

Super IDG 1591

Chapter 1591: Invincible, Undefeated!

A black cauldron, a black-red flag, and a silver-gray stone tablet flew out of the storage bags of the three of them at the same time and smashed into the sky!

The cauldron shook violently and spat out poisonous fog!

The banner shook and swept out black and red devil flames!

The stone tablet swayed and shot out immortal light!

Under the resistance of the three Dharma artifacts, Yang Luo and Tantai Puti's attacks were barely blocked by the three of them!

After all, these three were all mid-grade Dharma artifacts and were quite powerful!

Without any hesitation, Yang Luo waved his hand and shouted!

"Immortal Suppressing Pagoda!" A nine-story pagoda flew out of his storage ring and instantly expanded.

It shot out nine immortal rainbows and collided!

"Vermillion Bird Fire Wheel!" Tantai Puti also waved his hand and shouted.

A golden-red fire wheel flew out of her storage bag and expanded in the wind, turning into a huge fire wheel that surged up with a torrential fire!

The Immortal Suppressing Pagoda and the Vermillion Bird Flame Wheel were both high-grade magical artifacts, and the power they erupted with was even more tyrannical!

Rumble!

Accompanied by a series of dull collision sounds!

The Dharma artifacts of Zuo Cangming and the other two were sent flying!

Without any Dharma artifacts to block the oncoming attacks!

Zuo Cangming and the other two instantly despaired!

“No Don’t Don’t!” “If you two little bastards kill us, our various sects will let you off!” “I don’t want to die I don’t want to die Help!

Help!!!” Zuo Cangming and the other two roared in fear.

They either howled in despair, threatened, or cried for help.

However, the other people from the seven great sects could not even take care of themselves.

No one came to save them!

“Die!” Yang Luo let out a roar and gripped the Dragon Emperor Sword tightly with both hands.

He raised it high and slashed forward with all his might!

Swoosh!

A huge golden sword drew a shocking sword arc in the sky.

The sword light soared into the sky, the sword qi was peerless, and the sword power was vast!

It was as if it was omnipotent, omnipresent, indestructible, supreme, and domineering!

Yang Luo also had a deeper understanding of his sword intent!

Soon!

It was almost time for him to comprehend the sword intent!

At that moment Rumble!

The dual sword formation and all the attacks collapsed and exploded!

All kinds of light and energy interwove together, rushing into the nine heavens, descending into the nine abyss, and rippling in all directions!

This scene shocked many people present!

Many members of the Black Tortoise Family turned around and looked over!

Until the light and energy dissipated!

Yang Luo and Tantai Puti were standing in the sky!

Above the two of them were two Dharma Idols and two Dharma artifacts floating!

As for Zuo Cangming, Ke Chenfei, and Yuwen Jin, they had already fallen into the valley below!

The three of them were already extremely tattered and badly mangled.

They could not be more dead!

“Too strong.

These two young people are really too strong.

They actually killed Zuo Cangming and the other two!” “With their strength, I’m afraid they’re much stronger than many sect elders!” Everyone exclaimed and looked at Yang Luo and Tantai Puti with admiration.

After killing Zuo Cangming and the other two Yang Luo waved his hand and put away the Dharma artifacts and storage bags of the three of them.

“Ayy?” Tantai Puti was stunned for a moment before asking in confusion, “Brother Yang, what are you doing?” Yang Luo smiled and said, “Don’t you understand?

Of course it’s to kill and snatch treasures!” Tantai Bodhi was caught between laughter and tears, “Brother Yang, aren’t your Dharma artifacts quite powerful?

Why do you still need these scrap metal?” Yang Luo sighed and said, “It can’t be helped.

I can’t compare to a rich young lady like you., where you can have anything you want.

I’m too poor.

If I don't plunder more things, how can I support my brothers?" "Hahaha" Tantai Puti held her stomach and laughed loudly.

She was very amused.

Yang Luo waved his hand.

"Let's go and help the elders of the Black Tortoise Family!" "Alright!" Tantai Puti responded.

Then, with a flash, the two of them turned into two streams of light and charged at the Earth Immortal Realm elders from the seven great sects!

At this moment.

There were only eight elders left from the seven great sects!

Other than the two elders who rushed to help Tuoba Ye, the other elders had all been killed!

On the other hand, there were still seven elders from the Black Tortoise Family.

Although they were severely injured, it did not affect their combat strength!

Coupled with the six Earth Immortal realm elders from the Supreme Sect and the various large families who had rushed over to save them, the number of elders directly suppressed the seven major sects!

The remaining eight elders from the seven great system-allocated sects were forced to retreat repeatedly, and they were severely injured!

"What should we do?"

There are too many of them.

We can't defeat them at all!" "What's going on?

Why aren't the Sky Demon Cult and Diablo Sect here yet?!" "Could it be that the Sky Demon Cult and Diablo Sect have suffered heavy losses and are not coming as they said?!" As the elders of the seven great system-allocated sects retreated, they spoke anxiously.

After a long battle, they were already heavily injured and covered in blood.

It was very tragic and they could not take it anymore!

However, at this moment!

Yang Luo charged over and launched a fierce attack!

"Primal Heavenly Art!" "Gonggong, Zhurong, Qiangliang, Houtu, Goumang, Rushou!" The illusions of the six ancient ancestral Magi stood up and charged crazily at the eight elders of the seven sects!

"Vermillion Bird Descends!" Tantai Puti waved her hand and launched a fierce attack as well!

A huge Vermillion Bird that was a thousand feet tall soared up and flapped its wings to fly out!

Their Dharma Idols also charged forward!

"Ahhhh" Before the eight elders could react, they let out miserable cries and were sent flying!

"Go to hell!" Yang Luo's figure flashed and turned into a stream of light.

He charged forward and slashed out!

At that moment Psh!

One of the mid-stage Earth Immortal elders was slashed into two before he could counterattack and defend!

The remaining seven elders retreated and looked at Yang Luo in horror!

“Little Luo, well done!” “Kid, good job!” “Little girl Puti, it’s only been a year since we last met.

Your strength has improved!” The elders of the Supreme Sect, the Black Tortoise Family, and the various divine beast families spoke one after another.

They looked at Yang Luo and Tantai Puti with admiration.

Yang Luo said loudly, “Elders, don’t give them time to catch their breath.

Hurry up and kill them!” “Alright!” The elders nodded in agreement.

Then, Yang Luo, Tantai Puti, and all the elders charged forward

Chapter 1592: Absolute Advantage!

Seeing Yang Luo, Tantai Puti, and the others charging over!

The remaining seven elders from the seven great system-allocated sects were so frightened that their faces turned pale, and they broke out in cold sweat!

“What should we do now?

We only have seven people left.

How can we fight?!” An elder of Holocaust Sect asked in fear.

“We can’t continue fighting.

If we continue, we’ll all die!” An elder of the Flood Dragon Gate said.

“Why don’t we escape?” An elder of the Ghost King Palace said with a trembling voice.

“What are you running for!” An elder of the Myriad Demon Valley roared angrily and said with a ferocious expression, “So many of us have already died.

If we escape now, all our previous efforts will be wasted!

Don’t worry, the Sky Demon Cult and Diablo Sect will definitely send someone to help us!” “Alright, let’s fight these guys!” “As long as help arrives, we can turn the tables!” The other elders nodded and planned to continue fighting.

The seven elders trembled.

Their beards and hair fluttered, and their robes fluttered.

They unleashed their auras and combat strength and charged forward!

Their Dharma Idols also charged forward!

Yang Luo, Tantai Puti, and the others’ Dharma Idols also charged forward!

In an instant!

Dang, dang, dang!

The Dharma Idols collided in the sky like mountains colliding, causing the world to tremble!

Both sides also took out their magical artifacts, suppressing and killing the other side!

Clang, clang, clang Dharma artifacts collided in the sky as well, emitting loud clangs!

A large amount of light and energy burst out and swept in all directions!

However, on Yang Luo and the others' side, be it Dharma Idols or Dharma artifacts, they had the absolute advantage!

Hence, the Dharma Idol and Dharma Artifacts of the remaining seven Earth Immortal Realm elders from the seven great sects could not withstand it at all, and they retreated repeatedly!

Seeing that they were no match for them at all!

The seven elders rushed forward and attacked together!

"Heavenly Demon Soul Chasing Sword!" "Devil Heart Chain Saber!" "Nine Deaths Ghost King Seal!" "Blood Spirit Heavenly Formula!" Demonic qi surged into the night and the huge sword pressed down on the sky!

Demonic Flame Burning Desolation, Giant Saber Splitting the Void!

A huge seal engraved with the Ghost King's totem soared through the sky and smashed out like a mountain from hell!

A gigantic blood-colored giant stepped through the sea of clouds and charged forward!

There were also layers of attacks that attacked Yang Luo and the others!

“Ancient Ancestral Magi, crush them!” Yang Luo slashed out with his sword and gave the order!

Six ancient Ancestral Magus illusions stepped out of the air and charged forward like ancient Fiendcelestials!

“Heaven Burning Wings!” Tantai Puti’s entire body trembled, and two huge golden-red flaming wings actually grew out from her back!

She suddenly flapped her wings, and streams of flames swept out, as if they wanted to destroy everything!

“True God Black Tortoise Transformation!” “Xuanming Dao Breaking Palm!” “Supreme Absolute Kill Sword!” “Thunder Qilin Tyrannical Killing Fist!” “Soaring Serpent Soul Formation mace!” The elders also attacked in unison, launching their strongest attacks!

Layers of attacks attacked fiercely, pushing through everything as if they wanted to destroy everything!

In the blink of an eye!

Boom!

Boom!

Rumble!

Layers of attacks collided and exploded in the sky, like a small nuclear explosion!

All kinds of energy and light surged in all directions like a wave!

“Ahhhh” The seven elders from the seven great sects let out pained screams and were sent flying again!

Their injuries became even more serious, and blood splattered in the air.

It was incomparably terrifying!

After sending seven people flying!

Yang Luo and the others continued to chase after them!

As he charged forward!

Yang Luo used his killing move again!

“Great Dao Dragon Diagram!” As the Golden Dragon Totem condensed!

Dragon qi spread out and the vast dragon might flooded the area!

“Roar, roar, roar!” More than 5,000 flood dragon illusions and more than 100 low-level divine dragon illusions roared and collided crazily with the seven elders!

Tantai Puti and the elders also continued to use their killing moves!

When the seven elders from the seven great system-allocated sects retreated, they fought back madly!

However, they still could not withstand it in the end!

“Ah!” Another elder from the seven great sects could not take it anymore.

He let out an extremely painful scream and fell from the sky to the ground.

He died completely!

However, Yang Luo and the others’ attacks did not stop.

Instead, they continued to attack fiercely!

“Primordial Dragon Transformation Skill!” Yang Luo held the Dragon Emperor Sword in his hand and transformed into a golden light.

He broke the sound barrier and charged at the front!

Illusions of dragons flew into Yang Luo’s body one after another, and the power of dragons surged into his body!

Yang Luo’s originally thin and tall body became incomparably strong.

Golden light flashed on his body, and his eyes seemed to be filled with dragon shadows!

His blood qi boiled and his strength increased exponentially.

It was incomparably terrifying!

“Cut!!” Yang Luo gripped the Dragon Emperor Sword tightly with both hands and slashed out crazily!

He instantly used all nine moves of the Dragon Emperor Sword Technique!

The nine huge swords slashed forward angrily!

Countless flying swords turned into a sea of swords and shot out!

There were even huge golden dragon phantoms roaring!

At this moment.

With just Yang Luo's strength alone, he forced the six elders to retreat repeatedly.

They were injured again and again, and blood flowed uncontrollably!

"This kid's cultivation techniques and immortal techniques are really each stronger than the other.

He's really amazing!" "No wonder Jiuzhou praised this kid so much.

It's really unbelievable!" The elders of the Black Tortoise Family exclaimed.

However, although they were shocked, everyone did not stop and continued to attack!

Everyone used their killer moves together, not giving the six elders any time to catch their breath!

After a while "Argghhh!" Another scream came from ahead.

Another elder fell.

His body was already incomplete and he was completely dead even before he landed.

The people from the Black Tortoise Family, Supreme Sect, and the various divine beast families who were fighting fiercely on the mountains in the distance got even more excited when they saw this.

“We’ve already obtained an absolute advantage in the battle between the Earth Immortal Realm elders!” “The battle between the True Immortal elders has also obtained an absolute advantage!” “We’re definitely going to win this battle!” Everyone raised their arms and shouted in joy.

“Brothers, let’s not just stand there in a daze.

Hurry up and kill the remaining people from the seven great sects.

Don’t let a single one of them off!” Bujie shouted.

“Alright!” Everyone immediately chorused out.

Although the Black Tortoise Family did not know Bujie, seeing this monk fighting bravely made them admire him endlessly.

For a moment The battle on the mountains below became even more intense!

Chapter 1593: Killing Formation!

In the distant sky.

On the battlefield where the True Immortal-level elders were.

The Black Tortoise Family originally only had five True Immortal realm elders.

However, as the six True Immortal elders of the Supreme Sect and the Qilin family rushed over to help The True Immortal Realm elders on their side had already surpassed the seven great sects.

Moreover, there were many Earth Immortal Realm elders helping from afar.

Although these Earth Immortal Realm elders could not approach, everyone could help from afar.

Hence, during the fierce battle, the ten elders from the seven great sects who were in True Immortal Realm started to retreat in defeat.

After retreating a thousand meters in a row!

“Demon God Descends!” The three True Immortal elders of the Myriad Demon Valley roared at the same time!

The three of them had long grayish-white hair that stood on end.

Immortal light filled their bodies and demonic qi soared!

Three thousand-meter-tall giants with majestic bodies and ferocious expressions stepped through the sea of clouds and charged forward!

“Blood Spirit Death Zone!” “Ten Thousand Poisons Killing Domain!” “Sky Dragon Swallows the Sky!” “Ghost King Descends!” The other True Immortals also used powerful killing moves!

A blood-colored domain appeared in the sky.

Countless blood-colored Yin spirits shuttled through it like a blood-colored small world as they attacked!

A black domain appeared in the sky at the same time.

Poisonous fog surged in the sky as countless poisonous beasts roared and attacked!

The illusion of a black flood dragon that was ten thousand feet long churned in the sky.

It opened its bloody mouth and roared!

A thousand-meter-tall black evil spirit led a group of ghost soldiers and generals to charge over!

How terrifying were the attacks of true immortals, how heaven-defying were they?

Heaven and earth changed color, all things trembling!

Facing the fierce attacks from the ten great True Immortal Realm elders from the seven great sects!

The True Immortal realm elders of the Black Tortoise Family, Supreme Sect, and Qilin Family were not afraid at all and used their killing moves!

“True God Xuanwu Transformation!!!” The five True Immortal elders of the Black Tortoise Family stepped down from the sky and roared in unison!

“Ang, ang, ang!” Accompanied by a series of deafening roars!

Five thousand-meter-long Black Tortoise illusions covered the world and collided with the sea of ice!

“Qilin Descends!!!” Lin Wuwang, Gong Lenglie, and Gu Tianlin, the three True Immortal Realm elders, also roared!

“Roar, roar, roar!” Three thousand-meter-long qilin illusions stood up.

With the sky above their heads and the ground under their feet, they rushed up!

“Supreme Immortal Fortress!!!” Mo Guishan, Mo Qianjue, and Luo Chengfeng roared at the same time and used their killing moves!

Three domains appeared above the three of them.

Countless immortal beast illusions roared and danced!

After the three domains appeared, they collided!

The Earth Immortal Realm elders in the distance also used layers of killing moves and attacked together!

In a breath’s time!

Rumble Rumble A series of collisions and explosions that shook the world sounded one after another!

The world shook!

The void was torn apart and exploded!

The ten True Immortal Realm elders from the seven great system-allocated sects were sent flying once again.

Their flesh and blood splattered everywhere, and blood even flowed out from the corners of their mouths!

The True Immortal realm elders of the Black Tortoise Family, Supreme Sect, and Qilin Family were also sent flying, and blood exploded from their bodies!

The Earth Immortal Realm elders in the distance could not withstand it and were sent flying far away!

After stabilizing their bodies “Set up the Heaven and Earth Xuanming Formation and trap and kill these ten old fellows!” The Fourth Elder of the Black Tortoise Family, Yi Jiuyun, shouted at the other four True Immortal Realm elders.

“Alright!” The four True Immortal elders of the Black Tortoise Family replied loudly.

Then, the five True Immortal realm elders leaped into the air and crazily mobilized the True Qi in their bodies.

Then, they stepped down in the air and roared in unison!

“Heaven and Earth Xuanming Formation!” At that moment A gigantic Rune formed and instantly trapped the ten True Immortal Realm elders from the seven great sects!

As the array was set up, all kinds of immortal light soared into the sky.

All kinds of energy surged like an ocean!

Heaven and earth shook, and the surroundings trembled.

A violent wind blew, and ice and snow swept the sky!

“Ancient Qilin Formation!” “Supreme Immortal Suppression Formation!” “Divine Movement Eight Desolations Formation!” Lin Wuwang, Mo Guishan, and the other six True Immortal Realm elders had also set up layers of great formations to trap the ten True Immortal Realm elders of the seven great sects!

The Earth Immortal elders in the distance had also set up layers of array formations to trap the ten True Immortal elders!

As layers of array formations were set up!

All the elders of the Black Tortoise Family roared at the same time!

“Activate the array!!!” All the arrays were activated instantly!

In the Heaven and Earth Xuanming Formation, five huge Black Tortoise illusions stood up and charged forward!

Five ancient stone tablets that were ten thousand feet long crushed forward!

There was even a five-colored ice flood surging in the array, washing up!

In the Ancient Qilin Formation, the illusions of huge Qilins charged forward!

Dense immortal light shot out!

The other arrays also erupted with destructive power, destructive power, and destructive power as they attacked the ten True Immortals!

“Damn it!

He actually wants to use an array to trap and kill us!” A True Immortal Realm elder of the Myriad Demon Valley roared angrily, “Hurry up and rush out!” The ten True Immortal realm elders did not dare to hesitate at all.

They also attacked with their strongest attacks and attacked the layers of array formations!

Clang clang clang Crackle crackle crackle A series of collisions and explosions that shook the Nine Heavens Imperial Palace and the Nine Hells resounded endlessly!

The ten True Immortal Realm elders were very powerful.

They forcefully withstood the fierce attacks of the layers of array formations and even caused the layers of array formations to collapse and explode!

Yi Jiuyun roared, "Don't hold back.

Continue attacking.

Don't let these ten old fellows come out!" "Alright!" Everyone responded in unison.

Under Yi Jiuyun's lead, all the True Immortal Realm elders continued to attack fiercely, wanting to trap and kill the ten True Immortal Realm elders from the seven great sects!

Ten minutes later!

Rumble!

An extremely terrifying explosion sounded!

All the arrays and attacks exploded!

A huge void hole was blasted open in this space!

There were even dense black cracks that spread in all directions!

"Urghh" "Ah!" Two of the True Immortal Realm elders from the seven great sects could not withstand it and died tragically on the spot!

Their physical bodies were destroyed, and even their primordial spirits could not surge into the sky and were annihilated in the sea of energy!

Only true immortals could cultivate Primordial Spirits!

The primordial spirit was equivalent to a second life!

Meanwhile, the other eight True Immortal elders were also severely injured and sent flying!

Chapter 1594: Pursuit From A Thousand Miles!

Yi Jiuyun, Lin Wuwang, Mo Guishan, and the other True Immortal realm elders were also sent flying!

Even the Earth Immortal Realm elders who attacked from afar were sent flying by the explosion.

They were all severely injured!

“Looks like the Sky Demon Cult and Diablo Sect won’t be coming!

Everyone, retreat!” A True Immortal Realm elder from Myriad Demon Valley sent a voice transmission to all the people from the seven great sects in his heart!

Then, the remaining eight True Immortal Realm elders from the seven great sects changed their direction and fled into the distance!

“Damn it!

Damn it!

“Retreat!

Retreat!!!” Tuoba Ye’s heart was filled with unwillingness.

With a furious roar, he turned around and fled!

The three Earth Immortal Realm elders from the seven great sects who were still alive also turned around and fled madly!

No matter how unwilling they were, they could only choose to escape!

If they did not escape now, they would probably all die here!

Moreover, in order to escape, they had used their sect’s secret techniques just to survive!

“Chase after them!

Don’t let them escape!” Yang Luo roared and hurriedly chased after him!

Tantai Puti, Yi Jiuyun, Lin Wuwang, Mo Guishan, and all the Earth Immortals and True Immortals who still had combat strength chased after him!

Yang Luo and the others chased after them and attacked fiercely along the way, attacking the fellows who had escaped from the seven great sects!

They chased for a thousand miles!

The remaining Earth Immortals and True Immortals of the seven major sects suddenly stopped.

They mobilized the True Qi in their bodies to the limit and attacked Yang Luo and the others who were chasing after them!

The attacks intertwined and seemed to transform into an energy sea that washed towards Yang Luo and the others!

“Be careful!” Yi Jiuyun shouted and instantly mobilized the True Qi in his body to the limit, launching a powerful attack!

The other Earth Immortals and True Immortals did not dare to hold back and counterattacked crazily!

At that moment The two seas of energy light launched an unprecedentedly vast and terrifying collision in the sky!

Rumble Rumble The two seas of light collided, producing a series of shocking collisions and explosions!

This series of explosions was like the implosion of a planet, terrifying to the extreme!

A huge ball of energy spread out from the explosion and instantly spread throughout this world!

“Everyone, quickly retreat!” Yang Luo instantly mobilized his True Qi to the limit and condensed his strongest defense.

He held Tantai Puti’s hand and turned into a stream of light that retreated rapidly!

“Ahhhh” Mo Hongtu, Lin Jingchen, Ning Shenghong, Qin Daoxuan, and the other Earth Immortals cried out in pain as they were sent flying!

Even Yi Jiuyun, Lin Wuwang, Mo Guishan, and the other True Immortal realm elders could not withstand this huge explosion and were sent flying!

Only when they retreated to a safe area did everyone stabilize their bodies.

After an unknown period of time Only then did all the energy and light dissipate.

The hundred or so snow mountains that had existed just now had already turned to ashes.

The ground was blasted full of potholes.

The entire landscape had been changed.

In the air, the remaining Earth Immortal Realm and True Immortal Realm elders from the seven sects had already disappeared.

“Are those guys dead?” Tantai Puti asked.

Lin Wuwang shook his head and said, “No, they took the opportunity to escape!” Tantai Puti said angrily, “Damn it, they still escaped!” Mo Guishan said, “Although a portion of them escaped, most of them have already been killed by us!” Yi Jiuyun waved his hand, “Everyone, let’s go back!” As they spoke, everyone turned around and flew towards the territory of the Black Tortoise Family.

At this moment.

In the Black Tortoise Family’s territory.

Above the mountains.

The thirty thousand or so disciples from the seven sects had all been killed.

Everyone stood at the top of the mountain, waiting for Yang Luo and the others to return.

After a short wait He saw Yang Luo and the others flying over from afar.

“They’re back, Brother Yang and the others are back!” “The elders are back too!” Everyone immediately became excited.

Soon, Yang Luo and the others arrived above the Black Tortoise Family’s territory.

“Brother Yang, are those guys dead?” Bujie asked Yang Luo.

Yang Luo shook his head and said, “A portion escaped.” Bujie said angrily, “Damn it, we actually let a portion of them escape!” The others were also indignant.

Yi Jiuyun said loudly, “Everyone, don’t be angry.

Some of the people from the seven great sects might have escaped from this battle, but they were almost completely wiped out.

More importantly, this battle has already dealt a heavy blow to the seven great sects.

Their vitality has already been greatly damaged.” Everyone nodded.

Yang Luo asked in confusion, “Why didn’t the Heaven Immortal realm elders of the Myriad Demon Valley attack?

Could it be that there are no Heaven Immortal realm elders in the Myriad Demon Valley?” “The Myriad Demon Valley naturally has a Heaven Immortal realm elder guarding it.” Yi Hanshan replied and continued, “However, over the years, there have been endless disputes in the Kunlun Ruins, but Heaven Immortal realm elders rarely interfere in these disputes.

After all, once one stepped into the Heavenly Immortal realm, they would have a chance to break through to the Golden Immortal realm, shatter the void, and ascend to the upper world.

In order to break through to a higher Great Dao and ascend to the Upper World, those Heaven Immortal elders would usually cultivate in seclusion and not be affected by anything.

Moreover, many Heaven Immortal elders of sects and families were sometimes not in the sects and families at all.

In order to find the best cultivation land, they would travel everywhere.

Therefore, even we don't know if the three Heaven Immortal realm elders of our family are in the family now" "That's right." Yi Jiuyun nodded and said, "Heavenly Immortals usually come and go without a trace.

They're elusive." Mo Hongtu added, "There's another point.

If a battle breaks out between Heaven Immortals, the destructive power is very terrifying.

It can easily move mountains and fill seas, destroying the world.

Therefore, under normal circumstances, Heavenly Immortals rarely appear to fight." "I see." Yang Luo nodded in realization.

It was precisely because of this that he yearned for the Heavenly Immortal realm even more.

He did not know when he would be able to step into the Heavenly Immortal realm.

Once he stepped into this realm, he would have absolute power to protect the people around him.

Therefore, he had to work harder to become stronger!

Yi Hanshan raised his hand and said, "Alright, let's not talk about this anymore.

Hurry up and count how many people from the seven great sects have died!” “Yes!” The few clansmen responded and began to count.

Chapter 1595: Gathering!

After a while The statistics were completed.

A clansman reported, “Patriarch, the thirty-five thousand disciples sent by the seven great sects have all been killed!

More than 8,000 demon beasts, magical beasts, and ferocious beasts were completely wiped out!

Eleven of the fourteen Earth Immortal Realm elders had died!

Other than Tuoba Ye, the other six sect masters of the seven great sects were all dead!

Two of the ten True Immortal Realm elders have died!” Hearing these numbers!

Everyone’s hearts skipped a beat!

Bujie sighed, “Is this the great war of the Immortal Realm?

It’s really tragic!” Prajna also said with a trembling voice, “So many Earth Immortals died in a single battle There were even True Immortals who died It’s too terrifying” Xu Ying and the rest sighed.

From yesterday until now, the two battles they had experienced had allowed them to see how terrifying the battle in the Immortal World was.

“Alright!” Yi Hanshan nodded and said, “This battle can be considered a complete victory for us!

Of course, this is all thanks to the help of the Supreme Sect, the Qilin family, and the others!” “Thank you for your help!” The members of the Black Tortoise Family bowed and bowed to express their gratitude.

Then, Yi Hanshan arranged for his clansmen to start cleaning up the battlefield and the funeral arrangements.

Then, everyone arrived at the main hall of the Black Tortoise Pavilion.

Yi Hanshan, on the other hand, arranged for the family’s doctors to help everyone heal.

Yang Luo also used all kinds of medical methods to help everyone heal.

In this battle, the Patriarch and elders of the Black Tortoise Family were severely injured.

As the people from the Supreme Sect and the various divine beast families had experienced two consecutive battles, their injuries were also very serious.

It was only at night that everyone’s injuries healed a little.

Then, they gathered in the hall of the side hall.

Yi Hanshan raised his glass, stood up, and said loudly, “This toast is to everyone!

If not for everyone’s help today, my Xuanwu family would have been in trouble!” Mo Hongtu raised his hand and said, “Brother Yi, you’re too polite.

Our Supreme Sect has been on good terms with your Xuanwu family for generations.

How can we stand by and do nothing when you’re in trouble!” Lin Jingchen also said, “Brother Yi, our Qilin family has a good relationship with your Xuanwu family.

This time, we naturally have to do our best to help!" "That's right, that's right!" Ning Shenghong chuckled and said, "It's our honor to be able to help everyone this time!" "Brother Yi, you're welcome!" Qin Daoxuan and the others also spoke up.

"Good, good, good!" Yi Hanshan laughed out loud and said, "Everyone, from now on, we are friends!

If anyone needs help in the future, my Black Tortoise Family will definitely do our best!

Cheers!" "Cheers!" Mo Hongtu and the others also raised their glasses.

Everyone drank a glass of wine together.

After drinking a glass of wine.

Yi Hanshan turned to look at Yang Luo and said with a smile, "Little Luo, this battle has really broadened my horizons!

I didn't expect you to have such powerful strength at such a young age.

Even my Hengyu is far inferior to you!" A young man at the side said helplessly, "Father, Brother Yang is really too strong.

He killed a few Earth Immortals in a row.

I feel ashamed of my inferiority!" This young man was Yi Hanshan's eldest son.

He was also the number one prodigy among the younger generation of the Black Tortoise family, Yi Hengyu.

His cultivation was at the early Earth Immortal realm.

Bujie smacked his lips and said, "Brother Yi, my Brother Yang is a monster.

Don't compare yourself to him!" Ning Jianfeng said, "Brother Yang is indeed too abnormal.

In the competition yesterday, the nine of us joined forces and were sent flying by him!" Qin Zhanhuang shook his head and said, "What kind of prodigy are we?

Brother Yang is the real prodigy, okay?" "Hahaha" The various family heads and elders laughed.

Yi Hanshan poured another glass of wine and said with a smile, "Little Luo, this glass of wine is for you!

This time, not only did you help our Black Tortoise Family a lot in battle, but you also treated many people with your extraordinary medical skills!

My Black Tortoise Family will remember this favor!

In the future, just call me Uncle.

If there's anything, just tell me!" Yang Luo hurriedly stood up and said, "Thank you, Uncle Yi!" With that, Yang Luo and Yi Hanshan both drank a glass of wine.

After sitting down Yi Hanshan asked Mo Hongtu, "Brother Mo, can you tell me now?

Why are you all in the Qilin Clan?" "Brother Yi, it's like this" Mo Hongtu did not hide anything and told Yi Hanshan what had happened yesterday.

Hearing Mo Hongtu's words, Yi Hanshan and the elders of the Black Tortoise Family were shocked.

They clearly did not expect such a huge thing to happen to the Qilin family yesterday.

But that was true.

It had only been a night, so they naturally hadn't heard the news.

"No wonder the Sky Demon Cult and Diablo Sect didn't come to the rescue.

So that's what happened." Yi Hanshan nodded in realization, then frowned.

"Are the Myriad Demon Valley, the Sky Demon Cult, and the Diablo Sect crazy?

Why are they stirring up trouble everywhere?" Mo Hongtu said coldly, "It's not the first time these three sects have stirred up trouble.

All these years, they've been bullying sects and families that are weaker than them everywhere and plundering cultivation resources everywhere." "That's right." Lin Jingchen nodded and said, "The major families present have basically been bullied by these three sects.

However, because these three sects have roped in many families and sects and formed an alliance, it's very difficult for everyone to touch them." Yi Hanshan said in a deep voice, "Everyone, after we recover our strength, we'll rope in some sects and families and completely destroy these three sects!" "Alright, these three sects must be destroyed!" "If we leave them behind, there will only be endless conflict!" The other family heads nodded in agreement.

"By the way, Brother Lin, what does Ancestor Lin mean by the chaos in the Kunlun Ruins?" Yi Hanshan looked at Lin Jingchen and asked.

The elders of the Black Tortoise Family also looked at Lin Jingchen.

Lin Jingchen shook his head.

“First Elder didn’t say it explicitly either.

He only told us to unite and prepare for the chaos in the Kunlun Ruins!” Yi Hanshan said, “When our Great Elder comes out of seclusion later, we’ll go and ask him if he knows about this.” Mo Hongtu also said, “When the time comes, we will also ask the Supreme Elder if he knows about this.” Everyone nodded.

Now, everyone only knew that the Kunlun Ruins would be in chaos in the future.

However, no one knew what it was exactly.

They felt a little uneasy.

Chapter 1596: I Want to Become Stronger!

Yi Hanshan asked again, “By the way, Brother Mo, why is Little Luo on good terms with your Supreme Sect?” Mo Hongtu smiled and said, “Firstly, it’s because Little Luo and my son Qingkuang are sworn brothers.

The friendship between the two juniors is deep.

Secondly, it’s also because Little Luo cured Elder Li and the others not long ago and helped our Supreme Sect a lot” He told Yi Hanshan and the others what had happened after Yang Luo came to the Kunlun Ruins not long ago.

After hearing Mo Hongtu’s words, Yi Hanshan sighed and said, “Little Luo is really outstanding.

I didn’t expect him to be able to repair Elder Li and the others’ damaged Dao foundation.

Such medical skills are simply heaven-defying.

No wonder those elders of the Immortal Medicine Sect were so shocked” “Little Luo, it turns out that you won twelve consecutive matches in the Central Continent’s Alchemy Competition not long ago!

“Moreover, you refined many Level 9 Divine Pills and obtained first place in the Elder Group.

You led the Immortal Medical Sect to turn the tables and obtained third place!” An elder of the Black Tortoise Family exclaimed in surprise.

The other elders of the Black Tortoise Family were also shocked.

They had also heard about the alchemy competition held in the Central Continent not long ago.

However, he did not expect that the famous genius alchemist in the Central Continent was Yang Luo.

Mo Hongtu chuckled and said, “Little Luo is now a sword immortal, a medical immortal, and an alchemy immortal.

Especially after these two battles, Little Luo’s reputation will probably resound throughout the entire Kunlun Ruins.” Yi Hanshan sighed and said, “I wonder when our Xuanwu family will have such an all-rounded and outstanding junior!” As he spoke, he glanced at his son, Yi Hengyu.

Yi Hengyu pretended not to see it and continued to drink.

Yang Luo shook his head and said, “Uncle Mo, Uncle Yi, you’re too kind.

During the time he came to the Kunlun Ruins, he had seen many strange people and realized his shortcomings in all aspects.

I can’t afford to take on the title of a Sword Immortal, Medical Immortal, and Alchemy Immortal.

I still have many things to learn.” Yi Hanshan laughed and said, “Little Luo, you’re too humble.

If you're too humble, you'll be considered as arrogant.

Even in the entire Kunlun Ruins, how many juniors are as outstanding as you?" Yang Luo smiled and scratched his head, not knowing how to respond.

Ning Shenghong took a sip of wine and said, "Little Luo, you can really consider what I mentioned previously.

Why don't you be my godson?" Yi Hanshan rolled his eyes and said, "Brother Ning, I don't even dare to let Little Luo be my godson.

Do you think you can do it?" "Urghh" Ning Shenghong looked embarrassed.

"Pretend I didn't say anything." Everyone then laughed.

At this moment.

Yang Luo suddenly thought of something and looked at Yi Hanshan, "By the way, Uncle Yi, I heard that the Black Tortoise family has a forbidden area called the Deep North Frost Domain.

I want to go inside and train to increase my cultivation and strength." Yi Hanshan said in surprise, "You plan on going to the Deep North Frost Domain to train?" "That's right." Yang Luo nodded in response.

Yi Hanshan voiced out, "This Deep North Frost Domain is very dangerous.

It's much harder than ordinary mystic realms.

Are you sure you want to go in and train?" "Quite sure!" Yang Luo's eyes were firm.

“The more dangerous this Deep North Frost Domain is, the more helpful it will be for my cultivation and strength to increase.

I don’t want to miss this opportunity!

My current strength is far from enough.

I want to become stronger!” “Little Luo, no wonder you have such strength at such a young age.

It seems that this is not only related to your talent and comprehension, but more importantly, your diligence!” Yi Hanshan’s eyes were filled with admiration.

Then, he said to Yi Hengyu, “Hengyu, you have to learn from him!” Yi Hengyu scratched his head and said, “Father, I’ve also cultivated very hard, okay?” Yi Hanshan glared at Yi Hengyu and said, “How is this hard work?

You still have to learn from Little Luo!” Yi Hengyu said helplessly, “I understand, Father.

Then I’ll enter the Deep North Frost Domain as well to train this time.” Yi Hanshan nodded in satisfaction, “That’s more like it!” Tantai Puti raised her hand at this point, “Uncle Yi, I also want to enter the Deep North Frost Domain’s trial!” “Since Brother Yang and Sister Puti have entered, I naturally have to enter too!” “Uncle Yi, I want to go too!” “And me!

And me!” Bujie, Xu Ying, Lin Wenxuan, Prajna, Ning Jianfeng, and the others spoke up one after another.

Mo Hongtu chuckled and said, “Brother Yi, why don’t we let these juniors enter the Deep North Frost Domain to train?” Lin Jingchen smiled and said, “That’s a good idea.

These juniors are so hardworking.

As elders, we naturally have to support them!” “Alright!” Yi Hanshan laughed and said, “Then rest for a few days first.

I'll bring you to the Deep North Frost Domain later!" "Alright!" Yang Luo and the others responded.

Ning Jianfeng put his arm around Yang Luo's shoulder and said with a smile, "Brother Yang, you have to give me some pointers during these few days of rest!

I also want to become an Earth Immortal like you as soon as possible.

Then I'll be able to move unhindered, fighting and killing!" Qin Zhanhuang also put his arm around Yang Luo's shoulder and said, "Brother Yang, you have to guide me first!

"As long as you give me pointers, no matter what you want, as long as my Phoenix Clan has it, I will give it to you with both hands!" Yi Hengyu also said, "Brother Yang, Father asked me to learn from you!

Therefore, you have to guide me first.

My Black Tortoise Family has many good things.

I can give them to you!" "Brother Yang, you have to guide me first.

I'm too weak!" Bai Chuxia hugged Yang Luo's arm and started to wheedle.

"White Fox, let go of him!" Tantai Puti placed her hands on her hips and shouted.

Bai Chuxia snorted, "No!" Tantai Puti waved her fist threateningly, "Are you asking me to beat you up?" Bai Chuxia said pitifully, "Brother Yang, Sister Puti is bullying me!" "You" Tantai Puti was so angry that his chest heaved up and down.

"You're indeed a vixen.

You only know how to pretend to be pitiful!” “Alright, alright.” Bai Chuxia stuck out her tongue.

If it was in the past, she would naturally not dare to provoke Tantai Puti.

But now, their relationship had become much closer and they had formed a deep friendship.

Therefore, no one cared about the other party’s identity.

They could make some harmless jokes.

Yang Luo was caught between laughter and tears, “Alright, alright, stop arguing.

Don’t worry, I’ll guide all of you in the next few days.” “Alright!” “That’s great!” “Thank you, Brother Yang!” Ning Jianfeng and the others cheered.

Chapter 1597: Famous in the North Continent!

In the blink of an eye, another five days passed.

In the past five days, Yi Hengyu had brought Yang Luo and the others around the Black Tortoise family and introduced the history of the Black Tortoise family.

Yang Luo and the others had a deeper understanding of the Black Tortoise family.

Of course, in these five days, Yang Luo also gave Ning Jianfeng, Qin Zhanhuang, Mu Xuanzhi, and the other prodigies of the various divine beast clans some pointers.

It had to be said that it was no wonder Ning Jianfeng and the others were known as prodigies.

Their talent and comprehension were indeed very high.

They understood many things about cultivation immediately.

Therefore, after just a few days of guidance, Ning Jianfeng and the others had improved quite a bit.

Moreover, in these five days The two battles that the Qilin Clan and the Black Tortoise Clan had experienced had also spread throughout the entire North Province.

The entire North Continent was in an uproar!

“Have you heard about the two battles that broke out in the North five days ago?” “Of course I’ve heard of it.

The Sky Demon Cult and the Diablo Sect are leading more than ten thousand men to attack the Qilin family!” “The Qilin family, the Phoenix family, the Soaring Serpent family, and the other ten divine beast families all participated in the battle.

Even the Supreme Sect participated in the battle later on!

That battle was unprecedentedly tragic.

More than thirteen thousand people from the Sky Demon Cult and Diablo Sect died, and eight elders died, including one True Immortal elder!” “On the second day after the battle, Ten Thousand Demon Valley joined forces with the six great sects and led more than thirty thousand people, eight thousand demonic beasts, magical beasts, and ferocious beasts to attack the Black Tortoise Family.

Another huge battle broke out!

Initially, the Black Tortoise Family was on par with the seven great sects in this battle.

However, later on, the Supreme Sect and the various divine beast families rushed to save the Black Tortoise Family and turned the situation around!" "The seven great sects led by Myriad Demon Valley suffered heavy losses.

The thirty thousand people they brought along with them and the eight thousand or so demonic beasts, magical beasts, and ferocious beasts were all wiped out!

"Eleven Earth Immortal Realm elders and two Heaven Immortal Realm elders died.

Other than Tuoba Ye, the other six sect leaders are all dead!" "However, I heard that a young demon called Yang Luo appeared in this battle.

It's said that this kid killed many Earth Immortal Realm experts!" "I know Yang Luo.

Not long ago, he also shone brightly in the Central Continent's Alchemy Competition.

He won 12 consecutive matches alone and created a miracle!" "Who exactly is this kid called Yang Luo?

He's been very active recently.

Not only is he powerful, but his alchemy skills are also so powerful!" "Could it be that another peerless genius of our Kunlun Ruins has risen?" The major families and sects of the North Continent, as well as some independent cultivators, were discussing the two battles.

In particular, many people already knew Yang Luo's name.

Many people were inquiring about Yang Luo, and many sects and families wanted to rope him in.

In short, Yang Luo's reputation completely resounded throughout the entire North Continent.

In fact, the news of these two battles had even spread to the other continents.

In the end, these few things became more and more mysterious.

Yang Luo was directly hailed as the number one prodigy in the Kunlun Ruins since ancient times!

Central Continent.

Immortal Medicine Sect.

In a loft at the back of the mountain.

The pavilion had a total of nine floors.

Inside were all kinds of medicinal herbs, pills, cauldrons, silver needles, and other things.

Sun Minggu, Yue Daoyuan, Du Jingmo, and the other elders were studying the few fingers and needles behind the Nine Fingers of the Immortal Dao and the Taiji Divine Needle.

After Yang Luo completed the Nine Fingers of the Immortal Dao and the Taiji Divine Needle for them, they had been studying and pondering during this period of time.

There were also a few elders who were specially studying the “Myriad Dao Pill Canon” that Yang Luo had taught them and learning more powerful alchemy techniques.

At this moment.

“Elders, I have something to report!” A disciple rushed into the pavilion.

Sun Minggu frowned and said, "Didn't I tell you not to disturb us if there's nothing important?" The disciple hurriedly said, "It's about Elder Yang!" The fact that Yang Luo had become the honorary elder of the Immortal Medical Sect had already been made known to the disciples of the Immortal Medical Sect.

"About Mr.

Yang?!" "What's wrong with Mr.

Yang?!" "What happened to Mr.

Yang?!" Sun Minggu and the others quickly walked over.

They could ignore other things, but they were still very concerned about Yang Luo.

Moreover, they had already informed the disciples of the sect.

No matter what news there was about Yang Luo, they had to report it to them in time.

The disciple replied, "Something did happen to Mr.

Yang, but nothing happened" Sun Minggu immediately panicked, "What do you mean by something yet nothing happened?

Hurry up and explain yourself!" The other elders were also anxious.

The disciple hurriedly said, "Elders, don't be anxious.

Let me finish speaking" In the following period of time The disciple told Sun Minggu and the others what had happened to Yang Luo in the North Continent.

When they finished hearing the disciple's story.

Sun Minggu and the others were dumbfounded.

They did not recover from their shock for a long time.

After a while.

Sun Minggu took a few deep breaths and said, "Oh my god, how long has it been since Mr.

Yang left Central Continent?

He actually did so many shocking things!" Yue Daoyuan gulped and said, "Oh my god, I didn't expect Mr.

Yang to be so strong!

Not only did he survive the two battles between the Qilin family and the Black Tortoise family, but he also killed many Earth Immortals!" Du Jingmo sighed in admiration, "With Mr.

Yang's medical skills, alchemy skills, and strength, he's indeed worthy of the title of the number one prodigy of the Kunlun Ruins!" Sun Minggu sighed and said, "To be able to form a friendship with Mr.

Yang and make him our honorary elder, this is the best thing we did!

I really don't know what achievements Mr.

Yang will have in the future and what heights he will reach!" Yue Daoyuan said excitedly, "When Mr.

Yang completely grows up in the future, the status of our Immortal Medicine Sect will also rise with him!" Sun Minggu stroked his beard and said with a smile, "That's a must.

After Mister Yang steps into the Heavenly Immortal Realm, as long as he helps us a little, how can our Immortal Medicine Sect not rise?" Wang Junheng chuckled and said, "Everyone, since everyone is in such a good mood today, let's rest for a day and have a good gathering.

How about that?" "No problem!" "Let's have a drink today!" "I really hope Mr.

Yang can come back and visit us.

When the time comes, we'll drink and chat happily with Mr.

Yang!" Sun Minggu and the others laughed out loud.

Chapter 1598: Number One Prodigy Since Ancient Times!

At the same time East Continent.

In the Azure Dragon Family's territory.

As the number one top divine beast family in the entire Kunlun Ruins Here, the mountains and rivers were beautiful, and the spiritual energy was abundant.

186 tall mountains stood in the clouds, like dragons lying down.

It was majestic and magnificent.

Green-gold palaces and pavilions stood on the mountain.

Green dragon totems were engraved everywhere, making them look majestic.

At this moment.

On a huge mountain stood a young man and an old man.

The old man smiled gently and said, "Longyue, a few major events have happened in the Central Continent and the North Continent recently.

Do you want to hear them?" The old man was wearing a grayish-white robe.

His beard and hair were all white, and he looked like a sage.

This old man was an elder of the Azure Dragon Family called Ji Zechuan.

"Oh?" The young man looked curious, "Sixth Elder, what happened?" This young man was wearing a green robe.

He was tall and straight, with sharp eyebrows and starry eyes.

He was handsome.

He was the number one prodigy of the Azure Dragon Family, the eldest son of the current Patriarch, Ji Longyue.

Many members of the Azure Dragon Family had the surname Ji.

This surname was the surname of the ancient Yellow Emperor, Ji Xuanyuan.

After all, the Azure Dragon Family inherited the Azure Dragon bloodline and was the descendant of Yellow Emperor Xuanyuan.

Ji Zechuan stood with his hands behind his back and said, "Recently, a young man called Yang Luo has appeared in our Kunlun Ruins.

This young man has done many great things and is in the limelight" In the following period of time Ji Zechuan told Ji Longyue what Yang Luo had done in the Central and North Continents.

"This kid called Yang Luo is now known as the number one prodigy in the Kunlun Ruins since ancient times.

I wonder which sect such an outstanding junior is from." Ji Zechuan stroked his beard and smiled.

A hint of admiration appeared in his eyes.

"The number one prodigy since ancient times?" Ji Longyue's eyes flickered, "Interesting.

I want to meet this kid!" Ji Zechuan nodded and said, "Longyue, you've already stepped into the middle stage of the Earth Immortal Realm for a few months.

It's time for you to go out and take a walk.

The situation in the Kunlun Ruins has changed and outstanding juniors are appearing endlessly.

If you want to become stronger and take over the position of the head of the Azure Dragon Family in the future, you should comprehend more, experience more, and train more.

"You will definitely learn a lot from those outstanding juniors of the same age as you.

It will help you grow." "Alright!" Ji Longyue nodded heavily.

At the same time West Continent.

In the White Tiger Family's territory.

As the second top divine beast family in the Kunlun Ruins The White Tiger Clan was not much weaker than the Azure Dragon Clan.

The family was huge, and there were many experts.

It was night time.

Suddenly Dong!

A loud bang came from the back of the mountain!

The members of the White Tiger Family were alarmed and looked in the direction of the back mountain!

A platinum pillar of lightning soared into the sky and tore through the clouds in the sky!

"Did Eldest Young Master come out of the Eight Tribes Lightning Territory?!" "It must be.

And from the looks of it, Eldest Young Master's cultivation has probably broken through!" "Then what are we waiting for?

Let's go and take a look!" The clansmen spoke one after another and rushed to the back mountain.

At this moment.

In a valley in the back mountain.

The surrounding mountain walls were carved with ancient white tiger totems.

In the center of the valley was an array platform.

At this moment.

On the platform stood a burly young man with thick eyebrows and big eyes.

Lightning flashed on the young man's body, and his eyes were filled with platinum lightning.

His clothes were tattered, his body was covered in wounds, and he was covered in blood.

This young man was the eldest son of the current head of the White Tiger Clan, the number one prodigy of the White Tiger Clan, Baili Wushuang.

A middle-aged man and a few elders stood around the array platform.

The middle-aged man was the Patriarch, Baili Shengxuan, and the older men there were the elders of the family.

Baili Shengxuan laughed out loud, "Wushuang, good job.

Congratulations on stepping into the mid-stage Earth Immortal Realm!" "Wushuang is indeed the number one prodigy of our family.

His talent and comprehension are indeed shocking!" "At this rate, Wushuang will soon step into the True Immortal Realm!" The few elders also laughed heartily, feeling very gratified.

"Young Master is too powerful.

He stepped into the mid-stage Earth Immortal Realm at such a young age.

We can't compare to him!" "Of course.

Eldest Young Master is the number one prodigy of our family clan and is famous in the Kunlun Ruins.

Who doesn't know him?!" The clansmen who had rushed over also spoke up one after another and praised him.

Baili Wushuang shook his head and said, "Ji Longyue stepped into the middle stage of the Earth Immortal Realm a few months ago.

I can't compare to him after all." Baili Shengxuan smiled and said, "Wushuang, since you think you're inferior to Ji Longyue, then continue to work hard.

I believe that you can surpass Ji Longyue one day!" "I definitely will!" Baili Wushuang clenched his fists, his eyes filled with determination.

Baili Shengxuan smiled gently and said, "Wushuang, come over quickly.

We'll treat your injuries." "Alright!" Baili Wushuang nodded and jumped down from the platform.

While he was healing his injuries, Baili Wushuang asked, "By the way, Father, has anything happened in the Kunlun Ruins recently?" Baili Shengxuan said, "The Kunlun Ruins has been very lively recently.

Several major events have happened." "What is it?" Baili Wushuang's eyes lit up, "Father, hurry up and tell me." "Alright, then I'll tell you.

You should be very interested." Baili Shengxuan nodded.

Then, he told Baili Wushuang about the battle between the Qilin Family and the Black Tortoise Family in the North Province during the Alchemy Competition in the Central Province.

After listening to Baili Shengxuan's story, Baili Wushuang sighed and said, "I didn't expect so much to happen in the Kunlun Ruins during this period of time.

By the way, Father, who exactly is that Yang Luo?

He can actually suppress Ji Longyue to be known as the number one prodigy of the Kunlun Ruins?" "We don't know where this kid came from either." Baili Shengxuan shook his head and continued, "However, this kid is really outstanding.

People call him the Sword Immortal, the Medical Immortal, and the Pill Immortal." "Interesting, interesting!" Baili Wushuang laughed happily and said, "Father, I want to go and meet this kid!

If this kid is really capable, I'll become brothers with him!" "Alright!" Baili Shengxuan nodded and said, "Then go and meet him.

We also want to know if this kid is as outstanding as the rumors say!" "Alright!" Baili Wushuang nodded, his eyes flickering with lightning, "Yang Luo, I'll look for you"

Chapter 1599: Deep North Frost Domain!

On the other side White Tiger City.

Drunken Immortal Restaurant.

The restaurant was overcrowded and bustling.

A high platform was built in the center of the first floor.

A group of slender and beautiful women in colorful dresses were dancing on the stage.

The people around the stands cheered.

However, there were also many people discussing the major events that had happened in the Central Continent and the North Continent during this period of time.

“Who exactly is this kid called Yang Luo?

Not only is his alchemy skills so impressive, but he’s also so strong?” “Could he be a prodigy disciple of a large family or sect?” “But why haven’t I heard of this kid before?” “No matter what, this kid’s reputation has already overshadowed the reputation of the number one prodigy of the four top divine beast clans!” People were discussing non-stop and were very curious about Yang Luo.

At this moment.

On the second floor.

The Third Young Master of the White Tiger Clan, Baili Shaofeng, was hugging two beauties with both hands and drinking to pass the time.

There were also a few beauties sitting at the table.

They were in charge of serving tea and playing the pipa.

However, the discussion downstairs made his expression extremely gloomy.

Over the past few days, no matter where he went, he could hear people talking about Yang Luo, this dog.

When he thought of what happened in Black Tortoise City not long ago, he became furious.

Yang Luo, this dog, had embarrassed him in front of others and even injured Elder Baili Kongcheng.

Because this matter was too embarrassing, he did not tell the family about it.

When his family asked, he only said that he was injured while practicing martial arts.

However, he could not take this lying down.

“I really want to meet this young master called Yang Luo!” “That’s right.

I wonder how heroic this young master is!” At this moment, a few women started chatting, their eyes shining.

“Shut the fuck up!” Baili Shaofeng roared.

The women quickly shut their mouths and trembled in fear.

Baili Shaofeng pushed the two beauties away and stood up abruptly.

He strode to the edge of the second floor and looked down.

He said angrily, “Who does Yang Luo think he is!

In front of our White Tiger Family, he’s not even worth a fart!” The person downstairs was about to retort.

Seeing that it was Baili Shaofeng who was talking, he immediately shut his mouth.

It couldn't be helped.

The White Tiger Family was the number one family in the West Continent and the second top divine beast family in the entire Kunlun Ruins.

They could not afford to offend him.

Baili Shaofeng took a deep breath and said in a loud voice, "Just you wait.

It won't be long before I stomp this kid to death!" As soon as these words were spoken The crowd went silent.

"Could it be that this Third Young Master of the White Tiger Family has a grudge with Yang Luo?" "I can tell at a glance.

Otherwise, Third Young Master wouldn't be so angry!" "Sigh, this matter is not something we can interfere in.

Let's just wait and watch the show!" Everyone was puzzled and discussed softly.

Baili Shaofeng's eyes were vicious.

He had already decided to invite the elders of the family clan to kill Yang Luo in a few days!

On the morning of the sixth day.

In the Black Tortoise Family's territory.

Under the lead of Yi Hanshan and the others, Yang Luo and the others arrived at the Xuanming Mountain at the back of the mountain.

Xuanming Mountain was formed by nine mountains.

Each of them was more than a thousand meters tall and towered into the clouds.

The nine mountains formed a valley, and the mountain wall was carved with the ancient divine beast, the Black Tortoise Totem.

In the middle of the ancient times, a huge array platform was built.

Nine Xuanwu statues stood around the array platform, showing the nine forms of the Xuanwu.

On the other hand, the words “Deep North Frost Domain” were carved on the mountain wall of one of the mountains.

Yi Hanshan said, “Little Luo, this is the entrance to the Deep North Frost Domain!” “This is it?” Yang Luo glanced around and asked, “Could it be that we’re teleporting into the Deep North Frost Domain through the array platform?” “That’s right!” Yi Hanshan nodded with a smile and said, “As long as you climb onto the array platform and activate the teleportation array, you can enter the domain!” Bujie said excitedly, “Uncle Yi, what are we waiting for?”

Hurry up and send us in!” Tantai Puti also hurriedly said, “That’s right, that’s right.

Uncle Yi, quickly send us in!

I’ve never entered the Deep North Frost Domain before!

I really want to take a good look and see how this Deep North Frost Domain is different from our Vermillion Bird Clan’s Desolate South Fire Territory!” Xu Ying, Lin Wenxuan, Prajna, Ning Jianfeng, and the others were also very excited and couldn’t wait to enter.

“Everyone, don’t be anxious.

Let me finish.” Yi Hanshan raised his hand and continued, “This Deep North Frost Domain is very dangerous.

It’s an actual small world created by our Black Tortoise Family’s ancestor!

Once someone steps in, they might encounter all kinds of dangers!

Moreover, the Deep North Frost Domain will adjust the difficulty according to the potential and strength of the candidate!

Therefore, you must be careful and not force yourself!

If you can’t take it anymore, quickly use the Black Tortoise Jade Talisman to inform us.

We will activate the teleportation array and send you out!” Bujie grinned and said, “Uncle Yi, don’t worry.

With Brother Yang around, we will definitely be able to overcome all dangers!” “That’s right, that’s right!” Tantai Puti also smiled and said, “Moreover, there are so many of us going in together.

Even if we encounter danger, we can take care of each other.

We will definitely be fine!” “Alright, in that case, I’ll activate the teleportation array now and send you in!” Yi Hanshan nodded and handed Yang Luo a jade talisman, “Little Luo, I keep feeling that these little fellows are a little unreliable.

Take good care of them and don’t let them mess around!” “Uncle Yi, don’t worry.

I’ll take good care of them!” Yang Luo took the jade talisman and nodded.

Tantai Puti pouted and said, “Uncle Yi, how much do you not trust us?” Yi Hanshan laughed and said, “Don’t doubt you.

It’s mainly because your cultivation and strength are not as high as Little Luo’s.

Moreover, you’re not as stable as Little Luo.

Naturally, I’m worried.” “” Tantai Puti and the others were collectively speechless.

Yi Hanshan raised his hand and said, “Alright, let’s not talk anymore.

Hurry up and get on the array platform!” Then, Yang Luo and the others all ascended the array platform.

Yi Hanshan asked loudly, “Is everyone ready?” “Ready!” Yang Luo and the others replied in unison.

Yi Hanshan nodded.

Then, his body trembled as he mobilized the True Qi in his body.

He raised his hands and sent him into the array platform!

Then, he silently chanted the incantation and suddenly stepped down.

He shouted, “Activate the array!”

Chapter 1600: Trial Begins!

Before his voice could fade Rumble rumble rumble!

The entire array platform shook violently!

As the array platform shook, the surrounding mountains also shook!

In less than a few minutes.

Boom!

Boom!

Boom!

Nine beams of light that flickered with various colors soared into the sky from the nine black tortoise statues and pierced through the clouds!

The array patterns and runes on the array platform began to slowly rotate.

It was incomparably profound!

After a while Dong!

A nine-colored beam of light soared into the sky from the center of the array platform and enveloped Yang Luo and the others!

Yi Hanshan reminded them again, "Little Luo, you have to be careful.

Don't force yourself.

Remember to contact me quickly if there's anything!" "Alright!" Yang Luo and the others nodded in agreement.

Soon, as the beam of light dissipated, Yang Luo and the others disappeared from the array platform.

The entire array platform and the surrounding mountains also stopped trembling.

Mo Hongtu smiled and said, "I wonder how long these little guys can last inside." Lin Jingchen said, "With Little Luo leading the team, these little guys should be able to last a few more days." "That might not be the case." Yi Hanshan shook his head and said, "This Deep North Frost Domain adjusts the difficulty according to the strongest and candidates with most potential.

In other words, the Deep North Frost Domain will adjust the difficulty to a level comparable to Little Luo." Lin Jingchen said in surprise, "If that's the case, these little fellows will suffer.

After all, although Little Luo's cultivation is only at the mid-stage Earth Immortal realm, his combat strength is already comparable to the late-stage Earth Immortal realm." Ning Shenghong laughed and said, "That's great.

These little fellows should train well.

Otherwise, when will these little fellows grow up?" Qin Daoxuan rolled his eyes and said, "Brother Ning, is there a father like you?

Aren't you afraid that Jianfeng will encounter danger inside?" Ning Shenghong snorted coldly and said, "If this little brat can't even withstand such a small danger, how can he inherit the position of the Patriarch of my Soaring Serpent Family in the future?" "That's true." Qin Daoxuan nodded and said, "These little fellows should indeed train well." Yi Hanshan smiled and said, "Then let's see how long these little guys can last!" "Alright!" Everyone nodded.

At this moment.

Yang Luo and the others felt the space in front of them distort and the world spin.

When they stabilized their bodies The scene in front of him changed drastically.

As he cast his eyes in front What greeted his eyes was a world of ice and snow.

It was white and he could not see the end.

The ground was covered in thick ice, and ice mountains rose and fell, looking majestic.

There were also ice rivers flowing, and huge ice cubes floated on the river.

Moreover, the temperature here was extremely low, and the surroundings were filled with cold air.

Even though they were all cultivators, they could not take it anymore.

Bujie's entire body was trembling, and his teeth were chattering.

"Oh my god Is this the Deep North Frost Domain Why is it so cold" "It's indeed too cold.

It's simply bone-chilling!" "Forget about the trial, just staying here can freeze people to death!" "I wonder what kind of trial is waiting for us here!" Ning Jianfeng and the others also spoke one after another, trembling from the cold.

Even Tantai Puti and Yi Yuanheng, who were at the early-stage Earth Immortal Realm, could not withstand it.

Yang Luo was also affected a little, but fortunately, he could still withstand it.

"Brother Yang, can't you feel the cold?" Tantai Puti took a deep breath and asked.

Bujie smacked his lips and said, "Sister Puti, didn't I say that Brother Yang is a monster?"

You can't look at him like an ordinary person." Yang Luo glared at Bujie and said, "If everyone can't take it anymore, quickly circulate your energy to resist.

Don't take it head-on!" "Yes!" They all nodded in unison.

"Let's go forward and take a look!" Yang Luo waved his hand and reminded everyone, "Everyone, stay vigilant.

Danger can happen at any time!" "Alright!" Everyone nodded in agreement.

Then, under Yang Luo's lead, everyone walked forward.

Bujie asked Yi Yuheng, "Brother Yi, you should have entered this Deep North Frost Domain before, right?

What kind of trial will there be?" Yi Hengyu said, "I've indeed come in a few times, but the trials in the Deep North Frost Domain are different every time.

Therefore, I'm not sure what kind of trial we'll experience" Right after he finished his sentence Hu!

Hu!

Hu!

Hu!

Suddenly, a violent wind blew in the world, and huge tornadoes blew!

Yang Luo exclaimed, "The trial has begun.

Everyone, be careful!" Everyone remained extremely vigilant and prepared for the trial.

Big White's body expanded by more than twenty meters, and it stood proudly on the ground.

The Hundred Cry Bird's body expanded by more than 30 meters and soared in the sky.

The number of tornadoes kept increasing, from a few to hundreds, crushing over from all directions!

Boom!

Boom!

Boom!

The ice mountains were shattered one after another, and a large number of ice rocks were sucked in.

They were like huge ice pillars that connected the world!

The moment the tornadoes crushed over!

"Counterattack!" Yang Luo let out a thunderous roar.

He clenched his fists and blasted at the incoming tornado!

He did not use a sword immediately.

Instead, he planned to cultivate his martial arts first and train his physique!

Golden fists struck out one after another, shaking the world and shaking the surroundings!

“Vermillion Bird Divine Palm!” Tantai Puti did not summon the Vermilion Bird Sword.

Instead, she formed palms and mobilized the Vermilion Bird Divine Flame in her body to slap out!

Flaming palms slapped out one after another, as if they wanted to burn everything!

“Dark Nether Killing Fist!” Yi Hengyu clenched his fists and condensed huge ice-blue fists that blasted out!

“Dragon Claw Hand!” “Shadowless God Palm!” “Divine Movement Eight Desolates Palm!” “Black Scale Tyrant Killing Fist!” Bujie, Xu Ying, Mo Qingkuang, Lin Wenxuan, and the others did not use their weapons either.

They swung their fists, palms, and claws as they attacked the tornadoes!

Big White clenched his fists and unleashed a barrage of punches!

The Hundred Cry Bird flapped its wings and shot out scarlet flames!

Boom!

Boom!

Rumble!

Accompanied by a series of world-shaking collisions and explosions!

The tornadoes were destroyed one after another, turning into turbulent waves that spread out!
