Chapter 2221: The World Needs You!

After dozens more rounds of fierce battle!

Boom!

Boom!

Boom!

A thunderous explosion erupted in the sky!

“Ugh...”

“Ah...”

Zhang Zhilin and Master Xuanku couldn’t hold on any longer, with blood spurting from their mouths, they were sent flying backward!

After flying out for more than eight hundred meters, they crash-landed heavily onto a small island!

Their Dharma Idols exploded in the sky, blasting golden light and energy across the heavens!

“Celestial Master Zhang!”

“Master Xuanku!”

Disciples from various major sects cried out in shock, their hearts filled with anxiety.

“It’s over, we can’t beat them, even Eastern true immortals can’t defeat these monsters!”

“These creatures are just too powerful, almost like gods themselves!”

“What do we do?”

Is there really no one who can eliminate these monsters?”

People worldwide who were watching the battle also wailed in despair.

At this moment,

The Merfolk King stood still in the sky, squinting his eyes towards Zhang Zhilin and Master Xuanku on the island, and said, “The two of you old fellows do have impressive strength.

Unfortunately, your cultivation is ultimately weaker than ours.

No matter how strong you are, you can’t possibly be our match.”

“Xuanku, let’s go!”

Zhang Zhilin roared, shooting up into the sky from the small island!

His beard and hair were flying, and his robe fluttered as he charged towards the Merfolk King and the Demon King!

Lu Jinzao, Master Yuan Kong, Sun Feiyan, and Song Xuanzhen, all four also soared into the air, attacking together!

While charging in, Zhang Zhilin and the four others once again activated their Dharma Idols!

Just then!

Master Xuanku gritted his teeth and shot into the sky, turning into a golden light, flying swiftly towards the distance!

“That old guy is trying to escape, stop him!”

The Demon King shouted coldly, ready to give chase.

“No need!”

The Merfolk King raised his hand and said, “That old man is surely going for reinforcements!

And the reinforcements he can call for are none other than Yang Luo and other immortal cultivators!”

“That makes sense...”

The Demon King nodded in realization and didn’t give chase.

They had intended to force Yang Luo and others out anyway.

Now that someone had gone to summon them, naturally, they wouldn’t stop it.

So, the Merfolk King and the Demon King continued their assault on Zhang Zhilin and the five others!

At this time,

In the conference room of Hidden Dragon Pavilion's headquarters.

Yi Jiuzhou and Lin Aocang were intently focusing on the live broadcast projected in front of them.

Seeing Zhang Zhilin and others getting struck down, both of their hearts tightened.

Yi Jiuzhou immediately stood up and said with a deep voice, "These foes are powerful; Celestial Master Zhang and the others will surely be no match!

Master Xuanku has probably gone to Penglai Immortal Island to find Little Luo and the rest!

I will head to the barrier at Kunlun Mountain right now to contact our Black Tortoise family for help!

Elder Lin, I'll leave this side to you!"

"Alright!"

Lin Aocang nodded and agreed.

After Yi Jiuzhou hurried out of the conference room.

Lin Aocang took out his cell phone, dialed a series of numbers, and issued orders!

"Provide maximum firepower support for Celestial Master Zhang and the others!"

After ending the calls,

Lin Aocang lifted his eyes to the projection, his fists clenched tightly: "Little Luo, you all need to hurry back!

Country Hua needs you, the world needs you!”

...

Penglai Immortal Island.

Night faded away, and morning arrived.

At the main peak square of the Hundun Family.

Yang Luo and his companions were saying their farewells to Helian Xiongqi and others.

“Uncle Helian, all the elders, we’ll take our leave now!”

Yang Luo gave a cupped fist salute to Helian Xiongqi and the rest.

Helian Xiongqi nodded and said, “Little Luo, right now the Heavenly Amplification Sect, Immortal Sword Sect, and other major sects and families are eyeing you like tigers stalking their prey, wishing to put you in mortal danger; you must be extremely cautious!

If you need help later on, you can contact us at any time!”

“Okay!”

Yang Luo nodded in response.

Helian Xiongqi then turned to Helian Dongsheng and said, “Dongsheng, you should learn well from Little Luo and strive to reach the True Immortal realm as soon as possible!”

“Yes, Father!”

Helian Dongsheng nodded emphatically.

He felt that experiencing trials with Yang Luo would greatly enhance his cultivation and strength.

Therefore, he planned to go with Yang Luo to the Taotie Family’s “Devouring Demon Domain” for trial.

Afterward, Yang Luo and his group boarded the ancient boat and flew away from the Hundun Family.

Not until Yang Luo and his companions had disappeared from their sight

did Helian Xiongqi and the others withdraw their gaze.

“Someone come!”

Helian Xiongqi called out loudly.

“Family head, what are your orders?”

A clan member ran over.

Helian Xiongqi instructed, “Keep an eye on the movements of the Heavenly Amplification Sect, Immortal Sword Sect, and all the other major sects and families at all times!

Inform me the moment anything arises!”

“Yes!”

The clan member responded and then hurriedly left.

After leaving the Hundun Family,

Yang Luo took out a map to take a look and said, "The Taotie Family's Tiankui Island is not far from here.

If we hurry, we should be able to reach it in just a few hours."

"What are we waiting for, let's set off right away!"

Bujie said excitedly, "I can hardly wait to see for myself what this 'Devouring Demon Domain' is all about!"

Dongfang Ruoshui suddenly thought of something and said, "Right, Little Luo, there's a teleportation array in the Sealing Immortal Valley on Tiankui Island, which can lead to Penglai Island in the secular world."

"Really?"

Yang Luo looked surprised, "There's a teleportation array that leads to the secular world on Tiankui Island?"

"Yes."

Dongfang Ruoshui nodded and said, "I've been wanting to go to the secular world to find you, so I made sure to investigate this thoroughly."

Bujie grinned and said, "Brother Yang, before we head to the Taotie Family, should we not go to the secular world to visit our old friends?"

Yang Luo thought for a moment and said, "As long as nothing serious has happened in the secular world, let's not go back for now.

Right now, our main goal is to enhance our cultivation and strength.

We're surrounded by powerful enemies and many dangers lurking in the shadows.

So, we must make ourselves stronger.

When we have time later on, we can go back to the secular world and visit everyone."

"Alright then."

Bujie nodded.

After that, Yang Luo and his companions urged the ancient boat to increase its speed, heading for Tiankui Island.

It took them less than an hour to fly.

Finally, Yang Luo and the group arrived at Tiankui Island.

After all, Tiankui Island was close to Tian Gang Island.

However, just as Yang Luo and the others arrived at Tiankui Island,

suddenly, Yang Luo felt his communication jade talisman vibrate.

He took out the communication jade talisman and infused it with True Qi.

“Little Luo, where are you right now?”

An anxious voice came through.

Yang Luo was startled at first and then exclaimed in surprise, “Master Xuanku?!”

“Damn!”

Bujie was also shocked, “Master?!”

Xu Ying and the others were also confused.

Wasn’t Master Xuanku supposed to have gone back to the Kunlun Ruins with the elders?

How were they still able to contact them?

Could it be that Master Xuanku came to Penglai Immortal Island?

Yang Luo responded, “Master Xuanku, we are now at Tiankui Island, is there something you need?”

“A major incident has occurred in the secular world!”

Master Xuanku replied, then said, “The poor monk has just rushed over from the secular world!”

Chapter 2222: Endless Fury!

“The secular world is in trouble?!”

Yang Luo was shocked, “Master Xuanku, what exactly is going on?”

Bujie and the others were also greatly surprised!

They had just been discussing the secular world, and now something had happened there!

Master Xuanku said, “This matter can’t be explained in a few words, we’d better meet in person!”

“Alright!”

Yang Luo responded, said, “Master Xuanku, wait for us in Sealing Immortal Valley, we will come right away!”

“Alright!”

Master Xuanku agreed.

After the connection was severed.

Xiang Kunlun frowned and said, “Could it be that the people from the Holy Light Church, the Heavenly Universe Divine Clan, and the Dark Demon Clan have attacked?”

“Very likely!”

Yang Luo nodded, “Let’s go, let’s meet up with Master Xuanku first!”

Following that, Yang Luo and the others channeled the energy in their bodies into the ancient boat, accelerated it to the utmost, and headed straight for Sealing Immortal Valley.

Twenty minutes later.

Yang Luo and his group arrived at the Heavenly Star Mountain where Sealing Immortal Valley was located.

They saw a figure, covered in blood and looking utterly exhausted, sitting cross-legged on a mountain healing.

It was Master Xuanku.

“Master Xuanku!”

“Master!”

Yang Luo and Bujie shouted in surprise and quickly urged the ancient boat to fly over.

“Little Luo, Bujie!”

Master Xuanku exhaled a breath of turbid air and stood up.

“Master Xuanku, how did you get injured like this?”

What exactly happened in the secular world?”

Yang Luo asked anxiously.

He could feel that Master Xuanku had now reached the late True Immortal realm.

Who exactly had injured Master Xuanku like this?

Could it really be those gods and demons?

Master Xuanku succinctly explained what had happened in the secular world over the past few weeks to Yang Luo and the others.

After listening to Master Xuanku's words.

Yang Luo and the others were shocked.

Bujie said blankly, "Merfolk, Demon Clan, Snake-man Clan, Lizard Clan, Heavenly Moth Clan, Snowman Clan...

What are all these?"

Mo Qingkuang frowned and said, "I have seen secret files before.

From ancient times to now, many have witnessed these six great races of mysterious creatures.

But I didn't expect these six great races to be related to the Holy Light Church, the Heavenly Universe Divine Clan, and the Dark Demon Clan."

Yang Luo's eyes turned cold, and he said in a low voice, "No matter which race they are from, if they dare to attack humans, they must die!

Brothers, let's go, we're heading back to the secular world now!"

"Alright!"

Everyone responded energetically.

Then, Yang Luo and the others activated the ancient boat and sped toward the central area of the Heavenly Star Mountain.

Soon, Yang Luo and the others arrived at the central area of the Heavenly Star Mountain.

They saw nine high mountains standing erect, forming a huge valley, the Sealing Immortal Valley.

At the bottom of the valley, there was a huge array platform.

Yang Luo and the others rode the ancient boat to the airspace above the valley.

Then, Yang Luo took out a jade talisman, silently recited the incantation, channeled the energy inside his body, and directly activated the teleportation array platform.

Before long.

The teleportation array platform activated.

A nine-colored beam of light shot up into the sky, connecting the sky and the platform, enveloping Yang Luo and the others.

Until the beam of light dissipated.

Yang Luo and his group had disappeared from the valley airspace.

A few minutes later.

Yang Luo and the others left Penglai Immortal Island and appeared over a small island's valley.

The island was the secular world's Penglai Island.

The timing on Penglai Immortal Island was similar to that of the secular world; it was already broad daylight.

“Let’s go to the Southern Sea!”

Yang Luo waved his hand largely, accelerated the ancient boat along the coast, and flew towards the Southern Sea.

Along the way.

They saw city after city turned to ruins along the coast, utterly ravaged.

Bodies of warriors and ordinary people were everywhere, as well as those of the six major Alien Species.

Many people even lacked intact bodies.

Bloodstained cities one after another.

Seeing such scenes resembling hell on earth,

Yang Luo and the others felt a surge of fury, almost grinding their teeth to dust!

They hadn’t felt much when they first heard Master Xuanku speak of it,

but now that they had witnessed it with their own eyes, they understood the terrifying disaster the secular world had experienced over these two weeks!

At that moment,

in one dilapidated coastal city,

a woman was holding a little girl, running for their lives.

“Hehe...

Humans, you can’t escape!”

“Just let us feast!”

“What’s the point of running, no one can save you!”

Dozens of Merfolk, Snake-men, and Lizard Men chuckled evilly as they chased them from behind.

The little girl, trembling all over and with tears streaming down her face, cried, “Mommy, I’m scared, I’m scared, those monsters want to eat us!”

The woman, also terrified, with tears streaming continuously, said, “Mengmeng, don’t be afraid, mommy will protect you!”

However, after they had run a certain distance,

the woman tripped over a rock and fell heavily to the ground.

“Mommy!

Mommy!”

The little girl, ignoring her own pain, crawled up to help her mother.

But, at that moment, the Merfolk, Snake-men, and Lizard Men had caught up.

“Mengmeng, run!

Run fast!”

The woman shrieked and, picking herself up, she charged at the Merfolk, Snake-men, and Lizard Men.

She tried to create a chance for her child to survive.

“Mommy!

No!

Mommy!”

The little girl cried as she ran towards her.

But just at the critical moment!

Swoosh, swoosh, swoosh!

A flurry of golden flying swords shot down from the sky!

Splurt, splurt, splurt!

The dozens of Merfolk, Snake-men, and Lizard Men were all turned into sieves, falling into pools of blood!

Immediately after, a young man holding a long sword descended from the sky and landed steadily on the ground—it was Yang Luo!

The woman and the little girl, stupefied, stared at Yang Luo!

Yang Luo quickly approached, “Are you okay, no injuries?”

The woman suddenly snapped out of her daze and continually thanked him, “Thank you, sir!

Thank you for saving our lives!”

“Thank you, big brother!”

The little girl also repeatedly expressed her gratitude.

Yang Luo crouched down, gently saying, “Your name is Mengmeng, right?”

“Yes!”

The little girl nodded repeatedly.

“Mengmeng isn’t afraid of these monsters, and even protects mommy; you’re awesome!”

Yang Luo patted the little girl’s head, and then extended his left hand, summoning his True Qi, healing the bruises on the little girl’s knees.

Afterward, Yang Luo also treated the woman’s injuries.

Once the healing was done,

Yang Luo said, "You need to leave this place quickly, don't linger here!"

"Okay!"

The woman responded.

"Big brother, are you an immortal?"

The little girl asked.

"Sort of."

Yang Luo nodded.

The little girl clenched her fist, "Big brother, please make sure to eliminate these monsters!"

"Alright, big brother promises you!" Yang Luo responded, his eyes clouding with stormy darkness, his Killing Intent flashing violently!

He rose swiftly into the sky, becoming a streak of golden light, and left the area.

Meanwhile, Bujie and the others, who were eliminating the other six Alien Species in the city, saw Yang Luo leave alone and quickly followed...

...

At this time,

in the southern part,

on a shattered little island,

Zhang Zhilin, Lu Jinzao, Master Yuan Kong, Sun Feiyan, and Song Xuanzhen were lying among the ruins.

The five of them were covered in scars and blood, completely unable to stand...

Chapter 2223: Return!

After several hours of fierce battle.

Mr.

Zhang Zhilin and his group had suffered severe wounds, were exhausted, and had lost their ability to fight.

Even though they received fire support during the fight, it didn't have much of an effect.

The Merfolk King and others were beings on par with gods; they simply did not fear humanity's lethal heat weapons.

At this moment.

Mr.

Zhang Zhilin's group had pale faces, fresh blood gushed from their mouths, and they were on their last breath.

“Celestial Master Zhang...”

“Elder Lu...”

Disciples from all the major sects had run over, choking back sobs, tears streaming down.

“It’s all over...”

everything’s over!”

“The five true immortals from the east have completely fallen, and they’ll never stand up again!”

“Even if these five true immortals truly died in battle, they would still be humanity’s heroes!”

“What a pity no one can contend with these monsters anymore.

Is humanity really going to be wiped out?”

People from all over the world had completely despaired.

Over the small island.

“Hahaha...”

The Merfolk King laughed uproariously, his laughter growing more wild and triumphant.

He coldly stared at Mr.

Zhang Zhilin and the four others on the island, squinting as he said, "Aren't you few old fellows quite powerful?"

Why not continue the battle, then!"

The Demon King sneered, "Do you really think you can fight against us?"

Utterly laughable!"

The Merfolk King mockingly said, "Didn't you send that old monk to call for reinforcements?"

Why haven't your reinforcements arrived yet?"

Could it be that those cowards are afraid of us and dare not come out?"

"Stop spouting nonsense!"

Once Mr.

Yang returns, you're all going to die a terrible death!"

"Mr.

Yang will definitely kill you!"

"You won't be arrogant for much longer!"

Disciples from all the major sects shouted furiously at the Merfolk King and his ilk.

“Hehe...”

With a sinister smile, the Merfolk King said, “Even now, are you still hoping for that young man named Yang Luo to save you?”

If he truly wanted to save you, then why hasn’t he appeared by now?

I think that boy must be too scared to come out!”

The Demon King jeered, “What so-called number one in the world”he’s clearly nothing but trash, a spineless coward!”

The Snake-man King spoke up, “No need to waste words with them, let’s kill them!

After killing them, we’ll flatten the entire Country Hua!”

The Merfolk King nodded and said, “Demon King, make your move!”

“Alright!”

The Demon King responded.

Immediately after, the two swung their huge spear and huge axes, preparing to exterminate Mr.

Zhang Zhilin and the four others!

“Protect Celestial Master Zhang and the others!”

“It’s nothing if we die, but the Celestial Masters can’t die!”

Disciples from all the major sects quickly positioned themselves in front of Mr.

Zhang Zhilin's group, ready to use their bodies to withstand the onslaught of the Merfolk King and the Demon King.

Mr.

Zhang Zhilin spoke in a weak voice, "You all...

get out of here...

don't lose your lives in vain for our sake..."

"Celestial Master, you don't need to say anything, we won't leave!"

"Celestial Master, while we couldn't help you fight these monsters, at the very least we can use our flesh and blood to delay them for at least one more minute!"

The eyes of the disciples from all the major sects were resolute, ready to make the ultimate sacrifice.

Just then!

Whoosh whoosh whoosh!

With a series of whooshing sounds!

Dozens of missiles launched from the direction of Country Hua exploded towards the Merfolk King and the Demon King!

The Merfolk King looked into the distance and said indifferently, "I told you it's useless, why don't you believe it?"

As he spoke, he swung his huge spear!

Whirlpools!

Hundreds of giant waves surged from the sea!

These hundreds of waves compressed and converged into enormous Water Cannons, soaring to meet the onslaught!

In an instant!

Boom boom boom!

A series of thunderous explosion sounds echoed through the sky!

Fire Light shot up, and thick smoke billowed!

All the missiles were intercepted!

Just as those dozens of missiles were intercepted,

waves upon waves of missiles, trailing tails of flames across the sky like shooting stars, exploded towards this direction!

"Hmph, foolish humans!"

The Merfolk King sneered, then his body shuddered!

A massive pale blue Light Shield condensed into existence, enveloping the Merfolk King and his companions!

Boom, boom, boom!

Series of missiles struck the Light Shield, causing consecutive explosions above!

The pale blue Light Shield merely trembled slightly but was unaffected!

Useless!

Still useless!

At this time.

In the Hidden Dragon Pavilion headquarters meeting room.

Yi Jiuzhou and Lin Aocang were staring intently at the broadcast image on the projector, teeth clenched, hearts lifted in suspense.

On another projector next to them were several video windows.

Commanders from various countries were present within the video windows.

“Mr.

Yi, we can’t hesitate any longer, directly use the strongest weapons to eliminate these creatures!”

“Now is the best opportunity, we can’t miss it!”

“If we don’t annihilate these creatures, humanity will be destroyed!”

The commanders began to speak one by one.

Yi Jiuzhou said gravely, “Once we use that kind of weapon, we will also cause destructive damage to our citizens!

So, everyone, please wait a bit longer, someone will come to annihilate them!”

“Wait?

More waiting?

You said before that someone would come to help, but we haven’t seen a shadow until now!”

“Do you really want to watch humanity be annihilated?”

“If something goes wrong, will you take responsibility?”

Several commanders were quite infuriated.

Yi Jiuzhou’s voice was firm, “I said wait a bit more, so wait a bit more!

If something really goes wrong, I, Yi Jiuzhou, will take full responsibility!”

At that moment.

In the Southern Sea.

Boom, boom, boom!

Missiles from all directions blasted towards them, with deafening explosions that did not cease!

Without any further hesitation, the Merfolk King and the Demon King brandished their weapons, attacking the five figures on the island, led by Zhang Zhilin!

Rumble, rumble, rumble!

A gargantuan pale blue huge spear and a black huge axe split down with overwhelming force, collapsing the skies, fracturing the void!

It was as though two mountain ranges were pressing down, terrifying to the extreme!

The sect disciples standing in front of Zhang Zhilin and the five of them were trembling all over, their faces pale as death!

But they did not back down!

People all over the world watching this battle closed their eyes, unable to bear seeing any more!

Many even assumed a praying stance, hoping for a miracle to happen!

The creatures of the Alien Race all revealed sinister smiles, thrilled with excitement!

However, just at this moment of desperation!

A voice, as mighty as the roaring heavenly lightning, came through!

“Do you, Alien Race, really think our grand Country Hua has no one capable?”

Before the voice had even faded away!

Whoosh!

Accompanied by a sharp and piercing sound of breaking through the air!

A colossal golden sword over a thousand zhang in length burst forth with dazzling, blinding light, blasting from afar!

Boom, rumble, rumble!

The layers of the void and the Light Shield that the Merfolk King had condensed were as if nothing before this sword strike, utterly penetrated!

“Who is this?!”

“Be careful!”

The Merfolk King and the Demon King exclaimed simultaneously, wielding their weapons to meet the attack!

In an instant!

Boom, rumble!

The massive near thousand zhang long pale blue huge spear and black huge axe collided heavily with the golden sword!

Boom, rumble, rumble!

The point of collision instantly burst open with a vast Void Cave!

The skies above were split apart with abyssal-like fissures!

Chapter 2224: He is the Unbeatable Legend!

They resisted for less than half a minute!

“Uh...”

“Ah...”

The Merfolk King and Demon King cried out in pain and were blasted backward!

As they flew backward, gashes burst open on their bodies, and blood splattered through the air!

They flew hundreds of meters before they were able to stabilize their bodies!

Above the small island, a massive sword, over a thousand feet long, hovered, like a majestic golden mountain spanning the sky!

It deeply shocked everyone present!

“Who the hell is it?!”

“Come out to me, now!”

The Merfolk King and Demon King roared, their eyes filled with endless rage and killing intent!

Someone had dared to interrupt their killing and had even wounded them!

No matter who it was, they had to be torn to pieces!

At that moment,

people around the world watching this battle also opened their eyes wide.

“They didn’t die!

The five immortals from the East actually survived!”

“It seems someone saved them!”

“And that person even wounded those two monsters with a single sword strike!”

“Who was it that intervened?”

People from countries all over the world exclaimed.

Just as everyone was stunned,

a figure, shimmering with golden light, appeared at the distant horizon!

This person was a young man, slender and tall, dressed in a black robe, with black hair flowing in the wind and deep eyes flickering with golden flames, as if he could burn everything!

After arriving at the distant horizon,

the young man walked through the air towards them step by step.

Clang...

As he took the first step,

“Roar!”

A massive golden dragon, over a thousand feet long, roared out from within him, soaring through the sky!

As the first step was taken,

Boom, boom, boom!

A series of dull explosions sounded from one of the islands!

Over a thousand alien species creatures burst into a cloud of blood mist!

Immediately after,

Clang...

The young man took his second step.

“Roar!”

Another dragon's roar sounded!

A massive Azure Dragon, over a thousand feet long, roared out from the young man's body!

Boom, boom, boom!

On the second island, over two thousand alien species creatures instantly burst into a cloud of blood mist!

Clang...

The young man then took his third step.

"Howl!"

The sound of a tiger's roar shook heaven and earth!

A massive Lightning White Tiger, over a thousand feet long, surged into the sky and into the clouds!

Boom, boom, boom!

On the third island, over three thousand alien species creatures' bodies burst open like watermelons!

"Ah..."

"Who the heck is this guy?!"

"Run!

Run fast!”

“Stay away from him!”

Creatures from six different alien species screamed in terror, all trying to flee.

Clang...

The young man had already taken his fourth step.

“Screech!”

A massive Vermillion Bird, over a thousand feet long and engulfed in golden-red flames, soared high!

Boom, boom, boom!

The fourth island’s over four thousand alien species creatures couldn’t escape and all burst into a cloud of blood mist!

Clang...

The young man took his fifth step.

“Roar!”

A massive Black Tortoise, over a thousand feet long, emitting a bone-chilling cold air, surged from his body into the sky!

Boom boom boom!

More than five thousand alien species on the fifth island had jumped into the sea, but they still exploded into mists of blood, staining the sea red!

Clang...

The young man finally took the sixth step!

“Roar!”

A massive Hundun, over a thousand feet tall, surged from his body towards the sky!

Boom boom boom!

The over six thousand alien species on the sixth island also exploded into pools of blood mud, splattering through the air!

It was only six steps!

The young man had reached the small island where Zhang Zhilin and others were located from the distant horizon!

It was just six steps!

The young man had annihilated over twenty thousand alien species!

At this moment.

The young man stood proudly in the air, with the Holy Dragon, Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise, and Hundun towering above!

His aura devoured the world, supremely dominating and unparalleled!

The entire scene first went silent, then erupted and exploded completely!

“Mr.

Yang, Mr.

Yang has returned!”

“My God, Mr.

Yang has really come back!”

“Country Hua’s number one!

The world’s number one!

He has finally returned!”

People from all major sects cheered excitedly and burst into tears.

In the most critical moment, at the most desperate hour!

Yang Luo came back!

On the Dark Web, it was already boiling!

“Divine Emperor!

It’s the Divine Emperor!”

“My God, after half a year, the Divine Emperor has returned!”

“The Divine Emperor seems even stronger than before, annihilating tens of thousands of alien species in just six steps!”

“Hahaha, good, Divine Emperor well done!”

“Divine Emperor, you must destroy these arrogant aliens!”

“Invincible Divine Emperor!

Unbeatable Divine Emperor!”

People from various organizations in the underworld were shouting loudly, their blood boiling.

“Who is this person?!

Is he a god?!”

“This young man is too strong, he appeared and repelled two monster leaders, even injuring them!”

“Not only that, this young man instantly annihilated tens of thousands of monsters!”

“He’s not a god, he is an Eastern true immortal, a powerful true immortal!”

“Ladies and gentlemen, this young man is now the world’s strongest!

He once led an army of a million to defeat the Holy Light Church, the Heavenly Shrine, and the Hell Fiend Palace, slaying real gods and demons!”

“He is an undefeated legend!

He is a forever legend!”

People from countries around the world were cheering and exclaiming in surprise.

Hidden Dragon Pavilion headquarters.

Bang!

Lin Aocang pounded the table excitedly, “Haha, good, he’s back, this kid has finally come back!”

“Phew...”

Yi Jiuzhou also breathed a sigh of relief, “Wishing upon the stars and moon, we finally hoped this kid back!”

As for the commanders on the video window, they were all stunned, eyes wide open.

“It’s Yang Luo!

It’s really him!”

“Divine Emperor, it’s really the Divine Emperor!”

“That terrifying man has returned!”

Many country commanders exclaimed in shock.

Especially those from Country Stars & Stripes, Country Sakura, Country Oxford, Country Kimchi, and others who had dealt with Yang Luo knew deeply how formidable he was.

At this time.

Above the Southern Sea.

Yang Luo stood quietly in the air, indifferently glancing at the Merfolk King and others.

Then, he turned to look at Zhang Zhilin and others on the island and said, “Master, four elders, I apologize for my late arrival!”

Zhang Zhilin twitched his lips, revealing a smile, “Little Luo...

it’s good you’re back...

it’s good you’re back...”

Lu Jinzao spoke with difficulty: “Mr.

Yang...

please bolster our Human Clan!”

“Alright!”

Yang Luo nodded heavily.

Then, he took out several bottles of pills from his storage ring and threw them to a few disciples,
“Quickly, let my master and the four elders take these!”

“Yes, Mr.

Yang!”

The disciples responded and quickly fed the pills to Zhang Zhilin and the five of them.

“Boy, you’re Yang Luo, right?

We’ve been waiting for you for a long time!”

“Boy, you’re the one called the world’s number one, right?

This commander will meet you for a moment!”

“A mere human dares to claim world’s number one, seeking death!”

The three commanders immediately roared out loud, wielding their weapons, and charged toward Yang Luo!

Chapter 2225: Do You Really Think I Am Alone?

These three Commanders, one has cultivation at the Perfected Earth Immortal stage, another at the late-stage Earth Immortal, and the last at the middle-stage Earth Immortal realm!

Even in major locales like the Kunlun Ruins and Penglai Immortal Island, they were considered very formidable existences!

In the approaching moment!

The three Commanders simultaneously mobilized the crazy energy within their bodies, wielding their weapons and slashing towards Yang Luo!

Boom, boom, boom!

The three giant weapons oppressed the sky, shattered the void, and, with endless destructive power, struck down!

Facing the fierce attacks of the three.

Yang Luo merely stood with his hands behind his back, calmly standing there, his expression unchanged by the tides, without stirring a ripple.

He just indifferently spat out a word.

“Kill...”

In an instant!

“Roar, roar, roar!”

The Holy Dragon, Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise, and Hundun above him roared and collided with the three Commanders!

And it was when these six great illusions crashed into them!

The three Commanders instantly felt a chill in their hearts, and their faces turned pale!

They felt the threat of death!

But they were already close and had no time to retreat!

In a flash!

Boom!

An explosion that shook the heavens and roiled the seas echoed through the sky!

Bright lights and energy burst in the air, scattering in all directions!

Until the light and energy dissipated!

In that part of the sky, only the Holy Dragon, Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise, and Hundun, the six great illusions, remained!

As for the three Commanders, they were already blasted into puddles of blood and flesh!

Completely crushed to pieces, their Divine Souls extinguished!

After annihilating the three Commanders, the six great illusions returned to hover above Yang Luo!

At that moment!

The entire field fell into extreme silence!

And it only remained quiet for a little while!

“Is this Mr.

Yang’s current strength?

He didn’t even make a move and annihilated three main forces of the six Alien Races.

He’s truly strong!”

“I didn’t expect Mr.

Yang to even be able to manifest legends of Divine Beasts and ferocious beast illusions, and possess such a formidable power!”

“With Mr.

Yang here, we really don’t have to fear these six Alien Races!”

“Mr.

Yang is mighty!

Long live Mr.

Yang!”

The disciples from the major sects cheered and leaped for joy once more.

“Good, well done!”

“Please, this human hero, eliminate these monsters!”

“Our humanity will not be extinguished!”

Pure emotion ignited shouts and cheers from people all over the world, and many wept bitterly.

After all, in the past two or more weeks, numerous cities around the world had fallen, and the number of dead and wounded was in the hundreds of millions!

They had completely broken down, despaired, and felt deep helplessness!

But now, with Yang Luo’s return and the power he had shown, they saw light and hope, giving them endless confidence and strength!

Seeing that Yang Luo had not even lifted a hand to slay the three Commanders!

The faces of the Merfolk King, Demon King, and others immediately changed dramatically, staring at Yang Luo in disbelief!

Especially the creatures of the six Alien Races present, they were so frightened that they shook all over!

The three Commanders, instantly killed in an instant kill?

Even more puzzling to the Merfolk King and the others was the fact that they couldn’t see through Yang Luo’s cultivation and strength!

Yang Luo looked coldly at the Merfolk King and the others, and said in a deep voice, "Tell me, what is the purpose of the Holy Light Church, Heavenly Universe Divine Clan, and Dark Demon Clan sending you out to cause trouble, attacking humans?"

"What purpose?"

The Merfolk King glared deadly at Yang Luo and said viciously, "Of course, it's to eliminate your humans and re-establish a new order for this world!

Humans, as insignificant as ants, do not deserve to control this world!"

After a pause.

The Merfolk King continued, "Boy, I admit, your strength is indeed strong!

But, with us six kings here, and so many Commanders-in-Chief!

Can you really overcome us by yourself?" the Demon King roared angrily: "Boy, you've killed our Commanders, killed so many of our kinsmen!

This king will tear you into a million pieces!"

The Snake-man King, flicking his forked tongue, his pupils shining with crimson light, eerily said, "This king will swallow you whole, crunch your every bone, and tear every inch of your flesh!

Your flesh is such a nourishment, this king wouldn't want to miss out!"

"Hehe..."

Yang Luo just chuckled lightly.

“Boy, what are you laughing at?”

The Merfolk King shouted coldly.

Yang Luo shook his head and said, “Even if it were just me, you would still be no match for me!

Moreover, do you really think I’m alone?”

“What do you mean?!”

The Merfolk King’s face darkened.

Just then!

Voices were heard from behind!

“Brother Yang, why are you in such a hurry, why didn’t you wait for us!”

“Damn, these six Alien Races are really ruthless, to have killed so many people!”

“Old Man will absolutely grind these guys into dust!”

Hearing the voices,

Everyone turned their heads to look.

They saw an ancient boat flying over from the distance.

A large crowd of people were standing on the ancient boat.

It was none other than Flame Emperor, Xu Ying, Bujie, Xiang Kunlun, and Mo Qingkuang, among others.

“Lord Blue Luan, Alliance Master Xiang, Pavilion Master Mo...

they’ve come back, everyone has come back!”

“Ha ha, good, this is really too good!”

“Do these monsters really think we have no one on our side?”

The disciples of the major sects were ecstatic, feeling even more confident.

People from countries all over the world were also thrilled beyond measure.

After reaching this airspace,

Bujie looked at the Merfolk King and the others, feeling his stomach acid churn, “Ugh...

These guys are inhuman, beast-like, and just too damn ugly!”

Ning Jianfeng also clicked his tongue and said, “Indeed, these guys are downright monsters!

The enemies we met in the two Immortal Worlds, at least they looked refined and more pleasing to the eye than these creatures!

Even our Big White and Hundred Cry Bird are better than these!”

Big White immediately retorted, "What do you mean, this Ape King is so handsome, how can I be compared to these monsters?"

The Hundred Cry Bird responded with arrogance, "Can these monsters be on par with our noble Vermillion Bird?"

Especially women like Flame Emperor, international Diva, and Eastern Ruoshui, all frowned, really not wanting to see the faces of the Merfolk King and the others.

There was just no helping it, they were too ugly!

"Despicable!

Detestable humans!"

"How dare you mock us!"

"You're simply asking for death!"

The Merfolk King and the others were infuriated, chests heaving with anger, ready to make a move.

But just then!

More voices came over!

"Ha ha, Little Luo, didn't expect you to arrive first!"

"Little guys, it's been a while, hope you're all well!"

At that moment.

Everyone turned their heads again to look.

They saw another group of people flying over from the distance.

Flying at the forefront were the family head Yi Hanshan of the Black Tortoise family, the family head Lin Jingchen of the Qilin family, Sect Master Mo Hongtu of the Supreme Sect, and the family head Ji Wenzhou of the Azure Dragon Family!

Besides Yi Hanshan and the other three leading, there were twelve elders following them!

Yi Hanshan and his group stood tall and proud, majestic, transcending the ordinary, the epitome of grace!

The drastic contrast between the Merfolk King and his group was instantly obvious.

Chapter 2226: Single Combat Against Six Kings!

People continued to arrive.

Those from major sects present, as well as people from countries around the world, were even more excited.

After all, individuals like Yi Hanshan at first glance were no ordinary people, but definitely powerful true immortals.

With so many powerful beings rushing to help now, everyone felt more confident.

Yang Luo asked excitedly, “Uncle Yi, Uncle Mo, Uncle Lin, Uncle Ji, and elders, what brings you all here?”

Yi Hanshan replied, “Not long ago, your brother contacted me, saying that the secular world was in trouble and asked us to help.

So, I immediately contacted Brother Lin and others to hurry over.

We wanted to bring more people, but due to the urgency, we brought only a few.”

“The brother” Yi Hanshan referred to was naturally Yi Jiuzhou.

“I see.”

Yang Luo nodded in realization, then said, “Everyone, after we annihilate these creatures, we can catch up properly!”

“Sure!”

Everyone nodded, then turned their heads towards the Merfolk King and the others.

“How pretentious these alien races are, thinking they can exterminate humanity!”

“With just these monsters, do you think you can turn the skies?”

“You really think humans are easy to provoke?”

Yi Jiuzhou and the others bellowed, their hair flying, garments fluttering.

Bujie even more excitedly exclaimed, “Brothers, let these monsters witness our might!”

“All right!”

Everyone responded in unison, unleashing their full aura and combat power!

The next second!

Boom!

Boom!

Boom!

Beams of light surged from Bujie and others, breaking through the firmament!

Subsequently...

One Dharma Idol after another majestically rose above them, imposing and overpowering!

Ji Longyue and others even activated their Divine Beast Illusions!

Helian Dongsheng initiated the Chaos Illusion!

In an instant!

Illusions of the Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise, Qilin, Flaming Phoenix, Soaring Snake, and Chaos stood towering in the air, stunning the entire audience!

Yi Hanshan laughed heartily, “It’s been a while, and these youngsters have all improved, not bad at all!”

Mo Hongtu smiled and said, “Gentlemen, we surely cannot let these young ones surpass us!”

As he spoke, Yi Hanshan and the others vibrated, beams surged to the skies, and Dharma Idols were unleashed!

Dharma Idols towering in the air, their authority unmatched!

At this moment!

For miles around, the heavens and earth were illuminated by various lights, dazzling and brilliant!

Thunderous rumbles!

Vast firmament and the ocean, numerous islands followed with violent tremors!

Cloud Sea surged, waves swept the sky, a spectacular sight!

Everyone present, as well as people around the world watching this battle, trembled excitedly, breathing rapidly!

Even the Merfolk King felt his heart skip beats, he bellowed, “Gentlemen, use all your strength, exterminate these humans!”

“Yes!”

The Demon King and others roared.

Accompanied by successive roars and bellowing cries!

Boom!

Boom!

Boom!

The six kings and the remaining fifty-seven commanders unleashed their full aura and combat power, beams of light bursting from their bodies!

Dharma Idols of merfolk, snake-men, demons, lizard men, heavenly mothmen, and snowmen also rose tremendously!

The sight before them was grand, expansive, and terrifying!

“Attack!”

The Merfolk King swung his great spear, issuing a roar!

All commanders charged, leading their Dharma Idols into battle!

Yang Luo raised his right hand!

The massive Dragon Emperor Sword, over a thousand zhang long in front of him, rapidly shrunk and returned to Yang Luo’s hand!

Yang Luo slowly raised the sword in his hand and pointed it forward!

“Attack!”

At that command!

“Kill them!”

“Annihilate them!”

Bujie and others, spirited and fervent, led their own Dharma Idols into the onslaught!

Clang, clang, clang!...

Boom, boom, boom!...

As successive shattering clashes and explosions erupted!

The great battle erupted!

“Everyone must die!”

Yang Luo, wielding the Dragon Emperor Sword, led the charge with the six massive illusions!

He swung his sword with all his might, slashing horizontally!

Swoosh!

The thousand-zhang long golden sword tore through heaven and earth, splitting layer upon layer of the void, aiming at the four Commanders-in-Chief charging from the front!

The sword light dazzled the world, the sword might was overwhelming, the sword intent soared to the skies!

In an instant!

Puff, puff, puff, puff!

Four heads soared into the sky along with four pillars of blood!

The four Commanders-in-Chief were directly slain by a single sword stroke!

Swift and decisive!

The dominance was overwhelming!

Just as these four Commanders-in-Chief were slain!

Two more Commanders-in-Chief attacked from behind, charging at Yang Luo!

Yang Luo didn't even look back, just casually waved his hand!

"Kill!"

In the blink of an eye!

The Holy Dragon, Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise, and Hundun—six massive illusions—let out roars and charged at the two Commanders-in-Chief!

Accompanied by the sound of massive explosions!

The two Commanders-in-Chief, who had been sneakily attacking from behind, were pulverized before they could even get close.

They burst into blood mist, splattering through the air!

In that moment, Yang Luo had slain six Commanders-in-Chief!

Flame Emperor Ye Luan, international diva Zhixin, and Ji Longyue among others also slew several Commanders-in-Chief consecutively!

On their way here, they had witnessed too many deaths, seen families destroyed, and experienced hell on earth!

Thus, now everyone was merely venting the anger in their hearts!

The battle had just begun!

Yang Luo's side had already gained a significant advantage!

"So despicable!"

"So hateful!"

“Let’s kill this brat first!”

The Merfolk King, Demon King, Snake-man King, Lizard King, Heavenly Moth King, and Snowman King, the six, charged furiously at Yang Luo!

Their Dharma Idols also charged along with them!

“Crush them!”

Yang Luo waved his left hand, issuing the order!

The six massive illusions towering above him charged forth wildly!

The six massive illusions and the Six Great Dharma Forms clashed fiercely!

“Spear of God Slaying!”

“Sin Demon Axe!”

“Bloodthirsty Snake Staff!”

Merfolk King, Demon King, and Snake-man King took the lead, swinging their huge spear, huge axe, and huge staff!

Boom, boom, boom!

A gloomy blue huge spear, a black huge axe, and a black huge staff, carrying terrifying lethality, destructive power, and annihilation force, attacked Yang Luo!

These three gigantic weapons, nearly a thousand zhang in size, directly crushed a vast expanse of the firmament and the void!

Moreover, a massive sea beast, a black demon, and a huge black snake surged forth attacking!

“Heavenly Punishment Mad Blade!”

“Frost Hammer!”

“Chaotic Divine Spear!”

Lizard King, Snowman King, and Heavenly Moth King also swung their weapons, attacking Yang Luo!

The three massive weapons tearing heavens and earth apart, shattering the void, were ferociously unstoppable!

A huge lizard, a gigantic snowman, and a massive Heavenly Moth creature attacked Yang Luo!

“Do you really think the six of you together can kill me?”

You think too highly of yourselves!”

Yang Luo’s eyes were piercingly cold as he swung a heavy, forceful sword!

Swoosh!

This sword was even more terrifying, more domineering, more brutal, as if it wanted to obliterate everything!

In an instant!

Klang, boom!

Boom, boom!

The crashing and explosion sounds that shook the firmament and stirred the wastelands resounded!

Merfolk King and the other five thought they could combine forces to slay Yang Luo!

But to their horror!

They not only failed to slay him, but they couldn't even withstand his one sword strike!

Their assaults were completely extinguished under this one sword!

Chapter 2227: Do You Want to Die Too?

"Ughhh..."

The Merfolk King and his five companions let out agonized screams as they were sent flying backward!

Their scales were blasted off their bodies, and flesh flew about in a grisly splatter!

Yang Luo's gaze was frigid as he advanced step by step toward the six of them.

"With just this level of power, you dream of annihilating humanity and ruling the world?

Who gave you the audacity?"

The Demon King roared angrily, "Brat, don't get cocky, our strength is far more than this!"

With that, he stretched his arms and let out a roar to the heavens!

"Demon Dominator Body!"

In an instant!

Crack, crack, crack!

Boom, boom, boom!

The sound of bones exploding and muscles swelling erupted from his body!

He began to grow larger, shooting up to a hundred meters tall!

At this moment, the Demon King stood as tall as a small mountain, with muscles bulging all over his body as if they were iron stones attached to his flesh!

The two curved horns on his head were like giant trees, piercing the firmament!

A pair of eyes, as large as lanterns, shot out a terrifyingly sharp gleam!

“Ice Battle Body!”

The Snowman King also shook all over, his body instantly swelling and reaching a height of seventy to eighty meters!

Standing tall in the air, the Snowman King exuded an overwhelming aura of coldness, like an iceberg dominating the firmament!

Even the Merfolk King, the Snake-man King, the Lizard King, and the Heavenly Moth King had bodies that expanded several times over!

Though not as tall as the Demon King and the Snowman King, they still delivered a tremendous visual impact!

“Kill this brat!”

The Merfolk King roared furiously, striding forward with his muscular legs and his long tail, rushing toward Yang Luo!

The Demon King and the others also stepped forward with legs like pillars, furiously advancing for the kill!

“So what if your bodies have grown larger?”

I can still cut you down just the same!”

Yang Luo let out a fierce roar, wielding the Dragon Emperor Sword, directly engaging in combat with the six of them!

Because Yang Luo’s body was so minute, it was as if he was battling six giant gods!

The spectators on-site, as well as people around the world watching this battle, were all on tenterhooks, sweating for Yang Luo!

However, it was less than ten rounds before!

“Ugh!”

The Snowman King let out a painful scream as his chunky, substantial left arm was severed by Yang Luo!

The massive limb fell, blood raining down from the sky, shocking the entire audience!

“Another strike!”

Yang Luo, seizing the advantage, lifted his sword and charged forward again!

“Stop him!”

The Merfolk King bellowed, launching a fierce attack at Yang Luo!

The Demon King and the others also launched a collective violent assault!

Swoosh, swoosh, swoosh!

Five enormous energy beams tore through layers of the void, blasting towards Yang Luo!

Yang Luo merely trembled!

“Undying Golden Body”, “Invincible Sword Body” were instantly activated!

In a breath!

His body shone with dazzling golden light, as if it was coated with a layer of gold film!

And a golden sword appeared towering from his body, breaking the firmament with an awe-inspiring divine might!

Boom, boom, boom!

Those five energy beams mercilessly struck Yang Luo, but they couldn’t shake him at all!

A vast amount of energy and light exploded, sweeping across this realm of Heaven and Earth!

Yang Luo, like a fiend celestial returning from the inferno, burst through a wave of energy, continuing his charge towards the Snowman King!

The Snowman King's face filled with terror, and enduring the intense pain in his left arm, he swung the huge hammer in his right hand downward at Yang Luo!

Rumble, rumble, rumble!

With this one strike, the void all around shattered like glass, extensively crushed!

Clang!

Accompanied by a thunderous boom!

This blow struck Yang Luo but couldn't breach his defenses at all!

What terrified him even more was that Yang Luo did not take a single step back!

“Too weak!”

Yang Luo spoke coldly, once again brandishing his sword at the Snowman King’s right arm!

Splat!

The Snowman King’s right arm too was deeply severed, blood spurting like a fountain, splashing across the sky!

“Ughhh...”

The Snowman King let out an excruciating scream, retreating repeatedly!

“Is this the so-called King of the Alien Race?”

“Just this much?”

Yang Luo’s gaze grew increasingly colder as he continued to stride toward the Snowman King.

“Icebound Heaven and Earth!”

Suddenly,

The world turned tumultuous with ice, and a snowstorm filled the sky, crazily surging toward Yang Luo, seeking to freeze him solid!

Yang Luo didn’t dodge nor retreat; he took a step forward midair!

Boom, boom, boom!

Endless waves of ice instantly shattered and exploded!

“Ten Thousand Ice Mountains!”

The Snowman King, utterly terrified, hurriedly put up a defense!

Ten towering ice mountains, each a hundred zhang tall, rose in front of him!

But Yang Luo simply raised the sword in his hand and thrust outward fiercely!

“Explode for me, all of you!”

Along with a thunderous roar,

A massive golden sword over a thousand zhang long burst forth!

Boom, boom, boom!

All ten glaciers were pierced and blasted to pieces, they couldn't stop Yang Luo's advance at all!

The golden sword continued to thrust toward the Snowman King's body!

“Hanhai Divine Map!”

“Prisoner Demon Chain!”

“Mad Snake Devouring the Sky!”

“Bu Xiu Divine Light!”

“Hui Mie Divine Light!”

The Merfolk King, Demon King, Snake-man King, Lizard King, and Heavenly Moth King, the five of them continued to launch fierce attacks on Yang Luo!

A vast dark blue Divine Map, nearly a thousand zhang in size with ancient totems inscribed on it, suppressed downward!

Chains of black, carrying the force of decay, swept upward!

A massive black serpent, nearly a thousand zhang long, opened its gaping mouth to swallow Yang Luo!

A green energy beam and a black-grey energy beam, both shot out simultaneously toward Yang Luo!

Yang Luo merely quivered all over!

“Nine Heavens, Dragon’s Fury!”

“Roar, roar, roar!”

Accompanied by the earth-shaking sound of a dragon’s roar,

Nine massive golden dragons, each over a thousand zhang long, roared into existence, as if True Dragons had descended!

Boom, boom, boom!

The assault unleashed by the five rulers crumbled in an instant!

“Ah, ah, ah...”

The five of them once again let out cries of pain as they were blown away!

And at the moment when the five were sent flying,

Pfft!

Yang Luo's sword had already pierced through the Snowman King's massive body, and blood unceasingly spilled out!

"Human brat, you..."

The Snowman King's eyes were filled with disbelief and pain.

His indestructible Ice Body had actually been pierced by a single sword!

"Die!"

Yang Luo roared angrily, twisting the sword in his right hand fiercely!

"No!!!"

The Snowman King's face showed utter terror as he let out a hysterical scream!

The next second!

Boom!

The Snowman King's body instantly shattered and exploded, turning into a heap of ice and flesh, scattering in the air!

"Human child, this king will not let you off!"

His Essence Soul let out a venomous shriek, preparing to flee!

But Yang Luo simply tossed his sword!

With a 'pff' sound, it pierced through his Essence Soul, which then exploded in the sky!

The Snowman King, of the late True Immortal realm, thus perished!

"Brat, you're going to die!"

The Heavenly Moth King rushed toward Yang Luo furiously from behind!

He swung his spear, thrusting it explosively toward Yang Luo!

But Yang Luo swiftly turned around and reached out with his right hand, directly grabbing the incoming spear!

“Do you also seek death?”

Accompanied by a voice as dark as a demon’s.

Yang Luo exerted force with his right hand fiercely!

Crack!

The metal spear in the Heavenly Moth King’s hand was directly snapped by Yang Luo!

Chapter 2228: Three Punches Explode!

“You...”

The Heavenly Moth King’s eyes filled with deep terror.

This spear was a divine weapon bestowed upon him by Lord Gods!

Yet unexpectedly, this human youth managed to snap it with his bare hands!

How could this youth's physical body be so formidable, his strength so terrifying?

Not far away, the Merfolk King, the Demon King, the Snake-man King, and the Lizard King were all shocked as well!

While the Heavenly Moth King was still stunned,

Yang Luo raised his right arm, twisted his fist, and hurled it at the Heavenly Moth King!

This punch was simple and direct, ancient and vicennial, grand and atmospheric, even causing heaven and earth to tremble and shake!

"Not a chance!"

The Heavenly Moth King instantly reacted, twisting his own fist and striking back!

With one punch, the earth shook, divine light dazzled the world, domineeringly unparalleled!

In an instant!

Thud!

Their fists collided, creating a thunderous boom!

But in less than a few seconds!

Crack!

Crack!

Crack!

A series of crisp cracking sounds resounded!

The Heavenly Moth King's right fist and even his entire right arm were shattered by that punch, with blood and bone fragments splattering everywhere!

“Ah”

He let out a painful scream as he flew backward like a punching bag!

Yang Luo, without any pause, directly threw a second punch!

The Heavenly Moth King, terrified, quickly gathered a Divine Light Shield to block!

But this shield, which could withstand missiles, crumbled instantly under Yang Luo’s fist, shattering completely!

Following this, Yang Luo threw a third punch!

This punch was even more fierce and ferocious, more terrifying than the previous two!

Nothing could withstand it, nothing could survive it!

In an instant!

Boom!

The Heavenly Moth King's body was directly exploded by this punch, his blood and flesh scattering!

His Essence Soul, not even having a chance to escape, was also blown to pieces in the sky!

The Heavenly Moth King, a late True Immortal realm leader of the Heavenly Moth Clan, thus perished!

Immediately!

All the disciples from various major sects at the scene were left dumbfounded, deeply shocked!

“With one sword, he killed the Snowman King; with three punches, he blasted the Heavenly Moth King; Mr.

Yang is too strong!”

“Just how powerful is Mr.

Yang now?!”

“With such strength, not to mention the secular world, even the two Immortal Worlds probably have no equals!”

The disciples from various major sects exclaimed in amazement, their eyes filled with endless awe and admiration.

“Ha ha ha, Divine Emperor is formidable!”

“Divine Emperor is mighty!”

Divine Emperor is domineering!”

“Whatever King of the Alien Race, in front of our Divine Emperor, they are nothing but lambs to the slaughter!”

“Divine Emperor is a synonym for unbeatable!”

A synonym for invincible!”

“These powerful demons seem so frail before this young man!”

“Hero, he is the hero of humanity!”

People from major organizations in the underworld, as well as citizens from all over the world, were all cheering.

Yang Luo’s image was now engraved in the hearts of everyone worldwide!

Worthy of their utmost reverence, fervent worship!

The six major Alien Species at the scene, each and every one of them was petrified with fear!

Especially the members of the Heavenly Moth Clan and Snowman Clan, who were particularly terrified and grief-stricken!

“Our king is dead...

our king is dead...”

“Damn this human youth, curse him!”

“We must kill him!

Kill him!”

The members of the Heavenly Moth Clan and Snowman Clan roared furiously, their eyes bloodshot.

At that moment,

above the sea,

Yang Luo lifted his gaze toward the Merfolk King and his three companions, speaking lightly, “It’s your turn now.”

The Merfolk King, Demon King, Snake-man King, and Lizard King were all so frightened that they couldn’t help trembling!

Through the recent exchange, they had learned of Yang Luo’s cultivation level!

This human youth was merely at the Perfected True Immortal Realm!

But how could his strength be so tremendous that it rivaled that of a Lord Heavenly God?!

The divine guards' Heavenly God corresponded exactly to the immortal cultivators' Heavenly Immortal!

The Merfolk King bellowed furiously, "Use the secret method, let's fight this kid with all we've got!"

"Alright!"

The Demon King, Snake-man King, and Lizard King responded thunderously!

Immediately, the four stood firm in the sky, spread their arms, and roared toward the heavens!

"Roar roar roar roar!"

Accompanied by a series of deafening roars!

Suddenly,

Boom boom boom!

The bodies of six great Alien Species explosively burst open, turning into pools of blood mist!

Streams of energy surged skyward from the exploded bodies of these Alien Species, gathering toward the Merfolk King and his companions, frantically flowing into their bodies!

In just a few breaths' time!

The bodies of tens of thousands of Alien Species burst open, transforming into energy, which was absorbed by the Merfolk King and his companions!

Seeing this scene,

the spectators on site, as well as people around the world watching this battle, all felt a chill!

The Alien Race indeed lived up to its name, devoid of any humanity!

If they were so cruel to their own kind, what about to humans?

As the energy was absorbed,

the bodies of the four kings began to grow even larger, releasing increasingly terrifying pressures and auras!

Boom boom boom!

The vast heavens, the sea, and the islands all started to shake violently!

This was the secret method known to the Merfolk King and his group, which allowed them to enhance themselves by sacrificing their own kin!

As the energy was absorbed, the forms of the Merfolk King and his group began to change!

The Merfolk King transformed into a massive, several hundred zhang long deep-sea behemoth!

The Demon King transformed into a massive, several hundred zhang long demon!

The Snake-man King transformed into a massive, several hundred zhang long black serpent!

The Lizard King transformed into a massive, several hundred zhang long giant lizard!

At this moment,

The Merfolk King and his companions had completely lost their human forms, morphed into beastly forms!

Seeing their present state,

everyone watching felt their hair stand on end, their hearts pounding with fear!

Yang Luo simply watched the four silently, calmly saying, "Do you think that by sacrificing your own people and absorbing their energy, you can kill me?"

I'll just stand here, give you time to absorb energy, so what can you do about it?"

He also felt that, although these four had absorbed a lot of energy, they were still far inferior to a Heavenly Immortal!

As long as they were not Heavenly Immortals, they posed no threat to him!

"Human boy, I'm going to tear you apart!"

The Snake-man King stopped absorbing energy, its massive body suddenly twisted, and charged fiercely at Yang Luo!

The Merfolk King, Demon King, and Lizard King also stopped absorbing energy, rushing toward Yang Luo!

As they charged,

The four kings directly opened their jaws wide, firing four energy beams at Yang Luo!

These four energy beams were massive, a hundred zhang each, like four gigantic energy cannons, intending to blast and annihilate Yang Luo!

However, Yang Luo did not dodge or retreat, but instead rushed forward, raising his right hand and striking out with a palm!

“Ten Thousand Starry Sky Palm!”

Accompanied by the “boom boom boom” of thunderous noises!

A gigantic, thousand-zhang long golden palm heavily slapped down!

This huge golden palm was practically blotting out the skies, its palm containing a whole starry sky, with the sun and moon cycling, the stars twinkling, vast and boundless!

Chapter 2229: Slaughter of Four Kings!

This palm strike was terrifying to the extreme!

It collapsed a part of the Cangqiong, crushed a part of the Void!

As if it was about to reforge this realm of Heaven and Earth!

In an instant!

Boom!

Accompanied by a series of dull collision sounds!

The four energy beams that shot forth were directly extinguished by this palm!

“Arghhh...”

The Merfolk King and three others, with their massive bodies, were also struck by this palm, letting out Qi Li screams as they were sent flying backward!

Their strong physiques were smashed into a blur of flesh and blood, with huge chunks of flesh splattering across the sky!

Immediately thereafter, Yang Luo's figure flashed, turning into a golden streak of light, and dashed out swiftly!

In the blink of an eye!

Yang Luo had already appeared above the Lizard King!

"Get down from there!"

With a thunderous shout!

Yang Luo delivered a direct kick, stomping down heavily!

With one stomp, golden light flickered, the force was immense, as if an ancient immortal had stomped down, terrifying and overwhelming!

The Lizard King, scared, pupils dramatically contracted, quickly raised his arms and also conjured up a defensive light shield to block!

In a flash!

Boom!

This stomp directly shattered the Lizard King's conjured defensive light shield, and then heavily landed on his arms!

Crack!

His thick arms were crushed to pieces by Yang Luo's stomp, blood and bone scattering!

And countless green scales splattered across the sky!

"Ah..."

The Lizard King let out a Qi Li scream, blood gushing from his mouth, as his massive body plummeted down!

Boom!

Below, mountains on a small island were flattened by his falling body, smashing deep into the ruins!

Without waiting for the Lizard King to get up!

Yang Luo waved his hand expansively!

“Die!”

Whoosh!

The Dragon Emperor Sword, howling from the distance, burst forth with the light of Eternal Immortality, like the dawn’s first light, streaking down from the high heavens towards the Lizard King on the island!

As it shot downward!

The Dragon Emperor Sword grew larger, unleashing the Destroying Heaven and Earth sword might and the Eternal Immortal sword intent!

By the time the Lizard King reacted, wanting to dodge, it was already too late!

In an instant!

Thud!

The Dragon Emperor Sword directly pierced through his body, nailing the Lizard King's flesh and Essence Soul to the island!

This sword was too terrifying, causing the surrounding land to crumble and spread towards the distance!

The Lizard King's eyes widened with unwillingness, as blood ceaselessly poured from his chest and mouth!

His body twitched a few times, then he breathed his last!

At last!

The Lizard King, who had reached the late True Immortal realm of cultivation, had died!

At this time.

In the distance, the Merfolk King, the Demon King, and the Snake-man King were still absorbing energy!

They too had realized that with their current strength, killing Yang Luo was too difficult!

Thus, they longed for more energy, desiring to grow even stronger!

“Still absorbing, is it any use?”

Yang Luo spoke coldly, and then his figure moved, charging towards the Merfolk King and the other two like a rampaging dragon!

“Don’t fight this brat one-on-one, let’s go together, kill him!”

“Kill him, tear him apart!”

“Tear his body into ten thousand pieces!”

The Merfolk King, the Demon King, and the Snake-man King roared and howled, simultaneously charging towards Yang Luo!

Their bodies were enormous, like three great mountains colliding!

In a flash of lightning!

Clang!

Yang Luo directly collided violently with the massive bodies of the Merfolk King and his companions, setting off a thunderous explosion!

In a massive collision!

Yang Luo and the Merfolk King and his companions were all knocked back a distance!

But soon, Yang Luo and the Merfolk King and his companions steadied their bodies and continued to clash!

Clang, clang, clang!

After eight consecutive collisions!

The “Invincible Sword Body” that Yang Luo had activated completely shattered and exploded, turning into a sky full of golden fragments that scattered in all directions!

“Pfft pfft pfft”

However, the Merfolk King and his companions spat out blood and were sent flying backward!

Their tough bodies, as solid as steel plates, were battered to the point of splitting open flesh and peeling scales, with blood and flesh flying everywhere!

Yang Luo, however, was unscathed.

With a furious move, he appeared right in front of the Merfolk King and the Demon King!

“You two, scram!”

Accompanied by a thunderous roar!

Yang Luo first twisted a fist and smashed it towards the Demon King!

“Trying to compete with me in a fistfight?”

Are you joking?”

The Demon King sneered coldly and also twisted a fist, meeting the attack head-on!

Both punches unleashed were incredibly wild, carrying endless destructive power, as though they could blast Heaven and Earth into oblivion!

In an instant!

Boom!

A golden fist and a black fist collided heavily, like two meteorites!

In less than a few seconds!

Bang!

The Demon King's fist, together with his entire right arm, were exploded into pieces by a punch from Yang Luo, with flesh and bone shrapnel instantly bursting out!

Thus, the Demon King's right arm did not even go through the process of breaking, it was directly blown apart!

"Urghhhh!!!"

The Demon King let out an extremely painful scream, was sent flying backwards, fell from the high sky, and crashed onto an island a kilometer away!

After blasting away the Demon King with a punch!

Yang Luo lifted his right leg, sweeping it towards the Merfolk King!

With one kick sweeping out, golden light flared as if a golden battle axe had been chiseled forth!

With a "thud" came a muffled, heavy sound!

The body of the Lizard King was hit by the kick, the flesh on its body burst open, multiple bones shattered, and it was sent flying eight hundred meters away, crashing onto an island!

“You little beast, I’m going to devour you!”

The Snake-man King dived down from the sky above, opened its huge fanged mouth, and aimed a bite at Yang Luo!

Yang Luo looked up, his eyes shooting golden light, both hands stretched out simultaneously, condensing two massive golden hands and reaching up!

The Snake-man King’s face changed drastically.

From its gaping maw, a huge black energy beam was fired, blasting towards Yang Luo!

This energy beam contained terrifying destructive force, as well as frightening poison and corrosiveness!

But the two massive golden hands stretched out by Yang Luo ignored it all and shattered the energy beam!

The next second!

The Snake-man King had not yet come close to Yang Luo when his huge body was grabbed by the two massive golden hands that Yang Luo had condensed!

“You brat, what do you think you’re doing?!”

The Snake-man King bellowed in terror, wildly twisting its body, trying to break free!

But no matter how much it struggled, it was of no use at all!

Energy beams continued to spew from its mouth, firing at Yang Luo!

But they were all blocked by Yang Luo’s “Undying Golden Body” and “Invincible Sword Body”!

“Die!”

With an indifferent expression, Yang Luo put his full strength into his arms!

Accompanied by a “ripping” sound!

The elongated body of the Snake-man King was torn into two like ripping rope, by Yang Luo!

Large quantities of blood splattered through the air, causing the hearts of all who witnessed to pound violently!

Those watching the battle through screens were also stunned!

The monarch of the Snake-man Clan, an existence as mighty as the gods, was just torn to life by Yang Luo!

“Aaaaaah!”

The Essence Soul of the Snake-man King burst out from its body, emitting a shrill scream, and attempted to flee!

However, Yang Luo threw aside its body, reached out with his right hand again, grabbed the Essence Soul in one grasp, and then simply crushed it!

At this point!

The Snake-man King of the perfected True Immortal Realm, perished!

Chapter 2230: Where Can You Escape To?

In an instant!

Everyone watching the battle on the scene completely boiled over, exploded!

“Powerful Lizard King and Snake-man King, just like that, were dominantly annihilated by Mr.

Yang!”

“It’s simply like slaughtering pigs and dogs, so overbearing, so brutal!”

“What does invincible mean?

This is truly invincible!”

Everyone on the scene felt a deep-seated fear, yet at the same time, a great sense of relief surged through them as they shouted in jubilation!

“Hero, well done!”

“Just like that, one fell swoop, wipe out these monsters!”

“These monsters have killed so many people, they all deserve to die!”

People all over the world were also shouting, cheering for Yang Luo’s strength!

Even those engaged in fierce battle from a distance were shocked!

“Holy shit!”

Bujie exclaimed in astonishment, “Tearing apart the King of Alien Race with bare hands, how brutal, how domineering, I like it!”

Ning Jianfeng also shouted excitedly, “Brother Yang, you will always be my idol!”

Yi Hanshan remarked, “Little Luo’s cultivation must have reached the perfected True Immortal Realm by now, hasn’t it?”

“Indeed, perfected True Immortal Realm!”

Mo Hongtu nodded and said admiringly, "When Little Luo was at the late True Immortal realm, he was already truly invincible under the Heavenly Immortals!

Now, his cultivation has stepped into the perfected True Immortal Realm, he is absolutely invincible under the Heavenly Immortals!

Not even the strongest monsters are a match for Little Luo!"

Lin Jingchen said with a smile, "I wonder how powerful Little Luo will become after stepping into the Heavenly Immortal realm!"

Ji Wenzhou said, "As long as Little Luo can step into the Heavenly Immortal realm, he will become the youngest Heavenly Immortal in history!"

Anticipation filled the eyes of Yi Hanshan and the others!

Without any pause, they continued their assault towards those commanders!

At this very moment.

After slaying the Lizard King and Snake-man King!

Yang Luo looked down at the Merfolk King and Demon King on two small islands!

“Just you two left.”

Hearing Yang Luo’s indifferent voice,

Both of them shook, eyes filled with endless terror, feeling an icy chill in their hearts!

Yang Luo raised his right hand!

Whoosh!

The Dragon Emperor Sword, nailed into a distant small island, soared into the sky, flying over and was firmly grabbed by Yang Luo!

Holding the Dragon Emperor Sword in hand, Yang Luo swung it with great force!

Whoosh whoosh whoosh!

Countless golden flying swords took shape, forming a sword rain that burst towards the Merfolk King and Demon King on the two small islands!

“Block it!”

The Merfolk King let out a roar, conjuring up a solid and thick aqua-blue Defensive Shield in a frenzy to resist!

The Demon King formed a black Defensive Shield to ward off the onslaught of the flying swords!

Boom boom boom!

Countless golden flying swords furiously struck the Defensive Shields they had summoned, making a fierce collision noise!

Bursts of light and energy shot out in all directions, scattering across the sky!

The ground was riddled with dense holes!

The two small islands could barely hold on, seemingly about to be sunk!

Sect disciples on the islands quickly retreated to other islands!

In less than a few minutes!

Boom!

The Defensive Shields that the two had summoned directly shattered and exploded!

“Argh...”

In agony, both screamed, their tough bodies pierced and blood bursting out!

“This human kid is too terrifying!

His strength far exceeds his cultivation!

Run!

Escape quickly!”

The Merfolk King screamed in horror, reverting to his half-beast form, and shot towards the sky, ready to flee for his life!

The Demon King also reverted to his original appearance, following suit up into the sky, attempting to escape!

Reverting to original form made them faster!

“You won’t escape!”

Yang Luo, wielding the Dragon Emperor Sword, sprouted Thunderfire Wings on his back.

With a single flap, he turned into a streak of light, pursuing to kill!

Although the Merfolk King and Demon King were fast, they were still caught up to by Yang Luo!

Yang Luo cut them off directly and said coldly, “Escape?”

Where can you escape to?”

“Ah, ah, ah, ah!”

The Merfolk King’s face contorted fiercely as he bellowed with a roar, “Go all out against him!”

“Go all out!”

The Demon King also roared loudly.

Both of them mobilized their internal energy to the extreme, unleashing their most powerful and ferocious attacks on Yang Luo!

They were now truly fighting with desperation!

The strength of Yang Luo had filled them with deep fear!

If they didn’t fight with all their might now, they would both die!

“Deep Sea Divine Burial!”

“Sea Roar!”

“Sea’s Finale!”

The Merfolk King swung his spear!

Above the firmament, a massive, nearly thousand-feet-wide azure Divine Map coalesced, slowly pressing down towards Yang Luo!

Thick beams of light and a sky full of runes burst forth from the Divine Map, all aiming to suppress and crush downwards!

The ocean within tens of thousands of meters churned into a Behemoth, opening its massive maw, attempting to swallow Yang Luo whole!

The Merfolk King also unleashed his most proficient sonic attack, roaring like a demon!

Waves of sound, solid as reality, spread outward, bearing down on Yang Luo!

“Demon Sea Waves!”

“Ancient Demon Descent!”

“Demon Tomb Pressing Sky!”

The Demon King too released a barrage of deadly moves!

A vast, boundless sea of black energy surged toward Yang Luo!

A towering black giant troll rose up, armored and wielding a giant weapon, charging into battle!

Over a hundred enormous black tombs, each a hundred feet tall, aimed to suppress!

Facing the successive deadly moves from both foes!

Yang Luo, however, showed no fear, stepping down midair, and bellowed out!

“Holy Dragon, Azure Dragon, White Tiger, Vermilion Bird, Black Tortoise, Hundun!”

Six grand phantoms rose once more, striking in all directions!

Twin dragons soared in the sky!

White Tiger roared, shattering the firmament!

Vermilion Bird burned everything around!

Black Tortoise stomped through the void!

Hundun threw Heaven and Earth into chaos!

Thud, thud, thud!

Boom, boom, boom!

The sounds of collisions and explosions echoed through Heaven and Earth, carrying far and wide!

The multifarious deadly moves deployed by the Merfolk King and the Demon King were utterly obliterated!

“Continue!

Keep going!!!”

The Merfolk King roared sharply, not daring to pause for a moment, continuing to execute deadly moves, launching a fierce offensive!

The Demon King was also scared witless, persisting with his deadly moves, attacking Yang Luo!

The six phantoms kept wreaking havoc as if overturning seas, slamming wildly!

“Flame Emperor’s World Burning Art!”

Yang Luo stepped down from the sky!

A massive golden-red fireball over a thousand feet wide, like a scorching sun, collided forth!

A surging sea of fire roared on!

Countless fire pillars, along with Annihilation Fire Lotuses, simultaneously aimed to suppress from above!

Boom, boom, boom!

The sound of explosions continued to resound!

Energy and light burst forth unrestrained, like a boiling ocean, surging in all directions!

The heavy onslaught unleashed by the Merfolk King and the Demon King kept being destroyed!

“Merfolk King, we can’t hold back, what should we do?!”

The Demon King asked in terror.

The Merfolk King bellowed back furiously, “Even if we can’t hold back, we must!”

Both continued to channel their internal energy, launching a fierce offensive!

“Still resisting?”

A glint of killing intent flashed in Yang Luo’s eyes as his internal energy continued to wildly mobilize, “I’ll let you resist!”

With that, he stamped down heavily from above!

“Twelve Shaman Primal Heavenly Art!”

Along with the “rumble, rumble, rumble” of thunderous noise!

Six colossal ancient Ancestral Magi, each over a thousand feet tall, rose up like six great peaks, dominating the sky!
