

Super IDG 2121

Chapter 2121: Can You Turn the Sky Upside Down?

With those three sounds echoing,

Boom, boom, boom!

The entire land of the Purple Cloud Sect, even thousands of miles beyond its boundaries, started to shake violently!

It was sunset at this moment!

In the distant sky, the setting sun was like blood!

The evening glow filled the firmament, dreamlike and fantastical!

Ahead of that round crimson sun, space suddenly burst open in three directions, revealing three enormous voids, as if three dark and deep black holes had appeared out of thin air!

As the three black holes appeared,

waves of majestic and vast pressure and aura spread out from the three voids, enveloping the entire territory of the Purple Cloud Sect!

“What’s happening?

Could it be that another Heavenly Immortal has arrived?!”

“Moreover...

three at once...

and they seem to be Heavenly Immortals from our Penglai Immortal Island!”

“Good, it’s really so good, three more Heavenly Immortals have come to our side.

Let’s see how the old guy Lin Zhetian deals with us now!”

“If Lin Zhetian doesn’t run away now, then he won’t be able to escape later!”

The people of Penglai Immortal Island exclaimed excitedly, their faces filled with anticipation.

The people of Kunlun Ruins started to feel increasingly anxious.

Yang Luo also stared tightly at the distant sky, inadvertently clenching his fists.

He had not anticipated that Penglai Immortal Island’s Heavenly Immortals would actually come rushing over.

Even though Ancestor Lin could suppress Dongfang Wuji,

with three more Heavenly Immortals arriving on the opposite side, even Ancestor Lin, strong as he might be, seemed unlikely to hold out!

Several minutes later.

The first Void Cave started to gleam with a grayish-white light, within which various Immortal Palaces, Immortal Gods, and immortal phenomena evolved!

The second Void Cave shimmered with an azure gold light, countless Azure Gold Flying Swords crisscrossed and danced within it, forming a Sword Mountain, a sea of swords!

The third Void Cave flickered with a golden light, wherein several golden temples materialized, and towering golden Buddhas rose, chanting sutras, resounding and deafening!

At this moment!

The vast sky for thousands of miles was divided into three parts!

One part shimmered with grayish-white light, one with azure gold light, and one with golden Buddhist light!

The entire scene was grand and boundless, overwhelmingly breathtaking!

Shortly thereafter,

three figures emerged from the three Void Caves and reached the upper skies.

The first, tall and straight, wore a white robe and had a Taoist bun on his head, radiating otherworldly charm.

The second, tall and slender, wore a green robe, his narrow eyes gleaming with sharp brilliance.

The third, thin, was dressed in a gray monk's robe, his face serene and his demeanor dignified.

Just standing there, the three made everyone present tremble with fear, struggling even to breathe!

At the sight of these three figures,

“It’s Dao Yan Ancestor, Wan Jian Ancestor, and Tian Bao Ancient Buddha who have arrived!”

“Haha, it is said that both Dao Yan Ancestor and Wan Jian Ancestor had already entered the Mid-stage of Heavenly Immortal, while Tian Bao Ancient Buddha has stepped into the Late Stage of Heavenly Immortal!”

“Now, even if Tian Bao Ancient Buddha were to act alone, Lin Zhetian would undoubtedly be defeated!”

The people of Penglai Immortal Island were overjoyed and jubilant!

“It’s over, three powerful Heavenly Immortals have come from the opposite side; Ancestor Lin is in danger!”

“Damn it, those guys from Penglai Immortal Island knew that Dongfang Wuji couldn’t win against Ancestor Lin, so they all came running out!”

“Hopefully, we from Kunlun Ruins can also have a few more Heavenly Immortals come over to share the pressure off Ancestor Lin!”

The people of Kunlun Ruins grew more and more uneasy.

Originally, when they saw that Qilin family had suppressed Dongfang Wuji, they were very happy.

But who would have known, three more Heavenly Immortals showed up from the other side!

Yang Luo asked, “Which sects do these three old fellows belong to?”

Fourth Elder Mo Guishan replied, “These three are ‘Dao Yan Ancestor’ Qiao Huaxian from Heavenly Amplification Sect, ‘Wan Jian Ancestor’ Bai Yuanzhou from Immortal Sword Sect, and Tian Bao Ancient Buddha from Ten Thousand Buddha Sect!

Qiao Huaxian and Bai Qiongsheng's cultivation and powers are similar to those of Dongfang Wuji!

However, Tian Bao Ancient Buddha's cultivation is the highest and his power is strongest, his knowledge of the Buddhist doctrines is matchless!"

"I see."

Yang Luo nodded with understanding, his brows tightly furrowed, his heart filled with concern for Ancestor Lin.

Lin Wuwang cried out in anger, "These wretches from Penglai Immortal Island are truly despicable, always outnumbering the fewer!"

Fourth Elder Mo Guishan said solemnly, "I just hope that the ancestors from Kunlun Ruins can arrive soon!

Just relying on Ancestor Lin alone is not enough!"

Everyone's hearts were also raised, hoping that there would be other Heavenly Immortals from Kunlun Ruins to help Qilin family!

After Qiao Huaxian, Bai Yuanzhou, and Tian Bao Ancient Buddha stepped out of the Void Cave!

With one step, they instantly arrived in the Dark Void where Qilin family and Dongfang Wuji were!

"Brother Qiao, Brother Bai, Ancient Buddha, it's been a long time!"

Dongfang Wuji smiled and bowed his hands, "Thank you three for coming to help!"

Qiao Huaxian brushed it off with a wave of his hand, "Brother Dongfang, there's no need for thanks!

We are all part of Penglai Immortal Island; we naturally will not allow outsiders to run wild here!”

Bai Yuanzhou coldly stated, “Moreover, these people from Kunlun Ruins have gone too far, killing so many from our sects and families!

If we do not take action now, they might truly think that Penglai Immortal Island is easy to bully!”

“Amitabha Buddha”

Tian Bao Ancient Buddha pressed his palms together, murmuring, “My Ten Thousand Buddha Sect has stood on Penglai Immortal Island for so many years, never having encountered such disaster.

They have killed so many of our people; as a monk, I must seek justice.”

Dongfang Wuji nodded, “You three are right; all the sects and families of Penglai Immortal Island should be united as one, defending against external foes!”

He then turned his head towards Qilin family, sneering, “Qilin family, you think you are so strong?

Now, with the four of us here, can you still turn the tide?”

Qiao Huaxian said powerfully, “Dongfang Wuji, seeing as how we’ve known each other, we won’t make it difficult for you!

But, these guys must stay; they must pay with their lives for the crimes they’ve committed!”

Bai Yuanzhou haughtily said, “Qilin family, this is your only chance to live, hurry up and leave; do not be ungrateful!”

Tian Bao Ancient Buddha with his hands pressed together, softly stated, “Mr.

Lin, put down the butcher knife and become a Buddha on the spot; do not be delusional, just leave quickly.”

Qilin family, facing the gaze of the four men, did not back down and cried out powerfully, “As the elder of the Qilin family and a member of Kunlun Ruins!

If I cannot even protect my clansmen and the people of Kunlun Ruins!

Then I have no face to face our clansmen or the immortals of Kunlun Ruins!

Wanting me to leave is impossible!”

Qiao Huaxian said angrily, “Qilin family, we are all Heavenly Immortals, we know how difficult it is to achieve Heavenly Immortality!

And because of this, we were willing to let you off!

Are you sure you want to oppose us for these people?”

Bai Yuanzhou also coldly stated, “Qilin family, you have now stepped into the middle stage of Heavenly Immortal and have a great future ahead, possibly advancing to Golden Immortal!

Are you really going to throw your life away for these people?”

Tian Bao Ancient Buddha also declared loudly, “Mr.

Lin, do not deceive yourself!”

“Qilin family, are you not leaving yet?”

Dongfang Wuji also shouted angrily.

Chapter 2122: It's Not Too Late to Regret Now!

They were willing to let Qilin family off the hook for a couple of reasons.

Firstly, they cherished the acquaintance they once had.

Secondly, they knew Qilin family had awakened the ancient divine beast Qilin bloodline and inherited a unique physique, which made him very strong.

If Qilin family truly decided to fight them to the death, even if they could kill him in the end, they would likely get injured, which would not be worth it.

Therefore, if they could intimidate Qilin family and make him retreat, that would be the best outcome.

“Ha ha ha...”

Qilin family looked up to the sky and laughed heartily, with overwhelming pride declaring, “Enough of the nonsense, it's impossible for me, Qilin family, to abandon my clan and all of us from Kunlun Ruins!

If it's a battle you want, I, Qilin family, will accompany you to the end!”

With those words,

The whole crowd was shocked!

“That old fool Qilin family is truly stupid and ignorant, the ancestors gave him a chance, and he doesn’t even appreciate it!”

“Hmph, since this old fool wants to die alongside these fools, that’s perfectly fine!”

“If we could get rid of Qilin family, it would be a huge loss for Kunlun Ruins!”

The people from Penglai Immortal Island all sneered continuously, thinking that Qilin family was simply courting death.

“Even though Ancestor Lin knows he’s no match, he doesn’t want to abandon us, which is really admirable!”

“It is rumored that Ancestor Lin is generous and righteous, and indeed the rumors are true!”

“We are willing to risk our lives to ensure Ancestor Lin’s safety!”

The people of Kunlun Ruins were deeply moved and prepared to fight to the death with Ancestor Lin.

Yang Luo was filled with even greater admiration for Qilin family!

Who says Heavenly Immortals are born cold and indifferent?

Heroes like Ancestor Lin still exist!

He gripped the Dragon Emperor Sword in his hand, ready to support Qilin family at any moment!

Seeing that Qilin family still refused to leave, the four from Dongfang Wuji had lost their patience!

“Qilin family, since you insist on seeking death, we will fulfill your wish!”

“After descending to Huang Quan, don’t blame us for not giving you a chance!”

“Today, we will kill you and intimidate Kunlun Ruins!”

“Mr.

Lin, since you won’t heed our advice, you can’t blame us!”

The four from Dongfang Wuji all shouted angrily.

Qilin family remained fearless, thunderously declaring, “Then let’s fight!”

Before his words even fell,

Qilin family, holding the Qilin Battle Saber, led his own Dharma Idols and charged furiously at the four from Dongfang Wuji!

The people of Kunlun Ruins gasped, their hearts in their throats!

The people from Penglai Immortal Island were thrilled beyond measure, internally roaring in their hearts!

Kill that old fool Qilin family!

Kill him!

As they saw Qilin family madly charging towards them,

The four from Dongfang Wuji sneered continuously, feeling no significant pressure!

On their side were four people!

And Qilin family was only one man, what could he use to fight them?

In an instant!

Qilin family crossed hundreds of meters of the void, clutching the saber in both hands, and swung with all his might!

“Qilin Heavenly Slash!”

Swoosh!

With one slash, the earth shook and the void trembled!

A massive saber, over three thousand meters long and flaunting eight different colors, and imbued with a domineering saber intent and unmatched Divine Might, slashed at the four from Dongfang Wuji!

The towering Dharma Idol above him also swung a strong and mighty slash!

The dual sabers overlapped, radiating blazing light and oppressive Divine Might, and ferociously cleaved down!

“Mr.

Lin, this poor monk will meet you for a moment!”

Tian Bao Ancient Buddha shouted loudly, flipping his right hand and striking upward!

“Ten Thousand Buddha Palm!”

A huge golden palm, five thousand meters large and majestic like a great mountain, pressed down heavily!

The palm was engraved with the ancient swastika rune, containing boundless Buddha’s power, aiming to crush everything and annihilate all!

In an instant!

Boom boom!

The saber and palm collided fiercely, shaking the seas and wastelands, disturbing the Nine Heavens and Ten Earths!

Endless light and energy intertwined, rushing forth!

Under the onslaught of light and energy!

The Dark Void over the territory of Purple Cloud Sect continued to expand, spreading thousands of miles, covering the sky and blocking the sun!

Everyone present could only see a dark void, unable to see the sunset and evening clouds anymore!

Eastern Wuji, Qiao Huaxian, and Bai Yuanzhou quickly erected protective light barriers, blocking the waves of light and energy!

Due to the intense light and energy that erupted, Yang Luo and others watching below were also affected!

Everyone simultaneously activated their defenses, resisting the shock of the light and energy!

However, even though Qilin family was incredibly powerful and fought earnestly, he ultimately couldn't withstand the assault of Tian Bao Ancient Buddha!

After all, Tian Bao Ancient Buddha was a Late Stage Heavenly Immortal!

"Uh..."

Qilin family let out a muffled groan, being blown away along with his Dharma Idol!

What shocked the people of Penglai Immortal Island was,

Tian Bao Ancient Buddha, despite knocking back Qilin family, was also forced to retreat several steps!

"Did the Ancient Buddha actually get pushed back?!"

"Even if the Ancient Buddha wasn't completely serious, a Mid-stage Heavenly Immortal shouldn't be able to shake him!"

"Qilin family is really something!"

The people of Penglai Immortal Island exclaimed incredulously.

The people from Kunlun Ruins clenched their fists.

Ancestor Lin's strength was indeed strong, managing to push back Tian Bao Ancient Buddha was already not an easy feat!

But to suppress Tian Bao Ancient Buddha seemed virtually impossible!

Tian Bao Ancient Buddha opened his mouth, his voice thundering as he declared loudly, “Mr.

Lin, that palm strike was just a warning.

It’s not too late to regret now!”

“Regret?”

Qilin family burst into laughter, his fighting spirit soaring, “I, Qilin family, have never regretted the choices I have made!

Come again!”

With a roaring shout!

Qilin family once again led his Dharma Idol, charging toward Tian Bao Ancient Buddha!

“Enough...”

Tian Bao Ancient Buddha sighed deeply, his entire body trembling!

Golden Buddha light burst forth from his body, as if dyeing the entire Dark Void gold!

His oppressive aura and breath surged instantly, and his combat strength also improved!

In an instant!

Qilin family closed in once more on Tian Bao Ancient Buddha, then both hands clenched the Qilin Battle Saber, slashing fiercely with a mighty blow!

The Dharma Idol towering above him also slashed with violent force!

With this slash, eight huge three-thousand-meters-long swords simultaneously cut through, causing chaos in the void!

“Roar roar roar!”

Eight massive Qilins, as large as mountains, also roared forth!

Against Qilin family’s ferocious assault!

Tian Bao Ancient Buddha remained composed, his body shaking!

“Ten Directions Ancient Buddha!”

In the blink of an eye!

Ten golden Buddhas towered around him, each standing five thousand meters tall, feet on lotus platforms, vivid and lifelike, as if true Ancient Buddhas had descended to the mortal world!

Tian Bao Ancient Buddha raised his right hand, striking out another palm!

The ten Ancient Buddhas also threw punches, palmed, and pressed their fingers, attacking fiercely!

In a moment!

Boom boom boom!

Bang bang bang!

The sound of collisions and explosions erupted simultaneously, buzzing in the ears of all the spectators!

The eight roaring Qilins exploded one after another!

Five of the ten golden Buddhas also exploded!

The eight huge swords swung by Qilin family also shattered and exploded!

Bang bang bang!

Tian Bao Ancient Buddha and the five remaining golden Buddhas struck with their huge palms, huge fists, and huge fingers, hitting Qilin family's chest and his Dharma Idol heavily!

"Ah..."

Qilin family let out a cry of pain, as he and his Dharma Idol were once again blown away!

Chapter 2123: Critical Moment!

However, fortunately, Qilin family's Brother Lin had activated the "Qilin Battle Body," which provided formidable defense!

Although his body was split with gashes, it did not impact his fighting capabilities!

Without any hesitation, Tian Bao Ancient Buddha transformed his palm into a fist, and smashed it down!

“Great Brahma Buddha Fist!”

A massive, five-thousand-zhang-tall golden fist, etched with Buddha runes, descended like a star fall, striking at Qilin family’s Brother Lin!

The five golden Buddhas standing around him also continued to throw punches, palms, and press fingers, attacking Qilin family’s Brother Lin and his Dharma Idols!

Qilin family’s Brother Lin reacted swiftly; too quick to stabilize his body, he simply swung his big sleeve!

“Qilin Burial Immortal Seal!”

In the blink of an eye!

Eight seals surged into existence, flickering with eight-colored lights, inscribed with ancient runes, and grew more than three thousand zhang with the wind, slamming upwards!

Boom!

Accompanying the earth-shattering explosions!

The eight seals and the five golden Buddhas surrounding Tian Bao Ancient Buddha simultaneously shattered and exploded!

But Tian Bao Ancient Buddha himself remained unshaken, his ancient and vicissitudes-filled fist directly pulverized Qilin family’s Brother Lin’s Dharma Idols, and sent him flying!

In the course of being sent flying!

Qilin family’s Brother Lin spilled a great deal of fresh blood, and blood also dribbled from the corner of his mouth!

“Ancient Buddha, allow me to lend you a hand!”

Bai Yuanzhou shouted, and with a swing of his big sleeve!

Whoosh!

A Green Gold Long Sword flew out from his sleeve, transforming into an Immortal rainbow, shattering layers of the Void, and shot towards Qilin family’s Brother Lin!

This sword, called the Immortal Slaying Sword, was Bai Yuanzhou’s personal weapon, and its grade was that of an Immortal Item!

Moreover, as the sword was shot out, it unexpectedly conjured countless Azure Gold Flying Swords, forming a veritable sea of swords, all blasting out together!

Qilin family’s Brother Lin’s face changed color as he was sent flying backward, and he swung his hand mightily!

Eight colors of light and energy burst forth from within his body, creating a sea of eight-colored energy light that surged upward!

Boom!

The sea of eight-colored energy light collided with the sea of swords, causing a huge explosion of light and energy!

The Immortal Slaying Sword, however, pierced through the vast sea of energy light and continued to shoot towards Qilin family’s Brother Lin!

Qilin family’s Brother Lin twisted into a punch, and struck out!

Clang clang!

Fist met sword, shaking the Jiutian, and disturbing the Void!

The Immortal Slaying Sword was directly sent flying!

“Qilin family’s Brother Lin, it’s my turn to meet you!”

Qiao Huaxian raised his right hand and condensed a huge, three-thousand-zhang-tall grey-white palm that collapsed the Void and chaos surrounded, and slapped out!

Qilin family’s Brother Lin had just withstood Bai Yuanzhou’s strike and was about to withstand another from Qiao Huaxian, but it was already too late to react; he could only summon layers of defense to block it!

Boom boom!

The palm strike smashed through Qilin family’s Brother Lin’s layered defenses!

“Puff...”

Qilin family’s Brother Lin spat out a mouthful of blood, and like a cannonball, was sent flying!

“Quick, go help!”

Yang Luo bellowed, holding the Dragon Emperor Sword as he soared into the sky!

Ji Longsheng and Fourth Elder Mo Guishan also rose into the sky, charging towards the Dark Void above!

They had rested for a while, their qi and injuries had somewhat recovered, and they could continue to fight!

As they neared the Dark Void above!

Yang Luo, Ji Longsheng, and others launched a fierce attack, targeting Tian Bao Ancient Buddha and his companions!

Although they could not step into the Dark Void, they could assist Qilin family's Brother Lin from outside!

"Do you bunch of ants dare to offend the might of heaven?"

Seeking death?"

Qiao Huaxian gave a cold shout; with a raise of his hand, he once again condensed a huge, three-thousand-zhang-tall grey-white palm, pressing down!

A palm pressed down, as if a patch of the sky had come crashing down, grinding everything in the Void beneath it to rubble!

Boom!

The offensive efforts of Yang Luo and others were completely suppressed by this palm, turning into a vast shower of energy light rain, scattering in all directions!

Just with this palm alone!

Aside from Yang Luo, Ji Longsheng, and other perfected True Immortals, all other True Immortals and Earth Immortals plunged from the sky!

Although Yang Luo and Ji Longsheng did not fall, they too were injured, their bodies struck till flesh and blood flew everywhere!

“Continue!”

Yang Luo roared, activating his Dharma Idol and launching another series of powerful attacks!

Ji Longsheng and the others also activated their Dharma Idols, unleashing fierce assaults!

“Seeking death!”

“Give me your lives!”

Qiao Huaxian and Dongfang Wuji both bellowed simultaneously, forming a grey-white giant palm and a purple giant palm, crushing down upon them!

Both palms were enormous, spanning three thousand feet, imbued with powerful intent and astonishing force, pressing down like two colossal five-fingered mountains!

The combined effort of two Heavenly Immortals was utterly terrifying to the extreme!

Boom, boom, boom...

The attacks launched by Yang Luo, Ji Longsheng, and their comrades completely shattered and exploded!

Unable to withstand any longer, they too crashed down!

After bringing down Yang Luo and his allies!

Qiao Huaxian decreed, "First join forces to slay Lin Zhetian, then extinguish these insignificant ants!"

"Good!"

Dongfang Wuji, Bai Yuanzhou, and Tian Bao Ancient Buddha nodded agreement.

They had allied themselves to avoid injuries!

But just when Tian Bao Ancient Buddha and the three others were about to strike a deadly blow on Lin Zhetian!

All of a sudden!

Robust voices came rolling in from afar!

"Brother Lin is truly domineering, facing four alone without fear, truly admirable!"

"Brother Lin, have no worries, we're here to lend you a hand!"

"It seems, after so many years of our absence, some have likely forgotten us old timers!"

These voices thundered like heavenly lightning, echoing overhead the entire territory of the Purple Cloud Sect, deafening everyone.

All present turned their heads to look into the distant sky.

Tian Long Ancient Buddha and his cohorts also ceased their assault, lifting their eyes to look.

In an instant!

Rumble, rumble, rumble!

The heavens and earth within thousands of miles shook violently!

Accompanying the sounds were thunderous explosions!

Suddenly, three vast Void Caves burst open in the distant sky!

From the first Void Cave shone dazzling azure-gold light, with cold energy surging forth, an ice sea stretching endlessly, and massive Black Tortoises rising tall!

From the second Void Cave sparkled brilliant purple-gold light, with Immortal Palaces and Immortal Mountains emerging, and phenomena of Ancient Immortals appearing!

From the third Void Cave gleamed bright crimson light, with flames blazing, a Fire Sea churning, and enormous flaming phoenixes darting and dancing within!

In a flash!

The firmament was cleaved into three parts!

System.displaying azure-gold, purple-gold, and crimson colors!

Upon seeing the scene before them!

Everyone present was utterly shocked!

“What’s happening?!”

Could it be that other Heavenly Immortals have come to the Kunlun Ruins?!”

“Certainly, and three Heavenly Immortals no less!”

“I never would have imagined this battle would alarm so many Heavenly Immortals!”

“Damn it, we were so close to killing that old fogey Lin Zhetian, and now someone’s come to his aid!”

The people of Penglai Immortal Island were astounded, roaring with rage that consumed them.

They were but a hair’s breadth away from killing Lin Zhetian!

Yi Beiming, covered in fresh blood, was nevertheless fierce with enthusiasm!

He laughed heartily, declaring, “Fellows, the Heavenly Immortals from our Black Tortoise family have arrived!”

“Our Supreme Sect’s Heavenly Immortals are here too!”

“And our Phoenix family’s Heavenly Immortals have also come!”

Fourth Elder Mo Guishan and Qin Changyuan both bellowed with laughter.

Chapter 2124: The Eight Great Heavenly Immortals!

The Black Tortoise family, the Phoenix family, and the people from the Supreme Sect were overjoyed!

Everyone else from the Kunlun Ruins were also excitedly pumping their fists in the air!

Yang Luo stared at the distant sky, his blood boiling!

Just moments ago, he had been worrying about Qilin family's safety!

But now, there was no need to worry at all!

Their rescue had arrived!

At this moment.

The expressions of Dongfang Wuji, Qiao Huaxian, Bai Yuanzhou, and Tian Bao Ancient Buddha became grave.

They hadn't expected that besides alarming them, this great battle had also alarmed the other Heavenly Immortals of the Kunlun Ruins.

Just a short while later.

Clang, clang, clang...

A series of footsteps emanated from the three Void Caves.

Three figures emerged step by step, soon appearing in the sky above.

One of them was dressed in a blue and gold Black Tortoise robe, with a tall and imposing stature, an open chest, and a grand demeanor.

The second person wore a purple and gold robe with cloud patterns, with a slim and straight figure, gentle and elegant, possessing an extraordinary aura.

The third person was clad in a crimson Phoenix robe, with a robust and towering physique and profound eyes that flickered with dancing flames.

The three of them stood in the distant sky, appearing quite aged, yet with vigorous vitality and an awe-inspiring presence that seemed to swallow the world!

Yang Luo hurriedly asked Elder Yi Beiming, "Elder Beiming, who are these three seniors?"

Yi Beiming replied, "Little Luo, these three are our Black Tortoise family's Second Elder 'Beihai Heavenly Venerate' Yi Qiongsheng!

The Grand Elder of the Supreme Sect 'Supreme Ancestor' Mo Yunfan!

And the Phoenix family's Grand Elder 'Phoenix Ancestor' Qin Juechen!"

"What are the cultivation and strength of these three Heavenly Immortal seniors?"

Yang Luo inquired further.

Fourth Elder Mo Guishan stroked his beard with a smile and said, "Our Supreme Elder and Elder Yi's cultivation have both entered the Late Stage of Heavenly Immortal!

And Elder Qin's cultivation has also reached the Middle Stage of Heavenly Immortal!"

"My goodness, to have two Late Stage Heavenly Immortals and one Mid-stage Heavenly Immortal come all at once?!"

Bujie could not help but exclaim in surprise, laughing joyfully, "Now, together with Ancestor Lin, our side has two Late Stage Heavenly Immortals and two Mid-stage Heavenly Immortals!

I really want to see how these four old fellows from Penglai Immortal Island are going to fight with us!"

Ning Jianfeng said excitedly, "They have only one Late Stage Heavenly Immortal on their side; they are no match for us!

It's our Kunlun Ruins that has the upper hand!"

Yang Luo also felt a bit relieved in his heart and continued to ask, "Elder Beiming, why is Elder Qiong Sheng called the Second Elder?

Could it be that the Black Tortoise family has another Heavenly Immortal?"

"That's correct."

Yi Beiming nodded and said, "In our Kunlun Ruins, each of the four top-tier divine beast clans have two Heavenly Immortals!

The Qilin, Phoenix, Soaring Snake, and Baize divine beast clans each have one Heavenly Immortal!

And the top-tier sects led by the Supreme Sect each have at least one Heavenly Immortal as well!"

Hearing Yi Beiming's words.

Yang Luo was startled and turned pale with shock!

Having one Heavenly Immortal in a sect or family was already quite remarkable!

But to think that the Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise clans each had two Heavenly Immortals!

Could it be that the four clans hold an extraordinary status in the entire Kunlun Ruins, their heritage alone incomparable to that of ordinary families and sects!

“Greetings to Beihai Heavenly Venerate!”

“Greetings to Supreme Ancestor!”

“Greetings to Phoenix Ancestor!”

Everyone from the Kunlun Ruins bowed deeply with the utmost respect.

Yi Qiongsheng and the others nodded their heads, then stepped forward, appearing within the Dark Void above!

“Brother Lin, how are your injuries?”

Yi Qiongsheng asked Qilin family.

“Don’t worry, these little injuries mean nothing!”

Qilin family shook his head, then cupped his hands in gratitude, “Thank you, brothers, for coming to our aid!”

Mo Yunfan waved his hand and said, “Brother Lin, we’ve been friends for many years, no need for thanks!”

Qin Juechen’s voice boomed, “Those from Penglai Immortal Island dare to bully our people from Kunlun Ruins, naturally, we will not agree!”

Speaking, Qilin family and the other three turned to look at Tian Bao Ancient Buddha and his companions!

The expressions on the faces of Tian Bao Ancient Buddha and his companions also darkened!

They had not expected the three, Yi Qiongsheng, Mo Yunfan, and Qin Juechen, to come!

In terms of overall strength, they feared they were a notch weaker!

Yi Qiongsheng said coldly, "You four old fellows really have some nerve, daring to claim you'll kill Brother Lin, are you seeking death?"

Mo Yunfan's voice resonated, "Do you truly think our Kunlun Ruins has no one?"

Qiao Huaxian said harshly, "Your people from Kunlun Ruins broke into our Penglai Immortal Island and began a massacre, how could we just stand by and watch!"

"That is entirely your own fault!"

Yi Qiongsheng said forcefully with his hands behind his back, "Originally, if you had not appeared, we would have been too lazy to bother with you!

But since you have appeared, and injured Brother Lin, we certainly can't just let this slide!

You must pay the appropriate price for this!"

"Yi Qiongsheng!"

Bai Yuanzhou shouted angrily, "Do you really think we are afraid of you!"

"You are Heavenly Immortals, we are also Heavenly Immortals, when it comes down to it, who will win and who will lose is not certain!"

Eastern Wuji also shouted loudly.

Tian Bao Ancient Buddha said loudly, "We, a group of Heavenly Immortals from Penglai Immortal Island, are not weaker than you from Kunlun Ruins!"

"Oh?"

Yi Qiongsheng narrowed his eyes, "So, you want to have a great battle with us?"

Qiao Huaxian's voice boomed, "What if we do?"

Yi Qiongsheng stated dominantly, "If that's the case, then there's nothing left to say!

Let's fight directly, and see if your strength has improved over the years!"

His voice had not yet fallen!

Boom!

A blue-golden beam of light shot straight up from him, tearing through the multiple layers of the Void!

Boom boom boom!

Qilin family, Mo Yunfan, and Qin Juechen also had three beams of light surging from them, illuminating the endless darkness!

In an instant, the four erupted with tremendous pressure, aura, and combative force!

Eastern Wuji shouted loudly, “Everyone, let us show them our strength!”

“Good!”

The three companions of Tian Bao Ancient Buddha responded in unison.

The next second!

Boom boom boom boom!

Eastern Wuji and the other three’s momentum exploded, their combative force erupted, and four beams of light surged from them, scattering the endless Hundun and darkness!

Rumble rumble rumble!

The Dark Void above them continued to expand, spreading for who knows how many miles!

Majestic and vast pressure and aura spread out, causing the heavens and the earth to tremble, everything quaking in all directions!

Due to the overwhelming pressure and aura being too formidable, not only was the entire territory of Purple Cloud Sect affected!

It even impacted the distant lands, mountains, rivers, and forests!

“This is a battle between eight great Heavenly Immortals, it’s been so many years since we’ve seen such a spectacular sight!”

“A battle between eight great Heavenly Immortals is sure to be world-destructing, quickly retreat!”

People from both Kunlun Ruins and Penglai Immortal Island dared not linger, and quickly retreated!

It took less than a few minutes!

“Fight!!!”

Both parties roared simultaneously, turning into streaks of light, charging at each other!

In the moment of approach!

Both sides launched a fierce assault simultaneously!

“Xuanming Chaotic Sky Ruler!”

Yi Qiongsheng swung the Immortal Weapon in his hand, the Xuanming Ruler, striking down with might!

Swoosh!

The massive ruler, five thousand zhang long, broke through layers of the Void, bringing with it overwhelming Xuanming Cold Air, causing upheaval in the Void, and it struck towards Eastern Wuji and the other three!

Chapter 2125: The Terrifying Battle!

Clack, clack, clack...

The Void around them was instantly frozen solid, even the Hundun airflow was frozen!

An intense cold instantly reduced the temperature of the entire Dark Void by an uncountable number of degrees!

The whole Purple Cloud Sect seemed to have transformed into an ice cave!

Even those who had retreated far away to Kunlun Ruins and Penglai Immortal Island shivered violently from the cold!

This bone-chilling cold invaded the marrow, capable not only of freezing the body but also freezing the Divine Soul!

Everyone, without hesitation, quickly gathered layers of defenses to resist!

The cold furiously spread, rushing toward Dongfang Wuji and his three companions, intending to freeze them solid!

Tian Bao Ancient Buddha's eyes suddenly widened as he raised a palm and slammed it down!

"Ten Thousand Buddha Palm!"

A massive golden Buddha palm, five thousand zhang in size, covered the heavens and the earth as it struck down toward the huge sword swung by Yi Qiongsheng!

As the palm struck down!

His body radiated an immense Buddhist light, shooting toward the surging Xuanming Cold Air!

Clang, clang!

Boom, boom!

The blue-gold huge sword collided heavily with the golden Buddha palm, creating a heaven-shaking, wilderness-disturbing tumult!

The Xuanming Cold Air and the golden Buddha light also engaged in a fierce clash, neither yielding, each seeking to annihilate the other!

In this confrontation!

Yi Qiongsheng and Tian Bao Ancient Buddha fought to a standstill, maintaining their striking pose without stepping back an inch!

“Black Tortoise Stepping Heaven!”

Yi Qiongsheng, without any hesitation, trembled all over!

A massive Black Tortoise, five thousand zhang tall, rose powerfully, majestically imposing, truly as if the Ancient Divine Beast Xuanwu had descended!

“Roar!”

The Black Tortoise let out a ferocious roar, stepped on the Void, and charged at Tian Bao Ancient Buddha!

“Ten Directions Ancient Buddha!”

Tian Bao Ancient Buddha waved his hand majestically!

Ten golden Buddhas rose, each a thousand zhang tall, standing on lotus platforms and soaring upward, attacking the Black Tortoise!

Boom, boom!

The Black Tortoise and ten golden Buddhas fiercely collided, instantly perishing together, exploding in the sky!

A vast expanse of light and energy spread out, sweeping across the heavens and the earth!

“Ten Thousand Miles of Ice!”

Yi Qiongsheng, hovering in the air, stamped down and let out a thundering roar!

A grand and vast cold air spread out, transforming into a boundless Ice Sea surging toward Tian Bao Ancient Buddha!

Tian Bao Ancient Buddha neither dodged nor retreated, with a sweep of his sleeve!

“Buddha Flame Burning Sky!”

A fierce golden Buddha flame swept out, turning into a sea of golden fire, washing over the Ice Sea!

In an instant!

Boom...

The Ice Sea and the Fire Sea heavily collided, shaking heaven and earth, terrifyingly terrifying!

A great amount of flames were destroyed, a large amount of ice was evaporated, giving rise to columns of white vapor, resembling wolf smoke, spectacular beyond comparison!

And at the moment when the Ice Sea and the Fire Sea clashed!

“Xuanming Netherworld Nine Tribulations Slash!”

Yi Qiongsheng gripped the Xuanming Ruler tightly in both hands and slashed forward nine times!

Swoosh, swoosh, swoosh!

Nine massive rulers, each five thousand zhang in size, ripped through the raging flames, like rulers measuring heaven and earth, simultaneously slashing at Tian Bao Ancient Buddha!

Tian Bao Ancient Buddha was greatly alarmed, and instinctively twisted a punch to meet the attack!

A massive golden fist, five thousand zhang in size, was thrown out, colliding with the nine giant rulers, creating a “clang, clang” sound!

But, the punch Tian Bao Ancient Buddha hastily released was ultimately too weak and couldn’t stop the nine giant rulers swung by Yi Qiongsheng!

“Uh...”

The golden fist instantly shattered, and he let out a stifled groan as he was blown away!

“Hahaha, Tian Bao Ancient Buddha, it seems your strength is merely this much!”

Yi Qiongsheng laughed heartily, holding the Xuanming Ruler, and continued to chase atop the Void!

And during the great battle between Yi Qiongsheng and Tian Bao Ancient Buddha!

Qilin family, Mo Yunfan, and Qin Juechen fought an intense battle against Dongfang Wuji, Qiao Huaxian, and Bai Yuanzhou!

“Qilin Battle Saber!”

“Supreme Unlimited Sword!”

“Fire Phoenix Burning Wilderness Fist!”

Qilin family, Mo Yunfan, and Qin Juechen launched a ferocious attack simultaneously!

A colossal eight-color saber, three thousand zhang in size, Tearing Heavens, Splitting Earth, rending the void as it struck!

A vast five thousand zhang purple-gold sword cleaved through the Hundun and Dark World, slashing toward Dongfang Wuji and his group!

A massive three thousand zhang crimson flaming fist, like a Fiery Meteor, crashed down!

Moreover, eight Qilin and a Flame Phoenix roared and cried out, colliding into battle!

“Purple Cloud Flipping Sky Palm!”

“Tianyan Extinguishing Immortal Palm!”

“Chaos Immortal Sword!”

Dongfang Wuji, Qiao Huaxian, and Bai Yuanzhou also counterattacked!

A huge three thousand zhang purple and gray-white palm pressed down like two skies, crushing overhead!

A massive three thousand zhang green-gold sword split the layers of void, with vast sword intent flooding the heavens and the earth, striking at Qilin family and his allies!

Boom!

Rumble!

The attacks from both sides collided fiercely in the sky, and then exploded one after another!

Like rolling Thunderclap, Heaven and Earth Shattering!

The void above continued to expand, already enveloping countless miles of sky!

Observers from afar trembled in their souls, shivering all over, sweating profusely, and breathing rapidly!

The previous fight between Qilin family and Dongfang Wuji was already terrifying!

Now, the battle of the eight Heavenly Immortals was even more dreadfully intense!

If these eight Heavenly Immortals had not fought in the Dark Void, the entire Purple Cloud Sect's territory would have likely been destroyed long ago!

Even Tian Ying Island, comparable to a small continent, might have been sunk!

The combined power Dongfang Wuji, Qiao Huaxian, and Bai Yuanzhou unleashed was indeed strong!

However, the combined strength unleashed by Qilin family, Mo Yunfan, and Qin Juechen was even stronger!

After all, in single combat, both Qilin family and Qin Juechen were no weaker than Dongfang Wuji's group!

And Mo Yunfan, being a Late Stage of Heavenly Immortal, made Dongfang Wuji's group even less of a match!

Accompanied by the "rumble" of explosions!

All the efforts released by Dongfang Wuji's party completely shattered and exploded!

"Ah ah ah..."

The three screamed in agony, flung violently backward!

Their bodies were torn open, flesh flying everywhere, spewing blood from their mouths!

"Continue, fight!"

Qilin family roared as he charged forward, wielding the Qilin Battle Saber!

Without any hesitation, Mo Yunfan and Qin Juechen also charged into battle!

Suddenly!

The battle in the Dark Void grew even more perilous and violent!

These fluctuations even disturbed the elders and mutated beasts throughout Tian Ying Island!

People on Tian Ying Island all turned their gaze towards the direction of the Purple Cloud Sect, greatly puzzled!

“What on earth is happening at the Purple Cloud Sect?!”

“Strange, isn’t today the grand sect ceremony of the Purple Cloud Sect?

Why such a huge commotion?!”

“Could it be they’ve started fighting?!”

Many people questioned with doubts.

“Even if they really started fighting, it wouldn’t affect the entire Tian Ying Island!

Unless”

“Unless what?”

“Unless there are Heavenly Immortals fighting at the Purple Cloud Sect, causing such a disturbance!”

Others speculated that a battle of Heavenly Immortals erupted at the Purple Cloud Sect.

“My heavens, Heavenly Immortals usually don’t engage so readily, intervening in conflicts.

Why would a Heavenly Immortal intervene this time?!”

“What exactly happened at the Purple Cloud Sect to warrant a Heavenly Immortal’s intervention?!”

“Let’s go quickly and see what’s going on!”

The people of Tian Ying Island were shocked and bewildered, with many rushing towards the Purple Cloud Sect, eager to discover the truth.

Chapter 2126: We, the Immortals of Kunlun Ruins, Are Second to None!

At that moment,

Purple Cloud Sect territory.

Above, within the dark void.

In less than ten minutes,

Yi Qiongsheng and his three companions had completely overwhelmed Tian Bao Ancient Buddha and his group, forcing them into a desperate retreat!

Yang Luo stood in the distant sky, clenching his fists!

He truly wished he could step into the ranks of a Heavenly Immortal soon and possess the powers of his seniors!

However, by watching the battles of the seniors, he had gained deep insights as well.

Mo Qingkuang, Xiang Kunlun, and Bujie, among others, also clenched their fists with a resolute gaze!

Their strength might be considered strong among their peers, even overpowering some elders!

But Heavenly Immortals remained an existence they could only look up to!

In such a high-level battle,

they could only stand by and watch, utterly powerless to intervene!

For another intense ten minutes, their fight raged on!

BOOM!

Above in the dark void, another massive explosion took place!

“Arghhhhh....”

The Tian Bao Ancient Buddha and his companions screamed in agony as they were once again sent flying, leaving a trail of blood in their wake.

The wounds on the Tian Bao Ancient Buddha group had worsened, their robes soaked in blood!

But Yi Qiongsheng and his group did not pause for a moment and continued their assault!

Tian Bao Ancient Buddha and his group, suppressing their injuries, stabilized themselves and directly summoned their Dharma Idols, launching a fierce counterattack at Yi Qiongsheng and the others!

“Buddha’s Flame Karma Slash!”

Tian Bao Ancient Buddha transformed his right hand into a palm, lifted it high, and then slashed heavily at the charging Yi Qiongsheng and his companions!

The towering Dharma Idol above him did the same, delivering a mighty slash with its hand!

With both palms overlapping, the Buddha’s Flame ignited, as if turning into a gigantic five-thousand-zhang long Flame Heavenly Blade, heavily cleaving down!

And after that palm strike,

Tian Bao Ancient Buddha's onslaught did not cease!

He opened his mouth wide and let out a thunderous roar!

"Zen Sea Thunder Sound!"

The sound was like heavenly lightning striking the ear!

Waves of golden sound, tangible as matter, undulated forth!

The chaotic airstreams in the black void were all obliterated!

The spectators from a distance, despite gathering multilayered defenses, found it difficult to withstand the impact of the sound waves, felt a painful sting in their minds, and shrieked while clutching their heads!

After launching the second move,

Tian Bao Ancient Buddha stomped down from midair, unleashing the third attack!

"Burning Karma Heavenly Thunder!"

Massive swaths of golden flames and golden lightning interweaved, tearing open the void, descending from the sky, and striking at Yi Qiongsheng and his companions!

The mere force of Tian Bao Ancient Buddha's attack was already terrifying beyond belief!

Dongfang Wuji and the other three hesitated not at all, launching their fierce assaults in quick succession!

“Purple Cloud Immortal Chain!”

“Purple Qi from the East!”

With a sweep of his large hand, Dongfang Wuji broke open the layers of the void with massive purple Immortal Chains that howled forth!

Vast tides of purple Qi surged for thousands of miles, rushing upwards!

“Tianyan Wheel!”

“Primordial Spirit Seal!”

Qiao Huaxian trembled all over!

A gigantic grey-white Immortal Wheel condensed into being, its surface displaying all sorts of phenomena as it pressed upwards!

Seven ancient, large seals, marked with old Immortal Dao Runes, emerged, suppressing and soaring upward!

“Ten Thousand Swords Break Through the Sky!”

“Nine Swords Shocking God!”

Bai Yuanzhou swung his sword!

Nine massive three-thousand-zhang azure gold giant swords, accompanied by countless azure gold flying swords, burst and shot forth!

The Dharma Idols of the four also charged wildly, colliding with Yi Qiongsheng and his companions!

Facing the ferocious offensive of the four,

Yi Qiongsheng and his group did not dodge or retreat, charging wildly forward!

While they charged forth!

The four of them all activated their Dharma Idols, and unleashed a flurry of deadly moves!

“Beihai Thousand Cuts!”

“Icebound Heaven and Earth!”

“Xuanming Cold Domain!”

Yi Qiongsheng swung the Xuanming Ruler in his hand, chopping down with force!

Countless ice rulers blasted forth simultaneously!

The dark void was extensively frozen, spreading in all directions!

An ice domain materialized, surging upward to suppress and kill!

“Qilin Blessing!”

“Qilin Chaos!”

Lin Zhetian’s body trembled!

Streams of eight-colored light and energy burst forth from within him, transforming into a sea of eight-colored energy light that roared upward!

Moreover, eight Qilins trod upon this sea of light, roaring and charging!

“Nirvana Fire Lotus!”

“Nine Phoenixes Facing the Sun!”

Qin Juechen waved his hand mightily!

Nine gigantic flame phoenixes, each three thousand zhang in size, and supporting a similarly enormous fire lotus, flapped their wings and soared, attacking with full force!

“Ancient Immortal Technique!”

“Jingwei Calms the Sea, Kua Fu Chasing the Sun, Yu Gong Moves Mountains, Dayu Flood Control, Thunder Pond Sky, Fuxi’s Trigram, Nuwa Mending the Sky!”

Mo Yunfan’s body shook, his hair and whiskers flying, his robe billowing, and he shone with immortal light!

Seven ancient immortal illusions towered into existence, each one a thousand zhang tall, with heads touching the void and feet treading the heavens, charging into battle!

The Dharma Idols of Yi Qiongsheng and the others also surged into the fray!

The scene in the dark void above was too spectacular, vast, and terrifying!

Everyone watching from afar was deeply shaken!

They all saw that the eight Heavenly Immortals were truly serious now!

This confrontation would likely determine the victor!

Under everyone's watchful eyes!

The Dharma Idols of both sides, as well as all their attacks, collided in an instant!

Clangor...

Rumble...

The sounds of impact and explosion were incessant, shaking the ears of all spectators with a painful buzzing!

The dark void above was now utterly boiling, utterly chaotic!

Light and energy had filled the entire void!

It was as if the end of the world had arrived!

The mountain-protecting array covering the Purple Cloud Sect could hold on no longer, and it completely shattered and exploded!

In just a few minutes!

“Aaarghh!!”

The four Heavenly Blades issued cries of utmost pain as they fell from the void above, crashing onto the four large mountains!

Rumble...

All the temple buildings on the four mountains collapsed, and the mountains themselves were compressed by several tens of zhang!

It’s hard to say how much time passed.

Only then did the energy and light in the dark void above finally dissipate.

The debris and dust below gradually cleared.

Yi Qiongsheng and his three companions were seen standing in the midst of the dark void, looking down from above.

Below, on the four mountains, the four Ancient Buddhas lay injured and bloodied, with blood gushing from their mouths, no part of them left unscathed.

The crowd was first silent!

And then it erupted entirely!

“Hahaha, well done, Beihai Heavenly Venerate, Qilin Ancestor, Supreme Ancestor, Phoenix Ancestor!”

“Weren’t those four old fogies from Tian Bao Ancient Buddha so arrogant just now?

Now aren’t they beaten like dead dogs!”

“So what if you Penglai Immortal Island have Heavenly Immortals, you’re still no match for us, the immortals of Kunlun Ruins!”

“Our Kunlun Ruins are the true orthodoxy of the Immortal World, you Penglai Immortal Island are nothing!”

The people of Kunlun Ruins all laughed heartily, bubbling with excitement.

Yang Luo raised the sword in his hand and declared loudly, “We, the immortals of Kunlun Ruins, are second to none!”

“We, the immortals of Kunlun Ruins, are second to none!”

Everyone from Kunlun Ruins shouted in unison, blood boiling with fervor!

The voices went from chaotic to uniform and coordinated!

The sound reverberated powerfully through the air, spreading in all directions!

Chapter 2127: Do You Admit Defeat?

Some rejoice, others despair!

The people of Kunlun Ruins were all ablaze with passion, their emotions stirred!

In contrast, the folks from Penglai Immortal Island looked as though they had lost their parents, shrouded in gloom and overwhelmed with sorrow!

“We lost...

Tian Bao Ancient Buddha, Purple Cloud Old Ancestor, Dao Yan Ancestor, and Wan Jian Ancestor have actually lost!”

“How could this be...

how could this be...

I can’t accept this outcome!”

“Could it be that our Penglai Immortal Island is really...

inferior to Kunlun Ruins?!”

“No, that can’t be...

our Penglai Immortal Island will not be defeated...

We still have Heavenly Immortals...

as long as all the Heavenly Immortals take action...

we will surely crush Kunlun Ruins!”

The people of Penglai Immortal Island were beating their chests and stomping their feet, screaming and roaring loudly.

They simply couldn't accept the reality in front of them!

Yet, in their hearts, they still harbored hope!

Hoping that the other Heavenly Immortals from Penglai Immortal Island would come!

Cang Yunting, Leng Yuchuan, and Bai Wuchen, who were lying in the distance, had collapsed into utter despair!

Initially, when Tian Bao Ancient Buddha, Dao Yan Ancestor, and Wan Jian Ancestor had arrived, hope had surged in their hearts!

They believed that as long as the four great Heavenly Immortals joined forces, they could slay Qilin family and also kill Yang Luo along with everyone from Kunlun Ruins!

But who would have thought, just when they were about to slay Qilin family!

Yi Qiongsheng, Mo Yunfan, and Qin Juechen from Kunlun Ruins had unexpectedly arrived!

And, by joining forces with Qilin family, they had defeated and severely wounded the group of four, Tian Bao Ancient Buddha included, with an overwhelming force!

The reason they were still holding on was to witness the slaying of Yang Luo, and the utter defeat of all from Kunlun Ruins!

But now, seeing this scene unfold before them, they were stricken with grief and wanted to scream and roar!

However, they still hadn't given up hope!

Their Penglai Immortal Island hadn't lost yet!

As long as the other Heavenly Immortals from Penglai Immortal Island arrived!

Their vengeance could still be claimed!

At this moment.

In the Dark Void above.

Yi Qiongsheng looked down at the group of Tian Bao Ancient Buddha and said in a thundering voice, "Do you concede?"

At this moment, the four figures of Tian Bao Ancient Buddha's group struggled to rise from the ruins, staring at the figures of Yi Qiongsheng and others in the sky, their eyes filled with extreme anger and reluctance.

Qiao Huaxian roared, "Yi Qiongsheng, don't be so proud yet, we haven't lost!

Even if the four of us are no match for you, Penglai Immortal Island has other Heavenly Immortals in position!

Can you defeat all the Heavenly Immortals of our Penglai Immortal Island?"

Mo Yunfan asked in a deep voice, "You think you are the only ones with people, and we have none?"

Qiao Huaxian replied fiercely, "Then let's compare and see, which side has more Heavenly Immortals, and whose strength is greater!"

"Let's compare, I fear no battle!"

Qilin family responded with a booming voice.

Bai Yuanzhou shouted angrily, "Stop wasting words with them, quickly send a message, and call the other Heavenly Immortals for help!

This battle is about the honor of our Penglai Immortal Island, we must not concede to Kunlun Ruins!"

"Yes, we absolutely cannot concede!"

Eastern Wuji also growled through clenched teeth.

Following that, Tian Bao Ancient Buddha's group all roared in unison!

"Today our Penglai Immortal Island faces great adversity, we beseech all to come to our aid!"

Their voices were like thunderous roars, shaking the heavens and resonating in all directions, spreading into the Void!

Bujie said angrily, "These damn dogs are beaten to this state and still won't concede, they actually still want to call for help!"

Ning Jianfeng said bitterly, "They can call for help, but can't we?"

Ji Longyue said with a thundering voice, "If they really want to fight, then we'll have a decisive battle to the death!"

"We of the Kunlun Ruins have nothing to fear!"

Baili Wushuang also bellowed with defiance.

Mo Qingkuang furrowed his brows and said, "Once all Heavenly Immortals from both the Kunlun Ruins and Penglai Immortal Island arrive, a great war between the two realms is bound to be triggered!

By then, I fear the situation will truly be difficult to control!"

Yang Luo's brow was also deeply furrowed, his expression becoming icy cold.

He hadn't anticipated that this battle would escalate to such an extent!

Both the Kunlun Ruins and Penglai Immortal Island had dispatched four Heavenly Immortals!

Moreover, looking at the current situation, it seemed more Heavenly Immortals from both realms might still be on their way!

If all the Heavenly Immortals from both realms truly gathered here, one couldn't imagine how tragic the extent of the battle might become!

"Beihai Heavenly Venerate, Supreme Ancestor, Qilin Ancestor, Phoenix Ancestor, what should we do now?"

"Shall we also hastily call for other Heavenly Immortal Ancestors to come to our aid?"

"If these guys insist on continuing the battle, then we will accompany them to the end!"

The people from the Kunlun Ruins all turned their gaze towards Yi Qiongsheng and the other three, inquiring about what to do next.

The faces of Yi Qiongsheng, Mo Yunfan, Qilin family, and Qin Juechen all sank.

They too hadn't expected that Qiao Huaxian and his group would continue to fight.

"Brother Yi, what do you think we should do?"

Qin Juechen looked towards Yi Qiongsheng and asked.

Qilin family said, "What else can we do?"

If they want to fight, then let them fight!

Just as Little Luo said, we immortals of Kunlun Ruins are second to none!"

Mo Yunfan glanced at Yang Luo in the distance and said, "What this young fellow said is indeed quite domineering, and I quite admire it!

This battle relates to the struggle for face between our two great immortal realms; we absolutely cannot back down!"

Yi Qiongsheng pondered for a moment, then nodded and said, "Alright, if they are determined to continue the fight, then we shall join them in battle!"

However, just at this moment!

Boom, boom, boom!

The entire domain of the Purple Cloud Sect suddenly shook violently!

It was like a massive earthquake had been triggered.

Not only did it send violent tremors through the Purple Cloud Sect's domain, but it also shook the entire Tian Ying Island!

Moreover, along with the earth-shattering quake, the distant Cloud Sea churned, space distorted with waves, strong winds howled, sand and stones scattered, mountains crumbled, and the earth cracked!

"What's going on?!"

Have the other Heavenly Immortals from Penglai Immortal Island already arrived?!"

"How could they have come so quickly?!"

"Could it be that the other Heavenly Immortals from Penglai Immortal Island have been secretly watching the battle from close by?!"

"It must be so; after all, a battle between Heavenly Immortals can also inspire other Heavenly Immortals to respond.

They must have been watching the battle from the shadows!"

"They probably realized that Tian Bao Ancient Buddha and his group were defeated, so they couldn't help but to intervene!"

The people from the Kunlun Ruins shouted in alarm, looking intently toward the distance with solemn expressions.

"They're coming, they're coming, it looks like our Heavenly Immortals are really all arriving!"

"I thought the other Heavenly Immortals wouldn't intervene, but it seems when it comes to the face of Penglai Immortal Island, other Heavenly Immortals will take action too!"

“Good, good, good, this time we must crush the Kunlun Ruins decisively!”

The people from Penglai Immortal Island were ecstatic, excited to the point of being flushed and trembling.

And in less than a short while.

Rumble, rumble...

Rumble, rumble...

Accompanied by successive earth-shattering explosions!

One could see that in the distant sky, massive Void Caves exploded open, surrounding the area like black holes!

With each Void Cave that burst open, an overwhelming, ‘destroying Heaven and Earth’ pressure and aura exploded forth!

Each burst of pressure and aura represented a Heavenly Immortal!

Judging by the number of Void Caves opened, there were at least ten, meaning that likely ten Heavenly Immortals were about to arrive at this place!

Chapter 2128: At Worst, a Fight to the Death!

This moment!

The territory of the Purple Cloud Sect, which spanned thousands of miles, seemed to transform into a boiling ocean, a deadly forbidden zone!

“The pressure and aura are too terrifying just how many Heavenly Immortals are supposed to arrive here?!”

“Once all the Heavenly Immortals from both Immortal Worlds gather once the battle begins the entire Purple Cloud Sect will certainly be destroyed!”

“Don’t even mention the Purple Cloud Sect, even the entire Tian Ying Island and the surrounding islands will be sunk!”

“When the time comes, we should flee as far as we can, we must not get dragged into this!”

Everyone present was shivering uncontrollably, drenched in cold sweat, hardly able to catch their breath.

As this oppressive force and aura continued to burst forth!

Boom boom boom

Boom boom boom

The very heavens and earth where the Purple Cloud Sect was located resounded with the rumbling of dull thunder!

Crack crack crack

The surrounding space seemed like fabric, heavily torn apart!

This barrage of devastating pressure and aura seemed as if it would completely burst and grind the heavens and earth!

Boom boom boom

Even the sturdy ancient boats floating in the sky couldn't withstand it, all being ground to pieces and scattered across the sky!

"Uh"

"Ah"

Many of the Earth Immortals and True Immortals present, with insufficient cultivation and strength, could no longer maintain their positions in the air and fell like dumplings!

Many of them were even more severely harmed, with torn skins and fractured bones, spewing blood from their mouths!

Yang Luo instantly activated his multiple physique secret techniques and layers of Defense, managing to block the terrifying oppressive force and aura!

Ji Longsheng and others also activated their powers, gathering layers of Defensive Shields to resist!

But, the erupted pressure and aura were too dreadful, and they could only resist temporarily, not for long!

Yi Qiongsheng, Mo Yunfan, Qilin family, and Qin Juechen, without any hesitation, waved their hands!

Four solid and thick Defensive Shields enveloped down, covering Yang Luo and all the people of Kunlun Ruins!

Tian Bao Ancient Buddha, Dongfang Wuji, Qiao Huaxian, and Bai Yuanzhou also launched Four Layers of Defense, enveloping all the people of Penglai Immortal Island!

Thus, as Heavenly Immortals, they naturally could withstand the oppressive forces and auras, but it didn't mean that others could endure as well!

Boom, boom, boom

The spreading pressure and aura from all directions crashed against the layers of Defensive Shields, causing a series of dull explosive sounds!

An enormous amount of light and energy splashed outward, like a massive downpour of light rain!

Shortly thereafter.

Various colors of light twinkled from each Void Cave, displaying diverse phenomena, majestic and boundless!

Even above the heavens, various phenomena were emerging, startling everyone present!

"They're coming, the Heavenly Immortals from Penglai Immortal Island are really coming!"

"It seems they truly intend to start a war between the two worlds!"

"Why haven't the Heavenly Immortals from Kunlun Ruins arrived yet?"

"Looking at the current situation, it seems they've brought at least ten Heavenly Immortals!"

"With so many Heavenly Immortals fighting, one can hardly imagine the extent of destruction it will cause!"

The expressions of the people from Kunlun Ruins were extremely somber.

Below Heavenly Immortals, all are mere ants!

This saying truly wasn't just for show!

"Here they come!

Our Heavenly Immortals are finally arriving!"

"This time, we must wash away all previous shames!"

"We must seek blood for blood, exterminate these fiends!"

"Especially Yang Luo, that brat, he must not be allowed to live!"

The people of Penglai Immortal Island were exceedingly excited, fervently shouting with raised arms.

Qiao Huaxian looked towards Yi Qiongsheng and the others, laughing heartily, "Aren't you going to call for people?"

Hurry up then!"

Bai Yuanzhou sneered, "If you don't call for reinforcements soon, once the other Heavenly Immortals from Penglai Immortal Island arrive, you'll undoubtedly die!"

However, just then.

A deep, aged voice suddenly came through!

"Are you from Penglai Immortal Island sure you want to provoke a war between the two realms?"

If you really want to fight, we from Kunlun Ruins will accompany you to the end!”

This voice came from nowhere, but it resounded like a huge bell throughout the territory of the Purple Cloud Sect and even entered those exploded void cavities.

“Whose voice is this?!”

“Could it be an elder from Kunlun Ruins?!”

“I guess so by the tone!”

“So what if it is a Heavenly Immortal, we have them too, we can just fight to the death if need be!”

People from Penglai Immortal Island were not afraid at all.

After all, their Heavenly Immortals from Penglai Immortal Island were almost here, they were full of confidence!

“It’s a Heavenly Immortal from our Kunlun Ruins!”

“It’s just unknown which Heavenly Immortal is speaking!”

“It seems that our Heavenly Immortals from Kunlun Ruins are also paying attention to this battle!”

People from Kunlun Ruins were also very excited.

If it were just Yi Qiongsheng and the other three, they definitely couldn’t withstand a siege by numerous Heavenly Immortals from Penglai Immortal Island.

But as long as other Heavenly Immortals from Kunlun Ruins arrived, they would surely crush Penglai Immortal Island.

Yang Luo asked the elders, “Elders, who is the senior speaking?”

Yi Beiming excitedly said, “It’s the Ancestor from our Black Tortoise family!”

“I see.”

Yang Luo nodded in realization.

Thinking that the Heavenly Immortals from Kunlun Ruins were also watching this battle, he finally breathed a sigh of relief.

At that moment.

Tian Bao Ancient Buddha, Dongfang Wuji, Qiao Huaxian, and Bai Yuanzhou all leaped into the sky.

Naturally, they knew the speaker was the Ancestor of the Black Tortoise family, Yi Qiankun.

After all, being Heavenly Immortals, they naturally knew which Heavenly Immortals existed in Kunlun Ruins and Penglai Immortal Island.

Qiao Huaxian shouted, “Yi Qiankun, stop the nonsense, if you dare, come here and fight!”

“Qiao Huaxian, you’re not worthy of fighting with me!”

Yi Qiankun’s voice rose again, full of dominance.

“Yi Qiankun!”

Qiao Huaxian's face contorted with rage, "Even if I'm not worthy to fight you, there are other Heavenly Immortals from Penglai Immortal Island, aren't they worthy either?"

"There are but a few from Kunlun Ruins worthy of fighting with me."

Yi Qiankun's voice came out calmly, full of confidence.

Bai Yuanzhou coldly said, "Yi Qiankun, if you are so confident, then show yourself, what's the point of hiding!"

"Bai Yuanzhou, if you insist on fighting, we will naturally show ourselves!

As for the four of you, you are not yet worthy of our appearance!"

At that moment, another bold voice rang out, deafening.

"Who is this Heavenly Immortal speaking now?!"

Someone exclaimed in astonishment.

Yang Luo was also very puzzled.

Unexpectedly, another one appeared.

Tantai Mingxiao laughed and said, "It's our Ancestor from the Vermillion Bird family!"

Thus, the speaker was indeed the Vermillion Bird family's Ancestor, Tantai Qian Chuan.

When the second voice appeared.

Bai Yuanzhou arrogantly said, "Tantai Qian Chuan, the Heavenly Immortals from our Penglai Immortal Island will be arriving soon!

If you don't show yourselves soon, Yi Qiongsheng and the others might not make it!"

Before the voice even finished.

"If you dare to touch Brother Yi and the others, we will flatten your Penglai Immortal Island!"

A haughty and domineering voice rang out.

Baili Wuheng laughed heartily, "It's our Ancestor from the White Tiger family!"

Chapter 2129: Bluff and Bluster!

"Good, now that Ancestors Xuanwu, Vermilion Bird, and White Tiger have all appeared, I want to see if these fellows from Penglai Immortal Island still dare to be so arrogant!"

"Our Heavenly Immortal Ancestor from Kunlun Ruins is certainly stronger than these old fellows from Penglai Immortal Island!"

The people from Kunlun Ruins grew even more excited, each of them clenching their fists, eager to see the elders.

"Trample our Penglai Immortal Island?"

Dongfang Wuji let out a cold laugh and said, "Baili Langya, you sure talk big!

I want to see how you plan to trample our Penglai Immortal Island!”

“Why don’t you try?”

Baili Langya’s mocking voice rang out.

Qiao Huaxian had already lost his patience!

He shouted towards the several Void Cavities that had burst open in the distance, “Everyone, what are you hesitating for?”

Come out quickly!

If we join forces, those people from Kunlun Ruins will certainly not be our match!”

“That’s right!”

Bai Yuanzhou took up the cue, “Everyone, let’s take action!”

Just then.

A booming voice echoed between heaven and earth!

“Once a great war between the two realms starts, it will inevitably lead to mass destruction, mountains of corpses, and rivers of blood!

I propose that we each take a step back and halt the fighting, how about it?”

Upon hearing this voice.

Ji Longsheng spoke aloud, "It's our ancestor from the Azure Dragon Family speaking!"

The one speaking was indeed the Azure Dragon Family's ancestor, Ji Qingcang.

"Good, this is really too good, now that the ancestors of the Azure Dragon, White Tiger, Vermilion Bird, and Xuanwu have all appeared, how can Penglai Immortal Island possibly stand against us!"

"Once upon a time, the four elders were the strongest Heavenly Immortals of our Kunlun Ruins, and their strength must be even greater now!"

"With the four elders here, we really have nothing to worry about!"

The people from Kunlun Ruins were overjoyed, feeling even more confident.

"Halt the fighting?"

Qiao Huaxian said coldly, "Ji Qingcang, your people from Kunlun Ruins came to our Penglai Immortal Island and started a massacre!

Now you're saying we should halt the fighting, on what grounds?"

Bai Yuanzhou also said fiercely, "So many true immortals died on our Penglai Immortal Island, thinking of halting the fight is out of the question!"

Dongfang Wuji thundered, "We will not cease fighting!"

"Amitabha Buddha .

.

.”

Tian Bao Ancient Buddha put his hands together and uttered quietly.

Though he didn’t say much, he also showed his stance.

This time they at Penglai Immortal Island suffered such a great loss, hundreds of true immortals dead, tens of thousands of disciples!

If they accepted the proposal for a truce, that’d undoubtedly mean bowing their heads to Kunlun Ruins!

As immortals of Penglai Immortal Island, they naturally wouldn’t agree!

At this moment.

Rumble, rumble, rumble!

The earth and sky within thousands of miles shook even more violently!

Especially within those Void Cavities, light blazed brightly, energy surged!

Inside, immortal light shone brilliantly, Immortal Palaces stood tall, mountains rose and fell, rivers roared, Azure Dragons soared, and stars spread across the sky .

.

.

Various phenomena appeared one after another!

Moreover, the oppressive force and aura spreading from those Void Cavities grew even more vast and majestic!

Clearly, these yet unseen Heavenly Immortals were also furious upon hearing the words of Ji Qingcang and the others!

Even though the people from both Kunlun Ruins and Penglai Immortal Island had multiple Defensive Shields consolidated by their own Heavenly Immortal Ancestors to block them, they still felt an intense pressure!

Keep in mind, this was the oppressive force and aura of at least a dozen Heavenly Immortals erupting!

No one dared hesitate; they hastily gathered their energy, marshaling layer upon layer of defensive barriers to withstand the overwhelming pressure and aura crushing down upon them!

Moreover, everyone also felt that a full-blown war between Kunlun Ruins and Penglai Immortal Island was truly about to erupt!

Yang Luo gripped the Dragon Emperor Sword tightly in his hand, preparing himself for battle!

It's a pity he was, after all, not yet a Heavenly Immortal!

Otherwise, why would he fear the likes of Qiao Huaxian and these old fellows!

Strength!

His own strength was still not enough!

He still needed to become stronger!

“Not willing to cease hostilities, huh?”

Good, very good.

Since that is the case, then let the battle commence!

I, of the Azure Dragon Family, will see this through to the end!”

Ji Qingcang roared out loud.

His voice had been somewhat gentle just moments before, but now it was filled with boundless authority, thundering like heavenly lightning, exploding in everyone’s ears.

“Now that we four have stepped into the Heavenly Immortal Perfected Stage, we can use you all for practice!”

Baili Langya’s domineering voice also echoed through the air.

With these words”

The entire place was shocked!

“What?!

These four old guys have actually reached the Heavenly Immortal Perfected Stage?!

Can this be true?!”

“Don’t be afraid, everyone.

I think this old fellow is definitely trying to scare us; reaching the Heavenly Immortal Perfected Stage can’t be that easy!”

“That’s right, this old guy is just bluffing!”

“Of course, even if this old guy really has reached the Heavenly Immortal Perfected Stage, our side must also have Heavenly Immortal Ancestors who have reached it!”

The people of Kunlun Ruins were frightened, but many believed that Baili Langya was merely bluffing, and simply did not believe it.

“You don’t believe it, do you?

Then let’s have a great battle, and don’t regret it when the time comes!”

“We simply do not wish to see Kunlun Ruins and Penglai Immortal Island devastated, with rivers of blood!

But if you insist on starting a war, then we won’t be able to care so much!”

The voices of Tantai Qian Chuan and Yi Qiankun also resonated.

“Earlier I heard that the four Ancestors had already reached the Heavenly Immortal Perfected Stage and were attempting to break through to the Golden Immortal level; it seems that is true!”

“Of course, it’s true.

The four Ancestors would not lie about such a thing!”

"I never expected that our Kunlun Ruins' four Ancestors had already reached the Heavenly Immortal Perfected Stage; once they pass the Golden Immortal Tribulation, they can become the legendary Golden Immortals and ascend to the Upper World!"

"Hmph, now let's see if these guys from Penglai Immortal Island dare to start a war!"

The people of Kunlun Ruins also felt very proud and self-confident.

Yang Luo was also extremely shocked in his heart!

He hadn't expected that the five Ancestors had already stepped into the Heavenly Immortal Perfected Stage, with the hope of reaching the Golden Immortal level and becoming the legendary powerful true immortals!

No wonder the five elders were so domineering and overbearing; it was entirely because they had no fear!

One could say, as long as no Golden Immortals appeared, the Heavenly Immortal Perfected Stage would be the strongest existence in both Kunlun Ruins and Penglai Immortal Island in the Immortal World!

Moreover, it is still unclear whether Kunlun Ruins and Penglai Immortal Island actually had any Golden Immortals!

At least, up to this moment, he hadn't seen a single one!

However, Tian Bao Ancient Buddha, Dongfang Wuji, Qiao Huaxian, and Bai Yuanzhou all frowned tightly, their faces extremely solemn.

Qiao Huaxian asked in a low voice, "Could it be that those four old fellows have truly reached the Heavenly Immortal Perfected Stage?"

“It’s probably true.”

Dongfang Wuji nodded, his voice grave: “Those four old fellows have no reason to deceive us with this.

After all, they are descendants of the Ancient Four Divine Beasts and have awakened the Divine Beast Bloodline and Divine Beast Physique.

It’s no surprise they could reach the Heavenly Immortal Perfected Stage.”

Tian Bao Ancient Buddha lamented, “Although the four of them are born with advantages in bloodline and physique, we must admit that their talent and comprehension are also exceptionally high.

After all, not just anyone can easily step into the Heavenly Immortal Perfected Stage.”

Chapter 2130: Bow Down!

Bai Yuanzhou gritted his teeth and said, “So what if they have reached the Heavenly Immortal Perfected Stage?

There must be someone on our side who has stepped into the Heavenly Immortal Perfected Stage as well!”

“Indeed!”

Qiao Huaxian nodded and declared, “As long as we have at least four individuals at the Heavenly Immortal Perfected Stage, we won’t have to fear them!”

“Are you going to fight or not?”

“Hurry up and give us a straight answer!”

“Don’t waste our time!”

“If you want to fight, then fight; if not, then retreat!”

The voices of Ji Qingcang, Baili Langya, Tantai Qian Chuan, and Yi Qiankun echoed once again.

Their voices thundered like rolling heavenly lightning in the sky above.

Even just their voices contained a powerful force of Heaven and Earth Great Dao.

Qiao Huaxian and his peers became even surer that Ji Qingcang and the others had probably truly reached the Heavenly Immortal Perfected Stage!

Even though they were infuriated and wanted to retort, they now lacked the confidence to do so!

Although they were also Heavenly Immortals, there was still a distance from reaching the Heavenly Immortal Perfected Stage!

Once someone stepped into the Heavenly Immortal Perfected Stage, they were only one step away from becoming a Golden Immortal!

Reaching the Golden Immortal level is the lifelong pursuit and ultimate goal of all Heavenly Immortals!

After all, they did not even know which realms existed beyond that of a Golden Immortal!

Perhaps, only by ascending to the Upper World, to an even higher plane, would they be able to know the answer!

Suddenly,

the whole place fell silent.

Everyone was waiting for the response of those tens of Heavenly Immortals who had yet to show themselves.

This was related to the future direction of the two great Immortal Worlds.

Should war break out, all the sects and families of both Immortal Worlds would surely be dragged into it.

By then, a full-fledged war between the two Immortal Worlds would erupt.

The devastation of lives, mountains of bones, and rivers of blood would be no mere words.

Therefore, whether it was the people of Kunlun Ruins or those from Penglai Immortal Island, their hearts were lifted with apprehension.

The silence lasted for a good ten minutes.

“Alas, let it be...”

A sigh emerged from one of the Void Caves.

Upon hearing this sigh,

the people of Penglai Immortal Island were momentarily stunned,

not understanding what this sigh implied.

“Everyone, retreat.”

The one who issued the sigh spoke with indifference.

As soon as these words were spoken,

the whole place was in an uproar!

“What does this mean?!”

Are we really going to bow down to Kunlun Ruins?!”

“Heavenly Immortal Ancestors, we can’t retreat!

If we retreat today, Penglai Immortal Island will never be able to hold its head up high in front of Kunlun Ruins again!”

“So what if they have reached the Heavenly Immortal Perfected Stage?

If need be, we’ll fight them to the death, what do we have to fear?!”

“Exactly, we have so many people, even if a real battle ensues, we may not necessarily lose!”

The people of Kunlun Ruins were screaming out loud, heartbroken.

They had never imagined that their Heavenly Immortal Ancestors from Penglai Immortal Island would actually bow down to Kunlun Ruins!

This was not just a disgrace, but a profound humiliation!

For so many years, Penglai Immortal Island had always been suppressed by Kunlun Ruins!

Should they retreat again today, Penglai Immortal Island would continue to be oppressed by Kunlun Ruins in the future!

This was something the people of Penglai Immortal Island found truly hard to accept.

Qiao Huaxian, puzzled, said, "Gentlemen, the great battle has not yet begun, and the outcome remains uncertain.

Do we really have to retreat?"

Bai Yuanzhou also expressed his reluctance, "Gentlemen, this is a contest for face between our two Immortal Worlds.

I hope everyone will reconsider!"

"This battle has gone on for so long, and too many have died.

If we continue to fight, it will benefit neither of our Immortal Worlds!"

"Everyone, retreat!

If anyone disobeys, kill without mercy!"

"Ji Qingcang, Baili Langya, Tantai Qian Chuan, Yi Qiankun, we admit defeat this time.

If there is a chance in the future, we will certainly seek to learn from you!"

Voices echoed from the void caves, resounding through heaven and earth, spreading in all directions.

The Heavenly Immortals of Penglai Immortal Island had spoken and unanimously decided to cease the battle.

“Hahaha, you wish to seek guidance?”

Very well, we welcome your visit at any time!”

“Of course, in a fight there is no room for carelessness.

If you wish to seek guidance, you must be prepared!”

“It is Kunlun Ruins that represents the true lineage of the Immortal World.

It was true in the past, it is true now, and it will be true in the future!”

“At least you have a bit of self-awareness!”

Ji Qingcang and his companions all burst into laughter, their voices brimming with confidence, boldness, and dominance.

“Damn it!”

Bujie was momentarily stunned, “Weren’t those guys quite arrogant a moment ago, acting as if they were about to make an appearance?”

And now they’ve actually backed down?”

Lin Wenxuan analyzed, “The reason those guys backed down can be narrowed down to three reasons.

Firstly, the Azure Dragon Ancestor, White Tiger Ancestor, Vermilion Bird Ancestor, and Black Tortoise Ancestor have all stepped into the Heavenly Immortal Perfected Stage.

They may not be confident in defeating the four Ancestors, so naturally, they wouldn't take action lightly.

Secondly, they also know that there are more Heavenly Immortals in Kunlun Ruins who have yet to appear, and their numbers are likely no less than those of Penglai Immortal Island.

Lastly, these fellows have finally reached the Heavenly Immortal stage and know how difficult it is to do so; they naturally treasure their lives.

Perhaps initially, they wanted to fight out of anger, but upon reconsidering calmly, they realized there's no need to lose their lives over this conflict.

After all, they have prospects of stepping into the Golden Immortal level, ascending to the Upper World, moving on to higher planes, and a bright future ahead."

"Brother Lin is right."

Mo Qingkuang took up the conversation, "In fact, for these Heavenly Immortals, their attachment to their sects and clans has greatly diminished.

Even if all the people from these sects and clans died, it wouldn't matter much to them.

As the saying goes, Immortal Dao is merciless, the road to immortality is long, ascendant cultivation opens one's vision, and life spans lengthen.

Watching those around them die one by one, even the most passionate of hearts would eventually turn cold and unfeeling."

“I see.”

Bujie nodded in realization and chuckled, “Brother Lin and Brother Mo, you both have such clear insight!

It’s a pity that we won’t be able to witness a grand battle involving so many Heavenly Immortals!”

Yang Luo let out a sigh of turbid air and said, “If the two Immortal Worlds were to fight, it would be unbeneficial for either side.

Thus, the four Ancestors made the decision to cease hostilities after weighing the pros and cons.”

At that moment.

Ji Qingcang’s voice rose again.

“Folks of Kunlun Ruins, this battle ends here, agreed?”

Ji Longsheng gave a respectful salute, “We follow the Ancestor’s commands!”

“We follow the Ancestor’s commands!”

Everyone from Kunlun Ruins bowed in agreement.

Ji Qingcang hummed in affirmation, then said, “Yang Luo, haha, you’re quite interesting.

It likely won’t take long before you step into the Heavenly Immortal realm.

I’m very much looking forward to your future.”

Baili Langya said cheerfully, "You're really something, managing to inherit the bloodline of the Four Great Divine Beasts without any rejection.

I'm really curious who you actually are."

"I have never seen such a young successor with talent and comprehension as high as yours, coming from the secular world no less, truly inconceivable!"

"Young man, do not waste your talent, continue to strive.

Only when you step into the Heavenly Immortal realm do you truly join the ranks of the powerful!"

The voices of Tantai Qian Chuan and Yi Qiankun followed, some in praise, others in encouragement.
