Chapter 1611: Hell Fiend Emperor Comes Out Of Seclusion!

At the same time In the secular world.

In a certain part of the Pacific Ocean.

Hell Island, Hell Fiend Palace headquarters.

Because of the time difference, it was late at night.

At this moment.

Dong!

A black beam of light shot into the sky from a volcanic island, scattering a large sea of clouds in the sky!

This island was called Hellfire Island and was the cultivation ground of the Hell Fiend Emperor!

For a moment The people on the island and the surrounding islands were alarmed.

Everyone turned to look at Hellfire Island.

Nine figures soared into the sky from the main island and landed steadily on the nine mountains.

These nine people were the nine Demon Kings under the Hell Fiend Emperor.

Darkness Demon King, Sin Demon King, Bloodthirsty Demon King, Battle Demon King, Fallen King, Demon King of Destruction, Slaughter King, Prophet Witch, and Sea Spectre.

Because the Hundred-Armed Demon King was already dead, there were only nine Demon Kings left.

As the black beam of light soared into the sky!

Rumble!

A series of muffled thunder sounded on Hellfire Island!

There were even lava waves that soared into the sky, as if they were connecting the sky and the ground!

Whoosh!

Whoosh!

Accompanied by the huge lava wave, a black fog soared into the sky from Hell Fiend Island and instantly enveloped the sky above the entire Hell Fiend Palace!

Dark clouds rolled in the sky and black fog filled the sky, causing the entire Hell Fiend Palace to fall into darkness!

“Oh my god, is the Fiend Emperor coming out of seclusion?!” “That must be it.

The Fiend Emperor has been in seclusion for so long.

He’s finally coming out!” “As long as the Fiend Emperor comes out of seclusion, our Hell Fiend Palace will reach the top of the Dark World!” “That’s for sure.

The Fiend Emperor's cultivation and strength must have increased!" The people from Hell Fiend Palace shouted excitedly as they stared intently at Hellfire Island.

Lawrence, the commander of Country Stars & Stripes, was also extremely excited.

For the past few months, he had been staying here and could not go anywhere.

This made him feel very aggrieved.

Now that the Hell Fiend Emperor was about to come out of seclusion, he was finally free.

More importantly, he could finally take revenge!

After a short wait Dong!

Accompanied by a loud bang!

A majestic figure soared into the sky from Hellfire Island!

Everyone looked up at the figure in the sky, their eyes filled with fanatical admiration and reverence!

Standing in the sky was a huge man whose entire body was flickering with black light and surrounded by black fog!

The huge man had curly black hair and a thick black beard.

His face was rough.

His open chest was wide and majestic.

A scar that was dozens of centimeters long spread down from his chest, looking sinister and terrifying.

This huge man was the master of Hell Fiend Palace, an expert on the World Divine Ranking “ Hell Fiend Emperor!

The Hell Fiend Emperor merely stood there.

But the pressure and aura emitted from his body made everyone present tremble in fear.

Everyone knelt down.

Lawrence and the nine demon kings also knelt on one knee.

“Greetings, Fiend Emperor!” Everyone was respectful and pious to the extreme.

“Get up!” The Hell Fiend Emperor raised his hand.

Only then did everyone dare to stand up.

The Darkness Demon King asked respectfully, “Fiend Emperor, has your cultivation broken through?”
The Hell Fiend Emperor said indifferently, “I’ve already stepped into the perfected Earth Fiend realm.

Unfortunately, I’m still one step away from becoming a True Fiend.

The Spirit Qi in this world is too thin after all.

It can’t satisfy my needs.” An Earth Fiend was equivalent to an Earth Immortal, while a True Fiend was equivalent to a True Immortal.

After all, only the few demon kings knew that the Hell Fiend Emperor came from a bonafide demonic race.

Therefore, cultivation was based on the Demon Race's system.

The Darkness Demon King said fervently, "Fiend Emperor, now that you've stepped into the perfected Earth Fiend realm, I'm afraid no one in this world can compare to you!" "That's right, that's right!" The Sin Demon King also had an excited expression, "The old Divine Emperor of the Holy Imperial Court has already disappeared.

Under your lead, our Hell Fiend Palace will become the ruler of this world!" The Bloodthirsty Demon King said excitedly, "I hope the Fiend Emperor can lead us to sweep through all enemies and step onto the peak of the world!" "Sweep through all enemies and step onto the peak of the world!" "Sweep through all enemies and step onto the peak of the world!" Everyone from Hell Fiend Palace raised their arms and shouted.

The Hell Fiend Emperor narrowed his eyes and said, "I reckon that the Holy Light Pope and the Heavenly God Emperor have also broken through and are comparable to me!

Only when I step into the True Demon Realm can I become the number one person in the world!" The Battle Demon King chuckled and said, "Fiend Emperor, the Holy Light Pope and the Heavenly God Emperor are our allies!

As long as you join forces with the two of you, there will be no one in this world who can match you!" "That's right." The Hell Fiend Emperor nodded.

Then, he scanned his surroundings and asked, "Why isn't Barrados here?" Barrados was the Hundred-Armed Demon King.

Upon hearing the Hell Fiend Emperor's words, Everyone's faces were filled with grief and anger.

The Darkness Demon King said sadly, "Fiend Emperor, Barrados has been killed!" "What?!" The Hell Fiend Emperor's expression changed as he roared angrily, "What's going on?!"

Who killed Barrados?!" His voice was like rolling thunder that resounded throughout Hell Fiend Palace's territory!

Everyone trembled in fear and lowered their heads, not daring to meet the Hell Fiend Emperor's gaze!

The Battle Demon King roared out furiously, "Fiend Emperor, many things happened outside while you were in seclusion!

Barrados was killed by Yang Luo!" "Yang Luo?" The Hell Fiend Emperor gritted his teeth, "Why is it this brat again?!

Why is this kid always going against us!

Does he really think I can't kill him?!" At this moment, Lawrence also ran out and hissed, "Fiend Emperor, I also have a blood feud with Yang Luo!

I hope that the Fiend Emperor can avenge me!

As long as you can avenge me, you will be the best friend of Country Stars & Stripes!

In the future, no matter what you want, I can give it to you with both hands!" "Lawrence, why are you here?" The Hell Fiend Emperor asked with a frown.

Lawrence said with a sobbing tone, "Fiend Emperor, it's a long story" The Hell Fiend Emperor's expression darkened.

He said in a low voice, "Let's go back to the palace and talk to me about what happened during this period of time!" "Yes!" The Darkness Demon King and the others replied in unison.

Thereafter, the Hell Fiend Emperor flew towards the palace on the main island.

The Darkness Demon King and the others hurriedly followed

Chapter 1612: I've Finally Waited For This Day!

At this moment.

In the Olympus Mountain area.

Inside the barrier, in the territory of the Heavenly Shrine.

Golden and silver palaces sat on the mountain, looking majestic.

Many guards in armor and holding weapons were patrolling.

At this moment.

Dong!

A loud boom sounded from the back of the mountain!

A purple-gold beam of light soared into the sky from a huge mountain and pierced into the clouds!

The people from the Heavenly Shrine were alarmed and looked in the direction of the back mountain!

Ten figures rushed out of the ten palaces and looked in the direction of the back mountain!

These ten people were the ten Chief Gods under the Heavenly God Emperor.

They were also called the ten Overlords by the secular world!

Eternal Overlord, Light Overlord, Sky Overlord, Darkness Overlord, Lady Wisdom, Flame Overlord, Earth Overlord, Storm Overlord, Ice Overlord, Deep Sea Lord!

Originally, there were 11 Chief Gods under the Heavenly God Emperor, but because the Lightning Overlord had already been killed by Yang Luo Now, there were still ten left!

A magnificent palace sat on the mountain that the light beam shot up.

It was the cultivation place of the Heavenly God Emperor, the Allheaven Palace!

As this beam of light soared into the sky!

Rumble rumble rumble!

The entire palace, the entire mountain, and the surrounding mountains shook violently!

The world trembled and the mountains shook.

It was incomparably terrifying!

“What’s going on?

Why is there such a huge commotion at the back of the mountain?!” “Could it be that Lord God Emperor’s cultivation has broken through, or is he coming out of seclusion?!” “Looking at the current situation, I’m afraid the Lord God Emperor is really going to come out of seclusion!” “Good, good.

Lord God Emperor is finally coming out of seclusion.

It’s only a matter of time before our Heavenly Shrine conquers the Dark World!” Everyone discussed in surprise, their eyes filled with anticipation.

After a while A figure shimmering with purple-gold light flew out of the Allheaven Palace and stood in the sky!

It was a tall middle-aged man in a purple-gold robe with three-dimensional facial features and long golden curly hair!

This middle-aged man was the master of the Heavenly Shrine, an expert on the World Divine Ranking—the Heavenly God Emperor!

The Heavenly God Emperor stood quietly in the sky.

His aura was thick and powerful, and his pressure was peerless.

He was really like a god descending!

“Greetings, Lord God Emperor!” The ten Chief Gods and everyone present knelt on one knee with extremely respectful expressions!

“Get up.” The Heavenly God Emperor raised his hand and said calmly.

Although his voice was not loud, it entered everyone’s ears.

Everyone present stood up and looked at the Heavenly God Emperor with reverence.

They looked at the supreme god in their hearts.

The Eternal Overlord asked respectfully, “Lord God Emperor, why did you choose to come out of seclusion now?” The Heavenly God Emperor stood with his hands behind his back and said, “My cultivation has already stepped into the perfected Earth God Realm.

In the end, I can't take another step forward!

Moreover, the Divine Master of the Heavenly Universe Divine Clan has already given me a mission.

I have to complete the first step of the grand plan as soon as possible!

Therefore, it's time for me to come out of seclusion!" An Earth God was equivalent to an Earth Immortal, and a True God was equivalent to a True Immortal.

However, because the Heavenly God Emperor came from the Heavenly Universe Divine Clan, the cultivation system of the Heavenly Universe Divine Race had always been his main cultivation path.

"Really?!" Eternal Overlord was extremely excited, "The Divine Master gave you a mission?!"

Could it be that the lords of the Heavenly Universe Divine Clan are about to descend into this world?!" The Heavenly God Emperor shook his head and said, "It's still too early for the lords to descend into this world.

After all, now is not the right time.

When the time was ripe, the lords would naturally descend.

However, the Divine Master has already promised me that if necessary, he will send gods to the lower realm to help us." "Good, that's great!" "With the help of a True God, we will definitely be able to complete the mission given by the Master God!" The Eternal Overlord and the others were extremely excited.

Suddenly, Heavenly God Emperor frowned and said, "Why isn't Thunder here?" Hearing this Grief and anger appeared on the faces of the ten lords.

The Eternal Overlord gritted his teeth and said, "Lord Divine Emperor, Thunder has been killed" He had only just finished speaking.

Rumble!

A series of thunderclaps exploded in the sky!

Waves of terrifying pressure and aura spread out from the Heavenly God Emperor's body, sweeping through the world!

Everyone present was silent, their legs trembling.

"Who killed him?" The Heavenly God Emperor asked coldly.

The Eternal Overlord said ruthlessly, "It's that kid called Yang Luo!" "Yang Luo It's actually this kid again!" Killing intent flickered in the Heavenly God Emperor's eyes, "This kid has repeatedly offended the gods.

He really deserves to die!" He took a deep breath and said, "Tell me first what happened during this period of time!

After that, I will naturally kill that kid!" "Yes!" The ten lords replied in unison.

On the other side The Vatican.

It was evening here.

At the headquarters of the Holy Light Church.

Rumble rumble rumble!

At this moment, the entire St.

Peter's Cathedral shook violently!

As the church shook, the entire Vatican and even the neighboring Euro Domain countries shook!

The Vatican believers looked in the direction of the church piously.

They placed their hands in front of their chests and prayed!

The square in front of the church was already filled with people!

Michael, Gabriel, Uriel, Raphael, Raquelle, Sariel, and Remuel were all present.

Many Cardinals, white-robed bishops, and Holy Light Knights were also present.

They all knew that today was the day the Holy Light Pope came out of seclusion.

Therefore, they had been waiting here for a long time.

They waited from day to night.

And right at this moment Dong!

A nine-colored beam of light shot into the sky from the church and broke through the clouds in the sky!

The dazzling nine-colored light covered the entire sky above the church and even the entire Vatican!

All the believers were bathed in the nine-colored holy light, as if their souls had been released!

Michael said with an excited expression, "Holy light has filled the sky, and the Pope is about to come out of seclusion!" "The Pope is finally coming out of seclusion!" "We've finally waited for this day!" Gabriel and the others were also excited.

A few more minutes passed.

A figure with nine-colored light flickering on its body soared into the sky from the church and stood in the sky.

It was an old man wearing a golden robe and a golden crown.

He held a golden scepter and had a golden cross on his chest.

Although the old man was thin, his divine might was peerless and made everyone submit.

He was the master of the Holy Light Church, an expert on the World Divine Ranking—the Holy Light Pope!

Chapter 1613: Spirit Prison Abyss!

"Greetings, Your Holiness!" Everyone knelt down and worshipped him.

The Holy Light Pope's voice was like a bell, "God loves the world and lives forever.

Amen!" "Amen!" Everyone shouted fanatically in unison.

"Stand up, everyone!" The Holy Light Pope raised his hand.

Everyone present stood up.

Michael asked respectfully, “Your Holiness, have you made a breakthrough?” Gabriel and the others also looked at the Holy Light Pope.

The Holy Light Pope smiled and said, “I’ve already stepped into the True God Realm.” “What?!”

You’ve already stepped into the True God Realm?!” “Is this for real?!” Michael and the others trembled with excitement.

They knew very well that the Holy Light Pope was the spokesperson of the Holy Light Church.

In the past, the Holy Light Pope was only an Earth God.

Now that he had stepped into the True God Realm, he could be considered an actual God.

A True God could turn the clouds and rain with a flip of his hand.

He could move mountains and fill the seas.

He was incomparably powerful!

How could they not be excited?

“Of course it’s true.” The Holy Light Pope nodded.

“Congratulations, Your Holiness, on becoming a True God!” Michael and the others cheered excitedly.

“Your Holiness, may I ask if the gods have any instructions?” Raquelle hurriedly asked.

The Holy Light Pope replied, “The gods have asked us to complete the first step of the plan first!

When the first step of the plan is completed and the time is ripe, the gods will descend into the world!" "Great, that's great!" "I can finally see the heroic bearing of the gods!" "I hope that in the future, the gods will take a fancy to us and lead us to the Divine Realm!" Michael and the others exclaimed in excitement as they looked forward to a beautiful future.

"As long as you complete the mission given by the gods, you will naturally be appreciated by the gods and will be brought to the Divine Realm!" The Holy Light Pope smiled faintly and landed steadily on the square.

He walked toward Michael and the others.

As the Holy Light Pope walked over.

Michael and the others' faces were flushed with admiration.

"Raquelle, where's your left arm?" The Holy Light Pope looked up at Raquelle and frowned.

Hearing the Holy Light Pope's words, Raquelle's eyes immediately turned red as he said in a hoarse voice, "Your Holiness, many things have happened outside while you were in seclusion!

As for my arm, it was cut off by that kid called Yang Luo!" Uriel also said, "We wanted to help Raquelle get his arm back, but that little bastard crushed Raquelle's arm!" Right after he finished his sentence "D*mn it!" The Holy Light Pope was furious and let out a thunderous Roar!

Following his roar The entire church, the square, and even the entire Vatican shook!

The Holy Light Pope's calm and peaceful face had become incomparably ferocious!

Many people were so frightened that they knelt on the ground!

Raquelle said angrily, "Your Holiness, this little bastard has ruined many of our matters.

He has long formed a life-and-death feud with our Holy Light Church!

We've been waiting for you to come out of seclusion and help us get rid of this kid to take revenge!" The Holy Light Pope narrowed his eyes and said, "Could it be that even the seven of you are not that kid's match?" Michael said with a vicious expression, "Your Holiness, that kid is an anomaly.

He's growing at a rapid rate!

Not long ago, we released the three demons of the Blood Race and wanted them to help us complete our grand plan!

However, I didn't expect that even though the three demons had sucked the blood of nearly 100,000 people and returned to their peak, they were still killed by that kid!" "That's right!" Gabriel also took over.

"Your Highness, that kid is really strong.

We're not his match at all!" "Looks like this kid is not an ordinary person.

However, it's fine.

I've already stepped into the True God Realm.

Killing him is as easy as flipping my hand." The Holy Light Pope sneered and said, "Raquelle, don't worry.

When the gods descend into the world, I'll ask the gods to let your left arm grow again!" "Thank you, Your Holiness!" Raquelle quickly bowed and thanked him.

The Holy Light Pope nodded and said, "Let's go into the church and tell me what happened during this period of time!

Also, tell me about that kid!” “Yes!” Michael and the others responded in unison.

Then, the Holy Light Pope led the seven Guardian Angels towards the church.

Only until they saw the Holy Light Pope enter the church.

Did everyone retract their gazes and leave.

Kunlun Ruins.

After a day and night of traveling, Yang Luo and the others finally arrived at Central Continent.

After arriving in Central Continent.

Yang Luo stayed in the Supreme Sect for a good half day.

Then, he went to the Immortal Medical Sect to visit Sun Minggu and the others and gathered with everyone.

The next morning.

After bidding farewell to the people from the Supreme Sect and the Immortal Medicine Sect, Yang Luo and the others boarded three ancient boats and flew to the South Continent.

After traveling for more than half a day, Yang Luo and the others arrived at the South Continent.

After entering the South Continent Everyone clearly felt that the temperature had changed drastically.

Even though it was already dusk, it was still very hot.

Bujie smacked his lips and said, "This South Continent is really hot.

It's completely the opposite of the North Continent!" Tantai Puti smiled and said, "Stinky monk, you can't take this little heat?

You have to know that the further south one went, the hotter the temperature would be.

In particular, our Vermillion Bird Family is located in the hottest place in the South Continent.

The temperature is several times higher than here." "What the f**k!" Bujie shrunk his neck and said, "We won't be roasted, right?" Hearing Bujie's words, everyone laughed out loud.

At this moment.

Tantai Puti rolled his eyes and said, "There's a forbidden area 500 miles away from us.

It's called the Spirit Prison Abyss!

Why don't we go there and take a look?

It might be helpful for everyone's cultivation and strength to increase!" "Spirit Prison Abyss?" A hint of fear appeared in the eyes of the prodigy of the Phoenix Clan, Qin Zhanhuang, as he said, "Are we sure we want to go there?" The prodigy of the Bi Fang family, Qiao Yarou, said, "It's dangerous there.

If we go there, it's very likely that we won't be able to come out!" Gu Pengfei of the Great Roc Clan also said, "Yes, that place is indeed very dangerous.

Why don't we forget about it?" The three great clans were all in the South Continent, so they naturally knew about the forbidden area, the Spirit Prison Abyss.

Yang Luo asked curiously, "What kind of place is this Spirit Prison Abyss?"

Is it really very dangerous?"

Chapter 1614: When Can I Soar through the Nine Heavens!

Tantai Puti replied, "The Spirit Imprisoning Abyss is a mountain range in the South Continent.

It's dark there all year round and is enveloped by a sinister aura!

All humans and beasts with insufficient Spiritual Strength would have their souls absorbed and imprisoned there forever!

These souls that had been imprisoned there for a long time would become very ferocious!

Anyone who stepped in would be attacked!

Once you die there, your soul will also be imprisoned there!" "F*ck me!" Bujie's lips twitched, "Is it that terrifying?!" Prajna's face turned pale, "Sister Puti, why don't we forget about it?"

Let's not go!" Lin Qingyao also laughed dryly and said, "That's right.

Let's go straight to the Desolate South Fire Territory to train.

Let's not go to the Spirit Prison Abyss!" Bai Chuxia also shook her head repeatedly, "Don't go, don't go!

I won't go to such a terrifying place even if you kill me!" "It's better not to go to such a gloomy place." Qiao Yarou echoed.

And yet However, Yang Luo's eyes lit up, and he said, "We naturally have to go to the Desolate South Fire Territory.

We also have to go to the Spirit Prison Abyss!" Soon, he would leave the Kunlun Ruins.

He wanted to take advantage of this period of time to train and strive to achieve another breakthrough in his cultivation and strength.

"Ah?" Prajna, Lin Qingyao, Qiao Yarou, and Bai Chuxia were dumbfounded.

Bujie said in amusement, "Girls, have you gone silly?

You've been with Brother Yang for a period of time.

Don't you understand his personality?

Brother Yang is not a normal person.

He's a pervert among perverts.

In order to become stronger, he dares to go anywhere!" Bang!

Yang Luo knocked on Bujie's bald head and he rubbed his head in pain.

Then, Yang Luo looked at everyone present and said, "If you don't want to go, you can go to Fire Phoenix City first.

If you're willing to go, set off with me." They originally planned to stay in Fire Phoenix City for a while.

It was only after Tantai Puti raised this suggestion that he changed his mind at the last moment.

Hearing this Everyone looked at each other.

“Brother Yang, since I’m the one who suggested it, I definitely have to go!” Tantai Puti stood out.

“I’m not far from stepping into the Earth Immortal Realm.

I have to seize every opportunity to train.

I don’t want to miss this trial!” Mo Qingkuang stood up.

Bujie grinned and said, “Brother Yang, I definitely have to go!” “I’ll go too!” “Count me in!” Xu Ying, Lin Wenxuan, Ning Jianfeng, Qin Zhanhuang and the others also stood out.

Big White, who was standing on Yang Luo’s shoulder, also raised its hand and whined.

It was obvious that it wanted to follow.

Now, only Prajna, Lin Qingyao, Bai Chuxia, and Qiao Yarou were left.

Yang Luo looked at the four women and said, “Why don’t you wait for us in Fire Phoenix City?” “Hmph!” Lin Qingyao snorted and said, “Brother Yang, are you looking down on us?

If all of you go, how can we fall behind!” “We’ll go too!” Prajna, Bai Chuxia, and Qiao Yarou all made a decision.

“Very good!” Yang Luo laughed loudly and said, “Then let’s go together!

Who cares if it’s the Spirit Imprisoning Abyss or the Ghost Imprisoning Abyss?

Let's just barge through!" "Alright!" Mo Qingkuang and the others shouted in unison.

At this moment.

The head of the Phoenix Clan, Qin Daoxuan, frowned and said, "Little Luo, the Spirit Imprisoning Abyss is very dangerous.

Are you really going?" The head of the Bi Fang family, Qiao Yingjie, said, "Little Luo, it's fine if it's just you, Puti, and Hengyu.

After all, the three of you are all Earth Immortals.

Even if you encounter danger, you can retreat at any time.

However, Yarou and the others' cultivation and strength are ultimately inferior to yours.

If they go with you, I'm afraid it will be dangerous." The clan leader of the Roc Clan, Gu Yunpeng, said, "If you really want to go, how about we accompany you?" Gu Pengfei looked at Gu Yunpeng with determination in his eyes and said, "Father, I want to act alone this time and follow Brother Yang into the Spirit Imprisoning Abyss!

If I continue to be protected by you, when will I be able to spread my wings and soar into the sky!" Qin Zhanhuang looked at Qin Daoxuan and said, "Father, let me act alone.

We've even barged into the Deep North Frost Domain.

Are we still afraid of this Spirit Imprisoning Abyss?" "Father, I want to become stronger too!" Qiao Yarou also waved her fist.

Qin Daoxuan sighed softly and said, "Since the children are so persistent, as elders, we should support them!

Let them go.

With Little Luo around, they should be fine!” Gu Yunpeng said, “Little Luo, please take care of these little fellows!” Qiao Yingjie also said, “Don’t let them do anything rash!” Yang Luo cupped his hands and said, “Uncle Qin, Uncle Gu, Uncle Qiao, don’t worry!

I will safely bring everyone out of the Spirit Prison Abyss!” “Alright!” The three of them nodded heavily.

Then, Yang Luo and the others boarded an ancient boat and flew towards the Spirit Prison Abyss.

Qin Daoxuan, Gu Yunpeng, and Qiao Yingjie flew to their family homes with their men.

Yang Luo and the others continued to fly west on the ancient boat.

After flying for more than 500 kilometers, “Everyone, that’s the Spirit Imprisonment Abyss!” Tantai Puti pointed into the distance.

Yang Luo and the others looked up.

In the distance, it was dark and gloomy.

Clouds surged, and Yin energy soared into the sky.

Below was a continuous black mountain range.

Even though they were two to three miles away, everyone could still hear waves of wild shrieks and howls that made their hair stand on end!

One could even see black, white, and blood-colored ghosts floating in the forest!

Other than the bare mountains, there were no plants in the entire mountain range!

No plants could survive in such a sinister and terrifying place!

Yang Luo took out the Dragon Emperor Sword and said in a loud voice, "Brothers, prepare for battle!" "Yes!" Everyone responded loudly and heightened their vigilance.

Some weapons took out their weapons, while others took out their Dharma artifacts and prepared for battle.

"Let's go!" Yang Luo waved his hand and steered the ancient boat towards the Spirit Imprisoning Abyss.

As the ancient boat approached, everyone looked down and felt their scalps tingle as they gasped.

There were bones everywhere, as well as tattered clothes, weapons, and artifact fragments.

White bones piled up into small mountains that were incomparably terrifying.

It was unknown how many people and beasts had died here.

Chapter 1615: Power of Darkness!

However, the moment Yang Luo and the others barged into the Spirit Prison Abyss!

"Wuwuwu" "Eeeee" A series of sounds that sounded like the howls of ghosts resounded.

Right on the heels of that, countless white, red, and black Yin spirits soared into the sky from the mountains and pounced at Yang Luo and the others!

"Fight!" Yang Luo roared and soared into the sky from the ancient boat, charging at the Yin spirits!

Tantai Puti and Yi Yuheng also flew out and charged at the Yin spirits!

The Hundred Cry Bird's body instantly enlarged by more than 30 meters.

It flapped its wings and followed Tantai Puti to attack!

"ROAR!" Meanwhile, Big White leaped down from Yang Luo's shoulder, and its body instantly expanded by more than thirty meters.

It landed on a huge mountain and attacked the Yin spirits!

Thus, after passing the trial in the Northern Dark Frost Domain, Big White's body was able to continue to grow.

It grew from more than twenty meters to more than thirty meters, and it became even more mighty and majestic!

After destroying the first wave of Yin spirits!

Big White continued to charge forward, leaping from mountain to mountain!

Long, long, long Every time it landed on a huge mountain, Big White would step on it until it caved in more than ten meters!

Rocks flew everywhere, smoke and dust rolling about.

It was incomparably terrifying!

Mo Qingkuang and the others stood on the ancient boat and attacked the Yin spirits!

“Cut!!” Yang Luo waved the sword in his hand and slashed out!

Swoosh!

The huge golden sword tore through the sky, drawing a golden crescent arc in the air, illuminating the darkness!

Boom!

Boom!

Boom!

The first wave of Yin spirits that came charging over were all wiped out!

But soon, the second wave and the third wave of Yin spirits charged forward one after another!

Yang Luo also realized that these Yin spirits had already turned into evil spirits here and could no longer be exorcised!

Therefore, other than killing them, there was no other way!

These Yin spirits continued to charge over!

Yang Luo swung his sword again!

Whoosh!

Whoosh!

Whoosh!

Whoosh!

Countless golden flying swords shot towards the Yin spirits!

Puff!

Puff!

Puff!

The Yin spirits were all turned into sieves, turning into fragments that dissipated into the sky!

Then, Yang Luo's body trembled!

"Sea of Purgatory Fire!" Whoosh!

Whoosh!

The fierce and violent Pure Yang Primordial Fire spewed out of his body, turning into a monstrous sea of fire that surged towards the Yin spirits!

The Pure Yang Primordial Fire and even the flames of extreme Yang could restrain some darkness and evil!

The Yin spirits that pounced over were drowned by the sea of flames and burned to ashes!

However, at this moment Yang Luo suddenly felt the pores on his body open.

He was actually absorbing the power of darkness here!

As he absorbed the power of darkness, he felt that the dark attribute power in his body was slowly strengthening!

Only then did Yang Luo react!

That's right, he had already mastered the dark attribute power!

And the power of darkness contained in the Spirit Imprisoning Abyss was extremely majestic, so his body reflexively began to absorb it!

Yang Luo was delighted!

His Origin Fire Elemental Power and Thunder Elemental Power were the strongest!

After absorbing the Black Tortoise Blood Essence, he had obtained the Xuanming Power.

The ice attribute power in his body had also strengthened countless times.

Now, it was not inferior to the fire attribute power and the lightning attribute power at all!

It would be even better if the other attributes in his body could be strengthened!

It seemed that coming to the Spirit Imprisoning Abyss was indeed the right choice!

Therefore, as Yang Luo attacked those Yin spirits, he absorbed the power of the dark attribute and launched a huge battle in the sky!

“Vermillion Bird Burning Heaven Sword!” “Vermillion Bird Divine Flame!” Tantai Puti also continuously brandished the Vermilion Bird Sword, slashing at the Yin spirits.

Moreover, he erupted with the Vermilion Bird Divine Flame in his body!

Those Yin spirits that pounced over were either destroyed or incinerated by the flames!

“Xuanming Heaven-Slaying Spear!” “Torrential Ice River!” Yi Hengyu kept waving the spear in his hand and sweeping it at the Yin spirits!

As he brandished his spear, he also erupted with the Xuanming power in his body, unleashing ice rivers that froze the Yin spirits!

Then, the ice river shattered, and the Yin spirits were directly reduced to ashes!

At this moment.

Yang Luo, Tantai Puti, Yi Yunhe, and the Hundred Cry Bird cleared the way in the sky ahead!

Meanwhile, Big White led the way below!

Mo Qingkuang and the others rode on the ancient boat and followed closely behind!

“Divine Movement Eight Desolates Palm!” “Five Elements Immortal Light!” Mo Qingkuang stood at the front of the ancient boat and struck out palm after palm.

Five-colored immortal rainbows erupted from his body and shot out!

“Six Syllable Sanskrit Mantra!” “Subduing Dragons and Tigers!” Bujie kept swinging the Dragon-Mark Buddhist Staff and sweeping it out, chanting the Six Syllable Sanskrit Mantra!

“Om mani padme hum!” Golden ancient words and swastika runes that filled the sky flew out and enlarged continuously.

They shone with a dazzling golden Buddhist light and attacked!

“Floating Light and Shadow!” “Tens Thousand Feet Crossing the Sky!” Meanwhile, Xu Ying kept waving the Dragon Sparrow Saber in his hand and slashed out with all his might!

White-gold light blades tore through the dark clouds and darkness and slashed at the Yin spirits!

Countless platinum-colored sabers shot out at the same time!

“Qilin Divine Spear!” “Void Death!” Lin Wenxuan held his spear and swept it out wildly.

The spear qi was like a dragon with a torrential aura!

Those Yin spirits were wiped out in large numbers!

Void vortexes even appeared in the sky and devoured the Yin spirits one after another!

“Soaring Serpent Nine Slash!” “Nirvana Fire!” “Bifang Divine Flame!” Ning Jianfeng, Qin Zhanhuang, and the others also attacked crazily, eliminating waves of Yin spirits that pounced over!

Everyone worked together and pushed forward.

Soon, they arrived at the center of the Spirit Imprisoning Abyss!

But right at this moment They saw even more Yin spirits flying in all directions and converging on them!

Moreover, some bones below also flew into the sky and gathered here!

“F*ck, what’s going on?” Bujie asked blankly.

Everyone was also very puzzled.

Only a few minutes had passed!

The Yin spirits gathered together and transformed into Yin spirits that were more than ten meters tall!

The white bones turned into skeletons that were more than ten meters tall!

The number of Yin spirits and skeletons kept increasing.

In a few breaths, there were thousands of them, and all of them were incomparably huge!

Furthermore, these Yin spirits and skeletons were interfering with everyone’s minds and souls, as if they were trying to suck their souls away!

“Wuwuwu” “Eeeee” These huge Yin spirits and skeletons let out miserable roars and charged towards Yang Luo and the others!

The situation got even more dangerous!

Chapter 1616: Your Opponent Is Me!

Yang Luo reminded loudly, “Everyone, be careful.

Don’t be affected by it.

Hurry up and destroy these guys!” “Yes!” Everyone responded in shock.

Then, under Yang Luo’s lead, everyone launched a fierce attack on these huge Yin spirits and skeletons!

Boom!

Boom!

Boom!

A series of shocking explosions resounded through the world and spread throughout the entire Spirit Imprisonment Abyss!

All kinds of light and energy exploded in the sky, rippling in all directions like a wave!

Although Yang Luo and the others had eliminated this wave of huge Yin spirits and skeletons, there were even more huge Yin spirits and skeletons pouncing over!

Dang, dang, dang!

Moreover, these Yin spirits and skeletons collided with the ancient boat crazily, causing Mo Qingkuang and the others to stagger!

“Damn it, it’s too much of a hindrance on this ancient boat.

This Buddha here will go down first!" Bujie roared loudly and jumped down from the ancient boat, landing on a huge mountain!

Mo Qingkuang said, "Brothers, it's really inconvenient to fight on this ancient boat.

Let's go down!" "Alright!" Everyone responded in unison.

Then, Mo Qingkuang and the others jumped down one after another and put away the ancient boat!

For a moment Yang Luo, Tantai Puti, Yi Hengyu, and the Hundred Cry Bird continued to pave the way in the sky ahead!

Meanwhile, Big White led Mo Qingkuang and the others to leap over the mountains below and attack the Yin spirits and skeletons!

In the battle, Prajna, Lin Qingyao, Bai Chuxia, Qiao Yarou, and the others were all injured!

However, because there were many of them, they could take care of each other!

Yang Luo continued to push forward with everyone!

However, more and more Yin spirits and skeletons were coming from all directions.

It was simply overwhelming!

These Yin spirits and skeletons were incomparably ferocious.

They wanted to trap and kill Yang Luo and the others here!

"Ten Thousand Miles of Ice!" Yang Luo stepped down from the sky and immediately let out a roar!

Waves of powerful and vast Xuanming power erupted from Yang Luo's body and spread in all directions!

Clack, clack, clack Accompanied by a series of frozen sounds!

In an instant!

All the Yin spirits and skeletons in this world were frozen!

The ice was biting cold and emitted a dazzling blue-gold light!

Then, Yang Luo raised his left hand and closed his fingers!

"Explode!" Rumble!

The ice in the world exploded, and the Yin spirits and skeletons were also blasted into pieces!

After eliminating a large wave of Yin spirits and skeletons!

Yang Luo said loudly, "Brothers, this place is really too strange.

Yin spirits and skeletons could constantly be produced!

Let's not stay here any longer and quickly get out!" He brought everyone here just to let them train!

So there was no need to really die here!

"Yes!" Everyone nodded in agreement.

Then, under Yang Luo's lead, everyone continued to charge forward!

Along the way, everyone worked together to eliminate countless Yin spirits and skeletons!

However, many of them were injured!

Moreover, everyone's wounds were corroded by the Yin qi and festered!

They did not know how many miles they had run!

But everyone finally saw the situation outside the Spirit Imprisoning Abyss!

The enemies were less than a thousand meters away from them!

Tantai Puti said loudly, "We're about to leave.

Everyone, hold on a little longer!" "Brothers, charge!" Bujie howled and charged at the front with the Dragon-Mark Buddhist Staff!

Big White was originally at the forefront, but when it saw Bujie surpassing it, its competitive spirit was instantly aroused!

Thus, Big White also swung its thick legs and chased after him!

Just as Bujie and Big White leaped over the five mountains!

Suddenly!

Rumble rumble rumble!

The world and mountains in front of him shook violently!

Under everyone's watchful eyes A 100-meter-tall Yin Spirit Giant and a 100-meter-tall Skeleton Giant stood in front of them, blocking everyone's path!

It was unknown how many small Yin spirits had gathered on the body of this Yin Spirit Giant.

All of them were howling in pain, looking extremely ferocious!

The Skeleton Giant was formed from countless bones and emitted a sinister and terrifying aura!

"F*ck me!" Bujie was so frightened that he hurriedly braked, to the point that his feet were on fire, "What the f*ck is this?!" Big White was also stunned and stood rooted to the ground in a daze.

Mo Qingkuang and the others were also shocked.

Everyone also sensed an extremely powerful aura from this Yin Spirit Giant and the Skeleton Giant!

Yang Luo's heart skipped a beat as he said in a trembling voice, "Brothers, go out first.

I'll deal with them!" Tantai Puti said, "If you want to go out, let's go out together!" "That's right.

If we want to fight, we'll fight together.

If we want to leave, we'll leave together!" "Brother Yang, we'll fight alongside you!" Yi Hengyu, Mo Qingkuang, Bujie, and the others also spoke up.

Yang Luo said seriously, "These two big fellows are not something you can deal with.

Hurry up and leave!

Puti, Big Brother Yi, escort everyone out!

Hurry up!” Tantai Puti and Yi Hengyu originally wanted to stay and help Yang Luo, but they still listened to Yang Luo’s orders and rushed out with Mo Qingkuang and the others!

At this moment.

The Yin Spirit Giant and the Skeleton Giant were about to chase after Tantai Puti and the others!

However, Yang Luo flew up and stood in front of them, “Your opponent is me!” “Wu” “Waaaaaa” The Yin Spirit Giant and the White Bone Giant let out a roar and rushed towards Yang Luo at the same time!

The Yin Spirit Giant raised its right hand.

Countless Yin spirits gathered and transformed into a huge Yin spirit sword!

The bone giant raised its right hand, and countless bones gathered, turning into a huge bone saber!

Then, the Yin Spirit Giant and the Skeleton Giant waved their huge swords and sabers at the same time and slashed at Yang Luo!

Yang Luo was not afraid at all.

He brazenly slashed forward!

In the blink of an eye!

Rumble!

The huge golden sword collided with the huge Yin spirit sword and the huge bone saber, emitting muffled thunder!

Terrifying energy, light, and murderous aura erupted, washing in all directions!

Dark clouds rolled in the sky, and the sea of clouds shattered!

The mountains below also exploded, turning into rubble and dust that swept into the sky!

The ground cracked and collapsed inch by inch!

Bujie and the others who were rushing out from afar were shocked when they saw this!

Only then did everyone understand why Yang Luo wanted them to leave first!

The combat power of these two big guys were really terrifying!

Chapter 1617: True Expert!

After this collision!

Boom!

Boom!

Boom!

The Yin Spirit Giant and the Skeleton Giant were sent flying at the same time, crashing into mountains!

Yang Luo did not hesitate and chased after them!

However, just as Yang Luo chased after them!

The Yin Spirit Giant and the Skeleton Giant quickly stabilized their bodies.

They waved their huge swords and sabers again and slashed at Yang Luo!

Yang Luo quickly raised the sword in his hand and slashed out!

Rumble!

The second collision resounded!

The Yin Spirit Giant and the Skeleton Giant were sent flying again!

Yang Luo flew into the air and chased after both of them again, while waving the sword in his hand!

Whoosh!

Whoosh!

Whoosh!

Whoosh!

Countless golden flying swords shot out!

Puff!

Puff!

Puff!

Before the Yin Spirit Giant and the Skeleton Giant could stabilize their bodies, their huge bodies were riddled with holes!

However, a powerful suction force erupted from the Yin Spirit Giant and the Skeleton Giant.

They continued to absorb other Yin Spirits and bones to repair the holes in their bodies!

Yang Luo narrowed his eyes and understood everything.

This was the Spirit Imprisoning Abyss, which could be considered the home ground of these two big guys.

They could absorb Yin spirits and bones to repair their bodies at any time.

This would remain so unless he blew them all up and left this place.

Otherwise, he would be entangled forever.

With this thought in mind Yang Luo's body trembled, and a golden beam of light soared into the sky!

He was a little serious as he charged forward!

Moreover, on the way forward!

He let out a roar!

“Nine Heavens, Dragon’s Fury!” “True God Black Tortoise Transformation!” “Roar, roar, roar!” “Roar!”
Nine huge golden dragon phantoms and a huge blue-gold Xuanwu phantom roared at the same time and collided with the Yin Spirit Giant and the Skeleton Giant!

In an instant!

Boom!

Boom!

The Yin Spirit Giant and the Skeleton Giant were sent flying far away, crushing and toppling all the mountains!

Furthermore, under the violent collision between the golden dragon and the black tortoise The bodies of the Yin Spirit Giant and the Skeleton Giant were about to fall apart from the collision.

Their bodies were covered in cracks!

However, the Yin Spirit Giant and the Skeleton Giant continued to absorb the Yin spirits and bones, preparing to repair themselves!

“You still want to heal yourselves?

Stop dreaming!” Yang Luo held the Dragon Emperor Sword and led the nine golden dragons and the black tortoise to charge forward At this moment.

Tantai Puti and Yi Yuheng had already led everyone out of the Spirit Imprisoning Abyss.

After arriving at an empty space a thousand meters away Everyone sat on the ground and panted heavily.

“F*ck, I’m finally out!” Bujie wiped his sweat and said, “This Spirit Imprisoning Abyss is simply not a place for humans to stay.

It’s like hell!” Bai Chuxia snorted at Tantai Puti, “Sister Puti, why did you mention the Spirit Imprisoning Abyss and cause everyone to suffer!” Tantai Puti rolled his eyes at Bai Chuxia and said, “White Fox, do you think it’s so easy to become stronger?

You just have to cultivate and meditate?

Which expert hasn’t experienced countless life and death experiences and countless cruel battles to grow?” Of course, she didn’t finish her sentence.

The reason why she suggested challenging the Spirit Imprisoning Abyss was also to help Yang Luo grow and improve.

After all, she knew very well that Yang Luo carried a heavy burden and had to face many enemies.

Therefore, she hoped to be able to help Yang Luo in a short period of time.

Mo Qingkuang nodded and said, “Puti is right.

Real experts have to take something one step at a time!

After crossing countless obstacles and defeating powerful enemies in front of you, when you look back, you have already stepped into the peak of the strong!

And there is a living example beside us, Brother Yang!

I've watched him grow step by step like this!" Ning Jianfeng clicked his tongue and said, "Brother Mo's words are still the best.

It makes my blood boil.

I can't wait to rush in and kill again!" Bujie smacked his lips and said, "Brother Ning, I have the same idea.

Why don't we travel together?" "Alright, let's go!" Ning Jianfeng waved his hand.

The two jokers immediately charged towards the Spirit Imprisoning Abyss with their weapons.

"Stop right there, you two idiots!" Tantai Puti called out to the two of them angrily, "Are you two idiots running in to cause trouble for Brother Yang?" "Uh that's true." "Then let's not go in." Bujie and Ning Jianfeng smiled sheepishly and sat down again.

Everyone present was caught between laughter and tears.

At this moment.

Everyone looked at the Spirit Imprisoning Abyss.

Dang, dang, dang!

Boom!

Boom!

Boom!

Sounds of collisions and explosions came from inside!

All kinds of light and energy surged in the sky, and a large amount of rubble and dust swept into the sky!

No one could see Yang Luo's figure clearly!

Lin Qingyao gulped and asked, "Brother Yang should be fine, right?" Lin Wenxuan smiled, "Yaoyao, don't worry.

Since Brother Yang dares to stay there, he naturally has full confidence!" "That's right!" Ning Jianfeng nodded repeatedly, "My Brother Yang is the strongest!" "I agree!" Bujie echoed.

The battle lasted for another incense stick of time.

Rumble!

An extremely terrifying explosion sounded in the sky above the Spirit Imprisoning Abyss!

A huge energy ball spread out and swept in all directions!

One mountain after another turned into ruins under everyone's eyes!

After a while Everyone saw a golden figure fly out of the Spirit Imprisoning Abyss and instantly arrive above everyone!

"Brother Yang!" "Brother Yang!" Everyone stood up.

Tantai Puti asked, "Brother Yang, have you eliminated those two big guys?" Yang Luo nodded and said, "They've already been destroyed." Moreover, the dark attribute power in his body had also been strengthened.

Ning Jianfeng said in admiration, "Brother Yang is still the best!" "Of course, my Brother Yang is invincible!" Bujie's face was filled with pride.

Everyone looked at Yang Luo in admiration.

Yang Luo waved his hand and said, "Although those two big guys were destroyed, there are countless Yin spirits and bones inside.

No matter how many times they are destroyed, they will continue to condense!

This will last until all the Yin spirits inside are destroyed and all the bones are shattered!

However, it's definitely unrealistic to do this in a short period of time!" Everyone nodded in realization.

Yang Luo put away the Dragon Emperor Sword and said, "Alright, let's return to Fire Phoenix City first.

I'll help you treat your injuries when we reach the city." "Alright!" Everyone nodded in agreement.

Then, Yang Luo and the others boarded the ancient boat and flew to Fire Phoenix City

Chapter 1618: Ji Longyue!

When Yang Luo and the others arrived at Fire Phoenix City, it was already night.

Although Fire Phoenix City was not as big as Black Tortoise City, it was still very imposing and occupied a huge area.

There were many armored soldiers in crimson armor guarding the tall city wall.

The city was even more lively.

When Yang Luo and the others arrived at the city gate The group of soldiers bowed to Qin Zhanhuang, "Greetings, Eldest Young Master!" Qin Zhanhuang nodded and asked, "Did anything happen in the city?" "No!" The leader of the armored soldiers responded.

"That's good." Qin Zhanhuang nodded and said, "You guys have worked hard." With that, Yang Luo and the others flew into the city on an ancient boat.

Bujie clicked his tongue and said, "He beat me to the pretending." Ning Jianfeng curled his lips and said, "If I go to the East Continent, I can also be so awe-inspiring in the city built by our Soaring Serpent family!" Tantai Puti also said proudly, "The main city of the South Continent is the Vermillion Bird City that our Vermillion Bird built.

It's much more imposing than here!" Bujie nodded and said, "Yes, yes, yes.

All of you are Eldest Young Masters and Eldest Young Misses.

I can't afford to offend you!" Ning Jianfeng sighed and said, "Brother Bujie, I want to use my identity to exchange with you.

This way, I can always stay by Brother Yang's side!" Bujie shook his head and said, "Everything else can be changed, except this one!

Brother Yang and I are good friends.

We can't be separated!" "Get lost!

Who's your good friend!" Yang Luo scolded angrily.

"Hahaha" Everyone laughed out loud.

After arriving in the city, Yang Luo and the others found an inn to eat before treating everyone in the room.

After treating her injuries, Prajna, Lin Qingyao, Bai Chuxia, and the other women suggested shopping.

Hence, Yang Luo and the others took a shower, changed their clothes, and went to the city to shop.

However, Yang Luo naturally didn't care about ordinary things.

He would only purchase when it was deemed good in his eyes.

Everyone's laughter could be heard everywhere in the city.

They shopped until late at night before returning to the inn.

After returning to his room Yang Luo said to Big White, "Big White, we're going back to the secular world soon.

Are you happy?" Big White whimpered happily a few times, but soon, its head drooped down with a sad expression.

Yang Luo naturally understood what Big White meant, "Are you reluctant to part with Puti and Jianfeng?" Big White nodded.

Yang Luo sighed and said, "I can't bear to part with everyone, but the secular world is our home.

Moreover, we still have a lot of things to do, so we have to go back eventually.

However, it's fine.

If we miss everyone in the future, we can come to the Kunlun Ruins at any time.

Or invite everyone to our secular world to play.” Big White nodded repeatedly.

Then, Yang Luo and Big White sat cross-legged on the bed and began to cultivate. The next morning.

Yang Luo and the others were having breakfast on the first floor of the inn.

“By the way, Puti, is your Vermillion Bird clan far from here?” Yang Luo asked Tantai Puti.

Tantai Puti said, “It’s not too far.

According to our speed, we can arrive at noon today.” “Alright.” Yang Luo nodded and said, “Brothers, after breakfast, we’ll go to the Vermillion Bird Family and start the next round of trials!” “Alright!” Everyone nodded in agreement.

After breakfast Yang Luo and the others walked out of the inn and prepared to leave Fire Phoenix City.

But right at this moment “You’re Yang Luo?” A loud voice came from the sky in the distance.

This sound immediately alarmed many people on the street.

Everyone looked up into the sky in the distance.

Bujie said, “Brother Yang, did I hear wrongly?

I think someone is calling you!” Ning Jianfeng said, “Someone is indeed calling Brother Yang!” Yang Luo and the others also looked up into the sky in the distance.

A figure flew over from afar and quickly arrived in the sky not far away.

It was a young man.

The man was wearing a green robe with the Azure Dragon totem embroidered on it.

He was tall and straight, with sharp eyebrows and starry eyes.

His nose was high, and his deep eyes revealed a trace of arrogance.

“Who is this handsome guy?” Bujie asked curiously.

Yang Luo was also puzzled.

After all, he had never seen this young man before.

Moreover, he could sense that this young man’s blood qi was strong and filled with powerful dragon qi.

He was actually at the mid-stage Earth Immortal realm.

He had been in the Kunlun Ruins for a period of time.

Among the younger generation, the only people he had seen with the highest cultivation levels were Tantai Puti and Yi Yunheng.

However, he did not expect the young man in front of him to have a cultivation level higher than the two of them.

This young man was probably not simple.

However, when Tantai Puti and the others saw this young man, their eyes immediately widened.

“Ji Longyue?!” Tantai Puti could not help but exclaim.

“Oh my god, it’s really Ji Longyue!” Ning Jianfeng also exclaimed.

“Subhuti, who is Ji Longyue?” Yang Luo asked curiously.

Tantai Bodhi said, “Ji Longyue is the number one prodigy of the green worm family and is also known as the number one prodigy of the Kunlun Ruins!

Of course, this was before you came.

As for now, hmph, the title of number one prodigy is definitely yours, Brother Yang!” “The Green worm Clan?” Yang Luo was a little stunned.

Ning Jianfeng explained, “The Azure Dragon Family!” “Oh” Yang Luo nodded in realization.

No wonder he felt that this young man was not simple.

So he was the number one prodigy of the number one divine beast family in the Kunlun Ruins.

“Oh my god, isn’t this the number one prodigy of the Azure Dragon Family, Young Master Ji?

Why is he in Fire Phoenix City?” “It’s said that Young Master Ji defeated all the prodigies of the divine beast clans and many prodigies of large sects alone back then and his name shook the Kunlun Ruins!” “That’s right.

Young Master Ji has stepped into the middle stage of the Earth Immortal Realm at a young age.

He's talented and is more powerful than many elders of families and sects!" Many people on the street recognized Ji Longyue and exclaimed.

At this moment.

There were also people who recognized Tantai Puti, Mo Qingkuang, Qin Zhanhuang, and the others.

"Isn't isn't this the number one prodigy of the Vermillion Bird Family, Miss Tantai?!" "The number one prodigy of Supreme Sect, Young Master Mo, the number one prodigy of the Phoenix family, Young Master Qin, the number one prodigy of the Soaring Snake family, Young Master Ning Why are these young prodigies here?!" "What day is it today?"

Why are all these geniuses gathered in Fire Phoenix City?" Discussions and exclamations rose and fell.

Chapter 1619: The Battle for the Number One Prodigy!

Yang Luo looked up at Ji Longyue and asked, "May I know why Young Master Ji is looking for me?" Ji Longyue stared intently at Yang Luo and said loudly, "Yang Luo, I've heard about you!

Recently, you represented the Immortal Medicine Sect in the Alchemy Competition and won 12 consecutive rounds, winning first place in the elder group and bringing the Immortal Medicine Sect, which had been at the bottom for many years, to third place!

After that, you headed to the North Continent, charged into the Dark Forest, and slayed the four Earthly Immortal Elders of the Sky Demon Cult and the Diablo Sect!

Later on, you shone brightly in the battle between the Qilin Clan and the Black Tortoise Clan and killed many Earthly Immortal Realm experts!

Am I right?" As soon as these words were spoken!

Everyone exclaimed in surprise!

In an instant Everyone present turned to look at Yang Luo!

“Oh my god, I didn’t recognize him just now.

I didn’t expect him to really be Yang Luo!” “This kid is Yang Luo, who has been in the limelight recently and is known as the number one prodigy in the Kunlun Ruins since ancient times?!” “It’s him.

Not long ago, I went to the Alchemy Competition and saw with my own eyes how he won twelve rounds in a row and refined many Level 9 Divine Pills!” “It’s said that this kid killed quite a number of Earthly Immortal Realm experts from the Myriad Demon Valley, Sky Demon Cult, and Diablo Sect.

He’s extremely powerful!” “This kid looks so young.

Is he really that powerful?

Is it true?” Everyone on the street started discussing.

Those who knew Yang Luo were filled with admiration and respect.

As for those who did not know Yang Luo, they were skeptical about his legendary deeds.

Hearing Ji Longyue’s words Yang Luo narrowed his eyes slightly.

It seemed like this guy had investigated him.

Tantai Puti placed his hands on his waist and asked, “Ji Longyue, why are you investigating Big Brother Yang?

What are you trying to do?" Mo Qingkuang, Xu Ying, Bujie, Lin Wenxuan, and the others also looked at Ji Longyue warily.

Ji Longyue stared intently at Yang Luo and said in a loud voice, "Yang Luo, everyone in the world is saying that you're the number one prodigy of the Kunlun Ruins.

I, Ji Longyue, am not convinced!

If you can defeat me, I'll submit to you!" As soon as these words were spoken!

The entire place fell into an uproar!

"What do you mean?

Is Young Master Ji going to challenge Yang Luo?!" "Is there going to be a battle for the number one genius today?!" "The former number one prodigy wants to compete with the current number one prodigy.

Interesting!" "I wonder if Yang Luo is as powerful as the legends say!" "I heard that Young Master Ji stepped into the middle-stage Earth Immortal Realm a few months ago and his strength increased by another level.

I reckon that Yang Luo is definitely not Young Master Ji's match!" "Haha, no matter what, there's something interesting to watch now!" Everyone on the street discussed excitedly, preparing to watch the show.

Seeing that Ji Longyue issued a challenge to Yang Luo Tantai Puti, Bujie, and the others looked at each other.

Bujie clicked his tongue and said, "Is this kid so brave?

He dares to challenge Brother Yang with his mid-stage Earth Immortal Realm cultivation?

Not to mention the mid-stage Earth Immortal Realm, even if he's at the late-stage Earth Immortal Realm, he can't be Brother Yang's match, okay?" Tantai Puti chuckled and said, "Ji Longyue has always been very proud.

Now that his title as the number one prodigy has been snatched away by Big Brother Yang, he naturally won't accept it.

I hope this child won't be beaten into autism by Brother Yang." Mo Qingkuang, Xu Ying, Bujie, Lin Wenxuan, and the others all looked at Ji Longyue with sympathy in their eyes.

Ji Longyue frowned slightly and said, "Do you think I can't defeat this kid?" Tantai Puti and the others nodded in unison.

"You guys" Ji Longyue was so angry that his chest heaved.

As the number one prodigy of the Azure Dragon Family and the number one prodigy of the Kunlun Ruins, he could not accept the fact that he would be looked down on one day.

He took a deep breath and said, "Then watch carefully.

I'll definitely defeat this kid!" As he spoke, he looked at Yang Luo and asked, "Kid, are you willing to accept my challenge?" Yang Luo shook his head and said, "Young Master Ji, I have no grudges with you.

Let's forget it." "What now?" Ji Longyue sneered and said, "Are you afraid now?" Yang Luo said indifferently, "I'm not afraid.

I'm just worried that you'll lose face in front of so many people, Young Master Ji." "Of course, there's another point.

Fists and kicks have no eyes.

It won't be good if I accidentally hurt you." Ji Longyue snorted coldly and said, "Kid, do you mean that I can't defeat you?" Yang Luo nodded in response.

"Then let's compete and see who's stronger between us!" The fighting spirit in Ji Longyue's eyes rose as he said, "As long as you can really defeat me, I won't blame you even if you lose face or get injured!

Instead, I will admire you because of your strength!" Hearing Ji Longyue's words Yang Luo's eyes lit up slightly.

Just by this attitude, he thought highly of this guy.

It seemed that this guy was not an ordinary second-generation heir.

Thinking of this Yang Luo nodded and said, "In that case, I accept your challenge!" "Alright!" The corners of Ji Longyue's mouth curled up, "Then let's begin!" At this moment.

"Wait!" A powerful voice came from afar.

Upon hearing this voice Everyone present turned around.

Another figure flew over from afar and quickly arrived in the sky.

The person was wearing a long black robe.

He was burly and tall.

He had thick eyebrows and big eyes.

His face was resolute, and his entire body emitted an aura that could devour everything.

“Baili Wushuang?!” Tantai Puti cried out in alarm again.

Mo Qingkuang, Lin Wenxuan, Ning Jianfeng, and the others were also shocked.

“Who is Baili Wushuang?” Yang Luo asked curiously.

Tantai Puti replied, “Baili Wushuang is the number one prodigy of the White Cat Clan in the West Continent!” Yang Luo was stunned for a moment, “White Tiger Family?” “That’s right.” Tantai Puti nodded.

Yang Luo frowned.

Because of Baili Shaofeng, he didn’t have a good impression of the White Tiger Clan.

The event location was in an uproar again.

“I didn’t expect the eldest young master of the White Tiger Clan, Baili Wushuang, to be here too!” “The paragons of the Kunlun Ruins are almost gathered!” “Why is Young Master Wushuang here?

Don’t tell me he also wants to challenge Yang Luo?” Discussions and exclamations sounded non-stop.

“Hahaha” Baili Wushuang laughed heartily and said, “Brother Ji, Sister Puti, Brother Mo, Brother Lin I didn’t expect all of you to be here.

Looks like I came to the right place today!”

Chapter 1620: Attack Together!

Ji Longyue looked at Baili Wushuang and narrowed his eyes, “Brother Wushuang, I didn’t expect you to step into the mid-stage Earth Immortal realm after not seeing you for a while!” Baili Wushuang shook his head and said, “I’ve just stepped into the middle stage of the Earth Immortal Realm not long ago.

I can't compare to you, Brother Ji!" Ji Longyue raised his head and said, "I'll step into the late Earth Immortal realm as soon as possible and surpass you again!" "Is that so?" Baili Wushuang smiled and said, "Then let's see which of us steps into the late-stage Earth Immortal Realm first!" Ji Longyue nodded and said, "Brother Wushuang, you came at the right time.

You can see how I defeat this kid!

This kid has been in the limelight recently and suppressed the two of us.

I'm not convinced by this, so I challenged him!" Baili Wushuang said, "Brother Ji, I'm sorry.

I'm also here to challenge this kid today!" As soon as these words were spoken!

The event location exploded!

"Oh my god, Young Master Ji and Young Master Baili are actually challenging this kid?!" "It seems that Young Master Ji and Young Master Baili are not convinced by this kid!" "The prodigies of the two top divine beast clans want to challenge this kid.

I wonder if this kid dares to accept the challenge!" Exclamations and discussions filled the air.

Even the people on the other streets knew about the situation here and rushed over.

"Alright, another warrior has come!" Bujie laughed happily and turned to Ning Jianfeng, Qin Zhanhuang and the others, "Back then, you guys were also unconvinced by my Brother Yang.

What about now?" Ning Jianfeng waved his hand and said, "Don't mention what happened back then.

It's embarrassing to think about it!" Qin Zhanhuang and the others also had helpless expressions.

Back then, they were also unconvinced by Yang Luo, so the nine of them joined forces.

But in the end, Yang Luo used less than 5% of his strength and defeated them in less than ten minutes.

Ji Longyue frowned and said, "Brother Wushuang, you have to pay attention to first come, first served in everything!

Since I was the one who raised the challenge first, I'll naturally fight this kid first!" "That won't do!" Baili Wushuang waved his hand and said, "If you fight this kid first, this kid will definitely exhaust a lot of his strength and might even be injured!

When the time comes, even if I win, it'll be an unfair victory!" Ji Longyue said, "Then you can challenge this kid at another time!" "No, no!" Baili Wushuang shook his head repeatedly, "Since I'm here today, I naturally have to fight him!" Seeing that the two of them were about to argue Yang Luo said loudly, "You don't have to fight anymore.

Come at me together!" Hearing this Ji Longyue and Baili Wushuang looked at Yang Luo in surprise.

The event location also exploded.

"This kid is really arrogant.

He actually wants to challenge Young Master Ji and Young Master Baili at the same time!" "Does he think he can defeat two prodigies alone?" "This kid is still too young.

He doesn't know how powerful Young Master Ji and Young Master Baili are at all!" Everyone on the street shook their heads repeatedly.

They felt that Yang Luo was too arrogant and ignorant.

However, Tantai Puti, Yi Hengyu, Mo Qingkuang, and the others were very calm.

Not to mention two mid-stage Earth Immortals, even if a few more came, they believed that Yang Luo could deal with them.

“Kid, you’re really arrogant!

Then let’s see if you have the right to be arrogant!” Ji Longyue shouted.

Then, his figure moved, turning into a green stream of light that rushed towards Yang Luo from the sky!

“Brother Ji, you actually attacked first.

You’re cheating!” Baili Wushuang was furious.

He wanted to attack, but he was already a step too late.

In an instant!

Ji Longyue had already approached Yang Luo.

He twisted his fist and punched out wildly!

He punched out with a resplendent green light and a vast fist might.

His fist intent shook the heavens and erupted with sonic booms as it smashed towards Yang Luo!

“ROAR!” An illusory green dragon roared and rushed towards Yang Luo!

Yang Luo only stood firmly on the ground and twisted his fist to meet the attack!

“ROAR!” With a punch, a dragon’s roar sounded!

A huge golden fist coiled around a huge golden dragon phantom and collided!

In the blink of an eye!

DONG!

Dong!

The two fists collided, and the huge golden dragon and green dragon collided fiercely!

The sound shook the sky and spread in all directions!

Energy that was like a tsunami burst out from the collision and washed in all directions!

“Everyone, retreat!” Mo Qingkuang immediately shouted and quickly retreated with Tantai Puti and the others!

The people on the street were also shocked.

Clearly, they did not expect Ji Longyue to suddenly attack!

They also hurriedly retreated, but those who were slow were directly sent flying!

Rumble!

The houses on both sides of the street were instantly destroyed, turning into rubble and wood shavings that swept into the sky!

Ji Longyue originally thought that his punch could suppress Yang Luo!

However, after the collision, he realized that Yang Luo's punch was incomparably heavy.

It was simply about to sweep through and destroy everything!

In less than a few breaths!

There was a loud bang!

Ji Longyue was sent flying!

After being sent flying dozens of meters away, Ji Longyue finally stabilized his body and stood in the sky dozens of meters away!

As for Yang Luo, he still stood on the spot.

He did not take half a step back, but the stone slab under his feet had already shattered!

Everyone exclaimed in surprise!

"He blocked it.

This kid actually blocked Young Master Ji's punch and even sent him flying!" "Could it be that the legends about this kid are true?

Is this kid really very strong?!" Everyone present was shocked.

Not only was Ji Longyue not displeased, but his fighting spirit was raised to the extreme!

He stared at Yang Luo tightly and said, "Kid, you really have some ability.

Come, let's continue!" Yang Luo turned to look at Baili Wushuang, who was standing on a roof not far away, and asked, "Are you sure you don't want to go together?" Baili Wushuang smiled and said, "Kid, if you want me to attack, you have to see if you have the strength!" "Alright." Yang Luo nodded and said, "I think it's better for you to attack quickly, lest this guy loses too quickly." As he spoke, Yang Luo suddenly stomped on the ground and soared into the sky, turning into a golden stream of light that rushed towards Ji Longyue!

"Haha, good skill!" Ji Longyue laughed heartily.

His figure moved as well, transforming into a green stream of light to fight!

In an instant!

Ji Longyue closed the distance between him and Yang Luo and threw a punch at the same time!
