Chapter 1811: The Divine Emperor Comes Out Of Seclusion!

Just as everyone was waiting anxiously “Lord Divine Kings, I have something to report!” A shout came from outside.

The crowd parted, and a member of the Holy Imperial Court’s intelligence team rushed in.

Everyone looked over.

King of Creation said, “Speak.

What’s the matter?” This member hurriedly replied, “Lord Divine Kings, leaders, we’ve obtained accurate information!

The 4,568 organizations led by the Holy Light Church, the Heavenly Shrine, and the Hell Fiend Palace have already entered the Pacific Ocean and are rushing towards us!” “What?!

They’re moving so quickly?!” “F*ck!

Looks like they can’t wait to destroy us!” “They have people, but don’t we have people?

It’s still not certain who will destroy who!” “We have more than 1.5 million people here.

There’s also the Divine Emperor, the Blue Luan, the Empress of Heavenly Fate, the Divine Light and Darkness, the Underworld Emperor, the Ice Empress, and other top-notch experts.

We’re not afraid of them at all!” All the leaders roared.

Some people were nervous, some were worried, but most people were not afraid at all.

They had made sufficient preparations for this battle, so why would they be afraid of a battle!

Xiang Kunlun asked, "Have you found out how many people they have?" The member replied, "I don't know the exact number, but there are at least 1.7 million people!" Xiang Kunlun said in a low voice, "In terms of numbers, they've surpassed us.

However, it doesn't matter.

The difference isn't too big!" King of Creation asked, "How far are they from us now?" The member replied, "More than ten minutes ago, they were more than 4,000 nautical miles away from us!" "More than 4,000 nautical miles.

There's still a distance." King of Creation pondered for a moment before waving his hand, "Investigate again!

Report any news immediately!" "Yes!" The member responded and left in a hurry.

Alves looked at King of Creation and said, "Now that the Holy Light Church and the others are here, aren't we going to wake Mr.

Yang up?" King of Creation frowned, "There's still no movement on Eight Trigrams Island.

Let's wait a little longer!" "Fine" Alves and the others nodded and could only continue waiting.

They were all looking forward to Yang Luo stepping into a stronger state and quickly coming out of seclusion!

After all, the enemy had already attacked!

Every half an hour after that.

The members of the intelligence team would rush over to report.

“The Holy Light Church is still 4,000 nautical miles away from us!” “They’re still 3,500 nautical miles away from us!” “Three thousand nautical miles!” “2,500 nautical miles!” An hour passed.

The members of the intelligence team ran in again.

“The Holy Light Church is only 2,000 nautical miles away from us!” As soon as these words were spoken.

Everyone in the hall became even more anxious and nervous.

“Damn it!

They’re only two thousand nautical miles away from us!” “We’re getting closer and closer.

We can’t wait any longer!” “That’s right.

If we wait any longer, they will come to the headquarters of the Holy Imperial Court!” “Why don’t we quickly wake the Divine Emperor up?” “Or we can bring people to intercept them first.

After the Divine Emperor comes out of seclusion, he can meet us again!” The various leaders spoke up one after another.

King of Creation looked up at Xiang Kunlun and the others and asked, “Brothers, what do you think we should do?” Xiang Kunlun said, “Let us bring people to intercept them first!

“Brother Yang can meet us after he comes out of seclusion!” King of Creation asked, “Is that what everyone thinks?” Everyone nodded.

“Ok!” The King of Creation stood up and said, “Then let’s set off first!” “Yes!” Everyone in the hall stood up.

But right at this moment Rumble The entire palace suddenly shook, causing everyone to sway and almost fall!

“What happened?

Why is the palace shaking?!” “Could it be an earthquake?!” “The Holy Imperial Court’s geographical location is extremely good.

There has never been an earthquake!” “Then what exactly is going on?” Everyone discussed spiritedly, feeling very puzzled.

At this moment.

A series of exclamations and noises came from outside the palace.

“Come, let’s go out and take a look!” Xiang Kunlun waved his hand and ran out of the palace with everyone.

They arrived at the square.

Everyone in the square and on the battleship looked in the same direction.

That direction was where Eight Trigrams Island was.

With Eight Trigrams Island as the center The surrounding islands shook violently!

Huge waves surged on the sea!

BOOM!

With a loud bang!

A golden beam of light soared into the sky from Eight Trigrams Island, breaking through the sea of clouds and connecting the sky and the island!

As this golden beam of light soared into the sky!

Everyone saw a solid golden figure fly into the sky!

The golden figure stood in the sky and waved his hands in the air, as if he was practicing something.

It was incomparably mysterious and majestic!

“Oh my god, what’s this golden figure?

Why does it look so much like the Divine Emperor?!” “It does look like Divine Emperor.

However, this golden figure is not a corporeal body.

It’s too strange!” “As expected of a Divine Emperor.

He can actually use such a divine power.

It’s too magical!” The people on the island and the battleship exclaimed in surprise.

Ye Luange stared at the sky in the distance and said with certainty, “I’m sure that this is Little Luo’s Primordial Soul!

I’m afraid that Little Luo has really stepped into the True Immortal Realm!” “Really?

Brother Yang has stepped into the True Immortal Realm?!” “Great, that’s great!” Everyone was very excited.

At this moment.

As the golden figure in the sky streaked across the void with both hands, various phenomena appeared in the sky.

Flying swords shuttled, golden dragons soared, vermilion birds spread their wings, the Black Tortoise stepped on the sky, the Ancestral Magus floated in the air, lightning flickered, flames surged, violent winds blew, and snow fluttered These phenomena stunned everyone present!

Rumble A series of explosions exploded in the sky in the distance, causing everyone’s eardrums to buzz!

This strike lasted for more than ten minutes.

At that moment The golden figure led all the phenomena and swooped down from the sky, flying into the valley of Eight Trigrams Island!

After a while BOOM!

A figure covered in blood and shining with golden light soared into the sky from Eight Trigrams Island.

It was Yang Luo!

“Brother Yang has come out of seclusion!” “Hahaha, Brother Yang has finally come out of seclusion!”
“The Divine Emperor has finally come out of seclusion!” Everyone present shouted excitedly, raising their arms and cheering.

Chapter 1812: Even If I Have to Fight It All!

They had been waiting for the past three days.

Now, Yang Luo had finally come out of seclusion!

“Divine Emperor!

Divine Emperor!

Divine Emperor!” Everyone present was excited and shouted excitedly.

At this moment.

Yang Luo stood in the air.

He glanced around and realized that everyone had gathered.

It seemed that the ultimate battle of the Dark World had arrived.

Although Yang Luo was covered in blood, there were no wounds on his body.

His essence, energy, and spirit had reached their peak.

Ye Luange’s eyes were filled with heartache as she muttered, “Little Luo probably paid a heavy price to step into the True Immortal Realm!” Song Zhixin’s eyes turned red, “This big idiot made himself like this

again in order to become stronger!” Su Qingmei and the other women’s eyes were also red and filled with tears.

Mo Qingkuang sighed and said, “The path of the strong is never smooth sailing!

In order to become stronger, Brother Yang fought the heavens, the earth, humans, and himself!

He was covered in injuries time and time again.

He surpassed his limits time and time again and became stronger!

He’s our brother and our role model!” “Yes!” Xiang Kunlun and the others nodded heavily with tears in their eyes.

Just as everyone was waiting for Yang Luo to speak However, Yang Luo suddenly plunged into the sea.

Everyone present was a little stunned.

They did not know why Yang Luo had jumped into the sea.

After a while BOOM!

A huge wave soared into the sky from the sea!

Yang Luo flew into the sky again.

Everyone saw that the blood on his body had been washed clean and he had changed his clothes.

Moreover, on the way to the sky, he had already circulated his energy to evaporate the water on his body.

Bujie shook his head and said, "Alright, so Brother Yang ran into the sea to take a shower!

At a time like this, he still has such thoughts.

I'm really impressed!" Xiang Kunlun and the others were caught between laughter and tears.

Yang Luo stood in the sky and said loudly, "Brothers, I've made you wait!" "Divine Emperor!

Divine Emperor!

Divine Emperor!" Everyone raised their arms and shouted again.

Yang Luo took a step forward and instantly arrived above the palace square.

"Brother Yang, have you really stepped into the True Immortal Realm?" Bujie hurriedly asked.

Yang Luo nodded in response.

"Haha, good, good job, Brother Yang!" "Now that Brother Yang has already stepped into the True Immortal Realm, what's there to be afraid of?" Everyone was very happy.

Yang Luo looked at Chu Longyuan and the rest and asked, "Brother Chu, Little Meng, why are you here?" Chu Longyuan grinned and said, "Brother Yang, how can we not help with such a big matter!" Lan Xiaomeng also said, "Brother Yang, although we can't deal with those top experts, we can still help a lot, okay?" Yang Luo nodded in realization and cupped his hands, "Thank you for coming to help!" Chu Longyuan waved his hand and said, "Brother Yang, we're all brothers.

There's no need to thank me!" "Fourth Senior Sister, Sister Wanqiu, Yanran Why are you here too?" Yang Luo was stunned for a moment.

He realized that Lin Qianyi, Su Wanqiu, and Chu Yanran were all here.

Lin Qianyi glared at him, "What do you mean?"

"Do you think we can't help you?" Chu Yanran snorted, "Although we're women, we're all cultivators.

"We can still deal with ordinary people!" Yang Luo looked at Su Qingmei and the other girls and asked, "So, all of you are going to participate in this battle?" "Of course!" "A woman can also hold up half the sky!" Su Qingmei, Qin Yimo, and Alinda all spoke up.

Yang Luo thought for a moment and said, "If you want to participate in the battle, sure!

However, you must remember to retreat quickly when you encounter danger.

"Don't force yourself!" His women were all cultivators and indeed needed to be honed.

In this way, they could become stronger.

"Yes!" Su Qingmei and the other women replied in unison.

"By the way, what's the situation on the Holy Light Pope's side?" Yang Luo asked.

Xiang Kunlun replied, "Brother Yang, the Holy Light Pope is leading 4,568 organizations and more than 1.7 million people towards us!

Now, they are less than 1,800 nautical miles away from us!" "Is the war finally going to start?" A cold glint flickered in Yang Luo's eyes as he asked in a trembling voice, "Brothers, are you ready?" "Ready!" Everyone responded in unison.

"Very good!" Yang Luo nodded and said to Xiang Kunlun and the others, "Brothers, take out all the ancient boats!

Let the leaders and main forces of the various organizations take the ancient boats!

The other brothers will travel on the battleships!

We must not let the Holy Light Pope and the others approach our Holy Imperial Court!

Let this life and death battle begin in the Pacific Ocean!" "Ok!" Xiang Kunlun and the others responded.

Then, they each took out dozens of ancient boats of various colors from their storage bags.

Yang Luo also took out dozens of ancient boats from his storage bag.

There were more than a hundred ancient boats.

Some were dozens of meters long, and some were a hundred meters long.

Everyone boarded the ancient boats and circulated their True Qi and energy to control the boats to fly into the sky.

Yang Luo stood on the leading ancient boat and waved his hand!

"Brothers, let's go!" "Let's go!!!" Everyone responded in unison.

Then, Yang Luo and the others sat on the ancient boat and flew in the sky.

More than 7,000 warships were activated and sailed majestically towards the Pacific Ocean.

Unknowingly, Yang Luo and the others left the Holy Imperial Court and drove into the deep sea.

The ancient boat flew slowly in the sky.

The battleship sailed gently on the sea.

Everyone's expressions were solemn as they prepared for battle.

On the lead ancient boat Ye Luange asked Yang Luo, "Little Luo, are you confident in killing the Holy Light Pope this time?" Everyone looked at Yang Luo.

Yang Luo said, "In the previous Dark Conference, I was indeed not confident in killing the Holy Light Pope!

But now, I'm completely confident that I can kill him!

Even if this guy can absorb the power of faith, I'm not afraid!" "Since even Brother Yang said so, this battle is settled!" "Brother Yang, this time, we'll completely destroy that old thing, the Holy Light Pope!" "Divine Emperor, we believe that you can definitely lead us to victory!" Everyone spoke up one after another, their fighting spirit high.

Yang Luo nodded and looked into the distance, but he frowned.

He was not worried about the Holy Light Pope and the others now.

What he was worried about was that the Holy Light Pope and the others still had hidden trump cards.

Forget it!

No matter what tricks they had up their sleeves, they had to completely destroy them this time!

Even if he had to give it his all!

Chapter 1813: The Final Battle Begins!

At dusk.

Yang Luo led 4,357 organizations, more than 7,000 battleships, and more than 1.5 million people to advance a thousand nautical miles.

The setting sun was like blood, and the evening glow filled the sky.

The waves surged, and the atmosphere was murderous.

Just as everyone arrived at this sea area, Yang Luo's eyes turned cold as he looked into the distance and said in a loud voice, "Brothers, they're here!" Now that he had stepped into the True Immortal Realm, the range of his perception was even greater.

"They're here!" "Really?!" "Where is it?" "Why don't I see them?!" Everyone roared out.

After a while Ye Luange also sensed it.

She looked up and said coldly, "They're indeed here!" Divine Light and Darkness also spoke in a deep voice, "They're not far from us!" Yang Luo said loudly, "Brothers, prepare for battle!" "Yes!!!" Everyone responded in unison and prepared for battle.

Ten minutes later.

Rumble In the distance, the sky trembled, the sea of clouds churned, and the sea surged!

A magnificent scene immediately appeared in front of everyone!

As he cast his eyes in front First, three chariots passed through the sea of clouds and flew over from afar!

The chariot in the middle emitted a golden light and was pulled by three pegasi with wings and a horn!

The Holy Light Pope wearing a golden robe, a golden crown on his head, and holding a golden scepter stood on it!

The chariot on the left emitted a purple-gold light and was pulled by three griffins that emitted a purple-gold light!

Heavenly God Emperor wearing purple-gold armor and holding a purple-gold spear stood on it!

A chariot on the right emitted a black light and was pulled by three Three-Headed Hellhounds that were emitting black light!

The Hell Fiend Emperor, who was dressed in black armor and had a burly figure, stood on it with a black saber in his hand!

“Holy Light Pope, Heavenly God Emperor, Hell Fiend Emperor!” “They actually came on chariots!” “What kind of monster is pulling the chariots?!” “Could it be the legendary Pegasus, Griffin, and Cerberus?!” “Heavens, why do the legendary divine beasts and magical beasts exist in this world?!” Everyone exclaimed in shock.

Bujie clicked his tongue and said, “Damn it, these three guys actually came in a chariot.

Isn’t this too flashy!

Brother Yang, when are we going to get a few chariots too!” Divine Light and Darkness said coldly, “No matter what they rode here, it won’t change the outcome of their deaths!” Just as the three chariots flew over.

More than a hundred wooden ancient boats flew over from behind, like the legendary Noah's Ark!

Apart from the wooden ancient boats, there were also more than a hundred purple-gold ancient boats and more than a hundred black ancient boats flying over!

These 300-odd ancient boats flew in the sky and were filled with people!

There were the seven guardian angels of the Holy Light Church!

There were the ten lords of the Heavenly Shrine!

There were the nine demon kings of the Hell Demon Palace!

There were also the leaders and main forces of the various organizations!

Standing at the front were the Flame Emperor, the Corpse Emperor, and Kagura Kenshin!

On the sea, more than 8,000 battleships sailed over!

The flags on the battleship fluttered in the wind!

There were more than 1.7 million people standing on it.

All of them were aggressive and awe-inspiring!

Very quickly The Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor drove the three chariots and stopped in the sky not far away.

The three hundred or so ancient boats stopped in the sky behind.

The 8,000-odd battleships stopped at the sea below.

The two sides stood facing each other.

The atmosphere was oppressive and tense.

Ye Luange glanced at the Flame Emperor, the Corpse Emperor, and Kagura Kenshin and said in a deep voice, "The Flame Emperor and the Corpse Emperor have all stepped into the perfected Earth Immortal realm!

Kagura Kenshin had stepped into the late-stage Earth Immortal realm.

Divine Light and Darkness narrowed his eyes and said, "For these three fellows to be able to enter the Divine Ranking with their own strength, they are naturally very talented.

It's not surprising that they can break through now!" "Hmph!" Underworld Emperor snorted coldly and said, "So what if they broke through?

We still broke through!

As long as Brother Yang can defeat the Holy Light Pope, those other guys are not our match at all!" "Yes!" Everyone nodded heavily, feeling even more confident.

"Yang Luo!!!" The Holy Light Pope stood on the chariot and let out a thunderous roar.

He stared fixedly at Yang Luo and said fiercely, "You're lucky that I didn't kill you at the Dark Convention last time!

You won't be so lucky this time!

In this battle, be it you or everyone around you, you will definitely die!” “Yang Luo, it’s time to settle the old and new grudges between us today!” “Kid, your death date is here!” Hell Fiend Emperor and Hell Fiend Emperor also roared out Yang Luo eyed the trio before proclaiming loudly, “Just the three of you and you want to kill me?”

Aren’t you looking too highly upon yourselves?

Do you think you can kill me?

Can you do it?” The Holy Light Pope sneered, “Kid, this match, who lives to the end and who dies, you can wait and see!” Yang Luo could not be bothered to talk more pleasantries with them.

He immediately roared out loudly!

“Dragon Emperor Sword!” Whoosh!

Accompanied by a crisp sword cry!

The Dragon Emperor Sword flew out of his storage ring and was held firmly in his hand!

He raised the sword in his hand and pointed it in front of him before commanding loudly!

“Brothers, let’s fight!” “Start the battle!” Everyone that was following Yang Luo roared out in unison, before moving at once, charging towards the enemy!

“Kill them!” The Holy Light Pope also raised the scepter in his hand, pointing it in front of himself.

“Annihilate them!” “Kill them!” Hell Fiend Emperor and Heavenly God Emperor also activated the armies and weapons.

“Kill!!!” Following the commands from the trio, the organizations following them also charged forward.

A battle that would decide the fate of the Dark World unfolded in epic proportions right there!

Chapter 1814: Battle Ape King!

On the sea!

In the air!

More than three million people were fighting!

The scale of this battle was huge and rare!

Such a huge battle had never happened in the Dark World in all these years!

The moment this battle started!

The satellite aerial photography broadcasted the scene of the battle on the dark web!

This was because there were a small number of people in the Dark World did not participate in this battle!

All the royal families, families, and international companies that were related to the Dark World were watching the battle on the Dark World!

“The battle has completely erupted.

I wonder who will win and who will lose in this battle!” “No matter which side wins, the situation in the Dark World will change!” “The Holy Light Pope and the others definitely don’t have any good intentions.

After all, they were the ones who caused the chaos in the Underworld!” “That’s right.

If they unify the Dark World, I’m afraid the entire Dark World will be finished.

Everyone will become their servants!” “I’m more willing to believe in the Divine Emperor.

The Divine Emperor fought for the peace and stability of the Dark World.

Only the Divine Emperor can lead the Dark World to a bright future!” “What bullsh*t Divine Emperor?

Only the Pope and the others are absolute justice, light, and hope!” The people who were paying attention to this battle began to discuss and even argue.

At this moment.

At the center of the Pacific Ocean, above and above the sea.

The battle was intense from the beginning.

Rumble Rumble The sound of clashing and explosions resounded non-stop!

The roars, battle cries, and screams were endless!

Not long after the battle began, there were already many casualties!

At this moment.

In the air.

“Roar!” Big White’s body had already grown to more than sixty meters in size, and it barged through the ancient boats one after another!

After its cultivation broke through, its body could become taller and stronger!

“I am the Battle Ape King!

All of you can fucking die!” Big White roared as it charged forward.

It was like an incomparably ferocious primordial beast as it unleashed a huge wave of destruction in the sky!

Not long ago, Big White had pestered Yang Luo to help it get a domineering title.

Yang Luo really couldn’t dissuade this guy, so he gave him this title.

Big White felt that it was very domineering, so it happily accepted it.

At this moment.

Under the impact caused by Big White!

Dang, dang, dang!

Ancient boats were knocked over one after another.

Those who could not fly fell like dumplings!

Some fell into the sea and survived!

Some fell onto the deck of the battleship and died from the fall!

Boom, boom, boom Many ancient boats were shattered into pieces by Big White, and they scattered in all directions!

Everyone on the ancient boat was sent flying.

They spat out blood and died on the spot!

At the same time, Big White clenched its fists and punched out continuously!

It shattered the ancient boats and blew up the people on them like watermelons!

Big White felt that it wasn't enough to fight in the sky, so it changed its direction and swooped down, crashing into the steel battleship below!

As its huge body crashed down like Mount Tai!

Rumble With just one collision, more than ten steel battleships were shattered!

The people on the battleship were either killed by the collision or seriously injured and fell into the sea!

After smashing more than ten steel battleships!

Big White leaped into the air and crashed into the ancient boat in the sky like a rocket.

It was an incomparably terrifying existence!

Rumble The ancient boats in the sky were instantly shattered!

Big White felt that this was quite fun, so it would sometimes crash into the sky and sometimes into the sea below.

It was extremely destructive!

“Monster This monkey is a monster!” “This monster is even more terrifying than before!” “How can ordinary people be its match!” “Run, run!” On the ancient ship in the sky and the battleship below, people shouted in fear and fled in panic.

However, they did not know how to fly at all.

Other than jumping into the sea, they could not escape at all.

Right at this moment!

“Kill this monster!” “Kill this beast!” “We can’t let it continue to destroy us!” Michael, Gabriel, Uriel, Raphael, Raquella, Sariel, and Remuel condensed wings of light and flew over from afar to attack Big White!

Clink clink clink!

Seven massive beams of light tore through the sky and shot toward Big White!

Boom!

Boom!

Boom!

Big White wasn't paying attention and was hit hard!

However, just as the light dissipated What shocked Michael and the others was that their sneak attacks were completely ineffective!

Apart from a few singed hairs on Big White's body, there were no other injuries on its body!

However, Big White had clearly taken Michael's group's sneak attack as a provocation and infuriated it!

It slowly turned around and pounded its strong chest with its fists before roaring at Michael and the others!

"Roar" This roar shook the heavens and the earth!

White-gold sound waves spread out!

Michael and the others hurriedly condensed energy shields to defend themselves, but the shields were unable to withstand the impact of the soundwaves at all and were instantly shattered!

They even felt that their eardrums were about to shatter!

"Ahhhh" They let out a cry of pain and were sent flying.

Moreover, just as they were sent flying!

A massive wave of crimson flames shot out from Big White's mouth and swept toward the seven of them!

“Quickly dodge!” Michael yelled in horror as he hurriedly flapped his wings of light to dodge to the side.

Gabriel and the others also panicked and quickly dodged.

But just as they were dodging!

Big White charged toward Michael and the others!

“Retreat!” “Retreat!” Michael continued to roar as he hurriedly retreated.

Gabriel, Uriel, and Remuel retreated with him!

However, Raphael, Raquelle, and Sariel couldn’t retreat in time and were directly hit by Big White!

Boom!

Boom!

The dull sound of collision resounded in the air, deafening everyone present!

“Pu pu pu” Raphael and the other two spat out a mouthful of blood and were sent flying, falling from the sky.

As Raphael and the other two were knocked out of the air!

Michael, Gabriel, Uriel, and Remuel were enraged as they brandished their weapons and slashed at Big White from behind

Chapter 1815: Victory in this Battle!

“Get lost!” Big White let out a roar, turned around, and threw a punch!

Rumble!

A deafening sound of collision resounded in the air!

“Pu pu pu pu” Blood spurted out of Michael and the others’ mouths as they were sent flying along with their weapons before plummeting to the ground!

However, Big White didn’t stop at all.

It instead charged down like a mountain toward Michael and the others!

“Counterattack!

Quick, counterattack!” Michael roared in shock.

He was on the verge of going crazy from fright.

Too powerful!

This beast was really too strong!

Michael and the others mobilized the energy in their bodies at the same time and unleashed seven beams of light!

“Holy Light Judgment!” Seven beams of light shot out at the same time and intertwined in the sky, turning into an even larger seven-colored beam of light that contained terrifying destructive power as it blasted towards Big White!

“Explode for me!” Big White wasn’t afraid at all, and it immediately unleashed a punch!

The punch was incomparably ferocious and shattered the void inch by inch, as if it wanted to destroy everything!

Rumble!

The seven-colored beam of light was directly exploded by a punch, turning into a rain of light that filled the sky and splattered!

Seeing this, Big White leaped into the air and charged toward Michael and the others!

Michael roared, “Hurry up and set up a killing formation to trap and kill this beast!” “Ok!” Gabriel and the others replied in shock.

Then, Michael and the others mobilized the energy in their bodies and brandished their weapons!

“Holy Light Cross Array!” In an instant!

A massive formation condensed and trapped Big White within!

“Formation, activate!” Michael and the others roared again.

The array was activated and a terrifying attack erupted!

Seven crosses that were dozens of meters tall stood up and charged toward Big White!

Chains of light whistled out!

Countless blades of holy light condensed and shot out!

But Big White was completely unafraid in the middle of the array formation.

It suddenly stomped down!

Waves of violent energy spread out from his body!

Boom!

Boom!

Boom!

The incoming crosses, chains that whistled over, and light blades that shot over were all destroyed!

Then, Big White ran with all its might toward the array formation!

Rumble!

The entire array formation was actually extremely fragile in front of it and shattered, exploding into a wave of light!

“ROAR!” Big White let out a loud roar and pushed aside the wave of light.

Then, he unleashed a furious punch toward Michael and the others!

A look of horror appeared on the faces of Michael and the others as they condensed defensive barriers to defend themselves!

However, no matter how strong their defense was, they still could not withstand this punch!

Finally, accompanied by a rumbling explosion!

The defense they had condensed was directly shattered by a single punch!

“Ahhhh” They screamed in pain as blood spurted out of their mouths.

Their flesh and blood splattered as they fell into the sea!

However, Big White was incomparably ferocious as it charged towards them again!

The people on the ancient boats and battleships in the distance were shocked when they saw this scene!

“The Divine Emperor’s pet is too powerful.

It crushed the seven Guardian Angels!” “These seven Guardian Angels are no match for that monkey at all.

It’s only a matter of time before they’re killed!” “That’s great.

We have so many powerful combatants here.

We’ll definitely win this battle!” “We will definitely win this battle!” The people following Yang Luo were extremely excited, and their fighting spirit became even higher.

The people who followed the Holy Light Pope were all trembling in fear.

Even a monkey was so strong.

Could they really win this battle?

Didn't the Pope and the others say that they had helpers?

Why haven't they appeared?

Just as Big White was chasing after Michael and the others!

A shocking battle also took place on the ancient boats in the distant sky!

The ones fighting were the Divine Kings of the Holy Imperial Court and the kings of the Hidden Alliance!

The enemy were the Overlords of the Heavenly Shrine and the Demon Kings of the Hell Fiend Palace!

"Nine Stage Hell Suppression Palm!" Xiang Kunlun charged forward and struck out with all his might!

A huge palm burning with black and golden flames pushed forward like a huge mountain!

An illusion of a Kun Peng that was burning with black and golden flames charged out!

"Great Heaven Creation Fist!" King of Creation also charged forward and struck out with his palm!

A huge purple-gold palm pressed down and shook the void.

It was incomparably ferocious!

"Dark Furious Killing Fist!" "Eternal Light!" Darkness Demon King roared and threw a heavy punch!

Eternal Overlord waved his hand and shot out a dazzling divine light!

In an instant!

Boom!

Boom!

Rumble!

A thunderous collision and explosion resounded, echoing between the sky and the sea!

Although Darkness Demon King and Eternal Overlord were powerful, they could not withstand the fierce attacks of Xiang Kunlun and King of Creation!

“Ugh” “Ah” The two of them let out a painful cry and were sent flying!

“Don’t give them time to breathe.

Kill them!” King of Creation roared and chased after him!

Xiang Kunlun also moved and chased after him!

“Violent Sin Axe!” The Sin Demon King held a black-gray ax in his hand and slashed forward angrily!

Huge axes that flickered with dark demonic light tore through the void, bringing with them bursts of sonic booms!

“Divine Light Descends from the Heavens!” Darkness Overlord waved the black scepter in his hand!

Beams of faint golden light descended from the sky and bombarded down!

The two of them were attacking the Sacred Prison King, King of Destruction, and the Divine Punishment Sword Master!

“Time Stop!” “Atmospheric Crushing!” “Heavenly Wrath Divine Slash!” Sacred Prison King waved his hand!

Everything around him seemed to have been pressed on the pause button.

Everything stopped!

The huge axe that was slashing over stopped in midair, unable to slash down!

The beams of light also stopped in the sky!

King of Destruction activated his Atmospheric Superpower and pressed down!

The Divine Punishment Sword Master waved the longsword in its hand and slashed out again!

Rumble!

The attacks of the Sin Demon King and the Light Overlord were instantly destroyed!

“Continue, kill!” King of Destruction roared and chased after them!

Sacred Prison King and the Divine Punishment Sword Master also followed!

On the way forward!

Many people surrounded the three of them!

However, those who surrounded them were all killed by the trio and could not approach at all!

Further ahead, a sea battle broke out in the distant sea!

“Giant Whale Wave Slash!” “Violent Waves and Raging Seas!” Sea Burial King and the Sea Queen waved the long saber and spear in their hands at the same time!

Whoosh!

Whoosh!

Waves soared into the sky and swept towards the Deep Sea Lord and the Sea Spectre!

“Fearsome Tsunami!” “Sea Wall!” The Deep Sea Lord and Sea Spectre waved their weapons at the same time!

The sea in front of the two of them surged, as if it had transformed into two city walls that blocked in front of them!

Chapter 1816: You Will All Die Here!

In an instant!

Rumble!

Waves crashed into the city wall of the sea and instantly destroyed it!

“Ahhh” The Deep Sea Lord and Sea Spectre let out a painful cry as they were sent flying by the powerful impact!

Sea Burial King grinned at the Sea Queen and said, “Eudora, do you like the watch I gave you not long ago?” The Queen of the Sea snorted and said, “Like my ass.

The style is too ugly!” “Ah?!” The Sea Burial King was stunned for a moment before saying, “I specially got that old fellow, Dreich, to custom-made it for you.

How can it be ugly?

No, I have to talk to this old fellow next time!” Queen of the Sea snorted again and said, “Let’s not talk about whether the style is ugly or not.

The key is that since you want to give me a gift, how can you send someone to give it to me?

Can’t you give it to me yourself?” “This this” Sea Burial King was immediately stunned.

Even if he had sent someone to give it to her, it was still from him.

How was it different?

“You fool, you won’t understand even if I tell you!” The Queen of the Sea said angrily, “Alright, cut the crap.

Hurry up and kill those two fellows!” As she spoke, the Queen of the Sea raised her spear and charged forward!

The Sea Burial King scratched his head and also raised his saber to charge forward!

In the sky not far from this sea area.

A goddess of light and a goddess of darkness stood facing each other.

They were the Goddess of Fate and the Prophet Witch.

The Goddess of Fate stepped on an illusion of a white Pegasus.

The Prophet Witch stood on a black nine-headed snake illusion.

Wings of white light and black wings of light condensed on their backs.

The Goddess of Fate looked at the Prophet Witch and said, "Medea, we were once best friends!

We studied together, lived together, and grew up together.

I really don't want to become enemies with you!

As long as you surrender, I can beg our Divine Emperor to spare your life!

Not to mention the Hell Fiend Emperor, even the Holy Light Pope is no longer a match for our Divine Emperor!

If you continue fighting, you will definitely lose!" The Prophet Witch sighed and said, "Natasha, ever since I set foot on this path, I can no longer go back!

Do you really think you can win this battle?

You're wrong.

You'll definitely lose!

You have no idea what terrifying backup plans the Pope and the others are hiding!" The Goddess of Fate was stunned for a moment.

She frowned and said, "What do you mean?

What backup plan are you hiding?" "You'll find out later." The Prophet Witch replied indifferently and continued, "Natasha, we each have our own master.

This is a fate that we can't escape!

There is no need to say these meaningless words!

Today, we'll decide who's stronger and who's weaker!

Let's see if your light magic is stronger or my dark magic is stronger!" With that said, Prophet Witch waved her hand!

"Dark Night Spear!" In an instant!

Countless black spears condensed into form and shot out like a storm!

"Since you insist on fighting, I'll fight with you!" The Goddess of Fate shouted and activated her light magic.

She waved her fair hand!

"Spear of Dawn!" Whoosh!

Whoosh!

Whoosh!

Whoosh!

Countless white spears shot out in an overwhelming manner!

In the blink of an eye!

Rumble!

Countless light spears and dark spears collided in the sky, causing huge explosions!

Huge white and black balls of light exploded in the sky like fireworks.

They were dazzling!

Although the Prophet Witch's dark magic was powerful, it was still slightly weaker than the light magic!

Terrifying energy fluctuations sent Prophet Witch flying!

Along the way The Prophet Witch waved her hand and gave the order!

"Hydra, go!" The huge nine-headed snake illusion rushed out and attacked the Goddess of Fate!

"Holy Pegasus, go!" The Goddess of Fate flapped her wings of light and flew into the sky!

The Divine Heavenly Horse flew through the air and crashed into the Hydra!

In an instant!

BOOM!

The two behemoths collided in the sky, emitting a deafening bang!

The Holy Pegasus and the Hydra were sent flying at the same time.

After stabilizing their bodies, they continued to charge!

“Kill!” Prophet Witch raised her right hand, condensed a dark spear, and charged at the Goddess of Fate!

“Fight!” The Goddess of Fate raised her right hand and condensed a spear of light to meet the attack!

The two goddesses, representing light and darkness, engaged in a fierce battle in the sky!

At this moment.

The battle in the sky and the sea was especially intense.

Casualties continued to increase.

Especially in the distant sky, the battle was even more intense.

That was the battlefield of the top experts.

On one of the battlefields.

The ones fighting were the Underworld Emperor, Mo Qingkuang, Lin Wenxuan, and Kagura Kenshin.

Although Kagura Kenshin had already stepped into the late-stage Earth Immortal Realm, However, Underworld Emperor had also long stepped into the late-stage Earth Immortal realm.

Mo Qingkuang had stepped into the mid-stage Earth Immortal realm.

Lin Wenxuan was also at the early-stage Earth Immortal realm.

Facing the fierce attacks of the three of them, Kagura Kenshin could not resist at all and was forced to retreat repeatedly.

Finally, accompanied by a rumbling explosion!

Kagura Kenshin was sent flying again!

The Underworld Emperor raised the sword in his hand and pointed it at Kagura Kenshin, "Kagura Kenshin, you're bound to lose this battle.

Hurry up and surrender!" "Defeated for sure?" Kagura Kenshin laughed mockingly, "It's impossible for us to lose this battle!

In the end, you will definitely be the ones to lose!

All of you will die here!" Mo Qingkuang was stunned.

He then spoke loudly, "Stop talking nonsense with this guy.

Kill him!” “Ok!” Underworld Emperor and Lin Wenxuan nodded in agreement.

Then, the three of them attacked at the same time!

“Underworld Divine Slash!” “Supreme Divine Fist!” “Qilin Battle Spear!” The Underworld Emperor, Mo Qingkuang, and Lin Wenxuan attacked at the same time!

A huge black sword tore through the void and slashed down!

A huge purple-gold fist shattered the sky and bombarded!

A huge black spear swept across the sky and crushed upwards!

The combined attack of the three of them was incomparably terrifying!

The clouds in the sky churned, and the sea below surged!

Kagura Kenshin’s eyes turned cold as he waved the Kusanagi Sword in his hand!

“Tenshou Sword Technique!” Swoosh!

A huge white sword spread out the clouds and broke through the layers of void to meet the attack!

Rumble!

The sound of the collision that pierced through the clouds and cracked rocks resounded through the sky, shaking the four seas and captivating one’s soul!

However, Kagura Kenshin could not withstand the ferocious attacks of the Underworld Emperor and the other two and was forced back continuously!

He did not dare to be careless.

With a tremble, he activated his Dharma Idol!

A white giant holding a longsword stood up and swung his sword!

Chapter 1817: You've Stepped into the True Immortal Realm?

Without any hesitation, the Underworld Emperor, Mo Qingkuang, and Lin Wenxuan shuddered and activated their Dharma Idol at the same time!

Three Dharma Idols stood up with the skies above their heads.

They stepped on the sky and swung their gigantic swords, spears, and fists!

Boom!

Boom!

A clear sound of collision resounded!

A large amount of light and energy erupted and swept in all directions!

Even the ancient ships in the sky and the battleships on the sea were affected and moved sideways!

The people on the ancient ship and the battleship were shaken to the point that they could not even stand steadily!

Kagura Kenshin's Dharma Idol could not withstand the combined attack of the Underworld Emperor and the other two and was sent flying!

The Dharma Idols of the Underworld Emperor and the other two did not stop at all.

They took a step forward and chased after him!

Seeing this, Kagura Kenshin was furious and his entire body trembled!

"Amaterasu Divine Fire!" Whoosh!

Whoosh!

A sinister and evil black flame erupted from his body and surged towards the Underworld Emperor and the other two!

"Death Divine Sea!" The Underworld Emperor shuddered and took a step forward!

Waves of black energy erupted, turning into a black energy sea that collided!

Rumble!

The black sea of energy and the black sea of fire collided crazily, producing an earth-shattering collision and explosion!

The energy and flames engaged in an intense battle, weakening each other.

It was terrifying!

"Supreme Immortal Rainbow!" Mo Qingkuang waved his hand at this moment!

Clink clink clink!

Rays of immortal light shot out and dispersed a large area of the surging sea of fire!

“Void Vortex!” Lin Wenxuan stomped down from the sky!

In a breath’s time!

Two void vortexes appeared above and below, erupting with a powerful suction force that devoured a large number of flames!

Under the ferocious attacks of the Underworld Emperor and the other two!

The flames that erupted from Kagura Kenshin were completely destroyed and dissipated in the sky!

“Continue, kill!” The Underworld Emperor hollered and charged forward with his sword in hand!

Mo Qingkuang and Lin Wenxuan also charged forward!

In the sky not far away.

Ye Luange, Song Zhixin, Divine Light and Darkness, the Ice Empress, the Heavenly God Emperor, the Hell Fiend Emperor, the Flame Emperor, and the Corpse Emperor were also fighting fiercely!

The eight of them had already activated their Dharma Idol!

Dang, dang, dang!

Boom, boom, boom The eight giants kept colliding in the sky, causing terrifying explosions!

A large amount of light splashed out, splashing across the sky and the sea!

“Blue Luan Sword Technique!” “Heavenly Dao Lotus Ring!” “Light and Darkness Divine Halberd!” “Ice Soul Sealing Suppression!” Ye Luange and the other three attacked at the same time!

A huge green sword slashed out angrily with a sword intent that was both hard and soft!

The eight-colored Glazed Lotuses seemed to have transformed into a celestial river that collided!

A huge halberd flickered with light and darkness as it slashed forward!

Ice mountains stood tall and pressed down!

Facing the fierce attacks of Ye Luange and the other three!

The Hell Fiend Emperor and the other three had cold gazes.

They did not dodge or retreat and attacked wildly!

“Chaotic Devil Saber!” “Divine Spear of the Heavens!” “Explosive Flame Divine Slash!” “A mountain of corpses and a sea of blood!” The four Hell Fiend Emperors immediately launched a frenzied attack!

A huge black saber carrying monstrous demonic qi slashed out angrily!

A huge purple-gold spear surrounded by dazzling divine light swept out!

A huge scarlet saber wrapped in blazing flames slashed out ruthlessly!

Black-gray corpse energy soared into the sky, and the sea of blood-colored energy surged.

Countless corpse armored soldiers pounced forward!

Rumble Rumble The sound of collision and explosion resounded through the world, shaking the world!

Under this terrifying confrontation!

Both sides were sent flying at the same time!

However, before long, both sides stabilized themselves and turned into streams of light that charged forward!

The battle became more and more intense!

In the distant sky.

Yang Luo stood on an ancient boat with the Dragon Emperor Sword in his hand.

The Holy Light Pope stood on the chariot with a scepter in hand.

The two of them stood facing each other, endless killing intent rising.

No one dared to approach them.

After all, the two of them were the top combatants of both sides.

Yang Luo said loudly, "Old fellow, did you see that?"

Although you have many people, you're already at a disadvantage!

You thought you were in control of everything.

What about now?" "Hehe" The Holy Light Pope laughed sinisterly and said, "Kid, do you really think you're going to win?

Since I've officially declared war on you, I'm naturally fully prepared!

You have no idea what kind of terrifying existence you are facing!

I said that you will definitely lose this battle.

All of you will die here!" "Is that so?" Yang Luo said coldly, "Then let's give it a try!

Looks like who will win and who will lose in this battle?

Who will live and who will die!" Right after he finished his sentence BOOM!

A golden beam of light soared into the sky and pierced through the clouds!

Boundless golden True Qi surged out of his body, turning into a golden sea of light that surged towards the Holy Light Pope!

BOOM!

A nine-colored beam of light shot into the sky from the Holy Light Pope's body, scattering a large sea of clouds in the sky!

A vast and mighty nine-colored energy spread out from his body, turning into a nine-colored sea of light that collided!

At that moment Rumble!

The two seas of light collided fiercely, producing a shocking collision and explosion!

The golden sea of light that erupted from Yang Luo's body instantly dispersed the nine-colored sea of light that erupted from the Holy Light Pope!

"This" The Holy Light Pope was shocked.

He took a step and soared into the sky from the chariot!

The moment he flew into the sky!

Rumble!

The golden sea of light instantly destroyed his rover!

The three Pegasuses pulling the rover could not escape in time and exploded into pools of flesh and blood that splattered in the air!

The Holy Light Pope looked at Yang Luo in a daze and asked in surprise, "Kid, could it be that you've also stepped into the True Immortal Realm?!" Just now, he felt that there was something wrong with the aura that erupted from Yang Luo's body.

It seemed to be stronger than at the Dark Conference.

Now, he realized that it was very likely that Yang Luo had stepped into the True Immortal Realm, just like his cultivation level!

Yang Luo looked at the Holy Light Pope in the sky and said in a trembling voice, "That's right.

I've already stepped into the True Immortal Realm.

Do you think you're still my match?"

Chapter 1818: The Divine Emperor Comes Out Of Seclusion!

"How how is this possible?!" The Holy Light Pope looked at Yang Luo in shock, "How long has it been?

How can you step into the True Immortal Realm so quickly?!" It had only been nearly a month since the Dark Conference.

Unexpectedly, this kid in front of him had actually stepped into the True Immortal Realm.

This really made him feel as though the whole thing was unbelievable.

Yang Luo said coldly, "Old fellow, back at the Dark Conference, I had already touched the threshold of the True Immortal Realm.

Are you very surprised to step into the True Immortal Realm now?" "Hmph!" The Holy Light Pope snorted and said, "Kid, although you've stepped into the True Immortal Realm, I'm also a True Immortal!

It was still unknown who would win!

Right after he finished his sentence He swung the scepter in his hand and smashed it at Yang Luo!

Rumble rumble rumble!

A huge staff flickered with dazzling nine-colored holy light.

It crushed the void and smashed towards Yang Luo!

Yang Luo was not afraid at all and swung his sword!

Swoosh!

A huge golden sword tore through the void and erupted with a terrifying sword intent.

It flickered with a dazzling sword light and met the attack!

In an instant!

Rumble!

The huge sword and the huge staff collided heavily, emitting a thunderous sound!

All kinds of light and energy interweaved and spread out from the point of collision, sweeping in all directions!

It was just a single exchange!

The Holy Light Pope could no longer withstand it and was sent flying.

His body was even cut open, and blood splattered in the air!

The people who were fighting in the distance were shocked when they saw this scene!

“Heavens, the Divine Emperor’s strength has really increased greatly again.

In just one round, he sent the Pope flying and injured him!” “Isn’t that so?

You have to know that in the Dark Conference back then, the Divine Emperor only won against the Pope in the end!” “Good, that’s great.

The Divine Emperor is so powerful now.

We will definitely win this battle!” The people who followed Yang Luo were pleasantly surprised, and their fighting spirit increased.

After all, Yang Luo was their backbone.

The stronger Yang Luo was, the more confident they were.

“How is this possible?

The Pope can’t even withstand one move?!” “Damn it, how did this kid become stronger again?!” “If even the Pope is defeated, won’t we definitely lose this battle?!” “Don’t worry, the Pope said that we have helpers.

We won’t lose this battle!” The people who followed the Holy Light Pope were all shocked.

They were very worried that the Holy Light Pope would lose.

However, they were still confident.

After all, the Holy Light Pope said that he had hired help, and it was a powerful helper.

At this moment.

In the distant sky.

Yang Luo looked up at the Holy Light Pope and said loudly, "So what if we're both True Immortals?

You're not my match at all!" "Damn it!

I don't believe you're really stronger than me!" The Holy Light Pope roared and suddenly waved the scepter in his hand!

"Holy Light Destruction!" A huge nine-colored beam of light streaked across the sky, containing endless destructive power as it shot towards Yang Luo!

Yang Luo did not dodge or retreat.

He condensed his True Qi barrier, Xuanming Divine Fortress, and Inextinguishable Flame Dipper and charged towards the incoming beam of light!

Rumble!

This beam of light was directly knocked away by Yang Luo layer by layer, turning into a rain of light that filled the sky and splashed in all directions!

As for Yang Luo, he was unscathed!

"This" The Holy Light Pope's eyes widened as if he had seen something unbelievable.

This kid actually used his body to destroy the holy light he shot out?!

What sort of joke was this?

Just as the Holy Light Pope was stunned!

Yang Luo had already approached him and slashed out with all his might!

The Holy Light Pope's expression changed drastically.

He hurriedly raised his scepter to block and condensed Holy Light Protection!

Clang!

Clang!

Accompanied by a crisp sounds of collision!

Yang Luo's sword struck his scepter heavily and also split open his protective holy light!

"Ugh" The Holy Light Pope let out a painful cry as his body was sent flying!

With a bang, it directly destroyed an ancient boat that was more than a hundred meters long!

The ancient boat was shattered into pieces and scattered everywhere!

The Holy Light Pope quickly stabilized his body!

However, there was a wound that was dozens of centimeters long on his chest.

His flesh was lacerated and his bones could be seen as blood flowed!

“The Divine Emperor is invincible!” “Long live the Divine Emperor!” When the people following Yang Luo saw this, they raised their arms and shouted.

The two sides that were fighting fiercely also discovered it!

The current Holy Light Pope was probably no match for Yang Luo!

Yang Luo hooked his finger at the Holy Light Pope and said in a trembling voice, “Again!” “Hateful!” The Holy Light Pope’s body trembled as he continuously mobilized the energy in his body.

Then, he suddenly waved the scepter in his hand!

“Holy Light Judgement!” “Nine Absolute Seal of Holy Light!” In the blink of an eye!

A nine-colored cross that was thousands of feet tall condensed and tore through the void, killing Yang Luo!

Jiufang flickered with various colors as the huge seal engraved with ancient runes pressed down like a mountain!

Just as the nine-colored cross and the Nine-Directional Seal were charging over!

Yang Luo gripped the Dragon Emperor Sword tightly with both hands and slashed out with great force!

Swoosh!

A huge golden sword tore through the sky and tore through the void.

It was rude and domineering!

Rumble!

The power of the sword shook the world and destroyed the nine-colored cross and the Nine-Directional Seal!

It was also when Yang Luo destroyed the nine-colored cross and the Nine-Directional Great Seal with a single strike!

“Holy Light Heavenly Wheel!” The Holy Light Pope did not stop at all.

He continued to wave his scepter and launched a fierce attack!

In an instant!

A huge nine-colored wheel condensed in the sky and pressed down like a huge flying saucer of light!

The nine-colored wheel spun and shot out dazzling and destructive beams of light!

“Battle Sage Seal!” Yang Luo raised his left hand and seven huge seals condensed in his palm!

“Seven Seals as One!” “Suppress Heaven and Earth, Break the Heavens!” The seven seals quickly merged into one, turning into a huge seal!

This huge seal contained extremely powerful destructive power.

Like a towering mountain, it broke through layers of holy light and collided!

Rumble!

The seal and the nine-colored Heavenly Wheel collided heavily, shaking the sky and the sea.

It was soul-stirring!

In less than a few seconds!

Rumble!

The seal and the nine-colored Heavenly Wheel collapsed and exploded at the same time

Chapter 1819: Battle of the Immortals!

When the Holy Light Pope saw this, he was about to explode from anger!

How could this be?!

Why was every move he made countered by this kid?!

Back then, this kid could only barely fight him to a draw!

But now, he was actually suppressed by this kid!

“Young brat, I must kill you!” He let out a furious roar and charged at Yang Luo angrily with the scepter in his hand!

On the way to kill Yang Luo!

His body trembled and he directly activated his Dharma Idol!

A nine-colored giant holding a scepter stood above him!

“Cosmic Form!” Yang Luo did not hesitate and activated his Dharma Idol!

A golden giant holding a longsword stood above him!

The two Dharma Idols stood opposite each other in a majestic and domineering manner!

“Give me your life!” The Holy Light Pope let out a furious roar and waved the scepter in his hand with his Dharma Idol!

The two scepters overlapped and became even larger, pressing down on Yang Luo like a mountain range!

A terrifying nine-colored holy light erupted from his body and shot up!

Yang Luo waved the sword in his hand with his Dharma Idol!

The two swords overlapped and transformed into a huge golden sword that welcomed the attack with a torrential destructive power!

The Indestructible Sword Intent erupted like a rainbow breaking through the sun and bombarded!

Rumble!

Rumble!

This collision was incomparably terrifying.

The sky and sea were shattered, and it was difficult to heal for a long time!

The power produced by the explosion was even more terrifying.

It exploded the surrounding void and spread in all directions like a spider web!

However, even if he activated his Dharma Idol!

The Holy Light Pope was still unable to suppress Yang Luo, and it was even harder for him to resist Yang Luo's attacks!

The scepter he swung could not be suppressed!

Even the holy light he shot out could not suppress the other party!

"Ah" He cried out in pain and was sent flying with his Dharma Idol!

A deep wound appeared on his shoulder, revealing his bones.

Blood splattered into the sky!

His Dharma Idol's body was also split open and was almost split into two!

"Come on, keep going!" Yang Luo roared and led his Dharma Idol to charge forward!

The Holy Light Pope was shocked.

He waved the scepter in his hand crazily with his Dharma Idol and attacked Yang Luo!

Boom, boom, boom Yang Luo led his Dharma Idol and charged forward.

The sword in his hand slashed out continuously, destroying the attacks of the Holy Light Pope!

Seeing that his attacks were ineffective, the Holy Light Pope waved the scepter in his hand again!

“Tomb of Holy Light!” The nine holy tablets flickered with various colors and contained powerful lethality, destructive power, and destructive power as they smashed towards Yang Luo!

As the nine Saint Tablets came crashing down!

Yang Luo’s entire body trembled as he let out an explosive roar!

“Nine Heavens, Dragon’s Fury!” “Roar, roar, roar!” Nine golden dragon illusions roared and crashed into the sky!

Dong, dong, dong The nine golden dragons collided fiercely with the nine holy tablets, shaking the sky above and the sea below!

The sky and sea were shaken into pieces, as if they were about to shatter!

The battle between the two of them was really too terrifying, causing everyone who was fighting in the distance to be endlessly shocked!

Everyone watching the battle on the dark web was also on tenterhooks!

Such a battle was too terrifying.

It completely exceeded the scope of mortals.

It could be called a battle between immortals and gods!

In less than a few minutes.

Boom, boom, boom One after another, golden dragons exploded!

It exploded into huge balls of light that spread in all directions!

After blocking the Holy Light Pope's attack!

Yang Luo continued to lead his Dharma Idol and charged forward!

The Holy Light Pope also completely went crazy and led his Dharma Idol to attack angrily!

In the following period of time!

Dang, dang, dang!

Boom, boom, boom The two Dharma Idols collided repeatedly in the sky, causing the firmaments to tremble and the sea to shake!

However, Yang Luo's Dharma Idol proved ultimately to be more powerful and crushed the Holy Light Pope's Dharma Idol!

As Yang Luo and the Holy Light Pope also engaged in a terrifying close combat in the sky!

The two of them fought faster and faster.

They were simply like two shadows constantly moving in the sky and the sea!

Everyone present, as well as everyone watching the battle!

Other than the Earth Immortals who could still see the two of them clearly, the others could not see their figures at all!

The sea of clouds in the sky was blasted apart!

Holes was blasted in the void!

An huge pit akin to an abyss was blasted out of the sea!

After fighting for more than ten minutes!

BOOM!

A shocking bang suddenly sounded in the sky!

Many people turned their heads to look at the sky!

At that moment “Arghhhh!” Accompanied by screams A figure fell from the sky!

With a bang, it landed heavily on a steel battleship!

The entire battleship was smashed into pieces and sank into the deep sea!

Everyone turned to look at that area and could not help but tremble!

It was the Holy Light Pope who fell from the sky!

The Holy Light Pope's body was covered in lacerations, and there were bone-deep wounds everywhere!

His luxurious robe was already in tatters, and even his crown had been destroyed.

His grayish-white curly hair fell!

His Dharma Idol was also destroyed by Yang Luo's Dharma Idol and dissipated in the sky!

Yang Luo and his Dharma Idol stood proudly in the sky.

Golden light flickered on their bodies, and they were like gods descending with peerless dominance!

Although there were many wounds on his body, his injuries were much lighter than the Holy Light Pope's!

"Oh my God, the Pope was shot down, but he was beaten so badly!" "Is this the current strength of the Divine Emperor?"

He's really ridiculously strong!" "However, the Pope still has a killer move.

He can absorb the power of faith for his own use.

Divine Emperor, you have to be careful!" "Do you think the current Divine Emperor is still afraid of the Pope's killing move?"

So what if the Pope can absorb the power of faith?

The Divine Emperor is still not afraid!" Everyone started discussing in shock.

After Chu Longyuan killed a group of people with one slash, he looked up at the sky and said in shock, "Holy sh*t, has Brother Yang already become so strong?!" After sending more than ten people flying with a slap, the eight-meter-tall King Kong Barbie, Lan Xiaomeng, shouted excitedly, "Brother Yang, you're too strong.

You're too handsome!"

Chapter 1820: Domineering!

Tian Zhen, Feng Lengyue, and the others were also shocked.

They naturally knew about the Project Godslayer not long ago.

The strength that Yang Luo displayed at that time was already very heaven-defying.

But now, after Yang Luo stepped into the True Immortal Realm, he became even more terrifying.

Even though the Holy Light Pope was also a True Immortal, he was completely suppressed.

"Good job, Brother Yang!" "Brother Yang, kill this old fellow in one go!" "The Divine Emperor is domineering and invincible!" The people who followed Yang Luo waved their fists and shouted excitedly.

Xiang Kunlun said in a trembling voice, "Brothers, it's only a matter of time before Brother Yang kills this old fellow!

We have to work harder and destroy these guys!" Bujie killed dozens of people with his staff and shouted excitedly, "Brothers, attack with me!" "Let's go!" "Kill!" "Kill them!" The people who followed Yang Luo were all fired up and charged towards the people from the Holy Light Church and other large organizations!

Originally, before the battle began, they were still a little worried that Yang Luo was not the Holy Light Pope's match!

But now that they saw it, they realized that their worries were unnecessary!

The people from the Holy Light Church and other large organizations were a little flustered!

If the Holy Light Pope was really killed, wouldn't they all be finished?!

"The three lords, the Pope, the Divine Emperor, and the Fiend Emperor, have mentioned helpers.

Where are the helpers?!" "We're about to lose, but we don't even have helpers.

What's going on?!" "Are we really going to lose this battle?!" Those who followed the Holy Light Pope were in despair and anger.

They had been waiting for the helpers mentioned by the Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor to come and help!

However, no one had come until now!

They even suspected that the three Emperors were lying to them.

Seeing the people from the Holy Imperial Court, Hidden Alliance, and other large organizations charging over, they could only brace themselves and counterattack!

The battle had already begun!

They had no choice but to continue fighting!

The battle became more and more intense!

Even though the Holy Light Church had more people than the Holy Imperial Court, they still showed signs of being defeated!

At this moment.

The Holy Light Pope rushed into the sky and roared angrily at Yang Luo, “Little bastard, you can’t kill me!!!” He opened his arms and roared!

“Myriad faith Bless me!” At that moment Countless light spots gathered in all directions and formed a sea of light.

They surged from all directions and crazily surged into the Holy Light Pope’s body!

A dot of light represented a person’s power of faith!

The power of faith of millions of believers in the world gathered at the same time.

How majestic, how vast, and how powerful!

As the power of faith was crazily absorbed!

The pressure and aura emitted by the Holy Light Pope kept increasing!

Even the injuries on his body were recovering at a visible speed!

“This move again, right?”

“I’ll let you absorb it!” Yang Luo let out a roar and swung his sword!

Whoosh!

Whoosh!

Whoosh!

Whoosh!

Countless golden flying swords shot towards the Holy Light Pope from all directions!

The Holy Light Pope was shocked and his entire body trembled!

“Holy Light Protection!” A huge nine-colored light barrier condensed and blocked the attack of the flying sword!

Ding, ding, ding!

The crisp sound of collision resounded continuously, exploding a large amount of light and energy!

However, because he had absorbed a lot of power of faith, the Holy Light Pope’s defense had actually increased by a lot!

The sharp flying sword could not break through his defense!

“I’ll let you block!” Yang Luo pointed his sword forward, “Crush him!” His Dharma Idol held the huge sword and charged forward, charging towards the Holy Light Pope!

Cold sweat broke out on the Holy Light Pope’s forehead.

He hurriedly activated his Dharma Idol and fought!

“Again!” Yang Luo held the Dragon Emperor Sword and charged forward!

On the way up!

Yang Luo used multiple killing moves!

“Dragon Howls at the Myriad Existences!” “Vermillion Bird Descends!” “True God Black Tortoise Transformation!” “ROAR!” “Shriek!” “Roar!” Dragon roars, cries, and roars sounded at the same time!

A huge golden dragon illusion, the Vermillion Bird illusion, and the Black Tortoise illusion rushed out and collided with the Holy Light Pope!

The Holy Light Pope’s expression changed drastically as he suddenly waved the scepter in his hand!

“Nine Halls of Holy Light!” Nine thousand-foot-long doors of light stood in front of him like nine mountains blocking the way!

However, the nine doors of light could not withstand the impact of the Golden Dragon, Vermillion Bird, and Black Tortoise at all!

Boom, boom, boom!

Accompanied by a series of explosions!

The nine doors of light shattered and turned into a wave of light that surged in the sky!

After the Golden Dragon, Vermillion Bird, and Black Tortoise shattered the nine doors of light, they continued to collide with the Holy Light Pope!

There was a loud bang!

The nine-colored light barrier condensed by the Holy Light Pope was shattered!

“Pfft” He spat out a mouthful of blood and was sent flying, his body swaying!

However, he still did not stop absorbing the power of faith!

He knew very well that if he did not absorb the power of faith to increase his combat strength, he would not be a match for this little bastard at all!

This little bastard was too strong, so strong that it made his heart palpitate!

“You still want to absorb more, right?” Yang Luo’s eyes were cold, “So what if you absorbed the power of faith?”

You’re no match for me at all!” As he spoke, Yang Luo held the Dragon Emperor Sword and continued to attack the Holy Light Pope!

Multiple killing moves continued to be used!
