too late for me to bring you guys there." "Fine" Lan Xiaomeng nodded, looking like a wilted eggplant.

Mo Qingkuang said, "Brother Yang, since you're sure you want to go, why don't we set off now?"

Chapter 1483: Going to the Kunlun Ruins!

Yang Luo said, "Brother Mo, wait a moment.

I'll call my family and tell them." "Sure." Mo Qingkuang nodded.

Then, Yang Luo walked out of the meeting room and took out his phone to call Su Qingmei.

The call was quickly picked up.

"Yang Luo, I know you're not an ordinary person anymore.

You can go anywhere in this world, but you can't always not go home, right?" Su Qingmei's angry voice sounded.

"Urghh" Yang Luo laughed dryly and said, "Qingmei, I also want to stay at home and relax, but I'm really too busy, so" "Alright, stop explaining.

You're the busiest." Su Qingmei asked, "Tell me, when are you coming back?" Yang Luo said, "Qingmei, it's like this.

Brother Mo wants to ask me for a favor, so I have to make a trip to the Kunlun Ruins these few days"  
"Ah?!

You want to go to the Kunlun Ruins?!" Su Qingmei was shocked, "Isn't that the Immortal World?!

Oh my god, the secular world isn't even enough for you to escape to.

You actually want to go to the Immortal World?!" Yang Luo said helplessly, "Qingmei, Brother Mo invited me to help him treat the elders of the Supreme Sect.

I have to help him with this.

Of course, I also want to go to the Kunlun Ruins to train and strive to increase my cultivation and strength.

After all, the enemies I will have to face in the future will become stronger and stronger.

My current cultivation and strength are still not enough." "Fine" Su Qingmei sighed and said, "Since you insist on going, I won't stop you.

However, when you're outside, you must pay attention to your own safety.

I'll wait for you to come back." "Alright!" Yang Luo responded and said, "Qingmei, if there's anything you can't handle, go look for Old Qi, Brother Xiang, the Dragon General, and Mr.

Yi.

"If it's something that even Big Brother Xiang and the others cannot deal with, wait for me to come back." "Alright." Su Qingmei agreed.

After chatting for a while, Yang Luo hung up.

After that, Yang Luo called Xiang Kunlun and the others to explain the matter.

After the call, Yang Luo walked into the conference room.

"Brother Yang, can we set off now?" Mo Qingkuang asked.

"Sure." Yang Luo nodded.

Mo Qingkuang nodded and said, "Alright, let's set off now!" Then, Yang Luo and the others arrived at the rooftop of the building.

Mo Qingkuang took out a purple-golden ancient boat from his storage ring and enlarged it to more than 30 meters long.

It's more convenient for us to take this ancient boat to Kunlun Mountain.

In any case, it's nighttime now.

It's very difficult for the people to discover us." "Sure." Yang Luo and the others nodded and jumped onto the ancient boat.

Mo Qingkuang looked at Lin Aocang and the others and said, "Everyone, we'll be leaving then!" Yang Luo said, "Dragon General, Mr.

Yi, Brother Tian, if Qingmei needs help later, I hope everyone can help!" Lin Aocang smiled and said, "Kid, don't worry.

With us around, your woman and friends will be fine!” “Then I’ll thank you in advance!” Yang Luo cupped his hands.

Yi Jiuzhou said, “By the way, Little Luo, if you’re done with Supreme Sect, you can make a trip to our Yi family and let Qingkuang bring you there.

If you can be on good terms with our Yi family, then when the time comes, you can take revenge on the Heaven Amplification Sect and the Purple Cloud Sect.

Our Yi family can also help you a lot.” Yang Luo nodded and said, “Alright, if I have time, I’ll definitely go!” This time, he went to the Kunlun Ruins firstly to help Mo Qingkuang, secondly to train, and thirdly to make some like-minded friends.

Lan Xiaomeng waved her hand, “Brother Yang, you must take care!” “Brother Yang, see you again!” Tian Zhen, Feng Lengyue, Zhuge Changfeng, and Jiang Bo cupped their hands at Yang Luo.

See you again!” Yang Luo also cupped his hands.

Then, Mo Qingkuang mobilized the True Qi in his body and injected it into the ancient boat.

The ancient boat soared into the sky and flew into the distance.

Obviously, the ancient boat that Mo Qingkuang took out was of a higher grade.

Not only was it more stable, but it was also faster.

It did not take long for them to fly out of the capital.

They flew for more than an hour straight Until around eleven o’clock at night.

Yang Luo and the others arrived above Kunlun Mountain.

The vast snowy mountains rose and fell continuously.

They were majestic, like a huge dragon lying down.

They were ancient and heavy, majestic.

Yang Luo asked, "Brother Mo, where's the entrance to the Kunlun Ruins?" "It's not far away." Mo Qingkuang pointed into the distance and steered the ancient boat into the depths of Kunlun Mountain.

After arriving at the depths of Kunlun Mountain, Many warriors were guarding there.

Moreover, these warriors were all Martial Warriors and were not weak.

"Who is it?!" "This is the base of Kunlun Mountain.

No one is allowed to enter!" These warriors shouted one after another.

"I'm the Hidden Dragon Pavilion Master, Mo Qingkuang.

I'm going to the Kunlun Ruins now!" Mo Qingkuang took out a token.

"Greetings, Pavilion Master Mo!" After seeing Mo Qingkuang clearly, these warriors saluted one after another and did not stop him.

After that, Mo Qingkuang steered the ancient boat and continued to fly into the depths of Kunlun Mountain.

Yang Luo said in surprise, "I've always heard that there are soldiers guarding Kunlun Mountain.

Someone said that it's a base inside, so ordinary people are not allowed to enter.

So these warriors are guarding the entrance to the Kunlun Ruins."

Chapter 1484: Ancient Array Platform!

Mo Qingkuang smiled and said, "There is indeed a base in Kunlun Mountain, but it's not here.

"The warriors guarding this place are guarding the entrance to the Kunlun Ruins." "I see." Yang Luo nodded in realization.

After flying past many tall mountains, they arrived above a valley.

Mo Qingkuang said, "The entrance to the Kunlun Ruins is here." "Here?" Yang Luo looked puzzled, "How do we get in?" "Brother Yang, look at the bottom of the valley." Mo Qingkuang pointed down.

Yang Luo, Bujie, and the others looked down.

What greeted them was a circular array platform was built at the bottom of the valley.

It was about the size of two or three football fields.

It was unknown what material this array platform was made of.

It looked ancient and had probably been around for a long time.

Moreover, there were ancient formation patterns and runes engraved on the array platform.

They were mysterious and unfathomable.

“Could this be a teleportation array?” Yang Luo asked.

“That’s right.” Mo Qingkuang nodded and said, “As long as we can activate the teleportation array, we can open the array and go to the Kunlun Ruins.” Bujie said excitedly, “Then what are we waiting for?”

Hurry up and activate the teleportation array!” Mo Qingkuang said, “Alright, I’ll activate the teleportation array now.

You have to stand firm!” Yang Luo and the others nodded.

Then, Mo Qingkuang took out a jade talisman from his storage ring and injected True Qi into it.

He chanted in his heart!

In the blink of an eye!

A purple-gold beam of light shot out from the jade talisman and projected on the array platform below!

In less than a few minutes.

Rumble rumble rumble!

The entire array platform shook violently and emitted a dazzling light!

As the array platform shook, the array patterns and runes above began to slowly rotate!

Bujie was very excited and shouted, “I’m coming, I’m coming.

This Buddha here can also go to the Immortal Realm!” Xu Ying pursed his lips at his exclamation, “Can you not appear so shocked?”

Can you lower your voice?” Bujie put his arm around Xu Ying’s shoulder and grinned, “Brother Xu, aren’t you excited?” Xu Ying shrugged and said, “What’s there to be excited about?”

It’s just a change of location.” “That’s right.

You make it sound like you’ve never seen the world.” Lin Wenxuan echoed.

“Cheh!” Bujie rolled his eyes, “Pretentious, the two of you can continue pretending!” And right at this moment Dong!

A huge beam of light soared into the sky from the array platform and enveloped Yang Luo and the others!

This beam of light was incomparably dazzling, as if it had connected the array platform to the sky!

“Hahaha, Kunlun Ruins, I’m here!” Accompanied by Bujie’s last shout of joy Yang Luo and the others disappeared into the sky.

Until Yang Luo and the others disappeared.

Only then did the beam of light slowly dissipate, and the array platform stopped operating.

Everything returned to normal, as if nothing had happened.

Yang Luo and the others felt their vision blur.

The space distorted and the world spun.

Ten minutes later.

When Yang Luo and the others stabilized their bodies, they appeared above a valley.

The night was as dark as ink, the crescent moon hung high in the sky, and the stars filled the sky.

They could also hear the cries of some birds and beasts.

“Hmm?” Bujie asked doubtfully, “What’s going on?”

Why are we still in the same place?” Mo Qingkuang smiled and said, “Brother Bujie, are we really still in the same place?”

Do you want to look around and sense it?” Bujie surveyed his surroundings.

Although this was also a valley, the scenery was completely different from the valley on Mount Kunlun.

There were tall mountains here.

There was no ice or snow on the mountains, and the climate was pleasant.

He sensed his surroundings again and sensed that the spiritual energy here was very abundant.

It was more abundant than anywhere in the secular world.

“D\*mn, we’re really in the Kunlun Ruins?!” Bujie also exclaimed.

“We should have arrived.” Yang Luo nodded, feeling very excited.

He also sensed that the spiritual energy here was very abundant.

At this point, he felt refreshed.

His ears and eyes were clear, and all the pores on his body were greedily absorbing spiritual qi.

Previously, he had only heard of the Kunlun Ruins.

He did not expect that he would really step foot here one day.

“Heavens, is this the Kunlun Ruins?!”

Is this the Immortal World?!” Prajna was also extremely excited.

“Wuwuwu!” Big White, who was sitting on Yang Luo’s shoulder, also cried out in joy.

Yang Luo looked down at the valley.

Only then did he realize that there was also an array platform built under the valley.

It was not much different from the array platform in the valley of Kunlun Mountain.

Yang Luo asked curiously, “Brother Mo, who built this array platform?” Mo Qingkuang shook his head and said, “I’m not very sure about this either.

It’s said that it was built by some ancient mighty figures.

The Kunlun Ruins and the Penglai Immortal Island are also two small worlds established by some ancient mighty figures.” Bujie asked, “Are there really ancient mighty figures in the past?” “Of course they exist.” Mo Qingkuang nodded and said, “It’s just that the era where those ancient mighty figures lived is too far away from us now.

Now, we can only find some clues about those ancient mighty figures.

I heard from the elders that those ancient mighty figures have long shattered the void and gone elsewhere.” “Oh” Bujie nodded his head in a daze.

Yang Luo asked again, “Then can anyone travel between the secular world and the immortal world at will?” Mo Qingkuang shook his head and said, “Of course not.

You have to have the jade talisman of the Immortal World.

Secondly, you have to know the incantation to activate the teleportation array.” As he spoke, Mo Qingkuang took out a jade talisman and handed it to Yang Luo, “Brother Yang, take this jade talisman.

I’ll teach you the incantation to activate the teleportation array later.

In the future, you can travel freely between the secular world and the Immortal World.” “Thank you, Brother Mo!” Yang Luo thanked him and took the jade talisman.

Mo Qingkuang said, “It’s too late now.

Let’s find a place to rest first and continue our journey tomorrow!” “Alright!” Yang Luo and the others nodded.

Then, Mo Qingkuang steered the ancient boat and flew into the distance

Chapter 1485: Five Continents!

Along the way Tall and majestic mountains rose and fell.

In the distance was a lush forest.

From time to time, all kinds of unknown birds flew past in the sky.

There were also some beasts running through the forest.

“Brother Mo, how big is the Kunlun Ruins?

What is this place we’re at?

Where is your Supreme Sect?” Yang Luo asked a few questions in a row.

“Brother Yang, don’t be anxious.

I’ll tell you slowly.” Mo Qingkuang smiled and said slowly, “This Kunlun Ruins is about three times the size of the secular world.

There are a total of five continents here, namely the East Continent, West Continent, South Continent, North Continent, and Central Continent.

Each continent is vast and boundless, separated by the sea.

We are currently in the East Continent.

As for our Supreme Sect, we are in the Central Continent.” “Brother Mo, what’s the status of your Supreme Sect in the Kunlun Ruins?” Bujie asked curiously.

Mo Qingkuang raised his head and said proudly, "There are countless sects and families in the entire Kunlun Ruins.

As for our Supreme Sect, it's one of the five top sects in the Central Continent.

Of course, there are also some top sects and families in the East Continent, West Continent, South Continent, and North Continent that can compete with us." Bujie clicked his tongue and said, "Looks like your Supreme Sect's status in the entire Kunlun Ruins is quite high." "Of course!" Mo Qingkuang nodded proudly.

In the journey forward Mo Qingkuang introduced some of the situation in the Kunlun Ruins.

Yang Luo also had a rough understanding of the Kunlun Ruins.

After that, Mo Qingkuang taught Yang Luo the incantation to activate the teleportation array.

After leaving the mountain, they flew for more than an hour.

Finally, they saw that in the distance was an ancient city that occupied a huge area.

The plaque on it had the words "Coiling Dragon City" written on it.

The ancient city was brightly lit, and people were moving around.

It was very lively.

Many cultivators were either riding weapons, flying immortal treasures, demonic beasts, spirit beasts, immortal beasts, or driving cars as they flew through the sky and entered the ancient city.

Bujie smacked his lips and said, "I didn't see anyone along the way just now.

Now, I finally see someone!” Soon, Yang Luo and the others flew into Coiling Dragon City on the ancient boat and landed on the street.

Mo Qingkuang put away the ancient boat.

There were people coming and going on the streets.

There were shops on both sides of the street, and there were many stalls selling their wares.

It was extremely lively.

Moreover, everyone here was wearing retro clothes, as if they had transmigrated to ancient times.

Bujie and Prajna’s eyes lit up.

“The currency here uses spirit stones.

“Of course, you can also use other medicinal herbs, pills, magical artifacts, weapons, and so on to trade.” Mo Qingkuang said and threw a storage bag to Yang Luo and the others, “These are all spirit stones.

If you like anything, feel free to buy it.” “Thank you, Big Brother Mo!” Yang Luo and the others thanked him.

After thanking him, Bujie and Prajna could not wait to rush out.

Xu Ying and Lin Wenxuan followed.

Mo Qingkuang asked Yang Luo, “Brother Yang, aren’t you going to buy something?” Yang Luo said, “Many herbs, pills, Dharma artifacts, and weapons here are relatively ordinary.

I'll take a look first and buy it if I find anything good." "Sure." Mo Qingkuang nodded.

Yang Luo and the others were shopping on the streets.

They looked around and felt that everything was so novel.

They shopped for a full hour.

Bujie and Prajna only returned after spending all the spirit stones Mo Qingkuang had given them.

The two of them had many exquisite decorations on them.

Yang Luo was caught between laughter and tears, "What exactly did the two of you buy?" Bujie grinned and said, "In any case, I bought whatever I liked.

I have everything." Prajna also said happily, "Everything here is so interesting.

Unfortunately, I've spent all my spirit stones." Yang Luo rolled his eyes.

"Prajna is a girl.

It's fine if she likes to shop, but why are you also a shopaholic?" Bujie chuckled, "Brother Yang, it's not easy for us to make this trip, so we naturally have to return with a full load!" Mo Qingkuang took out two more bags of spirit stones and said, "Here, continue buying." Bujie and Prajna were about to take it.

However, Yang Luo stopped them and said, "Brother Mo, don't spoil them.

Besides, we still have to travel tomorrow.

Let's rest early." Mo Qingkuang nodded and said, "Alright." Bujie and Prajna immediately drooped their heads like deflated balloons.

Yang Luo said in amusement, "Alright, after we're done with our business, you can buy whatever you want, okay?" Hearing Yang Luo's words, the two of them smiled.

After that, Yang Luo and the others stopped at the entrance of an inn.

This inn was called the White Dragon Inn.

It had a total of three floors, and people were coming in and out, looking very lively.

Mo Qingkuang said, "Let's rest here tonight." "Alright!" Yang Luo and the others nodded.

When they entered the inn, Yang Luo asked, "Brother Mo, why is this ancient city, this inn, and many shops named after dragons?" Mo Qingkuang explained, "Because the largest family in the East Continent is the Azure Dragon Family.

Many cities were built by the Azure Dragon Family.

Many shops were also opened by this family.

It can be considered their business." "So that's why." Yang Luo nodded and asked, "Which continent is Mr.

Yi's family in?" Mo Qingkuang said, "Mr.

Yi's family is also called the Black Tortoise family.

It's in the North Continent and is the largest family in the North Continent."

## Chapter 1486: Three Great Pirate Alliances!

“Then is there still a White Tiger Clan and a Vermillion Bird Clan?” Bujie asked.

“That’s right.” Mo Qingkuang nodded and said, “The White Tiger family is the largest family in the West Continent.

The Vermillion Bird family is the largest family in the South Continent.” Yang Luo asked again, “Why did these four families name themselves after ancient divine beasts?” Mo Qingkuang explained, “That’s because these four families inherited the bloodlines of the four ancient divine beasts, the Azure Dragon, the White Tiger, the Vermillion Bird, and the Black Tortoise.

They have extraordinary abilities.

Of course, other than the four largest families, many other families also inherited the bloodline of ancient divine beasts.

Although those families can’t compare to the four great families, they’re still much stronger than ordinary families.” Upon hearing Mo Qingkuang’s words, Lin Wenxuan’s eyes flickered, but he quickly returned to normal.

Surprise appeared in Yang Luo’s eyes, “I didn’t expect people to really inherit the bloodline of an ancient divine beast.

Looks like these families are not simple!” Mo Qingkuang said, “These families are indeed not simple.

Therefore, it’s best not to become enemies with them if possible.” Yang Luo nodded.

After walking into the inn, Mo Qingkuang asked the innkeeper to book six guest rooms.

Under the waiter’s lead, everyone returned to their rooms.

After Yang Luo entered the room, he carefully sized it up.

The entire room was antique but clean.

The lights in the room were made of some glowing stones.

Yang Luo looked around and walked into the bathroom.

He saw a huge wooden bucket inside.

There were a few bamboo baskets on the wall at the side.

There were some rare herbs and petals inside, emitting a pleasant fragrance.

Next to the wooden barrel was a stone pipe with a protruding stone on it.

There were a few ancient words written on it: Press to release the water, let go to stop the water.

Yang Luo tried to press the protruding stone.

As expected, warm water flowed out.

Yang Luo clicked his tongue and said, "Interesting." After filling half a bucket of water, Yang Luo took off his clothes and sat in the wooden bucket.

Big White also jumped into the water.

After soaking in the water, Yang Luo immediately felt that the water also contained rich spiritual energy.

All the pores on his body opened up and began to absorb the spiritual energy in the water.

Big White also felt the spiritual energy in the water and was very happy.

Yang Luo sighed, "This Kunlun Ruins is indeed not simple.

Even the water contains such abundant spiritual qi." As he spoke, he said to Big White, "Big White, don't casually become bigger in the future.

Only do so when I tell you to.

Do you hear me?" Big White nodded repeatedly.

After taking a bath, Yang Luo circulated his True Qi and evaporated the water on his body.

Then, he changed his clothes and sat cross-legged on the bed to cultivate.

The spiritual qi in the Kunlun Ruins was so abundant.

He had to hurry up and cultivate every second.

After all, the Dark Convention was about to begin, and he could not stay here for long.

He had to increase his cultivation and strength as soon and as much as possible in this limited time.

Big White also sat cross-legged beside Yang Luo and began to cultivate.

The next morning.

Yang Luo and the others finished their breakfast and flew away from Coiling Dragon City on the ancient boat.

“Brother Mo, how far is this place from the Central Continent?” Yang Luo asked.

Mo Qingkuang said, “It’s not too far.

We should be able to reach the Supreme Sect before sunset today.” Yang Luo asked again, “By the way, Brother Mo, is there a difference between the time in the Kunlun Ruins and the secular world?” Mo Qingkuang replied, “There’s no difference.

The time is the same.” “That’s good.” Yang Luo nodded in response.

Along the way, Yang Luo and the others chatted.

They flew for more than two hours.

As far as the eye could see, there was an endless sea ahead.

A port had also been built by the sea, and some large ships were docked.

Mo Qingkuang introduced, “This sea area is called the Return Ruin Sea.

After crossing the Return Ruin Sea, we will reach the Central Continent.” Yang Luo and the others nodded.

Then, Mo Qingkuang steered the ancient boat and flew towards the sea.

After flying for more than half an hour, Yang Luo and the others had already flew deep into the depths of the sea.

The waves surged, and many strange creatures swam in the sea.

But right at this moment “Stop right there!” A powerful voice came from afar!

Upon hearing this voice Yang Luo and the others turned around.

Huge wooden ancient boats sailed over from afar.

Each ancient boat was a hundred meters long, and there were a total of 30 of them.

Great flags fluttered in the wind, embroidered with all kinds of strange patterns.

Each ancient boat was filled with people with weapons in their hands.

There were more than five thousand of them.

Moreover, these people had aura fluctuations on their bodies.

Clearly, they were all immortal cultivators.

“Eh?

Who are these guys?

Why are they calling us?” Bujie asked curiously.

Mo Qingkuang looked at the flag on the ancient boat and frowned, “These guys are from the three pirate alliances, the Immortal Sea Alliance, the Tyrannical Sea Alliance, and the Heavenly Sea Alliance!

These three pirate alliances dominate the Return Ruin Sea and specialize in robbing passersby!" "What the f\*ck" Bujie's mouth twitched, "F\*ck, there are pirates in the Kunlun Ruins?!" "I've learned something new." Yang Luo was also very surprised.

It was fine if there were pirates in the secular world, but he did not expect there to be pirates in the Kunlun Ruins.

Amazing!

Chapter 1487: Leave Your Road Toll!

Soon, the 30 ancient boats approached Yang Luo and the others.

Leading them were three burly men with dark skin and beards.

They held knives, swords, and guns.

Mo Qingkuang whispered, "That person holding the saber is the deputy leader of the Immortal Sea Alliance, Xiao Yunyi!

The person holding the sword was the Vice Alliance Master of the Tyrannical Sea Alliance, Ma Tianyang!

That spear-wielding Vice Alliance Master of the Heavenly Sea Alliance, Wu Qianchuan!" "Oh" Yang Luo narrowed his eyes and sensed the cultivation levels of these three people.

He was indeed a little surprised.

He did not expect Xiao Yunyi to be at the late-stage Dao Convergence realm while Ma Tianyang and Wu Qianchuan were at the mid-stage Dao Convergence realm.

Apart from the three of them, there were also a few Dao Convergence elites.

Fortunately, most of them were below the Dao Convergence Realm, so they were not a threat.

Xiao Yunyi raised the long saber in his hand and said in a trembling voice, "This sea area is under the jurisdiction of our three pirate alliances!

If you want to pass through here, leave behind anything valuable on you!" "As long as you leave behind your belongings, we can let you leave!" "If you know what's good for you, quickly leave behind your belongings.

We can spare your lives!" Ma Tianyang and Wu Qianchuan also raised the weapons in their hands and shouted.

Mo Qingkuang said in a trembling voice, "You guys are quite bold.

You even dare to snatch from us!

Open your dog eyes and see what this is!" As he spoke, he took out a palm-sized jade talisman and presented it to the three of them.

The jade talisman emitted a purple-gold light and was engraved with the words "Supreme Sect".

"The Supreme Sect?!" "Are these guys from the Supreme Sect?!" Seeing the jade talisman, Xiao Yunyi and the others exclaimed and frowned.

Mo Qingkuang continued, "I'm the son of the Sect Master of the Supreme Sect, Mo Qingkuang!

If you know what's good for you, get lost!" Xiao Yunyi and the others' expressions darkened, as if they were hesitating.

“Aren’t you going to scram?” Mo Qingkuang emphasized again.

“D\*mn your mothers!” Xiao Yunyi cursed angrily and said, “So what if it’s the Supreme Sect?

This isn’t the Central Continent, but the Return Ruin Sea.

Stop showing off in front of us!

Let me tell you, our three pirate alliances are with the Azure Dragon Hall in the East Continent!

“Your Supreme Sect is a top sect in the Central Continent.

Our backer, the Azure Dragon Hall, is also a top sect in the East Continent!” “That’s right.

In terms of overall strength, the Azure Dragon Hall is on par with your Supreme Sect.

Who’s afraid of who?!” “No matter who you are, as long as you pass through Return Ruin Sea, you have to leave some road tolls!” Ma Tianyang and Wu Qianchuan also shouted angrily.

Mo Qingkuang sneered and said, “No wonder you guys are so bold.

So you’re from the Azure Dragon Hall.” Xiao Yunyi said loudly, “Kid, if you had spoken nicely just now, we might have let you off!

However, you’re too arrogant.

I’m very unhappy!

Therefore, you have to hand over your belongings as well!" He also sensed that the highest cultivation level among the six people in front of him was Mo Qingkuang, who was at the mid-stage Dao Convergence realm.

As for the others, they were actually all Martial Warriors and not even cultivators.

Although he was very curious why there were Martial Warriors in the Supreme Sect, he did not care.

In any case, in his eyes, Martial Warriors were nothing.

However, what puzzled him was that he could not sense Yang Luo's cultivation level.

It seemed that this handsome kid did not have any cultivation at all.

He was just an ordinary person.

Therefore, he did not take Yang Luo and the others seriously at all.

"What if we don't?" Yang Luo asked with a smile.

Xiao Yunyi said in a trembling voice, "If you don't hand it over, don't blame us!" Right after he finished his sentence Thirty huge ancient boats rushed into the sky at the same time and floated in the sky!

"What the f\*\*k!" Bujie's face was filled with shock, "Your ancient boats are quite interesting.

It's fine if it can float on the sea, but it can actually fly into the air!" Ma Tianyang mocked, "You ignorant monk, what's there to be surprised about?

These ancient boats are all artifacts!" "F\*ck, how dare you say that I'm ignorant?

Watch me redeem you!" Bujie shouted angrily and took out the Dragon-Mark Buddhist Staff from his storage bag, charging forward!

Xu Ying, Prajna, and Lin Wenxuan also took out their weapons and rushed forward!

"Everyone, attack!

"Remember, just make them lose their mobility.

Don't kill them!" Xiao Yunyi waved the long saber in his hand and gave the order!

"Yes!" All the pirates responded and rushed over!

Mo Qingkuang also stomped his feet and jumped onto an ancient boat, charging towards Xiao Yunyi, Ma Tianyang, and Wu Qianchuan!

In an instant A huge battle erupted on the ancient boats!

"Get lost!" Bujie roared and swung the Dragon-Mark Buddhist Staff in his hand!

Bang!

Bang!

Bang!

The dozen or so pirates who rushed over were sent flying, blood spraying from their mouths!

Some crashed into the cabin, while others fell into the sea!

“Is this the so-called immortal cultivators?”

You’re just so-so!” Bujie laughed mockingly and continued charging forward with the Dragon-Mark Buddhist Staff!

“Floating Light and Shadow!” Xu Ying shouted coldly and waved the Dragon Sparrow Saber in his hand!

Swoosh!

Saber rays flashed and saber qi wreaked havoc!

Clang!

The sound of weapons clashing resounded!

The pirates who rushed over were all sent flying, and their bodies were cut by the saber qi!

“Sweep the Army!” Lin Wenxuan wielded the Qilin Divine Spear and swept forward!

Puff!

Black light flashed, and the spear qi was like a dragon!

Clang!

Clang!

Accompanied by the sound of metal clashing!

A large number of pirates were sent flying and fell into the sea!

“Frozen Fire Surge!” Prajna held the Sun and Moon Divine Staff and waved it continuously!

Whoosh!

Whoosh!

Whoosh!

Whoosh!

Rivers of ice and flames surged out, freezing many pirates and burning many pirates until they cried out!

“Strange, aren’t these four guys Martial Warriors?”

Why are they so strong?!” “These guys are indeed not simple!” “So what if they’re not simple?”

No matter how strong they are, they’re not our match!” Xiao Yunyi, Ma Tianyang, and Wu Qianchuan were indeed surprised by the combat strength of Bujie and the others.

However, although they were surprised, they did not take the four of them seriously.

Just as the four of them were talking!

Mo Qingkuang had already rushed over!

“Let’s subdue this kid first!” Xiao Yunyi shouted and rushed towards Mo Qingkuang!

Ma Tianyang and Wu Qianchuan also rushed forward!

Chapter 1488: This Is A Monster!

The four of them immediately engaged in an intense battle!

At this moment The four of them moved around on the ancient boats and attacked!

Boom!

Boom!

Rumble!

The sound of clashing and explosions resounded non-stop!

True Qi fluctuated and shone brightly!

Yang Luo stood quietly on the ancient boat in the distance and did not attack.

He had come to the Kunlun Ruins this time to let Xu Ying and the others train.

He could use this group of pirates to open their path of training!

At this moment.

Big White, who was standing on Yang Luo's shoulder, was very excited.

He pulled Yang Luo's face and cried out.

Yang Luo said in amusement, "Big White, why are you so combative like Bujie?" Big White continued to shout and couldn't wait to participate in the battle!

Yang Luo said, "Alright, alright, alright.

Big White, stop shouting.

I'll allow you to participate in the battle!" He could also tell that although Big Brother Mo's strength was not bad, it was still not easy for him to fight Xiao Yunyi and the other two alone!

Letting Big White participate in the battle could also help Big Brother Mo!

It was also a good opportunity for Big White to train!

Yang Luo said loudly, "Go, Big White.

Let them see your ability!" "Roar!" Big White let out an excited cry.

Then, it stomped its feet and jumped off Yang Luo's shoulder!

As Big White jumped out, its body began to expand!

A few seconds later Clang!

Big White landed heavily on an ancient boat, and its body grew to more than 20 meters tall!

The entire ancient boat shook and even sank a few meters!

Many pirates on the deck were shaken to the point of staggering!

“Oh my god, this monkey has actually become so big?!” “Could this monkey be a demon beast?!”  
“However, why is the aura on this monkey so powerful?!” The pirates were so frightened that they exclaimed.

Xiao Yunyi and the other two, who were fighting Mo Qingkuang in the distance, were dumbfounded!

They had just thought that Big White was just Yang Luo’s pet and had no combat strength at all!

However, they did not expect this monkey to become so big.

Moreover, the aura it emitted was at the mid-stage Dao Convergence realm!

It was simply terrifying!

Mo Qingkuang was also shocked!

Previously, he had only heard about Big White from Lin Aocang and Yi Jiuzhou!

Now that he had seen Big White expand with his own eyes, he understood how extraordinary Big White was!

“Roar!” Big White looked up at the sky and roared.

He clenched his fists and punched his burly chest.

“Attack!

Capture this demon beast and offer it to the Alliance Master.

The Alliance Master will definitely be very happy!” The leader of the pirates shouted and rushed towards Great White with dozens of pirates!

Xiao Yunyi exclaimed, “Don’t go over!” However, his reminder was still half a beat too late!

Big White took a step forward and stepped on the deck, creating a huge pit.

Then, he raised a palm the size of a huge fan and threw it out!

Bang!

Bang!

Bang!

Dozens of pirates were sent flying like sandbags and fell into the sea!

Some of their bodies were even smashed and they died on the spot!

Seeing this scene The pirates were dumbfounded!

“Oh my god, how can this monkey’s combat strength be so strong?!” “Retreat, retreat quickly!” The pirates who had originally planned to rush over retreated in fear, not daring to approach.

“ROAR!” Big White let out a roar and charged forward again!

Every step it took caused the entire ancient ship to tremble violently, creating huge pits on the deck!

Bang!

Bang!

Bang!

Bang!

The pirates in front of him were all sent flying!

“Damn it!

I don’t believe I can’t subdue this demon beast!” “Everyone, attack together!” Hundreds of pirates rushed towards Big White from all directions!

“Roar!” Not only was Big White not afraid, but it also roared excitedly!

It clenched its fists and swung them wildly!

Two huge fists were like huge pendulums as they smashed towards the pirates!

All the pirates who approached were either blown up or sent flying!

After sending these hundreds of pirates flying!

Big White bent its knees and exerted strength in its legs!

Its huge body rushed more than a hundred meters high!

“What is this monkey trying to do?!” The pirates on the ancient boat were dumbfounded.

They did not know what Big White wanted to do.

However, just as these pirates were in a daze!

Big White’s huge body continued to fall without any signs of slowing!

In an instant!

Clang!

Big White was like a huge mountain as it slammed down heavily!

The huge ancient boat was directly snapped into two and fell into the sea from the sky!

The pirates on the ancient boat fell into the sea with the broken ancient boat!

Big White relied on the recoil to jump up.

With a bang, it landed steadily on another ancient boat!

“Oh my god, this monkey is a monster!” “Isn’t that so?”

This guy’s strength is too tyrannical.

He actually broke our ancient boat with the strength of his feet!” “It’s definitely not an ordinary demonic beast.

Is it a spirit beast?

Immortal beast?

Or a divine beast?" The pirates on the other ancient boats exclaimed, trembling in fear.

"ROAR!" Big White became even more excited and let out a heaven-shaking roar at the pirates, as if it was clamoring and declaring war!

This roar resounded through the sky and clouds!

The beasts in the sky and sea were frightened and fled in panic!

After all, beasts were the most sensitive to danger!

They all felt how terrifying Big White was!

With just a roar, it sent many pirates flying and shattered the eardrums of many people, causing the blood and qi of everyone present to surge!

In the distance, Bujie, who was in the midst of an intense battle, curled his lips and said, "This big silly's personality is really the same as Brother Yang's.

They're both so arrogant!" Yang Luo was caught between laughter and tears as he shook his head.

It seemed that this guy was already high from the fight.

And right at this moment Xiao Yunyi pushed Mo Qingkuang away and rushed towards Big White!

Only now did he understand that this monkey's combat strength was probably not inferior to Mo Qingkuang's!

"Evil creature, watch my saber!" He let out an explosive roar and soared into the sky, slashing at Big White!

Swoosh!

The silver saber beam tore through the sky.

The saber beam soared into the sky and wreaked havoc.

It was incomparably domineering!

However, just as Xiao Yunyi's saber slashed over!

Big White twisted his fist and faced the attack, using his body to resist the sharp blade!

Clang!

The saber and fist collided with a shocking commotion!

Waves of powerful and vast energy waves spread out, sending many people flying, and also causing the surrounding ancient boats to drift to the side!

Chapter 1489: Could He Be an Earth Immortal?

"Yes!" Xiao Yunyi let out a muffled groan and was sent flying dozens of meters away before he stabilized his body!

Big White was also forced back seven to eight steps before stabilizing its body!

Although Big White's body had been cut open, it was only a superficial wound and was not a problem at all!

"Hiss" Xiao Yunyi could not help but gasp!

He never expected that Big White would actually withstand his saber and even send him flying!

One had to know that he was a late-stage Dao Convergence cultivator!

The others present were also shocked!

"This monkey actually forced Vice Alliance Master Xiao back with a punch?!" "Unbelievable!" Many people exclaimed.

"ROAR!" Big White clenched his fists and pounded his chest as he roared at Xiao Yunyi!

Then, it swung its thick legs and rushed towards Xiao Yunyi!

"Evil creature, I don't believe that I, the dignified vice alliance master of the Immortal Sea Alliance, can't subdue you!" Xiao Yunyi shouted coldly and rushed towards Big White!

Seeing Xiao Yunyi charge forward!

Big White's mouth opened and spat out a scarlet fire wave!

Fire waves surged out.

The temperature was extremely high, burning the space until it distorted!

Xiao Yunyi quickly waved the long saber in his hand and slashed out angrily, extinguishing the surging flames!

However, at this moment!

Big White had already approached.

It twisted its fist again and punched Xiao Yunyi!

Xiao Yunyi's expression changed, and he quickly raised the long saber in his hand to block!

This punch was incomparably heavy, as if a meteor had smashed over!

The air was crushed, emitting an explosive sound!

Clang!

Clang!

Accompanied by a heavy collision sound!

Xiao Yunyi was sent flying!

He was sent flying dozens of meters away before he could stabilize his body!

Although he barely withstood the punch, his hands and arms were shattered and blood flowed!

"Damn it!

Evil creature, hand over your life!” Xiao Yunyi roared angrily and continued to charge at Big White!

Big White didn’t dodge or retreat.

It fought!

At this moment, the other Dao Convergence Realm powerhouses also charged at Big White!

An even more intense battle immediately erupted!

“That kid is actually watching the commotion from the side.

Capture him!” At this moment, someone noticed Yang Luo and shouted.

Soon, dozens of pirates rushed towards Yang Luo with weapons in their hands!

Yang Luo sighed lightly and said, “I originally didn’t want to make a move, but since you insist on coming to have a death wish, I’m sorry!” As he spoke, Yang Luo mobilized waves of True Qi.

He raised his right hand and condensed a huge golden palm that slapped out!

In an instant!

Bang!

Bang!

Bang!

The dozens of pirates who rushed over were sent flying with a slap!

Blood spurted out of the mouths of the dozens of pirates.

When they fell to the deck, their bodies deformed and they died completely!

In an instant All the pirates present were dumbfounded!

“This kid is actually so strong?!” “Then why can’t I sense his cultivation?!” “Could it be that his cultivation level is higher than ours?!” Many people began to discuss in shock.

In particular, Xiao Yunyi, Ma Tianyang, and Wu Qianchuan, who were in the midst of an intense battle, were even more shocked!

They originally thought that Yang Luo did not have any cultivation and was just an ordinary person!

But who knew that Yang Luo was actually so strong!

“The four of you, go deal with that kid!” Xiao Yunyi roared at four of his early-stage Dao Convergence subordinates.

“Alright!” The four of them responded and rushed towards Yang Luo at the same time!

As he gazed at the four people rushing over!

Yang Luo had a calm expression as he stood quietly on the spot.

There was no fluctuation in his expression!

The four of them quickly approached Yang Luo and attacked at the same time!

Yang Luo only trembled and condensed a True Qi barrier!

Dong, dong, dong!

The four attacks ruthlessly struck the True Qi barrier, emitting a dull collision sound!

However, no matter how ferocious their attacks were, they could not break through Yang Luo's defense and were completely blocked!

"Get lost!" Yang Luo took a step forward and shouted!

Waves of earth-shattering True Qi immediately spread out!

"Ahhhh" The four of them let out miserable cries and spat out blood from their mouths.

They were sent flying at the same time!

After sending four people flying!

Yang Luo raised his right hand and condensed a huge golden palm.

A golden dragon totem was engraved on his palm as he pressed down on one of the ancient boats!

"Quickly dodge!" The pirates on that ancient boat shouted in fear and dodged to the sides, jumping onto the other ancient boats!

Some directly jumped into the sea!

However, there was still a portion of people who could not evacuate in time!

Boom!

Boom!

The golden palm pressed down heavily, as if it was crushing the space!

The entire ancient boat shattered into pieces that scattered down!

Those who could not evacuate in time on the ancient boat were all slapped to death!

“This kid is too strong and too terrifying!” “Could this kid be an Earth Immortal?!” “I’m afraid that’s true.

Otherwise, how could he have such powerful combat strength?!” All the pirates cried out in shock.

They were so frightened that their bodies trembled and they broke out in cold sweat.

Xiao Yunyi, Ma Tianyang, Wu Qianchuan, and the other Dao Convergence elites were all dumbfounded!

Earth Immortal!

This kid was actually an Earth Immortal?!

Such a young Earth Immortal was rare even in the entire Kunlun Ruins!

Mo Qingkuang was also extremely shocked!

He did not expect Brother Yang to be so strong!

His strength had already far surpassed him!

After shattering an ancient boat with a single palm strike!

Yang Luo raised the golden palm print again and prepared to slap the second ancient boat!

However, just as the golden palm print was about to land!

“Stop it!” A thunderous voice came from afar!

Right on the heels of that Swoosh!

A huge black saber streaked across the sky, carrying a terrifying saber beam and saber intent as it slashed towards Yang Luo!

Without any hesitation, Yang Luo raised the golden palm print and faced it!

At that very moment Rumble!

The golden palm print and the black saber collided fiercely.

The commotion was shocking and shook the surroundings!

The true Qi and energies that spread out directly sent everyone around flying!

Everyone present turned to look!

Three majestic figures riding three demon beasts flew over from afar and arrived in the sky!

“Greetings, Alliance Master!” All the pirates present cupped their fists and bowed respectfully.

Chapter 1490: Who Is the Real Overlord!

They comprised of three middle-aged men!

They were the leaders of the Immortal Sea Alliance, the Tyrannical Sea Alliance, and the Heavenly Sea Alliance, Li Kuangdao, Guan Hailong, and Luo Yunzheng!

The three of them held sabers, huge axes, and huge hammers.

The three demon beasts they rode were the Purple Fire Berserk Lion, the Nether Winged Tiger, and the Cloud Treading Lightning Leopard!

These three demon beasts were as big as elephants and had wings.

They looked extraordinary!

Yang Luo sensed the three of them and was slightly shocked!

He did not expect these three people to be at the early-stage Earth Immortal realm!

However, it made sense.

These three were the leaders of the three pirate alliances and the overlords of the Return Ruin Sea.

If they didn’t even have this bit of cultivation, they wouldn’t be able to survive!

“What the hell is going on?” Li Kuangdao glanced around and asked in a deep voice.

Guan Hailong and Luo Yunzheng’s expressions also darkened.

“Three Alliance Masters, this is what happened” Xiao Yunyi quickly told the three of them what had just happened.

After hearing Xiao Yunyi’s words, The three of them swept their cold gazes across Yang Luo and the others before stopping on Mo Qingkuang.

“You’re Sect Master Mo’s son?” Li Kuangdao asked in a deep voice.

“That’s right.” Mo Qingkuang replied in a loud voice.

Li Kuangdao narrowed his eyes and said, “Kid, I know that your Supreme Sect has a lot of prestige in the Central Continent!

However, this is not the Central Continent, but the Return Ruin Sea.

It is our territory!

Originally, I should have given your Supreme Sect face and let you off!

However, you have killed so many of us.

You have to give us an explanation!” Mo Qingkuang said coldly, “It was your people who wanted to rob us first!

Now, you want us to give you an explanation?

What kind of logic is that?" "I don't care!" Li Killing Blade said ruthlessly, "You've killed so many of us.

Either you give us enough compensation, or I'll cripple you!" Mo Qingkuang said in a firm voice, "If you dare to attack, our Supreme Sect will not let you off!" Li Killing Blade sneered and said, "I know that our three pirate alliances are no match for your Supreme Sect!

However, our backing is the Azure Dragon Hall of the East Continent!

We are not afraid of you!" Mo Qingkuang was about to continue speaking But Yang Luo beat him to it and asked indifferently, "So, you must find trouble with us?" "Kid, who are you?" Li Kuangdao narrowed his eyes and looked at Yang Luo.

Just now, he had sensed that this kid in front of him was actually at the early-stage Earth Immortal Realm like him!

This really shocked him greatly!

Guan Hailong and Luo Yunzheng also stared at Yang Luo!

"You don't have to ask who I am!" Yang Luo met their gazes and said, "Why don't you make way for us now?

Otherwise, I'll kill all of you before leaving!" As soon as these words were spoken "Hahaha" "Brother Li, did you hear that?

This kid actually said that he wanted to kill all of us before leaving.

Is he joking?" "Kid, don't think that you're very impressive just because you're at the early Earth Immortal Realm.

The three of us are at the early Earth Immortal Realm as well!" The three of them burst into laughter.

All the pirates present also laughed mockingly, feeling that Yang Luo was really arrogant.

“Kid, if I won’t teach you a lesson this time, You won’t know who the true overlord is on the Returning Ruin Sea!” Luo Yunzheng roared and soared into the sky.

He held the huge hammer and rushed towards Yang Luo!

“Brother Yang, be careful!” Mo Qingkuang reminded in surprise.

“Don’t worry!” Yang Luo replied.

Then, he stomped on the ground and soared into the sky to fight!

In the blink of an eye!

Yang Luo and Luo Yunzheng closed the distance and attacked at the same time!

Luo Yunzheng swung the huge hammer in his hand towards Yang Luo!

Rumble rumble rumble!

The huge hammer swung out.

It was as heavy as 10,000 catties, and it rippled with incomparably dazzling dark blue True Qi!

The sky and sea trembled violently, and the wind and clouds surged incomparably violently!

Yang Luo was not afraid at all.

He twisted his fist and it emitted a dazzling golden light as he faced the attack!

Rumble!

The fist and hammer collided, and the sound of rocks breaking through the clouds erupted!

The clouds in the sky were instantly shattered!

The sea below also surged with huge waves!

It only lasted for a few seconds!

“Urghh” Luo Yunzheng let out a muffled groan as his majestic body was sent flying!

Everyone present was shocked when they saw this!

“What’s going on?”

Alliance Master Luo was actually sent flying by this kid with a punch?!” “Isn’t this kid’s cultivation level the same as Alliance Master Luo?”

How did his strength surpass Alliance Master Luo?!” Many people exclaimed in confusion.

Li Kuangdao and Guan Hailong also frowned slightly.

They could not understand Yang Luo’s cultivation techniques and immortal techniques at all, nor could they see through his strength.

Luo Yunzheng was pushed back dozens of meters before he stabilized his body!

“Kid, interesting.

Come, continue!” Luo Yunzheng roared and charged at Yang Luo again!

In an instant!

Luo Yunzheng approached Yang Luo and swung the huge hammer in his hand again towards Yang Luo!

“Chaotic Divine Hammer!” This hammer was even more ferocious than before, as if it wanted to smash everything into pieces!

Furthermore, when he swung the hammer, blue lightning even flickered, turning into a lightning river that surged towards Yang Luo!

However, Yang Luo’s expression was still extremely calm.

He twisted his fist again and punched out wildly!

The huge golden fist shattered the sky and blasted out with irresistible force!

Boom!

Boom!

After the second violent collision, the sky and sea within a radius of tens of thousands of meters trembled!

Not far away, the ancient boats swayed violently, as if they would be overturned at any moment!

The true energy that surged out was like a tsunami, terrifying to the heavens!

The lightning river that surged over was directly shattered by a punch!

Under the impact of the second punch!

Luo Yunzheng was sent flying again!

This time, as it saw its master being sent flying!

“ROAR!” The Cloud Treading Lightning Leopard let out a roar, flapped its wings, and pounced at Yang Luo!

On the way to Yang Luo!

The Cloud Treading Lightning Leopard opened its mouth and spat out blue lightning that slashed at Yang Luo!

“Even your master is not my match.

Can you be my match?” Yang Luo’s eyes were cold as he condensed a huge golden palm and slapped out!

Bang!

With just a slap, he shattered the lightning bolts and sent the Cloud Treading Lightning Leopard flying
