

## Super IDG 1721

Chapter 1721: Defeating Sword Saint with One Finger!

The entire venue fell silent.

One could hear a pin drop!

Everyone stared at Big White in a daze as they felt their souls tremble!

“Roar!” Big White punched its muscular chest with both fists and let out a heaven-shaking roar at everyone present!

It seemed to be clamoring and provoking, indicating that no one in the stands was its match!

Everyone present recovered from their shock!

“Oh my god, this monkey is too terrifying!

It sent Battle Madman flying with a slap and sent Thousand Faced Killing God and the other six people flying with a slap.

He’s simply invincible!” “With this monkey around, who can touch Yang Luo?” “Now, only the experts on the Divine Ranking can suppress this monkey and Yang Luo!” Discussions resounded nonstop as they looked at Big White with fear in their eyes.

Bujie turned to look at Augustus and the others in the back row and grinned, “Everyone, have you seen Big White’s strength now?” Augustus and the others nodded in a daze, their bodies trembling.

Such an inconspicuous monkey actually had such powerful combat strength.

They were really shocked.

Evil Butcher clicked his tongue and said, "I admit that I'm definitely not this monkey's match!" Hopkins gulped and said, "If this monkey is already so strong, how strong is Mr.

Yang?" Alves and the others also looked at Yang Luo on the high platform in the center, their eyes filled with anticipation.

At this moment.

On the high platform in the center.

Yang Luo scanned the entire venue and said in a shocked voice, "Who else dares to challenge me now?" For a moment, everyone in the stands was terrified and did not dare to challenge again.

With this monkey around, they could not get close to Yang Luo at all.

"Kid, aren't you just relying on this monkey to support you?

Without this monkey, you're nothing!" "If you have the ability, don't let this monkey attack!" "Even if this monkey wins against everyone, we won't submit to you!" Many people shouted loudly, feeling that Yang Luo was completely relying on Big White's help.

Especially the large organizations led by the Holy Light Church, they shouted the loudest.

"Yang Luo, I, Kagura Kenshin, challenge you!" At this moment, Kagura Kenshin stood up and looked at Yang Luo coldly.

Kagura Kenshin was about to issue a challenge!

The people there immediately erupted!

“Hahaha, an expert on the Divine Ranking is finally going to attack!” “With the help of the Sword Saint, this kid will definitely die even with Monkey’s help!” Everyone spoke up and prepared to watch the show.

Yang Luo turned to look at Kagura Kenshin and said indifferently, “Kagura Kenshin, you’re no longer my match now.

I no longer treat you as my opponent.” He also sensed that Kagura Kenshin was still only at the mid-stage Earth Immortal realm.

Although he was infinitely close to the late-stage Earth Immortal Realm, he was not the late-stage Earth Immortal Realm after all.

Of course, even if this guy was really at the late-stage Earth Immortal Realm, he was not afraid.

How many Earth Immortals had he killed?

“Is that so?” Kagura Kenshin’s eyes turned completely cold as he said angrily, “Kid, you actually dare to look down on me!

I’ll let you know that I, a dignified Sword Saint, can sit in this position because of my absolute strength!” As he spoke, his entire body shook as well!

BOOM!

A dazzling white light shot into the sky from his body, illuminating the night sky and piercing through the clouds!

Waves of majestic pressure and aura spread out and instantly swept through the entire venue!

Everyone was suffocated by the pressure and aura and trembled!

In an instant Everyone's gazes shifted to the high platform!

The Holy Light Pope and the others also looked at Yang Luo and Kagura Kenshin with interest!

Blue Luan originally wanted to make a move, but after thinking about it, it didn't do so in the end.

In the next second!

Kagura Kenshin flew into the sky and placed his right hand on the Kusanagi Sword at his waist.

His long hair fluttered, and his clothes fluttered.

His eyes flickered with a blazing white light!

Seeing that Big White was about to make a move Yang Luo raised his hand, "Big White, leave the rest to me!" Big White nodded and retreated!

The moment Big White withdrew!

"Battoujutsu!" With this roar!

Whoosh!

An ear-piercing sword cry resounded!

Swoosh!

A dazzling golden light instantly illuminated the entire venue!

An incomparably sharp white sword tore through the sky and slashed heavily at Yang Luo!

When this sword slashed down, cracks appeared in the void, causing the entire platform and the entire gymnasium to tremble!

The might of a Sword Saint was displayed at this moment!

However, the moment the sword slashed down!

Yang Luo raised his right hand and pressed out with a finger!

“Primordial Emperor Dragon Finger!” “ROAR!” Accompanied by a dragon roar that shook the nine heavens!

A huge golden finger that was coiled with a golden dragon crushed out like a heavenly pillar!

In the blink of an eye!

Boom!

Boom!

The huge golden finger and the huge white sword collided fiercely, erupting with an earth-shattering bang, as if a muffled thunder had exploded!

A terrifying light and terrifying energy erupted from the point of collision, tearing through the surrounding void and spreading in all directions like a spiderweb!

All the experts on the Divine Ranking on the platform activated a defensive barrier to block!

In less than half a minute!

An earth-shattering explosion resounded!

“Uh” Kagura Kenshin let out a painful groan as he was sent flying from the sky with his sword!

After flying hundreds of meters away!

With a loud bang, Kagura Kenshin heavily collided with a thick metal wall!

Crack!

Crack!

The wall continuously fissured from the impact!

Kagura Kenshin fell from the sky and landed heavily on the ground!

“Pfft” He opened his mouth and spat out a mouthful of blood, dyeing his snow-white kimono red At this moment!

Everyone was shocked!

Everyone was dumbfounded, as if they had been petrified!

One finger!

With just a finger, he sent the Sword Saint flying, defeated him, and even injured him!

Chapter 1722: Accept the Battle!

There was a long silence in the entire area.

The entire venue instantly erupted!

“Oh my god, what did I just see?!”

With just one finger, this kid defeated a Sword Saint with just one finger?!” “Is this kid actually so strong?!”

With such strength, how can he be the weakest expert on the Divine Ranking in history?!” “Crushing defeat.

This kid definitely has the strength to crush a Sword Saint!” Everyone at the event location exclaimed in shock.

“What?!”

The Sword Saint was actually defeated by a single finger?!” “Ahhh!” “Impossible, absolutely impossible!” “I don’t accept this result, I don’t accept it!” Especially the people from Country Sakura, all of them beat their chests and stomped their feet.

They cried bitterly and screamed.

One had to know that Kagura Kenshin was the number one expert in their Country Sakura.

He was a Sword Saint whose name shook the world and was a supreme expert on the Divine Ranking!

He was the god in their hearts!

But now, the god in their hearts had actually been defeated by someone just like that, and it was even a single finger!

This was really hard for them to accept!

“Hahaha, good, Brother Yang, well done!” “Brother Yang, good job.

This is how you should completely crush these guys!” “This is the strength, boldness, and domineeringness that our Holy Imperial Court should have!” Xiang Kunlun and the others raised their arms and shouted.

“Divine Emperor!

Divine Emperor!

Divine Emperor!” Augustus and the other organizations that were on good terms with Yang Luo and the Holy Imperial Court shouted excitedly!

Even those who originally looked down on the Holy Imperial Court and Yang Luo raised their arms and shouted along!

The commotion was shocking, shaking the stadium and resounding through the clouds!

At this moment.

Holy Light Church, Heavenly Shrine, and Hell Fiend Palace.

Everyone from the three camps was shocked.

“D\*mn it!” Michael gritted his teeth, “How did this kid become stronger again?!” The Eternal Overlord said ruthlessly, “Is this kid a monster?”

How can he grow so quickly?!” The Darkness Demon King said angrily, “Defeating Kagura Kenshin is nothing!

With so many experts on the Divine Ranking and our Fiend Emperor, Pope, and Divine Emperor present, he won’t be able to do anything!” Hidden Alliance camp.

The King of Berserkers was stunned for a long time.

Then, he said to the Divine Punishment Sword Master and the others, “Didn’t you look down on Brother Yang?”

What about now?” The Divine Punishment Sword Master and the others were already dumbfounded, their eyes filled with shock and fear.

If it were them fighting Yang Luo just now, they would probably have been crushed by this finger.

It turned out that this kid was not as simple as he looked!

It turned out that this kid was so terrifyingly strong!

The Divine Punishment Sword Master took a deep breath and said, “Even if this kid can defeat the Sword Saint, it doesn’t mean that he has the ability to defeat the Hell Fiend Emperor and the others” Although he said that, he no longer had any confidence.

This was because he did not know how strong Yang Luo’s true strength was.

This kid was like a bottomless black hole, unfathomable.

At this moment.

Battle Madman, Thousand Faced Killing God, and the others who had challenged Yang Luo just now all got up and knelt on one knee in front of Yang Luo with pious expressions.

“Greetings, Divine Emperor.

We are willing to join the Holy Imperial Court.

From now on, we will respect you!” The faces of the seven people were filled with endless reverence and admiration.

They were glad that Yang Luo did not attack them just now.

If Yang Luo had attacked, they would not have survived at all.

“Honorable Divine Emperor, we are also willing to join the Holy Imperial Court!” “Divine Emperor, I’m also willing to join!” “And me, and me!” With seven people taking the lead, many representatives of the organizations at the event location stood up and expressed their stance.

However, there were still a large number of organizations at the event location that had yet to express their stance.

They wanted to continue watching and find out how strong Yang Luo was.

Seeing how Yang Luo had conquered so many people with a single finger!

Xiang Kunlun and the others were extremely excited!

Under Yang Luo's lead, the Holy Imperial Court was probably really going to rise!

Yang Luo said loudly, "I welcome anyone who is willing to join my Holy Imperial Court.

From now on, we are brothers!" This time, he participated in the Dark Conference to let everyone see his strength and the strength of the Holy Imperial Court.

He wanted to rope in the various organizations and accumulate strength!

"We are deeply honored!" Battle Madman and the others bowed.

Kagura Kenshin, who had fallen in the distance, clutched his chest and got up.

He looked at Yang Luo in disbelief.

He, a dignified Sword Saint, was actually defeated just like that.

He was defeated so thoroughly!

One had to know that a few months ago, this kid could only barely fight him!

However, he did not expect that today, a few months later, this kid would actually crush him!

How could this be?!

"How can this be possible?!" He stared fixedly at Yang Luo, his eyes filled with anger, jealousy, and hatred!

However, just as he was about to continue attacking!

“Hahaha” The Underworld Emperor stood up with a bright smile, “Kid, you’re not bad.

Let me spar with you!” As he spoke, he soared into the sky from his seat and stood in the sky!

The Ice Empress also stood up.

Her voice was like ice cubes colliding, “Kid, the Sword Saint said that you were the weakest expert on the Divine Ranking.

I wasn’t interested in you at first.

But now, I’ve changed my mind.

I also want to spar with you.” Before her voice could fade She tapped the ground lightly and flew into the sky!

A black light surged from the Underworld Emperor’s body.

Black deathly aura surrounded him, and his eyes emitted a black deathly light!

An ice-blue beam of light surged from the Ice Empress’s body.

Cold air spread from her body, and the world began to freeze!

“Oh my god, the Underworld Emperor and the Ice Empress are actually challenging this kid?!” “Two experts on the Divine Ranking are challenging him at the same time.

I wonder if this kid will dare to accept the challenge!" Everyone shouted excitedly and clenched their fists.

They felt their hearts skip a beat.

Yang Luo looked up at the two of them and said in a shocked voice, "Underworld Emperor, Ice Empress, since you want to challenge me, I'm naturally willing to accompany you!" Accepted!

This kid actually accepted the challenge!

Chapter 1723: Defeating the Two Emperors with One Punch!

Everyone present was shocked!

These were two experts on the Divine Ranking!

This kid actually dared to accept the challenge!

Under everyone's watchful eyes!

Yang Luo stomped on the ground and soared into the sky, facing the Underworld Emperor and the Ice Empress!

A golden light soared into the sky from his body, breaking through the clouds in the sky and illuminating the night sky!

He had long sensed that the Underworld Emperor and the Ice Empress were both mid-stage Earth Immortals, but their auras were stronger than Kagura Kenshin's!

However, even if the two of them joined forces, he was not afraid at all!

Thereafter, the Underworld Emperor and the Ice Empress did not say anything else.

Instead, they continuously mobilized the energy in their bodies!

In an instant!

A black giant holding a huge sword and an ice-blue giant holding an ice staff stood above the two of them at the same time!

The two of them activated their Dharma Idols at the same time.

They were majestic and domineering, shocking everyone present!

After witnessing Yang Luo defeating Kagura Kenshin with a single finger!

They also realized that Yang Luo was definitely not as simple as he looked on the surface!

Therefore, they did not overestimate themselves and directly went all out!

“Kid, you have to be careful!” The Underworld Emperor shouted and charged towards Yang Luo with his Dharma Idol!

The moment they got close!

The Underworld Emperor gripped the black sword in his hands tightly and slashed out with all his might!

“Underworld Divine Slash!” Swoosh!

A huge black sword that was a thousand feet long pressed down on Yang Luo with a monstrous death aura!

Furthermore, when the sword slashed out!

The Dharma Idol that stood above him also held his sword with both hands and slashed out!

The two huge black swords overlapped and became even larger and more terrifying!

There were even black beams of death that shot towards Yang Luo like long rainbows!

“Icebound Heaven and Earth!” The Ice Empress and the Dharma Idol in the sky waved the ice staff in their hands at the same time!

In an instant!

A bone-piercing cold aura erupted and filled the world, sweeping towards Yang Luo!

Crack, crack, crack The world was quickly frozen!

Apart from the area where the Holy Light Pope and the others were, the rest of the area had been frozen like ice sculptures!

This terrifying cold aura surged towards Yang Luo like a wave, as if it wanted to freeze him too!

However, in the face of the Underworld Emperor and the Ice Empress’ powerful attacks, Yang Luo just stood quietly in the sky without dodging or retreating.

His expression was calm and composed!

He clenched his right fist and slowly raised it.

Then, he punched with all his might!

“Nirvana Dragon Fist!” “Roar, roar, roar!” With a punch, a dragon’s roar sounded as well!

A huge golden fist engraved with dragon patterns surrounded tens of thousands of golden dragons and blasted out!

This punch was too terrifying, as if it wanted to destroy everything!

Rumble The entire gymnasium shook as if it had triggered a super earthquake!

Many people who were standing were shaken and fell to the ground!

“Oh my god, this is simply 10,000 dragons crushing the heavens!” “This is too shocking.

A single punch can actually cause a huge earthquake!” “The mysterious Ancient Kingdom of the East, the mysterious Eastern brat!” Exclamations rose and fell.

In an instant!

Boom!

Boom!

The sound of collision that shook the world resounded!

Everyone felt that their eardrums were about to shatter!

In the next second Crackle!

A terrifying explosion shook the nine heavens!

All kinds of light and energy interweaved and washed in all directions from the collision!

Crackle The metal platform below began to crack and collapse!

The metal walls around the stadium also began to crack!

“What are you waiting for?

Retreat!

Retreat quickly!” “If you don’t want to die, retreat quickly!” The people near the central platform shouted in fear and hurriedly retreated!

All the aptitude users even condensed a defensive barrier to block!

Seeing this, Blue Luan immediately waved her right hand and formed a cyan barrier of light, separating the center platform from the surrounding stands!

However, what shocked all the experts on the Divine Ranking was!

The barrier of light created by the Blue Luan could not withstand the impact of the waves of energy.

Cracks appeared, as if it would collapse at any moment!

Seeing this, the Empress of Heavenly Fate also waved her right hand!

A seven-colored barrier of light instantly condensed around the platform!

Boom!

Boom!

Boom!

The two layers of light barrier barely withstood the impact of the energy!

At this moment!

Finally, accompanied by a rumbling explosion!

The Underworld Emperor's sword strike and the deathly light that erupted were all destroyed by a single punch!

The ice that was spreading towards Yang Luo shattered under this punch and turned into ice fragments that filled the sky!

Moreover, after Yang Luo's punch destroyed their attacks, its power did not decrease much.

Instead, it continued to blast towards the two of them!

The Underworld Emperor and Ice Empress' expressions changed drastically.

They hurriedly retreated, but they could not avoid it at all!

The two of them did not dare to hesitate and continued to attack!

“Death Monument!” The Underworld Emperor waved his hand.

A gigantic tablet engraved with ancient runes and emitting a black light of death condensed into form and suppressed Yang Luo!

“Ice Soul Sealing Suppression!” The Ice Empress also waved the ice staff in her hand again.

Tall and majestic ice mountains stood up and pressed down on Yang Luo!

“Explode for me!” Yang Luo still maintained his punching posture and let out an explosive roar!

In the blink of an eye!

Crackle!

The tablet of death and the ice mountains that were pressing down collapsed under this punch!

It turned into light, energy, and ice that filled the sky and spread out!

“F\*ck!

Is he that powerful?!” The Underworld Emperor cried out in alarm and immediately roared, “Block it!” His Dharma Idol rushed forward and blocked in front of him!

“Protect!” The Ice Empress also waved her ice staff.

Her Dharma Idol condensed a pair of ice wings and spread them, protecting the Ice Empress inside!

“Explode for me!” Yang Luo roared loudly.

The tens of thousands of golden dragon illusions that roared out from his punch were simply irresistible and unstoppable!

Crackle!

Another explosion sounded!

The Dharma Idol of the Underworld Emperor and the Ice Empress was shattered by this punch!

Unblockable!

They could not block it at all!

Moreover, not only did this punch destroy their Dharma Idols, but it also destroyed their protective energy barriers!

“Uh” “Ah” The Underworld Emperor and Ice Empress cried out in pain as they were sent flying at the same time!

After flying for more than a hundred meters, the two of them fell from the sky.

When they landed, they staggered a few steps back before stabilizing their bodies.

Their bodies stabilized, but blood flowed from the corners of their mouths

Chapter 1724: Not Afraid of the World’s Experts!

At this moment!

The entire venue fell into dead silence again.

It was so quiet that everyone could hear each other's breathing and heartbeats!

Everyone felt their scalps tingle and their bodies trembled uncontrollably!

There was only silence for a while.

The entire place then went into an uproar!

"One punch.

With just one punch, the Underworld Emperor and the Ice Empress were defeated and even injured!"  
"He defeated the Sword Saint with one finger and the Underworld Emperor and the Ice Empress with one punch.

He's heaven-defying.

This kid is simply heaven-defying!" "The key is that the Underworld Emperor and the Ice Empress did not hold back at all.

They directly activated their Dharma Idol, but they still lost.

They lost so completely!" "Oh my god, how strong is this kid?!" Everyone at the event location shouted in shock.

Many people were so frightened that they collapsed to the ground and knelt on the ground.

“Hahaha” Bujie threw his head back and laughed.

He shouted, “Do you see that?

This is my brother!” King of Destruction said loudly, “He’s our Divine Emperor.

He’s indomitable and peerless!” “Brother Yang, you’re the most handsome!” Prajna jumped up excitedly.

Xiang Kunlun’s expression was excited, “Brother Yang, we’re proud of you!” “You’re our glory!” The Sea Burial King raised his right hand and punched his chest.

“Roar!” On the high platform in the center, Big White also looked up at the sky and roared, cheering for Yang Luo.

The Goddess of Fate’s beautiful eyes moved, and her heart beat wildly.

Her admiration and worship for Yang Luo reached the extreme.

This man had really grown up.

He could turn the clouds and rain with a flip of his hand!

“Hahaha, my Brother Yang is so handsome!” “Brother Deity is too strong.

He’s invincible!” Harmandy and the other princes and princesses shouted excitedly.

“Divine Emperor!

Divine Emperor!

Divine Emperor!” Some of the people present began to shout Yang Luo’s title.

“The former Holy Imperial Court is finally back!” “The old Divine Emperor was invincible in the world.

I’m afraid the new Divine Emperor can also achieve such an achievement!” “If we can follow this man, it will be our supreme honor!” “I want to join the Holy Imperial Court.

I want to follow the Divine Emperor!” Many people cheered and were even willing to join the Holy Imperial Court.

The people from the Holy Light Church, the Heavenly Shrine, and the Hell Fiend Palace all had hideous expressions.

Everyone clenched their fists, their nails digging into their flesh.

They originally thought that Yang Luo had defeated the Sword Saint with one finger because the Sword Saint had underestimated his opponent.

But now, Yang Luo had defeated the Underworld Emperor and the Ice Empress with a single punch.

Could it be that he had underestimated his opponent?

That was not the case at all!

Hidden Alliance camp.

The King of Berserkers raised his eyebrows at the Divine Punishment Sword Master and the others, “What about now?

Is Brother Yang qualified to form an alliance with our Hidden Alliance?" The Divine Punishment Sword Master and the others gulped, not knowing what to say.

The Queen of the Sea giggled and said, "Remember to apologize to Brother Yang after the meeting!" At this moment.

On the high platform in the center.

The Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor's expressions darkened.

They did not expect Yang Luo to be so strong.

The Hell Fiend Emperor asked in a low voice, "Do we attack now?" The Heavenly God Emperor said in a low voice, "The current situation has already exceeded our expectations.

The various large organizations have all responded and want to join the Holy Imperial Court." The Holy Light Pope narrowed his eyes and said, "Don't be anxious first.

At the very least, we have to figure out how strong this kid is.

As for those organizations, there is no need to pay attention to them.

Later, as long as we defeat this kid, those organizations will definitely change sides and submit to us.

No matter how high this kid's prestige is now, he will fall heavily later." Hearing the Holy Light Pope's words, Only then did the Heavenly God Emperor and the Hell Fiend Emperor hold back and not attack directly.

Actually, they were still very puzzled.

They did not know how strong Yang Luo's cultivation and strength were.

They could not see through Yang Luo's cultivation and strength at all, which made them very unhappy.

At this moment.

Yang Luo stood in the air and accepted the cheers of the crowd.

He looked down at the round table not far away and said loudly, "Don't attack one by one.

Anyone who wants to challenge me, attack together!" As soon as these words were spoken!

The event location exploded!

"What did I hear?!

This kid wants to challenge all the experts on the Divine Ranking at once?!" "Is he arrogant or crazy?!

Those are all experts on the Divine Ranking.

They're not comparable to King ranked experts!" "This kid is still too young.

Does he really think he's invincible?!" "Hahaha, I admire this kid's personality.

He challenged all the experts on the Divine Ranking alone.

Just the thought of it makes me excited!" Discussions were endless.

Some people felt that Yang Luo was arrogant, crazy, and extremely stupid.

However, there were also people who admired Yang Luo and felt that he had the courage to not fear all the experts in the world.

Even Augustus and the others were worried.

They were worried that something would happen to Yang Luo if he did this.

However, only Bujie and the others had calm expressions and absolute trust in Yang Luo.

And right at this moment “Kid, you’re too arrogant.

I’m very unhappy!” Flame Emperor stood up and said ruthlessly, “I don’t care if you’re a Divine Emperor or a Ghost Emperor.

If you dare to provoke me, I’ll kill you!” “Kid, you’re too arrogant.

Do you really think you’re invincible?

How dare you look down on all the experts on the Divine Ranking!

I’ll let you know that there’s a price to pay for being arrogant!” Corpse Emperor also stood up with an extremely gloomy expression.

“Kid, you’re quite to my liking!

“If you can really defeat me, I’m willing to follow you in the future!” Divine Light and Darkness stood up.

Yang Luo had long sensed it.

The Flame Emperor, Corpse Emperor, and Divine Light and Darkness were all at the late-stage Earth Immortal realm.

Perhaps these three people were much stronger than Kagura Kenshin, the Underworld Emperor, and the Ice Empress, but Yang Luo still did not take them seriously.

Yang Luo narrowed his eyes and said, “Just the three of you?

Where are the others?” “Kid, shut up.

The three of us are enough to kill you!” Flame Sovereign roared angrily and soared into the sky.

The Corpse Emperor and Divine Light and Darkness also soared into the sky.

The three of them stood in the sky and erupted with powerful pressure and aura at the same time.

Boom!

Boom!

Boom!

A scarlet flame soared into the sky from the Flame Emperor’s body and burned the sky!

A black-gray beam of light shot up from the Corpse Emperor’s body and swept through the sky!

A black and white beam of light shot up from the Divine Light and Darkness’s body and shattered the sea of clouds!

Chapter 1725: Invincible in the World!

Flames danced in the Flame Emperor's eyes and his body burned with blazing flames!

The Corpse Emperor's eyes flickered with a black-gray light as corpse qi surged from his body!

One of the Divine Light and Darkness's eyes flickered with white light, and one of his eyes flickered with black light.

His body also flickered with black and white light!

Rumble The entire square shook even more violently!

The metal platform kept tearing and collapsing!

The ground also began to crack!

"Divine Flame Saber!" The Flame Emperor shouted.

A huge saber burning with flames flew out of his belt and was grabbed by him!

"Divine Halberd of Light!" "Dark Shrine Tower!" Divine Light and Darkness also shouted.

A platinum halberd and a seven-story black-gold pagoda flew out of the ring on his hand at the same time!

He held the Divine Light Halberd tightly in his right hand, and the Dark Shrine floated above his head!

Clearly, the Flame Emperor's belt and the Divine Light and Darkness's ring were both storage artifacts!

Yang Luo shouted without any hesitation!

“Dragon Emperor Sword!” Whoosh!

Accompanied by a crisp sound of metal!

The Dragon Emperor Sword let out a loud dragon roar and flew out of his storage ring, grabbing it in his hand!

“This kid dares to fight three experts on the Divine Ranking alone.

I really don’t know if he’s confident or stupid!” “Now that the battle has begun, it’s useless for this kid to regret it!” “Then let’s see if this kid will become famous in one battle or die!” Everyone at the event location looked up at the sky above the central platform with anticipation.

“Young brat, you will pay a heavy price for your arrogance!” The Flame Emperor let out an explosive roar and transformed into a stream of flames that charged towards Yang Luo!

The Corpse Emperor and Divine Light and Darkness also soared into the sky.

Yang Luo still stood proudly in the air, not dodging or retreating.

He looked at the three of them indifferently!

In an instant!

The Flame Emperor and the other two approached Yang Luo and attacked at the same time!

“Divine Flame Tyrannical Saber Art!” The Flame Emperor held the Divine Flame Saber tightly with both hands and slashed out with all his might!

Swoosh!

With a slash, the world shook and the surroundings shook!

A huge saber carrying monstrous flames slashed fiercely at Yang Luo!

The void was torn apart, and the flames distorted the void!

“Corpse Staff Technique!” The Corpse Emperor swung the white bone scepter in his hand and smashed out!

A huge white bone staff carrying a sinister corpse aura pressed down from the sky and smashed towards Yang Luo!

“Reincarnation Halberd!” The Divine Light and Darkness waved the Divine Light Halberd in his hand and slashed at Yang Luo!

A platinum halberd erupted with a blinding light, illuminating the entire stadium and the night!

The moment the three of them attacked!

Yang Luo held the Dragon Emperor Sword tightly in his right hand and slashed out with all his might!

“Dragon Emperor Sword Technique!” Swoosh!

A huge golden sword tore through the sky, drawing a huge golden crescent arc in the air!

Sword light flickered as the Indestructible Sword Intent erupted, sweeping through the world!

In an instant!

Rumble!

The huge sword, huge halberd, and huge staff collided fiercely.

It was simply earth-shattering!

It was as if four gods had launched an unprecedented confrontation!

At the point of collision, lightning sparks flashed and energy surged!

Crack, crack, crack The void was torn apart on a large scale, and dense pitch-black cracks appeared around it!

“He blocked it.

No matter how strong this kid is, it’s impossible for him to block the violent attack of the trio!” “You have to know that the Divine Light and Darkness are much stronger than the Underworld Emperor, Ice Empress, and Sword Saint!” “Even if they’re all experts on the Divine Ranking, there are differences in strength!” Most of the people watching the battle from afar did not think that Yang Luo could withstand the attack from the trio, let alone defeat them.

However, what everyone saw next completely shocked them!

With a single strike, Yang Luo extinguished the surging flames, the corpse qi that swept over, and the light that shot over!

Yang Luo held the Dragon Emperor Sword in his hand.

His hair fluttered and his clothes fluttered.

He was peerlessly domineering!

His right arm shook and he let out a deafening roar!

“Get lost, all of you!” In a breath’s time!

Clang!

Clang!

Accompanied by the sound of collision!

The Flame Emperor, Corpse Emperor, and Divine Light and Darkness were sent flying like cannonballs!

Furthermore, not only did Yang Luo send the three of them flying, but he also cut open blood on their bodies!

His skin and flesh were lacerated, and blood splattered in the air!

Even if the three of them had a protective light barrier to block it, they could not block Yang Luo’s terrifying sword intent that could destroy everything!

The Flame Emperor and the other two were sent flying a hundred meters away before they could stabilize their bodies!

As for Yang Luo, other than being unscathed, he did not take half a step back!

The Flame Emperor and the other two looked at Yang Luo in a daze, their eyes filled with disbelief!

The three of them could not even withstand a single strike from this kid?!

What kind of joke was this?!

“How how is this possible?!” “Am I seeing things This kid actually sent the Flame Emperor and the other two flying with a single strike?!” “Not only did he send three people flying he even injured three people!” “Oh my god Could this kid really fight against the three experts on the Divine Ranking?!” The entire event location was in an uproar.

Everyone was deeply shocked.

“Good, good job, Mr.

Yang!” “The Divine Emperor is peerless and invincible!” The representatives of the organizations that were on good terms with Yang Luo and the Holy Imperial Court were all so excited that their faces turned red and their breathing quickened!

At this moment.

In the sky above the central gymnasium in the distance.

Yang Luo did not take the initiative to attack.

Instead, he raised the sword in his hand and said loudly, “Come, continue!” What he wanted was to completely conquer these high and mighty experts on the Divine Ranking!

“Kid, I don’t believe you can really defeat the three of us!” Flame Emperor roared angrily and stomped down from the sky!

“Divine Flame Rage Sea!” Waves of scarlet flames that burned the world turned into an ocean that surged towards Yang Luo majestically!

The metal platform below and the metal wall in the distance were all burned red!

The temperature in the entire gymnasium rose rapidly, making everyone present feel unbearable heat!

However, just as the sea of fire surged over!

Yang Luo also stepped down from the sky, and the Mysterious Underworld power in his body instantly erupted!

“Ten Thousand Miles of Ice!” A cold aura that seemed to be able to freeze everything in the world spread out and swept towards the surging sea of fire!

Crack, crack, crack Under everyone’s gaze, the surging sea of fire was instantly frozen and extinguished

Chapter 1726: Four People Defeated!

Yang Luo looked up at the Ice Empress in the distance and asked indifferently, “Ice Empress, how’s my ice ability?” The Ice Empress looked at Yang Luo in a daze, her beautiful eyes filled with shock.

She could feel that the ice power that Yang Luo erupted with was countless times stronger than hers.

Why was the ice power in this kid’s body so strong?!

“Young brat, don’t be so smug!” The Flame Emperor roared and waved the Divine Flame Saber crazily!

Swoosh!

Swoosh!

Swoosh!

Crimson flaming sabers tore through the sky and slashed at Yang Luo with fiery waves!

When he swung the Divine Flame Saber!

He suddenly waved his left hand!

“Divine Flame Curtain!” The flames in the sky surged like a flame curtain that covered the entire gymnasium and pressed down on Yang Luo!

“A mountain of corpses and a sea of blood!” The Corpse Emperor stomped down from the sky and roared!

Surging corpse qi and blood qi surged out of his body as countless sinister and sinister corpse armored soldiers condensed!

These corpse armored soldiers charged at Yang Luo with corpse aura and blood qi!

The Divine Light and Darkness raised his left hand, and black and white light flickered in his palm.

It condensed into a huge palm print and pressed down!

“Great Light and Darkness Palm!” A huge hand that was mixed with black and white light contained endless light and dark power as it pressed down heavily on Yang Luo!

Facing the fierce attacks of the three of them!

Yang Luo was not afraid at all.

With the Dragon Emperor Sword in hand, he slashed out with all his might!

“Destroy!” Swoosh!

With a swing of the sword, the world trembled and the void tore!

A huge golden sword slashed out!

Countless golden flying swords also condensed and shot in all directions!

Boom!

Boom!

Crackle!

Terrifying collisions and explosions resounded non-stop!

The fire curtain that was pressing down was cut open by a sword!

The Corpse Soldiers that pounced over were shattered by the flying swords that shot out!

The heavy Light and Darkness Great Palm Imprint was also slashed into two!

Flames flickered, energy surged, and air waves surged!

The Flame Sovereign and the other two were sent flying again.

Blood exploded on their bodies and blood splattered in the air!

“They were sent flying again.

From the looks of it, the Flame Emperor and the other two really don’t seem to be a match for this kid!” Someone could not help but exclaim.

The others present were also dumbfounded.

The three experts on the Divine Ranking could not defeat this kid even if they joined forces?!

How strong was this kid?!

Just as everyone was shocked!

Yang Luo said loudly, “I’ve let you guys attack me for so long.

It’s my turn now, right?” As he spoke, Yang Luo’s figure flashed and he charged towards the three of them like a golden bolt of lightning!

As they saw Yang Luo rushing over!

The Flame Emperor and the other two quickly stabilized their bodies and mobilized the energy in their bodies crazily, activating their Dharma Idol!

Accompanied by a loud bang!

Three giants immediately stood above the three of them, suppressing the world in an extremely domineering manner!

After the three of them activated their Dharma Idols, they waved the sabers, bone staffs, and halberds in their hands at the same time!

Their Dharma Idols also waved the huge weapons in their hands at the same time and slashed at Yang Luo!

Six giant weapons slashed down at the same time, causing the entire stadium to shake violently, as if they wanted to completely destroy Yang Luo!

“So what if you’ve activated your Dharma Idol?”

“You’re still not my match!” Yang Luo’s eyes were sharp as he let out a roar and slashed out brazenly!

Swoosh!

A huge golden sword carrying a powerful sword intent cut through the void, domineering and peerless!

At that moment Clang!

Yang Luo’s sword collided with the six giant weapons.

It was like a thunderclap that shook the world!

The Flame Emperor and the other two thought that they could suppress Yang Luo after activating their Dharma Idols!

However, what shocked them was that they could not suppress it at all!

The raging flames that erupted from the Flame Emperor and the other two were extinguished one after another!

Under the wreaking of the Indestructible Sword Intent!

Their bodies continued to explode with bloody wounds!

Cracks also appeared on their Dharma Idol!

“How is this possible?!” The Flame Emperor’s expression changed drastically, and his eyes were filled with fear.

However, the Flame Emperor and Corpse Emperor continued to attack!

The Divine Light and Darkness also continued to attack fiercely and activated the Dark Shrine Tower to suppress Yang Luo!

However, no matter how ferocious their attacks were, they were all destroyed!

Even the Dark Shrine Tower was sent flying!

“Flame Emperor, Corpse Emperor, Divine Light and Darkness, let me help you!” At this moment, Kagura Kenshin, who was in the distance, shouted and soared into the sky.

He charged towards Yang Luo from behind, clearly planning to launch a sneak attack!

The Underworld Emperor mocked, “This fellow is truly despicable.

He knows that he can’t defeat this kid, yet he still chose to launch a sneak attack!” The Ice Empress’ ice-cold face was also filled with disdain.

Bujie, who was in the stands, was instantly displeased.

He shouted, “Damn it, this guy was defeated by my Brother Yang, but he still dares to attack.

How shameless!" Xiang Kunlun said coldly, "So what if this guy attacks?

He can't be Brother Yang's match!" The others present also felt that Kagura Kenshin's actions were really demeaning!

And right at this moment Kagura Kenshin also activated his Dharma Idol and approached Yang Luo!

"Young brat, hand over your life!" He roared and waved the sword in his hand with his Dharma Idol, slashing at Yang Luo!

"Hehe" Yang Luo sneered and said in a trembling voice, "You think you can defeat me by joining forces?

What a joke!" As he spoke, Yang Luo's body trembled and he roared!

"Dragon Howls at the Myriad Existences!" "Vermillion Bird Descends!" "True God Black Tortoise Transformation!" At that moment "ROAR!" "Shriek!" "Roar!" Accompanied by a series of roars!

A huge golden dragon illusion, a huge Vermillion Bird illusion, and a huge Black Tortoise illusion condensed into form at the same time and rushed in all directions!

The golden dragon soared, the Vermillion Bird spread its wings, and the Black Tortoise stepped on the air, as if it wanted to sweep through and destroy everything!

"Oh my god, what is this?!" "Golden Dragon, Vermillion Bird, Black Tortoise They're too domineering.

It's as if the real ancient divine beast has descended!" "This kid is really too strong!

Exclamations sounded incessantly.

Everyone was shocked.

At that moment Boom!

Boom!

Crackle!

A series of earth-shattering collisions and explosions sounded, spreading throughout the entire stadium and outside the stadium!

All kinds of light and energy interweaved in the sky and washed in all directions!

The four Dharma Idols shattered and exploded in an instant!

“Ahhhh” The Flame Emperor, Corpse Emperor, Divine Light and Darkness, and Kagura Kenshin let out tragic cries as they flew out at the same time and collided with metal walls!

The four of them slid down the wall and spat out a large mouthful of blood

Chapter 1727: If You're Unconvinced, Come and Fight!

Moreover, when the four of them fell to the ground, Rumble Several thick and tall metal walls collapsed.

Originally, this gymnasium was closed, but as the walls collapsed, everyone present could see the scene outside.

The entire stadium fell silent.

At this moment!

The gazes of more than 100,000 people gathered on the figure on the high platform in the center.

Their eyes were filled with endless shock, awe, and fanatical worship!

Yang Luo held the Dragon Emperor Sword in his hand and stood proudly in the air, roaring domineeringly, "Who else is unconvinced?"

Come and fight!!!" This roar that was like a dragon's roar made everyone's eardrums rumble!

Everyone was jolted awake!

The entire event location was in an uproar!

"Lost again They actually lost again!" "The Flame Emperor, the Corpse Emperor, and the Divine Light and Darkness couldn't defeat the Divine Emperor even if they joined forces Later on, the Sword Saint helped but I didn't expect that they still couldn't defeat him!" "How strong is the Divine Emperor?!" "The Divine Emperor has already defeated six experts on the Divine Ranking Could it be that the Divine Emperor is really going to sweep through all the experts on the Divine Ranking tonight?!" Everyone present trembled.

Words could no longer describe how powerful Yang Luo was.

Furthermore, other than the people from the Holy Light Church and other organizations, the others present had completely acknowledged Yang Luo's strength and called him "Divine Emperor".

Defeating six experts on the Divine Ranking in a row was enough to prove Yang Luo's strength!

The man in front of him had the absolute right to enter the Divine Ranking and become the master of the Holy Imperial Court!

"I want to join the Holy Imperial Court.

I want to follow this man!” “Perhaps, under this man’s lead, the Dark World will welcome a new future!” There were also many representatives of organizations who decided to join the Holy Imperial Court and follow Yang Luo.

Especially the people from the Holy Imperial Court and the organizations that were on good terms with Yang Luo.

They were all extremely excited!

Bujie was so excited that his face turned red.

He said, “Everyone, I’m not bragging, but until now, my Brother Yang has not used his full strength!” “What?

Mr.

Yang hasn’t used his full strength?!” Augustus asked in surprise.

Alves and the others also looked at Yang Luo in shock.

Bujie grinned and said, “Didn’t you notice that my Brother Yang has yet to activate his Dharma Idol!

If you don’t believe me, then continue watching.

Let’s see how strong my Brother Yang’s true strength is!” Augustus and the others nodded heavily and looked up at Yang Luo in the distant sky.

At this moment.

At the center of the stadium.

The Underworld Emperor chuckled and said, "This kid is really amazing.

I really didn't expect him to be so strong!

If I can follow this kid and fight against the world with him, it will definitely be very satisfying!" The Ice Empress also stared at Yang Luo with her beautiful eyes.

Not long ago, she looked down on Yang Luo and did not take him seriously.

She felt that a newbie was not qualified to enter the Divine Ranking.

But tonight, she finally saw how powerful Yang Luo was.

She thought to herself, "Perhaps the future will be very exciting if I follow this man" On the collapsed wall in the distance The Flame Emperor, Corpse Emperor, Divine Light and Darkness, and Kagura Kenshin got up.

The four of them stared intently at Yang Luo in the sky with different expressions.

The Flame Emperor, Corpse Emperor, and Kagura Kenshin's eyes were filled with endless anger and unwillingness.

They were three mighty experts on the Divine Ranking but they were actually defeated by a brat!

Most importantly, they had been defeated in front of hundreds of thousands of people.

He had lost all his face!

However, they knew that Yang Luo was really very strong.

They were not his match at all, so they did not dare to attack again!

Meanwhile, Divine Light and Darkness looked at Yang Luo with admiration!

Although this kid was arrogant, he did have the right to be so!

He had also made up his mind to follow Yang Luo!

Of course, the premise was that Yang Luo could survive tonight!

After all, the Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor were eyeing his life!

At this moment.

The Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor's expressions darkened.

They originally thought that Yang Luo would be killed by the other experts on the Divine Ranking without needing to make a move tonight.

But now, as they saw Yang Luo defeat six experts on the Divine Ranking in a row The shock in their hearts came wave after wave.

The Heavenly God Emperor frowned and said, "Pope, Fiend Emperor, have you figured out this kid's cultivation and strength?" The Holy Light Pope narrowed his eyes and said, "This kid should be a perfected Earth Immortal, but I'm not sure yet!

He must have used some secret technique or magical artifact to hide his cultivation.

That's why we can't see through him!" The Hell Fiend Emperor said in a deep voice, "Then what are we waiting for?"

Let's attack.

We can't let this kid continue being arrogant!" The Holy Light Pope's eyes turned cold as he nodded and said, "Alright, let's do it!" The current situation was gradually out of his control, making him feel a little uneasy.

However, just as the three of them were about to get up!

Blue Luan stood up first.

She looked up at Yang Luo and said, "Kid, I challenge you!" The woman's voice was very pleasant to the ears.

It was really like the cry of a Blue Luan divine bird.

At this moment, when everyone present saw that Blue Luan had issued a challenge to Yang Luo, the event location immediately erupted!

"Heavens, the Blue Luan actually wants to challenge the Divine Emperor too?!" "That's strange.

Aren't the Blue Luan and the Divine Emperor both from Country Hua?

Why is she challenging them too?!" "Although Blue Luan is a woman, her strength is quite powerful.

She's comparable to the Divine Emperor and Fiend Emperor!" "No matter how strong the Divine Emperor is, it's probably very difficult for him to defeat the Blue Luan!" Everyone started discussing, not quite understanding why Blue Luan wanted to challenge Yang Luo.

“Uh” Bujie scratched his head and asked, “Brothers, what’s the situation now?”

Why does Blue Luan also want to challenge Brother Yang?” Xiang Kunlun narrowed his eyes and said, “Perhaps Blue Luan has already treated Brother Yang as a true expert that is qualified to be on par with her.

That’s why she wants to challenge Brother Yang!” “Good point.” Everyone nodded.

In the distant sky.

Yang Luo looked at Blue Luan strangely and said, “Blue Luan, we’re both from Hua.

Moreover, you once helped me.

I don’t want to fight you!” Blue Luan narrowed her beautiful eyes and said indifferently, “Are you afraid of me?” Yang Luo shook his head and said, “I’m not afraid.

I just don’t want to hurt you!

Because you are an expert that I respect!”

Chapter 1728: Who Exactly Are You?

As he spoke, Yang Luo had also been sizing up Blue Luan.

He felt like he had seen the Blue Luan somewhere before and felt a sense of déjà vu.

Blue Luan met Yang Luo’s gaze and said, “Kid, if you can hurt me, that can be considered your ability!

There's no need to think so much.

Come and fight.

Let me see how strong you are!" As she spoke, Blue Luan directly soared into the sky and stood in the sky.

Yang Luo sighed softly and said, "Blue Luan, since you insist on fighting, I'll naturally accompany you!" But at this point "Mr.

Yang, I want to pit myself against you too!" The Empress of Heavenly Fate also stood up.

In an instant, The entire venue became noisy again.

"Oh my god, the Empress of Heavenly Fate actually challenged the Divine Emperor!" "Strange, didn't the Holy Imperial Court form an alliance with the Hidden Alliance?

Why is the Empress of Heavenly Fate also challenging the Divine Emperor?!" "How can we figure out the thoughts of these experts?

I reckon that the Empress of Heavenly Fate is the same as the Blue Luan.

She feels that the Divine Emperor is very powerful and wants to exchange blows with him!" "You have to know that the Empress of Heavenly Fate is also very powerful, but she's only slightly weaker than the Blue Luan!

Now that Blue Luan and the Empress of Heavenly Fate are working together, I wonder if the Divine Emperor can withstand it!" Everyone discussed excitedly and planned to continue watching the battle.

After all, it was rare to see a battle between these experts on the Divine Ranking.

At this moment.

Holy Imperial Court faction.

Bujie clicked his tongue and said, "Alright, Brother Yang has riled up everyone again.

Even the Blue Luan and the Empress of Heavenly Fate want to challenge him!" Prajna said worriedly, "Blue Luan and the Empress of Heavenly Fate are on the same side.

Will anything happen if we fight those on the same side?" Xiang Kunlun said, "Don't worry, Brother Yang definitely won't really kill him.

He'll definitely stop when he's done!" The people from the Hidden Alliance were also very puzzled, unable to guess what the Empress was trying to do.

In the distant sky.

Yang Luo was instantly stunned, and he said speechlessly, "Empress of Heavenly Fate, we just formed an alliance yesterday, and now you're challenging me.

That's not very good, right?" The Empress of Heavenly Fate said loudly, "Mr.

Yang, although I'm willing to form an alliance with you, I also want to test your strength!

Therefore, there's no need to say anything else.

Come and fight!" "Therefore, there's no need to say anything else.

Come and fight!" "It's starting, it's starting.

The battle between the Divine Emperor, the Blue Luan, and the Empress of Heavenly Fate is about to begin!" "I wonder what the outcome of this battle will be!" Everyone present became even more excited!

"Pope, Divine Emperor, are we going to attack?" The Hell Fiend Emperor asked in a deep voice.

The Holy Light Pope sneered and said, "Let's take a look first." At this moment.

Yang Luo, Blue Luan, and the Empress of Heavenly Fate stood facing each other.

He stared intently at the two of them and felt that they were very familiar.

Could it be that these two people were people he knew?

Then who could it be?

Just as Yang Luo was in a daze!

The pressure and aura from the two of them spread out and swept through the entire stadium!

Rumble This world and even the entire gymnasium shook violently!

In the next second!

Boom boom!

A cyan beam of light shot into the sky from Blue Luan's body!

An eight-colored glazed light shot into the sky from Song Zhixin's body!

Blue Luan's green robe fluttered, and her soft black hair fluttered even though there was no wind!

Eight-colored glazed light flickered on the Empress of Heavenly Fate's body, as if a goddess from the Nine Heavens had descended to the mortal world.

It was like a dream!

Yang Luo had sensed the Blue Luan's cultivation level previously.

Like him, it was at the perfected Earth Immortal Realm!

And now, as the Empress of Heavenly Fate's aura erupted, he also sensed that her cultivation level was actually at the late-stage Earth Immortal Realm!

"Blue Luan Sword!" Blue Luan let out a clear shout!

Whoosh!

Accompanied by a series of crisp sword cries!

A green sword engraved with the Blue Luan totem flew out of her sleeve and was firmly held in her hand!

"Kid, be careful!" Blue Luan's figure moved, turning into a green stream of light that rushed towards Yang Luo!

"Mr.

Yang, be careful!" The Empress of Heavenly Fate also took a step forward, transforming into a ray of glazed light that charged towards Yang Luo!

In an instant!

Blue Luan and the Empress of Heavenly Fate approached Yang Luo, and then launched a fierce attack at the same time!

Swoosh!

Blue Luan directly slashed out!

A huge cyan sword tore through the sky and slashed at Yang Luo with a vast sword intent!

This sword intent was like a gentle breeze blowing at a willow tree, but it also erupted like a mountain flood.

It was hard and soft at the same time, extremely powerful!

Meanwhile, the Empress of Heavenly Fate raised her right hand and sent a palm strike toward Yang Luo!

A huge glazed palm that flickered with eight colors pressed down on Yang Luo in a manner that covered the sky!

"Huh?!" Yang Luo's pupils constricted as surprise appeared on his face.

What was going on?!

Why did the moves executed by Blue Luan and the Empress of Heavenly Fate look so familiar?!

He seemed to have seen it before!

But even as such thoughts flashed through his mind in an instant!

Yang Luo flipped his right hand and faced the attack with his sword!

In an instant!

Rumble!

A deafening collision resounded, shaking the sky!

Boundless energy and light intertwined, rushing into the nine heavens and rushing into the eight directions.

It was shocking!

Yang Luo held the Dragon Emperor Sword in his hand and maintained a fighting posture.

He frowned and said, "Blue Luan, Empress of Heavenly Fate, who exactly are you?"

"Have we met before?" The two of them did not speak and attacked again!

"Sword in hand, I question the Dao!" Blue Luan's arm shook!

Countless cyan flying swords condensed and shot towards the Heavenly God Emperor from all directions!

"Eight Desolate Glazed Seal!" The Empress of Heavenly Fate waved her left hand!

An eight-colored Glazed Seal condensed in the sky, engraved with mysterious runes.

It pressed down on Yang Luo like a mountain!

Yang Luo's body trembled as the Xuanming power in his body erupted!

"Xuanming Divine Power!" In the blink of an eye!

A thick blue-gold ice shield condensed and engraved with ancient patterns enveloped Yang Luo!

Ding, ding, ding!

Boom!

Boom!

Countless cyan flying swords and mountain-like seals collided with the ice barrier, emitting rumbling thunder!

Large amounts of light, energy, sword energy, and ice spread out from the point of collision, sweeping through the world!

However, what shocked everyone present was Blue Luan and the Empress of Heavenly Fate's attacks were actually unable to break through Yang Luo's defenses!

After blocking their attacks!

Yang Luo said loudly, "Blue Luan, Empress of Heavenly Fate, tell me, do we know each other?" However, the two of them still did not speak.

Instead, they continued to attack fiercely

Chapter 1729: Anticipation!

“Blue Luan Form Transformation!” Blue Luan’s eyes flickered with cyan light as it shouted.

“Shriek!” Accompanied by a clear sword cry!

A huge illusion of a Blue Luan Divine Bird condensed into form.

Its body was burning with green flames as it flapped its wings and crashed towards Yang Luo!

“Vermillion Bird Descends!” Yang Luo also let out a shout.

“Shriek!” Accompanied by another loud cry!

An illusion of a Vermillion Bird burning with golden-red flames condensed into form.

It flapped its wings and crashed into the illusion of the Blue Luan Divine Bird!

In a flash!

BOOM!

The two illusions of the ancient divine birds collided heavily in the sky, producing a shocking bang!

In less than a few seconds!

The illusions of the two divine birds exploded one after another, turning into flames, light, and energy waves that filled the sky!

“Saint Lotus Pistil!” The Empress of Heavenly Fate waved her left hand!

In an instant A lotus flower that flickered with an eight-colored glazed light condensed in the sky and collided with Yang Luo!

Yang Luo was shocked!

He felt that the cultivation technique the Empress of Heavenly Fate used was too familiar!

Regardless of whether it was Blue Luan or the Empress of Heavenly Fate, they were definitely people he knew!

Who were they?!

As the Eight-Colored Glazed Lotus was about to hit him!

Without any hesitation, Yang Luo waved his left hand!

“Annihilation Fire Lotus!” A huge golden-red fire lotus condensed in the sky and collided with the sky full of flames!

In the blink of an eye!

BOOM!

The fire lotus and the Glazed Lotus collided and exploded at the same time!

Glazed light and heaven-burning flames soared into the sky at the same time like fireworks, dazzling and eye-catching!

The spectators in the distant stands were shocked and their souls surged with emotions!

It was rare to see such a battle!

This made everyone's hearts race.

They hoped that one day, they would be as powerful as him!

Not far away from the battlefield, the Underworld Emperor and the others were also shocked!

The Underworld Emperor clicked his tongue and said, "This kid sure has many moves.

It's simply endless!" The Divine Light and Darkness said, "The key is that this kid hasn't used his full strength yet!" "Indeed that is the case." The Ice Empress nodded and lamented, "This Country Hua is indeed a place with crouching tigers and hidden dragons.

There are always experts rising up.

It's amazing!" The Flame Emperor, Corpse Emperor, and Kagura Kenshin had gloomy expressions and did not say a word.

At this moment.

In the distant sky.

Yang Luo gripped the Dragon Emperor Sword tightly with both hands and swung a powerful sword at Blue Luan and the Empress of Heavenly Fate!

Blue Luan also brandished her sword again!

Meanwhile, the Empress of Heavenly Fate unleashed a palm strike!

Rumble!

Accompanied by a series of earth-shattering collisions!

Blue Luan and the Empress of Heavenly Fate were both sent flying!

Blue Luan was sent flying dozens of meters away before stabilizing its body!

Meanwhile, the Empress of Heavenly Fate was sent flying over 100 meters away before she could stabilize her body!

“Oh my god, could it be that Blue Luan and the Empress of Heavenly Fate are also not a match for the Divine Emperor?!” “If even Blue Luan and the Empress of Heavenly Fate are defeated, then the Divine Emperor alone would have defeated eight experts on the Divine Ranking!” “If it’s really possible, I’m afraid only the Pope, the Divine Emperor, and the Fiend Emperor can suppress the Divine Emperor!” The exclamations continued.

Everyone was looking forward to it!

They were looking forward to how many experts on the Divine Ranking Yang Luo could defeat!

And right at this moment Blue Luan and the Empress of Heavenly Fate shook, and they also activated their Dharma Idol!

A cyan giant holding a huge sword stood up!

A giant with eight-colored glazed light on its body stood up!

Blue Luan and the Empress of Heavenly Fate moved, leading their Dharma Idol towards Yang Luo!

Yang Luo condensed the three illusions of the Golden Dragon, Vermillion Bird, and Black Tortoise again and fought!

In the following period of time!

Yang Luo, Blue Luan, and the Empress of Heavenly Fate started an unprecedented battle in the stadium!

The three figures kept moving in the sky like three streams of light colliding!

Most of the people at the event location could no longer see the three of them clearly!

The three illusions of the Golden Dragon, Vermillion Bird and Black Tortoise fought fiercely against the two Dharma Idols.

Not only were they not at a disadvantage, but they gradually suppressed the two Dharma Idols!

Rumble Under this terrifying battle!

Other than the location of the Holy Light Pope and the other two, the entire metal platform had been destroyed!

The ground was constantly torn apart, and the surrounding tables and chairs were shattered!

Metal walls collapsed one after another!

One-third of this huge gymnasium had already been destroyed!

The commander of Country Clock felt his heart ache.

The stadium that Country Clock had spent a lot of money to build was destroyed just like that.

After tonight, this gymnasium would probably have to be completely rebuilt.

After fighting for more than ten minutes!

“Sword Shines All Life!” Blue Luan swung the sword in her hand again!

Whoosh!

Whoosh!

Whoosh!

Whoosh!

Countless cyan flying swords rushed into the sky like a monstrous wave!

Then, these flying swords instantly formed an incomparably huge green sword that stabbed down at Yang Luo in midair!

As the gigantic sword charged down, the void was torn apart and pierced layer by layer, as if it wanted to destroy everything in the world!

“Lotus Sea Fragrance!” Meanwhile, the Empress of Heavenly Fate stepped down from the air and shouted.

Countless eight-colored glazed lotuses condensed in the sky, as if they had transformed into a sea of lotuses that surged towards Yang Luo from all directions!

Every eight-colored Glazed Lotus contained terrifying energy.

The Glazed Light that shot out was also incomparably sharp, wanting to destroy everything!

Moreover, at the same time that Blue Luan and the Empress of Heavenly Fate unleashed their great killing moves!

The two of them waved their hands again, and their Dharma Idols rushed up and collided with Yang Luo!

Everyone present stared intently at this spectacular scene, not knowing if Yang Luo could block it!

However, in the face of their powerful attacks!

Yang Luo still did not dodge or retreat.

He stood proudly in the air!

His body trembled and he roared!

“Sea of Purgatory Fire!” “Sky Burning Explosion!” “Flaming Sun Flame Pillar!” Three of the three killer moves of the Flame Emperor’s World Burning Art erupted at the same time!

The vast and endless golden-red sea of fire surged in all directions with Yang Luo as the center!

A huge golden-red fireball also surged out!

Nine huge golden-red pillars of fire pressed down from the sky!

In an instant!

Boom!

Boom!

Crackle!

The sound of collision and explosions that shook the heavens and the earth resounded!

The sky above the center of the stadium had already turned into a sea of light.

The sea of energy enveloped and drowned everything

Chapter 1730: What International Joke Is This?

After an unknown period of time The light and energy surging in the sky finally dissipated completely.

Everyone then looked up.

They caught sight of three figures standing in the sky in the distance.

They were Yang Luo, Blue Luan, and the Empress of Heavenly Fate.

However, the Dharma Idol of Blue Luan and the Empress of Heavenly Fate had already dissipated.

A huge hole had already been blasted in the ground below the three of them.

“What’s the situation now?

Who won?” “Is there a need to see?

Of course the Divine Emperor won!” “Blue Luan and the Empress of Heavenly Fate joining forces to challenge the Divine Emperor are already weaker!

“Moreover, Blue Luan and the Empress of Heavenly Fate activated their Dharma Idol, but they still failed to defeat the Divine Emperor!” “However, it can be seen that the Divine Emperor definitely held back.

Otherwise, the Blue Luan and the Empress of Heavenly Fate would definitely have been severely injured long ago!” “Eight.

The Divine Emperor has already defeated eight experts on the Divine Ranking.

He’s too heaven-defying!” Discussions, exclamations, and exclamations rose and fell.

At this moment.

In the distant sky.

Yang Luo, Blue Luan, and the Empress of Heavenly Fate stood facing each other.

Blue Luan and the Empress of Heavenly Fate had both suffered minor injuries.

Yang Luo was still unscathed.

Blue Luan said loudly, “Kid, your strength is indeed not bad.

I’m not your match!” The Empress of Heavenly Fate also said, “Mr.

Yang, you're really very strong.

I admit defeat in this battle!" Hearing their conversation, Almost everyone at the event location was already full of admiration for Yang Luo.

Eight of them!

Yang Luo had really suppressed the eight experts on the Divine Ranking alone!

Just as everyone was stunned Yang Luo smiled helplessly and said, "Second Senior Sister, Fifth Senior Sister, can you stop pretending?

How long are you going to hide it from me?" After the battle, Yang Luo was already certain.

Blue Luan was his second senior sister, Ye Luange!

Meanwhile, the Empress of Heavenly Fate was his fifth senior sister, Song Zhixin!

He really did not expect Second Senior Sister and Fifth Senior Sister to be experts on the Divine Ranking!

Hearing Yang Luo's words Xiang Kunlun, Bujie, and the others in the distant stands were stunned!

"What's going on?!" Bujie said in a daze, "Did I hear wrongly?!"

Brother Yang just said that the Blue Luan and the Empress of Heavenly Fate were his second and fifth senior sisters?!" "Oh my god, this can't be true, right?" Prajna's eyes widened, "Blue Luan is Brother Yang's second senior sister?!"

The Empress of Heavenly Fate is Brother Yang's fifth senior sister?!"

Doesn't that mean that the Empress of Heavenly Fate is Sister Song?!" "Oh my god!" Heavenly Sirius' expression was extremely exaggerated, "Is the Empress of Heavenly Fate really that international empress, Song Zhixin?!" "This can't be true, right?!" King of Destruction was dumbfounded, "We've met Miss Song many times, but how could it be we didn't realize that she's the Empress of Heavenly Fate?!" Sacred Prison King swallowed, and said, "It's not that we didn't notice, but it's just that it's really difficult to connect Miss Song with the Empress of Heavenly Fate!

The difference between the two are too great.

They're completely different people!" At this moment.

Many people at the event location were also very puzzled.

"Just now, the Divine Emperor called the Blue Luan and the Empress of Heavenly Fate Second Senior Sister and Fifth Senior Sister.

What did he mean?" "Could it be that these two experts on the Divine Ranking are the senior sisters of the Divine Emperor?!" "My God, this is unbelievable.

It's like a joke!" Everyone exclaimed and looked at the sky in the distance.

The Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor also frowned when they heard Yang Luo speak.

Senior Sister?

Could it be that Blue Luan and the Empress of Heavenly Fate were really this kid's senior sisters?

The Underworld Emperor, Ice Empress, and the others were also dumbfounded.

They could not believe that this was real.

In the air.

Yang Luo curled his lips and said, "Second Senior Sister, quickly take off your mask!

Fifth Senior Sister, stop pretending.

Dissipate the light on your face!

I've already recognized you all, so why are you still pretending!?" Blue Luan and the Empress of Heavenly Fate looked at each other, then started giggling at the same time.

The Empress of Heavenly Fate smiled and said, "It's fun, it's fun.

It's too fun to tease this kid!" Everyone was shocked!

The Empress of Heavenly Fate's voice had changed.

It was no longer indistinguishable between male and female, but a clear female voice!

Blue Luan said angrily, "This kid only recognized us now.

He really deserves a beating!" Under everyone's watchful eyes.

Blue Luan raised her left hand and removed her mask.

In an instant!

The world seemed to have lost its color, and the stars and moon seemed to have lost their brilliance!

A peerless beauty appeared in front of everyone!

Her eyebrows were like a painting, her phoenix eyes were clear, her nose was slightly straight, her red lips were tender, and her skin was fair and translucent, charming and alluring!

Her black hair fluttered in the wind.

She was as beautiful as a fairy in a painting, making everyone's breathing freeze!

"Heavenly beauty This is the real heavenly beauty!" "So Blue Luan is so beautiful She's simply like a goddess!" "I've finally seen Blue Luan's true appearance.

My dream goddess is indeed a top-notch great beauty!" Exclamations resounded non-stop.

Everyone present was stunned.

Especially the men, who swallowed their saliva involuntarily.

The women felt even more ashamed of themselves.

However, this was not the only thing that shocked them!

Under everyone's watchful eyes The Empress of Heavenly Fate lightly brushed her right hand across her face!

The glazed light that enveloped her face instantly dissipated!

A beautiful face appeared in front of everyone again!

Although the woman did not have the textbook definition of beauty, her lines were gentle.

Her skin was like fine jade, and her eyes were like obsidian.

They were filled with spirituality, as if they could speak!

More importantly!

Everyone present was too familiar with this face!

Song Zhixin!

International Heavenly Queen Song Zhixin!

“What the f\*ck!

The Empress of Heavenly Fate is actually Heavenly Empress Song?!” “Heavenly Empress Song is actually an expert on the Divine Ranking?!” “Amazing, it’s simply amazing!” Everyone present was dumbfounded.

Xiang Kunlun, Bujie, and the others were also dumbfounded.

Even Big White, who was standing in the distance, scratched its head.

It was very curious.

Why was Sister Song the Empress of Heavenly Fate?

As he looked at the two beautiful women in front of him.

The corners of Yang Luo's mouth curled up slightly, revealing a gentle smile.

Although their appearances had changed drastically, he could still vaguely see their shadows of the past after an hour.

It turned out that the Blue Luan he had always respected was Second Senior Sister!

And furthermore, the mysterious Divine Ranking expert of the Dark World was Fifth Senior Sister!
