Chapter 2261: Your Time of Death Has Come!

Yang Luo carefully sensed the surroundings and said, "I feel a faint scent of medicinal herbs wafting up from beneath this cliff!

Perhaps this cliff is nurturing Spiritual Medicines!"

"Spiritual Medicines?!"

"Really?!"

Everyone was quite astonished.

Flame Emperor also carefully sensed the surroundings and said, "It seems like there is indeed a faint fragrance of medicinal herbs!"

Yang Luo said, "Let's go, let's go down and take a look!"

Afterward, Yang Luo and his companions boarded an ancient boat and flew toward the base of the cliff.

After passing through layers of clouds and descending thousands of feet.

They saw a dazzling array of colorful lights shimmering at a position halfway up the mountain.

"Hey, what's that glowing thing over there?"

"Could it be the Spiritual Medicine?"

Everyone looked up at the place emanating the colorful light.

Yang Luo then urged the ancient boat to move closer to that spot.

When they were only about ten meters away from the glowing place, the boat came to a stop.

They saw a vine that stretched out from the mountain wall, only as long as a baby's arm.

The vine glittered with colorful light, resembling a Glazed Jade and emitting a rich fragrance of medicinal herbs and spiritual energy.

Just a single breath of it could make one feel refreshed and clear-sighted.

Yang Luo was overjoyed in his heart, "It's actually the 'Seven Illusion Immortal Vine'!"

"Brother Yang, what is the 'Seven Illusion Immortal Vine'?"

Ning Jianfeng asked.

Yang Luo explained, "This 'Seven Illusion Immortal Vine' is also a type of Immortal Medicine!

Its medicinal properties are even comparable to the 'Red Blood Phoenix Essence Grass' and 'Earth Core Fire Dragon Ganoderma' that Uncle Huangfu gave to me!"

Ning Jianfeng, surprised, said, "My goodness, I never expected that Immortal Medicine would grow here!"

Helian Dongsheng said, "This Divine Wood Cliff is located at the junction between the Thirty-Six Heavenly Gang Islands and the Seventy-two Earth Evil Islands.

Because of its unique location, abundant spiritual energy and the essence of Heaven and Earth all converge here.

Thus every few years, this place will foster some Spiritual Medicines.”

“So that’s how it is.”

Ning Jianfeng and others nodded in realization.

Yang Luo smiled and said, “After Uncle Huangfu gave me the ‘Red Blood Phoenix Essence Grass’ and ‘Earth Core Fire Dragon Ganoderma’,

I planned to refine the ‘Nine Revolutions Protecting God Pill’ in preparation for the Heavenly Immortal Tribulation.

But I was still missing a few medicinal herbs; I never expected to find one of them here, truly Heaven is aiding me.”

As he spoke, Yang Luo flew out from the ancient boat, plucked the ‘Seven Illusion Immortal Vine’ from the mountain wall.

After returning to the ancient boat.

Everyone took a look at the ‘Seven Illusion Immortal Vine’ and marveled at its wonder, also sensing the extraordinariness of this Spiritual Medicine.

After putting away the ‘Seven Illusion Immortal Vine’.

Yang Luo waved his hand and said, “Brothers, let’s go, continue on our journey!”

“Okay!”

Everyone nodded.

Afterward, Yang Luo and his companions urged the ancient boat and flew back up toward the top of the cliff.

But just as the ancient boat flew out from the cliff in an instant!

A series of majestic and authoritative voices came from all around!

“How brazen, Demon Yang Luo, your time to die has come!”

“Rebel Yang Luo, today we shall grind you to dust!”

“Villain Yang Luo, you have committed heinous crimes on Penglai Immortal Island, did you really think you could escape?”

“Demon Yang Luo, you killed the elders of the Ten Thousand Buddha Sect, today we shall enforce justice on Heaven’s behalf and exterminate you, the demon!”

Hearing these roars!

Flame Emperor and the others’ complexions changed greatly!

“This is bad!”

Huangfu Longteng’s expression turned solemn, “I’m afraid it’s those guys who have come killing their way here!”

“Damn it!”

Ning Jianfeng roared angrily, "How could they suddenly come killing their way here when there was clearly no trace of them on this journey!"

Helian Dongsheng said gravely, "The Heavenly Amplification Sect, Immortal Sword Sect, and other major sects and families have informants all over Penglai Immortal Island!

I fear that the moment we left the Taotie Family, they had already set their sights on us!"

Mo Qingkuang's face grew cold, "This time, they have come to kill us and are surely fully prepared!

Brother Yang, let's hurry and get out of here!"

Yang Luo narrowed his eyes slightly and said, "There's no way out now."

Before his words fellâ€

Boom!

Boom!

Boom!

The land around them began to tremble violently, and the mountains also started to shake!

The previously clear skies suddenly turned stormy with rolling clouds, plunging the vast hundred miles around into the darkest moment!

The surrounding birds and beasts panicked and fled frantically!

Under the eyes of Yang Luo and the others”

Over a hundred ancient boats, each more than a hundred meters long, emitting various radiant treasures, flew in from all directions!

The boats were decked with streaming flags, and the decks were filled with people, presenting a grand and overwhelming sight!

Apart from the ancient boats, numerous others were flying in from all directions on war chariots, flying shuttles, and other flying immortal treasures!

The numbers exceeded one hundred thousand!

In addition to people, more than thirty thousand mutated beasts capable of flight were also arriving from all sides!

It was as if a black cloud had descended upon the city, covering the sky and earth, like an arrival of Heavenly Soldiers and Heavenly Generals!

Seeing this scene before them”

Everyone couldn’t help but feel their hearts pounding, trembling uncontrollably!

“Holy shit!”

Bujie’s eyebrows twitched, “Are these guys crazy?

Sending so many people just to kill us?!”

Lin Wenxuan sighed, “Looks like, this time they’ve really spent a fortune, determined to slay us here!”

Xiang Kunlun said fiercely, "They have too many people; with just our few, it'll be difficult to deal with them!"

Mo Qingkuang said, "We must not engage in a prolonged battle; we have to break through the encirclement and escape from here!"

Prajna's small face turned pale, "Can we really fight our way out?"

"Damn it!"

Bujie's face turned ferocious, bellowing, "Even if we can't fight our way out, we'll still fight!"

"That's right, if we really can't make it out, we'll drag down as many of them as we can with us!"

Ning Jianfeng and the others also bellowed, ready to risk their lives in a desperate struggle.

Very soon, over a hundred ancient boats drew close and arrived in the sky surrounding Divine Wood Cliff, enclosing Yang Luo and his group from the inside and outside layers.

The forces that arrived from the sky included eight top-tier sects: Heavenly Amplification Sect, Immortal Sword Sect, Ten Thousand Buddha Sect, Divine Intent Sect, Piaomiao Palace, Immortal Mist Sect, Coiling Dragon Sect, and Flying Immortal Palace!

Two top-tier families: Yazi Family and Jiuying Family!

Seven great sword sects: Flying Sword Sect, Broken Sword Sect, Cangjian Pavilion, Giant Sword Palace, Burning Sword Valley, Divine Sword Manor!

In addition to these, there were many second and third-rate sects and families!

Standing at the forefront of the ancient boats were the sect masters, family heads, and elders from the various sects and families!

Immense and boundless pressures and auras spread out, enveloping the entire region!

The currents of air in this region began to become chaotic, with the sounds of thunder rumbling in the air, terrifying to the spirit!

Bai Yinfeng looked at Yang Luo with a cheerful smile, "You little animal, it's been a long time since we last met, how have you been?"

Qiao Xianci sneered, "Little animal, you've been quite lively on our Penglai Immortal Island lately, causing big troubles time and time again!

Unfortunately, your time of death has arrived, and you won't be able to act arrogantly anymore!"

"Demon!"

Wu Liang Zen Master roared, "Hand yourself over without resistance, now!"

"Kneel down and beg for mercy, surrender all your treasures, and we might leave your corpses intact!"

"If you refuse to comply, we will make sure to flay you with a thousand cuts!"

The other sect masters, family heads, and elders also bellowed out their voices.

Chapter 2262: Dragon Claw Emerges, Splitting Heaven and Earth!

"Ha ha..."

Hahaha..."

Yang Luo was not only unafraid, but he also burst into laughter, gazing at the sky.

His laughter echoed through the heavens, reverberating in all directions, rolling like thunder, deafening!

Within that laughter, there was an immense boldness and supreme dominance!

As if there was a force that could sweep across heaven and earth, annihilating everything!

"Little beast, what are you laughing at!"

Bai Yinfeng was very annoyed.

The expressions on Qiao Xianci and others also turned cold.

In their eyes, Yang Luo, seeing so many of them come to kill him, should be scared out of his wits, souls escaping, kneeling and begging for mercy!

But unexpectedly, this little beast started laughing, which really infuriated them!

Yang Luo glanced at Bai Yinfeng and others, tauntingly said: "Are you all so afraid, so terrified of me that you had to bring so many people to kill me?"

Moreover, do you really think that having more people means you can kill me?"

Bai Yinfeng was furious, thundered: "Little beast, we know you are strong, proclaimed as the invincible being below a Heavenly Immortal!

But, this time we have fifty-eight Perfected-stage True Immortals and one hundred twenty-six Earth Immortals!

Additionally, there are 103,000 elders and 35,000 mutated beasts!

What can you possibly use to fight against us?”

Qiao Xianci also sneered viciously: “Little beast, without those old folks from Kunlun Ruins to help you, today your death is certain!”

“Little beast, even if you are strong alone, are your brothers as powerful as you?”

“Today we have set up a Heavenly Net, there is no escape for you!”

“Little beast, you killed many elders from our six major sword sects, don’t even think about leaving here alive today!”

Other sect masters, family heads, and elders also roared, their eyes filled with mockery.

“By bringing so many people to kill us, are you trying to completely fall out with our Purple Cloud Sect?”

“If you dare to make a move, our Taotie Family will not let you go!”

“Neither will my Hundun Family!”

Dongfang Ruoshui, Huangfu Xuance, and Helian Dongsheng all shouted loudly.

Bai Yinfeng glanced at the three, coldly said: “As people of Penglai Immortal Island, you actually mixed with our enemies, truly courting death!

However, out of respect for your sect and family, we can give you a chance!

If you leave now, we can spare your lives!

This is your only chance to live, make sure you grasp it well!”

“Bai Yinfeng!”

Huangfu Xuance roared, “If you dare to touch Brother Yang, I will never agree!”

“Let’s fight if we must, enough with the damn nonsense!”

Helian Dongsheng’s eyes determined, he shouted explosively.

Bai Yinfeng’s eyes were vicious, “Since you insist on seeking death, then we will oblige you!”

“Are you not afraid of triggering a war between Kunlun Ruins and Penglai Immortal Island in the Immortal World?”

Mo Qingkuang asked in a deep voice.

“Let’s fight then, we from Penglai Immortal Island are not scared of you!”

“Last time we stepped back to give you face, but now we will not back down anymore!”

“If it comes to it, we’ll just start the war and see which of the two great Immortal Worlds is stronger!”

All the big sect masters, family heads, and elders spoke disdainfully.

Yang Luo was tired of the idle chatter as well, he thundered: “Brothers, follow me, let’s break out!”

“Kill!!!”

Bujie and others roared in unison, all summoned their weapons, with their aura and combat power fully unleashed!

After all, the number of opponents was too great, they had to get serious to have a possibility of breaking through!

BOOM BOOM BOOM!

Columns of light burst forth from their bodies, piercing the sky, breaking through the clouds!

Dharma Idols also rose up into the air above them!

Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise, Taotie, Hundun, Qilin, flaming phoenix, Soaring Snake and other Divine Beasts and ferocious beasts’ illusions also rose up!

In an instant!

The entire sky above Divine Wood Cliff!

Immortal light flickered, energy surged, aura pulsed, creating astonishing, boundless waves!

Bai Yinfeng raised the sword in his hand and let out a roar!

“Spare none, show no mercy!”

An order was given!

“Kill!”

“Kill these little beasts!”

“Wipe them all out!”

Over a hundred thousand people roared in anger and charged out!

“Roar roar roar!”

Over thirty thousand mutated beasts also howled and leaped into the attack!

“Kill!!!”

Yang Luo stomped his foot fiercely, transforming into a golden streak of light soaring into the sky!

Upon reaching above!

He violently raised his right arm!

Boom boom boom!

Heaven and earth trembled, mountains shook, clouds churned!

Yang Luo’s entire right arm appeared covered in golden dragon scales, lifelike as if transformed into a dragon’s limb!

“Chaos Sky Splitting Claw!”

Accompanied by a thunderous roar!

Yang Luo swung out his claw!

A gigantic golden dragon claw over a thousand feet long tore through the sky, shattered the void, collapsed mountains, and clawed at the approaching cultivators and mutated beasts!

In the space ahead, five golden claw marks each spanning over a thousand feet appeared!

As if an ancient True Dragon had descended to tear apart the heavens and earth, and obliterate everything!

In an instant!

Thousands of cultivators and beasts were enveloped by this single claw!

“What is this?!”

“A dragon claw?!”

“Retreat!”

Retreat quickly!”

“Awooo!”

These cultivators and beasts screamed in terror, attempting to retreat to the back!

But they were too late to retreat, as they were already struck by the claw!

“Ah ah ah...”

A series of mournful screams suddenly echoed through the sky!

Thousands of cultivators and beasts were torn into shreds!

Blood and bone scattered across the sky, the air heavy with the thick scent of blood, deeply shocking everyone present!

“When the dragon claw strikes, the heavens and the earth split!”

“My God, what kind of cultivation technique has Brother Yang used to be so fierce?”

“When did Brother Yang learn a new cultivation technique?”

Ji Longyue and others exclaimed in amazement.

Everyone was perplexed, wondering where Yang Luo had learned this domineering claw technique.

Yang Luo stood in the air, his voice booming like thunder, he declared: “Come then, those who are not afraid of death, just come at me!”

For a moment, people from various sects and families were somewhat frightened, merely staring at Yang Luo, not rushing forward immediately.

“How do I feel that this little beast has become even stronger?!”

“Not only has his strength increased, but his cultivation might have already reached the perfected True Immortal Realm!”

“What?!”

Perfected True Immortal Realm?!

Doesn’t that mean that below a Heavenly Immortal, no one can kill this little beast?!”

Sect masters, family heads, and elders voiced their fears.

Bai Yinfeng’s eyelids twitched as he grimly said: “Gentlemen, there is no need to fear.

Even if this little beast has stepped into the perfected True Immortal Realm, so what!

As long as he is not a Heavenly Immortal, we are absolutely confident in cutting him down!”

“Brother Bai is right!”

Qiao Xianci picked up the conversation, saying: “Everyone, remember not to engage this little beast in single combat!

The only way to kill him is to rise together and attack!”

Chapter 2263: The War Surges to the Skies!

“Understood!”

“Let’s go together!”

“Kill this little beast!”

Everyone roared again and charged towards Yang Luo and the others.

“Brothers, kill!”

Yang Luo roared explosively, charging like a frenzied dragon towards the crowd and hoard of beasts!

Luange and others, wielding weapons, led their Dharma Idols and illusions charging in all directions!

A tremendous battle thus erupted!

“Die!”

Yang Luo transformed into a golden streak of lightning, furiously charging forward!

It was as if the air itself was filled with the sound of a jet’s sonic boom!

In the instant of his charge!

Yang Luo raised his right arm and swung out a claw again!

Shi!

A massive golden Dragon Claw, over a thousand feet long, tore through the Cangqiong, shattered the Void, and grabbed towards the front!

“Be careful!”

“Counterattack!”

The charging elders and mutated beasts launched a counterattack together, fiercely attacking Yang Luo!

A series of assaults converged, with various lights flashing and energy surging, terrifyingly intense!

Although the attacks launched by the elders and beasts were fierce, they couldn’t withstand the claw swung by Yang Luo!

Boom!

The sounds of explosions continued non-stop!

Vast lights and waves of energy spread out, washing over everything!

“Retreat quickly!”

“Get out of the way fast!”

Seeing this, the elders and beasts screamed in terror and quickly dodged!

But these elders and beasts couldn’t dodge in time and were directly torn apart by this claw!

Corpses, chunks of flesh and bone debris fell from the sky!

Several ancient boats and dozens of war chariots were also torn to shreds, turning into a vast spread of scrap metal and iron, splashing in all directions!

Just then!

“Aooowuuu!”

Hundreds of mutated beasts roared, charging from behind, swinging huge claws, opening their gaping maws, and biting towards Yang Luo!

Yang Luo merely quaked his body, activating the “Undying Golden Body” and “Invincible Sword Body”!

These beasts couldn’t breach Yang Luo’s defense and were all forcefully thrown away!

“Die for me!”

Yang Luo roared, suddenly turning around and swinging a claw!

Chi chi chi!

Pupupu!

These hundreds of mutated beasts were instantly torn to shreds, turning into tattered flesh and bone debris, drifting down!

After annihilating these beasts!

Yang Luo’s figure flashed, continuing to charge towards the other elders and beasts!

At that moment.

In the distant sky.

“Hooowuuu!”

Big White emitted deafening roars, its huge hundred-meter robust body, furiously charging forward!

While charging!

It clenched its fists, with flames and lightning gathering on them, furiously hammering down!

Boom boom boom!

Peng peng peng!

Those charging elders and beasts were either knocked flying, knocked dead, or blown apart by the fists!

After rampaging through over a thousand elders and beasts!

Big White directly charged towards an ancient boat!

It extended two strong arms!

Like a Primordial Behemoth, directly grabbing an ancient boat over a hundred meters long, using it as a weapon, sweeping it in all directions!

Boom, boom, boom!

The ancient boats hovering in the sky were smashed!

Many elders and beasts couldn't dodge in time and were smashed to pieces in the sky!

“How can this beast be so terrifying?!”

“Simply divine strength!”

“Do not come close, everyone, be very careful!”

The elders cried out in terror, retreating and violently attacking Big White from a distance.

Many mutated beasts also rushed over to help, launching ferocious attacks on Big White.

But, Big White not only possessed divine strength but also had tough skin and strong defense!

Coupled with the protection of True Qi, the attacks from the elders couldn't shake him at all!

“Bring your lives to this Ape King!”

Big White lifted the ancient boat and charged forward, holding it like a door panel, repeatedly slamming it down on the elders and mutated beasts like swatting flies!

Boom, boom, boom!

Many elders and mutated beasts didn't have the chance to escape and were smashed into the air!

“Ah ah ah...”

Some remaining alive elders and mutated beasts screamed in pain, falling from the sky like dumplings!

Just then!

Big White sensed a dangerous attack coming from behind!

However, just as it was about to turn around and counterattack!

Whoosh!

A crimson sea of fire surged from afar, burning heaven and earth, directly engulfing those ambushing elders and mutated beasts!

These elders and mutated beasts screamed in agony, trying to escape the sea of fire but couldn't, directly being burnt to ashes!

"Stupid monkey, you're still not good enough!

If it wasn't for this lady helping you, you would have been ambushed!"

The Hundred Cry Bird, engulfed in flames, flapped its wings, flying over from afar with a haughty expression.

"Hmph!"

Big White snorted and said, "Who asked you, you damn bird, to help me!

Even without your help, these guys couldn't hurt me!"

"I think you're just being stubborn!"

"What I'm saying is the truth!"

Big White and the Hundred Cry Bird started bickering again.

Many elders and mutated beasts took this opportunity to attempt an ambush on Big White and the Hundred Cry Bird!

“Looking for death!!”

Big White and the Hundred Cry Bird shouted angrily simultaneously, launching a fierce attack on those elders and mutated beasts!

The Hundred Cry Bird flapped its fiery wings, creating fiery tornadoes that burned many elders and mutated beasts to death!

Big White swung the ancient boat, smashing many elders and mutated beasts into the air!

“Stupid monkey, this lady can’t be bothered to argue with you, we’ll talk after breaking out!”

The Hundred Cry Bird said haughtily, then dove toward the attacking elders and mutated beasts.

“Please, as if this Ape King really wants to argue with you!”

Big White said disdainfully, then lifting the ancient boat, charged at the crowd and the beasts.

In the distant sky.

“Bring your lives to Lord Buddha!”

Bujie roared, swinging the Heavenly Dragon Zen Staff wildly at the surrounding attacking elders and mutated beasts!

“Heavenly Dragon Demon Suppression Staff!”

The Dharma Idol towering above him also swung the Buddhist staff!

The staff shadow split the heavens, Buddhist light flickered, shaking the world!

“Ten Thousand Feet Crossing the Sky!

“Qilin Battle Spear!”

“Ice and Fire Rolling Heavens!”

Xu Ying, Lin Wenxuan, and Prajna also wielded their weapons!

Their Dharma Idols also launched fierce attacks!

Blue-gold sabers and black spears shot out in all directions!

Ice and flames turned into huge waves, rushing out!

Under the combined force of Bujie and the others, those elders and mutated beasts couldn’t even get near them, all being annihilated!

They had followed Yang Luo for so long, fighting many fierce battles till today!

Although their cultivation levels were not very high, they possessed formidable combat strength and rich experience, much beyond what ordinary elders could handle!

“Kill these four little beasts!”

“Surround them!”

At that moment, around a dozen Earth Immortals flew in from all sides, converging and attacking Bujie and the others!

While flying in, they also activated their Dharma Idols, intending to quickly cut down Bujie and the others!

“Thinking you old guys can kill us, looking for death!”

Not only was Bujie not afraid, but he was also excited.

Chapter 2264: The Situation is Critical!

His entire body trembled, and he let out a thunderous roar!

“Formless Buddha Demon Holy Body!”

In the blink of an eye!

Bujie’s aura changed drastically, as the energies of both Buddha and Demon erupted simultaneously!

One of his pupils flickered with golden light, the other with dark light!

At this moment, Bujie was like a fusion of Buddha and Demon, exerting pressure over Heaven and Earth, captivating the soul!

“Primal Chaos Demonic Buddha Scripture!”

“Formless Buddha Demon!”

Accompanied by Bujie’s roaring voice!

A colossal Buddha emerged hovering above him.

That gigantic figure, one side shimmering with golden light like an Ancient Buddha, face divine and serene!

While the other side shimmered with dark light like an Ancient Demon, face fierce and terrifying!

The Buddha-Demon raised both palms, like two five-fingered mountains, and pushed horizontally towards those dozen-plus Earth Immortals!

The two giant palms, flickering with golden and dark light, had ancient Buddha totems and ancient demon totems engraved in their centers, with a vast Buddha’s power and an overwhelming demonic force!

Clang and rumble!

Boom and rumble!

The attacks launched by those dozen-plus Earth Immortals were forcibly blocked and exploded in the sky!

“What’s going on?!”

“Isn’t this guy a monk?”

Why does he have demonic qi in addition to Buddha energy?!”

“It’s too strange, too eerie!”

These dozen-plus Earth Immortals were horrified and quickly retreated.

Without any hesitation, Bujie unleashed another killing move!

“Buddha Chanting Demon Roar!”

He opened his mouth, like Vajra with angry eyes, and let out a roaring scream!

“Roar!â€””

The Buddha-Demon looming above him also opened its mouth and roared!

Across Heaven and Earth, there suddenly echoed the chanting of thousands of Buddhas and the roar of thousands of demons!

Gold and black sound waves spread out, sweeping towards those dozen-plus Earth Immortals!

“Ughhhhh...”

These Earth Immortals felt a swelling pain in their heads, their spirits stabbed with pain, as they screamed tragically.

“Forbidden Saber Body!”

“Qilin Battle Body!”

Xu Ying and Lin Wenxuan also trembled and roared furiously!

A massive cyan-golden saber and a black qilin illusion enveloped the bodies of the two, formidable and imposing!

“Surprising Swallow Slash!”

“Destructive Storm Spear!”

Both of them swung their saber and spear in hand, thrusting out ferociously!

A cyan-golden huge sword and a black giant spear tore through the layers of the Void, stabbing towards those Earth Immortal elders!

“Dragon Flying and Phoenix Soaring!”

Prajna then wielded the Sun and Moon Divine Staff in hand!

“Roar!”

“Screech!”

Accompanied by the sounds of dragons roaring and phoenixes crying!

A massive fire dragon and an equally massive ice phoenix flew out, charging towards those Earth Immortal elders!

Several Earth Immortal elders were not able to react in time and were directly obliterated!

Corpses fell straight down from the high altitude!

“Damn it!”

“Detestable!”

“This old man refuses to believe that even these four youngsters can’t be killed!”

The remaining seven or eight Earth Immortal elders roared out loud, attacking towards Bujie and the others!

“Brothers, kill!”

Bujie roared fiercely, charging into battle!

Xu Ying, Lin Wenxuan, and Prajna also fought fiercely!

An intense battle erupted instantly!

Far away in the sky.

Flame Emperor, international Diva, Ji Longyue, Baili Wushuang, Tantai Puti, and Yi Yuheng were slaying enemies in all directions!

The six of them were True Immortals, and besides Yang Luo, they were the strongest combat force!

Together, the six of them advanced unstoppably, killing thousands of monks and mutated beasts along the way!

“These six youngsters are all True Immortals; let’s go together and kill them!”

“We must not let them survive; if we do, they’ll surely become a major threat!”

Ten True Immortal elders and twenty Earth Immortal Elders roared furiously as they charged and surrounded the six!

“Damn it!”

Baili Wushuang was infuriated, “Ten True Immortals, twenty Earth Immortals ganging up on the six of us!

These old dogs are really despicable and shameless!”

“Since when was there ever righteousness in fighting with enemies!”

Yi Yuheng said solemnly, then glanced in the distance and added, “Our situation here is not the most dangerous, it’s Brother Yang over there who’s in real peril!”

Ji Longyue also looked towards the distance, exclaiming in shock, “Brother Yang has already been surrounded by twenty-five True Immortals and forty Earth Immortals, the situation is very critical, we must go to help!”

Therefore, in the distant high skies!

Yang Luo was fighting alone against twenty-five True Immortals and forty Earth Immortals!

The battle was extremely intense, the fluctuations of the fight even impacted here!

“You think you can go help that little beast, dream on!”

“Today, all of you will be buried here!”

The ten True Immortals and twenty Earth Immortals simultaneously manifested their Dharma Idols and charged to kill!

They unleashed various deadly moves, frantically striking at Flame Emperor and the rest of the six!

Thus, their goal was very simple, to cut off Yang Luo's left and right arm first, then join forces to besiege Yang Luo!

Rumbling!

Thirty layers of deadly moves violently attacked from all directions, as if to obliterate Flame Emperor and the six!

"Fight!"

Flame Emperor's face was cold as she vigorously swung the sword in her hand!

"Flying Swords Like Abyss!"

Whoosh, whoosh, whoosh!

Countless green flying swords burst from her center, shooting towards all directions!

"Holy Lotus Treasure Seal!"

International Diva swiftly formed seals with her delicate hands and struck out!

An eight-colored glaze treasure seal swelled mightily against the storm and unleashed a suppressive assault!

“Emperor Dragon’s Sorrow!”

Ji Longyue swung the huge halberd in his hands!

Multiple huge halberds, surrounded by massive dragons, blasted outwards!

“Tiger Roar Thunder Punishment!”

Baili Wushuang swung the saber in his hands!

Multiple White Tigers, stepping on a Thunder Sea, roared into the fray!

“Vermilion Bird Burning Sky!”

Tantai Puti swung the long sword in his hands, slashing towards the front!

A giant golden-red sword carrying a sky-conquering fire, heavily chopped down!

What’s more, a giant Vermilion Bird illusion took to the air, diving into the attack!

“Ten Thousand Miles of Ice!”

Yi Yuheng swung the huge spear in his hands and stomped into the void!

An expanse of icy sea surged mightily upwards!

Spears of ice were shot out one after another!

A giant Xuanwu illusion stomped on the void and collided!

Boom boom boom!

Rumble rumble rumble!

Earth-shattering collision sounds and explosions continued non-stop, spreading in all directions!

Huge swathes of energy and light exploded in the sky, spreading out like mountain collapses and tsunamis!

Various Dharma Idols also fiercely battled in the sky, creating the sounds of thunderous explosions!

Although the combat power of Flame Emperor and the six was incredibly formidable, they were still unable to withstand the ferocious attacks of the ten True Immortals and twenty Earth Immortals!

The offensive moves they unleashed were crushed repeatedly, the defensive barriers they conjured up were constantly destroyed, and their blood sprayed through the air!

Baili Wushuang gritted his teeth, "Damn it!

There are too many of them, we can't hold them off!"

Ji Longyue roared furiously, "We can't hold them off but we must, let's fight them with all we've got!"

"If we lose, then all the pressure will fall on Little Luo!"

Flame Emperor gritted her teeth, "We can't back down, we must hold them off even if it costs us our lives!"

“Yes!!!”

International Diva and the rest responded in unison.

“Block?”

“I’d like to see how you block this!”

“Do you really think you have the same strength as that little beast Yang Luo, are you joking?”

“Once you’re killed, that little beast’s time of death will come!”

“Hahaha...”

The ten True Immortals and twenty Earth Immortals laughed maniacally, continuing their most powerful onslaught against Flame Emperor and the six!

They planned to completely annihilate Flame Emperor and the six,

The situation was extremely critical!

Chapter 2265: Blood-soaked Fierce Battle!

“Sword Crossing the Milky Way!”

“Blue Luan Sword Formation Map!”

Flame Emperor Luange shouted fiercely, with full combat power unleashed, his hair fluttering, and his clothes billowing, as he brandished the sword in his hand with all his might!

Countless azure flying swords transformed into a River of Swords, surging upwards!

A colossal azure Sword Formation Diagram hundreds of feet large flew out, covering the sky and overwhelming the ground, pressing down heavily!

When the Sword Formation Diagram flew out, innumerable flying swords shot out explosively, and one after another, Blue Luan Illusions also charged forth!

“Lotus Sea Fragrance!”

“Flower Rain!”

International Diva Zhixin’s beautiful face turned frosty as she stepped down from midair!

Tens of thousands of Eight-Colored Glazed Lotuses emitted eight-colored Immortal Light, all suppressing and charging upwards!

Additionally, countless petals, sharp as blades, burst forth!

“Nine Heavens Dragon Gate!”

“Open the Dragon Gate, reveal the Azure Dragon!”

Ji Longyue exerted all his strength to swing the halberd in his hands, roaring out!

Nine Dragon Gates took form and solidified in the sky!

As the Dragon Gates opened, nine colossal giant dragons roared out!

“Eight Absolute Thunder Sabers!”

Baili Wushuang swung the saber in his hands, delivering a heavy slash!

With one slash, eight platinum lightning bolt huge swords split the Cangqiong, tearing apart the Void!

Moreover, eight hundred-foot-long platinum lightning bolts plummeted down!

“Vermillion Bird Bathes in Fire!”

Tantai Puti stretched out both arms, with golden-red flames burning fiercely on his body, his flaming hair fluttering sacredly and unmatchably!

Behind him, a gigantic golden-red fireball a hundred feet in size arose like a golden-red sun!

Within this golden-red fireball, a Vermillion Bird spread its wings, soaring!

“Kill!”

Tantai Puti’s pupils burned with golden-red flames, as he swung the sword in his hand, pointing forward!

The Vermillion Bird within the fireball slammed out!

“Xuanming Ice Burial!”

Yi Yuheng’s face turned ferocious as he stamped down from midair!

One after another, blue-golden Ice Tombs rose erect, like towering peaks, suppressing and charging upward!

At this moment, due to the critical situation, the six of Flame Emperor Luange naturally unleashed their killing moves!

Their aim was to hold back these elders so they couldn't free themselves to encircle Yang Luo!

Boom-boom-boom!

Rumble-rumble-rumble!

Earth-shattering collision sounds and explosion noises resonated far and wide!

Boiling light and energy burst open in the sky, as if a shower of light rained down!

Yet, even though the six of Flame Emperor Luange went all out with their momentum and combat power, deploying their killing moves, they still found it hard to withstand the fierce attacks of ten True Immortals and twenty Earth Immortals!

The offensive moves made by the six were continually shattered, and their bodies were blasted until flesh and blood flew about, their complexions beginning to pale!

"Ha ha ha, these six youngsters are finally about to hold out no longer!"

"Continue the attack, with a concerted effort, kill them!"

"These six young ones are all Heavenly Prides of the younger generation; this old man's favorite is slaying Heavenly Prides!"

The ten True Immortals and twenty Earth Immortals sneered loudly, launching an onslaught on Flame Emperor Luange and the others!

Just at this moment!

“World Annihilation War Spear!”

“Chaos Sword Punishment!”

“Soaring Serpent Riding Mist!”

“Fire Phoenix Saber!”

“Bai Ze Sword Technique!”

Along with a succession of roaring sounds!

Heavy offensive moves fiercely attacked from all around!

Saber glows and Sword Shadows, tridents splitting the skies!

There were also Taotie, Hundun, Soaring Serpents, Fire Phoenixes, and other illusions of ferocious beasts and Divine Beasts pouncing to kill!

It was indeed Huangfu Xuance, Helian Dongsheng, Ning Jianfeng, Qin Zhanhuang, Mu Wushang, and others who had rushed over from afar and launched a ferocious assault!

The ten True Immortals and twenty Earth Immortals all gathered layers of defenses to block the offensive moves from Huangfu Xuance and the others!

“Just with you bunch of Earth Immortals, you also dare to come to help?”

“With you here, it’s good for us to annihilate you all at once!”

“Annihilate all these youngsters!”

The ten True Immortals and twenty Earth Immortals bellowed out, launching a fierce attack at Huangfu Xuance and the others!

“Brothers, let’s fight together, and kill these old geezers!”

“Kill one and break even, kill two and we make a profit!”

“Kill!!!”

Huangfu Xuance and others all roared loudly, fighting fiercely in a bloodbath!

Luange and others also furiously charged at these True Immortals and Earth Immortals!

In the midst of their charge!

Luange waved her jade hand!

“Five Elements Flag!”

Whoosh, whoosh, whoosh!

Five flags, sparkling with lights of various colors, flew out from her storage bag, hovering above her head!

“An Immortal Item!

Is that actually an Immortal Magical Artifact?!”

“Kill that little bitch and snatch her Immortal Magical Artifact!”

Those ten True Immortals and Earth Immortals were suddenly startled, their eyes filled with intense greed.

After all, Immortal Magical Artifacts are generally possessed only by Heavenly Immortals; True Immortals and Earth Immortals rarely get them.

Two True Immortals and five Earth Immortals couldn’t hold back and rushed towards Luange!

Luange directly swung her long sword, shouting loudly!

“Five Elements Formation!”

In an instant!

The five precious flags flew out, immediately surrounding the three True Immortals and five Earth Immortals!

“No good, get out quickly!”

The leading True Immortal reacted, immediately rushing out!

The other True Immortal and five Earth Immortals were too late to retreat, directly trapped by a Great Formation!

“Die for me!”

Luange shouted coldly, waving the sword in her hand, activating the Great Formation!

When the Great Formation was activated, it made Heaven and Earth tremble, and the mountains and rivers shook!

The power of the five elements erupted, turning into streams of Immortal rainbows, shooting towards the six people trapped inside the Formation!

“Quick, save them!”

“Break this Great Formation!”

The other True Immortals and Earth Immortals were suddenly terrified, took out their Dharma artifacts, and attacked this way!

“Block them!”

Zhixin shouted angrily, leading Ji Longyue and others to rush towards those True Immortals and Earth Immortals, blocking them!

“Arghhh...”

Under the assault of the Five Elements Formation, three Earth Immortals were killed on the spot, exploded into pools of flesh and blood, splattering the sky!

“Break this Great Formation, get out!”

“Hurry!”

The remaining True Immortal and two Earth Immortals were terribly frightened, fiercely attacking the Great Formation!

Clang, clang, clang!...

Boom, boom, boom!...

A series of colliding and exploding noises resounded incessantly!

Energy and light surged like a massive wave, churning within the Great Formation!

Luange didn't hesitate at all, continuing to wield her sword!

"Blue Luan Sword Formation!"

In an instant!

Countless azure flying swords formed a Sword Formation, trapping the remaining True Immortal and two Earth Immortals once again!

As the Sword Formation coalesced, it activated instantly!

Swoosh, swoosh, swoosh!

Countless azure flying swords shot towards the three of them!

Numerous immense Blue Luan Illusions collided forward!

"No...

don't!"

“I don’t want to die!”

“Ahh!!!”

Among the wails and screams!

The remaining True Immortal and two Earth Immortals were also slain!

The True Immortal’s Essence Soul couldn’t even escape, completely shattered and obliterated!

“Huff...”

Luange exhaled a mouthful of turbid air, retracted the Five Elements Flags, and continued to fight against the other True Immortals and Earth Immortals!

The battle became more intense and even more tragic!

Almost every second, elders and mutated beasts were dying, falling from the sky!

Pools of fresh blood spilled, dyeing the mountains and rivers of Divine Wood Cliff red, as well as the rivers on the ground!

Because the commotion of the battle here was so great, it had already reached the five Ancient Cities nearby!

Chapter 2266: Enemy of Ten Thousand!

“What is that sound?!”

“Such a strong aura and energy fluctuation, could it be that someone is battling?!”

“It seems that the aura and energy fluctuations are coming from the direction of Divine Wood Cliff!”

Many people from the five ancient cities soared into the sky, standing on rooftops and in the air, gazing toward Divine Wood Cliff.

“How odd, why would a battle erupt at Divine Wood Cliff?”

“The intensity of the aura and energy fluctuations suggests that there are quite a few people involved in the battle!”

“Shall we go take a look?”

“Let’s go and see what exactly is happening!”

Numerous cultivators from the five ancient cities, some flying through the air and others piloting their flying immortal treasures, hurried over.

At this moment.

Above Divine Wood Cliff.

Boom, boom, boom!

...

Roar, roar, roar!

...

The sounds of collisions and explosions persisted without end!

Screams of battle, roarings, bellowings, and wails of agony were also incessant!

One after another, ancient boats, war chariots, and flying shuttles among other flying immortal treasures were destroyed, shattered into pieces, drifting downward!

Corpses of cultivators and mutated beasts fell from the sky!

Smashing into the midst of forests, beneath cliffs, and into rivers!

Bodies strewn everywhere, blood flowing into rivers, it was like a mortally wrought hell on earth!

Especially several miles away from Divine Wood Cliff up in the air, the battles were incomparably fierce!

Currently battling were Yang Luo and the True Immortals and Earth Immortals from various major sects and clans!

After a period of battle!

Yang Luo was already drenched in fresh blood, and his Dragon Emperor Sword was stained red!

However, most of this blood belonged to his enemies!

“Die for me!”

Yang Luo let out an enraged roar; his Thunderfire Wings on his back flapped fiercely, as he exerted all his strength to swing the sword in his hand!

Whoosh!

A thousand-zhang-long golden sword cut through layers of void, striking towards five isolated Earth Immortal Elders!

In an instant!

Pfft, pfft, pfft!

Five streams of blood shot into the sky along with five severed heads!

Five headless bodies, accompanied by the heads, fell from the sky!

“Fifteen Earth Immortals!”

“Seven True Immortals!”

Yang Luo spoke viciously, like a whisper uttered by a demon.

He stood suspended in the air, his eyes flickering with gold and crimson flames, boiling with killing intent!

The “Undying Golden Body”, “Invincible Sword Body”, “Flame Emperor Combat Body,” and “Divine Dragon Tyrant Body” were all activated!

His body shimmered with golden light, flames burning, Azure Dragon coiling around him, with the huge golden sword standing tall, towering between Heaven and Earth with an unmatched domineering presence!

Thus, originally twenty-five True Immortals and forty Earth Immortals had surrounded Yang Luo!

But after the recent bout of battle!

Yang Luo had already slain fifteen Earth Immortals and seven True Immortals!

Now, the group left besieging Yang Luo consisted of eighteen True Immortals and twenty-five Earth Immortals!

The remaining True Immortals and Earth Immortal Elders all looked at Yang Luo with faces filled with terror, as if beholding a god or demon!

“How can this little beast be so terrifyingly powerful?!”

“Fifteen Earth Immortals and seven True Immortals, all killed by him!”

“The key point is, we weren’t fighting him one-on-one but were actually besieging him!”

“This little beast has grown countless times stronger than when the Purple Cloud Sect had their great battle!”

The remaining True Immortals and Earth Immortal Elders looked at Yang Luo with faces full of shock and disbelief.

Not long into the great battle, Yang Luo alone had already killed twenty-two of their elders!

Endless fear and rage surged in their hearts!

Elder Zhao Qinghe of Heavenly Amplification Sect spoke in a shaking voice: “Everyone, there’s no need to be afraid.

With so many of us here, can't we kill this little beast?"

"That's right!"

Elder Qi Jianchen of Immortal Sword Sect took over the conversation, saying fiercely: "Even if this little beast is strong, he is but one man!"

"We will wear him down to death even if it takes all our effort!"

"Everyone, don't give this little beast any chance to catch a breath; kill him quickly!"

Elder Xue Zhenyu of the Divine Intent Sect roared furiously.

"Kill him!"

"This little beast must die!"

"Even if we must sacrifice everything, we must kill him!"

The other elders also screamed and bellowed, their hatred towards Yang Luo reaching its peak.

They've gone mad with fury now!

Their losses are already so great that stopping is out of the question!

So, they are determined to kill this little beast before them at any cost!

"Kill!"

Zhao Qinghe immediately let out a fierce shout, charging towards Yang Luo to attack!

The other elders quickly followed, assaulting him together!

As they charged, they all activated their Dharma Idols!

Dharma Idols ranging from dozens, hundreds, and nearly a thousand feet in height soared into the air, heads touching the skies and feet stepping on the void, incredibly terrifying!

All the Dharma Idols mobilized simultaneously, seemingly ready to bulldoze everything in their path!

You have to know, among these elders there are eight of the Perfected True Immortals!

And there are thirty-five more True Immortals and Earth Immortals!

Even several Perfected True Immortal powerhouses could not withstand the fierce joint assault of so many elders!

But Yang Luo remained fearless, standing alone against thousands like an enemy of ten thousand, proudly towering above!

“A bunch of old dogs, I think you are courting death!”

Yang Luo let out a roar, his body shook and once again his aura and combat power surged!

Originally, he planned to conserve his strength to deal with more powerful foes later!

After all, he couldn't guarantee that their Heavenly Immortals wouldn't take action!

If the Heavenly Immortals intervened and he was out of strength, he would be unable to fight back, let alone escape with his brothers!

But now, these old fools were hell-bent on killing him, and his brothers were also in grave danger!

He could no longer afford to worry about so many people!

What he must do now is to kill as many of the enemy's powerhouses as possible, to eradicate their living forces!

"Heaven and Earth Dharma Idol!"

With a thunderous roar!

A colossal golden giant over a thousand feet tall, wielding a huge golden sword, stood erect as if an Ancient War Immortal had descended to the world!

After activating his Dharma Idol!

Yang Luo made no pause; his body trembling!

"Sacred Dragon, Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise, Taotie, Hundun!"

"Roar roar roar!"

A series of earth-shattering roars echoed in all directions!

Seven huge Behemoths each over a thousand feet tall stood towering!

But it wasn't over yet!

Yang Luo took another step into the void!

“Twelve Shaman Primal Heavenly Art!”

“Gonggong, Zhurong, Qiangliang, Houtu, Goumang, Rushou!”

Six colossal Ancient Ancestral Magi standing over a thousand feet tall arose, majestic and imposing, with awe-inspiring might!

After activating his Dharma Idol and numerous illusions!

Yang Luo raised the sword in his hand and pointed it forward!

“Kill for me!”

His Dharma Idol led the charge with the thirteen grand illusions, bursting forth with the momentum to destroy heaven and earth, colliding with the charging elders and their Dharma Idols!

In an instant!

Bang bang bang!

Boom boom boom!

Yang Luo’s Dharma Idol and the thirteen grand illusions clashed first with the Dharma Idols of these elders, unleashing a terrifying and deafening impact and explosion!

With just one collision!

Several of the elders' Dharma Idols exploded in mid-air, turning into a shower of light and energy scattering everywhere!

"Arghhh..."

Several elders were sent flying out, blood spurting from their mouths, flesh and blood splattering, an utterly gruesome sight!

Chapter 2267: Blood Spilled in Cangqiong!

"Die, you pack of old dogs!"

Yang Luo, like a rampaging dragon, charged furiously forward and instantly closed in on those elders!

He clasped the Dragon Emperor Sword with both hands and swung it with all his might, slashing towards those oncoming elders and their Dharma Idols!

Swoosh!

A colossal golden sword, over a thousand zhang in length, crashed down from the sky, tearing apart the dark clouds and the void, domineering and supreme, as if it intended to annihilate everything!

Those elders, originally contending against Yang Luo's Dharma Idols and thirteen major illusions, saw Yang Luo's sword slashing towards them!

"Counterattack!"

"Kill this bastard!"

The elders cried out in alarm, striking back with frenzied force, unleashing all their killer moves!

“Heavenly Dominance Killing Fist!”

“Taixu Immortal Sword Technique!”

“Divine Intent Chaotic Sky Palm!”

“Ten Thousand Buddha Demon Slaying Palm!”

“Piao Miao Fan Yun Saber!”

Layers upon layers of killer moves simultaneously lashed out!

Blade light and sword shadows, fists and palms whirl, tearing open the heavens and shattering the void, the terror overwhelming!

Boom!

Yang Luo’s sword strike collided heavily with the offensive moves launched by those elders, creating a thunderous impact that reverberated like rolling thunder!

And in less than a moment!

Boom!

Yang Luo’s sword had obliterated the layers of offensive moves launched by the elders, causing a sequence of explosions high above!

Furthermore, one after another Dharma Idol was also annihilated, bursting into pieces!

Huge balls of energy exploded in the sky, like grand fireworks blooming above, dazzling and blinding!

However, there were simply too many opponents!

And those old farts had learned their lesson, refusing to face Yang Luo one-on-one!

Even if some were blown away, they would promptly rush back, rejoining the battlefield!

Thus, the sword strike unfurled by Yang Luo was forcibly held off by these elders!

“Continue the attack!”

“We must tear this bastard to pieces!”

The elders roared furiously, continuing to mobilize the energy within their bodies for a ferocious onslaught!

“Five Ultimate Life and Death Seal!”

“Ten Thousand Immortals Sword Formation Diagram!”

“Formless Shadowless Finger!”

“Heaven and Earth Coiling Dragon Roar!”

One devastating move after another was again unleashed by these elders, fiercely attacking Yang Luo!

Huge seals sweeping across the sky, formation diagrams overpowering the heavens, massive fingers splitting the earth, coiling dragons roaring!

The relentless assault bombarded Yang Luo's body with the ferocity of mountains collapsing and tsunamis, the eruption of volcanoes!

But, it was all bravely resisted by Yang Luo activating his Multiple Physiques Secret Technique!

However, due to the overwhelming ferocity of the enemy's assault, Yang Luo's Multiple Physiques Secret Technique continued to fracture, with blood splattering from his body!

"Fight again!"

Yang Luo roared toward the heavens, his body shaking once more!

"Azure Dragon Emperor Body!"

"White Tiger Tao Body!"

"Vermilion Bird Divine Body!"

"Black Tortoise Dharma Body!"

In an instant!

The physique secret techniques from the Azure Dragon Emperor Scripture, White Tiger Taoist Scripture, Vermillion Bird Treasure Technique, and Xuanming Ancient Scripture were all executed by Yang Luo!

Colossal entities spanning over a thousand zhang, Azure Dragon, White Tiger, Vermilion Bird, and Black Tortoise successively enveloped Yang Luo's body!

Yang Luo's defense and combat strength surged once again!

"Slash!!!"

With a bellow, he grasped the Dragon Emperor Sword and once again slashed down mightily!

Swoosh!

This sword ripped through heaven and earth, disturbed the rivers and mountains, and threw all directions into chaos!

Glittering sword might and Indestructible Sword Intent erupted once more, even more domineering and terrifying than the previous strike!

Boom boom boom!

The attacks launched by those elders could no longer withstand the blow, immediately annihilated by this sword, followed by explosive shattering!

After annihilating the repeated attacks!

This sword continued to press down, slashing towards those elders!

"What?!"

""

“This kid can actually increase his combat power?!”

“Retreat quickly!”

The elders panicked and retreated swiftly!

But a few elders were unable to back out in time and could only watch helplessly as Yang Luo’s sword strike came crashing down!

In an instant!

“Ah ah ah...”

These elders let out agonizing screams as their bodies were severed, spilling copious amounts of blood!

Even some True Immortal elders were slain, with their Essence Souls destroyed, completely dead!

“Eighteen Earth Immortals!”

“Nine True Immortals!”

Yang Luo let out a chilling roar, brandishing his sword and charging toward those retreating elders!

“Ah ah ah!”

“Let’s fight this little bastard to the death!”

“Kill, kill, kill!”

We must kill him!”

“All disciples and mutated beasts, come and support!”

The elders completely lost their minds, screaming wildly as they dashed towards Yang Luo!

Even thousands of disciples and thousands of mutated beasts rushed over from all directions!

At this moment, Yang Luo was completely surrounded, and the situation looked incredibly perilous!

“Hahaha, bring it on!”

Yang Luo laughed manically, his whole body shaking!

Various attribute powers burst from within him!

Flames scorched, heavenly lightning struck down, violent winds swept through, giant waves surged, Earth and Rock Collapse, and a Dark World surged!

“Ergh ah ah...”

“Howl wo wo wo...”

Those disciples and mutated beasts that charged forward screamed in pain, burned alive, struck dead, torn apart!

Large numbers of corpses fell from the sky, and blood spilled across the Cangqiong, the horror reaching an extreme!

After obliterating these disciples and mutated beasts!

Yang Luo swung his sword mightily in front of him!

“Nine Tribulations Sword Prison!”

“Dragon Rebel Sword Formation!”

“Nine Revolutions Thunder Annihilation Formation!”

In the blink of an eye!

A Sword Prison, a Sword Formation, and a Thunder Array immediately formed, trapping several elders who had charged over!

The Sword Prison, Sword Formation, and Thunder Array took shape instantly and began their fierce assault!

“Break out!”

“Destroy this damned Sword Prison, Sword Formation, and Thunder Array!”

The trapped elders shouted out loudly, attacking the Sword Prison, Sword Formation, and Thunder Array with all their might!

“Quick, go save them!”

“We can’t afford any more losses!”

The elders outside roared fiercely, too beginning their fierce assault on the Sword Prison, Sword Formation, and Thunder Array!

Some also launched a frenzied attack on Yang Luo!

Clang clang clang!

Boom boom boom!

The sounds of impacts and explosions were incessant, echoing through Heaven and Earth, spreading in all directions!

This area had become a chaotic mess, completely boiling over!

Lights flickered everywhere, with energy surging!

Distant disciples and mutated beasts dared not approach, only attacking Yang Luo from a distance!

At this time.

Far away from Divine Wood Cliff.

Many disciples from five Ancient Cities had already arrived.

They stared blankly at the battlefield in the distance, stunned silly, trembling all over, sweating cold sweat.

“My god, what’s happening, why are there so many people, so many mutated beasts fighting?!”

“The great battle of the Purple Cloud Sect just ended a few months ago, and now another terrifying battle has erupted?!”

“It seems to be the Heavenly Amplification Sect, Immortal Sword Sect, Ten Thousand Buddha Sect and other sects and families; who are they besieging?!”

Disciples looked far away and exclaimed.

“Eh...

Isn't that young man the one who became famous after the battle at the Purple Cloud Sect!

And then he accomplished several great deeds, the peerless hero Yang Luo who shook Penglai Immortal Island?!”

Someone recognized Yang Luo and shouted in surprise.

“It really is that kid Yang Luo!”

“I get it now; these sects and families have a vendetta of life and death with this kid, they are taking revenge!”

“My goodness, so many elders ganged up on this kid alone, not only did they fail to kill him, but they also got a number of their own elders killed by him!”

These disciples finally understood the situation and were all deeply shocked.

Chapter 2268: Slaughter Map Appears, Ancient Clock Emerges!

Just at this moment!

Boom!

Accompanied by earth-shattering explosions!

Sword Prison, Sword Formation, and Thunder Array successively shattered and exploded!

Those trapped elders, though freed, were now covered in blood, their bodies heavily scarred!

But, before these elders could retreat!

Yang Luo once again unleashed a killer move!

His left hand's index and middle fingers joined together, held in front of his chest, and he let out a roar!

“Chaos Slaughter Array Map!”

In an instant!

A massive golden array map, spanning over a thousand feet, formed in the sky!

At the center of the array map, a vast and domineering golden dragon head was engraved!

Around it were ancient formation patterns and runes, as well as phenomena of the sun, the moon, and the stars, heaven and earth, mountains and rivers, lakes, and all creatures!

When this array map appeared!

Mighty torrents of killing aura and dragon qi spread out, pressuring heaven and earth, dominating all with its presence!

Indeed, this was the killer move taught by Long Da Yi, but infused with his own insights and understanding!

“What is this thing?!”

“An array map?!”

How can it be so terrifying?!”

“This array map is horrifying, retreat quickly!”

The elders shouted in terror and rapidly retreated.

Yang Luo, without any hesitation, spat out thunderous words!

“Kill!”

Boom, boom, boom!

This array map covered a vast area, pressing down like the vast sky!

A large expanse of the void was crushed, dense cracks spreading like spider webs in all directions!

Most elders managed to escape, but a few did not and saw the enormous array pressing down like a towering gate!

“Hurry and block it!”

“This array map is strong, but break it!”

Although these elders were fearful, they fiercely mustered the energy within their bodies and launched fierce attacks on the array map!

Boom, boom, boom!

The assaults launched by the elders struck the array map heavily, causing explosive blasts that shook the heavens!

But to the horror of these elders, the array map withstood their attacks and could not be broken through!

“Quick, help!”

“This array map is too nefarious, break it quickly!”

The elders who had retreated rushed back, launching mighty attacks towards the array map!

Their attacks were powerful and terrifying, cracking open the heavens and shattering the void!

Moreover, they all wielded various Dharma artifacts!

Dozens of Dharma artifacts, swelling in the wind, surged forth heaven-covering and earth-masking, charging towards the array map and crushing towards Yang Luo!

“Old fools, do you think you’re the only ones with Dharma artifacts?!”

Yang Luo roared thunderously, and with a thought!

“Ten Thousand Dragon Cauldron!”

“Primordial Dragon Stele!”

“Holy Dragon Ancient Mirror!”

In the blink of an eye!

Three Dharma artifacts flew out of the storage ring, swelling to over a thousand feet in the wind, and struck out!

“Roar, roar, roar!”

Accompanied by bursts of dragon roars!

Tens of thousands of golden dragons, purple dragons, and blue dragons roared out from the three artifacts!

Innumerable golden and purple dragon talismans and beams of starlight shot forth explosively!

Under the collision and fierce attacks of the three artifacts!

The attacks launched by the elders and the Dharma artifacts they conjured were continually destroyed, exploding in the sky!

“Bring out another one!”

Yang Luo, with a thought, roared once again!

“Chaos Bell!”

Hum!

Accompanied by a humming sound of tremor, an ancient bell flew out from the storage ring, swelling in size to over a thousand feet as it struck upwards!

The ancient bell, vast and primitive, was engraved with runes and dragon patterns, bearing the marks of the ages!

Waves of majestic, imposing, and heaven-destructing aura spread out, sweeping across Heaven and Earth!

The ancient bell trembled, and the long, deep bell sounds rang out, as if traveling through the river of years, echoing in all directions!

“Arghhh!”

That charging Earth Immortal Elder felt a sharp pain in his spirit, his head swelling, screaming in agony!

Even those True Immortal elders felt their blood and qi in turmoil and their Essence Souls restless, extremely uncomfortable!

They dared not approach and could only retreat!

As for the disciples of various Great Sects and families, as well as the mutated beasts, their screams were continuous, vomiting fresh blood and falling from the sky!

“Roar roar roar!”

Tens of thousands of black dragons roared out from the ancient bell!

Black dragon talismans surged up to suppress everything!

Under the attack unleashed by the Chaos Bell, and its impact!

The offensive efforts and Dharma artifacts unleashed by the elders continued to be destroyed and demolished, exploding in the sky!

Even Bujie and the others, who were in the midst of a fierce battle, were dumbfounded!

“Holy cow!

What’s going on with Brother Yang?

Not only has he learned powerful new cultivation techniques and immortal techniques, but he’s also gotten a new Dharma artifact?!”

“Brother Yang has too many secrets; he’s utterly unfathomable!”

“Once the ancient bell appeared, it suppressed Heaven and Earth, causing turmoil in all directions; it’s terrifying!”

Bujie and others were left in amazement and dared not hesitate, continuing to attack the elders, disciples, and mutated beasts besieging them!

At this time.

On the battlefield where Yang Luo was situated.

Boom boom boom!

The Chaos Slaughter Array Map finally pressed down, directly exploding several elders who could not escape!

“Twenty Earth Immortals!”

“Eleven True Immortals!”

Yang Luo roared, wielding the Dragon Emperor Sword, and continued his assault on the retreating elders!

At this moment, Yang Luo had completely become enraged to madness, like a god and a demon, engaging fiercely with those elders!

He fought with injuries, blood for blood, battling in blood!

Blood splattered the Cangqiong, staining the earth red!

After several minutes!

“Twenty-four Earth Immortals!”

“Thirteen True Immortals!”

A cold, bleak voice echoed through all directions!

Several minutes later!

“Twenty-eight Earth Immortals!”

“Sixteen True Immortals!”

The demonic roaring voice resounded again!

Various major sects and family elders were continuously slain, incessantly decreasing their numbers!

“Someone!

Come quickly!”

“This kid is a devil!”

“Attack him together!”

The elders besieging Yang Luo were nearly scared out of their wits, attacking Yang Luo fiercely while calling for reinforcements!

“Kill!”

“Kill!”

“Kill this beast!”

Other elders charged in from afar.

Over ten thousand disciples and mutated beasts also joined in the assault.

“Even if ten thousand people besiege me, I, Yang Luo, still fear none!!!”

Yang Luo roared furiously, his body drenched in blood, his sword stained with blood, zigzagging through the crowd!

He seemed tireless, swinging his sword repeatedly!

Each swing of his sword resulted in large numbers of people and mutated beasts being slaughtered!

Corpses filled the sky, severed limbs scattered all around!

Yang Luo moved through the mountains of corpses and seas of blood, slaughtering gods if they blocked his path, and annihilating buddhas if they obstructed him!

The scene was terrifying, like hell on earth!

The monks watching from a distance were all trembling, their Divine Souls trembling, sweating profusely.

“Too terrifying, just how strong is this Young Yang Luo, to fight continuously for so long, under the siege of so many people, and yet he does not die?!”

“Seeing the aura this kid is emitting, he’s merely at the Perfected True Immortal Realm, definitely not a Heavenly Immortal; how could he be so overpoweringly strong?!”

“If this kid doesn’t die today, in the future, he will certainly become an even more terrifying existence, reaching the Pinnacle, overlooking both Immortal Worlds!”

The spectating monks discussed loudly, admiring Yang Luo profoundly.

Chapter 2269: Sudden Change!

At this moment,

High above the Divine Wood Cliff in the distance,

“Set up the killing array and trap and kill this youngster!”

An elder shouted loudly.

“Alright!”

Other elders echoed with vibrating voices.

Then, those elders retreated one by one, initiating the formation setup!

“Tianyan Reincarnation Array!”

“Ten Thousand Sword Extermination Immortal Array!”

“Ten Thousand Buddha Returning to Origin Formation!”

“Heaven and Earth Thunder and Fire Array!”

“Coiling Dragon Sky Opening Array!”

In the blink of an eye!

Dozens of Great Formations were laid, totally besieging Yang Luo inside!

Each formation was tremendously vast, virtually covering the skies and sun!

Various formation patterns and runes circulated, different energies surged, blinking with dazzling lights!

“Formation, activate!!!”

All elders shouted simultaneously!

The dozens of formations activated concurrently, unleashing a destructive power capable of annihilating heaven and earth, all striking towards Yang Luo within the array!

Yang Luo continuously elevated the energy within his body, executing numerous deadly moves to withstand the fierce attacks of the formations!

Clang, clang, clang!

Boom, boom, boom!

The sound of collisions and explosions echoed incessantly, shaking the heavens and earth!

In the distant outer skies.

“It’s over, this youngster, even if he is immensely strong, can’t possibly withstand the assault of so many Great Formations!”

“Isn’t that the truth?”

These arrays are laid down by Earth Immortals and True Immortals!

Let alone a Perfected True Immortal, even multiple Perfected True Immortals would undoubtedly perish!”

“A generation’s Heavenly Pride is about to perish here, truly tragic and lamentable!”

The watching cultivators all sighed and shook their heads.

Although many people admired Yang Luo, admiration aside, they naturally did not dare to help.

Who would dare to take the risk of offending so many sects and clans to help?

That would be seeking death!

“Brother Yang is in danger, let’s go help!”

“Hurry up!”

Bujie and others, who were engaged in an intense battle afar, roared, wanting to help.

Yet, many elders directly blocked them!

“Still thinking of helping?”

Absolutely not!”

“You’re already unable to protect yourselves, yet you think you can save that little beast, utterly laughable!”

“Today you all must die here!”

These elders sinisterly laughed, continuing their assault on Bujie and others.

“Let’s fight them!”

“Attack!”

Ji Longyue and others roared in anger, attacking those elders.

Just when everyone thought that Yang Luo was undoubtedly doomed!

“Explode for me!!!”

Yang Luo let out a thunderous roar, conjuring up various deadly techniques and sacrificing four Dharma artifacts!

Emperor Dragon Sword Domain, Cold Moon Immortal Domain, Yin Yang Immortal Domain, Five Elements Immortal Domain, Fire Phoenix Immortal Domain, Purple Thunder Immortal Domain, Endless Sword Domain “ the seven domains clashed forth!

Holy Dragon roared, Azure Dragon rolled, White Tiger screamed, Vermillion Bird Spreading Wings, Black Tortoise Stepping Sky, Hundun breaking the sky, Taotie turning the heavens!

Additionally, the six Ancestral Magi charged upward!

And various attribute powers transformed into several Immortal rainbows, surging forth!

In that instant!

Rumble!

Dozens of Great Formations simultaneously collapsed and exploded!

The explosion's terrifying power blew away the elders, disciples, and mutated beasts!

Numerous elders, thousands of disciples, and thousands of mutated beasts were instantly killed!

Energy boiled, light surged, forming a sea of light, rushing in all directions!

"He came out!

This youngster actually came out!"

"Can so many Great Formations not kill him?!"

The watching cultivators were utterly shocked, feeling their souls trembling.

But at this moment!

"Ughhhh..."

Screams of agony echoed from afar!

Ji Longyue and Bujie could no longer withstand the siege and were struck down one by one, blood spewing from their mouths and spattering across their bodies!

"These little guys are about to fall, kill them now!"

"Hahaha, just kill these little ones, and Yang Luo, that little bastard, will be overwhelmed!"

Those elders laughed maniacally, launching their most powerful attacks on the fallen Ji Longyue and others!

Many disciples and mutated beasts also simultaneously launched fierce attacks, preparing to annihilate Ji Longyue and his group!

“How dare you hurt my brothers, you’re seeking death!!!”

An angry roar came from the distance.

Yang Luo, with four Dharma artifacts arrayed above his head, led the Dharma Idols and various grand illusions charging into the fray!

“All of you bastards die!!!”

Yang Luo bellowed furiously, swinging his sword in a furious slash!

The four Dharma artifacts collided forth!

The Dharma Idols and thirteen grand illusions charged into the fray!

“Ughhhh...”

Those elders, disciples, and mutated beasts were struck down, tumbling over with continuous screams.

Many elders, disciples, and mutated beasts were annihilated on the spot, their blood splattering the skies.

Those who didn’t die retreated in fright.

Yang Luo thundered to Ji Longyue and others: "Brothers, I'll hold these bastards off, you guys run now!"

"Little Luo, if we go, what about you?!"

"Brother Yang, if we live, we live together; if we die, we die together!"

"We are brothers, how can we abandon you!"

Flame Emperor and others gritted their teeth, unwilling to leave.

"If I tell you to go, just go.

Anyone who doesn't isn't my brother anymore!"

Yang Luo roared furiously.

He resolutely turned around, facing over sixty thousand people and more than ten thousand mutated beasts, determination flashing in his eyes!

"Aaah!"

Furious, Bujie bellowed, "You beasts, I will never coexist with you!"

Ning Jianfeng cried tears of blood and roared, "One day, I will annihilate all of you!"

"Go!"

Xiang Kunlun yelled, "We'll retreat first and then find a way to call for reinforcements!"

“Quick, go!”

Mo Qingkuang also shouted loudly.

The two of them, being the most composed, knew that staying would only drag Yang Luo down, possibly leading to total annihilation!

Therefore, they thought of escaping first and then bringing reinforcements!

“Don’t even think about escaping!”

“Let none escape!”

“Kill them!”

All the elders, with ferocious faces, roared angrily, leading over sixty thousand disciples and more than ten thousand mutated beasts charging towards them!

Yang Luo stepped down from midair, his aura and battle power surging anew!

“Great Dao Dragon Diagram!”

A massive thousand zhang Golden Dragon Totem condensed into existence, like a golden sun across the sky, slowly rotating above!

Waves of ancient, immense dragon might and dragon qi spread out, sweeping across heaven and earth!

The next second!

“Roar roar roar!”

Thirty thousand dragon illusions roared out, smashing into the charging elders, disciples, and mutated beasts!

“Counterattack!”

“Little beast, you still want to save people, what wishful thinking!”

The elders all screamed, unleashing powerful attacks.

Boom boom boom!

The explosion sounds were relentless!

Those roaring dragon illusions were destroyed, exploding in the skies!

“Continue!”

Yang Luo swung the sword in his hand, roaring out again.

“Roar roar roar!”

Another thirty thousand dragon illusions roared out, crashing towards those elders, disciples, and mutated beasts.

Although the more than sixty thousand people and over ten thousand mutated beasts on this side were held back!

But the sounds of fierce fighting came from behind!

Yang Luo swiftly turned his head to look!

A sudden change occurred!

Two more waves of over twenty thousand disciples and several thousand mutated beasts rushed over from afar, blocking the path of the Flame Emperor and others!

Chapter 2270: Audacious Demon, Accept Your Death Quickly!

Flame Emperor and others had no chance to escape—they were caught up in an intense battle with those disciples and mutated beasts!

“Damn it!

How can there still be people?!”

Yang Luo clenched his teeth and roared furiously, his heart sinking to the bottom!

“Hahaha...”

“Little beast, does it hurt?

Are you feeling despair?

Helpless?”

“Do you really think that’s all the people we have?”

“We’ve long since laid a Heavenly Net, with layers of blockades.

Resign yourselves, there's no escape for you!"

Those elders all burst into uproarious laughter.

The disciples were laughing as well, their smiles particularly smug.

Yang Luo clenched the Dragon Emperor Sword tightly, glaring menacingly at these elders and disciples!

He spoke deliberately, word by word, "If I don't die today, I swear I will flatten every one of your sects and clans one day!

If I fall in battle today, I will surely drag you all down with me in death!"

"Little beast, you're so absurdly arrogant.

You're not even a Heavenly Immortal, how dare you spout such wild boasts?"

"Even a Heavenly Immortal wouldn't dare to say such things, and you think you're worthy?"

"As for dragging us down with you, that is even less likely.

There's only one outcome today—"that both you and your brothers will perish right here!"

The elders snickered hideously, their eyes brimming with disdain.

"Then come and try!"

Yang Luo immediately grabbed a handful of pills, gulped them down, healing his wounds and replenishing his energy!

He raised his sword, ready for a fight to the death!

“Attack!”

“Finish him off!”

Those elders roared, preparing to make their move.

But, just at this moment!

Voices resounded from all directions!

“Little Luo, we’ve arrived!”

“Mr.

Yang, Xuantian Sword Sect is here to lend aid!”

“Brother Yang, the Thunder Kun Family has come to support you!”

“The Fire Chi Family has come to support you!”

“The Hidden Immortal Sect has come to support you!”

...

Along with these voices,

One could see ancient boats rapidly flying in from all directions.

Each boat was filled with people, and large banners fluttered in the wind.

Arriving were—

The family heads and several elders from the four great clans: Taotie Family, Hundun Family, Thunder Kun Family, and Fire Chi Family!

The sect masters and several elders from the five great sects: Xuantian Sword Sect, Hidden Immortal Sect, Qingyun Sect, Divine Fire Sect, and Taiching Palace!

In addition to that, over thirty thousand elite disciples were present!

“What’s going on?!”

What are these guys here for?!”

“Could it be that they’ve come to help this little beast?!”

Bai Yinfeng, Qiao Xianci, and others were biting their teeth in confusion, not understanding the situation.

The cultivators who were spectating from a distance were also dumbfounded.

“Taotie Family, Hundun Family, Xuantian Sword Sect...

how come these clans and sects have also arrived?!”

“Are they here to join the siege against Yang Luo?”

“It doesn’t look like it, though!”

These cultivators were full of doubt, unable to figure out what was happening.

The ancient boats soon arrived above Divine Wood Cliff.

Yang Luo was also taken aback and asked, “Uncle Huangfu, Uncle Helian, Elder Lu...

how come you’ve all come?!”

Huangfu Longteng said, “Little Luo, we’ve been keeping an eye on movements of the Heavenly Amplification Sect, the Immortal Sword Sect, and other major sects and clans these past few days!

Upon learning of their plan to move against you today, we quickly gathered our forces and rushed over!”

Helian Xiongqi spoke powerfully, “Little Luo, you hurry and take your brothers away.

We’ll hold them off for you!”

Yang Luo bowed and said, “Thank you all for coming to aid me.

I will surely repay this great favor in the future!”

Lu Jiankun raised his hand and said, “Mr.

Yang, forget about repaying favors.

You helped our Xuantian Sword Sect understand the Arrogant Sword Scripture and even imparted its teachings to us!

“It was you who saved our Xuantian Sword Sect in the first place.

How could we not repay such a kindness!”

“Brother Yang, there’s no need for words.

We’re brothers, and we should help each other!”

“Mr.

Yang, hurry and leave!”

Jing Yucheng and others also spoke out one after another.

At this moment.

Bai Yinfeng and Qiao Xianci’s faces had already turned extremely grim.

Originally, Yang Luo was in a desperate situation and couldn’t hold out for much longer.

Unexpectedly, someone came to help.

Bai Yinfeng said fiercely, “Brother Huangfu, Brother Helian, are you truly part of us from Penglai Immortal Island!

Do you really want to side with the enemy of the Kunlun Ruins against us?"

Qiao Xianci said coldly, "As members of Penglai Immortal Island, our sects and families should be united and repel outsiders, not slaughter one another!

As long as you leave now, we can pretend you were never here!"

Huangfu Longteng said sternly: "Just as you said, we are all members of Penglai Immortal Island, and I also do not wish to stand against you!

As long as you release Little Luo and the others, we will naturally leave!"

"Huangfu Longteng!"

Bai Yinfeng ground his teeth, roaring furiously, "Are you really going to burn bridges with us?!"

Helian Xiongqi said dominantly, "What if we do burn bridges?

In any case, we have sworn to protect Little Luo!

Whoever dares to touch him is picking a fight with our Hundun Family!"

"Good!

Very good!

Extremely good!"

Bai Yinfeng was furious but laughed instead, booming, "Gentlemen, seeing as these fools are so ungrateful, let's eliminate them too!"

"Good!"

"Whoever dares to protect that brat Yang Luo is our enemy!"

"Do you really think we are afraid of you?!"

The people from sects and families like the Heavenly Amplification Sect and Immortal Sword Sect roared and rushed towards Huangfu Longteng and the others!

"Little Luo, run!"

Huangfu Longteng shouted to Yang Luo and then led the Taotie Family into the fray!

"Little Luo, don't worry about us, these guys can't do anything to us!"

Helian Dongsheng also shouted to Yang Luo, and then fought his way forward with the Hundun Family!

In an instant!

A more terrifying battle erupted!

Yang Luo originally wanted to stay and continue fighting!

But thinking of how his brothers were all seriously injured and couldn't last much longer, he had to leave now and plan anew!

"Sigh..."

Yang Luo let out a long breath of turbid air and shouted to Bujie and the others, “Brothers, let’s go!”

Then, Yang Luo led Bujie and the others, pushing forward, ready to leave the Divine Wood Cliff!

But just then!

A booming voice that sounded like thunder reverberated across the skies and echoed in all directions!

“How dare you, demon, not die quickly!”

Just this voice alone caused everyone’s eardrums to buzz!

Those with weaker cultivation felt a piercing pain in their spirits, a churning of blood, vomiting fresh blood!

The next instant!

Boom!

A huge void cave exploded in the distant sky!

As the void cave burst open!

Brilliant golden Buddhist light shot forth, illuminating the vast sky and the earth!

Moreover, within the void cave, towering illusions of Buddhas, Bodhisattvas, Venerables, Vajras, Arhats, and more appeared!

Also, the sound of ten thousand Buddhas reciting scriptures arose!

“Who is it?!”

“Causing such a great disturbance, could it be a Heavenly Immortal has arrived?!”

“Heavenly Immortal?!”

Which Heavenly Immortal has come?!”

Everyone on site exclaimed in shock, looking up towards the void cave in the distant sky.

Yang Luo also looked up, his expression solemn!

It seems a Heavenly Immortal...

has indeed come!
