

Super IDG 1911

Chapter 1911: Investigate This At All Costs!

At the same time Soul Devourer Sect's territory.

132 tall mountains towered into the clouds.

Ancient grayish-black halls sat on the top of the mountain.

Arrays were set up in the forest, imprisoning a large number of souls.

Some of them were souls of humans, there were also beast souls.

These souls were captured by the disciples of the Soul Devouring Sect from the outside.

Their goal was to allow the sect master, elders, and Protectors to cultivate, refine pills, and refine weapons.

It was precisely because of this The entire Soul Devourer Sect's territory was filled with a murderous aura.

Wild shrieks and howls resounded non-stop, sounding sinister and terrifying.

At this moment.

In the main hall of the main peak.

Sect Master Ling Tianhun, a few elders, and Protectors were discussing matters of the sect.

But at this point “Sect Master, I have something to report!” A disciple ran in from outside in a panic.

Ling Tianhun frowned and asked, “What’s the matter?” The disciple bowed and said with a trembling voice, “Sect Master Elder Pei is dead!” As soon as he finished speaking The entire hall fell silent.

In the next second Ling Tianhun flashed over and appeared in front of this disciple.

He stared at the entire disciple and said coldly, “Are you talking about Elder Pei Zhanhun?” The few elders and Protectors also turned to stare at this disciple.

“That’s right!” The disciple broke out in cold sweat and nodded.

“Bullshit!” Ling Tianhun let out a deafening roar.

A terrifying wave of air erupted from his body, sending this disciple flying.

This disciple clutched his chest and knelt on the ground.

He said in fear, “Sect Master, I’m telling the truth!

Earlier, Elder Pei’s wooden token that was enshrined in the Soul Devouring Hall shattered!” Hearing this Ling Tianhun, the elders, and Protectors’ expressions darkened.

“Brother Pei is a True Immortal and has long stepped into the middle-stage True Immortal Realm.

How could he die?!” “How can ordinary people kill Brother Pei?!

Even if he encountered another mid-stage True Immortal expert, it’s impossible for Brother Pei to die!”
“Is Brother Pei really dead?

How is this possible?!” The elders and Protectors were stunned and could not believe what this disciple said.

Ling Tianhun immediately said, “Elders and Protectors, let’s go to the Soul Devouring Hall to take a look!” “Alright!” Everyone immediately chorused out.

Then, Ling Tianhun and the others walked out of the hall and soared into the sky, flying to the back mountain.

Soon, Ling Tianhun and the others arrived at the Soul Devouring Hall at the back of the mountain.

At this moment.

There were many disciples surrounding the entrance of the Soul Devouring Hall.

When they saw Ling Tianhun and the others arrive, The disciples bowed one after another.

“Greetings, Sect Master, Elders, and Protectors!” Ling Tianhun and the others did not speak.

Instead, they hurriedly walked into the hall.

After stepping into the hall, they looked up at the enshrined table.

One of the wooden tablets with the words “Battle Soul True Lord – Pei Zhanhun” on it had already shattered.

Seeing this, Ling Tianhun and the others trembled and their faces turned ashen.

They did not believe it just now.

However, now that they saw Pei Zhanhun's wooden sign shatter, they had no choice but to believe it.

An elder hissed, "How did Brother Pei die?

Was he really killed by someone?" "If Brother Pei was really killed by someone, who could it be?!" "Who dares to provoke our Soul Devourer Sect?!" The other elders and Protectors were also puzzled.

Ling Tianhun took a deep breath and said in a trembling voice, "No matter what, we have to investigate this matter at all costs!

If Elder Pei was really killed by someone, we have to find that person and kill him even if we have to turn the entire Kunlun Ruins over!" "How dare you provoke our Soul Devourer Sect?

You're really tired of living!" "As long as you find out, kill without mercy!" A few elders and Protectors roared angrily as well.

Not long after.

Grayish-black ancient boats flew out of the Soul Devourer Sect one after another.

The ancient boats were filled with disciples of the Soul Devourer Sect.

There were also many disciples who flew out of the Soul Devourer Sect on various mounts.

On the other side East Continent.

Heavenly Dragon City.

As one of the famous ancient cities in the East Continent, although the scale of Heavenly Dragon City was not as big as Azure Dragon City, it was still very prosperous and lively.

At this moment.

Jade Dragon Restaurant.

The entire third floor was booked.

Various delicacies and fine wines were placed on the tables.

Yang Luo and the others were drinking and chatting.

At this moment.

Lu Yuanlong raised his glass and stood up.

He said loudly, "Brother Yang, I've offended you today.

I'll punish myself with a glass!" "Brother Yang, I'm sorry.

We were simply extremely stupid to actually challenge Brother Yang.

I'll punish myself with a cup!" "Brother Yang, I'm sorry.

I shouldn't have slandered you and criticized you.

I really know my mistake!" "Brother Yang, I hope you can forgive our recklessness.

We apologize to you!" Ling Yanzhan, Li Yunxuan, Han Feng, and the others raised their glasses and stood up.

Everyone downed their glasses at the same time.

Yang Luo also finished his glass of wine and smiled, "Brothers, you're still young.

It's normal for you to have your own arrogance.

It is fine to be arrogant, but one should not be arrogant and think that they are the strongest.

You guys bumped into me today, so I won't hold it against you.

If you encounter a ruthless person, you will be in danger.

After all, there's always someone better in this world.

No one can guarantee that they're the strongest." "Brother Yang, we've learned something!" Lu Yuanlong and the others bowed deeply to Yang Luo.

Bujie took a sip of wine and said, "Brothers, it's not that I want to criticize you.

But you guys are really too stupid.

You didn't even figure out my Brother Yang's strength before challenging him.

Moreover, you even attracted so many people to watch.

Not only did you lose, but you also lost face.

It's not worth it." Lu Yuanlong sighed and said, "Brother, you're right.

We're indeed too stupid." As he spoke, Lu Yuanlong said to Yang Luo, "Brother Yang, we know Brother Ji and the others.

However, we've never seen the other brothers before.

Brother Yang, please introduce them." Yang Luo nodded and introduced Bujie, Xiang Kunlun, and the others.

After hearing the introductions Lu Yuanlong chuckled and said, "Brothers, I suggest that we have a drink together!" "Alright!" "Come, come, come.

Cheers!" "Cheers!" Everyone raised their glasses and finished their wine.

After drinking Lu Yuanlong asked, "Brother Yang, you're so powerful, and you've stepped into the True Immortal Realm at such a young age.

May I ask which sect you're from?" Ling Yanzhan and the others also looked at Yang Luo curiously.

Yang Luo shook his head and said, "I don't belong to any sect.

I'm just an itinerant cultivator.

It's only because of Master's guidance that the path of cultivation is slightly smoother." "You don't belong to any sect?!" "Brother Yang, you're actually a rogue cultivator?!" "Oh my god, without the support of the sect's cultivation resources, he can step into the True Immortal Realm by himself.

He's too powerful!" "I'm afraid Brother Yang's master is an expert from the Kunlun Ruins.

He's at least an immortal at the Heavenly Immortal realm!" Lu Yuanlong and the others exclaimed one after another.

They looked at Yang Luo as if they were looking at a god.

Tantai Puti smiled and said, "Let me tell you another secret.

Brother Yang isn't from the Kunlun Ruins!"

Chapter 1912: Help!

"Ah?!

Brother Yang isn't from the Kunlun Ruins?!" "Could it be someone from the Penglai Immortal Island?!"
"Is the Penglai Immortal Island so powerful now?

It actually has a peerless genius like Brother Yang?!" Lu Yuanlong and the others were shocked.

Ji Longyue played with his wine glass and said, "Brother Yang is not from the Kunlun Ruins or the Penglai Immortal Island.

He's from the secular world." As soon as these words were spoken.

Lu Yuanlong and the others were dumbfounded, their eyes filled with disbelief.

"Brother Ji, is what you said true?!" Lu Yuanlong couldn't believe it at all, "Although I've never been to the secular world, I heard about things from Father and the elders.

The spiritual energy in the secular world is scarce, and cultivation resources are pitifully scarce.

The people there are all ordinary.

Not to mention becoming a True Immortal, it was even difficult for them to become an Earth Immortal.

How can someone like Brother Yang come from the secular world?" Ling Yanzhan and the others could not believe this fact either.

Baili Wushuang shrugged and said, "Whether you believe it or not, it's true.

Brother Yang is indeed from the secular world, but he had come to cultivate in the Kunlun Ruins." Yi Hengyu also said, "The spiritual energy in the secular world is indeed very scarce, and there are pitifully few cultivation resources.

However, Earth Immortals have also been born in the mortal world, and there were even True Immortals.

It's just that because of the environment, there are far fewer Earth Immortals and True Immortals in the mortal world than in our Kunlun Ruins." Hearing what Ji Longyue and the others said, Lu Yuanlong and the others had no choice but to believe it.

"Brother Yang, I'm completely convinced.

It's really embarrassing for us to be able to treat a genius like you in the secular world!" "How talented and perceptive is Brother Yang to be able to rise in such a harsh environment in the secular world?!" Lu Yuanlong and the others gave Yang Luo a thumbs up.

Yang Luo smiled faintly and said, "Brothers, for us cultivators, Talent and comprehension are very important, and so is the environment.

However, if one's talent and comprehension is not that good and the environment is bad, then they can only rely on their own efforts.

Sometimes, hard work can make up for some shortcomings." Lu Yuanlong nodded and said, "By the way, Brother Yang, what are your plans next?

Why don't you come to our Azure Dragon Hall as a guest?" "Brother Yang, let's go to our Spirit Sword Sect!" "He should go to our Violet Ember Sect!" "Let's go to our Rosy Dawn Sect.

When the time comes, we'll have enough spirit stones, pills, and medicinal herbs!" Everyone fought to be the first to invite Yang Luo as a guest.

Yang Luo waved his hand and said, "Brothers, I appreciate your kindness.

This time, I came to the Kunlun Ruins to do something important.

Next, I plan to go to the Supreme Sect and train in the various mystic realms" Since they were friends, Yang Luo did not hide anything and told Lu Yuanlong and the others his plan to come to the Kunlun Ruins this time.

After hearing Yang Luo's words, Lu Yuanlong sighed, "Brother Yang, you're already so strong, but you're still so hardworking.

We're ashamed of our inferiority!" Ling Yanzhan said, "Although we're all paragons of our respective sects and are quite famous in the Kunlun Ruins However, if we don't work hard, we won't achieve much in the future." Shen Youyue waved her fist and said, "I've decided.

I'll cultivate harder in the future and catch up to Brother Yang!" Han Feng said, "Brother Yang, when do you plan to go to the Penglai Immortal Island?" Yang Luo said, "We'll go after the training ends.

The exact time hasn't been set yet." Han Feng patted his chest and said, "Brother Yang, you must inform me when you go to the Penglai Immortal Island in the future.

I'll definitely help!" Lu Yuanlong also slammed the table and said, "That's right, Brother Yang, your enemy is our enemy!

Brother Yang, I want to help too!" "I want to go too!" "There's still me!" "Count me in!" Cheng Fengyi, Wei Yingjie, and the others also spoke up.

Yang Luo thought for a moment and said with a smile, "Alright, we'll go together then!

If you want to become stronger, other than cultivating, you have to experience some actual combat!

This will be very helpful to your cultivation and strength!" "Yes!" Lu Yuanlong and the others nodded heavily.

"By the way, Brother Yang, you killed the two elders of the Soul Devourer Sect and the Evil King Sect, Pei Zhanhun and Yan Moxie, today!

Once these two sects find out, they probably won't let you off.

You have to be careful!" "That's right, Brother Yang.

You have to be careful.

If you need help later, feel free to say it!" Lu Yuanlong and the others thought of what happened today and reminded Yang Luo.

Yang Luo's eyes turned cold as he said, "Everyone, don't worry.

If the Soul Devourer Sect and the Diablo Sect find trouble with me, I'm not afraid of them!

One day, I will completely flatten these sects!" Tantai Puti also snorted, "If they dare to touch my Brother Yang, my Vermillion Bird family will be the first to disagree!" "My Black Tortoise Family won't agree either!" "It's the same for me!" Yi Hengyu, Mo Qingkuang, and the others also spoke up.

Yang Luo smiled and said, "I have you brothers.

Why should I be afraid of anyone?" "Well said!" "Brothers should look out for each other and help each other!" "We have so many people and so many families and sects.

What's there to be afraid of?!" "If they dare to provoke us, we'll sweep them away!" Everyone was agitated and hot-blooded.

They wished they could sweep through the Soul Devourer Sect and Diablo Sect now.

Yang Luo raised his glass and said, "Alright, brothers, let's continue drinking!" "Let's drink!" Everyone raised their glasses.

In the time that followed Everyone continued to drink and chat, getting along well.

Their drinks lasted until the afternoon.

After Yang Luo, Mo Qingkuang, and the others bade farewell to Lu Yuanlong and the others, they boarded the ancient boat and flew away from Tianlong City.

They watched the ancient boat disappear far away.

Then Lu Yuanlong and the others retracted their gazes.

Lu Yuanlong said, "Brothers, Brother Yang is advancing towards becoming stronger!

We have to work harder to cultivate!

Only when we become stronger can we help Brother Yang more in the future!" "Of course!" "We must become stronger!" "The next time we meet, Brother Yang will definitely become stronger.

We can't fall behind too much!" The gazes of Ling Yanzhan and the others were very firm.

After Yang Luo and the others left Heavenly Dragon City, they flew towards the Central Continent.

On the way.

Bujie said, "Brother Yang, are we in such a hurry?"

Why don't we rest in Heavenly Dragon City for a night?" Yang Luo said, "We've already delayed for a day.

Let's hurry to the Supreme Sect.

After going to the Supreme Sect, we have to discuss the training and confirm the time to go to the Penglai Immortal Island." "Alright." Bujie nodded.

Everyone chatted as they continued on their way.

Evening soon came.

Yang Luo and the others finally arrived at the Return Ruin Sea that led to the Central Continent.

When he came to this sea area again, Yang Luo also thought of what happened the first time he came to the Kunlun Ruins.

At that time, he had befriended the alliance leaders of the Immortal Sea Alliance, the Tyrannical Sea Alliance, and the Heavenly Sea Alliance.

But at this point Yang Luo felt the communication jade talisman in his arms vibrate.

He hurriedly took out the communication jade talisman and injected his True Qi.

"Brother Yang, where are you?"

Please save us!" An anxious voice sounded.

Chapter 1913: Surrender is Your Only Choice!

Yang Luo was stunned and asked in confusion, "Is it Brother Li?" He felt that this voice was very familiar.

It was clearly the voice of the Alliance Master of the Immortal Sea Alliance, Li Kuangdao.

Mo Qingkuang, Bujie, and the others also turned to look.

"Brother Yang?!"

Is it really you?!" Li Kuangdao's surprised voice sounded.

"It's me." Yang Luo replied and asked, "Brother Li, what's wrong?"

What happened?" Li Kuangdao hurriedly said, "Not long ago, the Dragon Python Sect led people to attack our Immortal Sea Alliance.

We fought with them!

Now, Brother Guan and Brother Luo have already brought people to help!

However, the Dragon Python Sect has too many people and many experts.

I'm afraid we won't be able to hold on for long!

I originally wanted to ask the Azure Dragon Hall for help, but because we had a conflict with the Azure Dragon Hall previously, they were unwilling to send people to save us!

I really don't know who to ask for help from.

I can only contact you, Brother Yang!" Yang Luo's face darkened and he hurriedly asked, "Where are you now?" "We're on Consoling Immortal Island!" "Alright, I'll be right there!" With that, he disconnected the communication.

Mo Qingkuang frowned and said, "Brother Yang, are Brother Li and the others in danger?" "That's right!" Yang Luo nodded and said, "That's why we have to rush over to help!" Bujie said, "Then what are we waiting for?"

Let's hurry over!

We are brothers with Brother Li and the others.

Now that they are asking us for help, we can't leave them in the lurch!" Yang Luo asked Mo Qingkuang, "Brother Mo, where is this Consoling Immortal Island?" Mo Qingkuang said, "Consoling Immortal Island is at the Western Sea.

It's the headquarters of the Immortal Sea Alliance.

I know where it is!" Yang Luo nodded and said, "Alright, Brother Mo, lead the way!" Mo Qingkuang nodded and controlled the ancient boat to fly towards Consoling Immortal Island.

On the way.

Yang Luo asked Mo Qingkuang, "Brother Li mentioned the Dragon Python Sect just now.

What's the background of this Dragon Python Sect?" Mo Qingkuang replied, "The headquarters of the Dragon Python Sect is also in the Western Sea.

It's a large sect in the Kunlun Ruins.

Although there's no Heavenly Immortal guarding it, it's said that there's a perfected True Immortal guarding it!

It can be said that the Dragon Python Sect is the overlord of the Return Ruin Sea!" Ji Longyue added, "It's said that the cult master and many elders of the Dragon Python Sect inherited the bloodline of the ancient beast, the Dragon Python.

They possess powerful bloodline power and many powerful divine powers!

This Dragon Python Sect had always been ambitious and wanted to monopolize the Return Ruin Sea!

And the Immortal Sea Alliance, the Tyrannical Sea Alliance, and the Heavenly Sea Alliance are their stumbling blocks!" "I see." Yang Luo nodded and continued, "If the Dragon Python Sect has a perfected True Immortal guarding it, it will probably be difficult for us to resist them alone!

"Brother Mo, quickly contact the elders of the Supreme Sect and get them to rush over to help as soon as possible!" "Alright!" Mo Qingkuang responded and took out his communication jade talisman to contact the Supreme Sect.

Ji Longyue said, "Then I'll also contact our Azure Dragon Family and ask our family to send a few True Immortal elders to help!" Yang Luo cupped his hands and said, "Brother Ji, thank you!" "We're all brothers.

There's no need to thank me!" Ji Longyue waved his hand and took out his communication jade talisman to contact the Azure Dragon Clan.

Bujie asked Yang Luo curiously, "Brother Yang, what kind of mutated beast is this Dragon Python?" Xu Ying and the others also turned to look at Yang Luo.

They did not know much about exotic beasts like the Dragon Python.

Yang Luo explained, "Dragon Pythons are a type of mutated beast born after combining the bloodlines of an ancient True Dragon and an ancient python.

This kind of mutated beast is ferocious by nature.

Not only does it have a portion of the dragon's abilities, but it also possesses a portion of the python's abilities.

Of course, this kind of mutated beast naturally can't compare to those ancient divine beasts with pure bloodlines." "Oh" Everyone nodded in realization.

Bujie took out the Dragon-Mark Buddhist Staff and shouted, "This Dragon Python Sect actually dares to bully us brothers.

They simply have a death wish!" At the same time.

Return Ruin Sea.

West Ocean, in a certain sea area.

There was a small island here called Consoling Immortal Island.

Mountains and rivers rose and fell on the island.

Green trees and rivers flowed, and there were many palaces and pavilions.

It was like a paradise.

Consoling Immortal Island was the headquarters of the Immortal Sea Alliance.

At this moment.

A huge battle was underway on Consoling Immortal Island.

There were many large ancient boats docked on the shore of the island.

There were also many large ancient boats parked in the sky.

More than 30,000 disciples of the Immortal Sea Alliance, the Tyrannical Sea Alliance, and the Heavenly Sea Alliance were fighting fiercely with more than 50,000 disciples of the Dragon Python Sect.

Other than the disciples, there were also many mutated beasts fighting on the ground and in the sky.

There were also many Earth Immortals and True Immortals fighting in the sky.

Dong, dong, dong Boom, boom, boom The sound of clashing and explosions resounded non-stop!

A large amount of light and energy exploded in the sky.

It was incomparably terrifying!

This battle had already lasted for four hours!

Many people from both sides died in battle with the mutated beasts!

There were corpses everywhere on the sea and island.

Blood flowed like rivers, and it was a shocking sight!

At this moment.

In a distant sea.

The three alliance leaders of the Immortal Sea Alliance, the Tyrannical Sea Alliance, and the Heavenly Sea Alliance, Li Kuangdao, Guan Hailong, and Luo Yunzheng, were fighting a middle-aged man!

This middle-aged man was majestic and tall.

He wore a black dragon python robe and held a black halberd.

His aura was strong and domineering!

This middle-aged man was the Sect Master of the Dragon Python Sect, Ao Mingfeng.

His cultivation was at the late-stage Earth Immortal Realm!

Rumble!

Accompanied by the sound of thunderclaps!

Li Kuangdao and the others were sent flying at the same time!

The three of them spat out blood and flew a hundred meters away before stabilizing themselves!

After a long battle, their bodies were already covered in wounds and blood dyed their clothes red!

It couldn't be helped.

The three of them weren't very talented and were only at the mid-stage Earth Immortal realm.

Therefore, it was difficult for them to compete with Ao Mingfeng!

If not for the three of them joining forces, they might not have been able to last until now!

Although Ao Mingfeng had a few bloody wounds on his body, his injuries were not very serious!

He looked at the three of them mockingly and said, "Li Kuangdao, Guan Hailong, Luo Yunzheng, you're not my match at all!

If you continue to fight, you will definitely die!

Hurry up and lead your Immortal Sea Alliance, Tyrannical Sea Alliance, and Heavenly Sea Alliance to surrender.

This is your only choice!" "Ao Mingfeng, shut up!" Li Kuangdao roared, "We won't surrender to you.

You'd better give up!" Ao Mingfeng said viciously, "Are you sure you don't want to surrender?" "Even if we die in battle, we will never surrender!" "Cut the crap.

If you want to fight, fight!" "Even if we have to give it our all, we will fight you to the death!" Li Kuangdao, Guan Hailong, and Luo Yunzheng roared and charged at Ao Mingfeng with weapons in their hands!

As they rushed forward!

The three of them activated their Dharma Idols!

The three giants stood up and charged forward together!

Killing intent flickered in Ao Mingfeng's eyes, "Since you have a death wish, I'll fulfill your wish!" As he spoke, his body trembled and he activated his Dharma Idol as well!

A black giant holding a halberd stood up!

"Kill!" He roared and led his Dharma Idol to charge forward!

An even more terrifying battle erupted again

Chapter 1914: Critical Situation!

In an instant!

Rumble!

The four Dharma Idols collided in the sky like mountains colliding with a heaven-shaking commotion!

After this collision!

The Dharma Idols of Li Kuangdao and the other two were sent flying at the same time!

Ao Mingfeng's Dharma Idol was also forced back a distance!

But before long, the four Dharma Idols stabilized their bodies and continued to charge forward, fighting!

It was also during the battle of Dharma Idols!

Li Kuangdao, Guan Hailong, and Luo Yunzheng also attacked Ao Mingfeng!

“Wave Breaking Saber Technique!” Li Kuangdao waved the saber in his hand and slashed out heavily!

Swoosh!

A purple-black saber shook the void and slashed at Ao Mingfeng with domineering saber intent!

Huge waves surged up from the sea!

“Dragon Battleaxe!” Guan Hailong waved the huge axe in his hand and slashed out angrily!

Swoosh!

A black-gray axe tore through the sky, as if it wanted to split everything apart!

A huge black and gray flood dragon illusion also roared and crashed into Ao Mingfeng!

“Chaotic Divine Hammer!” Luo Yunzheng waved the giant hammer in his hand and smashed it out!

With a smash of the hammer, streaks of dark blue lightning struck Ao Mingfeng!

“Petty tricks!” Ao Mingfeng sneered and waved the halberd in his hand!

“Dragon Python Sky Splitting Halberd!” A huge black halberd tore through the void and swept out!

Streaks of black flames and black lightning struck at the same time!

In an instant!

Rumble!

Rumble!

A series of earth-shattering collisions and explosions resounded in all directions!

All kinds of energy and light intertwined, turning into a huge ball of energy that spread out and surged in all directions!

The sea surged and thousands of huge waves blew up!

Ao Mingfeng was already at the late-stage Earth Immortal realm.

Coupled with the enhancement of his bloodline power, the combat strength he erupted with was even stronger!

Li Kuangdao, Guan Hailong, and Luo Yunzheng could not resist at all!

“Ahhh” The three of them cried out in pain and were sent flying at the same time!

Just as the three of them were sent flying!

Ao Mingfeng took a step forward and swung his halberd nine times!

Swoosh!

Swoosh!

Swoosh!

The nine black halberds pressed down on Li Kuangdao and the other two like nine mountains!

Li Kuangdao and the other two were shocked.

They condensed their True Qi barriers at the same time and raised the weapons in their hands to block!

In the blink of an eye!

Rumble!

The nine giant halberds pressed down at the same time, emitting rumbling thunder!

Li Kuangdao and the other two were still unable to withstand it.

They fell from the sky, blood splattering everywhere as they fell into the sea!

“Hahaha” Ao Mingfeng threw his head back and laughed.

He said loudly, “I’ve already said that you’re not my match!

Death is your final resting place!” Right at this moment!

Huge waves hundreds of feet tall soared into the sky from the sea!

Tornadoes also swept out from the sea!

Bolts of lightning that were hundreds of feet long also struck out angrily!

Accompanied by huge waves, tornadoes, and lightning!

Li Kuangdao, Guan Hailong, and Luo Yunzheng also rushed out of the sea with heavily injured bodies!

“You still dare to resist?

You have a death wish!” Ao Mingfeng’s gaze turned ruthless.

He waved his hand and let out a deafening roar!

“Dragon Python Form!” In an instant!

A 300-meter-long illusion condensed and covered the sky!

The illusion looked like a dragon or a python.

Its body was huge and it had huge horns on its head.

It had four claws and scales like blades.

It was majestic and domineering!

It looked like the descent of a true ancient beast, the Dragon Python!

“Go!” Ao Mingfeng raised the halberd in his hand and pointed forward!

“ROAR!” The Dragon Python let out a roar and moved its body, stirring the wind and clouds as it collided with the huge waves, tornadoes, and lightning!

In an instant!

Rumble!

In a shocking collision!

The huge waves, tornadoes, and lightning that rushed over instantly collapsed and exploded!

The energy and light that erupted were like fireworks blooming on the sea, dazzling with endless destructive power!

After shattering the huge waves, tornadoes, and lightning, the Dragon Python let out a deafening roar and continued to charge at Li Kuangdao and the other two!

“Counterattack!” Li Kuangdao shouted in shock.

He waved the long saber in his hand and launched a fierce attack!

Guan Hailong and Luo Yunzheng also launched a fierce attack!

However, no matter how ferocious their attacks were, they were all destroyed by the Dragon Python!

Li Kuangdao and the other two were also knocked back repeatedly, their flesh and blood flying everywhere.

It was very tragic!

“Brother Li, what should we do now?”

We're no match for this guy at all!" Guan Hailong asked anxiously.

Li Kuangdao gritted his teeth and replied, "Let's hold on for a while longer.

I've already contacted Brother Yang to help!" "Brother Yang!" Guan Hailong was stunned for a moment, "Are you talking about Yang Luo?" "That's right!" Li Kuangdao nodded.

Luo Yunzheng asked in confusion, "Didn't Brother Yang disappear for the past few months?

Why did he appear again?" Li Kuangdao said, "I'm not too sure either.

I just tried to contact him just now, but I didn't expect to be able to contact him!

Brother Yang said that he would rush over immediately!" Guan Hailong sighed and said, "Although Brother Yang is powerful and has already stepped into the Perfected Earth Immortal Realm a few months ago, he can't save us!" Luo Yunzheng also said, "That's right.

This Dragon Python Sect has True Immortal experts.

If Brother Yang comes, won't it be very dangerous?

Brother Li, quickly contact Brother Yang and tell him not to come over!

We can't let Brother Yang sacrifice his life for us for nothing!" Li Kuangdao smiled bitterly and said, "I was only focused on asking for help just now.

I didn't expect this.

However, it was not as if you don't not know Brother Yang's character.

Brother Yang is a loyal person.

For the sake of his friend, he would help at all costs.

Even if I didn't let him come now, he would definitely come.

Hopefully, Brother Yang can bring more helpers along.

If there's really danger at that time, we have to protect Brother Yang with our lives." "That's the only way!" Guan Hailong and Luo Yunzheng sighed and nodded.

Just as the three of them were conversing!

Ao Mingfeng led the Dragon Python and charged towards the three of them!

"Let's fight it out with him!" Li Kuangdao roared and charged forward with his saber!

Guan Hailong and Luo Yunzheng also charged forward!

Just as the battle was going on In the sky above the small island in the distance.

The ten Earth Immortal elders and six True Immortal elders of the Immortal Sea Alliance, the Tyrannical Sea Alliance, and the Heavenly Sea Alliance were fighting the ten elders of the Dragon Python Sect!

Although the Immortal Sea Alliance had the advantage in numbers, their overall strength was inferior to the Dragon Python Sect!

After all, among the six True Immortal elders of the Immortal Sea Alliance's three major alliances, three were early-stage True Immortals and three were middle-stage True Immortals.

They weren't even late-stage True Immortals!

On the Dragon Python Sect's side, there were two early-stage True Immortal elders, two mid-stage True Immortal elders, and they had one late-stage True Immortal elder!

Therefore, in this battle, the elders of the three alliances of the Immortal Sea Alliance were defeated repeatedly and were already severely injured!

Right at this moment!

Rumble!

Accompanied by a series of earth-shattering explosions!

A large sea of energy light exploded in the sky and rippled in all directions!

"Ahhhh" The seven Earth Immortal elders of the three alliances of the Immortal Sea Alliance could no longer withstand it.

They cried out in pain and spat out blood as they flew out.

They smashed into mountains and fell into the ruins The current situation was already very critical!

Chapter 1915: Last Chance!

The seven elders fell into the ruins, blood gushing out of their mouths.

They wanted to stand up and continue fighting, but they could not get up.

“Elder Feng, Elder Zhao, Elder Sun!!!” The remaining nine elders of the three alliances of the Immortal Sea Alliance shouted in shock.

At this moment.

In the sky opposite.

“Hahaha” The second elder of the Dragon Python Sect, Ao Qianlang, roared with laughter and said proudly, “The strongest in your three alliances is only at the mid-stage True Immortal Realm.

How can you fight our Dragon Python Sect?

I advise you to surrender quickly.

As long as your three alliances submit to our Dragon Python Sect and work for us in the future, we can spare your lives!” “Hurry up and surrender.

Do you really have a death wish?” “Stop putting up pointless resistance.

It’s useless!” The other elders of the Dragon Python Sect also teased.

Immortal Sea Alliance’s Grand Elder Xu Taiwei said angrily, “You want us to surrender?

Impossible!” “We would rather die in battle than surrender!” “If you want to fight, let’s fight.

Cut the crap!” Tyrannical Sea Alliance’s Great Elder Qiao Chengyu and Heavenly Sea Alliance’s Great Elder Chao Wuming also roared.

“We will never surrender!!!” The other elders of the Immortal Sea Alliance and the other three alliances also roared.

“Not surrendering, are you?” Ao Qianlang laughed in anger, “Since you’re unwilling to surrender, we’ll send you on your way!

Leave no one alive.

Kill without mercy!” “Kill!!!” The other elders of the Dragon Python Sect shouted and charged towards the elders of the three alliances of the Immortal Sea Alliance!

“Everyone, fight to the death with them!

Even if we die, we have to drag a few of them down with us!” Xu Taiwei roared angrily.

Holding her long sword, she charged forward!

The elders of the three alliances of the Immortal Sea Alliance also charged forward!

Everyone erupted with their strongest combat strength and activated their Dharma Idol.

They planned to fight the elders of the Dragon Python Sect to the death!

The elders of the Dragon Python Sect also activated their Dharma Idol and charged forward angrily!

A shocking battle immediately broke out!

Rumble Rumble The sound of collision and explosions that shook the mountains and rivers resounded endlessly!

Layers of attacks exploded in the sky!

Dharma Idols collapsed in the sky!

A large amount of light and energy exploded in the sky, like a rain of light that filled the sky, splashing in all directions!

The sky above the island was shattered into pieces, and clouds surged!

The island-protecting array below was about to collapse as cracks appeared!

The battle lasted for more than ten minutes in one go!

“Ahhh” The remaining three Earth Immortal elders and three early-stage True Immortal elders of the three alliances of the Immortal Sea Alliance could not withstand it either.

They were sent flying and fell from the sky to the ground!

On the other hand, although the elders of the Dragon Python Sect were also injured, their injuries were not serious!

Now, only the Grand Elders of the three alliances of the Immortal Sea Alliance, Xu Taiwei, Qiao Chengyu, and Chao Wuming were left!

However, they were also severely injured and their robes were dyed red with blood.

They probably would not be able to last long!

Ao Qianlang laughed sinisterly, “Continue attacking and shoot down these three old fellows!”
“Alright!!!” The elders of the Dragon Python Sect replied in unison.

Then, they launched their strongest attacks at Xu Taiwei and the other two!

“Dragon Python Immortal Slaying Saber!” “Tyrant Dragon Sun Piercing Spear!” “Five Wheels Heaven Splitting Fist!” “Life Stealing Seven Killing Palm!” The saber and spear tore through the air, and the fist and palm split the sky!

True Qi surged and immortal light shone.

Energy surged, as if it wanted to destroy everything!

“Counterattack!” Xu Taiwei roared loudly and waved the sword in her hand, slashing out angrily!

“Qiankun Sword Technique!” Swoosh!

With a swing of his sword, a huge silver-gray sword tore through the sky and the void.

Carrying a vast sword intent and brilliant sword might, it slashed out heavily!

“Heavenly Net Saber Technique!” Qiao Chengyu waved the long saber in his hand and slashed out heavily!

Swoosh!

A huge azure-gold saber slashed through the sea of clouds and void, slashing out with an incomparably domineering saber intent!

“Dark Void Divine Fist!” Chao Wuming clenched his right fist and punched out angrily!

A huge black-gold fist fused with the sun like a black hole.

It shattered the sky, shattered the world, and blasted out!

In an instant!

Rumble The attacks of Xu Taiwei and the other two collided fiercely with the attacks of the elders of the Dragon Python Sect!

The entire Consoling Immortal Island shook violently!

The surrounding sea also churned and surged, as if it had triggered a shocking tsunami!

Even though Xu Taiwei and the other two were mid-stage True Immortals and were powerful!

However, there were many elders on the other side, and there were also several True Immortal elders!

Therefore, they could not resist at all and were forced back continuously!

The energy and immortal light that spread out even tore apart the protective True Qi they had condensed, causing their bodies to explode into pieces.

It was extremely tragic!

However, the three of them did not give up just like that.

Instead, they continued to mobilize the energy in their bodies to resist it!

“Block?”

Can you block it?” Ao Qianlang sneered.

He immediately raised his right hand and slapped out!

“Dragon Python Heaven Splitting Hand!” A huge black-blue palm that was thousands of feet tall crushed a part of the sky, shattered a large area of the void, and slapped fiercely at Xu Taiwei and the other two!

The palm intent contained in that palm was too violent and contained the power of his bloodline.

It was even stronger, as though it wanted to open up this world!

The island-protecting array also completely collapsed and exploded!

In an instant!

Boom!

Boom!

Ao Qianlang’s palm heavily struck Xu Taiwei and the other two, breaking through their attacks!

“Pu pu pu” The three of them spat out a mouthful of blood and could no longer resist as they were sent flying!

Rumble The three of them crashed into a few mountains and fell heavily into the ruins!

It was also when all the elders of the Immortal Sea Alliance’s three alliances were shot down!

“Ahhh” Screams could be heard from afar.

Li Kuangdao, Guan Hailong, and Luo Yunzheng let out miserable screams and flew over from the distant sea.

Boom, boom, boom The three of them smashed through the three ancient boats that were parked in the sky and fell from the sky, landing heavily on the shore.

Seeing this scene The disciples of the Immortal Sea Alliance's three alliances broke down in despair!

"It's over We're really done for!" "The Alliance Master and the elders have been defeated We're really done for!" "How hateful.

Are our three alliances really going to bow down to the Dragon Python Sect in the future?" The disciples of the three alliances gritted their teeth and their eyes turned red.

They were in so much pain that they wanted to die.

At this moment.

Ao Qianlang stood in the air with his hands behind his back and said in a booming voice, "Xu Taiwei, I'll give you one last chance!

Are you going to surrender or not?" Their goal this time was to annex the three alliances and become the absolute overlord of the Return Ruin Sea!

However, there were still some experts in the three alliances.

If they could work for them, they could attack the top sects!

Therefore, they were more willing to subdue the experts of the three alliances!

Xu Taiwei gritted his teeth and shouted, "Kill us if you want.

We won't surrender!" "Is that so?" Ao Qianlang smiled coldly and said, "Don't tell me you don't care about the lives of your disciples?" "What do you mean?" Xu Taiwei asked in a deep voice.

Ao Qianlang only smiled sinisterly.

Then, he raised his right hand and condensed a black-blue palm that pressed down on the crowd below!

Chapter 1916: Crippled with One Sword!

"What is this old man trying to do?

Run!" "He's going to kill us.

Run!" The disciples of the three alliances of the Immortal Sea Alliance shouted in fear and fled into the distance.

However, this huge palm covered thousands of feet.

Those disciples could not escape at all.

In an instant!

Rumble The ground shook!

A huge palm print was formed on the ground!

Hundreds of disciples were also smashed into minced meat, deader than dead!

"You bastard!" Li Kuangdao roared, "If you want to kill us, kill us.

Don't touch my brother!" "Come on, kill us if you dare!" "You're a dignified True Immortal.

Do you only know how to bully the weak?" Guan Hailong and Luo Yunzheng also roared.

Xu Taiwei and the other elders were also trembling with anger.

Ao Qianlang ignored the angry roars of Li Kuangdao and the other two.

Instead, he looked at Xu Taiwei indifferently and said, "Xu Taiwei, are you really not surrendering?" Xu Taiwei and the others looked conflicted, not knowing what to do.

If they did not surrender, Ao Qianlang and the others would slaughter their disciples in front of them!

However, if they surrendered, the three alliances would no longer exist.

In the future, they could only bow down and never raise their heads again!

"Three Alliance Masters and elders, don't surrender!" "Our three alliances are not a big sect, but we have our own pride!" "We'd rather die standing than live on our knees!" The disciples of the three alliances roared, their eyes filled with determination.

"You have quite the backbone!" The Sect Master of Dragon Python Sect, Ao Mingfeng, laughed mockingly, "You're not afraid of death, right?"

Then I'll kill you one by one!" As he spoke, he suddenly waved the halberd in his hand!

Clink clink clink!

Boom!

Boom!

Boom!

Black waves of fire and black lightning descended from the sky and bombarded the disciples who had shouted the loudest just now!

Before those disciples could dodge, they were hit!

“Ahhh” Miserable and painful screams sounded non-stop!

Hundreds of disciples were burned alive by the flames and shattered into pieces by the lightning!

“Hehe Hahaha” Ao Mingfeng looked up at the sky and laughed wildly.

He said ruthlessly, “Ants have to be aware of being an ant.

Don’t think about disobeying an immortal!” “Ao Mingfeng, you’ll die a horrible death!” Li Kuangdao screamed miserably, tears of blood flowing out of his eyes.

“Someone will definitely kill you, definitely!!!” “Do you think you’re very strong just because you’re at the late Earth Immortal realm?

In front of a true expert, you’re nothing!!!” Guan Hailong and Luo Yunzheng also roared in grief and indignation.

Ao Mingfeng said proudly, “With the help of the elders, who can kill us?

Do you think I can be killed with just you trash?

I can kill these ants if I want to.

You can only watch helplessly.

What else can you do but jump around?" As he spoke, he waved the halberd in his hand again!

More flames and lightning descended from the sky, instantly killing hundreds of disciples!

"Ahhhh!!!" Li Kuangdao roared in grief, his heart about to explode.

He pounded the ground angrily, hating himself for being too weak.

He could only watch as his brothers were killed, but there was nothing he could do.

"Ao Mingfeng, you deserve to die!

You deserve to die!" "You will suffer retribution.

You will definitely suffer retribution!!!" Guan Hailong and Luo Yunzheng were also screaming in pain.

Their hearts seemed to be bleeding.

Xu Taiwei and the other elders' eyes were also red with grief.

At this moment.

Elder Ao Qianlang was already a little impatient.

He said ruthlessly, "Are you going to surrender or not?"

If you still don't surrender, I'll send all the disciples of the three alliances to hell with you!" Ao Mingfeng said viciously, "Second Elder, there's no need to waste your breath on them!"

Didn't these guys refuse to surrender?

Then, we'll kill their disciples one by one in front of them!

Kill 100, 1,000, 10,000 people.

Let's see if they will still surrender!" "Alright!" Ao Qianlang nodded and said, "Mingfeng, let's do it!" "Yes!" Ao Mingfeng nodded and mobilized the True Qi in his body, preparing to attack.

"Halt!" Tears streamed down Xu Taiwei's face as she said in a hoarse voice, "We will surr" However, before Xu Taiwei could finish speaking!

Swoosh!

An ear-piercing sound came from the sky in the distance!

And right on the heels of that Rumble rumble rumble!

A thunderous sound came from the sky in the distance!

"What's that sound?!" "Could it be that someone is here?!" Everyone on the island spoke one after another and turned to look.

Under everyone's watchful eyes A dazzling golden light that was like a golden sun illuminated the night sky!

A huge golden sword that was thousands of feet long carried the supreme sword intent that could break and destroy everything!

It split the sky, the sea of clouds, and the endless void as it slashed towards Ao Mingfeng!

This strike was too terrifying.

It was as if the Nine Heavens Sword God, an unparalleled sword immortal, had slashed out a shocking strike!

Boom, boom, boom Before the sword landed, the black-golden ancient boats that were more than a hundred meters long in the sky were cut open like tofu!

The thousands of disciples of the Dragon Python Sect standing on the ancient boat were killed in an instant before they could even scream!

When Ao Mingfeng saw the sword slashing towards him, he was so frightened that his heart skipped a beat.

His face turned pale and he broke out in cold sweat!

“Who dares to attack me!” He roared angrily and instantly erupted the True Qi in his body.

He waved the halberd in his hand and faced the attack!

A huge black halberd tore through the layers of void and slashed fiercely at the huge golden sword!

At that moment Rumble The huge golden sword and the huge black halberd collided heavily, emitting an earth-shattering sound!

In less than a few seconds!

Crack The halberd in Ao Mingfeng's hand was broken by a single strike!

"What?!" His eyes were filled with endless fear.

One had to know that his weapon was forged from the Nine Heavens Mystic Iron.

Even if it could not compare to a true immortal weapon, it was still invincible!

However, he did not expect it to be cut in half by a sword!

He did not dare to hesitate and instantly activated his Dharma Idol, condensing the Dragon Python illusion.

Moreover, he attacked heavily and attacked this sword!

However, no matter how strong the Dharma Idol he activated, how violent the Dragon Python illusion that he condensed, or how terrifying the attack was, it was all destroyed by a single sword strike!

"Arghhhh!" Accompanied by an extremely painful scream, he was directly slashed down from the sky and fell heavily to the ground.

Blood spewed out of his mouth as a long, bone-deep wound appeared on his chest, extending from his neck to his waist.

Furthermore, when he fell to the ground!

The huge golden sword transformed into five sharp flying swords that shot down!

Puff, puff, puff Five flying swords cut off his arms and legs!

The last one pierced through his dantian!

“Argghhh!” Ao Mingfeng looked up at the sky and howled sorrowfully.

He was in so much pain that his entire body was convulsing.

His face was contorted and his veins were bulging.

Clearly, Ao Mingfeng had already been crippled by a single slash!

Chapter 1917: Neither Alive Nor Dead!

The dignified Sect Master of the Dragon Python Sect was actually crippled by a single sword strike in front of tens of thousands of people!

His limbs were severed and his dantian was pierced!

Even if he survived, he would become a cripple!

Furthermore, everyone could tell that the other party clearly had the absolute strength to kill Ao Mingfeng with a single strike!

However, for some reason, the other party seemed to have held back and deliberately let Ao Mingfeng live!

Most importantly, this scene happened too quickly.

It was so fast that the elders of the Dragon Python Sect could not help in time!

There was a long silence in the entire area.

The entire place was in an uproar.

“Heavens, what’s going on?”

Who slashed out just now?!” “This is too terrifying.

He actually crippled Ao Mingfeng with a single strike!” “Could it be that the other party is an Earth Immortal expert in the Exceptional Realm?!” “Even a perfected Earth Immortal expert can’t be so powerful.

It’s very likely that he’s a True Immortal!” Everyone present discussed in shock.

Xu Taiwei and the other elders were stunned.

Qiao Chengyu asked in a daze, “Who exactly is helping us?” “Brother Xu, could it be that you’ve hired help?” Chao Wuming asked Xu Taiwei.

The other elders also looked at Xu Taiwei.

Xu Taiwei frowned and said, “Could it be that the Azure Dragon Hall has sent someone to help?”

“But that’s not right.

Because of the offering, the Azure Dragon Hall had already abandoned us.

Why would they send someone to help?” “Then who is helping us?” Qiao Chengyu, Chao Wuming, and the others were all very puzzled.

On the distant shore.

Li Kuangdao, Guan Hailong, and Luo Yunzheng were also dumbfounded.

Luo Yunzheng gulped and said, "Who exactly was the person who slashed out that shocking sword move?"

Ao Mingfeng tried his best, but he couldn't withstand it and was crippled?" Guan Hailong also said in a daze, "Although Ao Mingfeng isn't a True Immortal, he's powerful.

Even if the three of us join forces, we're not his match.

He beat us to such a state!

Who exactly was it that could defeat Ao Mingfeng with a single strike, cripple him, and almost kill him?" "Could it be Brother Yang?!" Li Kuangdao swallowed his saliva and asked.

"What?!"

It's Brother Yang's sword?!" "No way, that strike just now was comparable to a powerful True Immortal.

Brother Yang isn't a True Immortal at all?!" Guan Hailong and Luo Yunzheng were shocked.

They could not believe it.

Li Kuangdao took a deep breath and said, "But that strike just now looks familiar no matter how I look at it.

If it's not Brother Yang, then who is it?" Guan Hailong and Luo Yunzheng fell silent.

In fact, they also felt that the sword just now was very familiar.

It looked like it was slashed out by Yang Luo.

However, Yang Luo was only at the perfected Earth Immortal Realm.

How could he slash out a sword that was comparable to a True Immortal?!

At this moment.

Ao Qianlang and the other elders of the Dragon Python Sect also came back to their senses!

“Mingfeng!” “Mingfeng, how are you?!” Their expressions changed drastically as they flew towards Ao Mingfeng.

After landing, Ao Qianlang hurriedly checked Ao Mingfeng’s body.

His expression immediately darkened to the extreme.

“Mingfeng, how are you?!” Third Elder Gu Daoyang asked.

Ao Qianlang gritted his teeth and said, “Mingfeng’s limbs have been completely severed.

Even if they can be reattached, they won’t be able to recover to their former state!

Moreover, Mingfeng’s dantian has been completely shattered.

I’m afraid he won’t be able to cultivate in the future!” “What?!

Who is so cruel?!" "It wasn't easy for Mingfeng to step into the late-stage Earth Immortal realm and have a chance of breaking through to the True Immortal realm.

Now, he's actually crippled!" "Damn it, who did it?!" Gu Daoyang and the other elders roared.

Ao Mingfeng gritted his teeth and roared, "Elders you must avenge me avenge me!!!" Ao Qianlang said ruthlessly, "Don't worry, I'll definitely avenge you!

I will make the person who crippled you wish he was dead!" Right after he finished his sentence A loud voice came from afar!

"Wish I was dead?

Old fellow, if you have the ability, you can try!" Upon hearing this voice Everyone present turned to look.

A platinum ancient boat that was more than ten meters long flew over from afar.

A large group of people stood on the ancient boat.

They were Yang Luo and the others.

"Why are there so many people here at once?!" "Who are they?!" "Could it be that the three alliances called for reinforcements?!" The disciples of the Dragon Python Sect exclaimed in shock.

The people from the three alliances of the Immortal Sea Alliance were also stunned.

As the ancient boat approached, Li Kuangdao, Guan Hailong, and Luo Yunzheng finally saw the figures on the ancient boat clearly.

“Brother Yang!” “It’s actually Brother Yang and the others!” “Oh my god, Young Master Azure Dragon, Young Master White Tiger, Vermillion Bird Fairy, and Young Master Black Tortoise are actually here too!” The three of them shouted in surprise, so excited that their faces turned red.

Yang Luo held the Dragon Emperor Sword and said loudly, “Brother Li, Brother Guan, Brother Luo, long time no see!” Bujie grinned and said, “Brothers, the scene of my Brother Yang robbing you is still fresh in my mind!” Xu Ying smiled and said, “After the battle at Immortal Furnace Mountain, we haven’t seen each other for a while.

How is everyone?” Lin Wenxuan said, “Sorry, we’re a step too late!” Hearing Yang Luo and the others’ words, Seeing these familiar faces, Li Kuangdao and the other two’s eyes turned red as tears welled up in their eyes.

The arrival of Yang Luo and the others was like a beam of light in the endless darkness.

Feelings of gratitude and excitement surged into their hearts, making them cry.

“Little bastard, are you the one who crippled Mingfeng?!” Ao Qianlang roared and rushed into the sky.

Gu Daoyang and the other elders also rushed into the sky and stared fixedly at Yang Luo and the others.

“That’s right, it was me.” Yang Luo replied in a loud voice, “If not for the fact that I wanted Brother Li and the others to kill this fellow personally, I would have killed him with a single strike just now!” From afar, he had seen the scene of Ao Mingfeng wantonly killing the disciples of the three alliances.

Therefore, he was completely enraged and slashed out.

However, he had deliberately held back and only crippled this guy.

It was too easy for him to kill this vicious fellow with just one strike.

“Bastard!” “Little bastard, you have a death wish!” “Give me your life!” A few elders of the Dragon Python Sect roared angrily and charged at Yang Luo at the same time

Chapter 1918: Fighting in the Firmament!

The five Earth Immortal Realm elders charged over!

Two mid-stage Earth Immortals, two late-stage Earth Immortals, and one perfected Earth Immortal!

As the five Earth Immortals charged over!

Ji Longyue raised the Azure Dragon Halberd in his hand and shouted, “Brothers, attack!” As he spoke, he took a step forward and charged forward!

“Destroy them!” “Kill them!” “Avenge Brother Li and the others!” Baili Wushuang, Tantai Puti, Yi Hengyu, Ning Jianfeng, Qin Zhanhuang, and Mu Wushang also took a step forward and charged forward!

In an instant!

The distance between the two sides shortened!

The five elders of the Dragon Python Sect attacked at the same time!

“Dragon Python Immortal-killing Spear!” “Dragon Python Flying Heaven Sword!” “Heavenly Broken Sun Whip!” “Yin Wind Setting Sun Fist!” “Nine Death Mountain Splitting Claw!” The sword and spear tore through the air, the huge whip pressed down on the sky, and the fist and claw tore through the sky!

The attacks of the five elders were incomparably ferocious, as if they wanted to destroy everything!

Ji Longyue and the others were not afraid at all.

They did not dodge or retreat and directly launched a counterattack!

“Azure Dragon Halberd!” “White Tiger God Destroying Saber!” “Vermillion Bird Burning Heaven Sword!” “Xuanming Heaven-Slaying Spear!” Ji Longyue, Baili Wushuang, Tantai Puti, and Yi Hengyu were the first to attack!

The huge green halberd, the huge white-gold saber, the huge golden-red sword, and the huge blue spear tore through the sky and earth, cutting through the void.

They were incomparably domineering!

There were even lightning, flames, ice, and various other energies surging and charging up!

Rumble!

It was just a joint attack from Ji Longyue and the other three!

But the five elders could no longer withstand it and were sent flying!

“Soaring Serpent Swordsmanship!” “Fire Phoenix Saber!” “White Marsh Sword Technique!” Ning Jianfeng, Qin Zhanhuang, and Mu Wushang also attacked fiercely, continuing to attack the five elders!

The huge black sword and the huge white sword slashed out angrily.

Like the Black and White Ghosts, they destroyed everything!

The scarlet saber slashed out with monstrous flames, terrifying to the heavens!

The five elders’ expressions changed drastically.

They tried to resist in a panic, but they could not resist at all!

“Ahhh” Accompanied by cries of pain, The five elders continued to fly backward.

Blood exploded on their bodies, and blood splattered in the air!

Ji Longyue and the others were about to attack!

“Wait!” Ao Qianlang took a step forward and swept his ruthless gaze over.

He said coldly, “This is a grudge between our Dragon Python Sect and the three alliances.

It has nothing to do with you!

I advise you to mind your own business and get lost!” He naturally recognized Ji Longyue and the others.

After all, Ji Longyue and the others were the paragons of the various divine beast clans.

Almost everyone in the Kunlun Ruins knew them.

Ji Longyue exclaimed, “Li Kuangdao, Guan Hailong, and Luo Yunzheng are our brothers!

We will definitely take care of this matter!” “That’s right!” “If you dare to touch us brothers, we won’t agree!” Baili Wushuang and the others also took a step forward.

Ao Qianlang said fiercely, “Do you really think our Dragon Python Sect is afraid of you?!

Our backers are the East Continent's Nine Nether Sect, the Yin Fiend Hall, and the Heavenly Corpse Sect!" "Oh" Ji Longyue nodded in realization, "I was wondering why a mere Dragon Python Sect would dare to be so arrogant.

It turns out that you have a backer!

However, do you really think that these three great demonic sects will go against our various Divine Beast Clans for your sake?

If they dare to go against us, we'll have a chance to destroy them!" "You think you can destroy these three sects?" Ao Qianlang laughed sinisterly and said sinisterly, "Looks like you really don't know anything!

Our Dragon Python Sect is a true ally of these three sects!

As long as something happens to our Dragon Python Sect, they will definitely not let it go!

Also, let me tell you a secret!

Soon, a shocking change will happen in the Kunlun Ruins!

The good days of your various Divine Beast Clans are over!" "What do you mean, old man?" Tantai Puti frowned and asked.

Ji Longyue and the others were also at a loss, not knowing what Ao Qianlang meant.

What did he mean by a shocking change in the Kunlun Ruins?

What did he mean by the end of their Divine Beast Clan's good days?

"You'll find out soon enough!" Ao Qianlang smiled teasingly and said, "I've already given you a chance!

Since you're not leaving, accompany these fellows from the three alliances on their way!" With that, he waved his hand!

"Kill all these guys!" The moment he gave the order!

Gu Daoyang, Chu Hanye, Linghu Che, and Sun Nanxuan, the four True Immortals, took a step forward and charged forward!

Linghu Che and Sun Nanxuan's cultivation levels were at the early-stage True Immortal realm!

Gu Daoyang and Chu Hanye's cultivation levels were at the middle-stage True Immortal Realm!

Other than Gu Daoyang and the other three!

The other five Earth Immortal elders moved at the same time and charged forward!

"Brothers, let's fight!" Yang Luo shouted and took a step forward, charging forward!

Without any hesitation, Ji Longyue and the others charged forward!

Ye Luange, Song Zhixin, the Divine Light and Darkness, the Underworld Emperor, the Ice Empress, Mo Qingkuang, Lin Wenxuan, and Big White also charged forward!

Xu Ying, Bujie, Xiang Kunlun and the others leaped down from the ancient boat and charged towards the Dragon Python Sect's Protector and other disciples!

"Everyone, our rescue has arrived.

Everyone, pull yourselves together and kill these guys from the Dragon Python Sect!" "We must fight to the last moment.

We can't surrender to them!" "Kill!" "Kill!" The disciples of the Immortal Sea Alliance, the Tyrannical Sea Alliance, and the Heavenly Sea Alliance roared and charged at the disciples of the Dragon Python Sect!

An earth-shattering battle immediately began!

In the distant ruins.

Xu Taiwei was excited and shouted, "Everyone, quickly recover from your injuries and help these young heroes!" "Alright!" The other elders responded excitedly.

They sat cross-legged on the ground, took medicinal pills, and began to heal their injuries.

Li Kuangdao said excitedly, "Let's quickly recover from our injuries and help Brother Yang and the others!" "Yes!" Guan Hailong and Luo Yunzheng nodded heavily.

Then, the three of them took medicinal pills and quickly healed their injuries.

At this moment.

In the air.

The battle was very intense.

Tantai Puti and the others fought against the five Earth Immortal elders, forcing the five of them to retreat step by step!

Ye Luange and Song Zhixin were fighting an early-stage True Immortal elder, Linghu Che!

“Blue Luan Sword Technique!” Ye Luange waved the sword in her hand with all her might!

Swoosh!

A huge cyan sword tore through the night sky, carrying a domineering sword intent.

The brilliant sword power slashed at Linghu Che!

Without any hesitation, Song Zhixin raised her fair hand and slapped out!

“Eight Desolate Glazed Palm!” A huge eight-colored palm that was a thousand feet tall pushed forward like a mountain.

Its might was shocking!

Linghu Che’s expression changed slightly.

He narrowed his eyes and said, “You two little sluts are quite interesting.

You’ve actually stepped into the Perfected Earth Immortal Realm at such a young age!

However, I’m a True Immortal.

Even if you join forces, you won’t be my match!” As he spoke, Linghu Che waved the scarlet-gold long saber in his hand and slashed out!

“Dragon Python Immortal Slaying Saber!” Swoosh!

A huge saber that was thousands of feet tall slashed at Ye Luange and Song Zhixin's sword and palm!

Chapter 1919: Continuous Shock!

In an instant!

Rumble!

The earth-shattering sound of collision sounded in the sky, deafening!

Black cracks appeared in the surrounding void.

It was incomparably terrifying!

But they impacted for less than a few seconds!

Rumble!

A thunderous explosion sounded!

The light and energy intertwined, like a boiling sea, rippling in all directions!

After this collision!

Ye Luange and Song Zhixin were sent flying at the same time!

Linghu Che was also sent flying!

After stabilizing their bodies The surprise in Linghu Che's eyes intensified!

His eyes were cold as he said, "I didn't expect you two little sluts to be able to compete with me!

It seems that if I want to kill you, I have to be serious!" His voice had yet to fade!

His entire body shook!

A reddish-gold beam of light immediately soared into the sky and pierced through the clouds!

His beard and hair fluttered, and his clothes fluttered.

Immortal light shone brightly on his body, and he looked very domineering!

Then, he stepped down from the sky and roared!

"Heavenly Fire Burns the Desolate!" The scarlet-gold flames swept out of his body and turned into a sea of fire that surged towards Ye Luange and Song Zhixin!

Ye Luange did not back down either.

She stepped down from the air and shouted!

"Blue Luan Divine Flame!" Cyan flames spewed out of her body, turning into a green sea of fire that collided majestically!

In the blink of an eye!

Rumble The two seas of fire collided in the sky like two floods colliding, causing the world to tremble and the sea to roar!

A large number of red-gold flames and green flames intertwined and spread in all directions!

However, Ye Luange was only at the perfected Earth Immortal Realm after all.

Although she could crush opponents of the same level, it was still a little difficult to challenge someone above her level!

Therefore, the cyan sea of fire that she erupted with was greatly weakened and destroyed!

Without any hesitation, Song Zhixin unleashed the True Qi in her body and waved her right hand!

“Lotus Sea Fragrance!” Countless eight-colored Glazed Lotuses condensed into a vast sea that crushed towards Linghu Che!

Seeing this, Linghu Che waved his hand again!

“Stormy Wind and Clouds!” Tornadoes swept up around him and crashed in all directions!

Boom!

Boom!

Boom!

Accompanied by bursts of explosions!

The eight-colored Glazed Lotuses that were charging over were torn apart one after another and exploded in the sky!

A rain of light that filled the sky splashed out, dazzling!

Even if Ye Luange and Song Zhixin joined forces, they could barely resist Linghu Che.

However, it was still a little difficult to suppress him!

Linghu Che's expression was arrogant as he said in a trembling voice, "You two little sluts want to fight me?"

You're simply fantasizing!" As he spoke, Linghu Che waved his hand again and shouted coldly!

"Heavenly Lightning Strike!" Rumble!

Thunder rumbled in the sky!

Huge golden-red lightning bolts struck down angrily!

Boom!

Boom!

Boom!

The cyan sea of fire and the eight-colored Glazed Lotuses were all destroyed!

Linghu Che waved his sleeve and shouted again!

"Thunder Manifestation: Thunder Python!" In an instant!

The lightning that struck down angrily transformed into huge lightning pythons that were a thousand feet long and slammed into Ye Luange and Song Zhixin!

Linghu Che had used some of the Dragon Python's innate divine powers, which were extremely powerful!

As lightning pythons charged over one after another!

Ye Luange and Song Zhixin didn't dodge or retreat.

Their pretty faces were filled with determination as they counterattacked at the same time!

They had followed Yang Luo here this time to become stronger!

Therefore, no matter how difficult the battle was, they would persevere until the end!

They wanted to attack the True Immortal Realm and step into the True Immortal Realm as soon as possible!

Ye Luange waved the sword in her hand with all her might!

"Flying Swords Like Abyss!" Whoosh!

Whoosh!

Whoosh!

Whoosh!

Countless green flying swords condensed and shot towards the lightning pythons!

The eight-colored light on Song Zhixin's body flickered like a fairy descending to the world.

She waved her fair hand!

"Fallen Petals!" Countless eight-colored petals condensed into form and shot out like fairies scattering flowers!

Every single petal was like an indestructible sharp blade, as if they wanted to tear everything apart!

Boom, boom, boom Explosions sounded one after another, shocking the people who were fighting below!

"These two women are really impressive.

They can actually fight against that old fellow Linghu Che with their cultivation of Perfected Earth Immortal Realm!" Qiao Chengyu, who was recuperating in the distance, exclaimed.

Chao Wuming asked in confusion, "The cultivation techniques used by these two women are too strange.

Why have I never heard or seen them before?" Xu Taiwei sighed and said, "No matter what, it's our honor to know such a group of experts!" The other elders nodded in admiration.

If Yang Luo and the others hadn't arrived in time, they would have been finished long ago.

At this moment.

In the distant sky.

When Ye Luange, Song Zhixin, and Linghu Che were fighting!

“Brother Linghu, let me help you!” Sun Nanxuan, whose cultivation was at the early-stage True Immortal Realm, flew over from afar.

He directly twisted his fist and punched out!

“Five Wheels Heaven Splitting Fist!” With a punch, a huge green-black fist smashed towards Ye Luange and Song Zhixin like a meteor!

Five green-black immortal wheels flickered on his fist.

The fist was ferocious, as if it wanted to shatter everything!

However, at this moment!

“Sister Luan!” “Sister Song!” “We’re here!” The Divine Light and Darkness, Underworld Emperor, Ice Empress, Mo Qingkuang, Lin Wenxuan, and Big White also charged over and launched a fierce attack!

“Divine Punishment of Light and Darkness!” The Divine Light and Darkness waved the halberd in his hand!

A huge halberd carrying black and white divine light shattered the void and pressed down on the three elders!

Meanwhile, Underworld Emperor swung the sword in his hand!

“Underworld Divine Slash!” Swoosh!

A huge black sword that was a thousand feet long slashed out with a monstrous death aura!

“Icebound Heaven and Earth!” “Supreme Divine Palm!” “Qilin Battle Spear!” “Ape King Fist!” The Ice Empress waved the ice staff in her hand, condensing streams of ice that surged forward!

Mo Qingkuang condensed a purple-gold palm and pressed down heavily!

Lin Wenxuan waved the spear in his hand and swept it out with a violent spear intent!

Big White twisted a huge platinum fist that was burning with crimson flames before unleashing a ferocious punch!

At that moment Rumble Rumble The sound of the collision and the explosion sounded at the same time.

It was as if lightning had pierced through their ears, and it was shocking!

Sun Nanxuan’s huge greenish-black fist was directly destroyed, and he himself was forced back repeatedly!

After forcing Sun Nanxuan back!

Mo Qingkuang shouted, “Brothers, let’s attack together and kill!” “Kill!!!” Ye Luange and the others also roared and charged towards Linghu Che and Sun Nanxuan with Mo Qingkuang!

Sun Nanxuan said ruthlessly, “A group of Earth Immortals dares to contend with us?

They simply have a death wish!” Linghu Che’s eyes were ruthless as he roared, “Brother Sun, don’t hold back.

Kill them!” Then, the two of them flashed and charged towards Ye Luange and the others!

The battle on the battlefield became even more intense!

Chapter 1920: An Immense Honor!

At this moment.

Above the distant sea.

The battle here was even more intense.

Yang Luo, with the Dragon Emperor Sword in hand, was battling Chu Hanye.

Chu Hanye's cultivation was in the middle True Immortal realm.

The fight had been going on for less than ten minutes.

BOOM!

An earth-shattering explosion resounded through the firmament and the sea!

A huge ball of energy burst forth from the explosion, sweeping in all directions!

The Cloud Sea shattered, and gigantic waves surged on the sea!

"Ahh..."

Chu Hanye let out a painful scream as he was blasted away!

He flew backward for a hundred meters before he could barely stabilize his body!

He was covered in sword wounds, gashes bleeding profusely, his robes soaked in blood!

By contrast, Yang Luo, although he had several cuts, had injuries much lighter than those of Chu Hanye!

Ao Qianlang and Gu Daoyang, who were watching the battle from nearby, were dumbfounded at the sight!

“How is this possible?!”

Gu Daoyang’s complexion changed drastically as he exclaimed in shock, “This kid is clearly at the early stage of the True Immortal Realm, how can he be crushing Brother Chu?!”

Ao Qianlang’s face also looked very ugly as he clenched his fists.

Not long ago, after witnessing the battle between Yang Luo and Chu Hanye, they had already discerned Yang Luo’s cultivation level.

Therefore, they had not made a move, intending to let Chu Hanye slay him.

But what they did not expect at all was,

In less than ten minutes,

Chu Hanye had been completely crushed by this youngster before them.

Ao Qianlang asked grimly, “Who exactly is this kid, and how could someone so young step into the True Immortal Realm?!”

Even those top-notch families and sects’ heavenly prides couldn’t possibly have such high talent!”

Gu Daoyang stared at Yang Luo intently, frowning as he said, "I always felt this kid looked a bit familiar...

Could he be Yang Luo, the one who initiated the battle at Immortal Furnace Mountain?!"

"He is Yang Luo?!"

Ao Qianlang was suddenly shocked.

"There's no mistake, it's him!"

Gu Daoyang nodded and said coldly, "Several months ago, this kid made a big name for himself, renowned in Kunlun Ruins as the number one Heavenly Pride!

After the battle at Immortal Furnace Mountain, he disappeared!

Some people thought he was dead, but many others believed he had escaped and was hiding!

Now, it seems not only is this kid not dead, but he has also become even stronger than before!"

Ao Qianlang said fiercely, "Who cares if he's some damn first Heavenly Pride, he crippled Ao Mingfeng, and today he must be buried here!"

"Of course!"

Gu Daoyang nodded and said harshly, "This kid dares to meddle in this matter; he is simply seeking death!"

Especially Ao Mingfeng, who had been crippled and was now immobile, when he saw the scene in the distant sky, his eyes filled with fear and rage!

This little bastard was the one who had crippled him with a single sword strike!

He had been counting on Chu Hanye to effortlessly slay Yang Luo and avenge him!

But unexpectedly, Chu Hanye was no match for this little bastard!

How infuriating, utterly infuriating!

On a distant shore.

Li Killing Blade, Guan Hailong, and Luo Yunzheng were all flabbergasted.

Luo Yunzheng said in a daze, "My heavens, Brother Yang has indeed stepped into the True Immortal Realm!"

Guan Hailong said in astonishment, "Brother Yang is actually able to crush a middle True Immortal realm powerhouse with his early-stage cultivation, that's terrifying!"

Li Killing Blade said excitedly, "Challenging one's equals counts for little, but to challenge those above one's own rank, that is the mark of a true powerhouse!"

To know someone like Brother Yang is a great honor indeed!"

Guan Hailong and Luo Yunzheng both nodded repeatedly, their gazes toward Yang Luo filled with admiration and worship.

They recalled the first time they met Yang Luo as if it were only yesterday.

But unexpectedly, in the blink of an eye, Yang Luo had left them far behind, stepping into the realm of True Immortal.

Among the ruins on the island.

Xu Taiwei, Qiao Chengyu, and Chao Wuming, among other elders, were all slack-jawed and took a long time to come back to their senses.

Chao Wuming spoke admiringly, "Is this the boy known as the number one Heavenly Pride in legend?

He's frighteningly powerful!"

"No wonder he could render Ao Mingfeng powerless with a single sword strike!"

Qiao Chengyu said with a sigh of respect, "Undoubtedly, if we three were to fight him one-on-one, I'm afraid none of us would be his match!"

Xu Taiwei exclaimed, "This youngster has stepped into the True Immortal realm at such a young age, it's unimaginable how high his achievements will be in the future!

"I'm afraid this boy could even step into the Heavenly Immortal realm, or even reach beyond that!"

"However, apart from Chu Hanye, there are also Ao Qianlang and Gu Daoyang, two fellows lurking with covetous eyes; the boy might be in danger!"

"Yes, no matter how strong the boy is, I'm afraid he cannot fight against three True Immortals!"

The other elders' faces were full of worry.

Xu Taiwei spoke in a deep voice, "Gentlemen, hurry and heal your injuries, then go assist Mr.

Yang!

“Mr.

Yang has fallen into this perilous situation while trying to save us; we must risk our lives if necessary to ensure Mr.

Yang’s safety!”

Thus, Yang Luo’s strength had conquered him, and he too began to address Yang Luo with an honorific.

“Yes!”

Qiao Chengyu and Chao Wuming, along with the other elders, responded in unison.

At that moment.

High above the distant sea.

Yang Luo, holding the Dragon Emperor Sword, swept his cold eyes over and thundered, “You all want to kill me, right?”

Come on, then!”

“You little beast, don’t be arrogant!”

Chu Hanye, furious with embarrassment, wielded a black and red spear, and dragging his injured body, he charged towards Yang Luo!

“You little beast, let this old man have a round with you!”

Gu Daoyang could no longer hold back, his figure flashed as he charged towards Yang Luo!

As they charged towards Yang Luo!

The two men continuously mobilized the True Qi within their bodies, unleashing formidable combat strength!

After all, Yang Luo’s power had already instilled fear in them, so they dared not hold back anymore!

In an instant!

Chu Hanye and Gu Daoyang closed in on Yang Luo!

“Tyrant Dragon Sun Piercing Spear!”

Chu Hanye roared as he swung the spear in his hand, sweeping it forth!

A black and red huge spear crushed the Void, carrying a fierce spear intent, as it struck towards Yang Luo!

Moreover, a black and red Dragon Python roared out, colliding with Yang Luo!

“Life Stealing Seven Killing Palm!”

Gu Daoyang raised his right hand, condensing a giant black and purple palm, pressing down on Yang Luo!

The huge palm crushed the Void, splitting the firmament, appearing to push through everything, smashing everything!

A black and purple Dragon Python also emerged with the momentum of overturning seas, roaring out!

Facing the ferocious assault from both men!

Yang Luo's whole body shook as he directly activated the "Flame Emperor Combat Body" and the "Divine Dragon Tyrant Body," enhancing his combat strength, and then he fiercely slashed out with a sword!

"Dragon Emperor Sword Technique!"

Swish!

A golden huge sword split the sky and the sea, its sword might vast and rampant, its sword intent wild and tyrannical!

"Roar!"

A huge golden dragon phantom hundreds of feet in size also roared out, colliding with the two Dragon Pythons!

In an instant!

Clang!

Boom!

Bang!

Boom!

The sword that Yang Luo swung collided with the spear and giant palm that Chu Hanye and Gu Daoyang had unleashed!

The golden dragon also fiercely collided with the two Dragon Pythons!

In less than a few minutes!

Boom!

Boom...

Explosions that shook the heavens and the earth erupted!

The two Dragon Pythons instantly shattered and exploded!

The offensive attacks from Chu Hanye and Gu Daoyang also instantly collapsed!

“Ugh...”

“Ahh...”

The two men cried out in pain, simultaneously flying backwards...
