

## Super IDG 2191

### Chapter 2191: Heavenly Net!

Afterward, Helian Xiongqi and others rushed out of the grand hall and started summoning manpower.

Helian Dongsheng looked helpless, “Is it necessary to make such a fuss?”

“Brother Yang is really just here as a visitor...”

Shortly thereafter.

Ding, ding, ding!

The Hundun Family’s bell rang out!

The resonant bell sound echoed through the entire Hundun Family territory!

Over eighty thousand clan members were all startled, using ancient boats and piloting flying immortal treasures, they rushed from all directions, gathering in the air above the square of the main peak!

Moreover, over ten thousand mutated beasts also came from all directions, gathering in the air above the square!

All the secluded elders also came out from seclusion, flying in from afar, arriving in the air above the square!

“Xiongqi, what happened, why did you suddenly sound the alarm bell?”

Elder Helian Qingtian asked with confusion.

“Yes, why summon so many people all of a sudden, does it mean an enemy has come knocking?”

Elder Wu Chengjun also asked.

Helian Xiongqi said, “Elders, we have received news that Yang Luo is arriving at our Hundun Family soon!”

“What?”

How did this youngster come?”

“Is he here to seek revenge on us?”

“But that’s not right, if this youngster wanted revenge, he should’ve gone after the Immortal Sword Sect and Heavenly Amplification Sect, why come to us?”

“The main thing is, our Ancestor is outside seeking Enlightenment and not in the clan; can we alone subdue this youngster?”

Elder Helian Qingtian and several other elders all spoke anxiously.

They couldn’t help it, because of the previous major conflict with the Purple Cloud Sect, they already had a shadow over Yang Luo.

Helian Xiongqi spoke solemnly, “Elders need not worry, it’s said that only Yang Luo and a group of juniors remained on Penglai Immortal Island!

The elders from families and sects like Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise, and Supreme Sect have already returned to Kunlun Ruins!

Even if Yang Luo this youngster is strong, he can’t do anything to us!”

Helian Qingtian nodded, "Makes sense, even if this youngster is strong, he can't possibly overcome so many of us."

Helian Dongsheng said gloomily, "Father, I can assure you that Brother Yang certainly isn't here to attack our Hundun Family!

There's no need for everyone to be so tense."

"Whether this youngster has come for revenge, we will find out soon."

Helian Xiongqi frowned and said, then with a wave of his hand announced, "Everyone, let's go to the outer perimeter of our family and wait for that youngster's arrival!"

"Okay!"

Everyone responded in unison.

Then, Helian Xiongqi, leading over eighty thousand people and more than ten thousand mutated beasts, grandly flew to the family's outer perimeter.

Upon reaching the outer perimeter.

Helian Xiongqi directly activated the protective array, then stood with his hands behind his back, gazing into the distance, waiting for Yang Luo's arrival

...

In the afternoon.

Yang Luo and his party, traveling by an ancient boat, were less than a hundred miles away from the Hundun Family.

This hundred-mile distance was not considered too far for them.

Yang Luo looked ahead, "Brothers, we are about to reach the Hundun Family!"

Bujie laughed, "I wonder what the Hundun Family looks like!"

Mo Qingkuang reminded, "Brother Yang, we've fought with people from the Hundun Family before, it's best to be cautious!"

"Right!"

Yang Luo nodded.

Then, the ancient boat continued to accelerate, flying to the Hundun Family.

Twenty minutes later.

When Yang Luo and his group were only a few miles from the Hundun Family, they were shocked by a scene in the distance!

They saw, miles away in the sky.

Ancient boats lay horizontally in the air, packed with people!

There were also many people piloting war chariots and other flying immortal treasures!

Moreover, countless mutated beasts circled overhead!

The entire scene was truly overshadowing, like dark clouds descending upon the city!

“Damn!”

Bujie’s scalp exploded, “What’s the situation, why has the Hundun Family summoned so many people, and so many mutated beasts?!”

“God damn it!”

Ning Jianfeng’s eyelids twitched, “Has the Hundun Family set up a Heavenly Net, just waiting for us to fall into their trap?”

Qin Zhanhuang clenched his teeth, “I really thought Helian Dongsheng was a hero, but I didn’t expect him to scheme against us!”

Ji Longyue directly summoned his weapon, declaring loudly, “Brothers, we’ve seen bigger battles than this, this scene is nothing!

They want to kill us, then let’s give them a battle!”

Suddenly.

Whoosh, whoosh, whoosh!

Accompanied by a series of trembling sounds!

Flame Emperor and others also summoned their weapons, their faces stern, ready for battle.

Yang Luo couldn’t help but frown as well.

Could it be that Helian Dongsheng was really such a despicable person?

At that moment.

A series of robust voices came through.

“Yang Luo, the great battle of the Purple Cloud Sect ended nearly a month ago, our Hundun Family has no further dealings with you, what is your purpose in coming here today?”

“Kid, do you want to seek revenge against our Hundun Family?”

If so, you’ve come to the wrong place!”

“Kid, I know you are strong, but with over eighty thousand of our people, it’s easy for us to deal with you!”

As they spoke, members of the Hundun Family revealed their weapons, flashing with a harsh, cold light.

Hearing these voices.

Flame Emperor and the others showed a puzzled look on their faces.

“Huh?”

Bujie scratched his head, saying, “Did these guys think we came for revenge, so they’ve put up such a grand show?”

Ning Jianfeng frowned, “Strange, didn’t Helian Dongsheng tell his family our intentions?”

Yang Luo's eyes were also full of doubt.

Just then, Helian Dongsheng flew out, about to speak.

But a figure shot up from the ancient boat, rushing towards Yang Luo!

This person was Helian Qingtian, an elder of the Hundun Family, at the Perfected True Immortal Realm!

“Kid, I’ve heard you are immensely powerful, invincible under the Heavenly Immortals!

Even hailed as the top prodigy of both Kunlun Ruins and Penglai Immortal Island!

I didn’t participate in the Purple Cloud Sect’s great battle before, and I don’t believe these rumors!

Today, I will meet you myself!”

Helian Qingtian roared out!

His whole body shook, and an immense and vast oppressive force and aura burst forth simultaneously, his hair fluttering, his robe billowing!

His eyes flickered with black and gray light, as if containing a Chaotic Black Hole!

Even more, a black and gray light beam shot up from his body, piercing the heavens!

Boom, boom, boom!

The whole universe trembled mightily, as if triggering a massive earthquake!

The ancient boats also began to shake violently!

People on the boats swayed and could barely stand!

“Chaos Destruction Fist!”

Accompanied by a robust roar!

Helian Qingtian immediately threw a punch, hurtling towards Yang Luo!

A massive fist, nearly a thousand feet wide, erupted with a terrifying Chaos Qi and domineering fist intent, as if it could explode everything!

“Roar!”

Even more, a massive, thousand-feet wide black and gray behemoth roared forth!

This behemoth was massive, with four wings on its back, six giant feet, a fierce face, prominent fangs, and its body ablaze with black and gray flames!

This beast was none other than Hundun, one of the Four Great Fierce Beasts of ancient times!

Boom, boom, boom!

Under this punch, a vast area of the Void collapsed and exploded, revealing a dense array of pitch-black cracks!

Chapter 2192: What a Misunderstanding!

Whether it was the members of the Hundun Family or Yang Luo and his companions, they were all instantly startled, clearly not expecting Helian Qingtian to make a move directly!

“My heavens, the Second and Third Elders actually took action directly, and as soon as they did, it was with full force.

Can this kid really withstand it?!”

“However, it’s said that this kid is also extremely overpowering, an invincible existence beneath the Heavenly Immortal.

Perhaps he can withstand the fists of the elders!”

“Unless I see it with my own eyes, I won’t believe this kid is really that strong!”

The people from the Hundun Family burst into shocked discussions.

However, just as Helian Qingtian’s punch was bearing down in that instant!

Yang Luo stood proudly in front of the ancient boat, his entire body shook, and his aura and oppressive might erupted simultaneously, his combat power surging to seventy percent!

Boom!

A blazing, eye-catching golden beam of light shot straight up from his body, scattering a vast expanse of the Cloud Sea!

Immediately, Yang Luo’s right arm lifted, twisting into a fist to meet the oncoming attack!

“Nirvana Dragon Fist!”

“Roar, roar, roar!”

With one punch, ten thousand dragons roared!

A pure golden, poured fist surrounded by tens of thousands of golden dragon illusions, hammered out!

The layers of Void in front collapsed and shattered!

In an instant!

Boom, rumble!

The two colossal fists collided heavily, like a round golden sun crashing into a Chaos celestial body!

The authority of their sound shook the heavens and the earth quaked!

Crack, crackle!

Where the two fists met, the surrounding Void shattered like glass in an instant!

And at the moment of the collision!

Clang, rumble!

Tens of thousands of golden dragons clashed fiercely with Chaos, unleashing a thunderous, rolling noise!

Less than half a minute!

Roar, rumble!

An explosion that seemed like Heaven and Earth shattering resounded, buzzing in the ears of everyone present!

The energy from the explosion surged like Raging Sea Violent Waves, rushing in every direction!

In this moment!

Helian Xiongqi and the others quickly formed layers of Defensive Shields, enveloping all members of the Hundun Family!

Yang Luo also conjured up layers of Defensive Shields, enclosing Flame Emperor and the rest within!

Boom, boom, boom...

The energy collided wildly against the Defensive Shields conjured by both sides, resulting in a thunderous rolling sound!

Helian Qingtian had thought he could withstand Yang Luo's punch!

But to his shock, he couldn't withstand it at all!

His own punch was shattered!

The roaring Chaos Illusions that came out were also shattered!

"Uh..."

He let out a muffled grunt, and like a cannonball, flew backward.

He flew out several hundred meters before landing on the ancient boat, stumbling a few steps backward before stabilizing himself.

In contrast, Yang Luo remained quietly standing on the ancient boat, not moving back half a step.

In an instant!

Over eighty thousand members of the Hundun Family stared with their eyes wide and mouths agape, immensely shocked!

“Just one punch, just a single punch, and the Second and Third Elders were sent flying!”

“Is this kid really that strong, to send back the elders with just one punch?!”

“The key is, this kid didn’t even take a single step back!”

“Moreover, the elders took the initiative to attack, but they were still no match!”

The members of the Hundun Family exclaimed in surprise, their gazes towards Yang Luo filled with shock and their bodies trembling.

Especially a few elders who had not participated in the great battle of the Purple Cloud Sect, were even more dumbfounded.

They had only ever heard of Yang Luo’s strength before.

But witnessing it with their own eyes now, they could more profoundly sense Yang Luo’s power and terror.

“Second and Third Elders, are you alright?”

Helian Xiongqi asked anxiously.

The other elders also turned their gaze to Helian Qingtian.

“Don’t worry, I’m fine.”

Helian Qingtian raised his hand but the look he gave Yang Luo was now tinged with wariness.

He could feel that Yang Luo had held back just now.

If he hadn’t, he probably would have been injured.

“Stop fighting, please stop!

It’s all a misunderstanding, a real misunderstanding!”

Helian Dongsheng rushed out, positioning himself between the two sides.

He turned to Yang Luo and said, “Brother Yang, please don’t misunderstand!

I told my father and the others that you were our family’s guest!

But they didn’t believe me, and that’s why they made such a big fuss!”

“So that’s what happened.”

Yang Luo suddenly nodded.

Then, he looked toward the Hundun Family camp and called out loudly, "Members of the Hundun Family, I, Yang Luo, am here as a guest at the invitation of Brother Helian!"

I am not here for revenge, nor am I here to attack the Hundun Family!

After all, I have no life-or-death feud with any of you, so why would I attack you?

Of course, if you still do not believe me, I, Yang Luo, am not afraid of a fight!"

Hearing Yang Luo's words.

The members of the Hundun Family looked at each other.

"Could we really have made a mistake?"

"Is this kid truly not here for revenge?"

"Could we truly have misunderstood him?"

The people of the Hundun Family began to discuss among themselves.

Helian Dongsheng quickly said, "Father, do you still not believe it?"

If Brother Yang had really come for revenge, he could have severely injured the Second and Third Elders when he had the chance!

Instead of stopping after just one punch!"

After pondering for a moment, Helian Xiongqi waved his hand grandly, “Everyone, lower your weapons!”

Swish swish swish!

All members of the Hundun Family then lowered their weapons!

Yang Luo also raised his hand and said, “Brothers, put away your weapons now!”

Flame Emperor and others then sheathed their weapons.

Seeing this, Helian Dongsheng finally breathed a sigh of relief.

Luckily, a fight hadn’t broken out.

If they had really started fighting, things would have gotten out of hand.

Helian Xiong put his hands together and said, “Little Friend Yang, since you truly are a guest of our Hundun Family, we naturally welcome you, please come forward!”

“Brother Yang, shall we go over?”

Bujie asked, still feeling somewhat uneasy.

Even Yang Luo was unsure whether the Hundun family was genuinely welcoming them or setting a trap.

He was not afraid.

But the key point was, his brothers were with him.

Once surrounded by so many people, it would be difficult to escape.

Seeing this, Helian Dongsheng said to Helian Xiongqi, "Father, with such a great display of force, how can they dare to come close?"

Helian Xiongqi raised his hand and ordered, "Let all but the elders stand down!"

"Yes, Family Head!"

All the clan members responded and then all withdrew.

All the mutated beasts also retreated.

"Brothers, let's go over!"

Yang Luo said, and then urged the ancient boat to fly over.

Upon nearing them.

Helian Xiong laughed out loud, "Little Friend Yang, it's mainly because your reputation precedes you, and you came so suddenly today"our family had no choice but to be cautious!"

Yang Luo also laughed and shook his head, saying, "It seems that most people on Penglai Immortal Island now see me as a demon, avoiding me at all costs!"

Helian Xiongqi laughed and said, "Our Hundun Family's reputation on Penglai Immortal Island isn't that good either!"

Everyone thinks we're a family of evil demons and they avoid us wherever possible!

But what of it?

Those fellows only dare to speak ill of us behind our backs!

In person, they wouldn't dare to let out even a peep!"

Yang Luo joked, "So, by that logic, this demon has a real affinity with your Hundun Family!"

Hearing Yang Luo's words, Helian Xiong and the others all burst into hearty laughter.

Chapter 2193: Not Afraid of a Fight!

"Little Friend Yang, it seems we wouldn't have met if we hadn't fought!"

Helian Qingtian laughed heartily, saying, "I didn't expect your strength to be so formidable, not even this old man can match you, I'm impressed!"

"Ha ha, Little Friend Yang, you really appeal to our taste!"

"If we had known earlier that you had such an easygoing personality, Little Friend Yang, how could we have had such a misunderstanding!"

"Little Friend Yang, I apologize for any offense caused just now, please forgive us!"

The elders all spoke up one after another, looking at Yang Luo with eyes full of appreciation.

After some pleasantries, the misunderstanding was resolved.

Helian Dongsheng also introduced his own father and the elders to Yang Luo.

Yang Luo also introduced his brothers to Helian Xiongqi and the others.

Everyone became acquainted with one another.

Helian Xiongqi raised his hand and said, "Little Friend Yang, let's go, we'll talk more in the great hall!"

"Sure!"

Yang Luo nodded.

Afterward, Yang Luo and his group flew into the Hundun Family's territory, heading straight for the main peak.

Along the way, Helian Dongsheng and others enthusiastically introduced the Hundun Family's situation to Yang Luo and his companions.

A few minutes later, they arrived at the main peak, Black Cliff Peak.

On the vast square stood nine thick black and blue columns, carved with various ancient runes and patterns.

In the center of the square stood a colossal statue of a Chaos Beast that was several dozen feet tall.

Under the glow of the setting sun, it shone brilliantly, exuding an overwhelmingly fierce and terrifying presence.

After landing on the square,

Yang Luo and the others walked straight into the great hall.

Upon entering the great hall,

Helian Xiong arranged for the clan members to pour tea for Yang Luo and his companions.

“Little Friend Yang, why have you not returned to Kunlun Ruins and instead stayed on Penglai Immortal Island?” Helian Xiong asked curiously after taking a sip of tea.

Yang Luo replied, “Helian Family Master, my brothers and I stayed on Penglai Immortal Island to train and continue to enhance our cultivation and strength!

After all, after witnessing the strength of the Heavenly Immortal Ancestor and others, we deeply felt our own strength was insufficient!”

Helian Xiongqi exclaimed, “Little Friend Yang, to think you already possess such cultivation and strength, yet you still strive so diligently!

No wonder you have left your peers, those other Heavenly Prides, far behind!

My son Dongsheng is also known as the Heavenly Pride of Penglai Immortal Island, but compared to you, he’s far inferior!”

Helian Dongsheng resignedly said, “Father...

You can praise Brother Yang, but why bring me into this?”

Helian Xiongqi glared, “Learn well from Little Friend Yang, and don’t become arrogant just because you have a bit of strength!”

“Yes, Father...”

Helian Dongsheng nodded helplessly.

Ji Longyue and the others could hardly contain their laughter.

At that moment,

Helian Xiongqi suddenly thought of something and said seriously, "Little Friend Yang, while our Hundun Family is willing to befriend you, it doesn't mean other sects and families will do the same.

Especially since you are now at the point of life-and-death hostility with sects and families like the Heavenly Amplification Sect, Immortal Sword Sect, Ten Thousand Buddha Sect, Jiuying Family, Yazi Family, and others.

In these past few days, Sect Master Bai Yinfeng of the Immortal Sword Sect has been rallying various great sects and families to conspire against you.

If you continue to stay in Kunlun Ruins, you might be in grave danger."

"Exactly."

Helian Qingtian nodded and added, "Little Friend Yang, your strength is indeed formidable, even this old man is no match for you.

But, as the saying goes, one against many will struggle, if these sects and families unite against you, you won't be able to cope."

Upon hearing the two men's words,

A shock went through Yang Luo's heart!

He hadn't expected that these sects and families had already started to plan against him!

Flame Emperor and the others also changed their expressions drastically!

What they feared the most had still happened!

Yang Luo's eyes flickered with a cold light as he said, "I originally didn't want to bother with them, but since they are still unwilling to let me go, then I am not afraid to face them in battle!"

"It's unlikely that we can resolve the problem that way; some issues still need to be confronted head-on!"

"The more you fear, the more arrogant and rampant your enemies will become!"

"Only by frightening them, by forcing them to submit, will they dare not provoke you again!"

"Damn it!"

Bujie said fiercely, "We'll just have to fight it out with them if it comes to that!"

"Screw them!"

Ning Jianfeng also yelled.

Helian Xiongqi said gravely, "Young friends, all of you are Heavenly Prides with bright futures, you must not act on impulse!"

"I think it's best if you hurry back to Kunlun Ruins!"

Helian Qingtian also said, "Even if those people hate you, they wouldn't have the guts to run to Kunlun Ruins to kill you!"

“So, returning to Kunlun Ruins is the safest option for you!

“Temporary forbearance is not a sign of weakness, it’s just for accumulating your own strength!

“Once you become stronger, you will no longer fear those people!”

Yang Luo gave a salute and said, “Thank you, Helian Family Master and Elder Qing Tian for your advice.

I will take my brothers back to Kunlun Ruins, but not now.”

“Not now?”

Helian Xiongqi and the others looked puzzled.

“That’s right, not now.”

Yang Luo nodded and continued, “My brothers and I have come here this time for the purpose of entering the ‘Chaos Evil Domain’ for trials!

“Afterwards, we will also head to the Taotie Family’s ‘Devouring Demon Domain’ for trials!

“Once all the trials are complete, we will return to Kunlun Ruins!”

“I see.”

Helian Xiongqi nodded in realization and then said, “However, our family’s ‘Chaos Evil Domain’ is quite dangerous; one might lose their life if they’re not careful.

Are you sure you want to enter it for trials?"

"Positive!"

Yang Luo nodded, "If the trials don't pose any challenge, they won't be of much help in enhancing our cultivation and strength!

"But rest assured, we have gone through trials in Kunlun Ruins' 'Nine Heavens Dragon Field,' 'Eight Tribes Lightning Territory,' 'Desolate South Fire Territory,' and 'Deep North Frost Domain' among other great mystic realms, so we have experience!"

"If that's the case, then I'm much more reassured!"

Helian Xiongqi said with a gentle smile, then asked, "So when do you want to start the trials?"

Yang Luo replied, "How about now?"

"Now?"

Helian Xiongqi was momentarily stunned, "Are you in such a hurry?"

Why not rest for a few days first?"

"No need,"

Yang Luo shook his head and said, "At this moment, sects and families such as Heavenly Amplification Sect and Immortal Sword Sect have us in their sights, ready to strike at any time!

"Therefore, we want to seize the time to quickly enhance our cultivation and strength!

“Only by becoming stronger can we be unafraid of any challenges in the future!”

“Alright then, I’ll take you to the ‘Chaos Evil Domain’ now!”

Helian Xiongqi sighed lightly and then said to Helian Dongsheng, “Dongsheng, you will also enter the trial with Little Friend Yang this time!

“Following Little Friend Yang for the trial will surely be of great help in improving your cultivation and strength!”

Helian Dongsheng laughed heartily, “Father, even if you hadn’t said so, I would’ve joined Brother Yang for the trial!”

Helian Xiongqi gave an “hm” and said, “Then let’s set out now!”

“Alright!”

Yang Luo and the others responded.

Then, led by Helian Xiongqi and the others, they all flew towards the back mountain.

Chapter 2194: Must Help!

After flying for a little over fifteen minutes,

Helian Xiongqi pointed ahead and said, “That’s where the ‘Chaos Evil Domain’ is located!”

Yang Luo and the others all looked up.

They saw distant mountains undulating in layers, each peak towering over three thousand feet, majestic and imposing.

Among them, the ten tallest peaks stood like ten pillars supporting a part of Heaven and Earth, forming a massive valley.

Helian Dongsheng said, "Brother Yang, the entrance to the 'Chaos Evil Domain' is in that valley there!"

Yang Luo nodded and replied, "All right, let's head over there."

Then, everyone quickened their pace and flew toward the valley.

Before long,

Yang Luo and his group arrived above the valley.

Looking down,

a huge teleportation array platform was situated at the bottom of the valley.

Ancient Chaos Totems were carved into the center of the array platform, surrounded by various mystical runes.

And on the cliffs of the surrounding ten peaks, ten ancient totems were also carved, representing ten strange mutated beasts, different from Chaos.

Yang Luo turned to Helian Dongsheng and asked, "Brother Helian, what are these ten totems?"

Helian Dongsheng said, "Brother Yang, these ten totems are also engraved with the Ten Ancient Fierce Beasts!"

They are Black Feathered Demon Eagle, Purple Gold Dragon Python, Ice Soul Demon Worm, Li Fire Dragon Sparrow, Sky-devouring Demon Python, Sky Splitting Mad Lion, Dark Demon Tiger, Undying Blood Phoenix, Purgatory Thunder Beast, and Nine-winged Netherworld Dragon!

When these ten fierce beasts merge, they transform into Chaos!

Thus, Chaos possesses the abilities of all these ten fierce beasts!”

“That’s how it is.”

Yang Luo suddenly nodded, realizing the connection between these ten fierce beasts and Chaos.

Bujie clicked his tongue and said, “It seems this ancient fierce beast, Chaos, is quite powerful!”

Helian Dongsheng smiled and said, “The Four Great Fierce Beasts of ancient times were as mighty as the Four Great Divine Beasts, naturally powerful!”

Ji Longyue nodded and said, “In the ancient era, the Four Great Divine Beasts and the Four Great Fierce Beasts were rivals, constantly clashing and evenly matched!”

As they chatted, they quickly descended to the bottom of the valley.

Helian Xiongqi looked at Yang Luo and said, “Little Friend Yang, the trials in the ‘Chaos Evil Domain’ are no less challenging than those from the divine beast families’ mystic realms, even more perilous!

Since you all want to enter and undergo the trial, you must be careful!

If you can’t handle it, contact me immediately using the communication jade talisman, and I’ll bring you out!”

“Yes!”

Yang Luo and the others nodded in unison.

Then, Helian Xiongqi handed a communication jade talisman to Yang Luo, and said, “If you’re ready, then step onto the array platform!”

Yang Luo looked at his companions and asked, “Brothers, the new trial is starting, is everyone ready?”

“Ready!”

Ji Longyue and the others responded vibrantly.

“Good!”

Yang Luo nodded and declared, “This time, we must continue to surpass ourselves and advance toward greater strength!”

“Advance toward greater strength!”

Everyone raised their arms and shouted, spirits high.

Then, they all stepped onto the array platform.

Helian Xiongqi called out to a few elders, “Elders, activate the teleportation array!”

The elders nodded.

Then, Helian Xiongqi and the elders stood at various positions on the array platform, silently reciting the incantation, operating their cultivation techniques, and mobilizing the energy within their bodies!

“Formation, activate!”

Helian Xiongqi and the others shouted in unison, pushing their palms forward!

Bursts of energy were released, flowing into the array platform!

In an instant!

Thrum thrum thrum!

The array platform, as large as several basketball courts, shook violently!

The surrounding ten great mountains also trembled along!

Several minutes later!

The totems on the mountain walls flashed with a dazzling light!

Whoosh, whoosh, whoosh!

Ten beams of light shot out from the ten totems and struck the array platform!

The next second!

Boom!

A huge beam of light burst forth from the array platform, connecting the sky and the platform, enveloping Yang Luo and his group!

Yang Luo felt very anticipatory, not knowing what kind of trial awaited him!

He also wondered if he could achieve another breakthrough and obtain the Chaos Essence Blood this time!

Less than half a minute passed.

The array platform radiated brightly, illuminating the night sky.

Until the light slowly dissipated.

Until both the array platform and the mountain stopped trembling.

Yang Luo and his group had already disappeared from the platform.

Helian Qingtian stood with his hands behind his back, looking at the array platform, and said, "I wonder how long these youngsters can last in the 'Chaos Evil Domain' and how much they can improve."

Helian Hongtao said, "These youngsters are all the heavenly pride of the younger generation this year.

This trial will surely allow them to gain significant improvement.

I just felt that a few of them are not far from a breakthrough."

"Everyone, do you think Little Friend Yang can break through to the Perfected True Immortal Realm this time?"

Helian Fengxuan asked with a smile.

Shan Yunze shook his head and said, "Little Friend Yang has already entered the late True Immortal realm, and it's extremely difficult for him to ascend to the Perfected True Immortal Realm.

After all, the higher the cultivation, the more difficult it is to improve."

Wu Chengjun also nodded and said, "It's indeed very difficult for Little Friend Yang to step into the Perfected True Immortal Realm this time, unless a miracle happens, it's impossible for him to break through."

Helian Qingtian stroked his beard, smiled, and said, "Then let's wait and see!"

At this moment.

Helian Dongsheng spoke up, "Elders, it might not be long before the Heavenly Amplification Sect, Immortal Sword Sect, Ten Thousand Buddha Sect, Jiuying Family, and other great sects and families will seek revenge on Little Friend Yang.

By then, should our Hundun Family help out?"

Upon hearing this.

The elders fell silent.

They were willing to befriend Yang Luo.

First, because they admired Yang Luo's strength and character.

Second, because they saw the potential in Yang Luo.

In the future, Yang Luo might step into the Heavenly Immortal realm, or even the Golden Immortal realm.

So, befriending Yang Luo is all gain and no harm for their Hundun Family.

But the key point was, Yang Luo hadn't yet fully grown up, and formidable enemies were lurking.

Therefore, they also needed to consider carefully whether or not to help when Yang Luo found himself in danger.

After a moment of silence.

Helian Qingtian's eyes sparkled as he declared strongly, "Help!

We must help!"

Helian Hongtao said, "Third brother, do you really think so highly of this kid?

If we help him, we will undoubtedly make enemies of all the great sects and families!"

"Humph!"

Helian Qingtian snorted heavily, "So what if we make enemies?

Is our Hundun Family afraid of them?"

He paused for a moment.

Helian Qingtian continued, "I see infinite potential in Little Friend Yang, and his future is boundless!

If we can stand by his side in his most dire moment, we can gain his true friendship!

Once Little Friend Yang reaches the pinnacle of the two Immortal Realms, our Hundun Family can rise once again too!”

Helian Fengxuan laughed heartily and declared, “Alright, this time we shall take a grand gamble.

Let’s hope this kid won’t disappoint us!”

Helian Xiongqi and others also gazed into the distant sky, filled with anticipation about how far Yang Luo could grow in the future...

At this time.

Inside the Chaos Evil Domain.

Yang Luo and his group stood in midair, utterly stunned by the scene before them

Chapter 2195: Chaos Evil Domain!

Looking out,

Above the sky, the wind howled furiously, blood-colored clouds covered the sun, and an ominous aura permeated the air.

Below, the Blood-colored Sea of Fire surged, vast and infinite.

The entire world was shrouded in crimson, lifeless and still, filled with a sinister and eerie atmosphere.

Having just stepped into this place, everyone couldn’t help but tremble, with goosebumps standing on end.

Bujie swallowed and said tremulously, "Holy shit...are we sure this is a mystic realm...

and not the King of Hell's abode?"

Ning Jianfeng smirked, "Brother Bujie, you've been through plenty of mystic realms, have you been scared already?"

Bujie mockingly said, "Brother Ning, you're one to talk, you seem scared too."

"Am I?"

Ning Jianfeng patted his chest, "I'm made of iron, man.

These things can't scare me!"

Bujie said with a smile, "Then what are you shaking for?"

"Uh..."

Ning Jianfeng gave a dry laugh and said, "This is just a normal reaction of the body!"

"Stubborn!"

Bujie raised his middle finger and rolled his eyes dramatically.

Helian Dongsheng cautioned, "Everyone, the trials of the 'Chaos Evil Domain' are extremely dangerous, we must be very careful and must not be careless!"

Before he finished speakingâ€”

Suddenlyâ€”

Boom!

Boom!

Boom!

The land and sky suddenly began to tremble violently!

Yang Luo's face changed as he exclaimed, "The trial has begun, be careful, everyone!"

"Yes!"

Everyone responded in unison, conjuring their weapons, ready for the trial!

Having undergone numerous trials along the way, they had gained experience and developed a strong rapport!

In an instantâ€”

Whoosh!

Whoosh!

Whoosh!

Blood-colored tornadoes, filled with ferocious energy, swept across heaven and earth, rolling towards Yang Luo and the others!

Swoosh!

The Blood Sea overflowed, rising to the sky, surging towards them with unstoppable force!

Boom!

Boom!

Boom!

And then, one hundred zhang tall Blood-colored Flame Giants clad in armor and wielding weapons emerged, marching towards them!

The whole scene was magnificent; the heavens and earth shook profoundly, trembling in all directions, a boundless terror!

“What’s going on, why is the difficulty of the trial so high from the get-go?!”

I don’t remember it being like this when I entered the trials before!”

Helian Dongsheng couldn’t help but cry out.

“Brother Helian, stay calm!”

Bujie patted Helian Dongsheng on the shoulder, “We’re used to it!

In the past, no matter which mystic realm we went to, as long as Brother Yang, this freak, was with us, the difficulty of the trial would increase dramatically!”

“That’s right, how could I forget about that!”

Helian Dongsheng smacked his forehead, “Since Brother Yang is in the late True Immortal realm, the difficulty of the ‘Chaos Evil Domain’ trial would naturally skyrocket!

Good, very good, the harder the trial, the more it helps improve our cultivation and strength!”

Ning Jianfeng looked at Helian Dongsheng with sympathy, “Brother Helian, you won’t think so later.

As long as Brother Yang is here, the mystic realm would make us suffer incessantly, without even a moment to catch our breath.”

“Enough talk, counterattack now!”

Yang Luo shouted, then activated his “Undying Golden Body” and unleashed a furious punch!

Boom!

Boom!

Boom!

The onslaught of blood-colored tornadoes, the surging Blood-colored Sea of Fire, and the few Blood-colored Flame Giants were all blown away by one punch!

“Watch me!”

Helian Dongsheng, quite excited, brandished his long sword with all his might!

“Chaos Life and Death Sword!”

Swoosh!

A huge black-and-blue sword slashed through everything in its path!

A massive Chaos Illusion roared out, smashing the incoming blood-colored tornadoes, the surging Sea of Fire, and the attacking Flame Giants to pieces!

Bujie and Ning Jianfeng looked at Helian Dongsheng with even more sympathy.

The poor guy had no idea what was coming.

The more excited he was now, the louder he would whine later.

“Azure Dragon Battle Halberd!”

Ji Longyue bellowed, swinging his long halberd!

The huge halberd swept out, collapsing a section of the heavens!

A colossal Azure Dragon roared skyward!

“White Tiger God Destroying Saber!”

Ji Longyue wielded his saber, slashing horizontally!

As the huge sword cleaved, it split layers of the Void apart!

A massive White Tiger followed, charging furiously upwards!

“Blue Luan Sword Technique!”

“Eight Desolate Glazed Palm!”

“Vermillion Bird Burning Heaven Sword!”

“Black Tortoise Heaven-Breaking Spear!”

Flame Emperor and international Diva, among others, also launched fierce attacks!

Under the joint assault of Yang Luo and his allies,

the oncoming tornadoes, surging fire sea, and charging flaming giants were all utterly destroyed!

But just then—

Boom!

Boom!

Boom!

The Heaven and Earth trembled even more violently!

Frantic, blood-colored flames madly converged from all directions!

In less than a few minutes,

a colossal, thousand-yard-long Blood Phoenix congealed and appeared in the sky!

So vast was this Blood Phoenix, with its wings spread wide, it even obscured the vast Cangqiong!

The flames burning upon it were blood-red and heart-stopping!

“Could this be the Undying Blood Phoenix?!”

Yang Luo exclaimed in shock.

“Yes, this is the Undying Blood Phoenix!”

Helian Dongsheng nodded, saying blankly, “Once, when I entered the ‘Chaos Evil Domain’ for trials, I also fought against the Undying Blood Phoenix!

But, the Undying Blood Phoenix I battled was not only much smaller in size, but its aura and oppressive force were also far weaker than this one!

Brother Yang, it seems that with you here, the difficulty of the ‘Chaos Evil Domain’ trials has indeed increased substantially!”

After the Undying Blood Phoenix took form, it vigorously flapped its wings!

A tremendous wave of blood-colored flames rushed forward as if an ancient fire god had descended to mete out punishment, intent on burning everything to ashes!

Moreover, these flames were not only extremely hot, they also contained strands of mighty Chaotic Power, aiming to burn and destroy everything!

“Cree!”

The Hundred Cry Bird let out a clear cry and vigorously flapped its wings!

A massive wave of gold-and-red flames howled forth, colliding head-on!

In the blink of an eye!

Boom!

The two waves of flames violently clashed, setting off a deafening explosion!

Flames burst forth, raining down like a firestorm!

However, the Hundred Cry Bird simply couldn’t withstand the strike from the Undying Blood Phoenix!

Its body was struck directly!

“Cree...”

With a cry of pain, its massive body was sent flying backwards, its body shedding numerous crimson feathers and spraying fresh blood!

Seeing this, Yang Luo and the others were greatly alarmed!

This was only the Energy Body of the Undying Blood Phoenix; what would the strength of the true Undying Blood Phoenix be upon descending into the world?

It was unimaginable!

“Hundred Cry!”

Tantai Puti cried out in alarm, holding his long sword as he charged forth!

“Let’s go together!”

Yang Luo bellowed, soaring into the fight!

“Stupid bird, serves you right for showing off!”

Big White howled, charging into the air with rage!

Everyone else also flickered into motion, charging along!

And so,

Yang Luo and his companions engaged in a fierce battle with the Undying Blood Phoenix!

Their fight was earth-shattering, with blood clouds bursting, a Blood Sea surging, and terribleness boundless!

However, this was ultimately not the true Undying Blood Phoenix!

Therefore, under the relentless attack from Yang Luo and his allies, it was forced back step by step, its body cracking open with fissures!

“Keep going, battle on!”

Yang Luo roared, sword in hand, as he charged ahead!

Everyone else, without any pause, continued to surge forward fiercely!

For the sake of increasing their cultivation and strength, to strive for greater power, they gave it their all!

Chapter 2196: Stone Door!

Seeing Yang Luo and his companions charging ferociously!

The Undying Blood Phoenix spread its wings fiercely, eclipsing a section of the sky!

In the blink of an eye!

Blood-colored flames from all directions crazily converged, forming a colossal blood-colored fireball a thousand feet in size, like a blood-red sun spanning the sky!

Immediately afterward, the Undying Blood Phoenix vibrated its wings!

Boom, boom, boom!

The blood-colored fireball whistled out, crushing the Void, shaking Heaven and Earth, and collided with Yang Luo and the others!

Seeing this, Yang Luo instantly raised his right hand, gathering a golden-red fireball in his palm, and then swung his hand!

This golden-red fireball shot out directly, swelling a thousand feet against the wind before slamming forth!

Boom!

The two giant fireballs collided with a heavy thud, their might shocking the heavens and rocking the wastelands!

Violent and wild flames spread chaotically from the point of impact to all directions!

Flame Emperor and his fellows also launched fierce attacks simultaneously, hammering towards the blood-colored fireball!

In an instant!

Roar, roar, roar!

Both fireballs exploded at the same time, like two stars falling and bursting into flames!

The energy produced by the explosion was terrifyingly fearsome, with golden-red and blood-colored flames intertwining, transforming into a vast and boundless sea of fire that swept over Heaven and Earth!

Yang Luo and his companions, as well as the Undying Blood Phoenix, were blasted away at the same time!

Under this massive explosion!

Everyone was injured and wounded, their blood spraying through the air!

Only Yang Luo, Flame Emperor, and international Diva Zhixin were unscathed!

Of course, the cracks on the Undying Blood Phoenix's body increased, clearly nearing its limit of endurance!

Yang Luo bellowed, "Brothers, continue, fight!"

"Fight!"

Everyone roared in unison, following Yang Luo, they charged again towards the Undying Blood Phoenix!

The Undying Blood Phoenix vibrated its wings once more!

Swoosh, swoosh, swoosh!

Countless flaming feathers shot out, like a sky full of Blade Flying Swords bursting towards Yang Luo and his companions!

Furthermore, the Blood-colored Sea of Fire below surged wildly, rising into giant blood-colored waves!

From the sky above, blood-colored Fire Waterfalls cascaded down, enveloping Yang Luo and the others!

Flame Emperor and his companions quickly unleashed a barrage of attacks!

Striking the shooting flaming feathers, the soaring firewaves, and the descending firefalls!

Yang Luo, however, burst through the flaming feathers that shot towards him, charging at the Undying Blood Phoenix!

Seeing this, the Undying Blood Phoenix immediately swung its two gigantic, several hundred-feet wide fiery wings, slashing towards Yang Luo!

Swoosh, swoosh!

The two fiery wings cleaved down heavily, like two blood-colored Heavenly Blades, slashing at Yang Luo, intending to cut everything to pieces!

Yang Luo, without any hesitation, made a fist with his right hand and an open palm with his left, attacking the fiery wings that came cleaving down!

The “Nirvana Dragon Fist” and “Ten Thousand Starry Sky Palm” were both unleashed simultaneously!

A golden fist circled by tens of thousands of golden dragons let out successive dragon roars as it struck out!

A huge golden palm containing a section of starry sky, with the sun, the moon, and the stars in motion, heavily slapped out!

In an instant!

Klang, boom, boom!

The giant fist and palm thrown by Yang Luo collided heavily with the fiery winged blades of the Undying Blood Phoenix, causing thunderous rumbling sounds!

Glittering light, surging energy, billowing flames, a fearsome and boundless terror!

Less than a minute passed!

Crack, crack, crack!

The two wings wielded by the Undying Blood Phoenix started to fracture incessantly, and the cracks spread towards its body!

A few seconds later!

Boom!

The body of the Undying Blood Phoenix shattered and exploded, like hundreds of volcanoes erupting at the same time, turning into a mighty wave of fire, rushing in all directions!

Until the waves of fire all dissipated, the Undying Blood Phoenix disappeared from the sky!

“Huff...”

Ning Jianfeng let out a long sigh of relief, “We’ve finally defeated the Undying Blood Phoenix!”

Helian Dongsheng wiped the sweat from his brow and said, “We’ve passed the first trial, we should have some time to rest and reorganize”

However, before he could finish his sentence!

Splash!

The blood-colored sea of fire below began to boil, rising a thousand zhang high, like a tsunami, it surged towards Yang Luo and the others!

Above in the sky, clouds of fire tumbled, pouring down cascades of fire waterfalls!

The space between heaven and earth was filled with boundless blood-red color, boundless flames, threatening to engulf Yang Luo and his companions!

“My heavens, they really don’t give us a moment to breathe!” exclaimed Helian Dongsheng.

“Go!”

Yang Luo shouted and flew swiftly towards the front!

“What are you waiting for, let’s go!”

Ning Jianfeng pulled Helian Dongsheng and rushed forward.

Everyone closely followed Yang Luo, flying towards the front.

They didn’t know how far they had flown.

Suddenly, a colossal ancient stone door, a thousand zhang tall, stood erect like a mountain amidst the sea of fire.

On the stone door were inscribed mysterious runes and patterns.

It was when Yang Luo and the others approached.

Boom, boom, boom

The stone door slowly opened, flashing with dazzling and colorful light, like a screen.

Yang Luo asked in confusion, “Why is there a stone door here?”

Helian Dongsheng replied, “Brother Yang, this ‘Chaos Evil Domain’ is divided into ten small worlds.

Each small world's difficulty is adjusted by the mystic realm according to the participants' cultivation, strength, and potential.

This stone door is a barrier; passing through it will bring us to the second small world."

"I can't believe this!"

Bujie exclaimed in surprise, "Does that mean that as long as we pass through one small world, we have cleared a stage?"

Helian Dongsheng nodded and said, "You could say that."

Bujie laughed heartily and remarked, "This is quite interesting.

Let's see just how many stages we can clear!"

Yang Luo also found it somewhat intriguing.

After all, he hadn't encountered such a method of trial in other mystic realms before.

He didn't know what kind of trials awaited him in the other small worlds.

"Let's go, let's enter!"

Yang Luo, with a grand gesture, led everyone flying into the stone door.

At the moment they passed through the screen!

Yang Luo and the others only felt a blur before their eyes as the space around them began to violently fluctuate and twist

At this time,

Outside the Chaos Evil Domain,

It was deep into the night.

Helian Xiongqi and several elders were guarding around the array platforms.

But just then!

Boom, boom, boom!

One of the mountains surrounding the valley began to shake violently!

Helian Xiongqi and the others looked up.

Carved on the shaking mountain was the totem of the Undying Blood Phoenix!

At that moment, the totem flashed with blood-colored light, illuminating the valley!

“Hmm?”

Helian Xiongqi asked in surprise, “Have they really cleared the ‘Bushy Fire Domain’ so quickly?!”

Helian Hongtao said with a smile, “Quite interesting.

It's just been one 'shichen,' and these youngsters have already broken through the 'Bushi Fire Domain.'"

Shan Yunze said, "It's indeed surprising that these youngsters could break through the first stage within one 'shichen.'

But the difficulty of the trials ahead will probably increase, and these youngsters might be in for a tough time!"

Helian Qingtian stroked his beard and chuckled, "Well, let's see how many stages these youngsters can clear, and how many days they can hold on!"

Helian Xiongqi and the others nodded in agreement.

Meanwhile,

After passing through the stone door, Yang Luo and his party had arrived at the second small world.

The scenery of this small world was equally astonishing!

Chapter 2197: Surpassing Oneself!

The whole small world was plunged into darkness.

Boom!

The sound of thunder reverberated in their ears!

Above, the sky was filled with black clouds that stretched across the heavens, and dense black lightning rampaged within!

Below, a sea of black thunder surged, filled with the scent of death and destruction!

The entire world seemed like a purgatory, exuding an atmosphere of gloom, darkness, evil, and ferocity!

“Oh my goodness!”

Bujie’s eyes bulged as he exclaimed, “Just now it was a world of blood-colored flames, and now it’s a world of black lightning?!”

How come each small world in this ‘Chaos Evil Domain’ is more terrifying than the last, each more like hell?!”

Ji Longyue sighed, “So this is the ‘Chaos Evil Domain,’ truly eye-opening!”

Tantai Puti’s face turned pale, “I thought our Vermillion Bird family’s ‘Desolate South Fire Territory’ was terrifying enough, but this ‘Chaos Evil Domain’ is even more so!”

Helian Dongsheng proudly said, “The ‘Chaos Evil Domain’ was created by the ancestor of our Hundun Family, of course it’s terrifying!”

“Pfft!”

Baili Wushuang disdainfully said, “No matter how terrifying it is, under Brother Yang’s leadership, we will definitely be able to pass through all ten trials!”

Helian Dongsheng laughed, “Great, if we really can pass through all ten trials, it will certainly shock our entire Hundun Family!

After all, over so many years, only the Grand Elder and Second Elder have made it through all ten trials!

Moreover, both elders accomplished this feat only after stepping into the realm of Heavenly Immortal!”

“Really?”

Baili Wushuang’s fighting spirit soared as he loudly said, “Brothers, we need to push harder and stick it out to the end, and pass through all ten trials!”

“Right!”

Bujie and the others responded with resonance, also full of fighting spirit.

Yang Luo’s heart trembled, and he loudly declared, “Everyone be careful, the trial has started!”

Before the words fell!

Boom!

In the small world, thunderclouds roiled, the sea of thunder engulfed the sky, and thunder roared loudly!

In the blink of an eye!

Whoosh, whoosh, whoosh!

Boom, boom, boom!

Black thunder waves soared from the sea of thunder!

Black thunderfalls struck down from above!

The thunder waves and thunderfalls encircled, attempting to shatter and obliterate Yang Luo and the others!

“Counterattack!”

Yang Luo let out a thunderous roar, his body shook as he mobilized the power of lightning within him!

Nine-colored lightning surged wildly from his body, forming a sea of nine-colored lightning that struck both the thunderclouds above and the sea of thunder below!

Just now in the first small world, he had combated fire with fire!

But now, he was opposing lightning with lightning!

By doing this, he was also seeking to enhance the power of the fire attributes and lightning within him!

Boom!

Boom!

Collision and explosion sounds thundered ceaselessly!

The soaring thunder waves and the downward surging thunder falls were successively destroyed!

But, the thunderclouds and sea of thunder became even more violently turbulent!

More thunder waves soared to the sky, more thunderfalls poured down!

Yang Luo continued to mobilize the power of lightning within him to resist!

“Supreme Ancient Formation Map!”

Mo Qingkuang waved his hand mightily!

“Annihilate!”

A purple-gold formation map materialized and instantly expanded to nearly a hundred feet, crashing towards the sky!

“Kun Peng Treasured Seal!”

Xiang Kunlun raised both hands, and between them, a black and gold treasured seal condensed!

Engraved on the seal were the Kun Peng Totem and mysterious runes!

“Suppress!”

With a thundering shout,

He raised his hands and violently pushed downwards!

The Kun Peng Treasured Seal instantly swelled to nearly a hundred feet, suppressing everything below!

“Nirvana Fire Lotus!”

“Bai Ze Dao Map!”

“Light and Dark Divine Chains!”

“Death Netherworld Map!”

“Ice Soul Sealing Suppression!”

Qin Zhanhuang, Mu Wushang, Divine Light and Darkness, Emperor of the Dead, and Ice Empress also mobilized the energy within them, unleashing a barrage of attacks!

A vermilion-colored Annihilation Fire Lotus and a silver-white array map materialized and instantly enlarged, charging towards the sky!

Thick, intertwined divine chains of black and white light surged downwards!

A black Netherworld Map and multiple icebergs expanded rapidly and crashed downwards!

Ji Longyue and the others also launched a fierce attack!

Boom!

Boom!

The sound of explosive heavenly lightning echoed intermittently!

The wildly soaring Thunder Waves and the cascading Thunderfall were completely destroyed!

Amid this terrifying barrage of explosions, many people got injured, and blood uncontrollably flowed down!

At that moment!

“Auuuu!”

Accompanied by the sound of roaring!

Countless black Lightning Beasts emerged from the Thunder Sea and the thunderclouds, lunging at Yang Luo and the others from all directions!

Yang Luo exhorted, “Brothers, continue to counterattack!

If you can’t hold on, move to the center, where other brothers will support you!

If you’re heavily injured, quickly take a pill to heal and replenish your energy!

The enemies we will face in the future will only get stronger!

We all need to surpass ourselves repeatedly and become even stronger!”

“Yes!”

Everyone responded vigorously and continued to launch fierce attacks!

Boom!

Boom!

Boom!

Bang!

Bang!

Bang!

The overwhelming Lightning Beasts were all shattered and exploded in the sky, turning into a sky full of lightning scattering in all directions!

However, these Lightning Beasts kept charging out of the Thunder Sea and thunderclouds, wave after wave!

“Aaaahhh...”

Groans of pain kept resonating.

More and more people got injured, especially those who had just stepped into the Earth Immortal level, who were even more severely wounded.

After shattering countless Lightning Beasts!

Suddenly!

“ROAR!”

A thunderous roar suddenly resounded in the sky, making everyone’s eardrums buzz painfully!

The next instant!

Boom!

Boom!

A vast expanse of thunderclouds suddenly exploded!

A gigantic, thousand-feet-long black Lightning Beast appeared in the sky!

This Lightning Beast was so massive that it resembled a towering mountain standing in the sky!

Its huge body, back wings, and four legs were like four sky-supporting pillars, with two curved horns on its head, and its fierce appearance with visible fangs, its body flickering with lightning!

Truly like a ferocious beast from the ancient era descending to the world, its oppressive might unparalleled and terrifyingly formidable!

“Could this be the Purgatory Thunder Beast?!”

Yang Luo asked in shock.

“Exactly!”

Helian Dongsheng nodded.

While everyone was dazed!

“ROAR!”

The Purgatory Thunder Beast opened its mouth wide, spewing out a black Thunder Ball, which it hurled towards Yang Luo and the others!

As the black Thunder Ball flew out, it continuously absorbed the surrounding power of lightning, unexpectedly expanding greatly!

In just the blink of an eye, it swelled to a thousand feet in size!

“Fight!”

Yang Luo shouted, lifting his right hand as the power of lightning within his body furiously mobilized and converged into his palm!

In an instant!

A nine-colored Thunder Ball condensed and hovered above his palm!

“Go!”

Yang Luo waved his hand!

The nine-colored Thunder Ball flew out, also expanding a thousand feet against the wind and colliding!

In a moment!

Boom!

The nine-colored Thunder Ball and the black Thunder Ball heavily collided, like two giant stars smashing into each other, shaking heaven and earth, and disturbing the universe!

From the collision, the void shattered, lightning wreaked havoc, and the horror was boundless!

In less than thirty seconds!

Boom!

Boom!

Both massive thousand-feet Thunder Balls simultaneously shattered and exploded!

The resulting power of lightning from the explosion was terrifying to the extreme, as if it was about to destroy everything, annihilating everything!

Yang Luo and the other people, along with the Purgatory Thunder Beast, were instantly blasted flying

Chapter 2198: Surely Can!

Many people sustained even more serious injuries, scattering large patches of fresh blood along the way!

The body of the Purgatory Thunder Beast was also blasted open with numerous cracks!

But, it quickly stabilized itself, flapped its wings, and charged toward Yang Luo and the others!

This Purgatory Thunder Beast was excessively ferocious and violent!

Wherever it passed, the void trembled, the heavens were startled, and lightning bolt rampaged!

“Blue Luan Sword Formation!”

Flame Emperor soared into the air, forcefully swinging the sword in his hands!

In an instant!

A massive Sword Formation took shape, trapping the charging Purgatory Thunder Beast!

“Vermilion Bird Burning Sky Sword Formation!”

“Eight Desolate Sacred Lotus Formation!”

“Nine Heavens Dragon Gate Array!”

“Xuanming Netherworld Ice Soul Formation!”

Tantai Puti and international Diva and others also set up their Great Formations, trapping the Purgatory Thunder Beast!

“Formation, activate!”

After setting up layer upon layer of Great Formations, everyone activated the Formations simultaneously!

Countless green flame flying swords and gold-red flame flying swords shot out explosively!

Innumerable Eight-Colored Glazed Lotuses attacked with suppressing force!

And there were Lord Blue Luan spreading its wings, giant dragons soaring, Black Tortoise Stepping Sky, all attacking viciously!

Thud thud thud!

Boom boom boom!

The sounds of impact and explosions echoed ceaselessly!

Giant swaths of energy and light burst within the Great Formation, dazzling and terrifying!

But, the Defense of the Purgatory Thunder Beast was incredibly strong, and it endured the fierce attacks from the multiple Great Formations!

Its body continued to crack, but it was not destroyed!

“Roar!”

The Purgatory Thunder Beast let out a heavenward roar, with explosive the power of lightning bursting out from its body, sweeping in all directions!

Rumble rumble rumble!

In an instant, all of the Great Formations were destroyed, exploding, turning into a tsunami-like energy and light, rushing forth!

“Ahh ahh ahh...”

Flame Emperor and the others cried out in pain, all being blown away, spraying fresh blood from their mouths, with blood spilling from their bodies!

Boom!

The Purgatory Thunder Beast was unspeakably fierce, directly smashing through the energy torrent and continued to charge toward everyone!

Yang Luo’s body shook, and he shouted explosively!

“Flame Emperor Combat Body!”

“Divine Dragon Tyrant Body!”

In the blink of an eye!

The dual physique secret technique was activated!

A gold-red flaming giant and a purple giant dragon with dragon patterns rose up simultaneously!

Even more, nine purple giant dragons coiled around, showcasing overwhelming dominance!

His pressure, aura, and combat strength all increased at the same time!

“Fight!”

Yang Luo let out a thunderous roar, charging madly toward the Purgatory Thunder Beast!

In a flash!

Clang!

Yang Luo and the Purgatory Thunder Beast collided heavily, creating a Heaven and Earth Shattering noise!

Energy and light boiled over as if in turmoil, sweeping through heaven and earth!

Under this collision!

Yang Luo and the Purgatory Thunder Beast were both sent flying backward!

But soon, Yang Luo and the Purgatory Thunder Beast regained their footing and continued to charge at each other for the impact!

Clang, clang, clang!

...

Accompanied by a series of thunderous collisions!

The giant clouds of lightning bolt in the sky above and the Thunder Sea below were shattered, struggling to mend for a long time!

Not far away, Ji Longyue and others were shocked!

“Brother Yang is truly too fierce!”

Helian Dongsheng swallowed hard, “I’m afraid that just with Brother Yang alone, he could at least pass more than five stages!”

“Brother Helian, stay calm, stay calm!”

Bujie raised his hand, “Since you’ve participated in the great battle of the Purple Cloud Sect, then you should also know Brother Yang’s strength!

This guy is a god among gods, a freak among freaks!”

After crashing into each other eighteen times!

Boom!

Yang Luo and the Purgatory Thunder Beast were sent flying again simultaneously!

The cracks on the Purgatory Thunder Beast's body multiplied!

The "Flame Emperor Combat Body" and "Divine Dragon Tyrant Body" activated by Yang Luo were also covered with dense cracks!

"Again!"

Yang Luo let out a wild roar, soared into the sky, clenched both fists, and delivered punch after punch down towards the Purgatory Thunder Beast below!

Countless golden fists like meteorites, hammered down on the Purgatory Thunder Beast!

"Roar Roar Roar!"

Even more golden giant dragons roared down, colliding with the Purgatory Thunder Beast!

The Purgatory Thunder Beast opened its huge mouth, spewing out beams of black lightning bolts towards the sky!

Bang Bang Bang!

A series of earth-shattering booms and explosions echoed far and wide, shaking heaven and earth in all directions!

Light surged like tides, energy waves billowed out!

“Quick, go help!”

Flame Emperor exclaimed, continuing to launch fierce attacks at the Purgatory Thunder Beast!

International Diva, Dongfang Ruoshui, and the others also launched their fierce attacks simultaneously!

But, with just a shake of its body, the Purgatory Thunder Beast...

One by one, massive black lightning pillars broke the vault of heaven, like divine retributions, descending upon Flame Emperor and the others!

Flame Emperor and the allies could only counterattack while dodging to avoid getting injured!

The whole world descended into chaos!

Lightning was everywhere, light and energy filled every corner!

Right at this moment!

A domineering voice sounded in the sky!

“The final punch, to burst you!”

Accompanied by this thunderous voice!

Yang Luo clenched his right fist, energy wildly surged within him, striking fiercely downwards!

With the punch thrown, tens of thousands of golden fists instantly overlapped, merging into one even larger and more dazzling golden fist, hammering down!

The golden fist was so massive, so blindingly bright, like a sun plummeting down, intent on blowing everything apart, shattering everything!

Tens of thousands of golden giant dragons also merged, transforming into one colossal thousand-zhang golden dragon, charging down with supreme dragon might!

“Roar!!!!”

The Purgatory Thunder Beast let out an earth-shaking howl, the lightning beams it spewed became even larger, reaching a thousand zhang, as if to obliterate everything!

In an instant!

Boom!

The punch Yang Luo threw, the roaring golden giant dragon, and the lightning beams crashed against each other fiercely!

In less than a dozen seconds!

Boom!

The surging lightning beams rose up and were destroyed, exploding outwards like raging waves!

After extinguishing the lightning beams!

Yang Luo's golden fist unstoppable, hammered onto the Purgatory Thunder Beast!

The golden giant dragon also collided with the Purgatory Thunder Beast!

Within mere seconds!

Boom!

The body of the Purgatory Thunder Beast shattered into an explosion, turning into a massive orb of lightning energy, dissipating outward!

Seeing that the Purgatory Thunder Beast was burst open!

Bujie and the others finally began to gasp for breath!

Ning Jianfeng swallowed hard and said, "This is just the second challenge, and we're all injured already, can we really pass all ten?"

Qin Zhanhuang exhaled a long breath of turbid air and said, "As long as we keep going, we can definitely do it!"

Although the Purgatory Thunder Beast had been destroyed.

The realm of lightning began to tremble violently.

The sky and the lightning below became more frenzied and restless.

"Brothers, we shouldn't stay here long, let's go!"

Yang Luo waved his hand, leading everyone towards the front and flying onward.

Along the way.

Vicious and furious lightning kept striking out from the sky and below, intending to obliterate Yang Luo and the others.

Countless Thunder Beasts surged out from the clouds and Thunder Sea, pouncing towards Yang Luo and the allies.

Yang Luo paved the way at the front, and everyone struck back in the rear.

After speeding for hundreds of miles, they finally saw the second stone door.

The stone door was already open, with the light barrier inside flickering with dazzling brilliance.

“Get in!”

Yang Luo shouted, leading everyone into the stone doorway...

Chapter 2199: Nine-winged Netherworld Dragon!

Several minutes later.

Yang Luo and his party arrived at the third small world.

Above, the sky was blood-red, dazzling and terrifying, making one’s heart tremble.

Below, the black sea surged fiercely, with over a thousand massive tombs standing tall like great mountains amidst the black waters.

The entire small world was filled with an atmosphere of death; it was gloomy and dark as if they had arrived in the Netherworld.

The merely rising mist even contained a strong corrosiveness.

“Holy shit!”

Bujie’s mouth twitched, “What the hell is this place?!”

Ning Jianfeng and the others also had looks of shock in their eyes.

Helian Dongsheng glanced around and exclaimed in alarm, “I’m afraid this is the ‘Netherworld Demon Realm’, and the guardian of this place must be the Nine-winged Netherworld Dragon!”

No sooner had the voice fallen—

Splash!

The black sea churned violently!

Directly beneath Yang Luo and the others, a huge whirlpool appeared!

This whirlpool was immense, deep and dark, like an Evil Demon opening its gaping maw, ready to swallow Yang Luo and his party!

Moreover, the whirlpool burst forth with a powerful suction force, attempting to pull Yang Luo and his group inside!

Yang Luo’s face changed drastically, and he shouted, “Quick, dodge!”

But the whirlpool had appeared too abruptly!

Although Flame Emperor Luange and international Diva Zhixin and others had reacted and moved away to a distance,

a part of them had not been able to evacuate in time!

“Ah...”

Prajna, Dongfang Ruoshui, Gu Pengfei, and Qiu Xuyao all cried out in alarm as their bodies uncontrollably plummeted towards the whirlpool!

As they fell, the chilling air sweeping out from the whirlpool shattered their protective True Qi, invading their bodies!

Their bodies immediately froze with a layer of black frost, not only corroding their flesh but also causing them to shiver violently!

Seeing this, Yang Luo raised his right hand and instantly summoned an Immortal Rope, casting it out!

The Immortal Rope whistled through the air, wrapping around Prajna and Dongfang Ruoshui, among others!

Then, with a strong pull from his right hand, Yang Luo flung Prajna and Dongfang Ruoshui and the others to a distant place!

Once everyone was out of danger,

Yang Luo's heart moved, and he let out a thundering roar!

“Dragon Emperor Sword!”

Swoosh!

Accompanied by a crisp sound of sword ringing,

the Dragon Emperor Sword flew out from his storage ring and was grasped in his hand!

“Slash!”

With the Dragon Emperor Sword in hand, he struck out forcefully at the whirlpool below!

Whoosh!

A huge thousand-foot golden sword cut across Cangqiong, tore through layers of the Void, and struck at the whirlpool!

Boom!

With a thunderous roar,

the vast whirlpool was directly severed by the sword, split in two!

Waves of black surged up to the sky like giant dragons, bringing with them a chilling cold as they rushed towards Yang Luo!

Yang Luo stomped downward in mid-air as the flames from within his body erupted, forming a fiery red sea that surged downward!

Rumble!

The golden-red Fire Sea collided with the black waves, creating a heavenshaking impact!

Whoo, whoo, whoo!

Curls of mist rose up like signal fires, filled with a terrifying corrosive force!

But, just as the whirlpool was severed,

the shaking of this Heaven and Earth became even more violent!

The blood-red sky and the black sea surged wildly again, creating more whirlpools intent on swallowing Yang Luo and others whole!

Yang Luo loudly reminded, “Everyone, be careful, don’t get sucked in!”

“Yes!”

The group responded in unison.

Under the lead of Yang Luo and others, they kept dodging and simultaneously launched fierce attacks against the whirlpools above and below!

But just then—

Boom!

Boom!

Boom!

The towering tombs standing in the black sea suddenly exploded!

“Roar Roar Roar!”

With a series of dragon roars echoing through the air!

One could see gigantic white bone dragons, hundreds of feet long, roaring as they charged towards Yang Luo and his comrades!

The number of white bone giants dragons that burst forth had already reached more than a thousand!

“Brothers, battle!”

Yang Luo led everyone to meet the onslaught of over a thousand white bone giant dragons!

An earth-shattering great battle suddenly erupted!

Yang Luo rushed to the forefront, vigorously swinging the sword in his hand!

“Sword Slash Eight Desolates!”

Swoosh!

Accompanied by the sharp sound of tearing through the air!

A golden huge sword traced a vast golden crescent arc across the sky, slicing through several white bone giant dragons at once!

Flame Emperor and the others also launched their most powerful vicious attacks!

Boom Boom Boom!

One after another, the white bone giant dragons were massively destroyed, turning into heaps of bones that scattered all around!

However, just when the thousand-plus white bone giant dragons were all destroyed!

Rumble Rumble Rumble!

Heaven and Earth shook violently, quaking in every direction!

The energy of the world frantically converged towards the sky, coalescing into a massive thousand-foot black dragon!

The giant dragon towered above the firmament, its eyes red as blood, and with nine pairs of blood-colored wings on its back, its presence overwhelming and terrifying!

“As expected, it’s the Nine-winged Netherworld Dragon!”

Helian Dongsheng’s heart leaped with fear, “When I entered this trial before, I had never fought the Nine-winged Netherworld Dragon!

But I didn’t expect that this time, with Brother Yang here, we’d face the Nine-winged Netherworld Dragon at the third challenge.

It’s too terrifying!”

While Helian Dongsheng was speaking!

“Roar!”

The Nine-winged Netherworld Dragon let out a heaven-shaking roar, its nine blood-colored wings fluttering fiercely as it charged towards Yang Luo and the others!

Its body was so enormous that it seemed like a mountain range barreling towards them!

“Roar Woo!”

Big White let out a roar and charged forward, twisting into a Thunder Fire Giant Fist and smashing it out!

The Nine-winged Netherworld Dragon simply swiped with a black claw that blotted out the sun, striking back!

With a thunderous “Boom,” the Nine-winged Netherworld Dragon was sent flying, shedding a large amount of blood!

“Big White!”

Yang Luo shouted in shock, holding his sword and charging into the fray!

On his way!

Yang Luo not only activated “Undying Golden Body,” “Flame Emperor Combat Body,” and “Divine Dragon Tyrant Body”!

But also “Azure Dragon Emperor Body” and “White Tiger Tao Body”!

His pressure, aura, and combat strength continued to soar!

He could feel that this Nine-winged Netherworld Dragon was much stronger than the Undying Blood Phoenix and the Purgatory Thunder Beast that he had fought before!

“Stupid monkey, you accused me of showing off, aren’t you doing the same thing!”

Hundred Cry Bird retorted to Big White, then flapped its wings and charged into the battle!

“All together now!”

Flame Emperor roared, leading everyone to charge together!

For a moment!

Yang Luo and his allies engaged in fierce combat with the Nine-winged Netherworld Dragon, the fight turning the sky dark and causing the earth to quiver and split!

During the intense battle, people were continuously knocked back, crying out in pain!

The Nine-winged Netherworld Dragon had truly fearsome combat power, and its body was incredibly resilient!

Even under the repeated violent attacks of Yang Luo and the others, its body only cracked but was not completely destroyed!

In the end, everyone activated their Dharma Idols and continued their relentless assault!

After fighting fervently for hundreds of rounds!

“Ah ah ah ah”

Accompanied by screams of agony.

Except for Yang Luo, everyone was knocked back, spewing blood and dripping with copious amounts of blood.

“Nine-winged Netherworld Dragon, come on, continue!

Let’s see how much longer you can hold on!”

Yang Luo roared, leading his Dharma Idol, and continued to charge forward in attack!

Chapter 2200: Forceful Breakthrough!

As he drew near,

“Sword Breaks the Universe!”

Yang Luo gripped the Dragon Emperor Sword tightly with both hands and slashed fiercely at the Nine-winged Netherworld Dragon!

The Dharma Idol towering above him also swung down a heavy sword!

Hiss!

The two swords overlapped, turning into a thousand-zhang-long golden sword, and slashed towards the Nine-winged Netherworld Dragon!

The Nine-winged Netherworld Dragon showed no fear as it whipped its tail, striking back!

Boom!

The massive tail, like a mountain, came crashing down, colliding fiercely with the golden sword!

What shocked Yang Luo was,

The Nine-winged Netherworld Dragon actually blocked his strike!

After blocking the sword,

“Roar!”

The Nine-winged Netherworld Dragon opened its jaws wide, emitting a roar and spraying out a black beam of light towards Yang Luo!

This black beam contained immense and vast chaotic power, along with terrifying corrosive, lethal, destructive, and annihilative forces!

“Invincible Sword Body!”

Yang Luo roared, a golden sword materializing around him, reinforcing his defenses!

Rumble!

The black beam fiercely struck Yang Luo’s body, causing a sound akin to thunder to burst forth!

Under the impact of the black beam,

The layers of physique secret techniques condensed on Yang Luo’s body were successively destroyed, exploding into a sky full of light and energy!

“Sword Breaks the Heavens!”

After withstanding the impact of the black beam, Yang Luo unleashed another lethal move!

A gigantic, thousand-zhang golden sword shattered the firmament, bursting downward, striking the body of the Nine-winged Netherworld Dragon!

The body of the Nine-winged Netherworld Dragon began to crack extensively and continued to plummet!

“Roar!”

It howled into the sky, frantically absorbing the energy from heaven and earth to repair its body!

Flame Emperor and others charged from afar, launching a fierce attack on the Nine-winged Netherworld Dragon!

Boom, boom, boom!

The body of the Nine-winged Netherworld Dragon continuously shattered but also kept on regenerating, unable to be completely destroyed at once!

At this moment,

Above the firmament, numerous blood-red dragons emerged, and below, numerous black dragons formed, rushing towards Flame Emperor and the others!

Flame Emperor and the others could only counter continuously, unable to approach the Nine-winged Netherworld Dragon anymore!

Yang Luo no longer held back, forcefully waving the sword in his hand!

“Nine Tribulations Sword Prison!”

Nine golden swords instantly rose around the Nine-winged Netherworld Dragon, forming a sword prison, trying to grind the dragon into pieces!

However, the Nine-winged Netherworld Dragon shook violently, unleashing wave after wave of energy, powerful as tidal waves, to strike against and blockade the sword prison!

Yang Luo continued to unleash lethal moves!

“Heaven and Earth Furnace!”

“Dragon Rebel Sword Formation!”

“Primordial Dragon Prison Array!”

“Nine Revolutions Thunder Annihilation Formation!”

A huge furnace and three types of grand array formations formed simultaneously, surrounding the Nine-winged Netherworld Dragon!

Towering flames surged in the sky, transforming into an immense sea of fire, rushing towards the Nine-winged Netherworld Dragon!

Countless golden flying swords shot out!

Numerous golden and purple dragons roared and ascended!

A sky full of golden and purple dragon talismans surged to suppress!

Countless Thunder Blades burst forth, and numerous Rushou charged forward!

Under the fierce assault from the furnace and three grand array formations, the body of the Nine-Winged Netherworld Dragon began to extensively crack!

It continued to emit thunderous dragon roars!

Above,

A colossal, thousand-zhang blood-tinted formation diagram slowly descended, suppressing downward!

Below!

A vast thousand-foot black array map slowly rose, suppressing everything above!

Two immense array maps, each engraved with a totem of the Nine-Winged Netherworld Dragon, were dark, evil, and terrifying!

They enveloped Yang Luo and his companions, aiming to kill them all at once!

Yang Luo raised his left hand, his palm transformed into a starry sky phenomenon, with the sun and moon revolving and the stars twinkling, striking towards the blood-colored array map above!

Ye Luan Ge and others simultaneously summoned their energy within, fiercely attacking the black array map below!

In an instant!

Boom!

Thud!

Yang Luo and Ye Luan Ge among others unleashed their attacks, colliding intensely with the blood-colored and black array maps, creating an earth-shattering impact noise!

A few minutes later!

Yang Luo shouted loudly, “Everyone, fall back!”

Ye Luan Ge and the others did not hesitate and quickly retreated!

Just as everyone was pulling back!

Yang Luo swung the sword in his hand vigorously!

“Explode!!!”

Accompanied by a sky-shaking roar!

Boom boom boom!

The blood-colored and black array maps engulfing them, along with the furnace and the three grand array formations, simultaneously collapsed and exploded!

The power generated by the explosion was terrifying to the extreme, threatening to burst and destroy this small world!

Various lights and energies intertwined, forming a torrential sea of energy, surging in every direction!

Until the energy and light had all dissipated!

Then, Yang Luo was seen standing quietly in the air!

All the defenses he had amassed around himself were destroyed, his body torn with bloody wounds, blood streaming down!

However, the Nine-Winged Netherworld Dragon also exploded above, completely vanishing without a trace!

Bujie wiped his face, which was covered in sweat and blood, and took a long breath of turbid air, "At last, we have eliminated that Nine-Winged Netherworld Dragon!"

Yang Luo scanned everyone's injuries and said, "Brothers, quickly take your pills, heal and replenish your energy, then we'll head to the next place!"

"Okay!"

Everyone nodded and then took out their pills, swallowing them.

There was no choice, as they were all injured.

If they didn't heal and replenish their energy now, they probably wouldn't last until the end.

After swallowing their pills.

Yang Luo led the group flying towards the distance, continuing to power through the challenges...

...

Time passed quickly.

In the blink of an eye, a week had passed.

One evening, a week later.

Outside the Chaos Evil Domain.

Helian Xiongqi and others were staring blankly at the five totems glowing on the mountainside of five huge mountains, utterly astounded.

And these five totems represented the Undying Blood Phoenix, Purgatory Thunder Beast, Nine-Winged Netherworld Dragon, Dark Demon Tiger, and Li Fire Dragon Sparrow.

“Bushi Fire Domain, Purgatory Thunder Domain, Netherworld Demon Realm, Dark Absolute Domain, Li Fire Yan Domain...”

Helian Hongtao murmured in a daze, “I never imagined that in just one week, these youngsters could have broken through five challenges!”

Helian Fengxuan said, “The key point is, they haven’t contacted me till now!

This indicates that they can continue to push forward!”

Shan Yunze took a deep breath and asked, “What do you guys think, how many levels can these youngsters eventually break through?”

Wu Chengjun pondered for a moment and replied, “At this rate, maybe they could break through seven challenges!”

“Seven challenges?!”

Helian Xiongqi was shocked, “That’s impossible, it would already be incredible if they could break through six!”

Wu Chengjun squinted and said, “Xiongqi, in my view, nothing is impossible as long as that kid Yang Luo is there!”

Helian Qingtian, with his hands behind his back, smiled and said, “Why do I feel like these youngsters could break through ten challenges?”

“Ten challenges?!”

Impossible, absolutely impossible!”

“Over the years, only the Grand Elder and the Second Elder have broken through ten challenges.

There’s no way these youngsters can do it!”

“Third brother, you’re overestimating these youngsters, ten challenges are absolutely impossible!”

Helian Xiongqi and others shook their heads repeatedly, utterly incredulous.

Helian Qingtian smiled lightly and said, “Let’s see if Little Friend Yang and his companions can create a miracle...”
