

Super IDG 2311

Chapter 2311: Pill Completed!

In a blink of an eye, five days had passed.

During these five days, Gu Tianshang and the other three gave Bujie and the others strict guidance and intense training.

Bujie and the others were crying out in suffering and exhaustion.

Even Flame Emperor and International Diva, who had already stepped into the True Immortal realm, couldn't handle it.

They were exhausted to the brink every day.

The key issue was that Gu Tianshang and his group were too insane, training them day and night without giving them any time to rest.

However, under the strict guidance and intensive training from Gu Tianshang and his group, everyone had a significant improvement.

On the evening of the fifth day.

On top of a mountain.

“Senior Gu, can we rest for a bit?

I’m utterly exhausted!”

Bujie cried out and sprawled on top of the mountain, gasping heavily.

“The four seniors, it’s not nice to treat us like this, you’re really pushing us to death!”

Ning Jianfeng also lay on the mountain top and howled mournfully.

“I can’t take it anymore, I can’t keep up!”

Big White also howled.

Flame Emperor and the others sat on the mountain top as well, panting heavily, sweat pouring like rain.

Zuo Canghai said annoyed, "It's only been a few days, and you already can't keep up?"

Don't all of you want to become stronger?

Do you think becoming strong is that easy?"

Chu Junlin said, "Little guys, since you don't have talent and comprehension as high as Yang Luo, you have to work even harder!

Although diligence can hardly make up for lack of talent, as long as you are diligent enough, you can still make up for some deficiencies in talent!"

Linghu Wuxie remained very strict, thundering, "Why are you still lying there?

Get up right away and continue the special training!"

"What?!"

We have to continue?!"

“Can’t we rest for a bit?!”

“The four seniors, we are only Earth Immortals and True Immortals, our bodies can’t compare to yours!”

Everyone was moaning and begging for mercy.

Gu Tianshang couldn’t help but shake his head with a wry smile, “Alright, alright, these little guys have been training for five days, they are indeed tired, let them rest for a bit.”

Zuo Canghai nodded, “Okay, let them rest for two hours.

After two hours, continue.”

However, just at that moment!

Boom!

A loud roar suddenly erupted from the valley where Yang Luo was located!

Gu Tianshang and the others quickly turned their heads to look in the direction of the valley!

They saw a golden beam of light soaring into the sky from the valley, piercing through the Cloud Sea, illuminating the night sky!

“Hmm?”

Could it be that Brother Yang has already refined the ‘Nine Revolutions Protecting God Pill’?!”

“Looking at this situation, it seems like he has succeeded!”

“Let’s go over and take a look!”

Bujie and the others got up.

“Let’s go!”

Gu Tianshang took a big swing with his arm, leading everyone towards that valley.

Soon, Gu Tianshang and the others arrived at a big mountain where the valley was located.

A golden beam of light was continuously shooting out from the cauldron, illuminating the entire valley!

Moreover, thick fragrances of the pills wafted out from the cauldron, enveloping not only the entire valley but also drifting outside the valley!

After a while.

The golden beam of light gradually dissipated.

When the beam of light dissipated.

A pill the size of a pigeon's egg, emitting golden light, flew out of the Ten Thousand Dragon Cauldron.

After flying out of the Ten Thousand Dragon Cauldron, it continued to rise until it stopped above the valley.

Just then!

Whoosh whoosh whoosh!

Rumble rumble!

A violent wind suddenly rose above the Cangqiong, dark clouds surged, and thunder exploded!

They saw a hole blasted open in the Cangqiong above, with various colors of lightning swirling inside!

“Holy shit!”

Bujie shouted in alarm, “What’s going on, why is there heavenly lightning?”

Could it be that Brother Yang is about to face the tribulation?!”

Flame Emperor and the others were also shocked, their faces dramatically changed!

“No, that’s not right!”

Gu Tianshang stared at the sky, saying, “This is Pill Tribulation!”

“Yes!”

Linghu Wuxie nodded, "To refine immortal pills, one must endure the baptism of the Pill Tribulation!"

"Everyone quickly retreat!"

Gu Tianshang shouted loudly.

Immediately, everyone swiftly retreated.

Just as everyone withdrew!

Boom!

A massive white lightning bolt, several meters in size, struck down and instantly engulfed the pill!

Sizzle sizzle sizzle!

Electricity and fire light flickered, producing the sound of rumbling muffled thunder!

“It really is the Pill Tribulation!”

Ji Longyue exclaimed, “When Brother Yang refined the ‘High Grade Heavenly Immortal Pill’ back then, he also faced the Pill Tribulation!”

“Yes, and nine times at that!”

Baili Wushuang also sighed, “Up until now, the scene from back then remains vivid in my memory!”

Thus, they thought of a few months ago, when Yang Luo was cultivating the ‘Undying Golden Body’ and refining the ‘High Grade Heavenly Immortal Pill’ at Immortal Furnace Mountain!

At that time, tens of thousands of spectators witnessed the birth of the immortal pills!

And today, Yang Luo has refined a second immortal pill and once again faces the Pill Tribulation!

Linghu Wuxie looked up into the sky and said, “If this pill cannot withstand the lightning tribulation, it will be completely destroyed!”

Then all the effort this young man has put in these past few days will have been in vain!”

Chu Junlin said, "Now it depends on whether this pill can withstand the lightning tribulation!"

Everyone looked up into the sky, and tension rose among them.

Yang Luo was sitting cross-legged in the sky, looking upwards, feeling very nervous and anxious.

He had spent eight strains of Immortal Medicine to refine the 'Nine Revolutions Protecting God Pill'.

If it couldn't withstand the lightning tribulation, all his efforts would be wasted.

A few minutes later.

The first heavenly lightning slowly dissipated.

And indeed, the pill had no damage; instead, it gained a lightning pattern.

"It held up!"

"It has withstood the first heavenly lightning, but who knows how many more will come this time!"

“Could it be nine again?”

“If it is nine, can it withstand them?”

Everyone exclaimed excitedly, growing more anxious by the moment.

Just then!

Boom!

The second massive, orange-colored heavenly lightning, several meters in size, struck down like a thick lightning pillar, once again engulfing the pill!

Rumble rumble rumble!

The sound of rolling muffled thunder continued, buzzing everyone’s eardrums!

The mutated beasts on the island hid in the distance to watch, trembling with fear!

After about ten minutes.

The second heavenly lightning also dissipated.

The pill's surface now bore the second lightning pattern.

"It held up again!"

"As long as it continues like this, it will surely endure all the lightning tribulations!"

"It looks like another immortal pill is about to be born!"

Everyone grew excited as well.

In the time that followed.

Boom, boom, boom!

...

Heavenly lightning struck down one after another, fiercely hitting the pill!

The pill floating in the sky kept sinking under the strikes!

Until the lightning completely dissipated.

Only then, a pill flashing with nine-colored lightning appeared suspended in the air.

But fortunately, this pill had withstood the successive assaults of the lightning tribulations.

A full hour passed.

Finally, the lightning tribulation ceased.

The dark clouds, wild winds, and lightning in the sky slowly dispersed.

Until the lightning enveloping the pill completely faded away.

That's when everyone saw, a pill flashing with nine-colored light floating in the sky.

Having endured the baptism of the lightning tribulation, this pill was round and full, shiny and translucent, engraved with nine lightning patterns, and exuded a rich fragrance.

The 'Nine Revolutions Protecting God Pill' was finally successfully refined!

Chapter 2312: Defying the Heavens!

"Success!"

"My heavens, it really succeeded!"

"This pill actually withstood the baptism of nine heavenly lightnings, it's incredible!"

Everyone erupted in excited cheers.

"Immortal pills have come into the world!"

Gu Tianshang exclaimed in admiration, "This youngster's alchemy has reached the peak, far surpassing those so-called Immortals of Alchemy!"

Zuo Canghai couldn't help but marvel, "I did not expect this youngster to actually be able to concoct immortal pills, impressive!"

Linghu Wuxie and Chu Junlin were both full of admiration as well.

In the valley.

Seeing the “Nine Revolutions Protecting God Pill” withstand the baptism of nine heavenly lightnings, Yang Luo finally breathed a sigh of relief.

If it had failed, the eight types of Immortal Medicine he had collected would have been wasted.

It was uncertain whether he could gather these medicinal herbs again in the future.

Fortunately, it was a success.

His confidence in crossing the Heavenly Immortal Thunder Tribulation increased considerably.

Yang Luo gathered up the Ten Thousand Dragon Cauldron and the remaining medicinal herbs, flew up high, caught the Nine Revolutions Protecting God Pill, and approached where Gu Tianshang and the others were.

“Young man, congratulations on successfully concocting an immortal pill!”

“Brother Yang, congratulations, congratulations!”

“Brother Yang, you are too awesome, to have concocted another immortal pill!”

Everyone offered their congratulations.

Yang Luo said, “It was also thanks to the help of the four seniors, if it wasn’t for those five medicinal herbs, I couldn’t have concocted the ‘Nine Revolutions Protecting God Pill.’”

Gu Tianshang waved his hand and said, “We didn’t help you much, just provided a few herbs.

If your alchemy level wasn’t up to par, even if we provided more medicinal herbs, it wouldn’t have been of any use.”

“That’s right, that’s right!”

Zuo Canghai grinned and said, “Young man, if I need any pills in the future, I’ll come to you to help me concoct them!

But rest assured, I’ll prepare the medicinal herbs myself!”

“No problem!”

Yang Luo readily agreed.

Gu Tianshang looked at Yang Luo, his expression serious, “Young man, if you don’t suppress your realm, the Heavenly Immortal Thunder Tribulation might descend before long!

Are you really ready?”

“Ready!”

Yang Luo clenched his fist and declared, “Since heaven wants to punish me, I will go against the heavens!

Even if I have to give it my all, I must cross the Heavenly Immortal Thunder Tribulation!”

“Haha, what a sentiment to go against the heavens!”

Gu Tianshang laughed heartily, “Young man, cultivating is indeed an act of going against the heavens!

To succeed in crossing the tribulation, one must embrace the courage and determination to die nine times without regrets!”

“Yes!”

Yang Luo nodded strongly.

Gu Tianshang said, “Young man, before the Heavenly Immortal Thunder Tribulation descends, I and Brother Linghu will give you proper guidance and share our experiences of crossing the Heavenly Immortal Thunder Tribulation.”

Zuo Canghai said, “Young man, this is all we can help you with.

Whether you can successfully cross the tribulation still depends on you.”

Yang Luo bowed and said, “Thank you very much to all the seniors!”

“

Time flew swiftly.

Before anyone noticed, ten days had passed.

During these ten days.

Gu Tianshang and the others continuously guided Yang Luo, also sharing their experiences of crossing the Heavenly Immortal Thunder Tribulation.

Of course, aside from guiding Yang Luo, Gu Tianshang and the others also continued guiding Bujie and the rest.

On the morning after the ten days.

Yang Luo sat cross-legged at the top of a mountain, cultivating.

While cultivating, he consolidated his cultivation, trying his best to adjust his mental state to the optimum, making final preparations to cross the Heavenly Immortal Thunder Tribulation.

However, during this preparation process, he felt unsettled, with his energy and blood agitated and uneasy.

He also knew that the Heavenly Immortal Thunder Tribulation was likely about to descend soon.

On a distant mountaintop.

Gu Tianshang and others silently watched Yang Luo.

Linghu Wuxie, with his hands clasped behind his back, said, "This kid really hasn't suppressed his realm.

It looks like he's truly prepared to risk his life in this tribulation!"

Chu Junlin sighed and remarked, "I'm afraid it will be no more than a week before this kid faces the Heavenly Immortal Thunder Tribulation!"

"Only a week left?!"

"That soon?!"

Bujie and the others were dumbfounded.

"That's right."

Chu Junlin nodded and continued, "It might even be less than a week before it happens."

Upon hearing Chu Junlin's words.

Flame Emperor and others clenched their fists and looked towards Yang Luo.

Yang Luo was indeed about to undergo tribulation, and it was the Heavenly Immortal Thunder Tribulation.

Should he successfully transcend, Yang Luo would rise to the ranks of true powerhouses in both great heavenly realms.

But if he failed, Yang Luo would vanish completely, crushed and completely annihilated.

Although they didn't want to think negatively, they still worried.

"We've done all we could; whether this kid can successfully transcend is now up to his own fate."

Gu Tianshang said these words, then continued, "Brother Linghu, Brother Chu, Brother Zuo, continue to mentor these youngsters; I will go and investigate the situations of the Heavenly Amplification Sect and the Immortal Sword Sect."

"Alright!"

Linghu Wuxie and the other two nodded in agreement.

Gu Tianshang cast one last look at Yang Luo, then soared into the sky, turning into a streak of light and flying away from the Immortal Burial Island.

Zuo Canghai said, "Let's not disturb this kid anymore, continue with the intensive training!"

This kid is already challenging the Heavenly Immortal level, you all need to work hard too!”

“Yes!”

Everyone responded in unison.

Afterward, Linghu Wuxie, Chu Junlin, and Zuo Canghai continued the intensive training for Bujie and the others.

At this moment.

Yang Luo was cultivating.

“Kid, come in quickly, we have something to tell you!”

The voice of Long Xinghe suddenly echoed in his mind.

“Seniors, what do you want to tell me?”

Yang Luo asked curiously in his mind.

“Of course, it’s about your Heavenly Immortal Thunder Tribulation!”

The voice of Long Tianchi also sounded.

“Alright, I’m coming in!”

Yang Luo responded, then entered a meditative state.

Soon.

He appeared in the Divine Sense Space.

He saw Long Xinghe, Long Dao, Long Tianchi, and Long Youlan flying towards him.

Long Tianchi chuckled and said, “You, kid, are finally about to face the Heavenly Immortal Thunder Tribulation, it wasn’t easy at all!”

Long Dao indifferently said, “These past times, those four old folks you mingled with, although only Heavenly Immortals, are quite notable in this lower plane.

They must have guided you quite a bit, right?”

Yang Luo was momentarily stunned and asked, “The four seniors, did you all know already?”

“Of course.”

Long Tianchi laughed and added, “We knew since you first sparred with the first old fellow.

However, since those four old folks had no ill intentions and patiently guided you, we didn’t interfere too much.”

“I see.”

Yang Luo suddenly understood.

But it made sense, the four seniors were in his Divine Sense Space, but they could still sense what was outside.

Especially since Gu Tianshang and others were Heavenly Immortals; just a minor aura from them is enough for Senior Xinghe and others to sense.

Long Xinghe looked at Yang Luo and asked, "Little Luo, your Heavenly Immortal Thunder Tribulation is about to descend.

Are you prepared?"

Yang Luo, sighing, said, "Senior Xinghe, although I have made some preparations, I'm actually not confident about whether I can successfully transcend the tribulation."

Chapter 2313: What Kind of Terrifying Existence?

Primordial Divine Dragon stood with his hands behind his back, saying, "Lad, this Heavenly Immortal Thunder Tribulation may indeed be terrifying for you at the moment.

But, once your cultivation and vision continue to improve.

Looking back, you'll realize that this Heavenly Immortal Thunder Tribulation was nothing more than a wave in your life.

Such a Heavenly Immortal Thunder Tribulation is nothing at all.

So, don't be nervous, just relax."

Long Youlan also said, "Little Luo, the more nervous you are, the harder it will be to overcome.

As long as you relax, go into it light-footed, the chances of passing the Heavenly Immortal Thunder Tribulation will be much greater."

Long Tianchi scoffed, “Heavenly Immortal Thunder Tribulation my ass, the tribulations you’ll have to pass in the future are much more terrifying than this!”

Long Daoyi also spoke, “Whether you can cross the tribulation depends on whether you can shake the heavens!

If you can shake the heavens, then no tribulation is a problem!

Lad, you are Brother Yang’s son; don’t you have even this bit of courage?

You should know, your father once beat down several old guys who were in charge of the lightning tribulation!”

“Huh?!”

Yang Luo was suddenly dumbfounded, “Someone controls the lightning tribulation?!”

“That’s right.”

Long Daoyi nodded, “They are collectively known as ‘Heavenly Path’, also referred to as ‘the heavens’.”

“Heavenly Path?

What is Heavenly Path?!”

Yang Luo asked blankly, “Also, was my father really so awesome, actually beating down the people controlling the lightning tribulation?!”

Long Daoyi chuckled and said, “No matter how much I tell you now, you won’t understand.

Once your cultivation and vision have improved, we will slowly tell you these things.

You just need to know, your father is the number one figure in the myriad worlds, an existence that defied the heavens and challenged the Path itself.”

Number one figure in the myriad worlds?

Defying the heavens and challenging the Path?

Oh my goodness, just how terrifying an entity is my own father!

Since even my father could defeat the Heavenly Path that controls the lightning tribulation, if I were to be killed by a mere Heavenly Immortal Thunder Tribulation, that would be too embarrassing!

Yang Luo took a deep breath, his eyes resolute, “Senior ancestors, I am determined to overcome the Heavenly Immortal Thunder Tribulation and step into the realm of Heavenly Immortal!”

“That’s more like it!”

Long Tianchi grinned and said, “That’s the kind of courage and resolve you need to have!”

Yang Luo suddenly remembered something and said, “By the way, seniors, I’ve encountered a problem that has been troubling me.”

“What problem?”

Primordial Divine Dragon asked.

Yang Luo said, “Recently, with Senior Gu’s help, I’ve finally learned the complete ‘Twelve Shaman Primal Heavenly Art’, and can summon the twelve Ancestral Magi.

Senior Gu and I have been trying to merge the twelve Ancestral Magi, to summon the Pangu Emperor, but we have never succeeded.

So, I'd like to ask you seniors for advice on how to merge the twelve Ancestral Magi."

Long Daoyi spoke, "First, demonstrate this cultivation technique and summon the twelve Ancestral Magi for us to see."

"Okay!"

Yang Luo nodded in response, and then his body shook as he mobilized the energy within him continuously!

"Twelve Shaman Primal Heavenly Art!"

"Gonggong, Zhurong, Qiangliang, Houtu, Goumang, Rushou!"

"Dijiang, Xuanming, Zhuweizi, Tianwu, Candle Dragon, Shebi!"

Along with the shout!

Twelve ancient totems coalesced above him!

As twelve beams of light soared into the sky, twelve majestic Ancestral Magi, each more than a thousand zhang tall, stood in the air!

Long Tianchi said with a smile, "I didn't expect you, lad, to truly learn the complete 'Twelve Shaman Primal Heavenly Art'.

This cultivation technique is not simple, its power is strong, it must have been created by the real twelve Ancestral Magi working together.”

“This cultivation technique was created by the twelve Ancestral Magi?!”

Yang Luo was suddenly startled.

“Should be.”

Long Tianchi nodded, saying, “Logically speaking, the twelve Ancestral Witches can be fused.

As long as the fusion is successful, the Pangu Emperor can definitely be summoned.”

Yang Luo’s face lit up with joy, and he hurriedly asked, “Then how can the fusion be successful?”

Long Xinghe gazed at the twelve Ancestral Witches and said, “To fuse the twelve Ancestral Witches, it seems difficult and yet simple.

If you want to successfully fuse the twelve Ancestral Witches, you must ensure that your will is aligned with that of the twelve Ancestral Witches.”

Long Daoyi took over the conversation, saying, “Of course, another point is that you need to control these twelve Ancestral Witches with absolute dominance!

Even though these twelve Ancestral Witches are only illusions, they still embody the will of the twelve Ancestral Witches!

All the twelve Ancestral Witches are Ancient Gods and Demons, capable of Swallowing Heaven and Devouring Earth, Moving Mountains and Seas, and altering the sky and land with ease!

Hence, even if it’s just their will, it’s not something ordinary people can suppress!

If you cannot gain the recognition of these twelve Ancestral Witches, why would they follow your command?"

Yang Luo said dumbfounded, "So to successfully fuse the twelve Ancestral Witches, one must align with their will and gain their recognition!"

"That's right!"

Long Xinghe nodded and said, "Now that we've given you the method, whether you can succeed depends entirely on you!"

"Alignment of will...Recognition..."

Yang Luo murmured to himself and then bowed with his hands clasped, expressing, "Thank you, seniors, for the guidance!"

Now that he knew the method, all that was left was to try according to these two points.

"No need for thanks."

Long Xinghe waved his hand, "Kid, there are still a few days left before the Heavenly Immortal Thunder Tribulation descends.

During these days, we will impart to you the experience of tribulation, helping you stabilize your cultivation and adjust your condition."

"Good!"

Yang Luo nodded.

...

In the blink of an eye, three more days had passed.

In these three days.

Yang Luo was always receiving guidance in the Divine Sense Space from Long Xinghe and the others.

Bujie and the others were outside receiving instructions and special training from Linghu Wuxie, Chu Junlin, and Zuo Canghai.

On a clear morning, three days later.

Yang Luo still sat cross-legged on a distant mountain, cultivating and seeking Enlightenment.

Linghu Wuxie and the others were instructing and giving special training to Bujie and the rest.

At that moment.

A figure flew from a distance and, in the blink of an eye, arrived at the mountain peak where Linghu Wuxie and others were located.

“Senior Gu!”

“Senior Gu, you’re back!”

“Did you find out any news?”

Everyone hurried over.

Gu Tianshang said, "I have fully investigated the situation.

The Heavenly Amplification Sect and Immortal Sword Sect are leading the Great Sects and families to convene a 'Demon Extermination Conference' aimed at dealing with me, Brother Linghu, Brother Chu, and Brother Zuo."

"Oh?"

Linghu Wuxie sneered coldly, "It looks like those guys can't wait to take action against us anymore!"

Gu Tianshang nodded, "This time, they plan to unite all the sects and families from Penglai Immortal Island who have grievances with us and strike against us together.

It's said that Heavenly Immortals from several top Great Sects and families will also take action."

Zuo Canghai was not afraid at all and said coldly, "They want to deal with us?

Then let them try if they dare!

If they dare to come, I'll make sure they won't return!"

Linghu Wuxie's eyes were icy, and he muttered sinisterly, "It seems we've been silent for too long, and now some cats and dogs think they can come out and cause trouble..."

Chapter 2314: Arrival of the Heavenly Immortal Thunder Tribulation!

Yang Luoge and others were utterly shocked.

They never expected that Heavenly Amplification Sect, Immortal Sword Sect, and other major sects and families really planned on joining forces to deal with the four seniors.

Moreover, these sects and families were even preparing to deploy Heavenly Immortals.

They knew that these top sects and families all had Heavenly Immortals presiding over them.

If all these Heavenly Immortals took action, could the four seniors really manage?

Once multiple Heavenly Immortals start a war, how terrifying would that be?

It's simply unimaginable!

"Hmph!"

Chu Junlin sneered viciously, "It's time to make these guys pay a heavy price.

If we don't kill some of them, they really won't know what fear is!"

"Exactly!"

Zuo Canghai said thunderously, "These guys want to kill us too?

They really are overconfident!"

Linghu Wuxie said domineeringly, "Let them come; what do we have to fear?"

Hearing these three.

Bujie and the others shuddered in terror.

They also noticed that these seniors really didn't seem afraid!

Gu Tianshang pondered for a moment, his eyes shifted, and he said with a smile, "Why wait for them to come and kill?

Can't we take the initiative to attack instead?"

"What do you mean?"

The three, Linghu Wuxie, looked puzzledly towards Gu Tianshang.

Gu Tianshang said, "If we really let them come, my island is unlikely to be spared!

So, I propose that we just go and attack them directly when the time comes!"

"Yes, this proposal is good.

Instead of waiting for the enemy to make the first move, we'd better launch the attack first!"

"Hahaha, good, good, taking the initiative is good!"

"Brother Gu, when and where are they holding the 'Demon Extermination Conference'?"

The three, Linghu Wuxie, asked repeatedly.

Gu Tianshang replied, "They will hold the 'Demon Extermination Conference' in three days, and it will be at Ten Thousand Immortals Mountain on Heavenly Sword Island!"

“Oh...”

Linghu Wuxie nodded, his eyes narrowing, “Heavenly Sword Island, Ten Thousand Immortals Mountain, alright!

Very well, then in three days, we’ll take the initiative and kill our way to Ten Thousand Immortals Mountain!”

Chu Junlin said, “When they gather together, it will be easier for us to make a move, rather than looking for them one by one!”

Zuo Canghai chuckled, saying, “I really wonder what their reactions will be when they see us at that time!”

“Good!”

Gu Tianshang gave a cold smile, “Then the four of us will go together in three days!”

“Seniors, we will accompany you!”

“Right, we have a deep-seated vengeance with those guys, and we’ve been wanting to seek revenge for a long time!”

“With the seniors supporting us, we no longer fear them!”

People like Bujie all spoke out.

Zuo Canghai frowned and asked, “Do you guys want to go too?”

“Going!”

“Of course going!”

“This is a great opportunity for revenge, we could not miss it!”

Everyone nodded firmly.

Gu Tianshang thought for a moment and said, “Since these youngsters want to go, let’s just bring them along!

We can also test the results of their special training during this period!”

“Alright, let’s take them with us!”

Zuo Canghai nodded and then told Bujie and the others, “Youngsters, you can go!

However, when the time comes, you must prioritize your safety and not overestimate yourselves if you are outmatched!”

“Yes!”

Everyone responded in unison.

“Seniors, shall we also invite Brother Yang to join us?”

Bujie asked.

Gu Tianshang turned to look at Yang Luo and said, “This young man is currently making final preparations for the Heavenly Immortal Tribulation, so we should not disturb him.

Of course, if he can overcome the Heavenly Immortal Tribulation in these few days, then he can join us too.”

“Indeed.”

Zuo Canghai beamed, “If this young man steps into the realm of Heavenly Immortal, then he can become one of our main forces.

With his strength, Guduo that old fellow will definitely be no match for him at that time.

“Even against a Mid-stage Heavenly Immortal, he would stand invincible.”

Gu Tianshang hummed and said, “Now, let’s see if this kid can step into the Heavenly Immortal realm...”

However, before he could finish his sentence—

Suddenly!

Boom boom boom!

The sky above where Yang Luo was suddenly exploded with a Thunderclap, like a bolt from the blue!

The azure sky was torn apart by a long rift, utterly terrifying!

The small island and the birds and beasts around the sea were frightened into a shudder, hastily fleeing!

“What’s happening?!”

How can there be thunder out of the blue?!”

“Could it be that Brother Yang is about to face his tribulation?!”

“Wasn’t it supposed to be a week?

Why is the tribulation starting after just three days?!”

Bujie and the others exclaimed in shock, clearly frightened.

Gu Tianshang and the others also looked up at the sky, their brows tightly furrowed.

Just minutes after the first clap of thunder”

Boom boom boom!

The second clap of thunder sounded again!

The thunder was louder, buzzing in the ears of Bujie and the others!

The sky was torn open again, causing palpitations!

Shortly after the second clap of thunder”

Boom boom boom...

Boom boom boom...

The third, fourth, and fifth claps of thunder followed one after another!

And with each clap, the thunder grew louder and more terrifying!

The sky was ripped with dense tears, becoming increasingly frightening!

“Not good!”

Gu Tianshang’s face drastically changed as he exclaimed, “This kid is really going through his tribulation!”

Linghu Wuxie said, “We need to quickly wake this kid up and take him to an open area to face his tribulation!”

“Holy shit!

Is Brother Yang really going through his tribulation?!”

Bujie’s mouth twitched as his body trembled.

Ning Jianfeng, stunned, said, “This Heavenly Immortal Thunder Tribulation came so quickly and violently, can Brother Yang succeed?”

Xu Ying gritted her teeth and said, “Brother Yang will definitely succeed!”

Flame Emperor and everyone else became even more nervous and uneasy!

Yang Luo’s Heavenly Immortal Thunder Tribulation had truly arrived!

Just as Gu Tianshang was about to call out to wake Yang Luo—

Yang Luo suddenly opened his eyes.

Two golden beams like swords burst forth from his eyes, slicing through the blood sky.

Yang Luo stood up and looked up at the sky, his expression neither joyous nor sad.

These past few days, he had been receiving guidance in the Divine Sense Space from Senior Xinghe and the others.

Moreover, Senior Xinghe and the others had also imparted quite a bit of their experience to him.

Now, he was fully prepared to face the tribulation.

Gu Tianshang flew over directly, grabbed Yang Luo's arm, and said sternly, "Kid, the Heavenly Immortal Thunder Tribulation is about to arrive, I'm taking you to an open area to face it now!"

"Then I'm troubled, Senior Gu!"

Yang Luo nodded.

"Let's go!"

Gu Tianshang shouted, grabbed Yang Luo, and soared directly into the sky, turning into a streak of light, flying towards the distance.

In just a few breaths, Yang Luo and Gu Tianshang had already disappeared from everyone's sight.

"Senior Gu!"

"Brother Yang!"

“Wait for us!”

Everyone exclaimed in shock.

Linghu Wuxie immediately took out a black-purple ancient boat, enlarged it by dozens of meters, and said, “Little fellows, let’s follow them!”

“Okay!”

Everyone responded, jumping onto the ancient boat.

Then, Linghu Wuxie, Chu Junlin, and Zuo Canghai simultaneously activated the ancient boat!

The ancient boat suddenly accelerated, turning into a black-purple streak of light, chasing after them!

Chapter 2315: Tribulation!

After flying away from Immortal Burial Island.

Gu Tianshang took Yang Luo and flew rapidly toward the deep sea.

Rumbling...

Rumbling...

Thunder roared incessantly above Yang Luo’s head, deafening.

The birds in the skies and the mutated beasts in the sea all fled in terror.

Yang Luo looked up, his expression cold and stern.

This reminded him of the time he faced the Earth Immortal Tribulation.

However, this time, just the signs of the Heavenly Immortal Thunder Tribulation were already countless times more terrifying than the entire Earth Immortal Tribulation.

He couldn't imagine the power of the Heavenly Immortal Thunder Tribulation!

Gu Tianshang spoke, "Kid, relax, don't be nervous, don't be afraid!

The more nervous and scared you are, the harder it will be to get through!"

"Understood!"

Yang Luo nodded heavily and then said, "By the way, Senior Gu, regarding the fusion with the twelve Ancestral Witches, I have a method."

He planned to teach Gu Tianshang the methods Senior Xinghe and the others had taught him.

"Oh?"

Gu Tianshang asked curiously, "What method?"

Yang Luo said, "To merge with the twelve Ancestral Witches, one must resonate with their hearts and gain their approval.

It might be difficult for now, but with continuous attempts, success is bound to come someday."

“Heart resonance...

approval...”

Gu Tianshang murmured to himself, then asked, “Kid, how did you come up with this method?”

“Uh...”

Yang Luo chuckled dryly and said, “I just figured it out on my own.”

He decided not to mention anything about Senior Xinghe and the others for the time being.

Gu Tianshang smiled and said, “The method you mentioned should be feasible.

I will try it out later.”

Yang Luo nodded.

Gu Tianshang looked up at the sky and said, “The signs of the Heavenly Immortal Thunder Tribulation are becoming more frequent; we need to hasten our pace!”

Saying so, Gu Tianshang sped up again with Yang Luo, flying toward the deeper parts of the sea.

Linghu Wuxie, Chu Junlin, and Zuo Canghai, among others, were rapidly chasing after them with Bujie and the rest.

It was unknown how long they flew.

Gu Tianshang took Yang Luo to a vast open sea.

This marine area was boundless, with no islands in sight for thousands of miles.

Gu Tianshang said, "This place is open with no human residents for thousands of miles around; we won't be disturbed.

Moreover, the spiritual energy here is abundant, and you can absorb it during the tribulation to replenish your qi and heal your injuries.

It is an excellent place for crossing the tribulation."

"Great, let's do it here!"

Yang Luo nodded.

Gu Tianshang said, "Kid, the Heavenly Immortal Thunder Tribulation is here, it's too late to regret now!

All you can do is give your all and get through it!"

Yang Luo smiled broadly and heroically said, "Senior Gu, from the moment I made up my mind, I never thought of retreating!

Once I successfully pass the tribulation, let's have a good drink together!"

"Hahaha, sure!"

Gu Tianshang laughed heartily, "Kid, I believe you can definitely get through it!"

At this moment.

Linghu Wuxie and the others also caught up.

“Kid, it’s all up to you now, you must succeed in the tribulation!”

“Kid, don’t be afraid of the Heavenly Immortal Thunder Tribulation, just give it your all!”

“Brother Yang, go for it, we look forward to seeing you become a Heavenly Immortal!”

“Brother Yang, move forward to greater strength!”

Linghu Wuxie, Bujie, and the others all cheered for Yang Luo.

Yang Luo bowed and said, “Thank you all seniors and brothers for your encouragement, I will definitely succeed in the tribulation!”

“Yes!”

Everyone nodded firmly.

Just at that moment!

Whoosh whoosh whoosh!

Between the sky and the vast sea, a terrifying gale began to blow, like a typhoon passing through!

Whoosh!

Thousands of massive waves, each a thousand feet tall, rose up from the ocean, sweeping towards the sky!

As the winds whipped fiercely, dark clouds also began to churn violently!

Billowing dark clouds spread out to all directions, centered right above this area!

“Everyone, retreat!”

Gu Tianshang shouted loudly, leading everyone to quickly withdraw.

Only after retreating dozens of miles away did they finally stop.

At this moment.

The sky within dozens of miles was completely engulfed by the dark clouds.

The vast sky looked as if it were smeared with ink, plunging this part of Heaven and Earth into endless darkness.

Flame Emperor and others watched as the dark clouds oppressed the sky, and couldn't help but shiver uncontrollably with a sense of horror.

The flying birds above and the mutated beasts in the sea had long since fled this place, not daring to come close.

Yang Luo stood firm in the sky, took a deep breath, and roared, “It's only the Heavenly Immortal Thunder Tribulation, what should I, Yang Luo, fear?

Bring it on!”

Accompanied by a thunderous roar!

Yang Luo unleashed his full momentum!

Boom!

A blindingly bright golden beam shot straight into the sky, breaking through the firmament and piercing into the dark clouds!

A tremendous and vast oppressive force and aura emanated from his body, sweeping in all directions of Heaven and Earth!

As Yang Luo released his oppressive force and aura!

The winds raged even more fiercely, and the dark clouds churned even more terrifyingly!

The next second!

Boom!

A huge hole exploded in the dark clouds right above Yang Luo's head, resembling a black hole torn open in the sky!

Boom boom boom!

Thunder roared, echoing across the seas and wilderness, like Immortal Gods roaring and demons bellowing!

Even Bujie and the others, who were so far away, felt as if their eardrums were about to shatter!

Moreover, they felt their hearts beating faster, and their blood and qi became somewhat restless!

Inside this hole, various colors of lightning surged crazily, dazzlingly spectacular!

The airflow in this area became chaotic, with tiny thunder threads flickering in the air, causing hearts to palpitate!

“Here it comes here it comes!

Brother Yang is truly going through the Tribulation!”

Bujie exclaimed in shock.

Ning Jianfeng stared at the sky and blankly said, “The heavenly lightning hasn’t even descended yet, and it’s already this terrifying?!”

Ji Longyue trembled and said, “How terrifying will this Heavenly Immortal Thunder Tribulation be?!”

Flame Emperor and others also looked towards the sky, their hearts raised in anticipation.

Although they had all crossed the Earth Immortal Tribulation and witnessed others doing the same,

this was their first time seeing the Heavenly Immortal Thunder Tribulation.

Thus, for them, everything was still unknown.

And the unknown was even more terrifying.

Gu Tianshang said, “Young ones, watch closely.

Observing the Heavenly Immortal Thunder Tribulation will give you a deeper insight!”

“Yes!”

Flame Emperor and the others nodded and looked towards the distant sky.

Just a little while later.

Boom!

A massive, ten-foot wide white heavenly lightning bolt struck straight down from the hole, fiercely aiming towards Yang Luo!

It was as if the Ancient Thunder God had descended with Thunder Punishment, intending to destroy all things in the world!

Yang Luo stood proudly in the air, not activating any defenses, and directly took on the heavenly lightning with his body!

Boom boom!

The lightning pillar instantly submerged Yang Luo!

Blinding lightning and thunder light burst forth, enveloping the area where Yang Luo was!

The sound of thunder grew even more terrifying, echoing in all directions of Heaven and Earth!

White lightning also instantly covered the entire sea area where Yang Luo was, wildly dancing above the sea!

The sea was blasted into a ten-foot whirlpool, utterly frightening!

With the descent of the first heavenly lightning, the Tribulation had officially begun!

Chapter 2316: The Heavens, We Continue!

At this moment.

Yang Luo was completely engulfed by the heavenly lightning.

What he saw was a vast expanse of white.

The power of the lightning struck his body furiously, making crackling sounds.

The strength of this heavenly lightning was indeed great, at least ten times more terrifying than the Earth Immortal Tribulation he had experienced before.

However, now his body was much stronger than before, countless times more resilient.

Such a level of heavenly lightning naturally couldn't harm him in the least.

Therefore, he planned to first withstand it with his physical body to see how many lightning bolts he could endure.

If he really couldn't hold on, then he would activate his defenses, set up a Protective Array, and take pills to cope with the lightning.

If he used all his trump cards from the start, he would definitely not make it through the later heavenly lightning.

After all, according to what Senior Gu and the others said, the 27 Lightning Tribulations he was to cross were definitely going to be the strongest.

He must endure until the end!

Definitely!

This first bolt of heavenly lightning didn't last too long before gradually dissipating.

As the lightning and brightness faded away.

Everyone looked up one after another.

All they saw was Yang Luo standing in the sky, unharmed.

Bujie excitedly said: "Great, Brother Yang has passed the first heavenly lightning!"

Everyone else was also very excited.

A good start also gave everyone confidence.

Zuo Canghai shook his head and said: "This is only the first bolt of heavenly lightning, don't get too excited too soon.

Keep in mind, because of his talent, comprehension, and potential, the number of heavenly lightning he must endure this time will definitely be over forty-five."

"Over forty-five?!"

"My god..."

Brother Yang almost lost his life going through twenty-seven bolts of Earth Immortal Tribulation before! Can he really get through so many heavenly lightning bolts this time?!”

“So many bolts of heavenly lightning...

even true immortals would not be able to endure!”

Everyone trembled and spoke out, clearly terrified.

It was during this discussion!

Gu Tianshang added: “The key is, the Heavenly Immortal Thunder Tribulation not only has a large number, its power also continuously increases!

Moreover, the closer it is to the end, the more terrifying the power of the lightning becomes!”

Hearing Gu Tianshang’s words.

Everyone felt their scalp tingle and their bodies shake.

So, the Heavenly Immortal Thunder Tribulation not only has a large number, but its power also continuously increases!

Can Yang Luo really make it through?

At this moment!

Boom!

A huge twenty-zhang long orange heavenly lightning bolt, like a lightning pillar, struck down ferociously!

Rumble!

The second heavenly lightning bolt also instantly engulfed Yang Luo!

Violent and fierce lightning surged continuously, dazzling thunder light kept flickering!

The vortex at sea that had not yet healed was blasted even bigger and deeper by this bolt of heavenly lightning!

The second bolt of lightning didn't last long before it quickly dissipated!

Yang Luo still stood in the distant sky, unscathed!

Flame Emperor and others no longer spoke, but stared intently at the distant sky!

In the time that followed.

Boom, boom, boom!...

Bolts of heavenly lightning struck down one after another!

The interval between each lightning bolt was very short, and the duration was also not long!

But the power of the lightning was continuously increasing!

A full half-hour passed.

The ninth large ninety-zhang heavenly lightning gradually dissipated.

After enduring nine bolts of lightning in a row, Yang Luo's body was cracked open with wounds, and his clothes were stained with blood.

However, fortunately, these were only superficial wounds, no big deal.

"Huff..."

Yang Luo exhaled a turbid breath.

He also realized that the nine bolts of lightning he just experienced were just an appetizer.

The next heavenly lightning would undoubtedly be even more terrifying.

It seems that I need to activate my defenses now.

At this moment.

Above the Cangqiong, the hole in the Void spewed out lightning of various colors even more violently, and the sound of thunder was even louder, resounding who knows how many miles away.

It was as if it was brewing an even more horrifying thunderstrike.

This time, the gap between strikes was fairly long.

After about fifteen minutes.

Boom!

The tenth lightning bolt thundered down from the Void Cave!

The lightning bolt shimmered with orange and white radiance, as large as a hundred yards, like a colossal lightning pillar pressing down!

Moreover, the power of this lightning bolt was several times more terrifying than the first nine!

At the moment the tenth lightning bolt struck!

Yang Luo's whole body shook, and he roared: "Undying Golden Body!"

His body suddenly flickered with blazing golden light, as if it was coated with a thin layer of gold, shining splendidly!

And just as he activated the "Undying Golden Body"!

Boom!

The orange and white heavenly lightning thundered down, engulfing him once again!

A radius of a hundred yards of the Cangqiong and the ocean was enveloped in orange and white lightning electricity!

Lightning surged, Thunder Light flashed, and more lightning dove into the deep sea, terrifyingly awe-inspiring!

The duration of this tenth lightning bolt was longer than the previous nine!

The earlier nine lightning bolts only lasted a few minutes each!

But this tenth lightning bolt lasted for over ten minutes before it ended!

When the tenth lightning bolt ended!

Yang Luo stood firm in the air, his body flickering with golden light, gazing at the sky, his fighting spirit soaring!

Streaks of lightning slid across his skin and slowly dissipated.

Seeing that Yang Luo wasn't severely injured after enduring the tenth lightning bolt, everyone finally let out a sigh of relief.

"Come on, continue!"

Yang Luo roared to the heavens, ready for what was to come.

In the time that followed.

The eleventh, twelfth, and thirteenth lightning bolts consecutively struck down!

These three lightning bolts shimmered with red and yellow, dark green and blue and purple glow, and they were all a hundred yards in size!

Moreover, each of the three lightning bolts was more terrifying than the last!

After the thirteenth lightning bolt dissipated!

Yang Luo's "Undying Golden Body", which he had activated, was already full of cracks, more wounds had torn upon his skin, and blood splattered out!

Without hesitating, after repairing the “Undying Golden Body”, he activated the “Invincible Sword Body” and continued with the tribulation!

As time passed.

Boom, boom, boom!...

One after another, lightning bolts incessantly struck down, each flickering with different colors, and each increasingly powerful!

To withstand these lightning bolts, Yang Luo kept activating defenses!

“Undying Golden Body,” “Invincible Sword Body,” “Flame Emperor Combat Body,” “Divine Dragon Tyrant Body,” “Azure Dragon Emperor Body,” and other physique secret techniques were successively activated!

Until the eighteenth lightning bolt dissipated!

All of Yang Luo’s activated physique secret techniques shattered!

His injuries became even graver, and blood wouldn’t stop flowing down!

From a distance up above.

Everyone stood on an ancient boat, watching Yang Luo undergoing his tribulation.

Dongfang Ruoshui expressed her concerns: “Only eighteen lightning bolts have descended and Little Luo is already quite hurt.

Can he really withstand all the lightning bolts?”

Flame Emperor clenched her fists and gritted her teeth, saying: “Eldest Sister, don’t worry, Little Luo will certainly make it through!”

“Absolute Diva” Zhixin also said: “That’s right, Little Luo will definitely succeed in his tribulation!”

“Brother Yang, you must keep it up!”

“Brother Yang, your brothers are with you!”

“Brother Yang, you are our role model, our faith, we believe in you!”

Everyone raised their arms and shouted, cheering and encouraging Yang Luo.

“Hahaha...”

Yang Luo laughed heartily toward the heavens, full of heroic spirit, and loudly said: “Don’t worry everyone, I’m fine!”

Saying that, he gazed at the sky, and with a thundering voice proclaimed: “The heavens, come on, let’s continue!”

Chapter 2317: If You Have the Skills, Strike Me Dead!

Time slowly passed.

Unknowingly, two days had passed.

By the evening of the third day, Yang Luo had already endured thirty-nine heavenly lightnings, and was currently enduring the fortieth heavenly lightning.

Boom!

The sound of rolling thunder echoed in the sky and sea for miles around!

A massive lightning bolt, hundreds of feet tall and flickering with tri-colored light, enveloped the sky and sea where Yang Luo was, like a surging sea of tri-colored lightning!

A gigantic vortex was blasted into the sea!

Lightning surged madly within it, extremely terrifying!

“Ah!”

Yang Luo’s screams came from the tri-colored sea of lightning, enduring endless torment.

In the distant sky.

Everyone was intently staring at that tri-colored sea of lightning, all extremely nervous.

Chu Junlin exclaimed: “This guy is really terrifying; he has actually passed thirty-nine heavenly lightnings!

As long as he overcomes the fortieth heavenly lightning, the number of heavenly lightnings he has crossed will be the same as what Brother Zuo and I endured initially!”

Zuo Canghai also admiringly said: “This is enough to show that this kid’s talent, comprehension, and potential are higher than both of us!”

Gu Tianshang, with hands behind his back, said: “Not just higher than you two, I fear this kid’s talent, comprehension, and potential are higher than mine and Brother Linghu’s!”

Linghu Wuxie nodded and said: “It’s just not known how many heavenly lightnings will descend in the end!”

The fortieth heavenly lightning continued for half an hour before slowly dissipating.

When the lightning and light completely faded.

There, Yang Luo stood in the distant sky, gasping deeply.

His body was covered in injuries, dyed red with blood, and blood also spilled from the corner of his mouth.

However, even severely injured, he still endured the strike of the fortieth heavenly lightning.

Zuo Canghai exclaimed: “He held on!

This kid really withstood the fortieth heavenly lightning!”

“It’s incredible!”

Chu Junlin’s pupils shrank sharply, “Moreover, looking at this kid’s condition now, it doesn’t seem too bad!”

Gu Tianshang stared at the sky and said: “However, the lightning tribulation has not ended yet!”

Linghu Wuxie said: “This kid might really have to endure the 27 Lightning Tribulations!”

At this time.

Above where Yang Luo was.

Whoosh!

Whoosh!

Whoosh!

Rumble!

Rumble!

Rumble!

The fierce winds howled, the dark clouds churned, and thunder roared loudly!

Within that massive void cave!

Various colored lightnings surged madly within, like countless Rushou thunder beasts running wildly, spectacular beyond measure!

Yang Luo gazed at the sky, feeling that the forthcoming heavenly lightnings would surely be more terrifying!

He must take a pill now!

Otherwise, he wouldn't be able to withstand the coming heavenly lightnings!

With this thought.

Yang Luo took out a “High Grade Heavenly Immortal Pill” from the storage ring and swallowed it.

The moment he consumed the immortal pill.

A surge of medicinal properties spread out, unleashing energy like a landslide and tsunami, rushing towards his internal organs, the eight extraordinary meridians, limbs, throughout his body.

His internal injuries were visibly healing faster, and external injuries were also recovering at a rate visible to the naked eye.

The sky rapidly scabbed over, new flesh grew, and his body shimmered with a glossy radiance.

Ning Jianfeng exclaimed: “The medicinal power of this ‘High Grade Heavenly Immortal Pill’ is too powerful, its healing effect is so strong!”

Ji Longyue praised: “Worthy of being an immortal pill, indeed the effects are potent, literally reviving the dead and mending bones!”

Helian Dongsheng said: “I was wondering why Brother Yang hadn’t taken the immortal pill earlier, it turns out he was saving it for now!”

Zuo Canghai smilingly said: “This kid seems reckless, but he’s very clever!”

He knew if he took the immortal pill too early, and if the later heavenly lightnings were too strong, he wouldn’t be able to hold on till the end!

He must have felt that it’s nearing the final stage now, so it’s also time to take the immortal pill!”

Gu Tianshang frowned tightly, saying: “The only question is whether relying on the ‘High Grade Heavenly Immortal Pill’ and ‘Nine Revolutions Protecting God Pill’ will be enough to support this kid until the end!”

Flame Emperor and the others looked towards Yang Luo in the distance, worry evident in their eyes and unable to dissipate.

Not long after!

Boom!

Forty-one heavenly lightnings struck down from the Void Cave!

This heavenly lightning still flashed with three-colored lights, immensely large, hundreds of meters long, like a three-colored Thunder Sea pouring down!

Moreover, the power contained within this Thunder Sea was even more terrifying than before, utterly destroying heaven and earth!

Without exaggeration, this heavenly lightning could instantly destroy more than half of the Ancient City!

Yang Luo’s body trembled, emitting roar after roar!

“Undying Golden Body, activate!”

“Invincible Sword Body, activate!”

“Flame Emperor Combat Body, activate!”

“Divine Dragon Tyrant Body, activate!”

...

Yang Luo activated all the physique secret techniques once again!

For a moment!

Yang Luo's body shimmered with golden light, enveloped by a huge golden sword, flames burning, Azure Dragon coiling around, his aura dominating the world!

Of course, besides activating all physique secret techniques!

Yang Luo also set up several Protective Arrays, and expanded multiple Light Shields!

Above the Light Shield, formation patterns and runes flowed, mysterious and unfathomable!

In an instant!

Boom, boom, boom!

The three-colored Thunder Sea heavily crashed onto the multiple Great Formations, unleashing deafening sounds of thunderous impacts!

At the moment of impact!

Huge bursts of light, lightning, and energy waves surged out like tidal waves, rushing in all directions!

"Howl howl howl!"

Accompanied by roars!

Tens of thousands of Holy Dragons, Azure Dragons roared out, crashing against the three-colored Thunder Sea!

Additionally, tens of thousands of White Tigers, Vermillion Birds, Black Tortoises, Taotie, and Hundun roared out, smashing upwards!

Boom, boom, boom!

However, this three-colored Thunder Sea was too terrifying, directly shattering tens of thousands of Holy Dragons, Azure Dragons, White Tigers, Vermillion Birds, Black Tortoises, Taotie, and Hundun!

In just a few minutes!

The multiple Great Formations activated by Yang Luo also exploded one after another!

They simply couldn't withstand it much longer!

After destroying the multiple protective arrays!

The three-colored Thunder Sea, like a giant Thunder Beast, completely engulfed Yang Luo!

The Thunder Sea surged, Thunder Waves rolled, continuously striking Yang Luo!

Boom, boom, boom!...

The multiple physique secret techniques condensed by Yang Luo were also continuously destroyed, blasting out large bursts of light and energy!

He endured for just about ten minutes!

All physique secret techniques were destroyed!

Heavenly lightning relentlessly devastated Yang Luo's body!

"Ah..."

Yang Luo let out a painful scream, his skin, veins, and muscles severely torn, blood splattering chaotically!

The energy released by the "High Grade Heavenly Immortal Pill" continued to repair Yang Luo's body, contending with the heavenly lightning!

Yang Luo also knew that relying solely on his physical body could no longer withstand the onslaught of heavenly lightning, so he repeatedly activated physique secret techniques, accumulating defenses!

But, no matter how many times he activated physique secret techniques, gathered defenses, they were continuously destroyed!

His body was repeatedly battered, his blood dyeing his body red again and again!

After enduring for half an hour, the forty-first heavenly lightning finally gradually dissipated!

"Huff...huff..."

Yang Luo gasped heavily.

He lifted his blood-stained face, staring at the sky, fiercely shouting: "Come on, if you dare, strike me dead!!!"

Chapter 2318: Demon Extermination Conference!

The next morning at dawn.

The sun was just rising, casting a myriad of rosy streaks across the sky.

Heavenly Sword Island.

This island was located at the center of the Thirty-Six Heavenly Gang Islands.

Various cultivation families and sects were established here.

And today, Heavenly Sword Island was bustling with excitement.

Because today was the day of the Demon Extermination Conference.

“Dear fellow Daoists, have you heard?

Today on Penglai Immortal Island, the major sects and families are hosting the ‘Demon Extermination Conference’ at Ten Thousand Immortals Mountain!”

“Of course, I have heard.

This week, all the major families and sects from Penglai Immortal Island have arrived on Heavenly Sword Island!”

“It is said that the major sects and families convened this conference to discuss the campaign against the four great Demons: ‘Fiend Celestial Heavenly Venerate,’ ‘Evil God Heavenly Venerate,’ ‘Bu Mie Demon Venerate,’ and ‘Ten Absolute Poison Venerable!’”

“My heavens, those four great Demons are all powerful Heavenly Immortals.

Can these sects and families truly eliminate these four great Demons?!”

“Exactly, I heard that ‘Fiend Celestial Heavenly Venerate’ and ‘Evil God Heavenly Venerate’ have already reached the Heavenly Immortal Perfected Stage, while ‘Bu Mie Demon Venerate’ and ‘Ten Absolute Poison Venerable’ have also reached the Late Stage of Heavenly Immortal!”

“It’s said that the Heavenly Immortals from the top-tier sects and families will also take action this time to campaign against these four great Demons!”

“If that is the case, then there may really be a chance to eliminate these four great Demons!”

“These four great Demons have recklessly killed the innocent and destroyed many sects and families over the years; they have long deserved death!”

“However, I heard that these four great Demons have only been killing the utterly wicked over these years.

Are they really that hateful?”

“Fellow Daoist, how can you speak for these four great Demons?

They’ve killed so many people and destroyed many sects and families; they must be executed!”

The cultivators on Penglai Immortal Island were all discussing this matter.

Most people felt that the four individuals, led by Gu Tianshang, must be eliminated.

Yet, a minority believed that Gu Tianshang and his group were not as evil as imagined.

At this moment.

In the central area of Heavenly Sword Island, there lay a mountain range spanning thousands of miles.

This mountain range, known as “Jiucang Mountain Range,” was the most famous on Heavenly Sword Island.

Mountain after mountain rose and fell, like a giant dragon winding its way through, with rivers flowing and dense green trees casting shade, both majestic and splendid.

At the center of the Jiucang Mountain Range, there stood a towering peak reaching three thousand feet high, named “Ten Thousand Immortals Mountain.”

Ten Thousand Immortals Mountain was also the highest peak of the Jiucang Mountain Range.

At this time.

The Heavenly Amplification Sect, Immortal Sword Sect, Ten Thousand Buddha Sect, Divine Intent Sect, Piaomiao Palace, Immortal Mist Sect, Coiling Dragon Sect, and Flying Immortal Palace—eight top-tier sects had already arrived.

The Yazi Family and Jiuying Family, two top-tier families, had also arrived.

The sect masters, family heads, and elders of the eight top-tier sects and two major families were standing on Ten Thousand Immortals Mountain.

Each of these sect masters, family heads, and elders appeared radiant and spirited.

As for the disciples, they were stationed on the surrounding mountains, numbering over sixty thousand.

“Hahaha...”

Bai Yinfeng laughed loudly and said: “Fellows, this time over one hundred sects and families have agreed to participate in the ‘Demon Extermination Conference’!

Truly, I am curious what grand scenes we will witness when these sects and families arrive here!”

Qiao Xianci smiled and responded: “It most certainly will be a throng of people, bustling with excitement!”

Dian Zhengde stood with his hands behind his back and said: “Among these hundred-plus sects and families, many have deep grievances with those four Demons!

The rest are the sects and families who disapprove of the actions of these four great Demons and are willing to assist us!”

Chai Jinpeng cheerfully said: “Fortunately, this time we have already invited various Heavenly Immortal Ancestors to take action!

This time, we will surely eliminate those four great Demons and restore a clear and peaceful world to Penglai Immortal Island!”

While several people were conversing.

At that moment, ancient boats began to fly in from all directions.

These ancient boats were over a hundred meters long, emitting dazzling and brilliant immortal light.

Each boat was crowded with people, and numerous large banners fluttered in the wind.

“Hahaha, all the demon-slaying righteous ones have arrived one after another!”

“Very good, the more people the better, the more people we have, the more confident we are!”

“That’s right, at that time our many sects and families will lead people to strike the lairs of those four demons, we will definitely break their courage!”

Bai Yinfeng, Qiao Xianci, and others all burst into laughter.

...

At the same time.

In the depths of the Sea of Illusion.

A deserted sea area.

Above the firmament.

The wind howled furiously, dark clouds roiled, lightning rampaged, thunder light shining brilliantly.

“Huff...

Huff...”

Yang Luo stood in the sky, gasping heavily.

His body was devoid of any intact parts, skin ripped and flesh burst open, the fresh blood rendering his body a ghastly red, terribly tragic.

Blood continued to flow from his body, blooming into blossoms of blood on the sea.

“Forty-five bolts...

Brother Yang has actually passed through forty-five heavenly lightning bolts!”

“If he passes one more...

Brother Yang will have reached the number of Heavenly Immortal Thunder Tribulations that Senior Linghu faced!”

“Now this Heavenly Immortal Thunder Tribulation has not ended yet, Brother Yang is indeed undergoing the 27 Lightning Tribulations!”

“But now Brother Yang has been severely injured, can he withstand the upcoming heavenly lightning?!”

Bujie and others stared blankly at Yang Luo in the distance, their admiration for him reaching an extreme point.

Of course, apart from admiration, there was more worry.

After all, the lightning tribulation had not ended after Yang Luo had passed forty-five bolts.

Gu Tianshang, Linghu Wuxie, Chu Junlin, and Zuo Canghai all clenched their fists, hearts tightened.

Yang Luo was a junior they admired, and they truly did not wish for him to perish under the Heavenly Immortal Thunder Tribulation.

At this moment.

Yang Luo slowly raised his head, then took out the “Nine Revolutions Protecting God Pill” and swallowed it.

The medicinal effect of the “High Grade Heavenly Immortal Pill” had long been exhausted during the tribulation.

If he didn’t take the “Nine Revolutions Protecting God Pill,” he wouldn’t be able to withstand the upcoming heavenly lightning.

At the moment when the immortal pill was swallowed!

The medicinal properties instantly dispersed, and tremendous, vast energy spread out, surging through his entire body!

As the energy dispersed, the inside and outside of his body accelerated in repairing!

Even at his dantian area, an energy barrier began to form, encompassing his dantian and Essence Soul!

Then, Yang Luo once again activated all physique secret techniques, gathered all defensive shields, and set up all defensive formations!

In an instant!

Boom!

A massive thousand-foot purple heavenly lightning bolt tore through the Void Cave, broke through the dark clouds, and crashed downward!

The 27 Lightning Tribulations officially commenced!

This heavenly lightning was so immense, it was like a purple Thunder Sea descending from above, intending to destroy everything!

Yang Luo, seeing this, was instantly taken aback!

He faintly felt that this purple Thunder Sea contained traces of Hongmeng Purple Qi!

Could it be that this was the “One Qi Thunder Tribulation”?!

Initially, he underwent a simulated Heavenly Immortal Thunder Tribulation in the “Eight Tribes Lightning Territory” of the White Tiger family!

At that time, he faced the nine types of thunder tribulations: Yi Qi, Yin-Yang, Three Talents, Four Symbols, Five Elements, Six Paths, Seven Stars, Eight Trigrams, and Nine Palaces!

However, this simulated Heavenly Immortal Thunder Tribulation was far less intense than a real Heavenly Immortal Thunder Tribulation!

Rumble!

The purple Thunder Sea surged wildly downwards, instantly destroying all the defensive formations Yang Luo had gathered...

Chapter 2319: How Unfair!

The purple Thunder Sea continued its frenzied descent, utterly destroying heaven and earth!

Less than a minute!

Boom boom boom!

All the defensive shields that Yang Luo had amassed shattered and exploded!

Less than two minutes!

Boom boom boom!

All the physique secret techniques initiated by Yang Luo also shattered and exploded!

The next instant!

The purple Thunder Sea completely engulfed Yang Luo!

“Ah ah ah...”

Yang Luo let out a mournful scream, his body continuously plummeting!

Large chunks of flesh splattered from his body!

He gritted his teeth and continued to activate all his physique secret techniques, defensive shields, and defensive formations to resist!

But, it was simply too difficult to withstand!

Every time he amassed them, they were utterly destroyed!

Gu Tianshang and the others in the distance were frightened out of their wits!

However, the forty-sixth heavenly lightning was not yet over!

Boom!

The forty-seventh heavenly lightning also struck down!

This heavenly lightning flashed with black and white lights, still a massive thousand zhang, once again engulfing Yang Luo!

After not much time!

Boom!

The forty-eighth heavenly lightning also came crashing down!

This heavenly lightning flashed with tricolor light, and within it evolved phenomena of heaven, earth, and humans, still a massive thousand zhang!

Zuo Canghai asked in shock, “What’s happening?!”

Why are the intervals between the forty-sixth, forty-seventh, and forty-eighth heavenly lightnings so short?!”

Chu Junlin frowned and said, “It’s so strange, no one from Kunlun Ruins and Penglai Immortal Island in the two major Immortal Worlds has ever passed such a horrifying Heavenly Immortal Thunder Tribulation!”

Gu Tianshang exclaimed in fear, “Perhaps the heavens think this lad is too defiant, so they want to annihilate him!”

“This might be what mortals call ‘envied by the heavens’!”

Linghu Wuxie sighed deeply.

Bujie and others were also shaking all over, their hearts pounding and hair standing on end!

They had never seen anyone undergo such a lightning tribulation!

Yet, an even more frightening scene appeared!

Boom!

Boom!

Boom!

The forty-ninth, fiftieth, and fifty-first heavenly lightnings also slashed down heavily!

The three heavenly lightnings were each massive, a thousand zhang, like three Thunder Seas, flashing with four colors, five colors, and six colors!

The Four Symbols: Azure Dragon, White Tiger, Vermillion Bird, Black Tortoise!

The Five Elements: metal, wood, water, fire, earth!

The Six Paths: Heavenly Path, Human Path, Asura Path, Hell Path, Hunger Ghost Path, Beast Path!

Various phenomena evolved within these three Thunder Seas, majestic and boundless, vast and endless!

“It’s insane, this is simply madness!”

“Three heavenly lightnings haven’t yet dispersed, and yet three more are descending, how much does the heavens want to kill this lad!”

“This is truly unheard of, unseen before!”

“No matter how high their talent, comprehension, and potential, they couldn’t possibly survive this!”

Gu Tianshang, Linghu Wuxie, Chu Junlin, and Zuo Canghai all cried out in shock, completely unable to comprehend the current situation.

“Holy shit!”

Bujie’s mouth twitched, “It’s insane, the heavens must be mad, they are absolutely determined to strike Brother Yang to death!”

Flame Emperor was immensely sorrowful, feeling very heartbroken, “If the heavenly lightnings descended one by one, Little Luo might have held on till the end!

But now, with six heavenly lightnings striking together, they’re completely closing off any avenue of survival for Little Luo!”

“Oh heavens, why must you kill Little Luo!”

“Does possessing high talent, comprehension, and potential warrant such torture?!”

“The heavens, how unjust you are!”

International Diva and Dongfang Ruoshui and others also broke down, despairing, screaming hoarsely.

But, an even more terrifying scene occurred!

Boom!

Boom!

Boom!

The fifty-second, fifty-third, and fifty-fourth heavenly lightnings also consecutively struck down!

These three lightning bolts were each thousands of yards tall, like three vast oceans, shimmering with seven-colored, eight-colored, and nine-colored lights!

In these three Thunder Seas, phenomena such as the sun, the moon, the stars, Tai Chi Bagua, Nine Palaces and Nine Symbols, etc., were derived!

Even illusions of immortals, gods, buddhas, demons, and monsters condensed and charged towards Yang Luo!

At this moment!

The vast ten-mile sky and ocean were completely enveloped by nine Thunder Seas!

Lightning was everywhere, thunder lights were everywhere, various phenomena shuttled, danced, and galloped!

“Ah ah ah ah!!!”

Yang Luo let out a scream of utmost pain.

His body was completely torn and tattered, his skin, muscles, veins, bones, and organs all shattered.

He activated and concentrated all of his defenses, but they were ineffective.

He summoned the Dragon Emperor Sword, Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, Holy Dragon Ancient Mirror to resist, but they were unable to, getting repeatedly blasted away.

“Puh...”

Yang Luo spat out a large mouthful of blood mixed with pieces of internal organs, falling from the nine Thunder Seas, and with a “plop,” crashed into the ocean!

“Kid!”

“Brother Yang!”

“Little Luo!”

“Brother Yang!”

Gu Tianshang and others in the distance screamed in alarm, tears streaming down uncontrollably.

“It’s over...”

it’s really over...

this kid is done for...”

Zuo Canghai slumped down, his face ashen.

Chu Junlin bitterly said, "I didn't expect this kid to be undergoing the strongest 27 Lightning Tribulations...

reaching the highest number of fifty-four strikes..."

Linghu Wuxie sighed deeply, "He can't hold on anymore...

even if this kid is strong...

it's impossible to endure..."

"Ah!!!"

Gu Tianshang's eyes turned bloodshot as he roared towards the sky, "Heavens, how unjust you are!

Does having high talent necessitate such treatment?

Why?!

Why?!"

Boom, boom, boom!...

Amidst Gu Tianshang's roars, patches of the Cloud Sea exploded, and the void shattered.

"I'm going to help Little Luo!"

"Me too!"

Flame Emperor and international Diva and others rushed to help.

“Stop right there!”

Linghu Wuxie shouted coldly, “If you rush up there, not only will you be unable to help this kid at all, but you’ll also lose your own lives!”

“Little Luo...

Little Luo...”

“Don’t die...

don’t die...”

“Brother Yang...

we still have so much left to do...

you can’t die...”

Flame Emperor, international Diva, Dongfang Ruoshui, Prajna and others all knelt down, crying in anguish.

At this moment.

Yang Luo fell into the ocean, completely passing out, his body continuously sinking.

But, the nine Thunder Seas did not give up on eradicating Yang Luo; instead, they surged into the ocean, continuing to strike at Yang Luo.

Yang Luo was painfully revived multiple times, then fell unconscious again, undergoing such torment repeatedly.

Blood had already dyed this part of the sea red.

Yang Luo's body was completely torn apart, a few more times and he would certainly be smashed to pieces.

Just then.

The voice of Long Xinghe rang out: "Second brother, fifth brother, seventh sister, it's time for us to act!

I didn't expect this kid to face the historically strongest Heavenly Immortal Thunder Tribulation, he probably can't make it, let's help him!"

"Okay!"

Long Daoyi, Long Tianchi, and Long Youlan three of them responded.

Following that, the four including Long Xinghe began to operate their cultivation techniques, starting to frantically absorb the power of the lightning!

They transformed the absorbed power of the lightning, part of it to repair their own Essence Souls, part of it to activate the fifth bronze dragon coffin.

Chapter 2320: Tread on Heavenly Immortal!

With the continuous absorption of the power of the heavenly lightning,

The strength of the heavenly lightning enveloping Yang Luo in the nine segments of the Thunder Sea had also weakened significantly.

“Kid, wake up quick!”

A voice like thunder boomed in Yang Luo’s mind.

Yang Luo suddenly awoke.

He opened his eyes and found himself still shrouded in the nine segments of the Thunder Sea, his body experiencing endless agony.

“I’m not dead?!”

Yang Luo was shocked.

When the nine heavenly lightning bolts struck him in succession, he thought he was certainly a goner.

But unexpectedly, he was still alive.

Long Tianchi said with a chuckle, “Kid, of course you’re not dead.

We have absorbed some of the power of the lightning for you.

You won’t die!”

Long Daoyi spoke gravely, “However, the power of this heavenly lightning is too strong; we can’t absorb too much!

After all, if we absorb too much, your Divine Sense Space won’t be able to withstand it!”

“Little Luo, from now on, it’s up to you.

We can only help you this much!”

Long Youlan’s gentle voice arose.

Yang Luo thought to himself, “Four seniors, you’ve already helped me a lot!

From now on, I will rely on my own power to get past the Heavenly Immortal Thunder Tribulation!”

“Good, it’s all on you now!”

“Kid, give it your all, you must get through it!”

The voices of the four from Long Xinghe resonated one after another.

“Yes!”

Yang Luo nodded in response, steadied his body, and sat down with his legs crossed.

He took out a big handful of pills from the storage ring, swallowed them down, and began to frantically heal and replenish Qi.

Then, he once again activated all his physique secret techniques and gathered all the defensive shields and Great Formations.

He also summoned the Dragon Emperor Sword, Ten Thousand Dragon Cauldron, Chaos Bell, Primordial Dragon Stele, and Holy Dragon Ancient Mirror for protection.

Boom, boom, boom!...

The nine segments of the Thunder Sea churned violently within the deep sea, furiously assaulting Yang Luo!

Yang Luo clenched his teeth firmly, enduring the wild bombardment of the heavenly lightning!

“What doesn’t kill me will only make me stronger!

I must get through it, I must!”

...

At this moment.

Above the vast sea.

Thunder rumbled incessantly.

The boundless sky and sea were still covered by the nine segments of the Thunder Sea, and it did not disperse for a long time.

Gu Tianshang and the others stared blankly at the area covered by the nine segments of the Thunder Sea, still holding on to a glimmer of hope.

But as time passed,

Apart from the flashing lightning and thunder, there was no other movement in that area.

Linghu Wuxie's eyes reddened as he sighed deeply, "This kid might have already been shattered to pieces..."

Chu Junlin sighed and shook his head, "What a pity, heaven is jealous of the talented!"

"It can't be, Brother Yang will not die!"

Bujie's face was fierce, and he shook his head vigorously, "Brother Yang has created miracles time and time again.

This time will be the same.

He can create another miracle!"

Ning Jianfeng also roared, "That's right, Brother Yang must not be dead, he will definitely survive the Heavenly Immortal Thunder Tribulation!"

"Roar woo woo!"

Big White had already grown in size, his eyes bloodshot, and his fists crazily pounding his robust chest.

Although Ye Luange and the others were also hoping Yang Luo could create another miracle, in their hearts, they had already fallen into despair.

Time slowly passed.

Until half an hour later.

The nine segments of the Thunder Sea gradually dissipated.

Only to see, the sea had been blasted into a huge vortex several thousand zhang across.

However, even after the nine segments of the Thunder Sea had dissipated, there was still no movement in that area.

The last shred of hope in everyone's hearts had also faded.

It was over!

Everything was over!

Yang Luo had not made it through the Heavenly Immortal Thunder Tribulation, and had perished in the midst of the sea!

But at this moment!

The lightning bolts across the Cangqiong all dispersed.

The lightning within the Void Cave vanished as well.

Suddenly!

Whoosh!

A massive, thousands of feet long, multicolored beam of light surged out from the Void Cave, plunging into the abyssal vortex!

With the descent of this beam of light!

A faint celestial melody resonated through heaven and earth!

Phenomena such as Yi Qi, Yin-Yang, Three Talents, Four Symbols, Five Elements, Six Paths, Seven Stars, Eight Trigrams, Nine Palaces, and more, all unfolded within the beam!

Even grander phenomena like the sun, the moon, and the stars, everything in the world, evolved within it, dazzling and captivating to behold!

This beam also contained the boundless power of Heaven and Earth Great Dao, spreading out for a hundred miles!

“What...

what is this situation?!”

“Why would such phenomena naturally occur...

descending auspicious omens?!”

“Could it be that this lad...

has successfully passed the tribulation...

survived the most formidable Heavenly Immortal Thunder Tribulation?!”

“Oh my god...

with the last nine waves of thunder tribulation descending one after another...

nobody could have possibly survived it!”

Gu Tianshang and the others exclaimed in shock, their eyes nearly popping out.

Bujie and the rest stared intently at the abyssal vortex as well, not even daring to blink, with their hearts racing.

They had seen similar scenes before; this was clearly the sight of a successful tribulation crossing!

Could it be that Yang Luo really survived the tribulation?!

This beam of light lasted for half an hour before it finally dissipated.

Everything at last returned to calm.

Everyone held their breath, anticipating a miracle.

A few minutes passed.

Boom!

A colossal golden beam of light burst from the abyssal vortex, soaring into the sky!

The beam ascended to heavens, vast and boundless!

Clouds covering dozens of miles were dispersed in an instant!

The previously dark Cangqiong immediately cleared up!

Sunlight was bright, the sky azure blue, and the sea breeze gentle.

The next second!

Boom!

Another thunderous roar emitted from the abyssal vortex!

A silhouette soared from within, appearing high above!

Everyone looked up at once, their faces instantly filled with thick joy and surprise!

“Little Luo!”

“Brother Yang!”

“It’s Brother Yang, it really is Brother Yang!”

“Brother Yang isn’t dead, he really survived the Heavenly Immortal Thunder Tribulation!”

Everyone cheered and shouted excitedly, bursting into tears of joy.

Thus, the figure standing afar in the sky was indeed Yang Luo.

Yang Luo had put on a black robe, having washed away the bloodstains.

At this moment, he stood quietly in the sky, shining with a golden light, his gaze like torches, captivating.

Waves of formidable, boundless, and majestic pressure and aura emanated from him, sweeping across dozens of miles.

It was as if Yang Luo had undergone a transformation, his demeanor extraordinary; he stepped through air and in a few breaths, arrived above the ancient boat.

“Hahaha...”

Gu Tianshang laughed heartily to the sky, “Lad, well done!”

“Kid, congratulations on stepping into the Heavenly Immortal realm!”

Linghu Wuxie laughed out loud.

Zuo Canghai chuckled, “You really had us worried, we thought you were dead.

Who would have thought you actually survived!”

Chu Junlin said admiringly, “I really didn’t expect you to face the strongest Heavenly Immortal Thunder Tribulation, and even survive it, impressive!”

Yang Luo said, “Thanks to the guidance of all the seniors, otherwise, I would never have been able to surpass this Heavenly Immortal Thunder Tribulation.”

Gu Tianshang waved his hand, “We didn’t really help you much, surviving such a terrifying Heavenly Immortal Thunder Tribulation was ultimately all on you!”

“Brother Yang, you really scared me to death!”

Prajna hugged Yang Luo’s arm, choking up.

Dongfang Ruoshui’s tears flowed freely as she spoke hoarsely, “It’s good that you made it through, good that you made it through...”

Yang Luo sighed softly, “Everyone, I’m sorry for making you worry...”

Upon hearing this, everyone cried even louder...
