Chapter 1651: Gathering at the Immortal Furnace Mountain!

In order to go to Immortal Furnace Mountain to fight for treasures, Other than Tantai Zhengyang, Tantai Wangchen, Lu Zhou, and Fan Siyu, Song Yanqing and Zhang Yuchu would also go with the other two elders.

Moreover, he had brought more than a hundred clansmen with him.

After walking out of the hall, Yang Luo and the others boarded the ancient boat.

Tantai Zhengyang waved his hand, "Let's go!" Before his voice could fade The ancient boat set off and flew away from the Vermillion Bird Family's territory at an extremely fast speed.

Yang Luo asked, "Uncle Tantai, is it far from here to Immortal Furnace Mountain?" Tantai Zhengyang shook his head and said, "It's not too far.

With our current speed, we can reach the Immortal Furnace Mountain in an hour at most." "Oh" Yang Luo nodded and asked, "Since so many people will go to the Immortal Furnace Mountain, there are limited treasures born.

How should we split them?" Tantai Zhengyang said, "After all, the treasures born in the Immortal Furnace Mountain are all ownerless.

Naturally, they belong to whoever snatches them!" Ji Longyue also said, "Brother Yang, in the past hundred years, our four top divine beast families, as well as top sects like the Supreme Sect, have obtained at least one treasure.

Of course, our four top-notch divine beast clans and some top-notch sects did not take all the treasures.

Instead, we also distributed some treasures to other sects and clans.” Yang Luo said in realization, “In other words, whoever snatches it will get it?” “That’s the logic.” Ji Longyue nodded and continued, “Of course, even if you can snatch the treasure, you have to have powerful strength and background to protect it.

Otherwise, the other families, sects, and independent cultivators would be envious and directly snatch it.

It’s precisely because of this that killing people and snatching treasures in the Kunlun Ruins is not uncommon.” “Understood!” Yang Luo nodded in agreement.

In fact, be it the secular world or the Immortal World, the rules had never changed.

The strong survived, and the weak were eliminated.

The strong could set the rules, and the weak could only follow them.

Along the way, Yang Luo and the others saw many families, sects, and itinerant cultivators rushing to Immortal Furnace Mountain.

These people were either riding ancient boats, magical artifacts, riding swords, flying in the air, or riding flying beasts towards the Immortal Furnace Mountain.

Some walked to the Immortal Furnace Mountain.

Many clans, sects, and itinerant cultivators would greet Tantai Zhengyang and the others respectfully.

After all, the Vermillion Bird Family was one of the four top divine beast families of the Kunlun Ruins.

They had a high status and great prestige.

Unknowingly, Yang Luo and the others arrived at a mountain range.

The temperature here was also very high, but the spiritual energy was very abundant.

Tantai Puti said, "Brother Yang, this is where the Immortal Furnace Mountain is!

This mountain range is called the Flying Immortal Mountain Range.

It's said that a Golden Immortal once ascended to the Upper World here, so it got its name!" Yang Luo, Bujie, and the others looked up.

In the distance was an endless mountain range.

The mountains were lush with green trees, colorful flowers, and small rivers flowing.

They were full of vitality.

People from all continents were also rushing here from all directions.

Yang Luo asked curiously, "Where is Immortal Furnace Mountain?" "Yeah, where is it?" Bujie also looked around.

Tantai Puti pointed into the distance and said, "It's at the center of the Flying Immortal Mountain Range.

The highest mountain peak is there!" Yang Luo and the others looked up.

In the distance, there was a mountain peak that looked very out of place.

It was thousands of meters tall and was surrounded by clouds and mist, making it impossible to see clearly.

The ancient boat continued to fly deeper into the Flying Immortal Mountain Range.

The closer they got to the center, the clearer the appearance of Immortal Furnace Mountain became.

This mountain was majestic and tall.

Its entire body emitted a purple light.

One could not see the top at a glance, as if it was connected to the sky and the ground.

Moreover, the amazing thing was that from the outside, this mountain really looked like a huge cauldron.

The mountain wall was engraved with images of immortals ascending, as well as ancient and mysterious runes.

Immortal Furnace Mountain was surrounded by a large river, separating the other mountains.

Nine-colored light flickered at the top of the Immortal Furnace Mountain.

Mountain flames spewed out, as if they were breathing in the spiritual qi of heaven and earth.

It was extremely spectacular.

Bujie was dumbfounded as he said, "Oh my god, this mountain really looks like a cauldron!" Prajna also exclaimed, "This is too magical.

A mountain can actually grow to such an extent?!" Yang Luo narrowed his eyes and said, "This Immortal Furnace Mountain might not have been formed naturally.

It's very likely created by an ancient mighty figure." After coming to the Kunlun Ruins, he had seen countless magical things and sighed even more.

There was always someone better.

Right now, he was just a frog at the bottom of a well.

The world he saw was still too limited.

Tantai Zhengyang nodded and said, "Little Luo is right.

There's a high chance that this Immortal Furnace Mountain was created by those ancient mighty figures.

After all, it's very mysterious that a mountain can automatically absorb the spiritual qi of heaven and earth and smelt everything to give birth to treasures." Bujie and the others nodded in realization.

At this moment.

The sky around Immortal Furnace Mountain and the mountain were already filled with people.

There were already more than 100,000 people.

Moreover, there were people rushing over.

"Mr.

Yang!" "Mr.

Yang, is that you?" At this moment, shouts came from afar.

Yang Luo and the others turned around.

Three ancient boats flew over from afar.

There were three large flags fluttering on it, and it was filled with people.

Standing at the front were the leaders of the Immortal Sea Alliance, the Tyrannical Sea Alliance, and the Heaven Sea Alliance, Li Kuangdao, Guan Hailong, and Luo Yunzheng.

Bujie smiled happily and said, "Oh, aren't these the three pirate alliance leaders you robbed when you first came to the Kunlun Ruins?" "Robbed?" Ji Longyue asked curiously, "Brother Bujie, what do you mean?" Baili Wushuang and the others also looked at Bujie.

Bujie shook his head and said, "Everyone, you don't know about this, right?"

Let me tell you about it." Then, Bujie told everyone what he had experienced when he came to the Kunlun Ruins.

After listening to Bujie's story, Ji Longyue and the others burst out laughing.

Baili Wushuang gave him a thumbs up and said, "Brother Yang, you're really amazing.

You were clearly robbed, but in the end, you actually robbed someone else!" Tantai Puti chuckled, "Brother Yang, you're too funny!" Ning Jianfeng laughed and said, "I'm not surprised that Brother Yang would do such a thing!" The corners of Yang Luo's mouth twitched as he said, "No, how many times have I told you?

I didn't rob them.

They took the initiative to give it to me!” Bujie nodded and said, “Yes, yes, yes.

You can lie to yourself!” Soon, the three ancient boats approached.

Li Kuangdao, Guan Hailong, and Luo Yunzheng flew to the ship where Yang Luo was.

However, they felt that Ji Longyue and the others were looking at them with sympathy and pity.

It was really too strange

Chapter 1652: Famous in the Kunlun Ruins!

The three of them did not think too much about it and greeted Yang Luo with a smile.

Li Kuangdao sighed and said, “Mr.

Yang, it’s only been a few months since we last met.

I didn’t expect your reputation to have already spread throughout the Kunlun Ruins!” Guan Hailong also smiled and said, “Isn’t that so?

We can hear news of Mr.

Yang every once in a while!” “Moreover, every piece of news shocked us!” Luo Yunzheng added.

Yang Luo shrugged and said, “Brothers, we’re in the pugilistic world and have no choice.

I don’t want to cause such a huge commotion either!” As he spoke, Yang Luo introduced Li Kuangdao and the others to Tantai Puti.

“Greetings, everyone!” Li Kuangdao and the other two cupped their hands.

Ji Longyue said, “Since the three of you are Brother Yang’s friends, you are our friends!” Baili Wushuang nodded and said, “That’s right.

If you need help in the future, feel free to tell me!” Tantai Puti also acted like a tomboy and said, “That’s right, that’s right.

From now on, we’re brothers!” Li Kuangdao and the other two were immediately flattered.

After all, they had heard of the Azure Dragon Clan, White Tiger Clan, Vermillion Bird Clan, and Black Tortoise Clan.

These were the four top divine beast clans!

He did not expect Yang Luo to have such a deep relationship with the four major families.

Li Kuangdao said in admiration, “As expected of Mr.

Yang.

You actually know so many prodigies!” Guan Hailong and Luo Yunzheng were also in awe.

“Mr.

Yang!” “Mr.

Yang, you’re here too!” At this moment, an excited voice came from afar.

A grayish-white ancient boat flew over from afar.

Within it were people from the Immortal Physician Sect.

The leaders were Sun Minggu, Yue Daoyuan, Du Jingmo, and the other elders.

Yang Luo smiled and said, "Elder Sun, Elder Yue, Elder Du, how's the learning of the Nine Fingers of the Immortal Dao, the Taiji Divine Needle, and the Myriad Dao Pill Scripture that I taught you?" Sun Minggu smiled and said, "Mr.

Yang, we have completely mastered the Nine Fingers of the Immortal Dao and the Taiji Divine Needle!

However, this Myriad Dao Pill Scripture is too profound.

We only grasped a portion of it!" Yang Luo waved his hand and said, "It's fine.

Study it carefully.

It'll definitely let your alchemy skills reach another level!" "Yes, we will definitely work hard!" "We definitely won't embarrass you!" Sun Minggu and the others nodded.

Not long after Sun Minggu and the others arrived.

Another burst of hearty laughter sounded.

"Haha, Little Luo, you guys came quite quickly!" "Little Luo, how's the trial in the Desolate South Fire Territory going?" Ancient boats flew over from afar.

Great flags fluttered on the ancient boat.

The people who came were “ Top-notch divine beast family, Black Tortoise family!

Supreme Sect, a top sect!

The four great second-rate divine beast clans, the Qilin clan, the Phoenix clan, the Soaring Serpent clan, and the Baize clan!

Six third-rate divine beast clans, the Luwu Clan, the Bi Fang Clan, the Roc Clan, the Gouchen Clan, the Qingqiu Clan, and the Kui Ox Clan!

Seeing so many people from families and sects greet Yang Luo the first thing they did when they arrived, they immediately attracted the attention of many people present.

Everyone turned around and looked at Yang Luo.

“Eh, who is that kid?

How can he know so many people from sects and families?!” “You don’t even know that?

This kid is Yang Luo, who has been in the limelight in the Kunlun Ruins recently and is known as the number one prodigy in history!” “I also know this kid.

This kid is simply a monster.

In the Central Continent’s Alchemy Competition, he relied on his own strength to bring the Immortal Medical Sect to third place!” “During the battle between the Qilin Clan and the Black Tortoise Clan in the North Continent, that kid also participated and killed quite a few Earthly Immortal elders from the Sky Demon Cult, Diablo Sect, and Myriad Demon Valley!” “Not long ago, this kid easily defeated the number one prodigy of the Azure Dragon Clan and the White Tiger Clan and severely injured the two elders of the White Tiger Clan who were at the late-stage and perfected Earth Immortal Realm!” “Right now, he’s causing an uproar in the Kunlun Ruins.

The Sword Immortal, Medical Immortal, and Pill Immortal that the world is talking about is this person!"
"Are these things true?"

This kid is so young.

Is he really that strong?" Everyone present started discussing.

Many people looked at Yang Luo with reverence and admiration.

There were also many people who did not believe it at all and felt that Yang Luo's reputation was exaggerated.

At this moment.

Ancient boats approached one after another.

"Hello, Uncle Yi, Uncle Mo, Uncle Lin!" Yang Luo cupped his hands and greeted Yi Hanshan, Mo Hongtu, and the others.

He was about to leave the Kunlun Ruins.

It was not bad to say goodbye to everyone before he left.

Yi Hanshan smiled and said, "Little Luo, you're completely famous in the Kunlun Ruins now!"

To use a poem from the secular world, it says, "Don't worry about not having a confidant in the future."

Who in the world doesn't know you!" "Uncle Yi, these are just empty titles."

They're nothing." Yang Luo waved his hand and continued, "My greatest luck in coming to the Kunlun Ruins is to get to know my brothers and seniors." "Well said!" Yi Hanshan smiled in relief and said, "Fame and fortune are just the past.

Only friendship can last!" Mo Hongtu asked, "By the way, Little Luo, how are the results of your trials in the Desolate South Fire Territory?" Yang Luo said truthfully, "Everyone's cultivation and strength have more or less increased.

I've also stepped into the perfected Earth Immortal Realm and obtained the Vermillion Bird blood essence." "What?!

Perfected Earth Immortal?! "And obtained the Vermillion Bird's blood essence?!" Yi Hanshan, Mo Hongtu, Lin Jingchen, and the others were all shocked.

Li Kuangdao, Sun Minggu, and the others also looked at Yang Luo as if he was a god.

Li Kuangdao said in shock, "Oh my god, Mr.

Yang, a few months ago, your cultivation level was the same as ours.

You were only at the early-stage Earth Immortal realm!

How did you directly cross three minor realms and step into the perfected Earth Immortal Realm?!" Guan Hailong said in a daze, "Mr.

Yang, you're too terrifying.

You're close to becoming a true immortal so quickly?!" Sun Minggu sighed and said, "Mr.

Yang, I'm convinced.

I'm completely convinced!

I'm afraid that in the future, not only will you be able to step into the True Immortal Realm, but you might even have a chance of stepping into the Heavenly Immortal Realm!" Yang Luo said, "I'm still a little far from becoming a Heavenly Immortal.

I can only continue working hard!" "Longyue!" "Wushuang!" At this moment, two loud voices sounded.

An azure-gold ancient boat and a platinum-gold ancient boat flew over.

Chapter 1653: The Furnace Opens!

The two ancient boats were majestic and magnificent.

Two huge flags fluttered in the air, embroidered with the Azure Dragon Totem and the White Tiger Totem.

The people who came were from the Azure Dragon Clan and the White Tiger Clan.

The leader was the Clan Leader of the Azure Dragon Clan, Ji Wenzhou, and the Clan Leader of the White Tiger Clan, Baili Shengxuan.

"Father, you're here!" Ji Longyue and Baili Wushuang smiled and waved their hands.

When the two ancient boats approached, "Brother Ji, Brother Baili, long time no see!" "How have you been?" Tantai Zhengyang, Yi Hanshan, Mo Hongtu, and the others cupped their hands in greeting.

Ji Wenzhou and Baili Shengxuan also smiled and cupped their hands.

Ji Longyue hurriedly said, "Father, let me introduce you.

These are my new brothers!" He introduced Yang Luo and Bujie.

When they heard Yang Luo's name Ji Wenzhou, Baili Shengxuan, and the others looked at Yang Luo.

"You're Yang Luo?" Ji Wenzhou asked.

Yang Luo nodded and said, "Yes." Ji Wenzhou looked over Yang Luo and nodded, "Not bad, not bad.

You're indeed talented!

Kid, all I've heard recently is news about you!

I've wanted to meet you for a long time.

Today, my wish has finally been fulfilled!" Baili Shengxuan looked at Yang Luo and said, "Kid, I already know what happened in Black Tortoise City and Fire Phoenix City.

That bastard from my family has indeed done something wrong.

I'll apologize on his behalf." Yang Luo was stunned for a moment.

He thought that Baili Shengxuan would question him.

However, he did not expect Baili Shengxuan to apologize to him.

It seemed that not everyone in the White Tiger Clan was arrogant and unreasonable.

Baili Shengxuan narrowed his eyes again and said, "However, you're really heavy-handed.

Elder Fuhu and Elder Yan were severely injured by you and have yet to recover.” Baili Wushuang hurriedly said, “Father, Brother Yang originally didn’t want to attack.

It was the two elders who were aggressive, so” Baili Shengxuan raised his hand and said, “Don’t be anxious, kid.

I’m not really blaming this kid!

Since our White Tiger Family made a mistake, we naturally have to admit that we did something wrong!” Upon hearing this, Baili Shengxuan heaved a sigh of relief.

Baili Shengxuan looked at Yang Luo and said with a smile, “Kid, I admire you very much.

You dare to take responsibility for your actions.

You’re a man!

In the future, if you have time, you can come to our White Tiger Family as a guest.

It would be even better if you can resolve the conflict with the two elders!” Yang Luo cupped his hands and said, “Uncle Baili, I’ll definitely visit you when I have time in the future!” “Good!.” Baili Shengxuan nodded.

At this moment.

Suddenly, a snide voice sounded.

“Yo, aren’t you people from the Black Tortoise and Qilin families?

You're here too?

Why, have you recovered so quickly?" Upon hearing this voice Yang Luo and the others turned around and saw ancient boats flying over from afar.

It was the people from the Myriad Demon Valley, the Sky Demon Cult, and the Diablo Sect.

Moreover, other than the three major sects, some other sects also came.

Seeing the arrival of these sects, many people present made way.

It couldn't be helped.

Although these sects were all evil, they were still top sects in the Kunlun Ruins and they didn't dare to provoke them.

Tantai Puti said angrily, "So it's these bastards!" Bujie said ruthlessly, "We let them escape last time.

I didn't expect them to still dare to appear!" Mo Qingkuang frowned and said, "That's strange.

These three major sects are actually in cahoots with Nine Nether Sect, Demon Transformation Hall, Soul Devourer Sect, and Luosha Gate!" Yang Luo asked, "Brother Mo, are these sects very powerful?" Mo Qingkuang nodded and said, "These sects are all evil sects from all continents.

They are also top-notch sects!" "I see." Yang Luo nodded in realization.

Lin Wenxuan narrowed his eyes and said, "These guys actually got together.

This is not a good sign!" Ning Jianfeng said, "These guys are a nest of snakes and rats.

They definitely don't have anything good to say!" Yi Hanshan exclaimed, "Tuoba Ye, Tu Wanxian, Ye Canghai, if all of you can come, why can't we?" Mo Hongtu said coldly, "By the way, you guys need to recover more, right?"

After all, you were defeated by us in the two battles not long ago!" "Mo Hongtu!" Tuoba Ye roared, his eyes filled with anger.

Tu Wanxian, Ye Canghai, and the others also stared fixedly at Mo Hongtu and the others.

Yi Hanshan said in a deep voice, "Why?"

Do you still want to fight?" Tuoba Ye suppressed the anger in his heart and said coldly, "Yi Hanshan, I don't want to fight you today!"

However, one day, I will settle the score between us!" Yi Hanshan said loudly, "Then I'll be waiting for you at any time!" "Hmph!" Tuoba Ye snorted and turned to look at Immortal Furnace Mountain.

Ye Canghai looked at Yang Luo coldly and turned around.

Ji Wenzhou said to Yi Hanshan, "These guys are really arrogant."

They actually dare to openly provoke a war!

Brother Yi, if you need help in the future, feel free to tell me!" "That's right."

Our families should take care of each other!" "One day, I'll completely destroy these guys and return peace to the Kunlun Ruins!" Baili Shengxuan and Tantai Zhengyang chimed in as well.

Yi Hanshan cupped his fists and said, "Then I'll thank the three brothers!" Seconds ticked by.

More and more people arrived.

From 100,000 to 200,000.

It could be said to be a sea of people.

Soon, two hours passed.

Bujie was getting a little anxious from waiting, “Why isn’t the furnace open yet?” Yang Luo was also very puzzled.

Could it be that they had gotten the time wrong?

But at this point Rumble rumble rumble!

The entire Immortal Furnace Mountain suddenly trembled!

“It’s coming, it’s coming.

Immortal Furnace Mountain is about to open its furnace!” “It’s starting already?

I wonder what kind of treasure will be born in Immortal Furnace Mountain this time!” “Will it give birth to pills, natural treasures, or divine weapons?!” Everyone present looked at the Immortal Furnace Mountain and discussed excitedly.

“Is the furnace finally going to open?!” Bujie was also excited.

Yang Luo also looked at the Immortal Furnace Mountain curiously.

Rumble rumble rumble!

Immortal Furnace Mountain shook even more violently!

The surrounding mountains also shook!

The river that surrounded Immortal Furnace Mountain stirred up monstrous waves!

After a while Dong!

A deep red flame spewed out from Immortal Furnace Mountain and tore through the sky, instantly scattering the surrounding clouds!

Everyone held their breaths, waiting for the birth of the treasure

Chapter 1654: Birth of a Treasure!

About ten minutes later.

The flames slowly dissipated.

Not long after the flames dissipated..

Dong!

A nine-colored immortal light soared into the sky from the Immortal Furnace Mountain!

Immortal light filled the nine heavens and illuminated the surroundings!

Dense spiritual qi and immortal qi spread out, enveloping an unknown distance!

Everyone and beasts present bathed in the immortal light, spiritual qi, and immortal qi and felt refreshed!

Many people hurriedly circulated their cultivation techniques and absorbed the majestic spiritual qi and immortal qi!

As the nine-colored immortal light soared into the sky!

Nine-colored illusions rushed out of the mountain peak!

These illusions were actually some ancient divine beasts, immortal beasts, and spirit beasts!

There were giant dragons soaring, white tigers roaring, vermilion birds spreading their wings, black tortoises stepping on the air, qilins descending from the sky, and immortal cranes flying!

Immortal light illuminated the sky, and all sorts of illusions danced and shuttled in the sky.

They were mysterious and incomparably profound!

Whether it was those who had seen Immortal Furnace Mountain open its furnace or those who had never seen it before, they were deeply shocked at this moment!

At this moment.

Long Xinghe's voice sounded in Yang Luo's mind.

"Kid, where are you?"

Why is the spiritual qi and immortal qi so majestic?" Yang Luo did not expect the Immortal Furnace Mountain to alarm Long Xinghe.

Therefore, he replied in his heart, "Senior Xinghe, I'm now near the Immortal Furnace Mountain in the Kunlun Ruins, waiting for it to open." "Immortal Furnace Mountain?"

What is Immortal Furnace Mountain?" Long Xinghe asked in confusion.

Yang Luo briefly told him about the Immortal Furnace Mountain.

After hearing Yang Luo's words Long Xinghe said with interest, "Interesting.

I want to see what's going on." Yang Luo asked, "Senior Xinghe, can you see the scene outside?" Long Xinghe said, "Now that I've absorbed the energy of the Black Tortoise and Vermillion Bird blood essences, my Essence Soul has recovered a little.

It's not difficult to see things from afar.

It will just consume a little energy." "I see." Yang Luo nodded in realization.

Soon, a golden light flashed across Yang Luo's eyes.

"Hehe, there are really quite a lot of people.

Looks like the cultivation resources you mentioned are very lacking in the Kunlun Ruins.

So many people came here to wait for treasures." Long Xinghe smiled and said, "Yes, this mountain is indeed a little extraordinary.

There are some runes engraved on the mountain wall, and an ancient array is set up on the entire mountain.

I'm certain that this mountain was definitely not formed naturally by heaven and earth.

It must have been created by a powerful immortal." Yang Luo said, "It's just as we guessed.

This Immortal Furnace Mountain isn't formed naturally by the world." Just as Yang Luo and Long Xinghe were conversing in their hearts, Under everyone's watchful eyes A medicinal pill soared into the sky from the Immortal Furnace Mountain and floated in the sky, slowly spinning!

"The first treasure has been born!" "It's actually a pill?!" "This pill is round and full.

It's shining with immortal light.

There are nine pill patterns engraved on it.

It's obvious that it's an immortal pill!" "I wonder what effect this immortal pill has!" "No matter what effect it has, it must be a treasure.

It's definitely extraordinary!" Everyone present discussed in shock.

There were even many people who were tempted.

However, seeing that the top families and sects did not attack, they did not dare to attack first.

After all, whoever attacked first would undoubtedly be viewed with hostility by everyone present.

Yang Luo took a closer look at this immortal pill and asked in his heart, "Senior Xinghe, is this the Nine Revolutions Great Rejuvenation Pill?" "Kid, your knowledge is not bad!" Long Xinghe praised, "This is indeed the Nine Revolutions Great Rejuvenation Pill.

It can even save the lives of immortals!

No matter how serious one's injuries are, as long as he's still breathing, he can be saved.

It can be considered an immortal pill!" Yang Luo naturally knew the effect of this Nine Revolutions Great Rejuvenation Pill.

However, this was dispensable to him.

When he stepped into the True Immortal Realm in the future, as long as he could find the corresponding herbs, he could also refine the Nine Revolutions Great Rejuvenation Pill.

Not long after the Nine Revolutions Great Rejuvenation Pill flew out of the Immortal Furnace Mountain, A fruit emitting a green light flew out.

This fruit was the size of a baby's fist.

Its surface seemed to be covered in a layer of dragon scales, and it contained rich spiritual qi that emitted a rich dragon qi and fragrance.

Long Xinghe introduced, "This fruit is called the Green Qilin Dragon Crystal Fruit.

It's a top-grade medicinal herb and is very helpful to cultivators with dragon qi in their bodies." Yang Luo's heart skipped a beat and he became a little interested.

After all, his body contained powerful dragon qi, and the main cultivation technique he cultivated was related to dragons.

Long Xinghe seemed to have guessed Yang Luo's thoughts.

He smiled and said, "Kid, although this Green Qilin Dragon Crystal Fruit is not bad, it won't be of much help to you." "Alright." Yang Luo nodded in response.

At this moment.

Everyone present was also discussing the name and effect of this fruit.

Yi Hanshan said to Ji Wenzhou, "Brother Ji, it seems that this fruit is very suitable for your Azure Dragon Family!" Ji Wenzhou smiled and nodded, "Let's go down and see what other treasures there are." Following the Green Qilin Dragon Crystal Fruit, Another medicinal herb flew out from the Immortal Furnace Mountain!

This medicinal herb looked like a ginseng.

It emitted purple lightning from head to toe and contained powerful lightning power and spirit qi.

It was very extraordinary!

Long Xinghe said indifferently, "This is the Purple Thunder Spirit Ginseng.

It's very helpful to cultivators who cultivate lightning-element cultivation techniques.

It's also a top-grade medicinal herb.

However, the lightning attribute power in your body is already very strong.

This Purple Thunder Spirit Ginseng is not very helpful to you." Yang Luo nodded in response.

It turned out that this was called the Purple Thunder Spirit Ginseng.

He was not even aware of it.

As the Purple Thunder Spirit Ginseng flew out of the Immortal Furnace Mountain, At the same time, three more treasures flew out.

These three treasures were A palm-sized vine with seven leaves that emitted a seven-colored light!

It was a longsword that emitted a cold aura and flickered with a dark blue light!

The last item was suffused with a scarlet light and burning with five-colored flames!

Long Xinghe introduced, "This vine is called the Seven Leaf Immortal Vine.

It's considered a top-grade medicinal herb!

This longsword is called the Ice Soul Cold Sword, and it is a high-grade weapon!

"As for the last object, it is a bronze mirror is called the Five Rings Mystic Fire Mirror.

It's a high-grade magical artifact!" There was a pause.

Long Xinghe continued, "This Seven-Leaf Immortal Vine is not bad.

It's the best among the six treasures!

However, this Ice Soul Cold Sword and Five Rings Mystic Flame Mirror can't compare to the Dragon Emperor Sword and the Ten Thousand Dragons Cauldron I gave you at all!"

Chapter 1655: Determined to Win!

Yang Luo was stunned.

Long Xinghe actually knew all kinds of natural treasures, weapons, and Dharma artifacts.

He was simply an encyclopedia.

Now, six treasures had been born in Immortal Furnace Mountain.

The Nine Revolutions Great Rejuvenation Pill, Green Qilin Dragon Crystal Fruit, Purple Thunder Spirit Ginseng, Seven Leaf Immortal Vine, Ice Soul Cold Sword, and Five Rings Mystic Fire Mirror.

The event location immediately burst into commotion.

“Oh my god, six treasures have been born this time, and every one of them is extraordinary!” “Isn’t that so?”

In the past hundred years, Immortal Furnace Mountain has produced six treasures twice, but other times, only two or three treasures have been born!” “I wonder who will win these six treasures in the end!” “Could there be more treasures born?” Everyone discussed as they looked at the six treasures floating above Immortal Furnace Mountain with desire.

Even Yi Hanshan, Ji Wenzhou, Baili Shengxuan, Tantai Zhengyang, and the others were tempted.

This was especially so for Tuoba Ye, Tu Wanxian, Ye Canghai, and the others.

They were all ready to start snatching.

Only Long Xinghe said disinterestedly, “These six treasures are very ordinary.

Is there nothing better?” “” Yang Luo was instantly speechless.

He felt that these six treasures were not bad.

Moreover, many people at the scene were breathing rapidly.

They swallowed their throats and prepared to fight.

However, when it came to Long Xinghe, he made it sound like trash.

Yang Luo asked, "Senior Xinghe, is there really nothing I need among these six treasures?" After all, he still planned to take advantage of the chaos to snatch one or two treasures.

Long Xinghe said, "Kid, these things are dispensable to you.

If you really want to snatch it, I won't stop you.

However, you have to think about the consequences.

There were so many people here staring at these six treasures.

Can you defend them?

I don't think that's necessary." "Urghh" Yang Luo opened his mouth but did not know how to reply.

Just as everyone thought that there were no more treasures to be born Suddenly.

Long Xinghe exclaimed, "No, there's still a treasure that hasn't come out!" "Another treasure?" Yang Luo asked in surprise.

"That's right!" Long Xinghe took a deep breath and said, "Moreover, this treasure is probably extremely extraordinary.

I wonder what it is!" Yang Luo stared intently at the entrance of Immortal Furnace Mountain, waiting for the next treasure to come out.

After more than ten minutes Dong!

Another nine-colored immortal light rushed out of the Immortal Furnace Mountain!

"What's going on?

Is there another treasure?!" "From the looks of it, that should be the case!" "What's the seventh treasure?!" Exclamations and discussions sounded non-stop.

Only a few moments passed, Swoosh!

Accompanied by a piercing sound!

A lotus flower flew out from the Immortal Furnace Mountain!

This lotus flower had a total of nine petals.

Every petal emitted a kind of light that contained extremely dense spiritual qi and immortal qi!

"The seventh treasure has been born!" "It's actually a lotus!" "This lotus flower looks very extraordinary!" Everyone's gazes turned to the lotus flowers.

"So it's a Ninth Grade Immortal Lotus!" Long Xinghe's voice sounded in Yang Luo's mind.

"Ninth Grade Immortal Lotus?" Yang Luo was stunned for a moment before asking, "Senior Xinghe, is this Ninth-Grade Immortal Lotus very impressive?" Long Xinghe said, "This ninth-grade immortal lotus

might only be considered ordinary in those high-level dimensions, but in those middle and low-level dimensions, it's already considered a very powerful natural treasure!

It can be said that just one petal of this Ninth Grade Immortal Lotus is more valuable than those six treasures!" Yang Luo exclaimed, "F*ck!

Is this ninth-grade immortal lotus that good?

Just one petal is more valuable than those six treasures?" Long Xinghe said, "Of course.

The petals of this ninth-grade immortal lotus are very useful!

Even if an ordinary person consumed a petal, they would be able to strengthen their body and be immune to all diseases, increasing their lifespan by at least a hundred years!

When a cultivator consumes a petal, not only could it accelerate their cultivation breakthrough, but it could also strengthen their body.

This would help them even withstand several lightning bolts during the tribulation!

Moreover, the energy contained in these petals can also help me continue to repair my primordial spirit and help the opening of the bronze dragon coffin!

Especially the lotus seed of this Ninth Grade Immortal Lotus, its effects are even stronger.

It was extremely helpful to your cultivation and can help you break through a major realm!

Of course, the energy of the lotus seed is too strong.

With your current body, you definitely won't be able to withstand it!" "Is this Ninth Grade Immortal Lotus that powerful?!" Yang Luo was dumbfounded.

Long Xinghe said seriously, "Kid, you can choose not to take the other six treasures, but you have to obtain this ninth-grade immortal lotus!"

Immortal Furnace Mountain no longer has any treasures.

This is the last one!

If those guys dare to snatch with you, just kill them!

I will also give you energy to help you!" "Alright!" Yang Luo acknowledged in his heart.

Even if Long Xinghe did not say it, he was determined to obtain this ninth-grade immortal lotus.

After all, Big Brother Mo and Big White would be transcending their tribulations soon.

He was just worrying about how to assist them.

With the ninth-grade immortal lotus, he would be able to help Big Brother Mo and Big White.

With this thought in mind Yang Luo called Xu Ying and the others over and whispered, "Xu Ying, Bujie, Prajna, Brother Lin, prepare to retreat at any time!" "Evacuate at any time?" "What do you mean?" "Where are we going?" Xu Ying and the rest were confused.

Yang Luo said, "Head to Mount Coiling Dragon in the East Continent and prepare to return to the secular world." For now, he planned to kill his way out with Xu Ying and the others after snatching the ninth-grade lotus.

He would rush to Mount Coiling Dragon in the East Continent and return to the mortal world.

Bujie asked doubtfully, "Brother Yang, are we going back now?" "Yes!" Yang Luo nodded in response.

"Brother Yang, what are you guys talking about?" Mo Qingkuang walked over.

Yang Luo said truthfully, "Brother Mo, we plan to leave this place later and return to the secular world." Mo Qingkuang was very puzzled, "Is it so urgent?" Yang Luo nodded.

Mo Qingkuang said, "Alright, I'll go back with you later.

It just so happens that I've been in the Kunlun Ruins for a while.

It's time for me to return to the Hidden Dragon Pavilion to take a look." "Alright!" Yang Luo nodded in agreement.

At this moment.

After the Rank Nine Immortal Lotus flew out, Everyone present discussed as they continued to wait.

Everyone hoped that an eighth treasure would be born.

However, just as everyone was waiting Yang Luo stepped down and turned into a golden stream of light that flew towards the Immortal Furnace Mountain at an extremely fast speed

Chapter 1656: Hand over the treasure and I'll spare your life!

In an instant Everyone present was stunned.

"Who is that?

What does he want?!" "What do you mean?

Is this guy trying to snatch the treasure?!" "Those top families and sects haven't even made a move, and he's already making a move.

Is he so bold?!" Everyone was shocked.

No one expected that someone would actually start snatching the treasures at this point.

"F*ck me!" Bujie couldn't help but exclaim, "No wonder Brother Yang asked us to make preparations to retreat.

So he was planning to snatch the treasure?!" Tantai Puti said in surprise, "This is really something only Brother Yang would do!" Baili Wushuang also said in a daze, "Brother Yang is too fierce.

He's snatching it just like that?" Not only Bujie and the others, but Yi Hanshan, Mo Hongtu, and the others were also dumbfounded!

However, just as everyone was stunned!

Yang Luo had already flown to the top of the Immortal Furnace Mountain and held all seven treasures in his hand!

Everyone also saw clearly who had suddenly snatched the treasure!

"So it's this kid!" "Young brat, you're really bold.

You actually dare to snatch the treasures directly!" "Hurry up and put down the treasure.

We can spare your life!" "So what if you're the number one prodigy?

There are many people stronger than you here!" Many people present shouted angrily.

Tuoba Ye, Tu Wanxian, Ye Canghai, and the others were especially loud.

Some people had already taken out their weapons and were prepared to fight him directly.

Yang Luo said loudly, "These treasures are all ownerless objects nurtured by the world.

Whoever snatches them will get them.

Why should I put them down?" As he spoke, Yang Luo threw the ninth-grade immortal lotus into his storage ring and threw out the other six treasures.

"Uncle Mo, this is the Seven Leaf Immortal Vine!" "Uncle Yi, this is the Ice Soul Cold Sword!" "Uncle Ji, this is the Green Qilin Dragon Crystal Fruit!" "Uncle Baili, this is the Purple Thunder Spirit Ginseng!" "Uncle Lin, this is the Nine Revolutions Great Rejuvenation Pill!" "Puti, this is the Five Rings Mystic Fire Mirror!" In an instant, Mo Hongtu and the others caught the other six treasures.

However, they were very puzzled as to why Yang Luo knew the names of these treasures.

On the other hand, Yang Luo had come up with a plan.

He would directly take the ninth-grade immortal lotus and distribute the other treasures to his friends.

Unfortunately, there were too few treasures and not enough to share.

"Haha, kid, thank you!" "Looks like you've already made preparations.

The things you gave us are very suitable for our family and sect!" "Brother Yang, thank you!" Mo Hongtu and the others thanked him one after another.

If it was an ordinary person, they would probably snatch all seven treasures.

However, they did not expect Yang Luo to only take one and distribute the other six to them.

Just his character alone made them admire him very much.

Yi Hanshan took a step forward and said in a loud voice, "Little Luo is my Black Tortoise family's best friend and a junior I admire!

If you dare to attack him, you will be going against our Black Tortoise Family!" Tantai Zhengyang also took a step forward and said loudly, "Little Luo is the son-in-law of my Vermillion Bird Family.

Let's see who dares to touch him!" Hearing this "Father, you" Tantai Puti's face instantly turned red.

She was extremely shy.

Yang Luo was caught between laughter and tears.

When did he become the son-in-law of the Vermillion Bird Family?

"Little Luo is also my best friend.

Don't even think about touching him!" "My Azure Dragon Family will definitely protect Little Luo!" "My White Tiger Clan is the same!" "And my Qilin Family!" Mo Hongtu, Ji Wenzhou, Baili Shengxuan, and Lin Jingchen also stood up.

There was also the Immortal Physician Sect, the three pirate alliances, and the various Divine Beast Clans who also stood out.

Seeing that so many sects and families were standing up for Yang Luo Many people present were instantly frightened and did not dare to attack rashly.

Just the four top divine beast families and the Supreme Sect acting for Yang Luo was enough to intimidate many people.

For a moment The atmosphere in the entire Immortal Furnace Mountain's territory became oppressive and tense.

Yi Hanshan glanced around and shouted, "Little Luo, leave quickly!" "Alright!" Yang Luo nodded and shouted to Xu Ying and the others, "Let's go!" "Let's go!" Mo Qingkuang, Xu Ying, Bujie, Prajna, and Lin Wenxuan had already boarded an ancient boat and soared into the sky!

Seeing that Yang Luo was about to leave!

Tuoba Ye roared, "Everyone, there are so many of us.

Do we still need to be afraid of them?" "Everyone, attack together and snatch these treasures!" "Especially the treasure in Yang Luo's hand.

It's probably the most valuable.

We can't let him escape!" Tu Wanxian and Ye Canghai also attempted to sway the people present.

Then, Tuoba Ye and the other two led the elders of the Myriad Demon Valley, the Sky Demon Cult, and the Evil King Sect into the sky and pretended to chase after Yang Luo and the others!

The sect masters of Nine Specters Sect, Demonic Transformation Hall, Soul Eater Sect, and Killing Luo Sect also soared into the sky with their elders and chased after him!

"Everyone, what are you waiting for?

Hurry up and snatch!" "Don't let that kid escape!" Seeing Tuoba Ye and the others take the lead, many people present rushed into the sky to chase after Yang Luo.

Yi Hanshan said in a loud voice, "Little Luo, leave quickly.

We'll stop them!" "Attack together and stop them!" "Don't even think about hurting Little Luo!" Mo Hongtu also shouted.

In an instant, Yi Hanshan, Mo Hongtu, Lin Jingchen, Tantai Zhengyang, and the others also rushed into the sky with their elders and charged towards Tuoba Ye and the others!

"Brother Yang, hurry up and leave!" "Don't look back!" "Remember our agreement!" Tantai Puti, Yi Hengyu, Ji Longyue, and Baili Wushuang also soared into the sky to stop Tuoba Ye and the others!

A chaotic battle immediately erupted in the territory of the Immortal Furnace Mountain!

"Everyone, I can't thank you enough for your kindness.

Let me repay you in the future!" Yang Luo cupped his hands and waved his hand, "Let's go!" Then, Mo Qingkuang, Xu Ying, Bujie, Prajna, and Lin Wenxuan rode the ancient boat and flew into the distance at their fastest speed!

Yang Luo followed behind and stopped the people who were chasing after them!

Because there were too many people!

Therefore, before Yang Luo, Mo Qingkuang, and the others could fly far, a portion of people took advantage of the chaos to catch up!

Some of these people flew over on swords, while others rode Dharma artifacts and aerial beasts.

All of them were aggressive!

“Young brat, hand over that immortal lotus!” “Hand over the Immortal Lotus and I’ll spare your life!” “If you don’t hand it over, I’ll definitely let you die without a burial place!” These people roared as they chased.

“Come and snatch it if you have the ability!” Yang Luo let out a roar and suddenly swung his sword!

Swoosh!

A huge golden sword tore through the sky.

Sword light flickered and sword qi soared into the sky, wreaking havoc in all directions!

Puff!

Puff!

Puff!

Before a portion of them could approach, they were directly felled by the sword

Chapter 1657: Anyone Who Blocks Me Will Die!

Seeing that a portion of them were directly killed by Yang Luo’s sword!

The others were shocked!

They had only heard of Yang Luo’s legendary deeds previously and had never seen him attack, so they did not know how strong Yang Luo was!

However, after seeing it with their own eyes, they realized that Yang Luo's strength was really as powerful as the legends said!

However, treasures moved one's heart!

They might not dare to snatch treasures from the hands of those top divine beast clans and top sects!

However, they still dared to snatch Yang Luo's treasure!

"Everyone, there are so many of us.

Do we still have to be afraid of this brat?" "Everyone, let's attack together.

We can definitely kill this kid!" "This kid has a lot of good things on him.

We'll split them equally when the time comes!" Many people roared and charged at Yang Luo again.

The others were still hesitating, but when they saw that the others had already rushed forward, they also gathered their courage and rushed forward!

Yang Luo's eyes were cold as he said in a steely voice, "Since you all insist on having a death wish, I'll fulfill your wish!" Before his voice could fade Yang Luo swung his sword again!

Whoosh!

Whoosh!

Whoosh!

Whoosh!

Countless golden flying swords condensed and shot out!

Those people mobilized the True Qi in their bodies one after another, either to defend or counterattack!

Boom!

Boom!

Boom!

A series of shocking explosions resounded through the world!

A large amount of True Qi and light waves spread out and washed in all directions!

However, there were also many people who could not withstand the attacks of the flying swords at all.

Their bodies were riddled with holes and they fell from the sky!

At this moment, more and more people rushed over from the Immortal Furnace Mountain.

It was simply majestic and overwhelming!

There were people coming from everywhere in the sky and in the forest.

There were more than ten thousand of them!

These people surrounded Yang Luo, Mo Qingkuang, and the others!

“Kill them!” “Retrieve the immortal lotus!” These people roared and surrounded Yang Luo and the others!

Yang Luo shouted, “Brothers, kill your way out!” “Yes!” Mo Qingkuang and the others replied in unison.

Then, Mo Qingkuang and the others mobilized the True Qi in their bodies and launched a fierce attack!

Big White also couldn’t hold back anymore and jumped off Yang Luo’s shoulder!

On the way out!

“ROAR!” It let out a roar and its body instantly expanded by more than 30 meters, like a mountain!

Its body drew a parabola in the air and suddenly slapped out, knocking down several people in the air!

Rumble!

When it landed on a huge mountain, it directly trampled many people to death!

Then, Big White suddenly pounded his chest and launched a fierce attack at the people surrounding him!

“Those who block me will die!” Yang Luo stood proudly in the air and roared.

He kept waving the sword in his hand and killed everyone who surrounded him!

Of course, as he swung his sword, Yang Luo also used other large-scale killing moves!

“Meteor Shower!” Countless golden-red balls of fire descended from the sky and smashed down like fire meteors!

“Ten Thousand Miles of Ice!” Many of the people who surrounded him were frozen and fell to the ground, shattering into pieces!

“Nine Heavens, Dragon’s Fury!” “Roar, roar, roar!” Nine huge golden dragon illusions roared out and collided in all directions!

“Ahhhh” Screams resounded endlessly!

Under Yang Luo’s killing moves!

The people who rushed up fell like dumplings!

The people in the forest below were not spared either and were all killed!

Under the fierce attacks of Big White and Mo Qingkuang, many people were also killed!

In just ten minutes!

Thousands of people had already been killed!

However, there were still many people rushing over from the direction of Immortal Furnace Mountain!

After all, more than 200,000 people came to Immortal Furnace Mountain this time!

No matter how strong Yi Hanshan, Mo Hongtu, and the others were, they could not stop so many people!

There would always be people who would take advantage of the chaos to attack!

Yang Luo stepped down from the sky and roared!

“Sea of Purgatory Fire!” Whoosh!

Whoosh!

Fierce and violent golden-red flames spewed out of his body, turning into a sea of fire that surged up!

In an instant!

Nearly a thousand people were drowned by the sea of fire!

“Ah!” “Quickly charge out!” “Retreat!”

Retreat quickly!” Those people struggled in the sea of fire and shouted as they rushed out!

However, the flames that Yang Luo shot out now were extremely hot and powerful, as if they could burn everything in the world!

Those who were submerged in the sea of fire could not rush out at all and were directly burned to death by the flames!

Even after the sea of fire surged out!

Yang Luo’s attacks did not stop there!

He raised his left hand and condensed a golden-red fireball before throwing it out!

“Sky Burning Explosion!” The golden-red fireball, which was originally only the size of a palm, instantly expanded by thousands of feet and collided with the sky!

In an instant!

Rumble!

This golden-red fireball directly exploded!

More than a thousand people were killed on the spot, and many people were burned to death!

Yang Luo had killed seven to eight thousand people in such a short period of time!

The others were stunned and did not dare to go forward anymore!

“Is this kid’s strength so terrifying?!” “Is there no one who can kill him?!” These people spoke in fear and looked at Yang Luo with fear.

Yang Luo waved his hand, “Let’s go!” Mo Qingkuang and the other three sat on the ancient boat and flew into the distance.

On the other hand, Big White suddenly leaped up and quickly shrunk before landing on Yang Luo’s shoulder!

Yang Luo’s figure moved and he flew into the distance at an extremely fast speed.

At this moment.

The Evil King Sect's Sect Master Ye Canghai and the Soul Devouring Sect's Sect Master Ling Tianhun rushed over with two True Immortal Realm elders and four Earth Immortal Realm elders.

"What are you waiting for?

Hurry up and chase after him!" Ye Canghai roared and chased after Yang Luo.

Ling Tianxie and the others also chased after him.

"Sect Master Ye and Sect Master Ling have gone after them.

Let's go after them too!" "Alright, chase!" The others didn't hesitate and chased after him

Chapter 1658: Surrounded and Intercepted!

For the rest of the journey Yang Luo and the others flew in front and started a life and death escape.

Ye Canghai, Ling Tianhun, and the others chased closely behind with their men.

Moreover, more and more people were chasing after him.

There were tens of thousands of them.

As these people chased, they attacked Yang Luo and the others.

Yang Luo and the others also attacked continuously.

Dong, dong, dong Boom, boom, boom A series of shocking collisions and explosions resounded through the world and shook the surroundings!

Under the fierce attacks!

From time to time, people would be killed and fall from the sky!

They chased for hundreds of kilometers.

Yang Luo and the others finally flew out of the Flying Immortal Mountain Range!

Seeing that more and more people were chasing after them Yang Luo said to Mo Qingkuang and the rest, "Brother Mo, you guys leave first.

I'll stop them!" Mo Qingkuang frowned and said, "There are so many people.

Can you stop them alone?" Bujie raised his Dragon-Mark Buddhist Staff and said ruthlessly, "Brother Yang, at most, we'll fight them to the death!" Yang Luo said in a firm voice, "Don't worry, I won't fight.

If there's a chance, I'll retreat!" "Then alright!" Mo Qingkuang nodded in agreement.

Yang Luo said to Big White, "Big White, go with Big Brother Mo and the others!" "Wuuuu!" Big White was obviously unwilling.

"If I tell you to leave, leave!" Yang Luo directly pulled Big White off his shoulder and threw it onto the ancient boat.

Then, Mo Qingkuang and the others steered the ancient boat at the same time and flew into the distance!

After Mo Qingkuang and the others flew away!

The tens of thousands of people had already caught up!

Yang Luo gritted his teeth and suddenly swung his sword!

“Dragon Rebel Sword Formation!” In the blink of an eye!

Countless flying swords shot out and instantly formed a huge sword formation, trapping more than a thousand people!

“Formation, activate!” Yang Luo immediately shouted and activated the sword formation!

Whoosh!

Whoosh!

Whoosh!

Whoosh!

Countless flying swords shot towards the thousands of people in the sword formation!

“Roar, roar, roar!” Accompanied by loud dragon roars!

Huge golden dragon illusions crashed into the thousand-odd people!

After setting up the sword formation!

Yang Luo instantly mobilized the Mysterious Underworld power in his body and waved his hand!

“Frozen Hell!” In an instant!

A huge blue-golden Frost Prison condensed and trapped more than a thousand people!

This was one of the Black Tortoise’s innate divine powers!

After the Frozen Hell prison condensed into form!

Countless blades of ice shot out in unison!

Streams of ice surged out!

“Divine Flame Inferno!” Yang Luo mobilized the flames in his body again and waved his hand!

A huge golden-red Flame Prison also condensed and trapped more than a thousand people!

This was one of the Vermillion Bird’s innate divine powers!

Countless flaming blades shot out!

Waves of fire surged up!

At this moment A sword formation condensed in the sky above where Yang Luo was, a Frost Prison and a Flame Prison!

Flying swords shuttled, golden dragons soared, ice filled the air, and flames surged.

It was incomparably spectacular!

“Charge out!

Hurry up and charge out!” “I don’t want to die, I don’t want to die!” “Ah!

Ah!

Ah” Shouts and screams sounded one after another.

Anyone who was trapped by the sword formation and the dual prisons could not escape at all and was killed!

However, most of them managed to escape and continued charging towards Yang Luo like a tide!

“Little b*stard, you severely injured me not long ago, causing me to not have fully recovered until today!

If I don’t kill you, I’m not worthy of being the Sect Master of the Diablo Sect!” Ye Canghai let out an angry roar and waved the Evil King Halberd in his hand, launching a fierce attack!

“Evil God Chaotic Heaven Halberd!” Swoosh!

A huge purple halberd tore through the sky and slashed at Yang Luo with a powerful and domineering halberd intent!

“Kid, everyone says that you’re the number one prodigy of the Kunlun Ruins, and I like to kill geniuses and paragons the most!” With a sinister smile, Ling Tianhun charged over with a black saber in his hand and slashed out heavily!

“Soul Devouring Blade Technique!” Swoosh!

A huge black saber with a powerful and vast saber intent slashed at Yang Luo with saber beams that filled the sky!

Ye Canghai and Ling Tianhun were both at the mid-stage Earth Immortal Realm and were even close to the late-stage Earth Immortal Realm!

Therefore, the combined attack of the two of them was incomparably ferocious, as if they wanted to destroy everything!

“You guys don’t have the right to kill me!” Yang Luo shouted coldly.

With a flip of his wrist, he met the attack with his sword!

“Dragon Emperor Sword Technique!” Swoosh!

A huge golden sword slashed out, stirring the wind and clouds as it faced the attack!

Clang!

Swords, halberds, and sabers collided crazily in the sky, emitting world-shaking collision sounds!

Flames shot out in all directions, energy surged, and light flickered, surging in all directions!

However, it was only one strike!

Ye Canghai and Ling Tianhun could no longer withstand it!

“Urghh” “Ah!” The two of them let out a tragic cry and were sent flying!

Their chests were cut open so deep that their bones could be seen, and blood splattered uncontrollably!

When the people who were about to charge over saw this, they were shocked!

They clearly did not expect Yang Luo to send Ye Canghai and Ling Tianhun flying with a single strike!

Moreover, he had injured two people!

Just as the two of them were sent flying!

The four Earth Immortal realm elders of the Diablo Sect and the Soul Devouring Sect also rushed over and attacked Yang Luo!

They were two late-stage Earth Immortals and two middle-stage Earth Immortals!

“Evil King’s Finger!” “Evil God Killing Fist!” “Heavenly Soul Hand!” “Seven Kill Soul Fist!” The huge finger pressed down on the sky, fists and palms flew, light surged, and energy surged!

The four attacks attacked at the same time.

They were incomparably terrifying, as if they wanted to crush Yang Luo into pieces!

Yang Luo was not afraid at all!

Now, he was an invincible existence below the True Immortal Realm!

He slashed out again with all his might!

Rumble!

Another sword strike!

The attacks of the four Earth Immortal Realm elders were destroyed!

“Ahhhh” The four of them cried out in pain and were sent flying one after another!

Their bodies were also cut open, and blood splattered in the air!

At this moment.

The others also rushed over from all directions!

Yang Luo swung his sword again!

Countless golden flying swords shot out in all directions with him as the center!

Puff!

Puff!

Puff!

Before those people could approach, their bodies were beaten into a beehive and they fell from the sky one after another!

Then, his body trembled and the flames in his body erupted, turning into a sea of fire that surged in all directions!

Those who were about to charge forward were instantly drowned by the sea of fire and burned to death!

Chapter 1659: Fighting a True Immortal!

“Attack together!” Ye Canghai roared and held his halberd as he charged at Yang Luo crazily!

“Kill him!” Ling Tianhun and the other four Earth Immortal Realm elders also charged forward!

Other than Ye Canghai and the others!

“Kill, kill, kill!” There were also more than 10,000 people who came forward to besiege him!

The sound was earth-shattering and the killing intent surged!

“You want to kill me?”

Come on!” Yang Luo still did not dodge.

With the Dragon Emperor Sword in hand, his blood qi boiled and his hair danced as he charged towards those people!

Boom!

Boom!

Boom!

With just one collision, more than a thousand people were sent flying!

Some died on the spot, while others lost their combat strength and fell!

“Kill!” Yang Luo also exuded killing intent.

His figure shuttled through the crowd as he swung the sword in his hand continuously!

At this moment, Yang Luo seemed to have transformed into a death god, mercilessly reaping lives!

In just a few minutes, thousands of people were killed!

“Ah!

Ah!

Ah” “No, no, no” Screams and cries sounded non-stop!

Ten minutes later!

Rumble!

Accompanied by a shocking explosion!

The remaining thousands of people were all blown away, some dead and some injured!

Ye Canghai, Ling Tianhun, and the others were also sent flying by the explosion.

Their skin and flesh were torn everywhere!

Two early-stage Earth Immortal elders had even been killed!

Yang Luo stood proudly in the air, covered in blood.

His face was also covered in blood, like a demon who had returned from hell!

However, most of the blood belonged to the enemy, not him!

“Come on, keep going!” Yang Luo roared angrily, the killing intent in his heart completely boiling!

“Little bastard, that’s enough!” An elder of the Diablo Sect rushed over at this time and attacked Yang Luo!

This elder’s name was Yan Moxie, and his cultivation was at the early-stage True Immortal Realm!

“Evil God Extermination Palm!” He let out a Thunder Roar and slapped out!

A huge purple-black palm that was thousands of feet tall crushed a portion of the sky and pressed down heavily on Yang Luo!

The palm of a True Immortal was incomparably terrifying.

The surrounding void was shattered and black cracks tore open like spider webs!

Yang Luo had never fought a True Immortal realm expert before, so he naturally did not dare to be careless.

He constantly mobilized the True Qi in his body and faced the attack with his sword!

At that very moment Rumble!

The huge golden sword and the purple-black palm collided fiercely, causing the world to tremble and the mountains to shake!

At the point of impact, the void directly cracked!

After this collision!

Yang Luo was sent flying a hundred meters away!

Yan Moxie was sent flying dozens of meters away!

Although Yan Moxie had the upper hand, it still shocked him!

“What?!” Yan Moxie’s expression changed drastically as he said in shock, “Young brat, you actually blocked my palm and forced me back?!” The others were also extremely shocked!

One had to know that Yan Moxie was a True Immortal!

This kid could even withstand a strike from a True Immortal?

Especially Ye Canghai, Ling Tianhun, and the others, they found it even more unbelievable!

“D*mn it!” Ye Canghai’s expression was ferocious, “What’s going on with this kid?

Not long ago, this kid could only suppress me.

He couldn’t fight against a True Immortal at all!

Why is this kid able to contend against a True Immortal now?!” “Little bastard, you killed many elders of my Diablo Sect.

Hand over your life!” Yan Moxie roared.

His aura and pressure directly soared.

His beard and hair fluttered, and his long robe fluttered!

Yang Luo did not overestimate himself and quickly increased his aura and pressure!

The next second!

Yang Luo and Yan Moxie moved at the same time and charged at each other!

In a breath’s time!

The distance between the two of them shortened, and they swung their palms and swords at the same time!

Clang!

Clang!

The huge sword and the huge palm collided again, shaking the sky and shaking the mountains and rivers!

After this collision!

Yang Luo and Yan Moxie were sent flying again!

“He withstood it, he actually withstood it again!” “Is this kid also a True Immortal?!” “Impossible.

I've never seen such a young True Immortal!" The tens of thousands of people in the distance cried out in surprise.

All of them felt that it was unbelievable.

Moreover, more than ten thousand people rushed over one after another.

Yan Moxie stabilized his body after retreating dozens of meters!

He stared fixedly at Yang Luo and said, "Little bastard, I really didn't expect your cultivation to have stepped into the perfected Earth Immortal realm!

I've lived for so many years, but I've never seen a young man with a cultivation as high as yours!

No wonder the people of the Kunlun Ruins said that you're the number one prodigy.

No wonder!" After exchanging blows twice, he was completely certain that Yang Luo's cultivation was at the perfected Earth Immortal Realm.

"Perfected Earth Immortal Realm This kid has actually stepped into the perfected Earth Immortal Realm?!" "But even if he's at the perfected Earth Immortal Realm, it's impossible for him to withstand the attack of a True Immortal!" Everyone was very puzzled and shocked.

"Perfected Earth Immortal Realm" Ye Canghai gritted his teeth, his eyes filled with anger and jealousy.

Why did this kid's cultivation increase so quickly?

He was only at the mid-stage Earth Immortal Realm, but this kid had actually stepped into the perfected Earth Immortal Realm!

Even a True Immortal elder of the Soul Devouring Sect standing in the sky in the distance narrowed his eyes, his eyes filled with surprise.

This elder's name was Pei Zhanhun.

His cultivation was at the intermediate stage of the True Immortal Realm.

He could be considered to have the highest cultivation among the tens of thousands of people present.

"Little bastard, you're really not simple.

Looks like if I want to kill you, I have to be serious!" Yan Moxie said ruthlessly.

Then, he continued to increase his aura and pressure.

Immortal light spread out from his body as he charged towards Yang Luo!

Yang Luo's body trembled as he roared!

"Cosmic Form!" Accompanied by a loud bang!

A golden giant holding a huge sword stood above him, like an ancient sword immortal descending to the world, intimidating!

When Yan Moxie rushed over, he suddenly waved his hand!

"Evil flames fill the sky!" Extremely Yin and evil purple-black flames soared into the sky from his body and instantly filled the sky.

Like a monstrous sea of fire, they surged towards Yang Luo!

“Sea of Purgatory Fire!” Yang Luo also stepped down from the sky and erupted with the flames in his body!

The Pure Yang Primordial Fire that had fused with the Vermilion Bird Divine Flame soared into the sky and turned into a sea of flames as it collided!

At that moment Rumble The two seas of fire collided heavily, causing the world to tremble, mountains to collapse, and the ground to collapse!

The two seas of fire fought crazily, not giving in to each other.

They wanted to destroy and devour each other!

“This!” Yan Moxie was shocked.

He did not expect Yang Luo to be able to withstand his attack so easily.

Chapter 1660: One Against Two!

“Destroy!” Yang Luo gripped the Dragon Emperor Sword tightly with both hands and slashed at the surging sea of fire!

The Dharma Idol that stood above him also swung its sword and slashed into the sky!

The two golden swords overlapped and transformed into an even larger sword that slashed out!

Rumble!

The surging sea of fire was instantly cut open by the golden sword!

The vast flames and energy surged in all directions!

Many people watching from afar could not retreat in time and were directly killed!

Yan Moxie waved his hand again!

“Evil God Descends!” A purple giant that was thousands of feet tall stood in the firmaments and charged towards Yang Luo like an ancient evil god!

Yang Luo’s Dharma Idol rushed up and collided with the evil god!

Tang!

The two giants engaged in a world-shaking collision, causing the world to collapse and the surroundings to tremble!

And right at this moment The True Immortal realm elder of the Soul Devouring Sect, Pei Zhanhun, did not watch the battle anymore.

He twisted his fist and punched towards Yang Luo!

“Heavenly Soul Immortal Slaying Fist!” A huge grayish-black fist tore through the layers of void and smashed towards Yang Luo like a towering mountain!

Yang Luo was shocked and immediately waved the Dragon Emperor Sword in his hand to meet the attack!

In an instant!

Clang!

The collision of the sword and fist was earth-shattering and thunderous!

If he faced an early-stage True Immortal expert, Yang Luo could still fight!

However, against a mid-stage True Immortal expert, Yang Luo could not resist at all!

“Urghh” He let out a muffled groan and was sent flying by this punch!

As Yang Luo was sent flying, bloody wounds exploded on his body!

Blood splattered everywhere!

“Hahaha, Elder Pei is mighty!” “Just like that, let’s kill this kid in one go!” “So what if he’s at the Perfected Earthly Immortal Realm?”

In front of a mid-stage True Immortal Realm expert, he’s nothing!” Ye Canghai, Ling Tianhun, and the others raised their arms and shouted.

“Kill!” Pei Zhanhun let out a thunderous roar.

In a flash, he turned into a stream of light and charged towards Yang Luo!

As he saw Pei Zhanhun charging over!

Yang Luo’s body trembled as he roared into the sky!

“Flame Emperor Combat Body!” In the blink of an eye!

A giant burning with golden-red flames stood on Yang Luo's body and enveloped him!

Then, Yang Luo gripped the Dragon Emperor Sword tightly with both hands and slashed at Pei War Spirit with all his might!

"You overestimate yourself!" Pei Zhanhun was filled with disdain as he threw another punch!

Boom!

Boom!

The sword and fist collided, erupting with a thunderous explosion!

Yang Luo was sent flying again, but this time, the distance he flew out decreased greatly!

Obviously, after activating the Emperor Yan Combat Body, Yang Luo's combat strength had increased significantly!

Yan Moxie said in a clear voice, "Brother Pei, this kid is not simple.

Let's join forces and kill him!" "Alright!" Pei Zhanhun nodded in agreement.

Then, the two of them moved and charged at Yang Luo at the same time!

Seeing the two of them charging over!

Yang Luo's eyes were cold as his body trembled and he used all his killer moves!

“Primal Heavenly Art!” “Dragon Howls at the Myriad Existences!” “Vermillion Bird Descends!” “True God Black Tortoise Transformation!” The six ancient Ancestral Magi, the Golden Dragon, the Vermillion Bird, and the Black Tortoise instantly stood up and charged at the two of them!

Ancestral Magus Steps on the Void, Golden Dragon Soars, Vermillion Bird Spreads Its Wings, Black Tortoise Heaven Stomping!

This scene was incomparably spectacular, shocking the tens of thousands of people present!

“Oh my god, how many immortal techniques does this kid know?!” “Why does this kid even know the immortal techniques of the Vermillion Bird Family and the Black Tortoise Family?!” “More importantly, the cultivation techniques and immortal techniques that this kid used are all very powerful!” Discussions and exclamations rose and fell.

Whether it was those who knew Yang Luo or those who did not, they finally understood how powerful and terrifying Yang Luo was!

Without Yan Moxie and Pei Zhanhun, none of them would have been able to stop Yang Luo!

Pei Zhanhun and Yan Moxie were also shocked!

A mere Earth Immortal Realm brat could actually erupt with such powerful combat strength.

It was really unbelievable!

However, although they were shocked, they were naturally not afraid!

No matter what, they were True Immortals.

Why would they be afraid of an Earth Immortal?

The two of them continued to punch and slap out!

Giant fists that were as huge as falling stars suppressed the world!

Giant palms were like five-finger mountains, terrifying beyond compare!

Crackle crackle crackle The Ancestral Magus, the Golden Dragon, the Vermillion Bird, and the Black Tortoise were blasted into the sky one after another, turning into light and energy that filled the sky and splashed out!

They could not stop the two of them!

Yang Luo's body shook!

"Great Dao Dragon Diagram!" A huge golden dragon totem condensed and spun in the sky!

Vast dragon qi swept in all directions, and the brilliant dragon might suppressed the nine heavens!

"Summon!" "Flood dragon!" "Inferior Divine Dragon!" "Medium Divine Dragon!" "Roar, roar, roar!" Tens of thousands of flood dragon illusions, more than a thousand low-level divine dragon illusions, and ten intermediate-level divine dragon illusions roared out and collided with Pei War Spirit and Yan Moxie!

Now, with Yang Luo's cultivation breakthrough, he could summon more dragon illusions and the rankings of the dragons were higher!

Unfortunately, it was still very difficult to summon a True Dragon!

"Oh my god, what kind of cultivation technique is this?"

It's simply like ten thousand dragons crushing the sky?!" "How many immortal techniques does this kid know?"

Could it be that he can't finish using them all?!" Everyone was shocked again.

Pei Zhanhun and Yan Moxie were also shocked and continued to attack!

"Myriad Soul Devouring the Heavens!" "Evil God Immortal Suppressing Monument!" Countless grayish-black ghosts condensed and attacked crazily!

Purple-black monuments that were a thousand feet tall condensed and attacked!

Boom!

Boom!

Rumble!

The sound of collisions and explosions shook the nine heavens and the ten lands endlessly, spreading for an unknown distance!

A large number of ghosts, giant tablets, and dragon illusions exploded in the sky!

One after another, huge balls of light erupted, turning into endless energy that spread in all directions!

"Ahhhh" Many people who were closer were sent flying and spat out blood.

Some died on the spot, and those who did not die were severely injured.

"Don't get close.

Retreat!" Ye Canghai roared.

Tens of thousands of people did not dare to approach and quickly retreated.

However, the killing move that Yang Luo used could only stop Pei Zhanhun and Yan Moxie for a moment.

It could not kill them at all!
