

Super IDG 2151

Chapter 2151: Once a useless person, always a useless person!

Following behind were seven elders, the very Seven Elders of the Sky Blade Sect.

Fourth Elder Xiao Zhuoyu and Fifth Elder Sun Yize had reached the Early-stage True Immortal Realm in cultivation.

Sixth Elder Li Dachuan and Seventh Elder Feng Yingrui were at the Perfected Earthly Immortal stage.

Eighth Elder Wang Fengnian and Ninth Elder Xu Zhibin were in the late-stage Earthly Immortal Realm.

Tenth Elder Zhao Jingming was in the middle-stage Earth Immortal Realm.

“Greetings to the Sect Master!”

“Greetings to all the elders!”

Everyone in the Sky Blade Sect bowed deeply with the utmost respect.

Xu Tianxiong scanned the surroundings and demanded in a heavy voice, “What on earth is going on here?!”

Xu Xiao said with a face full of sorrow, “Father, that failure Xu Ying has returned, and he’s brought so many people to cause trouble here...”

He then exaggerated the events that had just unfolded to Xu Tianxiong.

After listening to Xu Xiao’s words,

Xu Tianxiong swiftly turned his head towards Xu Ying and exclaimed, “You are Xu Ying?!”

“Didn’t this failure run away from home?”

How has he returned?”

“Hsss...

not simple at all.

This failure has actually stepped into the Earthly Immortal level and awakened the Dao Body!”

“What on earth has this fellow experienced over these years to have improved so greatly?”

The elders, too, looked at Xu Ying in amazement.

Xu Ying stared at Xu Tianxiong with a pained expression and hoarsely said, “Father, I was once bullied by Xu Xiao and the others, and you not only refused to help me but only knew how to scold and hit me.

You never even offered me a word of concern.

If it wasn’t for my mother sending me away, I probably wouldn’t have survived to this day.

And now, today, you brought so many elders to take their side.

Xu Xiao and the others are your children, am I not your child as well?”

Hearing Xu Ying’s words,

Yang Luo and the others also felt deep discomfort.

Even if Xu Ying once truly lacked talent, he was still Xu Tianxiong's child.

Instead of any encouragement or care, Xu Tianxiong only knew how to beat and scold Xu Ying.

As a father, this was truly a failure.

Xu Tianxiong's expression darkened, and his brow twitched incessantly.

He had not anticipated that the son he had once least favored, the son he regarded as a failure, would achieve so much!

Not only had he stepped into the Earth Immortal Realm, but he also awakened the rare Dao Body!

But, as the Sect Master of the Sky Blade Sect, he had his pride, which was more important than anything else, and he naturally would not admit that he was wrong!

After all, he still had other children!

Particularly Xu Xiao, who was exceptionally gifted!

With proper training, Xu Xiao's future achievements could surely match or even surpass those of Xu Ying!

Thinking this,

he stared coldly at Xu Ying and declared resonantly, "Although I do not know what kind of luck you, this failure, had stumbled upon that allowed you to fortuitously step into the Earth Immortal Realm and awaken the Dao Body!

But in my eyes, you are a failure for one day, you are a failure for life!

Do not think that just because you've stepped into the Earth Immortal Realm and awakened the Dao Body, I will regard you more highly!

In my eyes, you are still nothing!"

These words reverberated in Xu Ying's ears.

Every single word was like a steel needle piercing his heart.

Pain!

Endless pain surged to his mind!

He felt as though his heart was shattered!

"Heh..."

Xu Ying laughed at himself, tears blurring his vision, and murmured, "Even though I've stepped into the Earth Immortal Realm...

even though I've awakened the Dao Body...

even though I've achieved what I have now...

Your words of luck, of chance...

negate all my efforts...

What am I expecting...

Yes indeed...

you've always been like this towards me...

No matter what I do...

I will never gain your recognition...

Never...

never..."

In the end,

Small Success could no longer hold back the tears in his eyes, they streamed down as he cried like a child.

He just wanted a word of recognition from his father!

Why was that so hard?

Why?

"Ha ha ha..."

Does this trash really think a little achievement will earn him father's approval?

Utterly ridiculous!"

"Trash will always be trash, and will never get father's approval!"

"Trash, just give up on that hope!"

Xu Xiao and Xu Yu, among others, all burst into laughter, their eyes filled with endless mockery and scorn.

"Ah ah ah ah!!!"

Bujie completely lost his mind, eyes reddening as he bellowed furiously, "Brother Xu, in a word, kill!!!"

Ning Jianfeng's eyes were also red as he roared, "Brother Xu, no need to say more, just wipe them out!!!"

"Brother Xu, what are you waiting for, just do it!"

"Damn it, I'm so pissed my lungs might explode, let's kill, and turn heaven and earth upside down!"

"Brother Xu, don't worry about it anymore, just kill!"

"Just flatten the Sky Blade Sect altogether!"

Ji Longyue, Baili Wushuang, Tantai Puti, and others were all red-eyed, shouting with fury.

"Roar!!!"

Big White too howled to the sky, furiously pounding his robust chest, venting his own anger.

They all felt deep pain and injustice for Xu Ying!

Yang Luo's eyes turned red too, his fists clenched tightly and cracking with the tension!

Xu Ying was his sworn brother!

Also, one of the brothers he cared for and had the highest hopes for!

He wanted nothing more than to slap Xu Tianxiong, that dog, to death!

But he still forcefully held back!

Some things needed to be dealt with by Xu Ying himself, brought to an end by his own hands!

Otherwise, Xu Ying would always live in the shadow of the past, unable to extricate himself!

If Xu Ying couldn't resolve this knot in his heart, it would affect his Dao Heart in the future, becoming his inner demon and impacting his cultivation!

After all, he could see that Xu Ying's talent, comprehension, and potential were extremely high, just temporarily suppressed by the shadows of childhood!

Of course, if Xu Ying gave the word, flattening the entire Sky Blade Sect for him would be no trouble at all!

With great effort, Xu Ying suppressed the sorrow in his heart and raised his hand, saying, "Brothers, thank you for your kindness!"

But some things, I want to resolve myself!"

Yang Luo also raised his hand, saying, "Brothers, hold back for a moment!

Xu Ying's knot needs to be untied."

"Fine, I'll hold back!

Hold back!"

"Brother Xu, same as before, with brothers, we fear nothing!"

"We will always be your strongest support!"

Bujie and the others pounded their chests heavily.

Xu Tianxiong said viciously, "You little fools think you can flatten our Sky Blade Sect?

Who do you think you are!"

"Xu Tianxiong, let's end our father-son relationship today!"

Xu Ying let out a roar and his body shook!

Boom!

A beam of cyan-gold light broke through the firmament, scattering a vast expanse of the Cloud Sea!

Terrorizing, heaven-reaching pressure and aura radiated from his body, sweeping in all directions!

His pupils and body shone with an even more blazing light, the cyan-golden giant sword enveloping him becoming more substantial!

His black hair fluttered in the wind, his long robe billowed with a whoosh!

In this moment, Xu Ying's face was blurred with tears, his eyes filled only with endless coldness, resoluteness, and determination, as if the Ancient Blade Master had descended upon the world!

“Fight!!!”

With a roar,

Xu Ying, holding the Dragon Sparrow Saber, turned into a streak of cyan-gold light, charging towards Xu Tianxiong

Chapter 2152: Tenacious and Unyielding!

Seeing Xu Ying charging furiously towards him!

Xu Tianxiong said coldly, “You trash, merely at the early stage of Earth Immortal, dare to lay a hand on me?

You're simply seeking death!”

Before his words even finished!

He swung the high-grade weapon in his hand, the Sky-cutting Blade, slashing heavily towards Xu Ying!

“Fierce Lion Thunder Fire Saber!”

Swoosh!

A nearly one-hundred-zhang-long red-golden huge sword tore through the sky, splitting open a swath of Cloud Sea, wildly unstoppable!

Bolts of lightning and flames burst forth, surging upwards!

“Roar!”

Even a gigantic, nearly one-hundred-zhang-long lightning fire Berserk Lion roared out, colliding upwards!

Facing the fierce offensive from Xu Tianxiong!

Xu Ying didn’t dodge or retreat, his eyes resolute, holding the Dragon Sparrow Saber, he swung and slashed upwards!

“Shadowless Tyrannical Saber Technique!”

Swoosh!

A tens-of-zhang-long cyan-golden huge saber, carrying a vigorous saber intent, struck out to meet the attack!

Even countless cyan-golden sabers, like phantasmal streamers of light, shot out explosively!

In an instant!

Clang rumble rumble!

The two giant sabers collided fiercely in the air!

Those countless cyan-golden sabers and the lightning fire Berserk Lion also smashed into each other violently!

In less than half a minute!

Boom rumble rumble!

A world-shaking explosion boomed resoundingly!

Light and energy, fire and lightning, intertwined together!

Soaring up to the skies, crashing down upon the mountains!

Xiao Zhuoyu, standing in the rear, swept his hand grandly!

“Activate the mountain-protecting array!”

In the blink of an eye!

The Sky Blade Sect’s mountain-protecting array activated!

A massive silver-gray Light Shield, like an upside-down giant bowl, came down and enveloped the entire territory of the Sky Blade Sect!

Boom boom boom!

Energy and light, lightning and flames, crazily struck against the mountain-protecting array, erupting with the rumble of muffled thunder!

Xu Ying, after all, was only at the early stage of Earth Immortal!

Even having awakened his saber body, he could only fight against a middle-stage Earth Immortal!

But Xu Tianxiong was a bona fide late-stage Earth Immortal!

Xu Ying still struggled to withstand Xu Tianxiong's assault!

"Uh..."

Xu Ying let out a muffled groan as both figures, wielding sabers, were sent flying backwards!

It was only after flying back a hundred meters that Xu Ying barely managed to steady himself!

If not for his saber body protecting him, that strike would have surely injured him!

Xu Tianxiong sneered, "I've said it, even with your current achievements, it's impossible for you to be my match!

I'll say it again!

You, once a waste, always a waste!"

"Ha ha ha, this piece of trash thought that just because he entered Earth Immortal and awakened his saber body, he could defeat Father?

It's both laughable and pitiful!"

“Father, there’s no need to show mercy, just kill this trash and rebellious son straight away!”

“Apart from this piece of trash, everyone he brought with him must be killed as well!”

Xu Xiao, Xu Yu, and the others all laughed triumphantly, their eyes filled with malicious intent as they looked towards Xu Ying and the others.

Bujie, Ning Jianfeng, and others clenched their fists tight, their chests heaving with agitation!

Had it not been for Xu Ying and Yang Luo telling them not to act, they would have already rushed forward!

Endure!

For Xu Ying’s sake, they could only continue to endure!

“Fight!!!”

Xu Ying issued another thunderous roar, fearless, holding the Dragon Sparrow Saber, and once again rushed towards Xu Tianxiong!

Xu Tianxiong said sternly, “I’ve told you, you are no match for me!

Since you insist on seeking death, then today, I’ll act as if I never had you as a son and kill you right here!”

Saying that, Xu Tianxiong took a step forward, like a bolt of lightning, charging towards Xu Ying!

In the blink of an eye!

The distance between Xu Ying and Xu Tianxiong closed!

Xu Tianxiong swung out his saber again, chopping towards Xu Ying!

Xu Ying also exerted himself in swinging his saber, charging forward to meet the attack!

Boom!

In this confrontation,

Xu Ying was once again sent flying!

“You think you, a piece of trash, can defy the heavens?

Don’t you find that laughable?”

Xu Tianxiong sneered, stepping forward and pursuing him once more!

His expression was cold, and his saber continued to swing down!

Xu Ying clenched his teeth and raised his saber to block!

Accompanied by the “clang clang” sound of colossal metallic clashes!

“Ahh...”

Xu Ying was sent flying for the third time!

This time, the saber form he had gathered around his body shattered with a bang, and his body was slashed with wounds from which blood spattered into the air!

“Good, good, good, Father will fuel his momentum and kill him!”

Xu Xiao shouted excitedly.

Xu Tong also yelled with exhilaration, “Kill this trash, kill this rebellious son!”

“Sect Master, kill him!”

Xiao Chenyang roared fiercely.

Thus, only Xu Xiao, Xu Yu, Xu Tong, and Xu Zhao Hui were Xu Tianxiong’s children.

Xiao Chenyang, Feng Shaojie, Shen Fangqin, and Zhuzekai were the sons of the Sky Blade Sect’s Law Enforcers.

They often mixed with Xu Xiao’s group simply because their talents were high.

“Trash, even if you have awakened the saber form, you still can’t make up for the gap in cultivation.

You’re as good as dead!”

Xu Tianxiong spoke with chilling sharpness, no trace of mercy in his eyes, as he continued his assault on Xu Ying!

“Fight!!!”

Xu Ying roared and bellowed, activating his saber form once more, his blood-stained hands gripping the Dragon Sparrow Saber, and again he charged wildly forward!

In the blink of an eye!

The two were locked in fierce combat!

They moved around in the air, their speed increasing, continuously swinging their sabers at each other!

Clang clang clang!

Boom boom boom!

The sounds of impact and collision echoed ceaselessly!

Firelight blazed, lightning surged, saber intent swept across the sky, and the Berserk Lion roared heavenward!

The space where they fought had completely boiled over!

However, even though Xu Tianxiong was stronger, he still couldn't completely crush Xu Ying!

Even as Xu Ying was repeatedly beaten back, he would charge forward again and again!

Even though he was wounded and bloodied, his resilience was unwavering!

He had followed Yang Luo up to this day, fought countless fierce battles, and had shed I don't know how much blood and sweat!

So, these injuries were nothing to him!

However, this scene had the people of the Sky Blade Sect feeling alarmed and flabbergasted!

“The Seventh Young Master is really amazing, being able to fight the Sect Master to this extent without being defeated!”

“Isn’t it just?”

With the Seventh Young Master’s talent, if he were properly nurtured, his future would be boundless!”

“Keep your voices down, don’t let the eldest young master and the others hear this!”

The disciples of the Sky Blade Sect whispered among themselves with shock in their eyes.

Xu Xiao and Xu Yu’s faces were extremely dark!

They had thought Xu Tianxiong would be able to kill Xu Ying with just a few slashes!

But they never expected that Xu Ying would be able to hold out for so long without being defeated!

When did this piece of trash become so strong?!

To think, even if they joined forces, they wouldn’t be able to withstand even a single strike from Xu Tianxiong!

Xiao Zhuoyu and the other elders also narrowed their eyes, finding it unbelievable!

After dozens of rounds of combat!

Boom!

Accompanied by the thunderous sounds of explosions!

“Ugh...”

With a painful cry, Xu Ying was once again blasted away!

This was already the thirty-eighth time!

In the midst of being sent flying,

Xu Ying spat blood from his mouth, with a large spray of blood falling from his body!

His body was covered in dense wounds, his flesh ripped open and blood flowing freely!

And even Xu Tianxiong had several cuts on his body!

Even though they were only superficial wounds, it shocked him nonetheless!

For a trash at the early stage of the Earth Immortal Realm to be able to fight him to this extent and even wound him made him feel deeply ashamed!

Chapter 2153: Transformation, Breakthrough!

“Enough!

Waste!

Rebel!

Disaster!

You deserve to die too!”

Brother Xu exploded in a roar, his momentum surging, his combat power increasing, and he madly charged towards Xu Ying!

In the moment he drew near,

He stomped down mid-air and shot up into the sky!

He clenched the saber in both hands and brought it crashing down on Xu Ying!

“Heavenly Slash Ten Blades!”

Swoosh!

With a single slash, ten huge crimson-gold sabers, nearly a hundred feet long, condensed out of thin air, bearing down heavily on Xu Ying!

Each saber wrapped in blazing lightning and flames, tangible as reality itself, aiming to annihilate everything with unparalleled terror!

Clearly, at this moment, Xu Tianxiong was thoroughly intent on killing!

And just as the ten giant sabers came slashing down,

Xu Ying's whole body shook, his momentum fully unleashed, his combat power at its peak, not only activating his saber body but also his Dharma Idols!

Then, he gripped the Dragon Sparrow Saber in both hands and furiously slashed back at Xu Tianxiong!

"Edge Proud to the World!"

In the instant his horizontal slash flew out,

The towering Dharma Idol above him also swung down its saber in tandem!

Swoosh!

The twin sabers crisscrossed, saber intent soaring, their splendid might domineering and unrivaled!

In an instant!

Boom!

Xu Ying's slash collided viciously with the ten slashes from Xu Tianxiong!

The sound was earth-shattering, rocking all directions!

All kinds of energy and light merged together, creating tidal waves that surged in every direction!

Bujie and Ning Jianfeng quickly formed protective barriers to defend!

Xiao Zhuoyu and several elders also formed multiple layers of defensive shields, enveloping Xu Xiao and the others!

At the moment Xu Xiao and the others thought Xu Ying was certainly going to die,

To their shock,

Xu Ying actually blocked Xu Tianxiong's fierce attack!

Lightning, flames, and saber intent surged wildly like a raging river, a spectacular sight!

Xu Ying, his hands bloodied, gripped the saber firmly, maintaining his defensive stance, not retreating half a step!

"Hahaha..."

He threw back his head and laughed wildly, his face streaming with fresh blood, but it couldn't hide his bold and passionate spirit!

He spoke emphatically, "Xu Tianxiong, do you really think you can kill me?"

The battles I've been through on my journey are beyond your wildest imagination!

Xu Xiao and the rest are frogs at the bottom of a well, and you are too!

No wonder the Sky Blade Sect hasn't developed over the years!

With a Sect Master like you, with wastes like Xu Xiao and the others!

It would be a marvel if the Sky Blade Sect had ever flourished!"

In this moment!

Xu Ying unleashed years of pent-up sorrow, grievance, anger, and defiance!

Hearing Xu Ying's impassioned laughter,

Bujie and Ning Jianfeng and the rest were also boiling with excitement!

"Good, well said!"

"Brother Xu has done well!"

"Brother Xu, this is the real you, domineering and indomitable, standing tall against the sky!"

"From now on, you are you, leave whatever Sky Blade Sect, whatever nonsense filial piety, behind.

Nine Heavens and Ten Earths, roam free!"

"Brother Xu, this guy doesn't deserve to be your father; he doesn't deserve to have such an outstanding son as you!"

Bujie, Ning Jianfeng, Mo Qingkuang, Xiang Kunlun, Tantai Puti, and others all raised their arms and shouted, their emotions running high!

They could feel it!

In this battle, Xu Ying was undergoing a transformation!

The real Xu Ying had returned!

“You beast!

You dare say I can’t kill you?

You dare insult me, insult Xu Xiao and the others, insult my Sky Blade Sect; you’re courting death!!!”

Xu Tianxiong bellowed, his entire body shook, activating his Dharma Idols!

A colossal crimson-gold giant towered into being!

“Today, I shall execute this rebellious son and demonstrate the might of the Sky Blade Sect!”

“Slay!”

With thunderous roars,

The Dharma Idol towering above him swung its giant, crimson-gold saber, bearing down like a mountain, cleaving towards Xu Ying!

Boom!

This strike came crashing down with a sound like thunderclap, shaking heaven and earth, spreading far and wide!

“Ahh...ahhh...”

Xu Ying screamed in agony as his body was pressed downward, falling slowly!

His Dharma Idol, his activated saber body, began to crack under this attack!

His skin tore incessantly, and blood uncontrollably splattered out!

“Hahaha, he’s about to die, this piece of trash is nearly dead!”

“Aren’t those guys his brothers?”

Why aren’t they helping?”

“His father is a late-stage Earth Immortal; do they dare to intervene?”

Xu Xiao, Xu Yu, Xu Tong, and others sneered viciously, thrilled beyond belief.

Jealous of Xu Ying’s talent, comprehension, and potential, they naturally hoped Xu Ying would be slain!

“Brother Xu!”

“Brother Xu!”

“No need to hold back anymore, make your move!”

Bujie and the others cried out in alarm, ready to take action.

But, Yang Luo held them back once more, clenching his teeth, “Wait a moment longer!”

“Wait?!”

Bujie was nearly driven mad by anxiety, “Brother Yang, are you really going to stand by and watch Brother Xu get killed?!”

“Brother Yang, you’re not like this.

Everyone knows how good you are to your brothers.

What’s gotten into you today?!”

Ning Jianfeng was utterly bewildered too.

Yang Luo simply stared fixedly into the distance without speaking, continuing to endure, to wait!

“Damn it, I can’t wait anymore, I can’t stand it!”

Bujie roared, ready to rush forward, Buddhist staff in hand!

Ning Jianfeng, Ji Longyue, and others were also itching to join the fray!

But, in that very moment!

“ROAR!!!”

Xu Ying let out a beastly howl towards the heavens!

Boom...

A low rumble emitted from his body!

A more dazzling and blinding beam of cyan-golden light burst through the clouds!

The entire world seemed to tremble at this sight!

His Dharma Idol and saber body, at that moment, instantly repaired themselves, becoming more solid, and the radiating light grew even more blinding!

“What?!”

This piece of trash’s cultivation actually broke through?!”

“Indeed, he has broken through.

He has stepped into the middle-stage Earthly Immortal Realm!”

“Inconceivable, this piece of trash actually broke through during battle!”

“Could this trash’s talent, comprehension, and potential be this high?!”

Xiao Zhuoyu and seven other elders cried out in astonishment, their eyes bulging.

They never imagined Xu Ying would break through during battle!

It was truly unthinkable!

“This can’t be real, right?!”

This piece of trash broke through?!”

Xu Tong spoke dumbfoundedly.

Xu Yu swallowed hard, voice trembling: “Even the elders are saying it...

I’m afraid it’s true!”

Xu Zhao Hui, itching with hate, “Damn it!

How did this piece of trash manage to break through?!”

Xu Xiao and the others had even more malevolent looks in their eyes!

Broken through!

The so-called trash they mocked had broken through right before their eyes!

Face-slapped!

Their faces were metaphorically slapped so hard they resounded with smacks!

So, who was the real trash?

The situation was now crystal clear!

Bujie looked up and laughed heartily, “Hahaha, good, very good, you damn well broke through during battle, what an impressive feat!”

“Brother Xu, you’re too domineering, just the effect we wanted!”

Ning Jianfeng punched the air fiercely.

“Brother Yang, you couldn’t have known all along that Brother Xu was about to break through, could you?”

Tantai Puti asked Yang Luo.

Yang Luo nodded, “After the battle at the Purple Cloud Sect ended, I knew Xu Ying was close to breaking through.

Today, Xu Ying dared to face his past, resolving his inner turmoil, his thoughts cleared, leading to the natural breakthrough of his cultivation.”

Chapter 2154: Reunion After Twenty Years!

Ning Jianfeng laughed heartily and said, “Brother Yang truly is formidable, able to discern that!”

Qin Zhanhuang expressed his admiration, “So Brother Yang, you were stimulating Brother Xu’s potential to help him find his true self!”

Tantai Puti’s smile bloomed like a flower, “As expected of Brother Yang, that was truly amazing!”

“Brother Yang is the most powerful!”

Prajna also waved his fist.

Everyone watched as Xu Ying broke through in the midst of battle!

Everyone was happy for Xu Ying!

Xu Ying had been suppressed for so long, it was about time he erupted!

At this moment.

From afar in the sky.

Xu Tianxiong was also extremely shocked!

He had just been clamoring that Xu Ying was a piece of trash, wanting to kill Xu Ying!

But up to now, not only had he failed to kill Xu Ying, he had to watch with his own eyes as Xu Ying broke through!

It was as if his face had been slapped!

His anger grew even more intense!

“You beast, what does it matter if your cultivation has broken through, I can still kill you!”

Xu Tianxiong roared, calling upon the energy within his body continuously!

His pupils and body flickered with a blinding crimson-gold glow!

With hair flying and clothes fluttering, he exuded an imposing aura!

“Go to hell!”

He roared, leading his Dharma Idols and swinging the saber in his hand, fiercely slashing towards Xu Ying!

Whoosh!

The sabers crossed, and the other nine huge swords in the sky also crossed each other, making this slash even more ferocious, terrifying, and domineering!

The Void itself twisted and deformed, actually cracking open numerous fine, pitch-black fissures that spread out like a spiderweb!

In this instant!

“Tianxiong, stop!!!”

A piercing cry came from the distance.

Yang Luo and the others looked up.

An ancient boat over ten meters long flew in from afar.

Three women were standing on the ancient boat.

Two of them were dressed in luxurious clothing, adorned with various jewelry, radiating a dazzling shine.

The other woman was simply dressed but carried herself with elegant composure, dignified and gentle.

These three women were the wives of Xu Tianxiong.

The two luxuriously dressed women were called Jiang Cu Yun and Cao Mengqiu.

They were the mothers of Xu Xiao, Xu Yu, Xu Tong, and Xu Zhao Hui.

The simply dressed woman was Xu Ying's mother, Wen Shuyan.

Upon seeing Wen Shuyan.

A hint of tenderness finally emerged in Xu Ying's cold eyes.

"Mother...

Mother!!!"

He cried out hoarsely, tears streaming from his eyes.

"Little beast, even if your mother pleads for you, I will still kill you!"

Xu Tianxiong bellowed, his hands gripping the saber tightly, continuing his fierce slash towards Xu Ying!

"Get out of my way!"

Xu Ying let out a furious roar, his hands gripping the Dragon Sparrow Saber tightly and slashing out furiously!

The Dharma Idol soaring above him also furiously delivered a slash!

"Saber reigns supreme!"

Whoosh!

With crossed sabers, the saber intent vast and ruling, the saber might overshadowed the world, unparalleled under heaven and earth!

Even the power unleashed by this slash faintly surpassed that of Xu Tianxiong!

The cracks that had opened up in the surrounding Void multiplied, densely packed like a dark net, enveloping this part of heaven and earth!

In an instant!

Boom!

An earth-shattering explosion sounded, reverberating far and wide, shaking all directions!

The slash unleashed by Xu Tianxiong was directly annihilated by Xu Ying's sword strike!

"This..."

Fear filled Xu Tianxiong's eyes, clearly not expecting that Xu Ying would not only block his slash but also extinguish it!

Hiss!

The sonic boom resounded!

Xu Ying swung his saber, continuing to strike toward Xu Tianxiong!

"No good!"

Xu Tianxiong's face drastically changed as he swiftly raised his saber, concentrating his True Qi to form a barrier for defense!

Clang clang clang!

This strike heavily landed on Xu Tianxiong's saber, erupting in a sharp, ear-piercing collision sound!

Sparks flew in all directions, energy danced, and light surged violently!

"Ugh..."

Xu Tianxiong let out a muffled grunt as he, along with his Dharma Idol, was sent flying by a single saber strike!

And furthermore, as he was sent flying backwards!

He was covered in a shower of fresh blood!

One could see that his chest had been split open with a gash over a dozen centimeters long, deep enough to reveal bone!

All the onlookers were instantly in an uproar!

"My heavens, the seventh young master actually sent the Sect Master flying with one strike, and even injured him?!"

"Who would have thought that after his breakthrough in cultivation, the seventh young master's strength would surge by so much!"

"What exactly has the seventh young master experienced to attain his current cultivation and strength?!"

The disciples of the Sky Blade Sect all exclaimed in astonishment, their eyes filled with shock.

“Father...

how could this be possible?!”

Xu Xiao was completely dumbfounded.

Xu Tong shrieked in rage, “This trash must die, he must die!”

“We must kill him!

Kill him!”

“This trash is too hateful, showing not the slightest mercy!”

Xu Yu and the others also roared furiously.

Why could this trash become so strong?

Why were this trash’s talent, comprehension, and potential so much higher than theirs?

Why?!

Their envy and hatred for Xu Ying reached the extreme, boiling over with intensity!

Elders like Xiao Zhuoyu were also shocked to the core!

Especially Wen Shuyan, who was hurrying over here, was completely stunned.

Is this really my son?

When did my son become so powerful?

Bujie and Ning Jianfeng, on the other hand, were quite unperturbed!

This was the strength that Xu Ying was supposed to have!

Soon, the ancient boat reached the airspace above.

“Xiao’er, Yu’er!”

“Tong’er, Hui’er, how did you get injured?!”

Jiang Cu Yun and Cao Mengqiu leaped off the ancient boat, rushing toward Xu Xiao and the others.

Wen Shuyan stood on the ancient boat, staring blankly at Xu Ying, “Are you really...

Ying’er?”

“Mother!”

Xu Ying cried out, rushing over and tightly embracing Wen Shuyan, choking up, “Mother, it’s me, I’m Ying’er!

Ying’er has returned, Ying’er missed you so much!”

“Ying’er...

that’s really my Ying’er...

Mum missed you too...

missed you so much!”

Wen Shuyan held Xu Ying tightly, weeping aloud, tears streaming down uncontrollably.

Ever since she sent Xu Ying away from Penglai Immortal Island, she had been in tears every day, missing Xu Ying.

She had wanted to find Xu Ying, but feared bringing him trouble.

Away on the ancient boat.

Yang Luo and the others were also moved, with red-rimmed eyes.

Twenty years!

It had been twenty years since Xu Ying had been separated from his mother, and only today had they finally reunited!

For ordinary people, how many sets of twenty years can one have in life?

And Xu Ying, because he dared not return to the Sky Blade Sect, dared not face the past, he had to keep all the grievances, sorrow, and longing bottled up inside!

Bujie wiped the corner of his eye, “Damn it, can you all stop being so damn moving?

Just days ago at the Purple Cloud Sect, Brother Yang and Eldest Senior Sister reunited, and I was already overwhelmed!

And today, another round, trying to make me cry, are you?!”

Ning Jianfeng wiped away his tears while stubbornly saying, “You cried?

I didn’t cry!”

Prajna burst into tears, “Brother Yang has finally reunited with his mother, it’s so wonderful, truly wonderful!”

Flame Emperor, international Diva, Tantai Puti, and Ice Empress, as well as other women present, were also touched, quietly wiping their tears.

Chapter 2155: Shocking the Entire Arena!

Xu Ying’s eyes were already blurred with tears as he choked out, “Mother, I’ve fulfilled our agreement, I’ve become strong, and I’ve returned!”

Wen Shuyan gazed at Xu Ying, her eyes filled with pride, “Good, very good, my Ying’er has finally grown up, grown into a man who can stand tall and proud!

To see you again, and to know that you are doing well, is all I could wish for in this life!”

Xu Ying wiped away his tears and smiled broadly, “Mother, you don’t have to worry about me, I’m doing very well!

I have a large group of brothers, and they are all very good to me!”

“Hello, Auntie!”

“We are Xu Ying’s brothers!”

“We’ve taken very good care of Brother Xu, so you don’t need to worry!”

Bujie and Ning Jianfeng and the others waved energetically at Wen Shuyan.

Wen Shuyan wiped her tears and smiled, “Good, you’re all good kids.

It’s Ying’er’s fortune to have you bunch as brothers and friends.

Auntie thanks you for taking care of Ying’er, thank you all.”

“Hey, no need to thank us, Auntie, it’s all part of what we should do!”

“Brother Xu is such a good guy, we’re like brothers in iron!”

“We should be thanking Brother Xu for looking after us too!”

Bujie and Ning Jianfeng and the others all waved their hands with a laugh.

Just then—

Two sharp howls came over.

“Tianxiong, this trash brought people here and injured Xiao’er and Yu’er, are you not going to do something about it?!”

“Tong’er and Hui’er have been seriously injured, we absolutely can’t let them off!”

Jiang Cu Yun and Cao Mengqiu stared venomously at Xu Ying and his group, their eyes filled with resentment.

“That’s right, we must kill them!”

“These dogs trespassed into the Sky Blade Sect, injured so many of us, and even killed so many, they must die!”

Xu Xiao and Xu Yu and the others also howled fiercely.

Xu Tianxiong raised the saber in his hand and declared, “Elders, show no mercy.

Leave no one alive, death to them all!”

“Good!”

Xiao Zhuoyu and the seven others nodded in response.

Wen Shuyan’s face changed drastically, and she quickly said, “Ying’er, quickly take your brothers and friends and run!”

Xu Ying reassured her, “Mother, don’t worry.

These guys are no match for us!

My brothers are all very strong; they are the real Heavenly Prides, far superior to the likes of Xu Xiao and the rest of those weaklings!

So, you have no reason to worry!”

Bujie laughed heartily, “Auntie, just watch, watch how we crush these guys!”

Wen Shuyan still seemed worried, “But the seven Grand Elders are not just Earth Immortals; there are also True Immortals among them!”

Ning Jianfeng snorted a laugh and lifted his head, “What’s a True Immortal worth?

We have True Immortals on our side too, and they are True Immortals who are invincible beneath the Heavenly Immortals!”

“Right!”

Tantai Puti agreed, “Invincible True Immortals beneath the Heavenly Immortals!”

Saying so, everyone looked towards Yang Luo.

Therefore, with Yang Luo there, they had full confidence.

“What?!”

Wen Shuyan was completely dumbfounded.

Invincible True Immortals beneath the Heavenly Immortals?

What did that mean?

Just then!

Boom Boom Boom!

Beams of light soared directly from Xu Tianxiong and Xiao Zhuoyu and the seven Grand Elders, piercing the sky!

Rumble Rumble Rumble!

The Heaven and Earth shook violently, trembling!

Above the sky within ten thousand meters, vast swathes of the Cloud Sea were dispersed, and various lights flickered in the sky, dazzling and blinding!

“Father and the seven Grand Elders are acting together, I want to see how these guys die!”

“Do they really think our Sky Blade Sect is a soft persimmon, that they can just squeeze as they wish?”

“Even if that trash Xu Ying and that bald monk are Earth Immortals, so what?”

Elder Xiao and Elder Sun are True Immortals, and they will definitely die without a doubt!”

Xu Xiao, Xu Yu, and the others sneered out loud, not fearing Xu Ying and the others at all.

But the next second, their laughter abruptly ceased!

In full view of everyone from the Sky Blade Sect!

Boom boom boom!

Beams of light erupted straight from Xu Ying, Bujie, Mo Qingkuang, Xiang Kunlun, Ji Longyue, and others, shooting into the sky!

Rumble rumble rumble!

Tens of thousands of meters around, heaven and earth shook even more violently!

Even the mountains, palaces, and towers under the mountain-protecting array began to tremble!

Above the Cloud Sea tens of thousands of meters high, the clouds were utterly torn apart!

Multicolored lights flickered in the sky, dumbfounding all the members of the Sky Blade Sect!

And because the commotion here was too great!

All eight thousand disciples of the Sky Blade Sect rushed over, standing atop mountains, staring at the distant sky, their eyes wide and mouths agape, profoundly shocked!

And under everyone's gaze!

Bujie and the others all soared into the sky, coming to a stand above!

Only Yang Luo remained standing quietly on the spot, hands clasped behind his back, his face incredibly calm.

Xu Tianxiong and those seven old fellows posed no threat to Bujie and the others, so there was no need for him to make a move.

It was a good opportunity to let Bujie and the others get some practice.

Unless a stronger elder took action, there was no rush for him to step in.

“Earth Immortals?!”

They are all Earth Immortals?!?”

Xu Tianxiong couldn’t help but cry out in shock.

Although he had an inkling that these individuals might be Earth Immortals.

He thought it unlikely and believed he might have sensed it wrong.

After all, these individuals looked so young; how could they possibly all be Earth Immortals?

But now, he was certain!

These individuals were indeed all Earth Immortals!

Especially since the aura and pressure from several of them even surpassed his own!

“No way!”

Elder Xiao Zhuoyu’s pupils narrowed, fixating on Flame Emperor and international Diva, he exclaimed in shock, “Those two women are True Immortals!”

“What?!”

Those two women are True Immortals?!?”

Li Dachuan blurted out in astonishment.

“How...

how is this possible?!”

Feng Yingrui stood there dumbfounded, “They are so young; how could they be True Immortals?!”

“Mr.

Xiao, are you sure you didn’t sense it wrong?”

Wang Fengnian asked with a frown.

“Positive!”

Elder Xiao Zhuoyu nodded.

Sun Yize took a deep breath and said, “Those two women are indeed True Immortals; although at the early-stage True Immortal Realm, they are undoubtedly True Immortals!”

“This...”

“When did reaching the True Immortal Realm become so easy?!”

“Who exactly are they?!”

Li Dachuan and the others were all deeply shaken.

At that very moment!

“Not only are these young people all Earth Immortals, but there are even two True Immortals among them?!”

“Oh my god, could they be the Heavenly Prides from the top sects and families of Penglai Immortal Island?!”

“That doesn’t make sense, we are familiar with the Heavenly Prides from all the top sects and families, and they’re not among them!”

The disciples of the Sky Blade Sect were trembling uncontrollably, utterly stupefied.

Especially Xu Xiao and Xu Yu, who felt as if they had been struck by lightning, shaking uncontrollably, their faces turning deathly pale!

They had never imagined that Bujie and the others would turn out to be Earth Immortals, with even two True Immortals among them!

Had Bujie and the others wanted to kill them, they probably would have died long ago!

They finally understood that these individuals probably didn’t take them seriously at all!

But it was precisely because of this that they were even angrier, more furious!

And even more so, filled with envy, jealousy, and hatred!

Chapter 2156: Who Are They Really?

“Why do these guys, who are the same age as them, possess such high talent and comprehension, being able to step into the realm of Earth Immortal, and even True Immortal at such an age?

Why is there such a huge gap between people?

But what shocked everyone from Sky Blade Sect was not just this!

Bujie raised the Heavenly Dragon Zen Staff in his hand and declared dominantly, “Brothers, no need to hold back, let’s go all out and show these short-sighted people our strength!”

“Alright!”

Ji Longyue and others thunderously responded!

In an instant!

Bujie and his companions unleashed their full momentum and battle power!

Under the watch of everyone!

One Dharma Idol after another erected in the sky above them!

Each Dharma Idol shimmered with blinding, dazzling light, some barehanded and others holding weapons!

Some Dharma Idols were dozens of meters tall, some nearly a hundred meters, and some over a hundred meters!

All Dharma Idols stood towering in the sky, awe-inspiring and supremely dominant, swallowing the heavens!

Moreover, apart from initiating the Dharma Idols!

Ji Longyue and others also unleashed their illusions!

“Azure Dragon!”

“White Tiger!”

“Vermillion Bird!”

“Black Tortoise!”

“Qilin!”

“Flaming Phoenix!”

“Soaring Snake!”

“Baize Clan!”

...

Amid roaring shouts!

The Azure Dragon soared through the heavens, the White Tiger roared skyward, the Vermillion Bird flapped its wings high, the Black Tortoise trod the skies!

The Qilin stepping through the void bellowed, the Flaming Phoenix bathed in flames sang, the Soaring Snake soared through clouds, and the Baize Clan looked up and spouted auspicious mist!

Moreover, several other Divine Beasts also stood erect, exuding an overwhelming aura!

All Dharma Idols and all Divine Beast Illusions filled the entire sky!

It was simply a magnificent spectacle, grand and diverse!

“My goodness...

Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise...

who exactly are these people?!”

“Could they be the Heavenly Pride of the Divine Beast families from Kunlun Ruins?!”

“Are they really from Kunlun Ruins?!”

“How could people from Kunlun Ruins come to Penglai Immortal Island?!”

The disciples of Sky Blade Sect began to discuss in astonishment.

Hence, because Earth Spirit Island was too far from Tian Ying Island.

Until now, only some top-ranked sects and families on Earth Spirit Island knew about the great battle of Purple Cloud Sect.

They from Sky Blade Sect did not know.

As for Xu Xiao and others, they were already shocked silly, paralyzed to the ground in fright.

Wen Shuyan stood on the ancient boat, staring blankly at the sky above, her eyes also filled with horror.

Earlier, when Xu Ying mentioned that Ji Longyue and others were very strong, she was a bit skeptical.

After all, Ji Longyue and others were too young; even if they were strong, how potent could they be?

But now, seeing it, she realized everything Xu Ying said was true!

Her brothers and friends were probably not simple!

Xu Tianxiong, Xiao Zhuoyu, and others were also tremendously shocked!

“Could these guys truly be from the Divine Beast families of Kunlun Ruins?”

Li Dachuan furrowed his brows and questioned.

“Impossible!”

Feng Yingrui shook his head and said, “Over the years, Kunlun Ruins and Penglai Immortal Island have deep-seated grievances, with no interactions!

If people from Kunlun Ruins came to Penglai Immortal Island, it would surely ignite a great war, and naturally, they wouldn’t dare come here!”

Wang Fengnian analyzed, “I think these guys must have learned some cultivation techniques from those Divine Beast families, that’s why they can manifest these Divine Beast Illusions!”

“That makes sense.”

The other elders nodded in agreement.

After all, whether it's Kunlun Ruins or Penglai Immortal Island, numerous cultivation techniques involve the ancient Divine Beasts, which isn't something unusual.

Xiao Zhuoyu declared forcefully, "Since these youngsters aren't from those Divine Beast families, we don't need to have any reservations!

They went all out, right?

Let's go all out too!"

"Alright!"

Xu Tianxiong and Sun Yize among others thunderously responded.

The very next moment!

Xu Tianxiong, Xiao Zhuoyu, and others also fully unleashed their momentum and battle power and initiated their Dharma Idols!

Eight Dharma Idols also stood towering, heads reaching the heavens and feet treading the void, incredibly domineering!

"Brothers, to battle!"

Bujie roared, holding the Heavenly Dragon Zen Staff, he led his Dharma Idols and charged forward!

"Annihilate them!"

Ji Longyue and others bellowed, leading their Dharma Idols and Divine Beast Illusions into the fray!

“Kill!”

“How dare you disturb the peace and kill in my Sky Blade Sect, you all must die!”

Xu Tianxiong and the seven Grand Elders also led their Dharma Idols to charge into the battle!

At that instant!

Clang!

Clang!

Clang!

Numerous Dharma Idols and Divine Beast Illusions collided in the air, like mountains crashing, shaking the heavens and the earth!

A great expanse of light and energy dispersed violently from the point of impact in all directions, fiercely bold and blinding to the eyes!

It was during the fierce showdown between the Dharma Idols and Divine Beast Illusions!

Bujie and Ji Longyue among others were also fiercely engaged in battle with Xu Tianxiong and eight others!

“Fierce Lion Thunder Fire Saber!”

Xu Tianxiong swung the long saber in his hand, chopping down heavily!

A huge saber, nearly a hundred yards long, of golden red split the sky, carrying terrifying lightning and flames, slashing towards Bujie and the others!

“Roar!”

A massive Thunder Fire Giant Lion, nearly a hundred yards long, bellowed and charged forward!

“You scoundrel, I’ve despised you for a long time!”

Bujie roared, swinging the Heavenly Dragon Long Staff in his hand and smashing it down!

“Heavenly Dragon Demon Suppression Staff!”

A gold colossal staff, tens of yards long, burst out blinding Buddhist light and smashed down!

“Roar!”

A massive golden Buddha Dragon, tens of yards long, also roared and burst forth!

This “Heavenly Dragon Demon Suppression Staff” was precisely a staff technique inherited from the Heavenly Dragon Zen Staff!

The Heavenly Dragon Zen Staff housed many cultivation techniques and immortal techniques left by the Tian Long Ancient Buddha, which he had only learned a part of so far!

“Brother Xu is your son, yet you wish to kill him, I have tolerated you for far too long!”

Ning Jianfeng roared, swinging the long sword in his hand, and furiously slashed down!

“Soaring Serpent Nine Slash!”

Swoosh!

With one slash, nine huge black swords, each tens of yards long, were thrust down heavily!

“Roar!”

Moreover, a gigantic black serpent, tens of yards long with wings, roared and charged forward!

“How dare you bully Brother Xu, you are unworthy of being a father!”

Prajna also yelled, swinging the Sun and Moon Divine Staff in his hand!

Whoosh!

A colossal staff, tens of yards long carrying ice and fire, fiercely attacked!

In an instant!

The golden giant staff, the nine black swords, the ice giant staff clashed fiercely with the saber strike of Xu Tianxiong!

The Buddha Dragon and Soaring Snake also collided with the Thunder Fire Giant Lion!

Clang!

Boom!

The sounds of collision and explosions echoed endlessly!

Xu Tianxiong's expression changed greatly!

He could only barely hold off the onslaught of these three foes, unable to send them flying!

How could these rivals be so strong?

Just as he was shocked!

"Xu Tianxiong, if you want to kill me, I won't let you off easily!"

"Xu Ying is my brother, did you seek my permission to kill him?"

"It's tragic for Brother Xu to have you as a father!"

Xu Ying, Lin Wenxuan, and Mo Qingkuang all rushed forward, simultaneously launching a fierce attack!

"Shadowless Tyrannical Saber Technique!"

"Qilin Battle Spear!"

"Supreme Divine Fist!"

The saber split the sky!

The spear pierced the sun!

The Divine Fist cleaved the heavens!

Boom!

Boom!

Terrifying explosions that could shake heaven and earth resounded in all directions, vibrating the Nine Heavens and Ten Earths!

“Argh...”

Xu Tianxiong could no longer endure, he screamed miserably and fell from the sky...

Chapter 2157: Forbidden Saber Body!

In the midst of his descent!

Xu Tianxiong’s mouth spewed blood, and a great amount of blood burst forth from his body!

Seeing this scene!

Xu Xiao and Xu Yu, among others, were so frightened that they trembled all over and broke out in cold sweat!

The disciples of the Sky Blade Sect were also horrified!

They had never imagined that these young people, working together, could unleash such formidable combat power!

The Sect Master couldn’t withstand even a single move and was sent flying!

“Continue, kill!”

Ning Jianfeng bellowed, gripping his long sword tightly in both hands as he furiously swung it at Xu Tianxiong!

“Emperor Extreme Sky Splitting Slash!”

Swoosh!

A sword swung, and nine black swords merged into one, heavily chopping towards Xu Tianxiong!

“Roar!”

A huge Soaring Snake flapped its wings and opened its bloody mouth wide, slamming down!

“Divine Movement Eight Desolates Palm!”

Mo Qingkuang stood proudly in the air, his right arm raised, slamming down mightily with a palm!

A purple-gold palm, mountainous in size, crushed down towards Xu Tianxiong!

“Formless Buddha Demon!”

Bujie’s body shook, and a giant loomed over him!

This giant was eerily bizarre, half of its body shimmering with golden Buddhist light and the other half with dark demonic light, resembling Buddha and Demon in one body!

While Bujie’s eyes, one shimmered with gold and the other with dark light, captivating the soul!

Immediately, Bujie swung the Heavenly Dragon Zen Staff in his hand, smashing it down!

The looming Buddha Demon also pushed out both palms simultaneously, pressing down like two five-fingered mountains!

“Ice River Python!”

“Great Sun Burning Sky!”

Prajna swung the Sun and Moon Divine Staff with all his might!

A vast ice river surged down!

A fireball, like the great sun, crashed down!

Xu Ying raised his saber in his hand, shouting out loudly!

“Heaven and Earth Thousand Blades, heed my command!”

“Sword Suppressing Mountains and Rivers!”

In an instant!

The huge saber surrounding him flashed a blinding light, with runes even floating on its surface!

Hum hum hum!

The sabers in the hands of the Sky Blade Sect disciples uncontrollably trembled violently!

The next second!

Whoosh whoosh whoosh!

Thousands of long sabers soared into the sky, converging above Xu Ying, flying and weaving through the air!

Seeing this scene!

The disciples of the Sky Blade Sect were dumbfounded, completely astounded!

Even Bujie and the others were shockingly taken aback!

From afar, in the midst of intense battle, Xiao Zhuoyu exclaimed, “Could it be that this kid has awakened the most domineering, most powerful ‘Forbidden Saber Body’ among all saber bodies?!”

“Probably so!”

Sun Yize blankly said, “The Grand Elder once said that among the myriad saber bodies, there is one known as the most domineering, the emperor among saber bodies, named ‘Forbidden Saber Body’!

If one could awaken this saber body, they could command all the sabers in the world!

This type of saber body is generally extremely difficult to awaken, but astonishingly, this kid has achieved it, it’s incredible!”

Li Dachuan admired, “Isn’t that so?

Even though this kid is only at middle-stage Earth Immortal Realm cultivation, he has already managed to exert a considerable power of the ‘Forbidden Saber Body’!”

“Is this kid really worthless?”

Feng Yingrui dumbfoundedly said, “His talent, comprehension, and potential are probably much higher than the Grand Elder!

After all, the Grand Elder only awakened the generic ‘Five Elements Saber Body’!”

Xiao Zhuoyu and others fell silent!

Is Xu Ying still worthless now?

Not at all!

If Xu Ying is worthless, then wouldn’t their entire Sky Blade Sect be even less than worthless?

Xu Tianxiong had some regrets now!

If he had not treated Xu Ying this way, but instead nurtured him well, the Sky Blade Sect might have risen under his leadership!

But now, regret was useless!

He must eliminate this rebellious son and prevent him from plaguing the Sky Blade Sect!

Xu Xiao and Xu Yu, among others, were even more enviously and jealously hateful towards Xu Ying to the extreme!

Why does this incompetent have such higher talent, comprehension, and potential than them?

Why could this incompetent awaken such a powerful “Forbidden Saber Body”?

Just when everyone was stunned!

“Slash!”

Xu Ying let out a tremulous roar, gripping the saber with both hands and furiously slashing it down!

Whoosh!

As he slashed down, thousands of sabers, like a violent storm, simultaneously and explosively shot towards Xu Tianxiong!

Seeing Xu Ying, Mo Qingkuang, Ning Jianfeng, Bujie, and Prajna’s fierce attacks coming,

Xu Tianxiong felt panic in his mind, mobilized all the energy in his body, and swung his saber furiously!

“Thunder Fire Extinguishing Immortal Slash!”

Whoosh!

A huge golden saber, nearly a hundred yards long, rent the sky, slashing toward the heavens!

Lightning and fire surged, transforming into a sea of thunder and fire, rolling upwards!

A gigantic Thunder Fire Giant Lion roared towards the sky and collided upwards!

In an instant!

Boom!

Rumble!

A series of earth-shattering collision and explosion sounds erupted continuously, shaking Heaven and Earth Eight Desolates!

Various kinds of energy and light merged together, forming a huge sphere of light, rippling outward!

“Ugh...”

Xu Tianxiong couldn't withstand it, let out a shrill scream!

He vomited large mouthfuls of blood, his flesh splattered, and he fell from the sky, crashing into a valley with a “boom,” raising a mass of rubble and dust!

In the distance above.

Tantai Puti, Dongfang Ruoshui, Qin Zhanhuang, Mu Wushang, Gu Pengfei, Divine Light and Darkness, Emperor of the Dead, and Ice Empress were battling three Grand Elders, Wang Fengnian, Xu Zhibin, and Zhao Jingming!

Wang Fengnian and Xu Zhibin were only late-stage Earthen Immortals, and Zhao Jingming was even just a middle-stage Earthen Immortal!

Thus, under the fierce attacks of Tantai Puti, Dongfang Ruoshui, and others, the three of them were constantly retreating, utterly no match!

Rumble!

Accompanied by a series of shocking explosions!

“Aaagh...”

Wang Fengnian and the others let out painful shrieks and were blasted away once more!

“Continue the attack!”

Dongfang Ruoshui called out coldly, her lithe figure transforming into a streak of light, swooping upward!

In the moment she caught up to the three men!

Dongfang Ruoshui waved her jade hand!

“Purple Qi from the East!”

In an instant!

Boundless purple Qi surged for thousands of meters, turning into a vast sea of purple energy, surging towards Wang Fengnian and his companions!

“Fire Cloud Covers Ten Thousand Miles!”

Tantai Puti swung the Vermillion Bird Sword in her hand and shouted!

Golden red flames burst forth, transforming into a sea of fire, surging upwards!

“Ice Wave Shocking Wave!”

The Ice Empress also swung her ice staff!

Waves of enormous ice from above the firmament poured down like ice pillars, pressing down towards Wang Fengnian and his companions!

“Fire Phoenix Soaring Sky!”

Qin Zhanhuang waved his hand mightily!

“Screech!”

Accompanied by a crisp cry!

A flame phoenix spread its wings and soared high, charging towards Wang Fengnian and his companions!

“Bai Ze Splash!”

“Green Roc Illusion Claw!”

“Divine Punishment of Light and Darkness!”

“Underworld Divine Slash!”

Mu Wushang, Gu Pengfei, Divine Light and Darkness, and Emperor of the Dead also launched fierce attacks!

Bai Ze raised its head, spewing out a silver-white Immortal rainbow, its destructive power immense!

Green Roc flapped its wings and flew, extending a claw, Tearing Heavens, Splitting Earth!

Black and white divine lights intertwined, shooting out like a Divine Rainbow!

A black giant sword, carrying a torrential aura of death, furiously slashed out!

Faced with the savage assault from Dongfang Ruoshui and the eight others,

Wang Fengnian and the two were utterly stunned

Chapter 2158: Invincible!

“What on earth are these guys?”

“Why do the cultivation techniques they use vary so dramatically, and why are they all so overwhelmingly powerful?”

“Stop standing there, counterattack, counterattack now!”

Wang Fengnian cried out in alarm and then desperately swung the saber in his hands!

“Wind and Fire Chaotic Sky Blade!”

Whoosh!

With a slash, heaven and earth were shocked!

Fierce winds and flames surged forth, turning into countless wind blades and fiery blades that shot out wildly!

Xu Zhibin and Zhao Jingming also recovered from their shock and launched fierce attacks simultaneously!

“Burning Sky Fierce Sun Saber!”

“Wave Breaking Blade!”

Both of them also wildly mobilized the True Qi within their bodies and simultaneously swung the sabers in their hands!

Whoosh whoosh!

Two giant sabers, each dozens of yards long, cut across the sky, surging forward to meet the attack!

Flames billowed and giant waves emptied the sky, sweeping upward!

In a flash of lightning!

Boom boom boom!

The offensive moves unleashed by Dongfang Ruoshui’s eight and the three collided fiercely, with a momentum that shook the heavens, stirring chaos in all directions!

After clashing for less than a few minutes!

Boom boom boom!

A series of explosions sounded continuously, echoing between heaven and earth!

Wang Fengnian and the other two, not even True Immortals, simply couldn't withstand the fierce attack of Dongfang Ruoshui's eight and were shaken back repeatedly!

But before the three could catch their breath!

Lu Yuanlong, Han Feng, and others also charged over from afar, launching fierce attacks!

They were all the heavenly pride of the top sects in Kunlun Ruins, who had chosen not to return with the elders this time but to stay and gain experience with Yang Luo!

"Ah ah ah..."

The three could no longer hold out, cried out in agony, spat out blood, and fell from the sky, crashing onto mountains!

"Continue, let's see how these old fools can still be arrogant!"

Tantai Puti shouted, holding the Vermillion Bird Sword and charging forward!

Dongfang Ruoshui and the others also rushed forward!

Seeing the three elders being hunted down without any power to fight back!

Everyone from the Sky Blade Sect was dumbfounded, their legs going weak!

"These guys are young, but their strength is terrifyingly strong!"

"Even the heavenly pride of our Penglai Immortal Island probably don't have this much strength, right?"

"The Sect Master and the elders might not be able to win, should we go and help?"

“In front of such powerful beings, can we really help, or would we just be rushing to our deaths?”

The disciples of the Sky Blade Sect were all trembling, wanting to help, but they dared not make a move.

“Father and the elders...

they can't really be losing, can they?”

Xu Tong asked with a trembling voice.

“How could they possibly lose!”

Xu Yu gritted his teeth and roared, “Elder Xiao and Elder Sun are True Immortals, even if those two despicable people are also True Immortals, they are definitely no match for the two elders!”

“That's right!”

Xu Xiao nodded, his face dark as he said, “Moreover, our Sky Blade Sect still has three elders who have yet to emerge from seclusion!

Once the three elders emerge, these people are doomed!”

“Uh-huh!”

Xu Yu and the others nodded heavily, still full of hope.

Yang Luo stood calmly on the ancient boat, hands behind his back, his expression still undisturbed.

He had long anticipated the outcome before him.

His brothers had followed him through battles on their journey, overcoming various hardships and trials.

Their combat experience and awareness had long surpassed countless others.

Moreover, the strongest among Xu Tianxiong and the other eight were merely at early-stage True Immortal Realm, so he wasn't worried at all.

Of course, he had also heard the conversation between Xu Xiao and the others.

The Sky Blade Sect still had three elders, probably the strongest three in the sect.

However, he remained unworried.

As long as they weren't Heavenly Immortals, he wouldn't take them seriously.

As for the Sky Blade Sect, there certainly weren't any Heavenly Immortals.

If there were, the Sky Blade Sect would probably have already rushed into the ranks of the top sects, rather than falling to such a state.

At this moment.

In the sky far away.

The battle grew even more ferocious!

Flame Emperor, international Diva, Ji Longyue, Baili Wushuang, Yi Yuheng, King of Creation, Xiang Kunlun, Sacred Prison King, King of Destruction, Duan Tianyang, Qiu Xuyao, and Yu Haodong were battling the four elders!

Big White and the Hundred Cry Bird had also joined the battlefield!

Even the four elders, Xiao Zhuoyu, Sun Yize, Li Dachuan, and Sun Yize, despite their great strength, had difficulty resisting the combined fierce attacks of Flame Emperor and the others!

Clang, clang, clang...

Boom, boom, boom...

The sounds of clashing and explosions were incessant!

Huge balls of energy exploded in the sky like fireworks, dazzling beyond compare!

The four, led by Xiao Zhuoyu, were being forced to retreat, coughing up blood!

"I refuse to believe that the four of us, united, can't even kill you little brats!" Xiao Zhuoyu bellowed in fury, vigorously swinging his saber!

"Ten Directions Saber Array Map!"

In the blink of an eye!

A massive grey-gold Sword Formation Map, over a hundred zhang in size, condensed in the sky and suppressed downwards towards Flame Emperor, international Diva, and the others!

As the Sword Formation Map bore down!

Ten enormous grey-gold sabers, each a hundred zhang long, burst forth, slashing down heavily at Flame Emperor and international Diva and the others!

Countless short sabers flew out like a torrential downpour, bursting downwards!

“Tiger Soul Seven Absolute Sabers!”

Sun Yize, wielding a black-gold saber, struck out forcefully towards the front!

Swoosh!

With one strike, seven black-gold sabers, each over a hundred zhang long, crazily chopped towards Flame Emperor and the others!

Seven giant tigers, their bodies radiating black-gold light, roared as they emerged!

“Sword Mountain Fire Sea!”

“Thunder Saber Breaking the Sky!”

Li Dachuan and Feng Yingrui, too, swung their sabers!

Countless dark red flying knives formed mountains of blades, carrying a heaven-high Fire Sea, crashing upwards!

A nearly hundred-zhang long blue saber came crashing down, and streaks of blue lightning descended from the sky, striking towards Flame Emperor and the rest!

“Counterattack!”

Flame Emperor shouted, stepping into the void beneath her feet and soaring into the sky!

As she ascended into the heights!

Holding the Blue Luan Sword, she slashed with all her might at the Sword Formation Map coming down from above!

“Sword Breaking Star River!”

Swoosh!

A huge, hundred-zhang long green Giant Sword cut towards the Sword Formation Map, as if to cleave the sky and sever the stars!

Countless green flying swords formed into rivers of swords, surging upwards!

“Holy Lotus Treasure Seal!”

international Diva raised both hands, forming an Eight-Colored Glaze Seal, pushing it forward!

This immense seal looked like a blooming Eight-Colored Glazed Glass Lotus, with eight-colored runes swirling around it, noble and sacred, yet containing endless destructive power!

The seal instantly expanded over a hundred zhang, crushing down on the seven slashes and the seven roaring tigers unleashed by Sun Yize!

“Green Dragon Battle Halberd!”

“White Tiger God Destroying Saber!”

“Black Tortoise Heaven-Breaking Spear!”

“Kun Peng Great Split Slash!”

Ji Longyue, Baili Wushuang, Yi Huheng, and Xiang Kunlun all launched ferocious attacks simultaneously!

A green Giant Halberd swept out, with a huge green dragon soaring to the Jiutian, roaring as it ascended!

A platinum saber was struck out, with a tremendous White Tiger running amok in the void, colliding upwards!

A blue-gold halberd pierced through the void, a Black Tortoise raised its head high, stepping on the ice sea, crashing forward!

A black-gold Blazing Kun Peng spread its wings, its massive Flame Wings like two giant blades, slashing down heavily!

Chapter 2159: Barehanded against the Heavenly Blade!

Big White charged forward frantically, with lightning bolts and flames converging above his fists, launching a powerful attack!

Hundred Cry Bird spread its wings to fly, flapping once, and a series of Flame Tornadoes connecting Heaven and Earth crushed down!

King of Creation, Sacred Prison King, King of Destruction, Duan Tianyang, Qiu Xuyao, and Yu Haodong all launched their strongest fierce attacks!

The onslaught from Flame Emperor and the rest was too ferocious and wild, it was simply Destroying Heaven and Earth!

Xiao Zhuoyu and his three companions were already quite strong, but they still couldn't withstand the barrage of Flame Emperor and the others!

Boom, rumble, rumble!

Severe attacks collided above, making the sky tremble and the earth quake, shaking in all directions!

The sound of the collision was like the rolling thunder of a muffled thunderstorm, traveling countless miles!

All sorts of energies and light spread from the point of collision to all sides, like surging tides, violently terrifying!

The collision lasted less than three minutes!

Boom...

The huge blue saber wielded by Feng Yingrui exploded violently, and the furious blue lightning bolt that it brought down also shattered to pieces!

Less than two minutes!

Boom...

The mountains made of swords that were Suppression Kill and the onrushing Fire Sea also exploded in the sky!

Less than a minute!

Boom...

The seven huge Black Gold swords and seven massive tigers were also destroyed, exploding in the sky!

In the last half minute!

Boom...

The Sword Formation Map that was descending to Suppression Kill was also shattered, exploding in the Cangqiong!

The energy produced by the explosion was simply magnificent and vast, robust and violent, incredibly terrifying!

Xiao Zhuoyu and his three companions didn't even have time to counterattack or retreat, as they were struck by these surging energies!

"Arghhh..."

The four of them let out agonizing screams of pain, as they were blown away simultaneously!

Blood sprayed from their mouths as they were blasted to the point of being flesh and blood indistinguishable, with their flesh splattering through the air!

After being blown away for hundreds of meters!

Boom, boom, boom, boom...

They crashed heavily onto a series of mountains, collapsing a few palace towers and pavilions, lifting a great amount of rubble and dust!

It was just as Xiao Zhuoyu and the others crashed onto the mountains!

“Ah, ah, ah...”

Screams of pain also came from afar!

Xu Tianxiong and the other elders were all struck down and smashed onto a series of mountains!

They were covered in blood, with wounds open and flesh split everywhere, having lost the ability to fight!

Suddenly!

All members of the Sky Blade Sect were dumbfounded, their faces turned pale, and they trembled all over!

“The Sect Master and the seven Great Elders have all been defeated!”

“How can these guys be so strong?!”

“Are they going to bulldoze our entire Sky Blade Sect?!”

“To bulldoze our Sky Blade Sect is absolutely impossible, as long as the Grand Elder, Second Elder, and Third Elder come out of seclusion, these guys are doomed!”

The disciples of the Sky Blade Sect were full of fear on their faces, but they were still filled with hope.

After all, the three strongest elders of their Sky Blade Sect had yet to appear!

Once they did, they would surely slay these foes!

“Shouldn’t the friends of a useless person all be useless How can these guys be so strong?!”

“Father and the seven Great Elders, joining forces couldn’t even stand up to them a direct and utter defeat?!”

“How could this be How could this be?!”

Xu Xiao, Xu Yu, and the others were all shaking, clenching their fists tightly, seething with hatred.

However, just then!

Rumble, rumble!

Suddenly, a sound of rolling thunderclaps came from afar in the sky!

Everyone present lifted their eyes to look!

They saw, three huge swords each hundreds of feet long, tearing through the Void, slicing through the Cloud Sea, and fiercely descending upon Flame Emperor and the others!

The three huge swords flickered with black-gold, purple-gold, and green-gold light, dazzling and eye-catching!

The unparalleled might of the swords caused chaos in all directions!

The majestic saber intent shot straight up to the heavens!

Like three heavenly blades, they were about to cleave open the heavens and the earth, destroying everything!

Seeing this scene in the sky above!

All members of the Sky Blade Sect were overjoyed!

“They’ve come out, the Grand Elder, Second Elder, and Third Elder have come out!”

“Hahaha, the three elders have come out, let’s see how these guys can still be arrogant!”

“The divine powers of the three elders are peerless, their saber techniques invincible, these guys are dead for sure!”

The disciples of the Sky Blade Sect shouted excitedly, overwhelmed with exhilaration.

Xu Xiao swung his fist heavily and said fiercely, “The three elders have finally come out!

I want to see how these guys die!”

Xu Yu said venomously, “We must make them beg for life but unable to beg for death!”

Xu Tong said cruelly, “That’s right, we absolutely can’t let them die easily; that would be letting them off too lightly!

We should first crush their dantian, waste their cultivation, and let them die in despair!”

As the three huge swords slashed down again!

Flame Emperor and the others were startled and prepared to counterattack!

But, in that split second!

Boom!

A figure shot up directly from the ancient boat to the rear and soared into the sky!

This figure emitted blinding golden light, like a dragon from the nine heavens, charging toward those three slashing huge swords!

In the moment of approach!

The figure raised his right hand and struck out with his palm to meet the attack!

With a single palm strike, it instantly enlarged by a thousand feet, like a huge golden Heavenly Stele, crashing into the three huge swords!

In an instant!

Boom!

The huge golden palm collided heavily with the three huge swords, making a noise that shattered the heavens, echoing through the skies!

At the moment of collision!

The surrounding void instantly collapsed and cracked, with pitch-black fissures spreading out like chains in every direction!

The earth shook tremendously, mountains swayed, and rivers churned!

In less than ten seconds!

Boom!

The three slashing huge swords were directly shattered by the palm strike, turning into surging, violent energy that washed in all directions!

Long cracks appeared in the firmament above, and the Cloud Sea was completely dispersed!

The mountain-protecting array that enveloped the entire territory of the Sky Blade Sect also suffered a violent impact, as if it could hardly hold and was about to shatter!

Until the light and energy had all dissipated!

Everyone present raised their eyes to the sky!

There, a figure shimmering with golden light stood quietly in the air!

He had a lean and tall figure, hair fluttering in the wind, wearing a black robe that billowed, with a handsome and refined face, and profound eyes like an endless starry sky, as if an Ancient Immortal had descended to the world!

He had his left hand behind his back, and his right hand was slowly retracting!

This person was Yang Luo!

Bujie grinned and said, "Brother Yang, I thought you decided not to take action, letting us show off to the end!"

Ning Jianfeng said, “The person who released those three slashes is very powerful, and we are definitely not their match, Brother Yang had to take action!”

Flame Emperor and the others nodded as well.

They had just felt the power of those three slashes, which was extraordinary.

However, all the disciples of the Sky Blade Sect were astounded!

“Oh my god, who is this guy, to actually withstand a slash from the three elders with his bare hands?!”

“You must know, the Grand Elder is at the late True Immortal realm, and the Second Elder and Third Elder are in the middle True Immortal realm, yet this guy took it with a single palm?!”

“Not only did he withstand it, but he also shattered the slash from the three great elders with one palm!”

“Could this guy be the strongest presence among these people?!”

Then why didn’t he act earlier?!”

“Maybe he felt that there was simply no need to act...”

The disciples of the Sky Blade Sect all voiced their shock, looking at Yang Luo with eyes full of fear, confusion, and amazement...

Chapter 2160: Slap and Send Flying!

Xu Xiao and Xu Yu, among others, all stared fixedly at Yang Luo in the sky above, their eyes nearly popping out and their jaws almost dropping in shock!

From the start of the great battle until now, they saw Yang Luo never making a move, merely watching from the ancient boat!

Therefore, they always thought that Yang Luo was the only one among this group who had not stepped into the realm of Earth Immortal, the weakest existence!

After all, they simply could not discern Yang Luo's cultivation!

They couldn't even sense any vibrations of a powerful aura from Yang Luo!

But what they never expected was that Yang Luo was actually the strongest presence!

Xu Yu, shaking, exclaimed, "This lad actually withstood a strike from the three Grand Elders with his bare hands...

Is he even human?!"

"Could this scoundrel possibly be...

a True Immortal?!"

Xu Tong asked in terror.

Xu Zhao Hui said with a grim look, "He must be, and this lad is definitely not just an ordinary True Immortal!

Otherwise, how could he possibly withstand a strike from the three Grand Elders with his bare hands!"

Xiao Chenyang's complexion turned pale, "This lad is so young yet he possesses such cultivation and strength!

Even Heavenly Prides from top sects and families might not match this lad!"

Xu Xiao shouted fiercely, "Even if this lad is strong enough to withstand a strike from the three Grand Elders, he definitely cannot be their match!"

"Mhm!"

Xu Yu and the others also nodded their heads.

After all, the Grand Elder, Second Elder, and Third Elder were the strongest existences in the Sky Blade Sect!

Unless this lad was a Perfected True Immortal, he surely couldn't match the three Grand Elders!

Xu Tianxiong and his group of eight, severely injured, struggled to get up and looked toward Yang Luo with eyes full of fear!

Previously, they saw Yang Luo standing there watching, so they didn't take him seriously!

Who would have known, this lad had stayed silent until he shocked them all with his strength, proving to be the mightiest existence!

"Elder Xiao, what exactly is this lad's cultivation?"

Xu Tianxiong rushed to ask Xiao Zhuoyu.

Xiao Zhuoyu frowned and replied, "From the palm strike this lad just unleashed, I can sense that he indeed is a True Immortal, but which specific realm he is in, I'm not sure."

Sun Yize and the others also shook their heads, indicating they did not know.

At that moment.

Three figures flew over from a distance and arrived in this area of the sky.

The arrivals were three old men, each holding a saber, and all with upright and imposing statures, exuding dominance and martial prowess.

These three elders were none other than Xu Wansong of the Sky Blade Sect's Grand Elder, Chu Fenggu of the Second Elder, and Du Qian Yuan of the Third Elder!

Xu Wansong's cultivation was in the late True Immortal realm!

Both Chu Fenggu and Du Qian Yuan had cultivation in the middle True Immortal realm!

"Greetings to the Grand Elder!"

"Greetings to the Second Elder!"

"Greetings to the Third Elder!"

All the members of the Sky Blade Sect bowed deeply, paying extreme respect.

Xu Wansong raised his hand and scanned his surroundings, frowning as he asked, "What happened here?"

"Who are these people?"

Chu Fenggu glanced at Yang Luo and the rest and questioned.

“Why has this place been destroyed like this?”

Du Qian Yuan asked sternly.

Xu Tianxiong bowed and replied, “Three Elders, here’s what happened...”

He quickly recounted the recent events to Xu Wansong and the other two.

After listening to Xu Tianxiong’s recount.

The expressions on the faces of Xu Wansong and the others immediately darkened, and they coldly turned toward Yang Luo and the others.

“Xu Ying!”

Chu Fenggu roared, “You are a disciple of the Sky Blade Sect, yet today you bring so many people to attack your own sect—what exactly are you trying to achieve?”

Xu Ying, neither servile nor haughty, declared, “From the moment I left the Sky Blade Sect twenty years ago, I ceased to be a disciple of the Sky Blade Sect!

Today, I have returned for two reasons; firstly, to see my mother and secondly, to seek revenge!”

“You dare attack your own sect, you’re utterly disgraceful and rebellious!”

Du Qian Yuan shouted furiously.

“So what if I am disgraceful and rebellious?”

Xu Ying screamed in anger, “Has any of you truly regarded me as a disciple of the Sky Blade Sect?

When Xu Xiao and the others bullied me, all of you turned a blind eye, indifferent!

As elders, you’re biased in both rewards and punishments, handling matters unjustly.

How dare you yell at me, what are you really!”

“Rubbish!”

Xu Wansong was instantly enraged.

“Since you don’t consider yourself a disciple of the Sky Blade Sect, I will fulfill your wish and destroy you!”

Before his words could fall!

He flipped his wrist, brandishing the saber in his hand, and slashed toward Xu Ying!

Whoosh!

With a slash, it shook the heavens and the earth!

A massive hundred-zhang-long dark golden saber tore through the sky, splitting the layers of the void, and fiercely struck at Xu Ying!

But just as Xu Wansong’s slash arrived—

Yang Luo stepped forward, with “Undying Golden Body” activated, and unleashed another palm strike!

“Ten Thousand Starry Sky Palm” was instantly executed!

A colossal thousand-zhang golden palm crushed a vast expanse of void, with a universe forming in its palm, where the sun and moon circled and stars twinkled, boundlessly magnificent!

In an instant!

Clang!

Boom!

Accompanied by earth-shattering collision and explosive sounds!

The slash from Xu Wansong was directly smashed into powder, exploding into a vast expanse of black and golden light!

“Uh”

He cried out in pain, his entire person along with the saber was blown away!

Flying out more than three hundred meters, he barely stabilized his body!

Even though his body was stable, multiple wounds burst open and he felt his internal energy roiling, almost spitting blood!

“This kid is too strong, to actually blow the Grand Elder away with one palm?!”

Eyes filled with fear, the disciples of the Sky Blade Sect couldn’t believe the scene before them.

Yang Luo looked coldly at Xu Wansong and said sternly, "Daring to strike my brother before me, are you tired of living?"

Xu Wansong pointed at Yang Luo, shouting in shock, "You...

you've reached the late True Immortal realm?!"

"What?!"

The late True Immortal realm?!"

"Brother Xu, is this true?!"

Both Chu Fenggu and Du Qian Yuan were shocked and spoke gravely.

"It can't be wrong, absolutely not!"

Xu Tianxiong nodded, "This kid is indeed in the late True Immortal realm!"

"Hiss"

Both Chu Fenggu and Du Qian Yuan couldn't help but draw a sharp breath, shivering slightly.

Even the disciples of the Sky Blade Sect stood frozen like poles, their eyes filled with utmost fear.

Late True Immortal realm!

This kid is actually in the late True Immortal realm!

Xu Wansong steadied his mind and shouted, "Brother Chu, Brother Du, even if this kid is in the late True Immortal realm, as long as we three join forces, we can definitely slay him!"

"Alright!"

"Let's join forces then!"

Both Chu Fenggu and Du Qian Yuan nodded in response.

Afterward, the three of them held their sabers, stepped forward, and turned into three streams of light, charging towards Yang Luo!

"Did you really think that by joining forces you could slay me?"

You're far too naïve!"

Yang Luo sneered disdainfully, "I don't want to waste time with you, let's settle this quickly!"

Before his voice fell!

Yang Luo's body trembled!

"Flame Emperor Combat Body, activate!"

"Divine Dragon Tyrant Body, activate!"

In a blink of an eye!

A colossal thousand-zhang flaming giant and a purple giant both rose up around Yang Luo, enveloping him inside!

Nine purple giant dragons coiled around, ruling supremely, unmatched in this world!
