Chapter 1681: Primordial Dragon Tablet!

In the blink of an eye, another week passed.

During this week Yang Luo was undergoing Long Tianchi's strict special training in the spiritual consciousness space.

Long Tianchi's teaching method was completely different from Long Xinghe's.

Long Xinghe's teaching method was considered gentler.

He taught Yang Luo through demonstrations.

On the other hand, Long Tianchi's teaching method only had two words: "battle".

He kept asking Yang Luo to fight him and teach him in battle.

Long Xinghe naturally did not interfere and only occasionally gave Yang Luo some pointers.

Therefore, it had only been a week.

But Yang Luo grew very quickly and completely learned the four immortal techniques that Long Tianchi had taught him.

A week later, in the morning.

The sun had just risen, and the sunlight shone on the ground.

Everything was thriving.

Some of the Heavenly Luo Sect disciples were sitting cross-legged in front of the pavilions, cultivating their Internal Qi.

Some disciples were cultivating external cultivation in the squares.

There were also disciples patrolling the mountains.

The entire Heavenly Luo Sect was quiet and peaceful.

But at this point Back mountain of the Heavenly Luo Sect.

Boom!

Boom!

Boom!

Suddenly, three beams of light soared into the sky from the three valleys and pierced through the clouds!

One of them flickered with golden light like a Buddha that illuminated the world and contained powerful Buddhist aura!

A platinum light flickered and saber qi swept through the sky!

A stream of pink light flickered.

It looked dreamy and gentle, but it contained powerful energy!

The disciples of the Heavenly Luo Sect were alarmed and looked in the direction of the back mountain!

“What happened?

Why is there such a huge commotion?!” “It came from the back mountain.

Could it be that someone’s cultivation has broken through?!” “From the looks of it, that’s probably the case!” “Good, this is great.

The stronger Sect Master and the others are, the stronger our Heavenly Luo Sect’s overall strength will be!” The disciples discussed in shock.

They looked in the direction of the back mountain and did not dare to blink.

After a while The three beams of light gradually dissipated.

However, not long after the three beams of light dissipated, Dong!

Another black beam of light soared into the sky from below and dispersed a sea of clouds!

Moreover, when this beam of light soared into the sky!

There was even a huge black qilin illusion running in the sky.

It was majestic and domineering!

After a long while.

The black beam of light slowly dissipated, and so did the black Qilin's illusion.

In the following period of time, a few more beams of light shot up from the back mountain.

It was extremely spectacular.

Until all the beams dissipated.

"Hahaha Lord Buddha here has finally stepped into the Dao Convergence Realm!" Accompanied by hearty laughter Bujie soared into the sky from a valley and landed on a huge mountain.

With his hands on his hips, he threw his head back and laughed.

"What's there to be proud of?

Are you the only one who has stepped into the Dao Convergence Realm?" Xu Ying also soared into the sky and landed on a mountain not far away.

Right on the heels of that Prajna, Lin Wenxuan, Qi Yutang, and the others also soared into the sky and ascended the mountaintop.

Bujie glanced at Xu Ying and was displeased, "Why are you always the same as me?

I've stepped into Dao Convergence, and you've also stepped into the Dao Convergence?" Xu Ying said, "I still want to ask why you are always the same as me instead?" After the last few days of cultivation, the two of them finally stepped into the early-stage Dao Convergence realm.

Bujie rolled his eyes before looking at Prajna and asking, "Sister Prajna, have you stepped into the late-stage Martial God Realm?" "Yes!" Prajna nodded and said helplessly, "Unfortunately, I'm still a distance away from the Dao Convergence Realm." Bujie chuckled and said, "It's fine.

I believe you'll be able to step into the Dao Convergence Realm very soon and officially charge towards the Earth Immortal realm!" As he spoke, Bujie looked at Lin Wenxuan and asked, "Brother Emptiness, what about you?"

Have you broken through?" Lin Wenxuan smiled faintly and said, "My bloodline power has awakened a little more.

I've finally stepped into the perfected Dao Convergence realm." Bujie shook his head and said, "We still can't compare to people with bloodline power!" Qi Yutang sighed and said, "You followed Mr.

Yang all the way to the Kunlun Ruins to fight and train in the various mystic realms and forbidden lands.

Your cultivation and strength naturally increased rapidly!

Unfortunately, our cultivation and strength increases too slowly.

We're far inferior to you!" Bujie consoled, "Old Qi, don't be depressed.

Didn't Brother Yang say that he would bring you guys to the Kunlun Ruins to train in the future?" "Yes!" Qi Yutang nodded heavily, "I look forward to that day!" At this moment.

Prajna looked at the other three valleys and said in confusion, "It's been ten days.

Why haven't Brother Yang, Brother Mo, and Big White moved?" Bujie said, "There's no need to mention that pervert Brother Yang.

He must be cultivating crazily!

As for Big Brother Mo and Big White, they must be launching their final attack on the Earth Immortal realm!" Xu Ying looked into the distance and said, "I hope that Brother Yang's strength can reach another level after this cultivation!

I also hope that Brother Mo and Big White can welcome their own Earth Immortal Lightning Tribulation and successfully transcend the tribulation!" Bujie and the others nodded and looked at the three valleys in the distance.

At this moment.

In the divine sense space.

"Huff huff" Yang Luo was panting heavily.

Long Tianchi's special training method was too rough.

It was simply torturing him to death.

Long Tianchi chuckled and said, "Kid, it seems that what Big Brother said is true.

Your talent and comprehension are indeed very high!

You actually completely learned the Nirvana Dragon Fist, the Primordial Emperor Dragon Finger, the Divine Dragon Tyrant Body, and the Primordial Dragon Prison Array in such a short period of time!" Yang Luo smiled and said, "It was Senior Tianchi taught me well!" Long Tianchi waved his hand, "Alright, don't flatter me.

Although you've already learned these four cultivation techniques, you've only just started.

You still have to continue studying and pondering in the future.

Continue cultivating." "Yes!" Yang Luo nodded in agreement.

Long Tianchi said, "Since you've already learned these four immortal techniques, I'll give you a Dharma artifact too!" "Dharma artifact?!" Yang Luo's eyes lit up.

Long Tianchi waved his hand!

A palm-sized purple stone tablet flew out of his bronze dragon coffin!

Long Tianchi said, "In the past, I had many Dharma artifacts, but they were all damaged in the battle.

Now, there's only one left!

However, this Dharma artifact was called the Primordial Dragon Stele.

It is even stronger than his brother's Ten Thousand Dragons Cauldron!

I'll give it to you now!" "Bullshit!" Long Xinghe immediately could not take it anymore and cursed, "My Ten Thousand Dragons Cauldron is much stronger than your Primordial Dragon Stele!"

Chapter 1682: Equal!

Long Tianchi was also unconvinced and shouted, "Brother, let's be honest.

Although your Ten Thousand Dragons Cauldron is powerful, it's definitely not comparable to my Primordial Dragon Stele!" "Is that so?" Long Xinghe couldn't take it anymore, "Come, come, come, let's compete!" Long Tianchi raised his head and said, "Let's compete then, who's afraid of who!" Just as the two of them were about to fight.

Yang Luo hurriedly persuaded, "Senior Xinghe, Senior Tianchi, stop fighting!

Be it the Ten Thousand Dragons Cauldron or the Primordial Dragon Stele, they are definitely top-notch divine artifacts in the world!" Long Tianchi waved his hand and said, "Kid, go to the side and don't

interrupt!” Long Xinghe also said, “Kid, I’ll let you take a good look at how my Ten Thousand Dragons Cauldron crushes his Primordial Dragon Stele!” Yang Luo wanted to stop the fight, but he couldn’t.

These two people were too strong-willed.

“Primordial Dragon Stele, grow!” Long Tianchi immediately shouted.

In an instant!

The purple stone tablet floating in the sky instantly enlarged by hundreds of feet!

Yang Luo finally saw the appearance of the purple stone tablet clearly!

The stone tablet emitted a purple light, as if it was surrounded by Primordial Purple Qi!

The stone tablet looked very ancient and was engraved with Azure Dragon totems and mysterious runes!

Furthermore, there were traces left on the stone tablet, as if it was telling of a tragic battle in the past!

Long Xinghe was naturally not afraid and shouted!

“Ten Thousand Dragon Cauldron!” In an instant!

A palm-sized cauldron was summoned by Long Xinghe and appeared above him!

After the Ten Thousand Dragons Cauldron appeared, it quickly enlarged by thousands of feet.

Golden light shone brightly and was dazzling!

Yang Luo was very familiar with the Ten Thousand Dragons Cauldron.

After all, in the previous battles, he had long seen the power of the Ten Thousand Dragons Cauldron.

Just as Yang Luo was in a daze!

Long Xinghe and Long Tianchi waved their hands at the same time!

Rumble rumble rumble!

The Ten Thousand Dragons Cauldron and the Primordial Dragon Stele trembled violently at the same time!

A dazzling golden and purple beam rushed out of the Ten Thousand Dragons Cauldron and the Primordial Dragon Stele, turning into two seas of light that filled the sky and collided!

In an instant!

Crackle!

The two seas of light collided heavily, emitting the rumbling sound of thunder!

Light interweaved and spread in all directions like a wave!

Yang Luo quickly condensed layers of defense.

However, he could not withstand it and was sent flying!

After flying hundreds of meters away, Yang Luo stabilized his body.

He looked at the sky in the distance in a daze, "Holy sh*t!

So this Ten Thousand Dragons Cauldron is so powerful?" Only now did he understand that he had not developed the true power of the Ten Thousand Dragons Cauldron.

Moreover, what shocked him was that the Primordial Dragon Stele was actually so powerful that it could withstand the fierce attack of the Ten Thousand Dragons Cauldron.

No wonder Senior Tianchi was not convinced by Senior Xinghe.

Fortunately, this was his divine sense space, and there was nothing around him.

If it was outside, it would simply destroy the world.

However, what shocked Yang Luo was The bronze dragon coffins could actually withstand the impact of such energy.

It seemed that this bronze dragon coffin was not simple either!

And right at this moment Long Xinghe and Long Tianchi waved their hands again!

Countless golden and purple runes flew out of the Ten Thousand Dragons Cauldron and the Primordial Dragon Stele and collided like a surging sea!

"Roar, roar, roar!" There were even huge golden dragon illusions and purple dragon illusions that roared and collided violently!

Rumble Rumble The collisions and explosions that shook the entire spiritual sense space resounded endlessly!

Yang Luo was forced to retreat again and again!

He shouted, “Senior Xinghe, Senior Tianchi, stop fighting!

I’m certain that the Ten Thousand Dragons Cauldron and the Primordial Dragon Stele are very powerful.

They’re on par!” However, Long Xinghe and Long Tianchi did not listen to Yang Luo at all and were still activating their Dharma artifacts to fight!

At this moment.

Outside the Divine Sense Space.

Boom, boom, boom Golden and purple beams of light shot into the sky from the valley where Yang Luo was!

There were also countless golden and purple runes, as well as illusions of golden dragons and purple dragons that rushed into the sky!

The sea of clouds in the sky was completely dispersed.

The void was torn apart on a large scale, and the sky was shattered, as if a long ravine had appeared!

Rumble rumble rumble!

With the valley where Yang Luo was at as the center, the surrounding mountains were trembling violently!

Xu Ying, Bujie, and the others were dumbfounded by this scene.

All the disciples of the Heavenly Luo Sect were also dumbfounded!

“F*ck me!” Bujie’s brows twitched and the corners of his mouth twitched, “What’s the situation now?”

Why did Brother Yang cause such a huge commotion?!” Lin Wenxuan asked in confusion, “Could it be that Brother Yang is cultivating some new immortal technique again?” Qi Yutang nodded and said, “Our Mr.

Yang is a genius.

He must be cultivating some powerful cultivation technique!” After an unknown period of time Only then did the golden dragon and purple dragon slowly dissipate.

After everything dissipated, Yang Luo directly soared into the sky from the valley and stood in the sky.

“Phew” He let out a long breath and wiped his cold sweat.

Just now, Long Xinghe and Long Tianchi had fought crazily in his consciousness space.

He could not persuade them.

If not for the fact that the two of them were about to exhaust their energy in the end, it would not have ended.

He had to hand it to these two seniors.

They really fought to draw blood over a disagreement.

“Brother Yang!” “Brother Yang!” “Mr.

Yang!” Bujie and the others hurriedly waved their hands.

Yang Luo flew over from afar and landed on the mountaintop where everyone was.

Bujie hurriedly asked, “Brother Yang, what exactly happened just now?”

Why did you cause such a huge commotion?” “Uh well” Yang Luo didn’t know how to answer.

Qi Yutang asked excitedly, “Mr.

Yang, you must be cultivating a powerful immortal technique, right?” “Uh that’s right.” Yang Luo nodded in response.

Li Wushuang hurriedly said, “Brother Yang, what are we waiting for?”

Hurry up and show us!” “Yes, yes, yes.

Let us see!” Bujie nodded in agreement.

“Alright, then I’ll show you.” Yang Luo agreed and was about to use it.

But right at this moment Rumble Rumble Thunder exploded in the sky above the two valleys in the distance

Chapter 1683: The Heavenly Tribulation Arrives!

Yang Luo and the others were alarmed at the same time and looked at the sky in the distance!

Rumble Rumble The thunderous explosion did not stop as it resounded throughout the entire Heavenly Luo Sect.

Dark clouds surged in the sky as lightning tore through the sky.

All the disciples of the Heavenly Luo Sect were dumbfounded.

Bujie exclaimed, "F*ck!

What's going on?

The weather is fine, why is there suddenly a thunderclap?" Xu Ying said, "The place where the lightning struck seems to be above the valley where Big Brother Mo and Big White are!" "They're going to transcend the tribulation!" Lin Wenxuan looked up into the sky and said, "Big Brother Mo and Big White are probably going to transcend their tribulations!" "That's right, they have indeed drawn in their tribulations!" Yang Luo also nodded in agreement.

In the past, when he was transcending the tribulation, he had experienced such a situation.

"No way.

Here?" The corners of Bujie's mouth twitched, "If he really transcends the tribulation here, our Heavenly Luo Sect will probably be destroyed in a day!" Just as Yang Luo and the others were talking The thunder in the sky stopped and the dark clouds dissipated.

Everything returned to normal.

"Eh" Qi Yutang looked puzzled, "Why did the thunder stop?

Isn't he going to transcend the tribulation?" Yang Luo said, "Brother Mo and Big White are indeed going to transcend the tribulation.

Just now, the heavens only sent a warning.

Come, let's hurry over." "Alright!" Everyone nodded in agreement.

Then, Yang Luo and the others jumped over a tall mountain and arrived at the location of Mo Qingkuang and Big White.

Mo Qingkuang and Big White also soared into the sky from the valley and landed on the mountain.

"Big Brother Mo, Big White, are you guys going to transcend the tribulation?" Bujie hurriedly asked.

Mo Qingkuang nodded and said, "The heavens have already sent a warning.

I'm feeling uneasy now.

I'm definitely going to draw in my tribulation soon!" Big White also seemed to be a little restless as it whimpered.

Yang Luo immediately said, "Let's go and make preparations at Kunlun Mountain!" "Alright!" Mo Qingkuang nodded.

Yang Luo said to Big White, "Big White, quickly shrink your body and calm your mind." Big White nodded and quickly shrunk its body before jumping onto Yang Luo's shoulder.

Qi Yutang said, "Mr.

Yang, let's go together.

If anything happens, we can help!" Yang Luo nodded and said, "Alright, let's go together!" Then, Yang Luo took out an ancient boat from his storage ring and enlarged it by dozens of meters.

After all, flying Dharma artifacts like the ancient boat were very common in the Kunlun Ruins.

He had a lot of them in his storage ring.

Qi Yutang and the others also had a lot of them in the Heavenly Luo Sect's treasure vault.

Yang Luo and the others boarded the ancient boat and soared into the sky, heading straight for Kunlun Mountain.

"Strange, where are the sect master and the others going?!" "There was thunder in the sky just now.

Something big must have happened!" "Don't tell me Pavilion Master Mo and Big White are going to transcend the tribulation?!" "It's really possible!" The disciples of the Heavenly Luo Sect discussed non-stop.

After leaving the Heavenly Luo Sect, Everyone steered the ancient boat and flew towards Kunlun Mountain at their fastest speed.

In order to prevent ordinary people from seeing them, the entire group flew above the clouds.

However, they did not fly far.

Rumble Rumble Another series of muffled thunder sounded in the sky!

Moreover, muffled thunder would explode every once in a while!

Yang Luo said solemnly, "Big Brother Mo, Big White, the warnings from Heavens are getting more and more frequent!

I reckon that your Earthly Immortal Tribulation will descend when we reach Kunlun Mountain!" Mo Qingkuang looked at the sky in the distance and said firmly, "I'm already prepared.

This time, I'll definitely be able to transcend the Earth Immortal Tribulation and step into the Earth Immortal realm!" "Roar!" Big White also let out a howl, indicating that it was also prepared.

Yang Luo quickly took out some pills and distributed them to Mo Qingkuang and Big White, "These are the Overlord Body Pills, Immortal Transformation Pills, and Tribulation Transcendence Pills I've refined these past few days.

"It's much higher grade than the one I refined previously.

It should be able to help you resist the lightning tribulation.

There are also some healing and nourishing pills.

Hurry up and take them when you can't take it anymore." As he spoke, Yang Luo took out another ninth-grade immortal lotus, tore off two petals, and handed them to Mo Qingkuang and Big White, "The petals of this ninth-grade immortal lotus are very powerful.

They can also help you resist the lightning tribulation!" Mo Qingkuang cupped his hands and said, "Brother Yang, thank you!" Big White hugged Yang Luo's neck and pressed his face against Yang Luo's intimately.

Yang Luo pulled Big White to the side and said to Mo Qingkuang, "Brother Mo, we're brothers.

There's no need to thank me!

I only hope that you and Big White can successfully transcend the lightning tribulation!" Mo Qingkuang said in a trembling voice, "I will definitely transcend this!" Big White also waved its fist.

"Yes!" Yang Luo nodded heavily, but he was still very worried.

He had passed the Earthly Immortal Tribulation, so he naturally knew how terrifying it was.

After crossing it, one would be able to step into the Earth Immortal Realm.

If they could not cross it, they would be crushed to pieces.

Of course, the power of each Earth Immortal's lightning tribulation was different.

Perhaps Mo Qingkuang and Big White's Earth Immortal lightning tribulation wasn't as terrifying as his.

Yang Luo took a deep breath and felt even more nervous than when he transcended the tribulation back then.

In the journey forward The warnings from the heavens became more and more frequent.

Thunder rumbled in the sky from time to time.

Finally, at noon, Yang Luo and the others arrived at the Kunlun Mountains.

In the boundless Kunlun, mountains and rivers stood tall, covered in snow and ice, vast and ancient.

After arriving at Kunlun Mountain Yang Luo and the others drove the ancient boat and arrived at the center of Kunlun Mountain.

It was also a place with abundant spiritual energy.

Then, Yang Luo soared into the sky and took out spirit stones to set up layers of powerful defensive array formations around him.

After setting up the array formation, Yang Luo looked at Mo Qingkuang and Big White, "Brother Mo, Big White, this is all I can do.

You'll have to rely on yourselves from now on!" Mo Qingkuang cupped his hands and said, "Brother Yang, you've done enough!

If I can successfully transcend the tribulation this time and step into the Earth Immortal realm!

In the future, we will fight side by side in the world!" "Roar!" Big White also raised its head and roared, indicating that it would also successfully transcend the tribulation and continue to fight with Yang Luo in the future.

Yang Luo said in an emotional voice, "You have to successfully transcend the tribulation!" "Big Brother Mo, Big White, you can do it!" "I believe that you will definitely succeed in transcending the tribulation!" "You have to hold on.

We still have to follow Brother Yang to conquer the world!" Xu Ying, Bujie, and the others also cheered for Mo Qingkuang and Big White.

Chapter 1684: They Will Succeed!

"Yes!" Mo Qingkuang and Big White nodded heavily.

Then, Mo Qingkuang and Big White jumped down from the ancient boat.

Mo Qingkuang found a huge mountain and looked up at the sky.

Meanwhile, Big White leaped over mountains and stood on the top of a mountain in the distance.

"Let's retreat!" Yang Luo waved his hand and activated the ancient boat.

He brought Xu Ying and the others away from the mountain peak and retreated to a plateau ten thousand meters away.

Everyone jumped down from the ancient boat and stood on the plateau, looking at the distant mountaintop.

“Brother Yang, Brother Mo and Big White will successfully transcend the tribulation, right?” Prajna’s face was filled with worry.

Yang Luo held Prajna’s small hand and said, “Don’t worry, they will definitely succeed in transcending the tribulation!” “Yes!” Prajna nodded heavily.

Not long after Rumble Rumble Thunder rumbled above Mo Qingkuang and Big White’s heads!

Dark clouds surged in the sky, as if the entire Kunlun Mountain had fallen into darkness!

Within the dark clouds, lightning flashed.

It was a shocking sight!

Even though Xu Ying and the others had seen Yang Luo transcend the tribulation before, they were still shocked by the scene in front of them!

One had to know that Yang Luo was the only one who transcended the tribulation previously!

Today, Mo Qingkuang and Big White were transcending their tribulations at the same time!

Bujie exclaimed, “It’s here, it’s here!”

It’s about to begin!” Everyone became nervous and on tenterhooks.

Yang Luo let out a long breath and said, "Brothers, observe Big Brother Mo and Big White's tribulation transcendence carefully.

This will be helpful for your tribulation transcendence in the future!" "Yes!" Xu Ying and the rest nodded in agreement.

At this moment.

Two huge holes appeared in the dark clouds above Mo Qingkuang and Big White's heads!

In the hole, colorful lightning surged crazily, terrifying!

After a while Crackle!

A white lightning pillar struck down from above Mo Qingkuang's head first!

The white lightning pillar tore through the sky and contained the terrifying power of heavenly lightning, as if it wanted to destroy everything!

"Come on!" Mo Qingkuang roared and his entire body trembled.

His aura was fully released, his hair fluttered, and his clothes fluttered.

A dazzling purple-gold light erupted from his body!

Just as this white lightning pillar struck down!

The layers of defensive arrays set up by Yang Luo were activated, opening up golden light barriers that enveloped Mo Qingkuang and the surrounding mountains!

Boom!

Boom!

Boom!

The white lightning pillar struck down and destroyed the defensive formations one after another!

However, it was precisely because of the defensive array that the power of the white lightning pillar was weakened layer by layer!

A few minutes later.

Crackle!

This half-weakened white lightning pillar slammed into Mo Qingkuang's body!

Mo Qingkuang, on the other hand, did not activate any defense and took it head-on with his body!

Lightning and fire crackled and flickered on Mo Qingkuang's body.

It was extremely terrifying!

However, Mo Qingkuang forcefully endured it!

The white lightning pillar lasted for more than ten minutes before gradually dissipating.

Seeing that Mo Qingkuang had withstood the first bolt of lightning and was not injured, Yang Luo and the others heaved a sigh of relief.

Just as Mo Qingkuang withstood the first bolt of lightning!

Crackle!

In the distance, Big White's lightning tribulation had also descended!

Similarly, a white lightning pillar tore through the layers of void and slashed down angrily!

"ROAR!" Big White raised its head and let out a long roar.

Its body instantly expanded to more than thirty meters tall, and it towered over the mountaintop like an iron tower!

After breaking through the layers of defensive formations, this white pillar of lightning also struck Big White's body!

However, Big White's physique was clearly even more powerful.

This lightning pillar didn't affect it at all!

When the white lightning pillar dissipated.

"ROAR!" Big White clenched its fists and pounded its chest.

It raised its head and let out a roar, as if it was shouting at the heavens.

"F*ck me!" Bujie was dumbfounded, "As expected of Big White.

His physique is simply abnormally strong.

He actually dares to shout at the heavens!

Brother Yang, Big White is learning from you!” Yang Luo said helplessly, “This fellow doesn’t learn the good habits, but he learns the bad ones quite quickly!

The more it clamors, the stronger the power of the heavenly lightning descending from the heavens!” As expected!

Before long, the second bolt of lightning descended and turned into an even thicker lightning pillar that struck down!

Even from afar, Yang Luo and the others could feel that the power of this lightning was countless times stronger than before!

“ROAR!” However, Big White wasn’t afraid at all as it roared into the sky.

Yang Luo shouted, “Big White, don’t be like this.

Just transcend the tribulation obediently!” However, Big White didn’t listen at all and continued to roar at the sky!

Crackle!

After the second lightning pillar blasted through a few defensive formations, it ruthlessly struck Big White’s body!

Big White’s body trembled violently from the lightning strike, but it still endured it!

Moreover, this bolt of lightning had only managed to slice open a few small wounds on Big White's body!

Meanwhile, Big White continued to pound its chest and roar at the sky in an incomparably domineering manner!

Bujie clicked his tongue, "Big White is indeed not simple.

Its thoughts can't be measured by human cultivators!" Xu Ying also said, "Perhaps this is how Big White transcends his tribulation!" Yang Luo nodded and did not say anything else.

No matter what method they used to transcend the tribulation, it was fine as long as Big Brother Mo and Big White could successfully transcend the tribulation.

In the following period of time Bolts of lightning descended from the sky and struck Mo Qingkuang and Big White continuously.

At first, Mo Qingkuang and Big White could still take it head-on with their bodies.

However, towards the end, they could no longer withstand it and could only condense a True Qi barrier to block.

Yang Luo and the others stared intently at Mo Qingkuang and Big White on the mountaintop in the distance, looking forward to their successful tribulation transcendence In the blink of an eye, two days passed.

For the past two days, Yang Luo and the others had not gone anywhere and had been guarding nearby.

What shocked everyone was that Mo Qingkuang and Big White had actually withstood sixteen bolts of lightning.

However, Mo Qingkuang and Big White were already severely injured.

Their skin and flesh were lacerated everywhere, and they were covered in blood.

Blood dyed the mountaintop where they were, dyeing the ice and snow red.

It was a shocking sight.

If not for the pills given by Yang Luo and the petals of the ninth-grade immortal lotus, they probably wouldn't have been able to last until now

Chapter 1685: Life or Death Unknown!

Until the morning of the third day.

Mo Qingkuang and Big White sat paralyzed on the mountaintop, panting heavily.

They couldn't even stand up.

Their bodies were already covered in a thick layer of blood scabs, and there was no intact spot on their bodies.

However, the lightning tribulation was not over yet.

Above Mo Qingkuang and Big White, dark clouds continued to surge, and lightning of various colors surged crazily.

Bujie said in a daze, "Oh my god, Big Brother Mo and Big White have already transcended sixteen bolts of lightning, and it's still not over?" Qi Yutang said, "Earlier, the old Celestial Master and Master Xuanku also said that ordinary cultivators can only undergo one set of nine Lightning Tribulations!

As for cultivators with higher talent, more heavenly lightning would descend from the heavens!

Whether it's Pavilion Master Mo or Big White, they both seem to be peerless talents!" Xu Ying clenched his fists and said, "I wonder if they can withstand the next few lightning bolts!" Yang Luo took a deep breath and said in a trembling voice, "Brother Mo, Big White, cheer up.

You're about to succeed!" "Brother Mo, Big White, pull yourself together!" "You have to work hard.

It's already the final sprint!" Xu Ying, Bujie, Lin Wenxuan, Prajna, and the others also shouted.

At this moment.

Mo Qingkuang and Big White's mouths were bleeding profusely, and their heads were already dizzy.

However, after hearing the voices of Yang Luo and the others Mo Qingkuang and Big White's eyes gradually lit up.

At this moment.

The wind and clouds surged in the sky, and lightning flashed!

The next second!

Rumble Rumble Two incomparably huge six-colored lightning pillars bombarded down from the two holes in the sky!

These two lightning pillars were too huge and enveloped the mountains below!

Moreover, the power contained in these two lightning pillars were also terrifying to the extreme!

It was countless times stronger than any of the lightning bolts that Mo Qingkuang and Big White had transcended before!

Yang Luo looked at the sky in the distance and said in a deep voice, "This should be Big Brother Mo and Big White's last bolt of lightning!

As long as they can pass it, they will be reborn and step into the Earth Immortal Realm!" Bujie and the others nodded heavily, looking forward to Mo Qingkuang and Big White successfully transcending the tribulation!

At this moment.

The two lightning pillars struck down crazily, as if they wanted to destroy everything!

Most importantly, the layers of defensive array formations set up by Yang Luo were destroyed by the lightning and the spirit stones were shattered!

Now, they could only rely on Mo Qingkuang and Big White themselves to withstand the last bolt of lightning!

Big White propped himself up and stood up.

It clenched its fists and punched its muscular chest one after another!

"Roar" It seemed to have used all its strength to let out a roar that shook the nine heavens!

Mo Qingkuang also supported himself to get up!

He stood upright at the top of the mountain and raised his blood-stained face.

He stared at the sky and roared, "Come!" This scene moved Yang Luo and the others!

Cultivation was a heaven-defying thing.

It was for the sake of competing with the world!

If one wanted to become an immortal, one had to possess great natural talent, great comprehension, great perseverance, great wisdom, great fortune, and great luck!

If he failed, he would turn into a pile of yellow soil!

If he succeeded, he would be above mortals!

At that moment Crackle!

Two dazzling six-colored lightning pillars struck down heavily, enveloping Mo Qingkuang and Big White, as well as the dozen or so mountains around them!

Endless lightning and light swept through the world and illuminated the surroundings!

In just an instant!

But more than ten mountains were shattered, turning into rocks that filled the sky!

The rocks that rushed into the sky were instantly shattered!

“Roar” “Ah!” Big White and Mo Qingkuang let out shrill cries at the same time!

But soon, their voices were drowned out by the thunder!

“Brother Mo!” “Big White!” “You have to hold on!” Yang Luo and the others shouted hoarsely, their eyes red.

They didn’t know if Mo Qingkuang and Big White could withstand it!

If they could not withstand it, they would lose their brothers and companions!

However, this was something that Mo Qingkuang and Big White had to experience.

They couldn’t help!

They did not know how long he had been here.

The two six-colored lightning pillars gradually dissipated.

The surging lightning and the flickering light also gradually dissipated.

Yang Luo and the others looked up!

In the two areas where Mo Qingkuang and Big White were, more than ten mountains had already been razed to the ground.

It changed the terrain out of thin air and turned into two valleys.

However, Mo Qingkuang and Big White had disappeared.

“Where’s Big Brother Mo Where’s Big White” Prajna stared into the distance in a daze, tears welling up in her eyes, “Could they be” “No, that’s impossible.

They must have succeeded!” Yang Luo shook his head vigorously, and his eyes turned red.

“Did they really fail?!” Bujie’s eyes were red as he hissed, “Brother Mo is the young sect master of the Supreme Sect, a prodigy of his generation!

Big White is an incomparably powerful existence that surpassed all demon beasts!

How could they fail!

They must have succeeded!

Definitely!” Xu Ying, Lin Wenxuan and the rest also had tears in their eyes.

However, after waiting for a long time, no one saw Mo Qingkuang or Big White.

This inevitably made everyone despair!

Could it be that Mo Qingkuang and Big White had really failed their tribulation transcendence and were reduced to ashes?

No!

Impossible!

That was impossible!

“Damn it!!!” Yang Luo’s eyes were bloodshot as he roared, “I’ll go take a look.

They’ll be fine.

They'll be fine!!!” Lin Wenxuan had always been rational.

He hurriedly stopped him.

“Brother Yang, don't go over.

Otherwise, you'll be implicated too!” “So be it!

Compared to my brothers, a mere lightning tribulation is nothing!” Yang Luo roared angrily and was about to fly over to check on the situation.

However, just as Yang Luo was about to move!

In the sky above where Mo Qingkuang and Big White were, the lightning had completely dissipated from the two huge holes!

Instead, six-colored light surged inside and turned into two pillars of light that descended from the sky and struck the two valleys!

These two lights contained vast immortal qi and mysterious and majestic energy!

Immortal sounds could also be heard.

All kinds of immortal beast illusions condensed and danced around the pillar of light!

“What's going on?!” “Immortal light descended A phenomenon appeared Could it be that Big Brother Mo and Big White successfully transcended the tribulation?!” “Brother Yang was in the same situation when he successfully transcended the tribulation Brother Mo and Big White must have succeeded, definitely!” Everyone spoke up one after another and were immediately excited.

Chapter 1686: It's Time to See My Friends!

Yang Luo also stopped and looked at the sky in the distance.

He was also very familiar with this scene.

This was clearly a scene that would only appear when one successfully transcended the tribulation.

In other words, Mo Qingkuang and Big White had probably successfully transcended the tribulation.

Everyone looked at the two six-colored pillars of light in the distance in a daze.

After a short period of time Two bloody figures floated into the sky from the pillar of light.

It was Mo Qingkuang and Big White.

Although they were already severely injured Yang Luo and the others could feel their weak auras.

“Big Brother Mo!

Big White!” “They’re not dead!

They survived!” “Great, that’s great!” Bujie and the others cheered excitedly.

Under the cover of the six-colored pillar of light, Mo Qingkuang and Big White’s injuries started to heal at a visible speed.

Furthermore, everyone could clearly see that Big White’s body was still growing.

It grew from 30 meters to 50 meters before stopping.

Bujie was dumbfounded, “Oh my god, Big White’s body has grown bigger again?!” Xu Ying said, “I can’t imagine how powerful Big White will be after becoming an Earth Immortal!” Lin Wenxuan sighed and said, “After stepping into the Earth Immortal realm, Brother Mo will definitely become even stronger!” After an unknown period of time The two six-colored beams finally dissipated.

Mo Qingkuang and Big White stood up in the air.

Their auras had already changed and become even stronger!

“Brother Mo!” “Big White!” “I’m so glad you’re okay!” Yang Luo and the others raised their arms and shouted.

Mo Qingkuang nodded at everyone and waved his hand!

“Disperse!” At that very moment A purple-gold beam of light soared into the sky and destroyed the dark clouds that covered tens of thousands of meters above!

“ROAR!” Big White also stood in the air and roared at the sky!

Golden sound waves spread out and dispersed the dark clouds in the sky!

Then, Mo Qingkuang and Big White flew into the sky and went to the nearby lake to wash their bodies.

Not long after.

Mo Qingkuang, who had changed his clothes, and Big White, who had washed its fur, flew over from afar and landed steadily on the plateau where Yang Luo and the others were.

Mo Qingkuang and Big White had already been reborn, and their bodies were filled with traces of immortal aura.

They were extraordinary!

Yang Luo cupped his hands and said, "Big Brother Mo, Big White, congratulations on successfully transcending the tribulation and stepping into the Earth Immortal realm!" "Congratulations!" Qi Yutang and the others also cupped their hands in congratulations.

Mo Qingkuang smiled and said, "Thank you everyone for waiting here!

I also want to Brother Yang for his medicinal pills and the array formation he set up!

Otherwise, Big White and I won't be able to survive!" Yang Luo waved his hand and said, "Brother Mo, we're brothers.

There's no need to stand on ceremony!

It's great that you managed to successfully transcend the tribulation and survive!" "Yes!" Mo Qingkuang also nodded heavily.

Bujie sighed and shook his head, "It's fine if it's Big Brother Mo, but I didn't expect Big White to have already stepped into the Earth Immortal Realm.

Lord Buddha has just stepped into the Dao Convergence Realm.

It's too unfair!" Xu Ying glanced at Bujie and said, "Big White has always been stronger than you.

Isn't it normal for him to become an Earth Immortal before you?" "Brother Xu is right.

You stinky monk are not as powerful as me to begin with!" Suddenly, a childish voice sounded with a hint of arrogance and smugness.

“Who’s talking?” Bujie was instantly displeased.

For a moment Yang Luo and the others all turned to look at Big White.

“Big White, were you the one talking just now?” Yang Luo asked in a daze.

Prajna was also surprised, “Big White, are you really talking?” “That’s right, Brother Yang, Sister Prajna!” Big White spoke in human language and nodded repeatedly.

“Holy shit!” Bujie was so frightened that he took a step back, “A monkey can actually speak?

What kind of joke is this?!” Big White waved its fist in dissatisfaction, “For living beings like us, once we successfully transcend the tribulation and step into the Earth Immortal realm, we’ll be able to develop intelligence.

Isn’t it very easy to speak?” Yang Luo laughed.

“Alright, alright, alright.

Big White, you finally know how to talk!

Then I won’t have to think hard to guess your thoughts in the future!” Prajna was also overjoyed, “Big White can actually speak, and it’s a little boy’s voice.

This is so cute!” Big White scratched its head, “Sister Prajna, I’m still in my infancy, so my voice is naturally like this!” “I see.” Prajna nodded in realization.

Yang Luo said in surprise, “Big White, you’ve already grown so big, but you’re still in your infancy?

If you grow into an adult, how big will you become?" Big White shook his head, "Brother Yang, I'm not sure either." Yang Luo sized up Big White and said with a smile, "I'm looking forward to seeing how you look like when you're an adult!" Big White nodded repeatedly.

"Yes, yes, I'll definitely become stronger!" Now that Big White could suddenly speak, Yang Luo felt a little uncomfortable.

However, it was fine.

He would slowly get used to it later.

Yang Luo asked Mo Qingkuang, "Brother Mo, now that you've successfully transcended the tribulation, are you going back to the Heavenly Luo Sect with us or where are you going?" Mo Qingkuang said, "I'm preparing to return to the Hidden Dragon Pavilion to take a look.

I've been away for so long.

There are probably many things waiting for me to deal with.

Brother Yang, why don't you go to the capital with me?

Mr.

Yi, the Dragon General, and Little Meng must have missed you very much.

If they know you're back, they'll be very happy." Yang Luo thought for a moment and said, "Alright, it's time to visit Mr.

Yi and the others." Now that his injuries had recovered, it was time to visit his friends.

He planned to meet Su Qingmei and Xiang Kunlun after meeting Mr.

Yi and the others.

Big White quickly shrunk its body and jumped onto Yang Luo's shoulder.

"Then I'll contact Mr.

Yi and the others now!" Mo Qingkuang took out his phone and called Yi Jiuzhou and the Dragon General.

After making the calls, Mo Qingkuang said, "Brother Yang, Mr.

Yi and the Dragon General are very happy to know that you're back.

They said that they want to have a good gathering!" "Then let's set off now!" Yang Luo replied before saying to Qi Yutang and the others, "Old Qi, return to the Heavenly Luo Sect first!

If there's anything, we can keep in touch at any time!" "Alright!" Qi Yutang and the others nodded.

Then, Yang Luo, Mo Qingkuang, Xu Ying, Bujie, Prajna, and Lin Wenxuan boarded an ancient boat and flew towards the capital.

Meanwhile, Qi Yutang and the others boarded an ancient boat and flew towards the Heavenly Luo Sect

Chapter 1687: No One Is More Important Than Yang Luo!

After leaving Kunlun Mountain.

Yang Luo and the others took an ancient boat and flew quickly to the capital.

On the way to the capital.

Bujie said excitedly, "I haven't seen Brother Tian and the others for a long time.

I wonder how everyone is doing!

I reckon Little Meng's combat form has become even more ferocious!" Prajna smiled and said, "Brother Bujie, don't provoke Little Meng.

Be careful not to be beaten up by her!" "Cheh!" Bujie raised his head and said arrogantly, "I'm also a Dao Convergence Realm expert now.

I can crush Little Meng with one hand!" Xu Ying suddenly said, "Alright, stop bragging.

No matter how strong you are, you're only at the Dao Convergence realm, but Big White is an Earth Immortal!" "In summary, you're not as good as a monkey." Lin Wenxuan added.

"F*ck" Bujie was so angry that his face twitched, "If you don't insult me, will you die!" "Yes, there is a possibility." Xu Ying and Lin Wenxuan nodded in unison.

"Damn!" Bujie raised his middle finger at the two of them.

Prajna and Big White giggled.

Yang Luo ignored these jokers and prepared to contact Su Qingmei and the others to gather at the Holy Imperial Court first.

After meeting Mister Yi and the others, he would rush to the Holy Imperial Court to meet everyone.

At the thought of this, Yang Luo took out his phone and made many calls. At past three in the afternoon Jiang City Airport.

A group of people walked into the hall.

At the front were a young and middle-aged woman.

The young woman's long hair fell over her shoulders, revealing an exquisite oval face.

She was wearing a beige business suit that outlined the woman's graceful figure.

Regardless of appearance or temperament, they were all outstanding.

The middle-aged woman had short hair that reached her ears and was wearing a burgundy business suit.

She had a capable and graceful aura.

The young woman was Su Qingmei, and the middle-aged woman was Shen Yun.

Behind them were a few higher-ups and assistant teams.

"Is that outstanding and peerlessly beautiful woman the President of Hua Mei Biomedical, Su Qingmei?"
"That's right.

This woman is now the fully deserving queen of the business world in Country Hua!

Hua Mei Biomedical's assets have long exceeded trillions and are still growing at a rapid speed!" "This woman is a combination of looks and intelligence.

She's a perfect goddess.

I really don't know what kind of man can marry such a top-notch goddess!" "D*mn, don't you know?

President Su's fianc  is Mr.

Yang Luo!" "Oh my god, could it be that godly figure Yang Luo, who is famous both at home and abroad and has left behind countless legendary stories?!" "That's right, it's that god-like man!" The passengers at the airport were all discussing and exclaiming.

The men's eyes were shining as they gulped.

However, they only dared to look at such a perfect goddess from afar and did not even dare to hit on her.

Because this woman was Yang Luo's woman.

Other than envy, the women at the airport could not feel any jealousy.

Su Qingmei was already used to such gazes and was not affected at all.

Shen Yun smiled and said, "Qingmei, if we can reach a collaboration this time with the number one cosmetics company in Country Maple Leaf, Meisner Then we can completely open the Maple Leaf market and the North American market!" "Yes!" Su Qingmei nodded.

During this period of time, she had been running around the country and abroad.

She had done many things herself just to keep herself busy.

Only when she was busy would she not miss Yang Luo.

At this moment.

A call was made to her cell phone.

She took out her phone from her bag and looked at it.

The moment she saw the screen, her delicate body trembled, and her eyes turned red as she stood rooted to the ground.

“Qingmei, what’s wrong?” Shen Yun asked in confusion.

Su Qingmei took a deep breath and quickly picked up the call.

As soon as the call went through “Qingmei, I’m back.” A gentle voice sounded.

“Wu” Hearing this long-lost voice, Su Qingmei cried.

The person who called was Yang Luo.

When Shen Yun saw this, she was shocked.

The other higher-ups and assistants were also a little stunned.

One had to know that Su Qingmei was now publicly recognized as the “Queen of the Business World” and the swift and decisive “Iron Lady”.

But why did such a legendary woman cry after receiving a call?

Yang Luo sighed softly and said, “Silly girl, why are you still crying?” Su Qingmei said with a sobbing tone, “Bastard, baddie, annoying person!”

You left without a word and now you're back without a word.

How annoying!" Yang Luo teased, "I originally planned to have a good gathering with you.

Since you hate me so much, forget it!" "You big baddie!" Su Qingmei stomped her feet in anger and threw a tantrum, "Tell me, where are we gathering!" When the passengers at the airport saw Su Qingmei's feminine attitude, they were immediately slack-jawed.

Who was this woman talking to on the phone that could make her show such an attitude?

Yang Luo smiled and said, "Let's go to the Holy Imperial Court for a gathering.

When the time comes, it will be lively with more people!

By the way, I've also contacted Momo.

You can go with her!" "Alright." Su Qingmei agreed.

After making the calls, Su Qingmei's originally cold face seemed to have lit up, and her eyes were filled with unconcealable excitement and joy.

"Qingmei, who called?" Shen Yun asked anxiously.

Su Qingmei replied, "It's Yang Luo!" "Mr.

Yang?!" Shen Yun was shocked and said happily, "Mr.

Yang is back?!" "Yes, he's back!" Su Qingmei nodded and said, "Sister Shen, call the chairman of Meisner Corporation immediately and tell him that this meeting is canceled!" "Ah?" Shen Yun was instantly dumbfounded, "Cancel it just like that?

Isn't that a little bad?

Meisner Corporation is an important business partner of ours!" Su Qingmei snorted and said, "In this world, no one is more important than Yang Luo!" "Fine" Shen Yun shrugged helplessly.

She knew very well how deep Su Qingmei's feelings for Yang Luo were.

Now that Su Qingmei was going to see Yang Luo, she naturally wouldn't say anything else.

At this moment.

"Susu!" A pleasant voice sounded.

Chapter 1688: He's Really Back!

A beautiful woman ran in from outside the hall with a huge suitcase.

The woman was wearing a sky-blue windbreaker.

She was tall and had an outstanding aura.

She had some light makeup on.

Be it looks, figure, or temperament, they were on par with Su Qingmei.

This woman was Qin Yimo.

For a moment All the passengers at the airport were attracted by Qin Yimo.

“Oh my god, why is there another top-notch goddess?”

Who is she?!” “This woman is not simple.

She’s the eldest daughter of the Qin family, the President of Star City Entertainment Corporation, and the Vice President of Star Charity Funds!” “That’s right.

This woman is not simple either!

Under the lead of this woman, Star City Entertainment Corporation has already opened up a national market and an overseas market!

The Star Charity Fund had also been opened all over the country.

Countless homeless children had received funding!

She’s beautiful and kind-hearted.

That’s what I mean by such a woman!” The discussion started again.

“Momo!” Su Qingmei hurriedly ran over.

Qin Yimo was extremely excited.

“Susu, did you receive a call?”

Yang Luo is back.

He’s really back!” “I know, I know!” Su Qingmei nodded repeatedly before she pouted, “Wow, Momo.

In order to see Yang Luo, you even put on makeup and changed your clothes!” Qin Yimo chuckled and said, “Susu, you can also put on beautiful makeup and change into beautiful clothes on the plane later!” “This, I can!” Su Qingmei nodded and said, “Then you have to help me choose my clothes later!” “No problem!” Qin Yimo nodded.

Then, under everyone’s gaze, the two women walked into the VIP passageway arm in arm Gold City.

In the mountains.

Dragon Soul Base.

A tall and graceful woman in a military uniform with a ponytail and exquisite facial features was training her team members.

This woman was the eldest daughter of the Chu family in the capital, the captain of the ninth team of the Dragon Soul Team, Chu Yanran.

Chu Yanran was a strict and qualified captain.

She was also called “Devil Captain” by the members of the Dragon Soul Team.

She looked at all the team members who were training and said in a stern voice, “All of you, buck up.

Don’t be lazy!

Now, every drop of sweat you shed can guarantee your success rate when doing missions!” “Yes!” The team members responded in unison and continued training.

“Yanran, it’s been hard on you.

Have some water!” At this moment, a tall and handsome young man in military uniform strode over with a bottle of water in his hand.

This man was the Deputy Commander-in-Chief of the Dragon Soul Team, Zheng Tianhao.

With the reshuffling of the major families in the capital, the Zheng family rose powerfully.

Although they could not compare to the royal family, they had stepped into the ranks of first-rate families.

Chu Yanran shook her head and said, “Deputy Commander-in-Chief Zheng, I’m sorry.

I’m training my team members.

Please don’t disturb me!” “This!” Zheng Tianhao was stunned for a moment and said, “Yanran, can we have a meal together this weekend?” “No time.” Chu Yanran replied.

Zheng Tianhao frowned and said, “Yanran, you know that I like you.

I hope you can give me a chance!” Chu Yanran turned to look at Zheng Tianhao and said, “Deputy Commander-in-Chief Zheng, I’m sorry.

I already have a boyfriend.

Please don’t disturb me in the future!” “You have a boyfriend?” Zheng Tianhao was stunned, “Why didn’t I know?” Chu Yanran was about to speak when her cell phone rang.

She took out her phone and looked at it.

A pleasantly surprised expression immediately appeared on her face.

Then, she quickly picked up the call.

After the call Chu Yanran put away her cell phone and said to her team members, "Continue training.

I'm going out for the next few days.

Don't be lazy!" After giving her instructions, Chu Yanran prepared to leave.

However, before she left, she said to Zheng Tianhao, "Deputy Commander-in-Chief Zheng, to tell you the truth, my boyfriend is Yang Luo!" With that, Chu Yanran left in a hurry.

Zheng Tianhao was instantly stunned on the spot.

The mineral water in his hand fell to the ground with a plop, and his entire body could not help but tremble At the same time Overseas.

Country Oxford.

Christy Medical Research Institute.

In the meeting room on the top floor.

A Euro Domain medical conference was being held in the spacious conference room.

All the most powerful big bosses in the medical world in the entire Euro Domain had come to participate in this conference.

It could be said that as long as every doctor present stomped their feet, the entire world's medical world would tremble.

At the front of the conference table sat a Caucasian woman.

The woman had amber blond curly hair tied into a ponytail, revealing an exquisite oval face.

Her face was as fair as jade even without any makeup.

Her eyebrows were slender, her nose bridge was tall, and her red lips were thin and moist.

Her big sapphire blue eyes were as deep as the sea.

This woman was the president of the Western Medical Association in the Euro Domain, Alinda.

She had been called the “Venus of Western Medicine” and “Scalpel Queen” by the medical world.

At this moment, Alinda was in a meeting with famous doctors from various countries to discuss medical skills and medical topics.

But at this point A call was made to Alinda’s phone.

She was initially about to turn off her cell phone.

However, when she saw the caller ID, she was stunned and thought that she was seeing things.

She stared at her cell phone for a few seconds before quickly picking up the call in front of everyone.

After the call She stood up and said, “I’m sorry, everyone.

I have something to deal with, so I have to leave first!" With that, she hurriedly ran out of the conference room.

"President Alinda!" "That's strange.

What happened?

Why did President Alinda leave just like that?" "You have to know that in the past, President Alinda would never interrupt a medical seminar for personal matters!" The famous doctors from all over the world had strange expressions on their faces.

They were very puzzled.

After Yang Luo made the calls one by one, The women all over the world pushed aside their work and rushed to the Holy Imperial Court at the same time

Chapter 1689: Dragon Vein Repair Plan!

On a particular evening.

The capital.

At the entrance of the Mei Manor's private restaurant.

A group of people was waiting at the door.

This group of people were Yi Jiuzhou, Lin Aocang, Tian Zhen, Feng Lengyue, Lan Xiaomeng, Zhuge Changfeng, and Jiang Bo.

After knowing that Yang Luo had returned, everyone pushed the matter on hand and rushed here just to meet him.

Lan Xiaomeng asked excitedly, “Mr.

Yi, Dragon General, is Brother Yang really back?” Yi Jiuzhou smiled and nodded.

“Qingkuang called me.

Little Luo and the rest are back!” “That’s great!” Lan Xiaomeng was overjoyed, “I haven’t seen Brother Yang in a long time.

I miss him so much!” Tian Zhen and the others were also very excited, their faces filled with joy.

“Little Meng, do you only miss Brother Yang and not me?” At this moment, a mellow voice sounded.

Yi Jiuzhou and the others turned around at the same time.

A group of people walked over from not far away.

The people who came were Yang Luo, Mo Qingkuang, Xu Ying, Bujie, Prajna, and Lin Wenxuan.

“Little Luo!” “Brother Yang!” “Brother Mo!” Everyone shouted in surprise and hurriedly went forward.

Especially when Lan Xiaomeng rushed towards Yang Luo and the others with her short legs.

Mo Qingkuang opened his arms, “Little Meng, I” Right after he finished his sentence Lan Xiaomeng threw herself into Yang Luo’s arms and hung onto him like a koala bear.

Mo Qingkuang shook his head and said, “I’m so good to this girl, but the first person this girl hugged was not me, but Brother Yang.

Sigh” “Hahaha” Everyone laughed.

Lan Xiaomeng’s eyes were red as she said, “Brother Yang, I missed you so much.

Did you miss me?” Yang Luo patted the girl’s head dotingly and said, “Of course I do!” “Hehe” Lan Xiaomeng immediately beamed, her eyes turning into crescent moons.

“Sister Little Meng, don’t you miss me?” Big White, who was standing on Yang Luo’s shoulder, suddenly said.

“Hmm?” Lan Xiaomeng was stunned, “Who was talking just now?” Yi Jiuzhou, Lin Aocang, and the others were also puzzled.

“It’s this guy talking.” Yang Luo pointed at Big White on his shoulder.

Yi Jiuzhou and the others all turned to look at Big White with shock on their faces.

“Oh my god!

Big White can actually speak?!” Lan Xiaomeng was stunned.

Yi Jiuzhou asked curiously, “Little Luo, what exactly is going on?” Yang Luo said, “Big White has already transcended the Earth Immortal Lightning Tribulation and stepped into the Earth Immortal realm.

It has developed intelligence, so it can speak.” “Big White has actually stepped into the Earth Immortal Realm?!” Yi Jiuzhou and the others were shocked again.

Yang Luo continued, “Other than Big White, Big Brother Mo has also stepped into the Earth Immortal Realm!” “Qingkuang has also stepped into the Earth Immortal Realm?!” “Brother Mo, is this true?!” Everyone was shocked again.

"It's true." Mo Qingkuang nodded and said, "Fortunately, I had Brother Yang's help.

Otherwise, it wouldn't have been easy for me to successfully transcend the Earth Immortal Tribulation." Lin Aocang laughed loudly and said, "Congratulations, Qingkuang!" "Good, Qingkuang, good job!" Yi Jiuzhou was also very happy.

After that, everyone chatted for a while before walking into the Mei Manor's private restaurant and arriving at a large private room.

Lin Aocang got someone to serve the dishes.

After the dishes were served, everyone poured wine.

Yi Jiuzhou raised his glass and sighed, "Little Luo, welcome back!" Everyone raised their glasses and finished their wine.

After finishing their wine.

Lan Xiaomeng hurriedly said, "Brother Yang, tell us quickly.

What fun things did you experience in the Kunlun Ruins?" Yi Jiuzhou and the others also looked at Yang Luo.

Yang Luo smiled faintly, "We've experienced many things in the Kunlun Ruins.

Listen to me slowly" In the following period of time Everyone drank and ate while listening to Yang Luo's story.

Tian Zhen and the others were stunned when they heard this.

Sometimes, they were shocked, sometimes nervous, and sometimes touched.

Their expressions changed constantly.

When Yang Luo finished speaking, Everyone was still in a daze.

Yang Luo took a sip of wine and said, "These are what we experienced in the Kunlun Ruins.

I'm very lucky to be able to grow and improve there, and I'm also very lucky to be able to meet many like-minded friends." Feng Lengyue said in admiration, "As expected of Big Brother Yang.

Your charisma is great.

You can make many friends everywhere." Tian Zhen sighed, "This Kunlun Ruins is indeed not simple.

If there's a chance, I really want to go and take a look." Lan Xiaomeng said excitedly, "This Kunlun Ruins is too interesting.

Brother Yang, if you go again, you must bring me along!" Yang Luo smiled and said, "Alright, if there's a chance, I'll bring you guys along!" "Alright!" Tian Zhen and the others nodded happily.

Yi Jiuzhou frowned and said, "Looks like the Kunlun Ruins isn't peaceful now.

The Myriad Demon Valley actually dares to attack my Black Tortoise Family!" Yang Luo said, "The Kunlun Ruins is indeed a little chaotic now.

The various evil sects are stirring up trouble everywhere!

However, fortunately, the strength of these demonic sects cannot compare to the various top-notch divine beast clans and sects, so they did not achieve much!

However, I still have to be careful in case these guys team up to cause trouble!” Yi Jiuzhou nodded and sighed in admiration, “Little Luo, I really didn’t expect you to step into the perfected Earth Immortal realm in just a few months.

We didn’t misjudge you!” Tian Zhen and the others were also filled with admiration.

They knew that Yang Luo was already very strong before he went to the Kunlun Ruins.

Now that Yang Luo had stepped into the perfected Earth Immortal Realm, his strength was probably even stronger.

Lin Aocang smiled and said, “Looks like Little Luo, you can also help a lot when you repair the dragon vein in the future!” “Repair the dragon vein?!” Yang Luo was stunned for a moment before he remembered.

Last year, when they were at Mount Longhu, they talked about repairing the dragon vein.

He also brought Tian Zhen and the others to Country Oxford to retrieve the treasure cauldron and the heirloom seal.

However, he had almost forgotten about it because the Dragon General had never mentioned it.

Yang Luo asked, “Dragon General, when will we start implementing this plan?” Lin Aocang said, “We’ll start implementing the plan after a while!” Yi Jiuzhou also said, “When the time comes, I’ll contact our Black Tortoise Family, as well as the Earth Immortals and True Immortals of the Supreme Sect to help!

“We’ll start implementing the plan when they arrive!”

Chapter 1690: The Most Lowly Existence!

“Alright!” Yang Luo nodded and said, “Let me know when you start implementing the plan.

I'll definitely help!" "Alright!" Yi Jiuzhou and Lin Aocang nodded.

Lan Xiaomeng smiled sweetly and said, "Brother Yang, didn't you bring us any gifts after you went to the Kunlun Ruins?" Feng Lengyue said in amusement, "Little Meng, how can you be like this?

Brother Yang only came back after experiencing so many hardships, and you actually asked Brother Yang for a gift!" Yang Luo smiled and said, "Don't worry, I've already prepared a gift for you!" "Really?!" Lan Xiaomeng's eyes lit up.

"Of course!" Yang Luo nodded, then took out a few storage bags from his storage ring and threw them to Lan Xiaomeng and the others.

"These storage bags contain many medicinal herbs, pills, Dharma artifacts, weapons, and spirit stones.

It should be helpful to your cultivation and when you do missions in the future." Tian Zhen and the others took out the items from their storage bags and were dumbfounded.

Zhuge Changfeng exclaimed, "Oh my god, there are actually so many good things.

Thank you, Brother Yang!" "Thank you, Brother Yang!" "Thank you, Brother Yang!" Lan Xiaomeng and the others also thanked him.

Yang Luo waved his hand and said, "We're all friends.

There's no need to thank me." In the time that followed Everyone drank and chatted.

The atmosphere was very happy.

By the time they finished drinking, it was already past ten in the evening.

Everyone walked out of the Mei Manor's private restaurant.

Yi Jiuzhou looked at Yang Luo and said, "Little Luo, you're already above ordinary people and can be considered one of the top experts in the secular world!"

Your words and actions can affect the entire world!

I hope you won't forget your original intention.

Use your ability to make our country and the world better!" Yang Luo nodded and said, "Mr.

Yi, I'll remember your words!" "Alright!" Yi Jiuzhou smiled and nodded.

Lin Aocang chuckled and said, "Little Luo, although my strength is far inferior to yours, I can still help in some places.

If you need help later, you can contact me at any time." Yang Luo teased, "It's fine if I ask you for help, but I'll be thankful if you don't squeeze me dry!" Lin Aocang said angrily, "Kid, what are you talking about?

What do you mean by squeezed?

I asked you to do something for the country.

What's wrong?" Tian Zhen and the others laughed out loud.

Yang Luo smiled and said, "Dragon General, don't be angry.

I was just joking!" "As long as you don't cause us trouble!" Lin Aocang shook his head and got into the car with Yi Jiuzhou.

Yang Luo looked at Mo Qingkuang and the rest and said, "Brother Mo, we'll leave first!" "Where are you going?" Mo Qingkuang asked in confusion.

Yang Luo said, "I'm preparing to go to the Holy Imperial Court to meet Qingmei and Xiang Kunlun." "Alright." Mo Qingkuang nodded and smiled, "Then I won't disturb you from reuniting with your women." Lan Xiaomeng pouted and said unhappily, "Brother Yang, you've just arrived in the capital and you're leaving again.

Can't you play with us for a few days?" Yang Luo smiled dotingly and said, "Now that I'm back, we have plenty of time to meet in the future.

We don't need to care about the time." "Fine" Lan Xiaomeng pouted and nodded.

After exchanging greetings, Mo Qingkuang, Lan Xiaomeng, and the others also left.

Yang Luo took a deep breath and said, "Brothers, let's go to the Holy Imperial Court!" "Alright!" Xu Ying and the rest nodded in agreement.

Everyone was looking forward to meeting Xiang Kunlun and the others.

Then, Yang Luo and the others walked to an empty alley and rode an ancient boat into the sky, heading straight for the Holy Imperial Court In a certain part of the Pacific Ocean.

Holy Imperial Court Headquarters.

It was night time.

At this moment.

A huge battle erupted in the sea not far from the Holy Imperial Court's headquarters!

Dozens of steel battleships stopped at the sea, as if they had built a steel city wall!

There were people everywhere on the deck, fighting fiercely!

Shouts, roars, roars, and screams resounded endlessly!

Boom!

Boom!

Crackle!

Deafening collisions and explosions resounded non-stop!

A large amount of light and energy shot out in all directions!

The deck was filled with people who had died in battle.

There were also many corpses floating on the sea.

Blood dyed the deck and this sea area red!

Not long ago, Su Qingmei, Qin Yimo, and the other women rushed to the Holy Imperial Court from all over the world.

Initially, everyone was very happy to know that Yang Luo was back.

They chatted happily in the hall of the palace and waited for Yang Luo to arrive.

Unexpectedly, the seven major organizations led more than 50,000 people to the Holy Imperial Court and started a huge battle with them!

Leading these seven organizations were the 15 King ranked experts of the Underworld!

King ranked experts were the strongest existences below the Divine Ranking!

For example, the King of Titans, the King of Savage Beasts, and the others were all King ranked experts!

Now, with the complete chaos in the Dark World, there were endless disputes everywhere!

Even the Holy Imperial Court was not spared.

During this period of time, they had been attacked several times!

After all, in the eyes of the world, the Holy Imperial Court no longer had an expert on the Divine Ranking holding down the fort.

It was the weakest existence among all the top organizations!

The other organizations had long been eyeing them covetously.

Taking advantage of the chaos in the Dark World, they all wanted to annex the Holy Imperial Court and snatch the resources that the Holy Imperial Court had obtained over the years!

At this moment.

On a battleship in the distance.

Xiang Kunlun was fighting against three King ranked powerhouses—the Shadowhunter, the Soul Envoy, and the Steel Killer!

“Shadow Blade!” A burly Caucasian man in black clothes soared into the sky and waved a black scimitar in his hand, slashing at Xiang Kunlun!

Swoosh!

With a slash, the air was torn apart like cloth, emitting an ear-piercing sonic boom!

“Get lost!” Xiang Kunlun roared and threw a punch!

Rumble!

The saber and fist collided, emitting thunderous sounds!

Light and energy surged out from the point of collision, dazzling!

“Uh” The Shadowhunter let out a muffled groan and was sent flying.

“Soul army!” The Soul Envoy chanted an incantation and interacted with the scepter in his hand.

“Eeeee” Countless souls formed an army that bared their fangs and brandished their claws as they pounced forward
