

Super IDG 1821

Chapter 1821: Complete Defeat!

When the Holy Light Pope fell!

Yang Luo did not give him a chance to catch his breath at all.

He held his sword and slashed down angrily!

The Holy Light Pope was shocked and furious!

How could this be?!

He had absorbed so much power of faith, but why was he still not this little bastard's match?!

He had only stepped into the True Immortal Realm.

How much had this little bastard's strength increased?!

Only now did he deeply understand the difference between him and Yang Luo!

He couldn't kill him!

With his strength, he probably could not kill Yang Luo at all!

Fortunately, he had hired help!

Otherwise, he would really lose this battle!

As he saw Yang Luo charging down!

The Holy Light Pope waved the scepter in his hand again and launched a fierce attack!

“Holy Light Heaven!” In an instant!

A huge nine-colored island condensed above and palaces sat on it.

It was really like a paradise as it smashed towards Yang Luo!

This move was extremely terrifying.

It was simply destructive!

The island came crashing down!

Yang Luo’s entire body trembled as he let out an explosive roar!

“Primal Heavenly Art!” “Gonggong, Zhurong, Qiangliang, Houtu, Goumang, Rushou!” The six Ancestral Magi’s illusions stood up at the same time and attacked the island that was pressing down from the sky!

Boom!

Boom!

The six Ancestral Magus illusions only attacked once before the island cracked!

The palaces on the island also collapsed!

The six Ancestral Magus illusions then attacked again!

Rumble!

The island completely collapsed and exploded!

Yang Luo naturally knew how powerful the Primal Heavenly Art was!

Unfortunately, he only cultivated the upper part and did not know where the lower part was!

If he learned the next part, this cultivation technique would probably be even more terrifying!

He wondered if the lower portion still existed.

If it did, where was it?

Seeing that Yang Luo had destroyed his killing move!

Cold sweat broke out on the Holy Light Pope's forehead, and his heart was beating wildly.

He was shocked!

He quickly took off the cross he was wearing and threw it into the sky!

"Holy Cross!" The golden cross flew out and flickered with nine-colored holy light.

It expanded continuously and crushed towards Yang Luo!

When the cross flew out, it shot out beams of holy light, wanting to annihilate Yang Luo!

But just as the cross was about to strike!

Yang Luo waved his hand!

“Immortal Suppressing Pagoda!” A nine-storied pagoda flew out and expanded in the wind, pressing down heavily!

As it pressed down, nine immortal lights shot out from the Immortal Suppression Tower and collided with the nine-colored holy light!

Rumble!

Rumble!

The Immortal Suppression Tower and the Holy Light Cross collided heavily!

The nine rays of immortal light and the nine-colored holy light collided fiercely!

The light and energy were as vast as the sea, spreading in all directions!

The Holy Light Cross could not do anything to Yang Luo!

Seeing this, the Holy Light Pope waved his hand!

“God’s Bible!” A scripture book flew out of his sleeve and instantly expanded!

The scripture flipped and countless nine-colored runes flew out, as if they had transformed into a sea of light formed by runes that charged at Yang Luo!

There was even the sound of a god chanting scriptures coming from the scriptures, echoing between the heavens and the earth, cleansing one's soul!

Yang Luo put on disdainful expression.

He waved his hand!

"Ten Thousand Dragon Cauldron!" A treasured cauldron engraved with the Azure Dragon totem flew out and instantly expanded, pressing down!

"Roar, roar, roar!" Tens of thousands of golden dragons roared and crashed into the sea of light!

Rumble The ten thousand dragons suppressed the world and directly destroyed this sea of light!

In the next second!

Rumble The Ten Thousand Dragons Cauldron pressed down heavily, causing the Heaven Lord's Bible to fall!

Moreover, as it fell, the Heaven Lord's Bible was slammed shut.

Even the chanting of the gods stopped abruptly!

Cracks appeared on the scripture, and the nine-colored holy light dimmed significantly!

"What what kind of magical equipment is this?!" The Holy Light Pope was instantly stunned.

It had to be known that the Heaven Lord's Bible was a magical artifact given to him by the Lord God.

It was extremely powerful!

However, he did not expect it to be so weak in front of this cauldron and even be damaged!

The Heaven Lord's Bible could not do anything to the Ten Thousand Dragons Cauldron!

The Holy Light Pope waved his robe again!

"Radiant Sacred Tablet!" An ancient nine-colored stone tablet flew out and instantly expanded, killing towards Yang Luo!

Holy light rushed out of the stone tablet, and the undead of gods rushed out like an army of gods, charging at Yang Luo!

"The Radiant Sacred Tablet, right?"

How about competing with my Dragon Stele!" Yang Luo sneered and waved his hand again!

"Primordial Dragon Stele!" A purple stone tablet engraved with the Azure Dragon totem flew out and expanded rapidly, pressing down heavily!

"Roar, roar, roar!" Tens of thousands of purple dragons roared and crashed into the army of gods!

Rumble!

It was just one collision!

The Divine Spirits that filled the sky were all destroyed and dissipated in the sky!

Right on the heels of that Clang The Primordial Dragon Stele pressed down heavily, causing the Radiant Sacred Stele to fall and shatter a corner!

“This, this, this” The Holy Light Pope was dumbfounded.

How could this kid have so many powerful Dharma artifacts?!

Moreover, every one of them could suppress his Dharma artifacts!

His Dharma artifacts was no match for it!

His Dharma Idol was no match for it!

Even if he absorbed the power of faith, he would not be a match!

It was a complete defeat!

Could it be that he really could not do anything to this kid?!

“I don’t believe!

I don’t believe you!!” The Holy Light Pope roared angrily and completely went crazy!

As he absorbed the power of faith, he charged at Yang Luo!

Yang Luo was naturally unafraid.

With the Dragon Emperor Sword in hand, he led the various Dharma Idols to fight!

The battle became more and more intense and even tragic!

Even if the Holy Light Pope tried his best, he could not do anything to Yang Luo.

Instead, he was forced to retreat step by step by Yang Luo, and his body was injured again and again!

Everyone present could tell!

The Holy Light Pope was no match for Yang Luo at all!

If the Holy Light Pope did not have a backup plan, he would definitely lose and die!

In the distant sky.

The seven guardian angels of the Holy Light Church had already been killed by Big White until they were covered in blood and were about to lose their lives!

The lords and Demon Kings of the Heavenly Shrine and Hell Demon Palace were also forced back by the Divine Kings and Kings of the Holy Imperial Court and the hidden alliance!

On the ancient boats and battleships.

After the people who followed Yang Luo saw his powerful strength, they all seemed to have been injected with chicken blood, causing the people who followed the Holy Light Pope to retreat repeatedly!

Chapter 1822: Contingency Plan!

In the two skies further away The battle between the top experts was about to end.

In the sky above one of them.

Dang, dang, dang!

Clang, clang, clang Dharma Idols and Dharma artifacts collided in the sky, shaking the world and the four seas!

Rumble!

Accompanied by a series of explosions!

“Ah” Kagura Kenshin let out a tragic cry as he was sent flying.

After flying for more than a hundred meters, he finally stabilized his body.

“Huff huff” He panted heavily, blood flowing from the corner of his mouth.

His skin and flesh were torn everywhere, and blood stained his snow-white kimono.

In the sky opposite.

Underworld Emperor, Mo Qingkuang, and Lin Wenxuan stood there quietly with cold expressions.

The three of them were also injured, their clothes were dyed red with blood.

However, their injuries were much lighter than Kagura Kenshin's.

Moreover, after seeing Yang Luo completely crush the Holy Light Pope, their fighting spirit overflowed and their blood boiled.

Kagura Kenshin stared at the three of them with hatred in his eyes and said fiercely, “Do you think I’ve lost?

Let me tell you, it's not so easy for you to kill me!" Right after he finished his sentence His entire body shook as he let out a roar!

"Forbidden power, unseal!!!" He was completely enraged and began to burn his blood essence to forcefully increase his strength!

Rumble The pressure and aura on his body began to rise continuously, causing the sky and sea to tremble violently!

His neatly combed long hair became messy, and his blood-stained white kimono fluttered wantonly!

On the ancient ship in the distance, many people on the battleship below felt a terrifying pressure, and their bodies involuntarily trembled!

"No matter what, Kagura Kenshin is the number one expert of Country Sakura and an expert on the Divine Ranking.

He also has a backup plan!" "I wonder if the Underworld Emperor and the others can defeat Kagura Kenshin!" "He has a backup plan.

Could it be that the Underworld Emperor and the others don't have a backup plan?" "That's right, Kagura Kenshin will definitely die!" Everyone discussed non-stop.

At the same time when Kagura Kenshin increased his combat strength.

The Underworld Emperor, Mo Qingkuang, and Lin Wenxuan shuddered as well.

They unleashed their auras and combat strength!

At this moment.

After Kagura Kenshin's combat strength increased, his eyes flickered with a dazzling white light, as if he was possessed by a god, making one's heart palpitate!

He stepped down from the sky and roared!

"Divine Beast of Amaterasu, Summon!" "Shuukaku, Nekomata, Isonade, Sokou, Houkou, Raijyuu, Kaku, Hachimata, Nine-Tailed Fox!" In an instant!

Nine arrays of light that flickered with various colors condensed in the sky!

Nine beams of light soared into the sky from the light array.

Nine huge phantoms condensed and stood in the sky, emitting a terrifying pressure and aura!

"Kill!" He suddenly waved the longsword in his hand and gave the order!

The nine divine beast phantoms roared and charged towards the Underworld Emperor and company!

Lin Wenxuan was the first to launch a fierce attack.

He suddenly waved the Qilin Divine Spear in his hand!

"Qilin's Ten Thousand Army!" "Roar, roar, roar!" Accompanied by loud roars!

Thousands of illusions of black qilins hundreds of feet tall condensed into form, as if they had formed an army of qilins and charged forward!

The Qilins stepped into the sky, causing the void to tremble and the surroundings to tremble!

After Lin Wenxuan stepped into the Earth Immortal realm, his bloodline power awakened even more!

The power of the cultivation techniques and immortal techniques he used was even stronger!

In an instant!

Rumble Rumble Thousands of black Qilin illusions collided fiercely with the nine divine beast illusions, erupting with muffled collisions and explosions!

One after another, the Qilin illusions collapsed and exploded in the sky!

Two of the illusions summoned by Kagura Kenshin also collapsed and exploded one after another!

Mo Qingkuang did not hesitate at all.

His arms drew a mysterious trajectory in the air before he stomped down!

“Ancient immortal technique!” “Jingwei Calms the Sea!” “Houyi Shoots the Sun!” “Yu the Great Cleaves the Land!” In an instant!

The illusion of a huge black divine bird condensed into form!

Two strong and tall illusions of giants holding a huge bow and ax stood up!

The illusion of the black divine bird and the two giants were really like the ancient immortal guards, Houyi, and Yu the Great!

“Go!” Mo Qingkuang waved his hand at this moment!

The elite guard spread its wings and soared into the sky, pouncing over!

Houyi drew his bow and shot out sharp arrows of light!

Yu the Great held the giant ax in his hand and charged forward!

Rumble The explosions continued!

Another three divine beast illusions exploded in the sky!

The remaining four divine beast illusions continued to charge towards the Underworld Emperor and the other two!

With a cold expression, the Underworld Emperor's eyes shone with a pitch-black light as he waved his hand!

"Netherworld Four Divine Spirits!" Four thousand feet tall giants in armor and weapons stood up and charged forward!

In an instant!

Rumble Rumble An earth-shattering explosion resounded through the sky and the sea!

The remaining four divine beasts summoned by Kagura Kenshin all collapsed and exploded!

Two of the four giant gods summoned by the Underworld Emperor also exploded!

The remaining two continued to charge forward and attack Kagura Kenshin!

Kagura Kenshin's eyes were ruthless as he stomped down again!

“Ancient Heavenly God” Summon!” “Amaterasu, Izanami, Izanagi, Ooyamatsumi!” Four more light arrays condensed in the sky!

Following the four beams of light that shot into the sky!

Four 100-meter-tall giant illusions stood up, emitting traces of the aura of gods!

The illusions of the four gods rushed out and collided with the illusions of the two giant gods!

Rumble After a terrifying collision!

The illusions of the two giant gods summoned by the Underworld Emperor completely collapsed and exploded!

Two of the four god illusions summoned by Kagura Kenshin also exploded, leaving two behind!

The remaining two deity phantoms stepped into the sky and charged towards the Underworld Emperor and company!

“Continue attacking!” The Underworld Emperor roared and slashed out furiously with the sword in his hand!

Mo Qingkuang kept punching and punching!

Lin Wenxuan, on the other hand, swept out with his spear!

Rumble The illusions of the two gods that rushed over exploded in the sky!

In the end, Kagura Kenshin was sent flying again!

“Chase after him and kill him!” The Underworld Emperor hollered and chased after him!

Mo Qingkuang and Lin Wenxuan also chased after him

Chapter 1823: No Suspense!

In the sky above the other area.

Ye Luange, Song Zhixin, the Divine Light and Darkness, and the Ice Empress’ battle with the Hell Fiend Emperor, the Heavenly God Emperor, the Flame Emperor, and the Corpse Emperor had also reached a climax!

Both sides were severely injured!

However, the Hell Fiend Emperor and the other three were clearly more severely injured!

After all, Ye Luange had already touched the threshold of the True Immortal Realm.

Her combat strength had long surpassed ordinary perfected Earth Immortal Realm experts!

This made up for the Ice Empress’ insufficient cultivation level!

“Damn it!” The Hell Fiend Emperor roared angrily, “I don’t believe that the four of us can’t kill you!” “Kill them!!!” The Heavenly God Emperor, Flame Emperor, and Corpse Emperor roared at the same time.

The four of them were covered in blood as they dragged their injured bodies and charged crazily at Ye Luange and the other three!

Ye Luange sent a voice transmission through her mind, “Set up a killing array and trap them!” “Ok!” Song Zhixin, Divine Light and Darkness, and the Ice Empress replied in their hearts.

Ye Luange immediately released her aura and combat strength as she swung her sword!

“Blue Luan Immortal Slaying Sword Formation!” In an instant!

Countless green flying swords shot out and instantly formed a huge sword formation!

Even if the Hell Fiend Emperor and the other three reacted, they would not be able to retreat in time!

“Formation, activate!” With Ye Luange’s delicate shout!

The sword formation was activated instantly!

Whoosh!

Whoosh!

Whoosh!

Whoosh!

Countless cyan flying swords shot towards the four Hell Fiend Emperors from all directions!

Cyan coloured celestial rainbows also shot out!

The illusions of the huge Blue Luan Divine Birds also pounced forward!

“Cunning little slut!” The Hell Fiend Emperor’s expression was ferocious as he roared, “Quickly charge out!” As he spoke, he kept waving the demonic saber in his hand and slashed at the sword formation!

The Heavenly God Emperor, Flame Emperor, and Corpse Emperor also continuously waved the weapons in their hands and attacked the sword formation!

Song Zhixin, the Divine Light and Darkness, and the Ice Empress also unleashed their full power and set up their arrays at the same time!

“Primordial Chaos Sacred Lotus Array!” “Light and Darkness God-Extinguishing Array!” “Ten Thousand Mile Ice Sealing Array!” In an instant!

The three formations condensed into form and trapped the Hell Fiend Emperor and the other three once more!

“Activate the array!!!” Song Zhixin and the other two shouted at the same time and activated the array!

Beams of eight-colored light shot out, and the eight-colored Glazed Lotuses that filled the sky crushed forward!

Beams of black and white light shot out, and black and white runes filled the sky!

Ice mountains pressed up one after another, and ice rivers surged up!

When the four arrays were activated at the same time, the lethality, destructive power, and destructive power released were extremely terrifying!

No matter how ferocious the four Hell Fiend Emperors’ attacks were, they could not destroy the four arrays at once!

Puff, puff, puff Under the ferocious attacks of the four-layered array formation, the Hell Fiend Emperor and the other three exploded into flesh and blood that splattered everywhere in a tragic manner!

“I don’t believe I can’t break your array!” The Hell Fiend Emperor let out a roar and shuddered!

“Chaotic World of Demons!” Demonic qi surged into the sky and the demonic sea surged up!

Countless magical beasts, demon soldiers, and demon generals condensed and rushed in all directions!

“The Gods Descend!” The Heavenly God Emperor’s body trembled as he suddenly stomped down!

Twelve huge deity illusions stood up and crashed crazily into the four-layered array!

“Divine Flames Burning the Desolate!” The Flame Emperor’s body trembled!

Scarlet flames spewed out of his body, turning into a monstrous sea of fire that washed over the four arrays!

Countless flaming sabers shot out!

“Thousand Corpses Slaughter the City!” The Corpse Emperor constantly mobilized the energy in his body and waved the bone staff in his hand!

Hundreds of thousands of skeletal giants hundreds of feet tall crashed into the four-layered array!

Dang, dang, dang!

Under the repeated frenzied collisions!

The attacks released by the four-layered array were destroyed one after another, and the array barrier kept cracking!

A few minutes later!

Rumble!

The four layers of the array exploded at the same time!

The explosions overlapped and resounded through the world, shaking the four seas and spreading for countless miles!

The world and the sea were trembling violently, as if they wanted to flip the sky and the sea over.

It was breathtaking!

A huge ball of energy intertwined with various energies and light exploded in the sky and spread in all directions!

Even the ancient boats and battleships that were closer were instantly submerged and destroyed!

“Pu pu pu pu” The Hell Fiend Emperor and the other three spat out blood and fell from the ball of energy!

Meanwhile, Ye Luange and the other three were sent flying!

“Continue, kill!” Ye Luange quickly stabilized her body and shouted coldly.

She held the Blue Luan Sword and charged forward angrily!

Song Zhixin, the Divine Light and Darkness, and the Ice Empress also charged forward!

The battle raged on all fronts without stopping!

Both sides fought from sunset to dusk until night!

The casualties had already exceeded 100,000!

This number was already very terrifying!

Broken ancient ships and battleships were everywhere!

Corpses were everywhere, and blood dyed the sea red!

Just as the battle continued!

“Argghhh!” A painful scream came from the sky in the distance.

The Holy Light Pope was once again shot down from the sky by Yang Luo and landed heavily on a battleship!

Another battleship was smashed into pieces again!

Many people above were killed by this impact!

The others were stunned and jumped onto the other battleships in a panic!

At this moment.

The Holy Light Pope’s body was already in tatters.

He was covered in blood and not a single part of him was intact!

He lay on the damaged battleship, blood gushing out of his mouth and he could not get up for a long time!

Everyone present was deeply shocked!

“Defeated!

The Holy Light Pope has been completely defeated!” “The Holy Light Pope has been shot down countless times.

Now, he can’t even get up!” “The Divine Emperor is too strong.

This is completely a one-sided crushing!” “Divine Emperor!

Divine Emperor!

Divine Emperor!” Those who followed Yang Luo shouted excitedly, waving their fists and shouting.

As long as he killed the Holy Light Pope, there would be no suspense in this battle!

At this moment.

“Ahhhh” Miserable screams came from afar.

Everyone present turned to look.

Figures fell from the sky and landed on the battleships and the sea!

Boom, boom, boom The sound of collision was endless!

Battleships were destroyed one after another!

Huge waves also rose on the sea!

The ones who fell from the sky were the Hell Fiend Emperor, the Heavenly God Emperor, the Flame Emperor, the Corpse Emperor, and Kagura Kenshin

Chapter 1824: Sudden Change!

The Hell Fiend Emperor, the Heavenly God Emperor, the Flame Emperor, the Corpse Emperor, and Kagura Kenshin were also heavily injured and covered in blood.

All of them had lost half their lives!

Seeing this scene!

“Oh my god, the Hell Fiend Emperor, the Heavenly God Emperor, the Flame Emperor, the Corpse Emperor, and the Sword Saint have also been shot down!” “In other words, the enemy’s top combatants have all been defeated!” “Not only is the Divine Emperor invincible, Blue Luan and the Empress of Heavenly Fate are also incomparably powerful!” “We won!

We’re definitely going to win this battle!” “Hahaha, I didn’t expect this battle to end so quickly!” Everyone who followed Yang Luo was completely excited.

They raised their arms and shouted.

“Your Holiness, the Fiend Emperor, the Lord God Emperor Get up quickly and kill Yang Luo and the others!” “Why are these beasts so strong that they can actually defeat the Pope and the others!” “Where are our helpers?

Please come out and kill these beasts!” Those who followed the Holy Light Pope roared in grief, despair, and unwillingness.

At this moment.

Yang Luo stood in the sky and shouted, “Destroy them!” “Yes!” Ye Luange and the others replied in shock.

Then, Yang Luo waved the sword in his hand!

“Ten Thousand Swords Become One!” Countless golden flying swords instantly gathered and transformed into a huge golden sword.

With a brilliant sword power and boundless sword intent, it pierced towards the Holy Light Pope from the sky!

“Sword Shines All Life!” Ye Luange also waved the sword in her hand!

Countless cyan flying swords gathered into a huge green sword that stabbed at the Hell Fiend Emperor with destructive sword intent!

“Heavenly Law Sacred Lotus!” Song Zhixin waved her hand!

Countless eight-colored Glazed Lotuses fused into one, turning into a huge Glazed Lotus that crushed the layers of void and suppressed the Heavenly God Emperor!

“Divine Punishment of Light and Darkness!” “Heavenly Underworld Nine Slashes!” “Ice River Python!” “God Moves Eight Desolates!” “Heaven and Earth Battle Spear!” Divine Light and Darkness and the others also used their killer moves to attack the Flame Emperor, Corpse Emperor, and Kagura Kenshin!

But at this moment!

Rumble A series of rumbling thunder came from the distant sky!

“What’s that sound?!” “Is there thunder?!” “It seems to be coming from there!” Everyone present exclaimed and turned to look into the distance.

In the distant sky, divine light shone and demonic qi soared!

In the next second Whoosh!

Whoosh!

Whoosh!

Whoosh!

Accompanied by a piercing sound!

21 energy rainbows that flickered with various colors tore through the void and shot over!

When Yang Luo saw this, his heart skipped a beat.

He exclaimed, “Everyone, be careful!” Even though Yang Luo had reminded them, Ye Luange and the others still could not react quickly!

In an instant!

Rumble!

These 21 energy beams ruthlessly bombarded the attacks of Yang Luo and the others, erupting with rumbling thunder!

Huge balls of energy instantly exploded in the sky and sea, spreading in all directions!

“Ahhhh” Ye Luange, Song Zhixin, and the others cried out in pain and were sent flying!

As they were sent flying, blood sprayed out of everyone’s mouths and bloody wounds exploded on their bodies!

Even Yang Luo, who had reacted in time, was blasted back a hundred meters!

As the light and energy in the sky and the sea dissipated!

Everyone present was dumbfounded and completely dumbfounded!

Huge void holes were blasted in the sky!

As for the dozens of ancient boats in the sky, they were shattered into pieces that scattered down!

Dozens of battleships on the sea were also blown to pieces!

Abyssal pits were created in the sea!

“Oh my god, are those 21 beams of light so powerful?

They’re simply destructive!” “Who exactly saved the Holy Light Pope and the others?!” “The key is that the Divine Emperor and the others actually could not withstand the other party’s attack and were all sent flying!” “What’s going on?

Could it be that the Holy Light Pope and the others have help?!” The people who followed Yang Luo trembled and their faces turned pale.

“Could it be that our helpers are here?!” “Haha, good, this is great!” “So what the Pope said is true.

We really have helpers!” “And they seem to be a group of extremely powerful helpers!” “We’re not the ones who will lose this battle in the end!” The people who followed the Holy Light Pope were overjoyed and shouted.

In the air.

Yang Luo, Ye Luange, and the others stabilized their bodies and stared fixedly at the distant horizon.

Xiang Kunlun, the King of Creation, and the others also looked into the distance with solemn expressions.

They felt a terrifying pressure and aura sweep over from afar, enveloping the sky and the sea for an unknown distance.

This pressure and aura made their hearts palpitate!

“Little Luo, do they have helpers?” Ye Luange held the Blue Luan Sword tightly and asked through gritted teeth.

Yang Luo nodded with a cold expression and said, “It should be.

Moreover, their helpers are probably very strong!” “Damn it!” Underworld Emperor spat out a mouthful of blood, “I was so close to killing those guys.

I didn’t expect such a sudden change!” Divine Light and Darkness said in a deep voice, “Looks like the next battle will be even more difficult” Yang Luo said in a trembling voice, “No matter how difficult the battle is, we have to hold on.

We can’t give up until the last moment!” “Yes!!!” Ye Luange and the others replied in unison.

Yang Luo immediately said, "Everyone, quickly take the medicinal pill to recuperate and prepare for battle!" Ye Luange and the others nodded heavily.

Then, they took out medicinal pills and swallowed them, hurriedly healing and replenishing their energy.

At this moment.

A powerful voice sounded.

"Looks like we still have to end this battle!" "I didn't expect such a powerful guy to be born in this world.

It's really an eye-opener for me!" "These guys dared to obstruct the God Lord's plan.

I'll definitely make them die without a burial place!" Yang Luo and the others frowned and looked up.

They could see 21 figures appear in the distant horizon

Chapter 1825: Gods and Demons!

Just as everyone was rooted to the spot Dang, dang, dang!

The 21 figures took a few steps in the air.

In just a few steps, the 21 figures appeared in the sky above the sea.

Everyone looked at the 21 figures in a daze, dumbfounded.

There were 21 men and women with different appearances and clothes.

Some were old, and some were young.

Just by standing in the sky, the pressure and aura they emitted made everyone present feel a powerful pressure.

Half of them were surrounded by divine light, and the other half were surging with demonic qi.

It was like a mortal facing gods and demons, and a low-level creature facing a high-level creature.

One could not help but feel a sense of fear.

“Oh my god, who are they?

Where did they come from?!” “These people’s auras are powerful and strange.

Could it be that gods and demons have descended to the mortal world?!” “It seems like these people are not simple!” “Could they be the helpers invited by the Holy Light Pope and the others?!” “You can tell at a glance.

These people saved the Holy Light Pope and the others just now!” Everyone present discussed in shock as they looked at the 21 figures in fear.

At this moment.

The Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor struggled to get up from the ground and knelt on one knee towards the 21 people.

“Greetings, Lord God!” “Greetings, Lord Ancient Demon!” The three of them placed their right hands on their left chests with pious and respectful expressions.

The Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor knelt down.

The Flame Emperor, Corpse Emperor, and Kagura Kenshin also got up and hurriedly knelt down.

“Hahaha, so the Pope, the Lord God Emperor, and the Fiend Emperor didn’t lie to us.

The three lords really hired help!” “Moreover, the helpers invited by the three lords are very powerful.

They were able to save the Pope, the Divine Emperor, and the Fiend Emperor in such a dangerous situation just now!” “Good, this is great.

With these helpers, we will turn the tables in this battle!” Everyone who followed the Holy Light Pope was overjoyed.

They all knelt down towards these twenty-one people.

Therefore, these 21 people were the gods and demons invited by the Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor from the Holy Light Church, the Heavenly Universe Divine Clan, and the Dark Demon Clan.

There were True Gods, Earth Gods, True Fiends, and Earth Fiends.

The three true gods from the Holy Light Church were: the God of Stars, the Sky-Lifting Giant God, and the God of Extinction!

The four Earth Gods were: the Netherworld Killer God, the God of Moonlight, the God of Earth, and the God of Frost!

The three True Gods from the Heavenly Universe Divine Clan were: the Heavenly Tribulation God, the Calamity God, and the Berserk God!

The four Earth Gods were: the God of Dawn, the God of Night, the God of Protection, and the God of Destruction!

The three True Fiends from the Darkness Fiends were: Slaughter True Fiend, Fallen True Fiend, and Punishment True Fiend!

The four Earth Fiends were: Decaying Earth Fiend, Vengeful Earth Fiend, Deep Abyss Earth Fiend, and Death Earth Fiend!

The God of Stars placed his hands behind his back and said indifferently, "Holy Light, get up.

Leave the rest of the battle to us!" "Thank you, Lord God of Stars!" Only then did the Holy Light Pope dare to stand up.

The Heavenly Tribulation God shouted coldly, "Heavenly God, you're really trash.

You can't even handle such a small matter!" The Heavenly God Emperor lowered his head and said with a terrified expression, "Lord Heavenly Tribulation God, I was incompetent.

The heavens are willing to accept punishment!" "Hmph!" The Heavenly Tribulation God snorted heavily and said in a trembling voice, "Scram and watch.

Let's see how we can easily kill these guys!" "Yes!" The Heavenly God Emperor replied and hurriedly retreated to the side.

Slaughter True Fiend looked at the Hell Fiend Emperor coldly and shook his head, "Hell Fiend, you've really embarrassed us demons!" The Hell Fiend Emperor gritted his teeth and said, "Lord Slaughter True Fiend, these guys are really strong.

We're not their match at all!" "You still dare to quibble?" Slaughter True Fiend narrowed his eyes with killing intent.

“This subordinate wouldn’t dare!” The Hell Fiend Emperor was so frightened that he broke out in cold sweat and lowered his head.

Slaughter True Fiend roared, “If you don’t dare, scram to the side!” “Yes!” The Hell Fiend Emperor replied without any dissatisfaction.

Seeing this scene, Everyone present was stunned!

“The Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor are the three rulers of this world.

Why are they so frightened in front of these people like subordinates?!” “There’s no doubt that these people’s backgrounds are definitely extraordinary.

They’re existences that we can only look up to!” “Perhaps the legend is true.

The Holy Light Pope and the other two are really related to the Gods and the Demons!” Many people present whispered and looked at this group of people with even more reverence.

Everyone watching the battle on the dark web was also stunned!

They originally thought that this battle was over, but they did not expect a sudden change to happen.

Twenty-one fierce and domineering men and women appeared!

They had no idea who these people were!

However, they could tell that these 21 people were here to help the Holy Light Pope and the others!

This battle was not over yet!

Perhaps, the real battle had only just begun!

They just did not know which side would obtain the final victory!

At this moment.

In the sky above the sea.

Yang Luo stared intently at these 21 people.

He sensed that 12 of them were at the early-stage to the perfected Earth Immortal Realm.

However, among the other nine, three of them were at the early-stage True Immortal Realm.

He could not sense the cultivation of the other six.

They were likely probably at the mid-stage True Immortal Realm, late-stage True Immortal Realm, or even the perfected True Immortal Realm.

In other words, nine True Immortals had come at once!

Once the battle started, they had no chance of winning at all!

However, the battle had already reached this stage.

They had no way out and could only continue fighting!

Yang Luo's expression was cold as he said in a deep voice, "You're the helpers invited by these three guys?"

Tell me, where are you guys from?" The God of Stars chuckled and said arrogantly, "Kid, listen up!

We are from the Holy Light Church, the Heavenly Universe Divine Clan, and the Dark Demon Clan.

We are true gods and demons!

I've also seen your strength just now.

You're indeed very strong!

However, no matter how strong you are, you can't be our match.

Death is your final destination!"

Chapter 1826: One Against Two!

The Heavenly Tribulation God said loudly, "Kid, you're indeed not simple.

You can step into this realm at such a young age!

However, you shouldn't have offended the gods!" Slaughter True Fiend looked at Yang Luo sinisterly and said, "Kid, I only have one question for you.

How do you want to die?" Yang Luo took a deep breath and said in a trembling voice, "I don't care if you're from some bullsh*t god or demon race!

If you want to kill me, you have to pay a heavy price!

Alright, let's cut to the chase!

Don't you want to kill me?

Then come!" As soon as these words were spoken.

"Hahaha" "Everyone, did you hear that?

This kid said that he wants us to pay a heavy price." "This kid is really ignorant and arrogant.

He still dares to be arrogant even at the brink of death!" "Then let this kid see how powerful we gods and demons are!" "Don't kill him at once.

I want to play with him and torture him to death!" The God of Stars and the others laughed as if they had heard the funniest joke in the world.

"So what if you're a god?

So what if you're a demon?

What do I have to be afraid of!" Yang Luo let out an explosive roar and swung his sword!

The sword swung out in one wide arc!

Whoosh!

Whoosh!

Whoosh!

Whoosh!

Countless golden flying swords shot towards the twenty-one people from all directions!

The moment the flying sword shot over!

These 21 people trembled and condensed a divine light barrier and a demonic light barrier to resist!

Ding, ding, ding!

A series of crisp collision sounds resounded through the world!

A large amount of light and energy waves spread out in all directions!

“Little b*stard, you actually dare to take the initiative to attack?”

You have a death wish!” The Punishment True Fiend roared angrily and took a step forward, charging towards Yang Luo!

His cultivation was at the early-stage True Immortal Realm, just like Yang Luo!

On the way to kill Yang Luo!

A black-blue demonic light appeared on his body, and surging demonic qi soared into the sky and tore through the sky!

Everyone present was shocked!

Everyone clearly did not expect the battle to erupt so suddenly!

“Heavenly Punishment Demon Saber!” Accompanied by a ferocious shout A black-blue demonic saber whistled out from his belt and was grabbed by him!

He suddenly waved the long saber in his hand and slashed at Yang Luo!

Swoosh!

A huge black-blue saber tore through the void.

It was incomparably ferocious, as if it wanted to destroy everything!

Yang Luo was not afraid at all.

He flipped his wrist and slashed out!

Swoosh!

A huge golden sword slashed through the sky, breaking through the layers of darkness and demonic qi and facing it!

Clang!

The huge sword and the huge saber collided heavily, shaking the sky and the sea, shooting out dazzling light and vast energy!

Although the Punishment True Fiend’s slash was very powerful, Yang Luo was not someone ordinary early-stage True Immortals could contend against!

Therefore, under the collision of this sword, The Punishment True Fiend was sent flying!

“Good, good job, Divine Emperor!” “What bullsh*t gods and demons?”

Our Divine Emperor is still undefeated!” “Divine Emperor, don’t let them be arrogant.

Kill them!” When the people following Yang Luo saw this, they raised their arms and shouted.

“This kid is really strong.

He can even send a True Fiend flying with a single strike!” “Hehe, so what if this kid can fight?

Can he defeat so many gods and demons?” “That’s right.

Even if we exhaust him, we can exhaust him to death!” Although the people who followed the Holy Light Pope were still very shocked, they did not think that Yang Luo could deal with so many gods and demons.

The gods and demons only had different expressions.

Some were surprised, some were puzzled, and some were disdainful.

“Didn’t you say that I have a death wish?

I think you’re the one who has a death wish!” Yang Luo roared and did not stop at all.

With a flash, he transformed into a golden stream of light and charged towards Punishment True Fiend!

And the moment he got close He slashed out again at the Punishment True Fiend!

Punishment True Fiend's expression was ruthless as he slashed with all his might!

Tang!

The saber and sword collided again, shaking the world!

The Punishment True Fiend was sent flying again!

Just as Punishment True Fiend was sent flying again!

Yang Luo's body shook!

"Sea of Purgatory Fire!" Golden-red flames erupted from his body, turning into a sea of fire that surged towards the Punishment True Fiend!

Punishment True Fiend was furious!

As a dignified True Fiend, he had actually been sent flying twice by a brat.

How embarrassing!

His body trembled as he roared!

"Fire of Sin!" Waves of black and blue flames spewed out of his body, turning into a sea of flames that collided!

In an instant!

Hong The two seas of fire collided heavily.

The world collapsed and the sea surged!

The two seas of fire collided crazily and collided, causing scorching waves of fire to surge!

“Fall back!” “Don’t get close!” Everyone in the sky and on the sea exclaimed and retreated.

The waves of fire destroyed the ancient ships and battleships, creating huge abyssal pits in the sea!

The seawater was evaporated by a large amount, turning into rolling white gas that soared into the sky!

However, what shocked everyone was that Yang Luo’s flames still suppressed the Punishment True Fiend!

The flames that erupted from the Punishment True Fiend were dispersed in a large area, turning into sparks that filled the sky and dissipated in the sky!

“Come on, let’s fight!” Yang Luo roared as he stepped on the sea of fire and charged towards Punishment True Fiend!

However, at this moment!

“I’ll fight you!” Accompanied by a powerful voice, The Berserk God, who was more than three meters tall and wore a bronze metal waistcoat, soared into the sky.

He raised the bronze ax in his hand and slashed at Yang Luo!

The Berserk God’s cultivation was also at the early-stage True Immortal Realm!

An earth-shattering axe cleaved down!

The void was torn apart layer by layer, emitting crackling sounds!

The bronze divine light charged down as if it wanted to shatter everything!

Yang Luo's expression turned cold as he waved his sword and slashed into the sky!

Rumble!

The huge axe and the huge sword collided with a heaven-shaking sound!

The divine light and sword intent collided crazily and shot out, tearing apart the void!

Just as the Berserk God's axe slashed down!

The Punishment True Fiend rushed forward as well and slashed at Yang Luo with the saber in his hand!

Yang Luo raised his left hand and threw a punch!

Clang!

Clang!

The fist and saber collided with a loud bell bang!

Even when facing two early-stage True Immortals, Yang Luo still endured it!

“Get the fuck out of my way!” Yang Luo let out a wild roar.

His True Qi and physical strength erupted at the same time, and his arms shook!

Accompanied by a rumbling explosion!

The Punishment True Fiend and Berserk God were sent flying at the same time!

Yang Luo, on the other hand, did not move at all.

He was extremely powerful!

“Heavens, the Divine Emperor is actually still able to gain the upper hand in a one-on-two battle.

He’s really too strong!” Someone exclaimed.

Chapter 1827: The Battle Is Not Over!

Just as the two of them were sent flying!

Yang Luo’s figure moved and continued to chase after him!

Seeing Yang Luo chase after him The Berserk God trembled and let out a roar!

“Berserk Divine Body!” In an instant!

Under everyone’s watchful eyes The Berserk God’s originally three-meter-tall body immediately expanded to more than ten meters tall.

It was like an iron tower that was breathtaking!

“Little bastard, hand over your life!” The Berserk God suddenly stomped down!

Rumble Part of the void collapsed from the stomp!

The Berserk God’s huge body immediately soared into the sky and swung his huge ax again, slashing towards Yang Luo!

The huge axe pressed down on the sky and tore through the night sky.

It was incomparably terrifying!

Punishment True Fiend’s body trembled as well.

He released his aura and combat strength as he charged forward and slashed!

Yang Luo’s entire body also trembled in response as he let out a roar!

“Flame Emperor Combat Body!” A giant burning with golden-red flames stood up and enveloped Yang Luo!

Then, Yang Luo gripped the Dragon Emperor Sword tightly with both hands and swung it with all his might!

Clang!

The gigantic sword collided intensely with the huge axe and saber, shaking the nine heavens and the four seas!

Energy and light erupted from the point of collision and swept out like a mountain flood breaking a dam!

Seeing that Yang Luo blocked it again!

The Berserk God waved his left hand!

“Heavenly God Seal!” A bronze seal that was like a mountain crushed the sky and smashed towards Yang Luo!

“Curse of Punishment!” Punishment True Fiend chanted an incantation.

Countless black and blue runes condensed and shot towards Yang Luo!

As the seal and runes closed in!

Yang Luo stepped down from the sky!

“Nine Heavens, Dragon’s Fury!” “Roar, roar, roar!” Nine huge golden dragon illusions roared and collided with the huge seal and runes!

Rumble!

Terrifying explosions sounded incessantly!

The seal, runes, and the nine golden dragon illusions collapsed and exploded at the same time!

The Berserk God and the Punishment True Fiend were sent flying at the same time as bloody wounds appeared on their bodies!

Yang Luo was also blasted back repeatedly, and a few bloody wounds exploded on his body!

The Berserk God said ruthlessly, "This kid is really not simple.

Don't hold back and quickly kill him!" "Ok!" Punishment True Fiend replied loudly.

The two of them crazily mobilized the divine power and magic power in their bodies and directly activated their Dharma Idols!

Two giants stood above the two of them, majestic and domineering!

Then, the two of them led their Dharma Idols and continued to charge at Yang Luo!

Yang Luo also quickly activated his Dharma Idol and led it to fight!

It was also when the three of them were fighting!

Everyone present was terrified and trembling!

This was undoubtedly a battle between immortals, demons, and gods.

Ordinary people could not participate in this battle at all!

After fighting for dozens of rounds!

Yang Luo had actually completely suppressed the Berserk God and the Punishment True Fiend by himself!

Even if the two of them activated their Dharma Idols, they were not Yang Luo's match at all!

In the distant sky.

The God of Extinction said coldly, “Looks like Berserk and Punishment are indeed not this kid’s match.

Let me kill this kid!” The God of Stars narrowed his eyes and said, “This kid is not simple.

Be careful!” “Don’t worry, this kid won’t be able to do anything!” The God of Extinction replied.

Then, his figure moved and turned into a stream of light that rushed towards the battlefield!

His cultivation was at the mid-stage True Immortal Realm, much stronger than the Berserk God and Punishment True Fiend!

As he rushed forward!

He rushed into the sky and let out a roar!

“Divine Annihilation Spear!” Swoosh!

A scarlet-golden spear flew out and was held in his hand!

Then, he waved the spear in his hand and stabbed down!

Boundless divine light and brilliant divine might instantly erupted!

There was only a loud bang!

The void below directly exploded, and the sea of clouds was completely blasted apart!

A huge reddish-gold spear stabbed fiercely at Yang Luo!

“Brother Yang, be careful!” “Quickly dodge!” “Divine Emperor, be careful!” Everyone present reminded him in surprise.

Yang Luo also quickly reacted.

After sending the Berserk God and Punishment True Fiend flying, he stabbed his sword into the sky!

BOOM!

The huge spear and the huge spear collided heavily.

Like a meteorite colliding, a deep bang erupted!

“Ugh” Yang Luo let out a muffled groan as his body fell from the sky.

With a bang, he smashed into a battleship!

The battleship was instantly smashed into pieces!

“Little Luo!” “Brother Yang!” Ye Luange and the others’ expressions changed as they shouted in shock.

“Who cares if they’re gods or demons?”

Let’s fight them to the death!” Ye Luange shouted angrily and charged towards the God of Extinction with the Blue Luan Sword in her hand!

“We can’t let Little Luo fight alone.

Let's go help!" Song Zhixin's eyes were cold as she charged forward!

"So what if they're gods?

What's there to be afraid of?!" "Even if I really die in battle, I'm not afraid!" "Fight and turn their world upside down!" The Divine Light and Darkness, Mo Qingkuang, Underworld Emperor, Ice Empress, and Lin Wenxuan also rushed forward!

"Roar" Big White also let out a roar and charged forward!

"Do it!" "Kill them!" "Let them see how powerful we are!" The Netherworld Killer God, the God of Dawn, the Decaying Earth Fiend, and the other twelve Earth Fiends moved at the same time and attacked Ye Luange and the others!

Their cultivation levels ranged from the early-stage to the perfected Earth Immortal realm.

Although they could not compare to True Immortals, they were still quite powerful existences!

The Holy Light Pope said ruthlessly, "Leave that little bastard Yang Luo to the gods to deal with.

Let's kill these guys!" "Ok!" The Heavenly God Emperor, Hell Fiend Emperor, Flame Emperor, Corpse Emperor, and Kagura Kenshin nodded in agreement.

Although they were all seriously injured and had exhausted a lot of their strength, they had not completely lost their combat strength.

Now, the gods and demons had taken action.

As long as they went forward to reinforce them, they would definitely be able to kill Ye Luange and the others quickly.

Then, the Holy Light Pope and the other three soared into the sky and charged at Ye Luange and the others with heavily injured bodies!

Soon, an even larger and more terrifying battle erupted in the sky!

Just as the battle broke out!

Yang Luo had already stood up.

He stepped on an ocean and soared into the sky!

“You want to join forces to kill me?”

Then come!” Yang Luo let out a roar and charged towards the God of Extinction, the Berserk God, and the Punishment True Fiend, starting a shocking battle with the three of them!

“Brothers, the battle is not over yet.

Follow me and kill!” Xiang Kunlun let out a roar and continued to attack the people from the Holy Light Church and other large organizations.

“Kill, kill, kill!” The people from the Holy Imperial Court and the other large organizations roared and charged forward together!

Chapter 1828: How Long Can He Last?

“Everyone, our helpers have arrived.

They are true gods and demons.

They are incomparably powerful.

We will definitely win this battle!” “Hahaha, I didn’t expect the Pope and the others to invite so many helpers over.

This is great!” “Yang Luo, Blue Luan, and the Empress of Heavenly Fate are all dead meat!” “The victory of this battle belongs to us!” The people from the Holy Light Church and other large organizations shouted excitedly and charged forward.

In the sky and on the sea, a huge battle erupted again!

In the distant sky.

The God of Stars, Sky-Lifting Giant God, Heavenly Tribulation God, Calamity God, Slaughter True Fiend, and Fallen True Fiend stood there quietly.

They did not care about the battle between these people at all.

After all, these people were just ants in their eyes.

They could be killed and destroyed as they pleased.

They only cared about Yang Luo, Ye Luangge, and the others.

Of course, while they paid a little more attention to them They did not think that Yang Luo, Ye Luangge, and the others had any chance of winning.

Slaughter True Fiend looked at the distant battlefield and asked teasingly, “Everyone, how long do you think that kid called Yang Luo can last?” The Fallen True Fiend sneered, “This kid is indeed very strong.

However, now that World Destruction, Berserk, and Punishment have joined forces, this kid can only last for half an hour at most!" "Half an hour is too long.

Twenty minutes at most!" "In ten minutes, this kid will definitely die!" "He thinks too highly of this kid.

I'm guessing at most five minutes!" The others also made a guess.

Obviously, they were just playing around with Yang Luo.

The God of Stars said indifferently, "Then let's see how long this kid can last!" At this moment.

In the distant sky.

Dang, dang, dang!

Boom, boom, boom The four Dharma Idols and four figures collided intensely in the sky!

Every collision shook the sky and sea, and the void cracked!

As the God of Extinction joined the battlefield!

Yang Luo felt that the battle was getting more and more difficult!

Although he was invincible in the same realm and could fight someone above his level, But now, he was facing a mid-stage True Immortal and two early-stage True Immortals!

It was still too difficult for him to fight three True Immortals alone!

Right at this moment!

Rumble!

Accompanied by a shocking explosion!

Yang Luo was sent flying by the explosion, and blood splattered from his body!

The God of Extinction, Berserk God, and Punishment True Fiend were also sent flying by the explosion, but they quickly stabilized themselves!

“Divine Annihilation Spear!” The God of Extinction waved the spear in his hand and swept it towards Yang Luo!

Rumble rumble rumble!

A huge spear shattered the night sky, bringing with it a large reddish-gold divine light that shot towards Yang Luo!

“Berserk Heavy Axe!” “Demonic Blade of Punishment!” The Berserk God and the Punishment True Fiend brandished their axes and sabers at the same time and slashed at Yang Luo!

The ax and saber tore through the layers of void, bringing with them a large amount of divine light and demonic light that shot towards Yang Luo!

Yang Luo’s body shook as he used another physique secret technique!

“Divine Dragon Tyrant Body!” A purple giant stood up and enveloped his body!

One purple dragon after another coiled around his body.

They appeared peerlessly domineering and powerful!

His combat strength had also increased again!

“Come on!

Fight!!!” Yang Luo roared angrily.

He gripped the Dragon Emperor Sword tightly with both hands and slashed out with all his might!

Rumble Rumble The sound of collision and explosions sounded one after another, shaking the heavens and earth!

This time, Yang Luo actually withstood the fierce attacks of the three of them!

The four of them maintained their confrontational postures.

Energy and light kept shooting out from the point of collision, not giving in to each other!

“Kid, you’re quite interesting.

No wonder even Holy Light isn’t your match!

“However, no matter how strong you are, you will still die in our hands!” The God of Extinction’s eyes were cold as he waved his left hand!

“World-Destroying Divine Light!” In an instant!

Huge red-gold beams of light descended from the sky, containing terrifying lethality, destructive power, and destructive power as they bombarded Yang Luo!

“Xuanming Divine Power!” Yang Luo’s entire body trembled.

A solid and heavy blue-gold ice barrier engraved with ancient patterns condensed and enveloped him!

Rumble These divine lights ruthlessly struck the ice barrier, erupting with a loud bang!

A large amount of light, energy, and ice exploded, looking incomparably dazzling!

“Devil Punishment Platform!” Punishment True Fiend waved his hand!

Array platforms flickering with black-blue demonic light and burning with demonic flames condensed in the sky and pressed down!

“Starfall!” The Berserk God stomped down from the sky!

Clink clink clink!

Boulders that filled the sky descended from the sky like a meteorite and smashed towards Yang Luo!

Boom, boom, boom Under the fierce attacks of the three of them!

The Xuanming Divine Fortress that Yang Luo had condensed could no longer withstand it and kept cracking!

He gritted his teeth and let out a deafening roar!

“Inextinguishable Flame Dipper!” A golden-red flame barrier instantly condensed to block the three people’s fierce attacks!

“Trying to defend?” The God of Extinction’s eyes were cold, “I want to see how long you can last!” With that, he waved his hand!

“World Annihilation Shackles!” Crackle Huge scarlet-gold chains tore through the surrounding void and rushed towards Yang Luo like dragons!

“Demonic Sin and Punishment Technique, Demon Summoning!” The Punishment True Fiend let out a roar!

A huge black-blue ancient demon totem condensed in the sky above him and slowly rotated!

Darkness, evil, sinister, and terrifying demonic qi and demonic might spread out, sweeping through the world!

“Roar” Accompanied by the roars of demons!

Countless fiend beasts, Demon Soldiers, and Demon Generals rushed out of the Ancient Demon Totem and pounced at Yang Luo!

“Violent Giant God Descends!” The Berserk God stomped down from the sky and roared!

Seven array formations that flickered with various colors condensed above him and shot out seven beams of light!

Seven giant gods in armor and holding various weapons stood up and charged at Yang Luo at the same time!

The trio’s attacks became more and more terrifying.

Yang Luo did not dare to be careless and quickly counterattacked!

“Dragon Howls at the Myriad Existences!” “Vermillion Bird Descends!” “True God Black Tortoise Transformation!” “ROAR!” “Shriek!” “Roar!” The golden dragon soared, the Vermillion Bird spread its wings, and the Black Tortoise stepped on the air and collided fiercely!

The power of the nine attributes in his body erupted at the same time, turning into immortal rainbows that charged towards the chains!

Chapter 1829: Tragic Battle!

Rumble!

Rumble!

Another series of earth-shattering collisions and explosions resounded!

The sky and sea shook violently!

The light and energy that erupted seemed to want to destroy everything!

However, their attacks were too ferocious!

It was still difficult for Yang Luo to resist with just these few killer moves!

The Golden Dragon, Vermillion Bird, and Black Tortoise exploded one after another!

One immortal rainbow after another was destroyed!

His body was even blasted till pieces of flesh flew out.

It was very tragic!

However, golden flames danced in his eyes, burning with an indestructible fighting spirit and unyielding fighting spirit!

His expression was ferocious as he roared again!

“Primal Heavenly Art!” The illusions of the six Ancestral Magi instantly stood up and rushed out like six giant gods!

Rumble!

Under the crazy collision of the six Ancestral Magus illusions, the attacks of the three of them were destroyed one after another!

“Continue attacking!” The God of Extinction roared.

His reddish-gold curly hair danced in the wind, and his clothes fluttered as he continued to attack!

“World-Destroying Divine Sea!” The Punishment True Fiend and the Berserk God also attacked fiercely with ruthless gazes!

“Demon Sea of Punishment!” “Berserk Divine Sea!” Boundless divine power and demonic power erupted from the three of them, turning into three energy seas that surged up!

Rumble!

Under the scouring of the three energy seas!

The six Ancestral Magus illusions collapsed and exploded one after another!

“Continue!” Yang Luo roared and stomped down in the air, causing a large area of the void to collapse!

“Great Dao Dragon Diagram!” “Summon: Flood Dragon, low-level Divine Dragon, medium-level Divine Dragon, high-level Divine Dragon!” “Roar, roar, roar!” More than ten thousand illusions of flood dragons!

More than 8,000 illusions of low-level divine dragons!

More than 3,000 intermediate divine dragon illusions!

Hundreds of high-level divine dragon illusions!

They roared in unison!

As his cultivation advanced to the True Immortal Realm!

Yang Luo could summon more dragon illusions, and the level of the divine dragon he could summon was also higher!

Since his cultivation was insufficient, he would use his killing move to make up for it!

Rumble!

The heavy attacks of the God of Extinction and the other two were all destroyed!

The three of them were forced to retreat repeatedly, and their bodies were blasted into pieces!

“Come on, continue, kill!!!” Yang Luo seemed to have gone berserk.

He led the remaining 10,000 dragon illusions and charged forward angrily!

“Fight, fight, fight!” Even if the battle turned the world upside down!

Even if he bled to death!

Even if he was crushed to pieces!

He had to continue fighting!

Soon, Yang Luo continued to fight fiercely with the God of Extinction and the other two!

The four of them fought until light shone in all directions.

Energy washed over them, and flesh and blood flew everywhere!

In the distant sky.

Ye Luange and the others’ battle with the Netherworld Killer God and the others was also very difficult and tragic!

After all, they had fought a huge battle with the Hell Fiend Emperor and the others previously and were all injured.

They had also exhausted a lot of their strength!

Even if he took a medicinal pill, he could not recover his body in a short period of time!

Moreover, it was even more difficult for them to fight not only the twelve gods and demons, but also the Holy Light Pope and the others!

Rumble!

Accompanied by a series of explosions that shook the world!

A ball of light intertwined with various lights and energy erupted in the sky and spread in all directions!

“Ahhhh” Ye Luange and the others let out tragic cries as they were sent flying!

On the way out, blood sprayed from Ye Luange and the others’ mouths, and their bodies were blasted until flesh and blood shot out.

It was a tragic sight!

“Don’t hold back.

Continue attacking and kill them!” Netherworld Killer God roared and immediately waved the sawtooth saber in his hand, slashing out!

“Netherworld Heaven Splitting Blade!” Swoosh!

A huge black-green saber tore through the sky, cut through the void, and slashed fiercely at Ye Luange and the others!

“Blade of the Daybreaker!” The God of Dawn waved the longsword in his hand!

Swoosh!

A huge silver-white sword tore through the sky, erupting with dazzling divine light as it slashed out!

“Decaying Wand!” The Decaying Earth Fiend waved the black-green scepter in its hand!

A demonic sea that contained poison and the power of decay surged up!

“Moonlight Divine Slash!” “Dark Night Blade!” “Demonic Fist of Vengeance!” “Earth Collapse!” The God of Moonlight, the God of Night, Vengeful Earth Fiend, and the other gods and demons attacked together!

The Holy Light Pope and the others naturally did not hold back and attacked together!

“Everyone, be careful.

Counterattack!” Ye Luange shouted and waved the sword in her hand angrily!

“Sword Light Like Abyss!” “Blue Luan Form Transformation!” Countless cyan flying swords shot out in unison!

A huge illusion of a Blue Luan Divine Bird flapped its wings and flew out!

“Eight Desolate Glazed Seal!” “Lotus Sea Fragrance!” Song Zhixin constantly mobilized the True Qi in her body and executed her killer move!

An eight-colored seal and an eight-colored Glazed Lotus that filled the sky condensed and collided!

“Light and Darkness Divine Halberd!” “Light and Darkness Divine Sea!” Divine Light and Darkness also used killer moves one after another!

Whoosh!

Whoosh!

Whoosh!

Whoosh!

Countless halberds intertwined with black and white light shot out!

The sea of energy intertwined with the black and white light also surged up in an overwhelming manner!

The Underworld Emperor, Ice Empress, Mo Qingkuang, Lin Wenxuan, and Big White also launched their strongest counterattacks!

In an instant!

Rumble Rumble Layers of attacks collided crazily in the sky before exploding one after another!

Even if Ye Luange and the others fought with all their might, it was still difficult to resist!

Everyone was sent flying again.

Blood sprayed from their mouths, and their injuries got even more serious!

“Ugh” “Ah” “Wuuu” Mo Qingkuang, Lin Wenxuan, and Big White screamed in pain as they fell from the sky into the sea!

“Brother Mo!” “Brother Lin!” “Big White!” Ye Luange and the others shouted in shock.

“You can’t even protect yourselves, yet you still have the mood to care about others.

What a joke!” The Netherworld Killer God smiled coldly and continued to attack Ye Luange and the others!

The God of Dawn, Decaying Earth Fiend, and the others followed closely behind and charged forward!

“Let’s fight them to the death!” Ye Luange roared angrily.

Cyan light surged from her body, and her blood-stained black hair fluttered in the wind.

She was like a female war goddess as she charged forward angrily!

“Let’s go all out!” Song Zhixin, the Divine Light and Darkness, the Underworld Emperor, and the Ice Empress also roared angrily and charged forward!

They knew that Yang Luo was risking his life now!

They could not help Yang Luo much.

They could only use their lives to stall these guys!

The battle became even more intense and tragic

Chapter 1830: Can’t Defy God, Can’t Turn the Heavens!

In the distant sky.

The battle between Yang Luo, the God of Extinction, the Punishment True Fiend, and the Berserk God had yet to end.

The expressions of the group led by God of Stars who were watching the battle darkened.

They originally thought that Yang Luo would be killed very quickly.

However, they did not expect Yang Luo to be able to withstand it for so long without being killed.

This was simply a slap in their faces!

The Sky-Lifting Giant God said in a daze, "This kid is really unbelievable.

He can actually withstand World Annihilation and the others for so long without being defeated!

He can even injure World Destruction and the others again and again!" The Calamity God narrowed his eyes and said, "This kid is too strange.

His true strength has already surpassed his cultivation!

Even if they can kill him in the end, they will have to pay a heavy price!" Slaughter True Fiend said coldly, "The spirit qi in this world is so scarce now, but I didn't expect such an expert to be born.

He's really not simple!" The Fallen True Fiend said ruthlessly, "We can't let him continue being arrogant.

I'll deal with him!" Slaughter True Fiend nodded, "Alright, Fallen.

I'll leave him to you!" "Yes!" The Fallen True Fiend nodded and took a step forward, instantly arriving above the battlefield where Yang Luo and the other three were!

His cultivation was at the late-stage True Immortal Realm and was incomparably powerful!

He stood in the air and said in a trembling voice, "Young brat, I've let you cause trouble for so long.

It's time to end it!" As he spoke, he raised his right hand and pressed down with his palm!

A huge black-gray palm pressed down heavily like the sky!

The palm was engraved with ancient demon totems that contained endless lethality, destructive power, and explosive force!

Rumble rumble rumble!

A large area of the void was crushed, and dense pitch-black cracks spread in all directions!

Yang Luo, who was fighting fiercely with the God of Extinction and the other two, suddenly felt a strong killing intent coming from the sky!

After forcing the God of Extinction and the other two back, he slashed into the sky!

Rumble!

Accompanied by the sound of collision!

The sword intent that erupted from Yang Luo's sword was completely destroyed!

This palm also landed heavily on his body!

The "Flame Emperor Combat Body" and "Divine Dragon Tyrant Body" he had condensed were all shattered!

"Arghhhh!" Yang Luo let out a painful scream and spat out a mouthful of blood.

His flesh and blood flew everywhere as he fell!

With a bang, he fell into the sea, creating waves!

“Little Luo!” “Brother Yang!” Ye Luange and the others, who were fighting fiercely in the distance, shouted in surprise!

They wanted to help, but they could not leave at all!

More importantly, they could not even protect themselves now!

“Brother Yang!” “Brother Yang!” “Divine Emperor!” Bujie and the others also shouted in fear.

They also wanted to help, but they were powerless!

How could they interfere in a battle of this level!

At this moment.

The Fallen True Fiend stood in the sky and sneered, “Kid, we just couldn’t be bothered to attack just now!

Do you really think you can defy God and turn the world upside down?” The God of Extinction mocked, “I’ve let you off easy by letting you cause trouble for so long!” “We’re just playing with you.

Do you really think we can’t kill you?” “This is the consequence of disobeying the gods!” The Punishment True Fiend and the Berserk God also threw their heads back and laughed.

Right at this moment!

“Roar, roar, roar!” Dragon roars sounded from the deep sea!

In the next second!

Boom!

Boom!

Boom!

Giant waves exploded on the sea!

Tens of thousands of golden dragon illusions surrounded Yang Luo and rushed out of the sea, charging into the sky!

There was even the Dharma Idol, Vermillion Bird, and Black Tortoise.

The six Ancestral Magi surrounded them and charged into the sky together!

“Don’t be smug.

I’m not dead yet!” Yang Luo dragged his blood-stained injured body and charged forward crazily with the Dragon Emperor Sword in hand!

“You still dare to defy the heavens?

You overestimate yourself!” Fallen True Fiend snorted coldly and raised a black-gray palm again, pressing down heavily!

This time, the power he mobilized was even stronger and more terrifying!

The God of Extinction, Punishment True Fiend, and Berserk God also attacked together!

In an instant!

Rumble!

The Dharma Idol, Golden Dragon, Vermillion Bird, Black Tortoise, and Ancestral Magi that rushed into the sky were all destroyed!

“Pfft” Yang Luo spat out another mouthful of blood and fell from the sky!

It couldn’t be helped!

Even if he had the strength to fight a mid-stage True Immortal, he could not resist a late-stage True Immortal at all!

Not to mention fighting four True Immortals at the same time!

“Don’t give this kid time to catch his breath.

Kill him!” Fallen True Fiend said in a loud voice.

Then, he condensed another black-gray palm that contained even more magic power and pressed down fiercely!

The God of Extinction, Punishment True Fiend, and Berserk God attacked again!

The four attacks crushed down crazily!

All kinds of divine light, demonic light, divine power, and magic power flickered and surged, as if they wanted to completely devour Yang Luo!

“No No!!!” “Brother Yang, quickly dodge!” “Brother Yang Run!

Run!” In the distance, Su Qingmei, Qin Yimo, Xiao Ziyun, and the other women who were fighting fiercely shouted as tears streamed down their faces.

However, at this moment!

Rumble rumble rumble!

Thunder rumbled in the sky in the distance!

Everyone turned to look!

In the distance, the night sky that was enveloped by darkness was filled with immortal light and Buddhist light soared into the sky!

The two golden palms crushed the void and collided with the attacks of the Fallen True Fiend and the other three!

One of the huge palms was engraved with the Yin-Yang Taiji Painting, and the other golden palm was engraved with the talisman script of the swastika!

In an instant!

Boom!

Boom!

Rumble!

The sound of collision and explosions that shook the world resounded!

The attacks of the four Fallen True Fiends perished together with the two huge palms and exploded in the sky at the same time!

The explosive energy and light were like surging waves that swept in all directions!

“Who is it?

How dare you stop me from killing!” “Get out here and accept your death!” “How dare you attack a god?

Are you courting death?!” ‘Who the hell is it?’ The Fallen True Fiend and the other three roared.

Until the light and energy dissipated.

Two golden figures appeared in the sky.

It was an old Daoist priest and an old monk.

They were Zhang Zhilin and Master Xuanku.

Now, Master Xuanku had finally stepped into the True Immortal Realm as well.
