Chapter 1491: Fighting Three Earth Immortals Alone!

The moment Yang Luo slapped the Cloud-Treading Thunder Leopard away!

“Thousand Lightning Strikes!” Luo Yunzheng let out a powerful roar.

He gripped the huge hammer with both hands and smashed it towards Yang Luo!

The giant hammer caused the void to tremble and the sea of clouds to surge.

It was incomparably terrifying!

Tens of thousands of blue lightning bolts descended from the sky and struck Yang Luo!

“Sword, come!” Yang Luo immediately shouted!

Whoosh!

Accompanied by a crisp sword cry!

The Dragon Emperor Sword instantly flew out of his storage ring and was held tightly in his hand!

Then, he flipped his right hand and waved his sword!

The Dragon Emperor Sword Technique was instantly executed!

Swoosh!

A huge golden sword streaked across the sky and slashed at Luo Yunzheng's huge hammer with majestic Sword Qi!

Countless golden flying swords soared into the sky and shot towards the tens of thousands of violent lightning bolts!

Clang!

The moment the sword and hammer collided!

Rumble!

The tens of thousands of lightning bolts that struck down were shattered by countless flying swords!

“Get lost!” Yang Luo’s right arm shook in retaliation!

Accompanied by a “dang dang dang” sound, Luo Yunzheng was sent flying again.

His body was cut open, and blood splattered in the air!

“What?!”

Alliance Master Luo was injured?!” “Aren’t their cultivation levels the same?

Why is this kid’s combat strength so strong?!” “How did this happen?!” Xiao Yunyi, Ma Tianyang, and Wu Qianchuan exclaimed in shock.

Bujie mocked, “Truly ignorant.

Does having the same cultivation mean that your strength has to be the same?" Hearing Bujie's words, The three of them were very angry, so angry that their eyebrows twitched.

Just now, they had also mocked Bujie for being ignorant.

Now, this stinky monk actually started to mock them back.

And right at this moment "ROAR!" The Cloud Treading Thunder Leopard loyally protected its master and let out a roar.

It suddenly flapped its wings and pounced at Yang Luo again!

However, the moment the Cloud Treading Lightning Leopard charged over!

Big White stomped its feet and its huge body soared into the sky from an ancient boat!

It streaked across the sky in a high parabola and rode on the Cloud Treading Lightning Leopard!

Then, it swung its fist at the Cloud Treading Lightning Leopard!

Bang!

Bang!

Bang!

More than ten punches smashed down in a row, emitting muffled sounds!

“Howl” The Cloud-Treading Lightning Leopard wailed in pain.

Its body trembled violently, wanting to shake off Big White!

However, Big White was holding onto the leopard tightly and could not be shaken off at all!

The Cloud Treading Thunder Leopard directly mobilized the power of lightning in its body.

Lightning flickered as it slashed at Big White!

However, Big White had thick skin and flesh.

It ignored the lightning and continued to punch down!

After more than ten punches in a row!

The leopard could no longer withstand it.

It fell from the sky with a bang and smashed heavily onto an ancient boat!

The people on the ancient boat were so frightened that they hurriedly retreated!

After falling down, the Cloud Treading Lightning Leopard struggled to get up and prepared to escape!

However, Big White stretched out its left hand and grabbed one of the leopard's wings.

It clenched its right hand into a fist and continued to punch!

Bujie, who was watching the commotion from the side, clicked his tongue and said, "F*ck!

This is too savage!" At this moment.

Luo Yunzheng stabilized his body again and flew into a rage out of humiliation.

He continued to rush towards Yang Luo!

“Brother Luo is not this kid’s match.

Hurry up and help!” Li Kuangdao shouted and soared into the sky with a saber in his hand.

He turned into a purple stream of light and rushed towards Yang Luo!

Guan Hailong also soared into the sky.

He held his huge axe and rushed towards Yang Luo!

Their mounts, the Purple Fire Berserk Lion and the Netherworld Winged Tiger, pounced at Big White on the ancient boat!

At this moment Big White and the three demon beasts fought fiercely!

On the other hand, Yang Luo was engaged in an intense battle with Li Kuangdao, Guan Hailong, and Luo Yunzheng!

“Wave Breaking Saber Technique!” “Dragon Battleaxe!” “Chaotic Divine Hammer!” Li Kuangdao and the other two mobilized the True Qi in their bodies continuously.

Then, they waved the weapons in their hands and slashed at Yang Luo!

Swoosh!

Swoosh!

Swoosh!

The huge saber, huge axe, and huge hammer shook the sky and sea, stirring the wind and clouds as they attacked Yang Luo ruthlessly!

There were also purple-black flames, black-gray winds, and dark blue lightning that attacked together!

Facing the fierce attacks of the three of them!

Yang Luo did not dodge or retreat.

He instead swung his sword with all his might!

“Dragon Emperor Sword Technique!” Swoosh!

The huge golden sword tore through the sky and erupted with terrifying sword qi and sword might.

It broke through the flames, wind, and lightning and faced them!

Rumble!

Swords, sabers, axes, and hammers collided fiercely in the sky, causing the sky to tremble and the sea to surge!

Under this terrifying explosion!

Li Kuangdao, Guan Hailong, and Luo Yunzheng were sent flying 70 to 80 meters away before they could stabilize themselves!

However, Yang Luo retreated 40 to 50 meters before stabilizing his body!

“Oh my god, even if the three alliance masters join forces, this kid can still hold the upper hand?!”

“Could it be that this kid is not at the early-stage Earth Immortal Realm?!” “That’s not right.

The Alliance Master said that this kid is at the early-stage Earth Immortal Realm.

There shouldn’t be a mistake!” The pirates present discussed in shock, unable to understand what was going on.

It would be fine if this kid could only suppress Alliance Master Luo!

But now, this kid could actually suppress the three alliance masters at once.

This was very unbelievable!

After stabilizing his body, Li Kuangdao roared, “This kid is not simple.

Use all your strength to fight him!” “Alright!” Guan Hailong and Luo Yunzheng replied in unison.

Then, the three of them trembled!

Boom!

Boom!

Boom!

Three beams of light shot into the sky from their bodies, piercing through the sky, shaking the world, and stirring the sea!

Berserk, fierce, domineering, and unreasonable pressure and auras surged out of the three of them!

And right on the heels of that Three giants stood above the three of them

Chapter 1492: Powerful Existence!

The three giants were nearly a hundred meters tall and shone with a blinding light.

They held huge sabers, axes and hammers!

It was majestic and domineering!

“This This kid actually forced the three alliance masters to activate their Dharma Idols?!” “Oh my god, is this kid really that strong?!” Everyone present exclaimed in disbelief.

“They activated their Dharma Idol just like that?” Yang Luo chuckled.

“Alright, then I’ll play with you guys for real!” As he spoke, Yang Luo’s entire body shook as well!

Dong!

A dazzling golden beam of light soared into the sky and tore through the sky, scattering a large sea of clouds!

A golden giant holding a huge sword stood above Yang Luo, exceeding a hundred meters!

Compared to the Dharma Idol of Li Mad Saber and the other two, Yang Luo’s Dharma Idol was even more majestic, domineering, and extraordinary!

“Fight!!” The three of them roared and led their Dharma Idols to charge at Yang Luo!

Yang Luo also led his Dharma Idol to fight!

At that moment The distance between the two sides shortened!

“Wave Slash!” “Chaotic Axe Splits the Heavens!” “Heaven Shocking Hammer!” The three of them waved the huge sabers, huge axes, and huge hammers in their hands at the same time and attacked Yang Luo!

The three Dharma Idols also waved their weapons and attacked!

A sea of fire surged up!

Tornadoes that connected the sky and the sea crushed upwards!

Tens of thousands of lightning bolts struck down angrily!

Facing the fierce attacks of the three of them!

Yang Luo swung his sword with all his might!

“Dragon Rises from the Nine Heavens and Breaks the Wind and Clouds!” Swoosh!

A huge golden sword emitted a dazzling golden light and erupted with violent sword qi as it slashed diagonally!

“Roar, roar, roar!” Huge golden dragon phantoms roared and collided!

In the blink of an eye!

Rumble!

The earth-shattering sound of the collision that shook the mountains and seas resounded through the clouds for who knew how many kilometers!

Waves of True Qi and energy intertwined and spread out like a surging sea!

However, the space of the Kunlun Ruins was indeed firm.

It was actually not torn apart by such a terrifying collision!

A few minutes later!

Rumble!

A series of explosions resounded!

A huge ball of energy exploded in the sky and spread in all directions, as if it could destroy the world!

“Ah!

Ah!

Ah” Li Kuangdao, Guan Hailong, and Luo Yunzheng screamed as they were sent flying!

Blood exploded from their bodies, splattering everywhere!

Their Dharma Idols were also sent flying!

Cracks appeared on their Dharma Idols as well, as if it would dissipate at any moment!

Meanwhile, Yang Luo and his Dharma Idol were also sent flying!

However, Yang Luo and his Dharma Idol quickly stabilized themselves!

After stabilizing their bodies!

Yang Luo led his Dharma Idol and continued to charge forward!

“Continue, fight!” Li Kuangdao roared and rushed forward!

Guan Hailong and Luo Yunzheng also endured the pain on their bodies and rushed forward!

The Dharma Idols of the three of them followed closely and fought Yang Luo's Dharma Idols!

A terrifying battle immediately erupted in the sky above this sea area!

Everyone present was shocked!

Mo Qingkuang said in admiration, "I didn't expect Brother Yang to become so strong after not seeing him for a while!

He can now fight against three Earth Immortals alone.

Not only is he not at a disadvantage, but he can also suppress three Earth Immortals.

He's not simple!" Bujie smiled and said, "Brother Mo, you have to know that our Brother Yang has passed the most difficult Three-Nine Lightning Tribulation among the Earthly Immortal Lightning Tribulations!

We don't find it strange at all that he has his current strength!" "What?!" Mo Qingkuang's eyes widened, "Brother Yang underwent the Three-Nine Lightning Tribulation?!" Bujie, Xu Ying, Prajna, and Lin Wenxuan nodded repeatedly!

"How how is this possible?!" Mo Qingkuang felt that his worldview had been overturned, "You have to know that even in the Kunlun Ruins, only a handful of people can transcend the Three-Nine Earth Immortal Tribulation!

No wonder Brother Yang is so strong now.

I finally understand now!

If he can survive the Three-Nine Lightning Tribulation, the power of heaven and earth he comprehends will be much stronger than ordinary Earth Immortals!” Xiao Yunyi, Ma Tianyang, and Wu Qianchuan, who were watching the battle not far away, also heard Bujie and the others’ conversation.

Their faces were filled with shock.

Three-Nine Lightning Tribulation?!

This kid had actually passed the Three-Nine Lightning Tribulation?!

If that was really the case!

Then how high was this kid’s talent, comprehension, and potential?!

And right at this moment “Sky Burning Explosion!” “Sea of Purgatory Fire!” “Flaming Sun Flame Pillar!” Roars came from Yang Luo’s mouth!

An incomparably huge golden fireball collided!

A golden sea of fire surged up!

Nine incomparably huge pillars of fire descended from the sky and suppressed the three of them and their Dharma Idols!

“Quickly defend!” Li Kuangdao shouted in shock and hurriedly condensed a True Qi barrier to block.

Guan Hailong and Luo Yunzheng also condensed a True Qi barrier to block.

The three Dharma Idols also rushed over and protected the three of them in the middle.

In an instant!

Rumble!

The golden fireball, the golden sea of fire, and the golden pillar of fire bombarded at the same time, triggering a world-shaking explosion!

The Dharma Idols of Li Kuangdao and the other two were blown up and dissipated in the sky!

The True Qi barrier that the three of them had condensed was also shattered and sent flying at the same time!

The injuries on the three of them got even worse.

Their skin and flesh were lacerated everywhere and blood flowed!

However, Yang Luo's attacks did not stop.

Instead, he continued to attack fiercely!

"Great Dao Dragon Diagram!" With a roar!

A huge golden totem condensed!

The golden totem slowly rotated, and the Azure Dragon pattern and runes engraved on it flickered with a dazzling golden light!

Yang Luo waved his hand and shouted again!

“Summon!” “Flood Dragon Clan!” “Low-level Divine Dragon Race!” “Roar, roar, roar!” Thousands of flood dragon illusions and ten low-level divine dragon illusions roared at the same time and collided with Li Killing Blade and the other two!

“Oh my god, what kind of cultivation technique is this?”

Why have I never heard or seen it before?!” “Who is this kid?”

Isn’t he too terrifying?!” Everyone watching the battle cried out in shock.

They were so frightened that their bodies trembled and they broke out in cold sweat.

Only now did they know that they had robbed someone they shouldn’t have!

How could they have provoked such a powerful existence!

Chapter 1493: Are You Here to Restock?

“Quickly counterattack!” Li Kuangdao shouted in horror and used all the moves he could to resist the impact of the flood dragon illusions and the low-level divine dragon illusions!

Guan Hailong and Luo Yunzheng were also scared out of their wits.

They quickly used various killing moves and counterattacked!

Boom!

Boom!

Boom!

A series of explosions exploded in the sky!

The heavy attacks launched by the three of them were completely destroyed!

Although many flood dragon illusions had dissipated, and even three low-level divine dragon illusions had dissipated!

However, the remaining flood dragon illusions and low-level divine dragon illusions continued to charge at the three of them!

Apart from raising the weapons in their hands and condensing a True Qi barrier to block, the three of them had no other way to block!

A few seconds later!

Puff!

Puff!

Puff!

The three of them spat out a mouthful of blood at the same time and flew out, landing heavily on an ancient boat in the distance!

Just as Yang Luo sent the three of them flying!

Big White also stepped on the mounts of the three of them!

Yang Luo led his Dharma Idol as he walked towards the ancient boat step by step!

Dang, dang, dang!

With every step Yang Luo and his Dharma Idol took, the sky shook and the sea surged.

It was terrifying!

The pirates of the three pirate alliances were trembling in fear and kept retreating!

Many people were so frightened that their legs went weak and they fell to the ground!

As he walked over Yang Luo looked at the three of them and said loudly, "Now tell me who the true overlord is!" "Roar!" Big White also let out a wild roar towards the sky!

The voices of a man and a beast resounded through the world like thunder and shook the surroundings!

All the pirates of the three pirate alliances were so frightened that their hearts trembled.

They knelt on the ground and did not dare to look at Yang Luo!

"Sir, we know our mistake.

Please spare our lives!" "Your divine might is peerless.

We don't dare to offend you!" "As long as you spare our lives, you can make any request!" Li Kuangdao, Guan Hailong, and Luo Yunzheng also got up in fear and knelt on the ground, sweating profusely!

Mo Qingkuang said, "Brother Yang, since they know their mistake, let's spare their lives!

After all, they are from the Azure Dragon Hall.

If we kill these three fellows, there will be a lot of trouble!” Yang Luo thought for a moment and nodded.

Indeed, he had just arrived and was unfamiliar with this place.

It was better to avoid trouble.

Yang Luo looked up at the three of them and said coldly, “I can spare your lives this time and pretend that nothing happened!

However, if you dare to find an opportunity to take revenge in the future, I will definitely take your lives!

Even if the Azure Dragon Hall protects you, I will kill you!” Mo Qingkuang also said in a trembling voice, “If you dare to ask the Azure Dragon Hall for help, my Supreme Sect come and accompany you to the end!” “We wouldn’t dare, we wouldn’t dare!” “Even if we move out of the Azure Dragon Hall, we can only scare timid people.

We can’t scare an expert like you!” “That’s right, that’s right.

Don’t worry, we definitely won’t take revenge on you!” Li Kuangdao and the other two hurriedly said.

Yang Luo dispersed his Dharma Idol and landed steadily on the ancient boat, “Take out all your valuables!” “Ah?” The three of them were stunned at the same time, not knowing what Yang Luo meant.

“Don’t you understand human language?” Yang Luo frowned and said, “I told you to hand over all your valuables!

“Spirit stones, medicinal herbs, medicinal pills, Dharma artifacts, and so on are fine!” Pot calling the kettle black?

Li Kuangdao and the others had the same thought at the same time.

“What are you waiting for?” Yang Luo said unhappily, “Do you really want to die?” “Alright Alright!” The three of them nodded and quickly handed their storage bags to Yang Luo.

Yang Luo threw their storage bags into his storage ring and said, “You’ve been entrenched here for so long.

Is this all you have?” “Yes, we still have more!” As the three of them spoke, they took out a few more storage bags and handed them to Yang Luo.

Then, he said to Xiao Yunyi and the others, “Hurry up and take out your things.

Hurry!” “Yes!” Xiao Yunyi, Ma Tianyang, Wu Qianchuan, and the others also took out a few storage bags and handed them to Yang Luo.

Yang Luo threw these storage bags into his storage ring one after another.

Since he was in the Kunlun Ruins, he naturally had to get more good things to give to his women and brothers.

Who asked him to have so many women and brothers while he was so poor?

The corners of Bujie’s mouth twitched, “Brother Yang, are you here to restock?” “Shut up!” Yang Luo glared at Bujie.

Bujie quickly shut his mouth.

Prajna covered her mouth and giggled.

Mo Qingkuang, Xu Ying, and Lin Wenxuan were caught between laughter and tears.

Originally, these pirates wanted to rob them.

However, he did not expect Yang Luo to start robbing these pirates.

Only Yang Luo would do such a thing.

After Yang Luo threw more than 20 storage bags into his storage ring, he asked, "Is there anything else?" Li Kuangdao wiped his cold sweat and said, "Sir, this is all we have on us.

"Why don't you come with us to the headquarters?

Our headquarters still has many good things." "It is too much trouble.

Forget it." Yang Luo waved his hand.

Li Kuangdao and the others heaved a sigh of relief.

Yang Luo had robbed them of so many things at once, and they felt the pinch.

However, they did not dare to say anything.

The young man in front of them was too strong, beating them until they had no temper.

Yang Luo said, "Since you've given me so many things, I'll reluctantly treat your injuries." "Ah?" "Treat our injuries?!" Li Kuangdao, Guan Hailong, and Luo Yunzheng were stunned again.

What did this young man mean?

“Do you want to be treated or not?” Yang Luo asked impatiently.

Mo Qingkuang said, “My Brother Yang is a true immortal doctor with extraordinary medical skills.

You have to seize the opportunity!” “Yes, we’ll accept the treatment!” Li Kuangdao and the other two hurriedly said.

Their injuries were a little serious.

If they were to heal themselves, who knew how long it would take them to recover?

Even if they went to ask someone to treat them, it would take a lot of time.

Since Mo Qingkuang said that this young man’s medical skills were very good, they wanted to give it a try.

Yang Luo did not say anything else.

He took out the Fuxi Divine Needle and treated the three of them.

Chapter 1494: Shameless is Invincible!

In less than half an hour Yang Luo put away the Fuxi Divine Needle.

The three of them stretched their bodies and immediately cried out in surprise.

“Alright, my injuries are almost healed!” “Amazing, this is really amazing!” “Immortal doctor, this is a real immortal doctor!” The other pirates present were also stunned.

Was this kid’s medical skills really so godly?

However, looking at the state of the three alliance masters, they did seem to be much better!

Li Kuangdao and the other two originally hated Yang Luo, but now, the hatred in their hearts was completely gone.

Moreover, they also had the intention to befriend him.

Not only was this young man's cultivation and strength powerful, but his medical skills were also so high.

His future achievements were simply unimaginable.

After all, many people could not step into the Earth Immortal Realm in their entire lives.

The three of them were already considered talents, which was why they could step into the Earth Immortal Realm at this age.

"Thank you, Mr.

Yang, for treating our injuries!" Li Kuangdao and the other two cupped their fists and bowed to Yang Luo.

"There's no need to thank me.

You gave me something, so I treated your injuries.

We're even." Yang Luo waved his hand and said, "Alright, if there's nothing else, we'll leave." "What's your name, sir?" Li Kuangdao hurriedly asked.

Yang Luo narrowed his eyes and said, "Why are you asking about my name?"

Are you trying to take revenge on me?" "No, no, no!" Li Mad Saber shook his head repeatedly and said, "Sir, we just want to be friends with you!" "Yes, yes, yes.

Not only are you powerful, your medical skills are superb, and you're also broad-minded.

We admire people like you!" "We would like to invite you to our headquarters for a gathering.

When the time comes, we will send you more good things!" Guan Hailong and Luo Yunzheng also hurriedly spoke up.

"Oh" Yang Luo nodded and said, "Although you're part of the grassroots in the martial world, you're still bold enough to take responsibility for your actions.

It's fine to be friends with you.

My name is Yang Luo.

If you have time in the future, let's meet again.

I still have something urgent to do now." Li Kuangdao nodded and said, "Alright then, Mr.

Yang.

We'll meet again when we have time later!" Guan Hailong said, "Mr.

Yang, if you want to see us, you can use the communication jade talisman to contact us!" "Hmm?" Yang Luo was stunned, "What is a communication jade talisman?" Li Kuangdao, Guan Hailong, and Luo Yunzheng looked at Yang Luo in confusion.

What was this situation?

Such an expert didn't even know about the communication jade talisman?

Mo Qingkuang hurriedly walked over and whispered in Yang Luo's ear, "Brother Yang, I forgot to tell you before.

The communication jade talisman is equivalent to a phone in the secular world.

As long as you leave the other party's mental imprint, you can contact them at any time." As he spoke, Mo Qingkuang handed Yang Luo a communication jade talisman.

He also handed one to Xu Ying, Bujie, Lin Wenxuan, and Prajna.

This communication jade talisman was white and contained spiritual energy fluctuations.

"Oh" Yang Luo took the communication jade talisman and understood what was going on.

"Alright, then leave a mental imprint.

If there's anything else, we'll keep in touch." Yang Luo handed his communication jade talisman to Li Mang.

Li Kuangdao and the other two left their mental imprints.

Then, the three of them took out their communication jade talismans and handed them to Yang Luo.

Yang Luo also left a mental mark on it.

This was equivalent to leaving their phone numbers with each other.

Yang Luo cupped his hands and said, "Everyone, goodbye.

"We'll meet again!" "See you again!" Li Kuangdao and the other two also cupped their hands.

Then, Yang Luo and the others jumped onto the purple-gold ancient boat.

Big White quickly shrank and jumped onto Yang Luo's shoulder.

Mo Qingkuang activated the ancient boat and drew a purple-gold light in the sky, flying away from this sea area.

Until they watched Yang Luo and the others leave Only then did Li Kuangdao and the others look away.

"Master, should we tell the Azure Dragon Hall what happened today to take revenge on that kid?" Xiao Yunyi asked Li Kuangdao.

Pa!

Li Kuangdao ruthlessly slapped Xiao Yunyi's head, "Tell my ass!

Revenge my ass!

It would naturally be best if we could befriend a figure like Mr.

Yang!

Even if you can't befriend him, don't provoke him again!" "That's right!" Guan Hailong also nodded and said, "We provoked Mr.

Yang first, so Mr.

Yang attacked us!

Moreover, later on, Mr.

Yang ignored the past and treated our injuries.

This is enough to prove that Mr.

Yang was a loyal person!

He's so young and heroic.

His future is limitless!" Luo Yunzheng also sighed and said, "How many years has it been since such a talented young man appeared in our Kunlun Ruins!

Even compared to the Azure Dragon, White Tiger, Vermillion Bird, and Black Tortoise, as well as the number one prodigy of those top sects, Mr.

Yang might not lose out to them!

I'm afraid the Kunlun Ruins will be lively!" Xiao Yunyi said with a sobbing tone, "But but he robbed us of so many things" "Urghh" Li Meng coughed lightly and said, "Mr.

Yang's style of doing things is indeed unusual!" Guan Hailong said, "In my opinion, an expert like Mr.

Yang definitely doesn't lack our little things!

Perhaps Mr.

Yang was just trying to vent his anger!

After all, we were going to rob him previously!" "I think so too." Luo Yunzheng nodded in agreement.

"So that's what Mr.

Yang meant.

No wonder!" "I knew it.

He's a dignified Earth Immortal and such a powerful Earth Immortal.

How can he lack spirit stones, medicinal herbs, pills, and Dharma artifacts?!" "Mr.

Yang is indeed an extraordinary person!" Xiao Yunyi, Ma Tianyang, and the others also came to a realization and started to over-analyze why Yang Luo was robbing them.

After Yang Luo and the others flew out of the sea, they continued to rush towards the Central Continent.

On the way Yang Luo and the others also left mental imprints on each other's communication jade talismans so that they could contact each other at any time.

Bujie curled his lips and said, "Brother Yang, can we not act like bandits in the future?

You're an esteemed Earth Immortal now.

How can you snatch other people's things like a bandit?" Pa!

Yang Luo slapped Bujie's bald head and said seriously, "Did I snatch it?"

Didn't they take the initiative to give it to me?" "" Bujie and the others were collectively speechless.

As expected, shameless people were invincible!

Chapter 1495: If There's No Destruction, There's No Creation!

Bujie said with admiration, "Brother Yang, I'm afraid only you can make shamelessness and thick-skinnedness sound so elegant and refined in the entire Kunlun Ruins!" Yang Luo narrowed his eyes and said, "Big White, settle him!" Big White jumped onto the ancient boat and prepared to enlarge.

"Big Silly Oh, no, Sir, I was wrong!" Bujie was shocked and hurriedly hid behind Mo Qingkuang.

He had seen Big White's strength a few times.

He really couldn't beat it!

Yang Luo raised his hand and said, "Alright, Big White, just scaring this guy is enough.

If you really become bigger, I'm afraid our boat will capsize." Big White nodded and jumped onto Yang Luo's shoulder.

Mo Qingkuang looked at Yang Luo and sighed, "Brother Yang, when we first met, your cultivation level was lower than mine.

However, I didn't expect your cultivation to far surpass mine in less than a year.

After seeing your battle with Li Mad Saber and the other two today, I'm extremely impressed." Yang Luo asked in confusion, "Brother Mo, your talent should be not bad.

Why hasn't your cultivation improved after so long?" Mo Qingkuang let out a long sigh and said, "Ever since the Battle of Peng City, my dantian has been damaged.

My father and the elders had to work together to repair my dantian.

Therefore, during this period of time, I've been repairing my dantian.

Not to mention increasing my cultivation and strength, I can't even cultivate.

Moreover, everyone's talent and comprehension is different.

I know very well that my talent and comprehension are far inferior to you, Brother Yang." "What?!" Yang Luo exclaimed, "Brother Mo, you were also so seriously injured back then?!" Xu Ying and the rest also looked at Mo Qingkuang worriedly.

"That's right." Mo Qingkuang nodded helplessly.

"Has it been cured now?" Yang Luo hurriedly asked.

Mo Qingkuang said, "It was completely repaired a few days ago." "I'll check for you again." Yang Luo said and checked Mo Qingkuang's pulse.

A few minutes later Yang Luo let go and exhaled softly, "It's indeed healed." As he spoke, Yang Luo continued, "Brother Mo, as the saying goes, if there's no destruction, there's no creation.

Whatever that has been destroyed will be recreated better.

Since your dantian has been repaired, your cultivation and strength will definitely advance by leaps and bounds in the future." "Yes!" Mo Qingkuang nodded and said, "I'll work harder too!" Yang Luo suddenly thought of something and asked, "Brother Mo, what realms are above the Earth Immortal Realm?" Mo Qingkuang said, "Above the Earth Immortal realm, there are also the True Immortal realm and the

Heavenly Immortal realm.” “Damn, so there are two realms above the Earth Immortal Realm!” Bujie clicked his tongue and said, “If an Earth Immortal is already so strong, then how strong must a True Immortal and a Heavenly Immortal be!” Mo Qingkuang said, “True Immortals and Heavenly Immortals are very powerful.

After stepping into the True Immortal realm, they are considered true immortals and can master some great divine powers!” “True Immortal Heavenly Immortal There really is no end to the Dao” Yang Luo said with emotion, and his heart was in turmoil.

“Brother Mo, are there many True Immortals and Heavenly Immortals in the Kunlun Ruins and the Penglai Immortal Island?” Prajna asked curiously.

Mo Qingkuang said, “There are many True Immortals, but not many Heavenly Immortals.

Be it the Kunlun Ruins or the Penglai Immortal Island, even those large sects and families only have a few Heavenly Immortals guarding them.” “I see.” Prajna nodded in realization.

Lin Wenxuan said, “That’s normal.

After all, the Heavenly Immortal realm is the limit of countless cultivators.

Cultivators who can step into this realm are all outstanding.” Yang Luo asked again, “Is there a realm above the Heaven Immortal realm?” Mo Qingkuang said, “According to the elders, there seems to be a realm above the Heaven Immortal realm.

It seems to be called the Golden Immortal realm.

However, I’ve never seen a Golden Immortal before.

Perhaps there were once Golden Immortals in the Kunlun Ruins and the Penglai Immortal Island, but there were definitely very few of them.

It was extremely difficult for ordinary people to see one.

In our Supreme Sect, only our Great Elder had once met a Golden Immortal by chance.

After all, once one stepped into the Golden Immortal realm, they could shatter the void and go to other planes.

Immortals who could step into the Golden Immortal realm naturally would not continue to stay in the Kunlun Ruins and the Penglai Immortal Island.

They will go to a higher plane to pursue a higher Great Dao.” Yang Luo looked into the distance and muttered, “So I can step into the void after becoming a Golden Immortal.

Looks like I have to continue working hard!” Only by stepping into the Golden Immortal realm would he have a chance to see his parents!

Therefore, he had to work hard!

However, the Golden Immortal realm was still too far away from him!

At this stage, he should hurry up and break through to the True Immortal Realm!

Mo Qingkuang said, “Then let’s work hard together!” “Yes!” Yang Luo, Bujie, and the others nodded heavily.

He had higher expectations for the future!

The rest of the journey did not encounter any obstacles.

It was smooth.

After flying for two hours, A port appeared in the distance.

There were many huge ancient boats parked by the port, and many people were moving around.

Mo Qingkuang said, “We’re in the Central Continent!” Yang Luo nodded and said, “We’re finally here!” After arriving in Central Continent Mo Qingkuang continued to drive the ancient boat towards the Supreme Sect.

Yang Luo, Xu Ying, Bujie, Prajna, and Lin Wenxuan also mobilized their True Qi and injected it into the ancient boat to help Mo Qingkuang activate it.

The ancient boat sped up again and leapt past ancient cities, villages, mountains, forests, and rivers.

Until the sun slowly set.

Yang Luo and the others finally arrived at the boundary of the Supreme Sect.

“That’s our Supreme Sect!” Mo Qingkuang pointed into the distance.

Yang Luo and the others and Big White looked into the distance and were immediately shocked by the scene in the distance!

Several kilometers away, tall mountains rose and fell, reaching into the clouds.

There were even mountains floating in the air, looking extremely spectacular.

There were ancient halls and pavilions built on the mountain.

They were purple-gold in color and were magnificent.

Under the sunlight, the halls and pavilions shone brightly.

Many rare and precious herbs were planted in the valleys.

They could even see that there were many birds and beasts being reared there.

At the foot of the mountain, there were many Supreme Sect disciples guarding and patrolling halfway up the mountain.

From time to time, he could see many disciples of the Supreme Sect riding purple-golden ancient boats, riding Dharma artifacts, and flying in and out on their mounts.

Furthermore, the spiritual qi here was very abundant, much more abundant than elsewhere in the Kunlun Ruins.

“Holy shit!” Bujie gulped and said, “Is this the Supreme Sect?”

As expected of an immortal sect.

It’s really imposing!”

Chapter 1496: How Dare You Call Yourself the Divine Doctor?

“It’s so beautiful and magnificent!” Prajna also exclaimed, feeling like she was in a dream.

Yang Luo was also shocked.

The scale of the Heaven Amplification Sect and Purple Firmament Sect should be comparable to the Supreme Sect.

No wonder those old fellows were so arrogant.

They indeed had the confidence to be arrogant.

“Come, let’s go over!” Mo Qingkuang said.

Then, he steered the ancient boat and continued flying forward.

The closer they got, the clearer everything in the Supreme Sect became.

“Who are you?!” “This is the territory of the Supreme Sect.

Outsiders are not allowed to barge in casually.” At this moment, many disciples of the Supreme Sect approached.

“It’s me!” Mo Qingkuang shouted.

“Young Sect Master!” “The young sect master is back!” “Greetings, Young Sect Master!” The disciples bowed respectfully.

Mo Qingkuang nodded and steered the ancient boat towards a huge mountain in the center.

On the way Mo Qingkuang carefully introduced the Supreme Sect to Yang Luo and the others.

“Our Supreme Sect occupies a total of 136 mountains.

The main peak is called the Immortal Ascension Peak, and the main hall is called the Supreme Hall” Yang Luo and the others also had a rough understanding of the Supreme Sect.

Ten minutes later.

Mo Qingkuang and the others arrived at the square of the Immortal Ascension Peak.

The square covered a huge area.

The ground was covered with white jade stones that shone under the setting sun.

Giant purple-gold cauldrons were placed around the square.

There was barely any green smoke inside, and the fragrance assaulted the nose.

A large hall stood in front of the square.

On the plaque were three bold and powerful words, "The Supreme Hall".

Soon, Mo Qingkuang and the others landed on the square.

After jumping off the ancient boat, Mo Qingkuang put it away.

"Greetings, Young Sect Master!" The disciples guarding the square bowed.

Mo Qingkuang nodded and led Yang Luo and the others into the hall.

"Father, elders, I've invited Brother Yang over!" Before he entered, Mo Qingkuang called out.

The moment they stepped into the hall They could see that there many people standing in the hall.

There were men and women, old and young.

Some were sitting, and some were standing.

At this moment, everyone turned to look at the door.

“Brother, you’re back!” “Big Brother, I want a hug!” A young man and the little girl, who was about seven or eight years old, ran over.

The young man was tall and handsome.

The little girl had pigtails and a chubby face.

Mo Qingkuang picked up the little girl and said dotingly, “Qingyu, have you been a good girl?” The little girl tilted her head and said, “Big Brother, Qingyu is very obedient!” Mo Qingkuang introduced, “Brother Yang, this is my younger brother, Mo Qingxuan, and this is my younger sister, Mo Qingyu.” “Big Brother, is this the good brother you often talk about, Yang Luo?” Mo Qingxuan glanced at Yang Luo and asked.

“That’s right!” Mo Qingkuang nodded and introduced Bujie, Xu Ying, Prajna, and Lin Wenxuan.

“Hello!” Mo Qingxuan cupped his hands and greeted Yang Luo and the others.

“Hello!” Yang Luo and the others also cupped their hands.

Mo Qingkuang said, “Qingyu, quickly greet them.” Mo Qingyu said obediently, “Hello, Brother Yang Luo, Brother Bujie, Brother Xu Ying, Brother Lin, and Sister Prajna!” “Qingyu, you’re so cute!” Prajna hurriedly took her over from Mo Qingkuang.

Mo Qingyu grinned and said, “Big Sister Prajna, you’re beautiful too!” “What a sweet mouth!” Prajna’s eyes curved into crescents, “Qingyu, I wanted to give you something, but I don’t have anything to give you.” Mo Qingyu grinned and said, “It’s fine.

I don’t lack anything.” Yang Luo sized Mo Qingyu up, and then he patted the little girl’s head and said, “Big Brother Mo, Qingyu’s muscles and bones are smooth, and she’s very intelligent.

In the future, her achievements in cultivation will definitely not be low.” “Is that so?” Mo Qingkuang’s eyes lit up.

He smiled and said, “If that’s the case, that’s great!” “Qingkuang, this is Mr.

Yang, the Divine Doctor you’re talking about?” At this moment, a tall and imposing middle-aged man in a purple-gold robe strode over.

His black hair was tied behind his head.

Behind them was a graceful woman and six old men.

“Yes, Father.” Mo Qingkuang nodded and introduced everyone to Yang Luo.

Only then did Yang Luo know that this middle-aged man was the current Sect Master of the Supreme Sect, Mo Hongtu.

That woman was Mo Qingkuang’s mother, Mu Yuexin.

The six elders were six of the twelve elders of the Supreme Sect.

They were the Fifth Elder Mo Qianjue, Sixth Elder Luo Chengfeng, Seventh Elder Lu Yunzhou, Eighth Elder Li Zhiming, Ninth Elder Meng Yichuan, and Tenth Elder Song Jingyu.

Yang Luo only sensed for a moment and could sense that Mu Yuexin and Song Jingyu’s cultivation levels were at the early-stage Earth Immortal realm.

Then, Mo Hongtu and Meng Yichuan’s cultivation levels should be at the intermediate Earth Immortal realm.

As for the cultivation levels of Mo Qianjue, Luo Chengfeng, Lu Yunzhou, and Li Zhiming, he could not sense them at all.

They were probably above the mid-stage of the Earth Immortal Realm.

Especially Mo Qianjue and Luo Chengfeng, who were probably True Immortals.

This was because he sensed an aura completely different from an Earth Immortal from these two people.

The immortal energy on the two of them became even stronger, as if they had returned to their original state.

Yang Luo cupped his hands and said, "Sect Master Mo, Madam Mu, elders, hello!" Mo Hongtu and the others nodded at Yang Luo.

Seeing that Yang Luo was so polite, yet appearing as though he was not cowed by them, they were really surprised.

One had to know that ordinary people would be in fear and trepidation when they saw them.

Therefore, their first impression of Yang Luo was not bad.

"Hehe, a young boy dares to call himself the Divine Doctor?" At this moment, a teasing voice sounded.

Yang Luo turned around.

He saw three extraordinary old men in long robes with long grayish-white hair sitting in the distance.

Behind them stood a young man and woman in white clothes, each holding a wooden box.

The three elders stared at Yang Luo with disdain in their eyes.

Yang Luo met their gazes and said, "Sirs, although I've learned medicine, I don't dare to call myself a Divine Doctor!"

Chapter 1497: All Need Treatment!

One of the white-robed old men narrowed his eyes and said, "Since you're not the Divine Doctor, why did you dare to come and claim to be able to treat the elders of the Supreme Sect?"

Who gave you the confidence and courage?" "Kid, even we are helpless.

Can you cure them?" "Kid, don't think that you're very impressive just because you've studied medicine for a few years.

You think that you can treat all the difficult illnesses in the world!" A gray-robed old man and a purple-robed old man sneered and echoed.

The group of young people standing behind the three elders also revealed mocking smiles.

"If I don't give it a try, how will I know that I can't cure them?" Yang Luo replied loudly and asked, "May I ask who you are?" The white-robed old man said proudly, "We are from one of the four top medical sects in the Central Continent, the Immortal Medicine Sect!"

"I'm the fifth elder of the Immortal Medicine Sect, Sun Minggu!" "I'm the Sixth Elder of the Immortal Medicine Sect, Yue Daoyuan!" "I'm the Seventh Elder of the Immortal Medical Sect, Du Jingmo!" The other two old men also introduced themselves.

Mo Hongtu smiled and said, "Mr.

Yang, the Immortal Medicine Sect is famous in the entire Central Continent and even the entire Kunlun Ruins!

Regardless of whether it's the various sects, families, or some loose cultivators, they will personally visit the Immortal Medical Sect to seek treatment from all the immortal doctors!" Hearing Mo Hongtu's introduction, Sun Minggu and the other two raised their heads, their faces filled with pride.

"Oh" Yang Luo nodded in realization.

No wonder these three old fellows were so arrogant.

It turned out that their statuses were not low.

Sun Minggu picked up his teacup and took a sip of tea.

He said indifferently, "Kid, tell me first which of the six elders needs treatment." "Father, this" Mo Qingkuang was about to speak up for Yang Luo.

Mo Hongtu merely raised his hand, indicating for him to remain silent.

The other elders of the Supreme Sect also waited quietly for Yang Luo's answer.

They could also tell that Sun Minggu was testing Yang Luo.

Yang Luo replied, "How difficult is that?" "Then tell me!" Yue Daoyuan stroked his beard and said coldly.

Yang Luo said in a loud voice, "These six elders need treatment!"

"Other than the six elders, Sect Master Mo and Madam Mu also need treatment!" As soon as these words were spoken!

The raucous crowd turned silent!

The next second!

Bang!

Sun Minggu suddenly slammed the table and said in a trembling voice, "What nonsense!

Other than Elder Li, Elder Meng, and Elder Song who needed treatment!

The others have long been cured by us.

How can you say that they need treatment?" Yue Daoyuan sneered, "Kid, you're afraid that you're wrong, so you said that all of them need treatment, right?" Du Jingmo sneered, "Kid, don't show off your little tricks in front of us!" After all, the others had already been cured by them.

Now, only Li Zhiming, Meng Yichuan, and Song Jingyu had not been cured.

Yang Luo's words were undoubtedly a slap to their faces, so they were naturally very unhappy.

Mo Hongtu, Mo Qianjue, and the others also frowned slightly.

Their first impression of Yang Luo was not bad.

But now, after hearing Yang Luo's words, they were a little unhappy.

It seemed that this young man's medical skills were indeed not good enough.

However, they did not expect a young man from the secular world to cure them.

They did not have any hope.

Mo Hongtu raised his hand and said, “Mr.

Yang, I’ll tell you the truth.

“My Madam, Fifth, Sixth, and Seventh Elder’s injuries have indeed been treated.

This is an established fact.” Mo Qianjue smiled at Mo Qingkuang and said, “Qingkuang, bring your friend to our Supreme Sect to take a look.

“As for the treatment, there’s no need to trouble him.” “Fifth Elder, do you not trust Brother Yang?” Mo Qingkuang immediately panicked.

Mo Qianjue did not speak, clearly tacitly agreeing.

Mu Yuexin also smiled gently and said, “Lingkuang, take your friends for a walk and receive them well.” “Mother, you don’t believe Brother Yang either?” Mo Qingkuang became even more anxious.

Sun Minggu looked at Yang Luo and snorted.

“Kid, you haven’t even learned the most basic ‘observation’ diagnosis, yet you still dare to say that you’re treating the elders.

Aren’t you joking?” “These so-called Divine Doctors in the secular world really don’t live up to their reputation.” Yue Daoyuan shook his head.

“Kid, what are you still doing here?

Aren’t you leaving?

Could it be that you still want to join in the fun?" Du Jingmo started to chase them away.

Yang Luo's expression remained very calm.

If it were anyone else who did not believe him, he would have turned around and left.

However, Mo Qingkuang was the one who invited him this time.

Mo Qingkuang was his brother, so he naturally had to help.

Seeing that Yang Luo was still standing there Sun Minggu said angrily, "Sect Master Mo, if you trust this kid so much, let this kid treat you.

We won't serve you anymore!" As he spoke, he flicked his sleeve, "Old Yue, Old Du, let's go!" "Alright!" Yue Daoyuan and Du Jingmo nodded in agreement.

Then, the three of them stood up and prepared to leave.

"Elders, don't lower yourself to the level of a young junior!" Mo Hongtu hurriedly went forward and said with a smile, "I hope the three elders can stay and help think of a way!" As he spoke, Mo Hongtu shouted at Mo Qingkuang, "Hurry up and take this kid away!" Mu Yuexin said, "Qingkuang, quickly take them away.

Don't anger your father." Just as Mo Qingkuang was about to continue speaking Yang Luo said, "Sect Master Mo, if I'm not wrong, during your cultivation these few days, did you feel that your circulation was not smooth from time to time and your meridians were a little blocked?" "Kid, what nonsense are you talking about again?" "Do you still think that we haven't cured Sect Master Mo?" "Kid, stop showing off here.

Hurry up and leave!" Sun Minggu, Yue Daoyuan, and Du Jingmo spoke one after another, feeling a little unhappy.

“Wait!” Mo Hongtu suddenly turned his head and stared at Yang Luo.

He said in shock, “How did you know?” Yang Luo said indifferently, “Of course I diagnosed it!” “Sect Master Mo, is what this kid said true?!” Sun Minggu quickly walked over.

Yue Daoyuan and Du Jingmo also followed.

“That’s right.” Mo Hongtu nodded and said, “These days, when I’m cultivating, I do occasionally feel that my circulation of Qi is not good.

My veins are indeed a little blocked and can’t be unblocked.”

Chapter 1498: I Can Diagnose and Treat!

“This shouldn’t be!” Sun Minggu frowned and said, “Sect Master Mo, I’ll take your pulse again!” “Elder Sun, please!” Mo Hongtu directly raised his hand.

Sun Minggu grabbed Mo Hongtu’s pulse and checked it.

A few minutes later He let go and frowned, “That’s not right, Sect Master Mo.

The aura in your body is circulating very smoothly, and your meridians are not blocked.” “I’ll take Sect Master Mo’s pulse!” Yue Daoyuan also walked over and checked Mo Hongtu’s pulse.

After taking his pulse, Yue Daoyuan also said in confusion, “That’s strange.

Sect Master Mo’s body is very normal!” “Let me take a look too!” Du Jingmo also checked Mo Hongtu’s pulse.

After the three of them took his pulse, the unanimous conclusion was that Mo Hongtu's breathing was smooth and his meridians were not blocked at all.

"Sect Master Mo, are you sure that your aura is not circulating smoothly and that your meridians are blocked?" Sun Minggu asked again.

"I'm sure of it!" Mo Hongtu nodded and replied.

Sun Minggu shook his head and said, "That's impossible.

I've cultivated the medical path for so many years.

It's impossible for me to make a mistake." Yue Daoyuan and Du Jingmo also shook their heads, indicating that it was impossible for them to make a mistake.

Yang Luo smiled and said, "Sect Master Mo, please circulate your cultivation technique now and let the three elders take your pulse." "Alright!" Mo Hongtu nodded and began to circulate his cultivation technique.

As the cultivation technique circulated, Purple-golden light flickered on Mo Hongtu's body.

His aura surged out, and his True Qi began to fluctuate.

Then, Sun Minggu and the other two checked Mo Hongtu's pulse again.

After taking his pulse, Sun Minggu and the other two were shocked!

"Sect Master Mo's aura is indeed not circulating smoothly.

There are also three meridians that are blocked!" "No wonder we couldn't tell.

The problem with Sect Master Mo was really too hidden!" "We weren't careful enough.

We actually made such a mistake.

Shame, shame!" The three of them spoke one after another, shaking their heads and sighing.

Mo Hongtu, Mo Qianjue, and the others looked at Yang Luo.

Although this was the mistake of Sun Minggu and the other two, it was indeed not simple for Yang Luo to be able to see the problem in such a short period of time.

Mo Qingkuang smiled and said, "Father, Mother, elders, I told you that Brother Yang's medical skills are amazing, but you didn't believe me!" After all, Yang Luo was invited by him.

Now that Yang Luo had shown off a little, it also made him proud.

Bujie also grinned and said, "I'm not bragging, but my Brother Yang is the number one Divine Doctor in the mortal world!

No matter what's wrong with you, my Brother Yang can tell at a glance!" Mo Qingxuan sighed and said, "Brother Yang is not simple!" Mo Qingyu said in a soft voice, "Brother Yang Luo is so formidable!" Sun Minggu, Yue Daoyuan, and Du Jingmo immediately felt ashamed.

"Cough, cough." Sun Minggu coughed lightly and said, "Kid, you can see the hidden illness in Sect Master Mo's body.

You're quite capable.

"However, you said that Madam Mu, Elder Mo, Elder Luo, and Elder Lu also need treatment.

We still don't believe you." "Kid, if you have the ability, tell me what's wrong with Madam Mu and the others!" Yue Daoyuan echoed.

Yang Luo looked up at Mu Yuexin and said, "Madam Mu, when you've been cultivating these few days, have you always felt stuffy in your chest and short of breath?" "You you can even tell such a thing?!" Mu Yuexin's eyes widened as she looked at Yang Luo in disbelief, "I thought these problems happened because I haven't rested well these past few days!" Yang Luo looked at Mo Qianjue, Luo Chengfeng, and Lu Yunzhou and said loudly, "Elder Mo, when you were cultivating these few days, did you always feel a faint pain in your right arm?

Elder Luo, these few days, when you spread your divine sense to sense things, did you feel a faint pain in your mind?

Elder Lu, have you been feeling that the various attribute energies in your body have been restless these few days?

Sometimes, it's difficult to control them?" As Yang Luo mentioned the problems with Mo Qianjue, Luo Chengfeng, and Lu Yunzhou in a row The entire hall fell completely silent.

One could hear a pin drop!

Mo Qianjue, Luo Chengfeng, and Lu Yunzhou were instantly dumbfounded.

Their originally calm expressions were no longer there!

"Fifth Elder, Sixth Elder, Seventh Elder, is what Brother Yang said true?" Mo Qingkuang hurriedly asked.

Mo Hongtu also hurriedly asked, "Three elders, did these problems really happen to you?" Everyone present looked at Mo Qianjue and the other two.

Mo Qianjue took a deep breath and narrowed his eyes at Yang Luo, "Kid, you're not bad.

I didn't expect you to even see through this small problem on me!" Luo Chengfeng laughed and stroked his beard, "This kid is so young.

I didn't expect him to really be a Divine Doctor!" "Qingkuang, this brother of yours is quite powerful!" Lu Yunzhou also said with a smile.

Hearing the three elders' words, Everyone present was shocked!

Without a doubt!

Yang Luo was right about the three elders' problems!

Sun Minggu still couldn't believe it.

He looked at Mo Qianjue and said, "Elder Mo, do you really have this problem?" "He was not saying blind words." Mo Qianjue nodded and said, "I know my own body best." Sun Minggu, Yue Daoyuan, and Du Jingmo looked at Yang Luo in disbelief!

The contempt in his eyes also decreased greatly!

They knew Mo Qianjue's character the best!

He would never lie about such a small matter!

Sun Minggu exhaled and asked, "Kid, can you tell what's wrong with Elder Li, Elder Meng, and Elder Song?" Yang Luo looked at Li Zhiming and the other two and said, "These three elders should have their Dao foundations damaged!" As soon as he said this!

Dong!

Sun Minggu, Yue Daoyuan, and Du Jingmo immediately felt as if a bolt of lightning had exploded in their minds.

The expressions on their faces became even more shocked!

Everything was right!

This kid actually hit the nail on the head!

Could this kid really be a Divine Doctor?

Sun Minggu suppressed the shock in his heart and said, "Kid, can you cure Sect Master Mo and the others?" Yang Luo said confidently, "Since I can diagnose them, of course I can treat them!"

Chapter 1499: Immortal Medicine

"Alright!" Sun Minggu nodded and said, "Kid, please show us your medical skills and let us learn!" Yue Daoyuan also echoed, "Just by being able to see the patient's illness, it can only mean that your medical skills are not bad, but it doesn't mean that your medical skills are good!" "Then, please guide me!" Yang Luo cupped his hands.

"Mr.

Yang, how should we cooperate with you?" Mo Hongtu asked with a smile.

He actually did not think highly of Yang Luo just now.

However, after Yang Luo saw the problem with all of them in a row, his impression of Yang Luo changed greatly.

Yang Luo said, "Everyone just needs to stand here and not move!" "Alright!" Mo Hongtu nodded.

Then, Yang Luo mobilized the True Qi in his body and gathered it in his right hand!

He recalled the contents of the Immortal Doctor Classics and chose one of the methods in the Immortal Doctor Chapter, the Nine Fingers of the Immortal Dao!

Previously, when he was treating patients in the secular world, the various medical techniques he used came from the “Mortal Doctor Chapter”!

As for the Nine Needles of Heavenly Dao, it could treat both mortals and immortals!

The reason why he had not used the Immortal Medicine Chapter in the past was because he had yet to become an immortal.

If he forcefully used the methods inside, it would consume a lot of his True Qi.

Moreover, there was indeed no need to use the methods in the Immortal Doctor Chapter to treat ordinary people.

Now that he had stepped into the Earth Immortal Realm, he could naturally use it easily.

Thoughts flashed through his mind in an instant!

Yang Luo placed his right index and middle fingers together.

Golden light flickered on his fingertips as he tapped a major acupuncture point on Mo Hongtu’s body!

DONG!

With a tap of his finger!

Waves of True Qi flowed into Mo Hongtu's body through his fingers!

After the True Qi entered, it surged through the three problematic meridians in Mo Hongtu's body like a river!

Seeing this scene Du Jingmo's pupils constricted as he said in a daze, "This Could this be" "Elder Du, what finger technique is this kid using?

Why does it look so familiar?" A disciple of the Immortal Medical Sect asked curiously.

Without waiting for Du Jingmo to speak!

DONG!

Yang Luo's finger pressed on the second acupuncture point on Mo Hongtu's body!

"This Isn't this one of our Immortal Medicine Sect's ultimate techniques, the Nine Fingers of Immortal Dao?!" Du Jingmo exclaimed.

Yue Daoyuan said in shock, "It's really the Nine Fingers of Immortal Dao!

Isn't this kid from the secular world?

How does he know our Immortal Medicine Sect's methods?!" Sun Minggu stared intently at Yang Luo, so shocked that he was speechless.

DONG!

Yang Luo tapped the third finger!

After the third pointer, Yang Luo retracted his hand!

He looked at Mo Hongtu and said, "Sect Master Mo, circulate your energy to sense if it's done." Mo Hongtu nodded his head and began to circulate his cultivation technique.

A few minutes later A look of surprise appeared on his face, "It's cleared, it's really cleared!

Now, I feel that my Qi circulation is smooth and my meridians are no longer blocked!

Mr.

Yang, I didn't expect you to really be a Divine Doctor!" "This kid only used three fingers and he cured Sect Master Mo?!" "No way, is this kid's medical skills so powerful?!" A few disciples of the Immortal Medical Sect exclaimed in surprise, unable to believe it.

Sun Minggu sighed and said, "This kid's control over the Nine Fingers of the Immortal Dao is very skilled.

He's not even inferior to the three of us!

Sect Leader Mo has indeed recovered!" Yue Daoyuan and Du Jingmo nodded.

They could all sense that Mo Hongtu's aura had indeed become smoother, and his meridians were no longer blocked.

Yang Luo's expression was calm as he looked at Mu Yuexin and said, "Madam Mu, let me treat you now." Mu Yuexin smiled gently, "Thank you, Mr.

Yang." Yang Luo did not say anything else.

Instead, he took out a box from his storage ring.

Opening the box, there were nine golden needles of different lengths and thicknesses.

Every golden needle was filled with spiritual energy and emitted a dazzling light.

Du Jingmo exclaimed, "Isn't this the Fuxi Divine Needle?!" Yue Daoyuan said, "It's really the Fuxi Divine Needle.

And it's even the authentic Fuxi Divine Needle.

It's not a replica!" Sun Minggu asked in confusion, "That's strange.

As far as I know, isn't the Fuxi Divine Needle in the North Continent's Black Tortoise Family?

Why is it in this kid's hands?" Hearing Sun Minggu's words, Only then did Yang Luo understand.

Back when the Medical Dao Competition was held, Mister Yi took out the Fuxi Divine Needle as a reward.

However, he won the first place in the Medical Dao Competition in the end and obtained this reward.

"Elder Sun, what's the Fuxi Divine Needle?" A disciple of the Immortal Medicine Sect hurriedly asked.

Sun Minggu said, "There are ancient records that the Fuxi Divine Needle is a set of golden needles made by the ancient Human Emperor, Fuxi!

There were a total of nine golden needles in this set, and they were of different lengths and thicknesses!

It is said that these nine golden needles contained the entire lifelong medical heritage of Human Sovereign Fuxi!

It was even rumored that these nine golden needles contain the profundities of the five elements of Yin, Yang, the sun, the moon, and the stars, as well as everything in the world!

It is a divine needle that all medical sects wanted to obtain!

Back then, our Immortal Medicine Sect also took out many treasures to exchange with the Black Tortoise family, but they never agreed!" Just as they were conversing!

Yang Luo waved his right hand gently!

Swoosh!

One of the golden needles flew out and accurately pierced a major acupuncture point on Mu Yuexin's body!

"Hmm?" Du Jingmo was stunned for a moment and asked in confusion, "What acupuncture technique is this kid using?"

Why does it look so familiar?" Yue Daoyuan's eyes widened in surprise, "Could it be" Right after he finished his sentence Swoosh!

Swoosh!

Two more golden needles shot out and pierced into the two acupuncture points on Mu Yuexin's body!

In an instant The three golden needles resonated with each other and a Taiji Yin-Yang fish pattern appeared.

It was incomparably mysterious!

Yue Daoyuan said with certainty, "This is our Immortal Medicine Sect's second ultimate technique, the 'Taiji Divine Needle'!" Du Jingmo looked at Yang Luo in disbelief and said, "What's wrong with this kid?

Not only does he know our Immortal Medicine Sect's Nine Fingers of the Immortal Dao, but he also knows the Taiji Divine Needle?!

Could this kid be a disciple of our Immortal Medicine Sect?

That's not right.

Our Immortal Medicine Sect doesn't have such a disciple!

Moreover, ordinary people can't learn these two ultimate skills at all!"

Chapter 1500: This Is a Little Difficult!

At this moment.

Buzz buzz buzz!

The three golden needles trembled gently and emitted a dazzling golden light!

Waves of True Qi and Taiji Yin-Yang power continuously flowed into Mu Yuexin's body, harmonizing the Yin-Yang Qi in her body After Yang Luo performed the three needles, he did not continue.

Seconds ticked by.

In less than ten minutes.

The three golden needles stopped trembling.

Yang Luo waved his right hand and retracted the three golden needles, “Madam Mu, circulate your energy and take a look.

Are you feeling better?” Mu Yuexin nodded and activated her cultivation technique.

A few minutes later She said excitedly, “Alright, I feel like my breathing is smooth.

I don’t feel stuffy or short of breath anymore!” Hearing Mu Yuexin’s words, Other than Mo Qingkuang and group, everyone else was shocked!

They did not expect Yang Luo to treat Mo Hongtu and Mu Yuexin in such a short period of time!

In particular, Sun Minggu, Yue Daoyuan, and Du Jingmo no longer looked down on Yang Luo!

Just from the two techniques Yang Luo used, the Nine Fingers of the Immortal Dao and the Taiji Divine Needle, it was enough to prove that Yang Luo’s medical skills were definitely not weak!

In the following period of time Yang Luo used the Nine Fingers of the Immortal Dao and the Taiji Divine Needle to treat the problems of Mo Qianjue, Luo Chengfeng, and Lu Yunzhou in a short period of time.

In fact, Mo Hongtu and the others all had minor problems.

Even if he did not take action, as long as they spent some time, they would be able to recuperate on their own.

Only Li Zhiming, Meng Yichuan, and Song Jingyu were left to the end.

After all, the issues faced by the three elders was not a small problem.

These two methods alone could not cure them.

Mo Qianjue looked at Yang Luo with admiration and said, "Kid, you have such extraordinary medical skills at such a young age.

Your future is limitless!" Luo Chengfeng looked at Mo Qingkuang and smiled, "Qingkuang, you've made a good brother!" Mo Qingkuang laughed wildly and scratched his head, feeling very proud.

Mo Hongtu also said in admiration, "Mr.

Yang, with your medical skills, even in the Kunlun Ruins, you can make a name for yourself!" Yang Luo shook his head and said, "Sect Master Mo, the Kunlun Ruins is so big.

There are countless Divine Doctors and immortal doctors.

I don't dare to talk about reputation." Seeing that Yang Luo was so capable yet humble, Mo Qianjue and the others looked at Yang Luo with even more admiration.

Mo Hongtu smiled and said, "Little Luo, don't call me Sect Master Mo in the future.

Just call me Uncle Mo." Mu Yuexin smiled gently and said, "That's right, Little Luo.

You can call me Auntie Mu in the future.

That way, we can be closer." Yang Luo nodded and said, "Okay, Uncle Mo, Auntie Mu." At this moment.

Sun Minggu stared intently at Yang Luo and hurriedly asked, "Kid, do you know the complete Nine Fingers of the Immortal Dao and the Taiji Divine Needle?" Yue Daoyuan and Du Jingmo also looked at Yang Luo expectantly.

Yang Luo shrugged and said, "Yes, why?" As soon as these words were spoken Sun Minggu and the other two immediately revealed surprised and excited expressions.

Sun Minggu rubbed his hands and said with a smile, "Mr.

Yang, to be honest The Nine Fingers of the Immortal Dao and the Taiji Divine Needle were passed down by the ancestors of our Immortal Medical Sect.

However, after so many years, the eighth and ninth fingers of the Nine Fingers of the Immortal Dao had been lost.

The last three needles of the Taiji Divine Needle had also been lost.

If you know how to do it, can you teach us?" "Mr.

Yang, as long as you can help us complete these two ultimate techniques, you can raise any conditions!" "That's right, that's right.

Our Immortal Medicine Sect has a lot of rare medicinal herbs and various medicinal pills.

We also have a lot of magical artifacts and spirit stones!

As long as you can help us, we'll give you whatever you need!" Yue Daoyuan and Du Jingmo both spoke up.

At this moment, the three of them addressed Yang Luo differently and their tone became especially respectful.

Medicinal herbs, medicinal pills, magical artifacts, and spirit stones!

Yang Luo was elated upon hearing this!

These things were what he lacked now!

Although Li Kuangdao, Guan Hailong, and Luo Yunzheng had given him a lot, it was not enough for his women and brothers to share!

Therefore, the more these things, the better!

However, Yang Luo did not show it.

Instead, he frowned and said, "I'm afraid this is a little difficult" Bujie, who was at the side, whispered, "Look, Brother Yang is starting to put on airs again.

He was clearly very happy in his heart, but he still pretended to be indifferent." Xu Ying said, "If you don't speak, no one will think that you're mute." Hearing Yang Luo say that it was difficult Mo Qianjue laughed and said, "Elder Sun, Elder Yue, Elder Du, you looked down on Little Luo so much just now and mocked him in all kinds of ways.

Little Luo is angry at you." Luo Chengfeng stroked his beard and said, "If it were me, I wouldn't help you so easily either." "Elders, you have to have the attitude of begging for help!" Lu Yunzhou agreed with a smile.

Sun Minggu and the other two immediately reacted.

"Mr.

Yang, we were blind just now.

We didn't know that the expert was right in front of us.

I hope you can be magnanimous and forgive us this time!” “Mr.

Yang, we know our mistake.

We shouldn’t have mocked you or looked down on you.

I hope you can help!” “As long as you can help us complete these two ultimate techniques, you will be our Immortal Medicine Sect’s best friend in the future!” The three of them hurriedly bowed to Yang Luo and began to apologize.

Mo Qianjue smiled and said, “Little Luo, seeing that Elder Sun and the others’ attitudes are quite sincere, why don’t you help them?” Mo Hongtu added, “The Immortal Medicine Sect is one of the four top medical sects in the Central Continent.

If you can befriend them, it will be of help to you in the future.” “Cough, cough” Yang Luo coughed lightly and said, “Since Elder Mo and Uncle Mo have spoken up for you, I’ll reluctantly help you.” “Thank you, thank you, Mr.

Yang!” Sun Minggu and the other two thanked him repeatedly.

After thanking him, Sun Minggu said excitedly, “Mr.

Yang, why don’t we start the lessons now?” Li Zhiming said angrily, “Elder Sun, have you forgotten about us?

The problem with us has yet to be resolved!” Sun Minggu said helplessly, “Elder Li, Elder Meng, Elder Song, your Dao Foundations are damaged.

We’re really helpless!”
