Chapter 181: Causing Trouble!

Su Qingmei was stunned for a moment before hurriedly asking, “What happened?”

Xu Yan said, “Just now, the front desk called and said that a group of people are causing trouble downstairs. They said that there are side effects after using our facial mask!”

“How is this possible?!”

Su Qingmei’s expression changed, “Our facial mask was developed from pure Chinese herbs. There are no side effects at all!”

Xu Yan said, “President Su, I’m not sure about the exact situation. Why don’t we go down and take a look?”

Su Qingmei nodded and said, “Let’s go down and take a look!”

Then, Yang Luo, Su Qingmei, and the others got into the elevator and went straight to the lobby on the first floor.

At this moment...

The hall on the first floor was in chaos.

There were employees, security officers, people who came to cause trouble, and many media reporters on scene.

“The side effects of your product are so great, yet you still dare to take it out and sell it. You’re simply harming people!”

An auntie with wavy hair screamed.

“Hua Mei Biomedical is a black-hearted company. To think you would be so unscrupulous in order to earn money!”

Another middle-aged woman with dyed yellow hair shouted.

“Hurry up and tell your President Su to come out and confront us. If he doesn’t come out, we’ll barge in!”

A middle-aged woman with short hair also shouted.

These three aunties had rashes all over their faces and looked very scary.

Moreover, the family members of these three aunties were also here.

The family members of these three aunties looked hooligans, with tattoos all over their arms. It was obvious that they were not real family members but hired thugs.

At this moment, a female employee from Hua Mei Biomedical stood up and said, “Aunties, could you have made a mistake?”

This facial mask produced by our company is completely developed with pure Chinese herbs. It has been tested repeatedly and there are no side effects at all!”

The curly-haired auntie put her hands on her hips and said, “Hey, young lady, your words are quite funny to hear!

My face has already produced an allergic reaction. Could it be fake?”

The female employee frowned and said, “Auntie, could it be that you’re allergic to other products?”

“Bullshit!”

The curly-haired auntie cursed angrily and said, “I used your facial mask yesterday. I didn’t use any other products at all!

But after just one night, my face broke out in an allergic reaction. This is clearly caused by your products!”

“I’m in this state now because I used your facial mask!”

“Me too!”

The yellow-haired auntie and the short-haired auntie also echoed.

The female employee frowned and said, “Aunties, our mask has been on the market for a few days.

If there were really side effects, they would have long erupted on a large scale.

But why are the others fine, but only you guys have problems?”

“What do you mean?”

The curly-haired auntie had a fierce expression on her face as she pointed at the female employee’s nose and said, “You mean we’re deliberately looking for trouble?”

“That’s not what I meant.”

The female employee shook her head and said, “What I mean is that if there’s really a problem with our product, our company will definitely apologize to everyone and compensate you for your losses!

However, if it’s not because there’s a problem with our product but because you deliberately caused trouble for our company, our company has the right to pursue this matter!”

“Oh, you actually dare to threaten us? I think you’re simply asking for a beating!”

The yellow-haired auntie shouted angrily and slapped the female employee’s face.

“Ah...!”

The female employee cried out in pain as she fell to the ground.

“How dare you hit someone!”

The security officer captain roared and waved his hand, “Throw these guys out!”

Under the lead of the security officer captain, the other security officers rushed forward.

The hooligans brought by the three aunties also rushed over and the two sides fought.

The entire hall became even more chaotic.

“Someone got hit! Is there any law left?!”

“Dear reporters and media friends, not only has this company produced black-hearted products, but they also dare to hit people. You must expose them!”

“Don’t think that just because your company is rich and powerful, you can bully us commoners. We’re not easy to bully!”

The three aunties screamed.

The surrounding reporters and media also began to take photos and videos.

Right at this moment!

A clear shout sounded!

“All of you, stop!”

Everyone stopped and turned to look.

At this moment, Yang Luo and the others strode over.

“President Su!”

The employees and security officers greeted Su Qingmei and made way.

Su Qingmei walked forward and helped the female employee up. She asked, “Little Zhang, are you alright?”

The female employee’s eyes turned red as she shook her head aggrievedly, “President Su, I’m fine.”

Su Qingmei’s expression was cold as she looked up at the three aunties and said coldly, “If you’ve something to say, you can talk nicely. Why did you hit her?”

The yellow-haired auntie said arrogantly, “So what if we hit someone?

You’re President Su, right? How do you discipline your employees? How dare they threaten the customers?”

The female employee quickly said, “President Su, I didn’t threaten her.

I’m just saying that if it weren’t for the problem with our company’s products but for them deliberately looking for trouble, our company has the right to hold them accountable.”

“Isn’t that a threat?”

The yellow-haired auntie sneered, "It's obvious that there's a problem with your company's products, but you still refuse to admit it. How shameless!"

Su Qingmei's expression was cold as she said in a low voice, "Let's talk about whether there's a problem with our company's products later!"

However, since you hit my employee, you have to apologize to my employee!"

Seeing that Su Qingmei had stood up for her, the female employee was very touched and tears flowed down her face.

The other employees of Hua Mei Biomedical were also very touched.

One had to know that when ordinary CEOs encountered such a thing, they would definitely choose to settle it peacefully.

However, Su Qingmei did not do so. Instead, she forcefully asked the other party to apologize.

A look of admiration also appeared in Yang Luo's eyes.

If a company's CEO could not even protect his own employees, then this business would undoubtedly fail.

Hearing this, the yellow-haired auntie pointed at Su Qingmei's nose and said, "Your employee deserved to be beaten up. I just don't want to apologize. What can you do?"

If you dare to say another word, I'll beat you up too!"

"Is that so?"

Su Qingmei was not to be trifled with either. She said domineeringly, "Didn't you want to hit me? Come on!"

The yellow-haired auntie clearly did not expect Su Qingmei to be so domineering at such a young age. Moreover, the aura that erupted from her body really shocked her.

However, it was precisely because of this that she got enraged. She raised her hand and slapped Su Qingmei's face!

However, just as the yellow-haired auntie slapped her, Yang Luo took a step forward and grabbed her wrist, squeezing it fiercely!

"Aiyoyo, it hurts!"

The yellow-haired auntie wailed in pain and cursed, "You dog, let go of me quickly, or I'll kill you..."

Right before finished her sentence...

Pa!

A crisp sound rang out!

Yang Luo had directly sent a slap over!

Chapter 182: Fulfilling Your Wish!

“Aiya!”

The yellow-haired auntie cried out in pain. Her fat body was sent flying a few meters away and fell heavily to the ground.

Yang Luo said coldly, “You shrew. It’s not enough that you hit our company’s employees, but you still dare to hit our President Su. Do you really think everyone will allow you to behave so arrogantly?”

“Ahhh!”

The yellow-haired auntie screamed and got up. She cried and shouted at the hooligans, “What are you waiting for? Hurry up and beat this kid to death!”

“Do it!”

The leader hooligan shouted and rushed towards Yang Luo with more than ten other hooligans!

However, before the hooligans could approach, Prajna rushed out and sent the leader of the hooligans flying with a slap. Then, she kicked the other few hooligans away!

Then, Prajna flashed forward and punched and kicked. In less than three minutes, she knocked the dozen or so hooligans to the ground!

Prajna clapped her hands and said, “How dare trash like you attack my Brother Yang? I’ll beat you to death!”

In an instant...

The hall fell silent.

Everyone looked at Prajna in surprise, their eyes filled with shock and confusion.

“Holy sh*t, who is this little beauty? She looks cute, but why is she so fierce?”

“This little beauty seems to be President Su’s new assistant. I heard that she’s a top student from a famous school and is proficient in eight languages!”

“I was going to ask her for her number, but I think I should forget it. This little beauty is too amazing!”

The employees in the company started discussing softly.

Su Qingmei was stunned. She looked at Yang Luo and whispered, “This is what you meant by cute and easily bullied?”

“Uhh...”

Yang Luo smiled awkwardly and said, “I didn’t know that this girl actually learned martial arts.”

Su Qingmei rolled her eyes at Yang Luo with an expression of “I would be a fool to believe you”.

Xu Yan, who was at the side, was dumbfounded. As expected of Assistant Yang's godsister, she was indeed not a simple person!

At this moment, when the three aunties saw Prajna defeat more than ten hooligans alone, they trembled in fear and wanted to escape.

However, when they thought about the mission that Ding Sheng Biomedical had given them and how they had been given a large sum of money, they braced themselves and stayed.

The yellow-haired auntie shouted at Su Qingmei fiercely, "Are the people of Hua Mei Biomedical truly their staff or just hooligans? How dare you hit someone? I'm going to call the police to arrest you!"

Yang Luo sneered and said, "Auntie, weren't you the one who attacked first?

Even if you were really to call for the police, the fault will fall on yourself..

Why don't 1 call the police for you now?"

"You, you, you... Kid, stop being so sharp-tongued!"

The yellow-haired auntie pointed at Yang Luo and gritted her teeth, "In short, your company must give us an explanation today!"

"That's right."

The curly-haired auntie took over and said, "The three of us used the facial mask produced by your company. There were major side effects, causing a serious allergic reaction. You have to take responsibility!"

Yang Luo asked coldly, "What explanation do you want?"

The short-haired auntie immediately said, "You have to apologize to us in front of all the media reporters and compensate each of us with a million yuan!

"Also, you have to destroy the mask you produced. You're not allowed to sell it again in the future!"

"Apologize? Compensate a million yuan for the loss? Destroy the product?"

Yang Luo was instantly amused, "Why don't you guys go to heaven?"

The yellow-haired auntie said in a shrill voice, "Kid, what are you saying?

The problem arose because the three of us used your company's products. You have to take full responsibility!"

Yang Luo said, "If there's really a problem with our company's products, we'll naturally take responsibility.

However, what right do you have to say that there's a problem with our company's products? Who knows if you're deliberately slandering us?"

"We have proof from the hospital!"

The curly-haired woman took out a hospital test report from her bag and said, "This test report clearly states that we're allergic because we used your products!"

"Hehe..."

Yang Luo chuckled and said, "Who knows if you deliberately got the fake test results?"

In short, our Hua Mei Biomedical is upright and not afraid of those trying to manipulate things from the shadows!

Our products have no side effects and are suitable for any group of people, any skin!

It's impossible for us to apologize and compensate. It's even more impossible for us to destroy the product and stop selling it!

If you know what's good for you, get lost quickly. Don't cause trouble here!"

The yellow-haired auntie said angrily, "Are you all trying to shirk responsibility?"

Be careful or we'll sue you!"

Yang Luo shrugged and said, "Sue us if you can!"

"You..."

The yellow-haired auntie was already feeling guilty, so she naturally did not dare to pursue this matter to the fullest.

However, she started to make a scene, "If your company doesn't give us an explanation today, we won't leave!"

"That's right, we're not leaving!"

"You have to give us an explanation!"

The curly-haired auntie and the short-haired auntie also spoke out.

"You're still calling us shameless. Aren't you the ones who are being shameless now?"

Yang Luo's eyes turned cold as he turned to the security officers, "Brothers, chase them out!"

"Yes!"

The security officers responded and prepared to chase them away.

"Let's see who dares!"

The yellow-haired auntie screamed and suddenly laid on the ground.

"The security officer hit someone! The security officer hit someone!"

"If you dare to touch us, we'll sue you for molestation!"

The curly-haired auntie and the short-haired auntie also screamed and lay on the ground.

Seeing this scene, everyone present was speechless.

The security officers also stopped, not knowing what to do.

As expected, these aunties were really not to be trifled with. To think that they would actually dare to lie on the ground!

Su Qingmei was at her wit's end when faced with such scoundrels.

“Yang Luo, what should we do now?”

Su Qingmei frowned and asked.

Prajna waved her fist and said, “Do you want me to beat them out?”

“Don’t. Try not to hit anyone, lest they get you into trouble.”

Yang Luo shook his head and said, “Don’t worry, leave this matter to me.”

As he spoke, Yang Luo walked towards the three aunties.

He glanced at the three of them and asked indifferently, “Are you really not leaving?”

The yellow-haired auntie replied proudly, “We’re not leaving. What do you want to do?”

Yang Luo nodded and said, “Alright, since you like to lie down so much, I’ll fulfill your wish.”

As he spoke, Yang Luo took out three silver needles and shot them out!

In an instant!

Swish! Swish! Swish! Swish!

Three silver needles whistled out and pierced three acupuncture points on the waists of the three aunties!

The yellow-haired auntie exclaimed, “Kid, what did you do to us?!”

Yang Luo curled his lips and said, “Don’t you like to lie down? I’m merely helping you.

Now, it’s impossible for you to stand up even if you want to..”

Chapter 183: We Won’t Do It Again!

The yellow-haired auntie said in disbelief, “What a bunch of nonsense!

Do you think we won’t be able to stand up if you stick a lousy needle in us?

I’ll stand up and show you now!”

As she spoke, the yellow-haired auntie sat up and prepared to stand up.

However, in the next second, fear appeared on her face.

“What’s going on?!”

Why have I lost feeling in my legs? Why can’t I stand up?!”

The yellow-haired auntie was completely flustered. She struggled to stand up, but her legs just refused to respond.

The curly-haired auntie and the short-haired auntie also tried to stand up, but they failed several times.

“How could this be? Why can’t I stand up?!”

“I can’t stand up either!”

The curly-haired auntie and the short-haired auntie were also frightened. The trio began to panic.

The yellow-haired auntie suddenly had a brainwave, “This kid stabbed us with a needle, so we can’t stand up. As long as we pull out the needle, we’ll be fine!”

However, Yang Luo said indifferently, “I advise you not to do this.”

Naturally, the yellow-haired auntie and the other two did not believe her at all. They pulled out the silver needles on their waists.

However, the moment the silver needles were removed, the trio immediately cried out in pain.

“Ouch, ouch, ouch. I feel like my legs are being pricked by needles!”

“All... Why can’t I stand up even after removing the silver needles!”

“What’s going on?! It hurts! It hurts!”

When the employees present saw the yellow-haired auntie and the other two in pain, they felt as though their grievances were being addressed.

“These three shrews still dare to act shamelessly in front of Assistant Yang.

They simply have a death wish!”

“Assistant Yang is a Divine Doctor. How difficult is it for him to deal with these three shrews?!”

The employees discussed softly and watched the commotion.

The yellow-haired auntie roared at Yang Luo in pain, “Bastard, what did you do to us? Hurry up and treat us!”

“You dog, if you don’t cure us, we won’t let you off. We won’t let Hua Mei Biomedical off!”

“Hurry up and come over to treat us!”

The curly-haired auntie and the short-haired auntie also roared.

Yang Luo however ignored the three of them.

If he did not teach these three fellows a lesson, they would not know how to repent at all.

At this moment, the three aunties felt that their legs were hurting more and more. It was so painful that they gritted their teeth and broke out in cold sweat.

Su Qingmei walked over and asked softly, “Yang Luo, will anything happen to them?”

Yang Luo smiled comfortingly and said, “Don’t worry, they won’t die.”

Hearing this, Su Qingmei was relieved.

After a while...

The three aunties were in so much pain that their faces turned pale and their bodies began to tremble.

They could no longer care about causing trouble and started to beg Yang Luo.

“Sir, please be magnanimous and save us!”

“Little brother, we know our mistake. As long as you treat us, we’ll leave now!”

“That’s right, that’s right. We won’t stay here anymore!”

Yang Luo smiled playfully and said, “If you want me to treat you, sure.

However, I have to ask you a few questions. You have to answer truthfully.

If you guys are hiding anything, you can sit in a wheelchair for the rest of your lives.”

The yellow-haired auntie was so frightened that her entire body trembled. She hurriedly said, “Sir, ask away. We will definitely answer truthfully!”

“Alright!”

Yang Luo nodded and asked in a trembling voice, “Is it really our company’s products that caused your faces to be allergic?”

Hearing this question, the yellow-haired auntie and the other two hesitated.

Yang Luo said, “Since you don’t want to answer, forget it.”

As he spoke, Yang Luo turned around and prepared to leave.

The yellow-haired auntie said with a long face, “Sir, don’t leave. I’ll talk, I’ll talk!

“There’s nothing wrong with your company’s products. We deliberately used other expired skincare products to cause an allergic reaction on our faces!”

As soon as these words were spoken...

The entire place went into an uproar!

“I knew it. Our company’s products are all developed with pure Chinese herbs.

How can there be side effects!”

“These three aunties are really working hard to defame our company!”

The employees were all indignant and very unhappy.

The reporters and media also took photos and recorded the yellow-haired auntie’s words down.

Yang Luo asked again, “Who asked you to come to our company to cause trouble?”

Upon hearing this question, the curly-haired auntie cried and said, “Little brother, can we not say it?

The other party is rich and powerful. I’m afraid that if we say anything, we will receive retaliation by the other party.”

Yang Luo said, “Don’t worry. With so many reporters and media present, even if you say it, once it’s exposed in society, the other party won’t dare to do anything to you.”

The curly-haired auntie hesitated for a moment before gritting her teeth and saying, “Alright, I’ll talk!

It was Ding Sheng Biomedical who asked us to do this!”

The short-haired auntie also chimed in, “That’s right. The people from Ding Sheng Biomedical gave us a sum of money and said that they wanted us to come to your company to cause trouble!

They even said that as long as we do well in this matter, they would reward us handsomely!”

“So Ding Sheng Biomedical is behind this. How despicable!”

“They knew that the sales of our company’s new products kept rising and suppressed them. I didn’t expect them to use such dirty methods!”

“Shameless! Too shameless!”

The employees shouted angrily. They were all incensed.

Meanwhile, Su Qingmei’s expression darkened.

Although she had already guessed that Ding Sheng Biomedical might be behind this, she was very angry to hear these three aunties announce it out in the open.

The yellow-haired auntie said in pain, “Sir, we know our mistake. We won’t dare to do this again. Please treat us. We don’t want to spend the rest of our lives in a wheelchair!”

The curly-haired auntie and the short-haired auntie also begged with snot and tears.

Yang Luo sighed softly and did not say anything else. He took out three silver needles again and stabbed at another acupuncture point on the waists of the three aunties.

A few minutes later, he retracted the three silver needles and said, “Alright, try to stand up.”

The three aunties nervously tried to move their legs.

“My leg doesn’t hurt anymore, and I can feel it!”

“I can stand up, I can stand up!”

“Amazing, this little brother is too amazing!”

After the three aunties stood up, they were so excited that they could not control themselves.

Yang Luo looked at the three of them and said coldly, “I can let today’s matter go, but if you dare to deliberately cause trouble in the future, I won’t let you off easily!”

“We won’t dare to do it again!”

The three aunties nodded and bowed repeatedly.

“Also, apologize to this sister!”

Yang Luo pointed at the female employee who had just been beaten up.

“Sorry! We’re sorry!”

“It’s our fault. We shouldn’t have hit people and caused trouble for all of you!”

The three aunties hurriedly apologized to the female employee.

The female employee’s eyes were red as she looked at Yang Luo gratefully.

Yang Luo waved his hand and shouted coldly, “You can scam now!”

“Yes, yes, yes!”

The three aunties felt as if they had been pardoned and hurriedly fled the company.

As for the hooligan, they also quickly got up and fled the company..

Chapter 184: Are You Here to Pick Me Up?

Yang Luo looked at the reporters and media again and said, “Reporters, media friends, just report what happened today truthfully. There’s no need to hide anything!”

“Don’t worry, little brother. We’ll definitely report the matter truthfully!”

“Ding Sheng Biomedical’s malicious competition is too shameless. We have to report it as a negative example!”

The reporters and media spoke up one after another. They were also won over by Yang Luo’s methods.

Yang Luo smiled and said, “Thank you, everyone!”

“Assistant Yang, you’re too polite.”

The reporters and media smiled and left the company.

After the reporters and media left, the employees also dispersed.

Su Qingmei turned to look at Yang Luo and Prajna and was about to speak.

However, Prajna suddenly interrupted, "Sister Su, I can't hold it in anymore. I have to go to the bathroom!"

As she spoke, Prajna fled as if her soles had been greased.

"President Su, I need to go to the bathroom too."

Yang Luo laughed dryly and prepared to leave.

"Wait, you're not leaving!"

Su Qingmei stopped Yang Luo.

Yang Luo smiled awkwardly and said, "President Su, what's the matter?"

Su Qingmei narrowed her beautiful eyes and said, "Yang Luo, aren't you going to explain?"

"Explain what?"

Yang Luo pretended not to understand.

Su Qingmei said, "Why is Prajna so skilled? Who is she?"

Yang Luo shrugged and said, "Didn't I say last night that Prajna is my godsister?"

"To be honest, I didn't know that she had such good skills. Perhaps she learned it from her master."

Su Qingmei stared intently into Yang Luo's eyes and said, "Do you think I believe you?"

I felt that something was wrong last night.

If Prajna is really your godsister, why did she come looking for you in the middle of the night?"

Yang Luo said helplessly, "There are some things that I can't explain. In short, she's not a bad person.

"The reason why I asked her to be your assistant is also to let her protect you when I'm not around in the future.

I don't want you to be kidnapped again."

Hearing Yang Luo's words, Su Qing's brows warmed.

It turned out that everything the man did was for her own good.

Su Qingmei pouted and said, "Couldn't you have said that earlier? Why did you have to let me keep guessing?"

"I'm just afraid that you'll think too much."

Yang Luo chuckled and changed the topic, "How do you plan to deal with Ding Sheng Biomedical later?"

Su Qingmei's expression was cold as she said, "Originally, I planned to leave a way out for Ding Sheng Pharmaceutical no matter what happened in the end.

“But now, I’ve changed my mind. If there’s a chance, I’ll annex Ding Sheng Biomedical and make it completely disappear from Jiang City.”

With that, Su Qingmei turned around and left.

Looking at the woman’s back, Yang Luo sighed in his heart.

It seemed that this woman was not as easy to bully as she looked on the surface. She had thoughts and her own ambitions.

Of course, no matter what choice she made, he would support her unconditionally.

At the same time...

Jiang City Airport.

A private plane from Peng City to Jiang City arrived at Jiang City Airport.

There were many black Mercedes-Benz parked at the entrance of the airport. At the front was a black extended Maybach.

The airport lobby was filled with well-built bodyguards in black suits.

At the front stood 32 middle-aged men and women with outstanding auras.

These middle-aged men and women were standing quietly in the hall. They all looked nervous, and none dared to speak.

The passengers at the airport were all watching from afar in curiosity.

“Oh my god, who are they? Why is there such a huge commotion?”

“They seem to be the presidents of all the underground chambers of commerce in Jiang City. Every one of them is a famous figure in Jiang City!”

“Holy sh*t, why did these big shots suddenly appear at the airport? Who are they picking up?”

“To be able to get so many big shots to personally come to the airport to pick him up, I’m afraid the person who came must have a powerful background!”

Exclamations and discussions resounded endlessly.

At this moment...

A group of people surrounded a woman as she walked out of the VIP passageway.

This woman was tall and had an oval face. She had exquisite makeup on her face and could be considered a beauty.

As the woman walked, she took out her cell phone and did a live-stream, “Hello everyone, I’m already at the airport. You have to come to the fan meet-and-greet later. Love you all!”

“Eh, isn’t this the current trending starlet of China, Han Feifei?”

“Could it be that these people are here to pick up Han Feifei?”

“As expected of a big star. She actually has such good treatment!”

The passengers at the airport discussed animatedly and were extremely envious.

At this moment, Han Feifei was also stunned when she saw the scene in front of her.

But soon, she regained her composure.

As a popular female star in China, she had seen many big scenes.

Han Feifei put away her cell phone and said to her manager, “Sister Wu, did you see that? Young Master Song is paying more and more attention to me now. He actually sent so many people to pick me up!”

The manager chuckled and said, “Of course. Our Feifei is getting more and more popular. Young Master Song will definitely value our Feifei!”

“Even the Chinese Heavenly Queen wouldn’t have so many people coming to pick her up!”

“That means that our Goddess Feifei’s influence has already surpassed the Heavenly Queen of China!”

“Goddess Feifei, I love you!”

The fans also cheered excitedly.

“Come, let’s go over!”

Han Feifei replied proudly and led a group of people towards the big shots from the chamber of commerce.

After walking in front of them, Han Feifei raised her head and said, “Did Young Master Song send you to pick me up?”

One of the middle-aged men, who was wearing a black shirt and had short hair, frowned and asked, “Which Young Master Song?”

Han Feifei said proudly, “Of course it’s the young master of the top family in Jiang City, the Song family, Song Chengyou!”

The short-haired man sneered and said, “Song Chengyou is nothing. With just him, how would he even mobilize us?”

Han Feifei was stunned and asked in confusion, “Aren’t you here to pick me up?”

A fat middle-aged man in a green Tang suit with a jade Buddha pendant on his chest said unhappily, “Who the f*ck are you? Do you have the right to let us pick you up?”

Han Feifei replied angrily, “I’m the most popular starlet in China now!”

“Oh... So it's just an actress. I was wondering who it was!”

The man in the Tang suit sneered and said, “I've played with at least 80 actresses, if not 100!”

The other leaders burst into laughter at his dirty joke.

“You...”

Han Feifei was so angry that her chest heaved up and down. She was furious.

The manager at the side was also angry and shouted, “What are you saying? Apologize to Feifei quickly!”

“Apologize! Hurry up and apologize to our Goddess Feifei!”

“Apologize! Apologize! Apologize!”

Han Feifei's fans also started to jeer.

“You want me to apologize to an actress? Bah!”

The man in the Tang suit's expression turned ruthless, “I'm in a good mood today. I don't want to stoop to your level. Get lost!”

Han Feifei said angrily, “I'm Young Master Song's man. You have to apologize to me!”

“Apologize your mom!”

The man was enraged and slapped Han Feifei's face.

“AHH!!”

Han Feifei screamed in pain as she was sent flying a few meters away, falling on the ground..

Chapter 185: King Zhennan Is Here!

“Feifei!”

“Goddess Feifei!”

The manager and fans were shocked and quickly went forward to help Han Feifei up.

“Ahhh!”

Han Feifei covered her face and screamed at her bodyguards, “Kill him!”

With this order!

Han Feifei's bodyguards immediately moved and walked towards the man in the Tang suit aggressively.

However, just as these bodyguards moved, the bodyguards standing behind the man in the Tang suit stepped forward one after another. All of them had cold expressions as they walked towards Han Feifei and the others.

Seeing so many people the other side had, Han Feifei and her bodyguards were so frightened that they did not dare to move.

Han Feifei asked in a trembling voice, "What do you want to do... Don't tell me you want to hit someone!"

The man in the Tang suit waved his hand impatiently, "Hurry up and chase these idiots away!"

"Yes, President!"

The group of bodyguards in black responded and chased Han Feifei and the others to the side.

At this moment.

Another group of people walked out of the VIP passageway.

This group of people all had outstanding temperaments and auras. The moment they appeared, the tourists at the airport felt oppressed.

At the front was an elegant and dignified beautiful woman.

The woman was wearing a simple black slim-fit dress that outlined her graceful figure. Her smooth black hair fell naturally, revealing her exquisite and flawless oval face.

Her eyebrows were curved, her eyes were like light pools, her eyelashes were thick, and her red lips were plump. Not a single feature looked out of place.

Just now, Han Feifei was the center of attention at the airport, but now, this woman has become the center of attention.

"Oh my god, who is this woman? She's too beautiful and has a good figure. Is she a big star too?"

"Other than the current top Heavenly Queen in China, no other female celebrity can compare to this woman!"

"The key is that this woman's temperament and aura are not something celebrities can have!"

"What is a goddess? This is a real goddess!"

The passengers at the airport exclaimed one after another. They were really stunned by the woman in front of them.

Especially the men, their hearts were in turmoil as they gulped involuntarily.

When they saw this woman, they did not even have the courage to strike up a conversation.

As for Han Feifei, she was also stunned.

She knew that she was also a beauty, but compared to this woman, she could basically be considered a foil.

"Hmph, what's there to be proud of? So what if she's beautiful? She doesn't have fans chasing after her. She can't compare to me at all!"

Han Feifei snorted coldly, her eyes filled with envy and jealousy.

Seeing the woman walk out of the VIP passage, the 32 leaders hurriedly went up to her.

“Greetings, King Zhennan!”

After approaching, the 32 presidents from various chambers of commerce all knelt on one knee at the same time and respectfully exclaimed.

“Greetings, King Zhennan!”

The hundreds of bodyguards in black in the airport hall also knelt on one knee with extremely respectful expressions.

In an instant...

The passengers in the airport lobby were all dumbfounded. They were all left speechless!

“Oh my god, so these big shots are here to pick up this woman!”

“Who is this woman? She can actually make so many important figures come personally and be so respectful?”

“There’s no doubt that this woman is definitely a top figure in China. Otherwise, there wouldn’t be such a huge commotion!”

The travelers were trembling all over and did not even dare to look at this woman anymore.

Han Feifei was also stunned. She stood there like a wooden stake.

No matter how proud she was, she knew at this moment that this woman was not someone she could compare to.

She was right. This woman was the famous King Zhennan in China Dongfang Ruoshui!

Dongfang Ruoshui frowned when she saw the scene in front of her, “Jiang Tianlong, didn’t I say that I had to keep a low profile when I came to Jiang City this time? Why did you have to make such a big scene?”

Jiang Tianlong was so frightened that his entire body was trembling. He hurriedly lowered his head and said, “King Zhennan, everyone has been looking forward to you for a long time. Now that you’re coming to Jiang City, how can everyone not welcome you?”

Xu Yaoqiang also said, “That’s right, King Zhennan. There were still many others that wanted to come, I already tried my best to stop everyone.”

Dongfang Ruoshui sighed softly and waved her hand. “Alright, get up.”

Only then did all the presidents and bodyguards dare to stand up.

“Don’t interfere with the airport’s normal operations. Let’s go.”

Dongfang Ruoshui said lightly and walked out of the airport.

The others quickly followed.

Soon, the group walked out of the airport.

The man in the Tang suit was full of smiles. He walked over and said respectfully, “King Zhennan, Governor Luo of Jiangnan Province, Deputy Governor Jiang, Minister Su of Jiang City, and the heads of the major families want to invite you to a meal and meet you now that they know that you’re in Jiang City.

What do you think?”

“I’m not seeing them.”

Dongfang Ruoshui shook her head and said indifferently, “I came to Jiang City this time to meet someone.”

With that, Dongfang Ruoshui got into the extended Maybach.

After Dongfang Ruoshui got into the car, the man in the Tang suit asked Jiang Tianlong, “Master Long, who is King Zhennan going to see in Jiang City this time?”

“That’s right. King Zhennan didn’t even meet Governor Luo and the others just to see that person. Who is that person? Isn’t he too prestigious?”

“I don’t think there’s such a powerful person in Jiang City. Even the heads of the top families in China have to make an appointment in advance to see King Zhennan!”

“Master Long, quickly tell us who King Zhennan wants to see.”

The other presidents also looked at Jiang Tianlong, their eyes filled with confusion.

Jiang Tianlong said, “You should also know that some time ago, a kid called Yang Luo caused our four Chambers of Commerce to be in a tizzy, so we had no choice but to invite King Zhennan.

Originally, King Zhennan did not plan to come. However, when we told her about that kid, King Zhennan said that she wanted to come to Jiang City to see that kid.

“We don’t understand why King Zhennan would personally come to Jiang City to see that kid.”

“Could it be that King Zhennan knows that kid?”

A president asked.

“I’m afraid it’s not worth King Zhennan coming to Jiang City to meet him personally just because they know each other.”

Another president replied.

Jiang Tianlong said, “Alright, stop making wild guesses. We’ll know when King Zhennan meets that kid.”

With that, Jiang Tianlong and the others got into the car.

Soon, the convoy left the airport.

At the same time...

Heavenly Path Martial Arts School.

On the martial arts field.

Hong Yunzhi and Hong Zekai were guiding their disciples in their cultivation.

But at this moment...

A shout came from outside.

“President, someone seems to be here!”

A disciple ran in hurriedly.

“Who’s here?”

Hong Yunzhi hurriedly asked.

The disciple replied, “Alliance Master, I’m not sure either, but a few cars came.”

But right after he finished his sentence!

A hoarse voice came from outside.

“Alliance Master Hong, long time no see. How have you been?”

Hong Yunzhi, Hong Zekai, and the others looked up and saw a group of people striding in..

Chapter 186: Unappreciative!

At the front was a thin old Daoist priest in a black eight trigrams Daoist robe. He held a horsetail whisk and carried a sword on his back.

This old Daoist was Daoist Priest Xuansha, Zhang Daoyi.

Other than Zhang Daoyi, there was also a group of people following behind.

This group of people consisted of Jiang Mingyu, He Jiahao, Song Chengyou, Jiang Xinyue, He Yilin, Zhao Tianheng, and the other young masters and young mistresses of wealthy families.

Hong Yunzhi was stunned when he saw Zhang Daoyi.

After all, he knew Zhang Daoyi and had interacted with him before.

However, he was very displeased with Zhang Daoyi’s character.

In order to accumulate wealth, Zhang Daoyi had used his mystic techniques to do many evil things and killed many people.

However, they had yet to fall out with each other, so he still had to be polite.

Hong Yunzhi cupped his hands and said, “I wonder why Priest Zhang came to my Heavenly Path Martial Arts School today?”

Zhang Daoyi chuckled and said, “Alliance Master Hong, I came to look for you to greet you.”

“Greet me?”

Hong Yunzhi looked puzzled, “What do you mean?”

Zhang Daoyi still had a smile on his face as he said, “I came to Jiang City to kill someone.

I thought that this person should be a Martial Warrior and can be considered a member of the martial arts world in Jiang City, so I wanted to greet you in advance.”

Hong Yunzhi frowned and said, “May I know who Priest Zhang wants to kill?”

Zhang Daoyi said, “It’s a brat called Yang Luo.”

“You want to kill Mr. Yang?!”

Hong Yunzhi was stunned when he heard that.

Hong Zekai was also dumbfounded.

“Oh?”

Zhang Daoyi narrowed his eyes and said, “It seems that Alliance Master Hong knows this kid.”

“Of course I do.”

Hong Yunzhi nodded and said, “Mr. Yang is my friend.”

Hearing this, Jiang Mingyu and the others were shocked and their expressions darkened.

They did not expect Yang Luo to know the Alliance Master of the Martial Alliance in Jiang City.

How long had this kid been in Jiang City? Why was he related to so many important figures in Jiang City?

This made them very unhappy!

Zhang Daoyi chuckled and said, “Since this kid called Yang Luo can become friends with you, Alliance Master Hong, it seems that this kid is not simple.”

“Of course!”

Hong Zekai interrupted, “Mr. Yang is both skilled in medicine and martial arts. He’s a loyal person, has a forthright personality, and has a noble character. It’s our honor to be friends with Mr. Yang!”

Zhang Daoyi’s smile disappeared. He looked at Hong Yunzhi and said, “Alliance Master Hong, that kid is my enemy. If I want to kill that kid today, will you stop me?”

Hong Yunzhi said in a deep voice, “Priest Zhang, Mr. Yang is my friend. If you want to kill him, I naturally won’t allow it.”

After a pause, Hong Yunzhi continued, “Also, let me give you a piece of advice.

It’s best not to make an enemy of Mr. Yang, lest you ask for trouble.”

“Asking for trouble?”

When Zhang Daoyi heard this, he immediately laughed out loud, “I’m an expert ranked 60th on China’s Earth Ranking. I’m also proficient in martial arts and spells!

Now, I have already stepped into the intermediate-stage of the Grandmaster Realm, and my spell techniques have improved a lot!

Do you still think that I’m asking for trouble by killing that kid?”

Hearing this, Hong Yunzhi and Hong Zekai looked at each other with a strange expression in their eyes.

They clearly knew Yang Luo’s strength.

Not to mention a middle-stage Grandmaster Realm expert, even a late-stage Grandmaster Realm expert had been crippled by Yang Luo.

Zhang Daoyi raised his head and mocked, “Why aren’t you saying anything? Are you frightened by me?”

Hong Yunzhi sighed and said, “Priest Zhang, let me give you a piece of advice. It’s better not to be enemies with Mr. Yang.

Mr. Yang is really not someone you can deal with, Priest Zhang.”

“Hmph!”

Zhang Daoyi snorted and said, “Alliance Master Hong, are you looking down on me?”

Hong Yunzhi said, “Priest Zhang, I don’t mean to look down on you. I’m just reminding you kindly.”

“Enough!”

Zhang Daoyi’s expression turned cold as he said in a loud voice, “Alliance Master Hong, don’t you look down on me? I’ll definitely let you see how I make that kid beg for death later!”

Jiang Mingyu sneered and said, “Alliance Master Hong, Daoist Zhang is an expert on the Earth Ranking and a spell master. No matter how powerful Yang Luo is, he’s not Daoist Zhang’s match!”

“That’s right. Who does that bastard Yang Luo think he is? It’s easy for Priest Zhang to kill him!”

He Yilin chimed in.

Jiang Xinyue also mocked, “An expert on the Earth Ranking is not someone ordinary people can deal with!”

Zhang Daoyi looked at Hong Yunzhi proudly and said, “Alliance Master Hong, quickly call Yang Luo and ask him to come and die!

Also, give the dojo masters of the various dojos in Jiang City a call and let them see how I’m going to kill that kid!”

Hong Yunzhi’s expression was cold as he said, “What if I don’t agree?”

“You don’t agree?”

Zhang Daoyi sneered and said, “What’s the use of not agreeing?

I’m already giving you a lot of face by informing you. Don’t fail to appreciate my kindness!”

Jiang Mingyu and the others also looked at Hong Yunzhi smugly.

Usually, they did not dare to provoke Hong Yunzhi, but now that they had Zhang Daoyi’s support, they felt more confident.

“Hmph!”

Hong Yunzhi snorted and said, “Priest Zhang, if you want to kill Mr. Yang, you have to go through me first!”

“Just you?”

Zhang Daoyi sized up Hong Yunzhi and smiled mockingly, “Alliance Master Hong, do you think you’re my match just because you’ve stepped into the Grandmaster Realm?

For the sake of China’s Martial Alliance Master, I won’t bicker with you!

Quickly call Yang Luo and the dojo masters of the 18 martial arts schools and ask them to come over immediately!”

“You want to attack just like that? Where are you putting my father and the Martial Alliance of Jiang City?!”

Hong Zekai shouted and rushed towards Zhang Daoyi.

“Little Kai, come back!”

Hong Yunzhi exclaimed and wanted to stop him, but it was too late.

Seeing Hong Zekai rush over, Zhang Daoyi smiled coldly and said, “Kid, you’re not even a Grandmaster Realm expert, yet you dare to attack me?

You’re simply courting death!”

As he spoke, Zhang Daoyi raised his left hand and slapped Hong Zekai!

This palm looked weak, but it was actually extremely ferocious, causing the air to emit an explosive sound!

Hong Zekai’s expression changed drastically. He wanted to dodge, but he could not do so at all. He could only twist his fist and meet the attack!

In an instant!

THUD!

The fist and palm collided with a loud bang!

A terrifying force spread out, causing the surrounding people to retreat repeatedly!

Hong Zekai thought that he could at least be able to deflect some force from Zhang Daoyi's palm, but he could not withstand it at all!

With a crisp crack, his entire arm was broken by this palm!

“AHH!!”

He let out a painful cry and was sent flying!

However, Zhang Daoyi had no intention of holding back.. Instead, he took a step forward and waved the horsetail whisk in his hand to slap Hong Zekai!

Chapter 187: As He Wishes!

“Zhang Daoyi, how dare you!”

Hong Yunzhi shouted.

However, Zhang Daoyi had no intention of stopping. He directly flicked the whisk out!

Pa!

The horsetail whisk in Zhang Daoyi's hand slapped Hong Zekai's face heavily, producing a crisp sound!

“Ugh!”

Hong Zekai let out another tragic cry and was sent flying like a sandbag!

Hong Yunzhi hurriedly went forward to support Hong Zekai.

Seeing Hong Zekai's broken right arm and badly mangled face, Hong Yunzhi immediately flew into a rage.

He glared at Zhang Daoyi and said angrily, “Zhang Daoyi, you're going too far!”

The disciples of the Heavenly Path Martial Arts School also surrounded him and glared at him.

Zhang Daoyi had a fearless expression. He flicked his horsetail whisk and said disdainfully, “Hong Yunzhi, I've already given you enough face just now.

Since your son needs to be disciplined, I'll discipline him for you.”

“Bastard!”

Hong Yunzhi shouted angrily and rushed towards Zhang Daoyi!

“Hong Yunzhi, do you want to spar with me too?”

In that case, I'll do as you wish!”

Zhang Daoyi chuckled. In a flash, he charged forward!

The next instant...

The two of them approached each other and attacked each other fiercely!

Hong Yunzhi mobilized the True Qi in his body and punched out!

Zhang Daoyi turned his left hand into a palm and condensed a black colored True Qi to meet the attack!

Bam!

When the fist and palm collided, and it was like a thunderclap exploding on the ground!

A large area of the stone slabs on the ground shattered, turning into a large amount of rubble and dust that was swept into the sky!

The True Qis from both parties collided violently, turning into layers of ripples that spread in all directions!

When everyone present saw this scene, they were shocked!

After all, only Grandmaster Realm experts could release their True Qi!

But no matter what, Zhang Daoyi was still a middle-stage Grandmaster Realm expert, a small realm higher than Hong Yunzhi!

Although it was only a small realm, it was an insurmountable gap for Hong Yunzhi!

Therefore, no matter how powerful his punch was, it was still difficult to block Zhang Daoyi's palm!

“Ugh!”

Hong Yunzhi let out a muffled groan and was forced back more than ten steps before he stabilized himself!

As for Zhang Daoyi, he was only forced back three steps before he stabilized his body!

Hong Yunzhi gritted his teeth and endured the pain from his right arm. He stepped on a stone slab and shattered it before charging at Zhang Daoyi again!

Zhang Daoyi smiled disdainfully and mobilized the True Qi in his body. He utilized a spell technique and waved the horsetail whisk in his hand!

“Mystic Yin Lightning Technique!”

In an instant...

A black lightning bolt as thick as an arm whistled out and struck out at Hong Yunzhi!

Hong Yunzhi was shocked. He clenched his fists and punched continuously!

Boom! Boom! Boom!

A series of thunderous explosions sounded!

Hong Yunzhi barely managed to shatter the black lightning, but his arms were injured and blood flowed non-stop!

“Daoist Zhang is mighty!”

“Daoist Zhang is really a god!”

“Daoist Zhang’s divine skills are peerless and his Dao techniques are boundless!”

Jiang Mingyu and the others were excited and shouted.

Zhang Daoyi was able to summon lightning out of thin air. To them, he was simply a god-like figure!

“Fight!”

Hong Yunzhi shouted and rushed towards Zhang Daoyi once more!

“You still dare to attack?”

Zhang Daoyi’s eyes turned cold as he said fiercely, “Looks like if I don’t teach you a lesson, you won’t know how powerful I am!”

As he spoke, Zhang Daoyi waved the horsetail whisk in his hand again!

Two more black lightning bolts as thick as an arm formed and slashed at Hong Yunzhi!

Hong Yunzhi clenched his fists again and charged towards the lightning!

Boom! Boom! Boom!

Another series of thunderous explosions sounded in the martial arts arena, causing everyone’s eardrums to hurt!

Although Hong Yunzhi had barely withstood the power of lightning, his body was injured from the lightning, and he could not approach Zhang Daoyi at all! Without waiting for Hong Yunzhi to recover, Zhang Daoyi pounced on him. His left hand was wrapped in black True Qi and murderous aura as he slapped Hong Yunzhi’s chest heavily!

He was using his famous ultimate technique, the Profound Fiend Palm!

Bang!

A muffled sound was heard!

“ARGH!”

But Hong Yunzhi let out a tragic cry and was sent flying!

“Father!”

“Alliance Master!”

Hong Zekai and the disciples of the Heavenly Path Martial Arts School hurriedly rushed forward to support Hong Yunzhi.

“Pfft...”

As soon as Hong Yunzhi stabilized his body, he felt the blood in his body surge and he spat out a mouthful of blood in response.

“Father!”

Hong Zekai’s expression changed drastically as he asked in surprise, “How are you? Are you alright?”

Hong Yunzhi shook his head and said weakly, “I’m fine.”

“D*mn it!”

Hong Zekai roared angrily and was about to charge at Zhang Daoyi.

The disciples of the martial arts school were also furious and prepared to rush forward.

However, Hong Yunzhi hurriedly pulled Hong Zekai back and said, “Don’t go over. You’re not his match!”

Only then did Hong Zekai and the disciples calm down and not rush forward rashly.

Zhang Daoyi was indeed very powerful. If they rushed forward, it would be no different from having a death wish.

At this moment, after seeing Zhang Daoyi’s strength, Jiang Mingyu and the others were overjoyed.

If even the Alliance Master of Jiang City’s Martial Alliance was not Zhang

Daoyi’s match, what did they have to care about a single Yang Luo!

He Yilin was so excited that her face turned red, “Yang Luo, that bastard, will definitely die today!”

Jiang Mingyu and the others nodded.

Yang Luo was finally going to die!

Zhang Daoyi stood arrogantly in the martial arts arena and looked at Hong Yunzhi, “Hong Yunzhi, on account of the Chief of the Martial Alliance in China, I’m only teaching you a lesson today. I won’t kill you!

However, if you still don’t know how to appreciate favors, don’t blame me for being ruthless!”

Hong Yunzhi only stared fixedly at Zhang Daoyi, his heart filled with grief and indignation!

He hated that his cultivation base was not enough. He hated that he could not defeat Zhang Daoyi!

Zhang Daoyi continued, “Hong Yunzhi, my patience is limited. Hurry up and call Yang Luo and the dojo masters of the 18 martial arts schools over!

If you don’t call them, I can only send your disciples to the hospital for a period of time!”

Threat!

It was a blatant threat!

Hong Zekai gritted his teeth and said fiercely, “Father, since this old fellow insists on having a death wish and making a fool of himself, let’s do as he wishes!

I’ll call Uncle Qiao and Mr. Yang now!”

Hong Yunzhi nodded and said, “Alright, then please invite Mr. Yang, Old Qiao, and the others over.”

Originally, he wanted to give Zhang Daoyi face and persuade him to leave.

However, since Zhang Daoyi did not give him any face, he could not care less.

Hong Zekai didn't say anything else. He took out his phone and made a call.

At this moment...

Inside Hua Mei Biomedical.

In the resting area.

"Brother Yang, here."

Prajna made a cup of coffee and handed it to Yang Luo.

"Thank you."

Yang Luo nodded and took a sip of coffee.. Then, he asked, "Prajna, what's the situation now? How many assassins are targeting me?"

Chapter 188: Fifteen!

"Let me see!"

Prajna took out her phone and entered a series of characters. She logged into the dark web and found the post with the bounty on Yang Luo, before browsing through the comments.

Yang Luo also leaned over.

It would have been fine if he hadn't gotten close, but once he did, Yang Luo saw a splash of snow-white through Prajna's collar.

The girl's upper body was too voluptuous, and one of the buttons on her shirt was undone.

After browsing for a while, Prajna's face turned pale as she said with fear, "It's over, it's over. Brother Yang, this has become a big matter!"

"Yes, it's indeed very big!"

Yang Luo subconsciously replied.

"All!"

Prajna followed Yang Luo's gaze and immediately exclaimed. She hurriedly covered her chest, and her pretty face turned red.

"Uhh..."

Yang Luo smiled awkwardly and said, "I saw that your buttons were open and wanted to remind you."

"Oh-oh."

Prajna nodded in embarrassment before turning around and hurriedly buttoning her shirt.

Yang Luo picked up his coffee and took a sip to hide his embarrassment. He said, “You just said that the matter has blown up. What do you mean?”

Prajna replied, “Brother Yang, ever since the two pieces of news were sent out last night, it not only caused a huge commotion in the assassin world, but also in the entire Dark World.

Now, other than the assassins paying attention to you, even the mercenaries, bounty hunters, and those with superpowers paying attention to you.

Fortunately, most people are only paying attention to you and don’t want to come to China to kill you.

Now, the people of the Dark World are even betting on when you’ll die...”

“Is that so?”

Yang Luo chuckled and said, “Looks like I’m a dead man in their eyes.

However, I will let them know that not only will I not die, but I will also live well.

I’m afraid I’ll have to disappoint them this time.”

As he spoke, Yang Luo asked again, “Then how many killers have decided to kill me now?”

“Fifteen.”

Prajna said a number and continued, “These fifteen assassins have clearly said that they want to come to China to kill you.”

Yang Luo asked curiously, “Then which one of the 15 assassins is the most powerful?”

Prajna said in a low voice, “It’s the Hell’s Envoy who’s ranked 38th on the Assassin Rankings!”

“Hell’s Envoy?”

Yang Luo narrowed his eyes and asked, “What’s this person’s background and strength?”

Prajna replied, “Hell’s Envoy is a top assassin in my Country Sakura. Like me, he cultivates both martial arts and ninjutsu. I stepped into the assassin world with him as my idol and goal!

The Hell’s Envoy is very powerful. Although he debuted relatively late, he has assassinated many big shots from many countries. Moreover, the success rate of the assassination is as high as 90%!”

“Oh...”

Yang Luo nodded in realization and curled his lips, “I thought it would alarm the top ten killers on the Assassin List. I didn’t expect it to only alarm the 38th killer on the Assassin List.

“Looks like these killers in the assassin world still look down on me.”

Prajna reminded him, “Brother Yang, it’s best if you don’t underestimate your enemy. You have to be prepared.

If you really can’t win, run quickly.”

Yang Luo waved his hand and said, “Don’t worry, I’ll definitely make them unable to return.

“As for escaping, I don’t have such plans.”

H 11

Prajna was rendered speechless.

She really did not know why Yang Luo was always so confident. Where did his confidence come from?

Although she knew that Yang Luo was very strong, she still felt that Yang Luo was not a match for Hell’s Envoy.

At this moment, a call was made to Yang Luo’s phone.

Yang Luo took out his phone and saw that it was a call from Hong Zekai, so he answered the call.

“Mr. Hong, why are you looking for me?”

“Mr. Yang, have you offended anyone recently?”

Hong Zekai asked.

“Offended who?”

Yang Luo was stunned for a moment and said, “I’ve offended a lot of people.

Which one are you talking about?”

Hong Zekai replied, “Daoist Priest Xuansha, Zhang Daoyi!”

“Zhang Daoyi?”

Yang Luo was even more puzzled, “Who is this person? I don’t know him at all.”

“You don’t know him?”

Hong Zekai asked curiously, “Then why did Zhang Daoyi say that he has a grudge against you and wants to kill you?”

“How would I know?”

Yang Luo was also full of questions.

Hong Zekai said, “Mr. Yang, this Zhang Daoyi is now clamoring to kill you in our Heavenly Path Martial Arts School.

My father and I didn’t allow it. We exchanged a few moves with him, but we were both injured by him.

“If you have time, come over.”

“Alright, I’ll come over now.”

Yang Luo agreed immediately.

After hanging up, Yang Luo said to Prajna, “Prajna, I have something to do.

If Qingmei needs me for anything, tell her.”

“Alright, Brother Yang.”

Prajna nodded.

Then, Yang Luo hurriedly left the company, took a taxi, and went straight to the Heavenly Path Martial Arts School.

Heavenly Path Martial Arts School.

On the martial arts field.

Hong Zekai finished his call.

Zhang Daoyi sneered and asked, “Are the masters of the 18 martial arts schools in Jiang City coming?”

Hong Zekai said in a deep voice, “The 18 masters are already on their way.” Zhang Daoyi nodded and asked, “Does that kid called Yang Luo dare to come?” Hong Zekai replied, “Mr. Yang is also on his way here.”

“Oh?”

Zhang Daoyi looked surprised, “I didn’t expect that kid to still dare to come after hearing my name. Interesting.”

Hong Zekai said coldly, “Why don’t you dare to come? I’ll tell you the truth. You’re not Mr. Yang’s match.

If Mr. Yang makes a move, your outcome will be very tragic.”

“Hahaha...”

Upon hearing this, Zhang Daoyi threw his head back and laughed. He shook his head and said, “Kid, it seems that you really don’t know how powerful I am!

To be honest, I didn’t use my full strength when I fought your father just now!” “Anyway, I’m telling the truth.”

Hong Zekai looked at Zhang Daoyi as if he was looking at a fool, “Since you insist on having a death wish, we won’t stop you.”

“Enough!”

Zhang Daoyi shouted coldly, “As long as that kid dares to come, I will definitely kill him easily!”

Jiang Mingyu and the others sneered repeatedly. They felt that Hong Zekai was simply joking.

Hong Zekai didn’t say anything else and waited quietly.

After waiting for about twenty minutes...

Voices came from outside.

“Alliance Master Hong, what happened? Why did you suddenly call us here?” “Could it be that those guys from Country Sakura are here to take revenge?” A group of people walked in from outside. It was Qiao

Jinsong and the other dojo masters and disciples of the 18 martial arts schools.

After walking in, Qiao Jinsong and the others saw Zhang Daoyi standing in the middle of the martial arts field and immediately frowned.

They did not have a good impression of Zhang Daoyi.

“Zhang Daoyi, why are you here?”

Qiao Jingsong asked in a low voice.

Zhang Daoyi glanced at Qiao Jinsong and the others and said loudly, “I’m here today to kill one person!”

Chapter 189: Sent Flying With A Punch!

Qiao Jinsong and the others were stunned for a moment before walking towards Hong Yunzhi.

When they saw the injured Hong Yunzhi and Hong Zekai, Qiao Jinsong and the others were shocked.

“Alliance Master Hong, Little Kai, what’s wrong?”

“Who hurt you?”

Qiao Jingsong and the others asked.

“Who else could it be?”

Hong Zekai replied and turned to look at Zhang Daoyi.

Qiao Jingsong and the others immediately understood and looked at Zhang Daoyi with even more unfriendly gazes.

“Alliance Master Hong, what’s going on?”

Qiao Jingsong quickly asked.

Hong Yunzhi did not hide anything and told Qiao Jinsong and the others what had just happened.

After hearing Hong Yunzhi’s words, Qiao Jinsong and the others were instantly furious.

Qiao Jinsong and the others turned to Zhang Daoyi and said angrily, “Zhang Daoyi, what do you mean by this? Are you trying to provoke the martial arts world of Jiang City?”

Chen Qingshan also exclaimed, “Don’t think that you can look down on Jiang City’s martial arts world just because you’re an expert on the Earth Ranking!”

The other dojo masters also stared fiercely at Zhang Daoyi.

Zhang Daoyi smiled in disdain and said, “Yes, that’s right. I’m provoking the martial arts world of Jiang City, I don’t take you all seriously!

“If not for the fact that I’m showing respect to the Chief of the Martial Alliance in China, Hong Yunzhi would be a dead man now!”

“Bastard!”

“He’s too arrogant!”

“You’re going too far!”

“If you have the ability, fight with us!”

Qiao Jingsong and the others roared one after another, so angry that their chests heaved.

“I’m not interested in you small fry.”

Zhang Daoyi shook his head and said, “The person I want to kill is Yang Luo.

It’s best if you don’t interfere!”

Qiao Jingsong and the others really couldn’t take it anymore. They took a step forward and prepared to attack.

“Everyone, don’t be rash!”

Hong Yunzhi hurriedly stopped him, “This old man’s cultivation level has stepped into the intermediate-stage of the Grandmaster Realm. You’re not his match. Let’s wait for Mr. Yang to come!”

Qiao Jingsong and the others suppressed the anger in their hearts and stopped.

Chen Qingshan took a deep breath and said, “Zhang Daoyi, you’re really too arrogant. You actually dare to provoke Mr. Yang. You’re really courting death!”

Qiao Jingsong and the others also looked at Zhang Daoyi with pity.

They all knew Yang Luo’s strength very well. A middle-stage Grandmaster Realm was not enough to even put a dent in him!

Zhang Daoyi mocked, “I want to see who’s the one who doesn’t know what’s good for him!

As long as Yang Luo dares to come, I will definitely make him unable to return!”

As soon as he finished speaking!

A strong voice sounded.

“You can’t return? Old thing, you’re quite arrogant!”

Hearing the voice, everyone turned to look at the door.

A thin but tall figure walked in. It was Yang Luo.

“Mr. Yang!”

“Mr. Yang is here!”

Hong Yunzhi and the others were overjoyed and hurriedly went forward.

Seeing Yang Luo arrive, Jiang Mingyu and the others' eyes were filled with hatred and anger, but they were even more excited.

This kid had finally arrived!

Yang Luo glanced at Hong Yunzhi and Hong Zekai and asked in a low voice, "Did this old thing injure you?"

Hong Zekai replied hatefully, "Yes, Mr. Yang!"

"Don't worry, I'll avenge you later."

Yang Luo replied before healing Hong Yunzhi and Hong Zekai.

After treating his injuries, Yang Luo turned to look at Zhang Daoyi and asked indifferently, "Old thing, are you the one who wants to kill me?"

"That's right!"

Zhang Daoyi replied proudly as he sized up Yang Luo.

However, what puzzled him was that he could not sense Yang Luo's cultivation at all.

Could it be that this kid only knew spells and did not know martial arts at all?

Yang Luo frowned and said, "Old thing, I'm very puzzled. I have no grudges with you. Why do you want to kill me?"

Zhang Daoyi said coldly, "Did you break the Mystic Yin Fiend Gathering Spell that I set up?"

"Mystic Yin Fiend Gathering Spell?"

Yang Luo looked at a loss at first, but he quickly remembered the curse, "Oh, so you were the one who cast the curse that harmed people?"

Zhang Daoyi narrowed his eyes and said, "Kid, I have to say that your spell techniques are indeed extraordinary. Not only can you break my Mystic Yin Gathering Spell, but you can also counterattack me.

I had long wanted to kill you. It's only because I had to spend time recuperating that I came now."

Yang Luo sighed softly and said, "You really shouldn't have come to look for me. If you hadn't come to look for me, I wouldn't have known of your existence.

However, since you've come to find me and are still clamoring to kill me, I can only get rid of you."

"Get rid of me? You?"

Zhang Daoyi sneered and did not take Yang Luo seriously at all.

"Kid, listen carefully. Priest Zhang is a Martial Dao master ranked 60th on the Earth Ranking. He's also a spell master. If you know what's good for you, quickly commit suicide to apologize!"

He Yilin gritted her teeth and said.

“Kid, your death date is here!”

Jiang Mingyu added ruthlessly.

Yang Luo said in amusement, “Why are you guys here too?”

He Jiahao said with a vicious gaze, “Of course we’re here to see how you die!”

Yang Luo shrugged and said, “Looks like I’ll have to disappoint you today.

“Indeed, someone will die today, but the person who will die won’t be me, but this old thing.”

Zhang Daoyi stood with his hands behind his back and said indifferently, “Kid, the dojo masters of the various martial arts schools in Jiang City are all here. Don’t say that I’m bullying the weak.

I’ll give you a chance to attack first.”

Yang Luo asked in amusement, “Are you sure you want me to make the first move?”

“Of course I’m sure.”

Zhang Daoyi nodded.

He Yilin shouted, “Dog, hurry up and attack. If you don’t, you won’t have a chance!”

Yang Luo looked at Zhang Daoyi and raised his eyebrows, “Since you’ve said so, I’ll fulfill your wish.”

Before his voice could fade...

Swoosh!

Yang Luo’s figure flashed, leaving afterimages as he rushed towards Zhang Daoyi!

Zhang Daoyi’s pupils constricted in shock!

Fast!

Didn’t this kid not know martial arts? How could he be so fast?!

However, although he was shocked, Zhang Daoyi still did not put Yang Luo in his eyes!

His entire body trembled, and the True Qi in his body instantly erupted, condensing a black True Qi barrier that enveloped him!

The next second!

Yang Luo had already approached. Then, he twisted his fist and punched Zhang Daoyi!

This punch looked very slow and did not seem to pose any threat. It was like a punch from an ordinary person!

However, the moment the punch approached, Zhang Daoyi immediately felt danger!

Before he could regain his senses!

Bam!

Yang Luo’s punch had already landed heavily on his True Qi barrier!

The entire martial arts arena seemed to ring with a loud bell!

In an instant!

The True Energy barrier that Zhang Daoyi had condensed was shattered by a single punch, as if it was made of paper!

“What?!”

Zhang Daoyi cried out in shock, his eyes filled with disbelief.

However, before he could finish speaking, Yang Luo’s fist had already landed on his chest!

“Ah...!”

Zhang Daoyi let out a miserable cry as he was sent flying like a sandbag.

A part of his chest caved in, and several of his ribs were broken...

Chapter 190: Nine Yin Fiend Array!

Zhang Daoyi was sent flying more than ten meters away before he staggered and stabilized his body.

He clutched his chest and looked up at Yang Luo, his eyes filled with shock.

One punch!

He was actually sent flying by the kid in front of him with a punch and had a few ribs broken!

Didn’t this kid not know martial arts and have no cultivation? How could he be so powerful?

At this moment, the entire martial arts field fell silent.

Even Hong Yunzhi and the others, who had seen Yang Luo attack back then, were dumbfounded at this moment. They were still shocked.

“Why do I feel that... Mr. Yang is even more powerful than before...”

Chen Rongrong said in a trembling voice.

Qiao Yongjie gulped and said, “Mr. Yang is indeed more powerful than before... The aura he erupted with in an instant just now was more than twice as strong as before...”

Hong Yunzhi sighed in admiration and said, “I’m afraid Mr. Yang’s cultivation level has increased again. I just don’t know what realm Mr. Yang has advanced to!”

Qiao Jingsong and the others were even more shocked and admired Yang Luo even more.

As for Jiang Mingyu and the others, they were dumbfounded and thought that they were seeing things!

Such a powerful Zhang Daoyi was actually sent flying by this kid with a single punch. This couldn’t be true, right?

“Daoist Zhang, what’s going on?”

He Yilin asked blankly.

Zhang Daoyi waved his hand and said, “I was just careless just now.”

Hearing this, He Yilin and the others heaved a sigh of relief.

So it was just an accident. No wonder.

This Daoist Zhang was an immortal. How could he be defeated by this kid so easily?!

“Was it really just an accident?”

Yang Luo sneered and hooked his finger, “Why don’t we continue?”

“Just continue. I’m not afraid of you!”

Zhang Daoyi shouted and waved the horsetail whisk in his hand.

“Mystic Yin Lightning Technique!”

Boom! Boom! Boom!

The next instant...

Three black lightning bolts whistled out at the same time and slashed at Yang Luo!

“Is this your spell technique?”

Isn’t it too weak?”

Yang Luo shook his head and merely sent out a slap.

Rumble!

Thunder rumbled in the martial arts arena!

The three bolts of lightning did not even get close to Yang Luo before they were slapped away by him!

“This...!”

Zhang Daoyi’s expression changed drastically, filled with fear.

This kid actually blocked his Yin lightning with his bare hands?!

One had to know that even a middle-stage Grandmaster Realm expert could not withstand his Yin Lightning!

Yang Luo said with a strange expression, “Why aren’t you continuing? Is that all?”

“Young brat, don’t be so smug!”

Zhang Daoyi shouted angrily and continuously mobilized the True Qi in his body. Then, he waved the horsetail whisk in his hand again!

Rumble!

Accompanied by even more terrifying thunderous explosions...

Nine black lightning bolts condensed and lashed at Yang Luo angrily!

Furthermore, the nine bolts of lightning were very thick, as thick as an adult's thigh, like nine lightning pythons!

Wherever it passed, the stone slabs on the ground were shattered!

If it struck a person, even if they did not die, they would be severely injured!

“Mr. Yang, be careful!”

“Mr. Yang, move aside!”

Hong Yunzhi and the others in the distance reminded him in surprise.

“Strike him to death! Strike him to death! Strike him to death!”

He Yilin and Jiang Xinyue shouted.

Jiang Mingyu, He Jiahao, Song Chengyou, Zhao Tianheng, and the others were also so excited that their faces turned red.

A godly figure!

This Daoist Zhang was indeed a godly figure!

Seeing the nine lightning pythons slashing over angrily, Yang Luo stood in the arena without dodging or retreating. His expression was extremely calm.

It gave people the feeling that he had been scared silly!

However, the moment the nine lightning pythons approached!

Yang Luo looked up and said in a loud voice, “Old thing, you’re still too inexperienced to play with me!

“I’ll let you see what the true power of lightning is!”

As he spoke, Yang Luo raised his right hand, and dazzling golden lightning immediately flickered in his palm!

This golden lightning was condensed by Yang Luo through the True Qi and Pure Yang Qi in his body. It was called the Nine Yang Divine Lightning!

Currently, when he combined his True Qi with the Pure Yang Qi in his body, he would be able to condense both True Fire and Yang Lightning. These were the two elemental powers he controlled now!

Of course, so long as his cultivation continued to increase, he would control more elemental powers!

“Break!”

Yang Luo let out a shout and waved his right hand!

Rumble!

A golden bolt of lightning as thick as an adult's waist struck out angrily, as if it had transformed into a golden dragon. This golden lightning more than ten meters long collided with the nine lightning pythons!

At that very moment...

Bam!

The golden lightning dragon and the nine black lightning pythons collided heavily, emitting a terrifying bang!

The wind howled, rocks flew, dust filled the air, and lightning flashed!

The people watching the battle from afar felt their eardrums hurt and covered their ears!

When everything returned to normal, everyone looked over.

In the arena, where the lightning struck, a huge pit was blasted into the ground, causing everyone present to tremble.

Zhang Daoyi was also affected. His Daoist robe was torn and tattered, and his body was covered in blood.

As for Yang Luo, he was not injured at all.

Jiang Mingyu and the others were stunned again!

What was this situation?

Why was Zhang Daoyi at a disadvantage again and injured again?

How strong was Yang Luo?

Hong Yunzhi and the others were trembling in shock!

To be able to control lightning was not something an ordinary Martial Warrior could do!

Yang Luo looked at Zhang Daoyi calmly and said indifferently, "Old thing, use all your strength. Otherwise, you won't have a chance!"

"Shut up, you shut up!"

Zhang Daoyi's expression was ferocious as he roared.

He brought Jiang Mingyu and the others here and asked Hong Yunzhi to call all the dojo masters to watch the battle. He wanted to show off and establish his might in front of the martial arts world and family in Jiang City.

However, he did not expect to be beaten up so badly by a young kid before he could gain any attention.

This really made him furious. He wished he could burn Yang Luo's bones and scatter his ashes.

However, through the exchange just now, he realized.

This young man in front of him was not simple. Not only was his martial arts powerful, but his spell techniques were also very powerful.

If he wanted to kill him, he had to use all his strength. He had to be careful as well!

With this thought in mind...

Zhang Daoyi suddenly waved his right hand!

Nine black talismans flew out of his sleeve and surrounded Yang Luo!

Then, Zhang Daoyi chanted an incantation and shouted!

“Nine Yin Fiend Array!”

In an instant...

The nine talismans formed an array formation and trapped Yang Luo inside!

When the array formation was formed, black baleful aura surged into the sky. Black Yin spirits enveloped in a baleful aura pounced at Yang Luo!

Nine black lightning bolts thicker than before also struck Yang Luo from nine different directions!

These nine bolts of lightning split into two, two into three, and directly transformed into 36 bolts of lightning. Like 36 lightning pythons, they collided with Yang Luo at the same time!

This scene shocked everyone present!
