Chapter 2321: Slaughter Overturns Ten Thousand Immortals Mountain!

Yang Luo reassured, "It's okay, stop crying.

See?

I'm all right, aren't I?"

International Diva snorted, "You're lucky you're fine.

What would we do if something happened to you?"

Flame Emperor tugged at Yang Luo's ear and said, "You're such a stubborn boy!

We told you to only face tribulation when you are completely confident.

You just wouldn't listen, making us worry, right?"

Yang Luo helplessly said, "I was also trying to quickly enhance my cultivation and strength; otherwise, who would want to take the risk?"

Everyone sighed.

They naturally knew that Yang Luo carried a heavy burden and faced great pressure.

Hence, he was more eager than anyone else to become stronger.

However, having finally passed the Heavenly Immortal Thunder Tribulation, everyone could finally breathe a sigh of relief.

Zuo Canghai assessed Yang Luo up and down, puzzled as he said, “How on earth did you survive the strongest 27 Lightning Tribulations?

That’s fifty-four heavenly lightning bolts; you survived them all?”

Chu Junlin was also utterly baffled, “Especially at the last moment, with nine consecutive heavenly lightning strikes.

Not to mention a perfected True Immortal, even an Early Stage Heavenly Immortal wouldn’t be able to endure it!”

Linghu Wuxie straightforwardly said, “If our Heavenly Immortal Thunder Tribulation had been like yours, we absolutely wouldn’t have survived!”

Gu Tianshang, Zuo Canghai, and Chu Junlin all nodded in agreement.

They admitted to themselves that they would not have been able to survive the strongest Heavenly Immortal Thunder Tribulation.

Yet Yang Luo had managed to endure it, which was utterly unbelievable to them.

Yang Luo smiled lightly and said, “It’s all thanks to the help from all the seniors here, and the encouragement from my brothers.

In fact, I also thought I wouldn’t make it, but luckily I persevered to the end.”

Saying this, Yang Luo turned to Bujie and the others, “Brothers, the Heavenly Immortal Thunder Tribulation is truly terrifying.

You must establish a solid foundation and prepare well.”

“Understood!”

Everyone nodded vigorously.

Suddenly, Gu Tianshang thought of something and said, “That’s right, lad, since you’ve passed the Heavenly Immortal Thunder Tribulation, there’s an important matter we need to take care of now!”

“What is it?”

Yang Luo asked curiously.

Gu Tianshang explained, “These past few days, I’ve gathered some information.

The Heavenly Amplification Sect, Immortal Sword Sect, and other major sects and families plan to join forces with the sects and families of Penglai Immortal Island to deal with me, Brother Linghu, Brother Chu, and Brother Zuo.”

“That’s right,”

Linghu Wuxie added, “They are all the sects and families that hold grudges against us.

These years, they have harbored deep hatred towards us and have wanted to eliminate us.”

“What?!”

Yang Luo was shocked, “These guys are actually targeting you?

Are they out of their minds?

Where do they get the confidence?"

Gu Tianshang responded, "They are so confident because the Heavenly Immortals from those top-tier sects and families are planning to make a move."

Yang Luo's expression changed drastically, "Could it be that all the Heavenly Immortals are preparing to act?!"

Gu Tianshang nodded, "Probably, I'm not too sure myself."

"It seems this battle is unavoidable!"

Yang Luo replied, then asked, "Seniors, what do you plan to do?"

Gu Tianshang's eyes turned cold as he said, "Since they're targeting us, let's strike first!"

Those guys are probably at Ten Thousand Immortals Mountain right now, holding a 'Demon Extermination Conference'!

So, we plan to go there directly and attack!"

Linghu Wuxie declared, "Only by striking first will we not be at someone else's mercy!"

"Haha, great!"

Yang Luo laughed out loud, "Since they regard us as demons, today, we shall act like demons!"

Flip over the entire Ten Thousand Immortals Mountain, kill until they fear us, kill until they tremble, kill until they dare not provoke us again!"

“Well said!”

“Overturn the Ten Thousand Immortals Mountain!”

“Push them aside!”

“Boy, you indeed have a bold spirit!”

Gu Tianshang and the four others all burst into laughter, their blood boiling with excitement.

Bujie and the others were also filled with fiery enthusiasm, ready to make a big move.

Gu Tianshang grinned and said, “Boy, you’ll be the first to take the stage later, give those guys a good scare!

After that, the four of us will make our entrance and start an all-out battle with them, how about that?”

“No problem!”

Yang Luo readily agreed.

Helian Dongsheng said, “Elder sirs, Ten Thousand Immortals Mountain on Heavenly Sword Island is a bit far from here.

Can we make it there on time?”

Zuo Canghai smiled, “Don’t worry, although we can’t take you through the Void to get there.

But Brother Gu, Brother Linghu, Brother Chu, and this lad Yang Luo can enhance the speed of the ancient boat to its fastest, and we will definitely arrive on time.”

Helian Dongsheng laughed, “Then there’s no problem!”

Gu Tianshang waved his big hand, “Set off!”

“Set off!!!”

Yang Luo and the others also shouted in unison.

Then, Yang Luo and the four Gu Tianshangs simultaneously activated the ancient boat, boosting its speed to the fastest!

With a “whoosh” sound, the ancient boat turned into a streak of flowing light, heading straight for Heavenly Sword Island...

...

At the same time.

Heavenly Sword Island.

Jiucang Mountain Range, Ten Thousand Immortals Mountain.

Centered around Ten Thousand Immortals Mountain.

The surrounding mountains were filled with people.

These people were from various sects and families of Penglai Immortal Island.

The number of people had already exceeded three hundred thousand.

Everyone was chatting, some were sitting cross-legged, cups clinking, creating a scene of jubilation.

Moreover, ancient boats continuously flew from all directions, arriving near Ten Thousand Immortals Mountain.

At the summit of Ten Thousand Immortals Mountain.

Bai Yinfeng and Qiao Xianci wore big smiles on their faces.

Qiao Xianci sighed, "It's been a long time since Penglai Immortal Island has seen such a grand event!"

Bai Yinfeng also smiled and said, "Indeed, today all our great sects and families gather here, truly delightful!"

"Just not sure how many people will finally arrive here!"

"In my view, the number of people attending today won't be less than five hundred thousand!"

"I don't believe so many of us, along with all the Heavenly Immortal Ancestors, can't eliminate those four demons!"

"If those four demons knew we were after them, would they be scared and run away?"

"Run?"

Where can they run to?

They are not Golden Immortals, unable to shatter the Void and ascend to the Upper World, their only places to flee are the secular world, Kunlun Ruins, and Penglai Immortal Island!”

“No matter where these four guys hide in the Three Realms, our Heavenly Immortal Ancestors can find them!”

“Haha, since that’s the case, these four are utterly trapped – no way to the sky, no gate to the earth, they have no choice but to face the battle!”

Other sect masters, family heads, and elders all burst out laughing, very proud.

In the following time.

Bai Yinfeng and Qiao Xianci flew to various mountains, greeting people from various sects and families.

Meanwhile, numerous sects and families continued to arrive by ancient boat from all directions.

Time slowly passed.

Until noon.

All sects and families that had agreed to attend the “Demon Extermination Conference” had all arrived.

Hundreds of mountains were filled with people, a vast crowd, the number exceeding five hundred thousand.

Chapter 2322: Joining a Righteous Cause!

Seeing that everyone had arrived.

Bai Yinfeng and Qiao Xianci among others returned to the summit of Ten Thousand Immortals Mountain.

“Ladies and gentlemen, please quiet down!”

Bai Yinfeng’s voice boomed like a large bell.

In a moment,

everyone present quieted down and looked towards Ten Thousand Immortals Mountain.

Bai Yinfeng bowed with cupped hands, saying: “Thank you to all the heroes gathered here today for the Demon Extermination Conference, we are extremely grateful!”

“Thank you, all you heroic figures!”

“Thanks to the righteous demon eliminators for joining us in this cause!”

Qiao Xianci and others also bowed with cupped hands in gratitude to everyone present.

“Sect Leader Bai, Sect Leader Qiao...

you are too kind!”

“We all have grievances against those four demons and have long wanted to eliminate them!”

“Back then our sect merely killed a dozen ordinary humans, but just happened to be seen by that demon, Gu Tianshang!

This devil then killed thousands of our disciples and three elders, his sins are unforgivable!”

“My son merely trifled with a few mortal women, but was directly crushed into pulp by that demon, Linghu Wuxie; this devil is utterly despicable!”

“Chu Junlin and Zuo Canghai, these two monsters have committed all kinds of atrocities, they must die!”

“If these four demons are not eradicated, our Penglai Immortal Island will never know peace!”

The gathered crowd began denouncing Gu Tianshang and the other three, listing their numerous “heinous crimes.”

Seeing everyone’s righteousness, Bai Yinfeng and Qiao Xianci among others were very satisfied.

That was the effect they wanted.

Only with these people incredibly angry towards the four great demons will they be willing to contribute fully when the time comes.

Bai Yinfeng raised his hand, saying: “We completely understand your emotions, after all, our eight great sects and two big families also have deep-seated blood feuds with these four old demons!

It is precisely for this reason that we invited everyone to this ‘Demon Extermination Conference’ to discuss together how to combat these four great demons!”

“Sect Leader Bai, I think there’s no need for discussion, we have over five hundred thousand people, we can just attack those old demons’ lairs directly!”

“That’s right, with so many of us united, we can definitely annihilate these four demons and restore a peaceful and prosperous era to Penglai Immortal Island!”

“Eradicate the four great demons and restore a peaceful era to Penglai Immortal Island!”

The crowd on-site raised their arms and shouted, each one of them excitedly eager to head for the Sea of Illusion right then.

Qiao Xianci stepped forward, loudly saying: "I know you all want to attack those four demons' lairs right now!

But, everyone, you also know, these four demons are Heavenly Immortals with high cultivation and extraordinary powers!

If we rely only on ourselves, it's simply impossible to eliminate them!"

"That's right, those four demons are powerful Heavenly Immortals, we really need to carefully plan our actions!"

"After all, Heavenly Immortals are not something that can be killed just by having more people!"

"After all, 'Below Heavenly Immortals, all are ants,' this saying isn't without reason!"

Many people calmed down, no longer shouting about going straight in.

"Brother Qiao, didn't you say that Heavenly Immortal Ancestors will also join this demon extermination effort, why haven't they arrived yet?"

Someone asked.

"Could it be that the Heavenly Immortal Ancestors aren't coming?"

Another person inquired.

Everyone present turned their gaze towards Qiao Xianci and others.

After all, they came to participate in this “Demon Extermination Conference” believing that the Heavenly Immortal Ancestors would make a move.

But now, with the Heavenly Immortal Ancestors yet to appear, they felt somewhat uneasy and insecure.

Qiao Xianci replied: “Everyone, rest assured, the Heavenly Immortal Ancestors of our eight great sects and families have already agreed to intervene!

“So, everyone please stay calm, the Heavenly Immortal Ancestors should be arriving soon!”

“As long as the Heavenly Immortal Ancestors are willing to take action, we will be much more at ease!”

“Haha, with the help of the Heavenly Immortal Ancestors, those four demons will surely die without a doubt!”

Upon hearing that the great Heavenly Immortal Ancestors would take action, everyone present laughed, and the anxiety and unease in their hearts dispersed.

Bai Yinfeng said: “Before the Heavenly Immortal Ancestors arrive, let us discuss our plan!

If we act, it must be with the force of thunder, to annihilate those four demons!”

Qiao Xianci also said: “After all, those four demons are Heavenly Immortals; they come and go without a trace!

If they know so many of us are out to get them, they will surely find a way to escape!

So, what we need to do is figure out a way to trap them, making escape impossible for them!”

A sect master suggested: "This is simple, we can divide into four groups led by the Heavenly Immortal Ancestors, and completely surround Immortal Burial Island, Slaughter Immortal Island, and Jue Xian Island!

Then set up various killing arrays to seal off the four forbidden islands!

In this way, those four demons won't be able to escape!"

"I think this is not appropriate!"

A family expressed opposition, "If we spread out our forces, it will be very difficult to eliminate those four demons!

After all, among these four demons, there are two at the Heavenly Immortal Perfected Stage and two at the late-stage of Heavenly Immortal!"

"Yes, spreading our forces is indeed not suitable!"

Bai Yinfeng nodded and asked: "Everyone, does anyone have a better suggestion?"

An elder said: "Everyone should also know that Gu Tianshang, Linghu Wuxie, Chu Junlin, and Zuo Canghai have very deep connections!

Therefore, we do not need to spread out our forces; we just need to surround Immortal Burial Island and trap and kill Gu Tianshang.

The other three demons will definitely come to their rescue!"

"Hmm, this strategy is good!"

Qiao Xianci nodded and then said: "However, if we siege Gu Tianshang and the other three demons come to rescue, naturally there will be no problem.

But what if the three demons do not come to rescue?

Wouldn't that give them time to escape?"

Bai Yinfeng responded: "Brother Qiao's concern is valid, let us all continue to think of a method.

With so many of us, we will definitely come up with a perfect plan."

Everyone present began discussing fervently.

Meanwhile.

Tian Ying Island.

Purple Cloud Sect territory.

The main hall on the peak was filled with people.

Dongfang Shaohua, Huangfu Longteng, and Helian Xiongqi, among others, were chatting.

Helian Xiongqi frowned and said: "It's been over a month now, why haven't there been any messages from Little Luo and the others?"

"Indeed, it's very strange."

Huangfu Longteng also furrowed his brows, "We have also sent people to Kunlun Ruins to gather information, but there is still no news of Little Luo and the others.

The key is, we can't contact Little Luo and the others.

Where have they gone?

Could it be that Little Luo and others were really killed by that old fellow Guduo?"

Dongfang Shaohua raised his hand and said, "Brother Huangfu, we shouldn't jump to conclusions before it's confirmed.

Perhaps Little Luo and the others have escaped to the secular world."

Although he said this, he also had no certainty in his heart.

After all, they had sent people looking for over a month and had not found Yang Luo and others, and could not even make contact.

This inevitably made them consider the worst scenario.

Chapter 2323: Heavenly Immortal Ancestor is Here!

Huangfu Longteng sighed and said, "I hope Little Luo and the others are safe and just hiding somewhere."

"Brother Huangfu, don't worry too much, I'm sure Little Luo and his group will be fine."

Helian Xiongqi reassured him, then continued, "In the next few days, we'll send someone to investigate in the secular world."

"Mm."

Huangfu Longteng nodded.

Dongfang Shaohua suddenly thought of something and asked, "Everyone, do you know about the 'Demon Extermination Conference'?"

"Of course."

Huangfu Longteng nodded and said coldly, "A week ago, led by the Heavenly Amplification Sect and the Immortal Sword Sect, various big sects and families issued a 'Heroic Invitation'!

Inviting all the major sects and families from Penglai Immortal Island to attend the 'Demon Extermination Conference' at Ten Thousand Immortals Mountain!

To jointly discuss dealing with the 'Fiend Celestial Heavenly Venerate', 'Evil God Heavenly Venerate', 'Bu Mie Demon Venerate', and 'Ten Absolute Poison Venerable'!"

Helian Xiongqi narrowed his eyes and said, "These guys have really been active lately.

The battle at Purple Cloud Sect just ended a few months ago, and now they've instigated the battle at Divine Wood Cliff.

And now, they're even thinking of dealing with Fiend Celestial Heavenly Venerate and the others.

Do they really think Fiend Celestial Heavenly Venerate and the others are easy to deal with?"

Dongfang Shaohua said, "According to the information we obtained, the reason these guys dare to confront Fiend Celestial Heavenly Venerate and the others is that they have enlisted various great Heavenly Immortal Ancestors."

"What?!"

They actually enlisted the aid of various great Heavenly Immortal Ancestors?!"

"It seems, they are determined to completely eliminate Fiend Celestial Heavenly Venerate and the others this time!"

"No wonder they dare to openly convene the 'Demon Extermination Conference', so they are confident!"

The elders present all discussed animatedly, shocked.

Helian Xiongqi frowned and said, "These guys have incited several major battles, what exactly are they up to?"

Dongfang Shaohua sneered, "I suspect, that these guys intend to use this opportunity to enhance their own prestige and become the true hegemon of Penglai Immortal Island!"

Huangfu Longteng laughed sarcastically, "Their ambitions really aren't small at all!"

Just then,

a voice came from outside.

"Sect Master, there's something to report!"

Then, a disciple from Purple Cloud Sect hurriedly ran in.

Dongfang Shaohua said, "Speak, what's the matter!"

The disciple respectfully replied, "Sect Master, we've found out that there are seventy-eight sects and forty-five families participating in the 'Demon Extermination Conference'!

The total number of participants is five hundred and sixty-eight thousand!"

Upon hearing this,

everyone present changed their expressions dramatically.

"Hiss...

I didn't expect so many sects and families to participate in the 'Demon Extermination Conference', exceeding five hundred thousand!"

"With so many sects and families joining forces, even if the four Fiend Celestial Heavenly Venerates are strong, they are in danger now!"

"It seems, they are truly determined to eliminate all four Fiend Celestial Heavenly Venerates this time!"

Everyone's eyes were filled with shock, clearly not expecting so many sects and families to participate in the "Demon Extermination Conference".

Dongfang Shaohua asked, "Have any of those Heavenly Immortal Ancestors shown up yet?"

The disciple replied, "Not yet!"

Dongfang Shaohua nodded and said in a deep voice, "Keep investigating!"

Report any news immediately!”

“Yes!”

The disciple acknowledged and then hurriedly left.

Helian Xiongqi asked, “Shall we go to Ten Thousand Immortals Mountain to take a look?”

Dongfang Shaohua raised his hand and said, “Let’s not act rashly, just watch the changes for now!”

“Okay!”

Everyone nodded.

...

Meanwhile,

Heavenly Sword Island,

Ten Thousand Immortals Mountain,

As time passed by, it was unknowingly approaching sunset.

The setting sun was like blood, and the evening glow filled the sky.

After half a day of deliberation, the various big sects and families unanimously decided to besiege Gu Tianshang, luring Linghu Wuxie, Chu Junlin, and Zuo Canghai to come to the rescue.

“Sect Leader Bai, Sect Leader Qiao...

we’ve waited half a day, why haven’t any of the Heavenly Immortals arrived yet?”

“Yes, is it possible that all the Heavenly Immortal Ancestors really aren’t coming?”

“If all the Heavenly Immortal Ancestors don’t come, then how will we deal with those four demons?”

Everyone present was already impatient, and they all started shouting.

Bai Yinfeng spoke in a loud voice: “Everyone, please calm down.

Since the Heavenly Immortal Ancestors have promised to take action, they will definitely come!

Just wait a little longer!”

“Wait?

How much longer do we have to wait?”

“I propose that everyone disperse!”

Many people grew increasingly impatient and were very dissatisfied.

However, just at that moment.

Rumble...

Rumble...

From afar, the sound of rolling thunder could be heard!

“What’s that sound?!”

“Is it thundering?!”

“Everyone, look there!”

All those present looked towards the source of the sound.

They saw, in the distance on the horizon, fierce winds blew, the Sea of Rolling Clouds churned, and space distorted.

The next second!

Boom, boom, boom!...

Accompanied by a series of earth-shattering explosions!

In the far distance of the horizon, several void caves exploded open!

The number of void caves reached eleven, appearing like eleven black holes in the sky!

“Is this...

could it be that the Heavenly Immortal Ancestors are coming?!”

“From the looks of it, it seems so!”

“They are here, the Heavenly Immortal Ancestors are finally here!”

Everyone present immediately became excited.

As the eleven void caves exploded open!

Beams of dazzling, blinding immortal light and Buddha Light burst forth from the void caves, illuminating the vast sky and land!

Moreover, various magical and mysterious phenomena evolved within the void caves!

There were Immortal Palaces standing, flying swords darting through, All Buddhas reciting scriptures, dragons soaring, Jiuying causing chaos in the sky...

such sights made everyone present tremble with fear!

It was not long before.

Clang, clang, clang!...

Footsteps echoed from the eleven void caves.

These footsteps were incredibly loud, causing the sky to tremble, mountains to shake, and rivers to surge.

The birds and beasts in the forests were frightened into frantic flight.

Everyone present stared intensely at the eleven void caves, their excited hearts almost leaping out.

Soon.

Eleven figures emerged, tall and upright, with an otherworldly demeanor, radiating with immortal light and Buddha Light Shining the World, appearing on the far horizon.

Thus, these eleven figures were indeed the Heavenly Immortal Ancestors from the eight top-tier sects and two top-tier families.

They were—

Dao Yan Ancestor Qiao Huaxian from the Heavenly Amplification Sect, Wan Jian Ancestor Bai Yuanzhou from the Immortal Sword Sect!

Tian Bao Ancient Buddha, Ancient Tuo Zen Master from the Ten Thousand Buddha Sect, Bu Mie Demon Venerate Yin Juetian from the Divine Intent Sect!

Tai Cang Sword Venerable Chai Wen Dao from Piaomiao Palace, Nine Yang Immortal Venerable You Xianzhan from Immortal Mist Sect!

Coiling Dragon Ancestor Qiong Canglong from Coiling Dragon Sect, Flying Immortal Ancestor Ji Yunhe from Flying Immortal Palace!

Jiuying Ancestor Kuai Xianhong from the Jiuying Family, Yazi Old Ancestor Fu Haijiang from the Yazi Family!

Kuai Xianhong's cultivation is at the Heavenly Immortal Perfected Stage!

Fu Haijiang, Tian Bao Ancient Buddha's cultivation are in the Late Stage of Heavenly Immortal!

Yin Juetian, Qiao Huaxian, Bai Yuanzhou, Chai Wen Dao, Qiong Canglong's cultivations are in the Mid-stage Heavenly Immortal!

Ancient Tuo Zen Master, You Xianzhan, and Ji Yunhe's cultivations are in the Early Stage Heavenly Immortal!

At this very moment.

These eleven Heavenly Immortal Ancestors were merely standing quietly in the distant sky, their eyes displaying pride, their expressions neither happy nor sad.

Everyone present instantly felt an immense oppressive force, shivering uncontrollably

Chapter 2324: Demon Yang Luo, Coming to Pay Respects to the Mountain!

The True Immortal elders present could barely withstand the oppressive force and aura.

But for those with insufficient cultivation and strength, they had long been frightened into trembling, with their hair standing on end.

Whether in the Kunlun Ruins or Penglai Immortal Island, a Heavenly Immortal holds an extraordinary status, revered by all immortals.

If a sect or family produced a Heavenly Immortal, their status would rise like the tide lifts a boat.

And now, with the sudden appearance of eleven Heavenly Immortals, how could they not be shocked?

After all, these Heavenly Immortal Ancestors were usually elusive like a divine dragon showing its head but not its tail, always cultivating and seeking Enlightenment, not often seen.

At this moment.

Under everyone's gaze.

Kuai Xianhong and the other ten people walked step by step towards them.

Clang, clang, clang!...

With each step they took, Heaven and Earth trembled violently, mountains and rivers shook.

All present felt as if their hearts were being hammered, their blood boiling uneasily.

In just a few steps.

Kuai Xianhong and the other ten had traveled several miles and appeared above Ten Thousand Immortals Mountain.

"Salutations to Jiuying Ancestor!"

"Salutations to Yazi Ancestor!"

"Salutations to Tian Bao Ancient Buddha!"

...

Everyone present knelt on one knee, with the utmost respect and piety.

Even the mutated beasts in the distance lay prostrate on the ground, quite respectfully.

Kuai Xianhong raised his hand slightly and said lightly, "Stand up."

“Thank you, Jiuying Ancestor!”

Everyone thanked him and then dared to stand up.

Afterward, Kuai Xianhong and the other ten settled down on Ten Thousand Immortals Mountain, sitting cross-legged, their expressions calm and composed.

Bai Yinfeng slightly bowed to Kuai Xianhong and the other ten and said with cupped hands, “Honored Heavenly Immortal Ancestors, we spent half a day discussing how to deal with those four demons.”

“Oh?”

Kuai Xianhong lifted his eyelids and said, “Let’s hear it then.

What are the results of your discussion?”

“Yes!”

Bai Yinfeng nodded then relayed their discussed outcome to Kuai Xianhong and the other ten.

After speaking, Bai Yinfeng looked up with a smile and said, “As for the specifics of our action, we hope the Heavenly Immortal Ancestors will decide.”

For a time, Kuai Xianhong and the other ten discussed amongst themselves.

Everyone present dared not make a sound, quietly waiting for the outcome of the Heavenly Immortal Ancestors’ discussion.

After several minutes.

Kuai Xianhong declared loudly, "After our discussion, we think your plan is good.

Let's do it as you planned!"

"Thank you, Heavenly Immortal Ancestors, for your approval!"

Bai Yifeng was pleasantly surprised and then asked, "May I inquire, when do the Heavenly Immortal Ancestors wish to depart?"

Kuai Xianhong turned and asked Fu Haijiang and the others, "What do you think?"

Fu Haijiang arrogantly said, "Since we've decided to take action and rid ourselves of those four demons, there's no time like the present.

Let's set out now!"

Yin Juetian nodded, "I agree with Brother Fu's suggestion, let's depart now."

Qiao Huaxian said coldly, "This time we must thoroughly eliminate these four demons!"

Kuai Xianhong turned to consult the others, "Setting out now, does anyone have objections?"

"Let's do it now!"

"Regardless of the time of departure, I have no objections!"

"Removing these four demons as soon as possible will restore the peace of Penglai Immortal Island!"

"These four great demons have committed countless atrocities; it's time they were eradicated!"

“Back then, these four demons severely injured us, it’s time we settled the score with them!”

“With the eleven of us joining forces, these four great demons are doomed!”

The others also voiced out one after another, their eyes flashing with a cold gleam.

They had all once fought against Gu Tianshang and his group, sustaining heavy injuries.

They had long harbored a bone-deep hatred for Gu Tianshang and his companions.

If they were to fight alone, they naturally wouldn’t dare to provoke Gu Tianshang and his three companions.

But now, the eleven of them are joining forces, aided by numerous True Immortals and Earth Immortals!

They were brimming with absolute confidence and certainty, capable of thoroughly annihilating Gu Tianshang and his group!

“Good!”

Kuai Xianhong nodded, and said aloud: “Then let’s set off now!”

Bai Yinfeng turned around, glanced at everyone present, and announced resoundingly: “Everyone, this time we must unite and exterminate these four great demons!”

“Exterminate the demons!”

“Exterminate the demons!”

Everyone present raised their arms and shouted, their voices thundering through the skies.

Bai Yinfeng swung his hand grandly!

“Depart!”

With that command!

Everyone present started to prepare for departure!

But at that moment!

A booming voice came from the distance!

“Demon Yang Luo comes to pay respects to the mountain!”

This voice was immensely mighty, like rolling thunderclaps, echoing to every corner of Heaven and Earth.

“Who is it?!”

“Yang Luo?!”

Which Yang Luo?!”

“Could it be the Yang Luo who has recently shaken Penglai Immortal Island to its core?”

“That’s strange, didn’t Sect Leader Bai and the others say that Yang Luo was already dead?!”

“Could it be someone with the same name?”

All those present began discussing.

However, Bai Yinfeng and Qiao Xianci and the others had a drastic change in expression, staring intently towards the distance.

Especially Ancient Tuo Zen Master, his brows were furiously knotted, his face filled with disbelief.

They were all too familiar with Yang Luo’s voice.

But what exactly was going on?!

Wasn’t that nuisance Yang Luo already dead?!

Could they have been hearing things?!

Under the gaze of all.

A hundred-meter-long ancient boat was seen flying rapidly from the distance.

Within just a few breaths’ time.

The ancient boat arrived close overhead.

Standing on the ancient boat were Yang Luo and his companions.

Bujie glanced around and clicked his tongue: “My goodness, these guys have actually gathered so many people?!”

At least several hundred thousand?!”

Ning Jianfeng said in a low voice: “It seems that these guys have really spent a fortune to kill Senior Gu and the others.”

Ji Longyue and the others also felt a shudder in their hearts when they saw so many people, sensing a tremendous pressure.

However, thinking about Yang Luo being present, along with the presence of Senior Gu and the three others backing them up, they found their courage.

Yang Luo stood on the ancient boat with his hands behind his back, squinting at Bai Yinfeng with a smile, “Gentlemen, long time no see!”

At this moment!

Bai Yinfeng and Qiao Xianci and the others were all stunned, their eyeballs nearly popping out!

“You little beast, how are you not dead?!”

“And all you little beasts, why are you still alive?!”

“How could this be?!”

How could Gu Tianshang, that demon, possibly spare you once you set foot on Immortal Burial Island?!”

“What the hell is going on?!”

Bai Yinfeng and the others gnashed their teeth and roared, their eyes gleaming with fiery rage as they looked at Yang Luo and his group!

After all, Ancient Tuo Zen Master had already told them that Yang Luo and the others were dead!

Yet unexpectedly, more than a month later today, these nuisances had all suddenly reappeared!

Yang Luo smiled faintly and asked, "Does me being alive surprise and shock you that much?"

Speaking, he raised his eyes to look at Ancient Tuo Zen Master, his gaze turning cold, "Old man, you are here too!"

Chapter 2325: Get Lost!

"Demons, you're actually not dead?!"

Ancient Tuo Zen Master stared intently at Yang Luo and suddenly exclaimed in shock: "No...

You...

have actually ascended to Heavenly Immortal?!"

As soon as these words came out!

The whole audience was shocked!

"What?!"

This kid has ascended to Heavenly Immortal?!"

“How is that possible?!”

It was said that during the battle at Divine Wood Cliff, this kid was only in the perfected True Immortal Realm, how did he ascend to Heavenly Immortal in just over a month?!”

“This kid is so young, yet he has ascended to Heavenly Immortal, are you joking?!”

“This kid might be the youngest Heavenly Immortal in history!”

Everyone present exclaimed in astonishment, looking at Yang Luo with eyes full of fear.

“Heavenly Immortal...

how could you possibly ascend to Heavenly Immortal?!”

Bai Yinfeng’s face contorted, he roared furiously, “How could this...

How is this possible?!”

Qiao Xianci gritted his teeth and said: “The Heavenly Immortal Thunder Tribulation is not something that anyone can simply survive!

How did this kid not get struck to death by the Heavenly Immortal Thunder Tribulation?!”

Other sect masters, family heads, and elders all wore faces of disbelief!

And filled with various feelings of envy, jealousy, and hatred!

Heavenly Immortal was the goal all of them were pursuing!

Yet unexpectedly, they hadn't ascended to Heavenly Immortal, but this kid did!

Damn it!

Hateful!

This is outrageous!

At this moment.

The eleven Heavenly Immortals seated atop Ten Thousand Immortals Mountain were all staring intently at Yang Luo.

They too felt that Yang Luo had really ascended to Heavenly Immortal.

This truly took them by surprise.

Especially Tian Bao Ancient Buddha, Qiao Huaxian, and Bai Yuanzhou from the Purple Cloud Sect who had encountered Yang Luo during the great battle, they were dumbstruck.

Tian Bao Ancient Buddha squinted and said: "This youngster is indeed not simple; a few months ago when we met him, he was merely in the late True Immortal realm.

But unexpectedly, in just a few months, this youngster has ascended to Heavenly Immortal."

"So what if he's not simple!"

Qiao Huaxian sneered, saying: “With the eleven of us present, this minor Early Stage Heavenly Immortal, what waves can he stir?”

Bai Yuanzhou also scoffed: “We have several Mid-stage and Late-stage Heavenly Immortals, and even Perfected Stage Heavenly Immortals, does this kid think he can turn the heavens?”

Although other Heavenly Immortals were quite shocked, they didn’t take Yang Luo too seriously.

Bai Yinfeng grimly looked at Yang Luo, jeeringly saying: “Little beast, do you really think it’s something great that you’ve ascended to Heavenly Immortal?

Today with all the Heavenly Immortal Ancestors present, you’re doomed!”

Qiao Xianci sinisterly said: “Little beast, had you hidden, we might really not know whether you’re dead or alive!

But now that you’ve come, leave your life behind!”

“Demons, even if you’ve ascended to Heavenly Immortal, poor monk can still kill you!”

Ancient Tuo Zen Master roared out loud, leaping into the sky, stabilizing in the air.

Boom!

A golden Buddhist light burst forth from his body, tearing apart the sea of clouds above!

His eyebrows fluttered, his robe flapping, his body illuminated with Buddhist light!

Bursts of pressure and aura as impactful as mountain collapses and tsunamis spread from his body, sweeping across all directions of heaven and earth!

He had long harbored extreme hatred towards Yang Luo!

During the battle at Divine Wood Cliff a month ago, not only did this demon injure him, but he also escaped from his grasp several times, causing him severe humiliation!

If it were not for Gu Tianshang's appearance, he would have already killed this demon!

Ancient Tuo Zen Master stepped toward Yang Luo, saying harshly: "Demon, you dare to be arrogant here just having ascended to Heavenly Immortal, you're simply courting death!

A month ago, poor monk couldn't kill you, today, poor monk shall thoroughly eradicate you, eliminating you, this demon!"

Yang Luo smiled faintly and replied: "A month ago, you couldn't kill me; now that I have ascended to Heavenly Immortal, could you kill me?"

Before his voice fell,

Yang Luo took a direct step forward!

Clang...

Heaven and earth trembled violently, all directions shook!

Boom!

A beam of golden light shot straight up from his body, breaking through the firmament, and punched a hole in the void above!

A magnificent and domineering aura and pressure spread from his body, sweeping in all directions!

It was just one step!

“Ahhh...”

Instantly, thousands of people screamed, spitting blood, and were blown away!

“Retreat!

Retreat quickly!”

“Do not get close!”

The surrounding crowd was frightened and quickly retreated backward.

As the crowd retreated in that instant!

Rumble!

Two forces collided fiercely in the air like tangible substances, bursting with thunderous explosions!

The vast firmament and void were cracked open, spreading out like a giant black net!

Mountains below instantly collapsed, turning into rubble and dust that soared into the sky!

Ancient Tuo Zen Master thought he could suppress Yang Luo with his pressure and aura, but he couldn’t at all!

Moreover, the power and aura unleashed by Yang Luo were even more terrifying, surging towards him like a primitive fierce beast!

Clang, clang, clang!...

He was shocked into continuously retreating, each step he took caused the void to fracture!

“What?!”

This young man has suppressed Ancient Tuo Zen Master just with his aura and pressure?!”

“Not only suppressed, but he also made Ancient Tuo Zen Master retreat!”

“Ancient Tuo Zen Master had stepped into the realm of Heavenly Immortal first, how could he be suppressed by this young man?!”

“This young man is no simple character.

Even when he was in the late and Perfected stages of True Immortal realm, he was already known as an unbeatable existence below the Heavenly Immortals!”

“Yes, now that he has stepped into the realm of Heavenly Immortal, who knows how much his power has increased!”

People from afar exclaimed in shock.

Even Kuai Xianhong and other Heavenly Immortals stared fixedly at Yang Luo, squinting their eyes, sensing something was amiss.

Seeing that neither pressure nor aura could suppress Yang Luo!

Ancient Tuo Zen Master roared: “Demon, face your doom!”

His figure moved, bursting through the oppressive aura, turning into a stream of light charging towards Yang Luo!

In the moments of closing in!

He raised his right arm, fiercely swatting towards Yang Luo!

“Ten Thousand Buddha Palm!”

A massive thousand-feet tall golden palm descended like a Golden Five-fingered Mountain!

In its palm, a swastika rune was engraved, containing immense Buddhist aura, palm intent, and the power of Heaven and Earth!

Hence, he knew Yang Luo was not simple, and started off with true force!

Yet Yang Luo was calm and collected, his right arm rose, and he punched out!

“Scram!”

With a thunderous boom!

A colossal two-thousand-feet tall golden fist shattered a vast expanse of the void!

This punch was simple and direct, but it erupted with ancient, overbearing fist intent, Fist Power, and the power of Heaven and Earth, smashing upward!

In an instant!

Boom!

The punch and palm collided heavily, exploding with a sound that split clouds and rocks!

In the surrounding area for miles, the firmament and void instantly shattered!

Dozens of mountains below instantly turned into dust!

Ancient Tuo Zen Master thought he could withstand Yang Luo's punch, even suppress him!

But he couldn't block it, nor suppress it!

"Ah..."

Ancient Tuo Zen Master let out a pained cry, like a sandbag, directly blown away by the punch...

Chapter 2326: Shocking the Entire Audience!

Ancient Tuo Zen Master was sent flying back eight hundred meters before he could barely stabilize himself.

Although he managed to steady himself, a bloody cut had opened up on the palm of his right hand, and a trace of fresh blood spilled from the corner of his mouth.

Suddenly.

The entire scene fell into an eerie silence.

Everyone stared blankly at Yang Luo, their eyes wide and round.

After a quiet moment.

A sound like a landslide or tsunami erupted from the crowd.

“Oh my god, is this kid really that strong?

He actually sent Ancient Tuo flying with one punch?!”

“And what’s more, Ancient Tuo Zen Master was actually injured by this kid’s punch!”

“Both being Early Stage Heavenly Immortals, how is this kid stronger than Ancient Tuo Zen Master?!”

“You should know, the disparity between Heavenly Immortals of the same realm shouldn’t be this big!”

Everyone present voiced their shock, finding it inconceivable.

Bai Yinfeng exclaimed in alarm, “Could it be that Ancient Tuo Zen Master is no longer a match for this vile beast?!”

“How could this be?!”

Qiao Xianci was also puzzled.

The eleven Heavenly Immortals sitting atop Ten Thousand Immortals Mountain all frowned, finding it unbelievable.

Bujie sneered derisively, “These fools really are ignorant.

Brother Yang has transcended the most formidable Heavenly Immortal Thunder Tribulation, naturally he is much stronger than this old fool!”

“Brother Yang is invincible within the same realm and can fight across levels.

This old fool is nothing!”

Ning Jianfeng added his agreement.

Ji Longyue and others also looked toward Ancient Tuo Zen Master, wearing a look of disdain.

Far away.

Several figures stood on a large mountain, watching the situation unfold.

These people were the disciples sent by the Purple Cloud Sect to gather intelligence.

“Mr.

Yang...

Mr.

Yang has appeared!”

“Quick, go notify the sect masters immediately!”

The disciples voiced their excitement and then promptly contacted Eastern Shaohua.

At this moment.

Not far from Ten Thousand Immortals Mountain up in the sky.

Ancient Tuo Zen Master glared at Yang Luo, his chest heaving uncontrollably with anger.

During the battle at Divine Wood Cliff, he had already lost face in front of everyone.

But he didn't expect to lose face again today, in front of so many people.

And although he had lost face back then, at least he could still barely suppress this demon.

But today, he wasn't able to suppress this demon at all, but instead, he himself was being suppressed.

His teeth gritted, his face twisted into a ferocious distortion.

Yang Luo looked at Ancient Tuo Zen Master with a calm face, and lightly said, "Do you really think you are still my match now?"

Do you really believe that with your power, you can kill me?"

Ancient Tuo Zen Master roared furiously, "Demon, I will kill you, I must kill you!!!"

With a roar!

He unleashed his full momentum and combat power, his body flickering with Buddhist light, illuminating all eight directions of the heaven and earth!

Boom!

Boom!

Boom!

The boundless sky, the earth, mountains, rivers, and forests all began to tremble and shake violently!

Just at this moment!

You Xianzhan shouted, "Ancient Tuo Zen Master, let me lend you a hand!"

With that, he shot up into the sky from Ten Thousand Immortals Mountain and took his stand in the air!

He looked at Yang Luo and sneered, "Kid, you're the one praised as the first Heavenly Pride seen once in a thousand years by both Kunlun Ruins and Penglai Immortal Island, right?"

He paused.

Then continued, "I am 'Nine Yang Immortal Venerable' You Xianzhan from the Immortal Mist Sect!

No matter if you're a Heavenly Immortal or Heavenly Pride, I shall kill you!"

Yang Luo's gaze was indifferent, "And you think you are worthy?"

He, too, sensed that this old guy was at the Early Stage Heavenly Immortal realm like him.

He didn't fear any Early Stage Heavenly Immortals.

Even if Ancient Tuo Zen Master joined forces with him, he was not afraid.

“Court death!”

You Xianzhan let out a thunderous roar.

Boom!

A beam of reddish-gold light shot straight up from his body into the sky, breaking through the Cangqiong and plunging into the Void!

Waves of pressure and energy spread from within him, like a bursting flood, terrifyingly overwhelming!

Seeing that both Ancient Tuo Zen Master and You Xianzhan were readying to strike!

The spectators were all so frightened that they continued to retreat in panic!

“Watch as this old man takes your life!”

You Xianzhan bellowed, his beard and hair flying, robe fluttering, transforming into a streak of reddish-gold radiance, rushing to attack Yang Luo!

“Demon, be vanquished!”

Ancient Tuo Zen Master took a step forward and became a streak of golden light, charging towards Yang Luo!

“With Ancient Tuo Zen Master and Nine Yang Immortal Venerable joining hands, this kid is done for!”

“The combined force of two Heavenly Immortals, their combat power will surge by leaps and bounds, even if this kid is strong, he won’t withstand the joint assault by two Heavenly Immortals!”

Everyone present believed Yang Luo was a goner.

Even Flame Emperor and the others were somewhat worried, ready to intervene and help.

After all, they did not know just how much Yang Luo’s strength had increased after stepping into the Heavenly Immortal realm.

Yang Luo still had his hands behind his back, his expression unperturbed, and he spoke lightly: “Brothers, no need to worry.”

In an instant!

You Xianzhan and Ancient Tuo Zen Master were already closing in on Yang Luo!

“Nine Yang Dominator Fist!”

You Xianzhan lifted his right arm, twisting a punch, and thunderously struck at Yang Luo!

With that punch, he conjured nine colossal golden fists, each over a thousand zhang large, like nine suns, simultaneously hammering down on Yang Luo!

Moreover, the power of these nine fists was incredibly fierce, shattering vast swathes of the Void!

“Ten Thousand Buddha Divine Finger!”

Ancient Tuo Zen Master raised his right arm, pressing out a finger!

A gigantic golden Buddha Finger, over a thousand zhang in size, collapsed a section of the Cangqiong, like a golden heavenly pillar, crushing down on Yang Luo!

Even more overwhelming Buddhist light burst forth from his body, shooting towards Yang Luo!

Faced with the combined attack of both adversaries!

Yang Luo stood tall, fearless, his aura and combat power exploding in an instant, his “Undying Golden Body” also activated immediately!

The golden radiance on his body grew even more dazzling, the thin film of gold that coated him became more solid and dense!

Then, he raised his right hand and fiercely slapped out!

“Ten Thousand Starry Sky Palm!”

A giant golden palm, over two thousand zhang large, pressed down from above!

In the palm, Sun and Moon revolved, stars twinkled, as if a true starry sky was evolving into existence!

In that moment!

Bang rumbles!

Boom rumbles!

The sounds of collision and explosion erupted simultaneously, resonating through the Cangqiong, spreading in all directions!

Large swaths of the Cangqiong and the Void shattered open, more mountains burst in succession, the land collapsed, rivers surged!

The attacks from You Xianzhan and Ancient Tuo Zen Master were indeed fierce, and a normal Early Stage Heavenly Immortal would not be able to withstand their ferocious assault!

However, Yang Luo forcefully defended against it!

Not only did he fend them off, but he also shattered You Xianzhan's nine golden fists and Ancient Tuo Zen Master's huge golden finger!

"Quick, help them!"

"It seems Ancient Tuo Zen Master and Nine Yang Immortal Venerable can't withstand this kid's palm!"

Five Earth Immortals and three True Immortals surged up into the sky, attacking from all directions!

As these Earth Immortals and True Immortals charged in, they also unleashed a barrage of deadly moves, striking at Yang Luo!

"Do you wish to seek death?"

Yang Luo's voice was cold and stern, his body trembled!

"Roar roar roar!"

Accompanied by the vast sound of dragon roars, nine gargantuan golden giant dragons, each over two thousand zhang large, roared out, charging in all directions!

In a flash!

Peng peng peng!

Five Earth Immortals and one True Immortal instantly exploded into a mist of blood!

“Pfft pfft...”

The remaining two late True Immortal elders spurted blood from their mouths, were blown away, and crashed into a distant mountain

Chapter 2327: One Against Three!

The two True Immortals who had crashed onto the distant mountains were not dead, but they had also suffered serious injuries, wailing miserably.

“You all can roll away, too!”

Yang Luo roared with booming voice, and with a fierce exertion of his right arm, his combat power surged once more!

Waves of energy that could overturn mountains and seas surged toward You Xianzhan and Guduo Zen Master!

The faces of You Xianzhan and Guduo Zen Master changed drastically.

They wanted to resist but were utterly too late!

“Uh...”

“Ah...”

Both men let out a pained cry and were blown away!

Boom, boom, boom!...

Guduo Zen Master crashed into four large mountains before he could steady himself!

Although he steadied his body, he spat out a mouthful of fresh blood!

You Xianzhan had knocked down three big mountains before steadying himself!

His right hand was cracked open with several wounds, and the corner of his mouth also trickled a thread of fresh blood!

As for Yang Luo, he still stood quietly in mid-air, completely unharmed!

After the baptism of the lightning tribulation, his body had become even more resilient, and the “Undying Golden Body” was now several times stronger than before!

Therefore, the aggressive attacks that You Xianzhan and Guduo Zen Master had just launched could not harm him at all!

“Well done, Brother Yang!”

“Hahaha, even if you two old fellows join hands, what can you do?

Still blown away by a palm strike from my Brother Yang!”

“Brother Yang is mighty and dominant!”

“Brother Yang, you are the best!”

Bujie and the others all shouted excitedly, their arms raised.

Moments ago, they were worried about Yang Luo, thinking he couldn’t withstand the fierce joint attack of You Xianzhan and Guduo Zen Master.

But now, they realized their worries were unnecessary.

Yang Luo remained as strong as ever, invincible within his own realm!

The entire place erupted in commotion!

“Has this kid become so powerful now?!”

“Even the combined forces of the Nine Yang Immortal Venerable and Guduo Zen Master are not his match?!”

“The key point is, five Heavenly Immortals and three True Immortals came to help, and this kid killed six and seriously wounded two!”

“This is terrifying, this kid’s actual combat power has probably surpassed his cultivation level!”

“This kid is simply a monster, you can’t look at him with ordinary eyes!”

Everyone exclaimed, trembling all over, their gazes filled with fear when looking at Yang Luo.

Especially Bai Yinfeng and Qiao Xianci and others, who were both shocked and furious.

It would be understandable if Guduo Zen Master alone couldn’t suppress this brat.

But how could the joint efforts of Guduo Zen Master and Nine Yang Immortal Venerable also fail to suppress him?

Kuai Xianhong squinted his eyes and said: "This kid is really not simple!

Facing two opponents alone, he not only held his ground but also managed to injure Brother You and Guduo Zen Master!"

Fu Haijiang frowned and said: "Just how strong is this kid?

Why can't I see through him?"

Yin Juetian and Qiao Huaxian and others also furrowed their brows, unable to see through Yang Luo's true strength.

They could feel that in the battle against Guduo Zen Master and You Xianzhan, Yang Luo hadn't even used his real power.

"Hmph!"

Ji Yunhe let out a cold snort and said: "Gentlemen, no worries, I will go help Guduo Zen Master and Brother You!"

With that, he too burst into the sky from the mountain top and took his stand high above.

"My god, the Flying Immortal Ancestor is also planning to take action?!"

"Is it really necessary for three Heavenly Immortal Ancestors to join forces just to kill this kid?!"

“I don’t believe that three Heavenly Immortal Ancestors joining forces can’t kill this brat!”

“Please, the three Heavenly Immortal Ancestors, execute this demon!”

Exclamations, angry roars, and bellowing sounds echoed continuously.

Bujie cast a cold glance and said sternly: “These guys are really despicable and shameful, only knowing to bully the few with numbers!”

Mo Qingkuang sneered: “So these are the so-called righteous sects, laughably pathetic!”

“Little Luo, can you handle these three old guys?”

Flame Emperor asked with concern.

Everyone also turned their gaze to Yang Luo.

“Don’t worry!”

Yang Luo uttered two words.

With just two words, Flame Emperor and the others immediately felt an endless supply of confidence and support.

At this very moment.

Yang Luo stood proudly in the sky, looking up at the three opponents, and declared loudly, “You want to join forces to kill me?”

Bring it on, what do I, Yang Luo, have to fear!”

Before his voice even faded!

Yang Luo's aura and battle power surged once more!

His eyes shone like golden lamps, captivating and terrifying, as he roared out: "Invincible Sword Body," activate!

Boom!

A massive golden sword over two thousand zhang high erected from his body!

At this moment, Yang Luo seemed to merge into one with the Nine Heavens Battle Sword!

He was the sword, and the sword was him!

"Flame Emperor Combat Body," activate!

Boom!

A gigantic flaming giant over two thousand zhang tall rose up!

Like the descent of the Ancient Flame Emperor to the mortal world, flames billowed, burning Heaven and Earth!

"Divine Dragon Tyrant Body," activate!

Boom!

A massive purple giant over two thousand zhang tall stood erect!

Its body was covered with dragon patterns, with nine purple giant dragons coiling around it!

As successive physique secret techniques were activated!

Waves of crushing, ocean-overturning might and aura spread out!

Rumble rumble rumble!

The vast skies, the earth, mountains, forests, and rivers within dozens of miles vibrated even more violently!

Thus, with the increase of his cultivation, the physique secret techniques he controlled became even more formidable, a true qualitative transformation and leap!

The fifty-plus-thousand people on the scene were all immensely shocked, gazing at Yang Luo as if they were looking at a deity!

Ancient Tuo Zen Master shouted loudly, “Benefactor You, Donor Ji, let’s attack together!”

“Alright!”

You Xianzhan and Ji Yunhe both responded in unison.

Subsequently, all three also fully unleashed their aura and battle power and attacked Yang Luo simultaneously!

Like a spear, Yang Luo stood erect in the sky, not moving an inch, but rather, he coldly watched the three people!

In the blink of an eye!

The three, led by Ancient Tuo Zen Master, had already approached Yang Luo and launched a fierce attack!

“Ten Thousand Buddha Demon-suppressing Fist!”

Ancient Tuo Zen Master clenched his right fist, with an enraged punch, he slammed it out!

A huge golden fist over a thousand zhang large shattered the layered void, with the blazing Buddhist light, it hammered towards Yang Luo!

“Nine Yang Heaven-opening Palm!”

You Xianzhan lifted his right arm, slapping his palm towards Yang Luo!

With one palm strike, nine massive crimson-golden palms stacked upon one another!

The giant palms pressed down from the sky, igniting crimson-golden flames, like a flaming mountain, colliding with force!

“Seven Extremes Flying Immortal Claw!”

Ji Yunhe clenched his right hand into a claw, swiping it towards Yang Luo!

With one swipe of the claw, seven massive silver-grey giant claws tore apart the sky, reaching out for Yang Luo!

Even though all three were only at the Early Stage Heavenly Immortal realm, their joint strike was terrifyingly shocking, as if it could destroy everything!

Even a common Mid-stage Heavenly Immortal powerhouse would probably struggle to block the combined strike of the three!

But what shocked everyone present was!

Yang Luo neither dodged nor retreated, but twisted his fist directly, meeting the attack head-on!

“Nirvana Dragon Fist!”

“Roar roar roar!”

A punch was thrown, with ten thousand dragons roaring, echoing through the sky!

A massive golden fist over two thousand zhang high, wrapped with tens of thousands of lifelike golden dragons, furiously bombarded upwards!

In an instant!

Boom boom boom!

The punch Yang Luo threw collided fiercely with the onslaught launched by the three!

The impact was staggering, shaking all directions!

Chapter 2328: Have You No Shame?

The light and energy that erupted from the collision were overwhelmingly intense and terrifyingly formidable!

Boom!

Boom!

Boom!

The heavens above instantly cracked open, creating a tens of thousands of meters long fissure, like a colossal chasm stretched across the sky!

The surrounding void shattered like glass, revealing densely packed pitch-black cracks!

Even though all the onlookers had already retreated a great distance, they still felt an immense oppressive force!

It lasted for just a few minutes!

Crack!

Crack!

Crack!

A series of crisp breaking sounds followed one after another!

Before everyone's eyes, the punch from Ancient Tuo Zen Master, the palm strike from You Xianzhan, and the seven gargantuan claws swung by Ji Yunhe began to fracture in succession!

“What?!”

“How is this possible?!”

“The combined efforts of the three of us can’t suppress this youngster?!”

The faces of Ancient Tuo Zen Master and his companions constricted with alarm, their expressions undergoing a drastic change.

“My heavens, even the joint strength of three Heavenly Immortals can’t suppress this kid?!”

Someone cried out in terror.

“This kid is not human at all, he’s a demon!”

Another exclaimed.

Others were already dumbstruck, speechless in astonishment.

Even the Heavenly Immortals from Ten Thousand Immortals Mountain were shocked beyond belief!

As for Bujie and the others, they clenched their fists, extremely excited!

“This old man refuses to believe I can’t kill this youngster!”

Ji Yunhe, fuming with anger, rapidly formed seals with his left hand and roared out loud!

“Flying Immortal Seven Killings Seal!”

In an instant!

Seven massive seals, each over a thousand zhang in size, materialized and descended with rolling killing aura, like seven majestic mountains, pressing towards Yang Luo!

“Nine Yang Town Immortal Map!”

With a fierce wave of You Xianzhan’s left hand!

A gigantic red-gold ancient map, over a thousand zhang in size, carrying the power to destroy heaven and earth, descended upon Yang Luo to annihilate him!

“Karma Fire Buddha Lotus!”

Ancient Tuo Zen Master waved his left hand as well!

A colossal lotus, over a thousand zhang in size and burning with golden Buddha Flames, took shape slowly rotating as it descended upon Yang Luo with the intent to suppress and annihilate!

At this moment, the combined execution of their killing moves was breathtakingly terrifying!

But, Yang Luo remained fearless!

He raised his left arm and let out a thunderous roar!

“Chaos Sky Splitting Claw!”

“Be annihilated!”

Golden dragon scales manifested on his left arm, forming a gigantic golden dragon claw over two thousand zhang in size, reaching up towards the descending huge seals, ancient map, and Buddha Lotus!

In the blink of an eye!

Bang!

Boom!

Boom!

Earth-shaking collision noises echoed, shaking the very foundations of heaven and earth!

Less than three minutes later!

Rumble!

Boom!

Boom!

The descending seven seals, ancient map, and Buddha Lotus were simultaneously shattered by that single claw!

The sky above was blown open with a massive hole, as cascades of light and energy spread out in all directions!

Seeing that this move still failed to annihilate Yang Luo!

Ancient Tuo Zen Master and the others were about to continue unleashing their killing moves, but it was already too late!

“Get the hell out of here, all of you!”

Yang Luo emitted a sky-shaking bellow, his right fist clenched, his left claw poised, and he launched a ferocious assault at the three of them!

The trio was horrified, quickly congregating their Defensive Shields to resist!

Amidst the resounding “boom, boom, boom” of explosions!

The Defensive Shields they had built up were instantly shattered!

“Aaaaah...”

The trio screamed miserably, blown away like cannonballs!

Blood sprayed from their mouths, and their bodies were splattered with their own blood!

“My God, this kid is too horrifying, even the joint force of three Heavenly Immortals still couldn’t handle him!”

“Is it possible that only a Mid-stage Heavenly Immortal can slay him?!”

“Has he reached the Heavenly Immortal level and still able to challenge beyond his rank?!”

“Just how strong is this kid?!”

Exclamations of shock, gasps of amazement, and cries of alarm rose one after another.

“Too cool, Brother Yang, you’re my idol!”

“We can always trust in Brother Yang’s power!”

“Brother Yang, you’re the best!”

Bujie and others shouted excitedly, waving their arms in support.

Bai Yinfeng and Qiao Xianci were on the verge of going mad with anger!

A slap in the face!

This was nothing less than a slap in their faces!

Three Heavenly Immortals joined forces and still couldn’t suppress this lad, it was utterly humiliating!

“Since you three have had your turn for so long, is it not time for me to step in?”

Yang Luo roared, taking a step forward, charging at Ancient Tuo Zen Master and his two allies!

At that very moment!

“How dare you!”

Tian Bao Ancient Buddha could no longer contain himself.

Lifting his right hand, it transformed into a colossal five-thousand zhang huge golden palm, bearing down on Yang Luo!

Buddhist light shone for ten thousand zhang, Buddha's power vast and boundless, Buddhist aura overwhelming!

Scribed with a swastika rune, the giant golden palm descended like a golden firmament, covering the sky!

Everyone was shocked out of their wits, clearly not expecting Tian Bao Ancient Buddha to suddenly take action!

Even Flame Emperor and the others were taken aback, unable to react in time to offer aid!

After all, Tian Bao Ancient Buddha was at the Late Stage of Heavenly Immortal!

Even if Yang Luo was incredibly powerful, he might not be able to withstand the onslaught of a Late-Stage Heavenly Immortal!

However, Bai Yinfeng and Qiao Xianci rejoiced!

They had thought other Heavenly Immortal Ancestors would disdain to make a move against Yang Luo!

But, unexpectedly, Tian Bao Ancient Buddha had taken action!

Great, this was fantastic!

After causing such a ruckus for so long, the kid was finally going to die!

But, just as the huge golden palm was about to crush him!

Boom!

A thunderous roaring blast suddenly came from the far horizon!

The next second!

A massive eight-thousand zhang black and red gigantic palm pressed down from afar, heavy and inexorable!

The black and red giant palm was boundlessly vast, its palm inscribed with Six Paths Fiend Celestial Totem, breathtakingly spectacular!

Everyone felt as if the sky had suddenly darkened!

In the blink of an eye!

Boom!

The black and red Fiend Celestial palm collided heavily with the golden Buddhist palm above the firmament, like two firmaments smashing into each other!

The vast expanse of ten-thousand-meter sky instantly cracked, as if a black Nether River materialized overhead!

The surrounding void was torn apart like fabric, continuously fracturing!

Less than a minute had passed!

Boom!

The palm struck by Tian Bao Ancient Buddha was directly shattered in the sky above, exploding into a sky full of golden light and energy that splattered everywhere!

At this moment!

The entire arena was stunned, utterly astounded!

“Who is intervening?!”

“That palm just shattered one from Tian Bao Ancient Buddha?!”

“Could it be that this kid has the aid of another powerful Heavenly Immortal?!”

“Being able to shatter a blow from Tian Bao Ancient Buddha, the other party must be at least at the Late Stage of Heavenly Immortal!”

“It might even be a Heavenly Immortal Perfected Stage!”

Everyone at the scene cried out in astonishment, unsure of what was happening.

Tian Bao Ancient Buddha was equally startled, frowning tightly, feeling that the palm just now seemed somewhat familiar!

Could it be...

At this moment.

A robust and hoarse voice reached everyone’s ears.

“Tian Bao, as a high monk of Buddhist ultimate techniques, you shamelessly strike against a junior.

Don't you have any face left?"

Everyone on the scene looked in the direction of the voice.

They saw a massive Void Cave explode open in the distant horizon, like a black hole had been blasted open.

As the black hole exploded!

Beams of blinding, eye-catching black and red light burst forth, illuminating all directions of Heaven and Earth!

Within the Void Cave, demonic qi rolled tumultuously, and innumerable Fiend Celestial Illusions towered up, domineering and unmatched!

Chapter 2329: Execute Justice on Behalf of the Heaven, Slay the Demon!

"Fiend Celestial Heavenly Venerate?!"

Tian Bao Ancient Buddha's eyes widened as he abruptly stood up.

Kuai Xianhong and all the other Heavenly Immortals also stood up one after another.

"It really is that demon!"

"Who would have thought that demon would actually find his way here!"

"Why would that demon want to help Yang Luo?"

Kuai Xianhong and the others had cold expressions and were quite baffled.

At this moment.

Boom, boom, boom!

A series of earth-shaking footsteps sounded, like war drums being beaten.

In front of everyone's eyes, emerged an elderly man with a tall and straight figure, wearing patched clothes and disheveled hair, appearing in the sky.

It was none other than "Fiend Celestial Heavenly Venerate" Gu Tianshang!

"Fiend Celestial Heavenly Venerate!

It really is that demon!"

"We didn't go looking for him, yet he came to our doorstep!"

"Well, that's good, we can kill this demon right here!"

"After all, it's just this demon alone, he poses no threat to us!"

Kuai Xianhong and the others spoke fiercely, their eyes flashing with killing intent.

However, just as everyone thought Gu Tianshang had arrived on the scene!

Suddenly!

Rumble!

Three thunderous explosive sounds echoed from the distant horizon!

There, around Gu Tianshang, three enormous Void Caves exploded into existence!

From each Void Cave burst forth dazzling brilliant beams of light!

From one of the Void Caves, evil energy surged to the sky, and figures of evil demons loomed high!

From the second Void Cave, demonic energy churned, and figures of demons loomed high!

From the third Void Cave, poison clouds billowed, and various Poison Beasts loomed high, emitting roaring and howling sounds!

At this moment!

The entire Jiucang Mountain Range territory was filled with the roaring sounds of Fiend Celestials, evil demons, and demons, deafening to hear!

Seeing this scene right before their eyes!

The faces of Kuai Xianhong and others drastically changed, their hearts involuntarily skipped a beat!

“Could it be that those three demons have also come?!”

“Is there even a need to guess?”

It’s definitely those three demons who have come!”

“Unexpected that these four great demons knew about our plan, damn it!”

“So what if they know, with so many of us here, are we scared of him?!”

Although Kuai Xianhong and the others were shocked, they were not afraid.

After all, this time they had eleven great Heavenly Immortals united, plus so many True Immortals and Earth Immortals, they didn’t need to be afraid of Gu Tianshang’s group.

Boom, boom, boom!

As a series of earth-shaking footsteps resounded!

Three figures emerged from the three Void Caves and appeared in the distant sky!

Gu Tianshang’s group of four merely stood in the distant sky, but the pressure and aura they spread enveloped an area of hundreds of miles!

More than fifty thousand people present trembled all over, feeling as if they were carrying several mountains on their backs, unable to catch their breath!

The crucial point was, the notoriety of Gu Tianshang’s group was entirely built from fighting and killing!

Therefore, everyone present felt hair-raising terror, their hearts pounding and cold sweat pouring!

Ning Jianfeng chuckled, “Senior Gu and the others finally showed up, I thought they were going to wait a bit longer!”

Bujie smacked his lips, “I originally thought only Brother Yang was the best at showing off, but it turns out Senior Gu and his group are even better!

Look how scared these guys are!”

Ji Longyue and others also began to laugh uproariously.

As long as Yang Luo and the four seniors were there, they were afraid of nothing.

Soon, Gu Tianshang and the other three stepped forward, striding towards them through the air.

When the four of them drew near!

“Ah...”

Many people nearby let out painful screams.

Some were sent flying, spewing blood from their mouths.

Some died of poison, their skin turned black, blood flowing from their seven orifices.

Some bodies shriveled up, like dried-up corpses lying on the ground.

Some even exploded into pools of blood mud.

In just a few moments, tens of thousands were slaughtered.

Mountains were already littered with corpses, flesh and blood splattered in the air, and the smell of blood filled the atmosphere.

“Run!

Run away!”

“Don’t get close to these four demons!”

“They are devils!”

People from all the great sects and families screamed in terror, fleeing far away.

Kuai Xianhong and other Heavenly Immortals immediately woke up and set up multiple layers of Protective Arrays to securely cover everyone.

Seeing the scene of a mountain of corpses and a sea of blood nearby!

Yang Luo and the others were immediately horrified!

Bujie swallowed hard and trembled, “It turns out...

this...

this is the true face of Senior Gu and the others!”

Ning Jianfeng shivered and said, “Killing without even blinking an eye...

not even needing to lift a finger...

No wonder they are called demons by the world!”

Huangfu Xuance took a deep breath and said, "The four seniors are friendly towards us because we did not offend them!"

Helian Dongsheng also felt his scalp tingle and said, "The reputation of the four seniors is not for nothing!"

They are Fiend Celestials, evil demons, monsters, and ancient poisons!"

Even Flame Emperor and others who had seen many deaths were still deeply shocked by the scene before them.

Soon, Gu Tianshang and his group arrived next to Yang Luo and the others.

Gu Tianshang smiled warmly at Yang Luo and asked, "Boy, are you hurt?"

Yang Luo smiled and said, "Those three idiots can't hurt me!"

Gu Tianshang laughed and said, "True, you've endured the strongest Heavenly Immortal Thunder Tribulation.

The ordinary Early Stage Heavenly Immortals are indeed no match for you!"

Zuo Canghai spoke loudly, "Little guys, don't worry, with us here, these fools cannot do anything to you!"

"If they dare to touch you, just kill them!"

"A mere rabble!"

Linghu Wuxie and Chu Junlin also spoke forcefully.

Seeing that Gu Tianshang and his group had such a good relationship with Yang Luo and others, it shocked everyone present!

After all, in their perception, these four demons have always been loners, not interacting with anyone else!

But unexpectedly, Yang Luo and the others had formed a close relationship with these four demons!

Gu Tianshang turned to Kuai Xianhong and others, narrowed his eyes, and asked, "Is it you who convened this 'Demon Extermination Conference' to get rid of us four?"

Linghu Wuxie coldly said, "We are right here, come and try to get rid of one of us!"

Chu Junlin sighed, "We initially didn't want to bother with you, but why must you seek trouble?"

Zuo Canghai said with a smile, "Do you really think you can get rid of us with your capabilities?"

Kuai Xianhong said vehemently, "You four great demons are the calamity of Penglai Immortal Island.

Without getting rid of you, Penglai Immortal Island will never be at peace!"

"That's right!"

Fu Haijiang, with an arrogant demeanor, said loudly, "You four great demons, everyone deserves to be executed!"

We intended to find you, but since you've come, that saves us a trip!"

Tian Bao Ancient Buddha spoke aloud, "Today, we will act on behalf of Heaven and get rid of you four great demons!

And Yang Luo, this demon, along with these youngsters, dare to mingle with demons, must be eradicated as well!"

"Acting on behalf of Heaven, exterminate the demons!"

"Acting on behalf of Heaven, exterminate the demons!"

Over half a million people on site raised their arms and shouted, the momentum shaking the heavens and resounding throughout the Jiucang Mountain Range.

Chapter 2330: Terrifying the Enemy!

"Ha ha ha..."

Gu Tian laughed uproariously towards the heavens, his voice filled with domineering spirit, "What a noble act to 'enforce justice on behalf of the heavens' and to execute the demon!

Today, we shall become demons ourselves and slaughter everyone on Ten Thousand Immortals Mountain!"

Linghu Wuxie's voice thundered, "Those who aren't afraid to die, come at me!"

"It seems, that we four have been dormant for far too long, you all have forgotten what fear is!"

"Very well, today, let us show you the gruesome fate that befalls those who provoke us!"

Chu Junlin and Zuo Canghai also roared out loud.

Before their words even fell!

Gu Tian, Linghu Wuxie, Chu Junlin, and Zuo Canghai, all four took a step forward!

Boom boom boom!

The heavens were shocked, the mountains and rivers trembled, the rivers and streams were in tumult!

All four erupted with tremendous momentum and battle prowess at the same time, their bodies emitting four beams of light that shattered the expanse of sky above!

Yang Luo and Flame Emperor and the others also took a step forward, unleashing a terrifying aura and combat power!

Boom boom boom!

Beams of light rose into the sky from Yang Luo and the others, breaking open a large expanse of cloud sea and piercing into the vast void!

Although Yang Luo and his companions were not at an advantage in numbers, the pressure and presence they exuded were astoundingly fearsome, sweeping in all directions of heaven and earth!

Kuai Xianhong roared out, "All of you, listen up, annihilate these demons!"

Fu Haijiang added, "Anyone who can make a contribution in this battle will be heavily rewarded, and will have the chance to receive our guidance!"

Yin Juetian also declared loudly, "Those who can achieve great merit might become our disciples and receive our true teachings!"

Hearing what Kuai Xianhong and the others said!

The over 500,000 people present suddenly became excited, blood coursing feverishly through their veins!

Just by achieving merit, one could obtain rewards, and even have the chance to be taken as a disciple and receive guidance from the Heavenly Immortal Ancestors!

What a rare opportunity it was, and they all wanted to seize it!

“Kill!”

“Leave none alive, show no mercy!”

“Good and evil cannot coexist from ancient times to now, kill!”

Everyone shouted out loud, charging from all directions towards Yang Luo and Gu Tian and the others!

Some flew into the air, some rode on flying immortal treasures, and some rode on mutated beasts, like a surging tide, they launched their assault!

Although they were afraid of Yang Luo and Gu Tian and the others!

But, on their side there were so many people, and with the support of eleven Heavenly Immortal Ancestors, naturally it gave them enough backing and confidence!

However, just as the over 500,000 charged towards them in that moment!

“Elders, brothers, take action!”

Yang Luo let out a thunderous roar and stomped down from mid-air!

Flames, ice and lightning bolts instantly burst from within him, transforming into a sea of fire, an ice sea, and a sea of thunder, surging in all directions!

“Howl howl howl!”

Even more, tens of thousands of golden dragons roared into existence, slamming in all directions!

Flames churned, lightning raged, ice surged, and golden dragons soared, the terror was boundless!

“Ah ah ah ah...”

Painful screams resonated incessantly!

The first wave of thousands that charged over had no time to react, and were burned to death, frozen to death, or struck dead by lightning!

“Counterattack!

Counterattack now!”

“We have so many people here, we aren’t afraid of them!”

Those in the rear started shouting, launching fierce attacks toward Yang Luo and the others!

Countless attacks were unleashed at once, covering the sky and earth, raging towards Yang Luo and others!

At this moment.

The vast heaven and earth were enveloped by myriad lights and energies, dazzling yet bearing endless lethality, destructive power and ruinous force!

“Seeking death!”

Gu Tian roared with fury, stepping down through the air!

Billows of demonic qi spread out, surging in all directions!

“Howl howl howl!”

Countless Fiend Celestials coalesced and roared, charging into battle!

Linghu Wuxie, Chu Junlin, and Zuo Canghai also stepped down from mid-air!

Overwhelming Evil Energy, Demon Energy, and poison qi intertwined, akin to Raging Sea Violent Waves, rushing forth!

“Howl howl howl!”

Countless evil demons, demons, and Poison Beasts congealed and rose up, emitting piercing roars and charged out!

“Flying Swords Like Abyss!”

“Lotus Sea Fragrance!”

Flame Emperor and International Diva also took action simultaneously, launching fierce attacks!

Countless azure flying swords, burning with azure flames, shot out like a violent storm!

Countless Eight-Colored Glazed Lotuses bloomed with dazzling light and surged forth to suppress and kill!

“Ten Thousand Dragon Soaring!”

“White Tiger’s Chaotic World!”

“Vermilion Bird Burning Sky!”

“Black Tortoise Stepping Sky!”

...

Ji Longyue, Baili Wushuang, Tantai Puti, and Yi Yuheng, and others also simultaneously launched fierce attacks!

Tens of thousands of Azure Dragons soared through the Nine Heavens, roaring as they took flight!

Tens of thousands of White Tigers shattered the sky with their roars, charging forth indiscriminately!

Tens of thousands of Vermillion Birds flapped their wings and soared, with flames wreaking havoc!

Tens of thousands of Black Tortoises raised their heads and stepped through the sky, as ice surged and tumbled!

The attacks from Xu Ying, Bujie, Lin Wenxuan, Mo Qingkuang, and Xiang Kunlun, and others were also ferocious and violent, colliding forcefully!

In an instant!

Boom, boom, boom!

...

Rumble, rumble, rumble!

...

A series of earth-shattering collision and explosion sounds echoed one after another, shaking the heavens, resounding throughout the entire Jiucang Mountain Range!

Huge balls of energy burst open in the sky, rippling out in all directions!

The sky for hundreds of miles around was shattered, and entire clouds were blown apart!

The mountains below also collapsed and exploded one after another, turning into a massive amount of rubble and dust, sweeping up into the sky!

“Arghhhh...”

Under this violent confrontation, cries of agony and screams were never-ending.

Wave after wave of people charging over met their gruesome deaths in the sky.

Many were also severely injured, spewing fresh blood and sent flying backward.

The battle had only just begun, and the number of casualties had already reached tens of thousands.

Bodies were strewn everywhere, blood flowed, and the scene was in utter disarray and extremely tragic.

Seeing this, Kuai Xianhong's face turned ferocious, and he commanded loudly, "Everyone, take action!"

"Okay!"

Fu Haijiang and the others responded in unison.

Immediately after, Kuai Xianhong and others soared into the sky from the Ten Thousand Immortals Mountain, their fighting spirit and battle power erupted, charging towards Gu Tianshang and the others!

Gu Tianshang shouted, "You little ones, protect yourselves!"

If you can't hold on, retreat immediately!"

Linghu Wuxie declared loudly, "You need not worry about us; we can retreat at any time!"

"Yes!"

Flame Emperor and the others responded in chorus.

"Kill!"

Gu Tianshang roared, shooting straight up from the encirclement of hundreds of thousands, charging towards Kuai Xianhong and the others!

"All together!"

“Flip heaven and earth over him!”

“Exterminate these hypocrites!”

Linghu Wuxie, Chu Junlin, and Zuo Canghai also soared up and charged towards Kuai Xianhong and the others!

Yang Luo instructed Ji Longyue and the others, “Brothers, be careful!

I’ll deal with those three old geezers from Guduo!”

“Little Luo, be careful yourself!”

“Brother Yang, let these bastards witness your formidable strength!”

“Let’s fight until they are frightened, until it send chills down their spines!”

Flame Emperor and Bujie and the others all shouted.

“Hahaha, good!”

Yang Luo was full of boundless pride, his blood boiling, “Today, we shall turn the whole Ten Thousand Immortals Mountain upside-down, vanquishing the enemy’s courage, and intimidating the entire Penglai Immortal Island!”

“Good!!!”

Bujie and the others were also boiling with enthusiasm, echoing in unison.
