

Super IDG 2211

Chapter 2211: Defying the Heavens!

Long Youlan breathed a sigh of relief, smiled warmly, and said, "We were just too anxious earlier, naturally we couldn't think of this method right away."

Long Tianchi laughingly said, "One can only say that this lad's thoughts are very novel, and he dares to think and try, always able to notice what others overlook."

However, it must be said, the kid is quite capable.

He actually managed to suppress the Ancient Divine Beast Essence Blood and the Evil Beast Essence Blood, allowing them to coexist peacefully.

I'm afraid that, in this world, he's the only one who could accomplish such a feat."

Primordial Divine Dragon said, "Now that this lad has crossed the danger, let's not waste any more time."

Let's quickly absorb the energy of the Essence Blood and open the fourth bronze dragon coffin."

The energy of the Chaos Essence Blood is so powerful that this time, at least two-thirds should be unlocked."

Long Tianchi said with a smile, "If we release the guy from the bronze dragon coffins, this kid will probably have a tough time."

After all, that guy does not have as good a temper as we do."

Long Youlan said irritably, "Brother Five, stop taking pleasure in others' misfortune; you'll have to step in when the time comes."

Long Tianchi laughed loudly and said, “Don’t worry, even if that guy has a bad temper, he wouldn’t go as far as to kill the kid.

After all, the kid is Brother Yang’s son”we have to give him some face.”

Primordial Divine Dragon said, “Indeed, if that guy dares to cause trouble, I’ll naturally stop him.”

After that, Long Tianchi, and the rest stopped talking and focused on absorbing the energy of the Chaos Essence Blood, continuously channeling it into the fourth bronze dragon coffin.

Yang Luo, who was in the process of refining and absorbing the Chaos Essence Blood, naturally heard the conversation between Primordial Divine Dragon and the others.

He was startled in his heart!

What does this mean?

Does the fourth senior have a really bad temper?

From what the three seniors had said, could it be that the fourth senior would give him a beating once he got out?

Thinking of this, Yang Luo shivered all over.

He had experienced the strength of these seniors.

Even if they only had their incomplete Essence Souls left, that was not something he could contend with now.

If the fourth senior truly wanted to beat him up when the time came, he would probably be unable to resist.

There was nothing he could do but hope the fourth senior would show mercy.

Yang Luo put aside these wild thoughts and continued to refine and absorb the Chaos Essence Blood.

A while later,

Yang Luo finally entered a stable state.

As he refined and absorbed the Chaos Essence Blood,

a chaotic fog appeared around Yang Luo, enveloping him as if he were in a Chaotic Black Hole.

Within this Chaotic Black Hole, various colors of light flashed, radiantly beautiful and unfathomably mysterious.

From a distance in the sky above,

Ji Longyue and the others stared blankly at Yang Luo in the abyss pit, dumbfounded and unable to come back to their senses for a long time.

It took quite a while for everyone to finally snap out of it.

“Holy shit!”

Ning Jianfeng exclaimed in surprise, “Does that mean Brother Yang has already suppressed the rampage of the Essence Blood of the Four Great Ancient Divine Beasts and the Evil Beast Chaos Essence Blood?!”

Helian Dongsheng said dumbfoundedly, “Looking at the current situation, it seems like it!”

Bujie admiringly said, “It has to be Brother Yang, if it were anyone else, they would’ve likely exploded by now!”

Ji Longyue sighed and said, “Brother Yang was already incredible for being able to absorb the Essence Blood of the Ancient Four Divine Beasts without causing rejection within his body!

Who would’ve thought, Brother Yang has now even absorbed the Chaos Essence Blood and managed to suppress it, truly defying the heavens!”

Baili Wushuang, Tantai Puti, Yi Yuheng, and Ning Jianfeng were all also immensely shocked!

However, while Ji Longyue and the others were astonished,

outside the Chaos Evil Domain,

Helian Xiongqi and the others were also shocked to the core!

They saw that all ten ferocious beasts totems on the ten faces of the mountain wall were now flashing with light!

Even the Chaos Totem in the center of the array platforms was flickering with light!

“The ten trials...

these youngsters have actually really made it through all ten trials!”

“Not only that...

they even received the recognition of the Evil Beast Chaos!”

“How many years has it been since anyone, aside from the Grand Elder and Second Elder, managed to achieve this?”

“Keep in mind, the most advanced among these youngsters is only at the late True Immortal realm!”

Helian Xiongqi and the others all exclaimed in amazement, no longer able to put their shock into words.

Helian Hongtao asked with confusion, “Since these youngsters have already passed all the trials, why haven’t they come out yet?”

“Could there still be other trials?”

Helian Fengxuan asked.

Just as everyone was puzzled and clueless,

the communication jade talisman of Helian Xiongqi started to vibrate.

He quickly took out the jade talisman and infused it with True Qi.

“Father, we have passed all the trials and are now preparing to go into secluded cultivation!”

The voice of Helian Dongsheng came through.

“Are you all right?”

Helian Xiongqi quickly asked.

Helian Xiongqi replied, “Don’t worry, we’re injured, but there’s no danger to our lives!”

We'll explain the details once we come out!"

"Alright, be careful in everything!"

"Yes, Father!"

Subsequently, Helian Dongsheng cut off the connection.

Helian Qingtian said cheerfully, "Since these youngsters are all right, we don't have to worry about them.

We can wait for them to come out!"

"Mm!"

Helian Xiongqi and the others nodded, anticipation flickering in their eyes.

They were very much looking forward to seeing how much Yang Luo and the others would improve after emerging from the Chaos Evil Domain.

Inside the Chaos Evil Domain.

Helian Dongsheng stored away the communication jade talisman and said, "Brothers, I've informed our father about our situation here, so they won't worry about us!"

"Very good!"

Ji Longyue nodded, waving his hand and declaring, "Brothers, Brother Yang is advancing towards greater strength, we must also seize the time to cultivate!

This time, we must achieve personal transcendence and breakthroughs!”

“Alright!”

Everyone responded in unison.

After that, Flame Emperor and the others retreated to a distant clearing, spread out, sat down cross-legged, and began to heal and cultivate...

...

Time flew by quickly when cultivating and seeking enlightenment.

In the blink of an eye, another three days had passed.

At dawn on the third day.

Inside the Chaos Evil Domain.

Yang Luo still sat motionless in the abyss pit, continuing to refine and absorb the Chaos Essence Blood.

Flame Emperor and the others also sat motionless in the distant clearing, forgetting everything around them, immersed in their cultivation and enlightenment.

But just then!

Boom!

Boom!

Boom!

Boom!

Beams of light soared into the sky from Xiang Kunlun, King of Creation, Sacred Prison King, and King of Destruction” the four of them broke through first, stepping into the Middle Stage Earth Immortal realm!

After all, Xiang Kunlun and the others had entered the Immortal World later than the others, and it was already quite an achievement for them to reach the Middle Stage Earth Immortal realm!

Not long after their breakthrough!

Bujie, Lin Wenxuan, Ning Jianfeng, Qin Zhanhuang, and Mu Wushang broke through, stepping into the late-stage Earth Immortal Realm at once!

Shortly after that!

Mo Qingkuang, Big White, and Hundred Cry Bird achieved their breakthroughs, entering the Perfected Earth Immortal stage!

Even Emperor of the Dead and Ice Empress, who had been stuck at the late-stage Earth Immortal realm for a long time, finally broke through, stepping into the Perfected Earth Immortal stage!

Chapter 2212: Dragon Roar and Tiger’s Howl!

“”Of course, besides Mo Qingkuang and others achieving their breakthroughs!

Many others present also made their breakthroughs!

For instance, Dongfang Ruoshui had finally stepped into the middle stage of the Earthly Immortal Realm!

Nobody knew how much time had passed.

Mo Qingkuang and the rest all exhaled a breath of turbid air and slowly opened their eyes.

“Hahaha...”

Bujie jumped up, hands on his hips, boastfully said, “Brothers, did you see that?”

Lord Buddha here has broken through again!

At this rate, Lord Buddha entering the True Immortal realm is just around the corner!”

Ning Jianfeng said irritably, “Ever since this guy awoke his special physique, it’s like he’s been on a cheat mode, and now he’s actually caught up with us!”

“Brother Bujie’s talent, comprehension, and potential are actually very high, which is well-known.

Now that he has awakened his special physique, and considering how hard he’s been working recently, it’s natural that his cultivation is advancing quickly.”

Qin Zhanhuang gave an objective assessment.

Bujie grinned and said, “Brother Qin understands me, from now on, you are my best bro!”

Qin Zhanhuang pretended to be disgusted and waved his hands, “Go, go, go, who’s your best bro!”

Big White said in annoyance, “Baldy, stop showing off!

Even if you reach the late stage of the Earthly Immortal Realm, so what?

You’re still no match for this Ape King!”

“Tch!”

Bujie rolled his eyes and said, “Stinky monkey, don’t be too proud.

Lord Buddha will catch up with you soon!”

“Is that so?”

Big White looked unconvinced, “Then let’s try it and see how you’ll catch up with this Ape King!”

Hundred Cry Bird said resentfully, “Stinky monkey, why did you also break through when I did?”

Big White turned his head to the Hundred Cry Bird and said, “Dead bird, what do you mean?

Just because you have a special bloodline doesn’t mean you’re so impressive!

The Ape King’s bloodline is also very special, okay?

It’s just that the Ape King’s bloodline hasn’t fully awakened yet!

Wait until the Ape King’s bloodline fully awakens, and I’ll amaze everyone!”

Hundred Cry Bird scoffed, “Even if your bloodline is strong, it can’t compare to our Vermilion Bird bloodline!”

“The Vermilion Bird bloodline is nothing, the Ape King’s bloodline is the strongest!”

“Nonsense, our Vermilion Bird bloodline is the strongest!”

The monkey and the bird started arguing, causing everyone to laugh heartily.

But Sister Prajna was standing off to the side, her face full of despondency, unable to smile at all.

“Sister Prajna, what’s wrong?”

Xu Ying noticed something was off with Prajna and asked with concern.

Prajna said bitterly, “This time, all the brothers and sisters made breakthroughs, but I didn’t.

Brother Xu, am I too weak?”

Xu Ying said with a gentle smile, reassuringly, “Silly girl, you managed to reach the Earthly Immortal realm through your own efforts.

And you’ve followed Brother Yang until today without falling behind, which is already very good.

I used to be called trash too, and I only just reached the middle stage of the Earthly Immortal Realm.

But so what?

As long as you’re willing to make an effort, you can make up for any lack of talent.

Although your cultivation breakthrough is slow now, it's all about building a foundation for the future.

Once you've got a solid foundation, your cultivation will surely advance quickly in the future."

He paused.

Xu Ying said in a teasing tone, "Sister Prajna, perhaps you also have a special physique and bloodline, just yet to awaken.

When your bloodline and physique awaken, you will surprise everyone in the future.

So, don't be discouraged, don't be sad, keep trying hard, and everyone will surely see your shine."

"Brother Xu is right, Sister Prajna, you can do it, I believe in you!"

Tantai Puti also came over to cheer Prajna on.

"Sister Prajna, even if you really can't catch up with everyone in the future, Lord Buddha here will cover you!"

Bujie also came over, patting his chest.

"With Brother Yang here, does Prajna need your protection?"

"Prajna, don't listen to this baldy's nonsense, you will surely catch up with everyone and become even stronger in the future!"

"Prajna, you can do it!"

Everyone cheered on Prajna.

Prajna was suddenly taken aback.

It turned out everyone had noticed her.”””

She felt incredibly touched and warm.

Her eyes brimmed with tears as she nodded vigorously, “Thank you all for your encouragement.

I will definitely work hard!”

“Ha-ha, that’s the Sister Prajna I know!”

“Let’s all keep working hard and strive to become stronger!”

“As long as we don’t die, then we cultivate to our dying breath!”

Everyone burst into laughter.

At that moment”

Boom!

Boom!

Two beams of light shot straight into the sky from Flames Emperor and International Diva!

Everyone turned to look at Flames Emperor and International Diva, astonishment written across their faces.

“Are Sister Luange and Sister Zhixin about to enter the middle True Immortal realm?!”

“Looking at the situation now, it’s very likely!”

“Indeed, Sister Luange and Sister Zhixin are the talents closest to Brother Yang!”

Everyone was filled with emotion.

Before long.

Until the beams of light slowly dissipated.

Flames Emperor and International Diva opened their eyes and stood up.

“Congratulations to Sister Luange and Sister Zhixin for successfully entering the middle True Immortal realm!”

“Congratulations, congratulations!”

Everybody offered their congratulations.

Flame Emperor smiled slightly, “It looks like everyone has also made breakthroughs in their cultivation.

Not bad!”

International Diva smiled sweetly, “Congratulations to everyone!”

“How odd, why haven’t we seen any reaction from Brother Ji and Brother Baili yet?!”

Ning Jianfeng turned his head to look at Ji Longyue and Baili Wushuang in the distance.

Everyone also turned their heads to look over.

“Oh my god!”

Brother Bujie exclaimed in shock, “Could it be that Brother Ji and Brother Baili are about to step into the realm of True Immortals?!”

Tantai Puti puffed, “These two guys are really going to take the step into True Immortal before us!”

Yi Heng expressed helplessly, “No way around it, our talents, comprehension, and potential are ultimately a bit weaker than Brother Ji’s and Brother Baili’s.”

While everyone was discussing—

Boom!

Boom!

A green-gold beam of light and a white-gold beam of light burst straight into the sky from Ji Longyue and Baili Wushuang!

A vast expanse of clouds above was completely scattered!

Two abyssal vortices were torn open in the heavens!

A few minutes later!

“Roar!”

“Roar!”

The earth-shaking cries of a dragon’s roar and a tiger’s roar spread throughout the entire mini-world!

Even those in the distance, like Flames Emperor and the others, felt a piercing pain in their eardrums and their blood boiling from within!

The next second!

A hundred-zhang-long green-gold dragon and a hundred-zhang-long white-gold lightning giant tiger burst into the sky from Ji Longyue and Baili Wushuang!

It was the Azure Dragon and the White Tiger!

The Dragon rises to the nine heavens!

The Tiger roars at the sky!

As the Azure Dragon and White Tiger burst into the sky together—

Two solid human figures emerged from within Ji Longyue and Baili Wushuang, appearing in the sky!

One was a green-gold figure wielding a halberd, with the Azure Dragon soaring above him!

The other was a white-gold figure armed with a saber, with the White Tiger roaring above him!

They looked majestic and supremely imposing!

“Essence Souls appear, step into True Immortal!”

“Brother Ji and Brother Baili have really stepped into True Immortal!”

Everyone gazed up into the sky, overwhelmed with shock.

Especially those who had reached the Perfected stage of Earth Immortals, everyone clenched their fists tightly.

They too hoped to step into True Immortal soon, to achieve transcendence and transformation of the self.

Chapter 2213: Overbearing Breakthrough!

After all, without stepping into the True Immortal realm, one would not truly be a “true immortal.”

Now seeing Ji Longyue and Baili Wushuang both entering the True Immortal realm,

everyone was stimulated!

They all needed to work even harder to charge towards the True Immortal realm!

It was at this moment!

“Roar!”

“Howl!”

Accompanied by a dragon roar and tiger howl that shook the Nine Heavens,

the Azure Dragon and a platinum-colored human silhouette plummeted downwards, merging into Ji Longyue’s body!

The White Tiger and a platinum-colored human silhouette plummeted downwards, merging into Baili Wushuang’s body!

In an instant!

Waves of energy like landslides and tsunamis burst forth from within Ji Longyue and Baili Wushuang, sweeping outwards in all directions!

Boom boom boom!

Heaven and Earth trembled violently, all directions shook!

The ground where the two stood instantly tore apart and collapsed!

Flame Emperor and others swiftly formed layers of Defensive Shields, blocking the waves of energy impacts!

After a while,

the energy and light completely dispersed.

Ji Longyue and Baili Wushuang slowly opened their eyes, standing up in mid-air.

“Congratulations Brother Ji, Brother Baili, on successfully stepping into the True Immortal realm!”

“Congratulations to both!”

Flame Emperor and others flew over.

Baili Wushuang cheerfully said, “Congratulations to all of you for your breakthroughs as well!”

Ji Longyue also clasped his hands and expressed his congratulations.

“Congratulations!”

Tantai Puti snorted and said, “Don’t get too cocky, you two.

Brother Yi and I will catch up to you soon!”

“Great!”

Ji Longyue laughed loudly, “Then you must work harder!”

“Now it’s just Little Luo left.

We don’t know if Little Luo can step into the Perfected True Immortal Realm this time.”

Flame Emperor turned to look at Yang Luo.

“He surely can!”

Dongfang Ruoshui stared intently at Yang Luo in the distant abyss pit, "Since coming to Penglai Immortal Island, Little Luo has been through numerous battles!

And during the venture through the Chaos Evil Domain, he worked and fought harder than any of us!

Now that he has absorbed the Chaos Essence Blood, I believe he can definitely succeed in stepping into the Perfected True Immortal Realm!"

Ning Jianfeng exclaimed, "Once Brother Yang steps into the Perfected True Immortal Realm, he will truly be an unrivaled being beneath the Heavenly Immortals!"

Everyone also looked towards Yang Luo in the distant abyss pit, eyes filled with anticipation.

It was hard to say how much time had passed.

Boom boom boom!

The abyss pit suddenly started shaking!

"Here it comes, here it comes!"

Bujie excitedly shouted, "Brother Yang might really be breaking through!"

Everyone clenched their fists tightly, their emotions becoming excited and tense.

Flame Emperor then said, "It seems likely that Little Luo will cause an even greater disturbance this time; everyone quickly move back!"

"Yes!"

Everyone responded.

Following Flame Emperor's lead, they quickly retreated.

It was in the moment that Flame Emperor and the others pulled back“

Boom boom boom!

Centered around that abyss pit, the entire small world seemed to violently tremble!

Above the Cangqiong!

Wild winds blew, dark clouds swirled, thunder roared, flames surged, ice flowed, giant waves soared to the sky!

Various phenomena appeared as if the end of the world had come!

As the Heaven and Earth trembled,

Boom boom boom!

The abyss pit where Yang Luo was located completely tore apart, collapsed, and was destroyed!

The entire landscape had changed!

The next second!

“Roar!”

Accompanied by a resounding dragon roar!

A colossal golden dragon, stretching over a thousand feet, burst out from within Yang Luo, spiraling and soaring above!

Following that

“Roar!”

“Awooo!”

“Screech!”

“Growl!”

Four more roaring sounds erupted simultaneously!

The massive forms of the Azure Dragon, White Tiger, Vermillion Bird, and Black Tortoise, each over a thousand feet in size, soared into the sky, stationing themselves around the golden dragon in four directions.

Despite the astonishment caused by the sight before them, Ji Longyue and others were hardly surprised anymore.

However, Helian Dongsheng couldn't help but exclaim, “My goodness, the Five Great Illusions appearing all at once—what a spectacular scene this is!”

Yet, before he finished speaking!

“Roar!!!”

Along with a deafening roar!

Another colossal behemoth phantom, over a thousand feet in size, surged from within Yang Luo's body into the sky, positioning itself around the golden dragon!

Ning Jianfeng shouted in shock, "Chaos!

Brother Yang has truly completely refined and absorbed the Chaos Essence Blood!"

At this moment.

The Holy Dragon was at the center!

The Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise, and Chaos occupied the perimeter, completely filling the sky above!

The entire scene was magnificent and boundless!

Flame Emperor and others were stunned, their eyes wide open in awe!

Bujie clicked his tongue and said, "I just feel that Chaos seems somehow out of place among the Holy Dragon and the Four Great Divine Beasts."

Ning Jianfeng responded, "That's natural, after all, the Holy Dragon and the Four Great Divine Beasts all embody a sacred aura!

While Chaos carries an aura of ferocity, naturally, it seems somewhat out of place!"

Qin Zhanhuang stated admiringly, “But one must admit, with these six illusions appearing together, they truly dominate and are Unparalleled in the World!”

Bujie retorted, “Exactly, who else could inherit the bloodlines of the Four Great Divine Beasts and a great ferocious beast, and yet manage to subdue them?”

Xu Ying admired, “Moreover, the aura and pressure emanating from Brother Yang’s body are now even more formidable, it seems he has indeed stepped into the perfected True Immortal Realm!”

“Brother Yang is truly no ordinary person, so impressive!”

Helian Dongsheng stared into the distant sky, his admiration for Yang Luo growing.

At this moment.

Outside the Chaos Evil Domain.

It was deep into the night.

Rumble rumble rumble!

The entire array platform, along with the surrounding ten mountains, began to shake violently!

“What’s going on?!”

What’s happened?!”

“Why is there such a huge commotion all of a sudden?!”

Helian Xiongqi and others exclaimed in surprise, their eyes filled with confusion.

Even the Hundun Family members who were resting and cultivating were jolted awake.

All members of the Hundun Family rushed out, looking towards the direction of the back mountain.

In an instant!

Boom boom boom!

Beams of light burst forth from the array platform and the ten mountains!

Eleven beams, each flickering with different colored lights, surged into the sky like eleven pillars supporting Heaven and Earth!

These eleven beams of light, upon reaching the high sky, intermingled and projected a giant image of light!

Within this image!

The Holy Dragon was in the middle!

The Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise, and Chaos surrounded it like stars around the moon!

This sight left everyone in the Hundun Family absolutely dumbfounded!

“This what is this situation how could such phenomena appear?!”

“The Four Great Divine Beasts and Chaos appearing together?!”

“And that even more domineering golden dragon appeared as well!”

“Could it be that these visions are manifested by Little Friend Yang?!”

“Has Little Friend Yang truly advanced to the perfected True Immortal Realm?!”

Helian Xiongqi and the others were amazed.

The members of the Hundun Family also widened their eyes and dropped their jaws, deeply shocked by the spectacle.

Chapter 2214: Set off as soon as possible!

After all, such a magical spectacle had never before appeared.

Even when the Grand Elder and Second Elder had passed through all the trials of the Chaos Evil Domain, they had never seen such a wonder.

Helian Qingtian declared loudly, “Everyone, be ready to activate the teleportation array, I’m guessing Little Friend Yang and the others are about to come out!”

“Okay!”

Helian Xiongqi and the others nodded and made their preparations.

At this time.

Inside the Chaos Evil Domain.

Above the Cangqiong.

The Holy Dragon, Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise, and six major phenomena of Hundun persisted for a while before gradually dissipating.

It was not until the entire small world stopped trembling that everything finally returned to calm.

“Phew...”

Yang Luo let out a long breath of turbid air and then slowly opened his eyes.

Two beams of golden light, sharp as swords, burst forth, cleaving through the layers of void and illuminating the endless dark.

In his deep eyes, the images of the Holy Dragon, Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise, and Hundun shimmered like two patches of the starry sky, as if to devour everything.

It was only when Yang Luo stood up

that Flame Emperor and the others gradually came back to their senses.

“Little Luo!”

“Brother Yang!”

Flame Emperor and the others flew in from afar, landing in front of Yang Luo.

“Brother Yang, have you completely absorbed the Chaos Essence Blood?”

“Brother Yang, have you truly stepped into the perfected True Immortal Realm?”

Everyone asked one after another.

Although they had already guessed it, without Yang Luo's affirmative response, they dared not be certain.

Yang Luo smiled and nodded, "I have completely absorbed the Chaos Essence Blood and stepped into the perfected True Immortal Realm!

From today onward, I will officially initiate my assault toward the Heavenly Immortal realm!"

"Haha, excellent, Brother Yang truly outdoes himself!"

"Good job, Brother Yang, we look forward to the moment you step into the Heavenly Immortal realm!"

"Congratulations, Brother Yang, on successfully absorbing the Chaos Essence Blood and stepping into the perfected True Immortal Realm!"

Bujie, Ning Jianfeng, and the others were all extremely excited and overjoyed.

Yang Luo smiled and said, "It seems everyone has also made their breakthroughs, not bad at all!"

Helian Dongsheng suddenly thought of something, "Right, Brother Yang, typically Ancient Divine Beast Essence Blood and Ancient Fierce Beast Essence Blood would repel each other.

How did you manage to suppress the rampaging Four Great Divine Beasts Essence Blood and Chaos Essence Blood?"

Everyone also looked at Yang Luo, very curious.

Yang Luo shared the method he had used with everyone.

After hearing Yang Luo's explanation,

Helian Dongsheng shook his head, "I'm convinced, thoroughly convinced!

Only you, Brother Yang, could come up with such a brilliant plan!"

Ning Jianfeng also smacked his lips, "Isn't that the truth?

With so many kinds of energy fighting inside the body, if you can't control it properly, you'd die even faster."

Bujie shook his head and said, "A freak indeed has the methods of a freak; I'm convinced!"

Yang Luo grinned and said, "Bujie, it seems you're itching for a fight again.

I've just absorbed the Chaos Essence Blood and stepped into the perfected True Immortal Realm.

I'm worried I have no one to spar with, how about you accompany me for a practice session?"

"Spar with your sister!"

Bujie's scalp tingled with fright, and he swiftly jumped behind Dongfang Ruoshui, "Eldest Senior Sister, you control this guy!"

Seeing Bujie's comical demeanor, everyone was amused and burst out laughing.

Yang Luo rolled his eyes at him and then said, "We've been here for so long, it's about time we head out!"

“Okay!”

Everyone nodded in agreement.

Outside the Chaos Evil Domain.

Helian Xiongqi and several elders activated the teleportation array upon receiving the message.

In a short while,

Yang Luo and the others appeared atop the array platforms.

When they saw Yang Luo and his group,

the eyes of Helian Xiongqi and the others were filled with shock!

Mainly because Yang Luo and his party were covered in blood, clearly having been through a fierce battle!

However, what surprised them even more was that many had achieved breakthroughs in their cultivation!

“Ha ha, congratulations to you all for successfully passing the ten trials!”

“And congratulations to each of you for surpassing yourselves and achieving breakthroughs!”

Helian Xiongqi and the others laughed heartily as they welcomed them.

Helian Dongsheng jumped down from the array platform.

He excitedly said, "Father, elders, you can't imagine the cruel trials we endured in the 'Chaos Evil Domain!'"

"Oh?"

Helian Xiongqi asked with curiosity, "Tell us, what sort of trials did you experience?"

Helian Dongsheng went on and on, recounting the trials they faced over the past few weeks in the Chaos Evil Domain in great detail to Helian Xiongqi and the others.

Moreover, he also mentioned the commotion and phenomena caused when Yang Luo refined and absorbed the Chaos Essence Blood, leading to his breakthrough in cultivation.

It was only after Helian Dongsheng finished speaking,

That Helian Xiongqi and the others slowly came back to their senses.

After a good while,

Helian Xiongqi finally took a deep breath and said, "I had no idea you all had been through such arduous trials in the 'Chaos Evil Domain!'

And furthermore, that you were able to pass all the trials is truly impressive!"

Helian Hongtao looked at Yang Luo and said, "Little Friend Yang, I didn't expect the phenomena that appeared outside just now was indeed caused by you!

You should know, it startled our entire Hundun Family!"

Helian Fengxuan said admiringly, "Little Friend Yang, we originally thought it would be very difficult for you to reach the Perfected True Immortal Realm!

Yet not only did you step into it, but you also inherited the Chaos Essence Blood.

We are sincerely convinced!"

Helian Qingtian stroked his beard with a smile, "Little Friend Yang, since you have inherited the Chaos Essence Blood, you must also have inherited the 'Chaos Evil Skill,' right?"

"Mhm."

Yang Luo nodded, "However, I have just inherited the 'Chaos Evil Skill,' and have only learned a small portion of the cultivation techniques.

The majority of the cultivation techniques will need further in-depth study and comprehension over time."

Helian Qingtian nodded with a smile, "Very good, Little Friend Yang.

From now on, we really are one of our own!"

Yang Luo gave a formal bow, "This junior was able to have this opportunity thanks to the 'Chaos Evil Domain' as a place of trial!

In the future, if there is anything the seniors need help with, I will not hesitate to assist!"

Helian Qingtian laughed heartily, "Having your word is enough for us!"

"By the way, Little Friend Yang, are you planning to head to the Taotie Family next?"

Helian Xiongqi inquired.

“That’s right.”

Yang Luo nodded, “We plan to rest tonight and set off for the Taotie Family tomorrow.”

“So soon?”

Helian Xiongqi was startled, “Having just come out from the ‘Chaos Evil Domain,’ wouldn’t you rest for a few days before going?”

“No need.”

Yang Luo shook his head, “These past few days, my brothers and I have been healing and cultivating in the ‘Chaos Evil Domain,’ and our injuries have mostly recovered.

Therefore, we plan to set off as soon as possible, heading to the Taotie Family to brave the ‘Devouring Demon Domain.’”

“Alright then.”

Helian Xiongqi nodded, “In that case, I will get in touch with Brother Huangfu early tomorrow, to let him know you’re heading there.

So we can avoid any unnecessary misunderstandings.”

Yang Luo gave a formal bow, “That would trouble the Helian Family Master.”

Helian Xiongqi gestured dismissively, “From now on, we are one of our own; no need for such formality.

And from now on, you can simply call me uncle, which will feel much closer.”

“Understood.”

Yang Luo nodded in agreement.

Chapter 2215: Swear to Protect to the Death!

Secular world.

Two more weeks had passed.

In those weeks,

the entire world became increasingly chaotic.

Every day cities around the world fell, every day people died.

It was primarily because there were just too many from the six alien races.

Moreover, every day alien species emerged from forbidden areas of the world such as the South Pole, North Pole, underwater, Bermuda Triangle, Death Valley, and the Atlantic Ocean graveyard.

This left humanity unguarded and overwhelmed.

To eradicate these six major alien races, humans used large-scale lethal thermal weapons.

Although these had some effect and killed many Merfolk, Heavenly Mothmen, Lizard Men, Snake-men, Demons, and Snowmen,

the sheer number of alien species meant these thermal weapons ultimately didn't have a significant impact.

During these weeks,

leaders from countries worldwide had convened talks.

Some proposed using the most terrifying weapons of mass destruction in human history,

but they faced strong opposition from many.

After all, a large-scale deployment of such weapons could mean that even if the alien species were exterminated, humanity too would suffer devastating blows.

The leaders were divided into two camps, one in support and one in opposition.

These days, the two sides argued incessantly without reaching a final decision.

"Is this the end of humanity?"

"The apocalypse predicted by the Mayans never came, but who would have thought the end of the world would still arrive!"

"Is there really no way to deal with these alien species?"

What will become of humanity's fate?"

“What about those with Esper abilities hidden around the world, haven’t they made a move?”

“They have, now their figures are seen all over the world, but there are just too many from these six major alien races!”

“Damn it, if it really comes to the brink of human extinction, then we might as well perish alongside them!”

A wave of pessimism and despair swept over the whole world.

At this moment,

thousands of kilometers above the Pacific Ocean,

a group of figures stood silently on a sea of clouds.

Leading them were six tall, imposing figures.

One of them was over one meter ninety, with a human torso and a fish tail, his body covered in blue scales, holding a deep blue spear in his hand.

The second figure towered over two meters, his body radiating a dark gray light, sporting a pair of large wings, with long antennae on his head, and a long spear in his hand.

The third figure loomed over three meters tall, with a snake head and a human body, blood-red pupils, and his body covered in black scales which shone with a metallic luster under the moonlight.

The fourth figure was around two meters, with a huge tail, his body covered with green scales, wielding a saber in hand, resembling a gigantic lizard.

The fifth stood more than five meters tall, a figure huge and muscular, with black skin, a ferocious face, bared fangs, two curved horns atop his head, and a huge axe in his grasp.

The sixth, exceeding three meters, was covered in snow-white fur, exuding a bone-chilling coldness, holding a huge hammer in hand.

These six figures were the patriarchs, the kings of the six great alien races!

Merfolk King, Heavenly Moth King, Snake-man King, Lizard King, Demon King, and Snowman King!

Among them, the cultivation of the Merfolk King, Snake-man King, and Demon King reached the perfected True Immortal realm!

The Heavenly Moth King, Lizard King, and Snowman King were at the late True Immortal realm!

Behind them stood their respective commanders, a total of sixty!

Fifteen had stepped into the realm of True Immortal, while the remaining forty-five were all Earth Immortals!

These commanders were the strongest forces of the six major races!

At this moment.

In front of the Merfolk King, a huge image emerged, as if projected by a projector.

The image displayed scenes from all over the world.

The scenes slowly shifted, with people desperately fighting against the creatures of the Six Alien Races.

Cries of agony, growls, and roars echoed non-stop.

There were bodies and blood everywhere, a sight of total devastation and disorder.

After watching for a while.

The Merfolk King spoke in a deep voice, "What's going on?"

It's been over two weeks now, why hasn't that guy, Yang Luo, shown up yet?"

The Lizard King also frowned and said, "Besides that Yang Luo guy, those who took part in the underworld battle have also not appeared."

The Heavenly Moth King coldly said, "Do they really want to just watch humanity die off?"

The Demon King angrily said, "If these guys don't show up, we won't be able to complete the mission given by the Divine Master and the Demon Lord!"

The Snake-man King, hissing, said fiercely, "We must lure them out, figure out where they're hiding!

Then eliminate them all, that would also ease the burden for the Divine Master and the Demon Lord!"

The Merfolk King declared resolutely, "Since they won't come out, then we'll force them out!

That kid Yang Luo is the lord of Holy Imperial Court, and those Eastern immortal cultivators are from Country Hua's Martial Alliance!

As long as we attack these two places, we will definitely be able to force them out!"

The Snake-man King nodded and said, "Let's do it that way, we have to force them out no matter what!"

“Then where do we go first?”

The Lizard King asked.

The Merfolk King’s eyes turned cold, and he said, “To the Holy Imperial Court first!”

“Good!”

The Snake-man King, Heavenly Moth King, Lizard King, Demon King, and Snowman King all responded in unison.

Then, the six lords of the Merfolk King led their commanders, turned into streaks of light, and flew towards the Holy Imperial Court...

...

At this moment.

Headquarters of the Holy Imperial Court.

The battle cries were earth-shattering, chaos reigned supreme!

The more than ten thousand troops stationed at the headquarters of the Holy Imperial Court were making a desperate stand against the encirclement by the Six Alien Races.

The Hidden Alliance, Blood Race, Demon Dragon Clan, Kingdom of Magic, God Slaying Temple, Violet, and other major organizations, all friendly to the Holy Imperial Court, also sent help.

However, the Six Alien Races numbered three hundred thousand, a dark mass that completely surrounded the entire Holy Imperial Court.

The Holy Imperial Court and the major organizations only had over a hundred thousand people, utterly unable to hold their ground, retreating step by step in defeat.

The main issue was that the other members of the Holy Imperial Court and various organizations had gone to rescue other countries and couldn't spare more hands to help.

After several days and nights of fighting.

Countless bodies lay across the islands of the Holy Imperial Court, and on warships at sea, countless bodies also floated.

Blood dyed the islands, warships, and the ocean red, a truly horrific sight.

Fortunately, the main island, Divine Emperor Island, was protected by a Great Formation and had not been breached.

"Get out of the way!"

"Destroy these monsters!"

"Swear to defend the Holy Imperial Court to the death!"

"The Divine Emperor trusted us so much to entrust us with guarding the Holy Imperial Court; we absolutely cannot let down the Divine Emperor!"

The Blood Race Patriarch Augustus, the Kingdom of Magic's king Alves, the God Slaying Temple's Palace Master, the Evil Butcher, the Demon Dragon Clan's Patriarch Hopkins, and others were leading the charge in the fierce battle!

Around them were piles of corpses of the Six Alien Species, like small hills, blood flowing into rivers!

Although Augustus and the others were Esper ability users, after several days and nights of fighting, they too were at their limits, covered in wounds, their clothes soaked with blood!

Yet, they still fought to the death, vowing to defend the Holy Imperial Court!

Chapter 2216: He Dares to Claim the Best in the World?

In the hearts of Augustus and the others,

Yang Luo was both a friend and a faith!

Moreover, Yang Luo had helped them many times, his kindness was as heavy as a mountain to them!

If they couldn't defend the Holy Imperial Court, how could they face Yang Luo in the future?

"Kill!

Keep killing!"

"Let's fight them with all we've got!"

"Even if it's our last breath, we must annihilate these monsters!"

Augustus and the Evil Butcher roared and continued their fierce battle.

Even Medea, who once served in the Hell Fiend Palace and later taught in the Kingdom of Magic, was defending the Holy Imperial Court.

Her black dress had been soaked with blood, both that of the enemy and her own.

Her charming face was also smeared with blood.

Yet she fought on tirelessly, courageously slaying the enemy.

Once, she had taken a wrong path and almost couldn't return.

It was Yang Luo who gave her a chance to choose again, allowing her to be reborn and understand the meaning of life.

For Yang Luo, she held endless gratitude.

"You beasts, you will never breach the Holy Imperial Court!"

Medea shouted sharply, her black wings of light fluttering behind her as she flew in the sky, her bloodied right hand swung fiercely!

"Dark Spear!"

In an instant,

Thousands of black spears formed and shot in every direction!

Pupu pupu!

A substantial number of Merfolk, Heavenly Mothman, Lizard Men, Snake-men, Demon Men, and Snowmen were turned into sieves, falling into pools of blood!

At that moment,

A large number of Heavenly Mothman flew into the sky, swarming to attack her!

“Kill this woman!”

“Kill her!”

As they approached,

These Mothmen unleashed beams of light!

Shou shou shou!

Dark grey beams filled with deadly, destructive, and devastating power shot towards Medea!

Medea swung her right hand!

“Dark Guardian!”

A massive black light shield formed, enveloping Medea inside!

Boom boom boom!

The black grey beams clashed against the black light shield, creating sounds of muffled thunder and explosions!

A great amount of light and energy exploded in the sky like brilliant fireworks.

However fierce the Heavenly Mothman's attacks were, Medea still blocked them!

Many Merfolk, Lizard Men, Snake-men, Demon Men, and Snowmen charged from all directions, launching a fierce assault on Medea!

Various colored beams shot into the sky, all aiming at Medea!

Medea stood firm in the air, swinging her hand again!

"Dark Light Rain!"

In the blink of an eye,

Dense black beams shot down from the sky like a torrential downpour!

"Aaahhhh..."

Accompanied by a series of shrill screams.

The Heavenly Mothman swarming from all sides were struck into hornet's nests and fell from the sky.

The Merfolk and other Alien Species Creatures charging from below were also shot down, falling to the ground.

But just at this moment!

Shou!

A blue beam tore through the sky, crossing the night like a long rainbow, bursting towards Medea from afar!

Medea's heart chilled, and she tried to dodge, but was a fraction too slow!

Boom!

The beam pierced directly through her defensive light shield and her shoulder!

Blood splattered through the air!

"Ah..."

Medea cried out in pain, flung backwards in midair, and crashed heavily to the ground!

"Medea!"

"Medea, how are you?!"

"Damn it, who is attacking Medea?!"

Alves and others shouted in alarm and hurried towards Medea.

Medea clenched her teeth, struggled to her feet, and said, "Everyone, don't worry, I'm fine!"

"No wonder the Holy Imperial Court has never been breached; so it's you people guarding it!"

"So you all are Esper ability users, indeed much stronger than those ordinary humans!"

"Unfortunately, you will never match the gods; tonight you will undoubtedly die!"

A mocking voice came from afar.

Medea and the others turned their heads towards the distance.

They saw a group of people flying from afar.

It was the Merfolk King and others.

As these people arrived overhead.

A tremendous and massive aura spread from their bodies, instantly sweeping across the entire territory of the Holy Imperial Court!

People from the Holy Imperial Court and various organizations trembled uncontrollably, breathing fast, sweating cold sweats, and their legs went weak!

They felt as if an invisible hand was choking their throats, making it hard to breathe!

Even Medea and Alves trembled uncontrollably!

Medea said sternly, "They are also people from the six alien races, and they definitely have a significant background!"

Alves and the others also fixed their gaze on the Merfolk King and his group, as if facing a great enemy.

"Hail to our King!"

"Hail to our Commander-in-Chief!"

At that moment, beings from the six alien races all bowed respectfully to the Merfolk King and his group.

Seeing this scene.

Medea and Alves were shocked!

Augustus stared at the six Merfolk Kings, saying gravely, "It seems these six guys are the kings of the six great alien races!"

Alves looked towards the people behind the six, squinting his eyes, "The others must be the main forces of these six great alien races!"

At that time.

The Merfolk King, with his blue eyes, stared intensely at Medea and others and said coldly, "Speak, where exactly is Yang Luo!"

"Quickly tell Yang Luo to come out, or we will flatten his lair!"

The Snake-man King hissed, its crimson eyes flickering with a cold gleam.

Although the syllables they emitted were very ancient, Alves and others could understand what they were saying.

But of course, for these powerful alien species, human language is simple.

Evil Butcher Zhen shouted, "Yang Luo is my brother, what exactly do you want with him?"

"What do you want?"

The Demon King grinned sinisterly, "What do we want?"

Of course, to tear that kid into thousands of pieces!”

The Lizard King squinted and said, “This kid claims to be the world’s number one, so let him prove it if he’s so powerful!

Even we dare not claim to be the number one in the world, what right does he, a human, have to make such a claim?”

Alves frowned and said, “You six great alien races caused such a commotion, attacking humans, just to kill the Divine Emperor?”

The Merfolk King sneered, “Killing this kid is just incidental!

We are simply following the gods’ decree, to eradicate humans and reestablish a new order for this world!”

The Snake-man King said fiercely, “In fact, hundreds of years ago, we were entirely capable of eliminating you humans!

Back then, you only possessed some broken guns and rotten cannons, posing no threat to us at all!

If it weren’t for Lord Gods’ grand plan, do you think humans would still be alive today?”

Chapter 2217: Humans Are Like Ants!

Hearing the words of the Merfolk King and the Snake-man King,

Alves and the others instantly snapped to attention!

They had heard that these Alien Races aimed to annihilate humanity in accordance with the gods' will!

They had speculated that this world chaos might be linked to the Holy Light Church, the Heavenly Universe Divine Clan, and the Dark Demon Clan!

Now they were even more certain!

Alves said in a deep voice, "So it is the Holy Light Church, the Heavenly Universe Divine Clan, and the Dark Demon Clan making you wreak havoc and attack humanity?"

"So what if it is?"

The Snake-man King laughed even more harshly, "Even if you know, what can you change?"

Can you, with your capabilities, contend against our six races?"

The Lizard King also said with a grin, "Your human ability users pose no threat to us!

Some of the high-tech weapons you humans have developed do have substantial destructive power and can inflict devastating blows on our people!

But, our reproduction abilities are quite strong, no matter how many of us you kill, we will rapidly reproduce in no time!

Of course, your high-tech weapons pose no threat to us six, nor to our Commander-in-Chief!"

The Demon King said mockingly, "Now the only ones who can save you are Yang Luo and those cultivators!

So, better call them out now!"

The Merfolk King was already growing impatient, and shouted, “Speak!

Where are that kid Yang Luo and those cultivators!”

The shouting, mixed with sonic attacks, was sharp and piercing like the wails of a malevolent spirit, resounding across the entire territory of the Holy Imperial Court!

Boom!

Boom!

Boom!

Those from the Holy Imperial Court and various organizations who were close by exploded into pools of blood mist!

“Ah!

Ah!

Ah!

Ah...”

Those further away also suffered a strong impact, bleeding from all orifices, clutching their heads and screaming!

Many others fell to the ground convulsing, and died immediately!

Even Medea and Alves were strongly impacted, vomiting blood!

How powerful!

This thought simultaneously arose in the hearts of Medea and Alves!

These beings are likely comparable to the gods themselves!

They alone are certainly no match!

But now with Yang Luo and the others nowhere to be found, who can contend with these beings?

What to do?

What should they do now?

Medea and Alves were immediately in a state of utter confusion, not knowing what to do!

“Will you speak or not?”

The Merfolk King’s eyes grew even colder, his voice louder.

Boom!

Boom!

Boom!

Even more people from the Holy Imperial Court and various organizations exploded into pools of blood mist!

“Ugh!

Ah!

Ah!

Ah...”

Many more were clutching their heads, screaming, and dying in droves.

Medea and Alves, even as they mobilized the energy within their bodies to resist, were still unable to withstand it, vomiting more blood!

Alves shouted loudly, “Everyone, quickly retreat to the main island!”

People from the Holy Imperial Court and various organizations rushed towards the main island!

“What good will retreating to the main island do?”

The Snake-man King sneered, “Oh, there seems to be an island-protecting array on the main island, isn’t there?

Do you think that array can withstand our assault?”

With that, the Snake-man King waved his Snake Head Scepter!

“Ssssss...”

Along with a series of sharp hissing sounds,

Waves of energy transformed into countless black serpents flew out, biting to death those who were fleeing!

The Demon King stomped down from the air!

Whoosh!

Black-red energy transformed into a vast sea of energy, surging forth!

Large groups of people were submerged and corroded, leaving nothing but piles of bones!

The Snowman King waved his hand!

In the world, a surge of chill air flowed, and snowflakes danced!

Many were frozen into ice sculptures!

When the ice sculptures shattered, those people were directly smashed to pieces!

Screams echoed endlessly, sending chills down one's spine!

The Snake-man King, Demon King, and Snowman King had killed tens of thousands with just a single move!

To them, killing was merely a game, devoid of any guilt.

“Hehe...”

The Snake-man King said with a cold laugh, “Are you grieving?

Desperate?

Helpless?

Grief is right, despair is right, helplessness is right!

That is exactly the effect I desired!”

The Demon King sneered brutally, “Our six races can finally wrest control of this world from the hands of humans!”

“Retreat!

Hurry!”

“Don’t linger, retreat!”

“You will all regret this!”

“Once the Divine Emperor returns, you will all die!”

Medea and Alves and others screamed desperately, charging at the Merfolk King and the others with a fierce attack!

They naturally knew that they were no match for these beings!

But, to allow as many people as possible to survive, they could only fight desperately!

“Nine Star Magic!”

“Bloodthirsty Chains!”

“Sin Slaughter Blade!”

“Dark Curtain!”

Alves and the others roared fiercely, unleashing a series of attacks!

Nine beams, each imbued with different types of attribute energies, burst forth!

Chains of blood-colored energy swept upwards!

A white-gold saber swung down heavily!

A black curtain enveloped from above!

“So overconfident!”

The Merfolk King shouted coldly and swung his black spear!

Swoosh!

A massive, thousand-feet long, blue-hued spear crushed a vast expanse of the Void, collapsing part of the heavens, sweeping toward Alves and his companions!

Boom!

The strikes from Alves and his companions were brittle, instantly shattered and exploded into a burst of energy and light!

After shattering their attacks, the huge spear continued its sweep toward them!

Their faces drastically changed as they hurriedly gathered layers of energy barriers for protection!

But, it was futile!

“Arghhh...”

Alves and his companions were directly blasted away, thrown dozens of meters!

As they crashed to the ground, blood spurted from their mouths, their skins peeled, flesh burst open, and numerous bones fractured!

However, by now half of their people had made it to the main island!

The entire main island was enveloped in a vast golden Light Shield!

On the shield were engraved dragon patterns and mysterious runes.

It was a large formation laid by Yang Luo!

“King!”

“Patriarch!”

“Palace Master!”

The people inside the formation screamed hoarsely, stricken with grief, as though their hearts were bleeding.

Some even wanted to rush out to help.

Alves held his chest, his voice hoarse, “No one comes out!”

“Don’t come out, just stay on the main island!”

Augustus and the others, their mouths filled with blood, also screamed out.

“Still not talking, huh?”

The Merfolk King’s eyes were frigid to the extreme, “Since you won’t speak, then right before your eyes, I will slaughter all of your subordinates!

As for this so-called grand formation, it can’t stop me at all!”

With that, he swung his spear, smashing it violently towards the great formation!

Bang!

A massive, thousand-feet long spear heavily smashed onto the great formation, erupting with the sound like thunderous impacts!

However, to the Merfolk King’s surprise, his strike couldn’t break through the formation!

“Hmm?”

The Merfolk King’s brow furrowed, “The formation is rather interesting, managing to withstand my strike!

But, I’d like to see how long this formation can hold!”

Chapter 2218: Mysterious Great Formation!

The Snake-man King and others also looked toward the Great Formation.

It was acceptable that this formation could stop their own people.

But unexpectedly, it was even able to block the attacks of the Merfolk King, which somewhat surprised them.

“Again!”

The Merfolk King coldly shouted, and once more swung his huge spear, summoning even more energy to slam into the formation!

The nearly thousand-feet-long huge spear flashed with a dazzling blue light, heavily crashing down!

Boom!

Accompanied by the sound of thunderous roars like rolling thunder!

The entire formation, even the entire main island, shook!

Even several nearby smaller islands trembled!

Waves surged in the sea, creating a spectacular sight!

People on the main island were so frightened that they trembled, and many were shaken so much that they fell to the ground!

However, under the second assault!

Suddenly, the Great Formation flickered with a dazzling golden light!

The next second!

“Roar, roar, roar!”

Accompanied by the sound of dragon roars!

Tens of thousands of massive golden dragon illusions, each a hundred feet long, roared out from the formation and charged toward the Merfolk King and the others!

“This...”

The Merfolk King was instantly startled, “This protective formation can even counterattack?!”

The Snake-man King and others were also shocked!

Alves and his companions were also immensely shaken!

Augustus exclaimed, “Worthy of a protective formation set up by the Divine Emperor, it even has a counterattacking effect!”

Hopkins frowned and said, “However, these guys are on par with gods!

Even if this formation is strong, I’m afraid it won’t last very long!”

The others also clenched their fists, feeling a sense of sinking.

Just then!

“Humph!”

The Merfolk King snorted coldly and contemptuously said, “Even if this formation can counterattack, I still don’t care!”

Saying that, the Merfolk King violently swung his huge spear!

Crash!

Waves surged from the sea into the sky, transforming into massive beasts that collided with the golden dragons!

Boom!

Explosions and collisions that shook the heavens and earth resonated!

One after another, the beasts, and golden dragons exploded in the air, turning into a rain of light and water droplets that scattered in all directions!

“Let me try!”

The Snake-man King roared out and violently swung his scepter!

“Sssss...”

Accompanied by sharp hissing sounds!

Hundreds of huge black snakes hundreds of feet long furiously charged out and struck the golden dragons!

In an instant!

Boom!

Under the joint effort of the Merfolk King and the Snake-man King, all the golden dragons were destroyed, exploding in the sky!

“Continue the attack!”

The Merfolk King shouted, continuing his assault on the formation!

The Snake-man King also swung his scepter, attacking!

Although tens of thousands more golden dragons roared out, they were all destroyed by the two!

After several fierce attacks by the two!

The Great Formation dimmed and even cracked open!

“Not good!”

“We can’t hold it!”

“Damn it, stop them!”

Alves and others cried out in alarm, enduring their injuries as they continued to rush toward the Merfolk King and the others!

“Seeking death!”

The Demon King saw this, and with a cold shout, a huge hand swept!

Whoosh!

Whoosh!

Whoosh!

Massive black tornadoes swept across heaven and earth, directly blowing Alves and the others away!

“Thud, thud, thud...”

Alves and others spat out blood, crashing to the ground far away, their injuries worsening!

And at that moment!

Boom!

The entire Great Formation completely shattered and exploded, turning into countless golden light fragments that scattered in all directions!

In that moment!

Tens of thousands of people on the main island were in despair!

It was over!

They were finished!

“Hahaha”

The Merfolk King laughed uproariously as he looked up to the sky, “Did you really think that this crappy formation could stop us?”

It’s utterly laughable!

You ants, all of you shall die by my hand!”

As he spoke, the Merfolk King raised the huge spear in his hand, the energy within him surging as he prepared to deliver a fatal blow to the tens of thousands on the island!

But, just then!

Rumble!

Centered on the main island, all the smaller islands within the Holy Imperial Court territory began to shake!

The next instant!

Boom!

A beam of light surged from each small island, piercing through the sky as if it were supporting heaven and earth!

“This is bad!”

“Dangerous!”

“Quick, retreat!”

The Merfolk King and six other figures shouted in alarm, retreating rapidly with the Commanders-in-Chief!

The six Alien Species that remained on the islands also heeded the order and hurriedly retreated!

Just as the Merfolk and others were retreating from the Holy Imperial Court territory!

A massive golden formation coalesced, enveloping all the small islands of the Holy Imperial Court!

Above the formation, various mysterious runes circulated, unfathomably mystical!

All sorts of phenomena appeared!

The sun, the moon, and the stars, mountains and rivers, lakes and seas, flowers and birds!

Yin and Yang, Three Talents, Four Symbols, Five Elements, Six Paths, Seven Stars, Eight Trigrams, Nine Palaces!

These astonishing phenomena transformed into rows of Immortal Rainbows, shooting towards the tens of thousands of six Alien Species who hadn't yet evacuated!

"Arrghh"

These tens of thousands from the six Alien Species screamed in utter agony, turning into ash and dying tragically within the formation!

Suddenly!

All was deathly still across the entire territory of the Holy Imperial Court, everyone was dumbstruck!

Especially the six Alien Species that had already evacuated, they were trembling in terror!

Had they not evacuated earlier, they too would have likely died within the formation!

The faces of the Merfolk King and Snake-man King darkened to the extreme!

They hadn't anticipated another formation here that could annihilate their hundreds of thousands in an instant!

"What what is happening Could this also be a formation laid by the Divine Emperor?!"

Hopkins asked, stunned.

Alves analyzed, "This formation might not have been laid by the Divine Emperor, it's highly possible it was left here by the old Divine Emperor!

Perhaps it only activates when the Holy Imperial Court faces an existential threat!"

“That makes sense.”

Augustus and others nodded.

Their respect for the old Divine Emperor grew even deeper!

If it weren't for this formation activating, they all might have perished!

At that moment.

In the distant sky.

The Heavenly Moth King frowned, “This formation is not simple, what do we do now?”

“What crappy formation, I'll destroy it!”

The Demon King roared and charged straight up!

As he neared the formation!

He stepped into the air and soared high above!

Then, with both hands gripping the huge axes, he slashed fiercely down at the formation!

A massive black axe, nearly a thousand feet tall, split open the heavens and the void, striking down on the formation like a force of creation!

Clang!

The black huge axe struck the formation fiercely, creating an earth-shattering impact!

In that instant of collision!

The entire formation burst into dazzling golden light, releasing a cataclysmic energy like a mountain collapse and tsunami, sweeping towards the Demon King!

“Be careful!”

“Retreat quickly!”

The Merfolk King and others exclaimed in shock.

Chapter 2219: Those Not of Our Kind, Their Hearts Must Be Different “Uh...”

The Demon King cried out in pain and was sent flying directly!

Wave after wave of grand and surging energy continued to rush toward the Demon King!

“Block it!”

The Merfolk King thundered and brandished the black spear in his hands, launching a counterattack!

The Snake-man King, Lizard King, Heavenly Moth King, and Snowman King, along with sixty commanders, also launched their counterattacks at the same time!

Boom boom boom!

The explosive sounds that shook heaven and earth reverberated through the heavens and spread in all directions!

Various lights and energies exploded in the sky, rippling outward!

The seas overflowed, as if triggering a great tsunami, lifting massive waves!

Although the Merfolk King and the others withstood this wave of assaults, they were all sent flying hundreds of meters before they could barely stabilize their bodies!

After stabilizing himself, the Demon King clenched his teeth and said angrily, "Damn it, how can this great formation be so formidable?

Who set it up?"

Narrowing his eyes, the Merfolk King spoke, "The one capable of setting up this formation is no ordinary person, probably a powerful cultivator!"

"Should we continue to break the formation then?"

The Lizard King asked coldly.

The Merfolk King took a deep look at Alves and others in the formation and then said, "There's no need to waste time here!

Let's head directly to Country Hua!"

"Alright!"

The Snake-man King and the others nodded in agreement.

Then, the Merfolk King, addressing the creatures from the six alien races in a resonating voice, commanded, “Everyone, retreat!”

After speaking, the Merfolk King and the six leaders turned into streaks of light and flew away from the area.

The remaining hundreds of thousands of tribespeople reluctantly looked at Alves and the others.

Then they boarded ten silver-gray metal giants and flew away from the place.

Only after the Merfolk King and his group left did all the people from the Holy Imperial Court finally breathe a sigh of relief.

“Where are these guys going?”

Augustus asked in confusion.

Alves spoke solemnly, “These guys haven’t found the Divine Emperor and his group, they surely won’t stop here!

They’re probably heading to Country Hua now!”

Hopkins sighed, “Hopefully, the Celestial Master Zhang and Master Xuanku in Country Hua can hold those guys off!”

Augustus said bitterly, “Just relying on Celestial Master Zhang and Master Xuanku, I’m afraid they won’t be able to stop those guys!

We really need the Divine Emperor and his group to return!”

Exhaling a breath of turbid air, Alves said, "Celestial Master Zhang and Master Xuanku should have a way to contact the Divine Emperor and his group!"

"We just need to wait!"

"Let's hope the Divine Emperor returns quickly and wipes out all these despicable creatures!"

"As long as the Divine Emperor and his group are here, humanity will not be extinguished!"

"Divine Emperor, please come back quickly!"

People from the Holy Imperial Court and various organizations also shouted out loud.

Everyone hoped that Yang Luo and his group could return soon and eliminate the six alien races.

...

At this time.

Country Hua.

Above a certain sea area in the southern part.

Zhang Zhilin and Master Xuanku were battling the alien species creatures in the sky.

Since the battle of the Purple Cloud Sect ended, they had returned to Kunlun Ruins, stayed there for a few days, and then returned to the secular world.

After all, the secular world also needed guardians.

After experiencing the great battle at the Purple Cloud Sect, Zhang Zhilin and Master Xuanku had gained many insights.

After a period of secluded cultivation, both had advanced into the late True Immortal realm.

Aside from Zhang Zhilin and Master Xuanku.

There were four more figures in the sky helping to deal with the six alien races.

These four were Wudang's Grand Elder Lu Jinzao, Shaolin's Grand Elder Master Yuan Kong, Emei's Grand Elder Sun Feiyan, and Kunlun Sect's Grandmaster Song Xuanzhen!

After the resurgence of spiritual energy in Country Hua, Lu Jinzao and the four finally understood the Great Dao and stepped into the Earth Immortal realm!

Apart from the six including Zhang Zhilin!

On distant islands.

Sect masters and elders from major sects such as Wudang, Shaolin, Emei, and others were also leading their disciples in battling the alien species creatures!

"Eliminate these beasts, we absolutely cannot let them break into our Country Hua!"

"Those not of our kind must have different hearts, kill them!"

"Let's fight them with all we've got!"

The disciples from the major sects roared angrily, charging at the six Alien Species!

Cries of battle, howls, roars, and screams resounded in all directions of Heaven and Earth!

The island was already piled with corpses, including both the disciples from the major sects and the six Alien Species!

And in the sea, numerous bodies floated, their blood dyeing the small island and the ocean red!

The battle was unspeakably brutal!

In the distant sky.

“Great Dao Divine Lightning!”

Zhang Zhilin waved his hand grandly, issuing a thunderous shout!

Boom, boom, boom!

A series of nine-colored lightning bolts descended from the sky, furiously striking down!

Boom, boom, boom!

Thousands of the six Alien Species were smashed to smithereens!

“Buddhist Light Illumination!”

Master Xuanku brought his hands together, chanting loudly!

In an instant!

A dazzling, blinding golden Buddhist light flickered from his body, illuminating the night!

The golden Buddhist light shot out in all directions, all the six Alien Species attacking them were completely exterminated!

“Taiji Sword Technique!”

“Great Merciful Great Sorrow Palm!”

“Floating Snow Cloud-Piercing Sword!”

“Ascending Cranes Capturing Dragon Skill!”

Lu Jinzao, Master Yuan Kong, Sun Feiyan, and Song Xuanzhen also launched fierce attacks!

Countless gray-white and bluish-gray flying swords burst forth!

Huge golden palms struck down heavily!

Moreover, dragon and crane illusions flew out, colliding in all directions!

Boom, boom, boom!

Waves of the six Alien Species who surrounded them were massively exterminated!

However, just then!

Swoosh, swoosh, swoosh!

Beams of light, like strips of ribbons, streaked across the night sky, blasting towards Zhang Zhilin and the others!

“Be careful!”

Zhang Zhilin shouted in alarm, immediately gathering a golden barrier around himself and the likes of Master Xuanku!

Accompanied by a “boom, boom, boom” of explosions!

The golden barrier Zhang Zhilin had formed was instantly destroyed, and the six of them were blasted hundreds of meters away!

“Who goes there?!”

The six of them steadied themselves and looked towards the distance.

Only to see, figures flying swiftly from afar, instantly arriving above them.

It was the Merfolk King among others.

Behind them, ten metallic giant ships, each over a hundred meters long, flew over.

When the Merfolk King and others reached above,

Satellite footage broadcasted the scene live to the whole world.

Hence, not long ago, people from the Holy Imperial Court had already informed all countries of the six Alien Species leaders’ appearance, asking everyone to take precautions.

Thus, the countries of the world were also aware that the leaders of the six Alien Species had already brought their forces to Country Hua.

At that moment.

People from various countries watched the live footage via TV, mobile phones, computers, and other methods.

Many also saw the live footage on large screens in public squares.

“My God, are these six guys really the leaders of the six Alien Species?!”

“These guys do look different; they must be very powerful indeed!”

“I wonder if Country Hua’s immortals can defeat these guys!”

“These guys have the numerical advantage; it would be difficult to overcome them!”

“If even Country Hua’s immortals can’t defeat them, we are truly doomed!”

People from different countries discussed the situation.

The masses felt nervous and anxious, hoping Zhang Zhilin and others could defeat the Merfolk King and his ilk.

Chapter 2220: Unforgivable Crime!

At that moment.

High above the ocean.

Zhang Zhilin and Master Xuanku along with their four companions stared intensely at the Merfolk King and his cohort, as if facing a formidable enemy.

They felt an overwhelming and vast oppressive force emanating from the Merfolk King and his people.

Master Xuanku's expression grew grave, "Amitabha Buddha...

all sixty-six of these individuals possess the cultivation of Earth Immortals and True Immortals!"

Zhang Zhilin frowned and said, "Especially that Merfolk, the Snake-man, and the demon, their cultivation might have reached the perfected True Immortal Realm!"

"What?!"

"Perfected True Immortal Realm?!"

Lu Jinzao, Master Yuan Kong, Sun Feiyan, and Song Xuanzhen were instantly shocked and pale.

It was well known that the four of them only possessed the cultivation of early-stage Earth Immortals.

True Immortals were already an unreachable height for them, let alone the perfected True Immortal Realm!

"Greetings, our king!"

"Greetings, Commander-in-Chief!"

At this moment, all beings from the six Alien Races bowed deeply to the Merfolk King and his entourage, their demeanor filled with devout respect.

Zhang Zhilin narrowed his eyes, "Could it be that these fellows possess such high cultivation because they are the leaders of these six Alien Races?"

"Celestial Master Zhang, just the few of us alone might not be able to handle them, what should we do?"

Lu Jinzao asked anxiously.

Zhang Zhilin immediately said to Master Xuanku, "Xuanku, when the battle begins, we'll hold these fellows off while you take the chance to hurry to Penglai Immortal Island and ask Little Luo and the others for help!

As for the true immortals over at Kunlun Ruins, Mr.

Yi will definitely contact them!"

"This..."

Master Xuanku's face changed, and he immediately shook his head, "Celestial Master Zhang, you go find Little Luo and the others instead, let this poor monk hold them off!"

Zhang Zhilin said in a deep voice, "There's no need to argue, it's settled!

If Elder Lu and I were to die in battle, please avenge us!

You must annihilate these six Alien Races to save humanity!"

"Amitabha Buddha..."

Master Xuanku sighed deeply and nodded in agreement.

At this time.

The Merfolk King and his companions lifted their gaze to fix on Zhang Zhilin and his group.

“Are you few immortals all there is to Country Hua, where are the other immortals?”

The Merfolk King asked coldly.

Snake-man King Zhen’s voice boomed, “Where is that kid Yang Luo, as well as those who participated in the great underworld battle and slew the Lord Gods and demons?”

“Tell us their whereabouts, and we might leave you with a complete corpse!”

“If not, we’ll flatten the entirety of Country Hua!”

“Our patience is limited, speak quickly!”

The Demon King and the others also roared out.

Zhang Zhilin did not answer the Merfolk King and others, but instead shouted with great force, “If you want to flatten our Country Hua, you’ll have to step over our dead bodies first!”

“You six Alien Races have caused great chaos in the world, lives have been destroyed, and rivers have run red with blood, your sins are unforgivable!”

“Even if it costs us our lives, we will stop you from wreaking further havoc!”

Master Xuanku and the others also shouted out loud.

“Hahaha...”

The Merfolk King burst into laughter, “With just you all, you think to stop us, how laughable!”

The Snake-man King spoke fiercely, “Since you won’t speak, then we will kill you first, then flatten Country Hua, and exterminate everyone!”

“To battle!”

Zhang Zhilin stepped forward into the void, his aura fully unleashed, his fighting power at its peak, letting out a thunderous roar!

Boom!

A golden beam of light shot out from his body, breaking through the heavens and lighting up the night sky!

Master Xuanku, Lu Jinzao, Master Yuan Kong, Sun Feiyan, and Song Xuanzhen also trembled, unleashing their strongest fighting force!

Five beams of light radiated from them, breaking through the clouds!

The next second!

Six Venerable Dharma Forms towered above Zhang Zhilin and his group!

“Seeking death!”

The Merfolk King roared, wielding his huge spear, and charged forward violently!

Zhang Zhilin and his group, along with their own Dharma Forms, charged into battle!

As they approached in an instant!

Zhang Zhilin and his group simultaneously launched a fierce attack!

“Great Dao Divine Palm!”

“Ten Thousand Buddha Palm!”

Zhang Zhilin and Master Xuanku both raised a palm at the same time and forcefully struck down!

Above them, the Dharma Idols also delivered a palm strike!

Two huge golden palms, each several hundred feet in size and inscribed with the Tai Chi pattern at their center, collapsed a segment of the void and pressed down on the Merfolk King!

Palm strikes from another pair of huge golden palms, hundreds of feet in size and bearing the swastika rune in their center, crushed Changkong and bore down heavily!

“Immortal Pointing the Way!”

“Doroye Finger!”

“Meteor Chasing the Moon!”

“Crane Soaring Dragon Ascending!”

Lu Jinzao, Master Yuan Kong, Sun Feiyan, and Song Xuanzhen, the four of them also launched fierce attacks!

A huge grey-white sword, several dozen feet long, burst through the void and thrust forth violently!

A huge golden finger, also dozens of feet in length, rolled forth, crushing everything in its path!

Countless blue-grey flying swords, like meteors, shot out simultaneously!

Flocks of cranes and columns of giant dragons surged forward together in assault!

The Dharma Idols of the four of them also launched ferocious attacks!

The Merfolk King responded by brandishing his long spear and struck back!

Boom, boom, boom!

A colossal, nearly thousand-foot-long azure giant spear swept across Cangqiong, shattered the void, and hammered down!

In an instant—

Klang, boom, boom!

Echos thundering across Cangqiong and rocking the seas erupted!

Distant islands trembled, while the ocean boiled!

The Merfolk King had thought one strike would be enough to send Zhang Zhilin and the other five flying!

After all, he could feel that the cultivation of Zhang Zhilin and the five of them was lower than his!

But unexpectedly, Zhang Zhilin and the others withstood his blow and were not sent flying!

“Ha-ha, Merfolk King, let me help you!”

The Demon King roared with laughter and charged forward, swinging a huge axe at Zhang Zhilin and the others!

A huge black axe, nearly a thousand feet long, split Cangqiong and created a thousand-foot-long crack in the void, spreading terror far and wide!

It was already no small feat for Zhang Zhilin and the others to withstand the blow from the Merfolk King!

And now that the Demon King had joined the battle, they could no longer resist!

“Uh-ah-ah-ah...”

Zhang Zhilin and the other five screamed in pain, as they were sent flying backward simultaneously!

Their bodies burst open with gushes of fresh blood!

“Elder Celestial Master!”

“Master Xuanku!”

“Elder Lu!”

Disciples from various islands shouted in shock and grief.

Just as Zhang Zhilin and the six were sent flying outâ€”

The Merfolk King and Demon King both stepped forward, bearing down on them in attack!

Zhang Zhilin and the others stabilized their forms and led their Dharma Idols, ready to confront the attack head-on!

A great battle immediately erupted!

Clang, clang, clang!...

Boom, boom, boom!...

The sounds of collisions and explosions reverberated ceaselessly!

Blinding lights and energy exploded in the sky!

Both Cangqiong and the ocean were torn apart by the shock!

Several islands were also blasted into holes and craters!

After clashing for more than a dozen roundsâ€”

“Ah-ah-ah-ah...”

Lu Jinzao, Master Yuan Kong, Sun Feiyan, and Song Xuanzhen all screamed miserably as they were sent flying away!

Blood spurted from their mouths as they fell from the sky and crashed onto an island!

Even their Dharma Idols were shattered, dissipating into the sky!

“Elder Lu!”

“Master Yuan Kong!”

“Elder Sun!”

“Elder Song!”

Disciples of the major sects cried out in alarm, heartbroken.

In a battle of this magnitude, even if they wanted to help, they were simply unable to!
