

Super IDG 1881

Chapter 1881: I Finally Found You!

Editor: Atlas Studios Yang Luo hurriedly said, "Manager, calm down first.

What do you mean they destroyed your game consoles?" The Manager pointed inside the arcade.

"Take a look for yourself!" Yang Luo cast his eye in the distance.

As expected! The eight game consoles inside were all smashed and completely scrapped.

The corners of Yang Luo's mouth twitched.

He looked at Ji Longyue and the others and asked, "What's going on?" Ning Jianfeng said angrily, "Brother Yang, you don't know.

The characters in this game console are too trashy.

There are too few skills.

Every round I played, I would lose.

I might as well go in and fight myself!" Yang Luo rubbed his forehead and said, "But you can't break their game console!" Ji Longyue said, "Brother Yang, how would we know that this game console is so fragile?

We only threw a few slaps before it broke." "!" Looking at the eight broken game consoles inside, Yang Luo was instantly speechless.

Did they really only take a few shots?

At this moment.

An angry voice sounded.

“Who dares to cause trouble in my arcade?” Yang Luo and the others turned around.

A fat man with slicked-back hair walked over with a group of people.

“CEO Wang, you’re finally here.

If you hadn’t come, these people would have torn down our arcade!” The Manager quickly went up to him.

The fat man with the slicked-back hair said domineeringly, “I want to see who dares to tear down my shop in Jiang City!” Yang Luo walked over and asked, “Are you the owner of this shop?” “Yes, I am.

You are!” Wang Zhaoren replied arrogantly.

However, halfway through his sentence, he could not help but tremble.

“Mr. Mr.

Yang?!” Wang Zhaoren asked blankly.

Yang Luo was stunned for a moment before asking, “You know me?” Wang Zhaoren said with a smile, “Mr.

Yang, who doesn’t know your name?

You are the legend of Jiang City!

Oh, no, you're the legend of the entire Country Hua!

I've heard all the shocking things you've done in the past!

Even those first-rate families and royal families in the capital could be destroyed just like that!

You are my idol.

I admire you so much!" Hearing Wang Zhaoren's words, The Manager's face turned pale and he broke out in cold sweat, "CEO Wang, he's the famous Mr.

Yang?!" "Nonsense, I've already remembered Mr.

Yang's appearance in my heart.

How can I be wrong?" Wang Zhaoren glared at the Manager and said, "Little Zhang, tell me, what exactly happened?" The Manager wiped his cold sweat and told Wang Zhaoren what had just happened.

After hearing the Manager's words, Wang Zhaoren hurriedly said to Yang Luo, "Mr.

Yang, my subordinates are insensible.

Please forgive them!

Isn't it just destroying a few game consoles?

What are they worth!

Also, you can move whatever you want in our arcade!

I'll get a truck to move it for you!" Yang Luo was caught between laughter and tears, "No, that's not what they meant." "Move, move, move now!" Tantai Puti chuckled, "It just so happens that I can continue playing the claw machines at home!" Wang Zhaoren grinned and said, "Move, move!" As he spoke, he took out his cell phone and called for help.

After Wang Zhaoren finished his call.

Yang Luo said, "Mr.

Wang, how much are these eight destroyed game consoles and these claw machines?" Wang Zhaoren waved his hands repeatedly, "Mr.

Yang, I don't want money, it's free of charge.

How would I dare to take your money!

It's my honor to be able to be friends with you!" Yang Luo raised his hand and said, "Mr.

Wang, this is a separate matter.

I will have to pay how much is needed.

If you don't accept the money, we can't be friends anymore." "Thisâ€¦" Wang Zhaoren was stunned for a moment before saying to the Manager, "Little Zhang, quickly calculate how much it is." "Yes, yes!" The Manager nodded repeatedly.

After that, Yang Luo paid.

Wang Zhaoren found someone to move a few claw machines to the truck and pulled them back to the Imperial River Court.

As they walked out of the mall, Yang Luo said helplessly, "Brothers, this isn't the Kunlun Ruins.

You should take it easy and not act recklessly!" Tantai Puti smiled and waved his hand.

"Brother Yang, don't worry.

We won't do anything rash!" Ning Jianfeng nodded and said, "If we really did anything rash, that arcade would have been gone long ago." Yang Luo shook his head and said, "Alright, as long as you don't kill anyone." This group of Demon Kings were really not easy to lead!

If he had known earlier, he would have let them return to the Kunlun Ruins first!

! In the next week.

Yang Luo brought Ji Longyue and the others around Jiang City and the surrounding cities, leaving behind everyone's laughter.

Although these guys had caused a lot of trouble during this period, fortunately, they were more obedient and did not mess around anymore.

A week later, in the morning.

Yang Luo and the others finished dinner and drove a few cars home.

However, just as the car reached a main road, Yang Luo's heart suddenly skipped a beat as he felt two powerful auras coming from afar!

Ye Luange, Song Zhixin, and the others also sensed it!

At this moment!

A thunderous roar came from afar!

“Divine Emperor, come out!” This roar was like thunder!

Peng peng peng! The few cars that Yang Luo and the others were driving, as well as the glass of the other cars on the street, instantly shattered!

Even the windows of the buildings and shops on both sides of the street were shattered!

“Ah!” “What happened?!” “Was that a beast roaring just now?!” “Or is it thunder?!” The people on the street were shocked and screamed.

“Get out!” Yang Luo shouted and got out of the car with everyone.

Everyone looked up at the sky in the distance.

Two figures flew over from afar and instantly arrived in the sky.

It was the man and woman who had appeared in the sky above the Pantheon Temple not long ago.

“Oh my god, these two can actually fly in the sky?!” “Who are they?”

Why are they all so tall?!” “They’re definitely not humans.

Are they gods or aliens?!” The people on the street exclaimed.

Yang Luo stared at the two of them.

He could sense the aura of those gods from these two guys.

Ye Luange, Song Zhixin, and the others naturally sensed it too.

“Could these two be gods of the God Clan?!” “Then which god are they?

Maya, Atlantean, and Golden Pagoda Divine Race?!” “Could it be people from the Holy Light Church, the Heavenly Universe Divine Clan, and the Dark Demon Clan?!” “Did they attack so quickly?

That’s not right.

Why are there only two people?!” Ye Luange and the others asked in surprise.

At this moment.

The man in the sky swept his gaze across the street and finally stopped at Yang Luo.

He smiled and said, “Divine Emperor, Yang Luo, I’ve finally found you!” Yang Luo frowned and asked, “Who exactly are you?

Why are you looking for me?”

Chapter 1882: I Accept Your Challenge!

Editor: Atlas Studios The man said in a clear voice, “We are gods from the Titan Race.

I am one of the twelve Titan Gods, ‘Darkness Titan’ Keos!” The woman also said loudly, “I am one of the 12 Titan Gods, ‘Titaness of Light’ Tia!” As soon as these words were spoken.

Yang Luo and the others were shocked!

“The Titan Race?!” The corner of Bujie’s mouth twitched, “F*ck!

There’s another God Race?!

How many gods are there?!” Lin Wenxuan said, “Didn’t Elder Beiming and the others say that many races used to live on Earth?

Although many races had perished in the Battle of Gods, many races had fled to other dimensions.

The Titan Race is probably one of the remaining races.” “That’s right.” The Goddess of Fate nodded and said, “It’s rumored that the Titans were born tall, strong, violent, and very combative.

It’s intimidating.

Moreover, over the years, many archaeologists had discovered the bones and footprints of the giants on Earth.

This means that there were indeed giants on Earth in the past.” Yang Luo and the others nodded in realization.

At this moment.

The people on the street also understood what Keos and Tia were saying.

After all, for the God Races, they only needed to listen to the language of the various countries once to learn it.

“Oh my god, these two people just said that they were gods from the Titan Race.

What kind of international joke is this?!” “Isn’t the Titan Race a race from Western myths and legends?

How can there be one in reality?!” “But from the looks of it, these two people don’t seem to be lying!

“Moreover, these two people are so tall and can fly in the sky.

Perhaps they are really gods of the Titan God Race!” “Oh my god, there are really gods in this world.

I feel like my understanding has been overturned!” “But why did these two people look for this group of people?

Could it be that these people are not ordinary people?” The people on the street exclaimed.

Some people believed that these two might really be the Titan Gods, but some people expressed their disbelief.

Yang Luo looked up at the two people in the sky and asked, “Why are you looking for me?” Keos chuckled and said, “I heard that you’re the number one expert in this world.

You’re very strong!

Therefore, I’ve been looking for you these past few days to challenge you!

Kid, come on, fight me.

Let me see if you’re as powerful as the legends say!” Yang Luo said speechlessly, “I don’t know you and we have no grudges.

Why should I fight you?" Keos said in a loud voice, "Kid, that's not up to you!

"You can either defeat me or be killed by me.

Choose one yourself!" Yang Luo shook his head and said, "I'm sorry, I'm not interested in fighting you." With that, Yang Luo prepared to leave in a car with Song Zhixin and the others.

However, the moment Yang Luo turned around!

"I told you, it's not up to you!" Keos shouted and his huge body swooped down.

He twisted his fist and punched towards Yang Luo!

With a punch, a black light bloomed, causing the void to explode, the world to tremble, and the building to shake!

Crack, crack, crack! Before this punch landed, the cars on the street were crushed like iron boxes!

"Oh my god, are they going to fight?!" "This giant is too terrifying!" Everyone cried out in alarm and fled.

Yang Luo frowned and turned around.

He brazenly twisted his fist and faced the attack!

A huge golden fist engraved with dragon patterns shattered the void and collided!

In an instant!

DONG!

The two fists collided heavily like two huge iron pieces colliding, and the commotion shook the heavens!

Waves of powerful and vast energy spread out from his fist, surging in all directions like waves!

Ye Luange, Song Zhixin, and the others hurriedly mobilized the True Qi and energy in their bodies and suddenly waved their hands!

In an instant!

Light barriers condensed around him, separating this area from the crowd!

Boom, boom, boom! All the cars in this area were blown up in an instant!

The ground was also torn apart, revealing wide cracks!

The energy collided with the light barrier, emitting a deafening sound like muffled thunder!

Especially the cement ground under Yang Luo's feet, it directly collapsed!

Even Ye Luange, Song Zhixin, and the others were pushed back!

Seeing this scene in front of them!

"Hiss!" The people on the street gasped.

Their faces turned pale, and they broke out in cold sweat, trembling.

"It's too terrifying!" It's not just this huge man.

It turns out that these young people are not ordinary people!" "There's actually such a terrifying human hidden beside us?!" "So there really are hidden experts in this world!" Everyone cried out in shock.

Some of the bolder ones even took out their cell phones and started taking photos and videos.

At this moment.

After taking Keos' punch, Yang Luo was shocked!

This guy actually had a mid-stage True Immortal cultivation!

He sensed that woman again and was shocked again!

That woman actually had an early-stage True Immortal cultivation!

It seemed that these two fellows were not simple!

Yang Luo retracted his thoughts and his right arm shook violently, "Get lost!" Only a loud bang was heard!

Keos was sent flying into the sky!

The ground under Yang Luo's feet completely collapsed, and the reinforced concrete shattered, revealing a huge pit!

As for him, he dodged to the side the moment the ground collapsed!

Bujie instantly exploded in anger.

He pointed at the sky and shouted, "Do you not understand human language?"

My Brother Yang said that he doesn't want to fight with you.

Why are you still attacking?!" Tantai Puti also placed his hands on his hips and shouted, "That's right.

So what if you're a god?

We've killed many gods!

Be careful that my Big Brother Yang will slash you apart with his sword!" Bai Chuxia also shouted, "My Brother Yang is amazing.

What's a god to him?!" Keos ignored the three of them and stared intently at Yang Luo.

He narrowed his eyes and said, "Kid, you're not simple.

I didn't expect you to have an early-stage True God cultivation!" Early-stage True Immortals were the same as early-stage True Immortals, but the God Race had different names.

Tia smiled and said, "I didn't expect a True God to be born in this world today.

Interesting, really interesting." A fanatical battle intent appeared in Keos's eyes.

He grinned and said, "Kid, if you're too weak, that's fine!

However, your strength has already piqued my interest.

You are completely qualified to fight me!

Come on, fight me!” Yang Luo frowned and asked, “Do you really want to fight me?” “Of course!” Keos nodded and said, “Our Titan Race can fight well and has always liked to challenge the strong!

As for you, you are indeed considered an expert!

I’ll officially challenge you now!” Yang Luo sighed in his heart.

He did not want to show his ability in front of ordinary people.

However, this guy was overbearing, so he could only accept the challenge.

He looked up at Keos and said in a loud voice, “Alright, I accept your challenge!”

Chapter 1883: Legend!

Editor: Atlas Studios Keos laughed and said, “Kid, that’s more like it!

Come on, let’s have a good fight!” Yang Luo did not say anything else.

He suddenly stomped on the ground and soared into the sky, standing in the sky!

“He’s flying!

This young man is flying too!” “This young man is indeed not an ordinary person!” “If this young man is really an ordinary person, how can he withstand a punch from a god?” Exclamations, discussions, and screams rose and fell.

Everyone looked at the three people standing in the sky in a daze.

They were all dumbfounded.

“Ehê! Why do I feel that this young man looks so familiar?” “Ehê! Isn’t this the legendary figure of Jiang City, Mr.

Yang?” “Which Mr.

Yang?” “Who else could it be, Mr.

Yang?

He’s the one who killed three martial arts experts from Country Sakura on Mount Tai back then!

“After that, he went to Country Sakura and killed many martial arts experts, the god Yang Luo, who left behind countless legendary deeds!” “F*ck, so that god is him!” At this moment, many people on the street recognized Yang Luo.

After all, Yang Luo had left too many legendary deeds in China over the past year.

It was difficult for people not to know about Yang Luo.

Everyone looked at Yang Luo in admiration.

Especially those little girls, they were even more infatuated.

Ning Jianfeng clicked his tongue and said, “Brother Yang is so capable.

Look at those beauties.

They can't wait to marry you!" Bujie chuckled and said, "If they knew the shocking things Brother Yang did overseas, they would probably go even crazier!" Bai Chuxia's eyes lit up, "I've long been crazy about Brother Yang!" "Bai Chuxia!" Tantai Puti shouted angrily.

"Blehhhh!" Bai Chuxia stuck out her tongue and quickly hid to the side.

Su Qingmei, Su Wanqiu, and the other women shook their heads helplessly.

Yang Luo was too charming, making goddesses like them feel pressured.

Song Zhixin said angrily, "This bad guy only knows how to act cool!" At this moment.

In the air.

Yang Luo and Keos stood facing each other.

Below them were buildings and people observing.

Yang Luo said, "You can fight if you want.

How about we go somewhere else?" If they fought here, the commotion would be too great.

Moreover, it was very likely to cause damage to the city and injure innocent people.

"No, we'll fight here!" Keos replied and pointed at the people below, "There are so many people watching the battle here.

They can be witnesses!

I want them to witness with their own eyes how I defeated the hero and god in their hearts, defeating you, the number one person in the world!” Yang Luo said with a strange expression, “Do you really think you can defeat me?” Although his cultivation was only at the early-stage True Immortal Realm! However, after experiencing the battle in the dark world, his strength had long increased explosively.

Now, at the early-stage True Immortal realm, he was invincible.

Even if he faced a mid-stage True Immortal expert, he was not afraid at all.

Perhaps it was a little difficult for him to kill a mid-stage True Immortal expert with his current strength, but defeating a mid-stage True Immortal expert was not difficult for him.

“Of course!” Keos chuckled and said, “Your cultivation level is lower than mine.

You’re not my match at all!” “Is that so?” Yang Luo smiled faintly and said, “Then let’s give it a try.

It just so happens that I also want to know how strong the gods of your Titan God Race are!” “Hahaha, let’s fight then!” Keos laughed wildly and his body trembled!

BOOM!

A black beam of light shot up from his body and broke through the clouds in the sky!

Yang Luo stepped down from the sky and his entire body trembled!

In an instant!

A huge golden barrier descended like a huge golden bowl, enveloping the entire Jiang City!

Therefore, in order to prevent the city from being destroyed and to prevent ordinary people from being injured, he set up a protective array!

As the protective array was set up!

BOOM!

A golden beam of light shot up from Yang Luo's body and pierced through the sky!

The people on the street were in an uproar!

Various expressions appeared on everyone's faces.

There was shock, fear, excitement, excitement! "Fight!" Keos let out a thunderous roar.

His huge body rushed towards Yang Luo with a terrifying pressure!

Without any hesitation, Yang Luo's figure flashed and he charged forward!

In the blink of an eye!

Yang Luo and Keos closed the distance!

The two of them swung their fists at the same time and blasted forward!

A huge golden fist and a huge black fist shattered the sky and collided!

THUD!

The two fists collided heavily and exploded with a thunderous sound!

The scene in front of everyone was really strange!

It gave people the feeling that an adult was fighting a child!

After all, Yang Luo was only 1.8 meters tall, while Keos was five to six meters tall!

Moreover, Keos's arm alone was thicker than Yang Luo's waist!

At the moment of impact!

Chi!

Chi!

Chi!

The surrounding void was torn apart, and pitch-black cracks appeared like spider webs!

Blazing light and energy erupted, washing in all directions!

Rumble rumble rumble!

Thunder rumbled in the sky above the entire city!

Fortunately, there was a protective array to withstand the impact of the waves of energy!

Tia, who was standing not far away, changed her expression.

With a wave of her right hand, she quickly condensed a silver-white light barrier to block!

Although she blocked the impact of the energy, she was forced back repeatedly!

Under the collision of this punch!

BOOM!

Yang Luo and Keos were sent flying at the same time!

Keos retreated more than a hundred meters before stabilizing his body!

Yang Luo also retreated more than a hundred meters before stabilizing his body!

“What?!” Keos was shocked, “You can really block my fist?!” When Yang Luo was on the ground just now, the punch he threw was completely just a test.

However, he was clearly serious about this punch.

However, he did not expect this kid to be able to block it.

It had to be known that the Titan Race was famous for their powerful bodies.

Many of the other God Races could not compare to them in terms of physical bodies alone.

Most importantly, his cultivation level was higher than this kid’s!

Tia, who was watching the battle from afar, was also filled with shock.

Yang Luo moved his limbs and said, "Your strength is indeed very powerful, and your body is also very strong.

However, I'm sorry, my strength and body are not weak either." "Hahaha!" Keos threw his head back and laughed.

The fighting spirit in his eyes intensified, "Interesting, this is really interesting.

I didn't expect there to be someone in this world who can fight me with just their fleshly body!

Alright, alright, alright.

This way, it will be more interesting and enjoyable!" As he spoke, he twisted his neck and made cracking sounds.

"Come, let's continue!" Keos stepped down from the sky.

The void instantly collapsed and tore apart!

His strength and speed increased explosively again, turning into a black stream of light that rushed towards Yang Luo!

Chapter 1884: There Are Really Gods in this World!

Editor: Atlas Studios Yang Luo's figure flashed as well, turning into a golden stream of light that charged forward!

The two of them had reached the extremes of speed!

The people watching the battle below could not see the two of them clearly at all.

They could only see two beams of light streaking across the sky!

In an instant!

The two of them closed the distance again and threw a punch!

THUD!

The two fists collided again with a thunderous sound!

Their punches were even more domineering and terrifying, as if they wanted to destroy everything!

The energy that spread out was like a tsunami that surged in all directions!

But under the collision of this punch, neither of them took half a step back!

“Haha, again!” Keos laughed loudly and clenched his fists.

He kept attacking like a storm!

Yang Luo was not afraid either.

He clenched his fists and faced the attack!

Dong dong dong! The huge golden fist and the huge black fist collided in the sky, like a golden meteorite and a black meteorite that filled the sky!

Dazzling light and vigorous energy spread out majestically from the point of collision!

The sky where the two of them were was trembling continuously!

The sea of clouds above had long been scattered!

The surrounding void was also filled with pitch-black cracks!

Even though there was a protective array below, the ground was still trembling.

The buildings were also gently shaking!

“This is too terrifying! This is not a battle between mortals at all.

This is a battle between gods!” “Mr.

Yang and this huge man are too strong.

If not for this golden barrier, the entire city would have been destroyed!” “So there really are gods in this world.

There really are gods!” The people on the street were shocked and exclaimed.

There were not many people watching the battle at the beginning.

However, because the commotion was too big, coupled with people calling their friends and posting the video online, More and more people came to watch the battle.

There were even many streamers who began to broadcast live.

The internet was already in an uproar.

“What’s going on during this period of time?”

A week ago, there was a beam of light soaring into the sky and a hundred dragons flying.

Today, there’s a god fighting in the sky above Jiang City!” “Could it be that after the recovery of spiritual energy in this world, all kinds of immortals and demons will not appear in the future?!” “This world is indeed not as simple as we thought!” People on the Internet were discussing fervently.

At this moment.

On the street.

Ning Jianfeng exclaimed, “Holy sh*t, is this big guy so powerful?

He can actually fight on par with Brother Yang?” Qin Zhanhuang pondered and said, “This big guy is definitely a True Immortal!” Ji Longyue nodded and said, “That’s right.

I can’t sense his cultivation at all, but from the aura he emitted, I can tell that he must be a True Immortal!

Moreover, it’s very likely that he’s at the mid-stage True Immortal Realm!” “What?!

Mid-stage True Immortal Realm?!” “F*ck!

Is he that powerful?!” Qin Zhanhuang, Ning Jianfeng, and the rest were stunned.

Baili Wushuang continued, “You should know Brother Yang’s strength.

Brother Yang is usually invincible in the same realm, but he could also challenge someone one level higher.

If this big guy was at the early-stage True Immortal Realm, he would probably have been at a disadvantage long ago.” “Good point.” Everyone nodded.

Mu Wushang frowned, “I just don’t know if Brother Yang can defeat this guy.” Ji Longyue said with certainty, “As long as Brother Yang gets serious, this guy will definitely lose!” Just as they were chatting, A call was made to Su Qingmei’s phone.

Su Qingmei picked up the call.

As soon as the call went through, “Miss Su, Little Luo has only been at home for a few days.

Why is he starting to cause trouble again?

Just now, the leader of the Hidden Dragon Pavilion’s branch in Jiang City called me and said that this kid had fought with someone!

I saw the video on the Internet just now.

It’s really this kid.

What’s going on?!” Lin Aocang’s voice sounded.

Su Qingmei said helplessly, “Dragon General, we just finished eating tonight and were about to go home, but we didn’t expect two gods who claimed to be from the Titan Race to come.

One of them insisted on challenging Yang Luo.

Yang Luo was also forced to accept that person's challenge." "The Titan Race?!" Lin Aocang was immediately shocked.

Then, he said in a low voice, "Alright, I'll try my best to suppress this matter.

However, even if this kid really wants to fight, it was better to stay away from the city.

Whether it is the gods or this kid, their destructive powers are too strong.

They could destroy cities and land at any time.

I'm really worried that they will destroy the entire Jiang City." Su Qingmei sighed and said, "Dragon General, Yang Luo is fighting with that person now and can't hear us at all.

However, don't worry.

Yang Luo has set up a protective array.

Jiang City shouldn't be destroyed." Lin Aocang sighed and said, "Alright, please ensure the safety of the people.

Qingkuang has already rushed over.

If anything happens, he can help." "Alright, Dragon General." Su Qingmei agreed.

After the call ended, Qin Yimo hurriedly asked, "Susu, why is the Dragon General calling?" Ye Luange, Su Wanqiu, and the other women also turned to look at Su Qingmei.

Su Qingmei said, "The Dragon General said that the battle between Yang Luo and this person caused too much commotion.

He asked us to ensure the safety of the people.

Brother Mo is also rushing over.” Ye Luange nodded and said, “With us around, we won’t let ordinary people be implicated!” At this moment!

Yang Luo and Keos had already exchanged more than a thousand punches!

Keos’ strength and aura soared again!

He directly twisted his fist and punched out violently!

“Titan Lightning Killing Fist!” BOOM!

A huge black fist smashed towards Yang Luo like a mountain!

Tens of thousands of huge black lightning bolts gathered around him and slashed at Yang Luo!

Facing Keos’ violent punch!

Yang Luo did not dodge or retreat.

He also increased his aura and energy and punched out!

“Nirvana Dragon Fist!” “Roar, roar, roar!” The dragon’s roar was mighty and resounded through the night sky!

A huge fist engraved with golden dragon patterns smashed out like a small star!

Tens of thousands of golden dragons roared!

This scene made everyone below tremble in fear!

In an instant!

THUD!

The two fists collided again, and the sound resounded in all directions, causing everyone's eardrums to buzz!

Rumble!

The tens of thousands of golden dragon illusions also collided with the tens of thousands of black lightning bolts, erupting with earth-shattering explosions!

Because this collision was too terrifying!

Even the protective array began to crack, as if it would collapse and explode at any moment!

Ye Luange exclaimed, "Not good, the defense of the protective array has decreased.

Hurry up and strengthen the defense!" "Alright!" Everyone immediately chorused out.

Then, under Ye Luange's lead, everyone mobilized the True Qi and energy in their bodies and transferred them into the protective array!

As True Qi and energy entered, this protective array was repaired at a visible speed and became even more condensed and thick!

Chapter 1885: Titan Spirit Descends!

Editor: Atlas Studios Boom, boom, boom! Energy washed over the golden barrier, emitting a loud bang!

The sky and ground shook, and the building continued to shake!

Many people on the street could no longer stand steadily and fell to the ground!

Under this terrifying collision! Yang Luo and Keos were sent flying again!

Keos was sent flying for nearly 200 meters before he stabilized his body!

Yang Luo was sent flying more than a hundred meters before he stabilized his body!

Moreover, blood exploded on Keos's strong body, and blood flowed down!

Although Yang Luo's body had a few bloody wounds, his injuries were much lighter than Keos's!

Under this confrontation, it was obvious that Yang Luo had the upper hand!

"How! how is this possible?!" Keos's face was filled with shock.

Just now, this kid was only comparable to him!

However, he did not expect this kid to suppress him and even injure him in such a short period of time!

Tia, who was watching the battle in the distant sky, was also shocked!

This kid's cultivation level was clearly the same as his, but he could suppress Keos.

It was really unbelievable!

Although Keos was surprised, his blood boiled, and the fighting spirit in his eyes intensified!

He exclaimed with a fanatical expression, "I didn't expect to meet an expert like you in this world!

Great, this was really great.

Only then could they have a more satisfying battle!

Come, come, come, let's continue!" As he spoke, he suddenly stomped down and let out a loud shout!

"Dark Torrent!" Waves of dark energy erupted from his body, turning into a black sea that surged towards the five of them!

This sea of black energy covered a large area, causing half of the city to fall into darkness!

Yang Luo was not afraid at all.

He stepped down from the sky!

"Sea of Purgatory Fire!" Fierce and violent golden-red flames erupted from his body, turning into a sea of flames that collided!

At this moment!

The entire sky above Jiang City was half dark and half light.

It was shocking!

In an instant!

Hong'ang! The sea of black energy collided with the sea of fire, causing the world to tremble and the surroundings to shake!

The flames and darkness clashed, neither giving in to the other.

They wanted to destroy the other!

When he saw that Yang Luo had blocked his attack!

Keos waved his hand!

"Dark Lightning Burial!" Boom!

Boom!

Boom!

Huge black lightning bolts struck down from the firmaments like black lightning dragons.

It was extremely terrifying!

Yang Luo did not dodge.

The lightning attribute power in his body erupted and he waved his hand!

“Thunderous Nine Heavens!” Boom!

Boom!

Boom!

Giant golden lightning bolts seemed to have transformed into golden lightning dragons that rushed into the sky!

Rumble!

The golden and black bolts of lightning collided fiercely in the sky, erupting with rolling thunder!

Below was darkness and flames surging!

Lightning and thunder collided in the sky!

The sky above the entire city had already become chaotic, and everyone on the street was dumbfounded!

Not long after.

Rumble! The sea of dark energy and the sea of fire, the black lightning and the golden lightning exploded at the same time!

This explosion was incomparably terrifying, as if thousands of missiles had exploded in the sky.

It was earth-shattering!

All kinds of energy and light intertwined in the sky, turning into a huge ball of energy that spread in all directions!

Not only was Jiang City affected, but even the cities around Jiang City were affected!

More and more people were alarmed and paid attention to this battle in various ways!

However, Yang Luo and Keos, who were in the center of the explosion, were not affected at all!

Keos stomped his foot and let out a thunderous roar!

“God of Titans, Descend!” In the blink of an eye!

Three black light arrays condensed in front of him!

Three illusions of giant gods wearing black armor and holding weapons stood up from the light array!

Keos then pointed forward!

“Go!” The illusions of the three giant gods rushed out and charged at Yang Luo!

Facing the charge of the three Titan illusions!

With a calm expression, Yang Luo waved his hand!

“Dragon Howls at the Myriad Existences!” “Vermillion Bird Descends!” “True God Black Tortoise Transformation!” A huge golden dragon illusion, a huge Vermillion Bird illusion, and a huge Black Tortoise illusion stood up and rushed out!

In a flash!

Boom, boom, boom! The Golden Dragon, Vermillion Bird, and Black Tortoise collided with the illusions of the three giant gods, shaking the surroundings and shaking the nine heavens!

Under this terrifying collision between both sides!

All the illusions exploded in the sky!

Keos then chanted in his heart!

Swoosh!

Accompanied by a piercing sound!

A spiked club that was five to six meters long and flickered with a black light flew out of his belt and was grabbed tightly by him!

Then, he held his mace and rushed towards Yang Luo!

Yang Luo summoned the Dragon Emperor Sword and charged forward!

And the moment he got close! The two of them waved the weapons in their hands at the same time and attacked each other!

Rumble!

The huge golden sword collided fiercely with the spiked club, emitting a shocking sound!

At the point of impact, the void exploded, as if lightning sparks were surging!

Under this ferocious collision!

Yang Luo only took a few steps back before stabilizing his body!

But Keos was sent flying!

Furthermore, Yang Luo's sword was too ferocious.

It directly cut a long wound on Keos's chest, causing his flesh to flip outwards.

It was very sinister!

However, just as Yang Luo was about to continue attacking!

On the street below.

Big White, who was watching the battle from Xu Ying's shoulder, couldn't hold back anymore and jumped up.

Big White was very combative to begin with.

After watching the battle for so long, it had long wanted to go and fight.

"Big White, what are you doing?!" "Big White, come back quickly!" "He's a True Immortal.

Why are you joining in the fun!" Xu Ying, Bujie, Ning Jianfeng and the rest exclaimed.

Just as everyone was exclaiming!

Big White had already leaped high into the sky, and its body continued to grow larger and larger.

Under everyone's watchful eyes, it directly grew by more than sixty meters!

"F*ck!

This monkey has actually become so big?!" "Isn't this the King Kong in the movie?!" "The key is that not only can this monkey grow bigger, but it can also fly!" When the people on the street saw this, they exclaimed.

After Big White flew into the sky, it charged straight at Keos!

Yang Luo, who was halfway there, was stunned.

He shouted, "Big White, what are you doing here?

Come back quickly!" Big White was clearly a little overwhelmed.

It didn't listen to Yang Luo and continued to charge at Keos!

However, just as Big White approached!

Keos had already stabilized his body and roared!

"Titan Divine Body!" In an instant!

Under everyone's watchful eyes, Keos' body began to grow from five to six meters tall to more than a hundred meters tall!

The mace in his hand had also enlarged to more than a hundred meters!

At this moment, Keos's head was above the sky, and he was stepping on the void with a huge stick in his hand.

He was simply like the legendary Spirit Titan!

Chapter 1886: Everyone's Idol!

Editor: Atlas Studios Everyone watching the battle below was dumbfounded.

Their mouths were so wide open that an egg could be placed inside!

"Oh my god, this huge man's body can actually become bigger?!" "This monkey has already become big enough.

I didn't expect this huge man to change his size as well!" "Is everything in front of me real?

Am I dreaming?!" Everyone cried out in surprise, feeling that their minds could not process what was going on.

Not to mention ordinary people, even Ye Luange, Song Zhixin, and the others were shocked.

They had also seen a god whose body could become larger in the battle in the Dark World not long ago.

However, that god's body could not become as big as Keos'.

The Goddess of Fate sighed and said, "Perhaps this is the innate ability of the Titan Gods." Song Zhixin asked in a daze, "Could it be that all the Titans can become so big?!" The Goddess of Fate shook her head and said, "I'm not sure about that.

Perhaps it still depends on the development of talent and abilities for each Titan.” At this moment.

In the air.

Big White looked up at Keos, who was taller and buffer than him, and was dumbfounded.

It did not expect this guy in front of it to become so big.

The people watching the battle below felt like an adult facing a little monkey.

The visual impact was too great!

“Big White, dodge!” Yang Luo shouted and rushed towards Keos.

However, he was still a step too late!

Keos swung his mace at Big White!

Big White’s heart skipped a beat, and he immediately unleashed a punch!

A huge platinum fist shattered the void and smashed fiercely at the spiked club!

In an instant!

Tang!

The huge fist and the huge stick collided heavily, emitting a shocking explosion!

Big White’s physical strength was already considered very powerful!

However, it was still difficult for it to resist Keos' power!

"Wuuuâ€¦!" Big White let out a cry of pain as it fell from the sky.

With a loud bang, it collapsed a building and it fell into the ruins!

Rocks flew and dust billowed!

The people around the building fled in all directions in fear!

"Big White!" "Holy f*ck!"

Big White was actually smashed down by a club!" Ye Luange, Bujie, and the others exclaimed and hurriedly ran over.

In the air.

Yang Luo was furious.

He sped up again and charged at Keos!

On the way over!

Yang Luo kept mobilizing the energy in his body and roared!

"Flame Emperor Combat Body!" "Divine Dragon Tyrant Body!" In the blink of an eye!

The illusion of a golden-red flame giant and a purple dragon-patterned giant stood up from his body and enveloped him!

There were even nine purple dragons coiling around Yang Luo's body.

They were majestic and domineering!

Moreover, the two towering giant illusions were much taller than Keos, shocking everyone present!

And the moment he got close! "Cut!!" Yang Luo gripped the Dragon Emperor Sword tightly with both hands and slashed at Keos with all his might!

Swoosh!

A huge golden sword with a powerful and vast sword intent slashed at Keos with a brilliant sword might that flickered with a blazing sword light!

It was as if an ancient sword immortal had slashed out a shocking sword!

The void ahead was torn apart layer by layer, terrifying to the heavens!

Keos' expression changed.

He clenched his mace with both hands and swung it wildly!

Rumble rumble rumble!

With a swing of the mace, the world shook and the void shattered.

It was incomparably domineering!

In a breath's time!

Rumble!

The huge sword and the huge stick collided fiercely, emitting muffled thunder!

Lightning, fire, light, and energy burst out, tearing the surrounding void apart!

Keos originally thought that he could block Yang Luo's sword!

However, after the collision, he realized that he could not block it at all!

Yang Luo's strike was too heavy, and the power that erupted was even stronger than his!

In less than half a minute!

"Uh!" Keos let out a painful cry as his huge body was sent flying.

Then, he fell from the sky and collapsed a few buildings with a rumble!

Moreover, this sword directly cut through his armor and even cut a long wound on his waist and abdomen!

Blood splattered as if it wanted to cut him in half!

"Oh my god, this Giant God was sent flying by Mr.

Yang's sword!" "Not only was he sent flying, but he also injured this Giant God!" "Is Mr.

Yang already so strong?!” “Mr.

Yang is too domineering!” “Mr.

Yang is too handsome!” “Mr.

Yang, you’re our idol!” Everyone cheered and looked at Yang Luo with fanatical eyes!

Ye Luange and the others, as well as Mo Qingkuang, who was flying over from afar, were also shocked!

“Keos!” Tia exclaimed, her eyes filled with disbelief.

She never expected that Keos, who had activated the Titan Divine Body, would not be able to withstand a single strike from Yang Luo!

Tia’s eyes turned cold.

She immediately summoned a silver spear and swept it at Yang Luo!

A huge silver spear shattered the sky and attacked Yang Luo with a blazing silver-white divine light!

“You can go down too!” Yang Luo shouted and swung his sword again!

This sword was still extremely violent, as if it wanted to destroy everything!

It was impossible for experts below the True Immortal Realm to withstand it!

Even an early-stage True Immortal expert could not withstand it!

In the blink of an eye!

Rumble!

The huge sword and spear collided crazily with a shocking bang!

The sky was directly shattered, and a large area of the sea of clouds was completely dispersed!

“Ah!” Tia also let out a cry of pain and was sent flying, landing on a street with a bang!

The street was smashed into pieces and collapsed!

The silver-white metal armor on her body was also cut open, and a long wound appeared on her body!

The spectators were shocked again!

“Oh my god, the angry Mr.

Yang is too scary!” “Isn’t that so?

He sent that Giant God flying with one slash and sent this Goddess Ming flying with another slash!” “So what if he’s a god?

He’s still not Mr.

Yang’s match!” The audience cheered even louder.

Everyone was so excited that they went crazy.

After Yang Luo sent the two of them flying, he asked Big White, "Big White, how are you?

Are you alright?" Big White shook off the dust on its body and scratched its head, "Brother Yang, I'm fine.

I just fell down!" Bujie grinned and said, "This guy has thick skin and flesh.

He'll be fine even after a fall!" "That's good." Yang Luo nodded and turned to look at Mo Qingkuang, who was not far away, "Brother Mo, why are you here?" Mo Qingkuang said, "Brother Yang, you made too much noise.

The Dragon General asked me to come and take a look." Yang Luo said helplessly, "I didn't want to cause such a huge commotion either, but who knew that these two fellows from the Titan God Race would find me and challenge me!" Just as Yang Luo was speaking! His cell phone rang.

He took out his phone and saw that it was a call from Xiang Kunlun.

Why did Brother Xiang call?

Could something have happened to the Holy Imperial Court?

Chapter 1887: Seeking Justice!

Editor: Atlas Studios Yang Luo quickly picked up the call.

"Brother Xiang, what's the matter?" "Brother Yang, hurry up and come to the Holy Imperial Court.

The Mayan and Atlantean Gods are here again!" Xiang Kunlun's voice sounded.

“Ah?!

They’re here again?!” Yang Luo was stunned and hurriedly asked, “They didn’t do anything to you, right?” Xiang Kunlun said, “No, but they specifically said that they want to see you!” “Alright, I’ll come over now!” Yang Luo replied and hung up.

After hanging up the phone, Yang Luo said to Mo Qingkuang and the others, “Brothers, Big Brother Xiang called me just now and said that the Maya and Atlantean gods have come looking for us again!

We have to hurry over now!” “What’s going on?

Why are those two God Races there again?” “What are they trying to do?

Why are they always staring at us?” Bujie and the others were speechless.

Yang Luo said, “Let’s go and see what they want!” As he spoke, Yang Luo dispersed the Flame Emperor Combat Body and the Divine Dragon Tyrant Body.

He took out an ancient boat and enlarged it by dozens of meters.

Ye Luange and the others boarded the ancient boat.

Big White also shrunk its body and jumped up.

“Let’s go!” Yang Luo waved his hand and steered the ancient boat away from Jiang City.

“What’s going on?

Why did Mr.

Yang leave halfway through the fight?" "Could it be that Mr.

Yang felt that he couldn't win, so he ran away?" "Bullsh*t.

Mr.

Yang knocked down those two gods with two swords.

How can he not defeat them?" "Mr.

Yang just received a call.

He probably has something to do!" "Mr.

Yang and the others are indeed not ordinary people.

A ship they casually took out can fly!" Everyone on the street looked in the direction where Yang Luo and the others had left and exclaimed.

At this moment.

Keos and Tia also rushed into the sky.

Seeing Yang Luo and the others leave on the ancient boat, the two of them were puzzled.

Tia frowned and said, "Why did this kid run away?" Keos said angrily, "Can this kid escape?

I have to fight him today!" As he spoke, Keos' body returned to its original appearance.

He turned into a black stream of light and chased after them.

Without any hesitation, Tia turned into a silver-white stream of light and chased after him.

Even after the two of them flew away.

The people on the street still hadn't recovered from their shock.

If they hadn't seen the destroyed buildings and collapsed streets, they wouldn't have believed that everything they had just seen was real.

At the same time.

In a certain part of the Pacific Ocean.

Holy Imperial Court Headquarters.

Xiang Kunlun, the King of Creation, the Divine Light and Darkness, the Underworld Emperor, the Ice Empress, and the others stood in the square and looked at the two figures in the sky as if they were facing a great enemy.

They were all facing a man and a woman standing in the square.

The man had curly brown hair and a handsome face.

He was wearing dark golden armor and was tall and straight.

The woman had green curly hair and a beautiful face.

She was wearing a green dress and had a graceful figure.

She held a green wooden staff in her hand.

The two of them were energetic and their auras were very strong.

Xiang Kunlun and the others were almost certain that these two were True Gods, or True Immortals.

King of Creation looked at the two of them and asked, "Why are the two of you looking for our Divine Emperor?" Xiang Kunlun frowned and asked, "Could it be that you want to avenge Corbett, Angus, and the others?" The man stood with his hands behind his back and said indifferently, "Let's talk about it after your Divine Emperor comes." Xiang Kunlun and the others were very puzzled, not knowing what the two of them wanted to do.

Although the two of them did not seem to be aggressive, However, they did not dare to let down their guard.

After all, they had some conflicts with the Maya and Atlantean Gods.

Time passed slowly.

Xiang Kunlun and the others were waiting quietly.

They waited for more than an hour.

"Brother Xiang, we're here!" There was a sound in the distance.

Xiang Kunlun and the others looked up at the distant sky.

An ancient boat streaked across the night sky and flew over from afar.

Soon, the ancient boat arrived above the square.

Standing on the ancient boat were Yang Luo, Ye Luangge, and the others.

Xiang Kunlun said, "Brother Yang, you're finally here.

It's these two people who said they wanted to look for you." Yang Luo turned to look at the couple in the sky not far away.

He sensed their auras and was slightly shocked.

He was almost certain that the woman was at the mid-stage True Immortal Realm, and that man's cultivation was even higher.

He was probably at the late-stage True Immortal Realm.

Unexpectedly, the Maya and Atlantean gods had sent true gods over this time, and they were all powerful true gods.

Just as Yang Luo sized up the couple, This couple was also sizing up Yang Luo.

The man narrowed his eyes and said, "I didn't expect a True God to really be born in this world.

It's not simple." The woman said indifferently, "Kid, Angus and the others said that you're very strong.

You killed many gods and demons from the Holy Light Church, the Heavenly Universe Divine Clan, and the Dark Demons.

But you look a little ordinary.

Are you really that strong?" Yang Luo said loudly, "I'm the Lord of the Holy Imperial Court, Yang Luo.

Since the two of you have come to look for me, please tell me your names!" The man said proudly, "I'm a True God of the Mayan race, Istab, the 'Heaven Shaking Battle God'!" The woman said arrogantly, "I'm a True God from Atlantis, the God of Nature, Varna!" Yang Luo asked, "Why are the two of you looking for me?" Istab said, "Kid, not long ago, Corbett and the others wanted to invite you to join our Mayan race, but not only did you not agree, you even injured them.

I'm naturally here today to seek justice from you." "That's right." Varna continued, "You injured our Atlantean gods.

We can't just let it go." Yang Luo's face darkened, "So, you're here to avenge them?" Istab said, "You can understand it that way, but our real goal is to know if you're as strong as they say." Varna also said, "Angus and the others tremble when they talk about you.

Since they're so afraid of you, you should have extraordinary abilities." Yang Luo said, "At the end of the day, you just want to fight me?" "That's right!" Istab and Varna nodded.

Yang Luo raised the sword in his hand and said in a loud voice, "In that case, let's fight!" If he wanted to make these arrogant gods lower their heads, he had to use his strength to speak.

Varna chuckled and said, "Don't say that we're bullying you.

I'll fight you first." As she spoke, Varna took a step forward.

In an instant!

A jade-green divine light soared into the sky from her body and tore through the night sky!

This light was dazzling and contained vitality, making one feel refreshed!

Chapter 1888: Strange Ability!

Editor: Atlas Studios Yang Luo said to Ye Luange and the others, "Go to the square." Ye Luange said, "Little Luo, be careful." "Yes." Yang Luo nodded.

Then, Ye Luange and the others drove the ancient boat and flew to the square.

They planned to observe the situation first.

If Yang Luo was really no match for them, it would not be too late for them to attack.

Yang Luo stood quietly in the sky and stepped down, activating the island-protecting array.

A huge golden barrier enveloped all the small islands.

Then, Yang Luo's body trembled as a golden beam of light surged from his body!

Just as the two of them were about to fight!

"Kid, so you're here!" A powerful voice sounded.

Yang Luo and the others looked up and saw two figures flying over from afar.

It was Keos and Tia.

Soon, the two of them arrived above the square.

"Istab, Varna, it's actually you?!" "What are you doing here?" Keos and Tia looked at Istab and Varna with puzzled expressions.

Istab asked, "Then why are you here?" Keos replied, "We're here on the orders of the Divine Lord to investigate the situation.

"And when we found out that this kid is the number one expert in this world, we wanted to fight him." Istab mocked, "You guys are still as belligerent as before." Keos patted his chest and said, "Our Titan Race was born to fight!

Only by fighting can our cultivation and strength increase and become stronger!

Why?

Are you not convinced?

If you're not convinced, let's fight now!" Istab shook his head and said, "You're not my match.

I'm not interested in you." "Youâ€¦!" Keos was instantly enraged.

He raised his mace and was about to attack.

Tia raised her hand to stop Keos and asked, "Then why are you here?" Istab said, "This kid has some grudges with the Mayan and Atlantean Gods.

We came here today to settle this grudge with this kid." As he spoke, he glanced at the injuries on the two of them and smiled, "Could it be that the injuries on your bodies were caused by this kid?" Keos coughed lightly and said, "So what if he is?

This kid is still very strong!

If you want to fight him, you'd better be careful!" Tia also said, "Don't think that just because your cultivation levels are higher than this kid's, you don't take him seriously.

This kid isn't as simple as you think!" Varna said arrogantly, "Just because you guys can't beat this kid doesn't mean we can't either!" Tia shrugged and said, "Anyway, I've already reminded you.

It's up to you whether you want to listen or not." Soon, Istab, Keos, and Tia retreated a distance.

"Brother Yang, you can do it.

Don't lose to this woman!" "Brother Yang, let these gods know how powerful we are!" Bujie, the Heavenly Sirius, and the others waved their fists and shouted.

"Divine Emperor, all the best!" "The Divine Emperor is undefeated!" The more than 10,000 Holy Imperial Court members who remained at the headquarters raised their arms and cheered for Yang Luo.

Varna waved the wooden staff in her hand!

"Divine Light of Life!" In an instant!

A huge jade-green beam of light whistled out like a long river, illuminating the night.

It tore through the void and shot towards Yang Luo!

Yang Luo was not afraid at all.

He waved the Dragon Emperor Sword in his hand and slashed out heavily!

"Dragon Emperor Sword Technique!" Swoosh!

A huge golden sword crushed the void.

With the Indestructible Sword Intent and a powerful sword might, it slashed at the beam of light!

Rumble!

Accompanied by an earth-shattering explosion!

The beam of light was directly cut into two!

Dazzling light surged out like a wave!

With the Dragon Emperor Sword in hand, Yang Luo knocked away the energy wave and rushed towards Varna!

On the way to Varna!

Yang Luo directly activated the two great physique secret techniques, the “Flame Emperor Combat Body” and the “Divine Dragon Tyrant Body”, causing his combat strength to increase explosively!

After all, he was not only going to deal with Varna, but also Istab!

As well as Keos and Tia, who could attack at any time!

He had to defeat Varna as soon as possible and save his strength to deal with the strongest Istab!

As she saw Yang Luo rushing over!

Varna suddenly waved the wooden staff in her hand!

“Gate of Life!” Seven jade-green doors of light stood tall like seven mountains, blocking in front!

“Break!” Yang Luo let out a wild roar and slashed forward with the Dragon Emperor Sword!

Boom, boom, boom! The seven jade-green doors of light were directly split open by this sword, turning into a rain of light that filled the sky and scattered!

The powerful impact sent Varna flying!

Varna was sent flying dozens of meters away before she could stabilize her body!

A look of surprise appeared on her face!

This kid’s cultivation was clearly lower than hers, but she did not expect him to be able to erupt with such powerful combat strength!

She did not dare to be careless anymore.

She continuously mobilized the energy in her body, and her aura and combat strength increased at the same time!

Then, her eyes widened and a blazing jade-green light flickered in them!

“Eye of Life, Imprisonment!” The void seemed to have begun to distort and deform!

Halfway through, Yang Luo’s body was suddenly imprisoned and he could not move!

“F*ck!

Brother Yang can’t move!” Bujie cried out in shock.

Ning Jianfeng clicked his tongue and said, "Isn't this woman's ability too strange?" Ye Luange, Mo Qingkuang, and the others were also very shocked.

Obviously, they did not expect Varna to be able to imprison Yang Luo in an instant.

The moment Yang Luo was imprisoned!

Varna waved the wooden staff in her hand!

"Divine Light Descends from the Heavens!" "Earth's Fury!" In the sky, jade-green beams of light shot down like pillars of light, wanting to crush Yang Luo!

Below, thick dark green thorny vines whistled up and swept towards Yang Luo!

Boom!

Boom!

Boom!

One attack after another smashed into Yang Luo's body, causing a series of explosions!

Fortunately, Yang Luo had activated the "Flame Emperor Combat Body" and the "Divine Dragon Tyrant Body" in advance and withstood these violent waves of attacks!

After blocking this wave of attacks!

Yang Luo suddenly opened his arms and let out a roar!

"Explode for me!" In an instant!

BOOM!

The void exploded, and the shackles were removed!

He immediately used the Nine Heavens Dragon's Fury!

"Roar, roar, roar!" Nine huge golden dragon illusions roared out of Yang Luo's body and collided in all directions!

Rumble!

The divine light that shot down from the sky shattered the vines and thorns that swept up from below!

However, the moment Yang Luo broke free from the shackles!

Varna waved her wooden staff again!

"Tree of Life!" A tree that was thousands of feet tall stood tall.

It was vast and ancient, emitting a dazzling jade-green light!

Thick vines whistled out of the tree and instantly wrapped around Yang Luo's body and limbs, making him unable to move again!

Yang Luo tried his best but could not break free!

Chapter 1889: The Divine Emperor Won't Lose!

Editor: Atlas Studios Moreover, what shocked Yang Luo even more was that this Tree of Life was actually absorbing his energy!

“Absorb energy, right?

I’ll let you absorb it!

Explode!” Yang Luo roared and instantly erupted with the energy in his body!

Waves of energy spread out like landslides and tsunamis, as if they wanted to destroy everything!

Rumble!

The vines wrapped around Yang Luo instantly exploded, turning into light and energy that splashed out!

Seeing Yang Luo break free continuously, Varna was shocked!

Even Istab’s eyes were filled with surprise!

Keos chuckled and said, “This kid is indeed not simple.

He can actually challenge someone above his level.

Varna is definitely not this kid’s match.” Tia sighed and said, “Ever since the Battle of the Gods back then, the spiritual energy in this world has dissipated and resources have been destroyed.

It has already become a wasteland.

Logically speaking, there shouldn’t be any experts comparable to gods in this world.

I did not expect such experts to be born.

Moreover, these people's cultivation and strength are probably not weak." As she spoke, she glanced at Ye Luange and the others in the square not far away.

Keos chuckled and said, "I'm very interested in this group of people.

If they can join our Titan Race, they will definitely be a great help to us!" Just as the two of them were conversing!

Yang Luo charged at Varna again!

Varna controlled the Tree of Life and attacked Yang Luo!

Thick vines whistled out of the Tree of Life and smashed crazily at Yang Luo!

Countless leaves shot out like blades!

Yang Luo was not afraid at all.

He kept swinging the sword in his hand!

As he swung his sword, Yang Luo also used the layers of killing moves of the Flame Emperor's World Burning Art!

A huge golden fireball collided!

The sea of fire surged and surged up!

The long river of flames poured down!

The huge fire lotus pressed down!

Rumble!

Under these attacks, the Tree of Life could no longer withstand it and directly collapsed and exploded!

“Uhâ€¦!” Varna let out a painful cry and was sent flying.

Blood exploded on her body, and blood splattered.

“Good job, Brother Yang!” “Haha, even gods are not my Brother Yang’s match!” Bujie, the King of Destruction, and the others raised their arms and shouted.

“The Divine Emperor is mighty!” The members of the Holy Imperial Court also raised their arms and shouted.

However, Yang Luo’s attacks did not stop there.

Instead, he continued to attack fiercely!

The three illusions of the Golden Dragon, Vermillion Bird, and Black Tortoise stood up and charged forward!

Varna’s expression changed, and she immediately waved the scepter in her hand!

“All things in the world, the power of nature, protect me!” In an instant!

The power of all things in this world soared into the sky and gathered around Varna, turning into a solid and thick jade-green barrier!

Boom!

Boom!

The golden dragon, Vermillion Bird, and Black Tortoise illusions that were thousands of feet tall collided fiercely against the light barrier, emitting a loud bell sound!

However, what surprised Yang Luo was that this collision did not break through Varna's defense!

The Golden Dragon, Vermillion Bird, and Black Tortoise continued to collide violently!

Yang Luo suddenly waved his left hand!

"Battle Sage Seal!" "Seven Seals as One!" The seven mountainous seals flew out, merging into one and pressing down from above!

Rumble!

The huge seal pressed down heavily, shaking the world!

The light barrier that Varna had condensed could no longer withstand it and cracks appeared!

The defense was about to collapse!

Varna was shocked and furious.

She stepped down from the air and activated her Dharma Idol!

It couldn't be helped.

Yang Luo was too strong, so she had no choice but to get serious!

In a breath's time!

A huge jade-green giant holding a huge staff stood up!

"Annihilate!" Varna swung the wooden staff in her hand with all her might and smashed it out!

The Dharma Idol standing above her waved the huge staff in its hand!

Rumble!

The seal, the golden dragon, the Vermillion Bird, and the Black Tortoise were shattered one after another, turning into energy and light that filled the sky that washed in all directions!

The entire island shook violently, and the surrounding sea seemed to have triggered a huge tsunami, raising huge waves!

After destroying Yang Luo's attack, the huge staff smashed towards Yang Luo himself!

"Cosmic Form!" Yang Luo also stepped down from the air and let out a wild roar!

A golden giant holding a huge sword stood up.

It was domineering and peerless!

Yang Luo gripped the Dragon Emperor Sword tightly with both hands and raised it high!

The Dharma Idol standing above him also raised the Dragon Emperor Sword high!

“Cut!!” With this roar!

Yang Luo and his Dharma Idol slashed out at the same time!

Swoosh!

The two huge golden swords overlapped and transformed into a huge golden sword that was thousands of feet tall.

It tore through the sky and cut through the void as it slashed out angrily!

In a flash!

Rumble!

The huge sword and the huge staff collided fiercely, emitting a shocking sound that shook the world!

In less than a minute! “Arghhhh!” Varna let out a painful cry and was sent flying together with her Dharma Idol!

Along the way! Rumble!

Her Dharma Idol exploded in the sky!

As for her, a trace of blood seeped out of the corner of her mouth!

“Good, good job!” “Brother Yang’s strength has increased a lot again!” “Of course.

After the baptism of the battle, Brother Yang’s strength has long surpassed back then!” Xiang Kunlun, Mo Qingkuang, and the others waved their fists and shouted excitedly.

The members of the Holy Imperial Court were also cheering excitedly.

“Haha, Varna, just rest.

Let us do it!” Keos laughed loudly, and his body instantly expanded by more than a hundred meters.

Holding his mace, he charged at Yang Luo!

Tia’s body expanded by a hundred meters.

With the spear in hand, it also rushed towards Yang Luo!

“Oh my god, these two people can actually become so big?!” “The abilities of these gods are too strange.

They’re simply terrifying!” “Hmph, so what if they become bigger?

Our Divine Emperor will not lose to them!” The members of the Holy Imperial Court exclaimed, still believing in Yang Luo.

Because Yang Luo was forever worthy of their trust!

At this moment, only Istab did not make a move.

He stared intently at Yang Luo, his eyes filled with shock.

Although Corbett and Cecil had always told him that Yang Luo was very powerful and had the strength to kill a True God, However, he actually did not believe it at all.

He felt that the two of them were exaggerating Yang Luo's strength.

However, after witnessing it with his own eyes, he completely believed it.

This also made the blood in his body burn involuntarily, and a wisp of battle intent appeared in his eyes.

Only such an expert was worthy of him taking action.

However, he had his own pride and had never thought of joining forces with Keos and Tia to deal with Yang Luo.

At this moment.

Keos and Tia rushed over!

Without any hesitation, Yang Luo slashed out another destructive strike with his Dharma Idol!

Swoosh!

The huge golden sword that was thousands of feet long cut through the sky, stirring the wind and clouds as it slashed at the two of them!

In the battle not long ago, he had encountered even more difficult situations!

Therefore, even if he had to fight an early-stage True Immortal and a mid-stage True Immortal now, he was not afraid!

Chapter 1890: Battle God Descends!

Editor: Atlas Studios “Good timing!” Keos was very excited.

He swung his huge mace and smashed it out!

Meanwhile, Tia swung her huge spear and swept out!

The two of them were too huge.

As they moved, the world trembled!

In an instant!

Rumble!

The gigantic sword, staff, and spear collided fiercely with a deafening sound that shook the surroundings!

The Divine Emperor Island and the surrounding small islands trembled violently, as if it had caused a huge earthquake!

The sea was also surging with huge waves!

Under this terrifying confrontation!

Keos and Tia were forced back!

Dang, dang, dang!

With every step they took, the void shattered inch by inch!

Although Yang Luo was also forced back a few steps, he quickly stabilized his body!

He held the Dragon Emperor Sword and led his Dharma Idol to charge forward again!

Keos and Tia did not hesitate and immediately waved their hands!

“Dark Lightning Destruction!” “Radiant Divine Tablet!” Bolts of black lightning tore through the night sky and struck down heavily!

Immortal silver-white divine monuments pressed down one after another!

Facing the fierce attacks of the two of them, Yang Luo’s body trembled, and the power of the nine attributes in his body instantly erupted!

Nine energy rainbows soared into the sky from his body and collided with the furious black lightning and the silver-white divine monument!

At that moment, Yang Luo was like an ancient war immortal who had descended to the world.

His black hair fluttered and his clothes fluttered.

He was peerless!

Rumble!

The nine rays of light seemed to be able to destroy everything.

They destroyed the violent lightning and the divine tablet immediately!

Then, Yang Luo and his Dharma Idol took a step forward at the same time and rushed towards Keos and Tia again!

Flames burned on his body and purple dragons surged.

He was peerlessly domineering!

Seeing Yang Luo charging over!

Keos and Tia attacked again!

“Dark Storm!” “Divine Sea of Light!” Hu!

Hu!

Hu!

Hu!

Whoosh!

Whoosh!

Dark storms thousands of feet tall swept up, shattering the sky, tearing apart the sea of clouds, and crashing towards Yang Luo!

A silver-white sea of light gathered and surged towards Yang Luo!

Yang Luo did not dodge or retreat.

He flipped his right hand and slashed out!

He clenched his left fist and punched out!

The two killer moves, the Dragon Emperor Sword Technique and the Nirvana Dragon Fist, were used at the same time!

His Dharma Idol also waved his sword with his right hand and punched with his left hand, pushing forward!

Rumble rumble rumble!

This huge golden sword slashed through the sky!

This huge golden fist pierced through the void!

Tens of thousands of huge golden dragon illusions roared out!

In an instant!

Rumble!

The dark storm that crushed over and the silver-white sea of light that surged over were all destroyed, exploding into huge waves of light that spread out!

At this moment.

In the distant sky.

Istab and Varna stood there and watched the battle, their eyes filled with shock.

“Varna, what do you think of this kid’s strength?” Istab asked.

“Very strong.” Varna added, “If I fight him alone to the end, I’m afraid I’ll be the one to die in the end.”
“Is that so?” Istab narrowed his eyes, “It seems that Corbett and the others weren’t exaggerating.

This kid is really strong.

He’s even stronger than the rumors.” Varna nodded, “This person can cultivate to the True God realm by himself.

His talent, comprehension, and potential are probably terrifyingly high.” “Yes.” Istab nodded.

At this moment.

Yang Luo swung his sword and fist, and the golden dragon illusion that roared out broke through the waves of light and continued to sweep towards Keos and Tia!

The two of them were shocked and did not dare to be careless.

They directly activated their Dharma Idol!

A black giant similar to Keos stood up with a huge stick in its hand!

A silver-white giant similar to Tia stood up with a huge spear in its hand!

Furthermore, their Dharma Idols were thousands of feet tall and much larger than their main bodies!

The entire island seemed to be filled with people, deeply shocking everyone watching the battle below!

Then, Keos and Tia swung the giant soldiers in their hands at the same time and smashed them out!

Their Dharma Idols also swung out huge weapons and smashed out!

It was as if four giant gods were attacking Yang Luo at the same time!

Rumble!

The tens of thousands of golden dragon illusions that roared over were all destroyed!

The energy and light produced by the explosion intertwined and surged out crazily!

A hole was created in the sky!

Below, the mountain-protecting array was also trembling violently!

The island shook even more violently, and everyone on the island could not stand steadily!

Under this terrifying explosion!

Keos, Tia, and their Dharma Idols were sent flying at the same time!

Meanwhile, Yang Luo and his Dharma Idol were also sent flying!

There were also many bloody wounds on his body, and blood splattered in the air!

But soon, Yang Luo stabilized himself and led his Dharma Idol to continue charging at Keos and Tia!

Keos and Tia also led their Dharma Idol and charged forward!

Rumble! The three Dharma Idols collided first, emitting an earth-shattering sound!

Keos and Tia also quickly waved the giant soldiers in their hands, sweeping up gusts of astral winds that swept towards Yang Luo!

But Yang Luo remained fearless and did not dodge or retreat.

He waved the sword in his hand and faced the attack!

Clang!

Clang!

The gigantic sword, staff, and spear collided intensely again with a deafening sound that spread in all directions!

Flames shot out in all directions, Thunder flickered, and energy surged.

It was incomparably spectacular!

After this violent collision!

Keos and Tia let out a muffled groan and were sent flying!

Keos was sent flying a hundred meters away before he stabilized himself!

Tia flew more than a hundred meters away before stabilizing herself!

Yang Luo was also forced back a distance!

It had to be said that the Titan Race's physical body and strength were really domineering!

If he did not have rich combat experience and powerful immortal techniques, he would have been defeated by the two of them long ago!

"Haha, this is awesome!

Let's continue to fight!" Although Keos was already injured, his fighting spirit was still high.

With a huge stick in his hand, he rushed over like a mountain!

"Fight!" Yang Luo also shouted and charged forward!

In an instant!

The two of them closed the distance again!

Keos gripped the huge stick with both hands and condensed violent black lightning that smashed towards Yang Luo!

Yang Luo gripped the Dragon Emperor Sword tightly with both hands and slashed out with all his might!

Clang! The huge staff and the huge sword collided again, causing the world to tremble and the surroundings to shake!

Sword intent, lightning, and energy engaged in a terrifying battle.

It was incomparably terrifying!

It was also when Yang Luo was fighting Keos!

Tia rushed into the sky and waved the huge spear in her hand, pressing down on Yang Luo!

The huge spear collapsed like a building, wrapped in blazing divine light and burning with silver-white flames, as if it wanted to destroy everything!

However, Yang Luo did not panic at all.

His entire body trembled!

The dual defenses of the Xuanming Divine Fortress and Inextinguishable Flame Dipper were activated!

A blue-gold ice barrier and a golden-red fire barrier enveloped Yang Luo at the same time!
