Chapter 1671: Three Swords to Kill Immortals!

Zhang Zhilin and Master Xuanku, who were watching from afar, were also shocked.

“What’s Little Luo’s cultivation level?” Master Xuanku was even more puzzled.

“Late Earth Immortal Realm?” Zhang Zhilin asked.

“It’s highly possible.” Master Xuanku nodded.

“This!” Zhang Zhilin looked shocked, “He stepped into the late-stage Earth Immortal realm in a few months?”

So fast?” Chen Yichuan and Chi Xingye were especially dumbfounded!

Chi Xingye frowned and asked, “This kid actually injured Brother Ji with a single strike?”

Could it be that his cultivation level is really higher than Brother Ji?" "This kid is too strange!" Chen Yichuan stared intently at Yang Luo, "Although I can't see through his cultivation, his sword intent is very terrifying!

Brother Ji's sword intent is a Mystic Rank sword intent, but it was crushed by this kid's sword intent!

I'm afraid the sword intent that this kid comprehended is at least Earth-rank!" "Are we going to help?" Chi Xingye asked.

Chen Yichuan said, "Let's observe the situation first!" "Alright!" Chi Xingye nodded in response.

"Little bastard, you actually injured me.

You have a death wish!" Ji Qianqiu roared.

His entire body trembled as he activated his Dharma Idol!

A scarlet fire giant holding a huge sword stood up!

He led his Dharma Idol and charged crazily at Yang Luo!

Yang Luo did not dodge or retreat.

He charged forward!

In the blink of an eye!

The distance between Yang Luo and Ji Qianqiu shortened again!

“Go to hell!” Ji Qianqiu gripped the Netherflame Sword tightly with both hands and slashed out angrily!

The Dharma Idol that stood above him also held his sword with both hands and slashed out!

The two scarlet flaming swords overlapped and transformed into an even larger sword that slashed at Yang Luo!

The void was torn apart, and pitch-black cracks appeared!

The raging flames distorted the space!

Before the sword landed completely, the True Qi barrier that enveloped all the mountains rumbled!

Without a doubt, without the protection of the True Qi barrier, countless mountains and buildings would have been destroyed below!

“Mr.

Yang, be careful!” “Sect Master, be careful!” Even Qi Yutang could sense how terrifying the power of Ji Qianqiu’s strike was after he activated his Dharma Characteristic.

He reminded him in shock.

Even Zhang Zhilin and Master Xuanku, who were in the distance, looked worried.

Chen Yichuan and Chi Xingye were extremely excited.

They were certain that Yang Luo would definitely not be able to block Ji Qianqiu’s sword!

However, Yang Luo’s expression was extremely calm without any fluctuations!

He gripped the Dragon Emperor Sword tightly with both hands and mobilized the True Qi and physical strength in his body at the same time.

He slashed out again!

Swoosh!

As the sword slashed out, heaven and earth shook.

The overbearing sword intent and sword power instantly erupted like a volcano erupting, like a mountain flood bursting a dam, like an ocean surging!

A huge golden sword that was thousands of feet long slashed out ruthlessly, as if it wanted to break through everything, destroy everything, annihilate everything!

In the blink of an eye!

Rumble!

The two huge swords collided intensely in the sky with a shocking commotion that shook the eight directions!

Flames shot out in all directions, and sword intent shot out.

Energy surged, and it was incomparably spectacular!

Ji Qianqiu originally thought that after activating his Dharma Idol, even if he couldn't kill Yang Luo, he could still severely injure him!

However, the moment the two swords collided, he realized that he was wrong!

This kid's cultivation had to be higher than his!

The sword intent that this kid comprehended was also stronger than his!

Unblockable!

There was no way to stop it!

Crackle!

The sound of an explosion that pierced through the clouds and cracked rocks resounded in all directions!

Ji Qianqiu's Dharma Idol was directly cut into two by Yang Luo's sword and exploded in the sky!

"Arghhhh!" He let out a miserable scream and spat out blood as he was sent flying again!

This time, a long, bone-deep wound appeared on his chest again, as if he was about to be split into two!

Blood splattered in the air uncontrollably.

It was a shocking sight!

Seeing this, everyone present was shocked again!

Ji Qianqiu was sent flying again, and he was seriously injured again!

After the second strike!

Without any hesitation, Yang Luo's figure moved and shot out like a golden arrow, charging towards Ji Qianqiu!

In the blink of an eye!

Yang Luo had already caught up to Ji Qianqiu!

The moment he caught up!

Yang Luo gripped the Dragon Emperor Sword tightly with both hands and slashed at Ji Qianqiu angrily!

“Die!” Swoosh!

The third sword slashed down from the sky, cutting through layers of void!

The sword intent and sword might that erupted from this sword was even more powerful, domineering, and terrifying!

It was as if an ancient sword immortal had slashed out!

Ji Qianqiu’s expression changed drastically.

He was shocked and instantly erupted his True Qi to the limit.

He quickly swung his sword to meet the attack!

Rumble!

The two swords collided violently, and the sound of metal clashing was like thunder!

However, he still could not block it!

“Help!

Come and save me!” Ji Qianqiu screamed for help.

“Hurry up and help!” Chen Yichuan also realized that something was wrong.

He shouted and charged at Yang Luo!

Chi Xingye did not dare to stop at all and charged towards Yang Luo!

As the two of them charged forward, they struck out at Yang Luo at the same time!

Two thousand-foot-long palms crushed the sky and slapped heavily at Yang Luo!

However, Yang Luo ignored the two of them and trembled!

A blue-gold ice shield instantly condensed and emitted a bone-piercing cold aura, enveloping him!

Boom!

Boom!

The two huge palms slapped heavily on the ice barrier, emitting rumbling thunder!

However, no matter how ferocious their attacks were, they could not shake Yang Luo's defense at all!

It only caused the ice barrier to tremble a little, but it was not damaged at all!

At this moment!

Crack The sword in Ji Qianqiu's hand was directly cut into two!

"No No Don't kill me!!!" Ji Qianqiu completely panicked.

He hurriedly condensed a True Qi barrier and crazily counterattacked!

However, no matter how violent his attack was, it was destroyed by Yang Luo's sword!

Chen Yichuan and Chi Xingye also attacked Yang Luo fiercely, but they still could not break through Yang Luo's defense!

In the next second Pfft Yang Luo's sword directly cut Ji Qianqiu's body in half!

Blood and two halves of his body slowly fell from the sky, deeply shocking everyone's hearts!

Three slashes!

From Yang Luo's attack to killing Ji Qianqiu, it only took three strikes!

Furthermore, until now, Yang Luo had not even activated his Dharma Idol!

More importantly, Yang Luo was still injured!

How powerful!

How domineering!

How straightforward!

Chapter 1672: I'm Sure to Die?

When the two halves of Ji Qianqiu's body fell into the valley.

When Chen Yichuan and Chi Xingye were sent flying by the energy that spread out.

The entire Heavenly Luo Sect was silent.

Everyone looked at Yang Luo in the sky in a daze and did not recover for a long time.

At this moment, Yang Luo held the Dragon Emperor Sword in his hand and stood proudly in the air.

He was unruly, domineering, and arrogant.

Under the moonlight, Yang Luo's entire body shone brightly, like an immortal from the nine heavens who had descended to the mortal world.

After a moment of silence.

The entire Heavenly Luo Sect was in an uproar.

“Oh my god, it’s only been a few months since we last met.

Has Mr.

Yang become so strong?!” “Isn’t that so?

Ji Qianqiu was killed in just three moves!” “Moreover, Brother Yang is too lazy to even activate his Dharma Idol.

Plus, he is still injured.

His injuries don’t look light!” “Sect Master is mighty and domineering!” “Good job, Sect Master!” Qi Yutang and the other Luo Tian Sect disciples raised their arms and cheered.

All of them cried tears of joy.

They had waited for several months before Yang Luo finally returned.

Furthermore, he had returned with powerful strength!

Zhang Zhilin and Master Xuanku, who were watching from afar, were also deeply shocked!

Zhang Zhilin sighed and said, “He killed a mid-stage Earth Immortal expert in three moves.

Little Luo has really grown a lot!" "Amitabha" Master Xuanku pressed his palms together, his eyes filled with gratification and admiration.

As for Chen Yichuan and Chi Xingye, they were already dumbfounded and their bodies trembled uncontrollably.

What was going on?

Why was this kid so strong?

He killed Ji Qianqiu, who was at the intermediate-stage of the Earth Immortal Realm, in three moves?

Even if they helped, they could not shake this kid!

It was unbelievable!

At this moment.

Yang Luo looked up at Chen Yichuan and Chi Xingye and said indifferently, "Come at me together, lest I kill you one by one.

It's too troublesome." Chen Yichuan and Chi Xingye's expressions were uncertain.

Their eyes were filled with anger and fear.

"Brother Chen, what should we do now?

This kid is too strange!

Are we going to retreat?" Chi Xingye asked softly.

Chen Yichuan gritted his teeth and said, "Retreat?"

It's obvious that this kid has experienced a huge battle and is seriously injured.

He definitely won't be able to last long!

The reason why he could kill Brother Ji just now was entirely because Brother Ji was careless!

As long as we join forces and use all our strength, we will definitely be able to kill him!" "Alright!" Chi Xingye nodded and said ruthlessly, "Then let's join forces to kill him!" Chen Yichuan stared fixedly at Yang Luo and roared angrily, "Little bastard, I know that you're very strong!

However, in your current state, it's simply impossible for you to kill us!

"As for us, as long as we join forces, you will definitely die!" "I'm definitely going to die?" Yang Luo chuckled and said, "Let's give it a try!" "Hmph!" Chen Yichuan snorted and let out a deafening roar!

"Seven Slaughter Sword!" A grayish-white sword flew out of his sleeve and was grabbed by him!

"Nine Absolutes Sword!" Chi Xingye also shouted!

A greenish-black sword flew out of his sleeve and was grabbed by him!

Therefore, they were all elders of the Immortal Sword Sect.

Naturally, they mainly cultivated the Sword Dao.

Sword techniques were what they were best at!

After taking out their weapons!

The two of them shuddered and activated their Dharma Idols at the same time!

Accompanied by a loud bang!

A grayish-white giant holding a huge sword and a greenish-black giant holding a huge sword stood above the two of them!

The two Dharma Idols had the firmaments above their heads and stepped on the void.

They were majestic and domineering!

Waves of majestic pressure and aura swept through the entire Heavenly Luo Sect territory!

“These two old fellows have actually activated their Dharma Idol!” “I wonder if Mr.

Yang can defeat these two old fellows!” Qi Yutang and the others exclaimed and could not help but feel a little nervous.

Zhang Zhilin and Master Xuanku were also prepared to attack at any time!

After all, the other party had two people working together and a late-stage Earth Immortal!

And Yang Luo was alone and even injured!

However, the moment the two of them activated their Dharma Idols!

Yang Luo also stepped down from the air and shouted!

“Cosmic Form!” Rumble rumble rumble!

Heaven and earth shook violently, and the surroundings shook!

A golden giant holding a huge sword stood above Yang Luo!

The pressure and aura that spread out was even more powerful, vast, boundless, and domineering!

Just the pressure and aura alone crushed Chen Yichuan and Chi Xingye’s Dharma Idol!

Yang Luo originally did not want to activate his Dharma Idol!

After all, even without activating his Dharma Idol, he could still kill these two fellows.

It would just take a lot of time!

However, he did not want to waste time with these two people at all, so he directly activated his Dharma Idol!

“Kill this little bastard!” “Kill!” Chen Yichuan and Chi Xingye roared at the same time and led their Dharma Idols to attack Yang Luo!

Yang Luo also moved and led his Dharma Idol to charge forward!

In an instant!

The distance between the two sides shortened!

“Seven Kills Sword Technique!” “Nine Absolutes Sword Manual!” Chen Yichuan and Chi Xingye mobilized the True Qi in their bodies at the same time and slashed at Yang Luo!

The two Dharma Idols also swung their swords at the same time and slashed out angrily!

Four swords slashed out at the same time, majestic and terrifying!

A large area of void was torn apart, shocking everyone!

Yang Luo was not afraid at all.

With a flip of his wrist, he faced the attack with his sword!

“Dragon Emperor Sword Technique!” The Dharma Idol that stood above him also swung its sword!

The two huge golden swords tore through the void, stirring the wind and clouds as they charged forward!

At that moment Rumble!

Four huge swords collided in the sky!

It was as if thunder and flames were flickering.

Energy surged, and in the gorgeousness, there was endless destructive power!

However, it only lasted for a few minutes!

Crackle!

Only continuous explosions was heard!

Chen Yichuan and Chi Xingye were sent flying at the same time!

Their bodies were cut open, and blood spurted out!

Their Dharma Idols were also sent flying, and their bodies were slashed open!

“Another sword strike, and he actually sent two people flying?!” “Could it be that Mr.

Yang can really kill two people alone?!” Exclamations resounded.

After sending the two of them flying!

Yang Luo did not stop at all.

He led his Dharma Idol and continued to charge forward!

Chapter 1673: A Mere Earth Immortal!

As they caught sight of Yang Luo charging over!

Chen Yichuan and Chi Xingye didn't dare to be careless.

They swung their swords angrily!

In the blink of an eye!

Whoosh!

Whoosh!

Whoosh!

Whoosh!

Countless grayish-white flying swords and greenish-black flying swords condensed and shot out!

However, Yang Luo did not dodge or retreat.

He ignored the flying swords and led his Dharma Idol to continue charging forward!

Boom!

Boom!

Boom!

The flying swords that covered the sky and earth were shattered by Yang Luo and his Dharma Idol!

A large amount of light and energy waves spread out and filled the sky!

The flying swords that filled the sky could not stop Yang Luo and his Dharma Idol!

Chen Yichuan and Chi Xingye were terrified and broke out in cold sweat.

They launched another fierce attack!

“Seven Swords Suppressing Immortal!” “Nine Swords to Kill Immortals!” In an instant!

Seven grayish-white swords and nine greenish-black swords all shot out with powerful Profound Rank sword intent!

The void in front of them was torn apart layer by layer with immense power!

Furthermore, every huge sword carried the power of multiple attributes.

There were flames burning, ice surging, violent winds wreaking havoc, and lightning flashing!

However, Yang Luo’s eyes were filled with disdain as he slashed out with his sword!

The Dharma Idol in the sky also slashed out at the same time!

Swish!

Swish!

The two huge swords slashed out heavily, and the Indestructible Sword Intent soared into the nine heavens!

Crackle!

The sixteen huge swords that shot over exploded one after another like fireworks that were dazzling!

“I can’t block it Why can’t I block it?!” Chi Xingye was even more terrified.

He waved his hand, “Kill this kid!” “Destroy him!” Chen Yichuan was also furious.

He waved his hand and gave the order!

Their Dharma Idols rushed out and charged at Yang Luo!

“Crush them!” Yang Luo only pointed his sword forward and shouted!

His Dharma Idol held a huge sword and ran wildly in the air, charging towards the Dharma Idol of the two!

In an instant!

Rumble The three Dharma Idols collided heavily, and the commotion shook the nine heavens and ten earths!

It was just a single collision!

But Chen Yichuan and Chi Xingye’s Dharma Idols were sent flying!

Without any hesitation, Yang Luo’s Dharma Idol charged forward again!

Clang Clang Clang Both sides collided three more times!

Crackle!

Finally, Chen Yichuan and Chi Xingye’s Dharma Idols exploded in the sky, turning into light and energy that dissipated in the sky!

“Don’t hold back.

Continue attacking, attack!!!” Chen Yichuan was already scared out of his wits.

He swung the sword in his hand with all his might!

“Seven Slaughter Sword Seal!” The seven huge seals that were like swords condensed into form and smashed towards Yang Luo with sword intent, attribute power, and the power of the Heaven and Earth Great Dao!

Chi Xingye did not dare to hold back and swung the sword in his hand!

“Nine Absolute Sword Seal!” The huge seal that was like a sword instantly condensed into form and attacked with all kinds of majestic and vast energy!

Yang Luo did not dodge or retreat.

He swung his sword three times in a row!

Swoosh!

Swoosh!

Swoosh!

Each sword was more ferocious and domineering than the last!

The first strike directly destroyed the seven-sided sword seal!

The second sword directly destroyed the Nine-Directional Sword Seal!

The third slash sent Chen Yichuan and Chi Xingye flying again!

The two of them were cut open again so deep that their bones could be seen.

Blood sprayed out of their mouths!

They still failed to block his attacks!

After slashing three times!

Yang Luo moved and charged at the two of them again like a bolt of lightning!

At this moment, Yang Luo's expression was extremely cold, and his eyes were filled with killing intent!

"D*mn it!" Chen Yichuan was about to go crazy, "Why is this kid so strong?!"

How could there be such a powerful Earth Immortal in the secular world?!" This was something he could not understand!

"Brother Chen, what should we do now?!" Chi Xingye also completely panicked.

They originally thought that they could kill Yang Luo by joining forces and using all their strength!

But now, they realized that it was impossible!

Even though Yang Luo was injured, the combat strength he erupted with still made them unable to resist!

Chen Yichuan transmitted his voice in his mind, "Use the sword formation to trap him and retreat quickly!" "Alright!" Chi Xingye acknowledged in his heart.

Then, the two of them mobilized the True Qi in their bodies to the limit and swung the swords in their hands!

“Seven Kills Sword Formation!” “Nine Absolutes Sword Formation!” In an instant!

The two huge sword formations trapped Yang Luo!

As elders of the Immortal Sword Sect, the sword formation they set up was extremely exquisite and powerful!

Even a late-stage Earth Immortal Realm expert would find it difficult to escape from the dual sword formation!

After the sword formation was set up!

Chen Yichuan and Chi Xingye roared at the same time!

“Formation, activate!” The dual sword formation was activated at the same time!

Countless grayish-white and greenish-black flying swords shot towards Yang Luo!

Sword intents and attribute energy beams shot towards Yang Luo!

There were even square sword seals that condensed into form and crushed forward!

At this moment The sky above where Yang Luo was seemed to have turned into a death zone.

If he was not careful, he would be shattered into pieces!

Even with the True Qi barrier that was shielding the people in the Sect Everyone present still felt the power to destroy the world!

“Oh no, Mr.

Yang is in danger!” Qi Yutang exclaimed.

“Hurry up and help!” Li Wushuang, Wang Mufeng, and the others were also anxious.

Mo Qingkuang raised his hand and said, “Everyone, don’t worry.

Just watch!” Bujie also laughed happily and said, “Right now, even if Brother Yang is facing a True Immortal, he still has the strength to fight!

What more two Earth Immortals?

Don’t worry, everyone!” He could even fight against a True Immortal?

Qi Yutang and the others’ eyes were filled with disbelief!

How strong was Yang Luo now?

What realm had he stepped into?

After the dual sword formation was set up!

Chen Yichuan and Chi Xingye turned around and prepared to escape!

After all, they did not have the confidence to kill Yang Luo with the dual sword formation!

If they did not escape now, they would not be able to escape anymore!

“These two old fellows actually want to escape.

We have to stop them!” Zhang Zhilin, who was in the sky far away, shouted coldly.

“Yes!” Master Xuanku also nodded.

However, just as Zhang Zhilin and Master Xuanku were about to attack!

Yang Luo’s Dharma Idol had already stopped Chen Yichuan and Chi Xingye!

Chapter 1674: Returning With Extraordinary Abilities!

Moreover, the moment he stopped the two of them!

Heaven-shaking roars sounded in the sword formation!

“Dragon Howls at the Myriad Existences!” “Vermillion Bird Descends!” “True God Black Tortoise Transformation!” Under everyone’s watchful eyes Within the sword formation!

An illusion of a 1,000-foot-long golden dragon, a 1,000-foot-long Vermillion Bird, and a 1,000-foot-long Black Tortoise condensed at the same time!

“Oh my god, what’s going on?

Why can Mr.

Yang condense the ancient divine beasts, Vermillion Bird, and Black Tortoise other than a dragon?!”
“This is unbelievable.

These illusions on their bodies are all lifelike.

It’s simply as if they’re real!” “What kind of cultivation technique did Brother Yang cultivate?

Isn’t this too unbelievable?!” Qi Yutang and the others, as well as the disciples of the Heavenly Luo Sect, were dumbfounded.

Their eyes were filled with shock.

“Break these two bullshit sword formations!” Yang Luo let out a wild roar and gave the order!

The Golden Dragon, Vermillion Bird, and Black Tortoise charged out at the same time and collided fiercely with the dual sword formation!

In the blink of an eye!

Crackle!

The dual sword formation was directly destroyed and exploded in the sky at the same time!

Yang Luo led the Golden Dragon, Vermillion Bird, and Black Tortoise to break through a large energy wave and charged towards Chen Yichuan and Chi Xingye!

And the moment he approached!

Yang Luo gripped the Dragon Emperor Sword tightly with both hands and slashed out with all his might!

“All of you, die!” His Dharma Idol also swung out a sword and slashed down ruthlessly!

Swish!

Swish!

The two swords struck out at the same time, shaking the eight directions, shaking the nine heavens, and destroying the ten lands!

“ROAR!” “Roar!” “Shriek!” The Golden Dragon, Vermillion Bird, and Black Tortoise let out a roar and collided with the two of them!

Chen Yichuan and Chi Xingye counterattacked crazily and activated all kinds of defenses, but they could not block Yang Luo’s fierce attack at all!

Their attacks were all destroyed by the two swords.

The defense they had condensed was also destroyed by the golden dragon, Vermillion Bird, and Black Tortoise!

“No No No!!!” “Help help!!!” The two of them roared hysterically.

“Little bastard, if you kill us, our Immortal Sword Sect won’t let you off!” Chen Yichuan roared angrily.

It wasn’t easy for him to step into the late-stage Earth Immortal Realm and have a chance of breaking through to the True Immortal Realm.

He didn’t want to die here!

Therefore, he wanted to rely on his backing to intimidate Yang Luo!

However, Yang Luo was not afraid at all and said in a trembling voice, "If your Immortal Sword Sect doesn't let me off, I won't let your Immortal Sword Sect off either!" The next second!

Crackle!

An explosion that shook the entire Heavenly Luo Sect resounded!

Chen Yichuan and Chi Xingye's voices were also drowned!

A huge ball of energy exploded in the sky and spread in all directions!

The sea of clouds in the sky shattered!

The True Qi barrier that enveloped all the mountains trembled continuously from the impact!

Everyone present could no longer see Yang Luo and the other two clearly!

After an unknown period of time When the light and energy dissipated, Finally, the area returned to calm.

Everyone stared blankly at the sky in the distance.

Yang Luo held the Dragon Emperor Sword and stood coldly in the sky.

Above his head, there was a Dharma Idol standing tall.

There was a golden dragon on the table, a Vermillion Bird circling, and a black tortoise stepping on the air.

It was domineering and peerless!

As for Chen Yichuan and Chi Xingye, their bodies had long exploded into pieces.

Their weapons were all shattered, leaving only two storage bags flying out.

Yang Luo waved his right hand and put the storage bags of the two of them and Ji Qianqiu, who had landed in the distance, into his storage ring.

Then, he put away the Dragon Emperor Sword and dispersed the Dharma Idol and all the illusions.

“Good, good job!” “The sect master is mighty and invincible!” “The Sect Master returned in a domineering manner and killed three Earth Immortals.

He’s too powerful!” The disciples of the Luo Tian Sect raised their arms and cheered.

Qi Yutang and the others also had tears in their eyes.

They were extremely excited and touched.

Yang Luo was finally back!

Their sect master, their brother, had returned!

He came back with extraordinary abilities!

“Haha, Little Luo, well done!” “Little Luo, long time no see!” At this moment, Zhang Zhilin and Master Xuanku flew over from afar and arrived in the sky.

Qi Yutang and the others were stunned.

Clearly, they did not expect the old Celestial Master and Master Xuanku to already be here.

Yang Luo had naturally discovered it long ago.

He cupped his hands at the two of them, "Greetings, Master.

Greetings, Master Xuanku!" "Good, good, good!" Zhang Zhilin smiled and nodded, "Little Luo, I'm very glad that you could return safely with extraordinary abilities!" "Amitabha" Master Xuanku also revealed a gratified smile.

"Master, long time no see.

I missed you so much!" Bujie, who was standing on the ancient boat, waved at Master Xuanku.

Master Xuanku sized Bujie up and said with a smile, "Bujie, looks like you've grown quite a lot!" Bujie scratched his head and chuckled, "Sigh, it's so-so.

I can't compare to Brother Yang at all!" Yang Luo said, "Everyone, let's go into the hall for a chat!" "Alright!" Everyone nodded in agreement.

Then, Yang Luo and the others landed on the square of the main peak.

Yang Luo took out some healing pills and distributed them to the disciples before walking into the Heavenly Luo Palace.

After entering the hall, A few disciples hurriedly poured tea.

Now that Yang Luo was back, the disciples were all overjoyed.

After taking their seats.

Zhang Zhilin looked at the injuries on Yang Luo, Mo Qingkuang, and the others and asked with concern, "Little Luo, what's going on?"

"Why did you come back with injuries?" Bujie said helplessly, "Old Celestial Master, you might not know, but we were chased all the way back"

Chapter 1675: Brother Yang Is a Bandit!

"You were chased all the way back?" Zhang Zhilin was stunned and puzzled.

Master Xuanku, Qi Yutang, and the others were also puzzled.

Yang Luo nodded and said, "We were indeed chased all the way back.

If not for the help of our friends, I'm afraid we wouldn't have been able to return" "Mr.

Yang, what exactly is going on?" Qi Yutang hurriedly asked.

Li Wushuang also said excitedly, "Brother Yang, quickly tell us what you guys experienced in the Kunlun Ruins?" The others also looked at Yang Luo for explanation.

Yang Luo smiled faintly.

"Everyone, we've experienced a lot in the Kunlun Ruins.

I'll treat your injuries first.

I'll tell you slowly after I'm done." After that, Yang Luo took out the Fuxi Divine Needle and healed Qi Yutang and the others.

Fortunately, he arrived in time.

Qi Yutang and the others' injuries were not too serious.

Therefore, in less than half an hour, everyone's injuries were mostly healed.

After the treatment ended Yang Luo then told everyone what he had experienced in the Kunlun Ruins.

Even though Yang Luo said everything very simply, it took him an hour to finish.

When Yang Luo finished speaking, Everyone present was in a daze and did not recover from their shock.

After being stunned for a long time.

Qi Yutang heaved a sigh of relief and said, "Mr.

Yang, I didn't expect you to experience so much in just a few months.

It's really amazing!" Wang Mufeng sighed as well.

"Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise, Qilin, Phoenix, Soaring Serpent I really didn't expect the Kunlun Ruins to have families that inherited the bloodline of ancient divine beasts!

Moreover, there are so many magical mystic realms and terrifying forbidden grounds.

It's simply like listening to a myth!" The others were also extremely impressed.

If Yang Luo hadn't told them, they really wouldn't have known that the Kunlun Ruins was such a magical place.

Li Wushuang asked curiously, "Brother Yang, you said that the prodigy of the White Tiger Family has the same name as me.

Is that true?" "It's true." Yang Luo smiled and said, "Your names are the same, but your surnames are different." Li Wushuang laughed and said, "Interesting.

If there's a chance in the future, you must meet this brother!" Yang Luo said, "Brother Baili and the others said that they would come to the secular world to look for me when they have time.

I'll introduce you to them then!" "Alright!" Li Wushuang and the others nodded repeatedly.

Zhang Zhilin asked, "Little Luo, you said that your cultivation level has already stepped into the perfected Earth Immortal realm?" "Yes, Master." Yang Luo nodded and said, "After clearing the Desolate South Fire Territory, I finally stepped into the perfected Earth Immortal Realm." "As expected, the student surpasses the master!" Master Xuanku sighed, "Little Luo, your cultivation level has already caught up to mine!" Zhang Zhilin also smiled and said, "Little Luo, your cultivation level is about to catch up to mine!" Yang Luo was stunned for a moment before asking, "Master, could it be that you've already stepped into the True Immortal Realm?" Zhang Zhilin nodded.

Yang Luo was overjoyed to hear that, "Master, congratulations!" Zhang Zhilin shook his head and said, "Although I've stepped into the True Immortal realm, it's nothing.

After all, there were many Heavenly Immortals in the Kunlun Ruins and the Penglai Immortal Island.

There were even some legendary Golden Immortals.

Therefore, the Dao is endless.

We are only pursuing the Great Dao." "Disciple has learned from this!" Yang Luo nodded in response.

Qi Yutang said enviously, "Mr.

Yang, you've already stepped into the perfected Earth Immortal Realm, but we're too far away from the Earth Immortal Realm!

We also hope to become stronger!

In that case, if we encounter any enemies in the future, we can still fight!" Li Wushuang smiled bitterly and said, "That's right.

When can we become Earth Immortals?" Yang Luo said, "Everyone, when there's a chance in the future, I'll bring you to the Kunlun Ruins to train and help you increase your cultivation and strength!" "Really?!" "Haha, that's great!" "I really hope to see this magical Kunlun Ruins as soon as possible!" Qi Yutang and the others immediately became excited.

Yang Luo suddenly thought of something and said, "By the way, everyone, I brought you something from the Kunlun Ruins." "You brought something?" "What did you bring?" "Local specialties?" Qi Yutang and the others were very puzzled.

Bujie chuckled and said, "Everyone, just wait and see.

I guarantee that I will broaden your horizons!" Hearing Bujie's words, everyone became even more puzzled and expectant.

Then, under everyone's watchful eyes.

Yang Luo took out many medicinal pills, medicinal herbs, weapons, Dharma artifacts, spirit stones, and so on from his storage rings and threw them to the ground.

Looking at the things that were about to pile up into a small mountain, Qi Yutang and the others widened their eyes and mouths in shock!

Even Zhang Zhilin and Master Xuanku were dumbfounded!

Yang Luo had only taken out a portion.

He even left a lot of things for Su Qingmei and the others, as well as Xiang Kunlun and the others.

“Oh my god!” Li Wushuang walked over and gulped, “Brother Yang, did you go to the Kunlun Ruins to trade?

You actually brought back so many good things?!” Bujie laughed and said, “Brother Li, you’re right.

Brother Yang went to the Kunlun Ruins to buy goods!

You guys don’t know, but Brother Yang is simply like a bandit.

He snatches anything good he sees without any reservations!” Hearing this, everyone laughed.

At this moment, everyone could not remain calm anymore.

They surrounded him and carefully picked up the medicinal pills and artifacts, their eyes shining.

Perhaps these things were relatively common in the Kunlun Ruins, but in the secular world, they were all priceless treasures!

Qi Yutang swallowed his saliva and said, “Mr.

Yang, any item here can be auctioned for an astronomical price!” “Auction?

Auction my ass!” Yang Luo rolled his eyes and said, “I’m giving these things to you!

You can choose whatever you want.

If you like it and find it suitable for you, take it all!

The rest will be placed in our Heavenly Luo Sect’s Treasure Pavilion!” “All for us?!” “Oh my god, is that true?!” Qi Yutang and the others asked in shock.

“Of course!” Yang Luo nodded and said, “Use these things first.

I’ll give more to you when I get better things later!”

Chapter 1676: Improving the Array!

Tears streamed down Qi Yutang’s face as he said, “Mr.

Yang is still the best to us.

You even think of us when you go to the Kunlun Ruins!” Li Wushuang, Wang Mufeng, and the others were also very touched.

Their eyes turned red.

These things could not be measured by money at all.

However, Yang Luo gave it to them directly and even gave them so many at once.

Yang Luo was caught between laughter and tears, “Is there a need to be so exaggerated?

It's just some worldly possessions!

You guys are the upper echelons of the Heavenly Luo Sect after all.

Don't act like you don't know anything!" Upon hearing this, Qi Yutang and the others laughed awkwardly.

Then, Yang Luo said to Zhang Zhilin and Master Xuanku, "Master, Master Xuanku, do you have anything you like?

No matter what you fancy, feel free to take it away!" Zhang Zhilin smiled and shook his head, "Little Luo, I appreciate your kind intentions.

I'll leave these things to Daoist Master Qi and the others.

I don't want them." Master Xuanku also smiled gently and said, "Little Luo, thank you.

I don't need these things either." "Alright." Yang Luo nodded in response.

Zhang Zhilin and Master Xuanku didn't want it, but Qi Yutang and the others didn't stand on ceremony and started to divide it.

Seeing them split up the spoils one by one, Bujie, Prajna, and the others laughed.

Zhang Zhilin said to Yang Luo, "By the way, Little Luo, I have something to tell you." "Master, what's the matter?" Yang Luo asked.

Zhang Zhilin said in a deep voice, "More than half a month ago, the three Divine Ranking experts of the Dark World, the Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor, came out of seclusion!

These three people wanted to take revenge on you a few days after coming out of seclusion!

They charged to the border of our Country Hua at the same time but were stopped by me, Xuanku, and Blue Luan in the end!” Master Xuanku also added, “The three of us fought with them, and there was no winner!” Hearing their conversation, Yang Luo’s eyes turned cold, “I didn’t expect these three fellows to have already come out of seclusion and be in such a hurry to kill me!

Very good.

Now that I’m back, it’s time to settle some scores!” “F*ck!” Bujie clenched his fists and said angrily, “We should have killed these three guys long ago!

Also, the Holy Light Church, the Heavenly Shrine, and the Hell Fiend Palace controlled by these three fellows have to be destroyed!” Master Xuanku glared at him, “Bujie, don’t speak nonsense!” Bujie quickly shut his mouth and muttered “Amitabha”.

Seeing Bujie’s cowardice, Xu Ying, Prajna, and Lin Wenxuan were caught between laughter and tears.

It seemed that this fellow respected and was afraid of Master Xuanku.

Zhang Zhilin frowned and said, “Little Luo, the Hell Fiend Emperor and the Heavenly God Emperor have already stepped into the perfected Earth Immortal realm.

Perhaps these two people are no threat to you, but the Holy Light Pope has already stepped into the True Immortal realm.

He can be considered your greatest threat.

Furthermore, other than the three of them, the other experts on the Divine Ranking who were hidden in the world have also come out of seclusion one after another.

The Dark World is already in chaos, so these experts on the Divine Ranking will definitely take sides.

If they stand on the side of the Holy Light Pope and the other two, your situation will be even more dangerous.” Yang Luo nodded and said, “Master, don’t worry.

I will definitely continue to work hard to cultivate and increase my cultivation and strength!

Since the enemy has already come knocking on my door, I naturally won’t retreat!” Zhang Zhilin said, “Little Luo, if you need help in the future, you can contact me.” Master Xuanku also said, “Little Luo, I will help too!” Mo Qingkuang said, “Brother Yang, there’s no need for us to say anything.

We’ll always be on your side!” “Yes!” Yang Luo’s eyes were firm as he said, “I have so many brothers and friends.

Even if I become enemies with the world, I’m not afraid!” “That’s right.

Who cares about the experts on the Divine Ranking?

Just fight them!” “What’s there to be afraid of?

Are the experts on the Divine Ranking so powerful?

If you want to fight, let’s fight!” Bujie and the others also shouted.

As long as Yang Luo was around, they had a backbone and were not afraid of anything.

Yang Luo asked curiously, “Master, Master Xuanku, with your cultivation and strength, you can completely be ranked on the Divine Ranking and even rank in the top few.

But why aren’t you guys on the rankings?” Zhang Zhilin smiled faintly and said, “Little Luo, Xuanku and I are both monks in a sense.

We have long put down these fame and fortune.

Naturally, we won't fight for a position in the rankings." Master Xuanku smiled faintly and said, "Little Luo, fame and fortune are fleeting in the world.

It's fine if we don't fight for this ranking." Yang Luo sighed and said, "Master and Master Xuanku's awareness is high enough.

I'm ashamed of my inferiority!" Although he didn't care about fame and fortune, sometimes he was still driven by fame and fortune and couldn't really let go.

Zhang Zhilin raised his hand and said, "Little Luo, you're still young.

It's normal for you to be affected by fame and fortune.

Back then, when I was young, I was also chasing after fame and profit.

I was extremely proud that I was the number one person in the Daoist sect.

However, as time passed and my experience increased, I gradually put down my desire for fame and fortune.

Therefore, Little Luo, you don't have to worry about this matter.

Just do what you have to do." "Amitabha" Master Xuanku also pressed his palms together and said, "Celestial Master Zhang is right.

Little Luo, you don't have to deliberately change yourself.

No matter what you do or pursue, as long as you have a clear conscience, it's fine." Yang Luo nodded and said, "I'll remember your words!" Mo Qingkuang and the others nodded in agreement.

In the following period of time Yang Luo and the others chatted for a while more.

Until late at night.

Zhang Zhilin and Master Xuanku left.

Yang Luo and the others stood in the square and watched the two of them leave.

After retracting his gaze, Qi Yutang said, "Mr.

Yang, you're already back.

Do you want to tell Miss Su and the others?

During this period of time, as long as Miss Su and the others have time, they will come here to ask if you're back." Li Wushuang also said, "That's right.

Sister-in-law and the others miss you very much." Yang Luo thought for a moment and said, "Don't tell Qingmei and the others yet.

I don't want them to see me injured now, lest they worry.

It won't be too late to tell them when our injuries have recovered in the next few days." "Alright." Qi Yutang and the others nodded.

Then, Yang Luo chose a batch of spirit stones with the highest grade and the most abundant spiritual energy and modified the mountain-protecting array and the spirit gathering array.

Now that his cultivation had already stepped into the Perfected Earth Immortal Realm and he had better materials, he could naturally strengthen the mountain-protecting formation and the Spirit Gathering Array by several times.

Chapter 1677: The Second Bronze Dragon Coffin Is About to Open?

After the improvement was completed.

Yang Luo returned to the square.

He stomped on the ground and shouted, “Nine Heavens Divine Dragon Array, activate!” In an instant!

Rumble rumble rumble!

The entire square, the entire main peak, and all the mountains in the Heavenly Luo Sect shook as if it had triggered a super earthquake!

The disciples of the Heavenly Luo Sect were all frightened.

They did not know what had happened!

And right at this moment An incomparably huge golden barrier of light enveloped the entire Heavenly Luo Sect’s territory and all the mountains!

The golden barrier was even more solid and thick with dragon patterns densely covering it.

It was even more exquisite and powerful than the previous mountain-protecting formation!

The next second!

“Roar, roar, roar!” Accompanied by a series of heaven-shaking dragon roars!

Hundreds of thousands of golden dragons hundreds of feet long roared out of the array and soared in the sky!

Golden light and golden dragons filled the entire night sky, the entire Heavenly Luo Sect territory!

“Heavens Did Sect Master modify our Mountain-protecting array again?!” “I can tell at a glance.

I feel that the mountain-protecting array now is countless times stronger than before!” “As expected of the sect master.

He’s indeed omnipotent!” “It’s our greatest honor to join the Heavenly Luo Sect!” The disciples exclaimed excitedly and looked at Yang Luo with fanatical admiration.

Qi Yutang asked in a daze, “Mr.

Yang, has our mountain-protecting array become stronger again?” “That’s right.” Yang Luo nodded and said, “After my modification, Earth Immortals won’t be able to destroy it in the future!

It can even withstand a few fierce attacks from a True Immortal!” “Even immortals below the True Immortal Realm can’t break our mountain-protecting array?!” “He can even withstand a few fierce attacks from a True Immortal?!” “Oh my god, is the modified Formation so powerful?!” Qi Yutang and the others exclaimed in shock.

They were truly shocked.

Just as everyone was stunned Yang Luo waved his hand and roared!

“Ten Thousand Dragons Return to One!” In an instant!

Hundreds of thousands of golden dragon illusions fused in the sky, turning into a thousand-foot-long golden dragon illusion!

This golden dragon illusion was even more condensed.

It looked like a true Nine Heavens Divine Dragon had descended!

A massive golden dragon illusion soared in the sky as boundless dragon might and dragon aura enveloped the entire Heavenly Luo Sect's territory!

This scene once again stupefied Qi Yutang and the others, as well as the tens of thousands of Heavenly Luo Sect disciples!

"Oh my god, these hundreds of thousands of golden dragon illusions can still be fused?!" "This is simply heaven-defying!" Exclamations sounded non-stop.

Yang Luo said to Qi Yutang and the others, "This mountain-protecting array is the same as before.

It can activate its own defense and attack on its own!

Not only its defense, but its attack power is also stronger than before!

Even an Earth Immortal can be severely injured!" "Good, good!" Tears welled up in Qi Yutang's eyes as he emotionally spoke, "With this improved mountain-protecting array, our Heavenly Luo Sect's safety will be even more guaranteed!" Li Wushuang and the others nodded repeatedly, sighing in admiration in their hearts.

Then, Yang Luo dispersed the mountain-protecting array and stomped down again!

"Spirit Gathering Array, activate!" The moment the Spirit Gathering Array was activated!

Golden light flickered on the mountains, illuminating the night sky!

The spiritual qi in the world gathered from all directions like surging waves!

Everyone in the Heavenly Luo Sect immediately felt that the spiritual energy here was more than ten times more abundant than before!

Yang Luo said, "I've also improved the Spirit Gathering Array, although the spiritual energy here is still inferior to the Kunlun Ruins.

However, now, there are only a few places in the entire world that can compare to the spiritual energy here." Qi Yutang became even more excited, "Good, this is great.

With such abundant spiritual energy, our cultivation speed can increase again!" "Yes!" Li Wushuang and the others also nodded heavily, very excited.

Yang Luo smiled and said, "If there's nothing important during this period of time, hurry up and cultivate!" Mo Qingkuang said firmly, "Perhaps after this cultivation, I'll have to undergo the Earth Immortal Lightning Tribulation!" "Roar!" Big White also let out a cry, indicating that it was the same.

Yang Luo said, "Brother Mo, Big White, I believe that you will definitely be able to welcome your own Earth Immortal Tribulation lightning tribulation very quickly and successfully transcend the tribulation!" Mo Qingkuang and Big White nodded heavily.

Bujie grinned and said, "I have to work harder too.

I have to strive to officially step into the Dao Convergence realm this time and advance to the Earth Immortal realm!" Lin Wenxuan said, "I have to work even harder and strive to reach the perfected Dao Convergence realm to break through to the Earth Immortal realm!" Everyone's fighting spirit was high.

They wanted to become stronger!

Only by becoming stronger could they protect themselves, protect the people around them, and share Yang Luo's burdens!

"Very good!" Yang Luo laughed heartily and said, "Brothers, let's work hard together!" "Yes!" Everyone responded loudly.

After that, everyone went to the back mountain and chose a cultivation place.

Yang Luo arrived at the valley where he had cultivated previously and sat down cross-legged.

He planned to heal his injuries first.

After his injuries recovered, he began to refine higher-grade Overlord Body Pills, Immortal Transformation Pills, and Tribulation Transcendence Pills for Mo Qingkuang and Big White.

Now that his cultivation had stepped into the Great Circle of the Earth Immortal Realm and he had all kinds of medicinal herbs, he could refine higher-grade pills.

After refining the pill, he planned to continue cultivating and break through to the True Immortal Realm.

Thinking of this, Yang Luo took out some healing pills and consumed them.

He also took out the Fuxi Divine Needle and pricked the acupuncture points on his body to begin healing.

After a day and night of recuperation.

Yang Luo's injuries had finally completely recovered.

After recuperating, Yang Luo spent another two days refining several Overlord Body Pills, Immortal Transformation Pills, and Tribulation Transcendence Pills.

Moreover, they were all level-nine immortal pills.

After preparing one for Mo Qingkuang and Big White, he left the rest behind in case of emergencies. Three days passed quickly.

Just as Yang Luo was about to start cultivating, a powerful voice sounded in his mind.

“Little Luo, more than half of the second bronze dragon coffin has been opened!

Hurry up and consume one of the petals of the Ninth Grade Immortal Lotus.

Help me open the second bronze dragon coffin!” “What?!” Yang Luo was shocked.

“Senior Xinghe, the second bronze dragon coffin is about to open?!”

Chapter 1678: I’m Finally Out of the Coffin!

“That’s right!” Long Xinghe replied and continued, “After absorbing a portion of the Black Tortoise and Vermillion Bird blood essences, my Essence Soul recovered a little.

More than half of the second bronze dragon coffin has been opened!

Now, it’s just a little bit away from completely opening!” Hearing Long Xinghe’s words, Yang Luo immediately moved.

After all, after Long Xinghe came out of the coffin, he had taught him powerful cultivation techniques, immortal techniques, and divine weapons.

It was also thanks to Long Xinghe that he could be invincible in the previous battle even if he encountered enemies stronger than him.

Therefore, he was looking forward to who the senior who came out of the second bronze dragon coffin would be, how strong he was, and what cultivation technique and immortal technique would he teach him?

With this thought in mind, Yang Luo replied in his heart, "Senior Xinghe, I'll take a petal now and help you open the second bronze dragon coffin!" "Alright!" Long Xinghe responded and said, "Kid, although the energy of this ninth-grade immortal lotus petal can't compare to the Vermillion Bird's blood essence and the Black Tortoise's blood essence But it's also very strong.

You have to withstand it!

I'll absorb a portion of the energy.

You have to absorb the remaining energy yourself!

This will be very helpful in strengthening your physique and breaking through your cultivation!" "Understood!" Yang Luo nodded heavily.

"Are you ready?" "Ready!" "Then let's begin!" "Alright!" Yang Luo responded and took out the ninth-grade immortal lotus from his storage ring.

Looking at the palm-sized ninth-grade immortal lotus that was filled with nine-colored immortal light and abundant energy, Yang Luo was filled with emotions.

It had to be known that it was not easy for him to bring this immortal lotus back.

He had encountered many pursuits.

Yang Luo shook his head and threw away his other thoughts.

He tore off a petal that flickered with golden light and swallowed it before putting away the ninth-grade immortal lotus.

However, this petal actually melted in his mouth!

The moment the petal melted!

Waves of powerful energy erupted like a volcano and spread out, crazily washing towards Yang Luo's internal organs, eight extraordinary meridians, and limbs!

"F*ck!" Even though Yang Luo was prepared, he was still frightened by the energy of this petal.

He did not expect one petal to have such powerful energy.

No wonder Senior Xinghe said that the value of this Ninth Grade Immortal Lotus was higher than the other six treasures born in the Immortal Furnace Mountain.

Under the crazy washing of energy, Yang Luo immediately felt as if his body was about to explode.

His entire body felt like it was being torn apart.

However, this pain was nothing to Yang Luo.

Previously, when he absorbed the energy of the Black Tortoise and Vermillion Bird blood essences, the pain he endured was much greater than this.

Yang Luo took a deep breath and began to circulate his cultivation technique to absorb the energy of the petals.

As he absorbed the energy, the true energy in his dantian became even more abundant.

His internal organs, eight extraordinary meridians, and limbs were also nourished by the petal energy and continued to strengthen.

Just as Yang Luo was absorbing the energy Long Xinghe, who was in the divine sense space, also began to absorb the energy of the petal and transmitted it into the second bronze dragon coffin.

Seconds ticked by.

A full half an hour passed.

Yang Luo finally absorbed a portion of the petal's energy.

He was already drenched in sweat.

Although he had some injuries on his body, he quickly recovered.

At this moment.

Long Xinghe's voice sounded in his mind.

"Kid, come in!" "Alright!" Yang Luo responded and closed his eyes, allowing himself to enter a meditative state.

After a while.

He appeared in his divine sense space.

Long Xinghe was standing in the sky not far away, transferring the energy in his body into the second bronze dragon coffin.

This bronze dragon coffin was indeed more than half open.

Rumble rumble rumble!

As the energy entered, the bronze dragon coffin shook violently, and the coffin lid was slowly opening.

Yang Luo stared intently at the bronze dragon coffin, looking forward to it.

He wondered what the senior in the bronze dragon coffin looked like.

Time continued to pass.

After an unknown period of time Long Xinghe shouted, "Kid, retreat!" "Yes!" Yang Luo acknowledged and quickly retreated.

Long Xinghe also hurriedly retreated a distance.

Just as the two of them retreated!

Dong!

The lid of the bronze dragon coffin soared into the sky and flew to the side!

Waves of violent purple energy rushed out of the dragon coffin endlessly!

The next second!

“ROAR!” A loud and ancient dragon roar sounded from the bronze dragon coffin!

“Hahaha I’m finally out of the coffin.

I’m finally free!” Accompanied by hearty laughter, A huge purple dragon soared into the sky from the bronze dragon coffin and soared in the sky above the Divine Sense Space!

This purple dragon’s body was as huge as a mountain range.

Its dragon horns were like ancient trees that towered into the sky.

The scales on its body emitted a dazzling purple light like steel blades, shining brightly!

Waves of vast, ancient, majestic, and vast dragon might spread out from the purple dragon and swept through the entire Divine Sense Space!

Yang Luo stared blankly at the purple dragon in the sky and was stunned.

Was this the second senior?

Senior Xinghe was a golden dragon, and this senior was a purple dragon.

Long Xinghe smiled faintly and said loudly, “Fifth Brother, stop playing and come down quickly.” “Alright, Big Brother!” The purple dragon spoke in human language and swooped down, instantly turning into a humanoid phantom.

This person was wearing a purple robe.

Although he was tall, he was a little fat.

His face was round and he looked like a middle-aged man.

However, this middle-aged man was only a Primordial Spirit and did not have a physical body.

“Big Brother, long time no see!” The middle-aged man laughed and welcomed him.

With this smile, his eyes narrowed into slits, looking a little comical.

There was a strange look in Yang Luo’s eyes.

He originally thought that the second senior was as imposing and handsome as Senior Xinghe, but he did not expect him to be a fatty.

However, it made sense.

The nine sons of a dragon were all different, so the nine senior holy dragons were definitely different.

Long Xinghe smiled and said, “Fifth Brother, let me introduce you.

This kid is Brother Yang’s son, Yang Luo!” The middle-aged man turned around and sized up Yang Luo.

He frowned and said, “Brother, are you sure this is Brother Yang’s son?

Why is he such a trash?” “” The corners of Yang Luo’s mouth twitched and he was speechless.

What the hell?

Why did these two seniors insult him the first time they came out of the coffin?

Chapter 1679: Are You Wrong?

Yang Luo smiled awkwardly and said, “Senior, although I can’t compare to my father and mother, I’m not as useless as you say, right?” The middle-aged fatty narrowed his eyes and said, “You’re Brother Yang’s son after all, but you’ve only stepped into the perfected Earth Immortal Realm now.

You’re not even a True Immortal, yet you still say that you’re not trash?” “” Yang Luo was speechless again.

Long Xinghe smiled and said, “Fifth Brother, after spending some time together, I think this kid’s talent and comprehension are not bad.

The reason why his cultivation level increased slowly was completely because of the conditions.

The spiritual energy in this plane is very thin, and there were pitifully few cultivation resources.

It’s already not bad for this kid to be able to improve to this extent in such a harsh environment.” “Oh” The middle-aged fatty nodded in realization and said, “Whether this kid is trash or not, we’ll know when we try later!” Long Xinghe introduced, “Kid, this guy is my fifth brother.

His name is Long Tianchi, and his title is the Primordial Divine Dragon!” Yang Luo bowed to Long Tianchi, “Greetings, Senior Tianchi!” Long Tianchi chuckled, “Kid, you’re at least quite polite.” As he spoke, Long Tianchi asked Long Xinghe, “Brother, have you told him about Brother Yang and Sister-in-law?

Have you told him about the battle back then?” Long Xinghe said, “Of course I told him.

However, I only told him a portion.

After all, with his current horizons, he won’t understand some things even if I tell him.” “That’s true.” Long Tianchi nodded and asked, “Brother, did you teach him any immortal techniques?” Long Xinghe said, “I taught him the Dragon Emperor Sword Technique, the Great Dao Dragon Diagram, and the Primordial Dragon Transformation Technique.

He also taught him the Dragon Emperor Sword and the Ten Thousand Dragons Cauldron.” “Big Brother, you’re really good to this kid!” Long Tianchi smiled and said in a hurry, “Kid, come, come, let’s spar!

Remember, there’s no need to hold back.

Use all the cultivation techniques and immortal techniques you know!” “Huh?” Yang Luo was stunned.

He smiled awkwardly and said, “Senior Tianchi, will anything happen?” Long Tianchi had a strange look on his face, “Kid, what do you mean?

Do you think I can’t beat you?” “Uhh” Yang Luo laughed dryly and said, “Senior Tianchi, I’m just afraid of causing further damage.

After all, you only have your primordial spirit left, and it’s an incomplete primordial spirit.” Hearing Yang Luo’s words Long Xinghe and Long Tianchi looked at each other and then at Yang Luo at the same time, as if they were looking at a fool.

Yang Luo was a little flustered from being stared at.

He asked, “Seniors, what’s wrong with you?

Did I say anything wrong?” Long Tianchi laughed out loud, “Kid, even if I only have an incomplete primordial spirit left, I can still beat you up!” “Beat me up?” Yang Luo immediately couldn’t take it anymore and said, “Senior Tianchi, come, come, come.

I want to see how you can beat me up!” Even if he could not compare to those True Immortals and Heavenly Immortal experts, it was not to the extent that he could not even defeat an incomplete Essence Soul, right?

As he spoke, his entire body shook as well!

Dong!

A golden beam of light shot into the sky from his body!

Waves of majestic pressure and aura spread out from his body and swept in all directions!

“Hmm, you’re quite interesting!” Long Tianchi commented.

Then, he hooked his finger and said, “Come, come, hurry up and attack!” Without another word, Yang Luo twisted his fist and punched Long Tianchi!

A huge golden fist blasted out with a series of sonic booms, as if it wanted to destroy everything!

There was even a huge golden dragon illusion that roared and collided with Long Tianchi!

“The fist technique is not bad, and the strength and speed are not bad.

Unfortunately, it’s still not enough!” Long Tianchi shook his head.

Then, he raised his right hand and pressed out with a finger!

In an instant!

Rumble rumble rumble!

The entire Divine Sense Space trembled violently!

An incomparably huge purple finger crushed out like a heavenly pillar that struck the nine heavens and shook the eight directions!

There was also a purple dragon coiled around the huge finger.

It was ancient and domineering!

With just a finger, Yang Luo felt a supreme and powerful pressure!

At that very moment DONG!

The golden fist and the purple finger collided heavily, emitting the sound of muffled thunder!

The next second!

“Uhh” Yang Luo let out a muffled groan as his body flew out like a cannonball!

Just as Yang Luo was sent flying!

Long Tianchi soared into the sky and pointed again, pressing down from the sky!

The huge purple finger coiled around the ancient Azure Dragon and crushed down like thousands of mountains!

Yang Luo was shocked.

His entire body trembled as he shouted!

“Xuanming Divine Power!” A huge condensed blue-gold ice barrier condensed and enveloped Yang Luo!

Ancient patterns and runes appeared on the ice barrier.

It was incomparably profound!

In the blink of an eye!

Boom!

Boom!

The huge purple finger seemed to press down from the nine heavens, crushing heavily on the blue-golden ice barrier!

“Isn’t this the Black Tortoise’s intrinsic divine power?” Long Tianchi asked curiously.

Long Xinghe replied, “This kid absorbed the Black Tortoise’s blood essence not long ago, so he obtained the Black Tortoise’s intrinsic divine power.” “I see.” Long Tianchi nodded.

Just as the two of them were talking!

Crack!

Crack!

The blue-gold ice shield condensed by Yang Luo had already cracked.

It could not withstand Long Tianchi’s finger at all!

Crackle!

In less than a few seconds, it collapsed and exploded!

He was shocked and his body trembled again!

“Inextinguishable Flame Dipper!” A huge golden-red flame barrier condensed and enveloped him!

However, it only blocked for a few seconds before it collapsed and exploded again!

Yang Luo’s expression changed drastically as he hurriedly condensed a True Qi barrier to block!

However, it still could not withstand the finger and exploded again!

After this finger broke through the three layers of defense, it crushed towards Yang Luo’s main body!

Yang Luo hurriedly raised his hands to support the huge purple finger that was crushing down!

However, the huge finger pressed down on him until his entire body trembled and his spine bent!

Only then did Yang Luo realize how powerful Long Tianchi was!

Even if Long Tianchi only had an incomplete primordial spirit left, it was not something he could resist now!

“Kid, do you know your mistake?” Long Tianchi stood in the sky and asked with a smile.

Yang Luo hurriedly said, “Senior Tianchi, I was wrong.

I know my mistake!

I shouldn't look down on you.

Please quickly restrain your divine power!"

Chapter 1680: Combat Special Training!

"Kid, you admit defeat pretty quickly." Long Tianchi chuckled, "Since you know your mistake, I'll let you off this time." As he spoke, he raised his right hand, and the huge finger that was like a heavenly pillar dissipated.

Seeing how Yang Luo had lingering fears, Long Xinghe smiled and said, "Kid, although we're only left with an incomplete Essence Soul now, it doesn't mean that we don't have any strength.

The reason why I didn't exchange blows with you previously was because I was afraid of hurting you." Yang Luo took a deep breath and nodded, "Understood." Long Tianchi looked at Yang Luo and said, "Kid, can we spar now?" "Sure!" Yang Luo responded.

In the following period of time Yang Luo did not act arrogantly anymore.

He unleashed his full aura and combat strength, starting a battle with Long Tianchi.

During the competition, Yang Luo did not hold back at all.

He used all kinds of cultivation techniques and immortal techniques and summoned the Dragon Emperor Sword to fight Long Tianchi.

Through the competition, Yang Luo realized that even if he used all his killer moves, he could not injure Long Tianchi at all.

Furthermore, Long Tianchi could completely crush him with the killer move he used.

A full hour later.

Long Tianchi raised his hand and said, "Alright, let's end the spar here!

I already know all the cultivation techniques and immortal techniques you have mastered!" Long Xinghe asked Long Tianchi, "Fifth Brother, have you decided what immortal technique you want to teach this kid?" "I've decided." Long Tianchi replied, "I plan to teach this kid the Nirvana Dragon Fist, the Primordial Emperor Dragon Finger, the Divine Dragon Tyrant Body, and the Primordial Dragon Prison Array." Yang Luo asked curiously, "Senior Tianchi, are these four cultivation techniques very powerful?" "Of course they're amazing!" Long Xinghe nodded and said, "Fifth Brother is someone who has reached Large Success in physical techniques.

Most of the cultivation techniques and immortal techniques he created rely on his powerful physique!

"The finger technique he used just now was the Primordial Emperor Dragon Finger.

You should have tasted the power of this finger technique!" Yang Luo gulped and said, "I tasted it.

I can't move at all under this finger!" Long Xinghe continued, "This Nirvana Dragon Fist is the best fist technique.

The power of this fist technique will increase with your cultivation, strength, and physique!

There was no need to mention the Primordial Emperor Dragon Finger.

Once it is pointed out, it can shatter mountains and rivers, suppress the four seas, move the eight desolates, destroy the ten lands and shatter the sky.

It is incomparably powerful!

The Divine Dragon Tyrant Body was a physique secret technique.

Upon cultivating it, it could greatly increase one's physique.

It can also unleash the power of the Nirvana Dragon Fist and the Primordial Emperor Dragon Finger as much as possible!

Moreover, Fifth Brother is also quite knowledgeable in array formations.

This Primordial Dragon Prison Array is very powerful.

Once you cultivate it to Large Success, you can easily trap and kill powerful immortals!" Long Tianchi stood with his hands behind his back and asked with a smile, "Kid, do you want to learn?" "Of course I want to learn!" Yang Luo nodded vigorously, "Senior Tian Chi, please teach me!" In any case, there was no harm in having more skills.

In a situation where his cultivation and strength were insufficient, the more killing moves he had, the more trump cards he had to save his life.

When his cultivation and strength were high enough in the future, he would fuse the strengths of everyone and simplify them to create a powerful cultivation technique and immortal technique that belonged to him alone.

Long Tianchi said loudly, "Kid, I'll teach you these four cultivation techniques first!

When your cultivation and strength are high enough in the future, it won't be too late for us to teach you other cultivation techniques and immortal techniques!" "Thank you, Senior Tianchi!" Yang Luo quickly thanked him.

Long Tianchi said, "Alright, there's no time to lose.

Let's start now!

My teaching method is through actual combat.

In actual combat, you can also learn the cultivation techniques and immortal techniques I taught you faster and improve you faster!

Now, I will use the Nirvana Dragon Fist!

Use your strongest fist technique to resist me!" "Alright!" Yang Luo responded.

Then, Yang Luo unleashed his aura and combat strength again.

With a move, he turned into a golden stream of light and rushed towards Long Tianchi!

And the moment they got close Yang Luo twisted his fist and punched out!

"Dragon Emperor Fist!" "ROAR!" With a punch, a dragon's roar sounded as well!

A huge golden fist blasted out, and a huge golden dragon illusion roared out!

Just as Yang Luo's punch arrived!

Long Tianchi also twisted his fist and met the attack!

"Nirvana Dragon Fist!" A huge purple fist blasted out.

Like a meteor, it emitted a dazzling light and smashed out with a monstrous might!

Just as he threw a punch!

"Roar, roar, roar!" A series of ancient dragon roars resounded!
