

## Super IDG 1521

### Chapter 1521: Dark Forest!

Two hours later.

Yang Luo and the others finally flew over the Boundless Sea and arrived above the North Continent.

However, when they arrived in the sky above the North Continent Mo Qingkuang suddenly spoke out, "Wait!" "Brother Mo, what's wrong?" Yang Luo asked in confusion.

Xu Ying and the rest also looked at Mo Qingkuang.

Mo Qingkuang said, "Everyone, if we fly another thousand miles, we will pass by a forbidden area!" Yang Luo asked, "What forbidden area?" "The Dark Forest!" Mo Qingkuang spat out the words.

"Dark Forest?"

What kind of place is that?" Yang Luo was very puzzled and curious.

Mo Qingkuang said, "This Dark Forest is a huge forbidden area in the North Continent.

Demonic qi soars into the sky there.

A fiendish aura envelopes the area and miasma fills the air.

The area does not see light at all.

Most of the Demonic Beasts, Fiend Beasts, and Vicious Beasts in the North Continent are active there.

Whenever someone passed by, they would attack in groups.

They are extremely ferocious.

Over the years, many people had died here.

It's also because of this that ordinary people don't dare to go there again." "F\*ck me!" Bujie gulped and said, "There's such a terrifying place in the North Continent?!" "There are several forbidden areas in the North Continent.

This is only one of them." Mo Qingkuang replied and continued, "It's precisely because of this that many sects and families will send their disciples and clansmen there to train.

Of course, all the disciples and clansmen who went to train will definitely be accompanied by elders.

When I was in my teens, I went there to train.

It was indeed very dangerous.

If not for the elder accompanying me, I'm afraid I would have died long ago." Prajna's face turned pale as she asked, "Brother Mo, do we have to pass by there to go to the Black Tortoise Family?" "It isn't a must to have to go through there." Mo Qingkuang shook his head, "It's just that that road is closer.

If we take another path, we will take a long detour." Yang Luo narrowed his eyes and said, "Let's take this path!" Mo Qingkuang asked, "Brother Yang, are you sure you want to take this path?" "Quite sure!" Yang Luo nodded, "We came to the Kunlun Ruins this time to increase our cultivation and strength!

Since there is such a good place to train, why not go?

Moreover, if we can go there and take a look, we might be able to obtain the inner cores of many demonic beasts, fiend beasts, and ferocious beasts!" "Motherf\*cker!

Go, let's go there!" Bujie rolled up his sleeves, "This Buddha go and save those evil creatures today!" Xu Ying nodded and said, "I also want to go there to train!" Mo Qingkuang nodded and said, "Alright, since we have so many people and can take care of each other, let's go!" Then, everyone urged the ancient boat and flew towards the Dark Forest.

Yang Luo and the others flew past mountains, plains, villages, and rivers.

Moreover, the further north they went, the colder the weather became.

Mountains were covered in ice and snow, and even rivers were frozen.

Fortunately, Yang Luo and the others were all cultivators and could resist the cold weather.

Bujie clicked his tongue, "Why is it getting colder the further north we go?" Mo Qingkuang said, "The North Continent is cold all year round, and the Black Tortoise family is in the extreme north.

The climate is even colder.

On the other hand, the South Continent is hot all year round.

The Central Continent is like spring all year round.

The East Continent and the West Continent are alternated by four seasons." "I see." Yang Luo and the others nodded in realization.

They flew for who knew how many miles.

Below them were desolate villages that were dilapidated and filled with bones.

Yang Luo frowned and said, "How did these villages become like this?" Mo Qingkuang sighed and said, "These villages were once inhabited.

However, because they were often attacked by ferocious beasts in the Dark Forest, many people died, and the others moved away.

After all, not everyone in the Kunlun Ruins is a cultivator.

There are also many ordinary people.” Yang Luo nodded and said, “In other words, we’re not far from the Dark Forest?” “That’s right.” Mo Qingkuang nodded and said, “Fly another hundred miles and we’ll reach the Dark Forest!” After flying for another hundred miles, they finally arrived at the Dark Forest.

As he cast his eyes in front A vast primitive forest was located a few kilometers away.

Trees hundreds of meters tall rose from the ground, as if they wanted to connect the sky and the ground.

Terrifying black demonic qi, fiendish aura, and miasma soared into the sky.

Dark clouds surged in the sky above the entire forest.

It was dark and lightless, revealing a dark, sinister, and terrifying aura.

The sounds of beast roars sounded incessantly.

Even from so far away, he could see many beasts flying and circling in the sky, running in the forest.

There were also some beasts fighting and killing each other.

Prajna gulped and said, “Are we really going over?” “Since I’m already here, I naturally have to take a risk!” Yang Luo said before smiling gently, “Prajna, with us around, you don’t have to worry!” “Yes!” Prajna nodded.

Yang Luo took a deep breath and said loudly, "Brothers, prepare for battle!" "Yes!" Everyone responded in unison.

Yang Luo took out the Dragon Emperor Sword!

Xu Ying and the rest also took out their weapons!

"Let's go!" Yang Luo waved his hand and shouted!

The ancient boat accelerated again and flew towards the Dark Forest!

The moment Yang Luo and the others arrived at the Dark Forest!

"ROAR!" "Howl!" "Shriek!" The demonic beasts, fiendish beasts, and ferocious beasts in the entire dark forest became restless and let out deafening roars!

Hu!

Hu!

Hu!

Hu!

Birds flew over from afar, streaked across the sky, and pounced at Yang Luo and the others!

Rumble rumble rumble!

The entire ground trembled!

Countless ferocious beasts ran wildly in the forest and rushed towards Yang Luo and the others!

Yang Luo said loudly, "Brothers, kill these beasts.

Take out your inner cores if you have them.

Don't worry about those who don't possess cores!" After all, not all beasts had Inner Cores!

Only beasts that had lived for at least a hundred years could form inner cores and pellets!

"Yes!" Mo Qingkuang and the others replied in unison.

Yang Luo immediately soared into the sky and opened a path in front!

"Cut!!" He let out an explosive roar and swung his sword!

Swoosh!

The huge golden sword tore through the sky and slashed at the birds in the sky!

Puff!

Puff!

Puff!

Immediately, several birds were cut down, and blood splattered in the air

## Chapter 1522: Ten Overlords!

After killing these birds!

Yang Luo glanced at the birds and realized that they did not have inner cores.

He ignored them and continued charging forward!

At this moment!

Hundreds of birds flapped their wings and flew across the sky, pouncing towards Yang Luo!

There were even many demonic beasts, fiend beasts, and ferocious beasts that jumped up from the ground and trees and pounced at Yang Luo in the sky!

Yang Luo moved in the sky and kept waving the sword in his hand, slashing in all directions!

A large number of birds and beasts above and below were killed one after another!

Big White, who was standing on Yang Luo's shoulder, couldn't hold back anymore and jumped out!

The moment it jumped out!

Its body kept enlarging until it was more than 20 meters tall.

Its figure was as majestic as a mountain, and it was extremely visually impactful!

"ROAR!" Big White let out a roar as it raised its fan-sized palms and swatted away the birds in the air!

As its body fell, it kicked down many ferocious beasts that pounced on it!

Rumble!

Big White stomped down on a large tree and landed heavily on the ground, crushing a large area of the ground!

Just as Big White landed on the ground!

The ferocious beasts in the forest rushed up from all directions!

“Roar!” In response, Big White clenched its fists and pounded its chest in excitement!

It clenched its fists like a huge pendulum and attacked the ferocious beasts that were charging over!

Bang!

Bang!

Bang!

The ferocious beasts that charged over were sent flying one after another!

Some spat out blood and knocked down trees, dying on the spot!

Some were directly blown up and died tragically on the spot!

After killing this wave of ferocious beasts!

Big White swung its thick legs and sprinted forward!

Boom!

Boom!

Boom!

The trees in front of it were knocked down and ferocious beasts were sent flying!

Although they were both beasts, Big White was born with divine power and was extremely ferocious!

The other ferocious beasts were not its match at all!

At this moment.

Yang Luo flew in the sky while Big White ran wildly below!

The man and the beast opened up a path in front of them and killed all the birds and beasts blocking their way!

Mo Qingkuang, Xu Ying, Bujie, Prajna, and Lin Wenxuan rode on the ancient boat and followed closely behind!

The five of them also launched a fierce attack on the birds and beasts by the sides!

“Divine Movement Eight Desolates Palm!” Mo Qingkuang’s hands turned into palms.

Purple-golden light flickered on his hands as he kept attacking!

Purple-golden palms pushed out one after another, crushing up like mountains in an incomparably ferocious manner!

“Shadowless Tyrannical Saber Art!” Xu Ying wielded the Dragon Sparrow Saber and slashed out continuously!

Swoosh!

Swoosh!

Swoosh!

White-gold saber shadows tore through the sky, stirring the dark clouds in the sky and slashing out angrily!

“Diamond Suppression Staff!” Bujie gripped the Dragon-Mark Buddhist Staff tightly with both hands and swung it continuously!

The huge golden staff shadows emitted a dazzling Buddhist light and smashed towards the ferocious beasts!

“Void Battle Spear!” Lin Wenxuan held the Qilin Divine Spear and swept it out continuously!

Countless black spears shot in all directions!

The spear aura was like a rainbow that wreaked havoc in the world!

“Sun Moon Staff Technique!” Prajna held the Sun and Moon Divine Staff and waved it continuously!

Waves of ice and fire swept out towards the ferocious beasts!

Under the crazy attacks of the five of them!

The ferocious beasts that pounced over were all killed!

At this moment.

Yang Luo and the others kept pushing forward!

The number of various magical beasts, demon beasts, and ferocious beasts increased, and their strength became stronger and stronger!

The ancient boat that Mo Qingkuang and the others were on was hit by many ferocious beasts, causing Mo Qingkuang and the others to sway!

It was even to the extent that cracks appeared on the ancient boat!

“D\*mn your mothers!” Bujie cursed angrily and said, “I’ll go down and play with you!” As he spoke, he jumped down from the ancient boat and started fighting the ferocious beasts below!

“It’s too inconvenient to fight on the ancient boat.

I’ll go down too!” Lin Wenxuan said and jumped down as well!

Mo Qingkuang said, “Brother Xu, Sister Prajna, let’s go down too!” “Alright!” Xu Ying and Prajna nodded in agreement.

Then, Mo Qingkuang put away the ancient boat and jumped down with Xu Ying and Prajna!

At this moment.

Yang Luo was fighting thousands of birds alone in the sky!

Mo Qingkuang, Xu Ying, Bujie, Prajna, Lin Wenxuan, and Big White were fighting various ferocious beasts below!

Everyone kept pushing forward, and the battle became more and more ferocious!

This continued until they reached the center of the Dark Forest!

“Roar, roar, roar!” Accompanied by loud roars!

Dang, dang, dang!

The ground shook violently!

Ten behemoths knocked down large trees and sent small ferocious beasts flying as they charged towards Big White, Mo Qingkuang, and the others!

As these ten behemoths arrived!

The small ferocious beasts were so frightened that they retreated and did not dare to approach!

These ten behemoths were the Earth Demon Bear, the Bloodthirsty Berserk Lion, the Crimson Flame Demon Tiger, the Netherworld Demon Leopard, the Berserk Demon Ape, the Roaring Sky Wolf, the Iron-Armored Barbaric Bull, the Golden-Horned Demon Elephant, the Heaven Devouring Python, and the Two-Headed Demon Scorpion!

Moreover, these ten ferocious beasts were very big.

They were either more than ten meters tall or more than twenty meters long!

At this moment.

These ten behemoths appeared not far away and stared fixedly at Mo Qingkuang and the others, as if they were prey.

In the eyes of these beasts, Mo Qingkuang and the other cultivators were all great supplements.

As long as they ate these cultivators, their cultivation and strength could also increase explosively.

“Holy shit!” Bujie’s mouth twitched, “Why are these ten guys so big?!” Mo Qingkuang said in a low voice, “The auras of these ten guys are strong.

They’re probably the ten overlords of the Dark Forest!” Lin Wenxuan narrowed his eyes and said, “Finally, a ruthless character has arrived.

Interesting!” Just as they were conversing!

“Roar, roar, roar!” The ten ferocious beasts let out a wild roar and charged towards Mo Qingkuang and the others!

“Roar!” Big White let out a heaven-shaking roar and charged forward first!

In an instant!

Tang!

Big White and the Earth Demonic Bear were like two huge mountains that collided heavily!

Trees collapsed one after another, and the ground kept cracking!

Although the Earth Demon Bear was huge and powerful!

However, Big White was bigger and stronger!

Therefore, under this collision, the Earth Demon Bear was directly sent flying, crushing a large number of trees

Chapter 1523: Just Destroy It!

Just as Big White was about to pounce on the Earth Demonic Bear!

“ROAR!” The Berserk Demon Ape let out a roar and also charged toward Big White!

And the moment they got close The ape unleashed a punch at Big White!

Big White also unleashed a punch!

DONG!

The two fists collided and a muffled thunderous sound erupted!

Waves of terrifying energy surged out from the point of collision and swept in all directions!

The vegetation and soil on the ground were sent flying, and the trees collapsed!

Although the demon ape was also very powerful, it still couldn't withstand Big White's power!

“ARGH!” The Berserk Demon Ape let out a painful cry and was sent flying dozens of meters away with a bang!

“ROAR!” Big White let out a roar and charged toward the Earth Demonic Bear and the Berserk Demon Ape!

Soon, Big White, the Earth Demonic Bear, and the berserk demon ape engaged in an intense battle!

The Bloodthirsty Berserk Lion and the Scarlet Flame Demon Tiger pounced at Mo Qingkuang at the same time!

As they pounced over!

The Bloodthirsty Berserk Lion opened its mouth and spat out a blood wave!

The Scarlet Flame Demonic Tiger spat out a scarlet fire wave!

The blood and fire waves surged over!

Mo Qingkuang immediately formed a seal and shouted!

“Five Elements Immortal Seal!” The five seals condensed into form and contained the power of the five elements as they collided!

Boom!

Boom!

The Five Elements Great Seal collided heavily with the blood and fire waves, producing a loud bang!

The blood and fire waves that washed over only lasted for a few minutes before completely shattering and splashing away!

The Five-Elements Great Seal continued to collide, sending the Bloodthirsty Berserk Lion and the Scarlet Flame Demon Tiger flying!

Mo Qingkuang's figure moved and rushed forward!

Meanwhile, the Netherworld Demon Leopard and Roaring Sky Wolf charged towards Lin Wenxuan and waved their huge claws!

Lin Wenxuan held the Qilin Divine Spear and swept it out!

Swoosh!

With a sweep of his spear, a large amount of black spear qi soared into the sky and rippled in all directions!

Illusions of black qilins rushed out one after another!

"Awoo" The Netherworld Demon Leopard and the Howling Sky Wolf let out tragic cries and spat out blood as they were sent flying!

But Lin Wenxuan did not stop at all and charged forward with his spear!

And right at this moment "Moo!" "Roar!" "Hiss!" The Iron-Armored Bull, the Golden-Horned Demonic Elephant, and the Heaven Devouring Python let out a roar and charged towards Xu Ying and Bujie at the same time!

"Ten Thousand Feet Crossing the Sky!" Xu Ying suddenly waved the Dragon Sparrow Saber in his hand!

Whoosh!

Whoosh!

Whoosh!

Whoosh!

Countless platinum-colored sabers tore through the sky, cut through the trees, and shot out!

“Subduing Dragons and Tigers!” Bujie held the Dragon-Mark Buddhist Staff and suddenly swung it out!

The huge staff that flickered with golden Buddhist light smashed out!

There were even dragon-tiger illusions roaring out!

Boom!

Boom!

Boom!

Only continuous explosions was heard!

The three beasts were blown away at the same time, and blood splattered everywhere!

After sending these three ferocious beasts flying!

Bujie shouted towards Mo Qingkuang in the distance, "Brother Mo, can I subdue these evil creatures as mounts?" Mo Qingkuang replied, "Brother Bujie, I advise you not to have such thoughts!

These demonic beasts are, bloodthirsty and cruel by nature.

They were extremely difficult to tame!

Even if you can tame it now, as long as there's a chance later, it will kill you when you're not paying attention!

If you really need a mount, you have to find a spirit beast that is more loyal to you!

After all, there aren't many spirit beasts like Big White who are loyal to Brother Yang!" "What the f\*\*k!" The corners of Bujie's mouth twitched as he said, "Since that's the case, let's just destroy them!" As he spoke, Bujie held the Dragon-Mark Buddhist Staff and charged towards the three ferocious beasts!

Xu Ying followed closely behind and charged forward!

Not far away Prajna fought the Two-Headed Demon Scorpion alone!

The Two-Headed Demon Scorpion opened its mouth and spat out a black poisonous fog at Prajna!

The poisonous fog swept over, and the plants on the ground withered and died!

Prajna quickly swung the Sun and Moon Divine Staff in retaliation!

A scarlet flame surged out and dispersed the black poisonous fog!

The Two-Headed Demon Scorpion let out a roar and swung its six poisonous tails that were as sharp as blades at Prajna!

Prajna constantly retreated and dodged!

Dong, dong, dong!

The ground was pierced with holes!

The venom dyed the holes pitch-black!

After dodging the Twin-headed Demon Scorpion's attacks several times in a row Prajna let out a delicate shout!

"Six Paths Shuriken!" Puff!

The Six Paths Shuriken whistled out from her spatial necklace like a windmill, cutting towards the six huge tails of the Two-Headed Demon Scorpion!

In an instant!

Chi!

Chi!

Chi!

Blood and venom splashed out at the same time!

Three of the two-headed demon scorpion's huge tails were cut off!

“Waaaaaa” The Two-Headed Demon Scorpion let out a hiss and became even more violent as it charged at Prajna!

As for Prajna, she did not dodge or retreat.

She held the Sun and Moon Divine Staff and activated the Six Paths Shuriken to fight!

She knew very well that she was the weakest existence among everyone!

Therefore, she cherished every opportunity to train.

She hoped that she could continuously become stronger and not be left too far behind by everyone!

Just as Mo Qingkuang and the others were fighting fiercely below!

The battle in the sky became even more intense!

Yang Luo was fighting six flying overlords alone!

These six overlords were the Three-Headed Demon Flood Dragon, the Dark Abyssal Winged Tiger, the Sky-stepping Demon Elephant, the Flying Demon Wolf, the Thunder Demon Eagle, and the Blue-eyed Golden Eagle!

“Roar, roar, roar!” The three heads of the three Demon Flood Dragons opened their bloody mouths at the same time and spat out three black fire waves at Yang Luo!

“Roar!” The Dark Winged Tiger also let out a roar and spat out a black ice wave!

“ARGH!” The Flying Demon Wolf flapped its wings, stirring up a tornado that crushed towards Yang Luo!

The Thunder Demon Eagle also flapped its wings and condensed purple lightning that slashed at Yang Luo!

The Demonic Elephant stepped on the sky, raised its pillar-like forelimbs, and stepped on Yang Luo!

The Blue-Eyed Golden Eagle flew into the sky like a bolt of lightning and charged at Yang Luo!

“Seeking death!” Yang Luo shouted and suddenly waved the sword in his hand!

Whoosh!

Whoosh!

Whoosh!

Whoosh!

Countless golden flying swords shot towards the four ferocious beasts!

As he swung his sword!

Yang Luo stepped down from the sky!

Whoosh!

Whoosh!

Fierce and violent golden flames swept out of his body, surging towards the six ferocious beasts like a golden sea of fire!

At that very moment Rumble!

The attacks of the six ferocious beasts were all destroyed by the flying swords and flames!

Furthermore, the six ferocious beasts were also injured by the flying swords and burned by the flames.

They were sent flying one after another!

Chapter 1524: Unorthodox!

Just as these six ferocious beasts were sent flying!

Yang Luo's figure moved and transformed into a golden stream of light that chased after them!

In an instant!

He caught up to the Flying Demon Wolf and the Blue-eyed Golden Eagle!

"Cut!!" Yang Luo shouted coldly and slashed out!

Swoosh!

The huge golden sword streaked across the sky!

Puff!

Puff!

Two blood pillars soared into the sky!

The heads of the Flying Demon Wolf and the Blue-eyed Golden Eagle were directly cut off!

Yang Luo raised his left hand and condensed a huge golden palm that slapped out!

Bang!

Bang!

The bodies of the Flying Demon Wolf and the Blue-eyed Golden Eagle exploded!

Two inner cores flew out from their bodies and were put into Yang Luo's storage ring!

It was also when the Flying Demon Wolf and the Blue-eyed Golden Eagle died!

The Three-Headed Demon Flood Dragon, the Dark Abyss Winged Tiger, the Void Treading Demon Elephant, and the Thunder Demon Eagle charged towards Yang Luo!

Without any hesitation, Yang Luo immediately raised his left hand and condensed a golden fireball before shooting it out!

The golden fireball flew out and expanded continuously, colliding towards the beasts!

And the moment it neared them Yang Luo clenched the five fingers on his left hand and roared!

"Explode!" Rumble!

The huge golden fireball exploded!

The Dark Winged Tiger and the Thunder Magic Falcon were blown to pieces on the spot!

Two more inner cores flew out and were put away by Yang Luo!

Although the three-headed Demon Flood Dragon and the Void Treading Demon Elephant were sent flying by the explosion, their bodies were strong and resilient.

They forcefully endured the huge explosion, but their bodies were badly mangled from the explosion!

After flying a hundred meters away!

“ROAR!” “Roar!” The Three-Headed Demon Flood Dragon and the Void Treading Demon Elephant roared at the sky, as if they were calling for other magical beasts, demon beasts, and ferocious beasts to come and help!

Soon, thousands of flying ferocious beasts flew over from afar and approached Yang Luo like black clouds!

“No matter how many helpers you call over, it’s useless!” Yang Luo’s eyes were cold as he suddenly waved the sword in his hand!

Countless flying swords formed a sea of swords and surged up!

At the same time as he swung his sword!

Yang Luo raised his left hand and shouted!

“Lightning, come!” Rumble!

Golden lightning bolts descended from the sky and struck the ferocious beasts!

The thousands of ferocious beasts that rushed over to help were all killed!

More than ten inner cores soared into the sky and were put away by Yang Luo!

Just as the three-headed Demon Flood Dragon and the Demonic Elephant were about to continue calling for help Yang Luo did not give them another chance.

Instead, he waved the sword in his hand!

“Flaming Sun Flame Pillar!” Nine huge golden pillars of fire descended from the sky and suppressed the three-headed Demon Flood Dragon and the Demonic Elephant!

The three-headed Demon Flood Dragon and the Void Treading Demon Elephant felt fear and wanted to escape, but it was already too late!

Peng Peng The Three-Headed Demon Flood Dragon and the Void Treading Demon Elephant were directly crushed into minced meat!

Two inner cores flew out and were put away by Yang Luo!

In the distance, many flying magical beasts, demon beasts, and ferocious beasts had originally planned to charge over!

However, after seeing the scene in front of them, they all turned around and fled in panic!

It was also when Yang Luo resolved the battle in the sky!

Below, the battles had also ended!

They killed the ten overlords and put away their inner cores!

At this point.

The other beasts had all fled and didn't dare to attack Big White and Mo Qingkuang anymore!

Yang Luo stood in the air and said, "I've collected a total of 25 inner cores.

What about you guys?" "I've collected ten!" "I've collected eight!" "Seven!" "Six!" "Five!" Mo Qingkuang, Lin Wenxuan, Xu Ying, Bujie, and Prajna all reported their results.

On the other hand, Big White spread out his left hand and counted.

Then, he began to gesture, but his fingers were not enough.

Bujie exclaimed in surprise, "Holy f\*ck, Big White, aren't you too f\*cking fierce?"

You actually collected sixteen inner cores?" Mo Qingkuang said in admiration, "Big White is still the best!" Yang Luo said, "Big White, I'll keep the inner cores you collected for you!"

"Brother Mo, keep the inner cores that you've collected for yourselves!" "Alright!" Mo Qingkuang and the others nodded in agreement.

Big White tossed the sixteen inner cores to Yang Luo.

Yang Luo put it into his storage ring and said, "This Dark Forest is too big.

There are too many ferocious beasts!

It's still very dangerous for us to continue staying here, so let's hurry up and leave!" Mo Qingkuang and the others nodded.

Meanwhile, Big White quickly shrunk.

Then, Mo Qingkuang took out an intact ancient boat and flew into the sky with Xu Ying and the others.

But just as Yang Luo and the others were about to leave "Stop right there!" A powerful voice came from afar.

Yang Luo and the others turned around.

Two hundred-meter-long ancient boats flew over from afar.

One of them flickered with a black light, while the other shone with a dark purple light.

There were hundreds of people standing on the ancient boat, and the two flags fluttered in the wind.

Standing at the front of the ancient boat were four old men with long grayish-white hair and wearing various long robes.

As the two ancient boats approached, Yang Luo also frowned slightly.

He could feel that these people exuded a dark, evil, sinister, and violent aura.

"It's the Sky Demon Cult and the Diablo Sect!" Mo Qingkuang could not help but exclaim.

"The Sky Demon Cult and the Diablo Sect?" Yang Luo was stunned for a moment.

“Brother Mo, what sects are they?” Mo Qingkuang said in a deep voice, “There are a total of six top sects in the North Continent!

Three of the top sects walks the orthodox cultivation method!

As for the other three top-notch sects, they took the unorthodox path!

Those three sects were the Sky Demon Cult, Myriad Demon Valley, and Diablo Sect!

Over the years, the three major sects had done all sorts of bad things!

In order to cultivate, they wantonly snatched cultivation resources from other sects and killed countless people!” “Oh” Yang Luo nodded in realization.

“Kid, you know quite a lot!” At this moment, an old man in a black robe with black lips looked at Mo Qingkuang with a smile, “Kid, who are you?” Mo Qingkuang replied, “I’m the son of the Sect Master of the Supreme Sect, Mo Qingkuang!” “Supreme Sect?” The black-robed old man sneered and said, “Isn’t Supreme Sect a sect in the Central Continent?

Why didn’t you stay in the Central Continent?

Why did you come to the North Continent?” Mo Qingkuang frowned and said, “I can go wherever I want.

Do you need to care about this?” “Hehe, you’re quite hot-tempered.” The black-robed old man sneered and said, “Forget it, I can’t be bothered to talk nonsense with you.

Quickly hand over all the inner cores you’ve gathered.”

Chapter 1525: Get Lost or Die!

Hearing the black-robed old man's words, Yang Luo frowned and said, "Why should we hand over the inner core to you?" The black-robed elder stood with his hands behind his back and declared proudly, "Because we're from the Sky Demon Cult and the Diablo Sect!

Even Central Continent's Supreme Sect can't contend with our two sects!" The four elders here were the four elders of the Sky Demon Cult and Diablo Sect!

Li Juekong, Yan Xinghuo, Qiu Yongshou, Fu Tianze!

They had originally led a team of disciples from their sect to train here and obtain some inner cores.

However, when they arrived, they realized that Yang Luo and the others had beaten them to it.

They were naturally angry, so they wanted to snatch the inner cores that Yang Luo and the others had obtained.

Anyway, they had done this more than once.

"Damn!" Bujie was instantly displeased, "I don't care what sect you are from!

If you want the inner core, go and get it yourself.

How dare you rob us?

You've lived for so long.

Don't you even care about your face?" "Bastard!" Li Juekong shouted angrily, "Stupid monk, do you want to die?" Yan Xinghuo stared coldly at Yang Luo and the others and said in a trembling voice, "I'll give you a chance now!

As long as you hand over all your inner cores, we can spare your lives!" "What if we don't?" Yang Luo asked in a deep voice.

Killing intent flickered in Yan Xinghuo's eyes as he said ruthlessly, "If you don't give it to me, I'll send you on your way!

At that time, it won't be as simple as handing over the inner cores!

All the treasures on you will belong to us!" "Hurry up and hand over the inner core before we change our minds!" "Our patience is limited.

Don't make us angry!" Qiu Yongshou and Fu Tianze also shouted coldly.

Yang Luo frowned.

He didn't want to cause trouble.

However, trouble had come looking for him.

Since that was the case, he could only use his fists to speak.

With this thought in mind Yang Luo said in a trembling voice, "Then there's nothing else to say!

Didn't you guys want to kill me and snatch my treasure?

Come on then!" He also sensed it.

Two of the four old men were at the early-stage Earth Immortal Realm.

The other two were much stronger.

They should be at the intermediate Earth Immortal realm.

This battle should be a little difficult!

However, he might be able to achieve a breakthrough through this battle!

Yan Xinghuo sneered, "Kid, you really don't know your place.

You still dare to spout nonsense in front of me.

You really don't know what's good for you!

I'll take your life now!" Right after they finished their sentence Fu Tianze raised his right hand and condensed a huge black-gray palm that pressed down on Yang Luo!

The huge palm was a thousand feet in size, as if a black cloud was pressing down!

However, the moment the huge palm pressed down!

Yang Luo waved the Dragon Emperor Sword in his hand and faced it!

In the blink of an eye!

Rumble!

The golden sword and the black-gray palm collided heavily, emitting a deafening bang!

Fu Tianze originally thought that this palm strike was enough to kill Yang Luo!

But in the next second!

Rumble!

The huge black-gray palm that he had condensed instead exploded!

Fu Tianze was forced to retreat repeatedly!

“How is this possible?!” After Fu Tianze stabilized himself, he looked at Yang Luo in shock, “How can you withstand a palm from me?!” Li Juekong, Yan Xinghuo, and Qiu Yongshou were also shocked!

They did not sense Yang Luo’s cultivation level just now!

They had thought that Yang Luo had not even reached the Dao Convergence Realm!

However, he did not expect Yang Luo to be able to withstand Fu Tianze’s palm!

The Sky Demon Cult and Diablo Sect disciples were equally astounded!

Elder Fu was an Earth Immortal.

Could it be that he could not even kill a brat?

“What cultivation level is this kid at?

Why can’t I see through him?” Yan Xinghuo asked in a low voice.

Li Juekong narrowed his eyes and said, “This kid should be at the Earth Immortal realm!

It's just that this kid is wearing a Dharma artifact that hides his cultivation level, so we can't see through him!" Qiu Yongshou said in surprise, "Interesting.

This kid actually stepped into the Earth Immortal Realm at such a young age?

Could he also be a genius disciple of a top sect or a top family?" "Kid, who exactly are you?" Fu Tianze stared at Yang Luo and asked coldly.

There were not many Earth Immortals at such a young age in the entire Kunlun Ruins!

Yang Luo said in a loud voice, "You don't have to ask who I am!

You can either get lost!

"Or die!" "Hahaha" Fu Tianze reared his head in laughter and said, "No matter how strong you are, you've probably just stepped into the Earth Immortal Realm!

The four of us are all Earth Immortals.

Can you kill us?" "Let's see if we can kill you or not!" Yang Luo roared and soared into the sky, charging towards the four of them!

"How arrogant and ignorant!" Fu Tianze shouted and took a step forward.

He soared into the sky and charged towards Yang Luo!

"Brother Fu, let me help you!" Yan Xinghuo said in a loud voice as he soared into the sky and charged at Yang Luo!

Both of them were at the early-stage Earth Immortal realm and were extremely powerful!

On the way to kill Yang Luo!

The two of them shouted at the same time!

“Black Demon Saber!” “Bloodthirsty Sword!” Whoosh!

Whoosh!

Whoosh!

Accompanied by two crisp sounds of metal clashing!

A black saber and a blood-colored sword flew out and were firmly grabbed by the two of them!

Then, the two of them brandished the Black Demon Saber and the Bloodthirsty Sword at the same time and slashed out angrily!

Swish!

Swish!

The huge black-gray saber and blood-colored sword shook the void, emitting terrifying saber qi and sword qi as they slashed at Yang Luo!

Yang Luo did not hold back at all.

He immediately waved the sword in his hand and slashed diagonally!

Clang!

The three weapons collided fiercely in the sky, shooting out a large amount of sword qi and saber qi, rippling with violent energy!

The trees below collapsed one after another!

The birds and beasts in the Dark Forest hid far away and paid attention to this battle!

Fu Tianze and Yan Xinghuo originally thought that they could kill Yang Luo by joining forces!

But what shocked the two of them was Yang Luo actually blocked their attacks easily!

“What’s going on?!”

How can this kid still block our strikes?! “Isn’t his cultivation at the early-stage Earth Immortal Realm?!” The two of them exclaimed at the same time, their eyes filled with disbelief.

Just as the two of them were stunned!

“Get the fuck out of my way!” Yang Luo let out an explosive roar, and his right arm suddenly shook!

There was a loud clang!

The two of them were sent flying at the same time.

Their bodies were cut open, and blood splattered in the air!

## Chapter 1526: Heavenly Fire Burns the World!

Li Juekong said in a low voice, "This kid is a little strange.

Let's go and help!" "Alright!" Qiu Yongshou nodded in agreement.

Then, the two of them soared into the sky from the ancient boat at the same time and attacked Yang Luo together!

Bujie gritted his teeth and said, "Damn it, if only this Lord Buddha could fly, I would be able to help Brother Yang!" "Stop talking nonsense.

Let's get rid of those guys first!" After saying that, Xu Ying jumped onto an ancient boat in front of him and charged towards the Sky Demon Cult and the Diablo Sect!

"ROAR!" Big White also jumped out, and its body instantly enlarged by more than twenty meters.

It let out a roar and charged toward the people from the two sects!

"Fight!" Mo Qingkuang, Bujie, Prajna, and Lin Wenxuan also stood up and roared, charging forward together!

A huge battle immediately broke out on the two ancient boats!

In the distant sky.

As Li Juekong and Qiu Yongshou charged over, they directly summoned their weapons, the Heavenly Demon Sword and the Immortal Vanquishing Spear!

The two of them waved the weapons in their hands and slashed at Yang Luo!

The black-blue sword and the purple-black spear crushed the void and pressed down heavily on Yang Luo!

The two of them were both mid-stage Earth Immortal Realm experts.

This joint attack was extremely terrifying!

Yang Luo swung the Dragon Emperor Sword with all his might and faced the attack!

Rumble!

After a huge collision!

Li Juekong and Qiu Yongshou were both sent flying!

The two of them were sent flying 70 to 80 meters away before stabilizing themselves!

But Yang Luo was sent flying more than a hundred meters before he stabilized his body!

This showed that with Yang Luo's current cultivation and strength, it was not a problem for him to fight many early-stage Earth Immortal experts.

He could even kill them!

Moreover, even if he was fighting a mid-stage Earth Immortal expert, he was confident in killing him!

However, now that two mid-stage Earth Immortal Realm experts were working together, he still felt that it was difficult!

Unless his cultivation could break through to the mid-stage Earth Immortal Realm, he could not defeat these guys!

Li Juekong said coldly, "This kid is not simple.

He can actually fight the two of us!" Qiu Yongshou narrowed his eyes and said, "However, I roughly know this kid's cultivation level.

This kid's cultivation should only be at the early-stage Earth Immortal Realm!

However, he relied on powerful cultivation techniques and immortal techniques to fight us.

However, the difference in cultivation can't be made up for in the end.

He will definitely die." Just as the two of them were talking!

Yang Luo's figure flashed and he had already charged over!

He swung his sword!

"Dragon Emperor Sword Technique!" Swoosh!

A huge golden sword tore through the sky and stirred the dark clouds.

It erupted with ferocious sword qi and sword might and slashed at the two of them!

Countless golden flying swords condensed and shot towards the two of them!

There were even huge golden dragon phantoms that roared and collided with the two of them!

“Sky Demon Sword Technique!” “Immortal Vanquishing Spear Technique!” Li Juekong and Qiu Yongshou waved their long swords and spears at the same time!

Sword Intent and Spear Intent erupted at the same time, condensing countless long swords and spears and shooting out!

There were even demonic illusions that condensed into form and collided!

Boom!

Boom!

Rumble!

The earth-shattering collisions and explosions resounded non-stop, spreading throughout the entire Dark Forest!

Under the combined attacks of the two of them!

The golden flying swords and golden dragon phantoms condensed by Yang Luo were destroyed one after another!

“Sky Burning Explosion!” “Sea of Purgatory Fire!” “Flaming Sun Flame Pillar!” He did not hold back at all and immediately used his three killing moves!

A huge golden fireball crashed out!

A golden sea of fire surged up!

Nine golden pillars of fire smashed down!

“Myriad Demon Chaos Heaven!” Li Juekong waved his hand as a counter!

Countless demon illusions condensed into form and pounced forward!

“Evil God’s Tomb!” Qiu Yongshou waved his hand as well!

Purple-black tombstones condensed and attacked in all directions!

Rumble!

Numerous attacks exploded in the sky!

Yang Luo’s body was blasted open by the impact!

However, Yang Luo did not retreat.

Instead, he endured their attacks and continued to attack!

“Battle Sage Seal!” The seven huge seals instantly condensed into form, and like seven huge mountains, they collided at the same time!

An even more terrifying explosion exploded in the sky!

The trees in a radius of thousands of meters below were all blown to pieces!

The ground even kept collapsing from the explosion!

“Kill!” At this moment, Yan Xing Huo and Fu Tianze also charged over.

At the same time, they waved the sabers and swords in their hands and slashed at Yang Luo!

Yang Luo’s body trembled as he condensed a True Qi barrier to block!

Clang!

Clang!

After blocking their attacks!

Yang Luo waved his hand again!

“Annihilation Fire Lotus!” A huge golden fire lotus condensed in the sky and pressed down on Yan Xing Huo and Fu Tian Ze not far away!

“What is this?!” “Quickly counterattack!” Yan Xinghuo and Fu Tianze launched a fierce attack at the same time, wanting to destroy the fire lotus, but it was useless!

Rumble!

As the fire lotus pressed down and exploded!

“Urghh” “Ah!” Yan Xinghuo and Fu Tianze let out a miserable cry and fell from the sky.

With two bangs, they landed heavily on the ground!

Two huge pits were smashed into the ground!

The two of them were also burned on a large scale and were in a tragic state!

“Little bastard, you’re courting death!” Li Juekong said ruthlessly and immediately waved the sword in his hand!

“Sky Demon Seven Slaughtering Sword!” With a swing of his sword, seven black-blue swords condensed into form and tore through the sea of clouds, shooting towards Yang Luo!

“Evil God’s Hand!” Qiu Yongshou waved his hand as well!

A huge purple-black hand broke through the dark clouds in the sky and pressed down on Yang Luo as if the sky had collapsed!

Seeing this, Yang Luo gritted his teeth and waved his hand!

“Heavenly Fire Burns the World!” Rumble rumble rumble!

A loud bang sounded from the firmaments!

A huge hole exploded in the thick dark clouds in the firmaments!

Dazzling golden flames poured down endlessly like a surging river, wanting to burn everything in the world to ashes and chase away all darkness and evil!

This was the fifth level of the Flame Emperor’s World Burning Art!

The first four levels were Sky Burning Explosion, Sea of Purgatory Fire, Flaming Sun Flame Pillar, and Annihilation Fire Lotus!

Rumble The seven black-blue swords and the purple-black hand that was pressing down were shattered at the same time and burned to ashes!

“Ahhh” Li Juekong and Qiu Yongshou cried out in pain and were also sent flying by the explosion.

There were many burns on their bodies

Chapter 1527: What Grade?

The endless golden flames burned all the trees in a radius of thousands of meters into ashes!

The ground was also charred black!

There were even some magical beasts, demon beasts, and ferocious beasts that could not escape in time that were burned to death!

Li Juekong and Qiu Yongshou only managed to stabilize themselves after being sent flying a hundred meters away!

Both of them had a large area of burns on their bodies, and many of their eyebrows and beards had been burned!

Although it was only a superficial wound that did not affect their combat strength, it still made them angry from embarrassment!

They were elders of the Sky Demon Cult and the Diablo Sect, mid-stage Earth Immortals!

Now, they were actually injured by a brat!

“Little b\*stard, I must kill you!” Li Juekong let out a furious roar.

His entire body trembled and he directly activated his Dharma Idol!

A black-blue giant more than 100 meters tall holding a huge sword stood above him with demonic qi soaring into the sky!

“It’s your honor to be able to force us to use our Dharma Idol to kill you!” Qiu Yongshou’s body trembled as he activated his Dharma Idol!

A black-purple giant more than a hundred meters tall and holding a huge spear also stood above him, his evil aura surging!

“Little bastard, you must die today!” “You severely injured us, so you’ll pay with your life!” Yan Xinghuo and Fu Tianze also rushed into the sky and activated their Dharma Idol!

Both of their Dharma Idols were nearly a hundred meters tall.

They held huge sabers and huge swords in their hands as they stood tall in the sky!

The entire Dark Forest became even darker.

Black clouds covered the sky, as if ink had been splashed!

At this moment.

Li Juekong and the other three activated their Dharma Idols and surrounded Yang Luo in the middle!

Yang Luo glanced at the four of them and said coldly, “Have you all activated your Dharma Idol?”

Very good, then I'll get serious and fight with you!" As he spoke, his entire body shook as well!

A golden giant that was a hundred meters tall and held a huge sword stood above him.

He had the sky above his head and stepped on the sky, looking extraordinary and domineering!

The golden light that soared into the sky dispersed the black clouds in the sky!

"Kill him!" Li Juekong roared.

Li Juekong and Qiu Yongshou immediately waved the longswords and spears in their hands!

Yan Xinghuo and Fu Tianze also brandished their sabers and swords!

The Dharma Idols of the four of them waved the huge weapons in their hands at the same time and attacked Yang Luo!

At this moment.

The four Earth Immortals and four Dharma Idols attacked at the same time, as if they wanted to tear Yang Luo into pieces!

"Fight!" Yang Luo let out a roar and gripped the Dragon Emperor Sword tightly with both hands, slashing out with all his might!

The Dharma Idol that stood above him also swung its huge sword and slashed out!

Rumble!

Rumble!

A series of earth-shattering collisions and explosions sounded!

Although Yang Luo barely withstood the attacks of the four of them, a large area of his skin was torn apart, and blood splattered in the air!

“Don’t hold back.

Continue!” Li Juekong continued to wave the Heavenly Demon Sword and attacked fiercely!

Qiu Yongshou, Yan Xinghuo, and Fu Tianze also continued to attack!

Boom, boom, boom A series of explosions resounded!

Yang Luo spat out blood!

His body was also pressed down continuously!

At this moment, his expression was solemn!

It was still too difficult to fight two Early Stage Earth Immortals and two Mid Stage Earth Immortals alone!

If only his cultivation could break through!

However, it was still a little lacking!

“Brother Yang!” “Brother Yang!” “Brother Yang!” The people fighting on the ancient boat in the distance exclaimed one after another.

“Roar!” Big White smashed the heads of dozens of Sky Demon Cult and Diablo Sect disciples with a single punch.

Then, he let out a roar and stomped his feet!

The entire ancient boat suddenly sank!

Its huge body immediately soared into the sky and pounced at Li Juekong and the other three!

And the moment they got close Big White suddenly swung a punch at Li Juekong!

With a punch, the space emitted a series of sonic booms!

“Are you trying to save your master?”

Stop dreaming!” Li Juekong sneered.

He raised his left hand and condensed a black-blue palm that slapped out!

At that very moment DONG!

The fist and palm collided, emitting a muffled thunder!

Although Big White was powerful, it still couldn’t withstand a palm strike from a Mid Stage Earth Immortal!

“Wu” It let out a painful cry and its huge body fell from the sky, crushing a large number of trees and landing heavily on the ground!

Its right arm was lacerated and blood flowed!

Although he had slapped Big White away, Li Juekong still felt his left hand go numb and a faint stabbing pain!

“This beast is not ordinary!” He narrowed his eyes and decided to kill Yang Luo and the others before subduing Big White and bringing it back.

Meanwhile, Big White quickly got up and leaped into the air again and again.

He swung his fists with both hands and spat fire from his mouth as he attacked Li Juekong and the other three!

Mo Qingkuang, Xu Ying, Bujie, Prajna, and Lin Wenxuan also jumped into the sky time and time again and launched crazy attacks!

However, Li Juekong and the other three continued to counterattack, knocking Big White, Mo Qingkuang, and the others down again and again!

“Big White, Big Brother Mo don’t come over!” Yang Luo roared as he willed his Qi!

“Five Thunder Seal!” “Immortal Suppressing Pagoda!” “Ten Thousand Dragon Cauldron!” In an instant!

Three Dharma artifacts flew out of his storage ring and expanded continuously, shooting towards Li Juekong and the other three!

Rumble!

The Five Thunder Seal flew out and nine bolts of lightning rushed out like nine long rivers, slashing towards Yan Xinghuo!

Purple-golden immortal light shot out from every level of the Immortal Suppression Pagoda like nine rainbows that headed straight for Fu Tianze!

Tens of thousands of huge golden dragon illusions rushed out of the Ten Thousand Dragons Cauldron and collided with Li Juekong and Qiu Yongshou!

Just as the three artifacts were about to attack!

Li Juekong and the other three also waved their hands!

“Heavenly Magic Mirror!” “Flame Demon Seal!” “Blood Weeping Pot!” “The Phantasm Soul Bell!” The four mid-grade Dharma artifacts flew out at the same time and instantly expanded, crashing into the three Dharma artifacts that Yang Luo had summoned!

The Heavenly Demon Mirror shot out a terrifying demonic light!

The Flame Demon Seal burned with a huge fire, and it was like a volcano that had collided!

A blood-colored torrent rushed out of the Blood Weeping Pot, surging up like a blood-colored river!

Thousands of evil souls rushed out of the Evil Soul Bell and pounced forward!

Boom!

Boom!

Rumble!

The three Dharma artifacts that Yang Luo took out fought intensely against the four Dharma artifacts that Li Juekong and the others took out in the sky!

However, what shocked Li Juekong and the other three was that Yang Luo relied on the three Dharma artifacts to suppress their four Dharma artifacts!

Li Juekong's pupils constricted as he exclaimed, "That huge seal is a medium-grade magical artifact, and that pagoda is a high-grade magical artifact!

But why can't I see through the grade of that treasure cauldron?"

Chapter 1528: He's Playing With His Life!

Qiu Yongshou exclaimed, "That cauldron is not simple.

I've never heard of it or seen it before!" Yan Xinghuo sneered and said, "So what if the magical equipment is powerful?

This kid's cultivation and strength can't keep up.

He can't unleash the true power of these magical equipment at all!" "That's right!" Fu Tianze said greedily, "After we kill this kid, his magical equipment will belong to us!" "Hahaha" Li Juekong threw his head back and laughed, "That's a must.

What we like can only belong to us!" The four of them continued to attack Yang Luo!

The injuries on Yang Luo's body continued to increase as blood spurted out!

He did not dare to hold back and used his killing move again!

"Primal Heavenly Art!" Accompanied by a heaven-shaking roar!

Gonggong, Zhurong, Qiangliang, Houtu, Goumang, and Rushou stood up and charged at the four of them!

Qiu Yongshou said in surprise, "This kid's cultivation technique is really getting stranger and stranger.

Moreover, its power is not small!

Is this really a cultivation technique created by the immortals of the Kunlun Ruins?" "Hmph!" Li Juekong snorted coldly and said, "So what if his cultivation techniques and immortal techniques are powerful?

This kid is just struggling on the verge of death!" As he spoke, Li Juekong waved his hand!

"Heavenly Demon Descends!" In the blink of an eye!

Rumble!

Thunder rumbled in the sky!

A black-blue giant demon stepped out of the dark clouds and attacked the six ancient Magi!

"Evil God Descends!" Qiu Yongshou also stepped down from the sky and roared!

A purple-black evil god stepped out of the dark clouds and charged forward!

These two cultivation techniques were jointly created by many elders of their two sects!

Although they had not completely mastered it, they could still unleash quite a bit of power!

"Immortal Suppression Pillar!" "Blood Weeping Heavenly Wheel!" Yan Xinghuo and Fu Tianze waved their hands and launched a fierce attack!

The seven black-gray pillars carved with various demon patterns broke through the dark clouds and suppressed the six ancient Ancestral Magi!

A huge blood-colored wheel descended from the sky and pressed down.

Blood waves poured down from the wheel!

The attacks of Li Juekong and the other three became more and more ferocious.

No matter how strong Yang Luo's attacks were, it was difficult to resist them at this moment!

Boom, boom, boom The six ancient Magi withstood for a while before collapsing and dissipating!

Yang Luo's Dharma idol could not withstand it anymore and collapsed as well!

Yang Luo's body was blasted continuously, and blood could not stop flowing out of his mouth!

"Brother Yang!" "Brother Yang!" "Roar!" Mo Qingkuang and the others screamed and wanted to help!

However, Yang Luo shouted, "Don't come over.

Find an opportunity and escape!" He was no longer confident in killing these four old fellows!

Therefore, he planned to stall these four old fellows and let Mo Qingkuang and the others escape!

Mo Qingkuang said in a trembling voice, "If we live, we live together.

If we die, we die together!" "We will live and die together!" "ROAR!" Xu Ying, Big White, and the others also roared.

“Hehe What a touching brotherhood.” Li Juekong smiled coldly.

“Very good.

Then I’ll kill all of you today.” Mo Qingkuang said coldly, “If you kill us, we won’t let you off!” “Alright!” Li Juekong said fiercely, “If you have the ability, let your Supreme Sect come to the North Continent and fight our two sects!” As he spoke, Li Juekong and the other three continued to attack Yang Luo!

Yang Luo kept counterattacking, but it was difficult for him to resist.

The injuries on his body also increased!

“I’ll go all out!” Yang Luo’s entire body trembled as he roared again!

“Great Dao Dragon Diagram!” A huge golden totem instantly condensed in the sky above him!

The golden light illuminated the dark forest!

The totem slowly rotated, revealing an ancient aura!

When the totem condensed into form!

Yang Luo immediately roared at the sky!

“Summon!” “Flood Dragon Clan!” “Low-level Divine Dragon Race!” “Roar, roar, roar!” Tens of thousands of flood dragon illusions and 30 low-level divine dragon illusions roared out from the totem at the same time and collided in all directions!

Right now, Yang Luo could already summon even more dragon illusions now!

Boom!

Boom!

Boom!

Under the impact of so many dragon illusions!

The attacks of Li Juekong and the other three were heavily destroyed!

In particular, the demonic pillar and blood-colored wheel that Yan Xinghuo and Fu Tianze had condensed were shattered!

“Ahhh” The two of them let out a tragic cry and spat out blood as they were sent flying!

Cracks appeared on their Dharma Idols as they were sent flying!

Only Li Juekong and Qiu Yongshou blocked Yang Luo’s fierce attack!

Li Juekong’s eyes turned cold as he said in shock, “Where did this kid come from?”

Why do he have so many powerful methods?” Qiu Yongshou said viciously, “So what if he has many methods?”

In the end, he can’t make up for the difference in cultivation!” “Supreme Heavenly Demon Seal!” “Evil God’s Tomb!” Li Juekong and Qiu Yongshou used their killing moves again!

A black-blue seal was like a mountain that had flown out of the Nine Netherworld as it crushed towards the dragon illusions!

The purple-black tombstones also emitted a sinister aura as it flew out!

Peng, peng, peng!

Under the fierce attacks of the two of them, a large number of dragon illusions exploded!

At this moment.

Yan Xinghuo and Fu Tianze also dragged their heavily injured bodies over and continued to attack Yang Luo!

Yang Luo continued to counterattack and forcefully endured the fierce attacks of the four of them!

Soon!

Almost there!

He could clearly feel that his cultivation was about to break through!

However, this bottleneck made him feel as though it was extremely difficult!

In that case, he would use the inner cores of those demon beasts, magical beasts, and ferocious beasts to help him break through!

With this thought in mind Yang Luo took out a 300-year-old, 500-year-old, and 700-year-old inner core from his storage ring and swallowed them all!

Seeing this scene Li Juekong and the other three were stunned!

Yan Xinghuo exclaimed, "This kid actually swallowed three Inner Cores at the same time.

Does he want to die?" Fu Tianze said, "Even an Earth Immortal needs a few hours to refine an inner core!

"This kid swallowed three Inner Cores in a row.

His body will definitely explode and he will die!" Qiu Yongshou shook his head and said, "Looks like this kid wants to commit suicide!" Mo Qingkuang and the others who were watching the battle below were also dumbfounded!

Bujie said in shock, "Does Brother Yang want to die?

He actually swallowed three Inner Cores consecutively?!" Lin Wenxuan sighed and said, "Brother Yang is risking his life!"

Chapter 1529: Powerful Breakthrough!

At this moment.

In the air.

As he swallowed the three inner cores, Waves of earth-shattering energy immediately erupted and began to crazily wash over Yang Luo's body.

Pop, pop, pop Yang Luo's skin was torn inch by inch, and his meridians were broken one by one.

Blood poured down as if it was free!

Blood flowed out of his mouth, nose, eyes, and ears.

He was as terrifying as a true demon!

Li Juekong said fiercely, "Little bastard, I won't let you commit suicide!

Even if you die, you have to die in my hands!" As he spoke, his figure moved and led his Dharma Idol to attack Yang Luo!

Qiu Yongshou said in a trembling voice, "Let's attack together.

We can't let him die so easily!" "Alright!" Yan Xinghuo and Fu Tianze nodded in agreement.

Then, the three of them led their Dharma Idols and charged forward!

At that moment The four of them approached Yang Luo and waved the weapons in their hands at the same time!

The four Dharma Idols also waved their giant weapons and slashed down!

"ROAR!" Yang Luo roared at the sky and gripped the Dragon Emperor Sword tightly with both hands.

He drew a golden half-moon arc in the sky as he slashed out with all his might!

Clang!

An intense collision resounded through the world, causing the world to tremble!

A huge hole was blasted in the dark clouds above!

The energy released by the three inner cores surged out of Yang Luo's body like an avalanche.

Wave after wave, it washed towards the four of them and their Dharma Idols!

The four of them hurriedly condensed a True Qi barrier to block!

"Continue the attack and kill him!" Li Juekong roared and attacked again!

Qiu Yongshou and the other two also launched a fierce attack!

They were really angry!

It was actually so difficult for them four Earth Immortals to kill an early-stage Earth Immortal kid!

It was too detestable, too hateful, and too embarrassing!

However, just as the four of them were about to continue attacking!

"ROAR!" Yang Luo raised his head and let out a shocking roar.

Like a divine dragon that had escaped, he let out a mighty dragon roar!

Hong A low rumble also sounded from his dantian!

Waves of even more vast, terrifying, domineering, and boundless pressure and aura spread out from his body!

Li Juekong and the other three, together with their Dharma Idols, were actually unable to block it and were sent flying at the same time!

After flying for more than a hundred meters, the four of them finally stabilized themselves!

The four of them stared intently at Yang Luo and felt that something was wrong with him!

Yan Xing Huo frowned and said, "What's going on?"

Why did this kid's pressure and aura suddenly increase so much?

Did he break through?" "This kid actually broke through in battle.

How is this possible?!" Fu Tianze's eyes were wide open and his jaw was about to drop.

Li Juekong and Qiu Yongshou did not say anything.

They were not sure if Yang Luo had really broken through.

"Brother Yang broke through?!" "Really?!" Bujie and the others also looked up in a daze.

Just as everyone was in a daze!

"Hehe Hahaha" A crazy laugh came from Yang Luo's mouth.

He looked up at the four of them, blood still flowing from the corners of his eyes.

He said in a hoarse voice, "It's really all thanks to you four old dogs this time!

If you hadn't forced me to be so ruthless, it wouldn't have been easy for me to break through now!"  
That's right, his cultivation had officially stepped into the middle-stage Earth Immortal Realm!

“He really broke through!

Brother Yang really broke through!” “Great, that’s great!” Bujie and the others were extremely excited.

They knew very well that every time Yang Luo broke through, his strength would increase greatly!

Perhaps the current Yang Luo could really turn the tables!

After knowing that Yang Luo had really broken through, Li Juekong and the other three had ferocious expressions.

This kid’s talent was really shockingly high!

He had actually stepped into the middle-stage Earth Immortal Realm at such a young age!

However, it was precisely because of this that they wanted to kill Yang Luo even more!

If he did not kill this kid, he would definitely become a huge problem in the future!

“Hmph!” Li Juekong snorted and said ruthlessly, “Little bastard, so what if you broke through!

You are still not a match for the four of us!” As he spoke, he said in a loud voice to the rest, “This kid has just broken through and his cultivation is unstable!

Let’s attack together and quickly kill him!” “Alright!” Qiu Yongshou and the other two replied in unison.

Then, Li Juekong and the other three took a step forward and led their Dharma Idols to attack Yang Luo again!

However, just as the four of them charged over!

However, Yang Luo spread his arms and roared!

“Primordial Dragon Transformation Skill!” “Dragon Strength: Body Enhancement!” “Roar, roar, roar!”  
The remaining thousands of flood dragon illusions and more than 20 low-level divine dragon illusions  
flew into Yang Luo’s body one after another!

Rumble rumble rumble!

As the power of dragons enveloped his body, the world shook and the sea of clouds churned!

Although Yang Luo did not grow taller, his body bulged with iron-like muscles, causing his shirt to  
explode!

Those muscles and meridians were like small dragons that adhered to Yang Luo’s body, filled with visual  
impact!

Waves of pressure and aura that were even more ferocious, violent, unreasonable, and domineering  
than before spread out!

Li Juekong, the other three, and their Dharma Idols were blocked in front of them and could not  
approach for a moment!

And right at this moment All the dragon power was added to Yang Luo’s body!

The Dharma Idol was activated again!

A giant more than a hundred meters tall holding a huge sword stood up like a god descending!

His Dharma Idol was even higher now, and his pressure and aura was much stronger!

“You four old dogs, go to hell!” Yang Luo let out a roar and charged forward like a berserk dragon with his Dharma Idol!

At this moment Li Juekong and the other three actually felt a trace of fear!

One had to know that they had never felt this way before!

“Don’t let this kid get close.

Attack!” Li Juekong roared and attacked Yang Luo!

Qiu Yongshou and the other two also attacked at the same time!

However, facing the ferocious attacks of the three of them!

However, Yang Luo did not dodge or retreat.

He held his sword with both hands and slashed diagonally with all his might!

Swoosh!

The huge golden sword brought out a large amount of golden light, bringing out vast sword qi and sword might, shattering a large dark cloud in the sky!

His Dharma Idol also swung its sword with all its might!

Rumble!

The attacks launched by the four of them were directly destroyed by a single slash!

Chapter 1530: There's No Way Out!

"Ahhhh" The four of them cried out in pain at the same time and were sent flying, with a long wound on their bodies!

Their Dharma Idols were also sent flying by the sword!

However, Yang Luo did not give them any time to catch their breath.

He took a step forward and instantly caught up to Yan Xinghuo and Fu Tianze!

"Die!" He let out a demonic roar and slashed at the two of them!

"Don't even think about it!" The two of them roared and waved their weapons to counterattack!

Clang!

Clang!

The golden sword collided fiercely with their weapons, emitting a deafening bang!

In less than a few seconds Crack crack crack!

The weapons in their hands were cut into two!

"What?!" Their pupils constricted, and they were dumbfounded.

Their weapons were actually broken?

The two of them did not dare to hesitate and continued to attack fiercely to block Yang Luo's attack!

But Yang Luo held his sword with both hands and slashed down again and again as if he had gone crazy!

Boom, boom, boom A few minutes later!

Their attacks were completely destroyed!

They were so frightened that they went crazy.

They hurriedly condensed a True Qi barrier to block!

However, he still could not block it!

The True Qi barrier that they had condensed was also cut open like paper!

The next second!

Pfft Pfft Their heads were directly cut off by a sword, soaring into the sky before falling!

As their heads fell, their bodies also fell, completely devoid of life!

Double kill with one sword!

Two early-stage Earth Immortal Realm experts were killed just like that!

Li Juekong and Qiu Yongshou, who had already stabilized their bodies in the distance, were dumbfounded!

Yang Luo had killed Yan Xinghuo and Fu Tianze too quickly.

He was so fast that they didn't even have time to save him!

"B\*stard, you killed an Elder of the Sky Demon Cult!

You deserve to die!" "Little bastard, you killed an elder of my Diablo Sect.

You must pay with your blood!" Li Juekong and Qiu Yongshou roared angrily and charged towards Yang Luo crazily!

At this moment Three figures and three Dharma Idols engaged in a shocking battle in the sky!

Before his cultivation broke through, Yang Luo was still suppressed by the two of them!

However, after his cultivation broke through, Yang Luo gradually began to suppress the two of them!

They only fought for dozens of rounds!

"Urghh" "Ah!" Li Juekong and Qiu Yongshou screamed and were sent flying at the same time!

Their right arms had been severed, and their weapons had been shattered!

Blood splattered in the air.

It was incomparably terrifying!

Even their Dharma Idols collapsed and dissipated in the sky!

“Hurry and go!” Li Juekong also realized that he seemed to be no match for Yang Luo.

He turned around and prepared to escape!

Qiu Yongshou did not dare to stay here any longer.

He turned around and fled!

However, they had not flown far!

Yang Luo suddenly swung his sword!

Countless golden flying swords condensed into a sword wall that connected the earth and sky and blocked their path!

Yang Luo had no intention of letting these two old fellows go!

Once these two fellows were released, they would definitely bring people to hunt him down!

Since he had already offended the Sky Demon Cult and Diablo Sect, he might as well go all out and kill those two old farts!

The moment both of them saw that their path of retreat was blocked, The two of them prepared to set up a teleportation array to escape!

However, before the two of them could set up the array formation!

The sword wall spread out and formed a sword formation, completely surrounding the two of them!

Moreover, the power of heaven and earth that spread out had also sealed this space, making it impossible for the two of them to escape!

“Formation, activate!” Yang Luo waved his hand and roared!

Whoosh!

Whoosh!

Whoosh!

Whoosh!

Countless golden flying swords shot towards the two of them!

Golden dragon phantoms roared and collided with the two of them!

Li Juekong roared, “Little bastard, don’t even think about killing us!” As he spoke, he mobilized the True Qi in his body to the limit and attacked the sword formation!

Qiu Yongshou also circulated the True Qi in his body crazily and attacked the sword formation!

Boom!

Boom!

Boom!

The sword formation caused a series of explosions!

Light shot in all directions, and energy surged.

It was dazzling and terrifying!

But the two of them were still resisting!

Yang Luo immediately executed the Dragon Emperor Sword Technique and slashed out!

Rumble rumble rumble!

A huge golden sword the size of a mountain broke through the thick sea of clouds and pierced towards the two people in the sword formation!

“Block it!” Li Juekong roared and used many killing moves to block!

Qiu Yongshou also used many killing moves to block!

After all, the two of them were mid-stage Earth Immortal experts.

Even though they were severely injured, they could still exert considerable combat strength and actually forcefully blocked the huge sword!

“Trying to block?” Yang Luo smiled coldly when he saw their actions, “I want to see how many moves you can block!” As he spoke, Yang Luo used the layers of killing moves of the Flame Emperor’s World Burning Art again!

A huge golden fireball condensed in the sky and plummeted!

A sea of fire surged in the sky and washed down!

Nine golden pillars of fire tore through the sky and smashed down!

The golden fire lotus pressed down heavily!

By the time the fourth killing move was executed!

Li Juekong and Qiu Yongshou could no longer withstand it!

Their skin was constantly torn apart, and blood flowed from their mouths, noses, eyes, and ears!

“Little bastard, you can’t kill us!

If you do, the Sky Demon Cult won’t let you off!” “My Diablo Sect will definitely chase after you until you have nowhere to go!” The two of them screamed and threatened.

“How dare you threaten me!” Yang Luo’s gaze was cold, “You make it sound like you’ll let me off if I don’t kill you!

All of you can fucking die!” He erupted with layers of attacks again and attacked crazily!

At that moment Rumble!

Multiple killing moves and the entire sword formation exploded at the same time.

It was like a small nuclear explosion that shook the world!

An incomparably huge ball of light intertwined with various energies and emitted various lights instantly spread out in the sky!

The black sea of clouds that enveloped 10,000 meters in the sky was completely dispersed!

All the trees within 10,000 meters below turned to ashes!

A huge pit with a diameter of a thousand meters was blasted into the ground!

After more than ten minutes.

Only then did the light, energy, and dust completely dissipate.

Everything finally returned to normal.

Mo Qingkuang and the others looked up at the sky.

A golden figure was standing proudly in the sky, like an immortal or a god.

Meanwhile, Li Juekong and Qiu Yongshou had already been blasted into minced meat.

The remaining dozens of disciples on the two ancient boats were so frightened that they sat on the ground, trembling and sweating profusely.

The four elders had all been killed
