

## Super IDG 1581

### Chapter 1581: The Purpose of Becoming Stronger!

Ning Jianfeng waved his hand and said, "Brother Yang, you're too polite.

We're brothers, so we naturally have to help each other!" "That's right!" Qin Zhanhuang continued, "The Sky Demon Cult and the Diablo Sect want to touch you, so we naturally won't agree!" Mu Wushang also said, "Brother Yang, if you need our help in the future, just say it.

No matter where you are, we will rush to help!" The prodigies of the other families nodded heavily.

After this battle, everyone's friendship had deepened a lot.

Lin Jingchen smiled warmly and said, "Little Luo, didn't the Great Elder say that even if it wasn't because of you, this battle would still erupt in the end!

Therefore, you don't have to worry.

Although we're helping you, we're also helping ourselves!

After all, we have deep enmity with the Sky Demon Cult and the Diablo Sect, and this battle is unavoidable!" "That's right!" Mo Hongtu nodded and said, "Little Luo, you're my Qingkuang's brother and even cured Elder Li and the others!

You have done our Supreme Sect a huge favor.

Helping you is nothing!" Ning Shenghong laughed and said, "Little Luo, you're my Jianfeng's brother.

Why don't you be my godson?" Qin Daoxuan said, "Little Luo, the Soaring Serpent Family can't compare to our Phoenix Family.

It's better for you to be my godson!" "Cough, cough" Mu Xuanzhi coughed lightly and said, "Brother Ning, Brother Qin, you don't have to fight anymore.

Little Luo is perfect to be my godson!" For a moment, the heads of the various large families fought to make Yang Luo their godson.

Yang Luo was caught between laughter and tears.

Lin Jingchen said in amusement, "Alright, alright.

Your cultivation and strength can't even compare to Little Luo.

Can you be his godfather?" Hearing Lin Jingchen's words, Ning Shenghong and the others immediately felt awkward.

"Hahaha" The others burst into laughter.

Yang Luo smiled and said, "Everyone, I won't say anything else to thank you.

Everything is in the wine!" With that, Yang Luo finished the wine in his glass in one gulp.

Everyone present also raised their glasses and finished the wine in them.

After toasting, Yang Luo sat down.

Lin Jingchen also raised his wine glass and stood up, "Since Little Luo has toasted everyone, as the head of the Qilin family, I naturally have to toast everyone!

Thank you, brothers, for being able to ignore the past and fight the enemy with our Qilin family!

Thank you, the third daughter of the Vermillion Bird Family, for being willing to step forward and help us!

Of course, I still have to thank everyone who came from the Supreme Sect that rushed over from the Central Continent to help!" "Brother Lin is too polite!" "Big Brother Lin, from now on, our grudges will be written off.

From now on, we have to be united!" "As long as our families join forces, there's no enemy we can't deal with!" "Mr.

Lin, I'll always be friends with all of you.

If you need any help in the future, feel free to tell me!" Everyone raised their glasses and downed their wine.

The entire gathering was very lively.

Everyone toasted each other and chatted.

The atmosphere was very happy.

This drink lasted until late at night.

Everyone returned to their guest rooms to rest.

Yang Luo also brought Big White back to his room.

After taking a bath, just as Yang Luo and Big White were about to sit on the bed and cultivate Knock, knock, knock.

There was suddenly a knock on the door.

Yang Luo only sensed for a moment before realizing that Tantai Puti had arrived.

He rolled out of bed and opened the door.

He saw a beautiful figure standing at the door.

It was Tantai Puti.

The girl had already changed into a long dress.

Her hair was tied into a topknot, revealing her sideburns.

Her eyebrows were lightly swept, and her skin was as smooth as warm jade.

Her thin red lips were red without being touched, and she was as beautiful as a drop of water.

The two strands of hair beside her ear fluttered gently in the evening breeze.

Her big gem-like eyes stared straight at Yang Luo, revealing a hint of playfulness, mischief, and intelligence.

Yang Luo was stunned.

Big White, who was standing on Yang Luo's shoulder, was also stunned.

Tantai Puti blushed and pouted, "Why are you looking at me like that?" Yang Luo retracted his gaze and said, "Puti, to be honest, I still can't get used to you turning from a man to a woman." Tantai Puti smiled and said, "It's fine."

You'll get used to it after watching too much." Yang Luo asked in confusion, "Why are you looking for me so late at night?" Tantai Puti said, "Why don't we find a place to chat?" Yang Luo said, "Let's talk here." "It's so boring here." Tantai Puti shook his head and pointed at the roof, "Let's talk on the roof." "Alright." Yang Luo nodded in agreement.

Then, Yang Luo walked out of the room and soared into the sky with Tantai Puti, arriving on the roof.

Sitting on the roof and looking at the moon and stars in the distance, Yang Luo felt relaxed after the battle.

The two of them sat in silence.

Neither of them spoke.

However, Big White and the Hundred Cry Bird started to chatter away.

After a moment of silence Yang Luo asked, "Puti, why are you disguised as a man?" Tantai Puti said helplessly, "I have no choice.

The family is too strict with me.

My father always said that girls shouldn't run around.

He only told me to stay in the South Continent and didn't let me go anywhere.

I was really bored, so I sneaked out.

In order not to be found by the people sent by my father, I changed my gender as well.

However, now that I've returned to my original appearance, I reckon it won't be long before the people my father sent will find me" "I see." Yang Luo nodded in realization.

That was true.

Being born into such a large family, although they had a high status and abundant cultivation resources, they would also have many worries.

“Alright, let’s stop talking about me and talk about you.” Tantai Puti shook his head, “Brother Yang, with your current cultivation and strength, you’re considered very strong even in the entire Kunlun Ruins.

Why are you still working so hard to become stronger?” Yang Luo looked at the distant night sky and said in a low voice, “My goal in becoming stronger is naturally to defeat those enemies who want to kill me.

It’s also to protect the people around me and even more so for revenge” “Enemies?

Protection?

Revenge?” Tantai Puti looked at Yang Luo’s side profile and said, “Brother Yang, can you tell me the details?”

Chapter 1582: Something Happened to the Black Tortoise Family!

“Alright, I’ll tell you then” Yang Luo didn’t hide anything and told Tantai Puti what he had experienced in the secular world.

Even though Yang Luo said it very simply, Tantai Puti was still stunned.

At times, the girl’s eyes would widen, and at other times, her mouth would open wide.

Her expression would change indefinitely.

When Yang Luo finished speaking, Tantai Puti was unable to recover from his shock for a long time.

“This is why I want to become stronger with all my might!” Yang Luo’s eyes were firm as he said, “I have to face too many enemies.

There are too many people I have to protect!

Therefore, I can only keep whipping myself to make myself stronger!

No matter where it is, the strong will survive, and the weak would be eliminated!

Only the strong can control everything.

The weak can only be bullied and trampled on!” Tantai Puti took a deep breath.

Her eyes were slightly red as she said, “Brother Yang, I really didn’t know that you were carrying so much on your back.

Your experiences are too rich.

I never thought of it.” She really could not imagine how Yang Luo had walked step by step to where he was now under so many difficulties and challenges.

Especially when she heard Yang Luo talk about his battle with the Heaven Amplification Sect and the Purple Cloud Sect, she almost cried.

How could someone pull themselves together after such a dark, sad, and desperate experience?

She asked, “Brother Yang, you must miss Sister Dongfang very much, right?” “Alright!” Yang Luo nodded and gritted his teeth, “I want to save Senior Sister all the time, kill those old dogs, and take revenge!”

Tantai Bodhi said, "Brother Yang, before you kill your way to the Penglai Immortal Island, you must tell me.

I will definitely help you!" Yang Luo nodded and said, "Thank you." "You're welcome.

We're friends." Tantai Puti waved his hand and said, "At that time, other than me, the various divine beast families and Supreme Sect will definitely help you!" Yang Luo smiled gently and said, "That's why I'm very glad that I can make so many like-minded friends here!

It's precisely because of this that I'm filled with confidence!" "That's right.

Everyone will help you share your burden!" Tantai Puti smiled and said, "By the way, when do you plan to go to the old turtle family?" Yang Luo thought for a moment and said, "Tomorrow.

I also want to see what this Black Tortoise Family looks like." "Then I'll go with you!" Tantai Puti said and continued, "The old turtle family's foundation is still very deep.

There are many True Immortals and a few Heaven Immortals guarding it!

Moreover, the old turtle's family has a forbidden area called the Deep North Frost Domain!

If you can go in to train, it will definitely be very helpful to your cultivation and strength!" "Really?!" Yang Luo's eyes lit up, "Could this Deep North Frost Domain be the mystic realm of the Black Tortoise Family?" Tantai Bodhi shook her head, "It's not really a secret realm, but it's much more powerful than a secret realm!

In short, you'll know when you get there!" Yang Luo nodded and said, "Since there's such a powerful trial ground, I naturally have to go and try!" Tantai Puti said, "Brother Yang, our Vermillion Bird Family also has a forbidden area called the Desolate South Fire Territory.

It's not inferior to the Deep North Frost Domain at all!

After you pass the Deep North Frost Domain, go to our Vermillion Bird Clan's Desolate South Fire Territory to train!" "Alright!" Yang Luo agreed immediately.

But right at this moment "ROAR!" "Shriek!" Not far away, Big White suddenly let out a roar, and the Hundred Cry Bird let out a cry!

And right on the heels of that Big White and the Hundred Cry Bird's bodies began to enlarge continuously, as though they were about to fight!

"Halt!" Yang Luo and Tantai Puti shouted at the same time.

Only then did Big White and the Hundred Song Bird shrink their bodies.

Yang Luo asked curiously, "Big White, what are you doing?"

Weren't you guys chatting nicely just now?

Why are you fighting?" Tantai Puti's beautiful eyes widened, "Hundred Cry, what's going on?" Big White pointed at the Hundred Cry Bird and whined at Yang Luo.

Meanwhile, the Hundred Cry Bird flapped its wings and chirped at Tantai Puti.

Yang Luo frowned, "Big White, are you saying that you're not convinced by the Hundred Cry Bird, so you want to fight it?" "Hundred Cry, you're not convinced by Big White either, right?" Tantai Puti asked.

Big White and the Hundred Cry Bird nodded repeatedly.

Yang Luo said in amusement, "Big White, to be honest, I'm afraid you won't be able to defeat the Hundred Song Bird.

After all, they can fly.

If they hit you and fly into the sky, can you hit them?" Hearing Yang Luo's words Big White's head drooped.

The Hundred Cry Bird raised its head proudly.

Then, Big White tilted its head and began to think about how to fly.

Yang Luo said, "Big White, you should be able to fly after you step into the Earth Immortal realm." Big White's eyes lit up upon hearing this.

It turned its head and waved its fist at the Hundred Cry Bird, as if to say, "I'll fight you again when I know how to fly." The Hundred Cry Bird flapped its wings and appeared not afraid at all.

It was as if it was saying that if they wanted to fight, they would fight.

Who was afraid of who?

Yang Luo and Tantai Puti looked at each other and laughed out loud.

The next morning.

In the square of the main peak.

The nine ancient ships of the Nine Divine Beast Clans, each of which was a hundred meters long, stopped in the air above the plaza.

Ning Shenghong cupped his hands and said, "Brother Lin, Sect Master Mo, everyone, we'll leave first!

If you need help in the future, feel free to contact us!” “Everyone, we’ll meet again!” Qin Daoxuan, Mu Xuanzhi, and the others cupped their hands at Lin Jingchen, Mo Hongtu, and the others.

“See you again!” Lin Jingchen, Mo Hongtu, and the others also cupped their hands.

“Brother Yang, you must come to our Soaring Serpent Clan as a guest when you have time in the future!” “Brother Yang, don’t forget me.

You have to guide me!” Ning Jianfeng, Qin Zhanhuang, and the others spoke one after another, their faces filled with reluctance.

Yang Luo smiled and said, “Don’t worry, I’ll visit you when I have time.” After that, Ning Shenghong, Qin Daoxuan, and the others soared into the sky and flew onto the ancient ship.

Mo Hongtu asked, “Little Luo, you’re going to the Black Tortoise Clan next, right?” “That’s right.” Yang Luo nodded in response.

Mo Hongtu said, “In that case, I’ll accompany you with the elders.

I’ll contact Brother Yi of the Black Tortoise Family first.” As he spoke, he took out his communication jade talisman to contact the Patriarch of the Black Tortoise Family.

After a while A voice came from the communication jade talisman.

“Brother Lin, why did you think of contacting me?

What’s the matter?” However, the sound was a little hurried, and there were also sounds of fighting and explosions.

Something had obviously happened to the Black Tortoise Family!

Chapter 1583: The Precursor to Chaos?

Mo Hongtu hurriedly asked, "Brother Yi, why is it so noisy over there?"

Did something happen?" Everyone else present looked over.

The people from the Nine Clans had yet to leave as well.

They all looked over.

The communication jade talisman sounded again.

"At dawn this morning, Ten Thousand Demon Valley joined forces with the six great sects to attack the Black Tortoise Family!

"We're fighting them now.

Brother Mo, I'll contact you later if there's anything!" "Brother Yi, the elders and I happen to be in the North Continent.

I'll bring people to help you now!" "Brother Mo, you're in the North Continent?"

Hahaha, good, good, good.

Then hurry over!

"Let's join forces and kill these evil demons!" "Alright!" With that, Mo Hongtu cut off the connection and put away the communication jade talisman.

Ning Shenghong asked in confusion, "What's going on?"

Why would the Myriad Demon Valley suddenly attack the Xuanwu family?" Mo Hongtu said in a deep voice, "This Myriad Demon Valley has a deep grudge with the Black Tortoise Family.

Over the years, the Myriad Demon Valley has fought a few battles with the Black Tortoise Family.

However, the overall strength of the Myriad Demon Valley is ultimately inferior to the Black Tortoise Family, so they never gained any advantage." "Sect Master Mo is right." Lin Jingchen nodded and said, "However, the Myriad Demon Valley hasn't fought with the Black Tortoise Family for five years.

Why are they suddenly fighting now?" "Could it be that Ancestor Lin's words have really come true?

The Kunlun Ruins is going to be in chaos?!" "Perhaps this is the precursor to chaos!" "The Myriad Demon Valley is one of the top sects in the North Continent, and its overall strength is even slightly stronger than the Sky Demon Cult and the Diablo Sect!

"Right now, Myriad Demon Valley has joined forces with the six great sects to attack the Xuanwu family.

They're probably prepared to destroy the Black Tortoise family!" "Doesn't that mean that the Black Tortoise family is in danger?!" "Then what are we waiting for?

Let's hurry up and help!" The Patriarchs of the various large families shouted.

Lin Jingchen also said, "This Black Tortoise Family also has some ties with our Qilin Family!

"Now that something has happened to the Black Tortoise family, we naturally can't sit back and do nothing!" "Alright!" Mo Hongtu nodded and said, "Then let's go and help together!

At that time, the Black Tortoise Family will definitely appreciate everyone's kindness!" "Sigh, what favor?

It's our honor to be able to help the Black Tortoise Family!" "Didn't Ancestor Lin say that what we need now is unity!" Everyone spoke up one after another.

Mo Hongtu said, "Then there's no time to lose.

Let's set off directly!" "Alright!" Lin Jingchen nodded and quickly gathered more than 5,000 elite disciples.

Then, Lin Jingchen and Mo Hongtu took out eight hundred-meter-long ancient boats.

Everyone quickly boarded the ancient boat.

After that, a total of 18 ancient boats and more than 10,000 people flew out of the Qilin family majestically.

On the lead ancient boat.

Bujie was instantly extremely excited, "Holy f\*ck, there's another big battle to fight?

This is too awesome!" Xu Ying glanced at him and said, "Why are you so excited?

In such a huge battle, other than fighting some soldiers, who else can you fight?

Can you defeat an Earth Immortal?" Bujie's brows jumped, "Will you die if you don't undermine me?" Xu Ying said seriously, "I just want you to recognize your limits." "Hahaha" Mo Qingkuang, Lin Wenxuan, and the others laughed.

"Brother Yang, that's great.

We can fight side by side again!" "Brother Yang, let us see your majestic heroic bearing when the time comes!" Ning Jianfeng, Qin Zhanhuang, and the others were all very excited.

Tantai Puti also smiled and said, "Brother Yang, when the time comes, we'll combine our swords and kill those demons!" Yang Luo was caught between laughter and tears as he said, "Brothers, we're going to help this time.

Moreover, we're going to fight the seven major sects led by the Myriad Demon Valley.

I'm afraid there will be a fierce battle.

Is it really good for you to be so excited?" Tantai Puti waved his hand and said, "Brother Yang, don't worry.

Those old turtles are still very powerful!

Even if we don't help, they should be able to win, but they will be injured!

Now that so many of us are going to help, there will be no pressure in this battle at all!" "Alright." Yang Luo nodded and said, "In short, we have to be careful!" "Yes!" Tantai Puti, Ning Jianfeng, Qin Zhanhuang, and the others responded in unison.

At the same time North Continent.

In the extreme north, in the territory of the Black Tortoise Family.

This place was covered in ice and snow.

The temperature was extremely low, reaching -100 degrees Celsius.

168 snowy mountains rose and fell, reaching into the clouds.

Ancient halls and pavilions with an ice-blue tone stood on the snow mountain, flickering with dazzling light under the sunlight.

Usually, the Black Tortoise Family was quiet and harmonious.

But now, a huge battle had erupted here.

At around three in the morning.

The seven great sects led by the Myriad Demon Valley gathered thirty thousand people and launched a fierce attack on the Black Tortoise Family.

At this moment.

In the sky above the Black Tortoise Family's territory.

Thirty ancient boats stopped in the sky.

On the ancient boat, at the top of the mountain, at the foot of the mountain, and in the sky, there were figures fighting everywhere.

Other than the human figures, there were also many demonic beasts, demonic beasts, ferocious beasts, spirit beasts, and immortal beasts fighting.

Boom!

Boom!

Rumble!

Deafening collisions and explosions resounded non-stop!

All kinds of light and energy surged in the sky and washed in all directions!

Shouts, roars, and screams were endless!

The scale of this battle was considered huge even in the entire Kunlun Ruins!

The battle had already lasted for four hours!

The Black Tortoise Family and the seven great sects were both full of the injured!

At this moment.

In the distant sky.

The two middle-aged men stood in the air, facing each other.

One of them was wearing a blue robe with golden edges.

He had a cold body and a broad chest.

He held a halberd as if he had the courage of ten thousand men.

This middle-aged man was the current head of the Black Tortoise Family, Yi Hanshan.

The other person was wearing a purple robe with golden edges.

He was tall and straight and held a dark purple saber in his hand.

Demonic aura surged from his body.

This middle-aged man was the current Valley Master of the Myriad Demon Valley, Tuoba Ye.

Both of them were currently injured.

However, Tuoba Ye's injuries were even worse.

Yi Hanshan raised the halberd in his hand and said in a loud voice, "Tuoba Ye, your cultivation has just broken through to the late Earth Immortal Realm, and you dare to attack my Black Tortoise Family?

You're really bold!"

Chapter 1584: Heaven-Defying Defense!

"Hmph!" Tuoba Ye snorted and said, "Yi Hanshan, your cultivation is only at the late Earth Immortal Realm!

Even if I have just stepped into the late-stage Earth Immortal Realm, I can still fight you!

Besides, if we seven great sects join forces this time, we will definitely be able to destroy the Black Tortoise Family!" There was a pause.

Tuoba Ye continued, "Of course, even if the seven great sects are really no match for you, I still have a backup plan!" "Backup plan?" Yi Hanshan frowned and asked, "What backup plan?" "You don't have to ask anymore!" Tuoba Ye sneered and said, "In short, this time, we will definitely destroy your Black Tortoise Family!

Everything in your Black Tortoise Family will belong to us!" Yi Hanshan mocked, "My Black Tortoise Family has stood in the Kunlun Ruins for so many years.

Can you evil demons destroy it?

Then our Black Tortoise Family won't be able to survive in the Kunlun Ruins anymore!" "Yi Hanshan, you will pay the price for your arrogance!" Tuoba Ye shouted and took a step forward.

He waved the Demon King Saber in his hand and slashed heavily at Yi Hanshan!

"Ten Thousand Demon Slaughter God Blade!" Swoosh!

With a slash, saber intent wreaked havoc and demonic qi soared into the sky, causing the void to tremble!

A dark purple saber tore through the sky, stirring the wind and clouds as it slashed out ruthlessly!

The moment Tuoba Ye's saber slashed over!

Yi Hanshan was not afraid at all.

He swung the Xuanming Divine Halberd in his hand and faced the attack!

"Xuanming Sky Splitting Halberd!" Puff!

An ice-blue halberd erupted with a monstrous halberd intent that tore through the sky and the ground as it faced it!

Clang!

The saber and halberd collided with a crisp sound!

Flames shot out in all directions as energy surged and rippled in all directions!

Under this intense collision!

Tuoba Ye was sent flying along with his saber!

A few more wounds appeared on his body, and blood splattered in the air!

“Tuoba Ye, weren’t you clamoring to destroy my Black Tortoise Clan?

With your little strength, can you destroy it?

Hahaha” Yi Hanshan laughed heartily.

With the Xuaming Divine Halberd in hand, he continued to attack Tuoba Ye!

As Yi Hanshan charged over!

Tuoba Ye’s expression was ferocious as his entire body trembled and he let out a roar!

“Purple Flame Demonic Fire!” Whoosh!

Whoosh!

Nether purple flames containing terrifying demonic qi spewed out of his body, turning into a sea of flames that surged towards Yi Hanshan!

The temperature of this flame was extremely high.

It burned the space until it distorted and melted the ice and snow on the ground below!

Just as the sea of fire surged over!

Yi Hanshan trembled and let out a thunderous roar as well!

“Ten Thousand Miles of Ice!” A bone-piercing cold air swept out and filled the world, instantly enveloping the surging sea of fire!

Clack, clack, clack Accompanied by a series of frozen sounds!

The surging purple sea of fire was frozen inch by inch!

In just a few breaths This sea of fire had already been completely frozen.

Then, the flames were completely extinguished!

On the other hand, Tuoba Ye had to quickly retreat a distance to not be frozen!

Yi Hanshan said disdainfully, “Tuoba Ye, no matter how strong your flames are, they can’t restrain my Xuanming power!

“You should know that the Xuanming power is transformed from the power of our Black Tortoise bloodline.

It can freeze everything in the world!” “D\*mn it!” Tuoba Ye roared and waved the long saber in his hand again!

“Demonic Fire God Slash!” In an instant!

Countless dark purple flaming sabers tore through the sky and shot down towards Yi Hanshan!

“Xuanming Divine Power!” Yi Hanshan’s body trembled!

A thick ice-blue ice barrier enveloped him!

This barrier was engraved with mysterious patterns that looked like a huge turtle shell!

Dong, dong, dong!

The countless flaming sabers bombarded the ice barrier crazily, emitting muffled thunder!

Large amounts of flames and ice exploded, extremely dazzling!

However, no matter how powerful these flaming sabers were, they could not break through Yi Hanshan’s defense!

From this, one could see that the members of the Black Tortoise Family were not only strong in combat, but their defense was stronger!

Seeing that he could not break through Yi Hanshan’s defense Tuoba Ye suddenly waved the long saber in his hand!

The countless purple flame sabers gathered together and transformed into a huge purple flame saber that ruthlessly collided with the ice barrier!

DONG!

A bell-like sound instantly resounded, and it shook the eardrums of the people and beasts that were fighting fiercely in the distance to the point of buzzing!

However, no matter how powerful the saber was, it could only create a crack in the ice shield!

Furthermore, the crack was quickly repaired.

It looked like it was completely unscathed!

“I don’t believe I can’t break your turtle shell!” Tuoba Ye let out a furious roar and soared into the sky.

He held his long saber tightly with both hands and slashed at the ice shield with all his might!

“World-Destroying Slash!” Swoosh!

An incomparably huge purple flame saber tore through the sea of clouds and slashed down heavily, as if it was about to break through everything!

At that very moment Tang!

The saber landed heavily on the ice barrier and let out a shocking bang!

Crack!

Crack!

The indestructible ice shield finally cracked!

Yi Hanshan chuckled and said, “The power of this slash is not bad.

Unfortunately, you can’t break my defense in the end!

If you can't even break through my defense, how can you kill me?" Right after he finished his sentence Yi Hanshan stepped down from the sky!

The ice shield directly turned into an icy flood that rushed towards Tuoba Ye!

Tuoba Ye could only condense a True Qi barrier and raise his long saber to block!

But with a loud bang, Tuoba Ye was sent flying!

The True Qi barrier he had condensed shattered, and blood exploded on his body again!

"Tuoba Ye, you can't break through my defense, but I can easily break through your defense.

How are you going to fight me?" As Yi Hanshan spoke, he took a step in the air and walked towards Tuoba Ye.

After Tuoba Ye stabilized his body, he said angrily, "I don't believe I can't kill you!!!" With this roar!

His entire body shook!

Dong!

A dark purple demonic qi soared into the sky!

In the sky above him, a giant that was more than a hundred meters tall with purple flames burning all over its body and a huge saber in its hand stood up!

"Are you planning to fight me to the death?" Yi Hanshan sneered and said, "Very good.

Then I'll fight you with all my might!"

## Chapter 1585: Fighting Against Many Alone!

Right after he finished his sentence Yi Hanshan's body shook!

A giant that was more than a hundred meters tall stood above him with a cold aura and a huge halberd in his hand that flickered with an ice-blue light!

"Fight!" Tuoba Ye let out a roar and led his Dharma Idol to charge at Yi Hanshan!

Yi Hanshan did not dodge or retreat.

He led his Dharma Idol to fight!

At that very moment The distance between the two sides shortened!

Tuoba Ye waved his saber and slashed at Yi Hanshan!

His Dharma Idol also slashed out with a huge saber!

The two huge sabers overlapped and slashed out with torrential flames and terrifying demonic qi and saber intent!

Yi Hanshan and his Dharma Idol also swung their halberds at the same time to meet the attack!

Rumble!

This collision was even more terrifying, causing the world to tremble!

Tuoba Ye and his Dharma Idol were sent flying!

Meanwhile, Yi Hanshan and his Dharma Idol were forced to take a few steps back before they stabilized themselves!

Just as Yi Hanshan was about to continue attacking Tuoba Ye!

His heart skipped a beat as he felt danger coming from behind!

Three rainbows broke through the sound barrier and shot over from afar!

Yi Hanshan quickly condensed an ice shield to block it!

Boom!

Boom!

Boom!

The three energy rainbows ruthlessly struck the ice barrier, erupting with loud thunderclaps!

However, although the three energy rainbows were very powerful, they only cracked the ice shield!

Yi Hanshan's expression turned cold as he turned around.

Three figures flew over from afar.

They were Di Fengxiao, the Sect Master of the Holocaust Sect, Lu Haijiao, the Sect Master of Flood Dragon Gate and Ge Yunting, the Palace Master of the Ghost King Palace!

Di Fengxiao and Lu Haijiao were in the middle stage of the Earth Immortal Realm, while Ge Yunting was in the early stage of the Earth Immortal Realm!

“Brother Tuoba, don’t worry.

Let us help you!” Di Fengxiao said loudly.

“Alright!” Tuoba Ye nodded and said, “This guy is really strong.

If we want to kill him, we have to work together!” Ge Yunting said gloomily, “If the four of us join forces, we will definitely be able to kill this guy!” Yi Hanshan said proudly, “You want to kill me with just the four of you?

Dream on!” “Don’t waste your breath on this guy.

Kill him!” Di Fengxiao shouted.

His body trembled as he activated his Dharma Idol!

Lu Haijiao and Ge Yunting also trembled and activated their Dharma Idol!

A blood-colored giant, a green giant, and a black giant stood above the three of them, erupting with a powerful aura!

“Kill!” Tuoba Ye waved his hand and gave the order!

His Dharma Idol rushed up and attacked Yi Hanshan’s Dharma Idol!

Di Fengxiao, Lu Haijiao, and Ge Yunting's Dharma Idols also charged forward!

For a moment, Yi Hanshan's Dharma Idol fought fiercely with the four Dharma Idols!

Even in the face of the encirclement of the four Dharma Idols, Yi Hanshan's Dharma Idol was tenacious and unyielding.

It fought with all its might!

"Ten Thousand Demon Chaos Heaven!" Tuoba Ye waved his hand and used his killing move!

Countless demon beasts, demon soldiers, and demon generals condensed into illusions and pounced at Yi Hanshan!

"Blood Spirit Puppet!" "Divine Flood Dragon Breaks the Sea!" "Hundred Ghosts Chaotic World!" Di Fengxiao, Lu Haijiao, and Ge Yunting waved their hands and executed their killing moves!

Countless blood-colored ghosts, illusions of flood dragons, and illusions of malicious ghosts condensed into a demon army that charged at Yi Hanshan!

Seeing the army of demons and ghosts charging over!

Yi Hanshan was not afraid at all.

He waved his hand!

"True God Black Tortoise Transformation!" An ancient and vast illusion of an incomparably huge Xuanwu condensed!

“Destroy!” Yi Hanshan waved the halberd in his hand and gave the order!

“Roar!” The Black Tortoise Illusion let out a roar that shook the world, causing many people in the distance to tremble!

It opened its mouth and spat out a stream of ice!

This icy flood surged up and froze a large number of demons and ghosts!

Then, the ice shattered, and the demons and ghosts immediately turned into light and energy waves that filled the sky!

Then, the black tortoise illusion opened its mouth again and spat out countless ice blades that shot out!

Puff!

Puff!

Puff!

The remaining demons and ghosts were all defeated!

“Attack together!” Tuoba Ye’s expression was sinister.

With the Demon King Saber in hand, he charged towards Tuoba Ye!

Di Fengxiao held the Blood Fiend Sword in his hand, and Lu Haijiao held the Azure Wurm Divine Spear and Ge Yunting’s Ghost King Whip in his hand.

They charged at Yi Hanshan together!

“Hahaha, just in time!” Yi Hanshan laughed out loud.

He held the Xuaming Divine Halberd and charged forward!

In an instant A huge battle broke out in the sky!

Yi Hanshan relied on his own strength to withstand the fierce attacks of Tuoba Ye and the other three!

However, Yi Hanshan was fighting one against four.

It was still difficult for him to kill the four of them!

At this moment.

Two battlefields were separated in the distant sky.

The battle on one of the battlefields was also very intense.

The seven Earth Immortal Realm elders of the Black Tortoise Family were fighting against the fourteen Earth Immortal Realm elders of the seven great sects!

Moreover, these elders had already activated their Dharma Idols!

Their Dharma Idols were also fighting in the sky!

There were even Dharma artifacts colliding in the sky.

The scene was very spectacular!

Clang!

Clang!

Clang!

Dong, dong, dong!

Boom!

Boom!

Boom!

All kinds of weapons collided, collided, and exploded non-stop!

Large amounts of light and energy shot out in all directions!

The seven Earth Immortal elders of the Black Tortoise Family were indeed powerful.

They forcefully withstood the crazy attacks of the fourteen Earth Immortal elders of the seven great sects!

However, it was very difficult for the seven Earth Immortal elders of the Black Tortoise Family to kill the other party's elders!

Moreover, it was impossible for the other party's elder to kill the seven elders of the Black Tortoise Family in a short period of time!

The battle between the two sides fell into a stalemate!

“Don’t give these old fellows a chance to catch their breath.

Let’s destroy them in one go!” An elder of the Myriad Demon Valley roared.

“Alright!” “Kill these old men!” “I want to see how long they can hold on!” The other elders also shouted coldly.

Then, the 14 elders surrounded the seven elders of the Black Tortoise Family and attacked at the same time!

“Heavenly Demon Immortal Slaying Seal!” “Ten Thousand Demons God Slaying Sword!” “Blood Fiend Sky Slashing Saber!” “Seven Extreme Soul Refining Spear!” “Sky Dragon Swallows the Sky!” Fourteen attacks attacked the seven Earth Immortal elders of the Black Tortoise Family from all directions!

Chapter 1586: Who’s Here?

A huge seal that was like a mountain condensed and suppressed upwards!

The saber and sword tore through the air, stirring up the wind and clouds as they slashed out angrily!

The spear tore through the air, cold winds blew, and evil ghosts howled!

The illusion of the flood dragon turned the world upside down and pounced forward!

This attack was extremely ferocious, as if it wanted to destroy everything!

It was also at the moment when these layers of attacks arrived!

The seven Earth Immortal elders of the Black Tortoise Family trembled and condensed seven layers of ice barriers to block!

Boom!

Boom!

Rumble!

Terrifying collisions and explosions resounded through the world, shaking the surroundings!

The sky trembled and the ground shook, as if the world was about to be flipped upside down!

The flickering light and surging energy contained endless lethality, destructive power, and destructive power!

At this moment, the sky above where the seven Earth Immortal elders of the Black Tortoise Family were seemed to have turned into a death zone.

If they were not careful, they would be reduced to ashes!

Under the fierce attacks of the fourteen Great Earth Immortal elders!

The seven layers of ice barrier were destroyed layer by layer!

Five of the ice shields were destroyed, but the remaining two layers were actually still intact!

“The Black Tortoise Family is indeed famous for their defense.

This defense is simply shocking!” An elder of Holocaust Sect exclaimed.

“That’s right.

Even with so many of us joining forces, we can’t destroy their defense at once!” An Elder of the Ghost King Palace also echoed in shock.

“Hmph!” An elder of the Myriad Demon Valley snorted coldly, “No matter how strong their defense is, as long as our attacks are ferocious enough, we’ll definitely be able to break through them!

“Don’t hold back.

Continue attacking!” “Alright!” The other elders replied in unison.

Then, the 14 elders continued to mobilize the True Qi in their bodies and attacked!

“Counterattack!” An Earth Immortal elder of the Black Tortoise Family shouted.

“Yes!” The other six Earth Immortal elders replied in shock.

Then, the seven Earth Immortal elders of the Black Tortoise Family stopped defending and counterattacked!

“Xuanming Mountain Splitting Palm!” “Profound Ice Heaven-Breaking Fist!” “Xuanming Heaven-Defying Finger!” “Black Tortoise Seven Absolutes Seal!” Seven attacks attacked at the same time, shaking the heavens and earth, and messing up the eight directions!

Fists and palms flew, fingers tore through the void, and great seals crushed down!

In an instant!

Rumble!

Layers of attacks collided in the sky, erupting with shocking sounds!

In less than a few minutes.

Rumble!

A series of shocking explosions exploded in the sky, like a meteorite exploding, destroying the world!

Huge balls of light spread out in all directions!

Under this terrifying confrontation!

The elders from both sides were sent flying!

Not far away, the humans and beasts who were fighting fiercely let out cries of pain and were sent flying!

An elder of the Black Tortoise Family shouted, "Everyone, don't approach.

Retreat!" The people of the Black Tortoise Family and the beasts raised in captivity did not dare to approach anymore and retreated!

An elder of the Myriad Demon Valley also roared angrily, "Don't f\*cking approach.

Get lost!" The disciples and beasts from the seven great sects also quickly retreated!

Then, the elders of both sides moved and charged at each other again!

It was also when the Earth Immortal elders were fighting!

In the distant sky!

The battle had become even more intense!

The two parties fighting were the five True Immortal elders of the Black Tortoise Family and the ten True Immortal elders of the seven great sects!

Therefore, after a few hours of the battle!

The True Immortal elders of both sides also attacked!

However, this time, the seven great sects worked together!

The number of True Immortal elders they sent was twice that of the Black Tortoise Family!

However, the five True Immortal elders of the Black Tortoise Family were extremely powerful and had not been defeated until now!

Although the True Immortal elders of both sides were injured, their combat strength was still not reduced.

They were incomparably powerful!

Dharma Idols collided in the sky, shaking the nine heavens!

Dharma artifacts clashed in the sky one after another, stirring up the mountains and rivers!

Figures moved at high speed in the sky and fought continuously.

It was incomparably terrifying!

Dong, dong, dong Boom, boom, boom A series of collisions and explosions spread throughout the entire Black Tortoise Family!

The sky cracked and the ground collapsed.

The snow mountains outside the Black Tortoise family's territory also collapsed!

Light flickered, energy surged, ice and snow danced, and rocks soared into the sky.

It was a spectacular and terrifying scene!

The battlefield where the True Immortal Realm elders were located was extremely empty.

No one dared to approach this place!

After all, once cultivators below the True Immortal realm approached, they were destined to die!

"Don't hold back.

Use your strongest strength and kill these old fellows!" A True Immortal elder of the Myriad Demon Valley roared angrily.

He held a long sword and slashed out angrily!

"Heavenly Demon Immortal Vanquishing Sword!" Swoosh!

With a swing of his sword, a six-colored huge sword tore through the void and emitted a dazzling immortal light.

It contained vast sword intent and the power of the Heaven and Earth Great Dao as it slashed at the five True Immortal realm elders of the Black Tortoise Family!

“Ten Thousand Demon Immortal Slaying Technique!” “Blood Fiend Six Paths Palm!” “Scarlet Refined Wind Claw!” The other True Immortal Realm elders from the seven great system-allocated sects also launched their strongest attacks against the five True Immortal Realm elders from the Black Tortoise Family!

“Everyone, let’s fight it out with these old things!” The Fourth Elder of the Black Tortoise Family, Yi Jiuyun, shouted.

“I’ll go all out!” “Kill these demons and ghosts!” The other four True Immortal elders also roared angrily.

Then, Yi Jiuyun and the other five True Immortal Realm elders also unleashed their auras and combat strength to attack the other party’s ten True Immortal Realm elders!

“Xuanming Demon Subduing Palm!” “Darknorth Palm!” “Heaven and Earth Righteous Technique!” Layers of attacks attacked, chaotic the world, chaotic the surroundings, and shattered the void!

Dong dong dong Crackle crackle crackle An even more terrifying collision and explosion sounded non-stop!

Under this terrifying confrontation!

The True Immortal elders of both sides were sent flying again!

However, soon, both sides stabilized themselves and continued to charge!

]At this moment The Black Tortoise Family had fought against the seven sects alone, and up until now, they had not been defeated.

This caused the people from the seven sects to be incredibly shocked!

However, it was also very difficult for the Black Tortoise Family to defeat the seven great sects!

The battle was getting more and more intense!

However, at this moment Whoosh!

Whoosh!

Whoosh!

Whoosh!

Accompanied by sharp sounds of air being torn apart!

Countless golden flying swords shot over from afar, covering the sky like a sea of golden swords!

Everyone who was in the midst of an intense battle was instantly shocked!

“Who’s here?!” Someone asked in surprise.

“I can’t see who it is!” Someone responded.

Chapter 1587: Help Has Arrived!

Just as everyone was in a daze!

“Roar, roar, roar!” A series of loud dragon roars sounded from afar, resounding through the world and resounding in all directions!

Huge golden dragon illusions roared from afar, shocking everyone!

“The flying sword pierces through the sky and the golden dragon roars into the sky.

What a powerful cultivation technique and immortal technique.

Who is it?!” “Could it be that the seven great sects have more reinforcements?!” “No way, they still have reinforcements?!” The members of the Black Tortoise Family asked in surprise, their expressions darkening.

The people from the seven great sects also had puzzled looks on their faces.

Could it really be that their reinforcements had arrived?

Thinking of this, many people were excited and happy!

They were worried that they would not be able to destroy the Black Tortoise Family!

If reinforcements arrived now, it would only be a matter of time before the Black Tortoise Family was destroyed!

But at this moment!

The flying swords that filled the sky shot towards the people from the seven great sects!

The huge golden dragon illusions also collided!

“Quickly dodge!” “Defend!” The elders from the seven sects shouted in shock.

However, the reminder was still a step too late!

Puff!

Puff!

Puff!

Boom!

Boom!

Boom!

On the spot, thousands of disciples, as well as thousands of monsters, beasts, and ferocious beasts brought by the seven sects were killed by the flying swords, and they were smashed into pieces by the golden dragon illusion!

The other disciples and beasts from the seven great sects retreated and gathered up their defenses.

That was why they were not killed!

This time, the members of the Black Tortoise Family were pleasantly surprised!

“Could it be that our reinforcements have arrived?!” “Strange, we don’t seem to have asked for help?!”  
“Then who’s here?!” The members of the Black Tortoise Family discussed and were very puzzled.

The people from the seven sects had ferocious expressions on their faces.

“Damn it!

So it’s not our people!” “Someone is here to help the Black Tortoise Family!” The people from the seven great sects gritted their teeth in anger.

However, Yi Hanshan was stunned for a moment before he reacted!

Could it be that Brother Mo was here?

Just as these flying swords and golden dragon illusions dissipated!

A vigorous voice sounded!

“Brother Yi, don’t worry.

The Supreme Sect has come to help!” “The Qilin Family has come to help!” “The Soaring Serpent Clan is here to help!” “The Phoenix Clan is here to help!” “The Baize family has come to help!” Hearing these deafening voices!

Everyone present looked up!

18 ancient boats that were 100 meters long flew over majestically from afar!

Great flags were fluttering on the ancient boats!

Ancient totems were embroidered on the flag!

It was the totems of the Supreme Sect, the Qilin family, the Phoenix family, the Soaring Serpent family, and so on!

The ancient boat was filled with more than 10,000 people!

“Hahaha” Yi Hanshan threw his head back and laughed, “Brother Mo, you’re finally here!” “Hanshan, what’s going on?”

Why are the people from the Supreme Sect here?” An elder of the Black Tortoise Family asked.

Yi Hanshan replied, “Not long ago, Brother Mo contacted me and said that he was in the North Continent!”

When he found out that the Black Tortoise Family was surrounded and attacked by the seven great sects, Brother Mo said that he wanted to help!

“However, I’m not sure why the Qilin Family, the Phoenix Family, and the other large divine beast families have also come!” The elders of the Black Tortoise Family nodded in realization.

Soon, the 18 ancient boats arrived above the Black Tortoise Family’s territory.

“Brother Yi, long time no see.

How have you been?” Mo Hongtu asked with a smile.

Yi Hanshan patted his chest and said with a bright smile, “Thank you for your concern, Brother Mo.

I’m doing very well!” “Greetings, Mister Yi!” Lin Jingchen, Ning Shenghong, Qin Daoxuan, and the other families cupped their hands at Yi Hanshan.

Yi Hanshan asked Lin Jingchen, "Brother Mo, what's going on?" Mo Hongtu smiled and said, "Because of some matters, everyone had come to the Qilin Family as guests!"

"Once we found out that the Black Tortoise Family was surrounded and attacked by the seven great sects, everyone said that they wanted to come and help!" "I see." Yi Hanshan nodded, then cupped his hands and said, "Thank you for coming to help."

I'm very grateful!

After the battle is over, let's have a good gathering!" "Alright!" Mo Hongtu and the others nodded in agreement.

"Hello, Uncle Yi!" Tantai Puti also greeted him with a smile.

Yi Hanshan was stunned to see her, "Puti, why are you here?" "It's a long story."

It's a long story!" Tantai Puti waved her hand and said, "Why?"

Is Uncle Yi not welcoming me?" Yi Hanshan laughed, "Welcome, of course you're welcome!" "Little Friend Yang, you're here too!" At this moment, Yi Haokun saw Yang Luo from afar and exclaimed in surprise.

"Hello, Commander-in-Chief Yi!" Yang Luo cupped his hands.

Yi Hanshan looked puzzled.

"Haokun, who is this kid?" Yi Haokun replied, "Patriarch, Little Friend Yang is the young prodigy who defeated the White Tiger Clan's elder, Baili Kongcheng, in our Black Tortoise City a few days ago!" "Oh?" Yi Haokun's eyes immediately lit up, "Kid, your strength is not bad."

You actually could defeat that old fellow Baili Kongcheng at such a young age!” Yang Luo cupped his hands and said, “My strength can’t compare to yours!” Yi Hanshan smiled and said, “When Fourth Brother came back previously, he kept telling us about you!

Fourth Brother also said that if you come to the Kunlun Ruins, he wanted us to take care of you!” “Are you talking about Mr.

Yi Jiuzhou?” Yang Luo asked.

“That’s right.” Yi Hanshan responded.

Yang Luo nodded in realization.

It turned out that Mr.

Yi had already informed the Black Tortoise Family earlier.

“Mo Hongtu, Lin Jingchen, Ning Shenghong, Qin Daoxuan Do you want to go against our Myriad Demon Valley?” At this moment, Tuoba Ye asked angrily.

Mo Hongtu said in a trembling voice, “The Black Tortoise family has been on good terms with our Supreme Sect for generations!

Since your Myriad Demon Valley wants to attack the Black Tortoise Family, we naturally won’t stand by and do nothing!” Lin Jingchen also said, “My Qilin family has a good relationship with the Xuanwu family.

We won’t sit back and do nothing!” “Our Soaring Serpent Family and the Black Tortoise Family are both divine beast families, so we naturally have to help each other!” “You evil demons have done all kinds of evil things.

Everyone has the right to kill you!” Ning Shenghong, Qin Daoxuan, and the others also roared.

“Alright, since you want to help the Black Tortoise Family, I’ll kill every single one of you.

My Myriad Demon Valley won’t let anyone off!” Tuoba Ye’s expression was ferocious.

Then, he looked at Yi Hanshan and said ruthlessly, “Yi Hanshan, do you think only the Black Tortoise Family has reinforcements?

My Myriad Demon Valley also has reinforcements!”

Chapter 1588: Shocking Battle!

Tuoba Ye continued to sneer, “Not long ago, I sent a signal to the Sky Demon Cult and Diablo Sect!

“The Sky Demon Cult and Diablo Sect are probably on their way here now, and it won’t be long before they arrive!” Hearing this The expressions of Yi Hanshan and the other members of the Xuanwu Clan immediately changed.

Like the Diablo Sect and Myriad Demon Valley, the Sky Demon Cult was one of the top demonic sects in the North Continent.

If the Sky Demon Cult and the Diablo Sect were here as well, it would be a tough fight.

However, just as Tuoba Ye finished speaking!

“Pfft” Tantai Puti immediately laughed out loud.

Tuoba Ye said angrily, “Little girl, what are you laughing at?” Tantai Puti asked in return, “Tuoba Weirdo, could it be that you still don’t know?” “Know what?” Tuoba Ye frowned.

Tantai Puti raised his head and said, "The Sky Demon Cult and the Diablo Sect were utterly defeated by us yesterday!

They can't even protect themselves now.

Do you still expect them to help?" "That's right!" Bujie also jumped out and said, "We've killed more than thirteen thousand people from the Sky Demon Cult and Diablo Sect!

We even killed eight elders!

It's too late for them to hide now.

How can they dare to help you?!" "What nonsense!" Tuoba Ye did not believe it at all and exclaimed, "How could the Sky Demon Cult and Diablo Sect be defeated by you guys, and you all even killed thirteen thousand people and eight elders?

That's even more impossible!

I'll contact Brother Tu and Brother Ye now.

I'll definitely be able to shatter your lies!" As he spoke, Tuoba Ye took out his communication jade talisman and contacted Tu Wanxian and Ye Canghai.

However, no matter how hard she tried, he could not reach them.

Immediately, he was shocked and his expression darkened.

Could it be that these guys were telling the truth?

At this moment.

The other people from the seven great sects also looked at Tuoba Ye.

Tuoba Ye put away the communication jade talisman and raised his hand, "Everyone, don't worry.

These guys must be lying.

Their goal is to make us retreat!

We can't fall for their tricks!

As long as we can hold on a little longer, the Sky Demon Cult and Diablo Sect will definitely be able to bring reinforcements to our aid!" "Alright!" The other people from the seven great sects also nodded.

They also did not believe that the Sky Demon Cult and Diablo Sect had been defeated by those fellows.

Tuoba Ye waved the halberd in his hand and shouted, "Kill these guys!" "Yes!" Everyone responded in unison.

Then, under Tuoba Ye's lead, tens of thousands of people charged towards Yang Luo and the others!

Thousands of demon beasts, magical beasts, and ferocious beasts rushed over!

"Everyone, follow me and fight!" Mo Hongtu shouted as he soared into the sky and charged forward!

The family head and elders on the ancient boat also soared into the sky and charged forward!

"Brothers, kill these demons and ghosts!" "Kill these guys!" "Let them know how powerful we are!" Bujie, Mo Qingkuang, Xu Ying, Lin Wenxuan, Ning Jianfeng, Qin Zhanhuang, and the others jumped off

the ancient boat and landed on a huge mountain, charging towards the people from the seven major sects!

“ROAR!” Big White also couldn’t hold back anymore and jumped off Yang Luo’s shoulder!

In midair, its body expanded by more than 20 meters and jumped out like a small mountain!

It directly swung its two fan-sized palms and slapped out!

Peng, peng, peng!

The birds that charged over were blasted into the sky on the spot!

The next second!

Clang Big White landed steadily on a huge mountain and trampled a few ferocious beasts to death before charging towards the herd of beasts!

“Shriek!” The Hundred Cry Bird also soared into the sky from Tantai Puti’s shoulder, its body expanding by more than thirty meters!

It flapped its wings, and streams of vermillion flames swept towards the birds!

The birds that charged over were engulfed by the flames on the spot and burned to a crisp, falling from the sky!

After burning a group of birds to death, the Hundred Cry Bird flapped its wings and soared into the sky, continuing to charge forward!

Tantai Puti shouted, “Brother Yang, let’s attack together!” “Alright!” Yang Luo responded.

Then, the two of them soared into the sky and shouted!

“Dragon Emperor Sword!” “Vermillion Bird Sword!” Whoosh!

Whoosh!

Whoosh!

Accompanied by two sword cries!

The Dragon Emperor Sword and the Vermilion Bird Sword flew out and shot towards the people from the seven major sects and the beasts!

Puff!

Puff!

Puff!

In just an instant!

Many people, birds, and beasts were killed!

Then, the two of them flew out, grabbed the Dragon Emperor Sword and the Vermillion Bird Sword, and charged towards the Earth Immortal realm elders of the seven major sects!

Along the way, many birds pounced over from all directions, wanting to tear the two of them apart!

Yang Luo and Tantai Puti kept swinging their swords in all directions!

Puff!

Puff!

Puff!

Before the birds could approach, they were killed by the two of them!

“Sea of Purgatory Fire!” “Vermillion Bird Divine Flame!” As the two of them swung their swords, their bodies trembled!

Whoosh!

Whoosh!

Fierce and violent flames spewed out of their bodies and surged in all directions!

“Awoo” Those birds were instantly drowned by the sea of flames, and they let out shrill cries as they fell At this moment.

The members of the Black Tortoise Family were stunned.

“Oh my god, are all these young juniors so powerful?”

It’s too shocking!” “It seems that those flying swords and golden dragons were made by that young man called Yang Luo!” “Now that the rescue has arrived, it’s time for us to counterattack!” “Let’s attack together and kill these guys!” The members of the Black Tortoise Family roared and charged forward!

An earth-shattering battle immediately began!

At this moment.

In the distant sky.

Mo Hongtu, Lin Jingchen, Ning Shenghong, and Qin Daoxuan attacked Tuoba Ye, Di Fengxiao, Lu Haijiao, and Ge Yunting together with Yi Hanshan!

“Cosmic Form!” Mo Hongtu and the other three roared at the same time.

Four Dharma Idols stood in the sky above them and charged towards the Dharma Idols of Tuoba Ye and the other three!

Coupled with Yi Hanshan’s Dharma Idol!

A total of five Dharma Idols directly crushed the Dharma Idols of Tuoba Ye and the other three, forcing the four Dharma Idols to retreat repeatedly!

“Mo Hongtu, Lin Jingchen, Ning Shenghong, Qin Daoxuan, you have a death wish!” Tuoba Ye roared angrily.

With the Demon King Saber in hand, he charged forward!

Di Fengxiao, Lu Haijiao, and Ge Yunting also charged forward!

“Hahaha” Yi Hanshan laughed out loud.

“Brother Mo, Brother Lin, Brother Ning, Brother Qin, it’s really satisfying to be able to kill enemies with you!” “Hahaha” “Awesome!” Mo Hongtu and the other three also laughed heartily.

The five of them were not afraid at all and charged forward!

Chapter 1589: Anxious to Tempt Fate?

In an instant!

Yi Hanshan's group of five closed the distance between them and Tuoba Ye's group!

Both sides did not hold back and attacked at the same time!

"Xuanming Sky Splitting Halberd!" "Supreme Divine Sword Technique!" Yi Hanshan and Mo Hongtu were the first to attack.

They brandished their long halberds and swords!

The huge halberd pressed down on the sky and the huge sword tore through the air as it slashed out angrily!

Lin Jingchen, Ning Shenghong, and Qin Daoxuan also quickly attacked!

"Golden Qilin Heaven Flipping Palm!" "Soaring Serpent Tyrannical Saber Art!" "Nine Revolutions Phoenix Cry Sword!" A huge golden palm crushed forward!

A huge black-gray saber slashed out!

A huge scarlet sword slashed forward!

Palms, sabers, and swords appeared at the same time.

There were even illusions of the Golden Qilin, the Flying Snake, and the Fire Phoenix that rushed forward!

The combined attacks of the five of them were extremely powerful, as if they wanted to destroy everything!

“Counterattack!” Tuoba Ye roared as he held his long saber tightly with both hands and slashed out with all his might!

“Ten Thousand Demon Slaughter God Blade!” A huge dark purple saber with purple flames slashed forward!

“Blood Spirit Staff Technique!” “Flood Dragon Sword Technique!” “Ghost King Saber Technique!” Di Fengxiao, Lu Haijiao, and Ge Yunting also waved the long staffs, swords, and long sabers in their hands and attacked fiercely!

In the blink of an eye!

Rumble!

Rumble!

The sky shook, and the sound of collision and explosions resounded!

All kinds of light and energy interweaved and washed in all directions!

One had to know that not long ago, Yi Hanshan could fight against Tuoba Ye and the other three alone!

And now, with the help of Mo Hongtu, Lin Jingchen, Ning Shenghong, and Qin Daoxuan, Tuoba Ye and the other three were even more unable to resist!

The attacks launched by Tuoba Ye and the other three were destroyed in an instant, turning into light and energy that filled the sky and splattered everywhere!

“Ahhhh” Tuoba Ye and the other three let out blood-curdling screams as they were sent flying.

Blood spurted out from their bodies, and it was a tragic sight!

“Continue, kill!” Yi Hanshan shouted and chased after him with his halberd!

Mo Hongtu, Lin Jingchen, Ning Shenghong, and Qin Daoxuan also chased after him!

When he was chasing after the other party!

Yi Hanshan and the others continued to attack!

“Ten Thousand Mile Ice River!” Yi Hanshan’s body shook!

Whoosh!

Whoosh!

Waves of cold air gushed out from his body, turning into a huge ice river that surged towards Tuoba Ye and the other three!

“Supreme Seven Kills Sword!” Mo Hongtu suddenly waved the longsword in his hand!

Whoosh!

Whoosh!

Whoosh!

Whoosh!

Seven huge swords that flickered with various colors shot out!

“Golden Qilin Immortal Suppressing Seal!” Lin Jingchen waved his hand!

A huge seal engraved with the Golden Qilin totem condensed into form.

It was like a towering mountain as it crushed over!

“Soaring Serpent Nine Slash!” Ning Shenghong slashed out nine times at the same time!

Swoosh!

Swoosh!

Swoosh!

The nine black-gray sabers slashed out angrily, as if they wanted to split the world and cut through everything!

“Phoenix Nirvana!” Qin Daoxuan’s entire body trembled!

Waves of scarlet flames spewed out, turning into a sea of fire that surged up!

In this sea of fire, there were even phoenix illusions that flapped their wings and flew up, pouncing over!

“Counterattack!” “Block it!” Tuoba Ye and the other three gritted their teeth and hurriedly launched a fierce attack to block the attacks of Yi Hanshan’s group of five!

However, no matter how powerful their attacks were, they could not withstand the attacks of Yi Hanshan and the others!

Rumble!

Accompanied by a series of shocking explosions!

The attacks unleashed by Tuoba Ye and the other three were destroyed one after another, exploding into large amounts of light and energy!

The four of them also exploded with blood and flesh splattering!

Seeing that they could not withstand it “Retreat!” Tuoba Ye roared and quickly retreated!

Di Fengxiao also retreated!

However, Lu Haijiao and Ge Yunting were a step slower and could not retreat!

The attacks of Yi Hanshan and the others drowned him!

“Urghh” “Ah!” Accompanied by two miserable screams, Lu Haijiao and Ge Yunting’s bodies exploded into pieces, turning into flesh and blood that splattered everywhere!

At this point!

The sect master of the Flood Dragon Gate, Lu Haijiao, and the Ghost King Palace's Master, Ge Yunting, had perished just like that!

"Continue, kill!" Yi Hanshan's expression was cold.

He held his halberd and continued to attack!

Mo Hongtu and the other three also chased after them, not giving Tuoba Ye and Di Fengxiao any time to catch their breath!

"Help!

Someone help!!" As Tuoba Ye retreated, he shouted for help into the distance.

"Hurry up and help!" "Let's go!" The two Earth Immortal Realm elders from the seven great sects retreated from the battlefield in the distance and charged over!

Yi Hanshan was incomparably arrogant.

He said in a stern voice, "Can you two old fellows even help?

I'll kill as many of you as you come!" As he spoke, Yi Hanshan, Mo Hongtu, and the other three charged forward!

The battle continued At this moment.

In the distant sky.

Yang Luo and Tantai Puti pushed forward and killed thousands of birds, scaring the other birds so much that they did not dare to approach anymore!

They did not want to waste time with these evil creatures!

Their target was the elders from the seven great sects!

Just as the two of them continued to charge forward!

“You two little fellows, give up your lives!” A furious roar sounded.

A middle-aged man flew over from afar.

Two middle-aged men followed behind.

These three people were the Poison King Hall’s Hall Master, Zuo Cangming, the Demon Flame Sect’s Sect Master, Ke Chenfei, and the Thousand Illusion Sect’s Sect Master, Yuwen Jin!

Zuo Cangming’s cultivation was at the mid-stage Earth Immortal Realm, while Ke Chenfei and Yuwen Jin’s cultivation were at the early Earth Immortal Realm!

Soon, the three of them arrived in the sky and blocked Yang Luo and Tantai Puti’s path!

Tantai Puti laughed mockingly and said, “Just the three of you, who are neither human nor ghost, want to block our path?

Are you all so eager to die?” Yang Luo didn’t say anything else and immediately spat out two words!

“Kill them!” Hearing this “Hahaha” “The two little fellows sure have a big mouth!” “So what if you’re a prodigy of the Vermillion Bird Family?

Your cultivation is only at the early stage of the Earth Immortal Realm!” “And that kid, I’m afraid he’s only at the early Earth Immortal Realm at most.

Can you kill us?” Zuo Cangming and the other two immediately burst into laughter.

They naturally knew Tantai Puti’s identity.

However, now that the battle had reached this point, they could not care less.

In any case, with the Myriad Demon Valley, the Sky Demon Cult, and the Diablo Sect holding the fort, they naturally had nothing to fear from the divine beast clans.

“Kill!” Yang Luo shouted and charged forward with the Dragon Emperor Sword in hand!

Tantai Puti did not hesitate and charged forward together!

Chapter 1590: Two Swords Combined, Sweeping Through Everything!

“Kill!” Zuo Cangming, Ke Chenfei, and Yuwen Jin also let out a roar and charged towards Yang Luo and Tantai Puti!

In an instant!

The distance between the two sides shortened!

Zuo Cangming and the other two waved the weapons in their hands and attacked Yang Luo and Tantai Puti!

“Ten Thousand Poisons Killing Day Saber!” “Demonic Flame Immortal Slaying Sword!” “Thousand Mirage Shadowless Spear!” A huge blackish-gray saber slashed out angrily, sweeping up the poisonous gas that filled the sky!

The poisonous gas was extremely terrifying.

Before the birds not far away could approach, they were poisoned to death and fell!

A huge sword slashed at Yang Luo and Tantai Puti with black and red demonic flames!

A silver-gray spear tore through the layers of void, bringing with it spear shadows that pierced out explosively!

“Dragon Emperor Sword Technique!” “Vermillion Bird Burning Heaven Sword!” Yang Luo and Tantai Puti slashed out at the same time!

Swish!

Swish!

The two swords struck out at the same time, shaking the world!

A huge golden sword and a huge golden-red flame sword slashed out!

There was also a huge golden dragon phantom and the Vermillion Bird phantom that descended!

Boom!

Boom!

Rumble!

Accompanied by the sound of collision and explosion!

The attacks of Zuo Cangming and the other two were instantly defeated by Yang Luo and Tantai Puti!

“Ahhh” The three of them let out a howl and were sent flying!

Deep wounds appeared on their bodies, and blood splattered in the air!

Without any hesitation, Yang Luo quickly executed multiple killing moves and attacked!

“Sky Burning Explosion!” “Sea of Purgatory Fire!” “Flaming Sun Flame Pillar!” “Annihilation Fire Lotus!” A huge golden fireball collided!

A golden sea of fire surged out!

Nine huge pillars of fire and a golden fire lotus smashed down at the same time!

It was also when Yang Luo used his killer move!

Tantai Puti also executed several killing moves!

“Vermillion Bird Descends!” “Meteor Shower!” “Thousand Purgatory, Ten Thousand Refinements!” A huge Vermillion Bird that was a thousand feet long flapped its wings and flew up, pouncing forward!

Countless balls of fire descended from the sky!

The sea of fire surged and surged endlessly!

“Counterattack!” Zuo Cangming shouted in shock and quickly counterattacked!

“Ten Thousand Poisons Destruction!” Poisonous gas erupted from his body, turning into a sea of poisonous gas that surged up!

Ke Chenfei and Yuwen Jin also launched a counterattack!

“Demonic Flames!” “Spear Shadow Sweeping the Sky!” A sea of black and red flames surged up!

Countless silver-gray spears shot out!

Boom!

Boom!

Rumble!

The sound of collision and explosion resounded in all directions!

Huge balls of energy exploded in the sky, dazzling!

Although the attacks of Zuo Cangming and the other two were ferocious, they could not withstand the ferocious attacks of Yang Luo and Tantai Puti!

The three of them were blasted into pieces and screamed endlessly!

When the members of the Black Tortoise Family who were fighting in the distance saw this, they were all shocked!

“Miss Tantai is indeed the number one prodigy of the Vermillion Bird Family.

Her strength is really tyrannical!" "That young man called Yang Luo is not simple either.

His strength has already surpassed Miss Tantai!" "These two young people combined their swords and actually suppressed Zuo Cangming and the other two.

It's really unbelievable!" Waves of exclamations sounded incessantly.

Zuo Cangming and the other two were also terrified and broke out in cold sweat!

They originally thought that it shouldn't be difficult to kill Yang Luo and Tantai Puti together!

However, they did not expect that they could not even suppress the two of them, let alone kill them!

"Defend!" Zuo Cangming shouted in fear and immediately condensed a True Qi barrier to block!

Ke Chenfei and Yuwen Jin also condensed True Qi barriers to block!

Boom!

Boom!

Yang Luo and Tantai Puti's attacks collided crazily with the true qi barrier of the three of them, erupting with a deafening bang!

"Block?"

Can you block it?" Killing intent flickered in Yang Luo's eyes as he immediately swung his sword!

"Dragon Rebel Sword Formation!" Countless golden flying swords shot out and instantly formed a huge sword formation, surrounding the three of them!

It was also when Yang Luo set up the sword formation!

Tantai Puti also waved the sword in his hand!

“Eight Desolates Divine Flame Formation!” The golden-red sea of fire surged between heaven and earth, turning into a fire array that trapped Zuo Cangming and the other two again!

Then, the two of them shouted at the same time!

“Formation, activate!” The dual arrays were activated at the same time!

Countless golden flying swords and golden-red flaming flying swords shot towards the three of them!

The golden-red sea of fire surged wantonly and washed towards the three of them!

Giant golden dragon phantoms and Vermilion Bird phantoms pounced forward!

The True Qi barrier that Zuo Cangming and the other two had condensed shattered into pieces, and blood flowed from the corners of their mouths!

“How can these two little bastards be so strong?!” Ke Chenfei was shocked and terrified.

Zuo Cangming shouted angrily, “Don’t hold back.

Activate your Dharma Idol and rush out!” “Alright!” Ke Chenfei and Yuwen Jin replied in unison.

Then, their auras soared and they directly activated their Dharma Idols!

The three giants stood up and attacked the dual array!

Zuo Cangming and the other two also attacked the dual array in an attempt to escape!

“Want to come out?” Yang Luo’s eyes were cold, “Stop dreaming!” As he spoke, Yang Luo’s body shook and he let out a roar!

“Cosmic Form!” A golden giant holding a huge sword stood up and attacked the three people in the array!

Tantai Bodhi also activated her Dharma Idol!

A golden-red flame giant holding a huge sword stood up and charged forward!

“Block it, you must block it!” Zuo Cangming roared and resisted crazily.

Ke Chenfei and Yuwen Jin also constantly mobilized the True Qi in their bodies to resist with all their might!

However, no matter how they resisted, they could not block it!

“One more move and I’ll take your lives!” Yang Luo pointed his sword at the sky and roared!

“Heavenly Fire Burns the World!” Rumble rumble rumble!

The sky exploded, and a huge golden flame poured down like a surging river.

It was like a fire god was angry and wanted to burn everything to ashes!

In less than a few minutes!

Boom, boom, boom The Dharma Idols of Zuo Cangming and the other two could no longer withstand it and directly exploded!

The attacks of the three of them were also destroyed one after another!

“Ten Thousand Poisons Divine Cauldron!” “Demonic Flag!” “Thousand Illusion Divine Monument!” The three of them did not dare to hesitate and took out their Dharma artifacts!
