

Super IDG 1851

Chapter 1851: Invincible Divine Emperor!

Above and below Yang Luo More than 3,000 meters of cracks appeared in the sky and sea, like two abysses.

Dense pitch-black cracks appeared in the void!

However, Yang Luo was completely unharmed!

As for the Holy Light Pope, he had long been blasted into a pool of flesh and blood that splattered down from the sky.

At this point!

The Holy Light Pope, who had shaken the world for many years, had fallen just like that!

After a moment of silence.

Everyone present exclaimed loudly!

“The Divine Emperor is not dead.

The Divine Emperor actually withstood this huge explosion!” “You have to know that this explosion is even more powerful than Lawrence and the others using that weapon to bombard the Divine Emperor not long ago!” “However, the Divine Emperor still endured it.

The Divine Emperor is peerlessly powerful and invincible!” “The Divine Emperor is still alive, but the Holy Light Pope is already dead.

He's completely shattered!" "The culprit who caused the chaos in the Dark World and started this war is finally dead!" "I didn't expect the heavily injured Divine Emperor to still be able to kill the Holy Light Pope.

He's too powerful!" "The Divine Emperor is invincible!

The Divine Emperor is invincible!

The Invincible Divine Emperor!" Everyone who followed Yang Luo waved their fists and shouted.

Their blood boiled and they were extremely excited.

In the end, everyone's shouts converged into four words "Invincible Divine Emperor!"

"Good job, Brother Yang!" "Brother Yang is mighty and domineering!" "Yang Luo isn't dead, he's not dead!" "He's a hero!" Xiang Kunlun, Bujie, Su Qingmei, and the others cheered excitedly, crying tears of joy.

The corners of Bujie's mouth twitched, "Invincible Divine Emperor?"

Could this be the title everyone gave Brother Yang?

It sounds cool, but Brother Yang seems to have lost before.

Isn't this title too shameful?" The King of Destruction waved his hand and said, "This is everyone's absolute recognition of Brother Yang.

That's why they gave him this title!" "That's right!" The King of Creation nodded and said, "Brother Yang has experienced countless battles along the way.

Although he has lost some times, most of them have obtained victory!

Therefore, Brother Yang is worthy of the title of 'Invincible Divine Emperor'!" Everyone nodded heavily!

Invincible Divine Emperor!

The second Divine Emperor of the Holy Imperial Court had completely rose up to fame!

Some people were happy, while others were sad.

"Dead The Pope is really dead" "This can't be true This can't be true" "That's the Holy Light Pope The overlord of the world He actually died just like that" "Invincible Divine Emperor Could it be that this kid really won't lose" The people who followed the Holy Light Pope were heartbroken and howled.

The twelve Earth Gods and Earth Fiends were all dead!

The six Divine Ranking experts, the Holy Light Pope, the Heavenly God Emperor, the Hell Fiend Emperor, the Flame Emperor, the Corpse Emperor, and Kagura Kenshin were all dead!

The outcome of this battle was becoming clearer and clearer!

They were really going to lose!

In the distant sky.

"Little Luo!" "Brother Yang!" "Brother Yang!" Zhang Zhilin, Ji Longyue, Tantai Puti, and the others hurriedly rushed over.

Yang Luo took a step forward and appeared in front of everyone.

Tantai Puti's eyes turned red as she asked, "Brother Yang, are you alright?" Ji Longyue exhaled and said, "Brother Yang, you really scared me to death just now!" Ning Jianfeng patted his chest and said, "I really thought you were killed by the explosion!" "I'm sorry to have made everyone worry." Yang Luo smiled and said, "Actually, I already knew that the Holy Light Pope was very shrewd and extremely scheming.

Therefore, I was also careful when I fought him.

As expected, this old fellow planned to blow me up by self-exploding his primordial spirit.

"Therefore, the moment his primordial spirit self-destructed, I activated all my defenses." "I see." Everyone nodded in realization.

Ye Luange took a deep breath and said, "The Holy Light Pope is finally dead!" The Divine Light and Darkness sighed and said, "It's a pity that an expert of a generation died just like that!" "Hmph!" The Underworld Emperor snorted coldly, "He has a death wish.

He can't blame anyone else!" The Ice Empress said coldly, "This old fellow actually still wants to use this method to kill Little Luo.

He deserves to die!" Yang Luo turned to look at the battlefield in the distant sky and said, "Everyone, the twelve Earth Gods and Earth Fiends are dead.

The Holy Light Pope and the other three are also dead!

Now, only the six True Gods and three True Fiends are left!

However, looking at the current situation, the nine of them are about to collapse!

Let's help the elders and completely destroy them!" "Alright!!!" Zhang Zhilin and the others replied in unison.

"Everyone, follow me to kill!" Yang Luo let out a wild roar.

He held the Dragon Emperor Sword in his hand and stepped on the sea of swords.

With three Dharma artifacts above his head, he led the Golden Dragon, Vermillion Bird, Black Tortoise, and the illusions of the six Ancestral Magi to attack the distant battlefield!

Zhang Zhilin and the others also took out their Dharma artifacts and activated their Dharma Idols to charge forward!

At this moment.

Five figures stood above a sea of clouds in the distance.

These five figures were the gods of the two god races who had been beaten away by Yang Luo not long ago.

They were the Mayan race's Corbett and Cecil.

Angus, Adnik, and Aurora of the Atlantean Gods.

Not long after the battle began, they rushed over to watch the battle.

From the beginning of the battle until now, their mood was simply like a roller coaster.

It fluctuated, and shock came wave after wave.

Originally, they thought that Yang Luo and the others were about to lose and be killed by the gods and demons of the Holy Light Church, the Heavenly Universe Divine Clan, and the Darkness God Clan.

However, they did not expect that at the critical moment, a large group of experts with strange clothes and extraordinary auras would come.

And this group of experts was actually here to help Yang Luo and the others.

"I really didn't expect this kid to be so strong" Cecil's entire body was trembling, and so was her voice.

Corbett also said with a trembling voice, "I'm afraid when this kid fought with us not long ago he didn't even use half of his strength" Angus gulped and said, "If he really wanted to kill us we wouldn't have been able to escape back then" Adnik and Aurora were also shivering, their faces pale.

At the thought of how they had provoked Yang Luo not long ago, they had lingering fears

Chapter 1852: Divergence of this World!

Through this battle, they also clearly understood Yang Luo's strength.

It was simply terrifyingly strong!

They had personally witnessed Yang Luo withstand the fierce attacks of several True Gods and True Fiends alone until reinforcements arrived!

They had personally witnessed Yang Luo kill four Earth Gods and an Earth Fiend by himself.

He had even killed the Holy Light Pope who was comparable to a True God just now!

Corbett took a deep breath and said, "How good would it be if such an expert could join our Mayan race!" Angus said with a burning gaze, "An expert like him naturally has to join our Atlantean Gods!" "Hahaha I think this kid joining our Golden Pagoda Divine Clan is the best choice!" A loud laugh came from afar.

Corbett and the others turned around.

A young man and woman flew over.

This young man and woman were also dressed very strangely.

They looked like the Pharaohs of the Ancient Golden Pagoda Kingdom.

However, this young man and woman had mysterious runes engraved between their brows and their bodies flickered with a faint divine light.

One look and one could tell that they were not ordinary people.

“Evans, Tilly, it’s you!” “Why are you here?!” Corbett, Angus, and the others exclaimed.

They naturally knew this young man and woman.

This young man and woman were the two gods of the Golden Pagoda Divine Clan, Evans and Tiller.

Evans said with a smile, “If all of you can come, why can’t we?”

You have to know that our Golden Pagoda Divine Race was also a part of this world back then.

Moreover, our Master God had already predicted that a huge change was about to happen in this world.

We naturally have to come over and take a look.” Tilly looked at the distant battlefield and said, “The Holy Light Church, the Heavenly Universe Divine Clan, and the Dark Demon Clan should have also expected that a huge change was about to happen in this world.

That was why so many gods and demons were sent here.

Otherwise, why would they interfere in the battles of mortals?" Corbett sneered and said, "I'm afraid these two gods and demons didn't expect there to be so many experts comparable to gods in this world.

Moreover, they paid such a heavy price for it." Evans sneered, "They don't even know what's going on here.

They deserve it if they attack rashly." There was a pause.

He then asked curiously, "I heard you guys talking about the kid with the sword just now.

Do you know this kid?" Corbett nodded and said, "Of course.

We've already investigated this kid's situation.

After knowing that this kid's strength is not bad and that he has great prestige in this world, we wanted to invite him to join our Divine race.

But this kid is too arrogant.

He ignored us gods, so we fought him" "Oh?" Evans smiled and asked, "So how did it go?" Corbett, Angus, and the others fell silent.

Tilly chuckled and said, "Is there a need to guess?

They must have lost.

This kid can easily kill Earth Gods and Earth Fiends and even experts comparable to True Gods.

He can even withstand the attacks of a powerful True God expert for so long.

Such strength is something that even we can't compare to.

How can they defeat this kid?" Upon hearing Tilly's words, Corbett, Angus, and the others were so angry that their brows twitched.

However, Tilly was right.

They had indeed lost to this kid.

"Hmph!" Corbett snorted coldly and said, "Not only is this kid powerful, but he also has a bad temper.

It's impossible for your Golden Pagoda Divine Clan to recruit him." Evans chuckled and said, "We still have to try to recruit this kid." Angus said teasingly, "Then you will definitely end up like us and be beaten up by him!" Evans shrugged, "You don't have to worry about that." As he spoke, Evans turned to look at the distant battlefield and said, "From the looks of it, this battle is probably about to end!

If nothing goes wrong, the God of Stars and the others will definitely die here!" Corbett smiled and said, "This Holy Light Church, the Heavenly Universe Divine Clan, and the Darkness Demon Clan have always suppressed us and don't take us three divine clans seriously.

They're extremely arrogant!

Now that someone has dampened their spirits, it really makes me happy!" Angus and the others nodded.

Clearly, they had the same thoughts as Corbett.

Seeing that the Holy Light Church, the Heavenly Universe Divine Clan, and the Dark Demon Clan had suffered a setback here, they felt very comfortable.

Evans frowned and said, "Do you think the huge changes in this world in the future are related to this kid?" "Perhaps it's really possible" Corbett nodded and said, "As far as we know, this kid suddenly appeared more than a year ago.

Ever since he appeared, he has been affecting the development of this world.

"Perhaps this kid is really an anomaly" Angus narrowed his eyes and said, "From the looks of it, we have to inform the Lord God and the others about this.

How we decide what to do with this kid depends on the Lord God and the others" The others nodded in agreement.

They were all very surprised.

Could it be that the huge changes in this world in the future were really related to this kid?

Then who exactly was this kid?

Why could he influence the development and change of a world?

At this moment.

On the distant battlefield.

Gu Tianlin and Mu Yunchu were fighting the Fallen True Fiend!

Not only did the three of them activate their Dharma Idols, but they also took out their weapons and Dharma artifacts to fight!

Gu Tianlin had originally already suppressed the Fallen True Fiend in his peak state!

After Mu Yunchu joined the battle, the Fallen True Fiend was forced to retreat step by step, injured again and again!

Up until now, the Fallen True Fiend's body was already covered in injuries.

His skin and flesh were lacerated and blood flowed!

On the other hand, Gu Tianlin and Mu Yunchu only suffered some superficial injuries and were not in the way at all!

"Fire Qilin Sky Splitting Sword!" "White Marsh Heaven Flipping Palm!" Gu Tianlin and Mu Yunchu shouted at the same time.

They waved their swords and slapped out!

A scarlet sword that carried monstrous flames slashed at the Fallen True Fiend!

A huge grayish-white palm emitted an immortal light and pressed down heavily!

As Gu Tianlin and Mu Yunchu's attacks approached!

There was blood at the corner of the Fallen True Fiend's mouth.

He clenched his right fist and turned his left palm into a palm as he punched into the sky angrily!

Chapter 1853: Undying and Indestructible?

"Fallen Demon Palm!" "Chaotic Reverse Demon Fist!" Demonic light burned and surging demonic qi soared into the sky!

A huge black-gray fist and a huge black-gray palm collided!

Rumble Rumble The sound of collision and explosions that shook the world resounded!

The void cracked, and a large amount of light and energy waves surged out, incomparably ferocious!

The Fallen True Fiend's body was pressed down continuously and blood splattered from the explosion!

However, he still endured their attacks and roared, "I'm a True Fiend.

True Fiends are indestructible!" Right at this moment!

An angry roar sounded!

"Indestructible, right?

I'll make you indestructible!" Yang Luo rushed over from afar and slashed down angrily!

A huge golden sword pressed down heavily, as if it wanted to split open all the darkness and evil in this world!

"Little b*stard, you Ah!!!" Before the Fallen True Fiend could react, Yang Luo's sword struck his shoulder, causing him to scream in pain!

The skin, muscles, meridians, and even bones on his shoulders had been cut open.

Blood flowed down like a waterfall!

Yang Luo hated the Fallen True Fiend to the extreme!

It was this guy who almost killed Natasha!

If not for the ninth-grade lotus and the guidance of Long Xinghe and Long Tianchi, he would not have known how to save Natasha!

This guy had to die!

“Get the f**k down!” Yang Luo let out a roar and gripped the Dragon Emperor Sword tightly with both hands, pressing down with all his might!

“Arghhhh!” The Fallen True Fiend let out a painful scream and fell from the sky!

His thick left arm was forcefully severed and fell with him!

There was a loud bang!

He smashed heavily into the sea, causing huge waves to surge into the sky!

However, this was not the end!

Yang Luo waved the sword in his hand!

Countless flying swords shot down!

His Dharma Idol, the Golden Dragon, the Vermillion Bird, the Black Tortoise, and the six Ancestral Magi’s illusions also swooped down from the sky and attacked the Fallen True Fiend!

It was also when Yang Luo launched a fierce attack!

Ye Luange, Song Zhixin, and the others also launched a fierce attack!

“Sword Light Like Abyss!” “Heavenly Law Sacred Lotus!” “Divine Punishment of Light and Darkness!”
“Heavenly Underworld Nine Slashes!” Countless cyan flying swords shot down!

A gigantic eight-colored Glazed Lotus smashed down!

Black and white divine light intertwined and shot down!

Nine huge black swords slashed down angrily!

“Azure Dragon Halberd!” “White Tiger God Destroying Saber!” “Vermillion Bird Burning Heaven Sword!”
Ji Longyue, Baili Wushuang, Tantai Puti, and the others also launched their strongest attacks!

Boom, boom, boom A series of shocking explosions sounded on the sea!

An abyssal vortex was blasted out of the sea below!

Waves surged into the sky!

The ancient ship that was parked in the sky in the distance and the battleship that was parked on the sea were shaken violently by the explosion!

“Ahhhh” The Fallen True Fiend’s miserable scream came from the abyss vortex.

Right at this moment!

BOOM!

An incomparably huge and dazzling black-gray light beam soared into the sky from the abyss vortex!

The badly mangled Fallen True Fiend with a broken left arm rushed into the sky from the sea!

No matter what, the Fallen True Fiend was a late-stage True Immortal expert.

He naturally wouldn't be killed so easily!

The Fallen True Fiend roared angrily, "I'm a True Fiend.

True Fiends are immortal and indestructible!" "Immortal, right?

Indestructible, right?" Yang Luo's eyes were cold as he roared, "I'm going to kill you and destroy you!" As he spoke, Yang Luo waved his sword and shouted!

"Dragon Rebel Sword Formation!" Countless golden flying swords instantly condensed around the Fallen True Fiend, forming a huge sword array that trapped him inside!

After the sword formation condensed into form, it was instantly activated!

Flying swords and dense beams of light shot out!

Giant golden dragon illusions roared out!

"You want to kill me with such a formation?

You're dreaming!" The Fallen True Fiend laughed mockingly and attacked the array formation!

The flying swords, light beams, and the roaring golden dragon illusions were destroyed by him one after another!

The entire sword formation trembled and cracked from his attacks!

“Again!” Yang Luo roared and stomped down!

“Primordial Dragon Prison Array!” In an instant!

Another huge purple array formation condensed and activated in the blink of an eye!

Purple immortal light shot out and purple dragon qi surged!

Tens of thousands of purple dragons roared and charged forward!

Purple dragon steles smashed forward one after another!

Facing the second array formation set up by Yang Luo, the Fallen True Fiend actually felt a sense of pressure!

However, even though he felt the pressure, he was still not afraid!

Seeing this, Gu Tianlin said loudly, “Everyone, there’s no need to hold back.

Destroy him completely!” “Ok!” Mu Yunchu, Ye Luangge, and the others replied in unison.

“Eight Directional Fire Qilin Formation!” Gu Tianlin immediately stomped down and set up a huge array formation to trap the Fallen True Fiend again!

“Nine Ultimate Immortal-Defying Formation!” Mu Yunchu also stepped down and set up a huge array!

“Blue Luan Immortal Slaying Sword Formation!” “Primordial Chaos Sacred Lotus Array!” “Nine Heavens True Dragon Array!” “Eight Tribes Divine Tiger Formation!” “Vermillion Bird World Burning Array!” Ye Luange, Song Zhixin, Ji Longyue, and the others had also set up layers of arrays.

In an instant!

The Fallen True Fiend was surrounded by multiple array formations and could no longer escape!

“Ahhhh” The Fallen True Fiend let out roars and attacked crazily.

He even used his strong body to collide with the array formation!

However, no matter how hard he tried, he could not rush out!

“Activate the array!!!” Gu Tianlin and the others roared in unison.

Numerous array formations were activated, erupting with destructive attacks that attacked the Fallen True Fiend!

“Help!

Help!

Save me!” The Fallen True Fiend’s face was filled with fear as he shouted for help.

However, the God of Stars and the others could not even take care of themselves and did not have the time to save him!

He was in complete despair!

“Just you wait!

Our Dark Demon Clan will never let you off!” Accompanied by the Fallen True Fiend’s final roar!

Rumble All the arrays exploded at the same time, like thousands of unconventional missiles exploding!

Huge balls of energy spread out from the explosion!

Then, it interweaved into an even larger ball of energy that spread in all directions

Chapter 1854: Victory Is About to Be Revealed!

This blazing light and endless energy lasted for a long time before gradually dissipating.

Everyone present looked at the area of the explosion.

The people watching the battle on the dark web and the people from the three Protoss races watching from afar also stared at that area.

A huge hole had already been blasted in the void in that area.

With the hole as the center, dense black cracks spread in all directions.

The Fallen True Fiend had already been shattered into pieces and exploded into a pool of blood.

His Primordial Spirit could not escape either and was shattered.

“Oh my god, such a powerful being like Fallen True Fiend was actually killed!” “Even Lord Fallen True Fiend has been killed.

Can the other true gods and True Fiends withstand it?!” “It’s over, it’s all over” The people from the Holy Light Church and other large organizations felt even more despair and a deep sense of powerlessness.

The people from the three god races who were watching the battle from afar were also shocked!

Even though they had guessed that the Fallen True Fiend and the others would definitely die, they did not expect them to die so quickly!

Everyone watching the battle on the dark web was also extremely shocked!

“Soon, the outcome of this battle will be revealed!” “Victory will ultimately belong to the Holy Imperial Court!” Many people who were on good terms with Yang Luo were extremely excited and looked forward to the end of the battle.

Yang Luo’s enemies were inconsolable.

It was also when the Fallen True Fiend died!

In the distant sky.

A series of roars sounded.

“Supreme Immortal Fortress!” “Xuanming Cold Domain!” “Phoenix Fire Domain!” “Soaring Serpent Immortal Domain!” Luo Chengfeng, Yi Chengdao, Qin Yanfeng, and Ning Taicang trembled and mobilized the energy in their bodies continuously, activating the Immortal Dao Domain!

In the Supreme Immortal Fortress, immortal light was resplendent and all kinds of ancient immortal illusions stood in the air!

In the Xuanming Cold Domain, there was a world of ice and snow.

Huge Black Tortoise illusions walked in the air with their heads raised!

In the Phoenix Fire Domain, flames burned the world.

Illusions of phoenixes flapped their wings and flew high!

In the Soaring Serpent Immortal Domain, fog filled the sky as gigantic snakes with wings danced in the sky!

This scene was very vast and spectacular, shocking everyone present!

The God of Extinction, Punishment True Fiend, and Berserk God were covered in blood and tattered everywhere.

When they saw this, they trembled in fear and broke out in cold sweat!

They did not dare to hesitate and crazily mobilized the energy in their bodies.

Then, they stepped down in the air and let out roars!

“World-Destroying Divine Realm!” “Demonic Domain of Punishment!” “Berserk Divine Domain!” In an instant!

Two divine domains and one demonic domain condensed above the three of them!

Various phenomena of gods and demons also appeared in their domains!

“Suppress!” Luo Chengfeng and the others let out a roar and waved their hands!

The four Immortal Dao Domains pushed forward, crushing the void and killing the God of Extinction and the other two!

“Kill!!!” The God of Extinction and the other two also waved their hands and roared!

Two divine dao domains and one demonic dao domain also crushed a portion of the sky and collided!

In an instant!

Rumble The seven domains collided heavily in the sky!

It caused the sky and sea to crack, and even a few small islands in the distant sea to crack!

Various phenomena rushed out of the domain and fought crazily in the sky, wanting to destroy the other party!

Rumble Explosions that shook the world resounded continuously!

Although the three domains formed by the God of Extinction and the other two were powerful, they were still difficult to defend against and exploded one after another!

“These four old fellows are too strong!

We’re definitely not their match.

Run!” The God of Extinction roared and turned around to escape.

The Punishment True Fiend and the Berserk God also turned around and prepared to escape.

They couldn’t care less about whether they would embarrass their own God and Demon races.

As long as he could keep his life, how important was his face?

However, before the three of them had escaped far!

They were stopped by figures!

It was Yang Luo, Ye Luangge, and the others!

Not long ago, before Tantai Puti and the others rushed over, they had almost been killed by these guys!

They would always remember this debt!

Yang Luo's eyes were cold as he asked indifferently, "Where are you escaping to?" The God of Extinction broke out in cold sweat.

He gulped and said, "Everyone, if you have something to say, we can talk it out!"

As long as you can spare our lives, we promise never to set foot in this world again!" "We promise not to take revenge on you!" "That's right, that's right.

We can get along well!" The Punishment True Fiend and the Berserk God also echoed.

Ye Luange's face was as cold as frost as she said coldly, "Are you fooling ghosts with your words?" Song Zhixin mocked, "Do you believe your own words?" The Underworld Emperor shook his head and said, "So deities and demons are also so cowardly?

Weren't you all very arrogant previously?

You even shouted that you wanted to kill all of us?

Why are you afraid now?

Are you cowards?" The expressions of the God of Extinction and the other two darkened, and the veins on their foreheads twitched.

If not for their lives, why would they lower themselves to the group of people in front of them?

Yang Luo couldn't be bothered to waste his breath.

He waved the sword in his hand and said in a trembling voice, "Kill them!" "Alright!!!" Ye Luange and the others replied in unison.

Then, under Yang Luo's lead, everyone unleashed their strongest killing moves at the same time and attacked fiercely!

Luo Chengfeng, Yi Chengdao, Qin Yanfeng, and Ning Taicang also unleashed their strongest killing moves!

Multiple killer moves attacked the God of Extinction and the other two!

"How hateful!

We're actually going to die here today!" "You'll definitely regret it, definitely!" "Let's fight it out with them!" The God of Extinction and the other two let out hysterical roars and attacked at the same time to resist the killing move that surrounded them!

They also activated their Dharma Idol and took out their Dharma artifacts to counterattack!

Boom!

Boom!

Rumble!

A series of collisions and explosions exploded in the sky!

However, the God of Extinction and the other two could no longer withstand the attacks of Yang Luo and the others!

“Ahhh” Accompanied by an extremely painful scream Their bodies were drowned by a vast sea of energy light!

Their bodies were completely torn apart and exploded, and their Primordial Souls were also reduced to ashes in the sea of energy light

Chapter 1855: Peerless Divine Power!

At this point!

After the Fallen True Fiend died!

The God of Extinction, Punishment True Fiend, and Berserk God attacked again!

All of them died without a corpse or a Primordial Soul!

“Two of the six True Gods are dead, and two of the three True Fiends are dead!” “We’re close.

We’re closer to victory!” The people following Yang Luo shouted excitedly and punched heavily.

Everyone’s fighting spirit became even higher as they launched their final fierce attack on the enemy.

As the six experts on the Divine Ranking died in battle, as the various gods and demons died, The people from the Holy Light Church and other large organizations had completely lost their confidence and fighting spirit.

They began to retreat step by step.

Just as the God of Extinction, Punishment True Fiend, and Berserk God were killed!

A heaven-shaking roar came from the sky in the distance!

“I’ll fight you to the death!” The body of the late-stage True Immortal Sky-Lifting Giant God trembled!

“Heaven Raising Divine Body!” Crack, crack, crack The bones in his body began to crack, and the muscles on his body began to expand!

Under everyone’s watchful eyes His body directly expanded from a few meters to dozens of meters tall like a small mountain that stood high in the sky!

The divine hammer in his hand had also been magnified countless times!

At this moment, he was truly worthy of his title as the Sky-Lifting Giant God!

It was really as if a huge god had descended!

Although the pressure and aura he emitted were still very terrifying, it was still much weaker than when he was at his peak!

After all, in the battle just now, he had already been severely injured by Mo Qianjue and Lu Qingpeng!

Lu Qingpeng frowned and said, "This guy is really amazing.

He can actually make his body so much stronger!

It's similar to the peerless mystical ability of our ancient immortals, the Lawful Embodiment of Heaven and Earth!" "Hmph!" Mo Qianjue snorted coldly and said, "It's impossible for such trash to know the strongest physical divine power of our ancient immortal, the Lawful Embodiment of Heaven and Earth!

This is nothing more than his physical body becoming stronger.

So what if his physical body became stronger?

It's just that his strength had increased a little!

However, his speed and agility will be greatly reduced!

It won't be difficult for us to kill him!" The Lawful Embodiment of Heaven and Earth was an extremely powerful physical divine power created by the ancient immortals!

Once used, the physical body could be enlarged by 10,000 feet or even 100,000 feet!

This divine power was recorded in many myths and novels in the mortal world!

However, for countless immortals, they would never be able to learn such a supreme divine power in their entire lives!

After all, there was a huge difference between the Lawful Embodiment of Heaven and Earth and the Cosmic Form.

It was a qualitative difference!

The Cosmic Form was the transformation of one's realm.

After activating it, it would condense a dharmic illusion of the cultivator's main body.

It could increase one's combat strength and increase one's strength!

As long as a cultivator's cultivation level reached the Earth Immortal realm, they could activate their Cosmic Form and summon the Dharma Idol!

However, the Lawful Embodiment of Heaven and Earth could not be used only if one's realm was high enough!

That required great talent, comprehension, potential, opportunity, fortune, and physical conditions!

Furthermore, even if an ancient immortal who knew the Lawful Embodiment of Heaven and Earth used this divine power, his body would grow by ten thousand feet or ten thousand feet.

His speed, strength, agility, and other aspects of his body would increase exponentially!

In the distant sky.

Yang Luo, Ye Luangge, and the others naturally saw the scene of the Sky-Lifting Giant God's body growing by dozens of meters.

They were also shocked.

After all, they had never seen a human being's body grow so much stronger.

“Holy shit!” The corner of Ning Jianfeng’s mouth twitched, “Why is this guy like Big White, able to strengthen his physical body?!” “Brother Yang, this guy shouldn’t be using a peerless divine power like the Lawful Embodiment of Heaven and Earth, right?” Qin Zhanhuang asked.

“Of course not.” Yang Luo shook his head and said, “This guy probably has a special physique, which is why he can strengthen his body.

This is far inferior to the Lawful Embodiment of Heaven and Earth.” He naturally knew a little about the peerless divine power, the Lawful Embodiment of Heaven and Earth.

Back then, that old fart had told him.

The old fart told him that as long as he cultivated the Eight-Nine Mysteries to the Large Success realm, he could use the peerless divine power, Lawful Embodiment of Heaven and Earth.

The old fart even said that as long as he learned this great divine power, it would not be a big deal even if his body expanded by hundreds of feet or thousands of feet.

If he cultivated to the later stages, his cultivation level would be high enough and his body would be strong enough.

His body would be able to expand by ten thousand feet or ten thousand feet.

At that time, he did not believe what the old man said at all.

But now, as his cultivation level increased and his horizons broadened, he felt that what the old man had said to him might be true.

Whether it was bragging after drinking or what he said when he was serious, it was probably true.

As for why Big White’s body could expand, it was probably related to its special constitution.

It wasn't using the Lawful Embodiment of Heaven and Earth.

He did not know when he would be able to use the peerless divine power, the Lawful Embodiment of Heaven and Earth!

Yang Luo was looking forward to it!

At this moment.

"Die for me!" The Sky-Lifting Giant God let out a wild roar.

He gripped the huge hammer with both hands and smashed towards Mo Qianjue and Lu Qingpeng!

The Sky-Lifting Giant God let out a wild roar.

He gripped the huge hammer with both hands and smashed towards Mo Qianjue and Lu Qingpeng!

It was like trying to kill two ants with a hammer!

Explosions sounded in the air!

The void was crushed inch by inch, and dense cracks exploded!

As the Sky-Lifting Giant God smashed down!

Mo Qianjue and Lu Qingpeng soared into the sky at the same time and swung their fists and palms!

"Nine Heavens Demon-Destroying Fist!" "Green Roc Shattering Palm!" A huge red-gold fist and a huge green palm struck out at the same time.

They were like a red-gold meteor and a green five-fingered mountain!

In an instant!

Boom!

Boom!

The huge fist and huge palm collided with the huge hammer at the same time, emitting rumbling thunder!

At the point of impact, the void exploded.

All kinds of light and energy interweaved and shot out!

Although the Sky-Lifting Giant God's body had grown dozens of meters and its strength had increased greatly, it still could not withstand the power of Mo Qianjue and Lu Qingpeng's fists and palms!

"Uh" The Sky-Lifting Giant God let out a muffled groan.

He felt that his arms were painful and numb, and he was forced back repeatedly!

Dang, dang, dang!

With every step he took, the void cracked.

It was extremely terrifying!

After forcing the Sky-Lifting Giant God back!

Mo Qianjue said in a trembling voice, “Don’t give him a chance to catch his breath.

Kill him quickly!”

Chapter 1856: You Can’t Kill Me!

“Ok!” Lu Qingpeng responded.

Then, his figure moved, and he soared into the sky like a roc spreading its wings.

He transformed into a green stream of light and attacked the Sky-Lifting Giant God!

Mo Qianjue also soared into the sky and attacked the Sky-Lifting Giant God!

However, although Mo Qianjue’s speed was very fast, he was still slower than Lu Qingpeng!

After all, the Roc Clan was famous for their speed!

The famous saying, “A great roc rises with the wind, soaring 90,000 miles” was used to describe a great roc!

As a True Immortal elder of the Roc Clan, Lu Qingpeng’s speed was even faster than most of the people in his cultivation realm!

In an instant!

Lu Qingpeng and Mo Qianjue arrived above the Sky-Lifting Giant God!

Without any hesitation, the two of them instantly mobilized the energy in their bodies crazily.

Then, they waved their palms and punched at the Sky-Lifting Giant God, smashing down!

The Sky-Lifting Giant God was so frightened that his expression changed drastically.

It was too late to counterattack.

He could only hurriedly raise the huge hammer in his hand to block!

And Mo Qianjue was right!

Although the Sky-Lifting Giant God's body had become stronger, his speed and agility had decreased greatly!

In an instant!

Boom!

Boom!

The huge fist and huge palm struck down heavily, emitting the sound of a bell striking.

It was like a heavenly bell ringing, causing everyone's eardrums to buzz!

Their fists and palms were too heavy, as if Mount Tai was pressing down!

The Sky-Lifting Giant God could not resist it at all!

“Ah” He let out a painful scream and his huge body fell down!

As he fell!

Blood spurted out of his mouth and his body was blasted into pieces!

If not for the fact that his body was strong enough, Mo Qianjue and Lu Qingpeng’s attack would have directly blown him up!

In the distant sky.

Seeing that the Sky-Lifting Giant God was not killed Yang Luo, Ye Luangge, and the others were about to help.

Suddenly!

Zhang Zhilin, Master Xuanku, Yi Hanshan, Mo Hongtu, Lin Jingchen, and the others had already appeared below!

Yi Hanshan shouted, “Everyone, kill this guy!” “Alright!!!” Zhang Zhilin and the others replied in unison.

“Great Dao Immortal Transformation Technique!” Zhang Zhilin’s entire body trembled as he stepped down from the air!

In an instant!

Two illusions that were identical to Zhang Zhilin stood up and charged towards the falling Sky-Lifting Giant God!

Baili Wushuang sighed and said, "This old Daoist is not simple.

The move he used actually has the shadow of the great divine power created by the ancient Dao Ancestor, the Three Pure Ones!" Ji Longyue also sighed in admiration as well, "I thought that there were only experts like Brother Yang in the secular world.

I didn't expect there to be so many experts.

It seems that I'm too ignorant!" Tantai Puti blinked her beautiful eyes and said to Yang Luo, "Brother Yang, you seemed to have said that this old Daoist priest is your master.

Is that true?" "That's right." Yang Luo nodded and said, "Old Celestial Master is one of my masters." "One of them?" Yi Hengyu was stunned for a moment and asked, "Brother Yang, do you have other masters?" "Of course I do." Yang Luo nodded in response.

Ning Jianfeng clicked his tongue and said, "No wonder Brother Yang is so strong.

Brother Yang has many masters to guide him.

It's no wonder he's not strong!" Qin Zhanhuang rolled his eyes and said, "As the saying goes, a master leads the way, and cultivation depends on oneself.

If Brother Yang's talent, comprehension, aptitude, and potential are too poor, it's useless no matter how many masters you have." "That's true." Ning Jianfeng nodded.

Just as Zhang Zhilin launched a fierce attack!

Master Xuanku's body trembled and he spat out in a thunderous voice!

"Nine Buddha Annihilation!" In the blink of an eye!

Nine golden Buddhas stood up, their bodies emitting a dazzling Buddhist light as they charged towards the Sky-Lifting Giant God!

Yi Hanshan, Mo Hongtu, Lin Jingchen, and the others also launched heavy attacks!

“True God Black Tortoise Transformation!” “Ancient immortal technique!” “Qilin Descends!!!” Several killer moves attacked at the same time, blasting towards the Sky-Lifting Giant God!

Mo Qianjue and Lu Qingpeng also used their killing moves in the sky and attacked fiercely!

Attacks crushed towards the Sky-Lifting Giant God from above and below.

The void was shattered on a large scale, and it was extremely terrifying!

The Sky-Lifting Giant God had a terrified expression as he hurriedly condensed layers of defense and counterattacked with layers of killing moves!

Rumble Rumble The sound of collisions and explosions rang out incessantly!

All kinds of energy and light intertwined like a surging wave that spread out!

However, no matter how ferocious the Sky-Lifting Giant God’s attacks were, he still could not withstand the combined attacks of Mo Qianjue and the others!

All his attacks were destroyed!

The layers of defense he had condensed shattered and exploded one after another!

“No You can’t kill me You can’t kill me!!!” The Sky-Lifting Giant God completely panicked and felt the threat of death.

He desperately wanted to escape, but there was no way he could escape.

A few minutes later!

Peng The Sky-Lifting Giant God's huge body completely exploded in the sky, turning into flesh and blood that splattered everywhere!

His Dharma Idol could not escape in time and exploded in the sky!

At this point!

The Sky-Lifting Giant God died just like that!

Zhang Zhilin glanced at Master Xuanku and said, "Xuanku, don't you never kill people?"

Why did you kill several people in a row this time?

Then are you considered to have committed murder?" "Amitabha" Master Xuanku put his palms together and muttered, "If killing a few people can save tens of thousands, hundreds of thousands, or even a million people, I won't hesitate to kill" Zhang Zhilin chuckled and said, "Xuanku, you're finally enlightened.

If you continue to be so pedantic, when will you become a Buddha?" Master Xuanku smiled bitterly and shook his head.

It was also when the Sky-Lifting Giant God was killed!

"Ahhhh" Miserable screams came from afar.

Right on the heels of that Rumble A series of explosions that shook the nine heavens and ten lands resounded!

A large sea of energy light surged and spread in the sky!

The God of Stars, Slaughter True Fiend, Heavenly Tribulation God, and Calamity God had already been drowned by this sea of energy!

The screams just now came from the four of them!

And the ones fighting the four of them were Yi Beiming, Mo Guishan, Lin Wuwang, Gong Lenglie, Yi Quanchuan, Jing Mingyuan, and Liu Xuanshang!

Chapter 1857: Eliminate the Root and Leave No Future Trouble!

At this moment.

Yi Beiming and the others were standing quietly in the sky, looking at the sea of energy with indifferent expressions.

Although they were all injured in the fierce battle just now, their injuries were not serious.

After all, they had the advantage in terms of strength and numbers.

Yang Luo, Zhang Zhilin, Master Xuanku, Ye Luange, and the others stood in the sky not far away and looked over.

Ye Luange let out a long breath and said, "This battle is finally over" Song Zhixin flicked her hair and said, "After the battle, I want to sleep with him for a few days and nights!" The Underworld Emperor chuckled and said, "Then I want to drink with my brothers for a few days and get drunk!" Mo Qingkuang smiled brightly and said, "Brother Underworld, how much do you want to drink?"

I'll accompany you to the end!" "Me too!" Lin Wenxuan smiled and added.

"Hey, hey, hey, don't forget us!" "I'm known to never get drunk!" "I'm the Immortal of Wine!" Ning Jianfeng and the others also shouted.

"Hahaha, good, we're all good brothers!

After the battle, let's get drunk!" The Underworld Emperor roared with laughter.

The corners of Yang Luo's mouth curled up slightly, and he revealed a knowing smile.

This battle was indeed filled with ups and downs, and unforeseen events kept happening.

It could be said that this was the most difficult battle he had fought with his brothers since he left the mountain.

Everyone tried their best, leaving behind injuries all over their bodies.

After the battle ended, everyone indeed needed a good rest.

In a long battle, not to mention humans, even immortals could not withstand it.

Looking back to everyone in Yang Luo, those who were paying attention to this battle on the Dark Web, and the people from the three god races in the distance, they were also prepared to witness the end of this unprecedented battle!

However, just as everyone thought that the four God of Stars would definitely die!

Suddenly!

BOOM!

A loud explosion sounded from the sea of energy light!

Two figures covered in blood rushed out and fled into the distance!

These two figures were the God of Stars and Slaughter True Fiend!

The two of them had risked everything and destroyed several magical artifacts before rushing out!

Although they were not dead, their bodies were already extremely tattered and they had lost more than half their lives!

As for the Heavenly Tribulation God and the Calamity God, they had long been reduced to ashes along with their bodies and Primordial Souls!

“These two guys are actually still alive!” “After all, they’re perfected True Immortals and are infinitely close to becoming Heavenly Immortals.

They’re indeed difficult to kill!” “Everyone, don’t just stand there.

Hurry up and chase after them and kill them!” “We have to get rid of the roots!” Yi Beiming, Mo Guishan, Lin Wuwang, and the others roared as their figures flashed and transformed into numerous flowing lights that chased after him!

Yang Luo’s eyes turned cold as he waved his hand, “Brothers, chase after them!” Then, Yang Luo led a large group of people and chased after them in a mighty manner!

Everyone who was left behind was stunned!

They did not expect the God of Stars and Slaughter True Fiend to not die and even escape!

At this moment.

The God of Stars and Slaughter True Fiend fled frantically, not daring to stay any longer.

As long as they could escape to the barrier that led to their God Clan and Demon Clan, they could contact their clansmen.

At that time, someone would come and help them.

They were chased for dozens of kilometers.

Yang Luo swung his sword with all his might!

“Sword Dragon Great Wall!” In an instant!

In front of him, countless golden flying swords converged to form a sword wall that connected the sky and the sea.

It snaked for 100,000 meters!

There were even golden dragons coiling around the Great Wall of Swords, blocking the path of the God of Stars and Slaughter True Fiend!

The God of Stars said angrily, “You want to stop us with just these swords?

Ridiculous!” As he spoke, he waved the spear in his hand and attacked the Great Wall of Swords!

Slaughter True Fiend waved the saber in his hand with all his might and attacked the Great Wall of Swords!

However, what shocked them was The Great Wall of Swords was stronger than they had imagined.

They could not destroy it in an instant!

“Ten Thousand Mile Ice Mountain!” “Supreme Immortal Wall!” “Golden Qilin Immortal Gate!” Yi Beiming, Mo Guishan, Lin Wuwang, and the others also condensed ice mountains, immortal light barriers, immortal light gates, and so on to block the God of Stars and Slaughter True Fiend!

Seeing that they could not escape, the God of Stars and Slaughter True Fiend stopped and turned around to stare at Yang Luo and the others!

The God of Stars roared angrily, “Are you really going to kill us all?!” Do you know the consequences of doing so?!” Slaughter True Fiend roared angrily as well, “Do you really want to fight us demons and the two god races to the death?!” Yang Luo said in a loud voice, “We originally wanted to mind our own business.

If you don’t provoke us, we can’t be bothered with you!

But you insisted on helping the Holy Light Pope and the others kill us!

If I don’t kill you, do I have to let you take revenge in the future?” Yi Beiming took a step forward and said domineeringly, “So what if we fight to the death?

What’s there to fear for my Black Tortoise Family?!” “Our Supreme Sect is willing to fight against the God Clan and the Demon Clan to the end!” “This is not a place where you can come and go as you please!” “If you dare to cause trouble here, you have to pay the price!” Mo Guishan, Lin Wuwang, and the others also roared, not afraid at all.

Up until now, they had already killed 19 Earth Gods, Earth Fiends, True Gods, and True Fiends!

This Holy Light Church, the Heavenly Universe Divine Clan, and the Dark Demon Clan would definitely not let them off!

Since they were already at each other's throats, he naturally had to eliminate them completely and not leave any future troubles!

"Good, good, great!" The God of Stars was so angry that he laughed and said ruthlessly, "You will definitely regret what you did today!"

You will definitely pay the price of death for today's decision!

When our god and demon armies arrive in the future, everyone in this world will have to die with you!!! "All of you must die."

Anyone who participates in this battle and everyone in this world must die!!! Slaughter True Fiend also let out a roar.

"Kill!!!" Yang Luo let out a furious roar and directly used multiple killing moves to attack!

Yi Beiming, Mo Guishan, Lin Wuwang, Zhang Zhilin, Master Xuanku, Ye Luange, and all the other True Immortals and Earth Immortals also used their killing moves to attack!

Chapter 1858: Exterminated!

Rumble Countless killer moves fused together, turning into a vast and boundless sea of energy that surged towards the God of Stars and Slaughter True Fiend!

In this sea of light, there were swords, sabers, spears, halberds, and various weapons that danced!

Golden dragons, green dragons, white tigers, vermillion birds, Black Tortoises, qilins, phoenixes, Soaring Serpent and other illusions surged!

There were also various other phenomena that appeared and crushed forward!

“Let’s fight them to the death!” The God of Stars let out a heaven-shaking roar and mobilized all the energy in his body to launch a destructive attack!

“I can use the power of the stars Destroy the Galaxy!” An incomparably huge purple-gold energy sea surged up!

Countless starlight tore through the sky and struck down like pillars of light, supporting the sky!

The power of stars continuously surged into this sea of energy light along the pillar of light!

The power of this energy sea continued to increase exponentially!

Countless divine beasts, divine weapons, divine generals, and other illusions stood up and charged forward!

Slaughter True Fiend also mobilized all the energy in his body and attacked with his strongest attack!

“Chaotic Slaughter Devil!” A demonic sea that contained the power of destruction, killing, darkness, and evil surged up with a black and red light!

Countless huge magical beasts, demon soldiers, and demon general illusions ran wildly in the sea of demons and charged forward!

The sea of stars and the demonic sea blended together, turning into an even larger sea of energy!

All the illusions gathered together, as if forming an army of gods and devils!

This scene was simply magnificent, boundless, and shocking!

Even everyone on the distant battlefield could clearly see that this sea of energy light was about to collide!

Everyone stopped fighting and stared at the scene in the distance!

Not only everyone on the battlefield!

Everyone who was paying attention to this battle on the dark web!

As well as the people from the three god races who were watching the battle from afar!

Everyone knew that this battle had reached the final moment.

The outcome of life and death was about to be revealed!

In an instant!

Rumble The two seas of energy collided in the sky!

The various illusions in the energy sea also collided heavily!

The moment they collided!

The sky and sea shook violently as if the world was turning upside down!

The vast sea triggered a super huge tsunami, raising shocking waves!

A few minutes later!

Rumble The two seas of energy collapsed and exploded at the same time!

The energy produced by the explosion was simply terrifying to the extreme, as if it wanted to destroy everything!

The energy and light that spread out completely drowned the God of Stars and Slaughter True Fiend, as well as Yang Luo and the others!

Everyone watching the battle from afar could no longer see Yang Luo and the others clearly!

What greeted their eyes were the endless light and energy!

Everyone looked into the distance in a daze.

They could no longer describe what they had seen with words!

This was the first time they had seen such a vast and terrifying scene.

No matter how many years passed in the future, it would be engraved in their hearts!

A few minutes passed.

The surging energy and light had yet to dissipate as it surged in the sky in the distance.

“Who exactly won” “Needless to say, the Divine Emperor and the others definitely won!” “The Divine Emperor and the others have unleashed a destructive attack.

It’s impossible for those two fellows to withstand it!” “However, those two fellows are the strongest existences among the nine True Gods and True Fiends.

It's still quite terrifying when they risk their lives" The people who followed Yang Luo started discussing, feeling nervous and uneasy.

Xiang Kunlun, the King of Creation, Bujie, Xu Ying, and the others also stared intently at the sky in the distance.

Everyone clenched their fists and held their breaths, waiting for the outcome of the battle.

After an unknown period of time The surging energy and light in the distant sky gradually dissipated.

Figures appeared in front of everyone.

They were Yang Luo, Ye Luange, Zhang Zhilin, Yi Beiming, and the others.

As for the God of Stars and Slaughter True Fiend, their Souls had long been shattered.

At this point!

The six experts on the Divine Ranking were all killed!

The twelve Earth Gods and Earth Fiends were all wiped out!

The nine True Gods and True Fiends were completely wiped out!

After a moment of silence.

"We won, we won!" "Haha, we won, we finally won!" "The Holy Light Pope and the others have been destroyed.

All the helpers they invited have also been wiped out!" "This difficult battle is finally going to end, and the final victory belongs to us!" Everyone who followed Yang Luo cheered excitedly.

Xiang Kunlun, Bujie, and the others were also overjoyed as they punched heavily.

Those who followed the Holy Light Pope turned pale and broke out in cold sweat.

Their bodies were trembling.

It's over, it's all over!

They had lost, completely lost!

At this moment.

On a sea of clouds in the distant sky.

Corbett took a deep breath and said, "Although I knew that the God of Stars and the others would die here, I didn't expect it to be so soon!

Even if the God of Stars and the Slaughter True Fiend fought with everything they had, it would not change the outcome of their deaths!

I have to say, this group of people are really terrifyingly strong!

Looks like this world is not as simple as we think!" Angus pondered and said, "Once the Holy Light Church, the Heavenly Universe Divine Clan, and the Dark Demons find out about this, this world won't be at peace!

We have to quickly inform the Master God and the others about this!" Evans narrowed his eyes and said, "These people are really strong.

Twelve Earth Gods, Earth Fiends, nine True Gods, and True Fiends were all killed.

None of them escaped!

Looks like we have to investigate the background of these people!" With that said, Corbett and the others did not stay here any longer.

They turned into streams of light and flew away

Chapter 1859: Victory in this Battle!

In the distant sky.

"Phew" Yang Luo let out a long breath and waved his hand, "Everyone, let's go.

It's time to wrap up!" "Ok!" Everyone nodded heavily.

Then, Yang Luo and the others turned around and flew towards the battlefield.

When Yang Luo and the others arrived above the battlefield.

The people who followed the various organizations of the Holy Imperial Court looked at Yang Luo and the others with fanatical admiration.

Everyone's eyes were red and filled with tears.

After all, this battle was really too difficult.

When the 12 Earth Gods and Earth Fiends, the nine True Gods and True Fiends appeared!

When they saw the Divine Emperor, the Blue Luan, the Empress of Heavenly Fate, and all the other experts being crushed!

They really broke down and fell into despair.

They thought that they would definitely lose this battle!

However, at their most desperate moment, a large group of experts actually rushed over to help them!

They had finally escaped death and obtained the final victory!

Yang Luo stood quietly in the sky and turned to look at the people from the Holy Light Church and other large organizations.

Just a look from him made everyone from the various organizations feel a chill in their hearts.

Their hair stood on end as they trembled.

Yang Luo's eyes were cold as he said in a loud voice, "Now that the Holy Light Pope and the others are dead, those so-called gods and demons are dead!

All your backers have been destroyed.

What else do you have to say now?" Right after he finished his sentence Thump, thump, thump The remaining one million people on the battleships all knelt on the ground!

"Divine Emperor, we know our mistake.

Please forgive us this time!" "Divine Emperor, from now on, we're willing to respect you.

Please spare our lives!" "Divine Emperor, we swear that we will never go against you again!" Everyone knelt on the ground and began to kowtow and beg for mercy, crying bitterly.

"Divine Emperor, there's no need to waste your breath on them.

Kill them all!" "Since these guys want to be as stubborn as a mule with the Holy Light Pope, why should we keep them around?" "But if we kill all these million people, it won't be good, right?" "That's right.

What the dark world needs in the future is peace and stability.

It's better to avoid killing as much as possible!" The people from the various organizations that followed the Holy Imperial Court started to argue.

However, everyone looked at Yang Luo and waited for him to make his final decision.

Yang Luo pondered for a moment before his eyes turned cold.

He said loudly, "The people from the other organizations can live!

However, the people from the Holy Light Church, the Heavenly Shrine, and Hell Fiend Palace can't be left alive!" Hearing Yang Luo's words, The people from the other organizations heaved a sigh of relief and kowtowed to Yang Luo to thank him.

"Thank you for not killing me, Divine Emperor!" "Divine Emperor, we will forever remember your kindness!" However, the remaining hundreds of thousands of people from the Holy Light Church, the Heavenly Shrine, and the Hell Fiend Palace were ashen-faced and terrified.

A Cardinal of the Holy Light Church hissed, "Divine Emperor, we've already surrendered.

Why aren't you letting us off?!" A leader of the Hell Demon Palace also gritted his teeth and said, "Divine Emperor, aren't you afraid of disappointing everyone in the Dark World?" "That's right!" A leader from the Heavenly Shrine also said angrily, "If you're so bloodthirsty, who will dare to serve you in the future?" Yang Luo's eyes were cold as he said in a deep voice, "The chaos in the underworld is all because of your three organizations!

This battle also started because of the three organizations!

As for the others, they can live!

But you guys can't be left alive!" When the people from the three major organizations saw that Yang Luo was still unwilling to let them off They stopped pretending and directly fell out.

"Kid, don't be arrogant.

Do you really think you've won?" "You killed the Pope, the Divine Emperor, and the Fiend Emperor.

You also killed so many gods and demons.

The Holy Light Race and the Fiend Race won't let you off!" "Little b*stard, you won't be able to be smug for long.

When the army of the God Clan and the Demon Clan arrives in this world, all of you will die!" "Since this little bastard refuses to let us go, let's fight them to the death!" The people from the three major organizations roared.

Yang Luo's eyes were cold as he said in a stern voice, "If the Holy Light Church, the Heavenly Universe Divine Clan, and the Darkness Demon Clan dare to come!

If the gods come, I will kill the gods!

"If the Fiends come, I will slay them!" As he spoke, Yang Luo waved his hand!

“Kill!” The moment he gave the order!

“Kill, kill, kill!” “Destroy them!” The people who followed Yang Luo roared and charged at the people from the three major organizations.

“Let’s fight it out with them!” The people from the three major organizations also went completely crazy and charged forward.

However, these three organizations were now alone and helpless.

The other organizations did not dare to help anymore.

Therefore, it did not last long.

More than 100,000 people from the three major organizations had been exterminated.

The seven Guardian Angels of the Holy Light Church were all annihilated!

The ten Overlords of the Heavenly God Emperor were all killed!

The eight Demon Kings of Hell Fiend Palace were all wiped out!

Only Prophet Witch Medea was left.

“Brother Yang, how should we deal with this woman?” Bujie asked Yang Luo.

He saw Prophet Witch kneeling on the ground and looking at the unconscious Goddess of Fate in the distance.

Her eyes were empty and she was in a daze.

The King of the Kingdom of Magic, Alves, looked at Yang Luo nervously.

After all, be it the Goddess of Fate or the Prophet Witch, they were both students he was once proud of.

He looked at Yang Luo and said, "Mr.

Yang, I beg you" Yang Luo raised his hand and looked at the Prophet Witch.

He sighed and said, "Medea, I promised Natasha that I would spare your life.

Since I've agreed, I'll naturally keep my word.

I won't kill you.

Leave." Now, all three organizations had been exterminated.

It didn't matter if this woman was killed or not.

"Thank you, Mr.

Yang!" Alves placed his right hand on his left chest and bowed deeply to Yang Luo.

Prophet Witch looked at Yang Luo in a daze, her lips trembling, "Thank you for sparing my life, Lord Divine Emperor" Yang Luo said casually, "You don't have to thank me.

Thank Natasha." The Prophet Witch kowtowed heavily to the Goddess of Fate and did not say anything else.

Instead, she struggled to get up from the ground.

She gathered a pair of black wings of light and flew away with wounds all over her body When the Prophet Witch left Yang Luo raised the sword in his hand and let out a long roar, "This battle, we are victorious!!!" "Haha, brothers, we won this battle, we won!" "It's great that everyone is still alive!" "Let's have a drink!" "No problem!" "Hahaha" Everyone hugged each other, crying tears of joy and cheering

Chapter 1860: Top of the World!

On the ancient boats on the battleships.

Everyone hugged each other, crying and laughing at the same time.

Tears blurred their faces.

After all, no one had expected them to survive this battle and obtain the final victory.

Touched, excited, happy, and various other emotions surged into everyone's hearts.

On a battleship below.

Bujie shouted excitedly, "Brothers, we won.

We won.

We obtained the final victory!" Xu Ying said angrily, "Alright, stop shouting here.

It's as if you're the one who killed those gods and demons!" "Even if I didn't kill them, they were killed by my Brother Yang and the others!" Bujie rolled his eyes and waved his hand, "Forget it, forget it.

I'm happy now.

I don't want to argue with you!" As he spoke, he rushed towards Augustus and the others.

He hugged everyone and blew a raspberry.

The King of Creation looked up into the sky and sighed, "After this battle, no one in this world can shake Brother Yang's status.

He is undoubtedly the number one person in the world!" Xiang Kunlun nodded and said, "From today onwards, our Holy Imperial Court has once again stepped onto the peak of the Dark World!

Under Brother Yang's lead, our Holy Imperial Court will welcome a new future!" Heavenly Sirius clicked its tongue and said, "When Natasha and I challenged this kid in Country Gaule, we didn't expect this day to come!

I didn't expect this kid to have such great achievements and such a high status!" The King of Destruction grinned and said, "When I challenged this kid back then, I knew that his future achievements would definitely not be low!" "Cheh!" Heavenly Sirius raised his middle finger in retaliation, "Keep bragging!" King of Destruction spread his hands and said, "I'm really not bragging.

That's what I thought back then!" The Sacred Prison King and the others laughed out loud.

Su Qingmei, Qin Yimo, Prajna, Alinda, and the other women looked at the figure in the sky with tears in their eyes.

They had accompanied this man all the way to this day and knew how difficult it was for this man.

He was covered in injuries time and time again.

He fell down time and time again and stood up again.

Now, this man was finally standing at the top of the world and had a supreme status.

This was what was called indomitable!

Unparalleled!

Lin Qianyi looked up at Yang Luo in the sky and said gently, "Third Sister, Little Luo has really grown up.

He's no longer that little junior brother who needs our protection." "That's right." Xiao Ziyun wiped the tears from the corners of her eyes, "From now on, Little Luo will start a bright life that belongs to him.

As senior sisters, we only need to support him silently from behind." "Yes." Lin Qianyi nodded.

Xiao Ziyun suddenly thought of something and asked, "Fourth Sister, have you confirmed your relationship with Little Luo?" "Huh?" "This this" Lin Qianyi blushed and stammered.

Xiao Ziyun held Lin Qianyi's hand and said, "Fourth Sister, now, Eldest Sister, Fifth Sister, and I have already confirmed our relationship with Little Luo.

Now, there's only you and Second Sister left.

You have to hold on tight." Lin Qianyi's face instantly turned red.

She said shyly, "Third Sister I'll try my best" "Invincible Divine Emperor!

Invincible Divine Emperor!" At this moment, someone shouted.

“Invincible Divine Emperor!

Invincible Divine Emperor!” Everyone present raised their arms and shouted.

At this moment!

Yang Luo stood in the sky and received the attention of everyone!

He was the well-deserved master of the Holy Imperial Court!

He was undoubtedly the number one person in the world!

At this moment.

The people watching this battle on the dark web were also in an uproar.

“Oh my god, they won.

The Divine Emperor and the others really won!” “This battle is truly magnificent and full of ups and downs, it is touching!” “This battle has completely established the supreme status of the Divine Emperor.

Who in this world dares to compete with the Divine Emperor?” “The Divine Emperor will lead us to a new era!” Everyone who followed Yang Luo was extremely excited.

As for those who followed the Holy Light Pope, they were completely silent.

Now, the Holy Light Pope, the Heavenly God Emperor, and the Hell Fiend Emperor were dead.

The Holy Light Church, the Heavenly Shrine, and the Hell Fiend Palace had also been destroyed.

All they could do now was submit to the Holy Imperial Court and the Divine Emperor On the other side Country Hua.

The capital.

Hidden Dragon Pavilion headquarters meeting room.

The projection on the wall was broadcasting the battlefield in the Pacific Ocean.

“Hahaha, Brother Yang and the others won this battle!” “I knew it.

Under Deputy Pavilion Master Yang’s lead, it’s impossible for us to lose this battle!” “Deputy Pavilion Master Yang has created another miracle.

Oh, no, it’s a miracle!” The main members of the Hidden Dragon Pavilion cheered in the conference room.

Yi Jiuzhou and Lin Aocang also heaved a sigh of relief and smiled.

When the war in the Underworld started, they had been paying attention to this battle.

When they saw the Holy Light Pope and the others’ reinforcements arrive, they were all on tenterhooks and were really sweating.

Fortunately, at the critical moment, Yi Beiming, Mo Guishan, Lin Wuwang, and the others rushed to the secular world.

Otherwise, the consequences would be unimaginable.

The two of them stood up and walked to the window, looking at the distant sky.

“Phew” Lin Aocang let out a long sigh and said, “This battle is finally over” “Yes, it’s finally over.” Yi Jiuzhou nodded and sighed, “This world will change because of Little Luo.

This era belongs to Little Luo” Lin Aocang nodded and asked, “Mr.

Yi, when are we going to start the ‘repair of the dragon vein’ plan?” Yi Jiuzhou said, “Let Little Luo and the rest rest for a while first.

We’ll contact them after some time.” “Okay.” Lin Aocang nodded in agreement.
