

Super IDG 2031

Chapter 2031: Inconceivable!

“Ten Thousand Fire Divine Explosion!”

The Ten Thousand Fire True God raised his left hand!

Various divine flames surged at the palm of his hand, condensing into a dazzling fireball!

Then, with a fierce push of his left hand, he launched it forward!

The fireball flew directly out, instantly swelling to hundreds of feet and crashed towards Zhang Zhilin and Master Xuanku!

“Nine Death Demon Blade!”

The Abyss True Demon swung the saber in his hand, slashing with mighty force towards the front!

Nine huge black gold swords, like nine mountain ranges, carrying overwhelming demonic qi, heavily pressed down!

In the blink of an eye!

Clang rumble!

Boom rumble!

The sounds of collisions and explosions echoed through heaven and earth, shaking all directions!

Energy and light intertwined in the sky, like mountain collapses and tsunamis, rushing towards all sides!

The stars and moon above the sky dimmed in comparison!

Under this terrifying bombardment!

The five of them were once again blown away!

This time!

Zhang Zhilin and Master Xuanku sustained even more severe injuries, with blood spattering down!

Yet, the two of them still held high their fighting spirit, unyielding and indomitable!

By now, Yang Luo and the others had already gone to the Kunlun Ruins to gain experience!

In this secular world, only these two could stand against gods and demons!

Thus, they could not retreat no matter what!

The Ruling Angel, Ten Thousand Fire True God, and Abyss True Demon also sustained increasingly grave injuries, with blood splattering the sky!

“Damn it!”

The Abyss True Demon roared furiously, “I refuse to believe that the three of us together can’t kill these two old men!”

Saying so, he stomped down in mid-air, letting out a roar!

“Chaotic Demons of Heaven and Earth!”

“Owww...”

Accompanied by a series of piercing and mournful howls!

Countless demons, demon soldiers, and demon generals materialized, forming a vast demon army that charged towards Zhang Zhilin and Master Xuanku!

“Divine Flame Burning World!”

The Ten Thousand Fire True God stomped down in mid-air!

Rustling!

A fiery sea, burning with various colored flames surged mightily!

“Angel Divine Light·Evil Punishment!”

The Ruling Angel raised the sword in his hand, pointing towards the sky!

In an instant!

Whoosh whoosh whoosh!

Beams of bright white light burst open the sky, like divine rainbows, exploding downwards, seeking to annihilate everything!

They were truly enraged, furiously enraged!

They had thought that these two humans, even if they had by chance become True Immortals, couldn't possibly match them!

But unexpectedly, the strength of these two was so formidable that they still could not slay them!

What exactly was going on?

How could such powerful beings emerge in this wasteland bereft of spiritual energy?

Inconceivable!

It was truly inconceivable!

The spectators on the distant island were dumbstruck, shocked to the core!

“These three beings truly deserve the titles of True Gods and True Fiends, their strength is unbelievably strong!”

“If it weren’t for the Celestial Master and Master Xuanku, our Holy Imperial Court would likely be completely destroyed by these three!”

“But, these three are too powerful, can the Celestial Master and Master Xuanku truly stand against them?!”

The crowd began to discuss anxiously, worrying for Zhang Zhilin and Master Xuanku.

After all, Zhang Zhilin and Master Xuanku had already sustained serious injuries, and it was uncertain how much longer they could hold on!

In the distant sky.

Seeing the three attacks approaching!

Zhang Zhilin and Master Xuanku did not dodge or retreat, but launched a counterattack directly!

“Yin Yang Tao Seal!”

Zhang Zhilin raised both hands, condensing the Taiyin Seal in his left hand and the Sun Dao Seal in his right, unleashing them simultaneously!

The Sun Dao Seal, containing the power of Pure Yang, magnified hundreds of feet and pressed toward the sky!

The Taiyin Seal, harnessing the power of Pure Yin, also enlarged hundreds of feet and pressed forward!

The offensive burst out by Zhang Zhilin alone was already incredibly powerful!

The beams shooting down from the heavens were crushed into pieces by the Sun Dao Seal, exploding into giant balls of light!

The oncoming Fire Sea and the attacking demon army were also continuously destroyed and annihilated by the Taiyin Seal!

Master Xuanku placed his hands together, uttering a roaring cry!

“Buddhist Light Illumination!”

In an instant!

Dazzling golden Buddhist light flashed around Master Xuanku!

The Buddhist light extended tens of thousands of feet, transforming into a vast golden Buddha Sea, surging forward!

Boom, boom, boom!

The rushing multicolored Fire Sea was massively dissipated!

The charging demons, Demon soldiers, and Demon General were also obliterated under the illumination of the Buddhist light!

Although the offensive unleashed by the three Ruling Angels was formidable, it was still strongly blocked by Zhang Zhilin and Master Xuanku!

“Continue the attack, I want to see how many more times they can resist!”

The Ten Thousand Fire True God let out a roaring shout, continuously mobilizing the divine power within him and launching a barrage of attacks!

“Divine Burial Fire Spear!”

“Divine Flame Burning World!”

Countless Flame Spears took shape, bursting from all directions towards Zhang Zhilin and Master Xuanku!

Various flames also fiercely burned throughout the heavens and earth, charging at the two!

“Golden Light Mantra!”

Zhang Zhilin stomped down in mid-air!

A golden True Qi barrier formed around him, enveloping him inside!

The golden barrier was engraved with intricate patterns and numerous Taiji Paintings circulating, mysterious and unfathomable!

“Buddha Golden Body!”

Master Xuanku brought his hands together, his body vibrating!

Blinding, dazzling golden Buddhist light burst forth from him, his skin seeming as if it had been painted with gold!

Clang, clang, clang!

Boom, boom, boom!

The incoming Flame Spears and the surging flames were all blocked by the two!

Even the fierce offensive of the Ten Thousand Fire True God could not harm the two!

“Immortal Monument!”

“Angel Singing!”

The Ruling Angel crazily mobilized the divine power within, vigorously wielding his long sword!

Gigantic, hundreds of feet tall glowing white Heavenly Steles took shape, suppressing everything below!

He also chanted ancient scriptures as if ancient gods were singing!

The loud, resonant voice spread out, causing heaven and earth to tremble and all directions to shake!

Even with the island-protecting array holding back, the people on the island were still affected by this chanting, feeling a sharp pain in their spirits, trembling all over, dripping with cold sweat!

The Heavenly Steles crashed down, exploding with deafening sounds!

Waves of sound impacted out, resounding with the clashing of metal!

Seeing that Zhang Zhilin and Master Xuanku were still resisting,

The Abyss True Demon also crazily mobilized the demonic qi within him, then swung his saber!

“Ten Directions Demon Destruction!”

“God and Demon Burial Mound!”

Ten massive, hundreds of feet tall Black Gold huge swords, carrying sky-high demonic qi and a murderous aura, blasted towards Zhang Zhilin and Master Xuanku!

Ten Demon Tombs also took shape, suppressing the two!

As the killing moves of the Abyss True Demon attacked,

Zhang Zhilin and Master Xuanku ultimately could not hold back anymore!

Crack, crack, crack!

Accompanied by a series of crisp cracking sounds,

The golden light shield condensed by Zhang Zhilin cracked open with multiple fissures!

The golden Buddhist light covering Master Xuanku's body also kept cracking!

Zhang Zhilin was no longer passively defending but was frantically mobilizing the True Qi within his body, his momentum and combat power surging!

Chapter 2032: A Thousand Miles Chase!

His originally tied-up grey-white hair had now come undone, each strand standing on end!

His whiskers fluttered, his clothes flapped noisily!

Fierce golden light glittered within his pupils, where even Yin Yang Fish could be seen swirling, as if an ancient immortal had descended to the mortal realm!

In order to contend with the three Ruling Angels, he had already unleashed his full strength!

"Celestial Master Talisman!"

"Great Dao Divine Lightning!"

Zhang Zhilin brought his right hand's middle and index fingers together, letting out a thunderous roar!

A sea of golden runes condensed in the sky above, forming what seemed like a vast golden ocean, surging forth!

Each rune contained the terrifying power of the Heavenly Earth Dao, incredibly formidable!

Huge, mountain-like Nine-colored Divine Thunder erupted from him, furiously striking in all directions!

At this moment.

Master Xuanku's presence was swelling, his battle strength surging!

His brows and beard fluttered, and his monastic robe billowed.

The golden Buddhist light that illuminated the heavens and earth truly made it seem as if an Ancient Buddha had come to the world!

He pressed his palms together and, opening his mouth, unleashed a thunderous Buddha chant!

"Nine Brahma Buddha Seal!"

"Nine Buddha Annihilation!"

Nine golden seals inscribed with ancient Buddhist runes conglomerated around him, like stars surrounding the moon!

In an instant!

The Nine Directions Seal erupted skyward, growing hundreds of feet against the wind and striking in every direction!

Nine massive, hundred-foot tall golden Buddhas also stood tall, some throwing punches, others swinging palms, and yet others formed seals, striking upwards!

The entire scene was grand and boundless, a spectacle of epic proportions!

Everyone on the island was dumbstruck, with many collapsing onto the ground!

“Who would have thought the old Celestial Master and Master Xuanku could still increase their battle strength, they’re too powerful!”

“Looking at the situation now, the old Celestial Master and Master Xuanku might not lose!”

“Good, this is really great, with the old Celestial Master and Master Xuanku here, let’s see how these three damned Fiend Celestials act arrogantly!”

The crowd was excited, clenching their fists tightly, energetically rooting for Zhang Zhilin and Master Xuanku in their hearts.

In the blink of an eye!

Crash!

Boom!

The relentless onslaught collided in the skies, causing a series of explosions!

Huge balls of energy burst open in the air, like stars exploding, heart-stopping to witness!

The heavens, the void, and the ocean were utterly shattered, horrific to the extreme!

Under this terrifying collision, this massive explosion!

Zhang Zhilin and Master Xuanku, as well as the three figures of the Ruling Angel, the Ten Thousand Fire True God, and the Abyss True Demon, were blasted so much that flesh and blood were splattered, an extremely tragic sight!

“Kill these two old fools!”

The Ten Thousand Fire True God roared angrily, appearing frenzied, breaking through the tide of light and furiously attacking Zhang Zhilin and Master Xuanku!

“Kill!!!”

The Ruling Angel and the Abyss True Demon were both thunderously enraged, joining the onslaught!

Zhang Zhilin and Master Xuanku faced the battle without fear, charging to meet their foes!

For a time!

The five of them engaged in a ground-shaking confrontation in the sky!

Each of the five was fighting with all their might, their figures moving as fast as light and lightning, darting and weaving through the sky, mid-air, and across the sea!

Every clash was accompanied by a tremendous quaking of the sky and ocean, along with the sounds of thunder!

Different types of energy and light bursts forth from the point of collision, Tearing Heavens, Splitting Earth!

Those watching from afar on the island could no longer discern the figures of the five combatants!

All they could see were what seemed like five beams of light colliding!

An endless fear surged within them!

After just fifteen minutes of fighting!

The heavens, the void, and the ocean were punched with holes!

Dense cracks spread from these holes towards all directions!

After battling for over twenty more minutes!

“Ahhh...”

The three figures of the Ruling Angel, the Ten Thousand Fire True God, and the Abyss True Demon cried out in pain, sent flying through the air!

The three of them burst open with skin tearing and flesh rending, blood splattering out as they each coughed up a mouthful of fresh blood!

Zhang Zhilin and Master Xuanku were sent flying backward, with blood overflowing from the corners of their mouths!

After all, they had just recently entered the middle True Immortal realm!

And these three fellows had clearly entered the middle True Immortal realm some time ago, their strength formidably powerful!

If they hadn't been cultivating the orthodox mystic techniques and Buddhist ultimate techniques, which could boost their combat power,

there would be no way they could suppress the three of them!

At this moment.

The Ruling Angel, while being blasted away, telepathically communicated, “These two old guys are too freakish, it’s too difficult for the three of us to kill them on our own.

We can’t continue fighting, let’s get out of here fast!”

“Leave?!”

Why should we leave?!”

The Abyss True Demon roared fiercely, “We are true gods and demons, are we really going to be afraid of two humans?!”

These two old guys are also on their last legs, as long as we keep fighting, we can definitely kill them!”

The Ten Thousand Fire True God also said fiercely, “If we run away, wouldn’t that mean we’re admitting defeat to humans?!”

I cannot accept that!”

The Ruling Angel spoke gravely, “Before we are absolutely certain, we must not act recklessly!

Moreover, today’s forbearance is for future vengeance!

We must inform the Divine Master and the others about this as soon as possible!

When we descend upon this world again, we will wash it in blood!

Hurry and leave!”

Having said that, the Ruling Angel abruptly turned and fled into the distance!

He had already become fearful of Zhang Zhilin and Master Xuanku!

He had no confidence in killing the two of them!

Although the Ten Thousand Fire True God and the Abyss True Demon were very reluctant, they also turned and fled!

“Don’t even think about escaping!”

Zhang Zhilin roared furiously and turned into a golden streak of light, chasing after them!

Master Xuanku also moved swiftly, following closely behind!

It was only a matter of a few breaths!

Zhang Zhilin and the five of them vanished from the sky above the sea area!

“Those three are too cunning, they know they are no match for the Celestial Master and Master Xuanku, so they want to run away!”

“Is this the so-called gods and demons, all arrogant a moment ago, and now fleeing like grandchildren!”

The people on the island showed faces full of mockery.

At this time.

The Ruling Angel, the Ten Thousand Fire True God, and the Abyss True Demon were frantically fleeing ahead!

Zhang Zhilin and Master Xuanku were doggedly chasing them from behind!

“We must catch them!”

Zhang Zhilin’s face was stern, “If we let them return, this world will face its doomsday!”

“Hmm!”

Master Xuanku nodded heavily.

Although they also knew that a battle with the Holy Light Church, the Heavenly Universe Divine Clan, and the Dark Demon Clan was inevitable,

before the great war arrived, they still wanted to delay for some more time!

After all, Yang Luo and the others were still cultivating at the Kunlun Ruins and had not returned!

During the chase!

The Ruling Angel and his companions consistently unleashed attacks, obstructing Zhang Zhilin and Master Xuanku!

Zhang Zhilin and Master Xuanku kept counterattacking!

Sounds of thunderous explosions resonated along their flight path!

After chasing for over half an hour!

At last, the Ruling Angel, the Ten Thousand Fire True God, and the Abyss True Demon fled to Mount Olympus!

Zhang Zhilin and Master Xuanku had also reached this point!

But just as they were about to catch up with the Ruling Angel and his companions!

All of a sudden!

In the center of the Olympus Mountain Range, the space twisted and rippled, shining with twelve colors of divine light!

The space tore open like a piece of fabric!

The Ruling Angel and his companions flew straight in!

Chapter 2033: Why Is It So Hard to Kill Him?

Zhang Zhilin and Master Xuanku originally wanted to pursue further.

But the next second, the space healed itself.

As the space healed, the light also gradually faded away.

The Ruling Angel, Ten Thousand Fire True God, and Abyss True Demon then disappeared from the sky above.

Zhang Zhilin and Master Xuanku were instantly baffled.

They had not anticipated that the three from the Ruling Angel would suddenly vanish after arriving here.

Zhang Zhilin's brow furrowed as he scanned the surroundings and said, "It seems that a barrier has been set up here.

Without knowing how to activate the barrier, we have no way to enter."

"Amitabha Buddha!"

Master Xuanku brought his hands together in prayer, sighed deeply, his expression one of compassion, "Once these three great races launch an attack, this world will be plunged into misery, and the rivers will run red with blood..."

"Damn it, we were so close to killing those three!"

Zhang Zhilin clenched his fists tightly, regretfully saying, "It's just that our strength isn't strong enough; in the end, we still let those three escape!"

Master Xuanku also shook his head with a bitter expression.

After that, Zhang Zhilin and Master Xuanku searched the area to see if there were other ways to break the barrier, but they found nothing.

In the end, the two could only give up.

Zhang Zhilin exhaled a breath of turbid air and said in a heavy tone, "We also don't know if there are still accomplices of those individuals in the secular world; we must thoroughly investigate in the next few days!

After the investigation is over, we must hurry to Kunlun Ruins and inform Little Luo and the others about this matter!

This issue is of utmost importance; we must prepare in advance!"

“Alright, let’s do just that!”

Master Xuanku nodded and agreed.

Afterwards, the two stayed in the area for a little while longer before departing.

At this moment.

At the Holy Imperial Court headquarters.

The crowd on the island gazed longingly in the direction where Zhang Zhilin and Master Xuanku had departed, taking a long time to come back to their senses.

“Can the Celestial Master and Master Xuanku kill those three?”

Someone asked with a quivering voice.

“They should be able to, after all, those three have already been seriously injured!

Even if they flee to the ends of the earth, they can’t escape from the Celestial Master and Master Xuanku’s grasp!”

Someone replied confidently.

“That’s for certain.

During the great battle in the underworld, we had already witnessed the formidable power of the Celestial Master and Master Xuanku!

And tonight, everyone saw that the Celestial Master and Master Xuanku have grown even stronger!

Those three will surely meet their end at the hands of the Celestial Master and Master Xuanku!”

Another person chimed in.

“But the Celestial Master and Master Xuanku also sustained serious injuries.

It must be difficult to kill those three!”

“Yes, after all, there are three of them, which gives them a numerical advantage!”

Others were not so optimistic, feeling that it would be difficult for Zhang Zhilin and Master Xuanku to kill those three.

However, nobody knew the final outcome and could only wait silently.

About half an hour passed.

Suddenly, two silhouettes streaked across the night sky, flying over from afar.

“The Celestial Master and Master Xuanku have returned!”

Someone exclaimed.

“Could it be that the Celestial Master and Master Xuanku have successfully slain those three?”

“Definitely, those three must have really been killed!”

The crowd cheered with excitement.

Soon, Zhang Zhilin and Master Xuanku arrived above Divine Emperor Island.

“Celestial Master, Master Xuanku, are those three dead?”

A high-ranking member of the Holy Imperial Court asked respectfully.

“No.”

Zhang Zhilin sighed and shook his head.

No?

Upon hearing Zhang Zhilin’s reply, the people present were immediately dumbfounded.

Zhang Zhilin continued, “Master Xuanku and I chased those three fellows all the way to the Olympus Mountain Range.

But unexpectedly, there was a barrier set up there.

Master Xuanku and I couldn’t enter the barrier, so they got away.”

“A barrier?!”

That high-ranking official was momentarily stunned.

The others were also puzzled.

“Yes, a barrier.”

Zhang Zhilin nodded and said, “To put it in simple terms, it’s like they’ve created a small world within this one, separated by a barrier.

This barrier was most likely set up by those three major races and could lead to the world they inhabit.”

“Oh...”

The crowd seemed to understand but not quite.

The high-ranking official said, “So you’re saying, those three guys have already fled from this world?”

“That’s likely the case.”

Zhang Zhilin nodded and sighed, “It’s a pity that Master Xuanku and I couldn’t break through the barrier; otherwise, they wouldn’t have escaped.”

Master Xuanku also sighed, “It’s our fault for letting the tiger return to the mountain, a grave mistake...”

“Celestial Master, Master Xuanku, if it weren’t for you both coming to our aid today, our Holy Imperial Court might not have lasted long and would have been destroyed by those three!”

“Indeed, you have both done more than enough, and we are truly grateful!”

“By the way, Celestial Master, Master Xuanku, when will the Divine Emperor and the others return?”

“Yes, if the Divine Emperor and the others were here, and with both of you lending a hand, those three wouldn’t have had any chance to escape!”

The people began consoling and inquiring when Yang Luo and the others would return.

“Little Luo and the others have gone to another world for training; they will probably need some more time before returning.”

Zhang Zhilin replied and then added, “In a few days, Master Xuanku and I will head to that world, to see Little Luo and the others, and to inform them about tonight’s events.”

“Really?!”

That’s wonderful!”

“As long as the Divine Emperor and the others are back, we have nothing to fear!”

Everyone was looking forward to Yang Luo’s return.

Zhang Zhilin and Master Xuanku nodded, then instructed on some matters before leaving the Holy Imperial Court...

...

Time flew by, and three days passed in a blink.

Kunlun Ruins.

Central Continent.

Luosha Gate territory.

The main peak grand hall was filled with people.

Aside from the Sect Master of Luosha Gate, Gongsun Boling, and several elders,

the sect masters and elders from the other fourteen top evil demonic sects were also present.

Crack!

The Sect Master of Diablo Sect, Ye Canghai, slammed his teacup onto the ground, shattering it into pieces!

He shouted angrily, "It's infuriating, utterly infuriating that that kid is still alive!"

The Sect Master of Soul Devourer Sect, Ling Tianhun, said through clenched teeth, "Why is killing this kid so difficult?!"

Why?!"

Sect Master Gongsun Boling of Luosha Gate said fiercely, "Brother Li, Brother Cang, and I had everything planned out!

We sent six Law Enforcers and five hundred elites to intercept the people from Supreme Sect, then had Elder Lu and the others go assassinate Yang Luo!

But unexpectedly, to save Yang Luo, Mo Hongtu actually led five elders to the rescue!

All our six Law Enforcers and five hundred elites were slain, and they didn't manage to hold them off for long!"

Elder Lu Zhanming of Luosha Gate said in a low voice, "Brother Qu, Brother Cang, Brother Shen, and I intended to strike with the force of thunder and really meant business!

But who would have thought that the kid's strength was truly terrifying, managing to withstand our joint assault for so long!"

Chapter 2034: Must Persevere to the End!

Purgatory Pavilion elder Qu Zhuoyang coldly said, "That kid is too sinister; he has learned countless cultivation techniques, and each one is exceptionally powerful!

Most importantly, this kid also possesses weapons and Dharma artifacts that surpass Immortal Items!

That is precisely why he could withstand our combined attacks for so long!"

Cangxuan Hall elder Cang Xuantian said bitterly, "Of course, another factor is that this kid has help from Ji Longyue and those guys!

Even people from the Holy Fire Sect like Fu Yishan have gotten involved with that kid!

In order to help Yang Luo, that kid, Fu Yishan and his people dared to challenge us, which is truly infuriating!"

Lu Zhanming said with a vicious expression, "When the great battle begins, sects like the Holy Fire Sect, Heavenly Immortal Pavilion, Fu Mo Hall, and Xingluo Sect won't need to exist anymore!"

"Daring to challenge us is simply seeking death!"

"We must annihilate them!"

Qu Zhuoyang and Cang Xuantian also roared out loud in agreement.

Ye Canghai turned his head to look at Tuoba Ye, who had been silent, and asked, "Brother Tuoba, what should we do next?"

Should we think of another way to kill Yang Luo, that kid?"

"Impossible!"

Tuoba Ye raised his hand and said, "To kill Yang Luo, that kid, we have already suffered significant losses!

We must prioritize the bigger picture, and for now, we should not touch this kid!"

Ling Tianhun unwillingly said, "Brother Tuoba, this kid has killed several of our elders, are we just going to let that go?!"

Leng Changhen hissed, "We absolutely cannot let this go, that kid must die!"

Wan Lintian also roared, "This kid killed our True Immortal elders, if we do not avenge this, our major sects might as well not exist in the Kunlun Ruins!"

The reason they were so agitated was entirely because their sects had lost elders at the hands of Yang Luo.

Tuoba Ye frowned and said, "Brothers, do not get agitated, I did not say we won't kill this kid, I'm just suggesting that we temporarily hold off on taking action against him!

If we move against this kid now, those families and sects in good terms with him will surely step forward to help him!

Then, the great battle might arrive prematurely!

And now is not the best time, it's not yet time for full-scale war!"

“Then when exactly is the best time?”

Ling Tianhun asked harshly.

“Wait!”

Tuoba Ye uttered a word.

“Wait?”

Ling Tianhun was visibly annoyed, “Then exactly how long do we wait?”

Tuoba Ye’s eyes flashed with sharpness as he said, “Wait until all elders from our major sects emerge from seclusion!

Wait until all the Heavenly Immortal elders from our major sects return!

Wait until those families and sects resisting us fight each other and both suffer heavy losses!

That will be the best moment!

As soon as the great war officially starts, Yang Luo, that kid, will surely join the battle!

Then, we can settle our scores with that kid!”

Sky Demon Cult’s Saint Tu Wanxian sinisterly said, “Brother Tuoba speaks wisely; now is indeed not the best time, we still need to wait.

Moreover, once the great war officially starts, with so many of our elders uniting, and even the Heavenly Immortal elders possibly taking action,

do you think Yang Luo, that kid, will still be able to live?”

After listening to Tuoba Ye and Tu Wanxian’s words,

Ye Canghai, Ling Tianhun, Leng Changhen, and Wan Lintian and others all fell silent.

They thought that Tuoba Ye and Tu Wanxian’s points made sense,

Now seemed indeed not to be the best time.

Moreover, once the great battle truly began, even if Yang Luo, that kid, was strong, could he really compete against so many elders from their major sects?

Ling Tianhun pondered for a moment then nodded, “Alright, Brother Tuoba, we will follow your lead and continue to wait for the right moment!”

Ye Canghai’s eyes gleamed fiercely, “Let’s allow that kid to jump around a bit longer!”

Although Leng Changhen and Wan Lintian and others were furious and unwilling, they also nodded, agreeing with Tuoba Ye’s suggestion.

“I am deeply grateful that you all consider the bigger picture!”

Tuoba Ye laughed and clasped his hands together, then said, “In the coming time, we only need to carry out the plan in secret and communicate with communication jade talismans.

Let’s not move around each other anymore!”

Now, the Supreme Sect, Azure Dragon Family, White Tiger Family, Vermillion Bird Family, and Black Tortoise Family seem to have noticed something is amiss and are investigating us!”

For the sake of the grand plan, we must act discreetly and must not let those guys find out about our plan!”

“Yes!”

All those present responded in unison.

“

Elsewhere.

Azure Dragon Family.

Back mountain, the location of the Nine Heavens Dragon Field.

Ji Wenzhou exclaimed in shock, “It’s been eight days, Little Luo and the others have been in there for eight days and haven’t come out yet!”

Ji Zechuan said worriedly, “Could something have happened to Little Luo and the others?”

Ji Longsheng raised his hand and said, “Don’t worry, Little Luo is profoundly powerful.

Under his leadership, those youngsters won’t have issues.

Of course, even if something really happened, Little Luo would definitely contact us.

What we need to do is just continue to stay here and wait for Little Luo and the others to come out.”

“Alright.”

Everyone nodded.

At this moment.

Inside the Nine Heavens Dragon Field.

In a wide expanse.

The sky, the void, and the ground were filled with holes and cracks, terrifying to behold.

The nine Dragon Gates still silently soared in the sky.

Yang Luo and Ye Luange, among others, stood at the center of the nine Dragon Gates, gasping heavily.

In these days, they had fought a total of eighty-one divine dragons.

These eighty-one divine dragons included inferior, medium, and high-level divine dragons.

Each time, nine dragons appeared together, and they had appeared nine times in total, which was akin to a gauntlet battle.

At this point, everyone was almost unable to hold on, their bodies covered with open wounds and blood streaming.

Even Yang Luo had sustained serious injuries, his clothes soaked with blood.

“Huhâ€¦!”

Ning Jianfeng exhaled a breath of turbid air and said, “The ninth time, there won’t be a tenth, will there?

If there are a few more rounds, I truly won’t be able to hold on!”

Qin Zhanhuang swallowed and said, “I didn’t expect that the ‘Nine Heavens Dragon Field’ trial would be so difficult; we still haven’t passed the trial!”

Mu Wushang said, “After all, the ‘Nine Heavens Dragon Field’ is known as the number one mystic realm, so naturally, it’s no easy feat!”

Yang Luo encouraged, “Brothers, brace yourselves!

If we can pass all the trials, it will definitely be a great help in improving our cultivation and strength!

Of course, if anyone can’t hold on, don’t overdo it!

I will contact Uncle Ji to get you all out!”

Ning Jianfeng shouted, “I won’t leave without passing all the trials!”

“That’s right, we must persevere until the end!”

“Everyone, let’s put in more effort; we must pass all the trials!”

Ji Longyue and Baili Wushuang among others all shouted loudly, encouraging each other.

However, just then!

Boom!

Boom!

Boom!

The nine Dragon Gates started to shake violently again!

As the nine Dragon Gates trembled, the surroundings for hundreds of miles trembled violently as well!

Yang Luo's eyes hardened, he shouted, "The trial has started again, everyone be careful!"

Chapter 2035: Blood Essence of the Azure Dragon!

"Hmm!"

Everyone nodded in agreement.

The next second!

Whoosh whoosh whoosh!

Nine thick beams of light, shimmering with various colors, burst forth from the nine Dragon Gates!

Yang Luo felt a shock in his heart and immediately realized something was wrong, shouting loudly, "Get out quickly!"

Just as Yang Luo was leading everyone to rush out!

The nine beams that had burst from the nine Dragon Gates instantly interwove in the air, turning into formation patterns, forming a gigantic array!

This array formation, based on the nine Dragon Gates, was too enormous, practically blotting out the sun, trapping Yang Luo and the others inside!

The formation patterns were flashing with blindingly dazzling light!

The sky filled with runes circulated, emitting an ancient and simple aura!

“What formation is this?!”

Yang Luo exclaimed.

Ji Longyue looked carefully and spoke with a tremble in his voice, “Could it be...

could it be the ‘Nine Heavens Dragon Gate Array’?!”

“What is the ‘Nine Heavens Dragon Gate Array’?”

Mo Qingkuang asked.

Ji Longyue’s expression was grave as he said, “This ‘Nine Heavens Dragon Gate Array’ is one of the strongest killing arrays created by the Azure Dragon Ancestor who founded our clan!

The more powerful the cultivator and the more participants in the formation, the greater the power the array can exert!”

“I see.”

Yang Luo and the others suddenly nodded their understanding.

At that moment!

The array activated!

A dense barrage of beams exploded from the array, like a multitude of immortal rainbows flashing various attribute energies, brilliantly dazzling, aiming to shoot Yang Luo and the others dead!

Numerous chains, shimmering with different colored lights, also howled out to bind Yang Luo and the others!

Countless dragon talismans also flew from the nine Dragon Gates, attacking with the intent to suppress!

Several divine dragons also flew out, aiming to crush Yang Luo and the others!

Yang Luo bellowed, "Fight back!

Break this array!"

"Yes!"

Everyone responded in unison.

Under Yang Luo's leadership, everyone launched a fierce attack on the array!

Wave after wave of attacks struck out, bombarding in all directions!

Clang, clang, clang...

Boom, boom, boom...

A series of collision and explosion sounds continued unceasingly!

Under the joint efforts of Yang Luo and the others!

The first wave of attacks launched by the array was completely destroyed!

But soon, the array unleashed a second wave, a third wave, a fourth wave of attacks, truly unceasing!

Yang Luo and the others, besides launching fierce attacks, also used Dharma artifacts to assault the array!

Rumbling...

Rumbling...

The sound of explosions continued unceasingly, shaking heaven and earth, stirring in all directions!

When the array launched its tenth wave of attacks!

“Ahhh...”

Lin Wenxuan, Ning Jianfeng, Qin Zhanhuang, and Mu Wushang could no longer withstand it, screaming in pain, they fell straight from the sky, crashing to the ground!

“Wenxuan, Jianfeng, Zhanhuang, Wushang!”

Yang Luo and the others shouted in alarm, but at this moment they were too busy to help themselves, and could only continue to assault the array.

When the array launched its fifteenth wave of attacks!

Big White, Mo Qingkuang, Divine Emperor of Light and Darkness, Emperor of the Dead, and the Ice Empress could also no longer withstand it, falling from the sky!

After crashing to the ground, everyone was bleeding profusely, completely unable to move!

After the array launched its twentieth wave of attacks!

Tantai Puti and Yi Yuheng were also close to their limit, blood splattering their bodies, appearing somewhat shaky!

However, the two did not give up, but continued to forcefully endure, alongside Yang Luo and a few others, continuing the fierce attack on the array!

Only after the array launched its twenty-seventh wave of attacks!

“Uh...”

“Ah...”

Yi Yuheng and Tantai Puti could no longer hold on, falling from the sky.

Just as the two were falling!

The entire array formation’s attack suddenly stopped!

“What’s going on, is it over?”

Song Zhixin’s face turned pale as she asked.

Yang Luo glanced at the Nine Heavens Dragon Gate, his expression grave, “Something’s not right, I’m afraid the array formation is brewing a killing move!

Everyone, stay alert and be ready to continue fighting!”

“Understood!”

Flame Emperor and the others nodded gravely.

A few minutes later!

In front of Yang Luo and others!

The Nine Heavens Dragon Gate suddenly surged toward the heavens, heavily overlapping above the sky!

The Nine Heavens Dragon Gates actually merged into one, transforming into a massive, thousands of feet high, nine-colored Dragon Gate!

“What...

What is this about...

How did the Nine Heavens Dragon Gate merge into one?!”

Baili Wushuang asked, dumbfounded.

“I...

I don't know either...”

Ji Longyue shook his head blankly, completely unable to comprehend the situation.

The next second!

“Roar!”

Accompanied by a vast, ancient, and resonant dragon roar.

A gigantic dragon phantom flew out from the Dragon Gate, appearing above the sky!

This great dragon was three thousand feet long, its body shimmering with azure and gold light, its dragon scales sharp as blades, glittering brilliantly!

It stepped on the void, surrounded by a sea of clouds, appearing like a Nine Heavens Divine Dragon descending upon the world, spreading majestic dragon might and dragon qi, formidable and overwhelmingly supreme!

“Is...

Is this the Azure Dragon of the Ancient Four Divine Beasts?!”

Song Zhixin exclaimed.

Ji Longyue nodded gravely, "That's right, this must be the Azure Dragon, and it has transformed from the will of the Azure Dragon Ancestor!"

Flame Emperor marveled, "Although it's not the real Azure Dragon descending, it's still extraordinary!"

Down on the ground, Tantai Puti and others were also stunned, completely dumbfounded.

They had not expected that after merging the Nine Heavens Dragon Gate into one, it would actually summon the ancient divine beast, the Azure Dragon.

Yang Luo stared intently at the Azure Dragon, sensing a powerful energy contained within it!

This feeling was just like when he had fought the White Tiger not long ago!

Just as he was lost in thought!

"Kid, the blood essence of the Azure Dragon is within this dragon, defeat it, and obtain the blood essence!"

The voice of Primordial Divine Dragon rang inside Yang Luo's mind.

Yang Luo was very excited, "The blood essence of the Azure Dragon is indeed within this dragon!"

Then I'm determined to obtain this Azure Dragon blood essence!"

Long Tianchi chuckled, "Kid, if you get the Azure Dragon blood essence, then you will have collected the blood essence of all the Ancient Four Divine Beasts!"

Plus the Holy Dragon Blood in your body, it's hard to imagine what kind of phenomena will occur then!"

Long Youlan giggled, "I'm very much looking forward to it..."

Right at that moment!

"Roar!"

The Azure Dragon let out a roar, its body moved, shaking the heavens and earth, creating Stormy Wind and Clouds, diving directly toward Yang Luo and others!

Yang Luo, holding the Dragon Emperor Sword, was excited and boiling with passion, he shouted, "Second Senior Sister, Fifth Senior Sister, Brother Ji, Brother Baili, let's go together!"

"Alright!"

Flame Emperor, Song Zhixin, Ji Longyue, and Baili Wushuang responded in unison.

Immediately, the five of them stepped into the air, turning into five streaks of light, charging toward the diving Azure Dragon, and began an epic battle in the sky!

Mo Qingkuang struggled to sit up from the ground, took a few deep breaths, and said, "Brothers, this Azure Dragon is extraordinary, its strength is probably extremely powerful!

We must heal quickly and recover, and do our best to help!"

"Alright!"

Lin Wenxuan and the others responded with vigor.

Everyone got up, sat cross-legged on the ground, took pills, and began to heal and recover...

Chapter 2036: Invincible in a Hundred Battles!

At this moment,

above the heavens,

Yang Luo and his team of five were clashing with the Azure Dragon in a tumultuous battle that darkened the skies and tore the land asunder, utterly chaotic!

Boom!

Boom!

Boom!

Rumble!

Rumble!

Rumble!

The incessant sounds of thunderous impacts and explosions resounded ceaselessly!

Bursts of light and energy surged through the sky, virtually moving mountains and seas, shattering everything in their path!

In the thick of battle, the injuries of Yang Luo and his comrades worsened, with blood spraying into the air!

Yang Luo and Flame Emperor were still able to hold on!

But Sister Song, Ji Longyue, and Baili Wushuang were on the verge of collapsing!

After dozens of fierce rounds of combat!

The Azure Dragon suddenly lashed out with its tail, striking towards the team of five!

Thunder!

Thunder!

Thunder!

The dragon's tail was incredibly thick, smashing towards them like a mountain range, shaking the heavens and the earth, crushing the void!

Despite their relentless attacks, Yang Luo and his team simply could not withstand this overpowering and vast force!

"Dodge!"

Yang Luo shouted loudly, swiftly ascending to higher skies to avoid the strike!

Flame Emperor, Sister Song, Ji Longyue, and Baili Wushuang also shot into the heights!

Accompanied by the deafening sounds of "Booming thunder"!

The massive tail smashed into emptiness, hitting the void so hard it tore a hole in it!

But there was no respite for Yang Luo and his team!

“Roar!”

The Azure Dragon let out a fierce roar!

A thick torrent of deep red Dragon Flame burst from its mouth, threatening to engulf them all!

The Dragon Flame radiated scorching heat, twisting and warping the space so intensely that even steel would likely melt instantly into molten iron!

And then, torrents of water surged skyward like a flood burst, rushing towards the team of five!

The Azure Dragon unleashed one of its divine powers, “Water Control Dragon Breath” instantly!

“Counterattack!”

Yang Luo roared, violently swinging his Dragon Emperor Sword and unleashing a myriad of other attacks!

The Flame Emperor and the others also launched a fierce offensive simultaneously!

Boom!

Boom!

Boom!

Together, the five of them managed to ward off the onslaught of the Dragon Flame!

But in the blink of an eye!

Whoosh!

Whoosh!

Whoosh!

Cough!

Cough!

Cough!

Huge tornadoes roared across heaven and earth, like pillars holding up the skies, bearing down on them from all directions!

Moreover, an intense barrage of energy beams rained down upon them, descending like a torrential downpour!

The second divine power, "Summoning the Wind and Rain," was executed!

Yang Luo and his team, without any hesitation, continued their fierce counterattacks, blocking the tornadoes and the barrage!

But the Azure Dragon's onslaught did not cease, it raised its head and roared skyward!

An expanse of clouds, stretching over a hundred thousand meters, gathered in the skies in a flash!

The next moment!

Boom!

Boom!

Boom!

Massive purple lightning bolts descended from above, striking at Yang Luo and the others!

The third divine power, "Release the Lightning," was executed!

"Everyone be careful to guard, let's break through this lightning!"

Yang Luo bellowed, consolidating all his defenses and, with the Dragon Emperor Sword in hand, charged high into the sky!

The Flame Emperor and the others also concentrated all their defenses and charged upward with fervor!

But, under the Azure Dragon's prolonged howl!

The area covered by the gathering storm clouds grew larger and larger!

The number and power of the lightning bolts increased as well!

"Aaahhh..."

Sister Song, Ji Longyue, and Baili Wushuang could no longer bear the strain, crying out in pain as they fell from the sky, crashing onto the ground below!

“Fifth Senior Sister, Brother Ji, Brother Baili!”

Yang Luo cried out in alarm.

“Sister Song, Brother Ji, Brother Baili, are you all right?!”

Ning Jianfeng and the others also asked anxiously.

Ji Longyue gritted his teeth and replied, “We’re fine, don’t worry!”

At that time.

In the skies above.

Yang Luo and Flame Emperor continued their charge towards the Azure Dragon!

The Azure Dragon circled overhead, looking down upon the two, and suddenly erupted with energy from within!

In an instant!

A massive thirty thousand feet tall cyan-golden totem condensed in the sky!

Within the entire totem, nine divine dragons revolved, ancient and full of years, containing terrifyingly immense energy!

“Roar!”

With a roar from the Azure Dragon!

The Azure Dragon totem spread across the sky, overwhelmingly pressing down on Yang Luo and Flame Emperor!

And as the Azure Dragon totem descended!

Nine beams, each infused with the power of nine attributes and several hundred feet in size, shot down, attempting to annihilate the two!

Yang Luo and Flame Emperor launched a series of attacks, fiercely assaulting the Azure Dragon totem but were utterly unable to break through it!

A few minutes later!

“Ugh...”

“Ah...”

Yang Luo and Flame Emperor also fell from the high skies, crashing onto the earth below!

The ground collapsed under the impact, cracking open as rocks flew and dust enveloped the area!

“Brother Yang!

Sister Luan Ge!”

“The Azure Dragon is too strong, we probably won’t be able to pass this trial!”

“Shall we leave?”

Ji Longyue and the others shouted in alarm, already considering retreat.

There was no helping it, even Yang Luo couldn't contend with the Azure Dragon, there was no way they could pass this challenge!

But, just then!

Yang Luo stood up straight!

He stared at the skies above and declared resolutely, "No matter what, I must pass this trial!

Azure Dragon Ancestor, please enlighten me!!!"

Accompanied by a thunderous roar!

Boom!

Yang Luo stomped down, shattering the ground beneath his foot!

His body soared like a wild dragon, shooting up to continue the battle against the Azure Dragon!

Collisions and explosions were relentless!

Energy and light swirled chaotically, blood sprayed into the air!

Watching the fierce battle between Yang Luo and the Azure Dragon in the sky.

Flame Emperor and the others could not help but feel their hearts pound and their bodies tremble.

Ji Longyue said with admiration, “No wonder Brother Yang’s cultivation and strength have improved so quickly, leaving us all behind time after time!

It’s not just about Brother Yang’s talent and comprehension but also because he’s hardworking enough, desperate enough!

Regardless of any adversity, any challenge, he would never give up, he’s unyielding and indomitable!”

Baili Wushuang and the others also nodded, their eyes filled with respect as they looked at Yang Luo.

They had almost watched Yang Luo grow up along this journey, knowing full well the hardships and tribulations he had gone through.

Flame Emperor took a deep breath and said, “Everyone, let’s hurry and heal our wounds, and later we’ll try our best to aid Little Luo!”

“Mhm!”

Everyone nodded robustly.

Afterwards, Flame Emperor and the others continued to heal and recover.

...

In the blink of an eye, another two days passed.

Inside the Nine Heavens Dragon Field.

An open expanse.

The earth had long been scarred, filled with pits and hollows everywhere.

The sky and the Void too were riddled with holes and cracks that took a long time to heal.

At this time.

On a flat piece of land in the distance.

Flame Emperor and international Diva and the others sat cross-legged, their bodies covered in wounds, their clothes dyed red with blood, unable to move.

In these two days, Yang Luo had been in constant battle with the Azure Dragon.

After recovering from some of their injuries and regaining some qi, they had lent a hand to Yang Luo a few times.

But, ultimately they weren't much help, getting knocked down again and again, until now, unable to stand up any longer.

And in the ruins not so far away.

Yang Luo's body had been drenched in blood countless times, covered in cuts and gashes, not a single spot remained intact.

But he had still not fallen, leaning on the Dragon Emperor Sword for support, gazing at the Azure Dragon above him.

Chapter 2037: Cultivation and Enlightenment!

At this moment.

The Azure Dragon was coiling above, looking down upon Yang Luo.

After two days of fierce battle, its colossal body was also covered in cracks, as if it could disintegrate at any moment.

But, as long as it remained within the Nine Heavens Dragon Field, it could continuously absorb energy and heal its body.

“Huff...”

Yang Luo let out a long breath of turbid air and said with a resounding voice, “Azure Dragon Ancestor, if you wish to continue the battle, I shall accompany you until the end!”

The Azure Dragon gazed at Yang Luo for a long time.

Afterwards, it opened its mouth wide, and a bead the size of a pigeon’s egg, glinting with azure-gold light, flew out, resembling a divine dragon spitting out a pearl.

Whoosh!

The bead whistled through the air, drawing a long arc in the sky, and stopped in front of Yang Luo.

This bead dazzled with blinding azure-gold light, containing inside it a drop of fresh blood.

Yang Luo was suddenly startled, his face full of excitement and joy!

Could this be the blood essence of the Azure Dragon?!

He had obtained the blood essence of the Azure Dragon?!

Good, this is just too good!

All his persistence had not been in vain, despite being battered and bruised!

At this time.

On the distant flat ground.

Ning Jianfeng asked loudly, "Brother Yang, what is that bead?!"

Ye Luange and others also turned their gaze toward the bead, their eyes filled with confusion.

Yang Luo grabbed the bead with one hand and declared loudly, "This is the blood essence of the Azure Dragon!"

"What?!"

The blood essence of the Azure Dragon?!"

"My heavens, Little Luo, you've obtained the blood essence of the Azure Dragon?!"

"Doesn't this mean that Brother Yang has acquired the blood essence of all four ancient Divine Beasts?!"

"Haha, congratulations to Brother Yang!"

Ye Luange and Diva Zhixin and the others were shocked and overjoyed.

After all, every time Yang Luo acquired a type of essence blood, he would gain many divine powers, and his strength would surge tremendously.

Yang Luo also thought to himself, “Senior Xinghe, Senior Tianchi, Aunt Youlan, I have not failed my mission and have obtained the blood essence of the Azure Dragon!”

“Haha, good, well done!”

“Kid, hurry and refine the blood essence of the Azure Dragon and boost your own strength!”

“The energy of the Azure Dragon’s blood essence is very strong, it should help us partially open the fourth bronze dragon coffin!”

Primordial Divine Dragon, Tian Long, and Long Youlan all exclaimed in surprise.

“Yes!”

Yang Luo responded.

Just then.

The Azure Dragon coiling in the sky dissolved into the air, transforming into energy, and re-entered this small world.

“Has the trial ended?”

Tantai Puti asked in a daze.

“It should be over, I guess.”

Ye Luange spoke.

Everyone waited for a while.

Seeing that nothing else happened in this world, they finally breathed a sigh of relief.

Yang Luo said, "Brothers, the trial is over!

Next, let's all heal and recover while cultivating, to see if we can achieve our own breakthroughs!"

"Yes!"

Ye Luange and the others nodded.

Yang Luo then said to Ji Longyue, "Brother Ji, you should quickly contact Uncle Ji and the others to let them know not to worry about us."

"Alright!"

Ji Longyue responded, took out a communication jade talisman, and contacted Ji Wenzhou.

Afterwards, Yang Luo sat down on the spot and directly swallowed the blood essence of the Azure Dragon.

The moment the blood essence of the Azure Dragon entered his body!

A powerful torrent of vast energy erupted, surging into his internal organs, eight extraordinary meridians, and limbs!

This energy was extremely formidable, even surpassing that of the White Tiger's, Vermillion Bird's, and Black Tortoise's essence blood!

Even though Yang Luo's physique had already become quite formidable and his endurance was extremely strong, he still couldn't withstand the explosive force!

His skin, muscles, and veins started to rupture extensively!

His internal organs began to shatter!

Blood immediately drenched his entire body, dyeing every single strand of his hair!

"Ugh..."

He let out a chilling scream, blood oozing out from his mouth, nose, eyes, and ears, his face twisted as if he was a demonic specter.

Seeing Yang Luo's tragic state,

Flame Emperor and the others were so frightened that they trembled all over.

Ning Jianfeng's mouth twitched uncontrollably, "My goodness, why does Brother Yang always make the assimilation of Ancient Divine Beast Essence Blood seem so terrifying?"

Qin Zhanhuang said, "This is the true blood essence of an Ancient Divine Beast, the energy contained within must be extremely horrifying!

If we were to ingest it, I'm afraid we wouldn't last even a few minutes before our bodies would explode and perish!"

"Second sister..."

Little Luo will be okay, right?”

Song Zhixin’s eyes were full of distress and worry.

Flame Emperor stared intently at Yang Luo, gritted her teeth and said, “It will be fine, Little Luo will definitely succeed in assimilating the blood essence of the Azure Dragon and move towards greater strength!”

At this moment,

Yang Luo kept letting out painful screams.

Even though he was trying his best to assimilate it, he still had difficulty controlling the terrifying energy rampaging within his body.

The energy, like a torrential river, raged within his body, with immense destructive power.

His body continued to be torn apart, blood gushing out like waterfalls, splattering everywhere.

After enduring for over ten minutes,

Primordial Divine Dragon said, “Fifth Brother, Seventh Sister, the energy of the blood essence of the Azure Dragon is too strong, this lad probably won’t be able to absorb it all, let’s help him absorb it together!”

“Okay!”

Long Tianchi and Long Youlan both replied.

After a while,

A portion of the energy, like the tide, separated from Yang Luo's body and was absorbed into the Divine Sense Space.

Primordial Divine Dragon, Long Tianchi, and Long Youlan then started channelling these streams of energy, continuously transferring them into the fourth bronze dragon coffin.

Only then did Yang Luo feel the pressure lessen considerably, and the pain in his body also reduced a lot.

"Whew..."

He took a deep breath, exhaling turbid air, and continued to quicken the pace of assimilating the blood essence of the Azure Dragon.

Before long,

Yang Luo finally stabilized, his body radiating dazzling azure-golden light.

Seeing this,

Everyone finally breathed a sigh of relief.

Flame Emperor said, "Little Luo has stabilized, let's start healing and cultivating!"

"Okay!"

Song Zhixin and the others responded in unison.

After that, everyone took their pills and began healing and cultivating.

Time slowly passed by.

One day, two days, three days...

During these three days,

Yang Luo was like an old monk in meditation, motionless, the azure-golden light flickering on his body as if it would never extinguish, eternal and undying.

Flame Emperor and the others also forgot everything around them, focusing on healing and improving themselves.

Until the morning of the fourth day.

Outside the Nine Heavens Dragon Field,

The dawn sun was rising, sunlight pouring over the land, all things flourishing with life.

Ji Wenzhou and others were standing beside the array platforms.

“Little Luo and the others said they had passed the trial a few days ago, why haven’t they come out yet?”

Ji Wenzhou’s face was full of confusion.

Three days ago, he and Ji Longsheng and a few elders were ready to enter the Nine Heavens Dragon Field to see what was going on.

Fortunately, Ji Longyue contacted him in time.

After learning that Yang Luo and the others had passed the trial, they were somewhat reassured.

But to their surprise, three more days had passed, and there was no sign of Yang Luo and the others coming out, which puzzled him greatly.

Ji Longsheng said with a faint smile, "Little Luo and the others are probably cultivating and seeking enlightenment inside, all we need to do is continue to wait..."

Chapter 2038: Yuhua Immortal!

The voices had not yet faded!

Boom boom boom!

The entire array platform suddenly began to shake!

A faint glow emerged on the array platform!

Seeing the platform vibrating,

Ji Longsheng stroked his beard with a smile and said, "It seems someone has made a breakthrough."

Ji Hanlin smiled and added, "It's just not clear who exactly has made the breakthrough."

Therefore, if someone breaks through within the Nine Heavens Dragon Field, the outside will also be affected.

"Could it be that Little Luo has broken through?"

Ji Zechuan asked.

Ji Longsheng said, "It is extremely difficult for cultivators to ascend even a minor realm after entering the True Immortal stage.

Especially since Little Luo is now in the middle True Immortal Realm, It will probably be even harder for him to step into the late True Immortal Realm.

It might be someone else who has broken through, of course, but we can't rule out that it was Little Luo.

After all, this kid's talent, comprehension, and potential are unfathomable and elusive."

Ji Jiu Ci said with a smile, "Regardless of who has made the breakthrough, it is a joyous and congratulatory occasion!"

Everyone nodded, also full of anticipation to find out who it was that broke through.

At this moment.

Inside the Nine Heavens Dragon Field.

In an open area.

Mo Qingkuang and Big White were engulfed in a purple-gold beam and a platinum beam, respectively!

These two beams, like pillars of light, propped up a corner of the sky!

Thus, Mo Qingkuang and Big White finally achieved their breakthroughs, stepping into the late-stage Earth Immortal Realm!

Not long after the beams rose up from Mo Qingkuang and Big White!

A vigorous golden-red flame ignited around Tantai Puti!

The surrounding void twisted and warped with the heat, and the ground turned scorched and black!

Yi Yuheng's body shimmered with dazzling blue-gold radiance, and bone-chilling coldness spread out from him!

Frost floated in the air around, and a thick layer of ice covered the ground!

Before long.

Boom boom!

A golden-red beam and a blue-gold beam surged forth from Tantai Puti and Yi Yuheng!

These beams pierced through the firmament, scattering a vast expanse of the Cloud Sea overhead!

With that, both had also made a breakthrough, reaching the Perfected Earth Immortal stage!

Time slowly passed by.

Until the beams of light eventually dissipated in the sky.

Tantai Puti, Yi Yuheng, Mo Qingkuang, and Big White all opened their eyes, awakened from their state.

Shortly after.

Flame Emperor and Ji Longyue, among others, also came to.

Ji Longyue said with a smile, “Puti, Yuheng, Brother Mo, Big White, congratulations on making the breakthrough in your cultivation!”

Overwhelmed with joy, Tantai Puti’s eyes curved into crescents as she smiled, “This is fantastic, I’ve finally stepped into the Perfected Earth Immortal stage, and now I can make a push towards True Immortal!”

Yi Yuheng swung his fist forcefully, “This barrier of True Immortal, I must overcome it!”

“I also want to make a push towards True Immortal!”

Big White, having shrunk his body, also waved his fist.

“True Immortal, I wonder when I will be able to step into it.

I will give it my all for this!”

Mo Qingkuang’s eyes were also full of determination and anticipation.

Ning Jianfeng complained, “This is outrageous, even Big White has entered the late-stage Earth Immortal Realm, why didn’t I break through this time?!”

Qin Zhanhuang laughed and said, “Big White is no ordinary creature, his talent is probably higher than yours!”

Ning Jianfeng shook his head helplessly, muttering “outrageous” under his breath.

Baili Wushuang sighed, “It’s a pity that my attempt to reach True Immortal this time was not successful.”

Ji Longyue patted his shoulder and said, "Brother Baili, True Immortal is, after all, a barrier.

It's never going to be that easy to cross.

But, I believe, it won't be long before we can step into True Immortal!"

Baili Wushuang glanced at Ji Longyue and said, "Brother Ji, then let's see who can step into True Immortal first, shall we?"

Ji Longyue replied with a laugh, "That will definitely be me stepping into True Immortal before you do!"

Baili Wushuang chuckled, saying, "Then let's wait and see!"

"Hey, are you two forgetting about me and Brother Yi?"

Tantai Puti, with hands on hips, visibly discontented, "Who knows, maybe Brother Yi and I will step into the True Immortal realm before you do!"

Yi Yuheng smiled and said, "That's really hard to say!"

Ji Longyue laughed heartily and said, "Then let's have a competition and see which of us four enters first!"

"Alright!"

"A competition it is, who's afraid of who!"

"It's definitely going to be me who enters first!"

All three of Baili Wushuang laughed out loud.

On the side, Emperor of the Dead helplessly said, "Divine Emperor, Ice Empress, looks like we need to step up our game as well!"

Divine Light and Darkness, neither pleased nor upset, stated, "As long as one can lay a solid foundation, the breakthrough in cultivation is simply a matter of time!"

Ice Empress's lips curved slightly upward, "Little Luo also said, the process of cultivating cannot be rushed; one needs to take steps steadily to truly progress."

Emperor of the Dead clicked his tongue and said, "Ice Empress, you've spent a lot of time with Brother Yang, and you've become a lot more cheerful, huh!

You never used to smile like this before!"

Ice Empress looked tenderly towards the distant Yang Luo, saying, "Don't you all feel there's some kind of magic about Little Luo?"

He seems to unite everyone around him, uplifting himself while also helping those nearby to rise as well!"

Emperor of the Dead laughed loud and said, "That's why I admire the kid and am willing to follow him!"

Divine Light and Darkness also nodded with a smile.

"Eh...

why is it that aside from Brother Yang, Sister Song has yet to make a move?"

At that moment, Tantai Puti's gaze shifted towards the not-so-distant international Diva, Song Zhixin.

“It’s quite strange, why hasn’t Sister Song woken up yet?”

Ning Jianfeng also looked puzzled.

Everyone else also turned their gaze towards Song Zhixin.

Song Zhixin was sitting quietly a short distance away, completely motionless.

Her body was shimmering with eight-colored glazed radiance, making her seem incredibly divine, just like a fairy of the Nine Heavens.

Tantai Puti suddenly thought of something and exclaimed in shock, “Could it be that Sister Song is about to step into the True Immortal realm?!”

As soon as these words came out!

Everyone present changed their expressions dramatically!

“Damn!”

Ning Jianfeng swallowed hard, “Doesn’t that mean our team is going to have another True Immortal?!”

Just at that moment!

Boom boom boom!

The ground where Song Zhixin was located suddenly started to shake violently!

The shaking grew more and more intense, causing even the sky to tremble!

Sea of Rolling Clouds surged, with a majestic and boundless aura!

Flame Emperor's face changed as he cried out, "Quick, retreat!

The fifth sister is assaulting the True Immortal realm!"

With that, Flame Emperor led everyone to soar into the sky, evacuating to a farther location!

And just as everyone was evacuating in that instant!

Crack crack crack!

The ground where Song Zhixin was began to collapse and tear apart!

Stones flew chaotically, dust billowed!

The eight-colored light flickering on her body grew more dazzling and bright, illuminating all directions of heaven and earth!

At this moment, Song Zhixin's body appeared like a piece of Glazed Jade, unfathomably holy!

Collapse!

The earth she was on directly collapsed into a massive abyss pit!

And yet, she remained unaffected, sitting cross-legged above in the air!

A few minutes later!

Boom!

An eight-colored beam shot forth from Song Zhixin's body straight into the sky, piercing through the cloud layer!

As the beam shot into the sky!

A figure, identical to Song Zhixin and radiating with eight-colored light, directly flew out from her body!

This figure, with both hands holding an Eight-Colored Glazed Lotus, flew towards the sky, akin to a fairy of the Nine Heavens ascending as a Yuhua Immortal!

Chapter 2039: Four Great Divine Beasts!

Clouds of heavenly fortune surrounded the area, enveloped in immortal energy, with various immortal beasts circling around.

This figure displayed all sorts of phenomena!

As the figure ascended towards the sky, her hands upheld a Glazed Glass Lotus, which scattered its petals one by one.

It was like an immortal scattering flowers, dreamlike and illusory!

Tantai Puti blankly exclaimed, "My God, is this Sister Song's Essence Soul?!"

It's too ethereal and dreamy, just like a saint descending to the mortal world!"

Ji Longyue and the others were also dumbstruck, their eyes filled with astonishment.

Flame Emperor focused intently on Song Zhixin, his eyes also full of shock.

The origins of the fifth sister must be extraordinary, her talent and comprehension were hardly inferior to his own.

Otherwise, Little Luo wouldn't have been able to ascend to True Immortal status following him.

Time slowly passed.

Who knows how long it had been.

As various phenomena dissipated.

The figure flew into Song Zhixin's body.

Everything finally returned to calm.

After a while,

Song Zhixin slowly opened her eyes, two eight-colored beams shot out from her pupils and vanished in a flash.

She slowly stood up, her long dress fluttering, her body gleaming with immortal light, her aura robust, adding a divine aura to her presence.

"Little Sister, congratulations on ascending to True Immortal!"

"Sister Song, congratulations!"

“Good, our team finally has another True Immortal!”

Flame Emperor and Tantai Puti, among others, all offered their congratulations.

Song Zhixin stood up and walked over, stepping through the air.

With every step she took, an eight-colored Glazed Lotus bloomed beneath her, dazzling and splendid.

Soon, Song Zhixin approached Flame Emperor and the others.

She smiled slightly and said, “I have finally ascended to True Immortal, now I can be of more help to Little Luo!”

Tantai Puti smiled sweetly and said, “Sister Song, I also need to learn from you and aim for True Immortal status!”

Song Zhixin nodded and said, “Everyone, keep pushing on, striving to become stronger!”

“Yes!”

Everyone nodded emphatically.

“Now only Little Luo remains, I wonder if he has successfully refined the blood essence of the Azure Dragon and continued to enhance his cultivation.”

Song Zhixin turned to look towards Yang Luo in the distance.

Flame Emperor and the others also looked towards Yang Luo.

Everyone quietly waited.

Time passed by, minute by minute.

Who knows how long it had been.

Rumble!

The piece of sky and earth where Yang Luo was suddenly began to shake violently!

It even caused the surrounding area for hundreds of miles to tremble as if a powerful earthquake had been triggered!

“Did Brother Yang succeed in refining the blood essence of the Azure Dragon?!”

“Or is Brother Yang about to break through?!”

Everyone exclaimed in shock, their eyes full of terror.

Accompanying the shaking of the earth and sky,

A stream of earth-shattering energy burst from Yang Luo’s body, washing over everything in all directions!

The ground where he stood instantly cracked and collapsed, forming an abyssal pit!

The firmament above his head fractured into pieces, like glass that could shatter at any moment!

This energy was so mighty, vast, and terrifying it seemed it could destroy everything!

Distant pristine mountains, along with those already in ruins, instantly collapsed under its force, turning into a sky-full of rubble and dust that rose to the heavens!

“Retreat further, activate defenses!”

Flame Emperor exclaimed, leading everyone to quickly retreat and gather a solid, thick azure defensive shield.

Song Zhixin and others also mobilized the energy within their bodies to form layers of defense shields.

Boom!

Boom!

Boom!

This wildly fierce energy caused the defensive shields to rumble like rolling thunder, sparking with brilliant, blinding light!

Everyone was forced to keep retreating due to the vibrations!

However, as the breath and energy within Yang Luo’s body burst forth unceasingly!

The earth and sky shook even more violently, as if trying to turn the entire world upside down!

A few minutes later!

Boom!

A blue-gold beam of light erupted from his body, transforming into a massive Black Tortoise hundreds of feet tall!

The Black Tortoise stepped through the sky, with a blue-gold sea of ice surging fiercely, dominating all that is beneath the heavens!

As the Black Tortoise rose tremendously!

Boom!

A golden-red beam of light burst forth from Yang Luo's body, transforming into a massive Vermillion Bird hundreds of feet tall!

The Vermillion Bird spread its wings, with a golden-red sea of fire swirling, smelting the heavens and earth!

A minute later!

Boom!

A nine-colored glow burst forth from his body, transforming into a massive White Tiger hundreds of feet tall!

The White Tiger howled to the sky, a nine-colored sea of lightning creating tumultuous waves, shaking the nine heavens!

A full five minutes passed!

Boom!

An even more massive azure-gold beam of light erupted from his body, transforming into a massive Azure Dragon hundreds of feet long!

The Azure Dragon soared, riding the clouds and mist, summoning the wind and rain, releasing the lightning, unparalleled in the world!

Ning Jianfeng stared at the sky, dumbfounded, and exclaimed, "My heavens!

The Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise, the Four Great Ancient Divine Beasts have really been gathered by Brother Yang!"

Qin Zhanhuang remarked with admiration, "Throughout history, the ability to inherit the bloodline of several ancient divine beasts, only Brother Yang has managed to achieve this!"

Baili Wushuang clicked his tongue and said, "This guy is truly terrifying, being his enemy is simply a nightmare!"

"The rise of the four top-tier Divine Beasts simultaneously is too spectacular!"

Mu Wushang uttered dumbly, completely dumbfounded.

Sister Song swung her fists excitedly and exclaimed, "Little Luo is truly amazing, he really has refined the blood essence of the Azure Dragon!"

Flame Emperor and others were also stunned, unable to speak for a long time.

However, it wasn't over yet!

Just as these four ancient divine beasts loomed in the high sky!

Boom!

A dazzling, brilliant golden beam of light burst from Yang Luo's body, soaring into the sky!

This beam was even more massive, like a pillar supporting the heavens themselves!

Instantly!

This golden column of light transformed into a massively sacred golden dragon hundreds of feet long!

This golden dragon's aura and pressure were even more terrifying and overshadowed the Azure Dragon, White Tiger, Vermillion Bird, and Black Tortoise!

The golden dragon loomed in the central skies!

The Azure Dragon, White Tiger, Vermillion Bird, and Black Tortoise stood around it, like stars surrounding the moon!

The sight left Flame Emperor and others agape!

At this moment.

Outside the Nine Heavens Dragon Field.

Rumble!

The entire array platform emitted a fierce, dazzling light, shaking violently!

As the platform shook, the nine surrounding mountains also began to tremble!

Ji Wenzhou and others stood up, faces full of shock and confusion.

“Elders, what’s the situation, why such a great disturbance?!”

Ji Wenzhou exclaimed in shock.

Ji Longsheng puzzledly said, “Strange, even if it’s Little Luo and the others breaking through, it shouldn’t cause such a big stir?!”

Ji Jiu Ci frowned and said, “What exactly is happening inside the ‘Nine Heavens Dragon Field’?”

While everyone was puzzled!

Suddenly!

Boom!

Boom!

Boom!

Boom!

Beams of light burst forth from the array platform and the nine surrounding mountains all at once!

A total of ten beams pierced the heavens, intertwining above, and surprisingly evolved into a magnificent and splendid scene!

Chapter 2040: Too Defying the Heavens!

In this scene!

A golden dragon soared in the sky above the center!

The Azure Dragon, White Tiger, Vermillion Bird, and Black Tortoise, the Four Great Ancient Divine Beasts, encircled the area!

Ji Wenzhou trembled with shock as he looked up at the sky, "What...

what is this situation?!"

Ji Zechuan muttered, "Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise!

Could it be illusions emanating from Longyue, Wushuang, Puti, and Yuheng within the 'Nine Heavens Dragon Field,' manifesting on the outside?"

"That's not right!"

Ji Hanlin shook his head, "Even if Longyue and the others really evolved illusions of the Four Great Divine Beasts within the 'Nine Heavens Dragon Field,' they couldn't possibly affect the outside!"

"Then what on earth is going on?!"

Ji Jiu Ci asked blankly, then as if thinking of something, said, "Could it be the stir caused by Little Luo?!"

After all, Little Luo has already inherited the bloodline of the White Tiger, Vermillion Bird, and Black Tortoise!

But that's not right, Little Luo didn't inherit the Azure Dragon's bloodline!"

Ji Longsheng gazed into the sky, took a deep breath, and said, "If this is indeed an illusion evolved by Little Luo, maybe Little Luo has acquired our Azure Dragon Bloodline inheritance!"

"What?!"

"Is that true?!"

"One person inheriting the bloodlines of the Four Great Ancient Divine Beasts, isn't that too defying?!"

Ji Wenzhou and the others were both shocked and skeptical, simply unable to believe it.

"Then what's the deal with this golden dragon?!"

Ji Jiu Ci questioned.

Ji Hanlin said blankly, "Isn't Little Luo able to summon golden dragon illusions in battle?"

I fear that this really is a phenomenon triggered by Little Luo!"

"No mistake, it must be a phenomenon caused by Little Luo!"

Ji Longsheng nodded and then said, "Furthermore, this golden dragon is definitely no ordinary being, it might even surpass a divine dragon!

Just who is this child, Little Luo, and what sort of background does he possess?"

At this moment.

Not only Ji Wenzhou and the others were shocked.

All the clanspeople of the Azure Dragon Family were also stirred, each looking up towards this part of the sky.

When they saw this scene above the Nine Heavens Dragon Field!

Everyone was dumbstruck, as if turned to stone!

“My God, what’s happening now, why would such phenomena appear above the ‘Nine Heavens Dragon Field’?!”

“It is said that Mr.

Yang and the others entered the ‘Nine Heavens Dragon Field’ for trials more than ten days ago; could it be a phenomenon caused by them?!”

“Throughout the years, no one entering the ‘Nine Heavens Dragon Field’ for trials has ever triggered such miraculous phenomena!”

“Isn’t that so, the Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise have all appeared at the same time, and that golden dragon is very extraordinary, overpowering the Four Great Divine Beasts!”

“It must be Mr.

Yang...

most likely a phenomenon caused by Mr.

Yang!”

“Exactly, more than ten days ago when Mr.

Yang battled Fourth Elder and Seventh Elder, he also summoned a golden dragon!”

“Could it mean that this Tian Long of Kunlun Ruins has achieved further growth during his trial in the ‘Nine Heavens Dragon Field’?”

That’s terrifying!”

The people of the Azure Dragon Family were all exclaiming incessantly, marveling without end.

It couldn’t be helped, the sight before them was too shocking; they had neither seen nor heard of anything like it before.

Especially the airborne birds of flight, petrified with panic, hurried away in flight.

The mutated beasts kept in the numerous valleys were so frightened that they lay prostrate on the ground, trembling violently.

Although these were merely five illusions, or even just images displayed.

But given the suppression by bloodline, these mutated beasts naturally felt terror and unrest.

After all, any one of these five illusions would be enough to make them submit and worship devoutly.

At this time.

Inside the Nine Heavens Dragon Field.

Flame Emperor and international Diva, along with others, stared blankly into the distance above.

The pressure and aura emanating from the Five Great Illusions were so intense that they felt an overwhelming oppression; their bodies couldn't help but tremble.

Yang Luo, however, remained seated in the air, akin to an ancient statue—vast, primitive, majestic, atmospheric, with a dignified appearance, motionless.

Time passed, unknowingly how long.

The Five Great Illusions dove down simultaneously, merging into Yang Luo's body.

In an instant!

Various colors of light flashed on Yang Luo's body, so dazzling that Flame Emperor and the others couldn't even open their eyes!

A massive and boundless energy suddenly spread out from within him, sweeping through the heavens and earth in all directions, destroying and obliterating everything!

After a while.

The various glows gradually dissipated.

Eventually, everything returned to calm.

Only to see that the sky above and the Void where Yang Luo was had been blasted into a giant pit.

The abyss pit below him had widened and deepened by who knows how many zhang.

Ji Longyue and others in the distance were so terrified that their scalps tingled and they remained dazed for a long time.

“Hoo...”

Yang Luo let out a long breath of turbid air and slowly opened his eyes.

Two blazing golden beams burst forth from his eyes like swords, tearing through the Void, and then slowly faded.

Moreover, in his eyes flashed the images of the golden dragon, Azure Dragon, White Tiger, Vermillion Bird, and Black Tortoise—mysterious and unfathomable.

He slowly stood up, stretching his body; his bones cracked, and the scabs of blood on his body fell off in large areas.

Although his body was still smeared with dry blood, his wounds had completely healed, without even a scar to be seen.

He turned his head to look at Flame Emperor and the rest, waving his hand with a smile, “Brothers, have you finished cultivating?”

But, to his surprise, Flame Emperor and the others did not respond to his words, just stared at him blankly, as if looking at a monster.

Yang Luo felt a chill and asked, “Brothers, what’s wrong with you?”

There was silence for a while.

“Holy shit!

Brother Yang, do you really not know what just happened?!”

Ning Jianfeng yelled out and flew over.

Flame Emperor and the others also flew over.

“What happened?”

Yang Luo asked.

Tantai Puti danced with excitement, “Brother Yang, do you really not know?

Just now, you actually produced the Four Great Ancient Divine Beast Illusions of Azure Dragon, White Tiger, Vermillion Bird, and Black Tortoise!

And, you also brought forth your own golden dragon illusion, it was simply astounding!”

“Yes, yes, we were all stunned!”

international Diva also nodded repeatedly.

“Oh...

that’s what you’re talking about.”

Yang Luo shrugged his shoulders, grinning, “I just wanted to try and see if I could summon the Four Great Divine Beasts, sorry for scaring you.

“Awesome!”

Ning Jianfeng gave Yang Luo a thumbs up, "Brother Yang, you're truly amazing, I'm beyond words to express my admiration for you!

I bet when Bujie and the others see us later, their reactions will be even more exaggerated if you summon the Four Great Divine Beasts!

Haha, just thinking about it is fun!"

Qin Zhanhuang laughed and said, "It's been almost two months since we last saw Bujie and the others, I wonder how they've been!"

Mu Wushang said, "I guess Brother Bujie and the others have all made significant improvements!"

There was a sense of longing in everyone's eyes for Bujie and Xiang Kunlun.

However, as they thought about meeting again soon since the two months were almost up, everyone became very happy.
