

Super IDG 1761

Chapter 1761: Are You Really Not Afraid of Death?

Ye Luange grabbed Yang Luo's hand and comforted him, "Little Luo, don't be rash!

Since Lawrence and the other two dared to capture Qingmei and the others, they must have been prepared to deal with you!

You can't fall into their trap!" The Underworld Emperor frowned and said, "Brother Yang, being rash will only make you lose your rationality and judgment!

We should first figure out where Miss Su and the others have been captured!

And where were Lawrence and the other two now!

Only then can we save and kill people!" The Ice Empress also advised, "Little Luo, calm down.

It won't be too late to take action after we find the whereabouts of Miss Su and the others, as well as the whereabouts of Lawrence and the other two dogs!" Xiang Kunlun also analyzed, "Brother Yang, the three of them want to deal with you!

Before they kill you, they definitely won't touch Sister-in-law and the others!" "Phew" Yang Luo let out a long breath and tried his best to suppress the anger in his heart.

He said in a low voice, "Let's go back to the palace first!" "Alright!" Everyone immediately chorused out.

Then, Yang Luo and the others boarded the ancient boat and prepared to leave.

However, Yang Luo glanced at everyone and asked in confusion, "Where's Wenxuan?" Xiang Kunlun said, "We went to call Brother Lin just now, but we didn't wake him up.

I don't know what happened." Bujie said, "Brother Emptiness's was too deep in his cultivation, so we didn't continue to call him." Yang Luo looked up at the island where Lin Wenxuan was.

The valley where Lin Wenxuan was located flashed with black light, enveloping the entire valley.

There were even illusions of the Black Qilin shuttling through it.

It was incomparably profound.

Yang Luo said, "Wenxuan is probably at the last moment of his sprint!

Perhaps it won't be long before he can step into the Earth Immortal Realm!" "F*ck!

Brother Emptiness is also about to step into the Earth Immortal Realm?!" The corners of Bujie's mouth twitched, "As expected of the young master of the Qilin family.

It's good to have a bloodline advantage!

I wonder when I can awaken my bloodline and improve my cultivation!" The others were also shocked.

If Lin Wenxuan could also step into the Earth Immortal realm, their side would have another top combat power.

Therefore, everyone was looking forward to it.

Yang Luo said, "Let's go.

Let's not disturb Wenxuan and let him continue charging towards his goal!" As they spoke, Yang Luo and the others boarded the ancient boat and flew towards the main island.

After arriving at the main island, everyone quickly arrived at the palace hall.

Yang Luo still felt very anxious and asked, "Haven't you found the whereabouts of Qingmei and the others yet?" Xiang Kunlun said, "Brother Yang, our intelligence team is already making use of the time to investigate.

There should be news soon!" Yang Luo nodded and did not say anything else.

Instead, he waited.

He clenched his fists tightly, unable to suppress the anger in his heart.

Xiang Kunlun and the others were also waiting anxiously.

While they were waiting Yang Luo took out his phone from his storage ring and took a look.

Many missed calls and messages popped up.

Moreover, another call came.

They were all organizations that were on good terms with Yang Luo and the Holy Imperial Court.

"Divine Emperor, our Blood Race is already prepared.

As long as you give the order, we can attack Country Stars & Stripes, Oxford, and Country Sakura!" "Divine Emperor, our Kingdom of Magic has already mobilized everyone and is ready to fight at any time!" "Our Demon Dragon Clan is also prepared" The people from the various large organizations informed Yang Luo that they had already mobilized their manpower and could charge into the front line for Yang Luo at any time!

Yang Luo told everyone to be on standby and not act rashly!

At this moment.

A voice came from outside.

“Divine Emperor, we have investigated the whereabouts of Miss Su and the others!” A member rushed in from outside.

Yang Luo hurriedly walked up, “Speak!” Xiang Kunlun and the others stood up and walked over.

The member replied, “Miss Su, Miss Qin, and Miss Alinda are now trapped on a deserted island called ‘Scar Island’ in the center of the Pacific Ocean!

We’ve already accurately located the coordinates of Scar Island!” “Very good!” Yang Luo nodded and asked, “Is there anyone else on Scar Island?” The member hurriedly said, “At the moment, we haven’t found anyone else on Scar Island!

However, there might be an ambush.

It’s just that we haven’t discovered it yet!” Yang Luo said, “Send me the location coordinates!” “Alright!” The member responded and sent the location coordinates to Yang Luo, Xiang Kunlun, and everyone else.

“Have you found out the whereabouts of Lawrence, Ferrand, and Masahiro Ono?” Xiang Kunlun asked.

“Not yet!” The member shook his head.

Xiang Kunlun said in a deep voice, “Continue to investigate!” “Yes!” The member responded and quickly left.

After reading the coordinates, Yang Luo immediately said, “I’ll go save Qingmei and the others now!” As he spoke, Yang Luo prepared to leave.

“Brother Yang, wait!” Xiang Kunlun hurriedly stopped Yang Luo.

“What’s wrong?” Yang Luo looked puzzled.

Xiang Kunlun said, “We only know where Sister-in-law and the others are now, but we don’t know if there’s an ambush on Scar Island!

Moreover, we still don’t know the whereabouts of Lawrence and the other two.

If we rashly go over, I’m afraid not only will we not be able to save them, but we will also cause Sister-in-law and the others to lose their lives!” He had only just finished speaking.

King of Creation walked over and said with a dark expression, “Brother Yang, Lawrence called just now and said that he wants to video call you!” “This guy still dares to video call me?” Yang Luo’s eyes were cold as he said, “Answer it.

I want to see what he wants to say!” “Alright!” King of Creation responded.

Then, the projection on the wall picked up the video call.

Soon, an image appeared on the projection.

It looked like a room.

The walls were made of metal, and the light was a little dim.

However, it was not difficult to see that there were three people sitting around a round table.

They were Lawrence, Ferrand, and Masahiro Ono.

At this moment, the three of them held a glass of red wine in their hands and a teasing smile appeared on their faces.

When they saw that, Xiang Kunlun and the others were furious and wished they could tear these three fellows into pieces.

Lawrence swirled the red wine glass in his hand and said with a smile, "Honorable Divine Emperor, congratulations on becoming the number one person in the world.

I'm really sorry that I only congratulated you now." Ferrand smiled and said, "Divine Emperor, the number one person in the world, how impressive!" Masahiro Ono sneered, "Little b*stard, do you really think you're the number one person in the world?

Do you really think no one can subdue you?" Yang Luo stared at the three of them coldly and said in a low voice, "Lawrence, Ferrand, Masahiro Ono, are you really not afraid of death?"

Chapter 1762: God Slaying Plan!

"Die?" Lawrence sneered and said, "As long as you're human, you'll be afraid of death.

We're naturally no exception!

However, this time, the person who will die will definitely be you, not us!" Ferrand said ruthlessly, "Little bastard, we know that you're very strong now.

Even the Holy Light Pope and the others can't kill you!

However, since we've made a move, we naturally have absolute confidence in killing you!" Masahiro Ono said sinisterly, "Little bastard, after today, there will be no Divine Emperor in this world!" "Is that so?" Yang Luo chuckled and said, "Are you so confident that you can kill me?

Why?

Could it be that you've hired help to kill me?" "You'll find out soon enough!" Lawrence smiled and replied, "Oh, right, Divine Emperor, you should be looking for your women's whereabouts now, right?"

Why don't I let you see their current situation?" As he spoke, Lawrence gestured to the side.

Soon, the projection was divided into two.

One of them was Lawrence and the other two, while the other showed an island.

It was sunset.

A deserted island fell into the sea.

Mountains rose and fell on the island, and the forest was dense.

Other than some birds and wild beasts, there was no one else.

However, as the camera zoomed in, In a valley in the center of the island, there were three huge crosses made of metal.

Su Qingmei, Qin Yimo, and Alinda were tied to the cross with metal shackles.

The womens' hair was messy and they were covered in blood.

Their skin and flesh were torn everywhere.

Clearly, they had suffered inhumane torture.

Fresh blood dripped down the three women's feet.

It was simply a tragic sight.

"Sister!" "Sister-in-law!" "Sister Su, Sister Qin, Sister Alinda!" Xiang Kunlun and the others shouted in shock.

Their eyes were red and their eyes were bloodshot.

Everyone was so angry that their bodies were trembling.

They clenched their fists and made cracking sounds.

"Ahhhhhhh" Bujie immediately roared angrily, "How dare you hurt my sister-in-law?"

You have a death wish!!!" Xiang Kunlun roared sternly, "You will pay the price for your actions!" Ye Luange's eyes were red as she said in a hoarse voice, "None of you can escape!" Song Zhixin said fiercely, "Anyone who participates in this must die!" King of Creation and the others also roared angrily, causing the entire palace to tremble.

Only Yang Luo remained silent and looked at the projection in a daze.

However, Xiang Kunlun and the others could sense that the silent Yang Luo was the most terrifying.

They could clearly see the veins on Yang Luo's hands, forehead, and neck bulging.

Underworld Emperor sighed and looked at the three of them with pity, "You really shouldn't have provoked this demon!"

Even I respect him from the bottom of my heart and soul!" Divine Light and Darkness said indifferently, "Humans really shouldn't provoke gods.

You've really made the wrong decision" Ice Empress said coldly, "If the heavens want people to die, they must first become crazy These words are really not just words" "Demon?

God?

Hahaha" Lawrence threw his head back and laughed.

He said ruthlessly, "This time, I'll kill demons and destroy gods!" Ferrand mocked, "Little bastard, don't go to Scar Island.

There's an ambush waiting for you there!" Masahiro Ono also said angrily, "Little b*stard, don't go.

It's just three women.

If they die, so be it!

In any case, as a dignified Divine Emperor, what kind of woman can't you find?" King of Creation then turned off the projection.

"Brother Yang" "Brother Yang" Just as Xiang Kunlun and the others were about to speak, Yang Luo turned around and walked out step by step.

Xiang Kunlun and the others hurriedly followed.

After walking out of the palace Yang Luo stomped down!

Rumble The nine steps in front of the palace collapsed In the next second!

Yang Luo turned into a golden light that soared into the sky and flew towards Ska Island. Everyone on the island saw this scene!

Golden light shot into the sky!

The Divine Emperor shook the world from the west!

Many years later, no one could forget this day, a day that shocked the world!

The Heavenly Sirius exclaimed, "F*ck!"

Brother Yang charged over just like that?!" King of Creation said worriedly, "There will definitely be an ambush on Scar Island!" Xiang Kunlun said in a deep voice, "Even if there's an ambush, we have to go this time!" King of Destruction added, "That's right."

Who cares about the ambush?

Just sweep them away!" "Let's go!!!" Everyone roared in unison and boarded an ancient boat.

They soared into the sky and chased after him. At this moment, in the sky.

Yang Luo had already increased his speed to the limit.

He shattered the sea of clouds and headed straight for Ska Island.

Even though Xiang Kunlun, Ye Luangge, and the others were driving the ancient boat at the same time, they could not keep up with Yang Luo's speed.

Just as Yang Luo and the others were rushing to Scar Island, a video image appeared on the dark web.

On the screen were Lawrence, Ferrand, and Masahiro Ono.

Lawrence said passionately, "Dear ladies and gentlemen, we'll be broadcasting live for you next!

We plan to kill the master of the Holy Imperial Court, the number one person in the world, Yang Luo!

Please remember today.

Remember this unforgettable day!" Ferrand also chuckled and said, "Your respected, admired, and revered Divine Emperor is about to die and disappear into the long river of human history!" Masahiro Ono laughed and said, "Let us cheer for him, pray for him, and mourn for him!" Then, the three of them said in unison.

"We call this plan"Project Godslayer!!!"

Chapter 1763: Everyone's Attention!

As this video was broadcasted!

The entire Dark World was in an uproar again!

After all, after knowing that Yang Luo's women, Su Qingmei, Qin Yimo, and Alinda, had been captured!

The various organizations, families, and royal families of the Underworld had been paying attention to this news on the dark web!

Now, after hearing the words of Lawrence, Ferrand, and Masahiro Ono, an unprecedented earthquake rocked the entire Dark World!

“Oh my god, Lawrence and the other two are really crazy.

They’re completely crazy!” “Isn’t that so?

They really want to kill the Divine Emperor and even named this plan ‘Project Godslayer’?!

Can humans really kill gods?!” “However, since these three guys dare to announce this plan with great fanfare, I’m afraid they’re really prepared and have absolute confidence in killing the Divine Emperor!” “Could it be that they hired experts to kill the Divine Emperor?!” “Now that even the Holy Light Pope and the others can’t kill the Divine Emperor, I really can’t think of anyone in this world who can kill the Divine Emperor!” “It would be fine if they could successfully kill the Divine Emperor, but once they fail, these three guys will welcome the crazy revenge of the Divine Emperor!” “Even if they escape to the ends of the earth, they won’t be able to escape death!” “Then let’s wait and see if the Divine Emperor can survive this time!” Everyone in the Dark World was discussing.

The comments section below the video had already exploded.

After all, there were nearly ten thousand organizations and millions of people in the entire Dark World.

In addition to some international companies, large families, and royal families that had interactions with the Dark World, the number of people had already reached more than eight million.

At this moment, more than eight million people were paying attention to this unprecedented live-stream!

At this moment.

Country Hua.

The capital.

Hidden Dragon Pavilion headquarters meeting room.

Yi Jiuzhou, Lin Aocang, Mo Qingkuang, Tian Zhen, and the others looked at the projection.

The scene displayed the situation on Scar Island.

Everyone naturally saw Su Qingmei, Qin Yimo, and Alinda tied to the cross in the middle of the valley.

Therefore, not long ago, they had already learned that Lawrence and the other two had captured Su Qingmei and the other two.

Therefore, they were also paying attention to this matter.

Bang!

Lin Aocang suddenly punched the table and said angrily, "Are Lawrence, Ferrand, and Masahiro Ono crazy?"

They actually dared to capture Miss Su and the others and even dared to clamor to kill Little Luo?!

How dare they?!

How dare they?! "Sister Su, Sister Qin, Sister Alinda!" Lan Xiaomeng choked out a sob.

She had long been reduced to tears.

Tian Zhen and the others' eyes turned red as their hearts ached.

Yi Jiuzhou was on the phone at the side.

He was furious and shouted, "Haven't you found out what Lawrence, Ferrand, and Masahiro Ono's plan is?!"

Continue investigating!

You must find out what their plan is!" Mo Qingkuang did not say a word.

His expression was extremely cold as he turned around and walked out of the meeting room.

He was completely enraged.

He didn't care what Lawrence and the other two's plan was.

However, he knew that Yang Luo was his brother who had been through life and death with him.

Yang Luo might need help now.

He had to go to Yang Luo's side.

"Qingkuang!" "Pavilion Master Mo, where are you going?" Yi Jiuzhou and the rest looked up at Mo Qingkuang.

Mo Qingkuang said in a low voice, "I'll go find Brother Yang." "Pavilion Master Mo, we'll go with you!" "Pavilion Master Mo, bring us there!" Tian Zhen and the others spoke one after another.

"All of you, stay." Mo Qingkuang said simply and quickly left the meeting room.

Tian Zhen clenched his fists and gritted his teeth, "This matter has really blown up!

Brother Yang values the people around him very much.

How could he watch outsiders bully the people around him like this?!

I'm afraid something shocking will happen!" Lin Aocang said sternly, "But the key is that it happened so suddenly.

We don't know what the plans of these three dogs are at all!

We don't even know how to help Little Luo!" Yi Jiuzhou took a deep breath and said, "Let's wait a little longer.

Our people are investigating.

There should be a result soon!" On the other side North Pacific Ocean.

Country Sakura.

Divine Sky Island.

On the peak of a huge mountain planted with cherry trees.

Kagura Kenshin was holding his phone and watching a live-stream.

He frowned slightly.

"Are these three guys crazy?

Even all the experts on the Divine Ranking cannot defeat this kid.

Even the Holy Light Pope couldn't kill this kid.

How can these three guys do it?

How ignorant, how stupid" South Pacific.

There was an isolated island in a certain sea area.

It was called Volcano Island.

There were more than 500 volcanoes on this island that erupted all year round.

Lava flowed in the mountains, and no plants could be seen.

Volcano Island was one of the forbidden areas of the world and also the cultivation place of the Flame Emperor.

At this moment.

The Flame Emperor sat cross-legged on a volcano.

He held his phone and revealed a teasing smile, "Project Godslayer, right?"

Let me see how you kill gods!" North Atlantic.

There was a black island.

This island was called Corpse Island.

Black mountains stood on the island.

The plants were withered and it was extremely desolate.

Moreover, one could see corpses and bones in the mountains.

They were filled with a dark, sinister, rotten, and evil aura.

Corpse Island was also one of the forbidden areas of the world.

It was the cultivation place of the Corpse Emperor.

At this moment.

The Corpse Emperor sat cross-legged on a huge mountain and looked at the live-stream video on his phone.

He revealed a sinister smile.

“Project Godslayer Hehe I think I know what you want to do Interesting Too interesting “If the plan succeeds this kid will probably really die” At this moment!

Be it Yang Luo’s enemies or friends, they were all paying attention to this matter!

Everyone was guessing what the “Project Godslayer” that Lawrence and the other two were talking about was!

Everyone was waiting for the final outcome!

Chapter 1764: They Will All Be Buried Together!

Just as everyone in the dark world was paying attention to this matter, In the sky above the Pacific Ocean.

A golden stream of light streaked across the sea of clouds, as dazzling as a meteor.

This stream of light was Yang Luo.

At this moment, Yang Luo was flying west and constantly accelerating.

The air erupted with sonic booms as he headed straight for Scar Island.

Behind him was an ancient boat that was also chasing after Yang Luo at an extremely fast speed.

Its speed had already surpassed that of a fighter jet.

Just as the sun was about to set!

Yang Luo had finally arrived at Scar Island!

The afterglow of the setting sun shone on Yang Luo's body, dyeing it golden-red!

Everyone in the Underworld saw Yang Luo's figure through the video!

"We're here!

The Divine Emperor has already arrived at Scar Island!" "Heavens, the Divine Emperor actually killed his way to Scar Island alone!" "As expected of the Divine Emperor.

He's indeed brave!" "That's strange.

Why aren't there any ambushes on Scar Island?" Everyone was discussing on the dark web, feeling very puzzled.

Since Lawrence and the other two had lured the Divine Emperor to Scar Island, why didn't they arrange an ambush?

Something was wrong!

After Yang Luo arrived for a while.

Ye Luange, Xiang Kunlun, and the others also arrived above Scar Island on the ancient boat.

"Oh my god, Blue Luan, Empress of Heavenly Fate, and the Divine Kings of the Holy Imperial Court have all rushed over!" "This matter has blown up so much that Blue Luan and the others naturally have to help!" "But what exactly is the plan that Lawrence and the other two guys are talking about?"

Does anyone know anything now?" "I haven't found out yet.

These three guys are very cunning.

They didn't reveal anything!" While everyone was shocked, they were also puzzled.

They were all guessing what the plan Lawrence and the other two were talking about was.

At this moment.

After Yang Luo arrived above Scar Island, he glanced around and saw the three women tied to a cross in the center of the island.

His eyes were red as he shouted, "Qingmei, Momo, Alinda!" "Sister-in-law!" "Sister!" "Sister Su, Sister Qin, Sister Alinda!" Bujie, Xiang Kunlun, and the others also shouted.

Hearing the voices of Yang Luo and the others, Su Qingmei and the other two slowly raised their heads.

When they saw Yang Luo and the others, their empty eyes instantly lit up.

"Yang Luo!" "You bastard, you're finally here!" "Wuwuwu" Su Qingmei and the other two immediately cried, their tears mixed with blood and flowing uncontrollably.

But soon, the three women thought of something and cried out in fear.

"Yang Luo, leave quickly!" "Lawrence and the other two want to deal with you and capture you all in one fell swoop!" "Although we don't know what they want to do, it's definitely not safe here!" Hearing the three women's words, Yang Luo's heart felt like it was being cut by a knife!

The three women had suffered because of him!

But now, the first thing the three women thought of was him!

He was touched and heartbroken!

"Lawrence, Ferrand, Masahiro Ono!

I know you three animals are paying attention here!

All of you, listen up.

Bring out whatever tricks you have!

As long as you can't kill me, I'll definitely kill you all!

Anyone who participates in this matter will be buried with you as well!" Yang Luo looked up at the sky and roared.

Then, he turned into a stream of light and rushed into the valley.

Ye Luange and the others also rushed over.

Now, they did not care if Lawrence and the other two were lying in ambush!

Neither did they care about their motives anymore!

The most important thing now was to save the ladies!

He flew to the center of the valley.

Yang Luo summoned the Dragon Emperor Sword and slashed out a few times in a row.

Clang!

Clang!

Clang!

Clang!

He cut open the handcuffs and feet locks of the three women and caught them before landing steadily on the ground!

Ye Luange and the others drove the ancient boat and landed at the bottom of the valley.

They ran over and supported the three women.

Yang Luo looked at the three women and said, "Qingmei, Momo, Alinda, I'm sorry.

I implicated you!" "Ugehhh" Su Qingmei and the other two cried bitterly.

They wanted to hug Yang Luo, but because their injuries were too serious, they couldn't even raise their arms.

Moreover, because their injuries were too serious, the three women had lost too much blood and their faces were pale.

If the three women were not cultivators, they would have died long ago.

The three women were in urgent need of treatment!

Yang Luo did not dare to hesitate.

He took out three top-grade healing pills with the best healing effects and fed them to the three women.

Then, Yang Luo took out the Fuxi Divine Needle and began to treat the three women!

Tears welled up in his eyes as he choked, "Hang in there.

I'll stabilize your injuries first!

After I kill those three animals, I'll treat your injuries properly!" Ye Luange, Xiang Kunlun, and the others raised their vigilance and paid attention to their surroundings to prevent them from being ambushed.

At this moment.

Everyone in the Dark World who was paying attention to this scene also saw the scene on the screen.

His friends who were on good terms with Yang Luo all shed tears.

They wished they could take action now to avenge Yang Luo.

However, Yang Luo had ordered them not to act rashly and be on standby at any time, so they did not dare to make decisions on their own.

Country Hua.

The capital.

Hidden Dragon Pavilion headquarters meeting room.

Lin Aocang, Tian Zhen, and the others also wiped their tears.

Lan Xiaomeng was already sobbing.

Even if they were not present, they could feel Yang Luo's endless grief and anger.

But at this moment A call was made to Yi Jiuzhou's phone.

Yi Jiuzhou hurriedly picked up the call.

“What?!

Are they crazy?!

How dare they do this?!” “Mr.

Yi, could it be that we’ve already found out Lawrence’s plan?!” Lin Aocang hurriedly asked.

Yi Jiuzhou hung up the phone and gritted his teeth, “I’ve already investigated thoroughly!

Lawrence and the other two are planning to use the most lethal weapon in the history of mankind to kill Little Luo!” “Hiss” “Crazy They’re really crazy” “Are they really not afraid of the impact and consequences of doing this” Lin Aocang and the others gasped and muttered, their eyes filled with fear.

Lin Aocang forcefully suppressed the shock and fear in his heart and asked, “Mr.

Yi, what should we do now?” Yi Jiuzhou clenched his fists tightly and said, “It’s too late to stop them now.

We can only quickly contact Little Luo and ask them to retreat as soon as possible!

“They’re not ordinary people.

There are a few Earth Immortals present.

They should be able to retreat in time!” With that, he quickly took out his cell phone and contacted Yang Luo

Chapter 1765: Yang Luo’s Death!

At this moment.

Scar Island.

Yang Luo was seizing the time to treat Su Qingmei and the other two.

But at this point His heart skipped a beat as he suddenly turned his head to look at the sky in the distance!

“Danger!” He felt a strong sense of danger approaching!

“Little Luo, what’s wrong?” “Brother Yang, did something happen?” “Yeah, what’s going on?!” Ye Luange, Xiang Kunlun, and the others asked in confusion.

However, Yang Luo roared, “Everyone, board the ancient boat.

Hurry!

Hurry!” No one knew what had happened, but they did not ask further and hurriedly boarded the ancient boat.

Then, Yang Luo bit the Dragon Emperor Sword and held the ancient boat with both hands as he soared into the sky.

However, just as Yang Luo rushed into the sky with the ancient boat!

Ye Luange and the others also felt a chill in their hearts.

They felt an unprecedentedly terrifying danger!

In the next second!

Whoosh!

Whoosh!

Whoosh!

Whoosh!

Accompanied by ear-piercing sounds of air being torn apart!

Hundreds of missiles covered the sky and shot over from all directions, targeting Scar Island!

Moreover, these missiles were not conventional missiles, but the strongest missiles developed by Country Stars & Stripes!

In fact, one of the missiles carried the most lethal warhead, reaching hundreds of thousands of tons!

One had to know that when they bombarded Country Sakura back then, the lethal weapon they used was only tens of thousands of tons!

Ye Luange and the others' eyes were filled with endless shock.

They couldn't even make a sound!

Even Yang Luo was terrified!

It was too late!

Even if he could evacuate this place, Su Qingmei and the others could not!

Even if everyone activated the ancient boat at the same time, it would be too late!

At this moment of life and death!

Yang Luo made a decision!

“Hurry and go!” Yang Luo let out a roar and used all his strength to push the ancient boat with both hands!

At that moment The ancient boat seemed to have turned into a stream of light and flew out of Scar Island into the distance!

Just as the ancient boat flew out!

Hundreds of missiles bombarded the island and Yang Luo!

The ancient boat had already been pushed far away!

However, when Ye Luange and the others saw that Yang Luo had yet to retreat, everyone felt that their scalps were about to explode and their hearts were about to explode!

“Little Luo!” “Yang Luo!” “Brother Yang!” “Brother Yang!” Everyone screamed and tears instantly flowed out of their eyes.

They also realized that Yang Luo clearly had a chance to escape, but he did not do so!

Yang Luo left the hope of survival to them and fell into a desperate situation!

They also discovered that one of the missiles carried the strongest lethal warhead in human history!

However, at this moment!

Rumble!

Rumble!

Hundreds of missiles exploded!

Endless flames and a huge mushroom cloud rose and instantly enveloped the entire island!

Ye Luange and the others instantly activated layers of True Qi barriers that enveloped the ancient boat!

The power of the explosion was too terrifying.

The terrifying air wave directly sent the ancient boat flying!

And when the ancient boat was sent flying!

They heard a series of roars!

They saw illusions!

One magic tool after another!

It soared into the sky amidst the flames and mushroom clouds!

“ROAR!” “Shriek!” “Roar!” The golden dragon roared into the sky!

The Vermillion Bird soared through the nine heavens!

The Black Tortoise shattered the void!

The Dragon Emperor Sword emitted a dazzling golden light, condensing countless flying swords to form a sword shield!

Tens of thousands of golden and purple dragons roared out from the Ten Thousand Dragons Cauldron and the Primordial Dragon Stele!

The Immortal Suppression Tower shot out nine-colored immortal light!

The Five Thunder Seal condensed a five-colored lightning barrier!

In the sky above the center of the island, various lights flickered in the mushroom cloud and flames.

All kinds of illusions danced, and all kinds of energy surged!

It was incomparably magnificent and boundless!

Everyone in the Dark World who was paying attention to this scene was completely shocked!

“Oh my god, so this is the plan of Lawrence and the other two?!” “How can ordinary missiles be so powerful?”

What weapons did Lawrence and the other two use?!” “Can’t you tell what kind of weapon it is?”

This is the most lethal weapon in human history.

One is enough to destroy cities and land!" "These three guys are completely crazy.

They even dare to use such a weapon!" "No matter how strong the Divine Emperor is, he can't withstand the bombardment of such a weapon at all.

He's really dead!" "The Divine Emperor, the number one person in the world, is about to die!" "What a pity, what a pity, what a pity" "It's good that he died.

This kid is finally going to die.

This is great!" "Hahaha, this world still belongs to our Holy Light Church!" "Lawrence, Ferrand, Masahiro Ono, well done!" Everyone in the Underworld was discussing in shock.

The scene in the scene gave them a deep impact and shock.

No one had expected Lawrence and the other two to have such a plan!

No one had expected Lawrence and the other two to use such a lethal weapon to kill one person!

Everyone who respected, followed, and supported Yang Luo wailed!

All of Yang Luo's enemies cheered!

Rumble!

Rumble!

The explosions continued as if they would never stop!

The sky and sea shook violently!

All the clouds in the sky were blown apart!

The sea below also triggered a monstrous tsunami that surged into the sky!

The rising black mushroom cloud and the burning dark red flames had completely drowned all the illusions and Dharma artifacts!

In the distant sky.

“Little Luo Little Luo Why are you so stupid Why didn’t you escape yourself Why did you save us” Ye Luange knelt on the ancient boat and sobbed.

“Little Luo Don’t die Don’t die” “Yang Luo Why did they do this to you Why” “Brother Yang No No” Song Zhixin, Su Qingmei, Prajna, and the other women knelt on the ground as tears streamed down their faces.

“Ahhhh” How hateful!

How hateful!

“Kill, kill, kill!

We must kill those three beasts and everyone who participated in this matter!” Xiang Kunlun, the King of Creation, Bujie, and the others cried bitterly and let out roars.

Chapter 1766: Not A Miracle!

Images of Yang Luo interacting with everyone surfaced in everyone's minds There were battles, emotions, laughter, tears, separations, reunions Yang Luo's voice, smile, righteousness, forthrightness, enthusiasm, and black-belliedness also appeared in everyone's minds However, at this moment!

These scenes were all shattered!

Ye Luange, Xiang Kunlun, and the others were extremely sad.

Their hearts seemed to be bleeding, and their faces were blurred by tears!

They all knew that Yang Luo was very strong and was the number one expert in the secular world!

But now, Lawrence and the other two beasts had even used such a weapon!

No matter how confident they were in Yang Luo, they felt that it was impossible for him to withstand it!

Yang Luo was really going to leave them forever At this moment.

In the distant sky.

A figure was standing there quietly, crying silently.

This person was Mo Qingkuang.

After he left Country Hua, he rushed over as fast as he could, but he was still a step too late.

He clenched his fists tightly, his heart burning with anger.

He roared, "Brother Yang, I'll let everyone who hurt you die with me, even if I have to risk my life" Above a sea of clouds in the distance.

Three sage-like old men stood.

These three old men were one of the elders of the Heaven Amplification Sect, Feng Jiuxi.

The two elders of the Purple Cloud Sect, Yuan Shengling and Yu Wannian.

All three of them were at the perfected Earth Immortal Realm.

At this moment, the three of them were dumbfounded.

They were shocked by the scene in the distance.

Ever since they came to the secular world, they had found out the whereabouts of Zhang Zhilin, Yang Luo, and Ye Luangge.

Jun Mochen rushed to Mount Longhu to kill Zhang Zhilin.

As for the rest, they rushed overseas and prepared to go to the Holy Imperial Court to kill Yang Luo and Ye Luangge.

Unexpectedly, just as they were about to reach the Holy Imperial Court, Yang Luo suddenly appeared.

They thus followed him.

However, before they could attack, hundreds of missiles suddenly shot over from all directions, scaring them.

After being stunned for a while, the three of them finally came back to their senses.

Feng Jiuxi took a deep breath and said, "I really didn't expect that after so many years, the ants of the secular world would actually create such a powerful lethal weapon.

Interesting!" Yuan Shengling narrowed his eyes and said, "It's indeed not simple.

This level of explosion is comparable to the fatal blow of a mid-stage True Immortal expert!" Yu Wannian said indifferently, "Perhaps this is the strongest lethal weapon created by these ants.

Unfortunately, Yang Luo can't die at our hands." "It's alright.

Isn't there still that woman called Blue Luan?" Feng Jiuxi looked up at Ye Luange on the ancient boat in the distance, his eyes flickering with killing intent, "I just didn't expect this woman to survive after being slapped three times by the Purple Cloud Ancestor!

Moreover, this woman actually has the cultivation of Perfected Earth Immortal Realm.

She was really not simple.

No wonder Brother Li was killed by him!

Also, those guys were actually at the late-stage and intermediate-stage Earth Immortal realm.

Even that monkey is at the early-stage Earth Immortal realm!

When did so many Earth Immortals appear in the secular world?" Yuan Shengling snorted and said, "So what if she's at the perfected Earth Immortal Realm?

We're all at the perfected Earth Immortal Realm.

No matter how strong this woman is, she'll definitely die at our hands!

As for the other fellows, if they dare to help, we'll kill them all!" "Alright!" Feng Jiuxi and Yu Wannian nodded.

"Should we do it now?" Feng Jiuxi asked.

"Let's wait a little longer." Yuan Shengling narrowed his eyes and said, "It won't be too late for us to attack after we confirm that that kid is dead." In any case, these guys won't be able to escape from us." Seconds ticked by.

They did not know how much time had passed.

The smoke and flames gradually dissipated.

The sky was filled with dust and smoke that did not dissipate for a long time, causing the sky to turn dark.

As for Scar Island, it had long been blown up.

The mountains and forests on the island were all blown up.

The wild beasts on the island were all gone.

Everything had disappeared.

Other than ruins, there was nothing else in that sea.

Yang Luo had also disappeared.

Ye Luange and the others originally had a trace of hope.

However, when they saw the scene in front of them, everyone completely despaired.

Everyone could no longer cry or speak.

They could only cry.

All the people in the Dark World who were watching this scene sighed deeply.

“Indeed, even an expert like the Divine Emperor can’t withstand the bombardment of such a weapon”
“I’m afraid the Divine Emperor has already been shattered.

A miracle didn’t happen after all” “It’s a pity that the Divine Emperor can only die here” “The second Divine Emperor, the number one person in the world, actually died just like that.

What a pity” Everyone was discussing, and half of them felt sorrow and pity for Yang Luo.

The other half of the people felt very happy and cheered non-stop.

In particular, Lawrence, Ferrand, and Masahiro Ono, who were in a secret base in Country Stars & Stripes, were extremely excited.

At this moment.

In the deep sea below.

A bloody figure was slowly sinking.

As the figure sank, blood dyed the deep sea red.

This figure was Yang Luo.

Around him, the Dragon Emperor Sword, the Ten Thousand Dragons Cauldron, the Primordial Dragon Stele, and the Immortal Suppression Pagoda also sank with him.

“Kid, wake up!” “Oh my god, did this kid really die from the explosion?” Long Xinghe and Long Tianchi’s voices suddenly sounded in Yang Luo’s mind.

Yang Luo suddenly woke up and opened his eyes.

He quickly stabilized his body to prevent himself from sinking and used the Turtle Breathing Technique.

Then, he controlled the Dragon Emperor Sword, the Ten Thousand Dragons Cauldron, the Primordial Dragon Stele, and the Immortal Suppression Pagoda to stop them from sinking.

He was stunned for a moment before he exclaimed in his heart, “I’m actually not dead?!” Long Tianchi said angrily, “Of course you’re not dead!

Fortunately, you reacted in time and activated all your defenses, summoning all your Dharma artifacts to block!

Of course, you have to thank me and Big Brother!

If we hadn’t transferred all our energy to you in an instant to help you defend, you might have really died!” “Thank you, seniors!” Yang Luo thanked him in his heart.

At the moment of the explosion just now, he really thought that he was dead, so he subconsciously activated all his defenses and summoned all his Dharma artifacts.

After all, he did not expect Lawrence and the other two to use such a weapon on him!

Chapter 1767: Unparalleled Divine Emperor!

It was precisely because of this!

His hatred for Lawrence and the other two had reached its peak!

No matter what, he had to kill these three fellows!

If he hadn't activated all his defenses!

If he had not summoned all his weapons and Dharma artifacts!

If not for the fact that his body had been strengthened by the hammering from his cultivating!

If not for the help of the two seniors!

He was afraid that he would really die!

Hatred!

Endless hatred seemed to want to destroy everything!

Yang Luo looked around at the weapons and Dharma artifacts and sighed in his heart.

The Five Thunder Seal that his master had given him was completely shattered.

Even the Immortal Suppression Tower had a crack from the explosion.

However, the Dragon Emperor Sword, the Ten Thousand Dragons Cauldron, and the Primordial Dragon Stele were not damaged at all.

They were indeed divine weapons!

“By the way, kid, what was that thing that bombarded you just now?”

It’s quite powerful!” At this moment, Long Tianchi asked curiously.

Yang Luo replied, “This is the most lethal weapon ever invented in human history.

It’s extremely destructive!” Long Tianchi nodded and said, “Interesting.

The explosion just now was comparable to the attack of a True Immortal.

It seemed that this world, even with such thin spiritual energy, is not simple.

It’s a pity that I can’t go out.

Otherwise, I really want to see this world with my own eyes.” Long Xinghe said, “Kid, the energy we transmitted to you just now was too much.

You have to rest for a while.

When we’re done resting, we’ll give you special training!” “Alright!” Yang Luo responded.

Soon, Long Xinghe and Long Tianchi cut off their contact with Yang Luo.

Then, Yang Luo gripped the Dragon Emperor Sword tightly, put away all the Dharma artifacts, and rushed up.

His eyes were extremely cold as he muttered in his heart, "It's time for revenge Lawrence, Ferrand, Masahiro Ono, are you ready?" At this moment.

In the sky above the distant sea.

He looked at the empty sea in the distance.

Xiang Kunlun and the others' hearts were completely dead.

All that was left was hatred.

Ye Luange stood up and said with determination in her eyes, "Everyone, Little Luo is already dead.

Let us take revenge for him!

Let everyone who hurt Little Luo be buried with them!!!

"Be buried with him!!!" Song Zhixin, Xiang Kunlun, and the others roared at the sky.

"Count me in!" Mo Qingkuang also flew over expressionlessly.

Everyone nodded heavily.

At this moment.

Lawrence, Ferrand, and Masahiro Ono appeared on the dark web again.

Lawrence raised his glass and laughed, "Dear ladies and gentlemen, did you enjoy this show?" Ferrand tasted a mouthful of red wine and said with a smile, "What bullsh*t Divine Emperor?"

What bullsh*t number one person in the world?

Wasn't it resolved with a missile?!" Masahiro Ono said proudly, "I now announce that from now on, there will be no God in this world" However, the moment he finished speaking In the sea where the destroyed Scar Island was!

Suddenly!

BOOM!

Accompanied by a shocking bang!

Huge waves surged into the sky from the sea!

A figure rushed into the sky amidst the huge waves!

Ye Luange and the others, who were about to leave, were shocked and turned around in unison!

Feng Jiuxi and the other two, who were about to attack Ye Luange and the others, also looked over!

Everyone in the dark world stared at the video!

A figure held a golden sword in his hand.

Golden light flickered on his body, and golden flames danced in his eyes.

He stood in the air like a god who had descended and was peerless!

Although the figure was already covered in blood, his skin and flesh were lacerated everywhere and there were even many spots that were carbonized!

However, his pressure and aura swept in all directions, enveloping the sea area of 100,000 meters.

It was peerlessly terrifying and monstrous!

“Little Luo Is this Little Luo?!” “Little Luo isn’t dead Little Luo isn’t dead?!” “It’s really Yang Luo It’s really him!” “F*ck!

F*ck!

Brother Yang is not dead.

Brother Yang is still alive.

He’s still alive!” “My brother Yang is not dead!

Hahaha, he’s not dead!” “Brother Yang, you’re really something.

You can even withstand this!

Good!

Good!” Ye Luange and the others were stunned for a moment before crying tears of joy and shouting.

They hurriedly activated the ancient boat and rushed over.

In any case, they were all cultivators and had True Qi to protect their bodies.

They were not afraid of the radiation and other threats from the explosion.

In the distant sky.

Feng Jiuxi, Yuan Shengling, and Yu Wannian were dumbfounded.

Yu Wannian said in a daze, “This This didn’t kill this kid?” Yuan Shengling gulped and said, “My god What realm is this kid’s cultivation at?!” Feng Jiuxi frowned and said, “That’s strange.

The aura emitted by this kid seems to be that of an Earth Immortal.

How can he survive such an explosion?!” At this moment.

Everyone who was paying attention to Yang Luo through the live-stream on the dark web was petrified.

Their eyes were about to pop out and their jaws were about to drop.

In particular, Lawrence, Ferrand, and Masahiro Ono were trembling all over.

Their faces were ashen, and they were sweating profusely.

The wine glass in their hands fell to the ground.

After a moment of silence.

The people who were paying attention to Yang Luo all over the world were completely excited and exploded!

“Oh my god, am I seeing things?”

The Divine Emperor is actually still alive?!” “Heavens, the Divine Emperor could even survive under the bombardment of such a lethal weapon.

It’s heaven-defying!” “This is a miracle for mankind No, this is simply a miracle!” “The Divine Emperor is comparable to a god with a mortal body.

He’s invincible and powerful!” “Do you still think that the Divine Emperor is human?

He’s simply a god!” “Good, good job.

The Divine Emperor didn’t die.

The Divine Emperor survived!” “Hahaha, those fellows who are looking forward to the death of the Divine Emperor, howl sorrowfully and cry.

You can’t kill a god!” “Project Godslayer?

Pfft!

Only humans can be slaughtered, not gods.

The Divine Emperor is a true god!” Everyone who followed Yang Luo was cheering to their heart’s content to vent the frustration in their hearts.

Chapter 1768: No One in the World Can Kill Him!

“Why?

Why is this happening?

Is this kid really a god?!" "Damn it, even such a weapon can't kill him?!" "It's fine if this kid escaped, but the key is that this kid took it head-on!" "This is too hateful.

Why is this kid so difficult to kill!" All of Yang Luo's enemies were furious and terrified.

Yang Luo's strength had already exceeded their imagination, making them unable to accept this fact.

However, the truth was right in front of them, and they had no choice but to accept it.

Humans could actually withstand such a weapon!

No, this kid could no longer be considered a human!

He was a god!

A true god!

At this moment.

Country Hua.

The capital.

Hidden Dragon Pavilion headquarters meeting room.

"Haha, good, good job, Brother Yang!" "Brother Yang is too awesome, too handsome!" "Oh my god, Brother Yang is actually so strong.

He's too heaven-defying!" Tian Zhen, Lan Xiaomeng, and the others cheered excitedly, waving their fists and shouting.

Yi Jiuzhou and Lin Aocang looked at the projection in a daze and did not speak for a long time.

Yi Jiuzhou sighed, "Little Luo actually managed to withstand it.

Looks like our worries were unnecessary!" Lin Aocang also sighed in admiration, "Fortunately, this kid is one of us.

Otherwise, it would be too terrifying!" "Yes." Yi Jiuzhou nodded and had a clearer understanding of Yang Luo's strength.

Lin Aocang clenched his fists and said in a low voice, "Mr.

Yi, Country Stars & Stripes is blatantly violating the rules.

Are we not going to do anything?" Lan Xiaomeng said weakly, "Don't tell me it's just a few condemnations again?" "Don't talk nonsense!" Feng Lengyue knocked on Lan Xiaomeng's little head.

Lin Aocang also glared at this girl angrily.

Lan Xiaomeng stuck out her tongue and quickly shut up.

Yi Jiuzhou walked to the window with his hands behind his back.

He looked out of the window with a cold glint in his eyes and said indifferently, "It's time for our mother ship to go out for a walk" Hearing this Tian Zhen and the others were extremely excited and waved their fists!

Lin Aocang's eyes flickered as he nodded, "I understand, Mr.

Yi!" On the other side Country Sakura.

Divine Sky Island.

Kagura Kenshin stared at the scene in the video in a daze.

His eyes were dull and he was speechless for a long time.

If he was prepared, he might be able to avoid the bombardment of those weapons.

However, he knew that he would not be able to withstand the explosion without any preparation.

However, Yang Luo did it and forcefully endured this shocking bombardment.

After a long time.

He let out a long sigh and muttered, "At the moment, I'm afraid there's really no one in this world who can kill this kid Looks like we can only wait for the Pope and the others to return before we have a chance to completely kill this kid" Volcano Island.

The Flame Emperor looked at the scene on the video and his brows twitched.

The veins on his forehead bulged.

He said in a daze, "How is this possible?!"

How can this kid withstand it?!

How could it not kill him just by standing there?!

How strong is this kid's body?!

Could it be that nothing really can kill him?!" Endless anger and viciousness spread out from his body, causing hundreds of volcanoes on the entire volcano island to tremble Corpse Island.

The Corpse Emperor looked at the scene in the video and his expression turned ferocious.

Although he had already guessed Lawrence and the other two's plan However, he did not expect Yang Luo to really survive.

This really made him feel as though the whole thing was unbelievable.

The Corpse Emperor took a deep breath and said coldly, "Looks like it's impossible to use such a weapon to kill this kid.

This kid is probably going to be angry.

Something big is about to happen in this world" On the other side Country Stars & Stripes.

The Mojave Desert.

There was a very secret underground base here called the Mansardon Base.

Many cutting-edge technologies, technology, and secret weapons were hidden here.

Moreover, the entire base was made of the hardest metal in the world.

It could prevent the carpet bombing of unconventional missiles.

Its defense could be said to be world-class.

At this moment.

The entire underground base was in chaos.

“My God, this is impossible!” “How can humans withstand such a weapon?!” “Is this kid a god or a demon?!” All the researchers and warriors stared at the images on the screens, dumbfounded and trembling.

In one of the secret rooms.

Lawrence, Ferrand, and Masahiro Ono were sitting at the round table with extremely gloomy expressions.

Bang!

Lawrence slammed his fist on the table!

His eyes were bloodshot, and he stared at Ferrand and Ono Masahiro like a crazy lion.

He said fiercely, “Didn’t you say that this weapon can definitely kill this kid?”

“Now, tell me, why?”

Why?!” Masahiro Ono wiped the cold sweat off his forehead and said in a trembling voice, “Mr.

Lawrence I really didn’t expect this kid can even withstand such a weapon!

This kid is not human at all He's not human!" Ferrand also said with a trembling voice, "This is simply impossible But this kid did it Unbelievable Unbelievable!" "F*ck!" Lawrence cursed angrily and tugged at his tie.

He said ruthlessly, "I don't want to hear you say this.

I just want to ask you what to do next!

This kid's desire for revenge is extremely strong.

Back then, he was the one who sent people to kill the commanders of the nine countries!

Now that we have completely offended him, how can he let us off?" Ferrand and Masahiro Ono immediately fell silent, not knowing what to do.

They also knew very well what kind of person Yang Luo was.

If they could not kill him this time, their lives would definitely be in danger.

If they had known that this would be the outcome, they would not have attacked at all.

However, there was no medicine for regret in this world.

They could only suffer the consequences of their own actions.

"Speak!" Lawrence roared, "What should we do now?!"

Weren't you all getting more and more enthusiastic when you came up with the idea a few days ago?!

Why are you mute now?!”

Chapter 1769: Revenge!

His roar made Ferrand and Masahiro Ono break out in cold sweat and tremble.

Masahiro Ono gulped and suggested, “Why don’t we use this weapon to blow him up again?” Pa!

Lawrence slapped him to the ground and roared, “Are you a f*cking stupid pig?!”

We’ve already missed the best opportunity.

Do you think it’s possible to blow him up now?!” Masahiro Ono covered his face and got up from the ground.

He said with a sobbing tone, “Mr.

Lawrence, I don’t know what to do!” “You you” Lawrence was so angry that his chest heaved.

He didn’t know how to scold this idiot.

Ferrand gritted his teeth and said, “Mr.

Lawrence, why don’t we escape?” Pa!

Lawrence slapped Ferrand’s face this time, causing him to fall to the ground as well, “Are you also a stupid pig?!”

Run, where can he run to?!” Ferrand also covered his face and got up.

With a long face, he said, "Mr.

Lawrence, please make a decision!" Masahiro Ono suggested, "Why don't we reconcile with this kid?

As long as he's willing to reconcile, we'll give him whatever he wants!" "You motherf*cker" Lawrence pointed at Masahiro Ono, not knowing how to scold this fool.

He took a deep breath and said, "We captured this kid's woman and wanted to kill him.

Do you think he'll be willing to reconcile?

You're simply hopelessly stupid!!!" Masahiro Ono cried bitterly, "Mr.

Lawrence, what do you think we should do?

I don't want to die!" "I don't want to die, I don't want to die!" Ferrand echoed.

Lawrence pinched the space between his eyebrows and took a few deep breaths.

Then, he called for a Commander to enter.

He ordered the Commander, "Pass down my orders!

Get all the bases ready.

No matter what method you use, you must not allow Yang Luo to step into our Country Stars & Stripes, let alone let him approach us!" "Yes!" The Commander responded and quickly left.

After the Commander left.

Masahiro Ono swallowed his saliva and said, "Mr.

Lawrence, this base is so secretive.

They shouldn't be able to find this place, right?" Lawrence said in a deep voice, "Our base is indeed very secretive, but the Holy Imperial Court's 'Holy Heavenly Eye System' is really too powerful!

They will definitely find this place, so we have to be prepared to stop this kid!" Ferrand slumped on the chair and said weakly, "I hope we can stop him" Masahiro Ono also slumped into his chair.

He opened his mouth, but no words came out.

Lawrence's face was extremely gloomy as he kept trying to think of a countermeasure At this moment.

In the sky above the destroyed Scar Island.

"Little Luo, how's your body?

Are you alright?" Ye Luange hurriedly asked.

Xiang Kunlun and the others also looked at Yang Luo worriedly.

Yang Luo shook his head and said, "Everyone, don't worry.

Although I'm injured, my life isn't in danger." King of Destruction sighed in admiration, "Brother Yang, you're really too strong.

You can even withstand such a weapon!

I'm afraid everyone in the underworld will remember this day forever!" Bujie grinned and said, "Brother Yang, you're indeed a pervert.

I can't measure you with ordinary people's standards!" Everyone laughed out loud.

"Brother Mo, why are you here?" Yang Luo asked Mo Qingkuang.

Mo Qingkuang said, "Brother Yang, you might not know this, but Lawrence, Ferrand, and Ono Masahiro have started a live-stream on the dark web and said that they want to kill you.

The entire Dark World is currently paying attention to this matter.

Dragon General and the others naturally knew about this.

I was worried that you would be in danger, so I rushed over." "I see." Yang Luo nodded in realization and sneered, "Are these three dogs going to live-stream to kill me?

I'm afraid I've disappointed them!" Heavenly Sirius sneered.

"I reckon that these three fellows have already gone crazy from fear!" Sea Burial King added ruthlessly, "They asked for this!" Everyone nodded heavily.

Their hatred for Lawrence and the other two had reached the limit.

Yang Luo asked, "Have you found out where Lawrence and the other two dogs are?" At this moment.

A call was made to King of Creation's phone.

King of Creation hurriedly picked up the call.

After the call The King of Creation replied, "We've already found them.

Lawrence, Ferrand, and Masahiro Ono are all hiding in the Mansardon Base in the Mojave Desert in Country Stars & Stripes!" "All three of them together?" Yang Luo laughed mockingly and said, "Very good.

Then I won't have to look for them one by one!" "Brother Yang, what do you plan to do?" Xiang Kunlun asked.

Yang Luo said coldly, "Of course we'll kill our way over.

I'll kill whoever dares to stop us!" "Alright!" Everyone nodded.

They were already furious and could not care less.

Yang Luo asked again, "Who captured Qingmei, Momo, and Alinda?" Xiang Kunlun said, "I've long found out about this.

They're the Black Clothed Special Agent Group of Country Stars & Stripes, the Dark Judgement Team of Country Oxford, and the Martial Alliance of Country Sakura!" "Dark Judgement Team again?" A cold glint flashed in Yang Luo's eyes as he said ruthlessly, "This time, let's completely destroy this Dark Judgement Team!

Also, destroy the Black Clothed Special Agent Group and the Martial Alliance!" As he spoke, Yang Luo rushed towards Kunlun and the others, "Brother Xiang, bring everyone back to the Holy Imperial Court first!

"Brother Mo, Second Senior Sister, Fifth Senior Sister, Brother Divine Lord, Brother Underworld Emperor, Sister Bing, and Big White will take revenge!" "Ah?!

What about us?!" "Brother Yang, you're too mean.

How can you not bring us along?!" "We want to kill these guys ourselves!" Bujie and the others immediately started shouting, clamoring to go together.

Yang Luo said in a deep voice, "If we kill these guys, we will definitely encounter heavy obstructions from the three countries.

The situation will be very dangerous!

Brother Mo, I and the rest can fly in the air and retreat at any time, but you guys can't!

Therefore, you should hurry back to the Holy Imperial Court!

Remember, immediately activate the island-protecting array after returning to the Holy Imperial Court!"

Chapter 1770: The Wrath of the Divine Emperor!

Ye Luange nodded and said, "Little Luo is right.

Even if you can fly on the ancient boat, it's not convenient with so many people.

Therefore, everyone should hurry back to the Holy Imperial Court." Song Zhixin also said, "Moreover, Qingmei, Momo, and Alinda are all seriously injured and urgently need to rest!" Upon hearing Yang Luo and company's words, the King of Creation and company sighed repeatedly.

Bujie gritted his teeth and said, "If only I were an Earth Immortal, I could accompany Brother Yang to take revenge!" King of Destruction said bitterly, "Our strength is still not enough.

It's not enough!" Yang Luo consoled, "Brothers, there's no need to be depressed.

I believe you will become stronger and stronger in the future!" "Yes!" Everyone nodded heavily.

Su Qingmei looked at Yang Luo with red eyes and said, "Yang Luo, you must come back safely!" "Nothing must happen to you!" "We'll wait for you to come back!" Qin Yimo and Alinda also looked at Yang Luo worriedly.

After all, Yang Luo was injured now.

"Brother Yang, let this world tremble for you!" "Brother Yang, let your anger burn this world!" "Brother Yang, if you need help, contact us at any time!" "You must be careful!" Bujie, King of Creation, and the others spoke up one after another.

"Good!" Yang Luo nodded and said domineeringly, "They can't even kill me with such a weapon.

Can they stop me from taking revenge now?" Ye Luange also said, "Don't worry, everyone.

We'll protect Little Luo!" Then, Xiang Kunlun and the others flew in the direction of the Holy Imperial Court on the ancient boat.

Yang Luo turned to look at the clouds in the distance.

That was where Feng Jiuxi, Yuan Shengling, and Yu Wannian were.

Ye Luange and the others also looked over.

Actually, they had already sensed the existence of Feng Jiuxi and the other two just now.

However, the situation was urgent and they could not be bothered with them.

"Who are those three old fellows?

Are they friends or foes?" Song Zhixin asked.

Yang Luo narrowed his eyes and said, "It must be the enemy.

I felt the killing intent from them just now!" "What?!

Enemies?!" "Should we kill them first?!" Divine Light and Darkness and the others spoke one after another.

Yang Luo turned around and said, "Don't worry about them for now.

We'll talk about it after the revenge is over!" "Good!" Ye Luange and the others nodded.

Yang Luo looked up into the sky with an extremely cold gaze and said in a trembling voice, "Lawrence, Ferrand, Masahiro Ono, have you hidden well?

I'm coming!" With that, Yang Luo turned around and turned into a golden stream of light, flying in the direction of Country Stars & Stripes!

Mo Qingkuang, Ye Luange, Song Zhixin, the Divine Light and Darkness, the Underworld Emperor, and the Ice Empress turned into six streams of light and followed!

At this moment!

The entire Dark World erupted again!

"The Divine Emperor's revenge has begun!" "When the Divine Emperor is angry, millions of corpses will be buried and blood will flow for thousands of miles!" "This world will dance for the Divine Emperor!" "Let us see the heroic figure of the Divine Emperor, the battle for revenge!" Everyone who followed Yang Luo shouted and cheered!

All of Yang Luo's enemies were dead silent!

Yu Wannian frowned and asked, "These guys clearly discovered us.

Why did they not attack us?" Yuan Shengling narrowed his eyes and said, "These guys only want revenge now, so they ignored us!" "Damn it!" Yu Wannian said fiercely, "Is he looking down on us?" Yuan Shengling looked at Feng Jiuxi and asked, "Brother Feng, should we follow them?" Feng Jiuxi said coldly, "Follow them and take a look.

Find an opportunity to kill those guys at any time!" "Good!" Yuan Shengling and Yu Wannian nodded in agreement.

Then, the three of them turned into three streams of light and chased after him.

The people of the Dark World naturally saw these three people from the screen.

Everyone was puzzled.

Why were there still three people after the rest had left??

Could these three be the helpers of the Divine Emperor?

Yang Luo and the others flew west as fast as they could!

Until about eight in the evening!

Yang Luo and the others had already approached the waters of Country Stars & Stripes!

In the distance, there were already hundreds of steel battleships lined up like rows of steel walls, stopping at the sea!

The moment they arrived!

Bang!

Bang!

Bang!

All the warships' missiles were fired at the same time!

Countless missiles shot towards Yang Luo and the others!

Yang Luo raised the sword in his hand and pointed it forward.

He roared, "Brothers, attack!" "Yes!" Ye Luange and the other three roared in unison and rushed out!

"Roar!" Big White, who was standing on Yang Luo's shoulder, also jumped out and let out a roar!

Its body instantly expanded by more than 50 meters and flew out like a small mountain!

The moment it flew out!

It directly twisted its fist and punched out!

A huge platinum fist shattered the void and blasted towards the missile that was shooting over!

Ye Luange swung her sword with all her might!

Whoosh!

Whoosh!

Whoosh!

Whoosh!

The cyan flying swords that filled the sky shot out together!

Song Zhixin waved her hand!

Clink clink clink!

Countless eight-colored Glazed Lotuses condensed and emitted a dazzling immortal light as they collided!

Mo Qingkuang's hands turned into palms as he struck out with all his might!

Rumble rumble rumble!

One after another, purple-golden palms pushed forward like mountains!

Divine Light and Darkness wielded his halberd with all his might!

The huge halberd pressed down on the sky, tearing through the sky and sweeping in all directions!

Beams of black and white light shot out!

Underworld Emperor slashed out with all his might with his saber!

Whoosh!

Whoosh!

Whoosh!

Whoosh!

Countless black sabers shot out!

Ice Empress also waved the ice staff in her hand again.

Whoosh!

Whoosh!

A huge and wide ice flood surged up!

Meanwhile, Yang Luo raised the sword in his hand and slashed out angrily!

Swoosh!

A huge golden sword tore through the sea of clouds and tore through the sky.

It drew a dazzling golden half-moon arc in the air and slashed out heavily!

It was as if it wanted to destroy everything!

At that moment Boom!

Boom!

Rumble!

Earth-shattering collisions and explosions resounded continuously!

Flames soared into the sky, thick smoke billowed, energy surged, and light flickered!

The missiles that covered the sky and earth were all intercepted in front of them and exploded.

They couldn't get close to Yang Luo and the others at all!

Especially Yang Luo's sword, it directly split the seven battleships in the distance into two and sank to the bottom of the sea!

All the soldiers on the battleship were killed!

The satellite aerial photography broadcasted the scene on the dark web in real time!

Everyone in the Underworld was deeply shocked by the scene in the video!

Eight deities had descended upon Country Stars & Stripes!

Who could stop him?

Who could stop them?
