Chapter 1841: Exterminated!

“He was sent flying!

This old man actually sent the Fallen True Fiend flying with a single palm strike and even injured him!”
“This old man is really too strong.

You have to know that the Fallen True Fiend was suppressing the Divine Emperor just now!” “That’s great.

The stronger our helpers are, the greater our chances of winning this battle!” Those who followed Yang Luo were overjoyed and excited.

“How could this be?!

Lord Fallen True Fiend was actually sent flying by this old fellow and was even injured?!” “Damn it, who is this old man?

How can he be so strong?!” “Everyone, don’t worry.

Other than the Fallen True Fiend, we have other gods and demons here!” The people who followed the Holy Light Pope were all shocked and were really frightened.

However, there were still people who were disdainful.

After all, they still had many gods and demons on their side.

Gu Tianlin stood in the sky with his hands behind his back.

He looked at the Fallen True Fiend and said, "You were quite loud just now.

Is that all you've got?" "Old man, don't be smug.

Try taking my hammer!" The Sky-Lifting Giant God roared and charged at Gu Tianlin with a platinum hammer in his hand!

"You're from the god race, right?

Let me meet you!" Supreme Sect Elder Mo Qianjue shouted and took a step forward to fight!

The two of them were at the late-stage True Immortal Realm and were extremely powerful!

And the moment he got close The Sky-Lifting Giant God swung the huge hammer in his hand and smashed it at Mo Qianjue with all his might!

"Heaven Raising Chaotic Hammer!" Accompanied by a loud bang!

One side of the sky collapsed, and the void in all directions collapsed, revealing dense cracks!

This hammer strike was rather terrifying, as if it wanted to shatter everything and destroy everything!

However, Mo Qianjue was not afraid at all.

He raised his right arm and punched heavily!

"Nine Heavens Demon-Destroying Fist!" A huge scarlet-golden fist blasted out, shattering the void in front of him.

Immortal light was dazzling, and its immortal might was matchless!

In an instant!

DONG!

The huge fist and the huge hammer collided fiercely, emitting a thunderous sound!

A large area of light and energy intertwined, like a mountain flood bursting a dam.

The sea surged and spread in all directions!

The Sky-Lifting Giant God originally thought that he could send this white-haired old fellow flying with a hammer!

However, he did not expect that this old man's fist was too heavy.

It was simply as heavy as a thousand catties, making him unable to resist at all!

"Ah" He let out a painful cry and his huge body was sent flying for nearly a hundred meters before he stabilized his body!

Although he had stabilized his body, his arms that were holding the huge hammer were torn apart by the shock and blood flowed down!

Mo Qianjue only took a few steps back before stabilizing his body!

He was also unharmed!

Everyone present turned pale!

“This old man is also very strong.

Not only did he send the Sky-Lifting Giant God flying with a punch, but he also injured him!” Someone could not help but exclaim.

“Attack together and kill them!” The God of Extinction, who was at the mid-stage True Immortal Realm, roared angrily.

He held his spear and charged forward!

“Kill!!!” The Punishment True Fiend and the Berserk God, who were at the early-stage True Immortal realm, held long sabers and huge axes and charged forward as well!

“Everyone, let’s go!” “The God Clan and the Demon Clan are interesting.

I also want to meet them!” “Let these guys see how powerful we immortals are!” “Who cares about gods and demons?

If they dare to cause trouble here, we’ll destroy them!” Supreme Sect’s Elder Luo Chengfeng, Black Tortoise Family’s Elder Yi Chengdao, Phoenix Family’s Elder Qin Yanfeng, and Soaring Serpent Family’s Elder Ning Taicang shouted one after another!

They took a step forward in an extremely domineering manner!

Luo Chengfeng and Yi Chengdao’s cultivation levels were both at the mid-stage True Immortal Realm!

Qin Yanfeng and Ning Taicang’s cultivation levels were both at the early-stage True Immortal realm!

When the four of them stepped out, they took out their weapons!

In an instant!

The distance between the two sides shortened!

“Divine Annihilation Spear!” “Demonic Blade of Punishment!” “Berserk Heavy Axe!” The God of Extinction, Punishment True Fiend, and Berserk God waved their weapons at the same time and attacked Luo Chengfeng and the other three!

The huge spear, saber, and ax carried vast divine and demonic might as they shot out sharp divine light and demonic light, as if they wanted to destroy everything!

“Sky Severing Sword Technique!” “Xuanming Divine mace!” “Fire Phoenix Burning Heaven Halberd!” “Soaring Serpent Heaven-Slaying Sword!” Luo Chengfeng, Yi Chengdao, Qin Yanfeng, and Ning Taicang also brandished their weapons at the same time to meet the attack!

The huge grayish-white sword tore through the sky.

The sword intent was vast and the sword power was peerless, wreaking havoc in all directions!

The blue and black mace were like two heavenly pillars that smashed out, shattering the sky and crushing the layers of void!

The dark red halberd burned with torrential flames and tore through everything as it slashed out heavily!

The huge black-purple saber tore through the sky and sea and slashed upwards!

At this moment!

Everyone watching the battle from above and below was shocked!

This was a battle between seven True Immortals at the same time!

It was simply destructive!

At that moment Rumble The seven giant soldiers collided fiercely in the sky, shaking the nine heavens above and the ten earths below!

The sky and sea were cracked, as if they had been split into several pieces!

When the weapons collided!

Immortal light, divine light, demonic light, immortal power, divine power, and demonic power fought crazily in the sky!

Huge balls of energy exploded in the sky like dazzling fireworks!

When they saw that Yang Luo and the others were seriously injured, they were furious!

Therefore, the moment he attacked, they group abnormally ferocious and incomparably powerful!

The God of Extinction, Punishment True Fiend, and Berserk God could not defend at all!

“Ahhh” The three of them let out painful screams and were sent flying at the same time!

As they were sent flying, bloody wounds exploded on their bodies and blood splattered in the air!

As for Luo Chengfeng and the other three, they stood in the sky without moving at all!

“Good, good job, old sirs!” “Haha, strong, they’re really too strong!” “Can gods and demons still remain arrogant?”

They were still crushed in the end!" Those who followed Yang Luo shouted excitedly, waving their fists and shouting.

Everyone's blood boiled, and their confidence returned.

Zhang Zhilin said in admiration, "Is this the strength of immortals of the Kunlun Ruins?

They're indeed powerful!" "Amitabha" Master Xuanku put his palms together and sighed, "Little Luo is really popular.

He can make a lot of friends wherever he goes"

Chapter 1842: Die without a burial place!

Ye Luange sighed, "Fortunately, Little Luo's friends came to help.

Otherwise, we would definitely have lost this battle." Song Zhixin nodded and said, "Previously, Little Luo said that he had made many like-minded friends in the Kunlun Ruins.

I didn't believe him at that time.

I didn't expect all of this to be true." The Underworld Emperor laughed out loud and said, "Weren't these so-called gods and demons quite arrogant just now?

Now, aren't they still suppressed?" Mo Qingkuang and the others were also excited.

Their confidence returned and their fighting spirit began to rise!

At this moment.

In the distant sky.

Gu Tianlin was fighting the Fallen True Fiend!

Mo Qianjue was fighting the Sky-Lifting Giant God!

Luo Chengfeng, Yi Chengdao, Qin Yanfeng, and Ning Taicang were fighting the God of Extinction, the Punishment True Fiend, and the Berserk God!

The battle was extremely intense, causing the sky and sea to tremble.

The surroundings shook, and all directions were destroyed!

On the ancient boat.

“These guys still have some strength.

I’ll help Brother Gu!” The elder of the White Marsh family, Mu Yunchu, said loudly.

Then, he took a step forward and headed straight for the battlefield where Gu Tianlin was.

“Then I’ll go and help Brother Mo!” The elder of the Roc Clan, Lu Qingpeng, said in a trembling voice.

Then, he took a step forward and rushed towards the battlefield where Mo Qianjue was.

Both of them were at the early-stage True Immortal Realm and were very strong.

In the sky opposite.

The God of Stars, the Heavenly Tribulation God, the Calamity God, and the Slaughter True Fiend stood there and stared fixedly at the group of old men on the ancient boat.

Their expressions were extremely dark.

The God of Stars and Slaughter True Fiend were perfected True Immortals.

The Heavenly Tribulation God and Calamity God's cultivation levels were at the late-stage True Immortal Realm.

Previously, they had been watching the battle and thought that there was no need to fight this battle.

However, they did not expect a group of experts to suddenly charge over.

This made them shocked and furious.

The Fallen True Fiend looked at Lin Wuwang and the others coldly and said angrily, "You guys are simply audacious.

You actually dare to go against us demons and gods!

Have you thought of the consequences?" The God of Stars also said ruthlessly, "There are many experts from our God Race and Demon Race!

In the future, when all the experts of our God Clan and Demon Clan descend, none of you will be able to escape.

You will definitely die without a burial place!" The Black Tortoise Family Elder, Yi Beiming, said in a deep voice, "Could it be that you guys are the only ones with people left while we don't?

Our major families and sects are not something you guys can easily provoke!" Supreme Sect Elder Mo Guishan raised his hand and said, "Brother Yi, don't waste your breath on them.

Just kill them!" Elder Lin Wuwang of the Qilin Family also nodded and said, "These guys are causing trouble here and casually killing people.

They're guilty of a heinous crime and must be eliminated!" "If we didn't arrive in time, Little Luo, Qingkuang, and the others would really be dead.

We can't let these guys off!" "Everyone, let's attack together and kill them!" "As long as we join forces, it won't be difficult to kill these guys!" "We have nothing to fear from them!" The Qilin family's elder, Gong Lenglie, the Black Tortoise family's elder, Yi Quanchuan, the Luwu family's elder, Jing Mingyuan, and the Qingqiu family's elder, Liu Xuanchang, also shouted.

Yi Beiming, Mo Guishan, and Lin Wuwang were all perfected True Immortals.

Gong Lenglie and Yi Quanchuan were at the late-stage True Immortal Realm.

Jing Mingyuan and Liu Xuanshang's cultivation levels were at the mid-stage True Immortal Realm.

"Everyone, attack!" Yi Beiming shouted and took a step forward, charging forward!

Mo Guishan, Lin Wuwang, and the others also charged forward!

The God of Stars flew into a rage and roared, "Kill them!" "Kill them!" The Fallen True Fiend roared as well.

Then, the God of Stars, the Fallen True Fiend, the Heavenly Tribulation God, and the Calamity God charged forward!

As he rushed forward!

Because they knew that the other party consisted of experts, both sides activated their Dharma Idols at the same time!

Giant after giant stood up and charged forward in a domineering manner!

In an instant!

Meanwhile, Yi Beiming waved his hand!

“Deep North Sword!” A blue-gold sword flew out of his storage bag and was grabbed by him!

Then, he waved the sword in his hand and faced it!

Clang!

The sword and spear collided, shaking the world and the four seas!

After this earth-shattering collision!

Yi Beiming and the God of Stars were both sent flying!

“Chaotic Massacre Demon Saber!” Slaughter True Fiend held a black-red saber and slashed out heavily!

The moment the demonic saber appeared, demonic qi surged and demonic light soared into the sky, causing the world to change color!

Mo Guishan was not afraid at all.

He raised his right hand and faced the attack with a palm!

“Supreme Limitless Palm!” A purple-white palm with vast immortal light slapped out again!

Rumble!

The huge palm and the huge saber collided fiercely, causing light to surge and energy to surge in all directions!

Yi Beiming, Mo Guishan, and Lin Wuwang did not stop at all.

Their figures flashed and they continued to attack!

The seven of them charged over crazily.

The immortal light on their bodies was dazzling, and their long robes fluttered.

They were incomparably domineering!

As the seven of them charged over!

The God of Stars gritted his teeth and roared, "Continue attacking.

Don't let them get close!" "Yes!!!" The Slaughter True Fiend, the Heavenly Tribulation God, and the Calamity God replied fiercely.

"Divine Starlight!" The God of Stars waved the spear in his hand!

The God of Stars, Slaughter True Fiend, Heavenly Tribulation God, and Calamity God were indeed very strong.

Every move they made had the power to destroy the world!

However, they were now facing Yi Beiming, Mo Guishan, and Lin Wuwang!

Therefore, no matter how strong they were, even if they were in their peak state, they could not withstand the fierce attacks of the seven of them!

“How can these old fellows be so strong?

Lord God and Lord Demon can't even withstand their attacks?!” “How hateful.

We were clearly about to win, but I didn't expect that dog Yang Luo to have helpers, and they're so strong!” “Are we going to lose this battle?!” “That won't happen.

The Lords are still fighting.

It's still uncertain who will win!” Those who followed the Holy Light Pope gritted their teeth and roared.

This second strike was even more powerful than before and directly destroyed the attacks of the three of them!

The eyes of the God of Earth and the other two were filled with fear at this point!

This kid in front of him was clearly so seriously injured, but he could still erupt with such combat strength.

It was unbelievable!

They did not dare to be careless.

With a tremble, they activated their Dharma Idol!

“Crush this kid!” The three of them waved their hands at the same time and ordered.

The three Dharma Idols moved at the same time and charged towards Yang Luo!

They were still killed by the Divine Emperor!” “The Divine Emperor is peerless and invincible!” Those who followed Yang Luo raised their arms and shouted excitedly.

Chapter 1845: Killing Another Celestial Fiend!

“Oh my god, the gods were actually killed.

This can’t be true, right?!” “If we continue to fight, will all the gods and demons die?! ” “No, that’s impossible.

We won’t lose!” Fear appeared on the faces of those who followed the Holy Light Pope.

However, they still had hope in their hearts.

A huge golden sword slashed through the layers of void, carrying endless sword intent, sword might, and anger as it slashed at the God of Frost and the Death Earth Fiend!

“Little bastard, don’t even think about it!” The God of Frost roared and crazily mobilized the energy in its body.

Then, its body trembled!

“Frost Citadel!” A city of ice rose and emitted a bone-piercing coldness that enveloped his body!

“Death Demon Gate!” The Death Earth Fiend also mobilized the energy in its body to the limit and its body trembled!

Six incomparably huge fiend gate that emitted black light stood in the sky!

In an instant!

Rumble!

Yang Luo’s sword slashed down heavily, pressing down on Ice City and the six fiend sects, emitting a sound that pierced through the clouds and cracked rocks!

A few seconds later!

Rumble!

The Frost Citadel and the six Death Demon Gates were split open at the same time!

The figures of the God of Frost and the Death Earth Fiend appeared in front of him!

“No” The two of them let out hysterical roars of fear and continued to attack, but they were still unable to resist!

In an instant!

Pfft Pfft Their bodies were directly cut into two by Yang Luo’s sword!

Unwillingness, anger, and fear froze on their faces, and there were no more changes!

Then, Yang Luo’s Dharma Idol, Golden Dragon, Vermillion Bird, Black Tortoise, and the six Ancestral Magi collided from all directions!

Boom!

Their severed bodies exploded into pools of flesh and blood that splattered in all directions!

At this point!

After Yang Luo killed the God of Earth, God of Annihilation, and the God of Protection!

The God of Frost and the Death Earth Fiend were also killed by Yang Luo!

“The Divine Emperor actually killed another from both the god and demon side He’s really heaven-defying!” Someone exclaimed.

“I’m afraid there aren’t many gods and demons who can really suppress the Divine Emperor!” Another person exclaimed.

The other people who followed Yang Luo were also filled with fanatical admiration!

Chapter 1846: It’s Too Late!

Everyone from the other faction watched helplessly as four gods and a demon were killed!

Those who followed the Holy Light Pope were already in despair!

They only hoped that the other gods and demon lords could show their might and kill Yang Luo and the others!

At this moment.

In the sky not far away.

Ye Luange, Song Zhixin, Divine Light and Darkness, Underworld Emperor, Ice Empress, Mo Qingkuang, Lin Wenxuan, and Big White were fighting the God of Moonlight, the God of Night, and the Vengeful Earth Fiend!

Dang, dang, dang!

Boom, boom, boom A series of collisions and explosions resounded continuously, shaking the sky and the sea!

After fighting for more than ten rounds!

“Ahhh” The God of Moonlight, the God of Night, and Vengeful Earth Fiend were sent flying at the same time!

“Don’t give them a chance to catch their breath.

Kill them in one go!” Ye Luange shouted coldly and charged forward with the Blue Luan Sword in her hand!

Song Zhixin and the others followed closely behind and charged forward!

The God of Moonlight and the other two were so frightened that their bodies were trembling.

They hurriedly launched a fierce attack!

“Full Moon Upon a Chilly Forest!” “Divine Darkness Curtain!” “Revenge Demon Lightning!” A huge silver-white energy ball condensed into form and collided like a bright moon!

Black-gray energy soared into the sky and gathered in the sky, turning into a black sky curtain that pressed down!

Large black-green lightning bolts descended from the sky and struck Ye Luange and the others!

“Sword Shines All Life!” “Lotus Sea Fragrance!” “Light and Darkness Divine Halberd!” “Heavenly Underworld Nine Slashes!” Ye Luange, Song Zhixin, the Divine Light and Darkness, and the Underworld Emperor were the first to counterattack!

Countless green flying swords turned into a huge green sword and slashed out angrily!

Countless eight-colored Glazed Lotuses transformed into an ocean that surged up!

A huge halberd flickered with black and white light and slashed out with the power of light and darkness!

Nine huge black swords tore through the sky and slashed forward!

Just as Ye Luange and the other three launched a counterattack!

Mo Qingkuang, the Ice Empress, Lin Wenxuan, and Big White also launched a counterattack!

“Supreme Divine Palm!” “Blade of Frost!” “Qilin Battle Spear!” “Ape King Fist!” A huge purple-gold palm pushed forward!

Countless ice blades shot out!

A huge black spear tore through the layers of void and swept up!

A huge platinum fist struck out!

Rumble Rumble The sounds of collision and explosions were endless, resounding through the world and spreading for an unknown distance!

However, Ye Luange and the others were seriously injured in the end!

Therefore, they could only fight to a draw with the God of Moonlight, the God of Night, and Vengeful Earth Fiend.

It was very difficult to kill the three of them!

The God of Moonlight and the other two had ruthless expressions as they continued to attack!

Ye Luange and the others also continued to counterattack!

The attacks from both sides continued to collide in the sky, causing energy and light to splatter.

It was extremely terrifying!

The outcome of the battle could not be decided yet!

The Flame Emperor, Corpse Emperor, and Kagura Kenshin flew over from afar and attacked Ye Luange and the others!

“Divine Flame Sea of Fire!” “Corpse sea fills the sky!” “Amaterasu Sword Punishment!” The flames surged and transformed into a scarlet sea of fire that surged up!

Corpse qi surged into the sky and transformed into a surging sea of corpses.

Countless corpse soldiers condensed and pounced forward!

Nine huge white swords wrapped in black Amaterasu Divine Fire slashed out angrily!

Rumble Another explosion sounded!

As the Flame Emperor and the other two joined the battlefield, Ye Luange and the others found it increasingly difficult to resist!

However, at this moment!

“Brothers, let us help you!” Ji Longyue rushed over from afar and waved the halberd in his hand!

“Azure Dragon Halberd!” A huge green halberd crushed the void and slashed out!

Baili Wushuang, Tantai Puti, Yi Hengyu, Ning Jianfeng, Qin Zhanhuang, and Mu Wushang also rushed over and launched a fierce attack!

“White Tiger God Destroying Saber!” “Vermillion Bird Burning Heaven Sword!” “Black Tortoise Heaven-Breaking Spear!” “Soaring Serpent Swordsmanship!” “Fire Phoenix Saber!” “White Marsh Sword Technique!” The huge sword split the world, the huge saber cut through the void, and the huge spear swept through the eight directions!

Rumble!

Accompanied by a series of shocking explosions!

“Ahhhh” The six people on the God of Moonlight’s side let out miserable howls as they were sent flying!

As they were sent flying, blood sprayed out of their mouths and their bodies were badly mangled.

It was very tragic!

Originally, the God of Moonlight and the others had the upper hand!

However, as Ji Longyue and the others joined the battlefield, they were no longer a match for them!

Underworld Emperor laughed out loud, “Thank you for coming to help, brothers!” Ji Longyue laughed heartily and said, “Since you are Brother Yang’s brothers, you are our brothers!

There’s no need to thank me!” Baili Wushuang laughed and said, “Brothers, after the battle is over, let’s have a good drink!” “Of course!” Divine Light and Darkness nodded in response.

Yi Hengyu said in a loud voice, “Brothers, let’s talk about drinking after the battle ends.

Let's kill these guys first!" "Alright!!!" Ji Longyue and the others replied in unison.

Then, Ye Luange and the others moved at the same time and chased after the six people from the God of Moonlight!

"D*mn it!" "Hateful!" Vengeful Earth Fiend roared angrily, "Who are these guys?"

Why are they so strong?!" The God of Night said ruthlessly, "If we had known that we would have to face these guys, we would have sent more experts over!"

It's too late to rush back and invite them now!" The Flame Emperor asked anxiously, "Can't we contact the other gods and demons to help here?" The God of Moonlight frowned and said, "We can't contact them here at all."

Unless we're at the barrier that leads to us to our lands, we will not be able to connect!" Just as they were conversing!

Ye Luange and the others had already charged over!

Ji Longyue charged at the front and launched a fierce attack first!

"Nine Heavens Hell Suppression Technique!" "Roar, roar, roar!" Accompanied by loud dragon roars!

Nine huge azure dragon illusions roared out!

"Eight Trigrams Lightning Destruction!" Baili Wushuang also quickly launched a fierce attack!

Eight platinum bolts of lightning descended from the sky like eight lightning pillars, blasting towards the God of Moonlight and the others!

"Meteor Shower!" Tantai Puti waved her hand again!

Clink clink clink!

Countless balls of fire whistled down from the sky, as if it was raining heavily!

The scorching heat and terrifying destructive power distorted space.

It was extremely terrifying

Chapter 1847: The Ending Is Going to Be Rewritten!

“Thousand-mile Ice River!” Yi Hengyu waved the spear in his hand and roared!

A wide ice river broke through the sky and poured down towards the God of Moonlight and the others!

Just the attacks from Ji Longyue, Baili Wushuang, Tantai Puti, and Yi Hengyu were already terrifying!

An azure dragon soared and shattered the world!

The lightning pillar tore through the air and killed all living beings!

Divine Fire Rain burned the world!

The ice river poured back and froze everything!

“Soaring Serpent Riding Mist!” “Fire Phoenix Spreads Its Wings!” “White Marsh Descending Auspiciousness!” Ning Jianfeng, Qin Zhanhuang, and Mu Wushang also launched their attacks at the same time!

A huge snake with wings soared into the sky and roared!

A phoenix burning with scarlet flames spread its wings and soared into the sky, pouncing forward!

A White Marsh that was emitting a holy white light rushed up!

The God of Moonlight shouted, "Block their attacks first, then think of a way to escape from this place!" "Ok!" The God of Night and the others nodded in response.

"Moonlight Star Attraction!" "Divine Wheel of Darkness!" "Chaotic Demons of Heaven and Earth!" The God of Moonlight, the God of Night, and Vengeful Earth Fiend counterattacked at the same time!

Beams of moonlight and starlight shot down from the sky!

One after another, black and gray light wheels smashed down!

Countless magical beasts, demon soldiers, and demon generals pounced forward!

The Flame Emperor, Corpse Emperor, and Kagura Kenshin also attacked at the same time!

Just as the Flame Emperor and the other two attacked!

Ye Luange and the others mobilized the energy in their bodies continuously to deal a fatal blow to the God of Moonlight and the others!

Numerous attacks blasted forward at the same time.

All kinds of lights flickered, and various energies interweaved, as if they had transformed into an energy sea that surged towards the six of them!

Rumble The attacks of the God of Moonlight's six people were simply unable to withstand a single blow and were instantly destroyed!

"Continue attacking!!!" The God of Moonlight roared and mobilized the energy in his body to the limit as he attacked!

The God of Night, Vengeful Earth Fiend, Flame Emperor, Corpse Emperor, and Kagura Kenshin also mobilized all their energy and attacked!

The attacks of the six of them fused together, turning into an energy sea that collided with the other party!

At that moment Rumble The two energy seas collided heavily in the sky!

This collision was incomparably terrifying, causing the sky and sea to tremble violently!

Within a few seconds of impact Rumble A thunderous explosion resounded!

The sea of energy that the God of Moonlight and the others had created was directly destroyed, turning into light and energy that filled the sky and washed in all directions!

After destroying the energy sea unleashed by the six of them, The sea of energy that Ye Luange and the others shot out continued to surge up, heading straight for the God of Moonlight's six people!

"Retreat!"

Retreat quickly!" The God of Moonlight shouted in horror and retreated.

The God of Night and the others also hurriedly retreated.

However, they could not leave this area at all.

They could not escape even if they wanted to!

The six of them instantly fell into despair!

Kagura Kenshin begged loudly, "Blue Luan, on account of our many years of friendship, please spare my life!" The Flame Emperor also said in horror, "Blue Luan, Divine Lord, Underworld Emperor, Ice Empress, we're old acquaintances.

Please let us off!" The Corpse Emperor also begged, "As long as you spare our lives, we won't go against you again!" Ye Luange said coldly, "Kagura Kenshin, ever since you chose to stand on the side of the Holy Light Pope, our friendship has already been severed!" The Divine Light and Darkness said sternly, "You didn't think of sparing our lives just now.

It's too late to beg for mercy now!" The Underworld Emperor said ruthlessly, "Since you've chosen to stand there, accompany these guys on their way!" Even before their voices faded!

The six people from the God of Moonlight were directly submerged by this sea of energy!

"Ahhh" "Help!

Help!" "I don't want to die!

I don't want to die!" Screams and cries for help came from the energy sea.

However, the various gods and demons could not even protect themselves now.

No one could save them at all.

After a while Rumble The vast sea of light instantly exploded in the sky, turning into a rain of light that filled the sky and splashed in all directions!

When the light and energy completely dissipated!

The six members led by the God of Moonlight had already been crushed into pieces and were completely dead!

Everyone who was fighting in the distance was shocked!

“After the Divine Emperor killed the four gods and a Great Demon, two more gods and a Great Demon have died!” “Even the three Divine Ranking experts who once shocked the world, the Flame Emperor, the Corpse Emperor, and the Sword Saint, were killed!” “Powerhouses, let’s continue to kill these gods and demons in one go!” “Victory is getting closer and closer to us!” The people who followed Yang Luo were overjoyed.

They roared and vented their previous despair.

“Six gods and two demons have already been killed!” “Is there no one who can kill these guys?!” “It’s over We’re really done for” Those who followed the Holy Light Pope felt even more despair.

Previously, they still had a trace of anticipation.

But now, as the gods and demons died one after another, they were about to collapse.

The people who were watching this battle on the dark web were also shocked.

They originally thought that Yang Luo and the others were dead for sure, and that the Holy Imperial Court and other large organizations would be destroyed.

This battle would also end with the failure of the Holy Imperial Court and other large organizations.

However, no one expected so many experts to rush over to help Yang Luo and the others at the last moment.

Moreover, only half an hour had passed.

The people the Holy Light Pope and the others had invited died in battle one after another.

The outcome of this battle would probably really be rewritten!

Just as the six people from the God of Moonlight were killed In the distant sky.

Zhang Zhilin, Master Xuanku, Yi Hanshan, Mo Hongtu, Lin Jingchen, and the others were also fighting the Netherworld Killer God, the God of Dawn, the Decaying Earth Fiend, the Deep Abyss Earth Fiend, the Heavenly God Emperor, and the Hell Fiend Emperor!

The battle between the two sides had also reached the final moment!

Right at this moment!

Rumble!

Accompanied by a series of explosions that shook the world!

A dense black crack appeared in the void!

“Ahhhh” The Netherworld Killer God and the others were sent flying!

Chapter 1848: A Mere Fiend Dares to Howl!

Along the way “Pu pu pu” Blood spurted out of the mouths of the Netherworld Killer God and the others.

Their bodies were also blasted into pieces.

Without any hesitation, Zhang Zhilin and the others took a step forward and transformed into streams of light that charged forward!

As Zhang Zhilin and the others charged over!

The Netherworld Killer God roared, "Stop them!

Stop them!" As he spoke, he crazily mobilized the energy in his body and waved his hand!

"God of Slaughter Domain!" In the blink of an eye!

A domain was formed above him!

Inside, it was filled with divine light and killing intent.

All kinds of divine weapons, divine generals, and divine beast illusions shuttled around!

"God of Dawn Domain!" The God of Dawn also quickly mobilized the energy in its body and waved its hand!

A light domain condensed above him!

Divine light flashed and divine talismans filled the sky.

Divine Wheels slowly rotated!

"Decaying Demon Domain!" "Deep Abyss Demon Domain!" The Decaying Earth Fiend and Deep Abyss Earth Fiend also mobilized the energy in their bodies and stomped down in the air, roaring!

One side flickered with dark demonic light and was filled with decaying demonic qi.

A terrifying domain that was filled with illusions of fiend beasts, Demon Soldiers, Demon Generals, and so on condensed above the Decaying Earth Fiend!

A fiendish light flickered and fiend qi surged.

The tomb stood tall as a hellish Fiend Territory condensed above the Deep Abyss Earth Fiend!

After opening their domains!

“Kill!!!” The Netherworld Killer God roared at the same time!

The four-sided domain carried vast divine might and demonic might as it suppressed Zhang Zhilin and the others!

“The Gods Descend!” “Ten Directions Giant Demon!” The Heavenly God Emperor and Hell Fiend Emperor also used their strongest killing moves!

The 12 illusions of gods and 10 illusions of giant devils stood above the two of them and charged forward!

Facing the ferocious attacks of the Netherworld Killer God and the others, Zhang Zhilin and the others were not afraid at all.

They did not dodge or retreat and charged forward!

“Taiji Yin Yang!” Zhang Zhilin raised his hands and formed a Taiji Painting before striking out!

The golden Taiji Painting continued to enlarge and suppress!

“Nine Buddha Annihilation!” Master Xuanku’s body trembled, and nine golden beams of light rushed out from behind him!

The nine golden beams of light condensed into nine golden Buddhas and charged forward!

“True God Black Tortoise Transformation!” Yi Hanshan waved his hand!

An immortal light flickered and a bone-chilling Black Tortoise illusion that was a thousand feet tall roared out!

“Ancient immortal technique!” “The Jing Guards fill the sea, the Foolish man moves the mountains, Yu the Great cleaves the land, Kuafu chases the sun!” Mo Hongtu had used one of the Supreme Sect’s ultimate techniques!

The four illusions comprising of Jing Guards, Foolish Man, Yu the Great and Kuafu, stood up and charged forward!

“Qilin Descends!!!” Lin Jingchen also waved his hand!

A huge golden qilin illusion stood up and roared at the sky before charging out!

The heads and elders of the other families also used their killing moves and attacked wildly!

In an instant!

Rumble Rumble The sound of collisions and explosions resounded through the sky and sea, shaking the surroundings!

Boundless light and energy spread out from the explosion and swept through the world!

No matter how powerful the attacks of the Netherworld Killer God and the others were, they could not withstand the combined attacks of Zhang Zhilin and the others!

The attacks of the Netherworld Killer God and the others were soon all destroyed!

Zhang Zhilin and the others knocked away the sea of energy and continued to attack the Netherworld Killer God and the others!

The Netherworld Killer God and the others were on the verge of collapse.

They were in despair!

They were gods and demons of the god race, and they had never suffered such pain and tribulation!

Were they really going to die here today?

No way!

Absolutely not!

“Set up a killing array and trap and kill them!!!” The Netherworld Killer God roared crazily.

“Kill them!!!” The God of Dawn and the others also roared angrily.

Then, the Netherworld Killer God mobilized all the energy in his body and stomped down!

“Netherworld Killer God Formation!” A huge array formation instantly condensed and trapped Zhang Zhilin and the others inside!

“Dawn God Extinguishing Array!” “Decaying Heavenly Demon Formation!” “Demon Summoning Formation of the Abyss!” “Twelve Gods Formation!” “Hell Demon Swallowing Formation!” The God of Dawn, Decaying Earth Fiend, Deep Abyss Earth Fiend, Heavenly God Emperor, and Hell Fiend Emperor had also set up layers of killing arrays to trap Zhang Zhilin and the others!

After setting up the six array formations!

The Netherworld Killer God and the others roared in unison!

“Activate the array!!!” The six array formations were activated at the same time and released layers of attacks, killing Zhang Zhilin and the others!

All kinds of divine light and demonic light shot out!

Divine demonic runes filled the sky as they crushed down!

Divine Wheels and demonic monuments pressed down!

There were even huge illusions of gods and demons charging forward!

The attack released by these six arrays was already quite terrifying!

Even many Earth Immortals could be killed!

However, Zhang Zhilin and Master Xuanku were True Immortals!

Even though the two of them were severely injured, they were still True Immortals!

Yi Hanshan, Mo Hongtu, Lin Jingchen, and the others were also Earth Immortal Realm experts.

Moreover, there were more than twenty of them, and many of them were in the Perfected Earth Immortal Realm!

Therefore, no matter how powerful the six array formations were, they could not do anything to Zhang Zhilin and the others!

Zhang Zhilin and the others only attacked at the same time and instantly destroyed the six arrays!

Rumble!

The six arrays collapsed and exploded at the same time, turning into a vast sea of energy light that spread out!

The powerful impact sent the Netherworld Killer God and the others flying!

“A mere fiend dares to roar!” “Are you the only ones who know how to set up arrays?” “Everyone, let’s set up a formation and destroy them completely!” Yi Hanshan, Mo Hongtu, and Lin Jingchen all shouted.

“Alright!!!” Zhang Zhilin and the others replied in unison.

Then, Yi Hanshan continuously mobilized the Xuanming power in his body and stomped down!

A part of the void collapsed from the stomp!

“Nine Revolutions Xuanming Array!” A large array instantly condensed and trapped the Netherworld Killer God and the others!

“Quickly charge out!” The Netherworld Killer God shouted in shock and attacked the array!

The God of Dawn and the others were also stunned.

They hurriedly attacked the array and wanted to rush over!

However, just as they attacked!

“Supreme Primordial Array!” “Heaven and Earth Qilin Formation!” Mo Hongtu and Lin Jingchen stepped down and set up a huge array at the same time!

“Primordial Chaos Taiji Array!” “Ten Thousand Buddha Reincarnation Array!” Zhang Zhilin and Master Xuanku also quickly set up their array formation!

Chapter 1849: It’s Time to End It!

“Taiji Two Elements Formation!” “Four Symbols Immortal Suppression Formation!” “Five Elements Origin-Returning Array!” The other family heads and elders also set up a huge array formation at the same time!

There were more than twenty arrays in total, trapping the Netherworld Killer God and the others inside!

There were more than 20 array formations that were connected one after another.

They interconnected and complemented each other, covering the sky within a radius of tens of thousands of meters!

“Activate the array!!!” Yi Hanshan and the others roared at the same time and activated the array!

More than 20 arrays were activated at the same time.

It was simply spectacular!

A resplendent light illuminated the night sky, and endless energy surged between heaven and earth!

All kinds of attacks erupted from more than twenty major array formations and bombarded the Netherworld Killer God and the others!

“Counterattack!

Hurry up and counterattack!” “Charge out!

We must charge out!” “Let’s fight it out with them!” The Netherworld Killer God and the others were completely driven mad by fear!

They used all kinds of killing moves, took out all kinds of magical artifacts, and attacked more than 20 array formations!

However, how could the six of them shake more than 20 arrays?

In less than a few minutes!

Rumble More than 20 array formations exploded at the same time, causing the world to tremble and the surroundings to shake!

A huge ball of energy instantly spread out from the explosion and enveloped the sky and the sea!

Because the light was too dazzling The people fighting in the distance could barely open their eyes!

After an unknown period of time The light and energy that enveloped the sky and sea slowly dissipated.

Only Zhang Zhilin, Master Xuanku, and the others were left in the sky.

As for the Netherworld Killer God and the other three, they were already dead, leaving only pools of flesh and blood that splattered down.

The crowd went into an uproar!

“Oh my god!

The twelve Earth Gods and Earth Fiends were all killed!” “The experts on the Divine Ranking, the Heavenly God Emperor, Hell Fiend Emperor, Flame Emperor, Corpse Emperor, and Sword Saint are all dead!” “Oh my god, these men and women with strange clothes and extraordinary auras are really too strong.

No one can stop them!” “It’s the right choice for us to choose to stand on the Divine Emperor’s side.

Even in despair, there’s still hope!” “We will definitely win this battle.

We will also welcome a new future for the Dark World!” Everyone who followed Yang Luo was extremely excited.

They were even closer to victory!

Those who followed the Holy Light Pope felt even more despair.

They had lost!

They were probably really going to lose!

There was really no one who could kill these guys!

At this moment.

In the sky.

Zhang Zhilin cupped his hands at Yi Hanshan and the others, "Thank you for coming to help.

I'm extremely grateful!" "Amitabha" Master Xuanku put his palms together and bowed.

Yi Hanshan laughed and waved his hand, "Priest, Great Master, there's no need to be so polite!" Mo Hongtu said in admiration, "Daoist Priest and Grandmaster's strengths are extraordinary.

We're filled with admiration!" Lin Jingchen said, "If the two of you weren't injured, these six guys wouldn't be your match at all!" The other family heads and elders also smiled and nodded.

After the battle just now, they also realized that Zhang Zhilin and Master Xuanku were very strong.

It was only because the two of them were too heavily injured that they could not unleash their peak combat strength.

Zhang Zhilin shook his head and said, "Our strength is limited after all.

If not for everyone's help, we would have died here long ago!" "However, why did Little Luo deliberately lure that old fellow to the side?" Yi Hanshan turned to look into the distance and asked in confusion.

Zhang Zhilin looked into the distance and said, "Little Luo has an irreconcilable grudge with that person.

And today's battle was also started by that person.

Little Luo probably wants to settle this grudge with his own hands." "I see." Yi Hanshan and the others nodded in realization.

Mo Hongtu asked, "Then are we going to Little Luo?" Lin Jingchen said, "Little Luo is seriously injured now.

I'm worried that he'll be in danger." The other family heads and elders also wanted to help.

Tantai Puti, Ji Longyue, and company wanted to help even more.

Zhang Zhilin smiled faintly and said, "Since everyone is Little Luo's friend, you should know Little Luo's strength very well.

Little Luo is indeed seriously injured now, but that person was also seriously injured.

With Little Luo's current strength, it won't be difficult to kill that person." Ye Luange said, "Old Celestial Master is right.

Let Little Luo personally end this grudge!" Everyone nodded and did not rush forward to help.

At this moment.

In the distant sky.

Two figures covered in blood stood there, facing each other.

They were Yang Luo and the Holy Light Pope.

Yang Luo stared coldly at the Holy Light Pope and said in a loud voice, "Old fellow, do you really think you can defeat us with these so-called gods and demons?

Take a good look.

The gods and demons you invited have already died one after another!

They can't help you at all, let alone save the situation!

You've lost this battle!" There was blood at the corner of the Holy Light Pope's mouth as he hissed, "Little bastard, I really didn't expect you to have a backup plan!

Damn it!

If we had known that you had a backup plan, we would have invited more gods and demons to help!" Yang Luo said coldly, "There's no medicine for regret in this world.

You can only suffer the consequences of your own actions!" The Holy Light Pope said with a ferocious expression, "Little bastard, you've offended the Gods and Demons.

You won't have a good ending!

You have no idea how terrifying the Holy Light Church, the Heavenly Universe Divine Clan, and the Darkness Demon Clan are!

The true experts of the two god races and the devil race have yet to appear!" "Is that so?" A cold glint flickered in Yang Luo's eyes, "Holy Light Church, Heavenly Universe Divine Clan, and Darkness Demon Clan, right?

Very good, I'll remember them!

If they dare to cause trouble, I will lead my brothers to destroy them all!

This is not a place where gods and demons could behave atrociously!

If Gods come, I'll slay gods, and if the demons come, I'll slay demons!" "Hahaha" The Holy Light Pope threw his head back and laughed, "Little bastard, you're really arrogant!

Arrogant!

Looks like you really don't know what kind of terrifying existence you've provoked!

You will pay a heavy price for your arrogance!" Yang Luo raised the sword in his hand and said in a solemn tone, "Alright, cut the crap.

It's time to settle the grudge between us!"

Chapter 1850: Mutual Destruction!

"Alright, let's end this!" The Holy Light Pope roared.

His entire body trembled as he mobilized all the remaining energy!

BOOM!

A nine-colored holy light shot into the sky from his body!

It was like a pillar of light that supported the sky!

The night sky above was covered by a nine-colored sea of light!

Yang Luo's body also trembled as he continuously mobilized the energy in his body!

BOOM!

A golden beam of light shot up from his body and pierced through the sky!

The night sky above was covered by a golden sea of light!

It was as if the vast night sky was divided into two!

Half of it emitted a dazzling golden light!

Half of it emitted a dazzling nine-colored light!

Rumble Rumble The pressure and aura emitted by the two of them kept colliding in the sky, erupting with thunder!

This scene was magnificent and boundless!

Zhang Zhilin and the others were watching the battle from afar!

As well as the people who were fighting fiercely!

And the people who were paying attention to this battle through the dark web!

There were even a few figures watching the battle in the distant sea of clouds!

They were all deeply shocked!

While everyone was in a daze!

“Kill!!!” Yang Luo and the Holy Light Pope let out a roar at the same time and charged at each other!

A golden-red flame giant and a purple dragon giant stood on Yang Luo's body at the same time, enveloping him!

A nine-colored giant also stood on the Holy Light Pope's body, enveloping him!

The pressure and aura emitted by the two of them became even more powerful and terrifying, and their combat strength increased exponentially!

Moreover, the sea of light above the two of them surged wantonly.

It moved with the two of them and collided!

At that moment Yang Luo and the Holy Light Pope closed the distance and waved the sword and scepter in their hands!

Rumble rumble rumble!

The huge golden sword and the nine-colored staff tore through the sky, causing the world to tremble and the surroundings to tremble!

Rumble!

The huge sword and the huge scepter collided heavily!

Rumble!

The golden sea of light in the sky and the nine-colored sea of light collided heavily!

Blazing light and vast energy spread out from the collision between the sky and the sky, sweeping through the nine heavens and ten lands!

The sky above and the sea below were constantly torn apart!

The length of the tear also continuously extended with the collision of energy!

500 meters!

1000 meters!

1500 meters!

2000 meters!

When the weapons collided!

The two of them instantly activated their Dharma Idols!

A golden giant and a nine-colored giant stood up at the same time!

“Die!!!” Yang Luo and the Holy Light Pope roared again.

The two giants swung the huge swords and staffs in their hands with all their might and attacked!

Rumble!

An even larger huge sword collided with the even larger scepter in the sky!

The sky cracked and the sea collapsed.

It was terrifying!

After resisting for a few minutes!

In an instant!

Rumble The nine-colored sea of light in the sky collapsed and exploded!

A few seconds later!

Rumble The Holy Light Pope's Dharma Idol collapsed and exploded!

A few more minutes passed.

Crack The scepter in the Holy Light Pope's hand was directly cut off, turning into a pile of fragments that splashed out!

After breaking the scepter!

Yang Luo's domineering sword continued to slash at the Holy Light Pope himself!

The Holy Light Pope's pupils constricted, and his face was filled with extreme unwillingness, anger, and fear!

He wanted to escape, but there was no way to!

Originally, when he saw that Yang Luo was severely injured, he still had a trace of hope of killing Yang Luo!

But now, this last hope was shattered!

However, he still had one last trump card!

“Little b*stard, even if I die, I’ll drag you down with me!” Accompanied by the last roar of the Holy Light Pope Yang Luo’s sword slashed down at the Holy Light Pope!

Pfft This sword directly cut the Holy Light Pope’s body in half!

However, just as the Holy Light Pope’s body was split open!

Zhang Zhilin and the others, who were watching the battle from afar, felt a terrifying power!

And this power was clearly the power that erupted from the Holy Light Pope’s Essence Soul!

Everyone immediately turned pale!

“Little Luo, quickly dodge!” “Brother Yang, be careful!” “Brother Yang, quickly dodge!” Zhang Zhilin, Ji Longyue, Tantai Puti, and the others shouted in shock.

It was too late for them to help!

Yi Beiming, Lin Wuwang, and the others, who were fighting in the distance, were too late to help!

At that moment Rumble!

The Holy Light Pope’s primordial spirit instantly exploded like a small star!

A huge nine-colored energy ball instantly spread out, enveloping the sky and sea, including Yang Luo!

“Little Luo!” “Brother Yang!” “Brother Yang!” Zhang Zhilin and the others screamed.

They felt their souls tremble and their hearts were about to explode!

They all knew that a True Immortal had a primordial spirit, which was equivalent to a second life!

Moreover, the power of the primordial spirit explosion was extremely terrifying.

It could even destroy the world!

They really did not expect that the Holy Light Pope would choose to self-destruct his primordial spirit in the end in order to perish with Yang Luo!

On the ancient boats and battleships in the distance.

“No Don’t Don’t!” “How could this be How could this be” “We we’re about to obtain the final victory!” “The Divine Emperor will be fine He will be fine!” Xiang Kunlun, Bujie, Xu Ying, Prajna, Su Qingmei, Qin Yimo, and the others, as well as the people who followed Yang Luo, were about to break down as tears streamed down their faces!

They were about to win!

However, no one expected such a change to happen at this critical moment!

If Yang Luo really died then what was the point of winning this battle?

In the distant sky.

The nine-colored light and energy were like a vast sea that was still surging and not dissipating for a long time.

Yang Luo's relatives and friends, who had already followed Yang Luo, fell into deep despair!

Those who followed the Holy Light Pope were abnormally excited!

This kid was finally going to die!

Unfortunately, the Holy Light Pope had also lost his life!

After an unknown period of time Only then did the light and energy completely dissipate.

Everyone looked up at the sky at the same time.

When they witnessed the scene in the sky!

Everyone was dumbfounded as if they had been petrified!

In the sky stood a proud and domineering figure covered in blood!

The Ten Thousand Dragons Cauldron, the Primordial Dragon Stele, and the Immortal Suppression Pagoda floated above this figure!

Countless golden flying swords surrounded him!

There was even the Dharma Idol, Golden Dragon, Vermillion Bird, Black Tortoise, and the six Ancestral Magi guarding it!

This figure...

was Yang Luo!
